Song, "Keep the Faith".....	Insert between pages 2 and 3

"Let us praise the Eternal Lord
for tyranny subdued.

And for the sway of equity
renewed;

For liberty confirmed and
peace restored."

TO THE D. A. R.

KEEP THE FAITH.

(Air, Columbia, the Gem of the Ocean.)

O, our national organization,
A band of the fair and the true;
We pledge thee thy daughters' devotion,
Our love and allegiance anew;
May thy name that we cherish stand ever,
As new members we add to thy roll,
For service and duty forever,
To country, a beautiful scroll.

CHORUS.

"Keep faith" with the brave and the true,
"Carry on" in the work that's to do,
Let "over the top" be our motto,
Our standard, the Red, White and Blue.

O, the Star Spangled Banner we cherish,
And the D. A. R. takes this stand;
We do pledge that its glory ne'er perish
Nor its beauty grow dim in the land;
Our grandsires fought to defend it
In the days of its perilous youth,
We daughters will ever protect it,
Its folds of the bright living truth.

The fires of the fierce revolution,
Whose thunders were heard 'round the world,
Kindled thoughts of our great constitution,
And Liberty's flag was unfurled;
Our ancestors fought for our freedom
And Liberty's torch held on high;
We hold up the torch that they left us
And bear it aloft to the sky.

—By Elizabeth Duncan Lanier.

Adopted as a State D. A. R. song April, 1919.

A PRAYER OF VICTORY

All things come to Thee, O God!
Thine own to Thee remain.
Though desolate the way we trod,
We saw Thee in our pain.

The beauty and the might of truth,
The starlight way of right
Were fast before our age and youth,
Their vision and their light.

The deaths we died, the blood we bled,
Was in the faith we hold.
We mourn not those whose souls have fled
Into that gloried fold.

Their Sanctus rings eternally,
Theirs is a deathless fame.
They died that this, Thine earth, might be
Still worthy of Thy name.

Paul Hyde Bonner, 2nd Lieut., D. C. I.

SAVANNAH, Ga., March 31, 1919.

Members of the Georgia Chapters of the National Society,
Daughters of the American Revolution:

It is with great regret I find myself unable to be present with you at this meeting. I am sending you this communication through a fellow-member in order to express my grateful appreciation of the honor the Daughters of Georgia have done me in nominating me for the high office of President General.

Many friends and co-workers in every State have asked me to reconsider my determination to decline the honor, but from every point of view save one, it is best for me to decline—lovingly and loyally, and yet—decline.

The nomination at Athens was with so large a majority that I count the minority negligible. My one point of hesitation has come from the conviction shared by the South and many justice-loving Daughters of the North, that it is due to the excellent work of the members of the Society in the South that a Southern woman should succeed Mrs. Guernsey. I believe I would have been elected—but a campaign in my own interest is repulsive to me. I have given twenty-eight years of service to the National Society, Daughters of American Revolution, and have served, as you all know, in many of its honorable positions—but now I must leave you, my health and other interests demand my time.

So, dear Daughters, with a heartfelt of love, I must say good-bye to you.

Cordially yours,

S. B. C. MORGAN.

CALLING THE CONFERENCE TO ORDER.

By the authority vested in me as Regent of the Hostess Chapter, Thronateeska, I now declare the Twenty-first Georgia State Victory Conference in session.

WELCOME ADDRESS.

Mrs. John Randolph Whitehead, Regent of Thronateeska Chapter.

Madam State Regent, Madam Vice President General and Members of the Victory Conference:

As Regent of Thronateeska Chapter, my heart has more to tell than my lips can utter. To greet you with mere words after the warm welcome expressed on the radiant face of every hostess, would be to paint the lily and perfume the violet. President Wilson says, "There is a great tide running in the hearts of men." It is also true of women, for there is a great tide of welcome running at "flood stage" in our hearts tonight.

This is the most supreme hour in the life of Thronateeska Chapter since its organization in 1895 by Mrs. Louisa Bacon Strother, and its reorganization in 1908 by Mrs. Minnie Davis Walters.

To entertain the State Conference is a great honor, and when it is a Victory Conference, presided over by our beloved State Regent, the mother of two boys overseas, it is indeed an honor unparalleled. Albany has entertained many organizations within her gates, but not one has been anticipated with more pleasure, or will prove more significant in the future history of our city than the convening of the Twenty-first State Conference, Georgia Chapter, Daughters of the American Revolution.

The presence of so many earnest women is an inspiration, stimulating us to do our utmost—and the exigencies of war have proven what the women of this generation are capable of doing. When George Washington revolted from the British yoke, and called on the Colonists to battle for their rights, if the Father of His Country could only have drawn aside the curtain which veils the future, he would have seen an "Invincible Army of Women," descendants of his brave soldiers of 1776—The Daughters of the American Revolution. Every Daughter is proud of her ancestor, and cannot be accused of

chauvinism—but in our pride of ancestry we must not forget the advice of Plutarch who said, "It is a desirable thing to be well descended, but the glory belongs to our ancestor."

In the great work of "service and sacrifice" accomplished by the Daughters, they have followed in the footsteps of their ancestors, whose patriotism for their country and in their love of Liberty, were guided by the Divine Power above.

The fires of patriotism have always burned bright on the altars of the D. A. R., but when in April, 1917, our President's clarion call "To Arms!" reverberated over the world with an intensity which could have rent the Heavens asunder—then was the "Patriotic Current" turned on "full voltage" in the heart of every D. A. R., and from the Atlantic to the Pacific, from Canada to the Gulf of Mexico, not a Daughter of the American Revolution could be found "asleep at their post." All were on guard for their country, for the United States stands for every nation.

Many Daughters have woven their very heart's blood into their work, as many a soldier (whose mother is a Daughter of the American Revolution) has made the "supreme sacrifice," sleeps the last sleep "Somewhere in France" or "beneath the poppies in Flander's field."

Although victory has thrown her mantle over the blood-drenched battlefields of Europe and the rainbow of peace spans the world, yet, the D. A. R.'s have not ceased with their war relief work, a work which has drawn the Chapters very close together, notwithstanding the many miles of separation. Georgia is a large State, yet so small that the hearts of the D. A. R. touch, and tonight it is our pleasure and privilege to seal this bond of friendship with heartfelt greetings, and assure you that Thronateeska Chapter is "made happy with the joy of your presence."

Welcome addresses were also made by Hon. M. W. Tift, Mayor of Albany; Mrs. J. W. Elder, President Albany Woman's Club; Miss Johnnie West, United Daughters of the Confederacy; Mrs. E. J. McDaniel, representing the W. C. T. U.

RESPONSE TO ADDRESSES OF WELCOME.

Mrs. John M. Slaton.

Madam State Regent:

To you I bring loving greetings and pledges of loyalty from the Chapters of the Daughters of the American Revolution throughout the State. Madam Vice President General, you have our hearts, always. Madam Regent of the Hostess Chapter, I have the honor of bearing to you the grateful appreciation of the Daughters of Georgia for the generous hospitality of the Thronateeska Chapter, and the hospitality of your city and its organizations.

Every country has one spot that speaks its thought and interprets its ideals and aspirations. Melrose is the heart of Scotland, and as one visits it, he finds himself in the atmos-

phere that bred the romance and chivalry of that splendid race that has captured the fancy and charmed the imagination of the distant stranger. He hears the accent of Burns and sees in the distant hills the home of MacGregor and the castles of the Scottish chiefs.

Bagdad is the expression of the gorgeous East, and its streets are still peopled with the train of Haroun al Rasched and the genii of the Arabian Nights. The inspired poet sensing the inexpressible spirit of the Greeks, gives it a local habitation in "the olive groves of Academe"—Plato's retirement—"where the attic bird trills her thick-warbled notes the summer long."

In Georgia, to whose past we are faithful, and whose achievements and heroes our organization would preserve in immortal freshness, we have gathered where there can be found no more splendid example of her noble people. Broad-minded, patriotic, generous-souled—a brave, hospitable and chivalrous type of those lofty spirits that made Georgia one of the thirteen states and has crowned her in modern days the Empire State—among this representative Georgia people of Dougherty county, we feel at home.

We accept your welcome with the whole-heartedness in which it is given, and when the time comes for leaving you, the sentiment of the English singer will linger with us:

"Where'er we go, whatever realms we see,
Our hearts, untraveled, fondly turn to thee."

STATE REGENT'S ADDRESS.

It is with a feeling more of thankfulness than victory that I come to you tonight. We should hold a real thanksgiving now that war is at an end and that so many of our dear Georgia boys have been spared to come back to help make this a better world.

We thank you, Madam Regent, for the gracious hospitality of your splendid Chapter, and we thank all the representatives, of city and organizations, for their cordial words of welcome. It is a joy to be with you and celebrate here our Twenty-first (State) Conference.

Our Victory Conference is a meeting dedicated to liberty triumphant! We are stirred by the thought that from all over the State we have come to celebrate this solemn and momentous time in the history of our country.

When we met a year ago the world was in the clutches of the powers of evil, and no man knew the outcome. It was a struggle unto death between liberty and humanity on the one hand, and brute force, the doctrine that might is right on the other. Civilization was trembling on the brink of destruction—but America's fresh young strength was thrown into the balance—and victory is ours.

Today we are thanking God that we were not too late and that the dreams of a world empire ruled by a Hohenzollern will never be realized. This has been a dream of nearly two thou-

sand years, "ever since Rome ruled the whole known world and reached out into the unknown, this dream of world empire has obsessed the rulers of mankind. World empires have risen and fallen. Charlemagne, Otto the Great, the Hapsburg emperors, Napoleon, have had their day—and now William Hohenzollern, too mean and despicable to be classed with any of these, is a fugitive from justice—an outlaw, loathed by all mankind, a man without a country, for whom no man or woman in all the world has pity."

We are now anxiously awaiting the conclusion of the great peace treaty—the League of Nations. The eyes of the world are upon the movements of the great men there, especially on our great representative, for the United States of America leads the nations of the world.

May our prayers be answered and may peace, eternal peace, reign. As someone says:

"A new age dawns!
For Joseph dreams his dream again.
And Joan leads her armies into light,
And somewhere near, the Master from His Cross
Lifts His hurt hands and heals the World again."

To heroic Belgium we owe much, and to England, whose mighty fleet kept the seas open by bottling up the German fleet—and to France, whose brave sons held back the Terror at the Marne and said at Verdun, "They shall not pass!"—to all these we owe a debt of gratitude which we have done our utmost to pay, and our men were proud to be with them at the second battle of the Marne, at Chateau Thierry, at Saint Mihiel and in the great battle of the Argonne.

We saved the day, and, as the French say, "we saved the world."

It is glorious to know that our American troops were loved and honored in a foreign country—but as one boy wrote home, "We are now in Germany, and it is the first time we have felt that we were in a foreign country, for in France we were at home."

I am right proud of my State and Daughters of the American Revolution for what they have done, and they will only know tomorrow, when I read my report, just what great things they have accomplished. These records of brave women, as well as brave men, must be kept forever.

To mothers and daughters it is an inspiration to have lived and loved this generation—though the days have been dark—we are now celebrating victory—and I feel that our great President, Woodrow Wilson, has been the guiding star in this dangerous period. I agree with our beloved Miss Mildred Rutherford in what she said of him last year, when we were meeting with her in dear old Lucy Cobb Chapel—"That he was as assuredly raised up for this great work as was Moses in the time of Pharaoh."

Edgar Guest has splendidly expressed *my* ideas of the year that shall not die when he says—

Men shall recall the passing year
So long as life has meaning here.
Through all the centuries to be,
The eyes of men shall turn to see
And read with wondering souls the deeds
Which re-established freedom's creeds.
Earth's greatest year now slips away
Since that of Resurrection Day.

We that have lived have seen our youth
Defend the fortress of truth;
Have stood upon the hills and seen
Hate's forces, brutal and unclean,
Rush forward in their lust and might
To crush the truth and kill the right.
And in that darkest hour in France
We saw the Stars and Stripes advance.

Then swiftly to the battle line
Came Freedom's children—yours and mine—
And with our flag against the sky
The hope of weary men rose high.
Then back the gray-clad hordes were sent
And scattered o'er the continent—
Our of the chaos and the flame
Freedom and Truth triumphant came!

The passing year is rich with deeds
Of sacrifice for human needs.
Since Christ was crucified for men
And took the tomb to rise again,
Earth has not known so great a time
Of service and of faith sublime.
For with this year, so tried and torn,
The Brotherhood of Man was born.

GREETINGS.

Mrs. Sheppard W. Foster, Vice President General, National
Society, Daughters of the American Revolution.

I bring you greetings from our National Society, congratulate you on your splendid work and bid you godspeed. You have wisely chosen the name Victory Conference for this meeting, a name to be recorded upon the annals of time and upon the great book of the world—history of splendid achievement.

Victory Conference, and who has been the victor in this conflict for Democracy? The allied army of God's noblest men, or the women who have stood behind the tortured and wounded world? Both you and the splendid men of the

Allied army and especially the men of America, whose deciding blow brought peace to the world and hope to the hearts of the people. It is true that our noble sons of our wonderful country went into No Man's Land with heads held high and hearts beating bravely and they took up the torch in Flanders field and marched to victory; but it was the women—and women of America who have kept the poppies fresh and fragrant above the graves of the heroes over there.

In after years, the yet unfolded years, who will it be to remember the sacrifices that the splendid soldiers of America made on the altar of one man's greed—it will be the Daughters of the American Revolution who will build monuments to the heroes of today as they have done to the heroes of the past. For it is your hearts, O, Daughters, that have bled in the same agony that wrung the hearts of Mary and Martha at the sepulchre of our Lord, your eyes that have shed the bitterest tears and your hands that have reached out farthest in their ministering love and tenderness.

Out of the darkness of primeval forests has arisen a beautiful spirit of fragrance and strength which has hovered over the great heart of America like a mother's love—a spirit whose elements have mingled in men and women for generations, for years that spirit has lain dormant but ready to rise up at the first call from suffering humanity. Europe, helpless, hopeless Europe called and that spirit arose and met and mingled with the great spirits of the Allied nations, and by its prowess and nobility has been the deciding factor in bringing peace to the world.

Now that the war is over, "the voice of Time calls to man to advance" and we must go forward with the world, improving, helping and carrying happiness and hope in the dark days that must necessarily be ahead of us in these days of readjustment.

Add a greater lustre to the splendid work of the Daughters of the American Revolution by being builders of a wonderful and glorious future and may you never know defeat. Peace to your hearts.

OFFICERS REPORTS

REPORT OF STATE REGENT

Mrs. James S. Wood.

It is with joy I greet you and make this report of the magnificent work you have done. We have been soldiers true, and marching to the time of duty have left our footprints not only on the sands of time, but as part of the history of our State and Nation.

Patriotism has been the keynote of the year. The loyalty of the Daughters of the American Revolution has been tested and not found wanting. I am enthusiastic over what we have accomplished and feel sure that we will continue to the end, until France and Belgium are restored and the world is at peace.

The Society continues to grow even during war, and over two hundred have been admitted during the year. Two Chapters have their papers in Washington and have practically formed, and one other has papers ready to send on.

The first work taken up after my election as State Regent was the "Dr. Crawford W. Long Memorial Bed." The amount necessary, \$600, for this to be placed in the American Hospital at Neuilly, Paris, France, was quickly given and sent through the National Red Cross Headquarters. Over half this amount was given by Elijah Clark Chapter of Athens. This was a wonderfully appropriate gift, honoring our great Georgian, and at the same time making it possible to help our gallant soldiers in France.

It is with a feeling of pride that I tell of the splendid War Bulletins prepared and sent to State Regents by the National Committee on War Relief Work. Both Mrs. Matthew T. Scott, Chairman of National Relief Committee, and Mrs. William Henry Wait, Publicity Director, have labored zealously and achieved much. I have sent out all these Bulletins and have kept up all regular work of our organization, particularly emphasizing the patriotic work.

It has taken almost my entire time and that of my secretary to keep up with the many and varied phases of war work. My Corresponding Secretary's illness prevented her continuing her work, and my private secretary carried it on. After six months of this I appointed her Corresponding Secretary for State at request of former Secretary.

It would be impossible to compile a complete report of all work accomplished by Georgia Daughters of the American Revolution, for many Daughters seem to have adopted for their motto, "Let not thy left hand know what thy right hand doeth."

All active members of D. A. R. are also Red Cross members and workers. One hundred and five D. A. R. members have reported acting as Red Cross County Chairmen and 220 Chairmen of Red Cross Departments. In many places every leading

Red Cross Chairman was a prominent D. A. R. and almost every Daughter of the American Revolution has done some definite work to help win this world war.

Our educational work, in a broader sense than ever before, has been carried forward and the work will be encouraged and enlarged under our capable Chairman. We have seen the great need of teaching our American children, as well as foreign born, the love they should bear for our great, free country.

As State Regent, I have represented you on Board of Woman's Committee, Council of National Defense. Our D. A. R. work was already organized along most of the lines of work which that patriotic society was asked to take up, so we were glad to co-operate and swell Georgia's part in war work. I have worked unceasingly all during the summer and right up until State Conference carrying on all of the various duties connected with my high office as State Regent, and in my home I have a room set aside as my "office" and in which I was permitted an extra telephone connection by the United States Government in recognition of my services. I served as an assistant to the United State Food Administration during summer until my other war work became so heavy that I resigned. As State Regent I was Chairman for Georgia, representing "The National Committee of Patriotic Societies," working against German propaganda in Georgia. Our President General, Mrs. Guernsey, is a member of the National Board of this organization.

Your State Regent has been appointed a member of the "National Committee to Place Wreaths on the Tomb of George and Martha Washington" for the Twenty-eighth National Congress. She has also acted as Chairman of Savannah Committee of the American Committee for Devastated France and entertained the representatives, Mrs. Lindsay Patterson and Mrs. Frank Mebane, who will shortly go to France to assist Miss Anne Morgan with her work in the devastated districts, and Major Dupont of the French High Commission. Mrs. Patterson will also represent our National Society and take over the D. A. R. fund for the restoration of the French village of Tilloloy.

Women of Georgia—patriots—Red Cross workers—Daughters of the American Revolution—have all conserved to the best of their ability, and now most of them feel they can relax—but when we hear the cry from our beloved ally, France, still ringing in our ears, as I do—from the lips of the gifted French officer, Major Dupont, of the French High Commission—telling of the suffering and misery among the children of France, "who," he says, "have forgotten how to smile, and a child who does not smile is like a garden without flowers and day without sunshine." I cannot fail to give to you this appeal—"those sad children may have been yours but for the French who said to the German hordes, 'You shall not pass!'" Those destroyed homes might have been your homes but for the mighty efforts of France. Then he said, "You will help us."

Now, I say for Georgia Daughters, we will answer this call for help, and answer at once while the need is great. Our quota for Tilloloy is a pledge that must be fulfilled. It is an obligation which we delight in paying, but our gifts to aid the poor in devastated districts of France can only be measured by the size of our hearts. If we subscribe the amount necessary, the poultry farm which is to be given by Georgia D. A. R. will be established near Tilloloy and be of great benefit to the people returning to that village.

We are proud to report that we have eight Georgia D. A. R. representatives in France. They are: Miss Ettiene Baldwin of Fort Valley, who is with the Y. M. C. A.; Miss Maud Fisher of Macon and Miss Mary Davis of Macon, both doing canteen work in Paris; Miss Elleigh Page Tucker of Albany, who is with the Y. W. C. A.; Miss Mary Brown and Miss Isoline Campbell, both of Atlanta, who are doing reconstruction work at Paris, Nice and other places, as members of the Junior League Unit of the Y. M. C. A.; Mrs. Frances Gordon Smith of Atlanta, who is working in Rolland Hospital, in Paris, and Miss Emma Coney of Cordele, a registered nurse, serving as a nurse in France.

During the year I visited the Atlanta Chapter and enjoyed being present at the celebration of the great Fourth of July, the occasion being celebrated in Cragie House, and at invitation of the Augusta Chapter I visited the Chapter for LaFayette Day and was delightfully entertained by the Chapter at reception at Meadow Garden. It was an impressive occasion. The French mission, as well as the American general and his staff from Camp Hancock being guests. I expected to visit Nancy Hart Chapter at Milledgeville, but on account of sickness in Chapter, arrangements had to be changed and the epidemic of influenza prevented my visiting the Chapter at Moultrie, much to my disappointment. When my Conference closes here I am to have the pleasure of visiting Ocklocknee Chapter, at Thomasville, and also John Benning Chapter at Moultrie. On the 11th of April I will leave for Washington to attend the National Congress and will be accompanied by the two Pages from Georgia, who were appointed through the courtesy of the President General of the National Society, Mrs. George Tacher Guernsey. The Pages will be Miss Cena Whitehead of Thronateeska Chapter at Albany and Rosalind Wood Chapman (Mrs. C. A.), a member of Savannah Chapter.

Several County Histories are reported ready for publication, but the small Chapters find it impossible to have this done on account of expense. I suggested last year, as I was retiring from the office of State Historian, that these Histories be completed and when we are ready to publish—each Chapter contribute something toward the expense, the balance being supplied by State Conference. Many Chapters have kept a record of the men who have gone from their County to serve in our country's armed forces in the world war and twenty-three United States flags have been presented by Chapters and indi-

viduals. Several Allied flags have been presented upon the occasion of celebrations such as Italian Day, LaFayette Day and others.

Many Chapters possess "Service Flags" that will ever be cherished by the members as a roll of honor, representing the sons and husbands of members who offered their lives and served our country. Some of the many blue stars of service have been changed into gold, typifying the supreme sacrifice, and we are keeping a record for all time in honor of the men who have given their all that humanity might be saved from the clutches of ruin and desolation. Our State D. A. R. Service Flag would show 511 stars representing sons of 388 mothers. Of this number, ten are gold stars. Several Chapters report having made plans to place bronze tablets having upon them a list of all the men from their County who served in uniform in the world war and they will be placed on some prominent building in the County. Other Chapters have prepared a list of the sons of D. A. R. Chapter members and expect to erect suitable memorials with inscriptions and names. Several Chapters have reported that they are keeping a record of every man from their County, giving what services he has rendered and in that way they are preparing a real history of their County's service. All this can be included in their County Histories, which in years to come will be priceless. I hope that the Chapters will continue to add to these records of sons or grandsons of Georgia D. A. R. so that before next State Conference we can have a complete list of every one who served, with dates, title and services rendered, and that we will be able to have it published in book form, this in itself being a lasting memorial.

Last year when we met in Athens, Professor Pound, Principal of the State Normal School, explained the necessity of obtaining the names of all volunteers from the State of Georgia, because the Normal School girls who made beautiful Service Flags for the various Counties had had great trouble in finding the names of the volunteers who entered the service before the draft law was passed. I still hope that we may be able to procure these names through the efforts of our Chapters.

Pictures of memorials and patriotic gatherings have been sent me by several Chapters, the Atlanta Chapter sending nine splendid pictures, Lyman Hall Chapter of Waycross four, Savannah Chapter four and Nancy Hart Chapter of Milledgeville one. Each Chapter was asked by the National Society to send pictures of memorials, etc., so they could be preserved with records showing what we have accomplished during the past twenty-five years.

Revolutionary soldiers' graves have been located, but on account of the unsettled condition of affairs incident to the war, it was impossible to place markers on them.

This year just passed has been one not only of war and suffering caused by anxiety of mothers for their sons fighting in the fiercest battles in the history of the world, but added to

that distress has been the repeated epidemics of Spanish influenza at home. Twice have I planned to call a State Board meeting; once had issued the invitations when the Health Officer prohibited all meetings to prevent the spread of the influenza.

Notwithstanding all our anxieties and the many difficulties under which we labored, the Georgia Daughters of the American Revolution have honored their ancestors, as well as their descendants, by their magnificent war relief work, as the following record will show:

Though I cannot include everything contributed and the many kind and thoughtful acts of Georgia Daughters, this report suffices to prove that Georgia women are among the most patriotic in America, or for that matter, in the world.

I will close this report with figures that show what we have done for the four Liberty Loans, as the National Society asked for the total amount:

Total bought by Chapters.....	\$ 12,900.00
Total taken by individuals.....	3,759,810.00
Total sold by Daughters.....	3,365,650.00

Georgia was one of the first States to contribute her quota of \$1.00 per capita (\$3,042.00) for \$100,000 Liberty Bond to be bought by Daughters of the American Revolution and given to the National Society. Most of this quota was raised last year, but I completed the amount soon after being elected State Regent.

I close with the request that you keep up your splendid reputation by aiding in the great Fifth Liberty Loan now being sold, as the means of paying the immense debts that will be necessary to bring home our American heroes who are still in service on foreign soil, and to conclude the many details of the world war.

Georgia Daughters have bought and sold over seven million dollars worth of Liberty Bonds during the war! It is a glorious record with which to welcome home our boys who have fought so gallantly that the peace of the world may be maintained for all time. We have helped them to "fight the good fight" by doing our part at home.

MEMORIAL CONTINENTAL HALL.

Mrs. Sheppard W. Foster, Vice President General and State Chairman.

To obtain for mankind all the blessings of liberty as been one of the fundamental principles of our Society since its organization. The more we labor for a principle, the greater will become its worth to us, and the more we will treasure it and the more we study it, the greater will become our fascination for it. This meeting finds us standing on a higher plane than we were a year ago, higher in our field of responsibilities, higher in the confidence we have in our ability to achieve and I trust higher in the estimation of other organizations, for "by our works we are known."

Without our organized and associated efforts we could not have given the great assistance to our army that we, the Daughters of the American Revolution, have rendered.

If America had never been discovered and if the United States of America had never been created, there would never have been any Americans and as Americans our first duty is to our Government. If the National Society, Daughters of the American Revolution, had never been organized there would never have been any recognized D. A. R. Chapters or State Conferences. Do we Daughters realize our obligation to our National Society?

If we are to appreciate our responsibilities as Daughters of the American Revolution, we should keep ourselves informed as to what is being advocated by our Society and with this object in view we have our monthly magazine and every Daughter should read it and see what is being accomplished by this great body of women. This magazine is now classed by critics as one of the leading magazines of America. It is in reach of all—only \$1.00 a year subscription.

The bulletins sent out by our War Relief Service Committee are intended also as information for every Daughter. Chapter Regents receiving same should at their first meeting have such bulletins read and every member should feel it not only her duty, but a privilege to comply with every request. Approximately fifty bulletins have been sent—how many have you read? How many have been presented to your Chapter?

Our actual membership is 105,108—forty-one Chapters organized since our last congress. It might be of interest to you to know that our Treasurer General reported at the February Board meeting that we had \$61,000.00 paid on our \$100,000.00

Liberty Loan Fund and we expect to raise the balance of this amount by Congress.

Let me congratulate the Georgia Daughters as having "gone over the top"—having paid their full quota, \$1.00 per member.

Our next call is for reconstruction work in France—such as the rebuilding of Tilloloy, which your State Regent has referred to in her report, and how important this work is today! The poor people of this village, I understand, are returning home and have no homes and but little shelter. We as a society have undertaken to rebuild this village and could engage in no more laudable undertaking. I trust Georgia will also be in the 100 per cent. column in this line of work. The humanitarian call for relief in shell-torn France is heard throughout America, but from no source do we hear a more distinct call than the appeal that comes from Tilloloy.

From our Treasurer General's reports the finances of our Society are in a splendid condition. As you know, Memorial Continental Hall (approximate value \$750,000) is free of debt. We owe approximately \$68,000, the greatest portion of which is for deferred payments on lots bought back of and in the same block as Continental Hall. We have, however, permanent investments approximating \$66,000—\$63,000 of which are in Liberty Bonds and Railroad Bonds. We can readily conclude from the foregoing that our President General, Mrs. Guernsey, is a woman of good executive ability, aside from her other many splendid qualifications.

Our Publicity Director of the War Relief Service Committee at the October Board meeting reported that \$102,144.62 had been given through our Society to the Red Cross. To our Allies \$7,676. This does not include our contribution for French orphans. Y. M. C. A., \$21,990; Y. W. C. A., \$8,102. Estimated value of contributions by the Daughters, including the above cash items, is \$7,000,515.46.

Contributions from October to April will be reported at Congress. This is certainly a splendid record to the patriotism of the Daughters of the American Revolution.

Let me call on every D. A. R. to respond and respond immediately to any requests for reports of work, as it is only by record we can hope to have authentic data.

In conclusion, "lest we forget," I refer you to the third article set forth in our Society, namely: "To cherish, maintain and extend institutions of American freedom; to fasten true patriotism and love of country and to aid in securing for mankind all the blessings of liberty." "By our works are we known."

REPORT OF STATE CORRESPONDING SECRETARY.

Mrs. Augusta Wood DuBose.

In presenting my report, I take pride in stating that the Georgia Daughters have carried on a most wonderful amount of War Relief Work, and have taken up the various branches of this work with the heroic courage that must have been

their's by right from the ancestors who aided our country in its first struggle for right.

As private secretary to the State Regent and as State Corresponding Secretary, taking the place of Mrs. Myrick, who was ill, I have carried on the work prescribed. I resigned from the office of Registrar of the Savannah Chapter to accept the position of State Corresponding Secretary. The work has been very heavy because of the extra work in connection with our extensive war relief activities, but using the typewriter has been a wonderful help in enabling me to discharge the duties of the office.

I sent to our State Treasurer, Mrs. Rufus H. Brown, on March 20 my statement for the expenses and she promptly reimbursed me for the following amounts:

Every National Society War Relief Work Bulletin was promptly addressed and sent to every Chapter Regent in State.

Numerous State letters (from State Regent to Chapter Regents) were sent out by me as State Corresponding Secretary, Georgia D. A. R.

Credential blanks (three blanks to each Chapter Regent) were sent to Chapters for State Conference.

Credential cards were sent to every State Chairman for State Conference.

Telegrams, special delivery letters, etc., were sent on many occasions.

The following list shows expenditures for the year (ending March 20, 1919.)

Postage, stamped envelopes, etc., including express and postage on insured packages containing woolen quilts and kid-lined vests, etc.....	\$19.72

REPORT OF STATE AUDITOR.

Mrs. L. H. Chapman.

It gives me great pleasure to tell you that I have examined the books of the treasurer and find them perfectly balanced and correct in every detail. I congratulate you on having such an efficient officer.

REPORT OF STATE HISTORIAN.

Mrs. J. L. Walker.

While the Liberty bells are ringing and there is a dominant pride that thrills of the heart of the universe for victories won in the world war, an important issue should be forced into the minds of our American people—that we keep the records. The war records of the soldiers will be kept and many of the men who have given their time to war work will have their place in history, but will all the women who have done so many little things that went toward perfecting the great war issues have a place in the imperishable archives of our State? If not, there will come a time in future years when a descendant will search in vain for a record of a great-grandmother whom tradition said had knitted twenty sweaters, ten helmets and fifty pairs of socks. I know a woman who did that and she belonged to no one society which would keep her record.

Many gifted women will be left out of history that will be written a hundred years hence, if city, town, village and hamlet records are not collected now. A duty devolves upon the historian of every D. A. R. Chapter to appoint her committees to

gather the records of her county and have them put into a safe form for preservation. Each Chapter is urged to assume the responsibility of sending to the State Historian a full and complete history of all valuable historic work done by their members.

More importance should be given to the office of Chapter Historian, for it is through that department that the State Historian is enabled to make a creditable report to the Smithsonian and the National Society. Old treaty places, dead towns, old trails and roads are awaiting their turn to be honored by the Georgia D. A. R. with imperishable markers. The record keepers of a Chapter should copy old church and court records, deeds, land grants, court of claims, census, muster rolls, marriage registers, etc., and write biographies of men and women who lived during the Revolutionary period, and should preserve all records pertaining to woman's activities in the world war.

A few weeks ago I wrote seventy-six postal cards to the Georgia D. A. R. requesting that they send to me for compilation, histories of women who lived during the Revolutionary period. Many responses came in answer to my cards, but only three biographies have as yet been received. Mrs. R. P. Sweeney, Regent of John Clark Chapter, has contributed a sketch of the life of Phoebe Boring; Mrs. V. A. S. Moore, Historian of Baron De Kalb Chapter, a history of Sarah Warnsley Beck, and Mrs. Samuel Cook, Historian of the Nancy Hart Chapter, a story of Elizabeth Hawkins Crowder's feather bed. These three contributions to the historical records of Georgia are valuable and I most earnestly urge that more of these biographies be compiled so that justice may be meted out to the memory of women who are yet unhonored and unsung.

My special work for Georgia's archives, to be presented at this Conference, is the tracing of General Blackshear's military road from Hartwell to St. Mary's, incorporated with which are copies of a number of his letters that portray in an interesting way the spirit of the times in which they were written. I have also written a history of the life of General Floyd and have copied for preservation twenty-one of his old letters.

REPORT OF STATE EDITOR.

Mrs. E. A. Thomas.

It will take only a few moments and not many words in which to make the State Editor's report.

The "D. A. R. Column" has appeared every Sunday in the Atlanta Constitution, not missing one, although more than once your State Editor herself filled the space, or most of it, that this record should be made.

During most of the year we have had only one column in the paper, and in smaller type, thus making our department appear less attractive than usual. It has also been changed about from one section of the paper to another. We have

made no complaint and offered few apologies, feeling that all of our readers have realized the tremendous difficulties met and endured by all newspaper people.

The bulletins sent out by the National Society, D. A. R., have been published, often in full, your editor feeling the subject expressed better than if altered by her.

It has given us pleasure to publish many letters and articles sent by our State Regent.

Your Assistant Editor, Miss Alice Massengale, has helped by sending in articles, sometimes when they were greatly needed. We are very appreciative of her work.

Our best thanks, however, go to the several Chapters that have more or less regularly sent reports of their monthly meetings and special entertainments. 'Tis these that keep up the interest in the work and help other Chapters by giving them new ideas and courage to grow in both numbers and helpfulness.

It has given your Editor pleasure to publish the wonderful records of Chapter war work whenever they were sent in.

During the next year we will depend upon every Chapter contributing regularly. Let us pull together to make a better D. A. R. column.

REPORT OF STATE LIBRARIAN.

Mrs. A. L. Wilkins.

Upon assuming the duties of the newly-created office of State Librarian my first step was to write to Mrs. James M. Fowler, Librarian General, for full instructions. The one duty she assigned to me was that of securing books of an historical nature on Georgia and her people, these to be added to the State's collection at Memorial Continental Hall. In the vernacular of the street, I thought I had a "cinch." I have since learned better.

Upon investigation, I found that Georgia had six shelves in the library, five of which were filled. It became my duty to try to fill the sixth shelf, and to this end a letter was sent to every Chapter Regent in the State asking for a suitable book or one dollar towards a purchasing fund for these books. I particularly stressed the need of town and county histories, as well as histories of churches and parishes. To this appeal fourteen Chapters responded, sending one dollar each. Two Chapters, the James Pittman of Commerce and the Col. William Candler of Gainesville, sent two splendid books each. Mrs. J. H. Redding of Waycross presented two copies of the interesting book, "My Beloved Country," of which she is the author. The State Librarian also sent one book.

With fourteen dollars as a purchasing fund, I endeavored to find such books as were wanted, and it was then I learned that my job was no easy one. I have not yet been able to spend all that money! My "hat is off" to the Emily Hendree Park Memorial Committees, who have done their work so thor-

oughly and so well. Having had the work in charge for a number of years, they have succeeded in placing a most valuable collection of books on our shelves; indeed, the best of Georgia literature of the Revolutionary period is already there. My work has been tedious because it has been an effort to find something worth while to add to so fine a collection. I have, however, purchased six books and placed there at a cost of \$9.30.

Early in January I instituted what I termed "Book Week," a week for an intensive book campaign for hospital and cantonment libraries. It had been my plan to do this work in October, but upon the advice of Miss Crumley, who represents the American Library Association in our State, the work was postponed until the later time. Whether the cessation of hostilities caused a lack of interest at this time, I do not know, but only twelve Chapters have reported the results of their campaign. However, 1,717 books were sent by these chapters, which I consider a splendid showing. The Hannah Clarke Chapter of Quitman led in the collection of these books, securing 388. The Jonathan Bryan Chapter of Waycross presented 200 copies of Mrs. J. H. Redding's book, "My Beloved Country." Chapters have reported to State Regent 5,091 books, 1,417 magazines, sent hospital libraries.

Personally, I have given much time to the work. One hundred and fifty letters have been sent Chapter Regents concerning the work. Three articles have been written for the D. A. R. column of "The Constitution." Forty letters have been sent in an effort to find suitable books. Many articles of an historical nature have been clipped for a scrap book, which I am compiling for our shelves. Daughters can assist in this work by sending me such articles.

In conclusion, I wish most heartily to endorse the suggestion of the American Library Association for the establishment of public libraries as memorials. Many Chapters are planning some fitting memorial to the honor of their boys who gave so unselfishly in the recent struggle, and nothing could be more suitable, more educational nor do more lasting good than a public library.

The following is a list of books which have been added to the State's collection this year:

- "History of Old Midway Church."
- "History of Clinch County."
- "History of Georgia" (Arthur & Carpenter).
- "Wilson's Memorials of Deceased Presbyterian Ministers in Georgia."
- Sasnett's "Progress of the Methodist Church."
- "History of Georgia Baptists" (J. H. Campbell).

Gift Books.

- "Early History of Jackson County, Georgia."
- "Col. William Candler—His Ancestry and Progeny."
- "My Beloved Country" (two copies).
- "Life and Times of Bishop Pierce."

REPORT OF COMMITTEE ON PREPAREDNESS.

Mrs. J. H. Morgan, Chairman.

A greeting of love and good wishes this report will bring to you—regretting more than I can express that my physical condition prevents me from being with you and rejoicing over a world-promised peace.

November 11, 1918, should be especially cherished by the Daughters of the American Revolution, for it commemorates the twenty-eighth anniversary of the founding of our great organization, November 11, 1890.

As your Chairman on Preparedness, I can safely say that no committee has had such a large and helpful band of workers to a cause so sacred to all, for since 1917, every man, woman and child in Georgia has been doing something to aid in the war.

The Daughters, for the past twenty-eight years, have in the various State Committees stood for patriotism, love of flag and

country and education. The war added other committees namely: Red Cross, Conservation, Bonds, Thrift Stamps and co-operating in the fullest extent for all calls for help.

It seems that preparedness will continue preparation on higher lines of development. It is hardly necessary to ask the D. A. R.'s if we are going to be ready to aid in this higher adjustment. We of the Sixties found the four years of reconstruction harder than the war days.

Let us be ready to "keep our shield of Faith, our helmet of Principal and our sword of Courage," to show our brave and great American soldiers that their sacrifice and suffering was not in vain for the peace of the world.

REPORT OF PRESERVATION OF HISTORIC SPOTS.

Mrs. J. H. Redding, Chairman.

WAYCROSS, Ga., March 10, 1919.

My Dear Madam Regent:

While the great war continued and our women were untiring in service to their country, it was difficult to find time to devote to many objects dear to the hearts of the Daughters of the American Revolution.

Now that the strife has ended victoriously, we are free to carry on the work of our order.

There is not one that means more for our children than the preservation of historic spots.

As Chairman of this Committee, I appeal to you to search throughout your County for any spot that has been made sacred by the work of the men who founded our republic, and interest your Chapter in having it marked.

Very sincerely,

ISABELLA R. REDDING.

Chairman Preservation Historic Spots.

(This letter I have sent to every Chapter Regent in Georgia, and also my report to the National Chairman for Preservation of Historic Spots.)

REPORT OF COMMITTEE ON RECORDS.

Miss Helen Prescott, Chairman.

As Chairman of Records, I am glad to send to the Conference a sample copy of our "Roster of Georgia Revolutionary Soldiers." While the index is still lacking, this will give you an idea of the scope of the volume that will be on sale now in about six weeks in Dr. Knight's office in the State Capitol. His stenographer is putting in all her spare time on the index and it will soon be in the hands of the printer. The price is not yet fixed, but it will be about \$2.00, and I am sure every Georgia Chapter will feel repaid for this small investment. While by no means perfect, I believe this roster contains all that can be found now in our State archives concerning Georgia Revolutionary soldiers.

Since the Department of Archives has taken over old manuscripts from various offices at the Capitol, hitherto almost inaccessible records are being put in shape for ready reference and these certificates of service that for over 100 years have been slowly disintegrating in loose bundles, have all been alphabetically filed in cases. Besides these, there are many old volumes of commissions, conveyance, mortgages, reports and returns of various sorts, that will doubtless throw light on many early Georgians.

Before closing, I want to call attention to another book, by a member of my Committee, that is not so statistical and much more readable. This is "My Beloved Country," by Mrs. J. H. Redding, a fascinating scrap book of Southern history, that will be invaluable in arranging Chapter programs.

Others of my Committee have been making war records during the past year that their descendants will be proud to record.

REPORT OF COMMITTEE ON PREVENTION OF DESECRATION OF THE FLAG.

Mrs. Mallory Taylor, Chairman.

On studying the object of this committee it appeared to your Chairman that the surest way to prevent the desecration of the flag was to inculcate reverence and love for it, particularly in the outward forms and economies. To this end she corresponded with the National Chairman, Mrs. Hume of Milwaukee, on the subject of a state code, receiving help and encouragement from her in the shape of numerous letters, other state codes and the flag circular of the army and navy. With this assistance a flag code was compiled for the schools of Georgia. The last part—about one-half of the whole—was taken direct from the army and navy circular. If it appears at the first reading ultra-ceremonious for civilians, let it be suggested that what is not too much respect to be shown by those whose duty is to protect the flag is not too much respect to be shown by those protected by it.

Your chairman will give at this meeting a copy of this code to each Chapter with the request that they have copies made on heavy cardboard, present one to all the schools and place one in the public buildings in their vicinity. These will be similar to be ones printed for the Mary Hammond Washington Chapter to give to every school in Bibb County and place in the city hall, court house, terminal station, chamber of commerce, board of education, etc. If the Daughters will take up this work there will not be a school without a code in this state and the men may get a new idea under their hats as they walk through the public buildings.

At first your chairman tried to have a member of the Committee appointed in each town, thinking to do the work through them, but there were not enough members added to do so and it was decided to wait for this convention, which was so near at hand.

This work is pre-eminently D. A. R. work, as we Daughters stand superlatively for education and patriotism.

REPORT OF COMMITTEE ON REVOLUTIONARY SOLDIERS' GRAVES.

Mrs. H. D. Allen, Chairman.

"A nation that honors its heroes, honors itself."

We consider it the greatest privilege to be in a position to promote the work of locating, marking and preserving the last resting places of our Revolutionary heroes, whose memory we have recently honored by proving to the world our right to be called their descendants.

We have written a letter to each Chapter Regent saying that the Government is again ready to send out markers for soldiers' graves and urging them to take up this work with renewed energy, as it is growing harder each year to locate these graves.

We are very glad to report that John Clarke Chapter, Social Circle, has located graves of Joseph Herndon and John Gill. Markers have been ordered for both graves.

Baron De Kalb Chapter, Decatur, has located graves of Philip H. Burford, Col. John Moffitt, John Hayes, Hardiman Rooks, and will order markers for them.

Samuel Reid Chapter, Eatonton, reports two graves located and hopes to have them appropriately marked.

Mrs. Will Harley, Sparta, is endeavoring to locate graves of two Revolutionary soldiers known to be buried in Hancock County.

Nancy Hart Chapter will mark the grave of William Anderson, great-grandfather of a Chapter member and father of one of Georgia's Real Daughters, Mrs. Lucy Gibson of Baldwin County.

Nancy Hart Chapter has cleared up the old Howard burying ground, situated on the banks of the Oconee River, not far from the old capitol building. Here lies buried John Howard, Revolutionary ancestor of Miss Anna C. Benning, known and beloved by all Georgia D. A. R. The inscription on his tombstone does not show that he was a Revolutionary soldier. Nancy Hart Chapter will endeavor to place a Government marker at his grave and also to restore this most interesting and antiquated burying grounds.

Following is a list of possible Revolutionary soldiers, whose names were found on old tombstones in Colonial Park, Savannah, by Mrs. B. F. Bullard, a member of this committee. Dates would indicate that they might have fought in the Revolutionary War. Possibly someone can give us information about some of these men: John Robert Teebau, Capt. Jeremiah Dickenson, Robert Bolton, John Hert, John Shellman, Alexander Walt, Thomas Mundenhall, Esq., John Wallace, Lucius Lucena, John Kreeger, James Johnston.

We think it would be a fitting tribute to our Revolutionary heroes to place a Government marker at the grave of each one, when inscription on family tombstone does not show that it is

the grave of a Revolutionary soldier, as in the case of John Howard and doubtless many others.

This committee will put forth every effort during the coming year to have all graves of Revolutionary soldiers in Georgia located and marked.

REPORT OF COMMITTEE ON CHILDREN OF THE REPUBLIC.

Mrs. Charles C. Holt, Chairman.

As State Chairman of Children and Sons of the Republic, I have a very short report, as you all know my Junior Red Cross activities have absorbed all other work in the past year. I had a request from the school at Baconton, Ga., for information on organizing a club. I sent them printed matter and asked for a report but received none.

Let us pause a moment on the threshold of this new year, gaze backward over the twelve months that seem but a day, and look and listen. There are echoes of achievements here and there along the line of march. We live in an era of epoch-making history, the world, our land, our state, our individual lives are in a maelstrom of who, which, what? None can foretell what next. I think we all have patriotic ideals. What are they but living to the needs and spirit of the times of which we are a vital part? To help today, this year keep our country stronger, safer, purer. To put our shoulders to the wheel individually and do our unit in the nation's progress and life—that is a privilege every member of this great patriotic organization may grasp some way.

Let us strive for that which is our ideal of service. Let us be true and loyal to our land, our state and our homes.

REPORT OF COMMITTEE ON CHILDREN OF THE AMERICAN REVOLUTION.

Mrs. A. S. Hardy, Chairman.

Greetings to the Victory Conference of the Georgia Chapters, D. A. R., and best wishes that the coming year may indeed bring victory, not only in arms, but to our Daughters in all the departments of their great work.

It is with much regret that I have to send my report instead of having the very great pleasure of making it in person.

I am sorry not to have more to report, but hope for greater things in 1920.

Have written all members of my committee and to every Chapter Regent in the State. Have received several replies, some reporting the field covered by Children of the Confederacy and Junior Red Cross, others hope to organize at an early date. The Brunswick Chapter has appointed Mrs. H. W. Braham as Chairman in that Chapter and will soon have a flour-

ishing Chapter, I hope. The Col. William Candler Chapter, Gainesville, has appointed Mrs. W. C. Wallace as supervisor and a Chapter is in process of formation with fifteen members.

Only one active Chapter has sent in its report. That is the Dolly Madison, with Mrs. A. W. Hodnett as supervisor and under the auspices of the Atlanta Chapter. Miss Elise C. Shover is president and report much Red Cross work accomplished and great interest manifested at their monthly meetings. They have presented a knitted comfort to the wounded soldiers at Fort McPherson, and she says they all knit, even the smallest members. They have had their picture taken and it is to be sent to Continental Memorial Hall. Isn't that splendid? Would that we had sixty-nine such busy chapters to report.

Surely we have not learned our lesson of Preparedness. Why do we not train our children to carry on the great work we have undertaken? Our Children of the Revolution is a training school for our Sons and Daughters of the Revolution, and these children are the future Sons and Daughters.

Are we to allow them to grow up untrained in patriotic endeavor and unprepared to efficiently carry on our work when we shall have to lay it down? "As the twig is bent the tree is inclined." Let me urge the Regents to think seriously of this.

The C. A. R. membership papers are exactly like ours. The dues are fifty cents a year, twenty-five cents for the Society Treasurer and twenty-five cents for the National Treasurer. All that is needed to organize is greater interest.

We are responsible for young America.

Then let us band them together and teach them to be true Americans, glorying in the illustrious achievements of their ancestors, but glorying still more that they know what it means to be worthy, whole-hearted, liberty-loving sons and daughters of those who made America the greatest nation on earth, "the land of the free and the home of the brave."

REPORT OF COMMITTEE ON WELFARE OF WOMEN AND CHILDREN.

Mrs. R. P. Spencer, Chairman.

In assuming the Chairmanship of this committee I had never dreamed of what it meant until beginning the work of gathering data for a paper. Now I have so much from which to draw that it will be hard to make a reasonably short paper.

A great writer has said that the education of a child should begin 100 years before its birth, showing the crying need of teaching prospective mothers the care of themselves that they may bear strong, healthful offsprings. The census of mortality statistics show that 42 per cent. of infants dying under the age of one year did not live one month and of this 42 per cent. .7 died of conditions existing before their birth or of injury

or accident at birth. Every child has a right to be well-born and to be registered after birth. Birth registration must be enforced. The importance of this was demonstrated when the call to war came, in establishing citizenship. It is especially to the children of our soldiers that the D. A. R. are turning their attention. Each State, County and Chapter is being asked to keep a record of all men who go to war and ascertain if he has children and if they have means with which to be educated. If not, the local Chapter is asked to look after them and see that they are educated and put in the way of making good citizens for our wonderful nation. In a letter from the National Chariman of Welfare of Women and Children she says that North Carolina and South Carolina have taken up this work most enthusiastically. Why should not Georgia also fall in line? And she says that if three Southern States care for this work there will be no trouble to get the others. The education and proper training of these soldiers' children means a wonderful work if followed along these lines. It is a most deplorable fact that when our men were called to answer their Government's need 30 per cent. were found physically unfit, much traceable to parents' condition before their birth. The establishing of Welfare Clinics in the schools is going to be the salvation of many little ones. Columbus has already opened an eye, ear, nose and throat clinic in her public schools and I presume other cities have taken this same care. The Government is also taking a fatherly interest in every baby and is telling mother that it is behind her to help with all the advice and encouragement and with any aid possible. This year is "Children's Year" and a country-wide campaign is being waged to save the children. Take a more vital interest in your own child—the Government can do nothing unless we mothers co-operate. "Ignorance is not a sin, but ignorance costs as much in blood and tears as sin does."

Like everything worth while, it is no easy task; it is work that takes patience and love. The busy mothers are the ones who have already undertaken the great work of saving their babies, for in the conservation of the babies we conserve the mothers.

It was Juvenal who said: "The man's character is made at seven; what he then is he will always be." This seems a sweeping assertion, but it is substantiated by many philosophers of old and leading educators of modern days.

Froebel, that great and beloved apostle of childhood, founded a system that is destined to revolutionize all former methods of developing little children. His battle cry was: "Come, let us live with our children." To Saint Froebel a monument of everlasting endurance should be built, for through kindergarten, mothers, as well as little ones, feel its influence to be more potent than any other that can be brought to bear upon them.

Research has proven that irregular, uncertain or faulty nourishment is the cause of much physical and mental de-

ficiency or morals as well as poor health. Many of the kindergartens supply a midday feeding because of this terrible condition of these little ones, and they receive it most gratefully.

Sarah Cooper, who has spent her life in research work, terms kindergarten the "Paradise of Childhood; it is the gate through which many a little outcast has re-entered Eden."

Dr. and Mrs. J. R. Kellogg of Battle Creek, Mich, have demonstrated human possibilities, having taken forty-two of the most unfortunate waifs, educated and endowed them with all the opportunity of good and respectable manhood and womanhood and good citizenship.

The important fact is we do not get hold of little ones soon enough to implant lessons of virtue and well-doing in earliest childhood, says Plato. "Give me the child," says Lord Bacon, "and the state shall have the man."

Let the very playthings of your children have a bearing upon the life and work of the coming man, says Aristotle. Train up the child in the way he should go, and when he is old he will not depart from it, says the Revealed World.

"Is it a little thing that they have wrought? Then life and death and motherhood are naught." Who will help?

REPORT OF COMMITTEE ON RECIPROCITY.

Mrs. J. E. Hays, Chairman.

When our Regent appointed me Chairman of Reciprocity, my first impulse was to get the dictionary. Then I began to learn to apply the term to D. A. R. work. The object of this committee is to have a medium for the exchange of papers prepared and read by the local Chapter members. In courtesy to your State organization, right after the Conference, Mrs. Guernsey appointed me a member of the National Committee on Reciprocity. Immediately, I wrote the National Chairman, Mrs. Wilford G. Chapman of Portland, Me., offering my services. She replied with thanks, promising to call upon me when she needed me. As I have heard nothing further from her, I suppose that she found conditions over the country as they have been in Georgia with so much of the time and vitality of the women absorbed by war work, there were few papers among the Chapters which could have been exchanged. So now, as this is rather a new committee, I desire to bring it before you and ask for your co-operation, so that we may make a really good report next year. When there is a good paper read at your Chapter meetings, especially if you think it could be used and enjoyed by another Chapter, please send it to me. There is nothing like exchange of ideas and thought. Then, when a Chapter needs a paper, this Committee on Reciprocity will have papers ready with which to reciprocate.

REPORT OF COMMITTEE ON REVOLUTIONARY RELICS.

Mrs. W. N. Benton, Chairman.

This Committee has to report no results attained, only a record of plans formulated. A communication was sent each Chapter asking that a Chairman be appointed who would co-operate with the State Chairman in locating relics, verifying their claim to historical importance and the possibility of acquiring them by purchase or donation. A few Chapters replied to the communication, giving name of local Chairman, but stress of the times has been so great that nothing has been accomplished. A pair of pitchers belonging to George Walton, the signer, have been located, and their history is now being verified. The Committee hopes to be able to report a definite accomplishment to the next Conference.

REPORT OF PATRIOTIC SONGS COMMITTEE.

Mrs. Harvey Granger, Chairman.

Since my appointment as State Chairman of Patriotic Songs, I have written every Chapter Regent requesting her to appoint a Chairman to take up this work in their immediate and nearby localities. The replies received have been most gratifying, but the number very disappointing.

The Nancy Hart Chapter, Milledgeville, reports that the Georgia song books are used and patriotic songs taught in all schools.

The Nathaniel Macon Chapter reports that patriotic songs are sung at all schools, public gatherings and meetings, and that they are heartily co-operating in the work.

An excellent report was received from the Samuel Reid Chapter, Eatonton. They not only carried this work on in the schools of their own county through their Board of Commissioners, but interested the adjoining counties, supplying them with the Georgia songbook at their own expense.

The Pulaski Chapter, Griffin, reports that a special committee had been appointed to carry on the work.

The Joseph Habersham Chapter, Atlanta, reports great interest in the work.

The Lyman Hall Chapter, Waycross, reports that there is great interest in the singing of patriotic songs in the city, but that the county districts are greatly in need of encouragement, which will receive their attention.

The Gen. James Jackson Chapter, Valdosta, reports a Chairman appointed for this work.

The Gov. John Milledge Chapter, Dalton, is enthusiastically carrying on this work, as stated in report received from their Regent.

The John Clark Chapter, Social Circle, reports that patriotic songs are being sung by all the school children and that they are very much interested.

Hawthorne Trail Chapter, Pelham, reports hearty co-operation.

The Savannah Chapter, Savannah, reports through its Chairman, that there is an active committee interested in this work.

The Lachlan McIntosh Chapter, Savannah, reports the singing of patriotic songs in all public and private schools, both in city and county.

CONSERVATION OF OUR NATURAL RESOURCES.

Mrs. W. H. De Voe, Chairman.

The call for the conservation of our natural resources is more imperative at present than at any period in American history. There has been much said and done about the conservation of our forests, birds, game, fish, coal and iron fields, all very necessary and important, but one of the most vital things confronting our economic situation today is the useless maintenance of our waterways. Take, for instance, the enormous expenditure of vast sums of money in keeping our fresh river ports open for ocean-going vessels. It requires more than double the amount to maintain a fresh water port for ocean-going vessels than our natural God-made salt water seaports, and yet these appropriations are made and the matter overlooked. Some day there will be an awakening to these conditions and the people will demand a speedy reparation. Our shipbuilding plants have proven how easily and quickly we began and finished ships without enormous expenditure of money preparing waterfronts. There is no excuse for not utilizing our wonderful Southern harbors, with their all-year season for outdoor work.

We women, who were ever ready and willing to sacrifice during the past two years of war, must continue to assume the duty of strict watchfulness and help to lessen the problems confronting our nation in these days of reconstruction.

REPORT OF GIFT SCHOLARSHIP COMMITTEE.

Mrs. B. H. Hardaway, Chairman.

It is with great regret that I cannot be present at the Victory Conference. Your State Chairman Gift Scholarship Committee has sent out sixty-nine letters, one to each Regent. She has heard from fifteen Chapters.

The George Walton Chapter reports one scholarship to the Columbus High School. The Oglethorpe and Button Gwinnett each report two scholarships to the Columbus High School. These were all given to girls at the Columbus Orphans' Home.

The Elijah Clarke Chapter reports one \$50.00 scholarship at the State Normal School.

The Gov. James Jackson Chapter reports having given its annual \$75.00 scholarship to the South Georgia State Normal

College and wishes to make a plea for scholarships in behalf of their college to the other South Georgia Regents.

The Gov. John Milledge Chapter reports two scholarships.

The William McIntosh Chapter reports one \$25.00 scholarship to the State College (Agriculture).

Brunswick Chapter reports one scholarship to the State College of Agriculture.

The Savannah Chapter reports one scholarship of \$50.00 to the Martha Berry School.

Atlanta Chapter reports one scholarship at Washington Seminary in literary tuition and music; one at Elizabeth Mather in literary tuition; one Alfred Barili, Sr., music; Atlanta Conservatory of Music; one-half tuition, Cox College, literary tuition; Woodberry Hall, one-half tuition, to two girls; Draughan Business College, one-half tuition.

The Fort Early Chapter reports one business college scholarship; two violin scholarships and six piano scholarships.

REPORT OF CHAIRMAN INDEPENDENCE DAY.

Mrs. F. F. Reese.

From the several reports sent me, I feel that I may assert that this year Independence Day was celebrated as never before. We, as a nation, were so impressed by the wonderful spirit of our men "over there" and by the great sacrifices they were making for us, that we felt impelled to show our gratitude and appreciation in as many ways as possible.

In many cities the first celebration was a service in the largest church of the town, where the patriotic societies went in a body and heard sermons, giving God the first place in our praise.

In some cities civic and military parades were held and in the evening meetings, where addresses were made by patriotic citizens, telling the young and reminding the old, what had been done and what was being done to make the world a fit place to live in—for all that our nation stands—urging all to be true to our country and to our flag.

One Chapter celebrated the Fourth of July for the twenty-eighth time.

REPORT HISTORIC POSTCARD COMMITTEE.

Mrs. Albert Tidwell, Chairman.

Georgia has been among the foremost States in the present war, her efforts and influence will be far-reaching, for her bravery and sacrifice is written on thousands of homes telling to the world that Georgia boys helped to win for this country peace and safety.

During the excitement, when every nerve was stretched to the point of breaking and every heart praying for world-wide

peace, little could be done in any line, other than Red Cross and War Relief Work, hence my report as Chairman of Historic Postcards is short.

I respectfully submit the following:

In November, a request was mailed to the Regent of every D. A. R. Chapter in Georgia asking that she appoint a committee from her Chapter to secure pictures of historic spots and places of interest worthy of note and send same to me to be placed in Georgia's postcard album.

Many Chapters responded promptly, saying that the influenza situation being so serious, any contribution to this collection would necessarily be delayed.

Others assured me that they would send cards later, and many have advised that they had already sent cards to former chairmen. Brunswick Chapter sent four cards—the moss-covered church, Frederica, on St. Simon's Island, a most beautiful view of the sand dunes on Cumberland Island, a noted spot of King's Retreat on the coast of St. Simon's, the beautiful and elegant court house of Glynn County.

The Regent of McIntosh Reserve Chapter at Carrollton, now disbanded, sent a photograph of the horse block of Gen. William McIntosh, now used as a cornerstone of the girls' dormitory of the Fourth District School. General McIntosh was the Indian chief who was killed by the members of his own tribe because he signed the treaty giving a large section of land to Georgia.

Mrs. James S. Wood, State Regent, contributed postcards of the old shell road to the Isle of Hope, near Savannah. Colonial Park, Fort Pulaski, Martell's Tower, Fort Screven, and a scene among the tropical palmettos on Tybee Island were also sent by her.

Miss Maud S. Penn, Regent of the Chapter at Monticello, added to our collection a photograph of the tomb of William Penn, 1762-1836, and a photograph of the tomb of Thomas Grant, 1756-1827.

Mrs. J. T. Anderson of Athens Chapter gave interesting views of the monument erected to Elijah Clarke and the old fort at Watkinsville.

As Chairman of Historic Postcards, I have collected forty-eight pictures of markets, tablets, burying grounds and historic spots, among them being the service flag presented to Brooks County by Hannah Clark Chapter, D. A. R., and have had promised to me scenes of the several military camps in Georgia, which will in the future mark the greatest era in our country's history. The album is being filled with photographs and cards, marking the places of interest over our beloved Georgia, which in the future will be viewed with pride and pleasure.

REPORT OF D. A. R. MAGAZINE COMMITTEE.

Mrs. William Russell Hoyt, Chairman.

During the year I have sent requests to every Chapter for lists of their subscribers to our D. A. R. Magazine and have received reports showing that they ascertained that we had sixty subscribers. While I am glad to have had these reports, still I feel that in many cases subscribers did not report to their Chapter Regent and that accounts for the difference between the total report of sixty sent in to me as State Chairman and the 157 subscribers given as Georgia's lists in the record of the National Society.

The past year has been one of distress and anxiety for many of us Georgia Daughters, and for that reason it may happen that fewer reports were sent in. Let me urge you all to take up this matter with greater zest, and let the next State Conference find us everyone a subscriber to our National publication. It means much to Chapter Regents to take it, for it aids them in carrying on their work. Every State Chairman is expected to be a subscriber to our magazine and, in fact, is required to be, for in no other way can she keep abreast of the manifold workings of our great organization. In the magazine is published accounts of work of the Chapters, of the State Committees, of the States, of the National Society and of Conferences and National Congress. Our magnificent War Relief Work also will be given in the magazine. No Daughter of the American Revolution can afford to be without the publication. It costs only \$1.00 per year and subscriptions may be sent direct to the Treasurer General, in Washington, D. C., at our D. A. R. Memorial Hall. At the same time notify the State Chairman of Magazine, 96 Peachtree Circle, Atlanta.

REPORT OF DR. CRAWFORD W. LONG MEMORIAL BED.

Mrs. Julius Talmadge, Chairman.

At the Twentieth State Conference, held in Athens in April, 1918, the following resolution was presented by Mrs. J. L. Walker of Waycross:

"Whereas, in grateful recognition of one of Georgia's most distinguished humanitarians, who has done so much for science and humanity, and who's name has gone down in history as one of the seven wise men of medicine; therefore, be it

"Resolved, That this Conference recommend in honor of Georgia's noble son, an endowment for a hospital bed in France to be known as "The Crawford Long Memorial." Resolved further, that \$600.00 be raised as soon as possible for the memorial."

This resolution was seconded and made unanimous.

The work of raising the money for this was begun soon after Conference, and the amount necessary was promptly con-

tributed. The State Treasurer forwarded the same through the National Society to the Red Cross Headquarters in Washington, D. C. Acknowledgement and thanks were received from both the Red Cross and National Society, D. A. R.

This bed was placed in Hospital No. 1, Neuilly, France, which is only three miles from the heart of Paris. Three beautiful knitted blankets were sent over with labels attached, designating that they were for use on the Crawford Long Bed, Hospital No. 1, Neuilly. One blanket was sent by the Woman's League for War Work, Columbus; another sent by the Elijah Clarke Chapter, Athens, and one sent through the Georgia State Regent, Mrs. Wood, by Mrs. F. B. Gordon and club of Columbus.

REPORT OF REAL DAUGHTERS.

Mrs. John A. Perdue, Chairman.

The first National Chairman for Real Daughters was Mrs. W. L. Peel, Honorable Regent of the Joseph Habersham Chapter, D. A. R. Mrs. Peel's wonderful work in searching and finding all the living Real Daughters in the United States will ever be a brilliant achievement.

The first Real Daughter to join the D. A. R. was Mrs. Mary Hammond Washington of Macon, Ga. Thirty-four Real Daughters are still with us—a benediction of other days.

In the old ancestral home, "Strawberry Hill," at Forkland, Ala., lives Mrs. Justina Walton Webb, Georgia's only Real Daughter, member of the Joseph Habersham Chapter of Atlanta. Her father, when quite a small boy, was sent with clothes for his brother, Tillman, who was serving under Gen. George Washington. The general was so impressed by this young lad that he made him his messenger. His father, Col. William Walton, was a cousin of George Walton, one of the signers of the Declaration of Independence. Tillman Walton was with General Washington the night he crossed the Delaware.

Justina Walton married Col. James D. Webb, who was killed near Winchester, Tenn., during the War Between the States, July, 1863.

Her grandsons, Henry Young Cocke and James A. Webb, were with the Fourth Alabama (Rainbow Division), 167, A. E. F., in France. Harry Young Cocke was sent back because of failing health. James A. Webb was first made adjutant of the First Brigade, 167th Infantry, under Major Carroll. He went over as an enlisted man, returning a captain.

Around these Real Daughters are centered many of our most treasured memories.

**REPORT OF JELLIES RECEIVED FOR CAMP WHEELER
BASE HOSPITAL SINCE SEPTEMBER 15, 1918.**

Mrs. Charles C. Holt, Chairman.

Brunswick Chapter—Eighty-six jars and glasses, weighing 200 pounds and valued at \$100.00.

Thronateeska Chapter, Albany, Ga.—Thirty-three glasses of jelly, two quart-jars and fourteen pints of preserves.

Gov. Jared Irwin Chapter, Sandersville, Ga.—One box of jellies.

John Houston Chapter, Thomaston, Ga.—One box jellies.

Gen. Daniel Stewart Chapter, Perry, Ga.—Sent two boxes too late to send to Camp Wheeler.

REPORT OF CHAIRMAN FOR CAMP HANCOCK.

Mrs. Oswell Eve, Chairman.

As State Chairman of Jellies and Preserves for Hospital at Camp Hancock, I have received very little help from the Chapters throughout the State.

Gen. James Jackson Chapter of Valdosta sent forty glasses of jelly for men in hospital at Camp Hancock, and this was greatly appreciated.

The members of Augusta Chapter, being near at hand, saw the needs and responded generously in many ways, donating many gifts and much time to the various works at the camp.

REPORT OF SCRAP BOOKS FOR SOLDIERS IN HOSPITALS.

Mrs. George M. Brown, Chairman.

My work as State Chairman of Scrap Books for Soldiers in Hospitals has been very interesting. Quite a number of Chapters responded by sending books direct to me, and these I placed in wards at camps near Atlanta, where the men are being treated who have returned from the battlefront. They find amusement by looking at these little "scrap books" that are filled with bright, colored pictures, short stories and jokes.

Many of the Chapters sent their books to the hospitals instead of to me; but from various sources, and through the reports sent to the State Regent I find that the total number of scrap books sent by the Georgia D. A. R. was 890.

REPORT OF HISTORIC "MEADOW GARDEN."

Mrs. Hattie Gould Jeffries, Chairman.

The Augusta Chapter, D. A. R., has contributed most generously to patriotic, historic and educational work, and large sums have been expended on the maintenance of historic "Meadow Garden," \$299.00 on repairs, painting, hedge, grounds and general upkeep. Of this amount \$63.00 was given by Chapters throughout the State.

LaFayette's birthday was celebrated by a reception at "Meadow Garden," when the French Mission, the British Mission and General Edwards, the commander of Camp Hancock, and his staff were present; also we had with us on this great occasion our distinguished State Regent, Mrs. James S. Wood, and the State Corresponding Secretary, Mrs. Augusta Wood DuBose, both of Savannah. A band from the camp played the inspiring strains of the "Marseillaise" and the national airs of Great Britain and our own country. A large crowd was present and the occasion was a distinct success.

RECORD OF DESCENDANTS OF GEORGIA, D. A. R., IN WORLD WAR

By Mrs. B. F. Bullard, State Chairman, Savannah, Ga.
April, 1918-1919.

It was with fear and trembling that I undertook this important and sacred work, feeling that it was impossible to do it full justice, and if there are mistakes—and there are—please forgive me, for I tried my best.

There are sixty-eight Chapters, D. A. R., in Georgia; fifty-nine sent reports, nine failed to.

Many of those reporting sent in names of husbands, brothers, nephews, grandsons, and even cousins, but these all had to be eliminated, as the Chairman learned later than Mrs. Guernsey asked only for sons. It grieves me to leave out any, but now you understand why.

The record is as follows:

SONS, 511

MOTHERS, 388

Our members are largely young people, and, therefore, have only small children, reducing the number of grown children considerably—moreover, some of these grown children are daughters and our President General did not ask for daughters, but for sons, and please let me add here, that Mrs. L. R. Akin of Brunswick, Mrs. A. C. Kelly of Monroe and Mrs. R. L. Groover of Quitman each had four sons in the service, a very unusual number.

The very idea of counting our boys numerically seemed almost profane to me, as a human life means so much, particularly the lives of these dear, brave boys, they were, and are so greatly loved by kindred and friends, each one being surrounded by a wealth of affection and protected by numberless prayers to the throne of mercy, pleading that God would "give His angels charge concerning them." And He did answer the prayers of these anxious parents, as many did return, and some are yet on the way.

Ten of our boys were more highly honored than all the others—they were taken from earthly glory to heavenly glory, and while our hearts go out to their loved ones in deep and tender sympathy, we at the same time know they could not have died in a nobler cause than this for which they gave their lives—humanity, civilization, country and kindred. And shall we not count Mrs. Beverly D. Evans, Mrs. J. A. Ethridge, Mrs. J. A. LeConte, Mrs. E. P. Leonard, Mrs. D. C. Lyle, Mrs. G. P. Munroe, Mrs. J. N. Neel, Mrs. M. C. Scott, Mrs. W. W. Springer and Mrs. G. A. Thurston as blessed among women, and Beverly D. Evans, Jr., James Ethridge, Louis LeConte, Robert Leonard, Douglas Lyle, Jr., George Munroe, Joseph Neel, Jr., Capers Andrews Scott, Walter Springer and Joe Pete Thurston as among the noblest of men?

God bless our brave boys! God bless the mothers who gave them!

May the blood of those who bled and of those who died become the seed of world-wide liberty!

DIED IN SERVICE

Sergt. Douglas C. Lyle, Jr. (son of Mrs. D. C. Lyle), Ambulance Company 325, killed doing his duty in France.

GAINESVILLE

COL. WILLIAM CANDLER CHAPTER

Robert Leonard, United States Naval Reserve (son of Mrs. Ella P. Leonard), died in United States Navy October 18, 1918.

MACON

NATHANIEL MACON CHAPTER

Lieut. James Ethridge, Medical Reserve Corps (son of Mrs. J. A. Ethridge), served with the British Army around Ypres in 1917 until wounded. Gassed. Deceased.

Lieut. Joseph N. Neel, Jr. (son of Mrs. J. N. Neel), of the now famous Eighty-second Division (Infantry), killed in action.

SAVANNAH

SAVANNAH CHAPTER

Lieut. Beverly D. Evans, Jr. (son of Mrs. Beverly D. Evans), Seventh Division, U. S. A., killed in action November 1, 1918, in the Meuse-Argonne offensive, twelve miles from Sedan.

Lieutenant Evans was yet in his early manhood, being only in his twenty-third year. He had graduated from the University of Georgia and entered the first training camp at Fort McPherson. There he was given the commission of Second Lieutenant and later, in France, the rank of First Lieutenant.

He embarked overseas August 1, 1918, and from then until his death saw active service. He was buried on the field of battle, and beautiful letters telling of his supreme sacrifice have been written to his parents by his officer friends who were near him at the tragic moment.

THOMASTON

JOHN HOUSTON CHAPTER

Joe Pete Thurston, twenty-two years of age (son of Mrs. John A. Thurston), died at sea March 5, 1918, on board the United States Steamship "President Lincoln" after an illness of five days of pneumonia.

He was en route to New York from France, this being his third return trip. His remains were brought to Thomaston, accompanied by his brother, Lieut. J. A. Thurston, and a faithful friend and comrade, Mr. Jack Degaris of Tuscaloosa, Ala., who was with Pete in his last tragic days and accompanied his remains nearly 5,000 miles.

Pete was the first Thomaston boy to lose his life in the service of his country in the great world war. He was laid to rest in Glenwood Cemetery on March 22, 1918. The services at the home and cemetery were very tender and touching.

Capers Andrews Scott (son of Mrs. M. C. Scott), enlisted in service November 9, 1918, after being rejected four times on account of light weight, but he kept trying in various ways to make up what he lacked in weight. After he was accepted, was sent to Camp Johnston and from there to Philadelphia.

He died of pneumonia on February 9, 1919. His remains were brought home and buried at the Old Homestead in Monroe County, Georgia.

CHAPTER REPORTS

PIEDMONT CONTINENTAL CHAPTER, ATLANTA.

Mrs. W. O. Mitchell, Regent.

Another mile post has been reached and the Piedmont Continental Chapter brings loving and loyal greetings to our beloved State Regent and officers of this congress.

If I were to chronicle every item of work done by our Chapter, it might seem small to these larger and richer ones; but we are reminded of the fact that we are a part of a great organization, and we are striving to do our best.

During the year we have lost two of our members; one by death and the other transferred to the Atlanta Chapter; we have gained two and have four names on file.

Our best energies have been given to war relief work.

Through the courtesy of the Atlanta Chapter, we have used the Craigie house, Thursday of each week for sewing and mending.

Our Red Cross Auxiliary has done excellent work through the faithful leadership of Mrs. Kate Hardin.

A committee has visited the Base Hospital at Camp Gordon, once or twice each month, taking lunches, magazines and flowers to the sick soldiers.

In June, 1918, the Atlanta Chapter entertained our Regent at a reception at the Craigie house, and on two other occasions our chapter was the guest of the Atlanta Chapter.

On February the 22nd, Washington's birthday, we were entertained by both the Atlanta and Joseph Habersham Chapters. A splendid program was rendered, followed by a pleasant social hour.

As individuals, our members have given liberally to various patriotic objects, have purchased largely of Liberty Bonds, and War Savings Stamps.

The total number of knitted garments, 25; comfort bags, 28; hospital garments, 150; jelly glasses to camp, 75; soldiers entertained as table guests, 200; French orphans adopted, 2; Liberty Bonds bought by Daughters of this Chapter, \$4,100.00.

Trusting that Piedmont Continental Chapter, D. A. R., will do a greater work during the coming year, we respectfully submit this report.

ATLANTA CHAPTER, ATLANTA

Mrs. David Woodward, Regent.

These last two years have been a time of earnest work and great achievement in our Chapter led by our efficient "War Regent," Mrs. Chas. Rice, and ably assisted by the War Relief Committees, with Mrs. Edward Barnes in charge at Fort McPherson, Mrs. Bun Wylie at Camp Gordon and Mrs. I. O. Walker, Red Cross Auxiliary No. 1.

With five cantonments right near us, there could be no lack of opportunity, and I can say without boasting, that our ladies have proved equal to the emergency. With so many wounded boys at both large hospitals, there will be no need for us to halt in our good work for a long time to come.

A little over \$1,500.00 has been raised during the year for War Relief Work, and expended with great discretion at the different camps, and to this was added the loving service of these ladies in charge (and their committees) for which money could not pay. This does not count the cakes, jellies, candy, cigars and Christmas entertainments that, if counted up, would almost double the amount mentioned.

A Committee on Aviation Vests, formed by Mrs. John Roberts with Mrs. J. M. Slaton, co-Chairman, has also done very fine work, having made and distributed thirty-eight vests.

The Red Cross Auxiliary meeting at Chapter House, with Mrs. I. O. Walker in charge, has made over 1,100 garments for hospital use, 110 knitted garments, 93 canteen aprons and 260 garments were repaired by Mrs. Dean's Committee, that went out to Camp Gordon once a week. By a series of small card parties, \$53.00 was made and invested in chairs and tables, very much needed in Chapter House, since it has been used as a center for patriotic work.

When the request came in February for the \$200.00 for the restoration of Tilloloy, and there was no money in the treasury, the ladies with Mrs. Whiteside (Vice-Regent) as Chairman, and Mrs. Chas. Love first assistant, gave a large card party at the Capital City Club, and raised that \$200 and \$10.00 for the chicken farm.

We have put \$100.00 into a Liberty Bond, and contributed \$50.00 toward the Crawford Long memorial bed. Seven French orphans are supported by the Chapter and individual members. At no time have we retrenched on our regular line of work, or in its accustomed annual contributions.

There have been more gift scholarships than ever before, ten in all, Washington Seminary, Cox College, Woodbury Hall, Elizabeth Mather, Eastlake Oratory, Barili Musical scholarship, Atlanta Conservatory of Music, and Draughons Business College are some of the principal ones. Mrs. McDowell Wolff, who has been Chairman of the Scholarship and Medal Committee for many years and a much loved member, has resigned, as she is to make her home in South America, and we have been fortunate in securing Mrs. C. L. Dean for the place, which is an important one in our work. Two medals are given, one for the girls valued at \$10.00, and a watch fob for the boys, value \$15.00. Competition mostly at Georgia Tech, topic selected this year for the girls, "The War Work of the D. A. R."

From our circle we lost four by death last year, and eight by transfer, but the twenty-one new members who joined us brought fresh inspiration and help. We have in all four hundred and seven.

Conservation was strictly observed last year, and we had unusually good attendance at our meetings, without serving any refreshments. For the second time meetings were held all through the year, except October 15th, when called off on account of influenza quarantine.

We are very proud of our service flag, with the 109 stars testifying to the loyalty and devotion of the husbands, brothers and sons who have offered their service and their lives for their country. Two of our own members have gone overseas, so we are entitled to two red stars on our flag with the blue ones. Mrs. Frances Gordon Smith has given valuable service in the Rolland Hospital, Paris. Recently Miss Isolene Campbell went over with the Junior League Unit Y. M. C. A. to do reconstruction work in France.

Our honored Vice-President General, Mrs. S. W. Foster, is also National Chairman of Conservation and with her usual energy has given great impetus to the work throughout the country, we are proud to have her as a member of our Chapter. Another member beloved by us all is Mrs. Howard McCall, Honorary State Regent, D. A. R., she is serving as "State Chairman of Children's Bureau, Council of Defense." Mrs. John M. Slaton is State Chairman of Patriotic Education and also Chairman of "Fatherless Children of France." Mrs. W. R. Hoyt is State Chairman of D. A. R. Magazine.

We are indebted to our ex-Regent, Mrs. Rice, for five beautiful pictures for Craigie House, President Wilson, Generals Pershing, Foch, Haig and Diaz, the conspicuous leaders in the World War. She has also given a beautiful Italian flag that is very decorative, and with the other flags given during the year adds much to the attractiveness of our Chapter House.

The report of the Atlanta Chapter was read by the Vice-Regent, Mrs. Frances S. Whiteside, who also told in detail of the wonderful War Work and the large patriotic entertainments given by the Chapter.

JOSEPH HABERSHAM CHAPTER, ATLANTA.

Mrs. Linton Hopkins, Regent.

In sending greetings to the State Conference of the Daughters of the American Revolution, the Regent of the Joseph Habersham Chapter reports a year of intense interest and varied activity. Imbued with a sense of responsibility as a large and important Chapter in a great patriotic organization, the members of the Joseph Habersham have endeavored to live up to the highest standard of patriotism both individually and collectively.

In June a great moving picture which had the highest recommendation of President Wilson was given by the Chapter for the purpose of inspiring patriotic sentiment and of raising money for the Red Cross Auxiliary. Ninety dollars was made at this time.

On October 12, in conformity with a request of the President that the day which was the anniversary of the discovery of America by Columbus, should be called Liberty Day and suitably celebrated all over the country, the Joseph Habersham Chapter gave a most beautiful outdoor Pageant at the Southeastern Fair grounds. The idea of this pageant first originated with the Regent, who secured the endorsement and active co-operation of practically every civic and patriotic organization in the city towards making the plan a success. The pageant was a correct

historical presentation of the Columbus episode and was of the highest educational and inspirational value. Taking part in it were several hundred men and women, children and U. S. soldiers, all dressed in artistic costumes representative of the period and it was given before an audience of several thousand people.

All other birthdays and anniversaries of famous men of the Revolutionary period have been observed.

Particular mention should be made of a special service held by the Reverend C. B. Wilmer at St. Luke's Church, with the choir giving beautiful musical selections, when victory to the allied cause had been declared.

At this service the value of the work of the Daughters of the American Revolution towards helping to bring the peace which we were celebrating, was specially stressed by the eloquent speaker.

The Joseph Habersham Chapter co-operated with the Alliance Francaise in giving a beautiful program to celebrate the signing of the treaty between Washington and Lafayette, thus helping to cement the friendship between the two nations begun at that time and grown to such proportions as a result of their part in the great war.

Washington's birthday was jointly celebrated by our Chapter and the Atlanta Chapter, when many of our members wore the beautiful costume of the Revolutionary period.

One of the most beautiful and touching occasions in the history of the Chapter was a memorial meeting given in honor of three boys, sons of our members, who gave up their lives to the service of their country. This meeting was inspired and led by our able Historian, Mrs. W. D. White. A wonderful address was delivered by Dr. Plato Durham.

The Historian also made and presented to the Chapter a silk service flag containing forty-eight names of young men, sons and grandsons of the members, who were in active service during the war.

Mrs. W. L. Peel, the Honorary Regent, gave a large reception at her home when the guests of honor were fifteen United States Marines who had been wounded at Chateau Thierry. Carroll Smith, another gallant young Marine wounded at Chateau Thierry, was made an honorary member of the Chapter on his return from France.

Miss Nina Hornady, our Chairman of Georgia Day, disappointed in her plan to celebrate the day at the Auditorium as usual, was nevertheless instrumental in having suitable exercises given in the schools of the city stressing the importance of the day both from the historical and patriotic standpoint.

There have been two active Red Cross Auxiliaries which gave faithful and efficient service during the war period and one of which is still hard at work. Auxiliary No. 1, Mrs. J. T. Holleman, chairman, meets once a week; Auxiliary No. 2, Mrs. W. L. Peel, chairman, met twice a week for many months. Red Cross Auxiliary No. 1 reports:

Auxiliary No. 2 visited a ward at Camp Gordon once a week taking books, magazines, games and eatables of all kinds. Seven entertainments were given by the Committee for the soldiers at Camp Gordon.

At Christmas a committee from the Chapter gave a beautiful entertainment at Camp Gordon when 200 boys were made happy and served delicious refreshments. Another committee gave a party at Fort McPherson to 75 boys in the ward which they had adopted. \$110 was raised by this committee for its Christmas party. A fine Victrola with records was given, and innumerable cigarettes, oranges, candies, etc., were provided. Once a week this committee visits its ward at McPherson.

Our Chairman of Entertainments under the War Camp Community Service reports six entertainments of music and readings at Camp Gordon.

A committee from the Chapter has seen that soldiers have been taken to ride in automobiles loaned by the members each week. 4,669 soldiers have been guests of the members.

The Salvage Committee reports used photograph plates, old bottles and newspapers sold and money given to the Red Cross Auxiliary. Also they collected 100 pairs of old kid gloves for the lining of aviators vests. The Committee on Aviation Vests reports 36 kid lined garments, 21 of which were sent to the State Regent.

The Regent was one of the four generals in the United War Campaign who put Atlanta over the top the first of any city in the country. She had the able assistance of many of the members of her Chapter. One of our most active members, Mrs. Beaumont Davison was Chairman for the women of Atlanta in the last Red Cross membership drive and an able committee was appointed from our Chapter.

We have a membership of 412. Many of these members are among the most active and prominent women of the city. To mention a few names of those most conspicuous in patriotic work:

Mrs. William Lawson Peel was State Chairman of the National League of Woman's Service; State Chairman for the Fatherless Children of France.

Mrs. P. S. Arkwright, member of National Red Cross Executive Board.

Mrs. Ulric Atkinson, Chairman Knitting Department Red Cross.

Miss Cleveland Zahner, Chairman of Civilian Relief Work.

Mrs. Spencer Atkinson, Chairman Garment Department.

Mrs. W. R. Hammond, Director of three Red Cross Auxiliaries among the negro women with over 600 members.

Mrs. Linton Hopkins, State Chairman Speakers Bureau C. of N. D.

Mrs. Samuel Lumpkin, State Chairman Health and Recreation, C. of N. D.

The members of the Chapter have bought \$149,800.00 worth of Liberty Bonds. Sold \$1,495,000,000.00; gave to D. A. R. Bond. \$243.00, and own as a Chapter \$5,000.00.

The Chapter donated 211 books to the Library Association during the week in January set aside for this purpose.

The Scholarship Committee reports six scholarships in Atlanta schools.

After a year of such untiring effort on the part of the Joseph Habersham Chapter, its members feel satisfied at last in turning their attention toward completing their plan of putting up a beautiful home for their beloved Chapter.

In the words of Mrs. Peel: "This hall shall be not only a memorial to the pioneer forefathers who fought to obtain for us this land of the free, but it shall also be a memorial to those brave young crusaders who gave their lives that the whole world might be free."

In our plan to start this beautiful building we feel that we have the right to expect the sympathy and hearty co-operation of all loyal Daughters of the American Revolution.

The house that we plan will be a worthy expression of one branch of the greatest of all patriotic organizations whom we are all here to honor.

The above report was read by Mrs. William Lawson Peel, Honorary Regent of the Joseph Habersham Chapter.

AUGUSTA CHAPTER, AUGUSTA.

Mrs. W. N. Benton, Regent.

It has been found almost impossible to compile statistics of the work done during the past year by the Augusta Chapter.

Our members have been active in so many branches of War Work that "to keep tab" correctly would require an expert accountant. The Red Cross Auxiliary has met regularly once a week and hundreds of garments made for soldiers and for war sufferers in Europe. The ward in the base hospital at Camp Hancock has been visited regularly and kept supplied with magazines, at intervals, tobacco, fruit and candy were distributed, and on various anniversaries, at Mother's Day, Easter, Thanksgiving and Christmas, the ward was decorated with flowers and flags. Through the Council of Defense, of which the Chapter is a unit, in entertaining the various bands at supper and acted as hostess at the Soldiers' Club.

In the campaign for Liberty Bonds, our members have taken active part, one member is Chairman of a City Ward and one has sold over \$50,000 of Liberty Bonds. Two of our members hold commission directly under the Fosdick Commission, one as Chairman of Entertainment and the other as Chairman of Libraries for the Camp.

The efficient Treasurer of the Red Cross Chapter is a loyal member, the head of a flourishing Soldiers' Relief Association and the manager of our Home Demonstration Kitchen, as well as fine workers in every place of War Work, an active D. A. R.

We began the work for the New Year by a prayer service for the success of our army and navy, which was well attended and most impressive.

A melting pot gave us funds for the support of two French orphans. Twenty orphans are supported by members of the Chapter. Our quota for the Liberty Loan and for Tilloloy has been fully met, and a small contribution made to the Martha Berry School.

Meadow Garden has taken most of our funds, \$299.00 has been expended on taxes, insurance, repairs, painting, hedge, grounds and general upkeep. Of this amount \$65.00 was given by Chapters throughout the State.

The Chapter took part in several parades, etc., promoted by the Red Cross and the Council of Defense, and in the Fourth of July celebration, had a beautiful float when Liberty and the thirteen virginal States were impersonated by young girls, all D. A. R. children.

LaFayette's birthday was celebrated by a reception at Meadow Garden, where the French Mission, the British Mission and the Commander of Hancock and his staff were present. Our Chapter was honored on the occasion by the gracious presence of our State Regent, and the Corresponding Secretary, Mrs. James S. Wood and Mrs. Augusta Wood DuBose. A band from the Camp played the inspiring strains of the Marseillaise and the national airs of Great Britain and of our own country. A large crowd was present, the occasion a distinct success.

Prizes in the shape of W. S. S. were given to our High Schools for the best class standing in American history. Thirty-three young men represented twenty-seven mothers, members of our Chapter, in the army and navy, during the late war.

We have lost this year a loved and valued member, Mrs. M. A. Roundtree.

During the recent influenza epidemic a member of the French Mission died at Camp Hancock—flowers tied with the tri-color and the D. A. R. colors were placed on his casket by the Chapter.

Thus we have endeavored in every way to fulfill the obligations of the society and add our mite to its good name and its glorious record of service.

The above report was read by Mrs. W. C. Kellogg, delegate from Augusta Chapter.

ELIJAH CLARKE CHAPTER, ATHENS.

Mrs. Julius Talmadge, Regent.

Since our report of last April the Chapter has lost by death four beloved members: Mrs. M. A. Lipscomb, Mrs. H. H. Steiner, Mrs. I. H. Goss and Mrs. E. M. Coleman, also one member by transfer. With four new members it leaves our membership at fifty, about thirty-six being active members.

Five dollars spent for books to Camp Hancock; one fifty-dollar scholarship given to the State Normal School; fifty dollars given to United War Work Campaign, ten dollars given to Jewish Relief Fund, twenty dollars given to Armenian Relief Fund, twenty-five dollars given for the restoration of the French village, Tilloloy; twenty-five dollars' worth War Savings Stamps bought, two dollars to Meadow Garden, fifty dollars to local Y. Our Chapter celebrated LaFayette's birthday with the city co-operating with us. The school children took part and the stores gave part holiday. A French officer from Camp Gordon was among the speakers at the Octagon.

We also celebrated Georgia Day. Miss Mildred Rutherford and Professor Sanford making most interesting addresses, after which the Chapter was entertained at a seated luncheon by the Regent.

COUNCIL OF SAFETY CHAPTER, AMERICUS.

Mrs. Charles U. Rogers, Regent.

After a successful year, the Council of Safety comes with cordial greetings.

Regular meetings and celebrations of special days have been impossible by reason of a city ordinance prohibiting gatherings of every kind on account of the influenza epidemic. However, our work went steadily on, principally on Red Cross lines.

The location of Souther Field within four miles of our city gave ample opportunity for our endeavor. Our members visited the Military Hospital with offerings of flowers, fruit and jellies. Many soldiers were systematically entertained in the homes of members. Attentions were shown to families of soldiers visiting them here, particularly to mothers.

Many knitted garments were made by members. A committee from the Chapter worked regularly on Tuesdays at the Red Cross work rooms making surgical dressings, refugee garments, etc. The Chapter adopted one French orphan; several other orphans were adopted by individual members. We were much interested in the reconstruction of Tilloloy, and responded to that call with a remittance of \$7.50.

Proceeds of an amateur theatrical in March were \$118.00. Our total in treasury, with which to begin another year, is \$193.00.

Four new members have been added this year, bringing the total membership up to forty-one. Through our D. A. R. Treasurer, Mrs. F. P. Harrold, who was County Chairman of the Woman's Committee in the Fourth Liberty Loan drive, \$226,000 worth of bonds were sold, about \$25,000 being bought by Chapter members.

LANAHASSEE CHAPTER, BUENA VISTA.

Mrs. W. B. Short, Regent.

The Lanahassee Chapter has twelve resident and nine non-resident members. We meet once per month and have programs both instructive and entertaining; have omitted refreshments during

the war. Every resident member, one excepted, is a member of the Red Cross. We have been very active in Red Cross work, giving liberally in money; 1,200 hours work, have made 3,509 surgical dressings, seventy-five comfort kits, seventy-five garments, eight sweaters, fifteen pairs socks, fifty housewives, linen 70.

Members of Chapter have bought Liberty Bonds, \$7,900.00; sold bonds, \$1,100.00; given United War Works \$100.00, sent books to soldiers in camps, sent clothing to Belgian sufferers, given fifteen sweaters to soldiers leaving our county for camps.

We have five War Mothers, one gold star—Capt. Norman Munro, a brave and gallant soldier losing his life in going "over the top" in France. We have adopted French orphan, given \$2.50 to Crawford Long Memorial, given our prorata, \$10.50, to Tilloloy. When we have an opportunity we entertain soldiers in our homes, and also we have sent many boxes of candy and knitted articles to soldiers in camps. We give a medal to pupil in our High School making highest mark in United States history.

GOV. PETER EARLY CHAPTER, BLAKELY.

Mrs. Walter Thomas, Regent.

The Gov. Peter Early Chapter in sending greetings, wishes first to express its most grateful thanks to the State Regent, Mrs. Wood, and her daughter, Mrs. Augusta Wood Du Bose, for their untiring efforts, which have inspired us along all lines of endeavor during the trying year of war just passed.

When the war call was sounded, our Chapter members organized their efforts to render service for their country however possible, through the various organizations, while the news of the glory won by our doughboys at Chateau Thierry and St. Mihiel, Varennes and Apremont, at Cornay, St. Juvin and Sommerance and at other immortal spots, came back to urge us on.

Our war energies have been spent chiefly in Red Cross and Liberty Loan work, and with the National Council of Defense, of which the Chapter Regent was City Chairman.

On Registration Day we joined with the Council of Defense in having the entire city decorated with bunting and flags, while around the Court House Square we arranged for the band to play national airs during the hours of registration.

On LaFayette Day, September 6th, the Chapter observed the anniversary of the birth of our illustrious French ally. On the patriotic program were representatives of all women's clubs, while we had as guest of honor Hon. H. T. McIntosh, the talented editor of the Albany Herald. The program was opened by the Chapter Regent, and at the close of her address the French and American flags were unfurled by two of the High School girls, while the band played the Marsellaise and other anthems.

Five of our members have taken the course in surgical dressings and first aid, and have a unit in the Red Cross work room, working every Tuesday and Friday, from the first call until the close of hostilities.

Each member of the Chapter is a Red Cross member, and has individually assisted the Chairman in making hospital garments, slumber robes, knitted sweaters and mufflers, though it has been

impossible to get the exact number of garments or of surgical dressings and bandages made. We have contributed hundreds of articles of clothing and shoes in response to the request for garments for the refugees of France and Belgium. The Regent and the Second Vice-Regent served on the Committee for the Fourth Liberty Loan, the Regent as one of the four-minute speakers, and the Vice-Regent selling thousands of dollars worth of bonds. All members have purchased at least one, and some several bonds.

In October we sent a large case of jelly to Mrs. Barnes for the hospitals at Camp Gordon and Fort McPherson, receiving letters of thanks from her and from the Field Director at Hospital No. 6.

We have adopted one French orphan, the amount of \$36.50 being paid by Mrs. W. G. Park and her little daughter, Merle, in the Chapter's honor. This was done through the Society of Fatherless Children of France, Atlanta office. The name of the orphan is Marie Marcel Nallou, Paris.

We have donated three dollars to the D. A. R. Poultry Farm in France. The State Regent sent buttons to be sold for this fund, all of which we disposed of.

On Armistice Day, November 11, a committee from the Chapter decorated the Court House and assisted the officers of the city in arranging a patriotic program and great rally, continuing on until midnight; the county and city being bouyant with patriotism.

In October our Chapter joined with the Woman's Club in presenting comfort bags and lunches to a train full of soldiers passing through our city.

The Chapter was sponsor on December 5 at an elaborate public celebration of the 100th anniversary of the settling of Early County. We were joined in this great occasion by the County Commissioners and the Fair Association. At the close of the program, opened by a welcoming address by the Chapter Regent, we presented a handsome service flag to the county, containing 500 blue stars and five gold stars, representing Early County's contribution to her country's call.

While there are no cantonments here, our members have entertained soldiers in their homes many times, and the Regent and members have visited the wounded and convalescent soldiers at other places.

We have been glad to do our share of War Relief Work, and have been proud to back the fighting spirit of the American soldier.

BRUNSWICK CHAPTER, BRUNSWICK.

Mrs. Bolling Whitfield, Regent.

Brunswick Chapter consists of forty members, ten of which are non-resident. Two have been transferred since last year, though others are making out application papers, while three are awaiting their return from Washington.

Death has saddened the homes of two of our members, Mrs. W. H. DeVoe and Mrs. Frank Mallard, in the loss of husband and father, Mr. W. H. DeVoe.

Every member of the Chapter is a member of the Red Cross. Chapter meetings were discontinued during the summer

months, though the Regent, with a faithful few, worked the entire season conducting the much talked-of salvage drive, from which a substantial sum was raised for war relief funds.

For the first time in the history of the Chapter we celebrated the Fourth of July. Our distinguished guest and speaker for the occasion being the late Judge Emory Speer of Macon. The program in every way was a treat to the vast assembly fortunate enough to hear him.

We sent a young lady to the State College of Agriculture in Athens. Gave a cooking stove, cots and pillows to the orphan boys at St. John's Haven on St. Simon's Island. To the Purvis School, an American flag.

Most of our members take the Revolutionary Magazine.

Georgia Day was appropriately observed with Mrs. L. R. Akin, assisted by Mrs. J. P. Harrel, hostesses. An impressive Georgia Day sermon was enjoyed by the Chapter Sunday, February 9. Rev. F. D. Thomas officiating.

Twenty-second of February, Guest Day, at the home of Mrs. A. L. Church, a "Revolutionary Tea Party" was given.

The spacious home was decorated with flags, cutflowers, etc., serving as an attractive background for the officers and young ladies of the Chapter receiving in Colonial dress, powdered hair and patches. The officer aviators were among our honored guests.

In each Liberty Loan drive our Chapter has been faithfully represented. Third Liberty Loan, Chapter took out four hundred and fifty dollars (\$450.00) worth of bonds. Over twenty-four thousand dollars (\$24,000.00) worth of bonds were sold by the Daughters. One hundred dollars was collected by the Chapter in the triangle drive. Contributed to D. A. R. one hundred thousand dollars (\$100,000.00). Liberty Loan, forty-nine dollars and fifty cents (\$49.50), 125 per cent. Many thousand dollars' worth of bonds were taken by individual members.

There are seven (7) War Mothers in Chapter, representing ten (10) sons, and one War Bride.

Sent to the sick and wounded men returning to American hospitals from overseas:

One barrel of jellies and jams, eighty-six glasses and jars, weighing 200 pounds, valued at \$100.00, to Camp Wheeler.

One of our members served as Chairman of the Council of National Defense, four Red Cross Chairmen, and in recognition of their stupendous and accurate achievements their orders came direct from the Government.

Twenty-five thousand surgical supplies were made and shipped, 175 knitted garments, thirteen pairs of socks.

The war record of Glynn County men is now being compiled with view of placing a bronze tablet with names inscribed of the soldiers who lost their lives in France, and those who gallantly returned to us. To this fund we have raised \$366.00, which will be immediately applied to this worthy cause when an authentic list has been obtained.

FORT EARLY CHAPTER, CORDELE.

Mrs. Mather M. Eakes, Regent.

It is indeed a privilege to report the work of the Fort Early Chapter, D. A. R., for the year 1918-1919.

First to report is the production of a farce-comedy, "The Womanless Wedding," using local talent, the play being promoted by our then Regent, Mrs. Max Land, netting to Chapter \$300.00.

The next work taken up by the Chapter was to sponsor the opening picture at the handsome new Circle Theater, under the regency, all too brief, of Miss Frances Carswell, which brought to the Chapter the sum of \$42.62. This money was immediately turned over to the Red Cross.

In May the Chapter donated \$10.00 to the Crawford W. Long Memorial fund for hospital bed in France.

In June the Chapter invested \$100.00 in War Savings Stamps as a special recognition of Flag Day. The Chapter also celebrated LaFayette's birthday, September 6. And I will say here that Fort Early Chapter takes pride in the fact that the observance of this day was determined by the State Conference on the motion of a former Regent, Mrs. Max Land. Members subscribed \$1,355.00 for W. S. S. and were instrumental in selling \$2,255.00 additional.

The Chapter appropriated from the treasury funds for the support of one French war orphan, this making two war orphans supported by this Chapter.

In August the Chapter forwarded a box of fruit juices and jellies to military hospitals.

At the registration of September 12, 1918, the D. A. R., assisted by the other women's organizations, served both lunch and dinner to the registrars, and their assistants.

All special days have been fittingly observed.

We have given \$10.00 to poultry fund.

It is a member of Fort Early Chapter who is Crisp County's Chairman of the Woman's Committee, National Council of Defense, and another of our members is Chairman of Work Room and headquarters Committee, Crisp County Chapter, American Red Cross, while yet another member is official cutter for the very busy work room of our Red Cross Chapter. Of the large number of knitted articles that have gone to our soldier boys, fifty-three sweaters were knitted by one of our own members. We have sent forward two boxes of kid gloves for the making of aviation jackets.

The Committee on Better Films has secured special pictures for children at the moving picture shows and arranged for a story hour every Friday afternoon at the Library.

One dollar was given to State Librarian for the purchase of books for Georgia shelves in library at Memorial Continental Hall.

It is with deep regret that I have to report here the death of one of our most loved members, Mrs. Keene Martin Damtofft.

Our subject of study for the year is "American Democracy; Its Origin, Growth and Expansion." The year book arranged by the Board of Management is proving not only a source of pleasure, but of profit as well.

We have given ten scholarships for the year—seven piano, two violin, one business course of a total value of \$406.00.

Money subscribed by Chapter members for the support of war orphans for the year 1919 totals \$35.50.

The Chapter has set aside the sum of \$100.00 as a beginning of a fund for the erection of some fitting memorial in our county or elsewhere to the American soldier in the great war.

On the evening of March 28 the Fort Early Chapter, using local talent, under the direction of Edward Waldman, presented "The Taming of the Shrew," a modern version, before a large and very appreciative audience. From this effort the Chapter derived a net gain of \$230.00.

We now have about \$452.00 in our Treasury.

BARON DE KALB CHAPTER, CLARKSTON.

Mrs. L. L. Oslin, Regent.

The Baron De Kalb Chapter consists of fourteen members residing in Clarkston, Decatur, Atlanta and other parts of the State. All but four are regularly employed in school room or business office. Hence, being peculiarly situated, our local work should not be compared to that of other Chapters.

We have met every National and State obligation; have paid our per capita to the Liberty Loan fund; contributed \$1.00 to Memorial Library, \$1.00 to the George Washington Home; sent fifteen glasses of jelly to Fort McPherson Hospital.

We raised a handsome flag costing \$30.00 in the public square of Clarkston with appropriate exercises; observed Georgia Day

and co-operated with its observance in the schools of the county, placing the Georgia flag in many; have entered the essay contest on subject, "What My School District Has Done to Win the War."

We have located graves of three Revolutionary soldiers and hope to report their having been marked to next Conference. Nine applications for membership are now pending.

BENJAMIN HAWKINS CHAPTER, CUTHBERT.

Mrs. Charles B. King, Regent.

The Benjamin Hawkins Chapter, D. A. R., Cuthbert, Ga., has devoted all its activities the past year to war relief work carried on through the local Red Cross Chapter. We have fourteen resident members, five living out of Cuthbert, making a total of nineteen, a gain of one new member; have lost one member by transfer and have two papers pending.

Our Chapter had charge of Red Cross room one day in each week. The amount of Red Cross work claimed by our Chapter, besides giving our time to all the other organizations, is as follows:

Garments made	150
Surgical dressings	256
Socks, pairs	10
Sweaters	20
Glasses of jelly sent to Base Hospital.....	100

Forty-four books were sent to the Camp Gordon library for which we received an appreciative note of thanks from the library board.

We furnished three speakers in the United War Work drive and gave a donation of \$5.00. Members of our Chapter have been active workers in the Liberty Loan drives, having sold \$22,000.00 worth of bonds in third loan and \$21,100.00 in fourth loan. Bought by members of Chapter in third and fourth loans, \$3,100.00. To Tilloloy fund we have sent \$9.00, or 50c per member.

Refugee garments sent.....	50
D. A. R. Ambulance Fund.....	\$ 6.50
D. A. R. Liberty Loan (100 per cent.).....	18.00

All anniversaries and patriotic days have been fittingly observed.

Our Chapter has three mothers who furnished each a son to the service. These three sons were spared even a wound, for which we are thankful.

We hold our monthly meetings every third Tuesday at the homes of the members.

Our Historian has made the meetings very instructive by studying the lives of the generals in the war just closed, comparing them to the generals of the Revolution, and it may be interesting to know how much alike the proceedings of the present peace conference are to those of the Revolution.

Since the war work will grow less, we intend this year to give more time and study to historic work.

BUTTON GWINNETT CHAPTER, COLUMBUS.

Mrs. James L. Willis, Regent.

The Button Gwinnett Chapter sends cordial greetings to the Victory Conference. As her Regent, it gives me great pleasure to be with you and submit her report.

We feel that we are indeed a very small part of this great organization of noble women, as we number only twenty-two. Our financial obligations have all been met and the year just past has been one of activity, as a brief report of the work will show.

We have five new members since the last Conference and have lost two by death.

We have held eight monthly and three called meetings.

Our work has been mostly along patriotic and educational lines.

We have met one morning each week with the other two Chapters and worked at the Red Cross rooms; have purchased material and made for the Belgian boys eighteen pairs of trousers. We have given two blankets to the Base Hospital at Fort McPherson; sent a large box containing jelly and marmalades to Camp Wheeler; also one to the sick at Fort Benning. We gave a scholarship in the Columbus High School to a girl from the Orphans' Home and we have about thirty books to be sent to the soldiers in response to Mrs. Wilkin's appeal. We have subscribed our pro rata to the Tilloloy fund and made for the soldiers seventeen helmets, three mufflers, four pairs of wristlets, thirty-three sweaters and thirty-three pairs of socks. We have made aprons, caps and pajamas, which were sold and the money given to the Red Cross. Our State Regent has given us much encouragement.

We hope to accomplish a great deal more within the next year.

SERGEANT NEWTON CHAPTER, COVINGTON.

Mrs. S. H. Adams, Regent.

The Sergeant Newton Chapter always subscribes to as many appeals as the treasury will allow. We have two Liberty Bonds, both paying interest.

We are supporting one French orphan.

Our Chapter has never been a large one, but our work over commensurates the membership. We meet regularly each month at the homes, rather than the Library, as we like to accept and give to each other our loving hospitality.

We have suffered a loss in the passing away of our dear member, Mrs. N. C. Carr. Our faithful Corresponding Secretary, Miss Eleanor Henry, has removed to Texas, but will keep her membership here.

As in the past, Sergeant Newton will always stand ready to give her best for the high ideals of the D. A. R. Each member has worked for and given to the Red Cross. Our self-imposed task was knitting socks and re-knitting other people's "toes."

THE GEORGE WALTON CHAPTER, COLUMBUS.

Mrs. Walter H. Cargill, Regent.

The George Walton Chapter greets you with congratulations for the splendid work accomplished by D. A. R. during the past year and with high hopes for the future. We feel that we have truly done our part in the war relief endeavors which our National Organization has so nobly undertaken. We have twenty-seven members, thirteen of which are non-residents.

Early in the autumn we gave a successful benefit bridge party, which helped us to give our full quota to the D. A. R. Liberty Loan Fund. We have also subscribed our full quota to Tilloloy. Our Chapter members have worked regularly at the Red Cross headquarters and have served frequently in Red Cross, United War Work and other relief drives. Our Chapter members have subscribed approximately \$275.00 to Red Cross and about \$170.00 to United War Work Campaign. We have bought about \$30,000.00 worth of Liberty Bonds. Almost every member sent Christmas boxes to soldiers or sailors abroad and we have frequently had the pleasure of entertaining enlisted men in our homes. We have also given assistance to families of enlisted men who were in need. A scrap book and a box containing twelve glasses of jelly have been sent to the hospital at Fort McPherson, and one of our members gave a Victrola.

At our Chapter meetings, which occur regularly on the first Thursday of each month, we have had inspiring programs. Nor have we neglected our local work. We continue our scholarship at the Girls' Orphan Home and gave a D. A. R. souvenir spoon to the child making highest average in history at the Wynnton School. Three dollars have been sent to Meadow Garden and a case of syrup to Martha Berry School.

We observed Georgia Day in co-operation with the two other Chapters of our city.

JAMES PITTMAN CHAPTER, COMMERCE.

Mrs. E. C. Pittman, Regent.

The James Pittman Chapter sends greetings and good wishes to the Conference and sincerely regrets not having a representative present. Since the organization of the Chapter it has always striven to maintain the high ideals of the National Society. This year the Chapter has held its meetings once a month at the homes of its members with good attendance and interesting historical programs. In March the Regent entertained at a reception in honor of the third birthday of the

Chapter, many prospective Daughters being present; also the national holidays have been fittingly observed.

The individual members of the Chapter bought \$1,550.00 of Liberty Bonds and \$620.00 War Savings Stamps; also \$21.00 for the Chapter to the National Society for the Liberty Loan. Our own Vice Regent is Director of Woman's Work in the Commerce Chapter of the Red Cross Society and the Corresponding Secretary is Assistant Supervisor of the work room and Chairman of the Knitting Committee. All members living in Commerce were members of the Red Cross Society. A Chapter member was second assistant in the State Fuel office. One member's husband was in the service, two brothers and eight lineal descendants of Revolutionary patriots saw service in Uncle Sam's army. The amount of \$30.00 was reported given to the Red Cross and Y. M. C. A. The Chapter adopted a little French boy, Etienne Emy, aged twelve, and the \$36.50 has been forwarded for his maintenance. The Regent is in receipt of a charming note from him expressing his thankfulness to the Chapter.

Through the efforts of the Regent, the school children raised \$9.15 for the reickenizing of France.

A box of thirty glasses of jelly was sent to Camp Gordon and also a box of fifteen books was sent to the librarian at the Carnegie Library, pursuant to a call made by the American Library Association for books for use by sick soldiers. The Chapter, through the Registrar, Mrs. Cliff Ward, sent to Mrs. Wilkins a copy of "The Early History of Jackson County" for the Georgia shelf at Memorial Continental Hall.

OGLETHORPE CHAPTER, COLUMBUS.

Mrs. O. C. Bullock, Regent.

The Oglethorpe Chapter has sixty-eight members, having gained two and lost two during the year. Our meetings have been held regularly on the first Thursday in each month, beginning with the business part of the program, and always followed by a literary program.

Since my report last April the Chapter continued vigorously to do Red Cross work up to the time the armistice was signed, making pads, surgical dressings, pajamas, etc., besides doing a lot of knitting.

Some of us still go every Thursday, which has always been D. A. R. day. Fifty pairs of gloves were mended by the Chapter for the Red Cross. Thirty-five sweaters, 103 pairs of socks, twenty-nine trench caps and one helmet have been knitted by the Chapter since last April.

Members of the Chapter contributed largely towards the supply of towels and bed linens which was called for by the Red Cross. Three members of Oglethorpe Chapter are members of the Executive Board of the Red Cross and several were active in canteen work.

During the Third Liberty Loan drive \$16,200.00 worth of bonds were bought, mostly by Chapter members.

Ten dollars was subscribed to the Crawford W. Long Memorial Bed and sent to the Treasurer. Four French war orphans are supported by the Chapter at a cost of \$146.00. Fifteen dollars was given to the Free Kindergarten for the Bread and Milk fund. Eight dollars was given for the tuition of two girls at Orphans' Home.

The Chapter has paid its full quota to the \$100,000.00 Liberty Loan fund and also to the Tilloloy fund, which amounted to \$102.00. Twenty-five dollars was given for rechristening France. One dollar was sent to the State Librarian.

Many of the Chapter members participated in the Fourth Liberty Loan campaign; also in the sale of War Savings and Thrift Stamps. Thirteen thousand nine hundred and fifty dollars was subscribed by the Chapter members. Three members of the Chapter headed committees in the United War Work campaign and did valuable work. In November the Chapter passed a resolution to adopt the pledge for the conservation of food.

During December twenty-two glasses of jelly, seventy-five magazines, twelve books, thirty-three Victrola records and six property bags were carried to Fort Benning. Book week had to be postponed on account of the Chairman being ill with influenza. They worked last week, however, and reported over 100 books collected.

Independence Day was observed by the Chapter attending the exercises in a body. The day was celebrated at the court house with appropriate speeches and decorations. Georgia Day was also observed with appropriate exercises.

Eleven mothers in the Chapter had sons in the army, four of them having two each. We feel very grateful that those who went over will likely return, though two of the boys were wounded.

I will add that Charles Harrison, the grandson of our beloved member, Mrs. Jane Martin, was killed in action in France and now sleeps in Flanders' field.

JOHN LAURENS CHAPTER, DUBLIN.

Miss Mary Guyton Ramsay, Regent.

It is my pleasure to submit to the consideration of the Victory Conference a report from the John Laurens Chapter, Dublin, Ga.

We are glad that the war clouds, which for a long time hung heavy over our country, have been dissipated and peace again prevails in our beloved land.

Many of our boys left their quiet and happy homes to follow Old Glory. To those who have demonstrated their manhood and devotion in the time of their country's need, we extend our most sincere congratulations, and may He who guides the destinies of nations return to us our soldier boys in health and honor.

Forty-six brave and loyal boys descended from ancestors of members of the John Laurens Chapter answered their country's call: "To arms!"

The Daughters of the Chapter have not been idle, but with open hearts and ready and willing hands have responded to every patriotic call.

Mrs. E. J. Blackshear, one of our Daughters, Chairman of the Red Cross Linen Contribution, collected 198 sheets, 324 face towels, 372 bath towels, 400 handkerchiefs and sixty napkins; total value, \$700.00.

Mrs. Blackshear also collected 3,575 pounds of clothing for the Belgian relief fund.

Mrs. M. J. Guyton, another D. A. R., Chairman of the Junior Red Cross, collected eighty-six personal bags, seventy-six comfort kits, 160 refugee dresses, twenty scrap books, thirty-six comfort pillows, five worsted squares, three knitted squares, 200 tongue depressors, fifty property bags, twenty-four posters. The work was done at school under the direction of the teachers.

Fifty sweaters, numbers of socks, mufflers and helmets have been knitted by members of the chapter.

Two very attractive slumber robes have been knitted and donated to hospitals, one to Fort McPherson and one to our local hospital.

The D. A. R. in Chapter bought \$11,100.00 Liberty Loan Bonds. Ten thousand dollars' worth of Liberty Bonds were sold by members of the Chapter.

Our Chapter has three \$50.00 Liberty Bonds and \$10.00 Thrift Stamps. Fourteen thousand dollars in Thrift Stamps were sold by the D. A. R. Four hundred and thirty-four dollars and fifty cents was contributed to war fund by individual members of the Chapter.

We have adopted one French orphan. Individual members are contributing \$39.60 toward the support of other orphans. We have contributed our pro rata share of 50 cents per capita to the Tolloloy fund. One dollar has been contributed toward literature for Georgia shelf, Memorial Hall, Washington.

One short term scholarship at the State Normal School in Athens has been given to a county girl.

We have seven war mothers in our Chapter representing nine sons in the service. We had eight members who served as Red Cross Chairmen. One member in our Chapter enlisted for foreign service.

We have located two more Revolutionary soldiers' graves, making a total of five graves located. Markers will be placed on these graves at an early date.

The D. A. R. Magazine has been placed in the Carnegie Library for the benefit of the Chapter. A beautiful song has been written for our Chapter by Mrs. Elizabeth Duncan Lanier.

Our enrollment shows a membership of forty-three, eleven having been added during the past year. One application now in Washington and four applications to be voted upon at our April meeting.

Regular monthly meetings are held in the homes of the members. Our year book has been very attractive. The programs have been interesting and instructive, combining historical programs with musical features. A beautiful Chapter pin was presented to our ex-Regent as a token of appreciation.

DOROTHY WALTON CHAPTER, DAWSON.

Mrs. W. A. McLain, Regent.

The Dorothy Walton Chapter sends greetings to the Conference assembled in Albany. Our Chapter numbers thirty-eight, with several papers in Washington to be passed upon. The Chapter has a history medal which has been awarded weekly to the pupils in the seventh grade of the public school and at the end of the year the medal is a permanent gift to the pupil wearing it the greatest number of times.

Five dollars have been donated to the Martha Berry School, \$2.50 to Meadow Garden, \$5.00 to reickenizing France, \$5.00 to Tilloloy restoration fund, \$30.00 to war relief, three dozen glasses of jelly to Camp Wheeler, thirty-seven sweaters knitted for the Red Cross, eight pairs of shoes donated, fifteen pairs of pajamas, \$100.00 contributed to the Red Cross, \$2,000.00 War Stamps purchased by members of the Chapter, \$3,000.00 worth of Liberty Bonds bought by Chapter members.

The coming year we expect to enlarge our sphere in all lines of work.

STONE CASTLE CHAPTER, DAWSON.

Mrs. R. E. Bell, Regent.

Responsive to the patriotic spirit which has stirred our nation during the war period, Stone Castle Chapter, D. A. R., has felt a quickening impulse and a higher aspiration to measure up to every demand. The members have been quite active in relief work and in all matters for public betterment.

The county court house was made very attractive the last Registration Day by a display of national colors, members of the Chapter assisting in the decoration. Eight dollars and a half have been contributed to hospital bed in France in honor of Dr. Crawford W. Long. One nurses' quilt was knitted and sent to a Dawson girl in the service. Twenty-five pairs of socks and one sweater were made for individual soldiers; eighty-seven towels were contributed to the Red Cross; one box of jelly sent to Fort McPherson; a generous box of books sent to the Carnegie Library in Atlanta for soldiers; over 100 garments given for Belgian relief and \$10.00 contributed to Armenian sufferers. Eight large Christmas boxes were sent to poor families. Records of eight sons of war mothers were forwarded to State Chairman. Twenty dollars given to Third Liberty Loan fund. In the Liberty Loan drives individual members have invested \$10,450.00, which is only a partial report. Six thousand dollars' worth of bonds have been disposed of to out-

siders. One Liberty Bond of the fourth issue is the property of the Chapter. The matter of compiling a list of Terrell County soldiers has been accomplished through the efforts of the Historian, assisted by the Regent.

Perhaps the work of most far-reaching significance is that of contributing to the education of needy children in our own community. Clothing and books, in addition to tuition, have been furnished.

From a membership of fourteen the Chapter has steadily grown until it numbers now eighty-seven. Enthusiastic attendance at every meeting and the programs are varied and inspirational. This year March 21 marked the eighth anniversary of our organization and the occasion was beautifully celebrated at the home of one of the members.

Four graves of soldiers of 1812 have been located and application made to the government for markers. Historical anniversaries have been suitably recognized by special programs calculated to foster interest in the traditions of our great country. A spirit of good fellowship and co-operation have dominated every undertaking of the Chapter in different lines of work, each member being active in upholding the standards of the organization. With confidence we await the formation of the League of Nations that shall bring permanent peace to our war-weary world and the fulfillment of our dreams for the uplift of humanity for which we shall continue to work and pray.

This report was read by the Delegate, Miss Maribel Irwin.

GOV. JOHN MILLEDGE CHAPTER, DALTON.

Mrs. Paul B. Trammell, Regent.

Since our report of one year ago much of the time has been taken up in war and patriotic work, though we have not been neglectful of the needs at home.

Our regular monthly meetings are well attended, a program as prepared in our year book is given. The Chapter has a membership of twenty-four resident and six non-resident members, with the papers of two applicants pending.

In Red Cross work fourteen of our members were qualified instructors. The entire membership of the Chapter worked faithfully. Forty-seven thousand five hundred surgical dressings were made in the work room, one Chairman was Chairman of a Red Cross Committee that adopted a ward in the hospital at Fort Oglethorpe. Among the many things done for the soldiers' comfort, the ward was equipped with electric fans.

One hundred comfort bags were made for the Red Cross and 465 garments were made for Queen Mary's Needlework Guild to be distributed in France. A large box of clothing donated for the Belgians, \$18.00 given for wool, twenty-three sweaters and a number of pairs of socks were knitted. One hundred and fifty books and magazines were sent to Camp Gordon and Fort Oglethorpe. Twenty-six books through the National Council of Defense, fifty-four containers of jelly were sent to Mrs. Ed-

ward H. Barnes for D. A. R. ward at Fort McPherson; also forty-two Christmas boxes for convalescents in the same ward and twelve glasses of jelly sent to the Red Cross at Camp Gordon.

Hospitality has been extended to many soldiers on numerous occasions. Twenty-five dollars were given to the United War fund, \$500.00 in Liberty Bonds in the fourth loan, \$2,000.00 in Thrift Stamps taken by Chapter members. Flowers and flags were placed on the graves of our boys who had given all for Liberty, \$5.00 were contributed to Crawford W. Long Memorial Bed in France, \$15.00, our full quota for rebuilding Tillooy. A French orphan has been adopted, also a little motherless girl of Dalton is a protege of our Chapter, being clothed and equipped for school.

All patriotic days were observed, particularly Flag Day, when in the presence of several hundred people gathered at our county court house, we presented the County with a beautifully designed service flag. That flag now bears over 600 stars, nineteen gold ones forming the center. Hon. Murphey Candler was the speaker on this occasion and his eloquent address largely influenced the putting over of the Third Liberty Bond sale.

The Gov. John Milledge Chapter has from its organization promoted education. This year we have two scholarships in our high school. A country girl was sent to the Seventh Congressional District Agricultural School for an advanced course in canning. A prize of \$5.00 was given at the County Fair for Canning Club girls' exhibit.

On Georgia Day a \$5.00 prize was offered to pupil writing best essay on "The Part Whitfield County Took in the World War." This was confined to the country schools. Splendid programs observing this day were rendered in all our schools. We offer the following prizes to the pupils making the best average in history: In the Dalton High School, \$5.00; in the grammar schools, a gold medal. Donated \$55.00 to Free Kindergarten School in Mill District. Keep filled two first aid cabinets in public schools; have furnished modeling clay for construction work in primary grades of city schools.

One city park is entirely in our charge and each year grows in beauty. We, in co-operation with the Federation of City Clubs, have planted nineteen memorial trees, each representing a boy from Whitfield County who made the supreme sacrifice.

At a beautiful victory celebration in November, when our Chaplain, Rev. F. K. Sims, paid tribute to our boys, we voted to erect a permanent memorial in honor of those who will not come home and also as a thank offering from the D. A. R. mothers whose service flag bears the twelve stars.

COL. WILLIAM FEW CHAPTER, EASTMAN.

Mrs. W. B. Daniel, Regent.

In reviewing the work of March, 1918, to March, 1919, we find it marks the closing of one of the most active years in the history of the Col. William Few Chapter. Our members realizing

that in the world conflict for freedom, the one thing most needed was loyal and loving service, and with this patriotic spirit prevailing, much splendid work was accomplished.

The first step taken to aid those in active service was a linen shower given for the Red Cross, at which twenty-four handkerchiefs and thirty-five towels were donated.

This was followed by the formation of a Red Cross Unit. One day out of every week was devoted to making surgical dressings, wipes, etc., and a most creditable amount of sewing and knitting was accomplished in the homes.

The Committee of Patriotic Education saw to it that all patriotic holidays were fittingly observed, and to inspire the school children with the spirit of the occasion they were often asked to assist in the exercises. Also patriotic programs were arranged for every meeting and these proved to be instructive and interesting.

Our Charity Officer has distributed among the poor families of the city clothing and food to the amount of \$37.00. This officer also superintended the singing of the Christmas carols on Christmas Eve, and to them an offering of \$22.50 was given for Georgia Orphans' Home, Atlanta.

A \$25.00 scholarship was given to a Canning Club girl of the County for the summer course at the Agricultural College at Athens.

The Conservation Committee had entire charge of the Culinary Department at the Dodge County Fair and assisted in giving demonstrations in making war breads, cottage cheese and various edibles every day of the Fair.

During the year we have transferred one member to Joseph Habersham Chapter, added one new member and have two application papers pending, which gives us a total membership of forty-two.

A very beautiful service flag, in which the stars were arranged to form the D. A. R. insignia, at the cost of \$50.00, was presented to the County. A most impressive service was held and the Liberty Quartette of Camp Gordon furnished delightful singing at the presentation.

We pledge anew our allegiance to our flag, and stand ever ready to co-operate with our State D. A. R. in all the splendid undertakings.

"Fear not, that ye have died for naught,
The torch ye threw to us we caught;
Our willing hands will hold it high,
And freedom's light shall never die!
We've learned the lesson that ye taught
In Flander's field."

JAMES MONROE CHAPTER, FORSYTH

Miss Mary E. Ponder, Regent.

The James Monroe Chapter, D. A. R., is a small chapter, having only fourteen members, three of these non-resident, but we have tried, as a Chapter and as individuals, to do our part in the great war work of the nation.

We are represented in the service by six sons and two brothers. Three of these have seen overseas service.

Most of our Chapter work was done for the Base Hospital at Camp Wheeler, Macon, Ga. We sent two boxes, one containing one dozen pajamas (\$18.00), two pillows and four pairs of pillow cases (\$5.00), the other containing home-canned fruits and jellies (\$5.00).

We contributed \$1.00 per member to the \$100,000 Liberty Loan Fund of the National D. A. R.; \$5.00 to the United War Work.

We have adopted one French orphan, and Mrs. Richard P. Brooks adopted one French orphan for the Chapter.

The Chapter Room was used by the Council of National Defense of Monroe County as a Soldiers' Rest Room during the encampment near Forsyth of the 106th Sanitary Train from Camp Wheeler. It was also used by the Forsyth Chapter of the Red Cross as a meeting place and also to pack boxes of magazines and garments for the Belgian refugees.

We were 100 per cent. Red Cross members and each member has worked faithfully in surgical dressing rooms and in all relief work of the Red Cross.

Our meetings have been rather irregular on account of the influenza epidemic, but have always been interesting. On Georgia Day we had a special program appropriate to the occasion.

Chapter paid out during 1918 \$160.00. Fifty cents per member will be contributed to help rebuild the French village, Tilloloy. The Daughters gave their time and money to the War Relief Work. Our Daughter, Mrs. R. H. Drake, was organizer and Chairman of Griffin Red Cross Chapter.

DAVID MERIWETHER CHAPTER, GREENVILLE.

Mrs. J. L. Strozier, Regent.

The David Meriwether Chapter, D. A. R., has a membership of twenty-one and papers pending for one new member and application made to the Chapter for another. The Chapter has done good war work. I am sorry that I cannot report a correct record for all our war work. We have pledged ourselves to support one French orphan and \$36.50 has been sent to our State Treasurer.

Five dollars has been given to the Long Memorial Bed; \$10.00 to the restoration of Tilloloy, in France. Each member has paid \$1.00 toward the \$100,000 Liberty Loan. We have pledged \$50.00 toward the memorial fund of the soldiers of Meriwether County.

Twenty-nine glasses of jelly were sent by our Chapter to Fort McPherson Hospital. The Chapter gave \$39.00 to the local Red Cross Chapter. All patriotic holidays have been observed.

All the members of the Chapter subscribed liberally to Liberty Loan Bonds.

The David Meriwether Chapter has seven war mothers and the records of the sons of these mothers have been sent to Mrs. Bullard of Savannah. All State and National dues have been paid.

COL. WILLIAM CANDLER CHAPTER, GAINESVILLE.

Mrs. B. B. Cheek, Regent.

The Col. William Candler Chapter has confined the greater part of its work to war relief. From the organization of the Gainesville Red Cross to the present minute we have been an active unit and have never failed to accomplish the work allotted to us.

Our Chapter now numbers thirty-three members, nine of these being out-of-town members, five papers pending. At the beginning of the current year our treasurer assumed a balance of \$8.17 and her report at the March meeting was \$53.00, and we have given in cash to the local Red Cross Chapter \$87.50. We have contributed instantly our apportionment to the Tilloy fund and the D. A. R. Liberty Loan. As a body, we own no Liberty Bonds, but the members have bought \$1,450.00 and \$3,050.00 were sold by our members. As a Red Cross Unit we have made the following:

Twenty-five housewives, forty hospital garments, 132 surgical dressings, 88 Belgian chemise, twenty-five Belgian dresses, twenty-five Belgian aprons and thirty-nine Belgian kits. One bushel of old kid gloves was collected and sent to Atlanta. Our unit had charge of packing 845 pounds of clothing to the Belgians. The unsuitable clothing was then sold at auction and \$33.00 turned over to the Red Cross from that sale.

During the month of February no Red Cross work was done on account of the terrible influenza epidemic. One of our members volunteered her service as a nurse. Our other war work consisted in a contribution to Crawford W. Long Memorial Bed, jellies and books sent to soldiers' hospitals, twenty-five Christmas boxes sent to Fort McPherson, \$35.60 sent to poultry fund for France. Last June we adopted a French orphan, which we are still supporting.

A medal was presented to Irene Harvey, a pupil of the seventh grade, for the best examination paper on the Revolutionary period.

The Col. William Candler Chapter claims the proud distinction of being the first Chapter in the State to offer its services to the Soldiers' Memorial Committee of its town. We intend to furnish a room in the building, though our efforts will take the most practical and needed direction. We are also proud of the fact that our ex-Regent, Mrs. A. S. Hardy, is State Chairman for the Children of the American Revolution. She is also a member of the State Committee for Welfare of Women and

Children, and Mrs. A. D. Candler, another Chapter member, is on the State Committee for Gift Scholarships.

The organization of a C. A. R. Chapter is well under way with a beginning of fifteen members.

The Chapter is writing a history of Hall County which we expect to put in the schools throughout the country as a reference book. It is almost ready to go into the hands of the publishers.

The Chapter observed Flag Day with an appropriate program; also Georgia Day was observed by the Chapter and a letter written to the schools asking that they have special programs prepared, which several of the teachers did.

In fact, to sum the matter up, we feel that we have just completed a strong, earnest year in the history of the Chapter.

WILLIAM McINTOSH CHAPTER, JACKSON.

Mrs. B. F. Watkins, Regent.

Our first work since last Conference was to organize a surgical dressings class. One of our members had completed the course and was prepared to teach us. Two thousand four hundred and thirty-one dressings were made under the direction of this instructor by the two classes in the county. We continued to meet throughout the summer on Tuesday and Saturday afternoons to make dressings, furnishing our material.

We gave \$2.50 to Meadow Garden, \$5.00 to Crawford Long Memorial, \$1.00 to State Librarian for purchase of books for Emily Hendree Park Memorial, \$1.00 per capita to the Fourth Liberty Loan, 50c per capita to Tilloloy fund, \$36.50 for the support of a French orphan, bought \$20.00 of War Savings Stamps, assisted in the United War Work Campaign, one member acting as County Chairman (W. C. T. U.) and two as District Chairmen. Our individual contributions to this movement were \$46.50 and we gave the proceeds of a benefit, which netted \$100.10.

We are giving a scholarship to the State College of Agriculture, valued at \$25.00. The beneficiary of this scholarship, which we gave last year, met with us in September and told of her work at the College. Her report was interesting. We were pleased with our efforts in this branch of home work and we are giving the scholarship to the same girl again. It is given through the County Agent to a Canning Club girl.

The entire Chapter belongs to the Red Cross and has been generous with both time and money, making monthly contributions. Eighty-three dollars, the proceeds of a sandwich sale, was donated by two members.

We have lost one member by death, Mrs. D. D. Durham of Poplarville, Miss.

Four new members have been added, making a total membership of thirty-six.

We have three subscribers to the D. A. R. Magazine.

WILLIAM MARSH CHAPTER, LAFAYETTE.

Miss Sarah Hackney, Regent.

War relief has been the phase of work upon which the energy of William Marsh Chapter has been spent, yet regular D. A. R. activities have not been overlooked.

Following is an itemized statement of amounts contributed to various causes. In all war activities we have held our own. The County Chairman of the Liberty Loan, the District Chairman and some of the Ward Chairmen have been D. A. R. members. Through the influence of the women, Walker County went beyond her quota in several drives.

"The Better Babies" Campaign was a wonderful success under the chairmanship of one of our members, as was also a course in "Home Nursing." In the drives for the United War Work, War Savings Stamps and Salvation Army, William Marsh members have served with zeal and efficiency. In the Red Cross, work was done every day.

Independence Day was observed by uniting with the churches in a union service in the evening. The program consisted of patriotic songs and speeches. The church was beautifully decorated with flags and cut flowers.

A peace party at the home of Mrs. Patton was a delightful occasion in which the members and many of their friends participated.

LaFayette's birthday and the anniversary of the First Battle of the Marne were observed on the evening of September 6. A beautiful program was given, Judge Wright being the chief speaker. The proceeds charged for admission were given for war relief.

Under the direction of the State Chairman, Miss Warthen, the Chapter co-operated with the public schools in the celebration of Georgia Day. A prize was offered to the pupil writing the best essay on "The Work of Walker County in the World War."

A number of members take the D. A. R. Magazine.

Now that the war clouds are lifted, we are planning to take up, with renewed energy, phases of work in our capacity planned for our great organization which we have left undone during the great crisis, even remembering "She that is faithful in that which is least, is faithful in much."

NATHANIEL MACON CHAPTER, MACON.

Mrs. Thomas E. Blackshear, Regent.

The Nathaniel Macon Chapter roll numbers fifty-eight members, with several more either pledged to the Chapter or awaiting the return of their papers from Washington.

On Mother's Day, at a beautiful service held in the new auditorium, the Chapter's service flag, containing thirty-two stars, was unveiled. Since the unveiling six more stars have been added and two have been changed from the blue to the gold. Two devoted mothers of our number wear a similar sad but glorious emblem on their sleeves.

In October the new Regent and officers were welcomed and installed at the home of the retiring Regent, Mrs. Stone. The latter rendered her report to the Chapter, pronouncing us free from all debt with a balance of \$250.00 in the bank. Mrs. Stone was heartily thanked for her long and faithful service to the Chapter. The same month a \$50.00 Bond was purchased during the Fourth Liberty Loan drive and our Chapter members, almost without exception, subscribed individually to the same.

All State and National dues are paid. We have also given our 100 per cent. quota to the National D. A. R. Liberty Loan fund and the Tilloloy fund.

At Christmas the Chapter sent \$5.00 to each of the two French orphans adopted and at our last meeting we voted to support them for another year.

Ten dollars was contributed for relief in the Near East, \$5.00 to the State D. A. R. Poultry fund and \$5.00 was recently sent to the old soldiers in the Georgia Confederate Home.

This past year, as in the one preceding, our members have loyally supported the Red Cross work in its various branches, much work also having been done in the homes in the way of knitting, mending, etc.

Our February meeting was held on Georgia Day and a delightful program appropriate to the occasion enjoyed. Now that the demand for war relief work has lessened, the Chapter hopes to increase both its membership and the enthusiasm for more of the legitimate D. A. R. work.

Miss Maude Fisher and Miss Mary Davis, members of our Chapter, are still in France, where both are doing a noble, self-sacrificing work in the canteen service.

In the large impressive Red Cross parade held last spring we marched as a Chapter and again in the parade which inaugurated the Fourth Liberty Loan drive.

Many contributions have been made for war relief and other worthy causes. A British flag was given to the Ladies' Welfare Club, and together with the Mary Hammond Washington Chapter, an American flag was presented to the Hostess House at Camp Wheeler. Five dollars was also donated to the Crawford W. Long Memorial.

MARY HAMMOND WASHINGTON CHAPTER, MACON.

Mrs. J. N. Talley, Regent.

The Mary Hammond Washington Chapter is proud of being able to state that we have at the present time four of our members serving upon the State Executive Board.

During the Red Cross activities, recently closed, four out of eight Chairmen of the Local Executive Board were members of

our Chapter and three others were Chairmen in different departments, with a 100 per cent. membership, four members whose husbands were in the service and twenty war mothers.

After the State Conference of last year our first activity was the presentation of an elaborate theatrical production entitled "Flu-Flu, or The Land of Fun." From this we realized a profit of \$604.00. This fund has enabled us to meet all war demands made on the Chapter during the past year.

During the year we completed our \$300.00 rotating loan scholarship, a memorial to our former Regent, Mrs. Eugenia Small Steed.

Contributed to Meadow Garden, \$2.50.

Our annual presentation of the Eugenia Small Steed Loving Cup on Georgia Day was postponed and it will be presented in May to the Bibb County high school girl writing the best essay on a given topic of Georgia history.

We set aside for the Memorial Fountain fund which we are accumulating about \$70.00 during 1918, totaling about \$160.00.

We are much interested in the plan to mark the site of the old Wayside Inn, where LaFayette was entertained during his visit to Macon. Mrs. William Lee Ellis was Chairman of this committee, but resigned recently, and Mrs. Charles Holt has been appointed. She will co-operate with a similar committee from the Nathaniel Macon Chapter and the two Chapters will unite in the honor and privilege of placing an appropriate marker.

At our March meeting Mrs. Mallory Taylor, State Chairman on Prevention of Desecration of the Flag, presented a very complete and excellent flag code which she had compiled from a number of the most authentic sources. It was decided that we have copies of this printed for distribution to the city and county schools. Mrs. Charles Holt was appointed chairman of a committee to attend to this, and they have already been placed. A copy is also displayed in the county courthouse.

As a compliment to the wonderful work of the Chapter which has been accomplished during the Regency of Mrs. Charles Akerman, just completed, Mrs. William Lee Ellis, Honorary Life Regent of our Chapter, presented to us another scholarship, making the fourth within the gift of the Chapter. This will be called the Gazalene Lamar Ellis Scholarship.

We formally presented an ambulance, at their earnest request, to the Dixie Division. As this division was not allowed, however, to carry with it any of its equipment, the ambulance remained in camp. After the signing of the armistice, we asked that it be returned to us, and upon the government's promptly doing this, we presented it to the Macon Hospital, which especially appreciated the gift on account of its coming in a time of especial need, during the influenza epidemic.

During the past year we sent money for the support of three French war orphans amounting to \$109.50.

We gave to the Tilloloy fund \$60.00. This represents our quota paid in full.

The Mary Hammond Washington Chapter, D. A. R., the Nathaniel Macon Chapter, D. A. R., and the Sidney Lanier Chapter, U. D. C., united in formally presenting the flags of the Allies to the Soldiers' Welfare League. Our share of the expense of this was \$5.00.

We contributed \$120 to the D. A. R. \$1.00 per capita drive for the Third Liberty Loan, being our full membership quota.

The two D. A. R. Chapters united in presenting a flag to the Hostess House at Camp Wheeler at the time of its formal dedication. Our half of this was \$40.00.

We made a gift to the Macon Chapter of the Red Cross of \$100.00. We contributed \$25.00 to the Crawford W. Long Memorial Bed in France. During the Red Cross linen drive we gave them sixty bath towels, costing \$15.00.

We participated in the national chain induction of young men into service by formally presenting the flag, to which flag the students of the army training camp at Mercer University took the oath of allegiance at 11 o'clock on October 1. Cost of flag, \$8.00.

The two Chapters united in presenting a flag to the Development Battalion at Camp Wheeler. Our share of this was \$4.00. The Chapter marched in a body, wearing D. A. R. regalia, in the Fourth Liberty Loan parade.

On the Fourth Liberty Loan drive our D. A. R. Chapter, being given a very limited territory, secured subscriptions to the amount of \$6,800.00.

We contributed to the drive for Armenian relief \$25.00.

We gave the local Associated Charities \$10.00.

At Christmas we made a gift to the ladies of the Vineville Old Ladies' Home of \$6.00, being one dollar apiece. This present was appreciated out of all proportion to its size.

The total of the Chapter, including war work, scholarships and dues during 1918 amounts to \$1,233.00.

HENRY WALTON CHAPTER, MADISON.

Mrs. Kitty Reid Fitzpatrick, Regent.

The Henry Walton Chapter, composed of thirty-two earnest, patriotic women, working in beautiful harmony, has, in a quiet, unassuming way accomplished a splendid work during the past year. War relief has been the one phase of work upon which the energy of the Chapter has been spent.

We have contributed to all calls during the year and especially to the Belgian relief, giving much time and \$1,000.00 worth of warm garments.

Many of the members are supporting French orphans and our Red Cross report includes 140 knitted garments, fifty comfort bags, forty housewives and other articles for the comfort of our soldiers.

One hundred hours' work was given to the Christmas roll call and 50,000 surgical dressings were made during the year.

We have contributed largely to the Liberty Loans in that our members have served faithfully and efficiently on various committees. As individuals we have purchased a great number of bonds and as a Chapter we hold one \$50.00 bond. One member bought a \$10,000.00 Bond.

We contributed \$16.00 to the rehabilitation of Tilloloy and \$5.00 to the D. A. R. poultry farm in France.

Our roster includes two war mothers. Our National and State dues are paid in full.

JOHN BENNING CHAPTER, MOULTRIE.

Mrs. Robert S. Roddenbery, Regent.

For the third year it is my privilege to bring greetings to this assembly from the John Benning Chapter. With reverence and gratitude most profound to the "Giver of All Good," for the signal overruling providence that has resulted in the triumph of the Allied armies and navies and associated powers over the forms of autocracy and the destruction of militarism, we exult in the prospect of a peace which we trust shall in the coming age more than compensate for its immeasurable cost to mankind.

Since the organization of our Red Cross Chapter the D. A. R. has been 100 per cent. loyal, many of them setting apart several hours each week for some definite work—two members having received the badge of honor for Red Cross work.

Members assisted in each bond drive; \$74,800.00 was invested by individuals in bonds; \$500.00 was given to United War Work.

A list of all young men serving in the army and navy from Colquitt County was kept, as well as those making the supreme sacrifice.

When the Second Liberty Bond Campaign was launched our Chapter took part in a big parade with a beautiful float representing "Liberty."

On the opening day of the Third Liberty Bond Campaign our Chapter presented to the mothers of sons from Colquitt a handsome service flag 9 by 13 feet, with appropriate exercises. Stars on this flag numbered 545.

Plans for a suitable memorial to our boys and men are now on foot. A fund of \$250.00 is now in our treasury for a beginning.

Last June we put on a joint picture show with our local playhouse, which netted \$157.00.

During our County Fair we ran a lunch stand which netted \$213.00. At this stand we entertained a party of eleven aviators.

We have paid 50c per capita on the \$100,000.00 National Bond; \$40.00 to Tilloloy; \$73.00 to two French orphans; \$6.00 to chicken farm; \$5.00 to Crawford W. Long Memorial Bed; picture to Camp Wheeler valued at \$3.00; barrel of apples to Fort Me-

Pherson, \$6.00; twenty-four glasses of jelly to Gordon and McPherson; \$3.00 to Meadow Garden; bought one \$50.00 Liberty Bond; awning to Fort McPherson, \$5.00.

Through a loan of \$45.00 from State Scholarship fund, one Colquitt County girl has completed a course in the local business school.

Flag Day was observed, as well as Georgia Day, in the city schools.

Endeavored to teach by precept and example proper courtesy to our flag and national air.

This month we will place the American Creed and the Constitution of the United States, not only in our city schools, but in each school in the county.

Our meetings are held monthly in homes of members, with historical programs from an attractively arranged year book, with the social feature added.

We now have thirty members—five of these having been admitted this year. Applications from six more have been received.

SERGEANT JASPER CHAPTER, MONTICELLO.

Miss Maud Clark Penn, Regent.

The past year for Sergeant Jasper Chapter has been one of continued interest in the activities of our great Society.

We are pleased to report 100 per cent. membership in the Red Cross and splendid work has been done in the Red Cross rooms by members, some of whom have served as County Chairmen and Chairmen of Departments.

A creditable number of Liberty Bonds were taken by individual members and individual contributions to the United War Work fund were liberal.

Our quota to the various causes has been paid, a large box of jellies and preserves was sent to the nearest Red Cross canteen, a contribution was made to the Long Memorial Bed in France, the second year's support of our French war orphan has been forwarded and we gave another nice canning outfit as prize in Canning Club girls' fall exhibit.

All patriotic anniversaries have been celebrated with the exception of Georgia Day, an epidemic of influenza prohibiting an observance at that time.

We were glad to send to the State Chairman of Historic Postcards Committee for the Georgia Album photographs of the graves of two Revolutionary soldiers in the old church cemeteries of our town.

A memorial to our boys who gave their lives in their country's service is being discussed.

MATTHEY TALBOT CHAPTER, MONROE.

Mrs. Ed. A. Caldwell, Regent.

The heart of every true American can but swell with pride when he reviews the events of the past year. Just one year

ago we had our War Conference at Athens and it was the darkest period of the entire war for America and her Allies. General Haig, with back against the wall, and it seemed that nothing short of a miracle could save General Foch from the same perilous position, and this miracle came when General Pershing asked and obtained permission to put his brave troops, as an American army, against the foe. Then so quickly and so suddenly was the aspect of the whole battlefield changed it was positively bewildering. As the musing organist sweeps the keys, each one responds instantly to the master's touch, sometimes in minor note of wailing, sometimes in tones of exultation and victory, so each Daughter of the American Revolution responded to her country's call, whether it meant the agony of separation and the probability of the supreme sacrifice for loved ones or the simplest task or most menial service. But we have just cause to be proud of the work accomplished in helping to win this marvelous victory by the D. A. R. all over the land, but more especially are we proud of the war work record and fine spirit exhibited by our own Daughters of the Matthew Talbot Chapter. Our community was not exempt from the scourge of influenza which swept the country and on account of the ban placed on all gatherings our work was greatly retarded last autumn (1918); also this past winter (1919). Following, however, is a report accomplished by our Chapter since our last State Convention in Athens, last April:

Contributed to Third Liberty Bond by individual members, \$1,500.00; sold by members Third Liberty Bond, \$2,500.00; contributed by Chapter to \$100,000.00 Bond by National Society, \$30.00; contributed to Meadow Garden, \$5.00; for Dr. Long Bed, \$5.00; for rebuilding the village of Tilloloy, \$5.00; for rechristening France, \$2.10; for Emily Park Library, \$1.00; for Fourth Liberty Loan by individual members, \$1,850.00; bought by Chapter one Liberty Bond, \$50.00; for the Red Cross we have knitted twenty-seven sweaters, 115 pairs of socks, six helmets, three pairs wristlets, have made twenty-seven children's dresses, ten chemise, four convalescent robes, six pairs of pants, fifteen pairs of pajamas, thirty-six hospital and ward bags, 113 hospital bandages and pads; contributed by our Chapter, 336 garments for Belgian refugees; for our soldiers, seventy-five pairs of socks, two trench caps, 121 magazines, twenty-seven books, six 3-pound boxes of candy and \$40.00 in cash; also sent Christmas and Easter cards and valentines to our boys "Over There;" also a lovely knitted slumber robe to Fort McPherson.

We celebrated last Fourth of July in co-operation with the Woman's Club at a public open air meeting in our city park by giving a two and a half dollar gold piece to the successful high school contestant writing the best essay on the subject, "The Principles for Which Our Government Stands." This year, in accordance with instructions from our State Committee, we are offering another gold piece for the best essay on "What My District Did to Help Win the War." We celebrated Washington's Birthday and Georgia Day jointly, using the

program prepared by the State Chairman Program Committee. We have located the graves of two Revolutionary soldiers and will soon order marks for them.

We have a famous historic spot in our county which we hope to mark with an appropriate boulder before the close of this year. We also have in process of construction a beautiful flag which will contain a blue star for each of the five hundred men, both enlisted and drafted, who went from Walton County to the war. These stars will be placed upon the flag in the form of our D. A. R. insignia, the gold and silver stars for our dead and wounded to form the center. When completed this will be presented to the county and hung in a conspicuous place in our County courthouse.

We have had the paper accepted of four new members this year and the papers of six others, we feel sure will be accepted, have been sent up for approval, making in all ten new members.

Now that the war is over and we are entering upon the strenuous work of reconstruction, let us not relax our efforts, but be just as alert and diligent in seeking to rebuild as we were in helping to save the world from autoocracy, for it is a truth the wide world over:

"Who blesses others in her daily deeds
Will find the healing that her spirit needs,
For every flower in another's pathway strewn
Confers its fragrant beauty on our own."

ARCHIBALD BULLOCH CHAPTER, MONTEZUMA.

Mrs. George Chastain, Regent.

The Archibald Bulloch Chapter sends greetings to the Chapters in Conference assembled. We have held regular monthly meetings at the homes of the members, where we have had interesting programs, followed by a delightful social hour in which refreshments were served.

At the first meeting of the year, in September, we arranged a very full study of the war, which we have tried to carry out. During the epidemic of influenza in the fall we had a rather poor start, but we are now trying to make up for that. We have co-operated with the Red Cross organization in every particular. One of our members had charge of the Red Cross rooms and work and another was Chairman of Liberty Loan.

At our meeting in January we enjoyed a very interesting talk from one of our boys who had just returned from France.

We have two new members who have just received transfers from other Chapters and three other members in prospect.

We sent in last fall our Chapter's quota of \$1.00 per member to the \$100,000.00 D. A. R. Liberty Loan fund.

We have offered a prize to the high school for the best essay. Owing to the size of our Chapter, we have not accomplished as much as we could have wished, but with the addition of new members we hope to be able to accomplish much more in the coming year.

NANCY HART CHAPTER, MILLEDGEVILLE.

Mrs. H. D. Allen, Regent.

The year 1918-1919 has been a memorable one in the annals of the Nancy Hart Chapter, D. A. R.

Enthusiastic interest has characterized all our monthly meetings and also the patriotic celebrations which our Chapter has observed. These were a patriotic party for children on the Fourth of July, LaFayette Day, Georgia Day, Sidney Lanier Day, Frank Staunton Day, Uncle Remus Day and a parade for the Fourth Liberty Loan.

Our Regent, Mrs. H. D. Allen, was Chairman of the United War Work Relief, and a member of Baldwin County's committee on the Fourth Liberty Loan. She will serve on the Committee for the Victory Loan also.

In the Fourth Liberty Loan the Daughters bought individually \$9,500.00 worth of bonds and they sold \$12,150.00 worth of bonds.

Our Chapter was glad to work as auxiliary to the Red Cross. A D. A. R. member gave the work room to the Red Cross.

Our Vice Regent, Mrs. John W. Hutchinson, is one of the supervisors of supplies for the Red Cross and wears a badge for 1,600 hours of service. One member, Miss Leila Lamar, wears a badge for 800 hours of service. Two members, Mesdames H. D. Allen and Julius A. Horne, wear badges for 400 hours of service.

Our Chapter has knitted twenty-five pairs of stockings, thirty-five sweaters, eleven shawls and has made 200 garments for Belgian relief and French refugees.

We contributed 50 cents per member for the resoration of Tilloloy, in France.

We support two French war orphans. Two individual members support a French war orphan each.

We have contributed

To the support of Meadow Garden.....	\$ 3.00
To the endowment of the Crawford W. Long Bed in the American Hospital in France.....	3.00
To the Y. M. C. A.....	2.50
To the Red Cross.....	20.00
To United War Work.....	25.00
To Salvation Army.....	20.00
To Knights of Columbus.....	10.00
To Jewish Relief.....	10.00
To Red Cross Roll Call (securing names for it).....	155
To Million-dollar Book Fund for soldiers.....	2.50
To French Poultry Farm.....	5.00

We have offered two prizes, consisting of two \$2.50 gold pieces to the school boy and to the school girl of Baldwin County who will write the best essay on "The Part That France Played in the American Revolution."

We gave 300 volumes to the American Library Association for soldiers.

We sent 100 glasses of jelly to the sick soldiers at Fort Screven.

Our Chapter was vitally connected with the world war, as we had six mothers, nine sons and one grandson in it.

Our Chapter gave the volume, "A History of the World War," by Gen. Peyton C. March, as a prize to the Community Club in Baldwin County, which on Georgia Day made the most complete list of soldiers in the world war from their school district.

Our Chapter has cleared away the undergrowth from an old family cemetery which contains the remains of a Revolutionary soldier, John Howard. We hope in time to restore it entirely.

In July, 1918, the Georgia Legislature passed a bill giving to the Nancy Hart Chapter, D. A. R., a deed to five acres of land containing old Fort Wilkinson, which historic place our Chapter had already marked. A roadway to this spot was given to us also. It is our intention to make of it a beautiful park.

Our greatest work this year was the purchasing of a Y. M. C. A. Hut at Camp Wheeler and on Georgia Day presenting it to the Georgia Military College in our town. When complete it will cost \$2,100.00, and we have on hand \$700.00. Since fire destroyed the barracks, the need of such a building has been great. This Y. M. C. A. Hut will be reproduced exactly and will have installed in it the same lighting and heating systems.

The Nancy Hart Chapter, D. A. R., has thirty-seven members, having lost one by death, viz: Mrs. Scott Whitaker Shanklin.

SARAH DICKINSON CHAPTER, NEWNAN.

Mrs. W. C. McBride, Regent.

Our Chapter has been very active in all war work, especially Red Cross and all drives for relief of all kinds.

Our former Regent, Mrs. R. H. Hardaway, Regent from the time of organization until her home-going on December 11, 1918, was ever patriotic, reflecting the patriotism she showed in the years of our Civil War. Then a young woman, in her teens, during this war a great-grandmother. She fashioned with her own hands twenty-five wash cloths, wrapped each around a testament and sent them to her young friends in the service. She had two grandsons in the service, Lieut. Robert Strickland, the first young man to volunteer from our town, who, though so long in the service, was never permitted to go to France; Corpl. William C. McBride, the other grandson, saw service in France, was slightly wounded, and the dear grandmother passed away before he returned to his native county, in March of this year. This "Mother in Israel" was a grand, good woman—using her many gifts and talents for her Master's cause.

GEN. DANIEL STEWART CHAPTER, PERRY.

Mrs. Lee Minor Paul, Regent.

An eventful year in the Gen. Daniel Stewart Chapter has just closed. A year of anxiety, of sacrifice, of conserving and giving. We have been summoned to glorious tasks, to riches, privileges and womans' powers of seeing things clearly and thinking straight has been put to a test, and been greatly enlarged. This year, however, has been an interesting, as well as a busy one. Large attendance and much interest marked the regular meetings and the instructive, as well as interesting, programs of the year book committee were carried out.

In accordance with the request of our Honored State Regent, the Chapter held summer meetings, at which patriotism was the keynote of our deliberations. The Chapter membership at present numbers twenty-six, two having been added since last Conference (were received since per capita pledges were paid), and four papers are in the course of preparation for future members.

On George Washington's birthday the Chapter presented to the Perry High School a 6 by 10 American flag, the school children rendering a fine program in honor of the occasion, while the presentation address was delivered by the Regent. The little daughters of the past and present Regents pulled the cords that set Old Glory afloat. The Revolutionary reader has been offered by the Regent to the student of the Perry High School making the best and highest grade in American History. A scholarship has been voted by the Chapter to a most worthy little girl for the next year. The history of Houston County has been completed, and a manuscript copy sent to the State Historian. Our chief historical work this year has been the compilation of a lineage book. It is intended to cover the history of the Chapter, reports from all Regents, lineage of each Chapter member, a record of the services of two D. A. R. sons rendered during the war, and a sketch of Gen. Daniel Stewart's life.

At each one of our monthly meetings the past year our Chapter sang prayerfully that little song, "God Save Our Noble Men, Send Them Home Safe Again," but after the signing of the ar-

mistice the Regent arranged the words of this little song into one of praise, reading thus:

Thank God! our noble men
Will soon be home again;
Praise to Thy name!
They were victorious,
Through Thy great love for us;
Great was the victory,
Praise to Thy name.

When couriers tore down the road
And shouted "It's over boys!"
Praise to Thy name!
These words "It's over boys!"
Changed grim men into laughing boys;
Thank God! for the joyful news;
Praise to Thy name!

We have endeavored to keep up, as far as possible, the objects for which our Society stands.

HAWTHORNE TRAIL CHAPTER, PELHAM.

Mrs. W. C. Twitty, Regent.

The idea of the Hawthorne Trail Chapter, Daughters of the American Revolution, was conceived by Mrs. J. C. Parker dur-

ing her Regency, and Mrs. W. C. Twitty of Pelham was appointed Organizing Regent very soon thereafter. After a little over two years the Chapter was organized February 9, 1918, with only twelve members, only seven of these reside in Pelham. It was the "baby Chapter" when Mrs. Howard McCall's term as Regent of Georgia expired and to her is due the organization.

After organization, the members felt that they were so new in the work that they had much to learn before they could "walk," so held no meetings up to the time of the Victory Conference in Albany, April, 1919.

The members were all most active Red Cross workers, one having been decorated for 1,600 hours' work. They all contributed to W. S. S., all Liberty Loans and every patriotic call. The Chapter has paid all dues and pro rata pledge to the D. A. R. Liberty Loan and Tilloloy. After the Conference in Athens, Miss Annette Bradford was appointed to represent our Chapter in the patriotic song work in the schools of our County and she was very successful in her efforts.

Our members subscribed more than \$52,250.00 to the Liberty Loans. Five sons of three mothers, also one grandson, represented our Chapter's contribution to the army our country raised to defend the world from tyranny. We gave more than forty books to the drive for camp libraries and all donated to the Belgian relief work. One Victrola was given by one of our members, and another supports a French orphan.

Since sending in our dues two new members have been added to our list. We are very proud of our name, as we are the only Chapter in Georgia that is named for an old trail.

We hope soon to publish a county history and let everyone know just what the Hawthorne Trail and the noble men born along this section of country have meant to the world in both the late war and the War Between the States.

HANNAH CLARKE CHAPTER, QUITMAN.

Mrs. J. R. McMichael, Regent.

Hannah Clarke Chapter has held meetings each month during the past year, enthusiastic meetings having been held all through the summer months in order to carry on our War Relief Work without a break. Interesting programs were arranged bearing on topics of current importance.

Five hundred and fifty-nine dollars and thirty-five cents were netted during the year from picture shows. Several entertainments had to be called off on account of the influenza ban. Twenty-four dollars and ninety cents were realized from the sale of old gold.

The Chapter made a small contribution to Meadow Garden; gave \$10.00 to the Crawford W. Long Memorial Bed.

To the Red Cross we contributed \$150.00 in cash and made fifty refugee garments, six suits of pajamas, thirteen sweaters and six pairs of socks for boxes sent from the work rooms. A number of members have worked making surgical dressings

and there are four County and Departmental Chairmen of the Red Cross who are members of our Chapter. About ninety glasses of jelly and a box containing at least 300 tea cakes have been sent to the hospital at Fort McPherson. We also fitted up one ward of thirty-five beds with comfort bags containing toilet articles. During the book campaign 188 volumes were collected and sent off.

Through the Committee for Devastated France we have contributed 176 garments, twelve quilts and fourteen baby caps, crocheted from remnants of wool; also \$26.00 for Christmas stockings and \$25.00 to the poultry fund.

The Chapter donated \$110.00 during the year to the War Relief Committee for the purchase of wool and from this thirty-eight sweaters, seventy-two pairs of socks and six helmets were knitted and sent off. We also made and gave away six kid vests to boys in the aviation department.

Fifty dollars were contributed by the Chapter to the Y. M. C. A. drive and \$115.00 by subscription to the United War Work Campaign.

We have paid our full quota to the Tillooy and Liberty Loan funds.

Flag Day was observed by the sale of flags. Not having ordered a sufficient number of flags, only \$4.10 were netted. This was sent to the Martha Berry School.

Six war orphans are being supported through the Hannah Clarke Chapter.

February 22 our Chapter presented a County service flag containing 951 stars, twenty-four of these gold, to the County. The presentation took place at the courthouse with very beautiful and touching exercises. We have eight war mothers in our Chapter, representing twelve sons. One gold star in the flag is for the husband of one of our members. With the flag we presented two framed rolls of honor, one bearing the names of the white and one of the colored soldiers in the army from our County. These rolls are very accurate and required a great deal of work.

Ten new members have been added to our Chapter this year and one having died, Mrs. M. H. Boyd, leaves a total membership of fifty-five.

NOBLE WIMBERLY JONES CHAPTER, SHELLMAN.

Mrs. W. R. Terry, Regent.

The Noble Wimberly Jones Chapter of the D. A. R.'s work for the past year has been specifically war work. We have participated in all patriotic parades and, as suggested by the National Society of D. A. R., all of our work has been done in connection with and through the Red Cross.

We have eighteen members, one paper ready to send to Washington. Amount of money taken in during the year \$42.27. We have assisted in collecting and packing 1,749 pounds of clothing for the Belgians. Our members have been zealous in

all Red Cross work, such as knitting, sewing, surgical dressings, etc. No record of work done by individuals was kept. One of our members is Vice Chairman of the Red Cross Chapter of our town and one served faithfully as Secretary. Three served on the Executive Board of the Red Cross and one acted as Supervisor of Hospital Supplies. Two members have done efficient work in Liberty Loan campaigns and Red Cross drives.

Twenty-five hundred dollars' worth of Liberty Bonds have been bought by members of this Chapter. War Savings Stamps purchased by members, \$2,200.00 worth. Seven French orphans are cared for by our members. One layette was sent to France through the Red Cross. Five dollars were contributed to Martha Berry School.

We have on hand \$26.27, which will be used in reconstruction and educational work.

GOV. JARED IRWIN CHAPTER, SANDERSVILLE.

Mrs. Dan C. Harris, Regent.

Our Chapter has sixteen members, each an active member of the Red Cross. They have sewed, knitted and made surgical dressings, sold Thrift Stamps, War Savings Stamps and worked in each Liberty Loan drive. Twelve members purchased bonds. Through the weeks of summer's heat and winter's cold have given time and money in unstinted service for humanity. Books and magazines were sent to nearby camps; one box of jelly and preserves were sent to the hospital at Camp Wheeler.

Georgia Day was fittingly observed, the teachers of our school assisting in this work. Patriotic songs are used in all our schools.

Our Historian is enthusiastically working on a history of the County. Washington is rich in incidents of Revolutionary days.

The Chapter has contributed to the Berry School and to Meadow Garden; also sent \$18.00 for Liberty Loan; \$5.00 to Tilloloy fund; \$10.50 to chicken fund; also gave to Y. M. C. A. and Belgian relief. All are interested in the French orphan adopted by Mrs. W. L. Williams.

The epidemic of influenza prevented our regular meetings, but the work has gone on uninterruptedly.

Report read by Delegate, Mrs. I. W. Newman.

JOHN CLARKE CHAPTER, SOCIAL CIRCLE.

Mrs. R. P. Sweeny, Regent.

During this year of great activities and great achievements, we have not been behind in contributing to both. The Daughters of our Chapter have proven themselves worthy of their inheritance.

We have given our sons, of our means and of ourselves, and it is indeed a proud and happy privilege to report a year filled with work, enthusiasm and harmony.

Our membership has shown a marked increase, and our members have measured up to their responsibilities, standing firmly for the best good and uplift of our nation.

War work has claimed our attention. The larger portion of our accomplishments has been in co-operation with the Red Cross, as most of our members belong to that organization, and in number occupy responsible positions. And all that we have done cannot accurately be reflected in our report sent to our State Regent on this work.

We realize how important it is to begin in youthtime to inculcate high ideals that the child might become the perfect citizen in his community. We therefore again offered a medal to the pupil making the highest average in American history in the seventh grade. The medal last year was won by Mary Kate Gresham.

In Historic Research we have been active and the result is a small history of Walton County. We hope to add new pages the coming year.

To lighten our meetings by a little "feast of reason and flow of soul," all patriotic days have been appropriately observed. The most delightful one was Georgia Day, when we were hostess to the U. D. C. Chapter. A lovely program, harmonious music and delightful refreshments made it indeed a memorable occasion.

Our monthly meetings have been unusually interesting and instructive, following in outline the State Historical Program. We issued a very attractive year book. Besides the regular programs, it contained programs for all patriotic days.

Our members, as individuals, have purchased largely of Liberty Bonds and War Savings Stamps and have given liberally to various patriotic and philanthropic objects.

We have located two Revolutionary soldiers' graves, Joseph Herndon and Young Gill, and have made application for markers.

We have placed the Constitution of the United States in all public places in our town.

While we are a new Chapter, hardly two years old, we have twenty-nine members, besides two which were lost by transfer.

Two of our members are teachers in our public school, and have seen that patriotic songs are sung and patriotic days observed.

We have six subscribers to the D. A. R. Magazine.

Several boxes of magazines have been sent to our camps and a committee of ladies also distributed magazines to our troop trains passing through. Two scrap books have been sent to Fort McPherson.

We have two war mothers and three sons represented and are thankful there are no gold stars to report.

The work of the Chapter for the past year includes:

Dr. Long Memorial Bed.....	\$ 3.00
Georgia's shelf of books at Memorial Continental Hall.....	1.00
School medal	3.25
Georgia D. A. R. Educational Loan Fund.....	10.00
Rabun Gap Mountain School.....	15.00
Amount given to N. S. D. A. R. Liberty Loan.....	9.00
Constitutions of the United States.....	.75
73 glasses of jelly sent to Fort McPherson, valued.....	9.00
Linen given to Red Cross Chapter, valued.....	17.50
Clothing given by members for Belgian relief, valued....	60.00
One knitted wool comfort, given to Red Cross, valued....	20.00
Christmas boxes sent overseas, valued.....	40.00
Added to Tilloloy Fund.....	3.50
Support of one French orphan.....	36.50

Contributions by members to Red Cross Drive.....	175.00
Contributions by members to United War Work Cam- paign	150.00

Total value of gifts by and through the Chapter..... \$613.10

There is a fine spirit in our organization which has led to these worthwhile results, and I am sure, in the years to come, we shall look back on the "war times" with a sense of pride and satisfaction that the Social Circle Daughters were able to do their part.

LACHLAN McINTOSH CHAPTER, SAVANNAH.

Mrs. Harvey Granger, Regent.

We have just closed a year of patriotic work, all giving our best efforts and working in harmony for the one great cause. It has been a very anxious year, our country having emerged victoriously from the greatest crisis the world has ever known, and toward this end we have tried to do our bit.

Our room in the Georgia State Building has been kept open during the past year. We made 850 hospital garments, 4,943 surgical dressings, a number of bags for the front line packets and several hundred applicators, besides our members lending a helping hand to various other organizations. During the Red Cross rush order for the front line packets some of the members assisted greatly in making tampons, giving liberally of their time, feeling the importance of this work.

Many of our members were active in the canteen service of the Red Cross.

We have acted as chaperons for two dances for the soldiers and sailors under the auspices of the Federation.

In the Third Liberty Loan drive we sold \$57,150.00 of that issue.

A committee from the Chapter assisted the Red Cross in the annual membership drive.

At our January meeting the Chapter endorsed the resolutions by the Committee on the Protection of Women Under International Law, forwarding them extracts of minutes of said meeting.

The Les Aides Club has been organized and is under the direction of one of our members. This club consists of a group of young girls, mostly daughters of the members of the Lachlan McIntosh Chapter, and the amount of work they have accomplished since their organization several months ago is truly remarkable. Their work consists of making and sending garments, comforts and toys to the children of Belgium. They have already completed and shipped to Belgium 549 children's garments, twelve bed quilts, and 200 toys, consisting of books and doll babies. All of these dolls were beautifully dressed by the members of the club, and the work is being continued with the deepest interest on the part of the young members.

Under the auspices of the Chapter we gave a most successful illustrated musical, opening with an address by Mrs. S. B. C. Morgan, telling of the great war work of our D. A. R., the proceeds from this entertainment being immediately used for war relief work.

"Oh Lord, we ask not
That we may retain,
But give to us
That we may give again."

Our contributions have been as follows:

We sent fifteen scrap books to Lieutenant Harlow of the battleship Nicholas.

We served lunches and dinner to the registrars on Registration Day.

To the Marine Hospital, Savannah, we sent 200 glasses of jelly and two coops of chickens.

We made a donation of \$25.00 to the fund for the memorial bed to Dr. Crawford W. Long, the world's benefactor as the discoverer of anesthesia.

A contribution to the Red Cross linen shower for hospital use.

A contribution to purchase books for the Georgia shelf in the library in Continental Hall.

We contributed \$57.00 to the D. A. R. Liberty Bond purchase.

Twenty-five dollars to the rebuilding of Tilloloy.

Through the Chapter, about \$20.00 for rechickenizing France. To Meadow Garden, \$10.00.

We are now planning to place in the very near future a bronze table on the historic old house of Lachlan McIntosh, which is located on Oglethorpe Avenue.

During the Centennial Celebration of the sailing of the "City of Savannah" from our historic port, we expect to have on exhibition many interesting Revolutionary relics, among them

a tablecloth of Gen. Lachlan McIntosh, on which his wedding supper was served.

During the year we held ten regular and four call meetings.

SAVANNAH CHAPTER, SAVANNAH.

Mrs. W. A. Winburn, Regent.

Savannah Chapter sends greetings and is happy to make its report for the past year. Our meetings have been fewer and somewhat irregular, because of the influenza ban in our city, which forbade gatherings of any nature, but our members have been most active and enthusiastic. Our work has been very efficient and we feel that much has been accomplished.

We have held patriotic meetings on Georgia Day and Flag Day and we attended in a body a patriotic service on July 4th held in Christ Church in commemoration of Independence Day.

We have added six new members to our Chapter and transferred three. The ladies have worked faithfully in Red Cross activities and Liberty Loans; in fact, in everything of moment in our city which needed workers. The Chapter owns one Liberty Bond of the first issue and two of the third issue, while the Daughters, individually, bought thousands of dollars of the bonds.

Two hundred and seventy-four pairs of shoes were presented by the Chapter for the French-Belgian refugees. We have contributed to the following:

Crawford W. Long Memorial Bed (France)-----	\$25.00
Restoration of Tilloloy-----	50.00
Annual donation to Meadow Garden-----	5.00
Berry School Scholarship-----	50.00
Chicken farm (France)-----	42.00

One of our generous members contributed personally \$32.50 to the navy recreation fund. French war orphan adopted, \$36.50.

Several dozen glasses of jelly were sent to the Base Hospital at Camp Wheeler.

Six dozen glasses of jelly were sent to the Marine Hospital in Savannah.

Our Chapter has sent on to Washington five pictures, showing our memorial arch erected at the entrance to Colonial Cemetery, one of our Chapter war mothers, and one of Red Cross workers in uniform, and one showing bronze tablet placed by our Chapter on Gen. Nathaniel Greene's monument, when his remains were re-interred under the monument.

We made and sold last year 600 knitting bags and from the scraps which were left some of our members made two splendid quilts and presented them, from the Chapter, to the Community Service Club in Savannah for use in its dormitories.

We are now perfecting plans for an entertainment by which to make sufficient money to finance our proposed memorial to

our boys, the mounting of two brass cannon which were given us. At Christmastide we sent a splendid box containing appropriate gifts and money to our adopted war orphan.

A very beautiful service flag was made and presented to Savannah Chapter by two of its valued members, Mrs. James S. Wood and Mrs. Augusta Wood DuBose, in honor of the sons and husbands of the members in the service of our country, each star bearing upon its back the hero's name. We have eighteen war mothers and twenty-five sons. One gold star on the flag is a memorial to Lieut. Beverly D. Evans, who made the supreme sacrifice. Rest and peace to his soul.

The above report was read by Mrs. Wilbur M. Coney, Delegate from the Savannah Chapter.

GOV. EDWARD TELFAIR CHAPTER, THOMASTON.

Mrs. W. L. Jenkins, Regent.

Since making our last report we have added to our roll one new name, and two papers pending, making a membership of twenty, six of whom are non-resident.

It is with regret we will not be represented at Conference this year.

Our efforts during the year have been mainly co-operative with all Red Cross activities, but we have not neglected other duties.

Six of our members have been Chairmen of Red Cross departments.

The Chapter meets regularly each month at the homes of the members and has used historical programs prepared by State Chairman. We did away with refreshments during most of the year and when served were in keeping with conservation regulations.

We held meetings also in July and August. Our boys were at the front struggling to gain freedom for the world; why should we sit with folded hands at such a time? Each one of our members has composed a united conservation committee in our homes.

One feature of raising funds for war work was a monthly volunteer offering, which netted quite a nice sum.

Sent war records of four sons represented by mothers in Chapter to State Chairman.

Seventy-three hospital garments made; twenty-five garments sent to French refugees through Red Cross; sixty glasses of jelly sent to hospital at Fort McPherson; thirty books and numbers of magazines sent to Fort McPherson.

Chapter bought one \$50.00 bond. Individual members bought bonds amounting to \$1,876.50 and War Savings Stamps to the amount of \$880.00.

Five pieces of bed linen given to Red Cross.

Amount given to Crawford W. Long Memorial Bed-----	\$ 3.00
Amount given Red Cross-----	5.00
Amount for restoration of Tilloloy-----	6.50

Amount given to reickenize France.....	3.75
Amount to Liberty Loan.....	15.00
Amount to Berry School.....	2.50

One of our members gave a card and Thrift Stamps to each of her thirty pupils in sixth grade; amount, \$7.50.

A prize of \$2.50 gold piece given pupil in sixth grade at R. E. Lee Institute for making the highest average in United States history. Won by Stanley McNiece. All our members worked faithfully in Red Cross room making surgical dressings and many took garments home with them to make.

Sent floral offering to our Vice Regent on the death of her husband. Had our Charter and picture of Memorial Continental Hall framed and these with a picture of our great President, Woodrow Wilson, adorn the wall of rest room at courthouse. This room is cared for by two members each month, made clean and attractive with magazines. Miss Clifford Speight of R. E. Lee Institute donated a flag for the room and curtains, lineoleum and screens for the door and window were donated by the County Commissioners through the efforts of Chapter members in presenting the need to Clerk of Commissioners, Col. M. H. Sandwich, who kindly recommended it.

Flag Day, Georgia Day and Independence Day were fittingly observed, the last in Rest Room. An interesting feature of the program was the Chapter presenting a service flag to the mothers in Chapter whose sons were in the army and navy, the flag bearing four stars.

Benevolent Committee has kept busy all year visiting and ministering to the sick and shut-in of community.

Each member feels that the great war has given her an opportunity to live more for others and we hope to take for our motto for the coming year, "Service."

MAJ. GEN. SAMUEL ELBERT CHAPTER, TENNILLE.

Mrs. C. Buford Smith, Regent.

Since the last State Conference our Chapter, although handicapped on account of the influenza epidemic and other local causes, has held as many meetings as possible and has kept up its co-operation with Red Cross work and its contribution to different war relief activities.

We observed Flag Day, June 14, and Georgia Day, February 12. Both of these meetings were held at the home of the Regent and special programs appropriate to the occasion were rendered.

On Flag Day the U. D. C. united with the D. A. R. and special tributes were paid the Confederate flag, the Stars and Stripes and the service flag.

We sent the State Treasurer \$22.00, our quota of \$1.00 per member for the Liberty Loan fund, and \$12.00 (50 cents per member) for the Tilloloy fund; also donated \$1.00 to Meadow Garden.

Materials had been collected and work begun on an aviator's vest when the armistice was signed.

One of our most patriotic members, Miss Alice T. Smith, made and sent to the wounded soldiers at Camp Gordon a very interesting and unique scrap book for which she received a letter of thanks and congratulation.

Our war relief report showed that our Chapter members owned \$5,350.00 worth of Liberty Bonds and had sold \$50,000 worth and that one of our members alone, Mrs. J. C. Hamilton, Sr., had knitted sixty-five sweaters.

Seven of our members are Red Cross Chairmen and as Red Cross members we rank 100 per cent.

Our Chapter is growing—four new names having been added to our roll and application blanks applied for by several others.

Now that peace is almost assured, we hope to take up with renewed interest and enthusiasm the various lines of work which have been put aside for war relief measures and go forward with the great work of our organization.

JOHN HOUSTON CHAPTER, THOMASTON.

Mrs. J. F. Lewis, Regent.

The meetings of the John Houston Chapter were held monthly at the homes of the members. They were well attended and a fine spirit of loyalty and enthusiasm pervaded the meetings.

The Chapter lost two faithful and loyal members, Mrs. Juliette Harrison Castlen and Mrs. Gussie Logue Thompson. Mrs. Castlen was a charter member and our beloved Chaplain.

We continued the work of furnishing sweaters and comforts for our Upson County boys in the army and navy as long as we felt they were needed.

Our members have been faithful workers in the Red Cross Chapter; have made a large number of hospital garments, surgical dressings, knitted garments and comfort kits.

We observed Flag Day by presenting a service flag to our county. The exercises were held in the afternoon at 6 o'clock on the court house square. A beautiful program was given and a large crowd present.

In July the Chapter adopted a little French orphan. The Committee for the Fatherless Children of France reported at our last meeting that an increased interest was being manifested in the work.

Box of jelly and preserves for the hospital at Camp Wheeler; a donation to the book shower and 100 books and a quantity of magazines were sent to convalescent soldiers at Fort McPherson.

Have contributed to Crawford W. Long Memorial, Meadow Garden, Y. W. C. A., clothing for French and Belgian refugees and \$30.00 for Tilloloy.

Some valuable books have been added to our Chapter library and quite a number of books and magazines have been given to the school at Thomaston Cotton Mills.

Individual members of Chapter bought \$20,100.00 worth of Liberty Bonds and contributed \$330.00 to the Y. M. C. A.

Our Chairman on World War Records reports that we have thirteen war mothers in the Chapter, nineteen sons, thirteen sisters, fourteen brothers.

Several of the sons and brothers are in France and Germany.

Two sons have made the supreme sacrifice.

The records of these sons and brothers have been sent to our State Chairman, Mrs. Bullard.

We had 500 copies of questionnaires printed to send to the boys from Upson, or to their parents, asking for a detailed record of their service in the world war. These blanks are to be returned to our Historian, as we are hoping to get correct records for our County History.

We have a committee appointed to write letters to sick and wounded soldiers, also letters of sympathy to members of families who have lost dear ones in the service of their country.

Plans for a memorial for our Upson County boys have been suggested by our members and steps have been taken to get the people interested. Have had a public meeting and a committee appointed, but as yet no decision as to the form of the memorial.

We observed Georgia Day, LaFayette and Columbus Days.

The various committees of the Chapter have been faithful and energetic in their work. We have a pupil in R. E. Lee Institute. Made one vest for aviator and contributed liberally to Red Cross fund.

THE GEN. JAMES JACKSON CHAPTER, VALDOSTA.

Mrs. D. B. Small, Regent.

We have gained five new members this year, making a membership of sixty-seven, and nine others, whose names have been accepted by the Chapter, are working on their papers. Fourteen of our members live away from Valdosta, and the average attendance at the meetings this year has been fifteen.

The former Regent, before going out of office, had important amendments made to the by-laws, to suit the growing needs of the Chapter, thus making the work much easier for the present Regent.

Flag Day and Georgia Day were observed with appropriate programs at the homes of members. It was voted by the Chapter to give an entertainment to make money on Washington's birthday, and on February 24 we presented Skovgaard, the Danish violinist, supported by the New York Metropolitan Co., in a concert, from which we cleared \$61.60.

In the fall we built a parcels checking booth at the Fair Grounds, for which the materials were contributed by various business firms; the cost of building, with a few sundries that had to be bought, was \$78.45. Owing to bad weather and the

"flu" situation, our receipts from the booth were only \$22.45, leaving us with a debt of \$31.55. Since then, however, we have paid that debt, as well as our scholarship of \$75.00 to the South Georgia State Normal College, and we have sent \$5.00 to the fund for the Crawford W. Long Memorial Bed.

The jelly chairman has sent forty glasses of jelly to Mrs. Eve for Camp Hancock, and sixteen beautiful scrap books have been made by the members and sent by the scrap book chairman to Mrs. George M. Brown for use in the hospitals.

Beautiful designs, each consisting of a cross of red dahlias, were sent by the Chapter to the funerals of three Lowndes County soldier boys.

As a war-time economy, we dispensed with year books for this year, but we have held our regular monthly meetings, with the exception of December, when the "flu" ban was on.

The medal offered to the high school pupil who made the highest mark in American history was won by Henry Simms, and the Georgia history medal was awarded. The same offer has been made again this year, and the teachers report increased interest and enthusiasm in study of American history as a result.

The Historian, Mrs. George Feagle, is busy collecting material for a history of the Chapter, and is also getting copies of several unrecorded family histories to be placed on the Georgia shelf in Memorial Continental Hall.

Splendid work has been done by the Charity Officer, Mrs. A. R. Jackson, in co-operation with the City and County Charity Officers. At Christmas groceries and fruit were donated by the members and three families were supplied, besides fruit being given to numbers of poor children. Clothing has also been furnished for a family of poor children.

At our January meeting we had the pleasure of having with us our beloved Vice President General, Mrs. Shepard W. Foster, and she gave us a most inspiring talk on war work.

Our Chapter has been seriously handicapped this year by the serious illness of a number of the members, the most serious of which has been the continued illness of the Recording Secretary, Mrs. W. T. Parks. She has served us faithfully for a number of years, and has been sadly missed in the work.

The members have been active in all lines of war work and prominent in serving in all of the war campaigns.

The former Regent was City Chairman for the Third Liberty Loan and the Chapter took part in the parade. A \$50.00 bond was bought by the Chapter; \$11,315.00 in bonds were bought by D. A. R. members and \$37,800.00 in bonds were sold by them.

In the Fourth Liberty Loan the Regent was County Chairman for Lowndes County and \$19,300.00 was bought by members and \$9,750.00 were sold by them, making a total for the four Liberty Loans of \$33,755.00 bought by members and \$56,100.00 sold by members.

There are seven war mothers in the Chapter, representing nine sons, one of whom is represented now by a gold star, and

nineteen members reported relatives who were in the service, nine of whom were sons, five brothers, four nephews and two cousins.

Members reported \$6,665.00 invested in War Savings Stamps and nine assisted in W. S. S. campaign, seven as Captains.

One of our members is Chairman of Council of National Defense for Lowndes County, Chairman of Refugee Garments and General Supplies for the Red Cross, and also Chairman of Red Cross Nursing Committee and reports six members taking the course in home nursing. The Chairman Canteen Committee is a D. A. R. Other positions held by members are: Chairman of the Red Cross Executive Board, Chairman of the Membership Extension, Hospital Garment Chairman, and a member was Chairman for two Counties in War Work Campaign, and also acted as Secretary of Y. M. C. A. to obtain names of men in service, between 700 and 750 names being obtained. The Chapter will make every effort to get a correct list of volunteers, as well as registered men, for their County History.

Members reported \$325.00 given to War Work Campaign of 1918, and about 150 garments given to Red Cross in drive for Belgium.

Nineteen members were on Canteen Committee, one as Captain, one Assistant Commander and three on Motor Corps, and forty-nine members, all living in Valdosta, are Red Cross members.

Ten members have assisted through other organizations with the support of French orphans, and one member gave flowers to the Red Cross that sold for over \$100.00.

Six hundred and twenty dollars has been given by members to the Red Cross; seventeen garments knitted this year and 3,027 hours of work reported on surgical dressings.

The Treasurer's report shows \$346.13 received since she was appointed to the office, September 18, 1918; the State taxes have been paid; \$45.00 has been sent to Treasurer General and we now have on hand \$65.77.

KETTLE CREEK CHAPTER, WASHINGTON.

Mrs. P. T. Calloway, Regent.

Our esteemed Regent, Mrs. W. I. Jackson, resigned. The following officers were elected:

Regent, Mrs. P. T. Calloway; Vice Regent, Mrs. Sarah Dillard; Treasurer, Mrs. J. G. Wright; Secretary, Mrs. W. I. Jackson; Historian, Mrs. T. M. Green; Registrar, Mrs. Brownie B. Irvin.

Members, twenty-four; new members, 2.

The Kettle Creek D. A. R. co-operated with the Red Cross and were diligent workers. No slackers. Several of our D. A. R. have adopted French orphans, and all have contributed to good works. Our ambition this year is to get the Commissioners of Roads of Wilkes County to open a road to the old Kettle Creek battleground at War Hill. There our beloved Regent, Mrs. T. M. Green, was instrumental in purchasing fourteen acres. This battle was fought February 14, 1779. The

money in our treasury is for the purpose of marking War Hill. We hope to accomplish this and have Mrs. Green unveil the monument. This should interest many Daughters in Georgia who are descendants of real old Wilkes County Revolutionary heroes and whose names are on record in our court house.

It looks strange now to think of only 500 American soldiers, the number in this battle, accomplishing such momentous results, and turning the tide of war in favor of American independence.

We had the heroes then as now—notably, without the bands and banquets to welcome returning veterans, or the many worthy organizations to ameliorate suffering. The spirit and manhood remain the same. Always will. May the future grant it may never again be put to the test.

CHATTAHOOCHEE CHAPTER, WEST POINT.

Mrs. C. E. Melton, Regent.

Owing to the epidemic of influenza, and its consequent prohibition of all public gatherings, there were several months in which no meetings were held. After the epidemic subsided and public gatherings were again allowed, our meetings for several months were irregular and poorly attended, due to illness and death in many families of our members.

Despite these handicaps we endeavored to carry on our work with unabated interest and enthusiasm, and to make our first year as a D. A. R. Chapter a successful one.

The Chapter has grown since February, 1918, when we received our Charter, from nineteen to twenty-seven, with six papers in Washington at present.

In May a silver tea was given by the Chapter at the Riverside Club, from which \$42.00 was realized, which sum was sent to Mrs. Barnes on her Victrola fund for the hospital at Fort McPherson. Flowers have been sent to Fort McPherson twice and thirty-two glasses of jellies have also been sent.

Since last conference we have met the \$1.00 per capita pledge made by our representative at Athens to the \$100,000.00 National Bond and also paid \$1.00 per capita to the Fourth Liberty Loan and 50 cents per capita to Tilloloy. Five dollars were sent for the Crawford W. Long Memorial Bed.

The Chapter bought \$25.00 worth of W. S. S. in this drive. Every member of the Chattahoochee Chapter, D. A. R., is a member and a diligent worker in the Red Cross work rooms and knitting.

Five members completed the course in surgical dressing in May and acted as supervisors of this work in the work room.

Three D. A. R. members supervised sewing in the Red Cross work room.

The Chairman of the Fourth Liberty Loan drive was a D. A. R. D. A. R. members have served on committees on all the war work duties. Individual Daughters bought Liberty Bonds amounting to \$2,200.00 in the last two drives.

LYMAN HALL CHAPTER, WAYCROSS.

Mrs. E. D. Dimmock, Regent.

The Lyman Hall Chapter, D. A. R., sends greetings to the Conference of 1919, and regrets that the Delegates find it impossible to attend this year.

During most of the past year our hearts, minds and hands have been full of various forms of war work. The Chapter did not work as a Red Cross unit, but every member was an active worker, six having served as chairmen of various committees in Ware County. The meetings during the year were well attended. The D. A. R. calendar days were observed, always current events of these historic days were merged into the program.

Our Ware County service flag was among the first to be made in the State. We cherish a most sacred reverence and pride in it; nearly 1,000 stars adorn it, thirty-five gold ones among them. This flag has played a wonderful part in our little city's war work. In various campaigns it was carried and in parades, or when flying high in the breezes, it always brought tears and cheers from everyone.

It was the service flag that gave the inspiration for the history of Ware County men in service, which is being compiled by the Chapter. Forms for the history are now complete and actual work will begin at once. The chairmen of this history served as chairmen to collect the names of Ware County men for the victory arch, which, I understand, was the first of its kind in this State.

JONATHAN BRYAN CHAPTER, WAYCROSS.

Mrs. J. H. Redding, Regent.

The Jonathan Bryan Chapter regrets exceedingly not being represented at the Victory Conference, and the enjoyment of the hospitality of the beautiful city of Albany.

The members of the Chapter have been actively engaged the past year in the surgical department work with the Red Cross and with the Canteen Club; also with the Liberty Loan and Baby Bond drives as speakers and workers.

The wool used by our members was paid for by them, knitted and given to soldiers wherever needed, not through the Red Cross. Twenty thousand dollars' worth of Liberty Bonds were secured by the Chapter; 200 copies of the scrap book, "My Beloved Country," have been given to the Atlanta Carnegie Library to be distributed to the soldiers' libraries.

MEMORIAL RESOLUTIONS.

Mrs. William L. Percy, Chairman.

With genuine sorrow the Georgia Daughters of the American Revolution bow their heads in silence for those absent ones who will be with us no more.

It is fitting that we stop and turn aside from the routine work of this Conference to lay a garland fragrant with love and esteem as a tribute to their memory.

The shadows have gathered darkly around many of our Chapters, and the Georgia D. A. R. have been saddened by the passing of some of her strongest and best beloved Daughters, but

"Twill only be a sleep
When with song and dewy light
Morning blossoms out of night."

They have become a part of that divine harmony for which they were fitted and we have left to us—memories—as an inspiration to greater fields of endeavor.

Whereas, in recognition of our appreciation of these splendid women, be it

Resolved, by the State Conference of Georgia Daughters of the American Revolution, in Conference assembled, at Albany, April, 1919;

MRS. WILLIAM LEWIS PERCY, Chairman.
MRS. H. M. FRANKLIN.
MRS. A. R. FREYER.

In addition to the above report a beautiful resolution upon the death of Mrs. I. B. Hardaway from Sarah Dickinson Chapter was read.

Resolution upon the death of Mrs. I. B. Hardaway from the Sarah Dickinson Chapter, D. A.: R.

"One by one we miss the voices,
That we love so well to hear—
One by one their kindly faces
In the darkness disappear;
No one hears the door that opens
Through which they pass beyond recall
Soft as velvet leaves of roses,
One by one our loved ones fall."

Again the angel has put in her sickle to reap, and another one from our official ranks was found ready for harvest.

Sixteen years ago the Sarah Dickinson Chapter, D. A. R., was organized by Mrs. Isera Burch Hardaway.

A descendant of patriots, she gloried in the heroism of her forefathers of the Revolution and when her beloved ones fell in the War of Secession her spark of patriotism grew brighter, even when the Star of the Confederacy had sunk into eternal night, and the flag she loved was furled forever.

She loved her work, not only in the Chapter, but anything she undertook she did her best. Her versatile mind, her adaptability, her sense of duty and honor and her poise fitted her for any position she was elected to.

Charity, in deeds as well as words, was a characteristic. Her home was a mecca for the poor and needy. Even at the last Christmastide, after someone had placed sheaves of wheat upon her grave, the little birds, of whom she always had the sweetest consideration, found food. Her love and devotion in the home circle drew the family to her as the center, and she instilled a spirit of comradeship and unity that was often remarked upon by those who were privileged to see it.

Be it Resolved, Therefore;

(1) That as a leader she excelled, being a woman of wonderful mind, exceptional gifts and deep consecration; we, as a Chapter of the D. A. R., will miss her as Regent;

(2) That we realize, by every gift of heart a friend, by every gift of grace a spiritual force, for in the service as Regent she truly did her part;

(3) She was faithful in every relation she sustained in life, as wife, mother, sister and, above all, a Christian;

(4) We desire to express, as a Chapter of the D. A. R., to those bereft, sympathy and confident hope that God of all comfort, may bless and guide them "till the day dawns and the shadows flee away;"

(5) That a copy of these resolutions be recorded in the Minutes of the Chapter and published in the Newnan Herald.

Respectfully submitted,

MRS. LUTIE POWERS.

MRS. J. S. POWELL.

MRS. M. F. COLE.

MRS. J. RUSSEL WILKINSON.

RESOLUTION OF THANKS.

Mrs. Charles Akerman.

It is the orthodox element within me that impels me with a desire to know myself and to be able to give to others an intelligent reason for being at any given place at any given time.

This reason can best be given at this time by simply stating that to Madam State Regent's list of varied accomplishments, she has added intuition—it is through the use of this faculty that she reads me like a book. None the less, she has certainly entrusted to one this great honor of expressing appreciation

who is sensible in the highest degree of every courtesy extended—just how deeply sensible may best be realized by going with me back across a good many days, years, perhaps, when I was the tomboy down on the farm.

The mellowness of a perfect day in crisp October had gathered around my father's hospitable board many guests, for the latch string there is ever on the outside. The festival of hog killing had been celebrated—sausage was the delectable dish for which I had long and mutely waited while grown folks talked and laughed and servants tiptoed back and forth. As last my time came, my plate was being handed up; at the same time my wishes and my deep appreciation were being voiced in this way: "Papa, I thank you for some sausage, if you please, sir." From this we can but conclude that what I have said in regard to the depth of appreciative feeling within me is true, if, perchance, it is not always gracefully made audible or evident.

There is one thing full well I know, and that is that I am most happy in being present with you in Albany at the Victory D. A. R. Conference of 1919. A Daughter of the American Revolution so knows the characteristic impulse of every other Daughter that I stand before you in testimony that they are moved with me in like manner and degree.

There is an emanation from the heart in genuine hospitality which cannot be described but is immediately felt and puts the stranger at once at his ease. Truly these good people at Albany have learned that "The small courtesies sweeten life; the large ones ennoble it." Her people are adepts in the art of breaking through the chill of ceremony and selfishness and thawing every heart into a glow. So perfect is her hospitality, so thoughtful and delicate her courtesies, one can but believe she has well implanted into the warp and woof of her fibre the simple and sublime line of Emerson: "Life is not so short but that there is always time for courtesy," or perhaps she enjoys with Goethe the fundamental: "Do the duty that lies nearest to thee;" or believes with Carlyle: "Men do less than they ought unless they do all that they can;" or, again, with Bacon: "When the soul resolves to perform every duty, it is conscious of the presence of God," and with Brydges: "Duty by habit is to pleasure turned." Any one or all of these thoughts take possession of our minds when we review the pleasures of the past few days, for Albany, through her gifted mayor, Mr. M. W. Tift, has thrown wide her three sets of doors—the doors of her beautiful city, the doors of her comfortable and convenient auditorium, the doors of the hearts and homes of her splendid people, and we, the Daughters of the American Revolution, have come and are having "a mighty good time." For this, we thank you.

To our sisters of Thronateeska Chapter, Mrs. John Randolph Whitehead, Regent; her officers, chairman and members, we extend warm esteem and loving appreciation. With their loyalty, vision and lofty ideals, we have been lastingly impressed.

Words and deeds have tapped their heart-wells and we find the flow as bold and beautiful as that of your native Blue Spring. The reception Wednesday evening in the elegant home of Mrs. Jones, tendered by Madam Regent, Mrs. John R. Whitehead; Honorary Regent, Mrs. Jessie W. Walters, and ex-Regent, Mrs. Sidney Jones; the luncheon of Thursday by "Thronateeska" and as well, the Thronateeska "good-bye reception" in the exquisite home of Mrs. W. W. Pace affirm my utterances.

Sincere hospitality and greetings we have received from the Woman's Club, the United Daughters of the Confederacy and the Woman's Christian Temperance Union. The remembrance of the exquisite luncheon, the compliment of the Woman's Club and the delightful tea given by the U. D. C. shall not soon fade from us.

We found pleasure in the happy and appropriate words of Mrs. John M. Slaton responding to your hearty welcome. We are grateful to the ministers who have been with us in body and in spirit, to the musicians—their selections have been superb, especially Mrs. Pullen and Mr. Dunwoody, who have given so much of themselves to us. The cordiality and service of the press has been gratifying. The sweet young pages have striven excellently in serving us. We would thank Mrs. W. C. Davis for having us know these distinguished guests. From the guests themselves, we have derived pleasure, profit and good cheer. For the beautiful drives, the pleasure of visiting the Country Club, we are happy. To Mrs. William E. Smith and the Credential Committee, who have given us "the pillow of ease," we are grateful. Mrs. Sidney Jones gave us a charming acquaintance in Mr. McIntosh, in whose lecture and relies we revelled. We would thank Mrs. W. L. Percy for the reverence expressed in her fitting memorials of our departed sisters of the Daughters of the American Revolution. To our beloved Mrs. Sheppard Foster, Vice President General, and to our beloved Mrs. Howard McCall, ex-State Regent of Georgia, and Mrs. William Lawson Peel, Honorary State Regent, we extend assurances of great pleasure at their presence with us. The presence of Mrs. Z. I. Fitzpatrick, ex-President, Georgia Federation of Clubs, State Chairman Woman's Liberty Loan Committee of Georgia, has been a pleasure and inspiration to this body whose distinguished guest she is.

We would have the State Officers, Secretary, Standing Committees and their Chairmen; Mrs. Oscar Peeples, First Vice State Regent; Mrs. W. C. Vereen, Second Vice State Regent, know our gratitude for the support and comfort they have afforded our beloved and efficient State Regent, Mrs. James Wood, who has labored with such marked success and untiring capacity for the promotion of the work undertaken by and for the preservation of the high ideals of the Daughters of the American Revolution.

Before leaving you, I must thank Mrs. William Lee Ellis, Chairman Time and Place, for the lovely new home she opens to us for 1920 and Mrs. Rowsey for the appropriate words she will speak to us in sending us back home—all refreshed and strengthened, with new inspirations.

Once again—we thank you—God bless and keep you.

Au revoir, but not good-bye.

ITEMS OF INTEREST

STATE CONFERENCES.

The first State Conference was called by Mrs. S. B. C. Morgan, State Regent, and was held at the Atlanta Exposition of 1895. The annual Conference began in 1899. In that year a Conference for the purpose of effecting a State organization was called by Mrs. Robert Emory Park, State Regent, and was held in Atlanta, May 23-24. By-Laws were adopted and State officers elected. The succeeding Conferences were numbered from this Conference, until the Conference of 1909 adopted a motion, offered by Mrs. Mallory Taylor, "that the first State Conference in 1895 be recognized, and the next annual Conference, instead of being the twelfth, shall be the thirteenth." (Minutes, p. 21.) No Conference was held in 1911; the time of meeting having been changed from the fall to the first part of the year by the Conference of 1910, which adopted a recommendation of the Executive Board (named on the motion of Mrs. P. W. Godfrey), "that the State Conference be carried over from November, 1910, to 1912, prior to Congress in 1912;" amended by Miss Ray of Atlanta, "that we have Conference in the spring, not to interfere with Lent." (Minutes, p. 21.)

The dates and places of meeting and the numerical designation of the Conferences after the first annual Conference (1899) were as follows: (2) Atlanta, Nov. 27-28, 1900. (3) Augusta, Nov. 21-22, 1901. (4) Savannah, Nov. 13-14-15, 1902. (5) Atlanta, Nov. 5-6-7, 1903. (6) Athens, Nov. 9-10-11, 1904. (7) Macon, Nov. 15-16-17, 1905. (8) Columbus, Nov. 21-22-23, 1906. (9) Rome, Oct. 23-24-25, 1907. (10) Covington, Nov. 4-5-6, 1906. (11) Brunswick, Nov. 10-11-12-13, 1909. Change in Conference number so as to count from Conference of 1895. (13) Savannah, Nov. 22-23, 1910. (14) Marietta, April 9-10-11, 1912. (15) Augusta, March 25-26-27-28, 1913. (16) Macon, Feb. 16-17-18-19, 1914. (17) Atlanta, Feb. 9-10-11-12, 1915. (18) Columbus, Feb. 22-23-24-25, 1916. (19) Quitman, Feb. 13-14-15-16, 1917. (20) Athens, April 3-4-5, 1918. (21) Albany, April 1-2-3, 1919.

GEORGIA DAY.

The first concerted effort to bring about the annual celebration of the date of the landing of Oglethorpe and his colonists (February 12, 1733), under the name of "Georgia Day," were made by the Joseph Habersham Chapter of Atlanta in 1901, and, with the co-operation of the State School Commissioner, soon resulted in its observance in many schools. Credit for these first efforts is due to Miss Nina Hornaday, Georgia Day Chairman of the Chapter, and Mrs. W. L. Peel, then Regent.

In 1904, Mrs. John M. Graham, then Regent of the Joseph Habersham Chapter, seeing that Mr. Calvin had introduced in the Legislature a bill providing for school celebration on certain other anniversaries, endeavored to have similar recognition given to Georgia Day, and in this was aided by Miss Hornaday.

The result was that the Legislative Committee on Education reported a Georgia Day bill as a substitute for Mr. Calvin's bill, but it did not pass. At the next State Conference Mrs. Graham moved the appointment of a committee to procure legislation on the subject, and she was appointed chairman. A bill presented by her was introduced in the Legislature by Hon. Madison Bell, but failed to pass, and at her request was reintroduced in 1909 by Hon. John M. Slaton, then President of the Senate, and in that year became a law. It provides for observance of the day in the public schools by exercises consisting of written composition, readings, recitations, addresses, or other exercises relating to this State, and its history and to the lives of distinguished Georgians. Many Chapters gave school prizes on that day.

Reminiscences and Indian Legends. By Sophie Lee Foster.

This book, replete with historical incidents of Revolutionary times and Indian legends, was compiled in the interest of patriotic education during Mrs. Foster's term of office as State Regent of Georgia, and was dedicated to the Georgia Daughters of the American Revolution. The net profits from its sale are given to patriotic education. It has met with popular favor, having been sold from Maine to California. Chapters, have given copies as prizes in schools, and in some schools it has been adopted as a supplemental reader. Price, \$2.00 delivered. For particulars, address Mrs. Sheppard W. Foster, 711 Peachtree St., Atlanta, Ga.

IMPORTANT RESOLUTION.

"Resolved, That it is the judgment of the Executive Board that nominations for State Regent should not be made by Chapters earlier than three months prior to the meeting of the

Conference. When so made they shall be furnished to the State Editor for publication." Unanimously passed by State Conference.

IMPORTANT DAYS TO BE OBSERVED BY D. A. R.

Feb. 12, Georgia Day; June 14, Flag Day; July 4, Independence Day; Sept. 6, LaFayette Day; Oct. 12, Columbus Day.

SONG.

Copies of song "Georgia," words by Prof. Joseph T. Derry, music by Mrs. Albert Spalding, and adopted as a D. A. R. patriotic song, can be obtained from Professor Derry, State Capitol, Atlanta, Ga.

Important resolution presented by Mrs. Max E. Land and adopted by the State Conference in 1918 and Continental Congress in 1919.

"Whereas, in recognition of the valiant and incomparable service rendered our country during the War of the American Revolution by the brave and dauntless Marquis de LaFayette, and which illustrious service is recognized with deep regard by both France and America, and is given a distinctive place in the annals of history; therefore, be it

"Resolved, That the Daughters of the American Revolution, in Congress assembled, adopt September 6, LaFayette's birthday, as a calendar day, to be observed by Chapters yearly with a suitable program."

FLAG CODE.

Arranged by Mrs. Mallory Taylor, Chairman of the Committee to Prevent the Desecration of the Flag, and adopted by the State Conference, April, 1919:

"Every star in the flag represents a particular State, Georgia's star is in the top row, the fourth from the staff, and was placed there January 2, 1788. The three states that came before it were Delaware, Pennsylvania and New Jersey.

"The flag should never be used as a cover for a table, desk or box, unless a Bible, and nothing except a Bible, is to be laid upon it. The colors must never touch the ground.

"For decoration, the national colors are more suitable, always placing the red at the top, but if the flag must be used, it should always be flat on the wall with the Union to the North or East, never draped or fastened. The flag of the free should fly free.

"It should never be placed below a person sitting. It cannot be used as an advertisement. It is a desecration to use it or a representation of it for pillow cases, table covers, napkins, handkerchiefs, neckwear, veils, blotters, food decorations, curtains or any part of a costume, as in some shows and circuses.

"The flag should be hoisted quickly at sunrise or thereafter, never before, and lowered at sunset. To place the flag at half

mast, raise it first the entire height of the staff and then slowly drop it halfway down.

"When other flags fly from the same staff, our flag is always the highest. When used with other flags as a decoration or in parade, our flag must be on the right.

"When the flag passes in parade, the spectators of both sexes should stand and face it, men and boys holding their head covering over the heart with the right hand. If covered, they should salute, with the right hand salute, as do the soldiers and sailors.

"A flag unfurled and hung in a room in which they are present should be saluted by them the first time they pass it, as do the soldiers and sailors, but not afterwards.

"When the flag is raised at a ceremony everyone present should stand, face the flag and uncover or salute as when it passes in parade.

"It is used for the honored dead as a cover, the starry Union being placed at the head.

"Old and wornout flags should not be used either for banners or for any secondary purposes. When a flag is in such condition that it is no longer a fitting emblem for display it should not be cast aside in any disrespectful way, but should be destroyed as a whole, privately, preferably by burning or any method lacking a suggestion of irreverence or disrespect due the emblem representing our country.

"The army and navy regulations provide the Star Spangled Banner shall be designated as the national air of the United States of America. The listeners should stand, face the music and uncover or salute as for the flag as both represent the country."

NOTICE.

They are a few pledges which have not been fulfilled, and we urge that these and all other contributions be sent to the STATE TREASURER, Mrs. Rufus H. Brown, 2559 Walton Way, Augusta, Ga., as in this way alone can Georgia receive credit in her State work.

PAYMENT OF DUES.

The following notice should be read by every member of the Daughters of the American Revolution, as it shows clearly the rule concerning the payment of DUES:

"In accordance with the provision of the Constitution and By-Laws adopted by the Twenty-eighth Continental Congress, DUES ARE PAYABLE IN ADVANCE, JANUARY 1 of each year." If Chapter members do not pay their dues by December 15 to Chapter Treasurer, they will be notified in January from Washington, D. C., that they are in arrears.
