**TELEGRAM SENT TO PRESIDENT HARDING BY THE
CONFERENCE.**

RESOLVED. That we, the Georgia Daughters of the American Revolution, in Twenty-third State Conference assembled, representing nearly four thousand women, send greetings to His Excellency, Warren G. Harding, President of the United States, assuring him of our fullest support in all measures for the betterment of our country; for the maintenance of our national honor and international peace, and for the promotion of internal prosperity.

MRS. MAX E. LAND,
State Regent D. A. R. of Georgia.

PRESIDENT HARDING'S REPLY.

The White House, Washington, D. C., 12M., April 6th, 1921.
Mrs. Max E. Land,
State Regent D. A. R., Dalton, Ga.

Please express to the members of your Conference my heartfelt appreciation of their greetings and assurance of support. Your message is an inspiration which I do not under value in facing the great and difficult problems now demanding solution.

WARREN G. HARDING.

FLAG CODE

Arranged by Mrs. Mallory Taylor and Adopted by the D. A. R. in State Conference, April 1919.

"Every star in the flag represents a particular State, Georgia's star is in the top row, the fourth from the staff, and was placed there January 2, 1788. The three states that came before it were Delaware, Pennsylvania and New Jersey.

"The flag should never be used as a cover for a table, desk or box, unless a Bible, and nothing except a Bible is to be laid upon it. The colors must never touch the ground.

"For decoration, the national colors are more suitable, always placing the red at the top, but if the flag must be used, it should always be flat on the wall with the Union to the North or East, never draped or fastened. The flag of the free should fly free.

"It should never be placed below a person sitting. It cannot be used as an advertisement. It is a desecration to use it or a representation of it for pillow cases, table covers, napkins, handkerchiefs, neckwear, veils, blotters, food decorations, curtains or any part of a costume, as in some shows and circuses.

"The flag should be hoisted quickly at sunrise or thereafter, never before, and lowered at sunset. To place the flag at half mast, raise it first the entire height of the staff and then slowly drop it halfway down.

"When other flags fly from the same staff, our flag is always the highest. When used with other flags as a decoration or in parade, our flag must be on the right.

"When the flag passes in parade, the spectators of both sexes should stand and face it, men and boys holding their head covering over the heart with the right hand. If covered, they should salute, with the right hand salute, as do the soldiers and sailors.

"A flag unfurled and hung in a room in which they are present should be saluted by them the first time they pass it, as do the soldiers and sailors, but not afterwards.

"When the flag is raised at a ceremony everyone present should stand, face the flag and uncover or salute as when it passes in parade.

"It is used for the honored dead as a cover, the starry Union being placed at the head.

"Old and wornout flags should not be used either for banners or for any secondary purpose. When a flag is in such condition that it is no longer a fitting emblem for display it should not be cast aside in any disrespectful way, but should be destroyed as a whole, privately, preferably by burning or any method lacking a suggestion of irreverence or disrespect due the emblem representing our Country.

"The army and navy regulations provide the Star Spangled Banner shall be designated as the national air of the United States of America. The listeners should stand, face the music and uncover or salute as for the flag as both represent the country."

one nation, indivisible, with liberty and justice for all."

THE AMERICAN'S CREED.

"I believe in the United States of America as a government of the people,
by the people, for the people; whose just powers are derived from the consent
of the governed; a democracy in a republic; a sovereign nation of many sov-
ereign states; a perfect union one and inseparable; established upon those
principles of freedom, equality, justice and humanity, for which American
patriots sacrificed their lives and fortunes. I, therefore, believe it is my duty
to my country to love it, to support its constitution; to obey its laws; to
respect its flag; and to defend it against all enemies."

THE DALTON COUNTRY CLUB.

About two miles south of Dalton is the home of the Country Club, one of the most historic of ante-bellum houses left us—a home from which in days now long past have gone out men and women who have helped to carry on the world's work. This splendid old brick mansion was built by Rev. Archibald Fitzgerald, who after disposing of valuable Ducktown mining property, built a home which he called the "Hermitage" in the most picturesque spot he could find in North Georgia. The house stands on a commanding well-wooded hill, faces east and from the terrace the view to the south and east can not be surpassed. Dr. Fitzgerald built for the future for only heart lumber was used in construction and the brick were burned on the place by slave labor. Huge chimneys tower above the roof and large many-paned windows pierce the walls. The rooms, ten in number, are enormous and two stairways ascend to the second floor. On this hill camped parts of the brave legions of the Blue and the Gray, in the great War Between the States. In this old building were billeted men of both armies, and on its walls today are to be found names of men inscribed by their own hands, who halted here for a brief rest in that dark night of strife. Over the hills to the east and west and up and down those now fertile peaceful valleys, swayed back and forth the armies of Sherman and Johnson, contending in a mighty struggle for Dalton as a strategic position. At the foot of this old hill flows a limpid stream beside which the Red Man pitched his wigwam, and only a few hundred yards distant are to be found relics which would indicate that there he forged his weapons of flint for use in war and in the chase. So, is it not fitting that this old building be the Mecca, where the visitors from North and South may meet and greet each other! A place redolent with the memories of Yesterday, suggestive of the pleasures of Today and the hopes and achievements of Tomorrow. In this historic setting, the Gov. John Milledge Chapter, entertained the Conference with a beautiful luncheon. The idea of "Ye Olden Tymes" was carried out in every detail; the "Toasts" being especially appropriate.

THE VANN HOUSE.

At Spring Place, Georgia, outlined against the blue Cohutta mountains is the old historic red brick mansion built by Joseph Vann, a half breed Indian Chief. The entrance to the house, north and south, are in duplicate, colonial in character with large double doors, above which are transoms of fanshaped glass. Entering from the south you are in a wide hall; at your right is the wood paneled, hand-carved stairway. So curiously constructed as to ascend without visible support to the third floor. The room to the west of the hall is wainscoted and boasts a hand carved mantel, supported by small fluted columns to the ceiling. The east room is noted for its secret drawers, skillfully inserted in the wainscoting beneath the windows; they were used, tradition says for concealing valuables. On the third floor is a small room which is known as the "coffin room," so called no doubt from its peculiar shape and construction. Dark and fearsome tales still linger in these walls, blood stains are pointed out on the floor and attic wall, and mysterious hints abound of hidden treasure, known only to the Indian and never divulged to the white man. The darkness of the attic is broken by the filtering of the light through port holes which were skillfully cut in the cornice in order to insert guns for the defense of the building. From the outside of the building these "lookouts" can not be detected. In 1834, following the Georgia land lottery for disposal of Cherokee lands, Chief Vann and his household were driven from the home they loved so well and Col. A. B. Bishop secured the coveted Indian house. A marble tablet at the right of the entrance reads: "This tablet marks the residence of Joseph Vann, a Chief of the Cherokee Indians, built late in the 18th century." John Howard Payne, illustrious author of "Home, Sweet Home" suspicioned of sedition, was brought to this house, examined and exonerated by the Georgia authorities. Near here stood the first Moravian Mission to the Cherokees. This historic spot is marked by the Governor John Milledge Chapter, D. A. R., Dalton, Georgia, 1915.

WELCOME ADDRESS.

Mrs. Paul Trammell, Sr., Regent of John Milledge Chapter.

Of all the pleasures and the duties which this Conference brings, the most welcome duty and the most exalted pleasure is found in the opportunity which it affords for meeting under one roof the sister members of our organization, so that together we may plan another year's campaign for true Americanism.

The vain wish has been sometime indulged that, "Providence would allow the patriot after death to return to his country and to contemplate the intermediate changes which have taken place," to view the forests filled, the cities built, the mountains levelled, the canals cut, the progress of art, the advancement of learning and the increase of population. Look, me thinks on yonder hill appears a mighty host of heroes of "so sweet a fame and memory so precious." Are they coming this way? There's George Washington, Thomas Jefferson, Patrick Henry and many, many a patriot, both men and women. Will they view us with approval or disappointment? Surely the accomplishments of our nation in a material way, the position America now occupies in the world would gratify their fondest hopes.

But listen, as they pass in review the whispered words come to us, "Beware, lest liberty becomes license. Remember our flag of yesterday stood for loyalty—for courage—purity—forever—ever. Never let American standards be lowered—do not let luxury and ease crowd out patriotism. Do not let your security of today persuade you there are no foes for you to fight. Issues as momentous as those of Seventy-six are now facing you. It will require as much fortitude and as much patient perseverance on your part as were needed by us at the Boston Tea Party—or at Lexington or Yorktown. Be wise, be prudent, ever be alert."

Some one has wisely said, "Minds and characters of us all are made and moulded of things past even more than we are willing to acknowledge." The wisest people who ever lived called "Memory the mother of all the muses."

To keep the campfires of patriotism burning is the great aim of the Daughters of the American Revolution. It is our earnest endeavor to instill the spirit of Seventy Six into the youth of today. It is our lofty ambition to be and make good citizens for America. Citizens who would stand approved by George Washington, Thomas Jefferson, and our early patriots.

May our aims and ideals always be high. May our energy and courage assure us of attaining these ideals. Then and only then, will be worthy to be accounted daughters of these patriots, true Daughters of American Revolution.

As Regent of the Gov. John Milledge Chapter Daughters of the American Revolution, I bid you welcome. The keys of our hearts and of our homes are yours. Come in and possess us.

ADDRESS OF STATE REGENT,

Mrs. Max E. Land, on Opening Evening of State Conference.

Madam Hostess Regent, Honored Guests, Officers and Daughters:

As State Regent of the Georgia Daughters of the American Revolution, I must add my welcome to the words of greeting from our Dalton friends—our friends of this splendid North Georgia city.

We meet, Daughters among a people noted for their generosity, their culture and their literary attainments as well as for their fine spirit of patriotism. Who has not read with deep and ever increasing interest those excellent books, rich in human nature, as depicted by a literary light, not only claimed by Dalton, but who was one of the foremost recent writers of our Country—the late Will N. Harbin. And before the close of this conference we shall have the pleasure of listening to the beautiful lines of Dalton's poet laureate, Robert Loveman.

In extending words of greeting to you, my Daughters, on this occasion, when we have met together to renew our loyalty to each other and to pledge again our fealty to our Society, I would wish my words to convey to you peculiar significance. I would wish the greeting that I extended to you, Daughters, from all parts of our great State, gathered together as you have come for a great purpose—I would wish this greeting, this living welcome to convey to you an entreaty, a request, that you make this Twenty-third State Conference an occasion, not alone worthy of the high ideals of our Society, worthy of the patriots whom we commemorate and honor and love, but a gathering of American women worthy of a crucial time in the moral history of our Country.

We are here at this time to do great good and exalted things. We are not here for anything less good than the highest we possess. We will make this conference just what we hold in our hearts and shall prove that our Society is a living demonstration that patriotism is abroad in the land.

Let us think for a moment just what patriotism means.

Patriotism, which is hard to define and new with every age, is again defining itself. It meant manhood rights when Washington took it to his heart. It meant culture and refinement and mental distinction when Emerson besought the sluggish intellect of his country to look up from under its iron lids. It signified ideals and theories of government to the soldiers of Lee and Grant. It meant industrial greatness and splendid desires to annex nature to man's uses when the great leaders of the generation, whose patriotism and statesmanship and imagination no man will deny, built up their business and tied the Union together in a unity of steel and steam more completely than all the wars. It signified a broad spirit of internationalism and love of humanity and respect for the

rights of the weaker as against the stronger when Pershing and our Boys of 1917 crossed the sea, three thousand miles away, and answered by precept and example "LaFayette we are here." Today it means a vast reaction from an unsocial and predatory individualism to self-restraint and consideration for the general welfare, expressing itself in a cry for fairness and honor and sympathy in the uses of power and wealth, as the states of spirit and mind that alone can safeguard the ideals of our great Republic.

The word patriotism may be defined as one who loves his country and zealously guards its welfare.

Faith, Fatherland and Flag are alliterative and synonymous terms, each of equal importance to the truly patriotic.

The value of patriotic sentiment cannot be over-estimated. A nation without sentiment is a nation without virtue, without aspirations or self-respect. Sentiment is the basis of the family—the most sacred of all obligations instituted of men. From the fireside sentiment reaches out and embraces the nation; it is the beacon of life; the inspiration of every good and noble deed. From home and country it enters the heart of the soldier on the field and enables him to lay down his life and feel that it is well spent. Sordidness and selfishness melt before it and greed itself is dumb. Sentiment prompted the colors of our National flag; red to represent courage and divine love, white integrity of purpose, truth and purity, and blue steadfastness and loyalty.

Patriot and good citizen are also synonymous terms. In all the world no finer, higher types are to be found than among our own Americans. There are many names that we might mention to show that patriotism and good citizenship go hand in hand, but those of Washington and Jefferson our hearts love to dwell upon. Both model citizens; both patriotic in the highest sense; each held his convictions as a sacred trust and, when done with life, each laid down his work with clean hands and unsmirched fame. No finer heritage could come to our American youth than the life and example of such patriots as these for, as James Otis said: "The only principles of public conduct that are worthy of a man are to sacrifice estate, ease, health, the applause of the world and even life itself for the sacred cause of his country." And we trust that the passionate patriotism, the true loyalty, the unselfish devotion which were stored in our Country's fireless furnace a hundred years ago will be served just as warm and just as true to those who shall come after us through the years to come. And they will be. True love of country is an undying thing. It means more than fighting in battles: it means remembrance; it means gratitude; it means endeavor; it means endurance; it means bearing ones share in the work of making this land of ours a worthy place in which to live.

One of the greatest efforts of the Daughters of the American Revolution is to keep alive that spirit of patriotism which first gained for our Country its independence and has since brought it to the forefront amongst the nations of the earth. And it is with this idea of inculcating a patriotic spirit amongst our people that many places associated closely with our history have been marked with tablets or boulders that the chance wayfarer may see, and seeing, recall to mind great sacrifices our forebears were called upon to make that our nation might live.

Our Country's need of the fine spirit of patriotism of our Society increases daily. We still feel that Americanization and patriotic education are our wisest and truest fields of usefulness at this time. We are needed along every line of educational work. We should prepare ourselves and others to fulfill our new duties of

full citizenship, for in this new citizenship that has come to women we realize a profound duty. We must prepare to use this power intelligently and thus, with our ideals ever before us, take every practical means to better the land in which we live, and by our loyalty to family, community, state and to our Country link man to man and humanity to God.

It is a disturbing thought that there are so many people who fail to understand what America stands for and to realize the responsibility which attaches to its leadership in free government. There are eminent American citizens of great intelligence and undoubted patriotism who preach the gospel of aloofness from the rest of the world which present day conditions make absolutely impossible; neither the safety of the republic nor the happiness of the people who dwell beneath its egis will be served by a narrow nationalism which refuses to be responsive to the current of thought and action elsewhere in the world, which may effect us at any moment just as they touched us in the World War and compelled our intervention. We cannot play the laggard's part. We must do our share towards maintaining the peace of the world if only for our own sake, for every time the peace is upset, wherever the trouble may come, the reaction affects us and our interests.

Progress is the external law which must be observed for it means the unlocking of the storehouse of the future with the keys of past experience. So may we look onward and upward for "Things past belong to memory alone. Things future are the property of hope," and like the gleaming taper's light adorns and cheers our way.

Notwithstanding our broad spirit of internationalism and relation to the world at large we should not be too prone to find virtues elsewhere, or to locate excellence in distant climes. Like the searcher for happiness in the beautiful story of Van Dyke, we may wander far to find it in our own surroundings. Peoples like individuals preserve their charm with their individuality and they exalt themselves as they recognize the achievements of their own countries and kindred. Go where we may where are institutions nobler or ideals higher than in our own Country? Where are people more free or justly more proud of their past? Where is home more sacred or manhood more knightly or womanhood more revered? Where are views more entrancing? The Rocky Mountains afford a splendor of scenery unsurpassed by the Alps. The climate of the South is not inferior to that of the Hellenic Isles. The blue skies of Italy reflect no more radiant hues than those of Georgia on a summer's day. And, yet, let us remember that no horizon, no skyline, no mountain range should limit or bound our aims.

And, so, Daughters, may the spirit of patriotism of our Society prove a steadying force in this trying time, when our Country is suffering from economic unrest and discontent, and may we never forget that we have a sacred trust and responsibility in the legacy left us by our Revolutionary forefathers.

When we became members of the National Society, and received the title, "Daughters of the American Revolution," we received the highest honor ever conferred by any Society or organization, not because of family traditions, or marriage titles, but because indisputable records proved we were descended from American Patriots.

It is a title that cannot be purchased with silver or gold. There is but one way in which it may be attained. You must have the blood of an American Patriot coursing through your veins—Patriots who counted no sacrifice too great, if it attained to Liberty and Independence.

The emblem of our Society is the American Flag. As we look upon it let us ever rejoice that we live under the teachings of one "God," one "Country" and one "Flag," and let us pledge ourselves anew to the allegiance of our "Flag" and to the Republic for which it stands, one National Indivisible, with liberty and justice for all.

OFFICERS REPORT

ANNUAL REPORT OF STATE REGENT,

Mrs. Max E. Land, to the Twenty-third State Conference, Daughters of the American Revolution.

One year ago you bestowed upon me an honor which I value as one of the greatest privileges of my life—to serve our beloved Society of the Daughters of the American Revolution and through it to give service to "Home and Country."

It has been my purpose and earnest desire to give to this work the best that was within me and I am truly grateful that I can now report to you a year of splendid advancement and many worthy achievements accomplished by our Georgia Society.

With so many opportunities to serve along the lines of patriotic education, Americanization and world reconstruction, we but realize that each year should show a larger and broader work, which is but the natural growth of a great patriotic body. Not that we would, in any measure, depart from the aims and purposes of our Society, but each period requires patriotic effort from a different viewpoint.

The success of the past year's work has been accomplished only through your individual co-operation and that of the many chapters over the State. Also I would pay tribute to the members of the Executive Board with whom it has been my happy privilege to serve. In each officer and Chairman efficiency has been the rule and there is a harmony of spirit and patriotic devotion which accounts for much of the splendid progress we are making.

National Congress and Executive Board Meetings.

Both a great privilege and an opportunity to gain a more comprehensive grasp of the work of our Society were afforded me by being in attendance upon the past Continental Congress. The many courtesies extended by our former Vice President General from Georgia, Mrs. S. W. Foster, as well as from Georgia's splendid delegation were deeply appreciated.

It was also my pleasure to attend the National Board Meeting held in April, 1920. Finding it impossible to return to Washington for the October Board Meeting, the Georgia Society was ably represented by our State First Vice Regent, Mrs. W. C. Vereen. On December 3rd, 1920, I had the honor of having the State Executive Board meet with me in my home. The business of this meeting will be given in the minutes of said meeting.

In assuming the duties of State Regent, my first work lay in the compilation and publication of the Proceedings of the preceding year's work, this being my final duty as past State Recording Secretary. As to the success of my efforts I leave you to judge. Then followed the appointment of State Committees in which I endeavored to recognize every section of our State and as many Chapters as possible.

It is not my purpose, however, to give a detailed account of my service as your State Regent—to enumerate the hundreds of letters written, the hours of labor expended, the responsibilities that many times seemed heavy, the decision that had to be made without consideration of personal feelings or desires, but to sum up the magnificent amount of work accomplished by our Georgia Society as a whole.

Membership.

This has been a year of greatly increased interest throughout our country in establishing records of Revolutionary service and becoming members of the Society of the Daughters of the American Revolution. Our women realize that our Society is not only an avenue through which they can be instrumental in helping to better the land in which they live and thus prove their loyalty to family, community and to our country, but they also value membership in this high and important organization as one of the highest honors they can receive, as also signifies the indisputable fact that they are descended from noble sires who counted no sacrifice too great if it attained to Liberty and Freedom, and thus carries with it a heritage which is in itself an open sesame both in our own country and in Europe.

At the close of the fiscal year when the last National Board Meeting shall have been held, the increase in membership in Georgia will show approximately five hundred new members, making a total membership of over four thousand in our State Society. This estimate is based on the fact that in February an actual number of 321 new members had been admitted during the past year, and there are in Washington more than two hundred pending applications to be accepted at the Board Meeting prior to Continental Congress, most of these applications being made on verified lines.

New Chapter Organization.

Large efforts have been made along the line of organization of chapters with the following results:

Camp-Varner Chapter, Douglasville.—Mrs. J. D. Abercrombie, Organizing Regent; organized March 28, with fourteen members.

Brier Creek Chapter, Sylvania.—Mrs. Julian C. Lane, Organizing Regent; thirty application papers sent to Washington and \$108.00 in treasury.

Hightower Trail Chapter, Conyers.—Mrs. Fannie Mae Dabney, Regent; necessary papers sent to Washington the first of February.

Commodore Bainbridge Chapter, Bainbridge.—Mrs. J. A. Bradwell, Regent; papers necessary to organize sent to Washington the last of January.

Blackshear Trail Chapter, Cordele.—Mrs. C. L. Harris, Regent; twenty-six application papers in Washington, all on verified lines.

Sunbury Chapter, Winder.—Mrs. G. H. Fortson, Regent; additional papers accepted at October National Board Meeting which were necessary to organization, this chapter having been begun, however, by our former State Regent. Final report of organization of chapter has been sent to Washington.

Colonel John Coffee Chapter, Abbeville.—Mrs. E. P. Dunaway, Organizing Regent; fifteen papers in Washington.

General Nathaniel Green Chapter, Sylvester.—Mrs. G. F. Alford, Organizing Regent; necessary papers in Washington.

John Benson Chapter, Hartwell.—Mrs. Walter L. Hodges, Regent; reorganized. This Chapter had held only one meeting in two years.

Tomochichi Chapter, Clarkesville.—Miss Addie Bass, Regent; reorganized. This chapter had not held regular meetings for several years.

A Chapter is being organized at Statesboro and necessary papers are almost ready to be sent to Washington. Organizing Regent not yet appointed.

Mrs. Ira E. Farmer has been appointed Organizing Regent at Thomson, and Mrs. W. I. Wilson for a second chapter at Augusta, and there are prospects for a second chapter at Monticello.

When it is recalled that National Board Meetings are not held monthly as in former years and that confirmation, appointments of Organizing Regents, admittance of members and acceptance of final reports of organization take place at different meetings, then it will be realized that a chapter cannot be fully organized in a day; however, these chapters are holding regular and enthusiastic meetings and will be officially accepted in a very short time.

Historic Sites.

The Historic Sites Committee, carrying out a resolution adopted at our past State Conference, is planning to mark three historic sites or trails in our State with distinctive D. A. R. markers. The names of the sites selected and plans for marking same will be given by the State Chairman, Mrs. E. A. Thomas.

The Mary Hammond Washington Chapter, unveiled, with appropriate exercises, a handsome boulder, marking the old historic site, Wayside Inn, in Macon, on the 29th of March. This historic building is the oldest public house of entertainment in that city and it was here that Gen. LaFayette was entertained on his memorable visit in 1825. It was a source of regret to your State Regent that she was unable to be present on the occasion of the unveiling, but the date falling so close to the State Conference made it impossible to attend.

Plans have been completed by Oconee Chapter of McRae for unveiling markers at three points on Hartford and Blackshear trails, two old forts of the war of 1812, and two monuments over graves of Revolutionary soldiers. These ceremonies will occur on the 5th and 6th of May, at which time I anticipate being present.

Our historic shrine, "Meadow Garden," which is owned by the D. A. R. and of which our Society is so justly proud has received the greatest financial aid from the chapters over the State of any previous year. Let us give even more generously during the next year, to the upkeep of this, the home of George Walton, one of Georgia's Signers of the Declaration of Independence.

The graves of twenty-six Revolutionary Soldiers have been located during the past year and markers ordered with which to mark same.

Patriotic Education.

Our largest work under Patriotic Education this past year has been the raising of a \$5,000,000 Loan Scholarship Fund at the University of Georgia, for boys. This is our D. A. R. State Memorial in honor of our Georgia boys who made the supreme sacrifice in the World War. We have had a scholarship boy at the University this year, and have raised the entire fund. Of the amount raised the Elijah Clarke Chapter, of Athens, gave \$2,200.00 and this Chapter has the credit of founding this memorial.

\$25.00 has been given to Tallulah Falls School; \$10.00 to Rabun Gap School; \$35.00 to Tomassee School in South Carolina, and \$342.00 to Martha Berry Schools.

The D. A. R. Chapters in many States have become interested and are assisting financially in the worthy work being accomplished by the Martha Berry Schools in conserving our pure-blood, one hundred per cent Americans, the true Sons and Daughters of the American Revolution.

The State D. A. R. gave this year a \$150.00 Loan Scholarship to a girl of D. A. R. ancestry, at the University of Georgia, in recognition of the fact that this last year the University opened its doors to women. (The first petition for opening the doors of the University to women was sent in many years ago by the D. A. R.)

The amount of \$1,017.00 has been reported by chapters as spent in other educational work and much time has been devoted to improving the educational system of our State. Contributions have been given by chapters to Near East Relief, Serbian and Armenian Relief, and three classes have been taught in the cotton mills of our State. The total expenditure under the various departments amounts to \$13,800.00, (thirteen thousand, eight hundred dollars.)

D. A. R. Magazine.

The past year shows the greatest increase in subscriptions to our official Magazine of any previous year, due to the interest created by the State Chairman, Mrs. R. S. Roddenbery, in offering a prize to the chapter sending in the largest number of new subscriptions in ratio to its membership. The total increase in subscriptions is 89. The Chairman will have the pleasure of naming the successful chapter.

Americanization.

Truly Americanization, in all of its different phases, is the slogan of our Society at this time. Under this head a fund has been raised for the publication of a Manual for Immigrants, which is a work of education and helpfulness to our foreign-born. For the sake of convenience the funds for the Memorial Fountain, honoring the Pilgrim Mothers and the painting which is to be a gift to the French Government—a gift commemorative of the sacrifices of our boys on the altar of Liberty in the World War have been raised also by the committee on Americanization. To these three objects of our National Society the Chapters have contributed \$1,194.40.

The amount of \$76.10 has been paid on the Sarah Guernsey Scholarship Fund, completing Georgia's quota in this National undertaking.

\$65.00 was paid from the State Treasury, by order of the Executive Board, to complete our State Society's Liberty Loan Fund.

Members of various chapters have served as teachers in the illiteracy campaign.

We have in Georgia only about 9,000 foreign population, but much practical and helpful work has been accomplished among these people. Copies of the Constitution, the Declaration of Independence, the American's Creed and the Flag Code have been placed in schools and the Flag Law passed by the Legislature (through the efforts of the D. A. R.) has been enforced.

Legislation.

Deeming it wise and necessary to have a committee through which resolutions adopted by our State Conference may be properly presented to the various bodies for which intended, your State Regent created a Committee on Legislation, of which our Honorary State Regent, Mrs. S. W. Foster, was named Chairman.

The D. A. R. was one of the five women's organizations of Georgia to use its influence last year for the enactment of a bill that would regulate the character of moving pictures shown in our State. As State Regent I sent a strong endorsement of such a bill to be used at the committee hearing in the Legislature and published an editorial on the subject in the D. A. R. department of the Constitution.

Gift Scholarships, Medals and Prizes.

A worth-while work has been accomplished by Chapters in giving scholarships to worthy boys and girls—our citizens of tomorrow, and in placing medals and prizes in schools as incentives for historical research work. Fifty-five scholarships valued at \$4,000.00

have been given and filled by chapters and fifty medals, prizes and loving cups, valued at approximately \$300.00 have been reported as given for historical essays and averages in history.

Forestry.

Carrying out a resolution adopted in past State Conference, a Committee on Forestry was appointed of which Miss Annie Lane was appointed Chairman. It is gratifying to note that, through the efforts of the committee, a thoroughly organized system of Forestry has been established in the Georgia D. A. R., every chapter having reported a committee under this head. This work will show large results and will awaken our State to a long neglected and exceedingly essential resource.

Georgia Bay.

As Georgians, we each feel a pride in the building of the Georgia Bay in Washington Memorial Chapel at Valley Forge. As Daughters of the American Revolution our Society represents the period of history that this memorial to our immortal Washington commemorates, thus the Georgia Society has taken an added interest in extending its efforts to include this work and reports from chapters show contributions amounting to \$519.50.

Celebration of Patriotic Anniversaries.

The Georgia Chapters have been faithful to the objects of our Society in the promotion of celebrations of all patriotic anniversaries. Independence Day, Washington's Birthday, the Founding of the D. A. R., LaFayette's Birthday, Constitution Day, Georgia Day, and all other patriotic anniversaries have been observed to the end that a deep spirit of patriotism prevails among our people.

The Visit of President General and State Regent of Connecticut.

A distinctive honor to the Georgia Society was the visit, in January, of our President General, Mrs. George Maynard Minor, and the State Regent of Connecticut, Mrs. John Laidlaw Buel. These distinguished leaders were a source of great inspiration and pleasure and it was a matter of sincere regret to your State Regent that they were unable to accept all invitations extended by Chapters. The beautiful receptions arranged for them and your State Regent by the Nathaniel Macon and the Mary Hammond Washington Chapters at Macon and by the Atlanta Chapter, Atlanta, were greatly enjoyed and appreciated as also were the delightful luncheons at which Mrs. T. E. Blackshear of Macon and Mrs. David Woodward of Atlanta entertained, and the dinner tendered by Mesdames McCall and Kirk.

Official Visits.

The visits made to Chapters proved one of the most pleasant features of my duties as State Regent. To those of you who have been kind enough to extend invitations, I thank you. I have traveled many miles to make these visits and to represent our Society officially at State and National meetings and have considered it a privilege to do so at my own expense. I mention this simply because many seem to be laboring under a misapprehension regarding expenditure.

The interest and co-operation of my own home chapter were expressed in a beautiful reception tendered your State Corresponding Secretary and State Regent immediately upon taking up their official duties.

On May 21st, Mrs. William Lawson Peel of Atlanta, a former resident of the Third Congressional District, entertained at a brilliant

reception in honor of Mrs. J. E. Hays, President of the Georgia Federation of Clubs, Mrs. Frank Harrold, President Georgia Division U. D. C., and your State Regent, thus designating her interest and pleasure in the fact that these Presidents of women's organizations are residents of her native district. This courtesy was both appreciated and greatly enjoyed.

On May 24th, I was the guest of the Mary Hammond Washington and Nathaniel Macon Chapters of Macon. It was my pleasure to make an address outlining the work of our Society, after which a delightful reception followed. Also I was entertained, as your State Regent, at a large reception tendered by Mrs. F. E. Land.

July 4th, by invitation of the Colonel John Dooly Chapter, Vienna, I made an address at the city auditorium on the occasion of the celebration of Independence Day, after which the Chapter entertained at a reception.

September 6th, spoke on "LaFayette" at the celebration of that great Frenchman's Birthday by the Fort Early Chapter.

October 11th, the Joseph Habersham Chapter, Atlanta, celebrated the Founding of the D. A. R., your State Regent being given the privilege of making an address. The delightful hospitality enjoyed as the houseguest of Mrs. W. L. Peel, the courtesy of a luncheon tendered by Mesdames Pratt and White and a tea by Miss Alice May Massengale were all of much pleasure.

October 12, 13 and 14, attended the Annual Convention of the United Daughters of the Confederacy, held in Macon, where I represented the D. A. R. and was accorded every courtesy.

November 11th, by invitation of the committee in charge of the Armistice Celebration at Cordele, I made a patriotic address.

It was a source of regret to me that I was prevented from representing our Society at the Annual Convention of the Georgia Federation of Clubs held in Atlanta in November.

January 24th and 25th, I visited the Macon Chapters and the Atlanta Chapter, Atlanta, together with the President General and Mrs. Buel as referred to above.

February 4th, was an honor guest at a brilliant reception at which Mrs. Frank Harrold, of Americus, President, U. D. C., honored Mrs. J. E. Hays, President Georgia Federation and your State Regent.

February 22nd, Washington's Birthday, was an occasion for a large and elaborate luncheon given by the Hawkinsville Chapter in honor of your State Regent and other officers. A reception preceded the luncheon at which it was my privilege to make an address on our work.

It was with regret that I was unable, because of illness, to attend the Convention in Tift County and represent the D. A. R.; however, our State Corresponding Secretary, Mrs. T. J. Durrett, ably represented our organization.

On March 3rd, met with the prospective members of the Blackshear Trail Chapter of Cordele and perfected an informal organization of the Chapter.

March 18th, visited Abbeville accompanied by State Corresponding Secretary and officers of Fort Early Chapter and informally organized the Colonel John Coffee Chapter.

Invitations to visit Chapters at Eastman, McRae, Griffin and Milledgeville have been accepted for May, and am anticipating visiting many chapters during the next year whose invitations I have been unable to accept. I also acknowledge, among other courtesies shown your State Regent, the greatly appreciated editorial upon my election to this high office, by that gifted Georgian, Hon. John T. Boifeuillet.

Recommendations.

No. 1. In recognition of the important part the Georgia Society assumes in the affairs of the National Society, and realizing the great advantage of having an especial room in Memorial Continental Hall in which the Georgia delegation may hold its meetings during Continental Congress, I recommend that the Georgia D. A. R. make formal request for a room in said Hall; this room to be known as the "Georgia Room," and to be furnished and maintained by the Georgia Society.

No. 2. Since Americanization and patriotic education are our widest and truest fields of usefulness at this time, and since education is the most urgent need of our own State in order to raise it from the humiliating place in the scale of literacy that it now occupies, I recommend that the Georgia D. A. R., in Conference assembled, urge a greater interest in educational work in our own State, and pledge to redouble our efforts especially for the Martha Berry Schools.

No. 3. Since the extension of suffrage to women has made it possible for women of foreign birth to become voters upon the citizenship of their husbands, and realizing that Americanization of women voters is as important to our Country as that of men, I recommend that the Georgia D. A. R. use its influence to get the Congress of the United States to make such changes in our naturalization laws as shall require for men and women alike the same qualification for admission to citizenship and the right to vote.

Daughters, in summing up your magnificent efforts, I regret that I could not touch on all departments of our work, but these reports will be given in full by the various chairmen.

Excellence—in aims, in union of endeavor, in efficient action, in all the qualities that we call admirable in an organization—has been the object of our striving. My heart is in the organization. I foresee a splendid future for the Georgia Daughters of the American Revolution, and wish it may outshine my vision.

REPORT OF STATE CORRESPONDING SECRETARY.

Mrs. T. J. Durrett.

Madam State Regent and Georgia Daughters:

It was with pleasure that I accepted the appointment to the office of State Corresponding Secretary after the resignation of Mrs. Eakes in June. It is always a joy to be associated with our beloved State Regent in any capacity, and she has meant much in making clear to me the duties of my office. The acquaintances formed in the close affiliation with state officers and state chairmen, have on my part, ripened into friendship, and I have taken pleasure in the service rendered.

In the fall it was my privilege, granted by our State Regent, to write for the D. A. R. Magazine, the Proceedings of the State Conference at Moultrie, which appeared in the January number of the Magazine. In the regretted absence of our State Editor, Miss Mas-sengale, it again became my duty to substitute for her, in writing the proceedings of the State Executive Board Meeting, Cordele, Ga., December third, which appeared in Constitution in the D. A. R. Community Service. The Board passed favorably upon this resolution to adopt some one version of Frances Scott Key's Star-Spangled Banner, to be used by all Chapters D. A. R., and through Chapters in Community Service. The Board passed favorably upon this resolution. One of the most enjoyable events in my D. A. R. activities, was representing the State D. A. R. in the absence of our State Regent and by special invitation to substitute on the Patriotic Program of

the Twentieth Century Library Club of Tifton, February 15th, when Mrs. Land was expected to give the message of the D. A. R., but was unavoidably detained at home. Mrs. Hays represented the State Federation of Women's Clubs, and Mrs. Harrold, the U. D. C. Another pleasurable event was the beautiful luncheon given by the Hawkinsville Chapter, in honor of our State Regent, where we shared honors with her and were asked to give a toast upon the "Effect and inspiration of life in the effulgence of the reigning Regent." I attended the Regent in the organization of two new Chapters. Sent out 360 application blanks, 850 circular letters, 3 letters of sympathy, 50 letters of invitation, and 272 credential blanks and post card notices in behalf of Conference.

Mrs. Rufus H. Brown.

I have this day examined the books and checked the vouchers of Mrs. George M. Hope, State Treasurer and certify same to be correct.

REPORT OF STATE LIBRARIAN.

Mrs. Sidney J. Jones.

On September 22nd, circular letters outlining the purposes of this department of State D. A. R. work, were sent to 72 chapter regents, thirty-one chapters sent \$1.00 each and fifteen chapter regents appointed Library Committees in their respective chapters to cooperate with the State Librarian in securing, Historical, Biographical and Genealogical books for the National D. A. R. Library in Continental Memorial Hall. To the chapters and chairmen of Library Committees through whom books and money were received, I wish to acknowledge my grateful appreciation.

Several Chapters have reported the contribution of books to their local libraries and a number have formed libraries in their chapters to which they expect to make additions each year.

A beautiful idea was conceived by Mrs. Loula Kendall Rogers, Historian of the Major General Samuel Elbert Chapter of Tennille. She asked the members of the D. A. R. and U. D. C. Chapters to give less expensive floral offerings in memory of deceased friends and purchase more lasting tributes in the form of memorial books. This idea was taken up by the two organizations and a number of valuable books have been contributed to their joint library. This method of building libraries is an admirable one and I hope to hear of many chapters adopting it next year.

The following books have been presented to the National D. A. R. Library during the past year, the majority of them for the Georgia section:

Bound copy of Proceedings of the Twenty-second Conference of the Georgia Chapters, N. S. D. A. R. in Georgia—held in Moultrie—by Mrs. Max E. Land. (Also a paper binding of same.)

REPORT OF STATE HISTORIAN.

Mrs. O. C. Bullock.

Madam State Regent, Members of the Twenty-third Conference:

This Society has done wonderful work in marking historic spots and tracing old trail roads, etc., and every year finds us with more of the early history of the State, and we are now looking to the preservation of the present day history.

The Historian of the Samuel Reid Chapter is writing a county history of the Women of the Sixties, and also the work done by the women in the World War. A member of the Oglethorpe Chapter is writing a history of the county and also work done by the women in Muscogee County during the World War.

On the South Commons in Columbus is Kenard's Trail or Ferry,

where Oglethorpe signed the famous treaty with the Indians. The Treaty was signed at Coweta Town, southwest of this point, August 21, 1739. There was another treaty signed some years later not very far from this point. A very interesting bit of history comes from a member of Oglethorpe Chapter in regard to this event. The plantation on which she lived for many years is where this treaty was made with the Creek Indians. It was called "Broken Arrow," and is still called by that name. Several years ago, she presented to the Chapter a gavel made from wood taken from the tree under which this treaty was signed. Chilly McIntosh, a son of William McIntosh, was chief of the Creeks at that time. This was the last of the Creeks in this part of the country. The poor race was sent west of the Mississippi, where they suffered many hardships.

The Historian of the Lyman Hall Chapter has sent in a wonderfully interesting report. Ware county has no record of Revolutionary days, but has some Indian and ante-bellum history. The first court house was burned in 1854, but many valuable records were saved. The first deed was recorded in 1826. A court house record tells of the cutting of the pioneers Train Road that extended from Ware County to St. Mary's. Part of the great Okefenokee Swamp that is situated in Ware County has some rare and obscure history, which has been collected by the Historian, Mrs. J. L. Walker, and coordinated under the head of "Scraps of Okefenokee Swamp History," "DeSota in the Swamp," "Osceola in the Swamp," "Indian Trails and Mounds," "Billy Bowles on Billy's Island," "Floyd's Battle in the Swamp," "Andrew Ellicott's Mounds,"—a history of the surveys of the swamp and forts and blockhouses in the swamp. I only wish I had time and space to incorporate her report, it is so interesting, but I trust some day she will see fit to preserve this wonderful research work in book form.

I have received from the Baron de Kalb Chapter a map of Campbell county showing some interesting land marks, viz: Indian Trail from Rivertown to Campbelltown—6 miles—which runs parallel to old River Road, also place on Pea Creek, where Indians held Corn Dances (1826). Judge Walter Colquitt was the first white settler. He lived there two years.

The Governor Treutlen Chapter sends a well written paper on the life of Governor Treutlen, the man for whom the Chapter was named. The Chapter was organized by a lineal descendant of Governor Treutlen, a great grand daughter.

Our Historian General urged that we give all possible attention to the Women of History.

The Atlanta Chapter contributed three beautifully written papers on Women of the Revolution. These will be compiled with others that have been contributed.

REPORT OF CONSULTING REGISTRAR.

Mrs. J. L. Walker.

The Office of Consulting Registrar is a busy one, for letters of inquiry for departed ancestors have come to me like white winged doves from every direction—Georgia, Florida, Alabama, Tennessee and Texas. Every one of the letters has been answered and in no case did I leave the writer hopeless. Several letters came from towns where there are no D. A. R. chapters which shows a quickening sense astir in the work of definite geneological research.

From Mrs. Asa Butrell have come valuable papers of a Revolutionary soldier of Butts County. A wonderful collection of copied

documents of Military orders, abstracts of wills and letters written during the War of 1812 have been sent to me from Mrs. V. A. S. Moore of DeKalb County. A copy of the Francks lines and also the Key lines have been received and are valuable. Mrs. John Lee Davidson of Quitman has contributed a copy of 210 marriages in Jackson County, Ga., dating through the years of 1806 and 1807.

REPORT OF STATE EDITOR.

Miss Alice Mae Massengale.

Our State Regent, Mrs. Land; State Historian, Mrs. Bullock; State Registrar, Mrs. Walker, and State Chairman have contributed valuable articles and letters of much interest to the department. If your Chapter reports and letters do not appear immediately, please know they will appear at an early date. It is requested that a letter of thanks be sent to Mrs. Van Winkle of the Atlanta Journal. On several occasions she has given our department a page.

I thank you for your cooperation the past year.

COMMITTEE ON LEGISLATION.

Mrs. S. W. Foster, Chairman.

Since our last State Conference no matters requiring the consideration of this committee has been brought to our attention.

Your Chairman has had the honor, during the interim, of receiving an invitation to join in a meeting of the Chairmen of the Legislative Committee of the various organizations in Georgia. I being out of the state at that time requested Mrs. Howard McCall to act in my place. She reported that it was proposed to organize a Legislative Council composed of the Chairmen of the Legislation of these various organizations, in which it was proposed they adopt a set of By-Laws and elect officers and have for their purpose the consideration of all forms of legislation.

The interest and purpose of the Council is no doubt commendable, but the organic principles of the D. A. R. do not permit of direct membership in any organization. We would, therefore, be unable to become a member of this proposed council only in so far as our co-operative interest could pertain.

There is now pending before our U. S. Congress what is known as the Smith-Towner Bill, also the Kenyon-Vestal Bill, both of which received the endorsement of the Daughters during the last Congress of our National Society, therefore, I offer the following resolutions pertaining to these bills:

Whereas, There is now pending before Congress the Smith-Towner Bill, which has for its purpose the creation of a Federal Department of Education, with representation in the Cabinet of the President; and,

Whereas, The Daughters of the American Revolution having always stood in the front ranks in the advancement of all educational lines and recognizing that the passage of this bill will mean a great development in education which means a development in all things pertaining to the interest and welfare of our country: therefore, be it,

Resolved, That we, the Daughters of the American Revolution, of Georgia, in convention assembled, hereby endorse the Smith-Towner Bill, and urge upon our U. S. Congress the early passage of the same.

Whereas, There is now pending before Congress the Kenyon-Vestal Bill, requiring National program of Americanization, with National financial assistance; and,

Whereas, We deem this of vast importance to our country, covering a vital question in the welfare and good Government of our Nation, and touching a subject in which our Society is greatly interested and along which lines we have worked to accomplish; therefore, be it,

Resolved, That we, the Daughters of the American Revolution, of Georgia, in conference assembled, hereby endorse the Kenyon-Vestal Bill, and urge upon our U. S. Congress passage of same.

REPORT OF RECORDS COMMITTEE.

Miss Helen Prescott, Chairman.

My report this year is just a post script to the one I sent in to the last Conference, but, I am glad to say it will add a good many names to our Roster of Georgia Revolutionary soldiers. These have been culled from the two old manuscripts that were found in the Office of the Secretary of State, when a rearrangement of shelves and cases was made last fall. One is entitled, "A list of the war-warrants issued by the Land Court for the County of Washington from its establishment to the 6th of August, 1787 inclusive." This includes continental and militia bounties, as well as headright grants.

The other manuscript is "An account of Certificates granted for bounty lands to refugees, citizens and minute men," dated 1784. Many of the names mentioned we already had, but, after carefully checking up the lists, we find nearly 200 that are not recorded elsewhere. To these there may be a few others added, by the very efficient young lady, in the Department of Archives, who is now systematically going through all the packages that have been dumped in the office from various departments of the Government. Just recently she found a bundle of colonial wills, that are too tender to be handled by any one but an expert. When her work is completed, a Supplement to the Roster will be printed, which can be pasted in the back of the book.

Unfortunately for those whose Revolutionary ancestors settled on his bounty land in Washington County, unless it was soon cut off into some adjoining county, there is little chance to trace descendants through county records, as all were burned in 1852. Some of the old counties whose early records have been lost, are Burke, Carroll, Cobb, DeKalb, Dooly, Gwinnett, Heard, Lee, Macon, McIntosh, Muscogee, Twiggs, Walker, Ware, and Wilkinson. The early deeds in Baldwin and Jefferson and the wills in Bryan County are gone, and in some of the oldest counties the records are in such bad condition the Clerks refuse to examine them for "love or money." A fee of \$1.00 is usually charged to look up a will or marriage record, and the legal rate for copying a will is not over 20c per hundred words. As the 3rd volume of the Joseph Habersham Historical Collections gives lists of wills in 18 of the oldest counties, it would be economy for each chapter to own a copy.

REPORT OF COMMITTEE FOR MARKING REVOLUTIONARY SOLDIERS' GRAVES.

Mrs. H. D. Allen, Chairman.

As State Chairman for Marking Revolutionary Soldiers' Graves, I have communicated with every Chapter and Regent in the state,

urging them to locate and mark the graves of all Revolutionary soldiers buried in her county and the adjacent counties where no D. A. R. chapters exist. The responses have been many and encouraging.

Markers have been received for the graves of James Gilmore, William Hunt, and Colesby Smith by Major General Samuel Elbert Chapter, Tennille; for the grave of William Anderson by Nancy Hart Chapter, Decatur. A marker has been shipped to the last named chapter for the grave of John Moffett. All will be unveiled with appropriate ceremonies.

Your chairman finds it expedient to keep application blanks on hand to be sent out when requested. Blanks have been sent to the following chapters: Lanahassee Chapter for one grave; Stone Castle Chapter for two graves; Steven Heard Chapter for two graves; John Houston Chapter for two graves; Major General Samuel Elbert Chapter for one grave; William Marsh Chapter for one grave; James Pittman Chapter for grave of James Pittman and one other soldier; Hawkinsville Chapter for grave of Willis Cason; Sergeant Jasper Chapter for Elijah Cornwell, James Horton, and Littleton Johnston; John Clarke Chapter for grave of Isaac Boring. The last named Chapter is investigating two other graves. The grave of Ica Atkins has been located and we hope will be marked by William Few Chapter. Effort is being made by Governor Treutlen Chapter to mark the grave of William Wiggins and by Samuel Reid Chapter to mark graves in Putnam and Green Counties. An attempt is also being made to mark the grave of John Thomas near Sparta. Ten miles from Athens, Elijah Clarke Chapter has located the grave of Hawkins Bulloch, who served under General Nathaniel Greene. This chapter has also located the grave of Francis Bell, at Liberty Church, in Hall County. Markers have been ordered for these two graves. Out attention has been called to the fact that Mrs. John A. Harrell, of Eastman, is making effort to mark the graves of John Kendrick, near Barnesville, and of Stephen Day, near Appling, Columbia County.

REPORT OF COMMITTEE ON REVOLUTIONARY RELICS FOR MEMORIAL CONTINENTAL HALL.

Mrs. W. A. McLain, Chairman.

I had thought up to a few days since I would have the pleasure of presenting a valuable sugar dish which belonged to Benjamin Franklin.

This sugar bowl was donated and was in possession of our State Regent for seven months. I received it and left it with our State Regent during my stay in Texas. A few days before the State Conference was to convene, the lady who offered it said her son objected and she would have to recall it. I hope my successor may be fortunate enough to secure and retain it. The Quitman Chapter are in possession of an interesting old deed made in 1795, conveying 25,000

acres of land to Abner Mitchell for five shillings. It is an original deed on sheepskin. This deed was secured through the efforts of Mrs. George Gillman, Regent of the Hannah Clark Chapter.

Mrs. Gillman promises to have some repairs done on this deed and have it in readiness to present at our next State Conference.

The deed was given Mrs. Gillman by Mrs. T. A. Wilson of Brooksville, Fla., and Miss Frances Monger of Quitman, both members of Hannah Clark Chapter and descendants of Elijah and Hannah Clarke.

A most interesting picture of a real daughter of the Revolution was sent me and I take great pleasure in presenting it with its history. This gift came from Mrs. Alva Davis of Perry, Ga., who is a great granddaughter of Mary Laura Hurst, the original of this photograph.

REPORT OF PATRIOTIC EDUCATION COMMITTEE.

Mrs. Howard H. McCall, Chairman.

The Patriotic Education Committee wishes to report a total of \$13,900 spent by the D. A. R. in their educational work for 1920-1921.

The reports of the chairmen of the different departments, Mrs. James L. Logan, gift scholarships, Mrs. Charles Akerman, Americanization; Mrs. Paul Trammell, Sr., Loan Scholarship to girl at University of Georgia, and Mrs. R. L. Walker, prizes and medals, will be given in the proceedings.

Ten thousand Creeds and Flag Codes have been given to Georgia schools.

Illiteracy has been lessened by the effort of the members, who have been interested in teaching and in giving liberal donations.

An interesting bit of history in an educational way is that the first petition ever sent to the trustees of the University of Georgia to open its doors to women was sent by the D. A. R. and the Colonial Dames when Mrs. S. B. C. Morgan was State Regent.

Interest has been shown first in our own "Martha Berry" school, and we pledge ourselves to give more for the coming year; to Rabun Gap School, to Tallulah Falls Industrial School, and to the Tommassee School in S. C. Have also completed our pledge to the Sarah E. Guernsey Scholarship Fund.

Many chapters report active work for the improvement of the Educational system in the state; donations to the Near East Relief, Armenian and Serbians; and celebrated all patriotic days.

And now the main work of your committee. At the Moultrie Conference you endorsed a resolution brought by the Elijah Clarke Chapter, Athens; "That the D. A. R. of Georgia, as a Memorial to our dear boys of Georgia, who during the World War made the supreme sacrifice, we should raise a Loan Scholarship Fund for worthy boys to be placed at our State University, at Athens, this fund to be \$5,000.

We have on hand \$4,200, and this committee recommends "that the remaining \$800 be raised at this Conference, and that the State Regent present this fund to the University of Georgia on Armistice Day, 1921, as a testimonial of the love and pride for our boys of the D. A. R."

Supplementary Report.

The \$800 to be raised for our Memorial was pledged at the Dalton Conference and the recommendation was accepted.

Two thousand, two hundred dollars of the \$5,000 fund was given

by the Elijah Clarke Chapter at Athens. This donation made possible our fund, \$1,800 was given to State Treasurer, and a receipt of \$400 already paid to Chancellor Barrow was also given. Our scholarship boy is doing splendid work.

The thanks of the D. A. R. in Georgia are due the Elijah Clarke Chapter.

This Memorial will always remind us of "our boys" and their courage and devotion to duty; and the sacrifice made by these boys has placed them on the high altar of our love and admiration.

REPORT OF COMMITTEE ON OLD TRAILS ROAD.

Mrs. Lee Trammell, Chairman.

As Chairman of the Old Trails Road Committee I have followed the example of my predecessor, and have tried to awaken new interest in the work. We hope soon to have prepared and presented to the State Legislature a Bill requiring the State's Road Commission to erect our road sign wherever the Highway may touch any old Trail or Road.

I have received from Mrs. V. A. S. Moore, of Decatur, a map of Campbell County showing Old Indian Trail from Rivertown to Campbellton.

Oconee Chapter, McRae, Ga., has ordered markers for Hartford Trail and Blackshear Trail to be placed in three different places in Telfair County.

Henry Walton Chapter at Madison hopes soon to be able to mark the Old Seven Island Road which passes through Morgan County.

REPORT OF COMMITTEE ON MEADOW GARDEN.

Mrs. Harriet Gould Jeffries, Chairman.

I will repeat some of the contents of my letter of appeal November 10th, 1929, to the Chapter Regents, the honored members of historic "Meadow Garden" Committee, and of the various chapters.

The yearly expense of keeping up the old home, taxes, insurance, cleaning, repairs, care of grounds, and hedge which surrounds the place, is necessarily large, amounting to over a hundred dollars. In addition this past fall, it was found necessary to paint the house and make numerous repairs. The cost was heavy, \$425.00.

We are deeply grateful for the generous response of the chapters to my appeal. We have received from them since the last State Conference \$197.00. I will now give carefully revised report of the amounts contributed by 52 chapters. Only 20 out of the 72 failed to respond.

REPORT OF COMMITTEE ON EDUCATIONAL FILMS.

Mrs. Robert R. Evans, Chairman.

Since my appointment as State Chairman of Educational Picture Films, I have written every Chapter Regent, requesting her to appoint a chairman to take up this work.

In my opinion, the way to get better movies, is to actually register your preference where they will be most appreciated. That is, at your local theatre. You will soon learn that the picture people are willing to co-operate with you.

February 5th, 1921, in Washington, D. C., at a meeting of the Board of Management, a resolution for better Educational Motion Pictures was unanimously adopted.

COMMITTEE OF CONSERVATION OF OUR NATURAL RESOURCES

Mrs. W. H. DeVoe, Chairman.

Again I have the honor of reporting progress made by your Committee on Conservation of our Natural Resources.

Georgia is abounding in minerals of all kinds. We must use them, but at the same time, conserve them for the future generations.

Our waterways have a most important part in our future, they should be developed to use for navigation, as well as for health and agriculture.

The soil of our lands should be watched carefully. Swamp lands should be reclaimed; thus helping largely, in the future production of plant and animal life.

There is nothing of greater interest than the beautifying of your locality. Cultivate flowers. Have a grass lawn. Care for the birds, encourage them to sing in your parks.

There seemed so much to do to stay the great devastation of our forests, especially the young pine tree, that we worked last year to call the attention of Georgia to this fact—that forest fires alone had destroyed as many trees as had been cut for commercial use. The condition has become so alarming that our President, Mr. Harding, has issued a proclamation making May 22-28, a week of especial

study for the protection of our forests. This is true, our President asks the American people to consider for a week, forest protection, and in his proclamation calls attention to the fact that last year 12,000,000 acres of timber lands were destroyed by fires, causing a loss of \$20,000,000.

We wonder what kind of timber lands can be laid waste at a loss of only \$2.00 per acre—they are lands from which former lumber barons, ruthlessly hacked the cream of the finest lumber growth that ever stood in the world—and left the slashings, littered with brush-tops and shivered trunks to be the prey of locomotive sparks, and abandoned camp fires. These devouring fires sweep vast areas upon which should be growing timber supplies for the coming generations.

Meantime these lumbering interests pursue the same methods—moving to other localities—devastating other forests.

America is facing a timber shortage, and we must consider ways and means of preventing this. These lumbermen should take up a large part of the burden of restoring it.

REPORT OF COMMITTEE ON CONSERVATION AND THRIFT.

Mrs. Fort E. Land, Chairman.

The attention of the entire country is centered as never before upon the question of Conservation and Thrift, and we must practice and preach it in our chapter, in our schools, both city and rural, and in our homes.

I hope each chapter has a Thrift Chairman who is already pushing this work. If you have not, won't you prepare for this vital need at once!

The thrift work should appeal to all, but particularly to the young, as a recent report from a local bank shows that 39,000 school children of Macon have joined the Savings Club in the city, and that total deposits of the children since October 1st are approximately \$6,500. This amount is composed of savings from one cent up. Can the grown-ups beat this? In this campaign your Chairman took an active part. Won't you undertake this line of work through the schools in your town and county? Make a record of what you are doing in this line, and report faithfully to your chairman.

REPORT OF COMMITTEE ON CORRECT USE OF THE FLAG.

Mrs. Chas. C. Holt, State Chairman.

It gives much pleasure to send greetings to the Conference Chapters of this organization and to offer a few suggestions as a working basis for our program during the coming year. Under our new constructive title (Correct Use of the Flag), our Chapters have an opportunity to progress in its Campaign to teach Love and Reverence for our Flag, and how and when to use it.

We should secure good results from education and publicity in the schools, in slides, in movie houses and suggestions given to newspapers. Personal interviews with professional decorators, managers of department stores and business houses, and chairmen of meetings urging the use of bunting only in decorating. Draping rosettes, curtains and costumes for patriotic tableaux, will aid in this Educational Campaign.

We have a Georgia Flag Law, but there is no Federal Law, and not until we have one can a National Flag Code be issued by our Society.

The American Flag.

Its Use. Its Forbidden Abuse.

The American Flag is the symbol of brotherhood of man. It stands for courage, for chivalry, for generosity and honor.

No hand must touch it roughly; no hand shall touch it irreverently.

Its position is aloft: To float over its children, uplifting their eyes and hearts by its flowing colors and splendid promise, for under the Stars and Stripes are opportunities unknown to any other nation of the world.

The government commands the people to honor their flag. Men and boys should uncover as they pass the vivid stripes which represent the life blood of brave men, and the stars which shall shine on forever.

It must be raised at sunrise; lowered at sunset.

It is not a plaything of the hour; it is a birthright of privilege and integrity.

It may not be used as staff, or whip, or covering.

It shall not be marred by advertisements, nor desecrated on the stage.

It was born in tears and blood; it was baptised in blood and tears.

It has floated since June 14, 1777, over a country of benevolence, refuge and progress.

It must always be carried upright.

To bear the Star Spangled Banner is an honor, to own one a sacred trust.

It is the emblem of freedom, of equality, of justice for every person and creature as it floats unvanquished—untarnished over the open door of free education.

The Etiquette of the Flag.

After a victory by the Army or Navy, the flag should be displayed. When the flag becomes old or soiled from use, it should be decently burned.

The Statutes of the United States forbid the use of the flag in registered trade-mark.

The national salute is one gun for every state. The international salute is under the law of nations, twenty-one guns.

In handling the flag it should not be allowed to touch the ground, and never allowed to lie upon the ground as means of decoration—nor should it be laid flat with anything placed upon it.

When the flag is flown at half staff as a sign of mourning, it should be hoisted to full staff at the conclusion of the funeral. In placing the flag at half staff, it should first be hoisted to the top of the staff and then lowered to position.

Whenever our flag and any other are hoisted on the same staff, the Star Spangled Banner must float from the top. In the heart of every American citizen the American flag must have the first and highest place—must be supreme.

The military ceremony observed to show proper respect for the American flag requires that the flag shall not be hoisted before sunrise nor be allowed to remain up after sunset. At "retreat," at sunset, civilian spectators should stand at "attention" during the playing of "The Star Spangled Banner." Military spectators are required by regulation to stand at "attention" and give the military salute. During the playing of the national hymn at "retreat" the flag should be lowered, but not then allowed to touch the ground. When

the flag is passing in parade or in review the spectators should, if walking, halt, and, if sitting, arise and stand at "attention."

The flag should never be placed below a person sitting.

When two American flags are crossed, the blue fields should face each other.

When the flag is placed over a casket, the starry field should be at the head.

In crossing the American flag with that of another nation, the American colors should be at the right.

Always stand when the "Star Spangled Banner" is being played, excepting when played in a medley.

Old government flags are sent by the Quartermaster's Department to Philadelphia, where they are shredded.

The only time when the flag is kept flying through the night at an army post as when a battle is in progress.

Army regulations prescribe—When the flag is displayed from a staff the blue field should be in the upper corner next to the staff.

From private flag poles, the War Secretary advises us, the flag may fly at all hours, day and night, with due respect to the colors.

In draping the flag against the side of a room or building, the proper position for the blue field is toward the north or toward the east.

There are three standard sizes for the flag provided by the War Department regulations: Garrison flag, 38x20 ft.; Post flag, 19x10 ft., and Storm flag, 9½x5 ft.

When buildings are decorated in bunting draped horizontally, the red should be at the top, followed by white, then blue in accordance with the colors of the National flag.

If a foreigner wishes to raise the flag of his nationality in this country he must raise the flag of the United States above it, not below it. If for decoration, the Stars and Stripes must be at the right.

Custom decrees—When the flag is shown horizontally the blue field should be at the upper corner to the left of the person facing the flag, when vertically the blue field should be at the upper corner to the right of a person facing the flag.

If you hang the flag from a window it should be suspended by the same edge which is ordinarily attached to the pole, and if two flags are hung together cantons should be placed together. If the flag is draped across the street the blue canton should be up.

In decorating, the flag should never be festooned or draped, always hung flat.

The flag should never be worn as the whole or part of a costume. As a badge it should be worn over the left breast.

When the National flag and another flag fly from the same pole there should be double halyards, one for each flag.

When carried in parade or when crossed with other flags, the "Stars and Stripes" should always be at the right.

The flag contains thirteen stripes, alternate, red and white, representing the thirteen original states, and a star for each state in the Union.

As an altar covering, the Union should be at the right as you face the altar and nothing should be placed upon the flag, except the Holy Bible.

When the flag is used in unveiling a statue or monument, it should not be allowed to fall to the ground, but should be carried aloft to wave out, forming a distinctive feature during the remainder of the ceremony.

"Hail Columbia" was sung at the ceremony of lowering the flag

at sunset, until 1904, when Secretary Moody ordered that the "Star Spangled Banner" be substituted.

The American Flag, the emblem of our country, is the third oldest national flag in the world. It represents liberty, and liberty means obedience to law.

The arrangement of the stars on the flag is regulated by law and executive order. An executive order, issued Oct. 26, 1912, provided for forty-eight stars to be arranged in six horizontal rows of eight stars each.

General Washington once described the flag by saying: We take the star from heaven, the red from the Mother Country, separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity representing "Liberty."

The field of the flag is the stripes, the union is the blue and the stars. The colors of the flag are red, representing valor; white, representing hope, purity and truth; blue, representing loyalty, sincerity and justice, and its stars represent high aspirations and federal union. The flag is known as "Old Glory," "Stars and Stripes," "Star Spangled aBnner," and the "Red, White, and Blue."

Three Flags Fly Night and Day.

Over only three buildings in America does the national flag fly officially night and day continuously—over the east and west fronts of the National Capitol and over the adjacent House of Representatives and Senate Office Buildings. The two emblems over the Capitol (Storm flag size) are replaced every six weeks, the wear and tear, due to wind and rain, being excessive.

Over the Senate and House of Representative wings of the Capitol the flags fly only while those bodies are in session and during a recess. At adjournment, either at the end of a day's work or for a session, they are lowered.

"When the Stars and Stripes float from the flagstaff of the White House, from sunrise to sunset, it is indicative of the presence in Washington of the President."

REPORT OF COMMITTEE ON HISTORIC POST CARDS.

Mrs. Chas. U. Rogers, Chairman.

When Mrs. Tidwell, former Chairman of this Committee, sent me the Album, almost filled, I thought it already so complete that there was nothing left for me to do, but I have received some very interesting pictures of Historic spots in Georgia.

From Mrs. Warren D. White, Historian of Joseph Habersham Chapter, Atlanta, came; an Indian Mound, near the Chatahoochee River, at Bolton, seven miles from Atlanta; Lachlan Johnson Grove, where slave traders and cattle drovers camped on their journeys through the country; the island in the Chatahoochee over which the Indian trail crossed, at Bolton; and the site of an Indian village, trail and ferry crossing Chattahoochee River at Bolton. These places were all located by Mrs. White.

From Mrs. Bulloch, Columbus, came pictures of the graves of Young Gill and Joseph Herndon.

From Council of Safety Chapter, Americus, several pictures of Andersonville National Cemetery and Prison Park.

"LaFayette, We are Here." A wonderfully interesting paper by our Georgia State Historian and Keeper of Records, Dr. Lucian Lamar Knight, for the Samuel Reid Chapter, 1918, for the first observance of LaFayette Day.

"Government of the Royal Province of Virginia," for Fort Valley Chapter of Cordele, by Mrs. T. J. Durrett.

REPORT OF COMMITTEE ON WELFARE OF WOMEN AND CHILDREN.

Mrs. Rufus H. Brown, Chairman.

The opportunity to have a part in the Welfare Work of our Society is one that should appeal to every member of this organization.

As your Chairman of this Committee, I have gotten in personal touch with every chapter.

Many of the Chapters are working with other organizations in their towns—supplying funds with which to pay the salaries of district nurses, and also providing for courses of instruction in Home Nursing.

One Chapter has established a Day Nursery at a local cotton mill, while another has offered through the County Demonstrator a Georgia Flag to the grade in the County Schools making the highest average in the Modern Health Crusade.

Several towns have baby clinics, and are planning to establish health centers, where women can be instructed in the care of their children, and in the preparation of food.

REPORT OF COMMITTEE ON CHILDREN OF THE REPUBLIC.

Mrs. Bolling Whitfield, Chairman.

Americanization seems the slogan of the hour, and as Chairman of Children of the Republic, it has been my pleasure and privilege to endeavor to interest the Chapters and Georgia in this form of patriotic education that had been so efficiently begun by our State Regent, Mrs. Land, and my predecessors.

I have sent circular letters to each chapter Regent in Georgia, soliciting their co-operation, extending our patriotic work also among the negroes, a problem our Southland has ever held, taking the place of the foreigners in other states.

Hearty endorsements of our splendid appeal and co-operation have been received from the following chapters:

Governor John Milledge Chapter, Dalton: Mrs. Paul Trammel, Sr., Regent; Commodore Richard Dale Chapter, Albany: Mrs. John S. Pope, Regent; Pulaski Chapter, Griffin, Mrs. H. F. Johnson, Regent; Council of Safety Chapter, Americus, Mrs. M. I. Niles, Regent; Chattahoochee Chapter, West Point, Mrs. J. H. Horsely, Regent, Mrs. DeLand, Secretary; John Houston Chapter, Thomaston, Mrs. J. F. Lewis, Regent; Nancy Hart Chapter, Milledgeville, Mrs. J. H. Hutchinson, Regent; Major General Samuel Elbert Chapter, Tennessee, Miss Nan Herman, Regent; Hannah Clark Chapter, Quitman, Mrs. J. L. Davidson, Regent; Samuel Reid Chapter, Eatonton; Miss Martha Edmondson, Regent; General Daniel Stewart Chapter, Perry, Mrs. Alva Davis, Regent; William McIntosh Chapter, Mrs. J. B. Harrison, Regent; Governor Treutlen Chapter, Fort Valley, Mrs. W. B. Smith, Regent; The Stephen Heard Chapter, Elberton, Miss Nora Jones, Regent; Col. John Dooley Chapter, Vienna, Mrs. M. E. Rushin, Regent; Oglethorpe Chapter, Columbus, Mrs. J. S. Dimon, Regent; Joseph Habersham Chapter, Atlanta, Mrs. George Lewis Pratt, Regent; John Clarke Chapter, Social Circle, Mrs. Mell Knox, Regent; Hawkinsville Chapter, Hawkinsville, Mrs. W. V. Bell, Regent; Nathaniel Macon Chapter, Macon, Mrs. Thomas E. Blackshear, Regent.

I wish to thank these chapters for their co-operation making this report possible.

In my own home town and county, have met with most encouraging co-operation through our Superintendent, Professor Dryden, who gave it newspaper publicity, making speeches in both white and colored schools. Through our County Demonstrator, Mrs. Merritt, rural districts have been reached and clubs promised, as has also on Saint Simons Island by Miss Mada McDonald, who has just been appointed Superintendent of St. John's Haven. Mrs. Baker of Valdosta, pledges her services in reviving the dormant clubs in her midst, while through the kindness of Mrs. Spencer R. Atkinson, another wise and valued member of my committee, Hon. M. L. Brittain, State School Commissioner, will be reached.

REPORT OF COMMITTEE ON D. A. R. MAGAZINE.

Mrs. R. S. Roddenbery, Chairman.

As State Chairman of the Daughters of the American Revolution Magazine Committee, I beg to submit the following report:

Last fall I sent a letter to every chapter regent in the State urging them to give the forwarding of interest in our official publication a generous place in their chapter activities. As a stimulus toward increasing the subscriptions in Georgia, I announced that I would give a prize of \$10.00 to the chapter in the state making the greatest increase according to membership. During the year I sent out two hundred and fifty letters and had a reply from only twenty-three chapters. Notwithstanding that lack of response, I am able to report the greatest increase in subscribers of any previous year in the history of the Georgia D. A. R. At the last conference there were reported 187 subscribers, and at this time there are 279 with an increase of 92, or almost 50 per cent, and yet, on a membership basis, Georgia is the lowest of any of the states in magazine subscribers.

Among the chapters deserving special mention in the contest are Fort Early Chapter of Cordele, Stephen Heard Chapter of Elberton, Chattahoochee Chapter of West Point, and Brunswick Chapter of

Brunswick, but, to one of the youngest chapters in the state, the Commodore Richard Dale Chapter of Albany, with a membership of 38 and with 26 subscribers to the magazine, a nincrase of 44 per cent, is awarded the prize.

REPORT OF COMMITTEE ON GIFT SCHOLARSHIPS.

Mrs. James L. Logan, Chairman.

E. Lee Institute, \$20.00; Elijah Clarke Chapter (Athens), two scholarships, \$250.00; Atlanta Chapter (Atlanta), fourteen scholarships. Total for the year 1921, \$1,430.00.

Slaton in memory of her mother, \$150.00. Number of scholarships given by Chapters in the state, 54. Total amount of scholarships, \$3,297.50.

It is requested that each Chapter report the money value of their scholarships in future and if I have failed to mention the work done by any Chapter along this line I trust they will feel it is because their reports failed to reach me. In closing, I wish to thank the Regents and their Gift Scholarship Committees for their interest and prompt responses to the call of this splendid work.

REPORT OF COMMITTEE ON PATRIOTIC SONGS.

Mrs. J. R. Whitehead, Chairman.

As State Chairman of Patriotic Songs I present the following report:

Cards were sent to the Regents of seventy-two Chapters, to each member of the committee on Patriotic Songs and a copy was printed on the official page of the D. A. R. in the Atlanta Constitution. Eleven Chapters replied without having to be prompted for a report and they are on the Honor Roll, as follows: Nathaniel Macon Chapter, Macon; Governor Treutlen Chapter, Fort Valley; Hannah Clarke Chapter, Quitman; Samuel Reid Chapter, Eatonton; Major General Samuel Elbert Chapter, Tennille; Lanahassee Chapter, Buena Vista; General Daniel Stewart Chapter, Perry; Hawkinsville Chapter; John Clarke Chapter, Social Circle; Nancy Hart Chapter, Milledgeville; John Houston Chapter, Thomaston.

James Pittman Chapter, Commerce, Ga., presented two hundred copies of patriotic songs to the public schools.

Thirty-nine Chapters responded to the call for a "report" in March; thirty-three did not reply.

As there are so many versions of the "Star-Spangled Banner," the Executive Board on December 3rd endorsed the version by Francis Scott Key. Leaflets of this version have been sent to the Regents of the seventy-two Chapters and the members of Committee on Patriotic Songs and your chairman is also sending 350 leaflets to be used on the day that the resolution is endorsed for this version to be used by the D. A. R. of Georgia.

REPORT OF COMMITTEE ON INDEPENDENCE DAY.

Miss Mary Guyton Ramsay, Chairman.

Observance of Independence Day, for the past year, was by no means universal, but was fairly general, and in many instances the occasion was characterized by inspiring patriotic and beautiful exercises which cannot fail to be productive of much good.

REPORT OF COMMITTEE ON GEORGIA DAY (FEBRUARY 12.)

Miss Nina Hornady, Chairman.

From the reports that have been sent from so many Chapters of the D. A. R. it is certainly true that Georgia Day was more generally observed this year than ever before.

The programs submitted were characterized by a highly patriotic sentiment and they carried out the spirit of the day—a more loyal regard for our great state and a greater reverence for those men and women, whose devotion has made it great.

For almost twenty years your chairman has devoted her best efforts to the founding and observance of the day, and it is a great happiness to realize that her dreams are coming true.

To those who have so nobly furthered these efforts, I offer heartfelt thanks.

REPORT OF COMMITTEE ON LAFAYETTE DAY (SEPTEMBER 6.)

Mrs. Albert Tidwell, Chairman.

When my appointment as State Chairman of LaFayette Day came, I began work early for two reasons: this a new phase of D. A. R.

work and comes at a very early date in the fall. In August I wrote every Chapter Regent urging the celebration of this great French hero. Fifteen Chapters observed the day, September 6th, with appropriate exercises for which your chairman thanks you and wishes to express her appreciation. The following Chapters have reported observance of this event:

Fort Early Chapter, Cordele; General Daniel Stewart, Perry; George Walton, Columbus; Governor Treutlen, Fort Valley; Nathaniel Macon, Macon; Hawkinsville, Hawkinsville; Wm. McIntosh, Jackson; Pulaski, Griffin; Atlanta, Atlanta; John Laurens, Dublin; Lanahassee, Buena Vista; John Clarke, Social Circle; John Houston, Thomaston; Samuel Elbert, Tennille; Hawthorn Trail, Pelham.

Let us be true and loyal to our friends, our homes, our state and our land.

REPORT OF COMMITTEE ON INTERNATIONAL RELATIONS.

Mrs. John D. Gunn, Chairman.

Since this is a new committee both in the State and the National Society, a very full report will hardly be expected at this time. The first thing to do was to find a common plane of interest and the family undoubtedly forms a common ground for interest throughout the world. The condition and needs of women and children in our own and other lands is indeed a question of vital importance.

With reference to Federal legislation the questions of nationality have been studied and as a matter of international interest to the women of our organization and to all women we are glad to report that a bill to give married women a right to independent citizenship has been favorably reported in the House of Representatives and is on the calendar. Similar legislation is being asked for in other countries.

There is a supplemental treaty with Great Britain now before the Senate which would make wife and family desertion an extraditable offense. At present the man who deserts his family is safe from the processes of the law when he crosses into Canada and since the war there has been an ever increasing number of these shirkers of family duty. It is also true that the United States harbors many men from Canada for the same reason. Your chairman has written Hon. Henry Cabot Lodge, chairman of the committee of the Senate on Foreign Affairs, urging the ratification of this treaty as all provinces of Canada have agreed to it and it now rests with the United States to ratify it.

The Sheppard-Towner bill was favorably acted upon by the Senate in December and amended as to control by the Children's Bureau with some changes in finances. It is now before the committee of the House when those interested are urging the adoption of the changes made by the Senate. Thousands of petitions representing millions of people have been presented and national organizations particularly of women have officially endorsed the bill and of course our own D. A. R. is among the number. Your State chairman has appealed to our Congressman, Hon. Chas. R. Crisp, asking his interest in this bill. We all know that the object of it is to stimulate and aid the state to provide means for saving the lives of mothers and infants who are dying annually for want of proper care and attention. It is stated that it is safer to be a mother in seventeen important foreign countries than in the United States and that babies have a better chance in ten foreign countries than our own.

Following are some of the resolutions recommended by this com-

mittee: (1) That the women of all countries do their utmost to save the children in the famine stricken districts of Europe. (2) That women study legislation with reference to marriage with aliens, especially as to the effect upon the nationality of children with a view to proposals for International Agreements. (3) That the women of all countries continue to fight against the traffic in women and call upon their governments to take vigorous measures to enforce the laws made for the protection of women and girls.

REPORT OF COMMITTEE ON REAL DAUGHTERS.

Mrs. J. H. Redding, Chairman.

After many efforts, and writing many letters, I have failed to find a living "Real Daughter" of the American Revolution in Georgia. It would have been genuine pleasure to have furnished a vital report, but I fear these Daughters have all passed into Eternity.

REPORT OF COMMITTEE ON AMERICANIZATION.

Mrs. Charles Akerman, Chairman.

Americanization in point of construction or elasticity is very much like the "country bumpkin's love letter." To get its full meaning, it really has to be read on the line and between the lines.

REPORT OF COMMITTEE ON "GEORGIA BAY" FUND.

Mrs. Thomas E. Blackshear, Chairman.

When our State Regent appointed me Chairman of a newly created committee to raise funds for the erection of the "Georgia Bay" in the Washington Memorial at Valley Forge, I accepted the Chairmanship full of hope and enthusiasm. I felt that all the Georgia Daughters needed, was to know something of this wonderful Memorial Chapel, and to be brought to realize how lamentable is Georgia's tardy recognition of her soldiers and patriots of the Revolution. This was real D. A. R. work, and as such should appeal to every loyal Daughter in the State.

My letter appealing for contributions, to each Chapter Regent, was sent out in October. In November a letter of mine was printed in the D. A. R. edition of the Atlanta Journal, appealing not only to the Daughters, but to all patriotic Georgians. My first answer to the former letter, and the first contribution was sent by the Hawkinsville Chapter, at that time our "Baby." Then followed other contributions, which I will give in the order received, as far as possible:

Hawkinsville Chapter, \$5.00; Sergeant Newton Chapter, \$5.00; Fort Early Chapter, \$25.00; Nathaniel Macon Chapter, \$100.00; Button Gwinnett Chapter, \$25.00; Thornateeska Chapter, \$25.00; Gov. Treutlen Chapter, \$5.00; Lachlan McIntosh Chapter, \$25.00; Mary Hammond Washington Chapter, \$38.00; Savannah Chapter, \$100.00; Maj. Gen. Samuel Elbert Chapter, \$5.00; Com. Richard Dale Chapter, \$25.00; John Clarke Chapter, \$5.00; Fort Early Chapter, (second contribution), \$5.00; William McIntosh Chapter, \$10.00; George Walton Chapter, \$5.00; Gen. Daniel Stewart Chapter, \$7.00; LaGrange Chapter, \$5.00; Gov. Jared Irwin Chapter, \$10.00; Gen. James Jackson Chapter, \$25.00; Chattahoochee Chapter, \$5.00; Elijah Clarke Chapter, \$10.00; Brunswick Chapter, \$65.00; Hawthorne Trail Chapter, \$5.00; Samuel Reid Chapter, \$4.50; Nancy Hart Chapter, \$5.00.

Twenty-six Chapters out of 72 heard from, making a total of \$549.50. Shall I tell you Georgia Daughters what I had hoped for as a result of my year's work? At the least \$2,000—that would not be even one dollar per member. One of my committee suggested that each member in the State be asked to give two dollars

and that with the fund Mr. Adamson already had on hand would insure the reality of our Georgia Memorial.

I visited Valley Forge and this wonderful Memorial, directly after Continental Congress, last year, and words fail me when I attempt to describe the exquisite beauty of it all. But can you imagine how the empty niche where our "Georgia Bay" should be, cried out to me in reproach? Can you imagine how determined I was that I should never care to visit that "Westminster of America" again, until that empty space should be filled? If each of you could visit this Memorial, it wouldn't take long to raise the money for our "Georgia Bay."

(Seventy-three to Regents, asking for donations, and twenty-nine acknowledgements have been sent).

Major Whigham, head of reconstruction work at Fort McPherson for disabled soldiers, consented to a sale in the city of articles made by the patients. This sale was sponsored by your Chairman, co-operating with Miss Richardson, head of the Occupational Aides and three O. A. instructors. Space was very generously furnished by J. P. Allen Company, and by Chamberlain-Johnson-DuBose Company. In the large show windows, two of our boys gave an exhibition of rug and silk weaving, one hat making and one basketry. Finished articles in book binding, beaded bags, porch lamps and trays in wicker, were exhibited. From this and a previous sale and from orders for rugs, bags, jewelry, etc., the sum of One Thousand (1,000.00) Dollars was realized, the Government deducting the cost of the raw material only.

Christmas, three trees were presented to three wards. The head of each patient's bed was adorned with a red poinsettia tied with red ribbons, also a stocking, well filled, while individual gift boxes to be opened Christmas morning adorned each bed table. One Hundred (\$100.00) Dollars was contributed through friends who had worked with your Chairman.

Late in February the last of our "Over Seas Boys," left us for Walter Reed Hospital.

Beginning with the training camp and ending now, personal work is over. The benefits and blessings have been so great that your Chairman owes to the one time patients at Fort McPherson Hospital, who gave her the privilege of serving them, a debt she can never pay.

REPORT OF COMMITTEE ON PRESERVATION OF HISTORIC SPOTS.

Mrs. E. A. Thomas, Chairman.

The work of erecting monuments on the historic spots of Georgia which was put aside by the D. A. R. for the period of the World War, is "going" again. Judging from this brief report you would say, perhaps, that it is moving slowly, but we know of many fine plans Chapters are working out now which will soon be monuments instead of plans.

The outstanding event of the year is the marking of the site of old "Wayside Inn" by the Mary Hammond Washington Chapter of Macon. Here General LaFayette stopped in 1825, when on his visit to Macon (then only two years old). Other interesting history is connected with this old Inn. The handsome boulder was unveiled with impressive ceremony on March 29th, 1921.

The William McIntosh Chapter of Jackson, has received its bronze tablet for the General William McIntosh monument and the completed work will soon be unveiled.

This year the Major Gen. Samuel Elbert Chapter of Tennille has located the site of an old Indian village and fort a few miles south-east of their city, and with the U. D. C.'s has acquired the title to a

part of an old family cemetery containing the graves of soldiers of the Revolutionary War, the War of 1812, and the Confederate War.

A resolution adopted at the 1920 D. A. R. State Conference called for the marking of three historic spots along Dixie Highway by the State D. A. R., assisted and sponsored by near-by Chapters. The Hawthorn Trail Chapter of Pelham, and the Atlanta Chapter, each asked for the privilege of placing a marker, on Hawthorn Trail and Peachtree Road respectively.

The Executive Board has now authorized the payment of the sum of \$50.00 each to these Chapters for the purchase of a marker and the work we hope will progress without further delay.

We would be glad to receive a request for the third marker from some Chapter along this highway.

REPORT OF COMMITTEE ON LOAN SCHOLARSHIP TO GIRL OF D. A. R. ANCESTRY.

Mrs. Paul Trammell, Sr., Chairman.

The Loan Scholarship Fund Committee for the year 1920, submits the following report, to wit: We had several applications from young ladies for loans to assist them through school, but as our funds were limited and we could only aid one for the present year, we selected Miss Ruth Moore of Decatur. She was very highly recommended and we are satisfied we made no mistake in the selection. She is preparing herself for a business life. She is attending school in Athens.

REPORT OF COMMITTEE ON PATRIOTIC LECTURES AND LANTERN SLIDES.

Mrs. D. B. Small, Chairman.

As this was a new Committee for the State, and I was a new Chairman, I was particularly anxious to get to work quite early in the fall, when the Chapters were planning the year's activities. However, I did not get the information that I needed and thought that I would not be able to get anything accomplished, when a short clipping in the D. A. R. Magazine signed by the National Chairman and a list of the Slides and Lectures sent me by the State Regent, Mrs. Land, furnished me with my first working material, and I immediately got busy.

I have had no response at all from 41 Chapters, to the card which I recently sent to each Chapter asking for reports of Slides used, and information for slides collected; 21 Chapters reported no Slides used during the year for various reasons; and 17 Chapters reported no material collected for Slides. Five Chapters report committees appointed and working on material for Slides, these being, Oglethorpe, Chapter of Columbus; Piedmont Continental Chapter of Atlanta; Sarah Dickinson Chapter of Newnan; Henry Walton Chapter of Madison, and Gov. John Milledge Chapter of Dalton.

Splendid reports have been sent in of Slides used as follows: The Brunswick Chapter reports that several efforts were made to get Slides, but failing to get them, they presented two illustrated lectures on the Puritans; James Pittman Chapter of Commerce reports several Patriotic Pictures shown; Gov. John Milledge Chapter of Dalton reports a Patriotic Slide and Lecture used as a program at one of the regular meetings; LaGrange Chapter reports using one Slide, "The Patriotic History of the Mayflower Pilgrims"; Matthew Talbot Chapter of Monroe sends a most inspiring report of the "His-

tory of the Flag used in the schools as an inspiration for the contest; Gen. James Jackson Chapter of Valdosta will co-operate with the South Georgia State Normal College in presenting a number of Slides, the first "Historic Hudson," to be given Friday, April 8th; the John Benson Chapter of Hartwell and their splendid Regent, Mrs. Walter L. Hodges, having failed in getting information as to prices of Slides, and also as to prices and where to obtain a Lantern, they determined to carry out the original plans, so obtaining a good post-card projector created their own picture show as well as Slides and Lectures.

REPORT OF GENEALOGICAL RESEARCH COMMITTEE.

Mrs. J. L. Walker, Chairman.

It has proven a great pleasure to serve as Chairman of your Genealogical Research Committee. We have only in recent years begun rightly to estimate the worth of our pioneer ancestors who gave their lives and energies toward the founding of our states.

I have written a letter to every Chapter in the State, also to all the officers asking for information on all available State records and the following data has been received: Copies of Revolutionary Pensions to Richard Speak, Sept. 4th, 1837, one of Lilliston Pardure, June 3, 1844; copy of pensions applied for by Edmund Singleton, Oct. 1819, who died in Lumpkin County and whose grave was recently marked by the D. A. R. From Habersham County comes a pension issued to Benjamin West, Sr. This document contains interesting family history. I have two old wills from Washington County of John Webb, one of the first settlers of Georgia, and one from Samuel Webb. They are indeed remnants of the primitive days of the pioneers.

I have sent to the State D. A. R. column the names of some patriots from Georgia who served the years of the Revolutionary War in the Virginia Militia. I have sent histories containing names of the wives and children of five Georgia soldiers who also served in Virginia companies. I have furnished to the column the names of the Army during the years of 1775 to 1779. I have published names of Mayflower passengers and have copied the following records from the Ware County (my county) court house: twenty-four land deeds issued to the first settlers of this county and many of them were bounded by Indian trails and trading paths; names of all county officers, dating from the creating of the county in 1824 to the present date, the first census, bonds of quartermasters, contractors and paymasters of the army, and bonds of surveyors for the State. My work is yet unfinished in the matter of court house records, but these records will be completed at an early date.

We must collect records now. If you have a husband, son, brother, sister or other near relative that served in the World War, now is the time to make a complete record of his services while the facts are fresh in the mind and most accessible. Many societies will be formed in the near future based on service in this war and all the honor possible should be given to those who have taken a part in it. So gather the facts while they are well known and preserve them in the old family Bible or some other safe place.

The many lost records of our Revolutionary patriots should be a lesson to all future generations. We can not afford to allow history to repeat itself in the loss of the great happenings of today.

CHAPTER REPORTS

Mrs. R. G. Riley, Regent.

One member transferred to Tampa, Florida, and one resigned. Twenty-one members reside out of Albany. We have two Life Members. COUNCIL OF SAFETY CHAPTER, AMERICUS.

Mrs. C. O. Niles, Regent.

Our Chapter has held regular monthly meetings. It is with deep sorrow that we report the death of one of our Chapter members, Mrs. Annie Charlton Bailey. We shall not forget our friend, for the sweetness of her life and the beauty of her example will ever be with us as an incentive to higher and nobler living.

All Patriotic Days have been observed, celebrating them with the school children. Books have been purchased for children unable to procure them. Armistice Day was observed by the Chapter. An effort is being made through the county and city teachers to have "The American's Creed" and the "Pledge to the Flag" taught every child.

Cooperating with the County Demonstrator, we have assisted in the Health Crusade and are planning to help stage a pageant the last week in April, at which a handsome Georgia Flag, the gift of the Council of Safety Chapter D. A. R. will be presented to the school making the greatest health score during the four months the health crusade has been carried on.

A D. A. R. medal has been offered to the pupil making the highest score in United States History.

A nice box was sent to the convalescent soldiers of the World War at Fort McPherson.

ELIJAH CLARKE CHAPTER, ATHENS.

Mrs. Geo. T. Hodgson, Regent.

The Elijah Clarke Chapter of Athens presents the following report: The monthly meetings are regularly attended by a large percent of efficient, enthusiastic members. At the close of the business session, a delightful program along patriotic lines is always given. Last April the Chapter collected and sold a car load of paper and realized the sum of \$302.00. The Chapter carries two Loan Scholarships. One \$50.00 for a young woman at the State Normal School in Athens and \$200.00 scholarship for a student at the University. The sum of one dollar has been sent to the State Librarian to aid in purchase of books. Last May we enjoyed a lecture by Dr. H. C. White of the University on Florence Nightengale. Mrs. James White who was at that time the beloved Regent of our Chapter, entertained the Chapter on that occasion with her usual lavish and delightful hospitality. She has since resigned the Regency in order to enjoy a year's travel in Europe and elsewhere. At the beginning of the fall work in September, the Chapter sent forty pounds of tea-cakes and four one year magazine subscriptions to Fort McPherson for disabled soldiers. We were the fortunate possessors of a diamond ring as a premium in a newspaper contest that we had entered. So the Chapter had a raffle and converted the diamond ring into \$420.00. Two graves of Revolutionary soldiers have been located. One a Mr. Bell in Hall County, and the other Mr. Bulloch's grave in Madison County. The Chapter hopes soon to have markers put at their graves. Georgia Day was celebrated at the home of the Regent, Mrs. Geo. Hodgson. The Chapter has sponsored a class in Parliamentary Law for the women of Athens, conducted by Dr. John D. Mell. The Woman's Club of Athens has recently bought a beautiful club house. The Elijah Clarke Chapter not only assisted the Club in the drive for funds, but contributed one hundred and fifty dollars to the cause. The American's Creed, Pledge to the Flag and Salute to the Flag have been placed in the public schools of Athens, both white and colored.

We are most happy to state that all of the causes stressed by our State Regent have been contributed to by our Chapter as follows: Three dollars have been sent to Meadow Garden. The full quota of sixty cents per member has been sent to the State Treasurer for the Immigrant Manual, the Memorial Fountain in honor of the Pilgrim Mother's and Historical Painting to be hung in the War Museum at Paris. Lastly, our great objective for the year has been our contribution to the Memorial Scholarship Fund at the University of Georgia. We have succeeded up to the present time in giving two thousand two hundred dollars (\$2,200.00) toward this living monument to our dead heroes of the World War. To sum up the year's work, if we include the amount raised up to date, for the Memorial Scholarship Fund \$2,200.00 it will be seen that the Elijah Clarke Chapter has collected and disbursed for various causes, three thousand two hundred and ten dollars and fifty cents (\$3,210.50), and we still have a balance in the treasury.

REPORT OF ATLANTA CHAPTER, ATLANTA.

Mrs. Elmer R. Kirk, Regent.

As Atlanta Chapter D. A. R. will celebrate her thirtieth birthday on April fifteenth, she feels that she is now really grown, and is proud to be not only the oldest Chapter in Georgia, but the second oldest in the National Society.

Our twenty-ninth birthday was celebrated at the first meeting after Conference last year. After a delightful program, the birthday cake was cut by the ex-Regents present.

On April 24th our tree in the Author's Grove, Piedmont Park, was dedicated to Mrs. Lollie Belle Wylie our beloved poet, who was the originator of the idea of the grove.

On June 14th it was the Regent's privilege to be hostess at the Flag Day exercises, at her home in Andrews Drive. Following a program arranged by Mrs. James L. Logan, Major Randolph of Fort McPherson explained to the Greek children present the meaning of the flag and what it signified to them.

The prize offered by Mrs. J. M. High for the best historical paper read before the Chapter was awarded Mrs. J. P. Womble.

July fourth falling on Sunday, we attended special services at the First Presbyterian church. LaFayette Day was fittingly observed with Mrs. Charles Rice as Chairman. Joseph Habersham and Piedmont Continental Chapters and all visiting D. A. R. were invited to be our guests. We were the guests of the War Mother's at Pershing Point on September 12th, when they unveiled their tablet to the 130 "fallen heroes of Fulton County." At the September meeting Miss Maude O'Keefe Powers read her essay which won our gold medal at Washington Seminary. This was presented by Mrs. S. W. Foster at the School's commencement exercises at the Atlanta Theatre. Tech medal was won by Oscar Bassarate, a graduate in civil engineering from Havana, Cuba.

In October we celebrated the Ter-centtenary. Dr. Lyons was the speaker of the day.

Through the generosity of Mrs. Wm. A. Wright in donating the first yearly payment of \$25.00 the Chapter is a founder at Tamassee-Industrial School in South Carolina.

On November fifth the three Atlanta Chapters united in giving a luncheon at Craigie House to the State Federation of Women's Clubs in session in our city. At the November meeting we continued the study of the early settlements—Massachusetts and Virginia.

For the first time in the history of our Chapter we observed Scholarship Day, December fifteenth. The Chapter has the honor of placing the first co-ed at Oglethorpe University after getting her training as a scholarship girl. We have fourteen scholarships with a yearly value of \$1,470.00, and a total of \$5,270.00 since 1908. Mrs. S. W. Foster raised \$200.00 among her friends to help worthy girls through school. The Chapter decided to call this the Sophie Lee Foster Loan Fund. Mrs. John M. Slaton gave a scholarship at Agnes Scott in memory of her mother, and is known as the Sarah Frances Reid Grant Scholarship.

We have given three entertainments which with a few contributions have netted us three hundred and fifty dollars. We also rented our Chapter house, which have proven to be the best financial move we have made.

Our most pretentious social affair was the entertainment on January twenty-fifth of Mrs. George Maynard Minor, President General of the National Society, Mrs. John Laidlaw Buel, State Regent of Connecticut, and Mrs. Max E. Land our own State Regent as our guests. The finest suite of rooms at the Georgian Terrace was engaged for them and everything possible done for their comfort and convenience. Mrs. David Woodward, their personal friend, gave an elegant luncheon at her home. Atlanta Chapter entertained at an elaborate reception and buffet luncheon at Craigie House. An address was made by Mrs. Minor, Mrs. Buel and Mrs. Land. Mrs. McCall and Mrs. Kirk were joint hostesses at a dinner party at the

Georgia Terrace, followed by a box party at the new Howard given by the Regent.

Georgia Day was celebrated at the regular meeting on February fifteenth with an appropriate program. On Washington's Birthday a program was given followed by an address by Dr. Libby of Oglethorpe.

We have just finished some necessary repairs on our Chapter house which have cost us close to \$500.00, thus keeping us from paying all our state pledges.

Our donations for the year have been: Martha Berry School, \$100.00; Memorial Scholarship Fund, \$150.00; Immigrants' Manual, \$105.25; War Painting, \$42.10; State Dues, \$62.60; Overseas Girl's Hospital, \$60.00; Tamassee Industrial School, \$25.50; Meadow Garden, \$10.00; Sarah E. Guernsey Scholarship, \$10.00; Fort McPherson, \$10.00; Magazine, \$7.00; State Librarian, \$1.00. Total, \$583.45.

Since last April we have lost six of our members by death—Mrs. William D. Grant, one of the oldest in years, but youngest in spirit; Mrs. C. E. Murphy, Mrs. I. Y. Sage, Sr., an ex-Regent, State Regent, and Vice President General, Miss Emma Roberts, a life member living in Florida, Mrs. Jennie McBee Haugh and Mrs. Elinor Vail Orme, an ex-Regent and loved member. Nine have been transferred to other Chapters. Sixteen new members have been accepted in Washington and eight received by transfer, making our membership 421.

Our Lineage Book was ready for the printer when the World War stopped all unnecessary expenses, and we put the money into a Liberty Bond. It has been a labor of love for Mrs. J. M. High, Chairman, and her committee to bring the records up to date and we hope to have a copy for our State Regent to carry to Washington. This book contains our history, the lineage of every daughter who has at any time been a member of Atlanta Chapter, and many interesting papers and facts.

Mrs. Bryan Collier has just published her book on Representative Women of the South. She has generously given her own Chapter a copy and presents one for the Library at Memorial Continental Hall.

The Regent's daughter, Miss Hazel Kirk, will again be page at Congress. Each year her appointment has come from the President General and the State Regent.

JOSEPH HABERSHAM CHAPTER, ATLANTA.

Mrs. George Lewis Pratt, Regent.

We of the Joseph Habersham Chapter as all Daughters of the American Revolution striving ever onward and upward, have our Soldiers Memorial almost in sight! We would have that Memorial second only to our own Continental Memorial Hall of Washington. An ideal materialized, a building that all Georgia will be proud of. We want every citizen of Atlanta, every Daughter, every Georgian to have a part in it.

First in my budget was a rummage sale that netted us \$127.00, augmented later on by over \$1,000.00 from Mrs. Peel's Barn Dance (for the building fund).

On June 14th we celebrated Flag Day. July 15th we held an Americanization meeting at St. Mark's church. Mrs. J. A. Perdue, Chairman of this committee, made an eloquent appeal in behalf of the immigrants and introduced Mrs. James Logan, State Chairman

of Gift Scholarships, who was the speaker of the afternoon. Mrs. Peel, Mrs. Dykes, and others giving five minute talks on this subject. In August we bought an additional 55 feet for our beautiful lot, making our frontage now 198 feet. On September 6th, we were the guests of the Atlanta Chapter, participating with them in the celebration of LaFayette Day. September 17th we united with the different patriotic organizations in celebrating Constitution Day in the House of Representatives at the State Capitol, Mrs. James R. Lamar, National President of the Colonial Dames, making a brilliant address on the "Signing of the Constitution and its Historic Importance." October 11th was memorable for our celebration of the 30th anniversary of the Founding of the National Society of the D. A. R. Mrs. Max Land, our State Regent, delivered a brilliant address. Other speakers were Mrs. Peel, Mrs. Scott and Dr. Lyons. On October 20th our Chapter registered and assisted the League of Women Voters at the Tax Collectors office. Mrs. McDougald, Mrs. Linton Hopkins and Mrs. Davison with a committee of twelve represented the Chapter in this work. October 28th, Mrs. R. P. Stahl and Mrs. W. D. Manley gave a card party at the Ansley to defray our quota of the expenses for a luncheon to the President and delegates of the State Federation of Women's Clubs. Also in this month was the patriotic service and eloquent address delivered by our Chaplain, Dr. Lyons, in commemoration of the tercentenary landing of the Pilgrims, November 21st, 1620.

A source of pleasure and profit to us has been our monthly papers on current topics conducted by Mrs. Chas. Robertson. A special feature has been the papers on "My Revolutionary Ancestors," read at each of the meetings by different members.

In November the State Federation of Women's Clubs convened in Atlanta and the three Chapters of the D. A. R. united in entertaining them at a delightful and delicious luncheon at Craigie House. A noteworthy event of this month was our magnificent Georgia Products Dinner, Nov. 23rd, which assembled over 1,600 people, among whom were the Governor and other notables, each of whom was served with a delicious, hot turkey dinner. Through liberal donations and contributions from all over Georgia, we were able to clear \$1,114.00. Over 100 newsboys were given a free lunch feast just at the conclusion of the banquet.

In January the Chapter gave its mammoth, annual card party—the Kettledrum—at the Auditorium.

Our Georgia Day exercises, (February 12th), Mrs. W. F. Dykes, Chairman, came off with even greater eclat than usual. Mrs. Peel, Chairman of the Building Committee, gave a large benefit bridge the latter part of the month, and our fifth annual series of Operalogues opened at Cable Hall with the new opera, Andrea Chenier.

Early in June, Mrs. Peel entertained delightfully at the Piedmont Driving Club, in compliment to the Regent, and incoming officers; and again in mid-summer at a reception to meet that notable trio of brilliant and charming women, Mrs. Max Land, Mrs. Frank Harrold and Mrs. J. E. Hays.

The Regent entertained at a Buffet Luncheon at the first Board Meeting, and again at a tea on November 15th.

On February 15th the Chapter gave a Reception at the Druid Hills Golf Club, having as their special guest of honor, Mr. H. G. Willis.

We appreciated the gracious and cordial invitation of the Atlanta Chapter, D. A. R., to participate with them in their entertainment of Mrs. Rogers Maynard Minor, President General N. S., D. A. R.

and our State Regent, Mrs. Max Land, on the occasion of their visit to Atlanta in January.

Mr. H. G. Willis, Chairman of our Finance Committee, put through a successful drive which realized for the Chapter nearly \$4,000.00.

We are now arranging a Tombola, sponsored and directed by our versatile and ever indefatigable Mrs. Peel, which, briefly stated, is an original combination of dance and bazaar with other interesting features thrown in, including a "Coon Can," etc.

At the meetings through the year we have had many distinguished speakers, among them our architect, Mr. Henry Hombostle, Mrs. Luella McCollum, and Mrs. Scottie McKenzie Frazier, the young Alabama poetess. A number of interesting historical papers have been read.

We have Scholarships at: Washington Seminary, \$125.00; Woodberry School, \$123.00 Elizabeth Mather, \$125.00; Marist College, \$125.00; Lanier University, \$100.00; Mrs. R. B. Blackburn's School of Expression, \$50.00. Making a total of \$650.00 due to the efforts of our Chairman, Mrs. W. S. Coleman.

Since May, 1920, we have received 36 new members; 10 by transfer and 26 accepted in Washington. We have lost sixteen: ten were transferred to other Chapters, and six passed into the Great Beyond. These were: Mrs. W. R. Hammond, Mrs. Paul Norcross, Mrs. P. H. Mell, Miss Susan Estill, and Mrs. Randolph Rose. On May 2, our "Real Daughter," Mrs. Josephine Walton Webb, passed away. We now have 434 members with only 18 in arrears for 1921, making a paid up membership at Washington of 416. I regret to say that of this number, only 33 subscribe to our splendid D. A. R. Magazine.

It gives me pleasure to record the adoption of the Byrd Service Button by our Chapter. It is simply a visible pledge to live up to one's highest ideals. Mrs. Peel and Mrs. Ward are co-chairmen of a large committee sponsoring it.

I cannot close this already lengthy report without a brief tribute to our generous friend and cooperator, Mr. Willis, who with his wonderful support and help has given fresh impetus to the work inspiring us to renewed and unflagging effort.

All obligations and dues have been paid. We will soon mark the grave of Col. Wm. Fariss, the one Revolutionary soldier whose grave we have been able to locate in Walker County. There is very little Revolutionary history in Walker County. But it is replete in Indian historical lore. The home of the great chief of the Cherokees, John Ross, stands intact, and is situated in the Northern part of Walker, and the Chapter is planning to very soon mark this spot.

One June 15th, Flag Day was appropriately observed. In September a special program was enjoyed, celebrating the birth of LaFayette, the anniversary of the founding of the D. A. R. Chapter, and commemorating two of America's greatest battles, St. Mihiel and Argonne.

We have paid our State tax \$3.90, and \$5.00 for our Charter.

MARY HAMMOND WASHINGTON CHAPTER, MACON.

Mrs. J. N. Talley, Regent.

The Mary Hammond Washington Chapter is just closing a successful and harmonious year. We have on our rolls one hundred and twenty-seven members, having lost two by death during the past year—Mrs. A. J. Orr and Mrs. J. J. Gaillard.

We have met in full every obligation asked by the State and National organizations, having sent 10.00 to Meadow Garden, paid \$18.90 as State dues, given \$10.78 to the deficit on the Guernsey Scholarship fund, sent \$74.85 for the Americanization Manual and other objects requested by the National Society, and \$125.00 for the State Memorial Scholarship at Athens. We contributed \$10.00 for Near East Relief. We also sent \$38.00 for the Georgia Bay at the Valley Forge Memorial.

Our big work this year has been finally placing our marker-boulder as a memorial on the site of the old Wayside Inn, one of the oldest places of public entertainment in Middle Georgia and especially in memory of LaFayette's visit to Macon in 1825. We feel that this marks the most historic even that has ever occurred in Macon's history. Our marker is a massive block of granite from the mountains of North Georgia. It stands 5 1-2 feet in height is 4 feet across and 2 1-2 feet in thickness, and weighs nine thousand pounds.

On March twenty-ninth, which day was the ninety-sixth anniversary of LaFayette's arrival at that very spot, the stone was unveiled and presented to the city. The French and American flags were drawn from before it by little Henry Lamar whose great-great uncle was aid to LaFayette, and James Everett, whose great-great grandfather welcomed the General in behalf of the city. The address upon LaFayette was also given by an historic descendant, the Rev. Oliver Hart, whose great grandfather, also Rev. Oliver Hart,

of Charleston, S. C., rendered signal service during the Revolution by using his fiery eloquence to arouse patriotism. Mr. Hart served as a Chaplain at the very front during the recent World War. Our boulder was placed at an expense of \$337.00, making the total amount that we have expended during the year \$624.13.

We have also twice united with the Nathaniel Macon Chapter in giving a reception, in October at the home of Mrs. W. D. Lamar in honor of the State U. D. C. meeting, and in January when we were happy in having with us our President General, Mrs. Minor, and Mrs. Buell, State Regent of Connecticut.

We have a \$300.00 rotating Scholarship, which helps young people to take business courses. We have obtained also from Mercer University an Americanization Scholarship, to be bestowed upon a boy of foreign parentage.

NATHANIEL MACON CHAPTER, MACON.

Mrs. T. E. Blackshear, Regent.

It is with feelings of pride that I submit the following report of the Nathaniel Macon Chapter. Twelve new members have been enrolled since last Conference, five have papers pending in Washington, and thirty are working on their applications. One member has been transferred to the National Society.

All National and State dues are paid, also Chapter's full quota for the Immigration Manual fund, and the thirty-five cents per capital for the Pilgrim Mother's Fountain, and the Painting for the Paris War Museum. Our pledge of one hundred dollars for the "Georgia Bay" was paid in November, and additional contributions have been promised us. Our pledge of fifty dollars to the American International College has been paid. Ten dollars of this amount was diverted to the Sarah Guernsey Scholarship at the same institution, and at our March meeting the Chapter voted unanimously to direct the remaining forty dollars toward the same Scholarship. Two dollars was also sent for "Xmas Sunshine Fund." An initial payment of twenty-five dollars has been paid for the D. A. R. Memorial Scholarship. Five dollars to Meadow Garden, and one dollar to the State Librarian. One of our most important parts in Americanization work has been the presentation of a large poster of the American's Creed, framed, to each of the fourteen public schools in Macon.

Last May we gave a \$5.00 gold piece to the child in the sixth grade writing the best essay on "Causes of the War of the Revolution." We have ordered one of the gold D. A. R. medals endorsed by the last Conference and will present it next month to the pupil in the seventh grade who writes the best essay on "What America Means." Our opening exercises at each regular meeting this year have consisted in the singing of "America," the recital of the Lord's Prayer, Pledge to the Flag, and the American's Creed, by the Chapter members. Flag Day was observed, also a joint observance of LaFayette's Birthday and Constitution Day, and Georgia Day. The Chapter has studied the text of the Constitution of the United States and has had several splendid addresses on this subject. We have ten subscribers to the D. A. R. Magazine. The Chapter sent a box of delicious jellies and preserves to the convalescent soldiers at Fort McPherson. In January the Chapter sponsored a benefit card party to secure funds for Americanization work. We also assisted in the sale of tickets for the Lanier Celebration, the proceeds of which were used for the same purpose. Also a two days' Rummage Sale from which we realized over ninety dollars.

In October we entertained jointly with the Mary Hammond Washington Chapter in honor of the visiting U. D. C.'s, and again in January when our honored President-General, Mrs. George Maynard Minor, and the State Regent of Connecticut, Mrs. John Laidlaw Buell, visited Macon. Our beloved State Regent was an honored guest on both of these occasions; also at a buffet luncheon, which the Chapter Regent gave for Mrs. Minor and Mrs. Buell, who were her house guests. We have added Lucien Knight's "Roster of Georgia Soldiers of the American Revolution," and eleven lineage books to our Library. We have contributed through individual members to our local "Baby Welfare League," also to the Near East, European and Chinese Reliefs. Several of our members also took an active part in the recent Y. W. C. A. drive.

HENRY WALTON CHAPTER, MADISON.

Mrs. Edward E. Butler, Regent.

With a membership of thirty-three the Henry Walton Chapter has striven to justify its existence. We now have on time deposit \$337.00. A play was written by one of the members of our Chapter, especially for the D. A. R. This play has been presented and we netted \$337.00. It is to be used for a Memorial to the boys of Morgan County, who participated in the World War. The D. A. R. of Madison are giving their support to the schools of Morgan County in an historical pageant to be staged under the management of a government official, who is the head of the Welfare Work of our County.

In March part of the court house was turned into a temporary hospital and seventeen operations were performed on the county children by a doctor and his assistants who came down from Atlanta. This was done for only \$20.00 apiece, bringing it within the reach of every one. We have contributed to Martha Berry School; offered a D. A. R. medal for history in the Madison School; contributed to the Painting to our boys to be hung in a Museum in Paris; we have pledged our pro rata share to the Memorial to every Georgia boy who has engaged in war. This is the Memorial erected by the Joseph Habersham Chapter of Atlanta. One member has contributed generously to the Near East Relief Work.

At an early date Henry Walton Chapter is planning to mark the "old trail road" that runs through Morgan County. On this road is the site of an old inn.

This is an original deed on sheepskin, made in 1795, conveying 25,000 acres of Camden County, Georgia to David Allison of Philadelphia from Abner Mitchell through his attorney, John Shellman of Augusta. It is certified by Matthewe Clarkson, autograph, Mayor of Philadelphia, and sealed with the seal of the city of Philadelphia. It will be framed and presented to Memorial Continental Hall through the State Regent at a later date. A genealogical sketch and the first hundred marriages of Jackson County, Georgia, have been sent to the State Consulting Registrar. In November, thirty-six dozen tea-cakes were sent Mrs. Barnes for Fort McPherson. Our latest achievement was a banquet to Wilbur Oglesby Post, American Legion, March 24, at the Country Club. The forty-three daughters of the John Clarke Chapter report a growing interest among our members in the State and National work of the Daughters of the American Revolution. We have held twelve regular meetings since our last report. A debate on the January program proved of such interest that we have decided a debate will be given a place in each year book. We have observed Flag Day, Columbus Day, LaFayette Day, and especially pleasant was Georgia Day when our Chapter entertained the local U. D. C. Chapter.

On November nineteenth last, our Chapter arranged a Mayflower program, and besides the school children a large crowd of townspeople were present. A medal will be given to the pupil making the best average in American history. We gave seventy-five books of patriotic songs to the high school.

A marker has been ordered for the grave of Isaac Boring, in Jackson County. He is a Revolutionary ancestor of one of our members, Mrs. Fannie Stanton. It is of interest that this grave is on the land granted by the State of Georgia in 1799 to him. The land has never been out of the possession of the family, and Mrs. Stanton now owns it.

Our Chapter is growing in numbers. We regretted to lose two members by transfer, but have gained one by transfer, ten by appli-

We sent a box of cookies to the soldiers at Fort McPherson, and twice during the year a box of new magazines. 40 magazines have been sent to local hospitals.

Flag Day, June 14th; LaFayette's Birthday, September 6th, and Georgia Day, February 12th, were celebrated with suitable programs, and Washington's Birthday, February 22nd, was made most attractive by a patriotic show and program by local talent. From this we realized \$69.65.

The General James Jackson Chapter did her part in Armistice Day celebration, a barbecue dinner was served to 500 men, and the Regent acted as chairman of arrangements. The Chapter conducted a parcels check booth at the Georgia-Florida Fair in October, and from this effort \$70.00 was added to our treasury.

On March 8th the Chapter sponsored a large benefit party, when the sum of \$65.65 was realized. At our February meeting, we decided to have a "dollar day," when each member must make a dollar for the Chapter and tell how they made it. The result was a splendid sum for the treasury. Another entertainment was the presentation of "Miles Standish" by local talent. Mrs. S. W. Foster was our guest on this occasion and added much to the program by reading the American's Creed from the stage. General James Jackson Chapter was the first in Georgia to send her full quota for the Immigration Manual fund.

We have given to the various causes as follows: Immigrant Manual fund, \$18.25; Memorial Fountain at Plymouth, and the Painting of a Convoy of Transports, \$27.65; Valley Forge, \$25.00; Meadow Garden, \$5.00; Memorial Scholarship fund, \$25.00; Scholarship at South Georgia State Normal College, \$125.00; bought Red Cross Bond at Christmas, \$25.00 Sarah Guernsey Scholarship, \$10.00; to State Librarian for books, \$1.00; Y. W. C. A., \$25.00; Lineage Books, \$3.00. Total, \$271.65.

We have fifteen subscribers to the D. A. R. Magazine, a gain of fifteen during the year. We have a very active Chapter of Children of the Revolution, and under the able leadership of Mrs. D. B. Small are doing fine work.

Each year a prize is offered to the High School pupil making the highest average in American History. At the graduating exercises of the High School, the Regent presented this prize, a ring with D. A. R. monogram in blue. Pupils in town and county have memorized the American's Creed. The Regent has visited every class room of the city schools, and given short talks on the "Correct use of the Flag." A letter was written to every teacher in the county, and a request made to observe Armistice Day.

Our meetings are opened with America, followed by the Lord's Prayer. Only American music has been used on our programs. Twice during the year, the foreign-born women were invited to our meetings.

COLONEL JOHN DOOLY CHAPTER, VIENNA.

Mrs. M. E. Rushin, Regent.

Col. John Dooly Chapter submits the following report: Number of members 13, two non-residents, lost one by transfer. Meetings have been held regularly, programs following suggestions made by State Program Committee have been rendered.

On Independence day had an inspiring talk on D. A. R. work by

beloved State Regent. LaFayette and Constitution Day, Armistice Day and Georgia Day have all been appropriately observed by the Chapter. On George Washington's Birthday a beautiful Colonial tea was given by all the clubs of the town. A benefit play, "The Courtship of Miles Standish," and lantern slides have netted us a small sum. We have urged that patriotic songs and American's Creed be taught in our schools. An interesting study of the Constitution has been taken up.

We have contributed to Community House improvement, \$9.00; Community House Piano, \$9.00; Manual, Memorial fount, Painting, 60c per member, \$7.80.

The most important matter we have to report is that of the gift of the D. B. Lenard house and grounds by Mrs. Bertha Lenard Marshall of Charlotte, N. C. This property is given in charge of the Woman's Club to be shared by other clubs of the town, U. D. C., D. A. R., and Music Club. The buildings of this Community House have been repaired and plans are made to convert part of the grounds into children's play grounds.

THE JONATHAN BRYAN CHAPTER, WAYCROSS.

Mrs. J. H. Redding, Regent.

The Jonathan Bryan Chapter submits the following report: To Armenians, \$20.00; Americanization, \$6.50; Walton Vases, \$2.00; Prize for Historic Composition, \$5.00; Meadow Garden, \$2.00.

LYMAN HALL CHAPTER, WAYCROSS.

Mrs. E. Downer Dimmock, Regent.

The Lyman Hall Chapter submits the following report. The removal of our Regent, Mrs. B. W. Redding, to Cogdell, necessitates service of the Vice Regent, who submits this report.

In educational work we have the earnest co-operation of the teachers; the American Creed has been placed in all the schools, also patriotic songs. Two transfers have been made this year, both charter members. We have had one member transferred to us. We have had seven new members to join our chapter this year. We have one member who subscribes to the D. A. R. Magazine.

The Chapter gave \$2.00 to Meadow Garden. Mrs. Ben Redding, Regent, made a personal gift of \$2.00 to Meadow Garden. The Chapter subscribed \$34.00, one dollar per member, to the Memorial Scholarship. Our Historian, Mrs. J. L. Walker, has gotten up some valuable historical data about Ware County and that magnificent Ware County mystery, the Okefenokee Swamp and Billy's Island.

All our pledges have been paid and our Treasurer, Miss McKnight, reports the following being a brief statement of our condition: One Bond, \$100.00; One Bond, \$50.00; War Saving Stamps, \$30.00. Cash, open account, \$50.00.

KETTLE CREEK CHAPTER, WASHINGTON.

Mrs. Sarah R. Dillard, Regent.

I herewith send you annual report of Kettle Creek Chapter. We have twenty-six paid up members. Applications for two new members have been sent in. We have contributed liberally to the Woman's Club building to be erected here. Money on hand to mark Kettle Creek Battle Ground as soon as road is opened.

In October the Chapter had a booth at the East Georgia Fair held here. The exhibit consisted of canned products. We won a prize of \$20.00, which was contributed to the Woman's Club building fund.

CHATTAHOOCHEE CHAPTER, WEST POINT.

Mrs. J. H. Horsley, Regent.

It is a pleasure to submit to the Conference the report of the Chattahoochee Chapter. We have had an interesting and successful year, meetings being held regularly at the Chapter room each month with good attendance, and with program following line of study suggested by State Regent, as arranged in our attractive Year Book. Our membership is 32, four of whom are non-resident and there are five papers pending at Washington.

The work of the year may be summed up as follows: All dues have been met. Contributions: Scholarship fund, \$35.00; Valley Forge, \$5.00; Meadow Garden, \$5.00; Manual for Foreigners, 25c per capita, \$8.00; Georgia Book Shelf, Continental Hall, \$1.00; Pilgrim Mother's Memorial, 25c per capita, \$8.00; Painting, 10c per capita, \$3.20. Total, \$65.20.

We have sent fruits, jellies and flowers to Fort McPherson hospital. Flag Codes have been placed in the schools of our town and community. American's Creed and Pledge to the Flag have been put in the hands of each grade teacher in our public schools, and they are teaching them to the pupils. We have fifteen subscribers to the D. A. R. Magazine. Have adopted the D. A. R. pin as prize for best essay on American History. All historic days have been appropriately observed.

MEMORIAL RESOLUTIONS

Mrs. Herbert M. Franklin, Chairman.

How beautiful is sleep! The baby in its mother's arms, tired, fretful, nestles close to her heart, gently falls to sleep and smiles as the angels whisper, while mother sings:

"Hush, my dear, lie still and slumber,
Holy angels guard thy bed."

The child has older grown. The cares of schooldays weary her heart. Lessons of life are being learned, and when hours of play-time are over, how sweetly she sleeps!

"She goes where great dreams keep
No memory of life's shadows.
There alone,
She reaps the rose of sleep."

Now she has reached the age of glorious womanhood. As a full blown rose she makes fragrant all the pathway, as she gives her life of service to home and country. Each day of her life, she makes with her own hands a bit of the material out of which to construct a Living Memorial.

Since our last Conference, many have fallen asleep, and "Just as a day well spent, gives joyful sleep, so does life well employed give joyful death." As Hugo says: "The death of the just is like the end of a beautiful day." We cannot think of these friends as dead, "You simply fall asleep, that's all you know."

How sweet this is—this soft slipping away from pain and worry—from the cares that grow, feeding upon themselves, all through the day. Then comes calm night, the noise and strife of life is stilled, and for the noise, we feel a soothing sweep of unseen wings.

"Death is misjudged—misnamed, with terrors rife,
It gives the body rest—the spirit life."

We see the smiles which glorify the faces of our sisters since their awakening in the world where sorrow and suffering are no more

The sun has new glory since you are there,
The moonbeams inspire us to praise and to prayer,
Your loyalty shines in every star,
Guiding to Heaven the D. A. R."

Those who have passed away since last Conference are: Mrs. Lillian Ivey Davis of the Major Samuel Elbert Chapter, Tennille; Mrs. I. Y. Sage, Sr., ex-State Regent, Vice President-General, and ex-Regent, Atlanta Chapter; Mrs. Wm. D. Grant, Mrs. C. E. Murphy, Miss Emma Roberts, Mrs. Frank Orme, and Mrs. Jennie McBee Haugh, Atlanta Chapter, Atlanta; Mrs. Sallie Hamilton Williams, Elijah Clarke Chapter, Athens; Mrs. W. P. Hammond, Mrs. Paul Norcross, Mrs. P. H. Mell, Miss Susan Estell, Mrs. Randolph Rose, Mrs. Joseph Walton Webb, (Real Daughter), Joseph Hebersham Chapter, Atlanta; Miss Leila Hunton, Tomochichi Chapter, Clarks-ville; Mrs. Felix Jackson, Col. Wm. Candler Chapter, Gainesville; Mrs. S. J. Marland, ex-Regent Pulaski Chapter, Griffin; Mrs. A. J. Orr, Mrs. J. J. Luilleard, Mary Hammond Washington Chapter, Macon; Mrs. Samantha Goodmiller, Wm. Few Chapter, Eastman; Mrs. Mary Cato Black, John Houston Chapter, Thomaston.

RESOLUTIONS OF THANKS.

Mrs. J. A. Peacock, Chairman.

If thanks were flowers we, the members of the Twenty-third Annual Conference of the Georgia Chapters of the Daughters of the American Revolution, would shower brightest buds and sweetest blossoms upon the City of Dalton and the County of Whitfield, as a token of our appreciation of the gracious courtesies and manifold kindnesses which have been shown us during our stay in this fair and charming municipality, where "every prospect pleases," and not even man is vile.

Around the broad and lofty brow of this community we would wreath the garlands of Easter lilies and morning glories, as expressive of our thankfulness for the warm-hearted, whole-souled welcome that has come to us from the hearts of our hosts; and to each man, woman and child we would give gorgeous clusters of all species and varieties of roses, which should exhale rare aromatic odors until these hospitable people fancied the perfumes of Araby the blest were enfolding them.

We are thankful for the reviving fragrance which comes to us from the pure and sweet altars of the air that abound in and around this city, as "Spring unlocks the flowers to paint the laughing soil."

In this glorious community, where the sun kisses her cheek like a lover, like men of high purposes and honorable achievement, and women of matchless beauty, grace and accomplishments.

"Here faith is kept and truth revered
And man is loved and God is feared."

How appropriate then that this County was named in honor of the most renowned pulpit orator of his day, a companion of the Wesleys, and the founder of Bethesda Orphan Home, near Savannah.

There is scarcely a foot of ground in this vicinity that has not been glorified by the valor and baptized with the blood of the valiant and heroic men who intrepidly fought under the colors of that marvelous Confederate leader, Joseph E. Johnston, the greatest tactician and the most superb strategist of the Civil War. Here, in this loyal community, where the great Southern commander had his base of operations, stands the first monument erected in honor of this colossal military figure, whose renown has circled the globe.

The members of the Bryan M. Thomas Chapter may well rejoice that they are the Daughters of Confederate mothers whose unwavering faith in the Southern cause shone over a guiding star amid the gloom, disasters and storms of war.

And, when the American bugle call to duty sounded in the European conflict, each Whitfield County woman was anxious to be the first to serve her country. Like the noble women of the Confederacy, they unobtrusively performed arduous duties in new fields of fortitude and heroism, patriotism and sacrifice, economy and industry.

When America drew her sword, with splendor and applause, in the World War, the young heroes of Whitfield, like their intrepid sires in the '60's, girded on their armor and marched forth to the accomplishment of valorous deeds that breathe a new song upon the harp of Poesy.

We are thankful for the Stars and Stripes which float over us today, unstained with dishonor, but hallowed by heroic blood. Victory has blazed upon the gorgeous ensign of our country's liberty since the hour it waved in triumph over the surrender of Cornwallis. It

is "unrivaled on the foaming deep—unconquered on the battle plain."

We are thankful to have been entertained under the delightful auspices of the Governor John Milledge Chapter, named in honor of one of the immortal patriots who helped to accomplish the American Revolution. He graced the Governorship of Georgia and adorned a place in the United States Senate. But it was as a patron of education that his name shines most lustroously amid the brilliant stars that make Georgia's glorious diadem. He was prominent in founding the University of Georgia, the oldest State University in the Nation. He generously donated the land upon which is the site of this historic institution and of a part of the City of Athens.

We are thankful to Mrs. Paul B. Trammell, the accomplished Regent of the hostess Chapter, for the cordiality of her welcomes, the ceaseless grace of her favors, and the exquisite charms of her society. The beautiful greeting which she extended to us, in behalf of her Chapter, was like the blossoming rose which sheds its rays over our hearts, and breathes its sweetness upon our lives. Her graceful introduction of our loved, honored and gifted State Regent sparkled like a "gem of purest ray serene."

We are thankful to all the associate officers and members of the Milledge Chapter for their varied and delightful attentions. In the far years to come, the sweet remembrance of their courtesies and kindnesses will linger with us, like the fragrance of roses that are faded and gone.

We are thankful to Colonel W. C. Martin for his eloquent and inspiring address of welcome. It was adorned with all the graces of speech, and possessed the choicest forms of expression. He has achieved many victories in the field of mind, but we are confident he has never delivered an oration of richer radiance than the shining words with which he welcomed us.

We are thankful for the invocations which have ascended from this holy sanctuary, in which this Conference has been so kindly permitted to assemble. These benedictions have brought upon us the extinguishable light of the love of God, which tells us of the redemption of mankind, and brightens the human heart with the cheerful hope of immortal life.

We are thankful for the wondrous melody of songs which has flooded our souls with sunshine and happiness. As we listened to the exquisitely rendered solos, our hearts exclaimed of each golden-throated vocalist,

"Her every tone is music's own,
Like those of morning birds,
And something more than melody
Dwells ever in her words."

As the delightful strains from orchestra and quartette and accompanist came o'er our ears, we realized what the poet meant when he said:

"Of all the arts beneath the Heaven
That man has found or God has given,
None draws the soul so sweet away
As music's melting mystic lay;
Slight emblem of the bliss above,
It soothes the spirit all to love."

We are thankful for the greetings spoken to us by the gifted ladies

in behalf of different clubs and other organizations in this community. Their utterances were exquisitely clothed in all the ornaments of the English language, and breathed the fragrance of the choicest flowers of rhetoric.

We are thankful for the presence of the distinguished guests who were so charmingly presented to the Conference by our always graceful and happy State Regent. Georgia, gazing upon the starlit heavens of her greatness, points with ever increasing admiration to this galaxy of female loveliness and talent that shines with surpassing beauty and intellectual brightness.

We are thankful to Dr. Lucien Lamar Knight for his broadly historical and highly scholarly address. His fluent and melodious style is as charming as his idealistic imagery and poetic coloring are delightful. Without the name of this brilliant genius the sky of Georgia's literary glory would lose one of its brightest stars.

We are thankful to Dalton's own poetic genius, Mr. Robert Loveman, for the delicious cadences with which he charmed us. The song of the mocking bird is not sweeter than the harmonies which float away from his golden harp. They give to earth a melody as sweet as the melting songs of other and purer worlds.

We are thankful for the rare and rich viands with which we have been regaled by the Hostess Chapter, the Lesche Woman's Club, and the U. D. C. Chapter. The princely dainties served at these delicious repasts were exquisitely pleasing to every taste. In fond anticipation to be accorded us this evening at the ideally hospitable home of Mrs. M. E. Judd we wish in advance to express our thanks to this charming lady for her queenly courtesy and most delightful hospitality.

We are thankful to the "rose bud garden" of pages for their beautiful care of us during the deliberations of the conference. Each one of them moved about so gracefully that we found ourselves echoing the sentiment of the poet:

"A form so fair, that like the air,
'Tis less of earth than Heaven."

Each is a dream of delight, and as "one star differeth from another star in glory," even so does one page differ from another page in beauty and loveliness.

We are thankful to the Dalton Citizen for the glad tidings of our Conference which it has so generously heralded in its bright and popular columns. The paper is an ecstasy, and may it shine on and on, shedding its cheering beams afar. May the roses and fragrance of a prosperous and happy life be the portion of Editor Shope and each of his journalistic associates.

Therefore, be it resolved, that in leaving these scenes which will always be to us prolific of happy memories to things we would not willingly forget, we wish for our Hostess Chapter, and for all the people of Dalton and Whitfield, a future of "beauty's bloom," of "fancy's flush," of "music's breath." May time move for them on "wings glittering in the pearls of Hope."

"As half in shade and half in sun
This world along its path advances,
May that side the sun's upon
Be all that ere shall meet their glances."

And now, as a benediction upon all that has been said and done at this Conference, we desire to express our admiration and affection,

our gratitude and thanks, to Mrs. Max E. Land, for the faultless judgment, matchless tact, superb poise, exquisite graciousness, untiring energy, and unflinching consideration that have characterized her administration as State Regent. Attractive as she is under all circumstances, she has never more admirably reflected the scintillating qualities of her mind and the shining traits of her heart, than during her occupancy of the Regency of our noble organization.

LETTER OF APPRECIATION.

Fort McPherson, Ga., March 3, 1921.

Mrs. Max Land, State Regent,
Daughters American Revolution,
Cordele, Ga.

My dear Mrs. Land:

It gives me great pleasure to extend to the Daughters of the American Revolution of the State of Georgia the thanks of the American Red Cross at this Post for the splendid co-operation given us by your organization.

The attentions shown the convalescent soldiers of this hospital by Mrs. Edward H. Barnes, your State Chairman, and her committee have been a source of pleasure to the men and of gratification to us to us.

Th many dainties which have been sent to the patients through Mrs. Barnes have not only been greatly enjoyed, but have given the men reminders of their homes and mothers that they will not soon forget.

Again thanking you, I am gratefully yours,
Gratefully yours,
N. M. REID, Field Director.

AN HISTORIC GAVEL.

The most valued possession of Atlanta Chapter, D. A. R., is its historic gavel, which was given by Mrs. E. P. McDowell Wolff, one of the oldest and best loved members, and herself a great niece of Patrick Henry, and daughter of former Governor McDowell, of Virginia.

It was the custom in Virginia to set apart a quiet spot in the well kept garden as a place of interment. According to this custom the body of Patrick Henry rests not more than a hundred yards from the house, Red Hill, Charlton County, Va. When on a visit to the old home, his son John Henry, gave Mrs. McDowell as a souvenir a piece of wood from a tree which for many years had stood like a sentinel guarding the grave. This was kept among her hoarded treasures until she became a member of the D. A. R. Then it was made into a gavel, delicately mounted in silver, with the inscription from the patriot's monument, "His fame his best epitaph." This she gave to her beloved Atlanta Chapter when Mrs. Wm. Dickson was Regent. A few weeks later the second Continental Congress was held in Washington. The delegates of Atlanta Chapter carried the little gavel with them and it was used to call to order the Convention of Representative Women. Afterwards it was used by Charles R. Crisp, Speaker of the House of Representatives, at the inauguration of President Grover Cleveland for his second term.

It was used at the first State Conference of the D. A. R. of Georgia and soon after at the opening of the first State Conference in Virginia.

Mrs. Fairbanks used it during her first conference in Washington. It opened the first Congress in the new Memorial Continental Hall, and again was used by Mrs. Donald McLean when she was first president general.

It opened to the world the gates of the Jamestown Exposition, not far distant from where the voice of Patrick Henry, was raised in defense of the trampled rights of the Colony.

It was used when Craigie House, the home of Atlanta Chapter was opened and has been used on the historic occasions since.

Senator Bacon used it in formally announcing to the joint assembly of the House and Senate in Washington, the election of Woodrow Wilson as president of the United States and Marshall as vice president.

Georgia's 23rd State Conference will be called to order by the silver mounted gavel and Mrs. Minor will use it at the Thirteenth Continental Congress in Washington.

ITEMS OF INTEREST

STATE CONFERENCES.

The first State Conference was called by Mrs. S. B. C. Morgan, State Regent, and was held at the Atlanta Exposition of 1895. The annual Conference began in 1899. In that year a Conference for the purpose of effecting a State organization was called by Mrs. Robert Emory Park, State Regent, and was held in Atlanta, May 23-24. By-Laws were adopted and State officers elected. The succeeding Conferences were numbered from this Conference, until the Conference of 1909 adopted a motion, offered by Mrs. Mallory Taylor, "that the first State Conference in 1895 be recognized, and the next annual Conference, instead of being the twelfth, shall be the thirteenth." (Minutes, p. 21.) No Conference was held in 1911; the time of meeting having been changed from the fall to the first part of the year by the Conference of 1910, which adopted a recommendation of the Executive Board (named on the motion of Mrs. P. W. Godfrey), "that the State Conference be carried over from November, 1910, to 1912, prior to Congress in 1912;" amended by Miss Ray of Atlanta, "that we have Conference in the spring, not to interfere with Lent." (Minutes, p. 21.)

The dates and places of meeting and the numerical designation of the Conferences after the first annual Conference (1899) were as follows: (2) Atlanta, Nov. 27-28, 1900. (3) Augusta, Nov. 21-22, 1901. (4) Savannah, Nov. 13-14-15, 1902. (5) Atlanta, Nov. 5-6-7, 1903. (6) Athens, Nov. 9-10-11, 1904. (7) Macon, Nov. 15-16-17, 1905. (8) Columbus, Nov. 21-22-23, 1906. (9) Rome, Oct. 23-24-25, 1907. (10) Covington, Nov. 4-5-6, 1906, (11) Brunswick, Nov. 10-11-12-13, 1909. Change in Conference number so as to count from Conference of 1895. (13) Savannah, Nov. 22-23, 1910. (14) Marietta, April 9-10-11, 1912. (15) Augusta, March 25-26-27-28, 1913. (16) Macon, Feb. 16-17-18-19, 1914. (17) Atlanta, Feb. 9-10-11-12, 1915. (18) Columbus, Feb. 22-23-24-25, 1916. (19) Quitman, Feb. 13-14-15-16, 1917. (20) Athens, April 3-4-5, 1918. (21) Albany, April 1-2-3, 1919. (22) Moultrie, April 6-7-8, 1920. (23) Dalton, April 5-6-7, 1921.

GEORGIA DAY.

The first concerted effort to bring about the annual celebration of the date of the landing of Oglethorpe and his colonists (February 12, 1733), under the name of "Georgia Day," was made by the Joseph Habersham Chapter of Atlanta in 1901, and, with the co-operation of the State School Commissioner, soon resulted in its observance in many schools. Credit for these first efforts is due to Miss Nina Hornaday, Georgia Day Chairman of the Chapter, and Mrs. W. L. Peel, then Regent.

In 1904, Mrs. John M. Graham, then Regent of the Joseph Habersham Chapter, seeing that Mr. Calvin had introduced in the Legislature a bill providing for school celebration on certain other anniversaries, endeavored to have similar recognition given to Georgia Day, and in this was aided by Miss Hornaday. The result was that the Legislative Committee on Education reported a Georgia Day bill as a substitute for Mr. Calvin's bill, but it did not pass. At the next State Conference Mrs. Graham moved the appointment of a committee to procure legislation on the subject, and she was appointed chairman. A bill presented by her was introduced in the Legislature by Hon. Madison Bell, but failed to pass, and at her re-

quest was reintroduced in 1909 by Hon. John M. Slaton, then President of the Senate, and in that year became a law. It provides for observance of the day in the public schools by exercises consisting of written composition, readings, recitations, addresses, or other exercises relating to this State, and its history and to the lives of distinguished Georgians. Many Chapters gave school prizes on that day.

INFORMATION FOR REGENTS.

Prompt reports should be sent to Director General, in charge of Smithsonian Report.

The election and appointment of officers should be promptly reported to the Organizing Secretary, Memorial Continental Hall; to the State Regent, and to the State Secretary. The full Christian names of Chapter officers should be given, together with the husband's name or initials, name of Chapter, and address of Chapter Regent.

Notice of death and resignation should be sent to the Registrar General. Notices of marriage, transfers, and dropped members should be sent to the Treasurer General. Notice of change of address should be sent to the Organizing Secretary General.

The Historian General requests "that to insure uniformity and convenience of filing, that all records shall be typewritten upon one side of paper, eight and one-half by eleven (8 1-2x11) inches, with one inch margin on left side and bottom. One and one-half inches at top." One copy should be sent to the Historian General, one copy to the State Historian, and one copy retained in Chapter archives.

Chapter Year Books should be 5 1-2x7 inches, to conform to request from National Society, in order that the Librarian General can file copies as records. Copies should be sent to her. Year Books should be sent to State Regent and State Recording Secretary.

Chapter By-Laws must not conflict with the National and State By-Laws. Chapters are advised to incorporate their By-Laws in the Year Books.

BADGES FOR STATE CONFERENCE.

The following recommendation was adopted for badges for State Conference:

1. "We recommend that only the two colors of the Society, white and blue, be used for badges.
2. "That blue ribbon with white letters and insignia be used for officers and chairman of committees.
3. "That white ribbon with blue letters and insignia be used for Regents and delegates.
4. "That white ribbons with 'Alternate' printed in blue letters on it, be used for alternates.
5. "That white ribbon with only name of hostess Chapter in blue letters be used by the entertaining Chapter or Chapters. Delegates to the State Conference are requested to wear a badge of white ribbon with the name of their Chapters in blue letters on it."

CREDENTIALS AND BADGES.

State Conference delegates and alternates and State officers are required to sign their names on the credential list before receiving Conference badges.
