THE FLAG SALUTE

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands—one nation, indivisible, with liberty and justice to all.

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it my duty to my country to love it; support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—Authorized Version.

KEEP THE FAITH

(Air, "Columbia, the Gem of the Ocean")
O, our national organization,
A band of the fair and true,
We pledge thee thy daughters' devotion,
Our love and allegiance renew,
May thy name that we cherished stand ever,
As new members we add to thy roll,
For service and duty forever
To country, a beautiful scroll.

Chorus:

Keep faith with the brave and the true,
"Carry on" in the work that's to do,
Let "over the top" be our motto,
Our standard, the Red, White and Blue.

O' the Star Spangled Banner we cherish,
And the D. A. R. takes this stand;
We pledge that its glory ne'er perish,
Nor its beauty grow dim in the land;
Our grandsires fought to defend it
In the days of its perilous youth,
We daughters will ever protect it,
Its folds of the bright living truth.

The fires of the fierce revolution,
Where thunders were heard 'round the world,
Kindled thoughts of our great constitution,
And liberty's flag was unfurled;
Our ancestors fought for our freedom
And Liberty's torch held on high;
We hold up the torch that they left us
And bear it aloft to the sky.

ADDRESSES

WELCOME ADDRESS

Mrs. T. J. Jones, Regent Sarah Dickinson Chapter

I count it a distinct honor to be given the privilege and pleasure of extending in behalf of Sarah Dickinson Chapter warm greetings and a cordial welcome to you representatives of our Georgia Chapters of the National Society of the Daughters of the American Revolution.

Our Chapter has long coveted the honor of being hostess to the State Conference, and we are happy tonight in the realization of this cherished desire.

Among the sweetest and most wholesome experiences of life are those that result from the coming together, in gatherings like this of congenial spirits, with a common interest, to consider plans for the promotion of great principles and noble purposes.

National eminence is founded upon lofty principles and praiseworthy deeds, and the people who reverence heroic ancestry may be trusted to rear an upright posterity. The best educational system is not enough for the protection of the people until it is joined to patriotism; then you have a national fiber that will resist every strain.

Patriotism is love of country and loyalty to its life and welfare; loyalty generous and disinterested, seeking no reward save the approving eye of history.

Members of the Daughters of the American Revolution, we are heirs of priceless legacies in the unbroken record of brave and glorious deeds transmitted to us from our ancestors. Let us hand on that record, not only undimmed, but adorned with new and brighter glory.

We are confident that your coming to us will prove a wonderful inspiration to us, binding us closer together in patriotic endeavor, strengthening us in our desire for worthy achievement and better prepare us to meet the problem before us.

But best of all—

T'is the human touch in this world that counts,
The touch of your hand on mine
That means far more to the human heart
Than shelter, or bread or wine;
For shelter is past when the night is o'er
And bread lasts but for the day
But the touch of the hand and the sound of the voice
Lives on in the heart alway.

ADDRESS OF MRS. HERBERT FAY GAFFNEY, GEORGIA STATE REGENT, GEORGIA D. A. R.

In this bower of enchanted loveliness, made so by the artistic contact with the Daughters of Sarah Dickinson Chapter, I am thinking of our American composer, Charles Cadman, and his opera, "Shanewis." Shanewis is an Indian princess. In her singing is the portrayal of the spirit of springtime. She calls to the flowers to bloom, and to the birds to sing. As we listen to the wooing strains of the "Robin Woman," in this land of Cowetta, once a forest

primeval, the beauty of those who first made it a scene of woodland delight unite with my Daughters, and in blended, magical unison produce this alluring loveliness. What a setting to behold. What a season—where ineffable sweetness and serenity reign. Where March, with her tasselled larch sways and swings, and the thrush, in a golden haze of the sun-lit dusk, has gone hurrying by to her happy nest.

I believe, we Daughters of our Georgia Society, will make of this occasion much that shall redound to the glory of our organization.

Woodrow Wilson, in one of his deservedly well-known essays, emphasizes the powers implanted by the Creator in us, and which are revealed in the experiences of our daily living, and discovered in hours of reflection and self-examination. He means for us to employ them, and has made it impossible for us to be entirely happy unless we live in the full play of those powers.

Further, may I say that, I believe each individual is called into the world to carry out a task, to make personal contribution to the commonwealth, and I, at this time, wish to encourage you and beg you to attempt even greater things. You are linked by an unbreakable bond, serving loyally whenever you are called, proves the thought that "Life is good where in the world we are a necessary link, and ONE with all the living—

"The sweetest lives are those to Duty wed,
Whose deeds, both great and small,
Are close-knit strands of an unbroken thread
Where love ennobles all."

While my message to you, attempted to show the "Causes of the American Revolution, and the selfish characteristics of the British King" then seated on the English throne, I shall at this time endeavor to stress the importance of "the Genesis of the Georgia colony"—and later then to show her responses to the call of liberty.

"A true understanding of the early history of Georgia, and the comprehension of the causes leading to its settlement by the English under Oglethorpe at Savannah in 1733 can not be had unless it is clearly realized that the controlling object and purpose for the founding of the colony was a military one.

Colonies for the exercise of benevolence were unknown to the statesmanship of that or any other age, but colonies for military purposes were as old as civilization itself."

Oglethorpe was a soldier and a statesman before he was a philanthropist, and his intense activities during the ten years he spent in Georgia were practically all along military lines to accomplish military ends and advantages.

When he brought his colony to these shores he knew they were not entering into any unexplored Eden, where he and they might erect some so-called Utopia far away from strife and turmoil.

In preparation for what lay before the emigrants, the Trustees of the Colony subjected each applicant to a careful investigation, and no one was accepted who was not found worthy to be granted the rights of citizenship in the new colony.

They came from the homes of England's choicest families, for have we not said that only those standing the test mentally and physically could be granted the right to enlist?

They were drilled in arms each day by the Sergeants of the Royal Guards until the time came for embarkation. This was the only military colony ever sent out from Great Britain, and it was the

only one of the original thirteen Colonies in American to receive direct aid from the British government.

A noted Southern historian has said, "When weighing in the balance the achievements of a people it is just to take into account the obstacles which have been surmounted."

In the study of the people of pioneer Georgia the handicaps will at times appear to have been almost unbearable, and the things that the men accomplished seem beyond the reach of ordinary men.

Proof, indeed, that the men whom we term our colonial ancestors, were the select representatives of that peculiar period. Then, too, it was only a span of 40 years between the first clearing on the banks of the Savannah river, and the beginning of the Revolutionary war.

Imagination of the keenest sort is required in this age of affluence to grasp the privations, the hardships of the middle portion of the 18th century in Colonial Georgia.

Wheeled vehicles of even the crudest type were few and products were carried to market chiefly by sleds. Cabins were built far apart, and so thinly populated was Georgia during the Revolutionary war that Continental Congress and the army commanders gave small concern to the invasion of the State by the British and Tories, and very seriously considered the abandonment of all efforts to protect Georgia as a part of the compact States.

The archives show that but for the able and earnest efforts of the three Georgians who signed the Declaration of Independence in their protest against the abandonment, this colony, which was the baby of the colonial family group, might have been left as a foundling on the doorstep of the British.

Gladstone believed that "honest, manful efforts have their reflective influence upon character."

When we consider the long vacant hours of waiting, toiling, and the dull, disappointed realizations that our early Georgians had to face we should doubly appreciate their heroism.

As has been said, they were the picked men from the homes of English parents, where companionship was an assurance and friendly associations existed.

When these men chose this colony for the permanent home, they found here no American literature.

Our ancestors were writing a new page in the world's history. Hence Georgia has no myths, no legends, no dragons or fairy ships, but careful, historical records written in a plain style with singular regard unto the simple truth in all things.

That explains why the colonists wrote few books, for men learn to love their native hills and flowing rivers, not for their natural beauty, but largely for their historic and romantic associations, golden memories which link the past to the present, and make us all one family, children of one loved mother. So it was with Greece and Rome, but our American ancestors, beginning life and literature in a new land, a place, not a country, without traditions or legendary heroes could not possibly have produced a folklore.

But down deep in the hearts of these strong, determined men there was nurtured a dream that was in its time to be realized. Vaguely and slowly the news came to them that the writings of a powerful group of European social reformers had begun to arouse the world to a sense of the brotherhood of man, and the cruelty of class and privilege.

Dr. Benjamin Franklin, who had just come back from London

to Philadelphia, became infected with the new social doctrines, and being a printer by trade, he had excellent chances to spread the "New Order."

When Whitfield went to Philadelphia begging for the orphans of Bethesda, he found in the heart of young Franklin a new born germ of human sympathy which, under the oratory of Whitfield, warmed into life and the response was a liberal contribution. The meaning of the incident is only to illustrate the spirit of the Georgia commonwealth, as expressing the newer epoch then just dawning.

This was five years before Thomas Jefferson was born. It was an atmosphere of thought which he breathed in his cradle, and which molded his brilliant youth. Jefferson, in turn, when in his early manhood went to Europe while this literary tide of reform was at its full, and he returned to write the Declaration of Independence at the age of thirty-three.

The French literary geniuses thrilled the hearts of two continents with the dream of the rights of man, and the welfare of the individual above caste and class; but it was for Wesley and Whitfield and Habersham to undertake in their simple, honest way, to bring the dream down to earth, and put into practice on Georgia soil.

Part of this economic structure was the influence of the preachers and teachers which resulted in the organized day school of Bethesda and the then, marvel of the new world institution—the SUNDAY SCHOOL. The child of saintly John Wesley's brain.

Thus the day of liberty was dawning for the masses, and in the change there was confusion.

Out of this up-lifting sentiment of this long-honored tradition, the youngest and financially feeblest of the original thirteen colonies became the FIRST to provide out of the public fund, a STATE UNIVERSITY, where youth, even though the humblest, might obtain a higher education as nearly free as possible. Then out of this sentiment and among a people slightly more advanced in prosperity, was organized and chartered the FIRST WOMAN'S COLLEGE in the world. Is it any wonder that you, the now happy people of this Empire State are saying to the world, "We, the Georgia Daughters of the American Revolution are continuing to lead along lines of Patriotic Education." It is only just to you that I quote from the minutes of our last National Congress the following:

"Georgia contributed in the year 1929 the sum of \$20,969 to patriotic education." Pennsylvania came next in line, giving \$8,160. Georgia leading by over \$14,000. For keeping the faith of your fathers, you deserve the highest commendation.

Going back to the "hewing of stone" for social advancement, I wish to further state that, following this grant for the world's first College for Women there was enacted by the Legislature of Georgia something that should be termed Woman's MAGNA CHARTA, known as the act of 1866, being the first law ever drafted in the English language, giving full property rights to a married woman. The influence of this Act literally reached the uttermost parts of the English-speaking world.

History discloses that nations, like individuals, have had a consciousness of a mission.

Venice, of the Middle Ages, felt its destiny was the command of the world commerce. Spain, of the 17th century, to master the Western Hemisphere; and England, from its earliest nation-hood, to be the Mistress of the Seas. A spirit like this was in Georgia; that it was the destiny of its people to work out a democratic ideal of government.

Georgia was too young to make possible many of the colonial manor houses found in the older colonies. The next younger sister in the family of thirteen—South Carolina—was sixty-five years older than Georgia, and the third from the youngest—North Carolina, was one hundred years older.

"Memorials of achievements do not depend upon old manor houses nor upon architectural ruins," for if we look through unromantic lenses at the plain living of a toiling, frugal people on the fringe of a wilderness, and measure their success solely by an economic yardstick, Georgia would not rank the first in the building of America; but, if we measure the influence of its history upon the thought not only of America, but of the world, we are justly proud of its story.

OFFICERS REPORTS

REPORT OF STATE REGENT

Mrs. Herbert Fay Gaffney

Today we stand before the undrawn curtains of 1930 and wonder just what the stage, with its appropriate setting will reveal.

You, who have rendered full service, have helped to place the scenery, and will not be surprised when we look upon the scene in its full appointments.

It is my happy privilege to attempt to create an atmosphere of appreciation of one another's work, that each may behold the beauty of service, and therein gain greater inspiration.

But I shall not take away the joy of telling the high points reached by my different Officers and State Chairmen, but shall only review some of the more salient ones.

In order that the entire D. A. R. body may know the plans and aspirations discussed at the Executive Board meeting in October, 1929, when we were the guests of the lovely Nancy Hart Chapter, of Milledgeville, I shall again cover some of the features then stressed, and give all the joy of realizing the completion of our tasks.

That the Georgia Daughters of the Society, known as the Georgia Daughters of the American Revolution, are leading in efficiency, that they can boast of the fact that they are an organized body of over 5,000 members, grouped into 96 State Chapters, and that the Executive Board for this State work requires 86 State Chairmen, and 13 State Officers, to carry on the extensive plans; is a truth that carries with its vast responsibility. Furthermore, that every phase of this work is receiving attention, and all divisions are functioning satisfactory, and have come together in this Conference to so state its attainments, is indeed, a glamour. To more quickly grasp the high points, and hold them before us at this hour, I shall touch upon the resolutions which passed at our Executive Board meeting in Milledgeville, commending the work done by this Georgia Society, and to beg that, further efforts be made to clear the organization of all outstanding obligations. To meet in full every debt now pending, and hand to the next State Regent and her ambitious Cabinet, a "clean sheet." What a record—what a pleasing condition of finances to make glorious our future attainments.

In order to assist smaller Chapters in reaching the "Honor Roll" and keeping their work on a par with that of older and larger Chapters, a budget system is suggested, and a committee will be appointed later, to look into the reports submitted by the various Chapters, working out a satisfactory budget, to be considered most profitable as a guide, for the one to be used by entire Chapters of the State Society. We shall work it in this manner, rather than hand to the Chapters a suggested measure. This is being offered as a plan to hold the expenses within the confines of its possessions, and to know at all times the financial standing in order that safe ventures may be made, and none so great that each may be so long drawn-out, but met in full at the close of each State Regent's administration. By so doing every incoming Regent, in State and in Chapters as well, will have a new, fresh program to carry out.

The compilation of the difficult task to compile the Chapter histories into one volume, and place the manuscript in the hands of a reliable publisher, has taken two years to finish. Mrs. Gardner, State Historian, has worked untiringly, has been so patient, so gracious, that the pleasure of possessing a copy of this history of Georgia D. A. R. since its organization, will be greater, as we now associate this deed of service with so valued a friend.

I cannot but pause here long enough to thank the entire Society for the compliment, and manifestation of friendship and affection, in dedicating this work to me as your State Regent. At the appropriate time, we shall discuss plans to have this work given a place on the "Honor Roll" for another year, in order that sufficient funds may be collected to meet the full payment. While you have voted to have the book compiled and published, there are yet some details to be worked out. Daughters, I congratulate you upon this movement and am gratified that you appreciate the great importance of keeping Georgia in the front ranks.

Gift Scholarships

Through the faithful persistency of the ambitious State Chairman, Mrs. Simmons, our work for Gift Scholarships has gone steadily forward. An increase of over \$1,000.00 is shown. We are rapidly finding out that Youth challenges us with the future. We do sympathize with its struggles and visions.

Realizing that, each generation calls for a higher plane of thought, and requires a higher standard of living, your Regent has determined to place the "Blanche McFarland Gaffney Trophy" as a reward to the Chapter that shall give per capita, the largest amount for the Scholarships for the coming year. Renewals will be counted as well as newly acquired ones. There will be a committee appointed by the Regent to judge the full reports, and assist the State Chairman in rendering the decision. The said trophy to be placed into the hands of the Regent of the winning Chapter until the State Conference of 1832. May this be the means of giving to many intelligent boys and girls an opportunity to prepare for a college degree.

Nancy Hart Highway Markers

True patriotism is ever ready and eager to meet the test. You are going to have the pleasure of listening to many references to this patriotic Pilgrimage, made not long since. It was a great success, and will prove far-reaching in planting in the minds of the hundreds of school children the value of personal service, and the desire to know more of Georgia History during this period. It was a privilege to be called your State Regent, at this time, especially, and to have had a part in so worthy a cause, was one of the joys of the office.

Unveiling seven granite markets at seven conspicuous places along this highway, where daily thousands of people pass is a gesture that carries with it much importance.

Historical Collection of Georgia, Volume III

We state with rightful pride that this publication has been released from the press and ready for distribution. You have accomplished a wonderful piece of work in being able to complete two valuable volumes in two years. While the printed page of this volume carries the names of those who have served so dili-

gently, I can not pass on until I pause long enough to thank Mrs. Dykes and Mrs. Davidson for their faithful services. To fit the task to one's talent and have a satisfactory production has been demonstrated in the efforts of Mrs. Davidson, and we congratulate Mrs. Dykes upon her success, and the good fortune in having so capable a Co-Chairman. We all regret that Mrs. Davidson could not be with us at this time.

Student Loan Funds; Memorial Loan Fund

We are happy to bring wonderful reports relative to these two hard fought battles. It is a time for rejoicing, and congratulations. If I say more, I fear I shall have said too much. Suffice it for me to state, however, that for determination of purpose, for constant efforts to make a dream a reality, the accomplishment of these completed loans will go down in the annals of our D. A. R. work as service of the highest order.

Time will not allow further discussions of other "Honor Roll Requirements," but I deemed it wise to say some thing in order that the Chapter Regents might feel repaid for the difficult work done by Chapters to meet these requirements.

Patriotic Education

For perfection, Georgia leads all other States in patriotic education. Since all phases of the work not already touched upon are included under this head, I shall allow each of you to do your own classifying, and follow proudly as the several reports here incorporated are read.

In conclusion, your activities, your success, your accomplishing the well-nigh impossible, lead me to think that the New Age of America is dawning, a Golden Age indeed, where unselfish, personal service shall be its own reward, its only desire.

ANNUAL REPORT OF STATE FIRST VICE REGENT

Mrs. John D. Pope

It has been a privilege and pleasure to serve the D. A. R. of Georgia as State First Vice Regent, and in every phase of trust, I have done my best.

I have enjoyed many pleasant social affairs and regret my inability to accept all the kind invitations extended me by different Chapters.

During my years of active service for the beloved D. A. R., the increasing interest in the program and scope of activities has been evident and I wish for each member a clearer vision of the aims of our Society and a larger attainment of good works.

REPORT OF STATE FIRST VICE REGENT

Mrs. Bun Wylie

As your State Second Vice Regent it was my pleasure to serve you as Chairman of Georgia Banquet in Washington, April 16th, 1929, and many other activities in connection with our campaign at that time.

In October I attended the State Board meeting in Milledgeville. In November I attended the Regional Conference in Pinehurst, N. C., representing the State Regent on all official occasions. Accepted invitations from Tennille, Wrightsville and Dublin to be their guests on the occasion of the unweaving of markers on the Nancy

Hart Highway, and was on the program at Wrightsville and Dublin.

It is always a joy to serve the Georgia Daughters of the American Revolution in any capacity. Was honor guest on the occasion of the S. A. R. banquet.

REPORT OF STATE RECORDING SECRETARY

Mrs. Mell Knox

As your State Recording Secretary it was my privilege during the past year to write the minutes of the Executive Board meeting in Milledgeville, the Executive Board meeting in Newnan, and of the sessions of the thirty-second Conference.

The cost of the Proceedings of the thirty-first Conference amounted to \$626.00. This does not include typing and necessary preparation of material for the printers, which amount I gladly contributed. For the benefit of my successor in office, may I urge that all reports be typewritten and as concise as possible, that the expense of publication may be kept at a minimum.

Your receipt of the Proceedings of the thirty-second Conference marks the end of my services as Recording Secretary. I wish to express my appreciation to Mrs. Gaffney, State Regent; Mrs. Chase, Chairman, and the members of the Press Committee for their loyal cooperation and to every Daughter in Georgia who had a part in making possible the splendid reports which make up the Proceedings.

REPORT OF STATE CORRESPONDING SECRETARY

Mrs. T. D. Power

Your State Corresponding Secretary had opportunity to know the pulse beat and the heart throb of the workers and of their activities during the two years just closed; and to observe the harmony and cordial cooperation which has characterized every project undertaken. Among the official family relations strong attachments have been formed and a spirit of hearty fellowship and loyalty has prevailed and backed by enthusiastic patriotism made possible and administration of outstanding achievements.

In conducting the correspondence of this great organization the real urge or compelling influence has been that I must not fail for the sake of those who trusted me, and that there should be no lagging in my hands for the sake of the cause and for those who trusted me. No work is small, if well done, however simple—and a shaft of light may fall across every service rendered.

Another term of office with its duties and obligations, is past and gone—nothing but the record remains. For "the moving finger writes, and having writ moves on—nor all your tears nor all your prayers can lure it back again to change one whit of it." The regret which comes to me is that I did not live up to my best.

Since that is past, let's try to forget it and forgetting forgive it.

Now to every Georgia Daughter of the American Revolution out of my heart of hearts, may I say:

"There isn't time, there isn't space,
Nor words enough to tell
Of my esteem for each in her place
Then the fond adieu—"I wish you well."

REPORT OF STATE HISTORIAN

Mrs. Sanford Gardner

Some one has said, "writing history is like religion, every man who feels the call, must work out his own salvation".

History is accumulated biography and wisdom, and the great benefit derived from history is the philosophy taught by example. You may find in history, that the evolution of humanity, has been a ceaseless progress toward perfection, or you may maintain, that there has been no progress, and men were purest in primeval simplicity.

But it does seem, that the tragedies and blunders of a thousand years ago, is but a repetition of our contemporaries and what we see in the daily papers.

The Archaeologists of today represent the moles, who have been burrowing in the ancient cities among tombstones and manuscripts. The Egyptians realized the importance of the preservation of the history of their race, and thus we obtain much valuable information from the records found in the mummies of the crocodiles.

It is very necessary in history to emphasize truth, and to guard against prejudice as well as exaggeration. It was said of the Greeks that they told nothing but the truth, while the Latin historians told nothing but lies.

There has been one compelling motive running through my regime as State Historian and that was duty. I don't want you to think that I have been killing time. Far from it. It has oft been like paddling a boat up stream. It is a difficult matter to furnish

the electricity to drive the motors of ninety-six Chapters in the State. I sometimes have thought, when no answer came to my appeals, that I would lose my religion, and say bad words, but I have found:

"The inner side of every cloud
Is bright and shining,
I therefore turn my clouds about,
And always wear them inside out,
To show the lining."

I have the pleasure of announcing that the State Histories are in readiness for publication. All have responded with the exception of a few Chapters. I presume they are dead. If they are not I have done them a great injustice for I have buried them.

Our State Treasurer reports that \$180.00 has been received by her from 57 Chapters in the State toward the publication of this volume. I hope the Conference will devise some practical means whereby the deficiency will be made up and a creditable book will come from the printer.

The "History of Georgia Chapters" D. A. R. will be 6 by 9 in size, and printed on white Eggshell Book Paper, Cloth Covers. The price for printing will be \$2.25 per page, making \$225.00 for every one hundred pages. It is estimated that three hundred pages will cover the data which has been collected for the histories, making the total cost \$675.00 for its publication.

It has been an Herculean task to collect this material. It will contain an immense amount of information—not dull like the Congressional Record, but readable and interesting. The best writers from each Chapter have given their time and talents for its composition. It is an achievement. Our great women of Georgia should be eulogized; their accomplishments and leadership should be proclaimed for future generations.

As Historian of the Georgia Division, I have made my annual report to Miss Lang, Reporter General to the Smithsonian Institute, telling her of the activities of the Chapters in the State.

I have also made my report to Mrs. Gillentine, the National Historian General, telling her of our work on "Marking Historic Spots," the Historical Programs used throughout the State, and the general interest shown on these lines, also the records of old churches and Bibles. Each County in the State of Georgia is now writing its own history.

I acknowledge with deep appreciation an article on the "Cherokee of Northwest Georgia," written by Mrs. Winifred Stiles, of the William Marsh Chapter of LaFayette, Ga; also an essay on Woodrow Wilson, prepared by Mrs H. B. Carreker, of the Baron de Kalb Chapter, of Decatur, Ga.

I have received from Mrs. Harrell, historian of the Eastman Chapter, a register of the Thomas Haynes family from the year 1708 to the end of the century; the exact hours of the birth of his ten children are recorded, as well as the deaths in his family. There were 27 marriage records, 24 wills and 14 Bible records included in the list of her copy.

I have received from the following Chapters their Year Books. I wish to extend my complimentary thanks to them. They all bear a lesson of patriotism and proclaim their yearly achievements. I am indebted to the Hawkinsville Chapter. The Nathaniel Macon Chapter of Macon, Gen. James Jackson Chapter of Valdosta, John Clarke Chapter of Social Circle, Savannah Chapter of Savannah,

Council of Safety Chapter of Americus, Gov. John Milledge Chapter of Dalton, Nathaniel Abney Chapter of Fitzgerald, James Pittman Chapter of Commerce. I have made out the Historical Program for the year of the Augusta Chapter. It began with De Soto's march through Georgia, and extended through the 18th century. The early religions of Georgia were introduced, also the distinguished Indians.

I have assisted Mrs. Travis, State Chairman, in collecting data for the National Guide to Historic Spots, having written an article on the Richmond Academy and another on the political side of Augusta in and after the Revolution.

STATE CONSULTING REGISTRAR

Mrs. Bert Albert Tyler

Your State Consulting Registrar has had one more busy and happy year of work along the lines assigned to her office. More than one hundred persons in and out of Georgia have asked for help. It has been possible to help many. But the lack of any books on the subject belonging to the office has hampered the work very much. It is well known that the published lineage books are of very little value in establishing lines as the requirements are being made so much more rigid year by year that papers accepted ten years ago could not pass this year and the standard is being raised every year so that these books become of less and less use, except for clues and addresses, all the time. The current numbers should be secured by a standing order at once, but it is valueless to try to fill in the many gaps in the files. If the office is to be continued, a regular sum should be voted for securing books of family history and county histories, to be spent by the Committee on Genealogical Research, in consultation with the State Consulting Registrar.

Your Consulting Registrar lays down her office with regret for it has been a pleasure to serve you, if only in a very small way; and she bespeaks for her successor your cooperation in securing proper books for the work. Many curious experiences have come this way in my two years of office. I have been thanked for help given in many second letters asking for more. I have been thanked in advance, frequently by persons outside as well as inside the State who forgot that they were asking for valuable help that they hoped to get free, but did not remember to enclose a stamp for a reply. But one lady, bless her, asked for help, enclosing a stamp, got it, and six months later wrote to tell me the paper had been accepted. It was a most unusual experience. As a matter of fact, it only happened once in two years. But it was most refreshing and appreciated and will remain one of the brightest spots in my memory of the work of this office.

The following constitutes the books and pamphlets belonging to the office of State Consulting Registrar:

64 volumes of the Lineage Books.

2 index volumes.

1 copy of Georgia Historical Collections.

1 copy of the Reprint of the Land Lottery of 1827.

1 copy of notable Southern families by Zella Armstrong, Vol. III.

7 numbers of the Camp Family Bulletin, 1 to 7 inclusive.

1 volume of Rosters of Georgia Chapters.

Some unassorted papers of family records.

A quantity of blanks for filing with the Chapter Registrars the lineage of descendants of Chapter members and others.

REPORT OF STATE EDITOR

Mrs. John W. Daniel

At the State Conference held in Brunswick last March, your State Editor, in order to stimulate interest in this important phase of our D. A. R. work, offered a prize of \$10.00 in gold to the Chapter sending in the best reports of Chapter activities.

In September to each D. A. R. Chapter, a letter was sent enclosing requirements and asking that every Chapter enter this contest.

Thirty-one Chapters responded, which was most gratifying to your State Editor, and I should like to say that the interest has been far greater than during the first year of my service, and the number of reports sent in much larger.

Each week, your reports have been sent to the Constitution. Some were delayed in being published as the Constitution will not accept reports that are not typed or newspaper clippings.

During the summer months your able and efficient State Assistant Editor handled this work and will give to you her report. The rest of the time your State Editor has carried it on.

She wishes to thank every Chapter that has cooperated with her so splendidly and has been of so much assistance in making a success of it.

REPORT OF STATE ASSISTANT EDITOR

Mrs. Alvah Weaver, Jr.

At the request of the State Editor, Mrs. John W. Daniel, your assistant assumed charge from May until October, 1929. Due to the illness of several members of my family during this time the work was carried on under difficulties. Then, too, the request to send material for the D. A. R. page during the summer months to the editor in charge was frequently ignored and articles that should have been sent direct to me were first sent to Mrs. Daniel or the Constitution.

Despite these handicaps, I managed to get published many interesting current facts and much valuable historical information. Publicity was given messages of the President General, outline of the National Defense Program, D. A. R. Movie Guide, descriptive article (with picture) of Constitution Hall, Pulaski Celebration, Message of the State Regent and other State Officers and communications of those State Chairmen who wished to reach Chapter Regents through the medium of our D. A. R. page, instead of sending the customary individual letters.

Chapter Regents sent in articles featuring annual reports and elections. Of special interest were the accounts of the unveiling exercises held by the John Milledge, Noble Wymberly Jones, and Roanoke Chapters, and a sketch of the Nancy Hart Chapter's two Real Daughters, by Mrs. Leola Beeson.

Articles of historic interest were: Sketch of Milledgeville, by Miss Leila Lamar; Peter Tondee, by Mrs. H. H. Herndon; LaFayette's Visit to Georgia, by Miss Evylyn Hannah; Sketch of LaFayette, by Mrs. John S. Adams, and Short Biography of Col. Benjamin Hawkins (with pictures), by Mrs. E. T. Nottingham.

To all friends who so generously cooperated, I extend sincere thanks and wish to again express my great appreciation of the many courtesies shown by Mrs. Rex Stafford and the Constitution.

REPORT OF STATE CHAPLAIN

Mrs. Fannie Mae Dabney

The great honor conferred upon me by the State Conference two years ago in electing me State Chaplain expired at our State meeting March 25, at Newnan, Ga.

It has been a real joy to have served with such a wonderful corps of officers, especially our beloved State Regent, Mrs. Gaffney. My appreciations and thanks are hereby tendered to the members of the D. A. R. of Georgia for their hearty cooperation in complying with my request of opening their Chapter with prayer, the Flag Salute, and closing with the American Creed.

AMERICANISM

Mrs. Julian J. Jones, Chairman

Last summer when I was entrusted with the work of "Americanism," it was with pleasure that I accepted.

The work has been terribly handicapped, due to the prolonged illness of our National Chairman, Mrs. James McDonald. I wrote several letters to her and to the "Americanization Department" in Washington in Memorial Continental Hall, requesting literature and questionnaires for our Georgia Chapters. I had no response, consequently I could not work out in detail the plan of the National Society.

In February, I mailed postcards to the Chapters, requesting a report for the year's work. About 45 per cent of the Chapters have reported, and they show that interest has been maintained, even without the urge of a Chairman. In many small towns there is practically no alien element and the work of the D. A. R. Chapters along lines of "Americanization" is very limited.

The following are some of the services rendered to the foreign-born by the Chapters:

Assistance in preparation for citizenship, arranging appropriate welcoming ceremonies, in connection with the Naturalization Courts.

Presentation of flags, public patriotic programs.

Cooperating with the Bureau of Education in creating a sentiment that all children including those of foreign-born parents, shall be in school between the ages of 7 and 14.

Prizes and medals for essays in the school in which the children of foreign-born parents compete.

Assistance in teaching and maintaining adult classes.

Survey of housing conditions with a view of maintaining good living and health standards.

Contributions to the educational activities.

Contributions to Ellis Island and Immigrants' Manual.

Urging Church and Sunday School attendance.

Americanism is a broad field of the most fundamental and diversified national service. To make a united, a contented, loyal America is a task which demands vision, knowledge, courage and the power of sustained effort.

Would you build for world peace? Then we, D. A. R. must do our part in preparing "the stranger within our gates" for citizenship.

Our attitude toward them must enkindle love and respect; then peace and good-will will radiate from them to the far corners of the earth.

Chapters who helped to make this report are as follows:

Commodore Richard Dale, Council of Safety, Elijah Clarke, Atlanta Chapter, Joseph Habersham, Lamar LaFayette, Brunswick, Etowah Chapter, George Walton, Oglethorpe, James Pittman, Fort Early, Benjamin Hawkins, Gov. John Milledge, John Laurens, Col. William Few, Nathaniel Abney, Gov. Treutlen, Col. Wm. Candler, Hawkinsville, Old Marion, LaGrange, Fielding Lewis, Nancy Hart, Elizabeth Marlow, Sarah Dickinson, Hawthorn Trail, Savannah, Bonaventure, Briar Creek, Barnard Trail, Maj. Gen. Samuel Elbert, John Houston, Edmund Burke, Nathaniel Macon, Archibald Bullock, Samuel Reid.

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Irving S. Thomas, Chairman

As Chairman of the Merchant Marine Library, I beg to submit the following report:

Number of books sent to New Orleans, 437; of this number 75 were sent from the Hannah Clarke Chapter and 45 from the Elijah Clarke Chapter, and more than 100 from the Joseph Habersham Chapter.

Most of the books were new and all were selected with great care.

The Librarian at New Orleans said that the books sent from Georgia were the best lot of books received during the year.

ARMISTICE DAY

Mrs. George Burrus, Jr., Chairman

Truly it has been said: "It's great to be a Georgian." Especially is this true on Armistice Day, when the whole world joins together in celebrating the victory in the great World War, and in the establishment of peace among the nations.

Among the forces which have more closely linked nations together are the marvels of the age, including the telephone, the telegraph, the radio, the cable, the movies and talkies, and other marvellous inventions. Perhaps, some day there will be invented a machine something like a telescope which can be focused in any direction, and will be as far reaching in making objects visible as the Big Bertha of war times was effective in throwing the terrible bombs.

Through this imaginary invention let us visualize the Georgia Daughters of the American Revolution on Armistice Day. From all parts of the State have come the most encouraging reports of Armistice Day celebrations, and if time permitted,, how enjoyable it would be to allow every Chapter time to make their individual report. As this is impossible, it is the privilege of the State Chairman to make a collective report. Only the "high spots" can be given in the short three minutes allotted. Perhaps each Chapter will recognize themselves in their own particular celebration.

The Armistice celebrations is the display of flags on the streets, on public buildings and from private residences; celebrations in the schools, for "the race moves forward on the feet of little children;" stirring patriotic addresses in churches, schools and other public places; presentation of flag and flagpole to schools with appropriate ceremonies; the selling of poppies on Armistice Day, and the decoration of graves of those who made the supreme sacrifice; stirring parades, in which the D. A. R. float was featured; decorated cars filled with loyal D. A. R. members, taking part in civic and military

parades; poems read; songs sung; playlets and pageants given by enthusiastic and patriotic members of this organization. All these celebrations prove conclusively that Georgia D. A. R. have caught the torch and are holding it high in remembrance of those who made sacrifices in the bloodiest and most horrible war in history—the great World War.

BETTER FILMS

Mrs. Julian B. McCurry, Chairman

The demand of the people for better films has necessitated the Better Films movement as the means of meeting these demands. The increasing understanding and good will existing between the motion picture industry and the Better Films Committee have have greatly aided this movement.

As some one said the four steps in securing better films are education, interest, energy, and last and most important a neighborly attitude. Various methods have been tried and have proved very effective. A meeting of theater managers and Better Films Chairmen who desire to encourage only the best, both realizing that only by sustained support of good pictures is it possible to obtain them. Medical motion pictures of the ordinary type have already begun to play an important part in education. There are many features of the motion pictures that make it an ideal teaching medium.

One way of finding out if the results that are obtained are the right ones is by using a suggestion offered by Mrs. J. A. Thomas, of Columbus, in which she suggested the cooperation of the teachers in asking the pupils to write on the subject, "The Kind of Movies I Like," thus finding out and also using their answers as an aid to future work.

Every Chapter reports the success of their efforts in printing the lists of approved pictures, thus proving that the people are only too willing to sponsor the best.

Pictures are the greatest way of spreading patriotic propaganda, thus arousing a civic consciousness and teaching the people to cherish the great ideals of our country.

CHILDREN OF THE AMERICAN REVOLUTION

Mrs. C. E. Pittman, Chairman

It gives me great pleasure to greet you again on behalf of the Children of the American Revolution. Interest in the Children of the American Revolution is steadily on the increase.

Brandt as Organizing President; Sylvester, with Mrs. D. G. Jeffords as Organizing President. (Savannah Chapter has 35 members).

CHILDREN OF THE REPUBLIC

Mrs. James L. Logan, Chairman

Twenty-five cards sent to the Regents and seven Chapters responded. This work is carried on to some extent under other departments. The Children's Organization teaching Patriotism is of vital importance for the present as well as the future generations. Let us work to this end.

Just at the time when I should have been most active in the work, the long continued illness of my daughter, and subsequent death made it impossible to serve. I regret circumstances prevented my carrying on and hope my successor will have the cooperation of all the Chapters.

CONSTITUTION AND MAGNA CHARTA DAY

Mrs. J. S. O'Sheal, Chairman

I sent a card to each Chapter in September asking observance of Constitution and Magna Charta Day. In January I wrote again to the forty-six Chapters that failed to answer my first appeal. Sixty-nine Chapters responded.

A number joined other organizations with appropriate programs in public, many sponsored lectures to high school students, others gave splendid programs at Chapter meetings and distributed copies of the Constitution in the schools.

There is no phase of D. A. R. work of more importance than fostering an attitude of loyalty and support of our Constitution.

I wish to thank the following Chapters for definite activity and reports:

Thronateeska, Council of Safety, Atlanta, Augusta, Lamar LaFayette, Lanahassee, George Walton, Oglethorpe, Col. John McIntosh, Sergeant Newton, Gov. John Milledge, Dorothy Walton, John Lawrence, Stephen Heard, James Monroe, Gov. Treutlen, Arthur Fort, John Benson, John Ball, Old Marion, William Marsh, Roanoke, Nancy Hart, Archibald Bullock, Elizabeth Marlow, Hawthorn Trail, Gov. Jared Irwin, Noble Wimberly Jones, Maj. Gen. Samuel Elbert, Burkhalter, Sunbury, Bonaventure, Barnard Trail, Gen. James Jackson, Chattahoochee, Commodore Richard Dale, Elijah Clarke, Joseph Habersham, Bainbridge, Brunswick, Etowah, Button Gwinnett, James Pittman, Fort Early, Benjamin Hawkins, Stone Castle, Baron DeKalb, Col. William Few, Nathaniel Abney, Fort Valley, Col. Wm. Candler, Pulaski, Hawkinsville, William McIntosh, Altamaha, LaGrange, Henry Walton, Matthew Tolbert, Sergeant Jasper, Sarah Dickinson, Gen. Daniel Stewart, Savannah, Hancock, Toccoa, Lyman Hall, Lachlan McIntosh, John Clarke, Ochlocknee, Jonathan Bryan.

CUSTODIAN OF D. A. R. FLAG AND CONVENTION PROPERTIES

Mrs. A. H. Brenner, Chairman

At the close of the Conference at Brunswick, March 12-14, 1929, the D. A. R. Flag and other properties were consigned to the care of the Brunswick Chapter for safe keeping until such time as it should be necessary to send them on to Newnan for the Conference 1930.

Courteous assurance was given that safe houseing and proper insurance would be attended to.

Some weeks prior to the Newnan Conference, March 25-27, 1930, the Chairman communicated with the Brunswick Chapter and then with the Newnan Chapter to make sure that the properties were shipped and received on time. Though unable to be present request was made that the new administration be asked for further instructions.

CORRECT USE OF THE FLAG

Mrs. Robert K. Rambo, Chairman

On the Strand, in London, one of the busiest streets in one of the largest cities of the world, stands the Cenotaph, England's national memorial to her heroic dead. Every man and boy, from the King to the humblest tram conductor, the street urchin and the lowly, raises his hat when he passes that monument. It matters not how many times a day he passes by, off comes his hat. It is a touching and a beautiful gesture, and it is done quietly and without ostentation.

How I wish that we Americans could teach or feel such respect for our Flag, that symbol of America's glorious history, so that every man and boy could not keep his head covered when the Flag goes by. It is this spirit that the Daughters of the American Revolution are trying to inculcate in the hearts and minds of the youth of our country, and the older generation as well.

As your State Chairman for the Correct Use of the Flag, I beg to report that comparatively few Chapter Chairmen in the state have made reports to me. I am sure there is a much livelier interest and more constructive work being done through the state than this would indicate. The reports show active work by these Chapters, both in displaying the Flag, teaching and distributing the Flag Codes, and at suitable times pledging allegiance to the Flag; and an alertness to see that proper respect is paid to it at all times.

Your Chairman is a member of the National Committee for the Correct Use of the Flag.

I made my report for the state to the National Chairman, though at the time the report was requested I had very little data from the Chapter Chairmen. At the request of the National Vice Chairman for the Southern Division, Mrs. James A. Craig, I provided her with a short history of the Georgia State Flag.

I sent the names of the Georgia Chapters to Mrs. S. M. Hull, of the Toussaint Dubois Chapter of Lawrenceville, Ill., and requested her to send each Chapter a sample copy of the colored Flag Code, suitable for framing. Mrs. Hull writes that she has received several orders from Georgia already, and is most appreciative.

May I suggest for the benefit of your next State Chairman for the Correct Use of the Flag, that each Chapter in the state furnish her, as early as convenient, the name of the Chapter Chairman, in order that the State Chairman may get in direct touch with her, and in this way I am sure matters would be facilitated and the results would be much more satisfactory, especially as to reports.

I have tried to answer promptly all letters received, and have given all information requested to the best of my ability.

In closing this report, I would like to leave with you the following suggestions that may be helpful to the Chairman for the Correct Use of the Flag in making their program for the year.

Some Suggestions to Chairmen For the Correct Use of the Flag

Daughters of the American Revolution

First—Work for the resolution (practically our Flag Code) which will come before the United States Congress. Do whatever you can to secure its passage.

Second—Make a study of your state flag this year, each state working on her own flag, writing a history of your flag and give it to your Chapter in the form of a lesson or lessons. Please send me a copy of any lessons that you may prepare, in order that I may

report them to the National Chairman. Much valuable information would be contained in a history of our state flags.

Third—See if you can find any historic flags of Revolutionary times or even of later date, and arrangements can be made to have them preserved either in your state capitol, or our own Memorial Continental Hall.

Fourth—Make continued efforts to have the Flag Code brought to the attention of decorators, etc. A study of the Code by the Daughters themselves has been suggested.

Copies of the Flag Code can be purchased from Memorial Continental Hall, Washington, D. C., one cent each, \$2.50 for three hundred, or \$5.00 per thousand.

Code Used by Old Glory Club

"Wherever you see the flag hung incorrectly or the tricolor upside down, indoors or not, just call attention to it, but refrain from aggressiveness. Make an appeal to his or her patriotism, present a copy of the Code regarding correct hanging and do not argue. Then report to the club your success or failure."

COOPERATION BETWEEN D. A. R. AND S. A. R.

Mrs. John M. Slaton, Chairman

Several citizenship S. A. R. medals have been offered by Chapters this year in public schools. The Colonel William Few Chapter of Eastman has offered one. The Hawkinsville Chapter, two; the General John Milledge Chapter of Dalton, three.

At a meeting of the Atlanta Chapter, September 14th, observing Constitution Day, Mr. W. M. Francis, State President of Georgia, S. A. R., and several of S. A. R. members were guests. On January 31st the Georgia Society S. A. R. held its mid-winter meeting.

Mrs. Bun Wylie, State Second Vice Regent, and Mrs. Eli Thomas, Regent of Atlanta Chapter, were banquet honor guests. At that time Mrs. Thomas indicated splendid cooperation by an invitation to the Sons to attend our State Conference as spectators for one day.

Your Chairman urges that the Daughters encourage the organization of S. A. R. Chapters in their cities.

The Gov. John Milledge Chapter is aiding in organizing a Chapter in Dalton.

REPORT OF D. A. R. MAGAZINE COMMITTEE

Mrs. J. Tom Wood, Chairman

During the year I have sent requests to the Regents asking for the report on subscribers to our magazine. Some have reported regularly, and many not at all. I regret to report a smaller number of subscribers than last year—the total number being 293. However, the National Chairman writes that the falling off is noted in all states. Though this sounds discouraging I am glad to say that many Regents have said "We can't get along without the magazine."

Let me urge all of you to subscribe for the magazine, every Regent and State Chairman should do so, for it will aid them in their work and help them keep in touch with the great work of our organization. Very few Chapters showed any interest in trying to win the silver loving cup given by Mrs John A. Perdue for the largest number of new subscriptions secured. Forty Chapters reported to me and I want to thank each one for their cooperation. Those reporting were:

Oglethorpe, Benjamin Hawkins, Lamar LaFayette, Dorothy Walton, Col. John McIntosh, Sergeant Newton, Council of Safety, Gov. John Milledge, Button Gwinnett, Bonaventure, Arthur Fort, Hancock, Sunbury, Edmund Burke, James Pittman, Col. Wm. Candler, John Houston, Col. Wm. Few, Hawthorn Trail, Roanoke, John Clarke, Briar Creek, Barnard Trail, Sergeant Jasper, Old Marion, Gen. James Jackson, Elijah Clarke, Atlanta, Nancy Hart, George Walton, Chattahoochee, Savannah, Joseph Habersham, Lyman Hall, Sarah Dickinson, Altamaha, Matthew Talbot, Hawkinsville, Nathaniel Macon, Mary Hammond Washington and Lachlan McIntosh, Brunswick.

The silver loving cup given by Mrs. John A. Perdue to the Chapter securing the largest number of new subscriptions goes to the Savannah Chapter, Mrs. Robert H. Roux, Regent. This Chapter secured 18 new subscriptions during the year.

D. A. R. STUDENT LOAN FUND

Mrs. Barnett Solomon, Chairman

Since 1925, \$1,940.00 has been loaned to ten Georgia students from this fund. Of this amount \$381.18 has been replaced, by repayments and interest, making a total of \$1,558.82.

Two loans have been made this year, with two applications pending for which funds are available. This was made possible by releasing for loans \$1,000.00 of the \$4,000.00 from the sale of the auditorium bonds.

The following Chapters are showing splendid results from revolving Student Loan Funds:

Hannah Clarke	\$400.00
Governor Treutlen	250.00
Nathaniel Abney	150.00
Com. Richard Dale	225.00
Elijah Clarke No. 1	740.00
Elijah Clarke No. 2	100.00
John Laurens	50.00

Through the efforts and enthusiasm of their Regents, two new loan funds have been organized this year:

Peter Early	156.00
Col. Wm. Few	200.00

State Loan Funds are reported this year:

Valdosta Loan Fund	4,719.36
Fanny Trammell Memorial	5,000.00
Fund for local schools	2,000.00
Memorial fund for boys	6,592.00

The Treasurer's report shows:

Interest on savings	133.96
---------------------------	--------

Chapters sending Chapter Student Loan work through State Treasurer are the Elijah Clarke, Peter Early, Col. Wm. Candler, Gen. James Jackson, Col. Richard Dale, Stephen Heard and Sergeant Newton.

Any Regent who organizes and maintains a Student Loan Fund in her Chapter will have accomplished something outstanding and worth while.

FANNIE TRAMMELL MEMORIAL LOAN FUND

Mrs. W. E. Mann, Chairman

Five years ago this Loan Fund was started in Dalton, by the Governor John Milledge Chapter, in memory of a loved member and former Regent, Mrs. Fanny Trammell, who, at the time of her death, was the State Vice Regent of Georgia.

Mrs. Talmadge, State Vice Regent at that time, made it a State Fund, with your Chairman and a committee in charge, and \$5,000.00 as the goal. And now, through the generosity of friends and the loyal cooperation of all D. A. R. Chapters in the State, I am more than happy to bring you the glad news that the full amount has been obtained—that we have completed the \$5,000.00 fund in five years. Twenty-seven girls and boys have been helped through college, and a loving and lasting memorial established that through all the years to come will leave its imprint upon the deserving youth of Georgia.

Eighty-two Chapters have contributed this year. The financial report is as follows:

FLAG DAY

Mrs. John Montgomery, State Chairman

It is encouraging to report increased interest in the celebration of Flag Day over last year.

Reports show that a loyal and patriotic spirit prevailed and the different ways in which the day was observed has added inspiration and should be a splendid opening for the year's work.

FORESTRY

Mrs. Stewart Colley, Chairman

It has been a pleasure indeed for me to serve you, Daughters of the American Revolution, as your State Chairman of Forestry.

I have loved the work. I have loved God's forest.

Ninety-six letters were written and 78 answers were received.

Nearly 75 per cent of the Chapters observed Forestry Day or had a program on the preservation of our forests.

The growing interest in our Georgia forests is showing results both in our Georgia people and in our growing forests.

Let's pull together to fight forest fires. This is our great economic loss at present. We can! We will! We must!

GEORGIA BANQUET AT CONGRESS

Mrs. W. H. Hightower, Chairman

All arrangements have been made for the Georgia Banquet to be served in the main dining room of the New Willard Hotel, Washington, D. C., on Tuesday, April 15th, at 6:30 p. m. Cover charge, \$4.00.

GEORGIA BELL AT VALLEY FORGE

Mrs. Eugene B. Codington, Chairman

It is with the keenest pleasure that I am enabled to give this report on our Georgia State Bell in the Washington Memorial National Carillon at Valley Forge, Pa., the carrillon being composed of a bell from each state, and a very large bell from all the states combined. This report was made possible by the splendid Georgia Chapters in response to the Resolution making the bell an item on the Honor Roll.

When we remember that Valley Forge is a National Shrine for all time, and that the Colony of Georgia had soldiers there under Gen. Lachlan McIntosh during that awful winter of suffering and starvation, early in the Revolution, it makes us realize that we owe a debt of love to those soldiers which we can never repay.

When we pay in full for our bell, and the sign "Not Given" is removed from under it, then we can freely enjoy its clear, sweet tones when they ring out with the other bells in patriotic and religious songs, and in the Wedding March for bridal couples.

The following is my financial report:

A letter from Brother Burk, founder of the Washington Memorial Chapel, and of the Carillon, under date of March 22, 1930, just before State D. A. R. Conference at Newnan, states that he has an hand, including \$51.51 interest, \$624.66.

GEORGE WASHINGTON'S BIRTHDAY

Mrs. Walter Scott Coleman, Chairman

Again your Chairman has to acknowledge with due appreciation the very hearty cooperation of our State Regent, Chapter Regents and members from every section of our state in observing the time-honored tribute to the Father of our great Country, his historic birth, his illustrious services to our forebears and our early struggles in wresting national freedom for Americans. Georgians are a patriotic people, and the Daughters of the American Revolution have a distinct pride in their part, celebrating this event in our national life. Exercises everywhere included civilians, schools and civic organizations, and our demonstrations proved most creditable to the eventful day. This annual observance is more and more an object lesson of patriotism to the youth of our state, and our organization is pledged to its perpetuation for all time.

Of the 96 Chapters in our jurisdiction, 72 Chapters advised your Chairman of their special observance, Hawkinsville responding first, followed by Griffin, and others in the order of their record below. Your committee herewith returns its thanks to all who joined in this special activity of the D. A. R. in Georgia, and to Regents and members we tender this expression of appreciation. Following may be found a compilation of Chapters reporting their demonstrations:

Hawkinsville, Pulaski, Fort Early, John Benson, John Houston, Council of Safety, Elijah Clarke, William Marsh, Fielding Lewis, Savannah, LaGrange, Bonaventure, Button Gwinnett, Samuel Reid, John Clarke, Dorothy Waltin, Commodore Richard Dale, Hancock, Nathaniel Abney, Chattahoochee, Vidalia, Augusta, Knox-Conway, Col. GEORGIA DAY

Mrs. Lucius McConnell, Chairman

Through the untiring efforts of our Georgia Society D. A. R., February 12th was set aside by the State Legislature as Georgia Day to celebrate the founding of our great state and to commemorate the landing of General Oglethorpe and his English colonists on Georgia soil.

The first public Georgia Day celebration was held at the State Capitol in Atlanta in 1901 under the auspices of the Joseph Habersham Chapter D. A. R. with Miss Nina Hornady serving as Chairman. Miss Hornady, who was responsible for the plans of this celebration, states that she conceived her inspiration and idea when reading Miss Mitchell's History of Georgia, in which is suggested that one day each year be dedicated to the celebration of the founding of Georgia. The Joseph Habersham Chapter then presented this idea to our State Society who fostered the splendid movement and used influence with the State Senate in having the Act passed in 1909 that February 12th be celebrated in the schools as Georgia Day.

But, with our ever increasing adult population from other parts

of these United States and from foreign countries we must add to the schools, public celebrations that will place before these new Georgians our State colors, the early events of history, the unlimited natural resources and the inspiration to be gained from our mountains and plains and coast line that will help each to become a great citizen and a true lover of our wonderful Georgia Land.

Madam State Regent, I thank you for the honor of being permitted to serve as Chairman of the Georgia Day Committee, and on behalf of this Committee I submit the following report:

On Sunday, February 9th, the D. A. R. Column of the Atlanta Constitution carried a historical article compiled by your Chairman giving "The Reasons England Became Interested in Settling the Colony Georgia."

A note was written to the Regent of each Chapter asking Georgia Day report. In response, seventy Chapters celebrated Georgia Day. To these seventy Chapters I have letters of appreciation for their outstanding work in this line of patriotism. They are as follows:

Oothcaloga, Thronateeska, Commodore Richard Dale, Council Knox-Conway, Elijah Clarke, Atlanta, Joseph Habersham, Lamar, Bunswick, Lanahassce, Calro, Camilla, Button Gwinnett, George Walton, James Pittman, Col. GEORGIA ROOM IN MEMORIAL CONTINENTAL HALL

Mrs. James C. Gentry, Chairman

The report of your Chairman of Georgia Room in Continental Memorial Hall is necessarily brief on account of the fact that so little has been required. This room, now being used as an office, was almost completely furnished prior to the appointment of your present Chairman.

The last request from our National office was for plate glass tops for two tables. These were given by the Joseph Habersham Chapter of Atlanta, of which your Chairman is a member.

A number of Chapters throughout the state have expressed their loyalty with offers of help for which we assured them of our deepest appreciation.

Many members have visited the Georgia Room and were pleased at the reception given them by those in charge.

In closing I wish to thank our State Regent, Mrs. H. F. Gaffney, and members of the executive staff for the appointment and to assure them of her loyalty to the cause at all times.

GENEALOGICAL RESEARCH

Mrs. John Lee Davidson, Chairman

General interest in genealogy increases every year, and we may safely say the Daughters of American Revolution provide much of the inspiration. There is no more fascinating study than that of one's own forbears. Could anything be more interesting than a

mental picture of remote ancestors in their joys and sorrows, their business dealings, traits of character, and personal appearance, as revealed by county records, inscriptions from their tombs, the old family Bible, old letters, old pictures and tradition handed down from generation to generation?

It almost staggers us to think of the priceless genealogical material scattered over Georgia. There is hardly a family that could not contribute a Bible record, an old letter or diary to this cause.

Our court houses are mines of information. Romance, tragedy, the sublime and the ridiculous combine to make these records of gripping interest. Between the lines of a man's will his character is revealed. Lawsuits and court records show the character of his dealings with his fellow man. If he is indicted for biting off the ear of another fellow, we infer he was an enemy to be dreaded, but we laugh. If he gives his wife a generous living as long as she is his widow and conducts herself "in a becoming manner," we are sure he was indeed head of the house, and the woman played second fiddle, if any at all.

The object of the National Committee for Genealogical Research is to collect and bind all available material, to be placed in Constitutional Hall Library, for the use of the Register General in proving our claims to eligibility, for the members of our Society, and the general public. It is the ambition of the Society to build up the greatest reference library of genealogical material in America, if not in the world. Every individual member can help by sending through her Chapter to the State Chairman all unpublished data known to her, three typewritten copies, on paper 8½x11, margin of one inch top and bottom, and one and a half inches on left side for binding. The placing of these records in Constitutional Hall Library does not interfere with its later publication by the Chapter or State sending it. In the meantime it serves a wonderful and far-reaching purpose.

The following data was received: Forty-six records from tombstones of old burial grounds in Pulaski County, from Mrs. J. L. Mims, Regent, Hawkinsville Chapter. Index to Will Book "A," Stewart County, from Mrs. Olin W. Patterson of Roanoke Chapter, Lumpkin. Will of Solomon Lockett, of Warren County, inventory and division of estate, and deed from Wm. and Solomon Stephens, administrators of John Stevens to James M. Middlebrooks, all of Upson County, from Mrs. J. L. Collier, Regent, Lamar-Lafayette Chapter. Index to Will Book "A," 1827 to 1854, and marriages from Book "L," 1826 to 1852, Houston County, from Mrs. E. W. Traylor, Regent General, Daniel Stewart. From the Atlanta Chapter, abstracts of wills of Captain John Knowles, Wm. Giles, Thos. Harding, Capt. Chas. Ellis, Robt. Hamilton, Geo. Wilson, of Virginia; of John Clark, of South Carolina; of Solomon Boykin, Martha Cooper, Christopher Chappell, Jeremiah Wootten, Green B. Burney, and Elizabeth Mary Ann Smith McCall, of Georgia; History of John Ball, Revolutionary soldier; pension records of John Bear-den, of Virginia; Matthew Patton, and Maj. Wm. Smith, of South Carolina; Robt. Henderson, John Moore and Isham Burke, of Georgia; extracts of marriages and deaths from old Kentucky newspapers.

The personal activities of your Chairman has been centered around the preparation and publication of Volumes 2 and 3, Historical Collection Georgia Chapters P. A. R. Volume 2 was issued

in August, 1929, and contains records of Richmond County, as follows:

Wills, 1777-1797.

Wills, 1798-1840.

Index to Will Book, 1840-1853.

Administrators' and Guardians' Bonds, 1777-1830.

Marriage Bonds, 1785-1830.

Marriages.

Deeds, 1750-1790.

Minutes of Inferior Court, 1790-1820.

Walton Family History.

Volume 3 contains records of Elbert County, abstracted August and September, 1929, and just off the press. Table of Contents as follows :

Wills, and Returns of Administrators and Guardians, 1790-1838.

Marriages, 1806-1834.

Land Court Records, 1791-1822.

Minutes of Inferior Court, 1791-1830.

Land Lotteries, 1806, 1821, 1827, 1832.

First Four Books of Deeds, 1789-1797.

Tombstone Records from the Oldest Burial Grounds in Elbert County.

Most of the people of Elbert County came to Georgia from Virginia with George Matthews, afterwards Governor, many of them Revolutionary soldiers. Part of the Broad River Settlement was cut off from Wilkes into Elbert, and many of the old settlers of the dead town of Petersburg figure in these records. Many people of the Carolinas settled in Elbert or transacted business there. Both these books are of inestimable value to students of Georgia families, and especially to Georgia D. A. R. Every Chapter should own a copy of each.

It is regrettable that this work was not undertaken years ago. Every year the records of our older counties, which can never be replaced, are lost or stolen. Some of the oldest records of Hancock County are stored in the attic. Many of the oldest records of Wilkes County, court records, original wills, tax digests, etc., are stored in attic and cellar. In Jasper County, the records of old Randolph County, now Jasper, are dumped in the cellar. There are Chapters in all these towns whose duty it is, and whose pleasure it should be, to see that these invaluable records are stored in their fireproof vaults, in a manner calculated to preserve them. Like Nero, we fiddle while Rome burns.

The preservation and publication of our county records should not be secondary work of the Georgia D. A. R., but should come before all else, and generous response from the Chapters to the Lucy Cook Peel Fund should give financial support to this end. We are not working for today, but for the future, when many of these precious records will be lost or destroyed, and those who come after us will feel that the Georgia D. A. R. are responsible, having failed in our duty in preserving them.

GIFT SCHOLARSHIPS

Mrs. John M. Simmons, Chairman

The spirit of cooperation in the interest of our Gift Scholarships has been highly commendable and most gratifying. It is a source of great satisfaction to note the splendid attitude of our Daughters towards this department of our work.

The past year has witnessed an advance in additional funds and in the number of Chapters reporting; many reported work done locally, but did not state the amount. These reports could not be included in our financial report.

The generous aid from the Daughters of the American Revolution has enabled a number of earnest students, both boys and girls, to have a chance to develop themselves so that they may be a credit to themselves and to our State. Many of our students maintain a high standard of scholarship.

It is hoped that the good developed through this department will be of benefit both to the donors and to the students.

GIRL HOME MAKERS

Mrs. Henry McCalla, Chairman

Increased interest has been shown in this work this year. Practically all of the Chapters have done some work, either in their schools or in the cooperation with the 4H Clubs and Girl Scouts.

Only four Chapters entered the annual essay contest. The subject for this year was, "The Home Maker and the Country." The State prize, and also the right to enter the National contest, was won by Miss Marie Tripp, of the Hawkinsville Club.

Most of the Chapters have expressed a desire and intention to do more for this committee next year.

Honorable mention is deserved by the Hawkinsville and Elijah Clarke Chapters for their splendid interest in our future "home makers."

HELEN ROGERS FRANKLIN TROPHY

Mrs. Wheeler Tolbert, Chairman

It has not been an easy task for this committee to select the winner of this trophy, after carefully examining the reports from nearly all of the ninety-six Chapters in Georgia.

But our State Regent, with a clear vision, had seen the necessity

of making certain requirements for eligibility for the trophy. These were incorporated in the report blanks and have been a helpful guide to your committee. The Chapter reports were indeed mervellous and they record a year of real achievements.

Before announcing any decisions, I wish to thank the other members of this committee, Mrs. O. C. Bullock, of Oglethorpe, and Mrs. John Murrah, of Button Gwinnett, Columbus, who have given much time and thought in reaching a decision. We wish to offer our congratulations and sympathy to the next Chairman of this work. May the fairies endow her with wisdom, judgment and discretion as she wanders through the maze of the wonderful accomplishments of the Georgia D. A. R. and may the fairies give her courage to dare to stand before the assembled D. A. R.s and say that one Chapter deserves such a distinction over all the other Chapters. None have failed, but to those who have not won, let us quote Lowell, who says, "Not failure, but low aim, is crime."

The highest aims have been apparent in the work of all Chapters, but for general excellence during the year of 1929-30, the Helen Rogers Franklin Trophy is awarded to the

HAWKINSVILLE CHAPTER, MRS. J. L. MIMS, REGENT HAWKINSVILLE, GA.

HISTORICAL PROGRAMS

Mrs. Albert Tidwell, Chairman

There is no study more interesting and important than history of our own Southland and Georgia.

To serve as State Chairman of Historical Programs for the years 1928-1929 and 1929-1930 has been a pleasure and privilege greatly appreciated and the duties involved has been most delightful. To plan Historical Programs has proven most interesting and beneficial, especially since the responses from the Chapters over the State are more than 75 per cent, as using the outlined programs, many using in part and many using it entirely throughout the meetings of the year.

This report is most gratifying to the Chairman and I take this opportunity of thanking the 74 Chapters who have reported as having embodied this study in their programs.

HISTORIC POST CARDS

Mrs. James Hyde Porter, Chairman

Interest in the Historic Post Card Collection is growing throughout the State and every year there are many beautiful additions.

During the past year thirty-one Chapters responded to my letters, while only eighteen sent cards.

The Samuel Reid sent two historic cards.

The Oglethorpe sent a card of the marker they have recently erected to Oglethorpe.

Lachlan McIntosh sent ten cards. Of special interest was a picture of the Old Kitchen in the Telfair Academy.

The Button Gwinnett sent seven cards of general historic significance.

From the Lamar-LaFayette were received nine cards, six Georgia and three Washington scenes.

The Joseph Habersham did not send any cards for the State, but reported a wonderful collection for their Chapter book.

The Savannah contributed ten cards of local historic interest. In this collection was a very lovely card of the Old Slave Huts of the Hermitage.

The Colonel William Candler sent three snap-shots of their markers.

The Hawkinsville contributed five cards of general historic interest.

The Briar Creek sent a large picture of their marker of the Battle of Briar Creek.

The Bonaventure sent thirteen beautiful cards of local and historic interest.

A picture of the marker placed in Thigpen Trail by the Barnard Trail.

The Col. William Few sent three interesting cards. The most unusual one was of Junaluska's Grave, Bryson, N. C.

REPORT OF THE COMMITTEE ON HISTORIC RESEARCH AND PRESERVATION OF RECORDS

Mrs. Eli A. Thomas, Chairman

This is our best year in the work of collecting Family Bible Records for preservation, 238 having been sent in against 159 of last year. Besides these Bible records so valuable in tracing family lines, especially for membership in the D. A. R., 122 tombstone records have been received, 6 pension records, 5 family records (not from Bibles), one will and two marriage licenses. However, it is most disappointing that only 25 Chapters submitted a report to this committee. I beg all the remaining 71 Chapters to specialize in this important work for next year.

The silver vase for the greatest number of Family Bible Records collected will go this year to the Hawkinsville Chapter, which leads the list splendidly with a collection of 79 Bible records and 45 tombstone records as follows—birth, marriage and death dates:

IMMIGRANTS' MANUALS

Mrs. W. B. Daniel, Chairman

In the past year the office of the Corresponding Secretary General has sent out to forty-five States, Cuba, Alaska and to Ellis Island 288,705 Manuals in seventeen languages.

We, of the eleven states of the Southern Division, do not have as many foreigners as some of the other states, but our Manual work is just as important. Let's do our best to reach our quota and use as many Manuals as is necessary to further our work.

The more usual agencies for this distribution, such as day and night schools and Americanism workers, are used by nearly every state, while banks, foreign churches and clubs, settlements, naturalization courts and libraries are listed by many. Hospitals, prisons and jails, Salvation Army, Boy Scouts, visiting nurses, and Y. W. C. A.'s are also large users of the book, and best of all the hundreds of recorded gifts of Manuals to individual foreigners.

In numberless phases of industry from coast to coast, in logging and lumber camps in the Far West, in mining towns in the Middle West, in factories and mills everywhere, our Manuals bring to newcomers from many lands much information and advice. It is a medium intended to make transition between the Old Country and the New a bit easier.

Your Chairman wrote to each Chapter Regent last September, requesting them to appoint Chapter Chairman to carry on this important work.

INDEPENDENCE DAY

Mrs. Alfred Noel Murray, Chairman

People will not look forward who never look back. How we love to look back and think of the first celebration of the Fourth of July—154 years ago—which declared America free and independent.

In May 90 letters were mailed to the different Chapter Regents. In September follow-up cards were sent, and it fills me with pride when I say that 48 Georgia D. A. R. Chapters responded with interesting accounts of the observance of the day, and several Chapters added that this was the first year that a special program had been prepared.

The Chapters responding are:

Com. Richard Dale, Council of Safety, Elijah Clarke, Atlanta, Joseph Habersham, Augusta, Lamar-LaFayette, Brunswick, Etowah, Oglethorpe, George Walton, Button Gwinnett, James Pittman, Sergeant Newton, Benjamin Hawkins, Gov. John Milledge, Stone Castle, Baron DeKalb, John Laurens, Col. William Few, Nathaniel Abney, Col. William Candler, John Benson, Hawkinsville, John Ball, Altamaha, Old Marion, William Marsh, LaGrange, Roanoke, Nancy Hart, Elizabeth Marlow, Sergeant Jasper, Mary Hammond, Washington, Henry Walton, Hawthorne Trall, Gen. Daniel Stewart, Lachlan McIntosh, Savannah, Bonaventure, John Clarke, Briar Creek, Barnard Trail, Maj. Gen. Samuel Elbert, John Houston, Gen. James Jackson, Burkhalter, Edmund Burke.

Unfurl the Flag on the Glorious Fourth. Let it snap and crackle in the breeze, and play an accompaniment as we shout the plodge of allegiance. 'Tis a great country we're living in—the land of rocks and rills and temple hills.

INDIAN WELFARE AND CITIZENSHIP

Mrs. Price Charters, Chairman

The Senatorial Committee who investigated the Indian reservations recently were of the general opinion that Congress must provide more money for the Indians. "There is a general shortage of funds for the Indians, for rations, for schools, for hospitals and for law enforcement," the chairman declared. "Many Indians are existing under horrible conditions. The Indian Bureau has asked for an increased appropriation this year and it is up to Congress to provide it."

There has always been a great deal of tuberculosis among the Indians, and there are instances of two or three families living in log huts without floors and without stoves, and there can be no checking of the White Plague under such conditions. Treaties are being violated and civilization is destroying the Indians through no fault of their own. James C. Rhoads has been recently appointed Commissioner of Indian Affairs. He is a Philadelphia banker and brings to his new position extensive business experience as well as deep sympathy with the red face as he has made quite a study of the Indian as president of the Indian Rights Association.

The Indians are maintained on reservation with little direct contact with the white race. Secretary of Interior Wilbur has announced that the traditional method of dealing with the Indians will be abandoned. An effort will be made to make them economically independent, thus terminating the custodial relationship between them and the government. An alert business executive who understands Indian nature is the right man to do the job, and he is fortunate in securing Mr. Rhoads to fill this position.

During the past seven years the Indian race has increased in population and wealth. According to statistics they are the richest race of people on earth per capita, which is approximately \$5,000.00 per person. During the seven year period the death rate has fallen from twenty-four to twenty-one per thousand.

The Indians of today are fast assuming the habits and customs of modern civilization and becoming good citizens in every sense of the word. Advancement among the Indians has been accomplished despite the financial handicap, according to the report of the Bureau of Indian Affairs.

The Bureau of Indian Affairs exercises a limited guardianship over the affairs of approximately 200,000, supervising their property interests wherever necessary for their protection, providing schools for the education of their children, maintaining a medical service, with a large number of hospitals, and assisting them in the

development of their material resources so that they may become self supporting and independent of government control. Only a wise financial policy and reasonable annual increase in appropriations will continue to build up the Indian service.

Your Chairman on Indian Welfare wrote each Chapter Regent in the State in October requesting some activity in each Chapter and community on the subject of the American Indian, and a report of same. I have been gratified by the interest shown in Indian welfare by the numerous responses and reports.

Baron DeKalb Chapter at Decatur erected a marker on the Hightower Indian Trail in November. The Campfire Girls in Indian costumes sang Indian songs at the exercises.

The Council of Safety Chapter at Americus marked the site of "Chehaw" with a large granite boulder. Chewar was the site of one of the six most important towns of the Creek tribe of Indians.

The Barnard Trail Chapter at Sylvester reports that Mrs. Clifford Grubbs has added over 200 pieces to her Indian collections during the past year. All were found in Worth county.

Mrs. John Hulsey, Col. Wm. Candler Chapter, Gainesville, continues to add to her collection of Indian relics.

The Elijah Clarke Chapter at Athens reports interesting relics collected by different members of the Chapter. This same Chapter is trying to locate and mark an old Indian path near Athens, now called the "Hightower Trail," but originally it was the "Oostanoola Trail."

The following Chapters reported Indian programs and study of Indian welfare in Chapter or community.

Dorothy Walton, Sunbury, Elijah Clarke, Council of Safety, Col. William Few, Lamar-Lafayette, John Clarke, William McIntosh, Vidalia, Lyman Hall, Samuel Reid, Stephen Heard, Roanoke, Col. Wm. Candler, Arthur Fort, Throneateska, Oglethorpe, Nathaniel Abney.

INTERNATIONAL DAY, FEB. 6

Mrs. Lena Felker Lewis, Chairman

It would seem that "Uncle Sam" with the other nations is specially favoring our committee during the two years that we have been Chairman of International Day, Feb. 6. In 1929, the Kellogg-Briand Peace Pact gave us a subject for discussion at the observance of International Day. In 1930 your chairman wrote a letter to every Chapter Regent in Georgia suggesting that "The Naval Conference in London" be used as the topic to be discussed. We were very much gratified at the response. Those Chapters observing Feb. 6, International Day, were as follows

Com. Richard Dale, Augusta, Elijah Clarke, Oothcaloga, Council of Safety, Lamar-LaFayette, Peter Early, Col. John McIntosh, Button Gwinnett, Oglethorpe, George Walton, James Pittman, Fort Early, Benj. Hawkins, Baron DeKalb, Gov. John Milledge, Stone Castle, Dorothy Walton, John Laurens, Samuel Reid, Col. Wm. Few, Nathaniel Abney, James Monroe, Pulaski, Arthur Fort, Hawkinsville, John Ball, Wm. McIntosh, Old Marion, Altamaha, Wm. Marsh, LaGrange, Mary Hammond Washington, Henry Walton, Nancy Hart, Sergeant Jasper Newton, Matthew Talbot, Sarah Dickinson, Hawthorne Trail, John Clarke, Savannah, Barnard Trail, John Houston, Jonathan Bryan, Chatahoochee.

KENMORE

Mrs. Robert Hugh Caldwell, Jr., Chairman

Your Chairman of Kenmore wishes to report the most perfect cooperation in her work on the part of Chapter Regents and members.

I have urged the observance of a Kenmore Day, through fitting programs and I have received reports from so many of our Chapters that it would require too much space to list them all.

I extend thanks to my Regents for their able assistance rendered and ask their further cooperation with my successor. Other interests rob me of my rights to serve you longer as your Chairman, but my interest and love for Kenmore will always be with you.

LAFAYETTE DAY

Mrs. John S. Adams, Chairman

On the sixth of September, in the year 1757, a day honored by the peoples of two republics, and a day set apart in the history of mankind, a child was born, conceived in liberty, and dedicated to the realization of political freedom. By birth a subject of France, by Act of Congress an American citizen, his name is "sweet as honey on the lips of men"—Marquis de Lafayette.

What the Daughters of the American Revolution think of him is strikingly indicated by the fact that a goodly per cent of all Chapters in the State of Georgia mark the day with brilliant historical addresses, delightful papers, talks by those who have visited memorials to Lafayette in his own country, historical colored films, poetry and song.

I was privileged to be in attendance at the Board meeting held in Milledgeville last November, and I shall never forget the thrill of realizing the meeting was held in the same building and the same platform used where Lafayette stood 104 years ago, then the capitol of the State, where he was received and welcomed as the Nation's guest, and today we, the Daughters of the American Revolution, are helping to hold high that torch of civilization that Lafayette came to this country to help establish.

Early in August your Committee prepared an historical data that was published on the D. A. R. page of the Atlanta Constitution and that data was sent to quite a few Chapters that requested it, and we remember with especial gratitude the cordial response coming from 70 Chapters telling of their observance of the day.

I am sure all of you read the charming address given on the sixth of September last at Fort Benning by our beloved Regent Mrs. Gaffney. All of this shows us that we have not grown tired of the AGE OLD STORY. Each celebration inspires us to renew our memories and our study of one who said—"WHEN I HEARD YOUR CAUSE MY HEART ENLISTED."

LEGISLATION IN U. S. CONGRESS

Mrs. Abner L. Wilkins, Chairman

State Chairmen of this committee have concentrated their efforts this year, under the direction of their National Chairman, Mrs. Fred C. Morgan, Saco, Maine, to make effective as far as possible some of the resolutions passed by our last Continental Congress.

To this end I have lent my influence as Georgia's Chairman, voicing I felt sure, your hearty approval of these resolutions in my letters to our Senators and Congressmen. Some of the measures for which the aid of each State was asked were:

No. 18. Relative to the appropriation of additional funds necessary for the restoration of Old Ironsides.

No. 22. Relative to an adequate Navy.

No. 23. Approving immigrant restriction.

No. 31. Relative to destroying the beauty of our scenery with bill boards and highway advertising, is thought to be a matter on which the individual States should take action and comes within the province of your Committee on State Legislation.

During February an intensive drive from all states to flood Senate and Congress with letters asking immediate action on House Resolution No. 14, which carried with it the adoption of the Star Spangled Banner as the National Anthem was put on. At that time cards were sent to every Chapter in Georgia asking that these letters be sent. The response from you was wonderful, exemplifying your interest in the matter, and if the resolution is not passed it will not be the fault of Georgia Daughters. I wired the Congressman from my District, Hon. W. W. Larsen, for the exact status of this bill at present and he reports as follows:

"The resolution was favorably reported out by the House Judiciary Committee and placed on the Consent Calendar for action in the House. Representative Collins, of Mississippi, objected to the bill being on this calendar, however, and it was therefore removed. In view of this it does not appear so likely that the resolution will come up for action in the House at the present session."

It seems strange that the passage of a bill which interests the people so generally should be postponed. An excerpt from the report of the Committee on the Judiciary says:

Some 200 people, representatives of the various patriotic organizations of the country, appeared before the committee, requesting the adoption of The Star-Spangled Banner as our national anthem. The great-grandson of the author, Mr Francis Scott Key-Smith, made a stirring argument in favor of the bill. Mrs. Reuben Ross Holloway, Chairman of the National Star-Spangled Banner Committee, who has worked for its adoption for many years, was represented by Mrs. N. L. Dashiell, president of the Baltimore Daughters of 1812; Capt. Walter I. Joyce, director of the national Americanization committee of the Veterans of Foreign Wars, advocated the bill and filed with the committee petitions containing over 5,000,000 signatures, a list of more than 150 patriotic organizations, letters and telegrams from 25 governors of various States, and other letters from various business organizations, all asking that The Star-Spangled Banner be made the national anthem.

It was shown at the hearing that The Star-Spangled Banner anthem has been consistently played and sung as our national anthem since the writing thereof at the bombardment in 1814. It was also shown that in 1916 the anthem was promulgated by the Secretary of War, Regulations 250-5 (1-g-1,) and by the Secretary of the Navy, chapter 5 (230-1.)

It is also shown that these regulations were approved by the President of the United States, Woodrow Wilson, the regulations reading as follows:

That the composition consisting of words and music known as The Star-Spangled Banner is designated the national anthem of the United States of America.

LINEAGE BOOKS AND ROSTER

Mrs. C. Buford Smith, Chairman

Atlanta Chapter, Atlanta, has added two lineage books this year. Elijah Clarke Chapter, Athens, has on file in the University of Georgia library ten volumes.

Lamar-LaFayette Chapter, Barnesville, has the distinction of be-

ing the only Chapter in the State submitting its roster. Mrs. Jessie Collier, Regent of this Chapter, has compiled a complete roster with names of ancestors and descendants of Chapter members.

Mary Hammond Washington Chapter, Macon, reports a complete set of lineage books with the exception of Volumes II and V, adding this year to its collection Vol. 104 through the last one issued.

LUCY COOK PEEL MEMORIAL

Mrs. W. F. Dykes, Chairman

The Lucy Cook Peel Memorial has had the sympathy, cooperation and support of our State Regent, the key note of her administration has been "Historical Records;" we have published two books during the term, Volumes II and III.

Seventy-two Chapters have bought books and paid their quota. The committee desires to make grateful acknowledgement for same, who have given encouragement and substantial help in our undertaking, and whose general cooperation has made possible Volume III. Mrs. John L. Davidson, my co-Chairman, has done splendid work for this committee. Her heart and soul are in everything pertaining to history. If we had more D. A. R. members like her what wonderful things we could accomplish.

As you know, this committee was founded by the Georgia State Conference in 1923 in appreciation of the loyal work given to the D. A. R. by Mrs. William Lawson Peel, one of the pioneers of historical research work. No organization is better fitted to rescue these priceless records than the Georgia Daughters of the American Revolution. How dire are Georgia's needs along historical lines and how priceless these publications may prove to be in the course of time. If we fail in this undertaking we shall fail to carry out the leading purpose of our organization.

The money for the sale of these books goes back into the funds of the Lucy Cook Peel Memorial, as this is perpetual. We have in the bank \$1,085.62; Volume III cost \$1,497.48. Help us to sell these books so this valuable work can be continued.

Madame Regent, as Chairman of the Lucy Cook Peel Memorial, it gives me great pleasure to present this book, Volume III, Historical Collection of Georgia Chapter to the State.

I want to thank the Dorothy Walton Chapter of Dawson for the wonderful records sent by them to this committee. Washington County must be our next work.

I recommend:

That the board have all material received by the State Historians, Mrs. John L. Davidson, 1926 to 1928; Mrs. Sanford Gardner, 1928 to 1930; all Bible records from Chapters; State Chairman Genealogical Research, Mrs. John L. Davidson, 1928 to 1930 and all material received from Chapters during their terms of office to be sent to the Lucy Cook Peel Memorial Chairman and that this material be used in Volume IV.

We want to thank our State Regent for the beautiful trophy given to stimulate the interest of this committee.

Madame Regent, as Chairman of the Lucy Cook Peel Memorial Committee, it gives me great pleasure to present this book, Volume III, Historical Collections of Georgia Chapters to this Conference. It came off the press Friday afternoon, in time to make its debut today.

MARKING ALL OLD TRAILS

Miss Virginia Harden, Chairman

The Old Trails Committee has marked several spots on Jackson Trail, on the Tennessee line, through the Gov. John Milledge Chapter. The Roanoke Chapter D. A. R. has placed a Boulder and Bronze Tablet on that part of Jackson Trail passing through the County of Stewart. Sunbury Chapter placed Markers on several old trails. Elijah Clarke Chapter has marked several trails. The Barnard Trail Chapter has placed a beautiful Bronze Tablet on a large granite boulder on Thigpen Trail. Hancock Chapter has marked the old Creek Indian Trail. All with appropriate exercises. The Baron DeKalb Chapter has marked one trail.

Of course, you are conversant with the marking and exercises during February on the Nancy Hart Trail at Washington, Waynesboro, Sandersville, Tennille, Wrightsville, Dublin and Waycross. Several are asking state aid in establishing and marking other trails.

The Committee has no funds, as has the Historical Spots Committee, from the state.

The Chairman offers \$10.00 to the first marker placed on an old trail during the next administration. Thanking you for your uniform courtesy and assistance.

MEADOW GARDEN

Mrs. Sanford Gardner, Chairman

I have a heart full of thanks for the dear friends who have been so kind as to remember Meadow Garden the past year.

Language is not suitable enough or tender enough to express all I feel in extending my gratitude to the Chapters in the state, for their contributions, which have materially assisted in the upkeep of this historic home.

The following is a list of the Chapters and the amounts sent to the State Treasurer for Meadow Garden:

Mathew Talbot -----	\$1.00	Lachlan McIntosh -----	5.00
Maj. Gen. Samuel Elbert -----	1.00	Gen. James Jackson -----	2.00

Meadow Garden is growing in interest daily; it represents the gathered treasures of years of collecting. We have many visitors from the North and West who have heard of this museum. Many also come from the surrounding towns to see our collection of antiques, as well as the home of George Walton, one of the most distinguished men of his time. He was the Signer of the Declaration of Independence, twice Governor of Georgia, once a United States Senator, six times a Member of Congress, for several years on the Superior Court bench of Richmond County. This house was the center of many political conferences, a meeting place for men who were guiding the affairs of the government just after the Revolutionary War.

Last year the expenses amounted to over \$400.00. Our caretaker is excellent; the house and grounds are kept in the best of order, a marked improvement is noticeable in the grounds, owing to her fondness for flowers. Last December we had a visit from the State Regent of the Philippines. She had been in America since the 1929 National Congress.

Mrs. Thomas Barrett has presented to Meadow Garden an old loom, supposed to be one hundred and thirty-two years old. It was found in an old barn in Wagner, S. C. It is a rare possession and we value it very much.

Mr. Sanford Gardner has donated to the kitchen a hide bottom rocking chair, also an iron retort used formerly in a stable.

Mrs. William Andrews has added to the interest of the house by the gift of a show case which will be used for antique clothing and jewelry.

A member of the Button Gwinnett Chapter of Columbus sent a check to Meadow Garden. We invested it in a pair of George Washington andirons, painted in the colors of a Revolutionary soldier.

MEMBER D. A. R. ON BOARD DIRECTORS OF ANTI-TUBERCULOSIS ASSOCIATION OF GEORGIA

Mrs. R. M. McMaster, Chairman

Each Daughter of the American Revolution should consider it a priceless privilege to promote the sale of Red Cross seals. To have a part in fighting the white plague is one of our most important duties. It is very gratifying to find that more Chapters have reported the sale of seals and more individuals have displayed interest in this work than ever before.

It has been my plan to present this work from a health and educational standpoint in the schools, thus teaching prevention. Many

of the Chapters have cooperated with the Child Welfare Boards, County Health Nurses, Junior Red Cross, Tuberculosis Association and Camps, Women's Clubs, Parent-Teacher Associations and other organizations. All of these stress health habits in school, sale of the seals and work in connection with Alto Sanatorium. In some instances the children sent Christmas boxes to the children at Alto. Some Chapters report the sale of no seals in their town. My plea is for each Chapter to have a part in this work and to sponsor the sale of seals wherever possible. The managing director's headquarters are in Atlanta. Seals are furnished by the State Director and the sale begins immediately after Thanksgiving Day and lasts only a month.

In reply to my inquiry sent to every Chapter in Georgia the following report has been made possible. Fifty-three Chapters responded to letters, forty-eight of these bought seals and cooperated with other organizations in their sale. The following Chapters fostered the sale: Monticello, Forsyth, Hawkinsville (95 per cent using seals and placed seals in all schools of town and county); Vidalia (100 per cent using), Thomaston, Winder, Cairo, Eatonton (Chapters furnished the County Chairman and Town Chairman). Below is given amounts derived from seals:

Demorest, \$25.00; Milledgeville, \$30.00; Fitzgerald, \$8.50; Irwinton, \$3.00; Sylvester, \$9.50; Valdosta, health bond, \$5.00; Monticello, \$26.00; Dalton, \$75.00; Forsyth, \$50.00; Thomaston, \$50.00; Grantville, bought 1,000 seals; Winder, \$50.00; Commerce, \$7.00; Barnesville, \$5.00; total, \$344.00.

All three Columbus Chapters did fine work in honor of our State Regent. Please accept many thanks for your splendid cooperation.

NANCY HART HIGHWAY

Mrs. J. L. Massey, Chairman

Your State Chairman of the Nancy Hart Highway is pleased to report the development of our project.

At our State Conference at Brunswick, Ga., in 1919, the Nancy Hart Highway was placed on the Honor Roll, on the basis of ten cents per capita. This did not meet with the approval on the part of every D. A. R. by any means and this fact we all well know; however, it was carried.

At the Executive Board meeting in Milledgeville, the plan was made to purchase six large markers at a price not exceeding \$60.00 each. This plan developed and the markers were purchased for the sum of 55.00 each, the total being \$330.00.

The Nancy Hart unveiling pilgrimage occurred during the third week of February, 1930, at the following points: Washington, Feb. 23; Waynesboro, Feb. 24; Sandersville and Tennille, Feb. 25; Wrightsville and Dublin, Feb. 26; and the last unveiling was in the city of Waycross Feb. 27. Each unveiling was preceded by a most inspiring program planned by the respective Chapters and each town entertained the guests in a most charming manner. I, as your State Chairman, made the entire pilgrimage and enjoyed it so much that we were loathe to return home after having such a pleasant tour. The city of Wrightsville and Johnson County deserve much commendation for their patriotic generosity. They contributed a similar stone to our highway. This was accomplished through the efforts of Mrs. W. H. Shurling, a member of my Committee.

Every town having a D. A. R. Chapter, from Hartwell to Waycross, now possesses a large marker. Ten large markers and one small one have been placed on the Nancy Hart Highway, which is now 375 miles in length.

We have received from the Honor Roll Requirements \$386.20. From this amount we have paid McNeel Marble Company, Marietta, \$330.00, and Mrs. Herbert M. Franklin \$4.98, cost of invitations to unveiling.

My expenses during the past twelve months have been a total of approximately \$20.00 and I have personally defrayed same.

I have also sent out blanks to every D. A. R. Chapter on the route for their members' signatures to a petition asking our State Highway Board to pave this highway as soon as possible.

Allow me just a moment in which to thank our most efficient State Regent, Mrs. Herbert Fay Gaffney, for her whole-hearted support, her untiring efforts, and her mental, physical and financial aid and not forgetting to be appreciative to every Georgia D. A. R. who favored us in any way.

Below you will find a list of all the Chapters who met this Honor Roll requirement:

UNVEILING TOUR OVER THE NANCY HART HIGHWAY

Mrs. Herbert M. Franklin

Oh! we had a wonderful time on the tour over the Nancy Hart Highway when seven markers were unveiled, making a total of ten splendid markers which outline this highway through Georgia.

To me, it was a dream realized, for three years ago, the thought came to me, as your State Regent, that our organization should in some way honor our Georgia Revolutionary Heroine, Nancy Hart. How splendid it would be to have a great highway traverse our state bearing her name, in order that tourists might see how we honor the memory of our patriots. My resolution to that effect was put before the State Conference in Thomaston, was adopted, and a strong committee was appointed.

I wrote U. S. Senators and Congressmen who lent cooperation, and I was informed by the U. S. Bureau of Public Roads that this was the first highway in the United States to be named for a woman. Again Georgia leads!

Honorable John N. Holder, at that time Chairman of the State Highway Board, readily gave consent for us to name any highway in Georgia not previously named. The Committee chose the highway from Hartwell to Augusta, via Elberton and Washington. Hart County is the only county named for a woman and as Nancy Hart lived in that section, the selection of this route was most appropriate. Granite markers were placed in Hartwell and in Elberton by the Chapters, and a marker on the Nancy Hart Highway placed by the State D. A. R. in Augusta was unveiled with elaborate ceremonies during our State Conference there in 1928.

We then obtained permission from the State Highway Board to extend this highway from Augusta, through Waynesboro, Louisville, Sandersville, Tennille, on over Route 15 throughout the state to Florida.

Our present State Regent, who is intensely patriotic, took up the work, and placing these seven markers is one of the great achievements of her Regency. She it was who suggested this unveiling pilgrimage, but she thought it could be made in two days. I was requested to arrange the schedule, and knowing that each Chapter would desire to make a great occasion of her unveiling, requested the State Regent to devote about a week to these ceremonies. They began in Washington on Sunday afternoon, Feb. 23; Waynesboro, Monday afternoon; Sandersville, Tuesday morning; Tennille, Tuesday afternoon; Wrightsville, Wednesday morning; Dublin, Wednesday afternoon; Waycross, Thursday afternoon.

As there is no D. A. R. Chapter at Wrightsville, our state organization did not erect the marker, but through the influence of Mrs. W. M. Shurling, a member of our State Committee, it was purchased by Johnson County and the City of Wrightsville. By request, I placed the order and gave heartiest cooperation in all plans for the occasion. The court house was filled to overflowing, and the Georgia Power Company band furnished music. The ceremonies meant more to Wrightsville than to any other place, as they never before had such an occasion as this patriotic celebration. All the markers are alike, and with the approval of the State Regent I wrote the inscriptions similar to the one on the marker placed in Augusta, the D. A. R. insignia at the top, under this "Nancy Hart Highway," named by Georgia D. A. R., erected by State D. A. R., and Chapter at each place, except Wrightsville, which was erected by city and county. Here the marker is elevated on a pedestal and at each side is an attractive little shrub, one named the Blanche Gaffney tree, the other, the Helen Rogers Franklin tree.

The two officers, Mrs. Gaffney and Mrs. Bun Wylie, the State Chairman, Mrs. Massey, and many other State Chairmen were everywhere given ovations and enjoyed many delightful teas, luncheons, dinners and receptions. As Honorary State Regent it was my great pleasure to attend the ceremonies at several of the places after an enforced absence from such occasions for several months last year on account of illness. A special feature of the exercises in Tennille was a song, "A Jubilee" written for the occasion by Mrs. Loula Kendall Rogers, mother of Mrs. Franklin. Mrs. Rogers is Chaplain for life of the D. A. R. and U. D. C. Chapters at Tennille, State Poet Laureate, U. D. C., and the oldest living graduate of Wesleyan College. This song was also used at Dublin and Waycross for the unveiling ceremonies.

ADDRESS DELIVERED AT THE UNVEILING OF THE NANCY HART MARKERS ON HIGHWAY AND PRESENTATION OF MARKERS

MRS. HERBERT FAY GAFFNEY, State Regent

This is an occasion of much delight in the happenings of our Georgia Society of the Daughters of the American Revolution.

One of the objects is to promote the aims set forth in the Constitution of the National Society, and to "keep in view especially the preservation of the memory of its Revolutionary patriots, the study of its history, and the education of its youth in patriotic ideals and in the duties of citizenship."

The late Secretary of State, William Jennings Bryan, says: "For an American, the impossible is always possible." Centuries ago when one man realized that two could roll a stone more easily and further than one, CO-OPERATION began. The hearty assistance from the citizens of this patriotic city in making possible the erection of these several markers, which we today are unveiling, proves both of my points. In behalf of the entire membership of the Society, I express deepest appreciation for this timely gesture of local patriotism.

Now that Civilization has put Traffic on wheels of steel and you have opened your city gates, bidding welcome to the passing throng, multitudes

of strangers will pass this way, review your memorial on this broad highway, and broadcast your local beauties of scenery, your advantages of community life, made greater by education and progress.

To visit the patriotic shrines of one's country awakens a deeper patriotism and stimulates the study of history as nothing else will. Such activities start a great tidal wave that sweeps the entire world.

When we build let us think that we build forever. Not for the present delight, nor for the present alone.

Let it be such work as our descendants will thank us for, and let us lay stone upon stone that a time is to come when these very stones will be held sacred because our hands have touched them and thereby made them worthy memorials.

From time immemorial human beings have desired that the memory of great and good deeds should live after them into successive generations in some enduring form. And so it shall be with us: when our children shall ask their mothers, "Why was this stone placed here?" It shall be said, "They built it as an enduring memorial to our patriots of 1776, who gave us this free nation, and made possible these United States of ours."

After much is said we learn that Life is a wondrous symphony, a symphony of talent, of tone, of melody. Its theme is the mind and heart. God, the great Master, leads and gives us each a part, and in playing that part if one loves one's Art, no service is too small, too hard.

Remember the great opportunity is WHERE you are. Every place is under the stars, every place is the center of the world.

Who every did anything notable that did not first dream it out? This old world of ours was built by dreamers; by those who carried visions around in their hearts.

Woodrow Wilson says, "no man that does not see visions will ever realize any high hopes or undertake any high purpose."

While today belongs in memory to Nancy Hart, and we hold it as a wonderful privilege to so honor and laud her as our great Revolutionary heroine, it is also a great day for Helen Rogers Franklin, for she has dreamed a picture, and today we are painting her dreams. Every Georgia Daughter of the American Revolution, thanks you for creating this dream.

To Mrs. Massey, and every member of this committee who has worked so enthusiastically, we extend sincere appreciation.

There is no work that receives a greater part of our time and interest than that of teaching the Youth of our land. We realize its wonderful spirit, and what vision it must get of the future.

If the history of the world has proved anything, is it not this: That annals of every nation are only the annals of a race between disaster and education. Where education dies, disaster begins.

You may be interested to know that the Daughters of Georgia contributed last year for Patriotic Education, \$20,969. This is quoted from our National Minutes of Congress.

I may say further that Pennsylvania gave \$8,160. Georgia leading by \$14,809. The grand total for Patriotic Education alone, \$119,578.

Appreciating as we do the importance of reaching out into the less fortunate districts, bringing our boys and girls nearer the opportunities of the 20th Century.

We teach Patriotism by fostering reverence to the Flag of the United States, and spreading understanding of these ideals for which our Flag stands.

Through this conception Youth will salute a new world. As the Cross is the symbol of unselfishness, and the emblem of a Christian, so is the American Flag the symbol around which this big, far-reaching patriotic nation is centered.

Those of you who are privileged to visit one of our National shrines, Valley Forge, will find there our Georgia flag, a gift of the Georgia D. A. R. Society, triumphantly waving, taking its place along with the flags of other States, mingling its praise and admiration for Washington and his Valley Forge heroes.

Mothers who hear me today, there is a realm, the HOME, where your work must continue if a greater America is to endure.

The women of America will and can, make or break the nation by what they teach their children before these children reach the age of ten.

The responsibility is yours. No nurse, no teacher, no professor, no chaplain, no legislator, no governor, no judge, no friend—nobody can assume or discharge that duty for you. The child draws his inspiration for truth or falsity, for usefulness or dependence from his mother just as surely as he does the nourishment for his body, and unconsciously, receives it from her just as willingly. Let us get a new vision of our responsibility, and rededicate our lives to this cause.

In having the honor of presenting this historic marker in the name of

5,000 Georgia Daughters of the American Revolution, I pray you accept it, and may the inspiration that prompted the erection, prove in some slight degree a possession of lasting value.

NATIONAL DEFENSE

Mrs. J. V. H. Rucker, Chairman

I have tried to the best of my ability to carry out the duties of the Chairmanship of National Defense. The purposes and aspirations of the department are so far-reaching in their scope, that I feel sure no chairman could feel satisfied until communism and socialism are stamped out from within our borders.

The National Committee has kept the State Chairman informed at all times, and she in turn has kept in touch with the Chapters. The Defense program of 1928 was continued in a most interesting manner and letters have been received from a majority of the Chapters saying the programs had been of much service and enlightenment. Most of this material, with the exception of the prospectus and the articles on "The Monroe Doctrine" were sent out by the national office.

Through the courtesy of our State Regent, the President-General, Mrs. Hobart, appointed your Chairman to the National Committee of National Defense, and she takes this opportunity of thanking her for this honor.

A paper on "The National Origins Plan of Immigration Restrictions" was read before Elijah Clarke Chapter and then turned over to the Chairman of Historical and Literary Reciprocity.

With Russia as a terrible example, there seems to be a general awakening all over the United States of the dangers and evil effects of communism, and we, as Daughters of the American Revolution, can not be too diligent in stressing the importance of National Defense. Talk it at your meetings, discuss it among your friends, tell them what it means, that it is a shining light as opposed to theism, communism, lawlessness and destruction of youth.

Your Chairman thanks you for your hearty support.

"OLD IRONSIDES"

Mrs. J. W. Rourk, Chairman

Interest in "Old Ironsides" seems to have met with more enthusiasm this year than last. Chapters reporting having purchased copies of "Old Ironsides" are: Barnard Trail Chapter, 9; Arthur Fort Chapter, 8; James Pittman Chapter, 26; John Clarke Chapter purchased two, one of which will be framed and put in Seventh Grade room in local school by the Regent of the Chapter. Briar Creek Chapter writes interestedly of the "Old Ironsides" and presented a framed copy to the school. Governor Milledge reports a framed copy of "Old Ironsides" given to the mill school. John Benson purchased a picture of "Old Ironsides" for the club house. Comodore Richard Dale Chapter offered a five-dollar gold piece to High School student writing the best essay on "Old Ironsides." The postoffice at Madison handled the sale of "Old Ironsides" and a number bought the picture. George Walton read articles on rebuilding "Old Ironsides out of Georgia wood at their Chapter meeting. Lamar-LaFayette Chapter bought 2 copies. Bonaventure Chapter bought 3 copies. Oglethorpe Chapter bought 57 copies. Savannah Chapter 1 copy; a framed copy of "Old Ironsides" was presented to Thunderbolt school and made them feel at home owing to the boats along the water front, so the children said.

Your Chairman wrote 235 letters and quite a number of postal cards. One of our rural schools will be presented with picture. Several Chapters presented prizes written on "Old Ironsides," but did not report to the General Chairman.

Your Chairman found numbers of pictures of "Old Ironsides" framed, and hung in the homes as well as in the schools.

ORGANIZATION OF NEW CHAPTERS

Mrs. Max E. Land, Chairman

It has been a privilege to assist our State Regent in this important and tedious phase of our work, for the organization of additional Chapters means extending the influence and activities of the Daughters of the American Revolution. The conditions of our present day civilization should demand the thoughtful attention of all our patriotic organizations and individuals, thus the influence of a Chapter of the D. A. R. in each county should be the aim of the Georgia Society.

The organization of a Chapter is necessarily a slow and tedious work, requiring much time and correspondence. It often takes weeks and even months of effort for as many as twelve prospective members to get their records completed and officially established, especially in our Southern States where many records have been destroyed.

In taking up the work this year I first published an open letter in our official column of the Constitution asking patriotic women in communities where there were no Chapters to communicate with

me. To this letter I had an encouraging response from Mrs. Smith of Homerville, who was appointed by our State Regent to organize a Chapter there. This Chapter is in the process of completion. Also I had an encouraging response from Mrs. F. Clyde Hunt of Thomson, who has, in a remarkably short time, sent in all papers for a Chapter at Thomson, this Chapter to be called the Thomson Chapter.

Sentiment has been created for a Chapter at Louisville and a second Chapter at Athens, both of which can, I feel sure, be organized within the year. Also a Chapter has recently been begun at Woodlawn with Mrs. King as Organizing Regent.

PATRIOTIC EDUCATION

Mrs. Bun Wylie, Chairman

The keynote in the great symphony of service rendered by the D. A. R. to their country and its government, is Patriotic Education. They endeavor to instruct the foreigner landing upon our shores; to inspire pride and love of country in the hearts and lives of native born Americans; love and reverence for our Flag; observance of national and historic days; cooperation with the schools by encouraging the writing of essays and giving medals and prizes; scholarships and local schools and colleges and mountain schools; thus encouraging education, which is the fundamental basis of good citizenship. Interesting, enthusiastic reports of the year's work have come to the State Chairman from 70 Chapters throughout the State.

Scholarships in local schools, mountain schools and colleges, \$14,-469.48; medals and prizes, \$1,300.00; memorials, \$1,400.00; magazines and books to libraries and schools, \$2,480.00; Flags presented, \$200.00; D. A. R. Magazines, \$303.00; 2,500 Flag Codes placed in schools and public places; Flags in school, 150; copies of "Old Ironsides," 22; boxes, \$140; making a grand total of \$20,-651.48 for Patriotic Education in Georgia during the past year.

Outstanding among the reports submitted is the Mary Hammond Washington, Chapter, Macon, leading in contributions and also maintaining a genealogical and historic department in the Washington Memorial Library. Atlanta and Joseph Habersham follow as close seconds. The following Chapters in the order named have also done splendid work, both in service and contributions to every department under the head of Patriotic Education: Fort Early, Elijah Clarke, LaGrange, Gov. John Milledge, James Monroe, Sergeant Newton, John Houston, Hawkinsville, Samuel Reid, Savannah, Hannah Clarke, General James Jackson, Nathaniel Abney, Oglethorpe, Peter Early, Stephen Heard, Fielding Lewis, Pulaski, Button Gwinnett, Barnard Trail, Bonaventure, Lamar-LaFayette, John Benson, Col. Wm. Few, Col. Wm. Candler, Nathaniel Macon, James Pittman, Dorothy Walton, Benj. Hawkins, Lyman Hall, John Clarke, Briar Creek, Arthur Fort, Brunswick, Augusta, Gen. Daniel Stewart, Nancy Hart, Col. John McIntosh, Old Marion, Lachlan McIntosh, John Laurens, Thomasville, Wm. Marsh, Camilla, Edmund Burke, Vidalia, Bainbridge, Archibald Bullock, Sarah Dickinson, Henry Walton, Etowah, Sergeant Jasper, Chattahoochee, Altamaha, George Walton, Com. Richard Dale, Fort Valley, Burkhalter, John Ball, Gov. Treutlen, Gov. Jared Irwin, Oothcalaga, Sunbury.

Bainbridge has 73 scholarships; Gov. John Milledge, John Ball, John Houston, writing county histories; Fort Early, Button Gwinnett, Nancy Hart, Stephen Heard, Edmund Burke active in illiteracy campaign.

PATRIOTIC LECTURES

Mrs. Oscar McKenzie, Chairman

In the Department of Patriotic Lectures much pleasureable interest has been manifest by many Chapters.

In reading the reports of Chapters on the official page of the Constitution, your Chairman has been pleased to note the report of a number of meetings featuring patriotic lectures. These lectures frequently are given by members of the Chapter and often by imported speakers and visiting Daughters.

The following Chapters have sent most interesting and valued reports:

The Joseph Habersham Chapter reports "a number of Patriotic lectures by some of Atlanta's most able speakers."

The Nathaniel Macon Chapter reports lectures on Historic Forts of Georgia. Also historic readings on Observance of Patriotic Days.

Fort Early Chapter reports "inspirational addresses by Chapter members covering D. A. R. work, the Flag, International Problems, Historic Spots and Our Revolutionary Heroes."

The James Pittman Chapter reports this selection of subjects: "Armistice Day, Woodrow Wilson, Places and Purpose of D. A. R., Biography of our First President, Women of the Revolution, Immigration and Good Citizenship, Thomas Jefferson and Traducers of the Constitution."

The Gov. Treutlen Chapter of Ft. Valley selected lectures on Patriotic Subjects.

The Hawkinsville Chapter reports a delightful diversity: Talks or papers on patriotic subjects by members at every meeting, also talks made in schools and several articles for publication in local papers on patriotic days as Armistice Day, Flag Day and 4th of July, thus bringing patriotic lectures to the public.

Pulaski Chapter had papers or speakers on celebration of the following days: "Constitution Day, Magna Charta Day, LaFayette's Birthday, Naval Day, Wilson's Birthday, International Day, Georgia, Washington's Birthday, Armistice Day, Flag Day, Independence Day."

Col. William Few Chapter reports patriotic lectures at each meeting.

The Barnard Trail Chapter reports six patriotic lectures, one on National Defense, three on Constitution, and two on Patriotic Days.

Stephen Hopkins Chapter, Marshallville,, reports lectures on patriotic subjects at every meeting.

Archibald Bulloch reports lectures by members—Armistice, Thanksgiving, Washington, Georgia Day and D. A. R. Departments. Your Chairman sincerely appreciates the interest manifest, and sincerely believes this to be one of the important lines of D. A. R. work. The work has been most pleasant, and cordial appreciation is hereby expressed for the honor of service. Here's hoping next year will bring even better reports from all Chapters on patriotic lectures.

PATRIOTIC SONGS

Mrs. W. McWhorter Shurling, Chairman

"Music is love in search of a word," said Sidney Lanier, and as we loyal Daughters of the American Revolution sing the songs of patriotism, inspired by the dauntless courage of our forefathers, we are expressing our love and reverence of them, and our appreciation of their heroism.

Music has the wonderful power of expressing emotion and ecstasy. Architecture, with its graceful pointing spires, suggests worship; the figures of saints falling in rainbow hues from cathedral windows arouse devotion, but when the "Star Spangled Banner" or "America" is played it gathers all these impressions into one and carries the listener to the verge of the infinite. The following report is very gratifying and I am happy to present it.

The Elijah Clarke has an active Chairman of Patriotic Songs, who is a teacher in the Junior High School and therefore accomplishes much, keeping before the children the traditions as well as the melodies.

The James Pittman has been most enthusiastic in its work, giving a \$2.00 and a 1.00 prizes to the grades for sing best "Columbia, the Gem of the Ocean."

Peter Early has done splendid work in the public schools of Blakely, having the lower grades learn the songs and the higher ones writing of the occasions which inspired their creation.

Council of Safety states that in all meetings patriotic songs are enjoyed. From Hancock Chapter comes a like report.

The Col. Wm. Few Chapter has an able Chairman of Patriotic Songs and she has accomplished much.

The Atlanta Chapter opens all meetings by singing "America," and stress is placed on other patriotic songs on all historical occasions.

Briar Creek reports an interesting contest with every grade in the local school participating in the singing of the "Star Spangled Banner."

Patriotic songs are given all honor at meetings of the Hawkinsville Chapter.

The Old Marion reports that it has been their unfailing rule since organization to use patriotic songs at all meetings.

Benjamin Hawkins has done much for this work in Cuthbert and three prizes have been given in the public schools for the grade singing most correctly.

A very interesting report comes from Oglethorpe telling that on July 4th patriotic music was played for an hour on Broadway street.

The Hawthorne Trail Chapter always uses patriotic songs on every occasion, and encourages children to sing them, understand them, and to love them.

The Lamar-LaFayette gives a happy report of the Chapter's love of songs of patriotism and their use in all meetings and their endeavors to keep them alive in the hearts of the school children.

From Joseph Habersham comes the happy report that all meetings feature the singing of patriotic songs.

Major General Samuel Elbert has an active committee and they have done much to inspire and create a love for these songs of the days of old.

I wish to include in this report my hearty appreciation of the generous cooperation and to express my great pleasure in serving you.

PLANTING SHRUBS AND TREES ON NATIONAL HIGHWAYS

Mrs. T. J. Jones, Chairman

Your Chairman is proud to report the good work done by the Chapters named. The Col. William Candler, Sarah Dickinson and Arthur Fort report planting trees and shrubs in yards and gardens;

many of their members belong to the Garden Clubs and have co-operated with them in their work.

Oglethorpe planted trees. Stone Castle with other clubs bought 100 pecan trees and planted them on highway in county. The Barnard Trail planted 35 trees and also shrubs on private lots. They are planning to beautify a park where markers have recently been placed by the Chapter. Gov. Jared Irwin planted a tree on the Nancy Hart Highway, Col. William Few Chapter planted 50 trees and many crepe myrtles along the National Highway. Peter Early reports that a number of trees have been planted on highways in the county. Council of Safety is cooperating with the Garden Club in a plan for a Memorial Mile on the Ellaville road. Besides this a large number of plants have been placed on the highway.

Lamar-LaFayette deserves special mention for outstanding work done. They are credited with 150 Biotas (cedars) planted on highway, also individuals and as a Chapter planted vines and shrubs on Club House and home grounds. Working with other organizations beautified all unsightly spots uptown and in park.

Here's a splendid report from Elijah Clarke which says: We are interested in the planting of trees, shrubs and wild flowers along the highways and streets and paths through out College grounds. Some of our members planted poppy and cosmos seed along the streets and byways, and we always cooperate with the Garden Club in their interests.

We also had a splendid lecture on improving the grounds and gardens and streets in December with 60 beautifully colored slides of "How to Plant and Improve a City Lot." The fund from this lecture helped establish our educational fund at the U. of Ga.

As we know our State Highway Department plan is to have all highways of uniform width, so ask that trees and shrubs be planted so as to leave road 60 feet wide. If the county authorities and land owners would cooperate with the D. A. R. members and leave all trees and wild flowers growing on roadsides and not cut them when clearing land for cultivation, our highways would soon be a joy to all who travel them.

Forest fires are still prevalent. Your committee asks all Daughters to help develop public sentiment toward the prevention of these.

PREPAREDNESS

Mrs. Beunlah Bale Steele, Chairman

After communicating with members of my committee, I take pleasure in reporting that Preparedness as heretofore appeals to the D. A. R. of Georgia as being one of utmost importance. All reports received indicate unanimity of sentiment favoring continuance of national preparedness, not only in defensive armament, but by education of the youth of the country in loyalty to the principles animating our people, and unswerving support of the highest ideals of our nation.

PRESERVATION OF HISTORIC SPOTS

Mrs. Robert J. Travis, Chairman

The National Society had so much material sent in from the different states that they could not handle it, and so they have asked that each state compile their own "Guide," and then the National

Society will compile a "National Guide" from the "Guides" in the different states.

As there was no fund for this work at present, your Chairman urges the Chapters not to quit this important work until all the historic spots in each county are listed, with a description of each, with the hope that we can compile and publish it.

Your Chairman had hoped to have the help of the Highway Commission in marking our roads with metal signs to denote historic places along the highways as has been done in other states, but, as the state is so deeply in debt and our public institutions and schools are suffering for lack of funds, your chairman did not feel that this was the time to have that done.

Articles have been sent to the Atlanta Constitution on "Historic Spots."

Many letters have been received by your Chairman denoting the interest in articles of this sort and she urges the Daughters to keep up this phase of their work.

An article on "Yamacraw Bluff" voted by you as the "Most Historic Spot in Georgia," has been sent to the D. A. R. Magazine, and will appear in either the May or June number of that publication.

The following Chapters have reported sending two dollars for marking historic spots:

Mary Hammond Washington, Savannah, Bonaventure, Sarah Dickinson, Atlanta, James Pittman, George Walton, Oglethorpe, Lamar-LaFayette, Benjamin Hawkins, Col. John McIntosh, Dorothy Walton, Old Marion, Stone Castle, Roanoke, Council of Safety, Gen. Daniel Stewart, Hawkinsville, Altamaha, Col. William Few, Joseph Habersham.

Twenty-five Chapters have reported putting up markers during year, with a total amount of \$675.15 expended. If the Chapters would make reports of work done it would far exceed this amount.

The Nathaniel Macon Chapter, Macon, reports having \$2,000.00 for the rebuilding of Fort Hawkins, and hopes to complete it this coming year. They have given \$2.00 toward marking historic spots.

The following "Historic Spots" have been marked during the year 1929-30:

Council of Safety reports having marked the site of "Chehaw" with a large granite boulder. Chehaw was the site of one of the six most important towns of the Creek Indians.

They also marked the grave of one Real Daughter.

Gov. John Milledge reports taking over from the Old Guard of Atlanta, the property in Murry County, where the Old Guard erected a memorial to John Howard Payne. The plot contains a marker calling attention to the fact that the Chief Vann house, built by Chief Vann of the Cherokee Nation in 1790, was located some 200 yards from this spot and was marked by this Chapter.

This Chapter erected a memorial to mark the spot, at Tenniga, where Gen. Andrew Jackson first entered Georgia territory on the Old Federal Road. Cost of marker, \$125.00.

Located the grave of one Revolutionary soldier and one Real Daughter, to be marked next year.

Lachlin McIntosh reports donation of \$25.00 toward the marking of two historic spots in Savannah. One the grave of Captain Denis Cottineau, a French naval officer who fought in the Revolution and is buried in Savannah in the Colonial Cemetery, and the other a bronze tablet erected in Madison Square in honor of the French and South Carolina troops who rendered assistance during the siege of Savannah.

The Chapter is also rehabilitating Jasper Springs, which was marked by the Chapter in 1902. This spot has been beautified and will be kept in good condition.

The Savannah Chapter erected a bird-bath in front of Chatham High School. Inscription:

In Memory of Toosanahowi, Nephew and Adopted Son
of Tomo-chi-chi.

Erected by the Savannah Chapter, D. A. R.

This tablet cost 18.00.

They also expect to place a bronze tablet on the Owens house in honor of LaFayette. The inscription still has to be passed on.

The cost of this tablet will be \$108.00.

This Chapter also gave \$25.00 toward the marking of Cottineau's grave and the bronze tablet in Madison Square. The Regents and members of the three Savannah Chapters of the D. A. R. took part in the ceremonies on Oct. 9, 1929, in honor of Brig. Gen. Casimir Pulaski and the French and American heroes who fell in the siege of Savannah, Oct. 9, 1779.

The Bonaventure Chapter has marked seven historic spots.

1. The Public Store. Marker on the Citizens and Southern Bank. Inscription:

6. Marker on the Chatham Academy in Savannah, now the Chatham Junior High School, the first academy in Savannah. Marked in 1929.

7. Gave \$15.00 toward marking the grave of Cottineau and the bronze tablet in Madison Square in honor of the French and South Carolina troops who rendered assistance during the siege of Savannah.

The total cost of these markers was \$230.53.

Seven markers have been unveiled on the Nancy Hart Highway. This highway extends through the state on Route 15 to Florida. The State Regent, Mrs. H. Fay Gaffney, Mrs. J. L. Massey and Mrs. Herbert Franklin, Co-Chairmen. These markers are erected by the State D. A. R., with the exception of the one at Wrightsville which, through the influence of Mrs. W. M. Shurling, was erected by Johnston County and the City of Wrightsville. \$386.00.

The Barnard Trail placed a beautiful granite boulder from Stone Mountain on Thigpen Trail. It was unveiled with appropriate ceremonies in February, 1929. Cost, \$154.62.

The Briar Creek reports placing a marker to commemorate the valor of the men who lost their lives in the Battle of Briar Creek, March 3, 1779. The bronze tablet cost \$65.00 and was placed on a native sandstone boulder. Inscription:

'Dedicated to the memory of the American patriots who fell at the Battle of Briar Creek, fought near Sylvania, March 3, 1779.

"Who, more than self, their country loved and mercy more than life.

"Placed by the Briar Creek Chapter, Daughters of the American Revolution, July 4, 1929."

A report of the grave of Zachary White, R. S., at Guyton, formerly called Whiteville in his honor, has come to your chairman from Mrs. W. S. Winn. She is not a D. A. R., but is anxious to help mark this grave. (Effingham County).

Nancy Hart reports ordering marker for the grave of John Myrick, R. S., and locating three other R. S. graves.

Council of Safety reports marking the grave of a Real Daughter and the unveiling to take place March 1, 1930. Cost \$22.00.

The Elijah Clarke Chapter expects to mark very shortly the "Old Indian Trail," which is the outcome of the Oostanaula and Hightower trails, which comes into Athens from Watkinsville, into the Princeton Road.

This road was used by Gen. Andred Jackson to move his soldiers and supplies to Florida.

This Chapter also published in their home newspaper articles on historic homes in Athens, and took care of two trees; one the "Old Tree That Owns Itself," and the other the "Napoleon Willow," which is near one of the colored schools.

Hawkinsville Chapter plans to mark "Blackshear Trail" at an early date. Marker will cost \$175.00.

They also have the money in hand and have applied for permits for marking graves of two daughters of Revolutionary Soldiers. Each will cost \$12.75. Total \$25.50.

The Brunswick Chapter has marked the grave of Raymond Demere, R. S., who is buried on St. Simon's Island, this year. Cost \$15.

Roanoke Chapter is asking for aid to mark Roanoke. They have acquired a deed to Roanoke from the present owner, who was the nephew of Gen. Bob Toombs. Roanoke was granted to the father of Gen. Toombs and is given to the Roanoke Chapter with the understanding that they mark it.

Roanoke received \$50.00 last year to mark the Jackson Trail, but your Regent and Chairman feel that as they have only 17 resident members, and the chance to secure Roanoke depended on their marking it, that they would recommend that they be given this amount although it is not the custom to give to the same Chapters succeeding years.

The Hawkinsville Chapter request \$50.00 to mark Blackshear Trail, or the Military Road from Hartford to Fort Early.

The road was built by Gen. Blackshear in 1814 and extended from Hartford to the Flint River. It was the only road in West Peulaski County prior to 1821. In 1818 Jackson's troops marched from Hartford to Fort Early, using the same trail, or military road, cut by Blackshear and his troops.

A petition has come from the patriotic organizations of Bainbridge, Bainbridge Chapter, signed by the Regent of the D. A. R. Chapter, Mrs. A. B. Conger, asking for \$50.00 to assist them in marking the 'Jackson Trail' and the 'Oold Kettle' used by Jackson at his camp on the trail through Decatur County.

A check for \$50.00 was sent to your Chairman to mark "Yamacraw Bluff," voted by the D. A. R. of Georgia as the "Most Historic Spot in Georgia." The plans for this are not yet complete.

The Edmund Burke Chapter, Waynesboro, request that \$50.00 be given to them to mark an historic spot. This request was received March 6, 1930, and will be turned over to the next Chairman as the Chapter has not decided on what spot they wish to mark.

The Chapter will vote on an historic spot to be marked at this conference.

At the State Conference Mrs. Peeples reported Proceedings and Compilations brought up to date and she presented three volumes to the Conference. Illness of the Chairman prevents her writing a report. (Note by the Recording Secretary).

Georgia is one of the few states which can report two Real living Daughters. Mrs. Mary Poole Newsome and Miss Sarah Poole, sisters who live in a little three room cottage two miles from Gibson in Glascock County. The Regent of Nancy Hart Chapter on her first visit, carried application. One week from that day these two dear old ladies were accepted in the National Society. She wrote to the Treasurer about securing pensions for them, as they had just the bare necessities of life, Aunt Mary receiving a Confederate widow's pension and the county paying Aunt Sarah \$4.00 a month. She informed me that if I would get an affidavit from some one in her community, stating their needy condition, they would gladly send each one of them \$25.00 per month. She secured this, and in less than a month they received their first checks. At Christmas Nancy Hart Chapter sent a box filled with fruit, candies, cake and presents, also Christmas cards. Think every Chapter in the State of Kentucky sent cards of greeting and many from other states. No one can know how thankful and grateful they are. The National Chairman of Real Daughters sent them each a \$5.00 gold piece. The August D. A. R. Magazine carried their picture and a nice article about them. RADIO COMMITTEE REPORT—1929-30

Mrs. W. M. Whitehurst, Chairman

In order that the N. S. D. A. R. should carry on that vision which is the noble heritage bequeathed us from those patriots who fought and won our American Independence, our President-General, Mrs. Lowell Fletcher Hobart, organized a Radio Committee whose duty should be to arrange for broadcasts which would place our activities as a Society before the Nation. In some States the D. A. R.

have sponsored local broadcasts and found that they met with hearty endorsements.

Mrs. Hobart secured the cooperation of the National Broadcasting Co., New York City, and they agreed to give ten programs, of half-hour each, beginning on Thursday evening Feb. 27, at 6:30 Central Standard Time, or 7:30 Eastern Time, and to continue for the ten consecutive Thursdays. Immediately our National Chairman of the Radio Committee, Mrs. Julian G. Goodhue, of Evanston, Ill., sent notices to the State Chairman of the arrangements and asked their cooperation in giving this publicity. The notice was received by your State Chairman on Thursday, Feb. 27, the date of the first program, and she immediately wrote a "news item" of these broadcasts and sent to seven of the largest daily papers in our State. Some of the papers responded to the request for publicity and we are especially indebted to the Atlanta Georgian for their very impressive editorial of March 5, entitled "Here Is a Broadcast That You Will Be Interested In," in which they endorsed the project, paying very high compliments to our speakers, and urged every radio listener to tune in. On the first program, Mrs. Hobart spoke of the objects and aims of our Society and the need of the type of programs that are being presented, and she also introduced the speaker, Gen. Henry J. Reilly. Four other speakers were announced as follows: March 6, Ex-Senator George Wharton Peppers; March 13, Richard Washburn Child; March 20, Mrs. Ruth Hanna McCormick; March 27, Senator David I. Walsh. These speakers were secured through the Committee on National Defense who have sponsored the series, and their subjects have pertained to National Defense from the different phases of the subject. They have been broadcast from Washington, D. C., through the WEAf Chain, known as the "Red-network," and the eleven other stations associated with it.

REVOLUTIONARY RELICS FOR MEMORIAL CONTINENTAL HALL

Mrs. Jerry Alva Davis, Chairman

Miss Ann Newton, of the LaGrange Chapter D. A. R., of LaGrange, Georgia, presented an old pewter plate that was said to have once belonged to Daniel Boone.

The Ulster County Gazette, containing an account of the death of General George Washington, which was promised last year, was sent to Washington, D. C., this year. It was presented by Mrs. P. G. Walker, of the Gov. John Milledge Chapter D. A. R., of Dalton, Georgia.

SCRAP BOOK

Mrs. J. H. Nicholson, Chairman

In every family there is some member who keeps the family history, the names of our ancestors, dates of marriages and births, and the little happenings of interest which make the family traditions and keep its history alive and glowing.

So it is with our D. A. R. family; and it falls to my lot to have the duty and privilege of keeping some of its history recorded in our state scrap-book. After the completion of the first book, it was sent, by vote of the last State Conference, to Meadow Garden in Augusta, where it will be kept with other treasures in this historic old home.

A scrap-book is a reference book, and one which records history

in an intimate and personal way. I should like to reveal to you through my report something of what has been compiled for this year. The scrap-book contains not only historic data concerning the Revolutionary period, but history in the making today. There are many interesting pictures within its pages, reproductions of old portraits of characters who were prominent in Colonial times, along with stories of their heroic deeds and love affairs. There are some of the lovely historic Perry pictures in soft colors, pictures of ancestral homes and interesting spots and buildings, pictures of our State and National Officers and Conference gatherings.

Mainly quaint stories and clippings of the Colonial and Revolutionary period have been lovingly gathered and preserved. Chapters have sent in reports of their Chapter activities. An account of the first Southern Divisional Meeting of the D. A. R. at Pinehurst, North Carolina, is preserved.

Items of interest have been recorded, such as the account of the 200th anniversary of the birth of Washington, the 196th birthday of the State of Georgia, the celebration of the 150th anniversary of the wounding of Count Pulaski and the erection of a monument by the Poles in Savannah to his memory, the unveiling of the numerous markers of the Nancy Hart Highway, the presentation of the State flag to Valley Forge by Mrs. Gaffney, and the proceedings of the Society of the Children of the Revolution and of the S. A. R., as well as various programs, the account of the State Conference and election of officers, the marking of historic spots and unveiling of memorials.

The Proceedings of the National Conference have been carefully collected and compiled. We feel a special interest in preserving the data of this Conference, for it contains the history of the splendid race which was run by our Georgia candidate, our beloved Mrs. Julius Y. Talmadge, for President-General. In this race she won the admiration for herself and for our state, throughout the National Society, by her clean political campaign, her sportsmanship and splendid work at all times.

Within the pages of this book are preserved items and pictures of interest and the high lights of history, from the cradle days of the Revolutionary period to that which we are making today.

I want to take this opportunity to thank the Chapters and members for their splendid donations, and to encourage them in the work of keeping Chapter Scrap Books, thereby making history and preserving the record of our most most important work.

SONS AND DAUGHTERS OF THE REPUBLIC

Mrs. Estelle Norris Pye, Chairman

While no Clubs have been organized in the State of Georgia, nearly all of the Chapters are stimulating the interest of the children in the discussion and practice of patriotism and the promotion of good citizenship by offering prizes and medals in the schools for best essays on patriotic and historical subjects, and for best averages in history.

A number of the Chapters carry on this work in Boy and Girl Scout Clubs.

The Chattahoochee Chapter at West Point wrote very encouragingly of organizing a club at one time, but as yet I have received no notice of their plans having been perfected.

SOUTHERN DIVISIONAL CONGRESS, PINEHURST

Mrs. Charles F. Rice, Chairman

As a D. A. R. and one interested in all phases of the Daughters of the American Revolution work, I was impressed and pleased by being privileged to attend the first Southern Divisional Congress of the D. A. R. at Pinehurst, North Carolina, on November 1st and 2nd, 1929, in the ball room of the Carolina Hotel, which was called by the President-General, Mrs. Lowell Fletcher Hobart.

The meeting was a miniature of Continental Congress, as the program opened with a processional of pages escorting the National Officers, followed by the President-General, who presided. It was an inspiring patriotic scene, as the President-General ascended the platform so beautifully decorated in the national colors. After the invocation, the State Regent of North Carolina presented the President-General, Mrs. Hobart, who brought information along all lines of D. A. R. work pertaining to the National Society.

This innovation of our President-General is a try out in all the states and will reveal the wisdom of these Divisional Congresses, and their popularity among the various members.

The Southern Divisional Congress embraces North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Tennessee, Kentucky, and Cuba.

Many who are unable to go to Washington can attend these meetings, thus coming in contact with many of the National Officers and neighboring Chairmen, and hear their reports on vital subjects pertaining to the good and growth of the National Society.

Inspirational messages can be taken to the various Chapters, also the problems confronting D. A. R. in the Southern Division. This body has no voting power, only recommend solutions for problems to the National Congress that in itself retards much action.

Mrs. Ralph Van Landingham, Vice-President General of North Carolina, presented to the State of North Carolina three handsome flags, "Old Glory," State of North Carolina and the D. A. R. Colors. Mrs. Sidney P. Cooper, of Henderson, North Carolina, State Chairman of Correct Use of the Flag, accepted them for the state. Both of these ladies were former Atlantan's.

Mrs. Julius Talmadge upon entering the hall was invited by the President-General to a seat on the platform. She brought cordial greetings to the Conference and received an ovation.

The afternoon session was occupied with addresses of National Officers and reports of Divisional Chairmen. At four o'clock we journeyed to the tomb of Ambassador Walter Hines Page, where the President-General placed a wreath of flowers. From there we motored to Southern Pines, where we were entertained at tea at the Country Club by the directors of the club.

Three splendid addresses by prominent North Carolina citizens, one of them being Hon. Parks Mathewson, State President, Sons of the American Revolution, were a part of Friday evening's program. This was followed by a reception in honor of the President-General, National and State Officers, and a dance for the pages. All reports and addresses by National and State Officers were concluded in the Saturday morning session.

Mrs. Russell Magna told of the handsome library in Constitution Hall and reported finances in a fine condition. The handsome organ in Constitution Hall was given by Mrs. W. N. Reynolds, Past State Regent and Past Vice-President-General of North Carolina.

In the absence of Mrs. Herbert Fay Gaffney, State Regent of

Georgia, Mrs. Bun Wylie, State Second Vice Regent, represented her on all official occasions.

Georgia was represented by Mrs. Julius Y. Talmadge, Mrs. Bun Wylie, Mrs. Lucius McConnell, Mrs. Thomas C. Mell, Mrs. Harold Nicholson, Mrs. Charles F. Rice and Miss Mary Rice.

Of the 400 members present, 300 were from North and South Carolina. Many visitors left Saturday evening for Tammasee Mountain School, near Greenville, South Carolina, one of the sixteen mountain schools sponsored by the National Society D. A. R.

THE SULGRAVE MANOR DAY

Mrs. G. G. Riley, Chairman

In December all Chapter Regents and members of this Committee were requested to use Sulgrave Manor, the English ancestral home of the Washington's at their February meeting, and the following Chapters celebrated the day with most interesting programs, most of them using Washington's prayer for his country in the opening exercises.

Nathaniel Macon observed the day with a suitable program, using a paper on Manor House read by Mrs. Hall Rahn.

Discussion on Sulgrave was given by Hawthorne Trail.

LaFayette reports the day fittingly observed in February, with a short sketch.

Mary Hammond Washington reports the use of Washington's prayer and their attractive Year Book carries it on the inside cover page.

Oglethorpe reports the February meeting a most interesting one, displaying the picture of a water mill of Sulgrave Manor. This picture will adorn the Chapter Scrap Book.

Altamaha used the study of Sulgrave. Nathaniel Abney celebrated the occasion and used slides at the picture show.

Nancy Hart reports an interesting program. Colonel William Few includes an interesting article on their program.

Barnard Trail reports an excellent paper on Sulgrave.

James Pittman also gave an interesting paper.

The Samuel Reid and LaGrange Chapters both report good programs.

Hawkinsville gave interesting facts concerning the Old Manor House.

James Monroe, John Laurens, Elijah Clarke, reported their meetings, using Washington's prayer.

Joseph Habersham's capable historian gave an interesting account for this meeting.

Stone Castle Chapter observes the day most fittingly, as did the Dorothy Walton.

Mrs. Emillo Saurez of the Benjamin Hawkins Chapter, presented your Chairman with lovely kodak pictures of this historic place.

Mr. John M. Born, of the Steamship Company, of Atlanta, presented your Chairman with a beautiful booklet entitled "A Tour in Washington's Country."

This committee wishes to thank each and every one who contributed to the celebration of Sulgrave Manor day.

THOMAS JEFFERSON MEMORIAL

Mrs. Ed A. Caldwell, Chairman

Early in the year a request was sent to the Chapters in the state, to celebrate the birthday of Thomas Jefferson, April 12th, in the Chapters and in the schools, emphasizing the importance of the date, and suggesting local or imported speakers. The responses were enthusiastic and most encouraging. Many Chapters reported and some sent copies of most attractive and instructive programs rendered on that day.

A number of Chapters sent for data on Thomas Jefferson and beautiful Monticello, to be used in arranging this program. It was a pleasure to assist in this way, and I sincerely hope next year every Chapter in Georgia will honor this great American, Thomas Jefferson, with a program on April 12th.

Mrs. W. B. Smith, Chairman

Preceding the meeting of the Executive Board held in Milledgeville in November, 1929, I sent to the State Editor, for publication, schedules and connections from all parts of the State, hoping that they might prove helpful to the members. One month preceding this State Conference in session in Newnan, I sent to the State Editor schedules from all parts of Georgia with a request that they be printed in our official columns of the Atlanta Constitution.

I sent transportation information to many D. A. R. who were planning to attend the National D. A. R. Congress in Washington, April, 1930.

VALDOSTA LOAN FUND

Mrs. Di Ingram, Chairman

It was necessary for me to leave Georgia for several months last years, and Mrs. D. B. Small, of Valdosta, was appointed Chairman of this fund during my absence. Mrs. Small and the local committee served most faithfully and I found on my return to Georgia that they had made loans to fourteen girls for the year 1929-30.

Others applied for loans, but due to small per capita from Chapters and the inability of the girls who were teaching to get their money from the State, the income into the treasury has been small, thereby curtailing the advantage to be derived.

I regret very much this fund could not be completed this year.

Since the first loan was made in September, 1924, forty-one girls have had loans. Out of this number fourteen have completed their payments, and fourteen are now paying. The remaining girls are in school at the present time.

Should not we be proud of this work and should it not be our first patriotic duty to see that our educational funds are completed, so as to educate our women of Georgia?

Very few of the Chapters have reported to me their per capita paid to the State Treasurer for this fund. Those that have are:

Atlanta, \$20.00; Oglethorpe, \$4.45; Hannah Clarke, \$3.00; Gov. Jared Irwin, \$2.00; Bernard Trail, \$2.05; Col. Wm. Candler, \$2.65; Gov. John Milledge, \$3.65; James Pittman, \$4.50; Old Marlon, \$0.60; George Walton, \$2.50; Hawkinsville, \$2.30; Elijah Clarke, \$3.85; Altamaha, \$2.20; Fort Early, \$2.55; Sunbury, \$1.25; Gen. James Jackson, \$3.15; total, \$62.70.

WAKEFIELD

Mrs. I. Bashinski, Chairman

This Committee acting upon the suggestion of our State Regent again divided the work among the members.

In February, we sent out our annual letter to the Chapter Regents asking for contributions and to have an article read on Wakefield. Your Chairman wrote an article and it was published on the official page of the Atlanta Constitution for use of the Chapter programs in case they could use it.

Mrs. H. L. Rust, Sr., President of the Wakefield National Memorial Association, has written me a letter and I wish to incorporate it in my report. I attach this letter.

Now that Mr. Rockefeller, Jr., has bought 267 acres of the Wakefield estate, the Association is trying to build a replica of the house in which the father of his Country first saw the light and we must bend our every effort so that the new structure may be completed by 1932. While patriotic organizations have been purchasing and conserving many notable shrines associated with American history, it has been a matter of regret for a long time that the actual birthplace of George Washington should have suffered neglect.

Mount Vernon will always be a place of pious pilgrimage for the American people but surely it was equally important that the place of his birth should be preserved for posterity and be restored. It is with pleasure that I report the following:

Chapter	Donation	Chapter	Donation
Bonaventure -----	\$ 1.00	Matthew Talbot -----	1.00
The Atlanta -----	5.00	Baron DeKalb -----	2.50
James Pittman -----	2.00	Button Gwinnett -----	2.50
Col. John McIntosh -----	1.00	Col. William Candler -----	1.00
The Oglethorpe -----	1.00	John Laurens -----	5.00
Altamaha -----	1.00	Barnard Trail -----	1.00
Jonathan Bryan -----	3.00	Commodore Richard Dale -----	2.00
Peter Early -----	1.00	George Dalton -----	2.00
Gov. John Milledge -----	1.00		
Burkhalter -----	2.00		\$40.00
Elizabeth Clark -----	5.00		

William Marsh gave a paper and writes that their Club House garden, planned by the Regent, is as near like the Wakefield garden as it was possible to get it.

Please allow me to thank these Chapters for their co-operation.

Letter from Mrs. H. L. Rust, Sr., President of Wakefield National Memorial Association, follows:

"Mr. Rockefeller is very much interested in all that appertains to Wakefield as is shown by his purchase of 267 acres for its benefit.

"The enclosed literature will give you the information you need. Our great objective now is to sell 40,000 of the face bricks that will be used in the rebuilding of the Mansion.

"I will be pleased if you can present the importance of quick action in raising money for Wakefield, for we must be ready by February, 1932.

"So much can be done through real interest and presentation of this important work, and I hope you will be successful in so doing."

WELFARE OF WOMEN AND CHILDREN

Miss Marianne McClellan, Chairman

All of our splendid D. A. R. women in Georgia are constantly giving their service to every call pertaining to the welfare of women and children, keeping no account of it, but the following Chapters report:

The Elijah Clarke has done wonderful work in the Fairhaven Hospital, caring for 28 women and children who are suffering from tuberculosis. Sent boxes of sweetmeats, and cards of good cheer.

The Joseph Habersham, through vocational classes, has helped many women. Christmas bags were sent to our soldiers overseas. One hundred fifty pounds of clothing were sent to farm families. Eight children of Fulton County given warm clothing. Two suits sent to a boy so that he might enter school.

Lamar-LaFayette is now aiding a mother and young child.

The Brunswick Chapter works through the Woman's Club in their Department of Education, also aid "Women and Girls in Industry" through the Library Extension.

James Pittman contributed \$5.00 to a needy woman in the mill section. Sent baskets of fruit and clothing at Christmas to value of \$7.50. Dental paste and medicine to the sick, value \$3.00.

Oglethorpe helps in welfare work through their individuals, and the local Family Welfare Bureau.

Gov. John Milledge reports \$500.00 given to various members and a Chapter gift of \$5.00 to the Empty Stocking Fund. The in-

dividual gifts are partially in clothing and food and the amount stated is very conservative; \$75.00 worth of Red Cross stamps purchased; \$5.00 in school books.

A program was prepared by Mrs. C. A. L. Anderson, Chairman for Women and Children, at the March meeting of the Col. William Few.

The Hawkinsville reports clothing given to children in order to keep them in school. Food sent, also fruit, flowers, etc., trays to the sick. One member teaches in the factory school and keeps in touch with the Chapter in extreme cases of need, which always respond to her call.

The John Benson has a committee composed of representatives from the Chapter, the P.-T. A., the Woman's Club, who are working with the grammar school children. The teachers are urged to carry out a health program, and they put on cards their health project for the year. Each quarter the children are weighed and a record of their weight kept and compared. At the end of school each room exhibits the health posters, booklets, charts, etc. These are judged and a prize given the grade who has carried out the project best. There is keen interest in all of this and is very beneficial.

Colonel William Candler affiliates with the City and County Welfare Workers by contributing clothing, money and food. One member gave clothes to eight white and two colored women to the amount of \$50.00, \$2.00 in cash, and much food. Several members contributed bed clothing to a woman who had given birth to a baby and did not have a change of linen. Clothing for five small girls whose mother is in the State Insane Asylum.

The Old Marion is nearly seven years old. It works through the County Home Demonstration Agent, giving prizes and materials, and scholarships; \$13.85 in cash.

LaGrange contributes through LaGrange Welfare Association, who do perfectly wonderful work. Not better work done in the State.

The Nathaniel Macon conduct their welfare work through the Y. W. C. A. and the P.-T. A.

Toccoa conducts their welfare work through the Associated Charities, and have done splendid work.

The Barnard Trail co-operates with county nurse; helped with Empty Stocking Fund and has an active member the Child Welfare Chairman of the Sylvester Woman's Club.

Thank you for giving me the pleasure of serving you.

WOODROW WILSON DAY

Mrs. C. D. Shelnett, Chairman

Sentiment in favor of observing Woodrow Wilson Day is growing and interest in the World War President is evidenced by the splendid programs in his memory presented so generally by the Chapters throughout the State.

Each year a new emphasis in our thought has been placed on the idealism of Woodrow Wilson for he was one of the world's greatest thinkers and an international statesman unsurpassed in breadth of vision and moral aims by any man of his century.

As we follow him in his public career and ponder his public utterances and read his state papers he seems to flame with the fervor of an inspired prophet and surely no nobler martyr ever fell in a more worthy cause than Wilson in his effort to establish peace between all nations.

We are glad to pause once each year to pay a fitting tribute to this noble son of America as an expression of our appreciation for his valuable contribution in leadership during the World War period.

I wish to thank the Chapters for their fine co-operation and loyalty to one of the nation's most outstanding characters.

Mrs. I. M. Lucas, Regent

It gives me great pleasure to submit the following report of the activities of the Commodore Richard Dale Chapter, Daughters of the American Revolution for the past year. The success of the work this year is due to the fact that the Regent has had the assistance of a fine corps of officers and committee Chairmen.

Our outstanding work has been for our Clifford Freeman scholarship fund to which we have added \$75.00 this year and have loaned one \$75.00 scholarship.

The meetings at the local Chapter house each month have been well attended. We have celebrated all historic days and have had historic programs at each meeting. The co-operation of the members has been very gratifying and at each meeting this past year we have had a paper read by a member of our local Chapter.

The Chapter, as usual, has been divided into circles for raising money necessary for the work of the Chapter.

Three-fourths of the members are members of the Red Cross and we assisted the sale of, and used Christmas seals. Many of the members of our Chapter are interested in civic public welfare and religious work and other activities of our town, several holding the leading office in other organizations.

We are planning a shower for our room in the local hospital in April when the Chapter celebrates her birthday.

ELIJAH CLARKE CHAPTER, ATHENS

Mrs. J. T. Dudley,, Regent

Winner of State Editor's Gold Piece

The year with Elijah Clarke has been one of hearty cooperation and active interest. Our membership, with the addition of two new members, now numbers 77, 80 per cent of whom are regular attendants at meetings. We are also pleased to report the affiliation of six new associate members, making a total associate membership of eighty. Our Chapter has been represented this year at the first Divisional Congress and at the Executive Board meeting at Milledgeville.

It is with profound regret that we announce the passing from our ranks of two of our most valuable and best beloved members—Miss Mary Lucile Wilkins, and Mrs. Frances Long Taylor.

Our patriotic activity began on June 14th, when Flag Day was appropriately celebrated.

Following this, on June 4th, the Chapter celebrated Independence Day with a patriotic tea at the home of the Regent. On the evening of the Fourth, we cooperated with the American Legion and all other patriotic organizations of the city in a mammoth celebration of Independence Day, by entering two floats in the Fourth of July pageant. One of the floats depicted Betsy Ross and the flag; and the other, representing the Statue of Liberty, was posed by our own Mrs. Talmadge, who, holding aloft the flaming torch of liberty, was the most beautiful and inspiring figure in the entire gorgeous spectacle. Elijah Clarke was further represented by Miss Moina Michael, the idol of the American Legion, who symbolized the Spirit of Flanders Field. The pageant was planned and directed by one of our members.

All patriotic days were observed at our regular meeting.

Our splendid year book was compiled during the summer months.

The Benjamin Hawkins sends greetings and submits the following report for 1929-30.

We now have a membership of 26, of these 19 are resident members. Four new members have been received during the year, two lost by transfer and one by death.

The meetings are held at the homes of the members with an average of 70 per cent. The programs suggested by the State Chairman of Historical Programs have been used and the following days have been celebrated: Flag Day, Independence, LaFayette, Constitution, Armistice, Woodrow Wilson's Birthday, Georgia Day, International Day, George Washington's Birthday, Sulgrave Manor, Constitution and Thomas Jefferson's Day.

The special work undertaken by the Chapter has been patriotic education in the schools. Two flags have been given to the school as well as a gold medal for excellence in History, a bronze Citizenship medal, three prizes for the singing of patriotic songs, and a prize to the Domestic Science Department. Total value of prizes, \$23.00.

At least 150 trees have been planted by the members and many shrubs and roses.

The Chapter Better Films Committee has cooperated with the management of the local theatre and many of the pictures shown that have been recommended by the National Better Films Committee. Our members bought generously of the Christmas seals, and our Vice Regent, who is a member of the State Child Welfare Board, assisted in the sale.

A loan of \$50.00 was made by one member to a young girl in order that she could finish her course at Andrew College. From this, we hope, will come the establishment of a permanent loan fund for our local schools.

A Chairman from the Chapter has been appointed to work with the School Supervisor in the illiteracy campaign of the county. Nine out of the nineteen resident members have pledged themselves to teach at least one illiterate during the campaign.

In November the Chapter gave a beautiful tea at the lovely home of Mrs. George McDonald, honoring the Cuthbert Woman's Club, delegates and distinguished guests who were in attendance at the meeting of the Federated Clubs of the Third District. The sixteenth birthday of the Benjamin Hawkins Chapter was celebrated at the home of Mrs. C. B. King, with a silver tea.

Honor Roll requirements were met; \$119.75 expended, and there is a balance of \$55.00 in the treasury.

GOV. JOHN MILLEDGE, DALTON

Mrs. B. A. Tyler, Regent

Gov. John Milledge Chapter submits the following report:

We now have 73 members, of whom 49 are residents of Dalton. During the year just past, six new papers have been accepted, three being for new members. Our average attendance is a little more than 50 per cent of the resident members.

We have met all honor roll requirements in full; have located the grave of one soldier of the Revolution and of one daughter of a soldier, whose grave is in an adjoining county.

Our outstanding work completed this year was marking with appropriate ceremonies, the spot where Gen. Andrew Jackson first entered Georgia territory, then the Cherokee nation, in 1818. The marker is a handsome granite block with a bronze tablet and was unveiled on the Sunday nearest Flag Day in 1929. Miss Virginia Hardin was the Chapter honor guest at that time and made an address. The expense of the undertaking was borne by the Chapter, assisted by the State, and by a generous gift from Miss Hardin, then State Chairman of the Old Trails Roads. The marker stands on

the line between Georgia and Tennessee at Tennnga on the Old Federal road, which is now a national highway.

Our outstanding work undertaken, but not completed, is the compilation of historical data to be built into a book suitable for sixth grade children, to be taught in the public schools as an introduction to Georgia history. A committee has been appointed and is now at work on this book, which will probably be completed during the year.

Our programs have been wholly historical, nine in number, and the readings have been from published material, no original papers having been prepared this year. A brief but impressive ritual has been initiated, the flag being brought in, the Chapter all standing and giving the salute, followed by the reading of George Washington's prayer for our country and the Lord's Prayer. This touch of ceremony has met with much approval from Chapter members, opening the meetings with a dignity most appropriate.

Over 1,000 magazines have been distributed in country schools and neighborhoods; more than 500 trees and shrubs planted and Red Cross seals purchased by every resident member.

The financial report is as follows:

On record in the State Treasurer's books.....	\$542.15
Other cash expended	150.00
Welfare work (a conservative estimate; in aid of county nurse)	500.00
Red Cross Seals purchased by members	75.00

NATHANIEL MACON CHAPTER, MACON

Mrs. Logan Carson Rader, Regent

The subject of study for the year arranged by Mrs. Warren Grice, Chairman of Year Book and Program, has been "Historic Forts of Georgia." Our own Chapter's objective of building a re-

plica of Old Fort Hawkins has made the subject doubly interesting.

Continuing our efforts toward rebuilding the old fort which has been our major objective for the past four years, we have made during this year, more than \$1,000.00 for this fund. We now have more than \$2,000.00 in the Chapter Treasury for the rebuilding fund. The estimated cost is \$5,500.00.

In April, 1929, Dr. W. G. Lee, who is very interested in our work of rebuilding Fort Hawkins, very generously, through the Nathaniel Macon Chapter, opened his beautiful Azalea Gardens to the public for the Fort Hawkins fund. Voluntary contributions of those who visited the Gardens netted us \$193.00.

After the election of officers in May, 1929, plans were formulated for the purchase and sale of Fort Hawkins stamps to add to our Fort Hawkins fund. With the aid of some of the patriotic and civic organizations of the city and the children of the Bibb County public schools, we cleared nearly \$900.00 on the sale of these stamps.

The stamps were designed with a picture of Col. Benjamin Hawkins in the left hand corner, and one of an Indian Chieftain in the right, with Fort Hawkins in the center. At the top of the stamp is the inscription: "Macon, Georgia, the only southeastern city tracing its origin to an old Indian Fort and Trading Post. Underneath Col. Hawkins' picture is the following explanatory statement: "Col Benjamin Hawkins, U. S. Agent of Indian Affairs South of the Ohio River. 1796-1816. Beloved Man of the Four Nations." Beneath the Indian Chieftain's picture the names of these four nations are given, Creeks, Cherokees, Choctaws and Chickasaws. Under the picture of the Fort is stated the fact, "Fort Hawkins, Trading Post and Military Equipment Post, established 1806." Orders for the stamps were received from all over the United States, and an editorial about the stamps written by Col. John T. Bouffeuillet appeared in the Atlanta Journal.

In May, the Chapter had an exhibit at the Bibb County Flower Show, and a miniature Fort Hawkins in a setting of pines and wild flowers, with Indian wigwams, and small log houses in the fore and background. This exhibit won second award for special exhibits.

The annual award of \$5.00 in gold to the Lanier High School for boys for good citizenship, and to the Lanier High School for Girls for the highest average in American History has been offered.

Five dollars in gold was offered to the child in the Bibb County public schools selling the largest number of Fort Hawkins stamps.

BRIAR CREEK CHAPTER

Mrs. Chas. H. Kopp, Regent

Briar Creek Chapter is pleased to report at least two or three outstanding activities for the past year. For seven or eight years it has been the fondest dream of every member of our Chapter to mark the site of the Battle of Briar Creek, fought near Sylvania, March 3, 1779. Unlike many other Chapters, we did not ask the financial assistance of the Georgia Society.

On July 4th, 1929, an imposing, native sandstone boulder, bearing a handsome memorial tablet, commemorating the patriotism of the American patriots who fell at the Battle of Briar Creek, was unveiled with appropriate ceremony. Congressman Chas. G. Edwards and Hon. R. Lee Moore, of Statesboro, delivered stirring patriotic addresses. A delightful luncheon was given by the Chapter for the members and those on the program, immediately after the unveiling. Mr. Edwards' wife and son were also guests of the Chapter.

On Armistice Day we presented a beautiful 5x8 ft. wool bunting flag, with 22 ft. pole, set in concrete base, to our school. Another smaller flag was given for the auditorium so the children can salute the flag every morning. The Patriotic Song Contest on Washington's Birthday, at our school auditorium, was an inspiration to all the Daughters present.

Nearly all members have purchased large flags and display them on all historic occasions. We assisted in establishing a Community Chest in our town, and have contributed toward it. In November we began to study the Flag Code, and at every meeting we have a quiz led by the Chairman of Patriotic Education.

Our ambition for the coming year is to establish a Gift Scholarship fund.

There are 41 members on roll. Lost two by transfer and added one new member.

Nine regular meetings have been held in the homes of members.

We have endeavored to follow lines stressed by State and National Societies.

The Honor Roll requirements have been met in full and we have attempted to attain all high points for Helen Rogers Franklin Trophy.

For Patriotic Educational Work, there have been given seven patriotic lectures, sold seven pictures of "Old Ironsides," an Essay Contest on Forestry, Girl Homemakers' Contest, Thrift Week, and Educational Week observed in the school. There have been given

special programs on Washington, Lincoln, Lee and Jackson, Franklin, Thomas Jefferson and Andrew Jackson, twelve patriotic days have been observed by the Chapter and in the school, not including International Day, which was impressively observed.

Our Chapter voted Ayaville the third most historic spot. The research work of our Chapter Historian proves that this battle was fought by Col. Moore in 1703 on what is now Worth County territory. The Spanish and Appalachees were routed, Creek loyalty was won, thus making possible the victory of Bloody Marsh by Oglethorpe.

Barnard Trail Chapter has been officially appointed by the Grand Jury to compile the Worth County History.

JONATHAN BRYAN CHAPTER, WAYCROSS

Mrs. H. S. Redding, Regent

On May 12th, our beloved Regent, Mrs. Joseph Henry Redding, passed away after twenty-nine years of faithful service. The present Regent was elected in October, and presided at her first meeting in November.

We have held regular meetings each month with a 50 per cent attendance of resident members. The meetings have been interesting and the programs excellent.

LYMAN HALL CHAPTER, WAYCROSS

Mrs. H. J. Carswell, Regent

The Lyman Hall Chapter, Daughters of the American Revolution, begs to submit the following report of its year's work:

The Chapter has held ten regular meetings with an average attendance of about two-thirds of its resident members. Having lost one member by transfer and another by resignation the enrollment now stands at 42. Four patriotic holidays have been observed and thus far seven historical programs prepared. In the spring we completed our chain of National Defense programs and are now studying Historic Spots of Georgia.

Our Chapter History has been compiled and sent to Mrs. Gardner, as was also a picture of Lyman Hall; \$3.00 to cover printing was sent to Mrs. Ward.

During the year \$10.00 was contributed to each of the five grammar schools in Waycross, and \$10.00 to the grammar school in Blackshear to be expended for books for their libraries. We felt that more real and lasting benefit to the pupils would be derived from this than from the offering of medals and prizes.

Eighteen dollars was expended this year for lineage books, and it is our plan to purchase several of these books each year.

It was our pleasure and good fortune to have one of the State Markers for the Nancy Hart Highway placed in our city, and it is a rather significant fact that the foundation was laid and the

Marker set on Georgia Day, though the unveiling did not take place until the 27th. The unveiling exercises were conducted by the Jonathan Bryan and the Lyman Hall Chapters at the Episcopal Parish-house. Our State Regent, Mrs. Gaffney, made a brilliant and inspiring address to the Daughters especially, and presented the Marker to the two Chapters and to the City of Waycross. At the close of the program, the procession led by the large and well trained Waycross High School Drum and Bugle Corps, drove to the site of the Marker, which directly faces the beautiful arch that spans the Wilson Highway, and which was erected by American Legion Post No. 10, in memory of our war time President, Woodrow Wilson.

On the event of the unveiling it was our very great pleasure to have Mrs. Gaffney with us, as were also our State Chairman of the Nancy Hart Highway Committee, Mrs. J. L. Massey, and other distinguished guests.

In the evening the two Chapters entertained with a delightful dinner at the Hotel Ware, honoring their guests. After dinner the entire party was entertained with a theater party by the manager of the Lyric Theater, and thus the "End of a Perfect Day" for us, and we feel a very fitting climax to the year's work.

Our financial report including Honor Roll requirements and local expenses amounted to \$221.25.

RESOLUTION OF THANKS

Mrs. Abner L. Wilkins

Kipling writes of an ancient legend in which a certain man having achieved a most notable deed, wished to explain to his tribe what he had done. As soon as he began to speak he was smitten with dumbness, he lacked words—and sat down. Then there arose—according to the story—a masterless man, one who had taken no part in the action of his fellow, who had no special virtues, but afflicted—that is the phrase—with the magic of necessary words. He told and described the merits of the notable deed in such a fashion that his words “became alive and walked up and down in the hearts of his hearers.” Thereupon, the tribe seeing the words were certainly alive, and fearing lest this man hand down untrue tales about them to their children, seized and killed him. Later they saw the magic was in the words, not the man.

To neither of these men do I compare myself as I undertake the honor of expressing to you the thanks of the Georgia Daughters of the American Revolution for your delightful hospitality. I should dislike to think myself in the state of the first man—dumb—and yet I am undeed unequal to the task of telling you of the wonderful and charming things we have enjoyed at your hands. And I certainly have not the “magic of words” as did the second man, much as I crave this gift tonight. The only comparison lies in the fact that I may be killed for, having had this duty delegated to me and, failing as I fear I shall, my life will be worth nothing to these visiting Daughters if I do not make you know and feel our genuine appreciation of your kindness.

From the moment of arrival you have made us feel a very real, a very personal welcome—a true home coming to your “City of Homes.” I, personally feel quite like a daughter returning after a long journey for I made myself one of you many years ago. How and Why? Because at that time there came into my home town, and to live next door to me one of your very own distinguished daughters—one so imbued with the love of her town and county, so intrigued with its background of culture, history, and charm that learning to love her—your own Coral Moses Hand—one must learn to love what she loved, think as she did about you—and, taking her into my heart, I adopted you also. It was through her that I first learned of the communities where descendants of Revolutionary soldiers still hold their original land grants; it was from her I learned of the battle of the War Between the States waged near Newnan and of your famous cemetery, the resting place of many Confederate soldiers; through her I know of your College Temple. Through her pride in it, I, too, am proud of your record in distinguished men for you have given to your state a wise and capable Governor, to the South its most famous oculist, and to your country, four splendid Congressmen.

To one of these, your present Congressman, the Hon. W. C. Wright, who addressed us on National Defense, giving to us thoughts which challenge the patriotism of every true American, we are greatly indebted. We assure him of our appreciation of his presence with us and of his forceful speech.

To your Mayor, Hon. James E. Brown, who has so heartily welcomed us; to the gracious Hostess Regents, Mrs. J. T. Jones and Mrs. Stewart Colley, who have been so untiring in their efforts to please, and to make us comfortable and happy; to the local commit-

tees, who have assisted them in making this dream come true—to you we say, "Thank you!"

The greetings from the men's organizations through their distinguished representatives and from Miss Helen Long, President of U. D. C., have made us feel anew the warm relation existing among all clubs—men and women's—where the ultimate goal is for uplift and betterment. We join your hands in greeting.

Our heartiest thanks go to the ministers of your city who have lent us the blessing of their presence and prayers.

To the musicians who have charmed our souls with their delightful numbers; to Miss Eleanor Orr, who gave us so much pleasure in her splendid reading, we offer our warmest thanks.

To the press of your city we would say that the greatest force in the world today is public opinion and in giving us so generous space, in unqualifiedly approving of us, in sending us the attractive copies of the Newnan Herald, they have strengthened our cause. We thank them.

We are not unmindful of the appeal of beauty in the lovely flowers and decorations lending their fragrance to our deliberations. They are like the bevy of beautiful and charming young pages who have given us of their time so willingly and so sweetly, and to whom we are genuinely appreciative.

The First National Bank, the Manufacturers National Bank, the Newnan Bank and Trust Co., rendered a real service in putting at our disposal the attractive note books. (And since it is the habit of certain members to write each other "love" notes during the sessions, I do not see why these banks should not have some.)

The alluring invitation, "D. A. R. ride with me," placarded on every car in Newnan, has been one that has been fully and gratefully accepted and for this most charming and thoughtful courtesy, we thank you.

Mr. Ernest Neal, Georgia's poet laureate, made an especial effort to be with us for one session and we are grateful to him for his talk and for the reading of his own poem, "Remember, Love."

We appreciate the honor of having with us Mr. Millsbaugh, Director General of the Sons of the Revolution. We enjoyed his address and we would assure him of our continued "sisterly" cooperation in all efforts wherein we are needed.

The presence of all our distinguished guests has been most gratifying to us. Their talks have been both inspirational and instructive, and it has been pure delight to have them, each and every one.

Our hearts are full of the warmest praise for our State Regent, Mrs. Gaffney, and our gratification in her splendid work throughout her administration is measured only by our regret in giving her up. May she go forth to more splendid accomplishments, carrying with her the tenderest love of her Georgia Daughters.

We are grateful to our other officers, to our State Chairmen, to every Chapter Regent, who, each in her own sphere, has added to the splendid whole which makes up our beloved organization.

You, Madam Hostess Regents, Chairman of Arrangements, and Chapter members, have been so generous in planning our "playtime" so delightfully, and you, Brother and Sister Organizations, have cooperated with them so charmingly that I am at a loss for words to tell you what a good time we have had. The traditional way to one's heart is again proven for you surely have won ours in preparing for us such appetizing menus. For the delicious buffet

supper at which our sister organization, the U. D. C. joined forces with the Sarah Dickinson Chapter as hostesses, we thank you. To the members of the Arthur Fort Chapter we are indebted for a charming and enjoyable supper. For the beautifully appointed luncheon given by the Woman's Federated Clubs, we are keenly appreciative.

We thank the men's organization for their part in our entertainment, especially for the barbecue given by the Kiwanis Club and for the dinner at which the Rotary Club was host.

"So here's to you, Rotarians, at your home in Newnan town,
You're fine, four-square, noble, and you let no guest feel down.
And here's to you, Kiwanians—you're a builder—a good clean scout;

Your gates are always open and you let no guest feel out."

For the delightful and instructive drive to the historic sites of your county, we thank all who contributed to this pleasure.

To every Host and Hostess in Newnan who has welcomed us so warmly and made us feel one of the family circle, we would express our sincere appreciation. May God bless you.

FAREWELL TO VISITORS

Mrs. Lee Hand

I am indeed happy to stand before you tonight and to say a few words to you in parting. I deem it a privilege to speak as the representative of the Sarah Dickinson and Arthur Fort Chapters, and I wish at this time to express to your beloved Regent my very warm appreciation of the honor.

We trust you have enjoyed your visit in our county and city. It is the land of the Indians—the proud Coweta tribe—who in Oglethorpe's infancy made a most significant treaty of alliance with Gov. Oglethorpe. It is the land of the intrepid McIntosh, who died a martyr for his friendship with the white people. It is the land of the pioneers, of whom Gen. Daniel Newnan was a worthy example.

We are so glad that we have had this body of distinguished women within our gates. Women in whose hearts there burns the unquenchable fire of patriotism. A patriotism built on reverence for God who gave us the heritage of this glorious land and an ancestry of sturdy pioneers. I most ardently indorse the sentiment expressed by Theodore Roosevelt when he said that it would be a sad day for America if we forget that we are the children of pioneers.

Now we realize that a blind attachment for the past, with no regard for the future, retards a people's growth and is a hindrance to progress. But the constructive work of the Daughters of the American Revolution proves them a band of earnest women, standing for the noblest ideals of the founders of this republic and for their perpetuation through the coming generations.

I stood recently among the rolling hills of Valley Forge. In the solemn quiet of that hallowed ground, a new realization of the shrewdness of our immortal Washington and the fortitude of his soldiers swept over me. Here he tucked away in seclusion his ragged, starving army into winter quarters. Here on these mounds lay the sick and dying during that long, cold winter—the darkest days of the Revolution. My spirit thrilled, as would that of any true Daughter, when I remembered that through my veins there

coursed the mingled blood of many soldiers of the Revolution. I rededicated myself to the service of my country, however humble that service might be.

As Virgil of old said when he sang of the glories of Rome, "I set no limit of time or space to the race that wears the toga," so do I sincerely believe that no limit has been fixed for the nation born in 1776, provided we keep the faith. And, Daughters of the American Revolution, at no time in the history of this republic has there been greater need of just such work as is done by you. When the mighty guns of evil are turned loose on the very foundations of this republic, and the Constitution itself is treated as a "scrap of paper," it is a ringing challenge to you, as you go forward into the work of the coming year.

Our motto is truly embodied in Webster's sublime exclamation, "I mean to stand upon the Constitution. I need no other platform. The ends I aim at shall be my country's, my God's, and truth's." Believing that a "People who take no pride in the deeds of remote ancestors will never do anything worthy of remembrance by remote posterity," we will honor and revere the greatest achievement of the fathers of this country, our Federal Constitution; and as we separate, we will pledge anew that on this rock, the Constitution of our country, we will help build a citizenship worthy of our sires.

"We will take up the quarrel with the foe!
To us from falling hands they threw
The torch. Be ours to hold it high."

Now, as we bid you farewell, I am sure that I speak for the entire membership of the Sarah Dickinson and Arthur Fort Chapters, when I tell you again what a real pleasure it has been to have you with us and we wish each one of you happiness until we meet in Conference in 1931.

Information to Members

The following resolution which applies to the nominations of a State Regent by Chapters appears in the Proceedings of the Twentieth State Conference, 1918.

"Resolved, That it is the judgment of the Executive Board that nominations for State Regent should not be made by Chapters

earlier than three months prior to the meeting of the Conference. When so made they shall be furnished to the State Editor for publication."

Chapters are requested to hold their elections in May. It is desirable that the reports to Conference shall be made by officers whose work covers at least the greater part of the year preceding the Conference. Chapter By-Laws must be in accord with National and State By-Laws.

At the opening of the State Conference, by **unanimous consent**, the rights and privileges of delegates can be voted to the State Chairman, **with this exception**, State Chairman can not vote in the election of State Regent and State Vice-Regent unless they have been elected delegates by their respective Chapters and so registered with the Credential Committee. (The election of the State Regent and State Vice-Regent must be confirmed by the Continental Congress).

(See Article X, Section 1 and Section 2, of the National By-Laws.)

"Where there is only one candidate for an office and the Constitution requires the vote to be by ballot, it is common to authorize the Secretary to cast the ballot of the assembly for such and such a person.

If anybody objects, however, it is necessary to ballot the usual way. So when a motion is made to vote unanimous, it fails if anyone objects." **Passed 1915.**

Each State Conference may by a two-thirds vote, adopt such additional rules of order as it may deem advisable for the government of that Conference, provided they are not in conflict with the Constitution and By-Laws of the National and State Society.

STATE CONFERENCE

The first State Conference was called by Mrs. S. B. C. Morgan, State Regent, and was held at the Atlanta Exposition of 1895. The annual Conference began in 1899. In that year a Conference for the purpose of effecting a State organization was called by Mrs. Robert Emory Park, State Regent, and was held in Atlanta, May 23-24. By-Laws were adopted and State officers elected. The succeeding Conferences were numbered from this Conference, until the Conference of 1909 adopted a motion, offered by Mrs. Mallory Taylor, "that the first State Conference in 1895 be recognized, and the next annual Conference, instead of being the twelfth, shall be the thirteenth." (Minutes, p. 21). No Conference was held in 1911; the time of meetings having been changed from the fall to the first part of the year by the Conference in 1910, which adopted a recommendation by the Executive Board (made on the motion of Mrs. P. W. Godfrey) "that the State Conference be carried over from November, 1910, to 1912, prior to Congress in 1912;" amended by Miss Ray of Atlanta, "that we have Conference in the Spring, not to interfere with Lent." (Minutes, p. 21).

The dates and places of meeting and the numerical designation of the Conferences after the first annual Conference (1899) were as follows: (2) Atlanta, Nov. 27-28, 1900. Georgia Day

The first concerted effort to bring about the annual celebration of the date of the landing of Oglethorpe and his colonists (February 12, 1733) under the name of "Georgia Day," was made by the Joseph Habersham Chapter of Atlanta in 1901, and, with the co-operation of the State School Commissioner, soon resulted in its observance in public schools. Credit for these first efforts is due to Miss Nina Hornaday, Georgia Day Chairman of the Chapter, and Mrs. W. L. Peel, then Regent.

In 1904, Mrs. John M. Graham, then Regent of the Joseph Habersham Chapter, seeing that Mr. Calvin had introduced in the legislature a bill providing for school celebration on certain other anniversaries endeavored to have similar recognition given to Georgia Day, and in this was aided by Miss Hornaday. The result was that the Legislative Committee on Education reported a Georgia Day bill as a substitute for Mr. Calvin's bill, but it did not pass. At the next State Conference, Mrs. Graham moved the appointment of a committee to procure legislation on the subject, and she was appointed chairman. A bill presented by her was introduced in the Legislature by Hon. Madison Bell, but failed to pass, and at her request was reintroduced in 1909 by Hon. John M. Slaton, which provided for observance of the day in the public schools by exercises consisting of written compositions, readings,

recitations, addresses, or other exercises relating to this state and its history and to the lives of distinguished Georgians.

Admission of Women to State University

The action of the State Legislature in 1916 in admitting women for post-graduate course at the University of Georgia recalls the active part that Mrs. S. B. C. Morgan has taken in this bill. She was State Regent, 1893-1897, and afterwards Vice-President General from Georgia of the N. S. D. A. R.

A resolution asking for the admission of women to the State University was offered at the 1895 State Conference by Mrs. S. B. C. Morgan, then State Regent, and adopted by the Georgia Chapters.

The following year it was offered to the Colonial Dames by Mrs. Morgan and adopted. A few years later, Mrs. Robert Emory Park, then president of the Federation of Women's Clubs, cooperated with Mrs. Morgan and adopted the same resolution. Later the State Association for Education of Georgia Mountaineers, Mrs. Morgan, President, adopted the same resolution, making practically a united movement of the organized women in Georgia, with Mrs. Morgan the very efficient and most capable leader.

These petitions were successfully sent to the Board of Trustees and later to the Legislature. This continued work for over twenty years for the admission of women to the State's highest institution of learning, is only one of the many advanced ideas which Mrs. Morgan has led for a number of years.

D. A. R. Student Loan Fund

In 1916, the resolution by Mrs. Howard H. McCall, State Regent, to establish a **D. A. R. Loan Fund**, was adopted by the State Conference.

In 1919, the resolution offered by Mrs. Julius Talmadge, Regent of Elijah Clarke Chapter, to establish a \$5,000 Memorial Scholarship for our soldier boys who died in the World War to be placed at the University of Georgia (for boys) was adopted.

In 1919, a resolution to give a \$150 loan scholarship from the D. A. R. Loan Fund to a girl to enter the University of Georgia was adopted.

In 1923, the resolution to raise \$5,000 for the D. A. R. Student Loan Fund (for girls) was adopted.

In 1923, the resolution to establish a loan fund of \$1,500 to be placed at the Georgia State Woman's College at Valdosta was adopted. In 1926, the State Conference voted to increase this fund to \$5,000.

In 1925, a resolution to establish a "Fannie Trammell Loan Fund, as a memorial to Mrs. Paul B. Trammell, first State Vice-Regent, was adopted. In 1926, the State Conference voted to increase this fund to \$5,000.

In 1927, State Conference voted to include all the loan funds under the name of the D. A. R. Student Loan Fund, to be in accord with the name used by the National Society.

The history of this splendid educational work will be found in the annual reports of the following State Regents: Mrs. Howard H. McCall, 1916-1928; Mrs. James S. Wood, 1912-1920; Mrs. Max E. Land, 1920-1922; Mrs. Charles Akerman, 1922-1924; Mrs. Julius Y. Talmadge, 1924-1926; Mrs. Herbert M. Franklin, 1926-1928; Mrs. Herbert Fay Gaffney, 1928-1930.

**FLAG CODE ADOPTED AS REVISED AND ENDORSED AT THE
SECOND NATIONAL FLAG CONFERENCE, WASHINGTON**

May 15, 1924

Proper Manner of Displaying the Flag

There are certain fundamental rules of heraldry which, if understood generally, would indicate the proper method of displaying the Flag. The matter becomes a very simple one if it is kept in mind that the National Flag represents the living country and is itself considered as a living thing. The union of the Flag is the honor point; the right arm is the sword arm, and therefore the point of danger and hence the place of honor.

1. The Flag should be displayed only from sunrise to sunset, or between such hours as may be designated by proper authority. It should be displayed on National and State holidays, and historic and special occasions. The Flag should always be hoisted briskly, and lowered slowly and ceremoniously.

2. When carried in a procession with another flag or flags, the Flag of the United States of America should be either on the marching right, i. e., the Flag's own right, or when there is a line of other flags, the Flag of the United States of America may be in front of the center of that line.

3. When displayed with another flag against a wall from cross-staffs, the Flag of the United States of America should be on the right, the Flag's own right, and its staff should be in front of the staff of the other flag.

4. When a number of flags of states or cities or pennants of societies are grouped and displayed from staffs with the Flag of the United States of America, the latter should be at the center or at the highest point of the group.

5. When flags of states or cities or pennants of societies are flown on the same halyard with the Flag of the United States of America, the latter should always be at the peak. When flown from adjacent staffs the Flag of the United States of America should be hoisted first and lowered last. No such flag or pennant flown in the former position should be placed above, or in the latter position to the right of the Flag of the United States of America, i. e., to the observer's left.

6. When flags of two or more nations are displayed they should be flown from separate staffs of the same height and the flags should be of approximately equal size. (International usage forbids the display of the flag of one nation above that of another nation in time of peace.)

7. When the Flag is displayed from a staff projecting horizontally or at an angle from the window sill, balcony or front of building, the union of the Flag should go clear to the peak of the staff unless the Flag is at half-staff. (When the Flag is suspended over a sidewalk from a rope, extending from a house to a pole at the edge of the sidewalk, the Flag should be hoisted out from the building toward the pole, union first.)

8. When the Flag is displayed in a manner other than by being flown from a staff, it should be displayed flat, whether indoors or out. When displayed either horizontally or vertically against a wall, the union should be uppermost and to the Flag's own right i. e., to the observer's left. When displayed in a window it should be left of the observer in the street. When festoons, rosettes or

drappings of blue, white and red are desired, bunting should be used, but never the Flag.

9. When the Flag is displayed over the middle of the street, as between buildings, the Flag should be suspended vertically with the union to the north in an east and west street, or to the east in a north and south street.

10. When used on a speaker's platform, the Flag, if displayed flat, should be displayed above and behind the speaker. If flown from a staff it should be in the position of honor, at the speaker's right. It should never be used to cover the speaker's desk, or to drape over the front of the platform.

11. When used in connection with the unveiling of a statue or monument, the Flag should form a distinctive feature during the ceremony, but the Flag itself should never be used as the covering for the statue.

12. When flown at half-staff, the Flag should be hoisted to the peak for an instant, then lowered to the half-staff position; but before lowering the Flag for the day it is raised again to the peak. By half-mast is meant hauling down the Flag to one-half the distance between the top and the bottom of the staff. If local conditions require, divergence from this position is permissible. On Memorial Day, May 30th, the Flag is displayed at half-staff from sunrise until noon and at full staff from noon until sunset; for the Nation lives and the Flag is the symbol of the living Nation.

13. Flags flown from fixed staffs are placed at half-staff to indicate mourning. When the Flag is displayed on a small staff, as when carried in parade, mourning is indicated by attaching two streamers of black crepe to the spear head, allowing the streamers to fall naturally. Crepe is used on the flag staff only by order of the President.

14. When used to cover a casket, the Flag should be placed so that the union is at the head and over the left shoulder. The Flag should not be lowered into the grave nor allowed to touch the ground. The casket should be carried foot first.

15. When the Flag is displayed in the body of the church, it should be from a staff placed in the position of honor at the congregation's right as they face the clergyman. The service flag, the State flag or other flag should be at the left of the congregation. If in the channel or on the platform, the Flag of the United States of America should be placed on the clergyman's right as he faces the congregation and the other flags at his left.

16. When the Flag is in such a condition that it is no longer a fitting emblem for display, it should not be cast aside or used in any way that might be viewed as disrespectful to the National colors, but should be destroyed as a whole, privately, preferably by burning or by some other method in harmony with the reverence and respect we owe to the emblem representing our country.

CAUTIONS

1. Do not permit disrespect to be shown to the Flag of the United States.

2. Do not dip the Flag of the United States of America to any person or any thing. The regimental color, State flag, organization or institutional flag will render this honor.

3. Do not display the Flag with the union down except as a signal of distress.

4. Do not place any other flag or pennant above or, if on the

same level, to the right of the Flag of the United States of America.

5. Do not let the Flag touch the ground or the floor, or trail in the water.

6. Do not place any object or emblem of any kind on or above the Flag of the United States of America.

7. Do not use the Flag as drapery in any form whatever. Use bunting of blue, white and red.

8. Do not fasten the Flag in such manner as will permit it to be easily torn.

9. Do not drape the Flag over the hood, top, sides or back of a vehicle, or of a railroad train or boat. When the Flag is displayed on a motor car, the staff should be affixed firmly to the chassis, or clamped to the radiator cap.

10. Do not display the Flag on a float in a parade except from a staff.

11. Do not use the Flag as a covering for a ceiling.

12. Do not carry the Flag flat or horizontally, but always aloft and free.

13. Do not use the Flag as a portion of a costume or of an athletic uniform. Do not embroider it upon cushions or handkerchiefs nor print it on paper napkins or boxes.

14. Do not put lettering of any kind upon the Flag.

15. Do not use the Flag in any form of advertising nor fasten an advertising sign to a pole from which the Flag is flying.

16. Do not display, use or store the Flag in such a manner as will permit it to be easily soiled or damaged.
