TO THE D. A. R.

KEEP THE FAITH

(Air: "Columbia, the Gem of the Ocean")

O, our national organization,
A band of the fair and true,
We pledge thee thy daughters' devotion,
Our love and allegiance renew.
May thy name that we cherished stand ever,
As new members we add to thy roll,
For service and duty forever
To country, a beautiful scroll.

Chorus:

Keep faith with the brave and the true,
"Carry on" in the work that's to do;
Let "over the top" be our motto,
Our standard, the Red, White and Blue.

O, the Star-Spangled Banner we cherish,
And the D. A. R. takes this stand:
We pledge that its glory ne'er perish,
Nor its beauty grow dim in the land;
Our grandsires fought to defend it
In the days of its perilous youth,
We daughters will ever protect it,
Its folds of the bright living truth.

The fires of the fierce revolution,
Where thunders were heard 'round the world,
Kindled thoughts of our great constitution,
And Liberty's flag was unfurled;
Our ancestors fought for our freedom
And Liberty's torch held on high;
We hold up the torch that they left us
And bear it aloft to the sky.

—By ELIZABETH DUNCAN LANIER.

Adopted as a State D. A. R. Song, April, 1919.

Prayer—Mrs. T. E. Blackshear, State Chaplain.

THE FLAG SALUTE

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands—one nation indivisible, with liberty and justice to all.

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it my duty to my country to love it; support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—Authorized Version.

The State Regent gave her report which was most splendid and received with a rising vote of thanks. Reports from the Macon chairmen regarding plans for the State meeting in Macon, March 24, 1931, were heard. Mrs. W. C. Akerman, Chairman of the Program, then presented the program.

Motion Is Made

Mrs. H. M. Franklin moved that as many markers as possible be placed on Nancy Hart highway before the State meeting. The Resolution Committee, Mrs. A. L. Wilkins, Chairman, reported the following resolutions which were adopted. No. 1. proposed by the State Regent, Mrs. Wylie:

Resolved: That the Daughters of the American Revolution of Georgia in executive session assembled, extend their thanks and appreciation to the Jared Erwin Chapter and all the friends of Sandersville for their hospitality shown at this time.

No. 2, proposed by Mrs. E. B. Coddington:

Inasmuch as every bell in the Washington Memorial National Carillon at Valley Forge has a name especially appropriate to the State which gave it, and whereas, Brigadier General Lachlan Mc-

Intosh was in command of the Georgia soldiers at Valley Forge during the Revolution, and, whereas, Dr. Herbert Burk, founder of the carillon at Valley Forge, stated in a recent letter, "I am very happy over the suggestion to name the Georgia bell the Lachlan McIntosh Bell." I think it is a fine tribute and I sincerely hope that it will be endorsed, therefore, be it resolved that the Georgia State bell at Valley Forge be called the Lachlan McIntosh bell, in honor of General Lachlan McIntosh. Moved recommendation to congress.

Jefferson's Birthday

No. 3. Be it resolved that in recognition of the services of Thomas Jefferson and through the loyalty that we feel is his just due, that the observance of his birthday be further commemorated by being made an honor-roll requirement. Sub-motion offered that his birthday be put among those listed in program. The committee recommended the adoption of resolution with the amendment that the last phrase be eliminated.

No. 4. Mrs. T. O. Tabor, Jr., for the Committee on Legislation, to ask State Legislature for one per cent of highway fund for tree planting along highways. The Resolution Committee recommended that this matter be referred to Legislative Committee with power to act.

Proposed by Mrs. Riley:

No. 5. Resolved that we pay more honor to Benjamin Franklin and commemorate his birthday January 17, with appropriate exercises.

Mrs. J. L. Beeson announced that a marker would be placed at the old Moravian mission in Murray County. They voted to give \$50 for this marker to Governor John Milledge Chapter, of Dalton.

The session adjourned for luncheon given at the home of Mrs. C. D. Tarbutton.

The business session convened in the dining room and finished the business of the day.

The board endorsed Mrs. Fay Gaffney for Vice-President General from Georgia and sent her a telegram. It was voted to give \$50 for building at Toumanassee.

There being no further business the meeting adjourned.

ADDRESSES

WELCOME ADDRESS

Mrs. Ryals, Regent, Mary Hammond Washington Chapter

Madam State Regent, and members of the 33rd State Conference of the Georgia Daughters of the American Revolution:

The Mary Hammond Washington Chapter and the Nathaniel Macon Chapter have long looked forward to your coming and now that you are here, you are welcome, thrice welcome.

Because of your noteworthy contribution to our State and our Country, we shall be enriched by having you as our guest even for a few days. We feel that you are holding out both hands to us in helpfulness and that our candles shall be lighted from your lamps. We thank you for coming.

**ADDRESS OF MRS BUN WYLIE, GEORGIA STATE REGENT,
D. A. R.**

PATRIOTISM

When I was a little girl, there came to our home in Virginia, a very charming visitor from Macon, Georgia. I often sat at her feet in adoration as she told me much of her beautiful home city and the delightful people who resided there. To me, then, it all seemed a fascinating fairy story, but now I find it is every word true, and so tonight I sit again in adoration at the feet of beautiful Macon with her charming, cultured people, enjoying their cordial hospitality, which savors of the Old South and makes one feel "it is good to be here." Your warmth of greeting and evidences of welcome we shall take with us as a sweet memory of this happy occasion, for which we thank you.

As I look over this brilliant assemblage of American citizens, it is an inspiration to me. I am reminded of what the Good Book says, "that one star differeth from another in glory"—or as Kipling so aptly puts it, "each in its separate star," for every one here has played a part in the great patriotic service, of love and loyalty to our country.

The Daughters of the American Revolution stand for Patriotism in its highest and fullest sense—Patriotism that is not only willing to die for one's country but to live for it! Patriotism which inspires us to higher and nobler deeds! Patriotism, which at the first strains of the Star-Spangled Banner and the sight of Old Glory with its protecting folds waving above us, thrills us and fills us anew with loyalty and devotion to our Home, our Country and our God!

To the dearest words in our language, Mother, Home and Heaven, I would add the inspiring word Patriotism, for without love of country and loyalty to its highest principles, one cannot be true to these lofty ideals! Let us be willing to make any sacrifice of service to uphold those great fundamental principles of Liberty, Truth, Justice and Honor which our heroic forefathers fought to establish. But the Daughters of the American Revolution are not only keeping uppermost the ideals and achievements of the great men and women whose names are interwoven in the history of the Revolution; preserving the historic sights that would long ago have fallen into

decay—but are marching shoulder to shoulder in the battles of to-day for the education and uplift of humanity, thus keeping before the present generation the imperishable glory of their country. It was Plutarch who said "In our pride of ancestry let us not forget that while it is a most desirable thing to be well descended, the glory belongs to our ancestors"—therefore, let us be good citizens of today worthy of our heroic forefathers.

Patriotism is not always exercised in warlike defense. There are quiet battles fought daily that call for the deepest patriotism—the upholding of the laws of our land—especially against those deadly subversive forces abroad in our country today, attempting to destroy the very spirit of patriotism. In this moment of great stress in our nation which is trying men's souls, we, Daughters of the American Revolution with the true spirit of our forefathers, must be brave and carry on. The splendid achievements in the past but spur us on to higher and loftier deeds, which is true patriotism.

We live in a day of financial depression, moral decadence and religious doubt. Many voices of despair challenge the voice of hope. Our economists seem to be impotent to solve the problems of industry and unemployment. Not only does this condition exist in our own country, but the affairs in Europe are far from being reassuring. Britain has her troubles—she is not only harrassed by the unemployment problem, but by the Dole System—and economic situation, which is threatening her. France has found it difficult to establish a new administrative government. Germany cannot pay her debts and is in danger of being converted into a Fascist government. Spain is in the throes of a revolution. Mussolini's dictatorship has been effective in industry and commerce, but it has expelled the liberal leaders from Italy. Russia has her Soviet government. Affairs in the Orient are disquieting. Japan is over populated. China is temporarily quiet because the quarreling leaders have exhausted their resources. India is in a turmoil. There are many other dangerous spots in the world today. In our own beloved United States there is an increasing number of people sneering at democracy. The foe that our valiant ancestors fought was a red-coated British soldier. The foe that we must fight is the careless, indifferent, selfish, unprofitable citizen—Pacifist, Atheist, Communist. Our honored forefathers expressed their patriotism by shouldering a musket. We, their daughters, must conduct a persistent campaign against the evils of today and the enemy in our midst. Many other problems confront us—the crime situation, the dry and wet question; what the movies are doing to misrepresent the American people and to debauch the minds of the young, are problems to Daughters that we must help to solve.

The Daughters of the American Revolution stand for the support of adequate National Defense and the counteracting of subversive influences in our country. We do not want war. Our army, navy, administrators do not want war; our people who know they would have to do the fighting and dying do not want war, but all of them want to be fully prepared and able to defend themselves should war be unavoidable. We earnestly wish to keep out of war, but we still believe with George Washington that "to be prepared for war is one of the most effectual ways of preserving peace."

There was never a land that better deserved the devotion of her people than our United States. Never was there a mother country so generous to her children. Millions upon millions of people have lived here with more comfort and less fear than in any other land or in any other age. There are deeper reasons for a love for the United States than the material advantages and oppor-

unities that she has bestowed upon us. These deeper reasons have to do with the high ideals of freedom, justice, education, and democracy that we are working out in America. But these ideals are being ignored and threatened and opposed. "Deprive us of our ideals and we become degraded. Preserve them and we move onward and upward." Our patriotism should not be an intermittent impulse that displays itself on July 4th, but should be a continuous endeavor. Against lawlessness of every kind we should always be at war, from this war there is no discharge. It is the war against indecency and injustice. There are dangers in our native land today that did not exist in the days of Concord, Lexington, Kings Mountain, and Kettle Creek. Another field in which we should exercise a sanctifying influence is the field of Literature. Many fiction mongers find it profitable to exaggerate the sensually filthy and the morally ugly. The mind of our youth is being poisoned. Many consider Dickens impossible; Tennyson too tame, and Browning too sturdy in morals; preferring those modern writers who appeal to the animal senses. The clean education of our youth is the motor power of the nation, together with the safety of its existence. Education is one of the greatest uplifting forces known to mankind. If we can be the means of helping to dispel the darkness of ignorance and let in the light of education and knowledge to the minds of our boys and girls, we will have done a work divine. Thomas Jefferson said, "Every government degenerates when trusted to the rulers of the people alone. The people themselves, therefore, are its only safe depositories and to render them safe, their minds must be improved to a certain extent."

Great trials seem to be necessary preparations to great duties, so out of this seeming chaos we will rise phoenix-like, looking toward the star of hope! "Too low they build, who build beneath the stars." Civilization is not growing weaker with age but stronger and more beneficent! It still carries on! Its wonderful vitality comes from the momentum of the past; the toilers of the present; with faith in the future—"hope is our one sure possession!" Despair is demoralizing, hope is inspiring. America today needs a reinfusion of its old time faith and confidence. So with reverence and pride in our past; loyalty and devotion to the present; hope and inspiration for the future—we, Daughters of American Revolution, must "hold high the torch and light the way!" Your country has called you to arms in service to your fellowman! The spirit of 1776 is kept alive in fervency of patriotic service, on you rests the responsibility of successful effort for the advancement of this noble cause which you represent. You have achieved it in the past, I am sure you will carry on to more splendid accomplishments in the future. "The secret of success is constancy to purpose," let us go onward and upward, still pursuing, still achieving, that high and noble purpose which justifies the existence of this splendid patriotic society, Daughters of the American Revolution.

As your State Regent,

I BID YOU

Be true, for there are those who trust you;
 Be pure, for there are those who care;
 Be strong, for there is much to suffer;
 Be brave, for there is much to dare.

Be friend of all—the foe—the friendless;
 Be giving, and forget the gift;
 Be humble, for you know your weakness;
 Look up—and hope—and love—and lift.

OFFICERS' REPORTS

REPORT OF STATE REGENT

Mrs. Bun Wylie

The following report was made by Mrs. Bun Wylie, State Regent, at the State Conference in Macon, March 25th, 1931:

As your State Regent, I greet you—extend to you the warm hand clasp of friendly cooperation—give you the love of my heart and bid you go forward, always towards the high ideals of our beloved Society, Daughters of the American Revolution.

The consummation of our dreams is realized today in the entertainment of the Georgia D. A. R. State Conference in Macon with this charming group of patriotic women as our hostesses, led by their splendid Regents, Mrs. T. E. Ryals, assisted by Mrs. L. C. Rader. It is indeed a joy to be your guests and we thank you with all our hearts.

In accordance with the reports of the President General and State Regents, I am giving a personal report, reserving for each Chapter Regent and State Chairman the pleasure and privilege of making her own report.

At the State Conference in Newnan March, 1930, the Georgia Daughters of the American Revolution elected me to the high office of State Regent, an honor deeply appreciated yet carrying with it a consciousness of grave responsibility. A glance backward over the year calls to mind fellowships, joys and achievements for which I am most grateful, and I shall endeavor to give you a report of my plans, duties and pleasures since that day. After Conference two days of charming hospitality was enjoyed at the home of Mrs. W. H. Hightower, Thomaston, with a luncheon at the home of Mrs. Henry Birdsong, Regent of the John Houston Chapter.

The Gov. John Milledge Chapter, Dalton, Mrs. B. A. Tyler, Regent, honored your State Regent-elect at a luncheon followed by a reception at which time I spoke to the Dalton Daughters on "our plans and prospects."

It was my privilege to attend the Continental Congress in Washington, D. C., where on the afternoon of April 19th the anniversary of the Battle of Lexington in our handsome new Constitution Hall, I was confirmed as State Regent of Georgia D. A. R. This was a beautiful ceremony, a processional of State Regents carrying flowers,—your Georgia Regent was especially fortunate in this respect, carrying five bunches of pink roses tied with our colors; these formed the centerpiece for the Georgia table that evening at the national banquet in the Willard Hotel. I am proud to have it recorded, in Georgia D. A. R. history, that Marion Sibley Wylie was the first State Regent from Georgia to be confirmed in Constitution Hall. I attended my first National Board meeting Monday following Congress where I was cordially welcomed into the official family of the National Society by the President General and members of the National Board.

From Washington I went to Richmond, Va., where as the guest of the Commonwealth Chapter I brought them a message from my Georgia Daughters, and enjoyed a tea after the meeting. On my return to Atlanta I immediately took up my duties as State Regent; busy at my desk from five to ten hours daily; arranging the State

Committees, answering the vast budget of mail that came to me; adjusting, planning and executing the State work along all lines of its ceaseless activity; responding to the call of the National Society and representing the State on all occasions in the official capacity of State Regent.

The Joseph Habersham Chapter was the first to honor the new State Regent with a reception at the home of the Regent, Mrs. A. R. Colcord; Mrs. W. F. Dykes, State Corresponding Secretary, and Mrs. Stewart Colley, State Editor, sharing honors. This was followed by a brilliant reception given by the Atlanta Chapter, my own beloved Chapter, Mrs. Eli Thomas, Regent, at their historic old Chapter house, complimenting the State Regent and State Corresponding Secretary.

In May, as honor guest of the John Clark Chapter, Social Circle, Mrs. W. O. Godwin, Regent, attended their luncheon and meeting, giving an account of Continental Congress. Mrs. Mell Knox, State Vice Regent, was also an honor guest on this occasion.

Mrs. John M. Slaton honored the State Regent with a luncheon at her beautiful home, Wingfield, to which many prominent D. A. R. were invited.

In June I was the guest of Kettle Creek Chapter, Washington, Wilkes County, Mrs. W. L. Latimer, Regent, attending the unveiling ceremonies on War Hill, the monument marking the battle ground of Kettle Creek; made a patriotic address, placing on the monument a handsome evergreen wreath tied with blue and white ribbon, embossed with gold letters, "Georgia D. A. R."

In June, I visited Milledgeville, addressing the student body of the Georgia Woman's College, on the inspiring subject "Patriotism." I was the guest of the Nancy Hart Chapter at a meeting on Flag Day, at Old Fort Wilkinson, making an address. Mrs. J. L. Beeson, State Historian, entertained her guests in the old Governor's Mansion, at a beautiful luncheon in honor of the State Regent. Mrs. J. I. Gerard, Past Regent of the Nancy Hart Chapter, complimented the visitors with a dinner party. Mrs. W. H. Yarbrough, Regent, Nancy Hart Chapter, together with Dr. Y. H. Yarbrough, Mrs. Beeson, Mrs. Mell, and myself, motored to Gibson where we had the privilege of meeting and visiting with the two real Daughters in Georgia, Aunt Sarah Poole and Aunt Molly Poole Newsom, who are 81 and 85 years of age.

From Milledgeville, Mrs. T. C. Mell, then C. A. R. State Director, and I motored on to Savannah, where we attended the unveiling of the marker on Yamacraw Bluff, the historic spot, which is the birthplace of Georgia. Your State Regent was honor guest and made the address presenting the Marker to the City of Savannah. Mrs. Robt Travis, State Chairman, arranged the program and presided over the ceremonies, unveiling the marker. The three Savannah Chapters honored the State Regent with a reception, Mrs. John W. Daniel, State second Vice-Regent, acting as hostess; the three Regents, Mesdames Robt. Roux, G. C. Tilman, and J. E. Bacon, received with the State Regent. The Stephen Heard Chapter, Elberton, Miss Mary Lizzie Wright, Regent, invited the State Regent to be their guest on the occasion of the installation of new officers; an English tea at the home of Mrs. J. Y. Swift, Rose Hill, the historic old Heard mansion; a dinner at the hotel and an evening meeting followed by a reception celebrated this event. The State Regent gave the sacred charge to the officers, followed by an address on "What the Daughters are Doing." It was a most inspiring occasion.

In July, I motored to Gainesville, where as a distinguished

guest of the American Legion, addressed that body on "Our Kindred Activities." Also, in July, the Pulaski Chapter at Griffin, Mrs. Frank Pittman, Regent, unveiled a stone marker on the old McIntosh Trail, where General McIntosh crossed the highway enroute to New Orleans. The State Regent made an historical address on this occasion. The Pulaski Chapter sponsored a float typifying the Revolutionary period as a part of the 90th celebration of the birthday of Griffin. The Chapter entertained the State Regent at a luncheon and reception.

Representing the State, July 4th, I was one of the speakers on the program in Atlanta, speaking on "Georgia's Part in the Declaration of Independence."

In September, the Elijah Clarke Chapter, Athens, Mrs. J. T. Dudley, Regent, entertained in honor of the State Regent at a reception following the regular meeting. At the meeting I read the State Regent's fall message. Mrs. Julius Talmadge was also an honor guest on this occasion.

As State Regent of Georgia, one of the five states with participating troupes in the Battle of Kings Mountain, it was my privilege to represent Georgia at the Sesqui-Centennial on October 6-7, and bring greetings from my State. I was accompanied by my personal page, Mrs. J. H. Nicholson, who carried the State Flag, while the Regent made her address. From there I went to Washington, D. C., to the National Board meeting, with its many delightful features and friends. From Washington I came down to Virginia to be a guest at the Yorktown celebration. I enjoyed a luncheon at the Governor's Mansion, dinner given by the S. A. R., the luncheon by the Compe De Grasse Chapter in Yorktown. I delivered an address in Richmond at the tree planting, honoring George Washington.

On October 9th, the National Board of Management C. A. R. confirmed the appointment, by the State Regent, of Mrs. Young Harris Yarbrough, Milledgeville, for State Director of Georgia.

The State Executive Board met in Sandersville, October 28th, 1930, the guest of the Jared Irwin Chapter, Mrs. C. D. Shelnut, Regent. A most charming group of State Chairmen and State Officers were present, with fine reports of their stewardship. In the absence of Mrs. C. H. Leavy, Mrs. W. E. Mann acted as Recording Secretary. The social features were delightful—a reception at the home of Mrs. Shelnut honoring the State Regent and the distinguished guests and a luncheon at the home of Mrs. and Miss Tarburton—several constructive resolutions were presented and passed, which will be reported by the Secretary. As our party returned from Sandersville we were entertained at luncheon by Mrs. R. P. Brooks, in her old Colonial home at Forsyth, where we enjoyed meeting Daughters from Forsyth and Macon.

In November, the Toccoa Chapter, Mrs. Mary Jarrett White, Regent, honored your State Regent with a luncheon. It was indeed a beautiful affair to which the Athens, Clarkesville and Hartwell Daughters were invited. We enjoyed a round table discussion of D. A. R. problems, together with a reading of the State Regent's fall message. I accepted the invitation of the Fielding Lewis Chapter, Marietta, Mrs. John T. Dorsey, Regent, to be their guest at the November meeting—speaking to them on "What the Daughters Are Doing." A beautiful luncheon preceded the meeting to which D. A. R. over the State were invited, including the State Officers.

The Southern Divisional Conference, which met in Gulfport, Miss., November 14-15, was a great success. Your State Regent could not attend because of serious illness in the family. Mrs.

Howard McCall and Mrs. Fay Gaffney were splendid representatives for Georgia. Next year the Southern Divisional Conference will meet in Charleston, S. C. By invitation of Mrs. John C. Coulter, State Regent of South Carolina, a group of Georgia D. A. R. journeyed to Tamasee to the dedication of the new dormitory. Georgia contributed \$50.00 to the State building at Tamasee and the John Laurens Chapter, Dublin, presented many valuable books and a portrait of Andrew Pickens. The Stephen Heard Chapter contributed two cornerstones of the famous Elbert County blue granite to Tamasee D. A. R. school, to be placed in the Ohio-Hobart dormitory and dining hall, recently dedicated at the school. This gift is valued at \$125.00.

At the invitation of Mrs. Howard McCall, Mrs. Lowell Fletcher Hobart, President General National Society D. A. R.; Mrs. Russell Magna, Librarian General; Mrs. Chas. E. Herrick, National Chairman Patriotic Education, visited Atlanta in November, at which time Mrs. McCall entertained at a charming breakfast in their honor, to which many D. A. R. were invited. Your State Regent presented the President General.

I represented Georgia D. A. R. at the Parent-Teacher Institute, Athens; American Red Cross meeting; Legislative Council of Women's organizations; Armistice Day by the American Legion; Military Celebration on February 22, George Washington's birthday; was guest of the U. D. C. in Thomaston, where I brought greetings from the D. A. R., also in Albany, Ga. Was appointed by Mayor Key, Atlanta, on City Council Committee, Bureau of Municipal Research and Statistics.

On January 9th, was the guest of the James Monroe Chapter at Forsyth, Miss Mary Persons, Regent, at a luncheon followed by the meeting where I read and discussed the State Regent's spring message.; Mrs. J. H. Nicholson, State Auditor, shared honors.

The New Year brought with it the demand for compiling and arranging the Credential blanks, questionnaires, State Officers, State Chairmen, and State Executive Board cards, together with information slips, invitations to distinguished guests and all information preparatory to State Conference and Continental Congress, Washington, D. C. This work, together with my response to all demands for my assistance in every way that I could be helpful, has filled every moment of my time.

At the National Board meeting, January 28th, 51 new members were admitted to the Georgia Society. The National Patriotic Conference convened in Constitutional Hall January 29th. Your State Regent invited our Georgia Senators and their wives to occupy the Georgia box—also Mrs. Chas. Rice and Mrs. Fay Gaffney, who were delegates.

On February 12th, Mrs. Chas. Rice and I motored to Hawkinsville to attend the unveiling of a tablet, marking the Blackshear Trail. The Hawkinsville Chapter, Mrs. Walker Jordan, Regent, entertained at a luncheon followed by the impressive unveiling ceremony. Your State Regent spoke on both occasions. From Hawkinsville, we went to Albany where we were honor guests at a beautiful luncheon given by the two Albany Chapters, Thronateeska, Mrs. Julia Bacon Osborne, Regent, and Commodore Richard Dale, Mrs. S. S. Bennett, Regent. Your State Regent brought them an inspiring patriotic message. From Albany, we came up to Perry, where we were entertained by the General Daniel Stewart Chapter, Mrs. W. E. Traylor, Regent. Our own Mrs. J. Alvah Davis, State Consulting Registrar, is a member of this Chapter. It is very delightful to meet the Daughters and speak to them on these happy occasions.

Was an honor guest of the Atlanta Chapter on the occasion of their George Washington tree planting on February 22nd; also guest of the Joseph Habersham Chapter at their Georgia products dinner. Visits to Monroe, Covington, Rome and Cordele, were postponed on account of illness of Regents. Mrs. J. H. Nicholson, State Auditor, and I motored to Gainesville March 12th to be the guests of the Col. William Candler Chapter, Mrs. J. Ernest Palmer, Regent, on the occasion of their birthday party. Spoke to them on "D. A. R. Activities."

Your State Regent has been honored by Governor L. G. Hardman, of Georgia, who appointed her Chairman of the State Commission for George Washington bi-centennial. On this commission are ten prominent citizens who are arousing interest over the State in this great celebration, which occurs in 1932. I spoke over the radio in interest of this event on November 14th. Chapters throughout the State are requested to have programs and tree plantings in honor of George Washington. Fifteen hundred trees have been planted in Georgia in honor of George Washington. The picture depicting the life of George Washington is being filmed for National Society, to be shown at an early date. Mrs. W. H. Hightower, State Chairman Better Films, will report on this.

Daughters of the American Revolution, as your State Regent, I call you to service in promoting the observance of this great patriotic celebration, for it was General George Washington who led our forces to victory in the war of the American Revolution.

Portraits of Georgia's three signers of the Declaration of Independence, Lyman Hall, Button Gwinnett, and George Walton, have been requested by the Curator General N. S. D. A. R.—I feel sure Georgia will grant this request.

I have sent greetings and articles to the State Editor for publication in D. A. R. column of Constitution and other papers. The Georgia D. A. R. Editor, Mrs. Stewart Colley, is most efficient, keeping ever before the Daughters their splendid activities and interest. I wrote an article for the Bulletin, a sheet published by the National Society showing the special work in different states. Have urged sale of National Christmas calendars—only 250 were purchased in Georgia by 20 Chapters.

The two new committees which your State Regent created to meet the demands in our State; first for the publication of County History within the next two years; and second, to assist the State School Board in the eradication of illiteracy, have done splendid constructive work, and I want the State Chairman, Mrs. B. A. Tyler, Dalton, and Mrs. W. M. Shurling, Wrightsville, to have the pleasure of making their own reports. Radio broadcasting and fine publicity programs have been features this year under the direction of Mrs. Lucius McConnell.

With Mrs. John W. Daniel as our Chairman, Georgia has taken a firm stand for national defense and the counteracting of subversive influence in our country, which is so much needed at this crucial point in the life of our nation. Patriotic education is the keynote of service in the activities of the D. A. R., which with the various departments will continue to keep Georgia in the lead in this splendid work—Mrs. Mell Knox will report on this.

Mrs. Thos. Wood, State Chairman, has been most active with D. A. R. Magazine. Georgia gave \$25.00 to the National Society for special subscriptions to the D. A. R. Magazine. One new Chapter has been organized and confirmed by the National Society, the "Adam Brinson," Swainsboro, Mrs. Irving A. Brannon, Regent, Pulaski. Two hundred and fifteen new members have been ad-

mitted by the National Society during the year. This is a good increase considering conditions—making a total of 5,216.

Your State Regent offered an award of \$10 in gold to the Chapter securing the largest number of members on a percentage basis during the year. The State Chairman will report results.

The honor roll requirements this year have been kept within 80c per capita, thus enabling Chapters in the State to meet them, notwithstanding financial conditions. With the completion of the Valdosta Loan Fund this year, Georgia now has \$20,000.00 loan fund invested in Georgia boys and girls, in addition to her educational funds in local schools and colleges, which amounts to \$2,500.00 more and \$8,000.00 in gift scholarships. Georgia leads all other State in Loan Funds. One thousand dollars of D. A. R. student loan fund reserved in savings banks for loans to deserving applicants, has been released for this purpose and used by Mrs. Barnett Solomon, State Chairman, who will give a full report. We are making our final payment on the Georgia bell at Valley Forge, named Lachlan McIntosh Bell, will be dedicated on Sunday, April 26th, at the Cathedral at Valley Forge—Mrs. Eugene Coddington, State Chairman, will give full report.

The marking of the Nancy Hart Highway, Mrs. J. L. Massey, Chairman, will continue with three new markers this year. Mrs. Sanford Gardner has consented to finish the publication of Chapter histories, as she inaugurated this special work.

Georgia has paid \$100.00 to National Library to arrange and index Georgia records—has purchased a new filing case for the Georgia room in Administration building and is paying for library table in Constitution Hall in honor of the State Regent. Mrs. Thos. Mell, Chairman, has the final report. A book of Bible records will soon be ready for publication—Mrs. J. C. Gentry is a "wonder worker" in selling Lucy Cook Peel records.

It was with sincere regret the State Regent accepted the resignation of the State Recording Secretary, Mrs. Clarence Leavy, Brunswick, Ga., caused by serious illness resulting from an automobile accident several months ago. The love and sympathy of the entire membership of the Georgia D. A. R. goes out to our beloved retiring State Secretary. The State was most fortunate in the appointment, by the State Regent, of Mrs. W. E. Mann, Dalton, to fill the office of State Recording Secretary until State Conference, at which time the appointment will be verified by election.

The date of the 40th Continental Conference in Washington, is April 20th to 25th, inclusive. Let us go up in full strength to elect our splendid candidate, Mrs. H. Fay Gaffney, to the high office of Vice-President General, N. S. D. A. R.

I have written in long hand and mailed out hundreds of letters including the State Regent's fall and spring messages, and many letters in the interest of the candidacy of Mrs. Fay Gaffney for the office of Vice-President General from Georgia. It is my purpose to visit every Chapter in the State during my term of office. I have visited and been helpful to many Chapters discouraged in the work, inspiring the members to new efforts. This year I have accepted invitations and visited 35 Chapters out of the 97—traveling more than 2,600 miles over the State. Many invitations to State Conferences have been received and meetings of other organizations, but owing to engagements and duties of office could not accept all which I so much regret.

Let me pay deepest respect and gratitude to the press of Georgia—especially to the Atlanta Constitution, which carries our D. A. R. column every Sunday—for their assistance in our work,

cooperating at all times with the State Regent and State Editor. May your State Regent take this opportunity to thank you for the honors and delightful courtesies shown her throughout the State.

No new project could be put forward this year because there was much to finish,—notwithstanding we have met all National obligations, Immigrant's Manual, National Defense, Ellis Island—completed the Valdosta Loan Fund and final payment on Georgia Bell at Valley Forge; publishing County Histories; placing three markers on Nancy Hart Highway; Chapter Histories are about ready for publication; have marked 60 Historic Spots and located 27 Revolutionary Soldier graves, contributing to Kenmore Gardens.

Another year of opportunity is before us—let us do our best as loyal patriotic citizens. Much work has been accomplished, but there is more to be done and many fine workers to do it, so let us put aside thought of self and think only of service, working harmoniously and industriously for the betterment of our organization and greater achievements will be ours, with such splendid workers as comprise the Georgia Society Daughters of the American Revolution.

REPORT OF STATE FIRST VICE-REGENT

Mrs. Mell Knox

As your State First Vice-Regent, I attended the Executive Board meeting in Sandersville, and I have been the recipient of several social invitations which proved delightful affairs. I was unfortunate, however, in being forced by circumstances to decline others.

It was some weeks after the Conference in Newnan before I completed the duties of Recording Secretary. Members of the Press Committee worked very conscientiously in editing the reports and from the many favorable comments which came to me, I feel the Daughters of Georgia were pleased. The cost of the 1930 Proceedings was \$484.59.

To serve the Daughters of the American Revolution in any capacity is my abundant joy.

REPORT OF THE STATE RECORDING SECRETARY

Mrs. W. E. Mann

It was my pleasure to serve as your Recording Secretary Pro Tem, in the absence of the Secretary, Mrs. Leavy, at the Board meeting in Sandersville in October, 1930.

Mrs. Leavy resigned on account of illness and the State Regent, Mrs. Bun Wylie, appointed me in her place. The appointment was ratified by the State Convention in March, 1931. It was my privilege to write the Minutes of the State meeting in Macon.

Cost of Proceedings of the thirty-second Conference amounted to \$470.20.

I wish to express my thanks to all the Officers and Committees who helped in making this splendid report herein given.

REPORT OF STATE CORRESPONDING SECRETARY

Mrs. W. F. Dykes

I have always wanted to come to Macon to a D. A. R. Conference. I am so happy to be here. You have made me "your official scribbler," therefore, I think it behooves me to continue to play the role of Brer Rabbit by "layin' low and sayin' nuthin'"; but in all sincerity, when I speak the words of my pen, I am faithfully your Corresponding Secretary.

REPORT OF STATE TREASURER

Mrs. Julian McCurry

Athens, Ga., March 20, 1931.

Mrs. Richmond McCurry, State Treasurer,

Exhibit A—Condensed Statement of Receipts and Disbursements.

Exhibit B—Detailed Statements of Funds and Financial Affairs.

Exhibit C—Reconciliation of Bank Account.

Exhibit A gives a summary statement of the financial transactions of the period audited, in the first section showing in total the amount received from the former Treasurer and in the total amount of the period's receipts, these two amounts totaling \$15,098.86 to be accounted for. The second section shows in totals the disbursements of the period and the balance in bank at the close of the period, these two amounts totaling \$15,098.86, the amount accounted for.

Exhibit B is a statement in columnar form giving in detail the different funds handled by your office. In the first column you will find the details of the funds turned over to you by the former Treasurer. In the second column you will find the details of the receipts of the period. In column three are given the details of the period's disbursements, while in column four is an analysis of the funds on hand at the close of the period.

Exhibit C is the usual reconciliation of the bank account. According to this exhibit the amount of money in the bank March 14, 1931, subject to check was \$4,274.38, while the bank statement showed \$4,783.37. This difference of \$508.99 is the amount of outstanding checks.

I found your books well kept and all records in order and easily accessible.

Respectfully submitted,

REPORT OF STATE AUDITOR

Mrs. J. Harold Nicholson

Your State Auditor concurs in the report of Albert S. Rowland, Certified Public Accountant, Athens, Georgia, who thoroughly audited the books of the State Treasurer, finding them in perfect order.

REPORT OF STATE LIBRARIAN

Mrs. John S. Adams

Upon the beginning of my work as Librarian, I was instructed by our Librarian General, Mrs. Magna, that the Special Indexing in the Library was of the utmost importance and should receive my first attention, believing that when the different Chapters thoroughly understood that it was necessary that all of the States undertake this work, because it would be too bad to have all of this intricate careful indexing done for some and not for all, they would generously include the Library in their budget. Mrs. Magna also requested that I interest the Chapters in appointing a Chapter Li-

brarian and urged me as an interested State Officer to get a report from each Librarian as to Library conditions in her locality, that there must be outlying places in many of the Counties where D. A. R. Library assistance would be invaluable to the community, either by giving or lending books. Then too, the Library work of the Daughters of the American Revolution has a splendid opportunity for service among the Endorsed Schools of the Society.

I am happy in the thought that many Chapters responded to my appeal and reported that they had sent to our Treasurer a donation for Special Indexing and had appointed a Chapter Librarian. Many Chapters report a fine collection of books for their own Library and I am due them sincere thanks for their assistance in helping locate certain books.

To the following Chapters we are grateful for their gifts to Constitution Hall Library:

History of Wilkinson County, John Ball Chapter.

"Our Todays and Yesterdays," a story of Brunswick and the Coastal Islands, by Margaret Davis Cate, Brunswick Chapter.

History of Methodism, by G. C. Smith, John Clark Chapter.

History of Upson County, John Houston Chapter.

History of Pike County, Lamar LaFayette Chapter.

"History of the Sullivan Family," pamphlet, Baron DeKalb Chapter.

The South Georgia Historical and Geneological Quarterly, Folks Huxford, Editor, Homerville, Ga., Mrs. G. W. Jordan.

The John Laurens Chapter sent a book shower to Tamasee, 63 volumes, valued at \$35.00. Through the efforts of a member of this Chapter a handsome oil portrait of General Pickens was presented to the school. The main dormitory of the school is built around the old fort used by General Pickens.

The report of the Chapter Librarian of Lachlan McIntosh Chapter, Mrs. S. B. LaFar, Savannah, is the most complete piece of work that has ever been my pleasure to handle. It is a folio containing 16 pages—list of their valuable books and records that are invaluable to genealogist in their research work. Their book plate bears the Coat of Arms of the McIntosh family. The record of one thousand (1,000) Georgia deaths starting 1763, indexed and filed, which denotes a vast amount of painstaking labor. I am so proud to send this folio for our Georgia shelves.

Three (3) Bible Records sent by the Regent of Hawkinsville Chapter, Mrs. G. Walker Jordan.

Records from Family Bible of Mary C. Jones, earliest date 1839.

Family records of Thomas J. Hardaway, Grandson of Thomas Hardaway, who was killed in War of Revolution in 1781.

Family records of James B. Yeates.

Year Books from the following Chapters: John Laurens, Savannah, Lamar-LaFayette, Hannah Clarke, Major-General Samuel Elbert, Hawkinsville.

REPORT OF STATE HISTORIAN

Mrs. J. L. Beeson

The reading of seven reports, which combined, make the Historian's report of the Georgia D. A. R., is a fascinating voyage of historical discovery, centering in Georgia, but extending back into every other one of the twelve older States which composed the Union at the time of the Revolutionary War and into many foreign countries besides.

If you will follow the reports of Mrs. Eli A. Thomas, Mrs. John Lee Davidson, Mrs. Robert A. Travis, Miss Virginia Harden, Mrs. J. H. Pledger, Mrs. B. A. Tyler, and then my own, you will be convinced that—

"To business that we love we rise betimes and go to it with delight."

—Antony and Cleopatra.

The first decision of your State Historian was to grant to Mrs. Sanford Gardner, her distinguished predecessor, the privileges or the right to complete the publication of the Chapter Histories in which work she took pains and pleasure, and whenever a belated Chapter History has been received by the present incumbent in office, it, on the next mail, has gone to her in Augusta.

Having the historical work assigned to able Chairmen, your Historian chose, as her own task, the marking of one Historic Spot, the securing from the State D. A. R. aid towards marking a second Historic Spot, the seeking for historical records and the intense searching for the unmarked graves of Revolutionary soldiers which are in her section of the country.

For historical material, she cast longing eyes on the records in the Court House of Hancock County, but found such interesting ones in her own Baldwin County Court House, that she got no further. Nor need she go further, for the present; for there in two old Land Lottery books, the one with no date, the other dated 1819, she found listed in the column for Revolutionary Soldiers' names, the names of 14 men, which are not on the Georgia roster. To have discovered one name of a Revolutionary soldier, would have been deemed a privilege, but the finding of 14 names seemed almost unbelievable after one hundred and fifty-six years.

In definitely locating 22 graves of Revolutionary soldiers and three graves of soldiers of 1812, some pride is felt until it is remembered how many of these graves there are with us which are still undiscovered. Truly of those old Revolutionary heroes who helped to secure for us our glorious heritage, we may say with our Georgia poet,—

"We are the old, the unremembered dead—

Forgot we lie

In country graveyards high in lonely hills;

We are unwept save by such tears as sheds

The pitying sky."

—Roselle Mercier Montgomery.

We D. A. R., who live in the older counties of Georgia, should busy ourselves in this search.

While the Revolutionary army of Georgia was small compared to that of many other States, it was our State, Georgia, which offered land in quantity as an inducement to Revolutionary soldiers of all States to come as settlers. They came in great numbers and their graves are ours.

The discovery of one Revolutionary soldier's grave, even, turns your Historian and her Chapter Regent into genealogical searchers for days.

No book of your Historian is more fascinating than her voluminous Scrap Book for Revolutionary Soldiers, with their land grants, their wills, their genealogies, their obituaries, their legends, and the description of their graves. They make even at this day as romantic reading as any fairy story book. In the same Baldwin County Court House besides the Land Lottery books, are the old County Tax Digests for the years beginning 1807 (two volumes of them, 1812, and 1817, being lost), Books of Appraisements, Administrators' and Guardians' Bonds, Minutes of the Superior Court beginning in 1806, and the names of deceased persons and the executors or administrators of the estates beginning in 1806 and extending to 1855.

Milledgeville was the capitol of Georgia and the people from all states came here to register for the Land Lotteries, and these old Land Lottery books and the old tax digests and the old Deed Books are the amber in which their names have been preserved through the years.

Your Historian believes that the publication of these old County Records should receive the generous financial support of all D. A. R. Chapters, so that the Lucy Cook Peel Committee can function more advantageously for the good of the D. A. R., and for the good of the State.

Through the efforts of your State Historian, a historic marker has been erected on the site of old Oglethorpe University at an expense of two hundred dollars.

The marker will be unveiled in a very few days now, the date being March 31, 1931—that date being the 94th anniversary of the laying of the original corner stone. Georgia's greatest poet, Sidney Lanier, was an alumnus of old Oglethorpe and 72 Presbyterian ministers and 317 graduates went out from its halls to bless the world. It was at old Oglethorpe University that President Woodrow Wilson, then known as little Tommy Wilson, visited his uncle, Professor James Wilson.

Dr. George L. Petrie, who for 50 years, served as pastor of the First Presbyterian Church of Charlottesville, Va., and is now Pastor Emeritus of that church, is the oldest living alumnus. Your Historian had the great pleasure of visiting him this Spring.

In October 16th to 19th of this year, as you know, there will be a great National celebration at Yorktown, Va., where Lord Cornwallis surrendered; and in this celebration the Governors of the thirteen original States will take part. It may interest this body to know of an interesting Cornwallis souvenir, a mirror 2x4 feet, perhaps, which is possessed by Mr. G. C. McKinley, of Milledgeville, Ga. The following is his affidavit:

Francis Cummins rank in the command of "Marions' Men" not clear. Most of the facts of his early life (as a soldier) are lost, but I recall that the card attached to this mirror contained the statement that "this mirror was captured among other personal effects and personal property of General Lord Cornwallis in a pursuit by Continental troops after the battle of Cow Pens and was later sold in auction and bought in by the officers of Gen. Francis Marions Command; and this mirror was bought by my great grandfather, Francis Cummins, for the sum of \$150.00, Continetal Money."

The original inscription on the back of the glass was in handwriting of Francis Cummins and gave a much fuller history of it than I have quoted, but was, for the most part, illegible. The card that I quote from, was

written by my father, Wm. McKinley, grandson of Dr. Cummins, who knew intimately, the history of it as was given to him by his uncle, Major Cummins, an old bachelor. The card written by my father, was an effort to perpetuate the true story, which has become, even in my early life indecipherable and was positively known only by him, his brother and sisters, I suppose it was known to my older brother and sisters, but they were much older than I and the exigencies of life had scattered them. Until too late, I was not much interested in it.

My father's uncompromising demand and love for truth in all things and his statement that the history of this glass was essentially as I have written it, has always stamped it in my mind as undoubtedly a relic of interest.

This glass was on exhibition at the Philadelphia Centennial, and later at the insistent request of an aunt of mine, was shown at the Jamestown Exposition.

Yours truly,

G. C. MCKINLEY.

The grave of Francis Cummins, distinguished Presbyterian minister, is at Greensboro, Ga., and a beautiful inscription is on the tombstone, but there is nothing said of his being a Revolutionary soldier.

There has come into the hands of your Historian one Revolutionary relic, the hymn book owned by Henry Pool, father of Georgia's two Pool Daughters, Miss Sarah Pool and Mrs. Mary Pool Newsome. This relic is presented with real pleasure to Georgia's State Regent, Mrs. Bun Wylie, so that she may be its donor for a place in Continental Memorial Hall.

Your Historian had the honor to be invited by Mrs. Flora Myers Gillentine, Historian General, N. S. D. A. R., to serve on the Historical Committee, N. S. D. A. R.

Beautiful year books have been received from the following Chapters: Gov. George Walton, Oglethorpe, Savannah, Valdosta, John Ball and Nancy Hart.

Some D. A. R. Chapters have done magnificently in their historical work, but your Historian, is unwilling to take away one jot of it or one tittle from the report of any State Chairman or a Chapter Regent.

While we rejoice in the great accomplishment, the fields of the harvest are still white and the laborers are few.

And at the end, each one of us who has labored will say that there is—

“Not one regret, that I had done too much
Where there was much to do,
But this I know when the long hours pass
In swift review,
I shall look back and wish that I had done
Oh, much more,
When I turn in at evening at my door.”

Grace Noll Crowell.

An Itemized Report Follows

An itemized report follows:

In a small Land Lottery book, with no date whatever, in the column for Revolutionary soldiers, are the following seven names which do not appear on the Georgia Roster of Men in the Revolu-

tionary War: Doster Jordon, Peter DuBose, Drury Harris, Overoff Jordon, Philip Logan, Jeremiah Molpus, Lovick Pierce, Senr.

In a Land Lottery Book labeled, "Watson's Battalion District registered by Robert Wynn March the 15th, 1819," there are in the long list 75 or 80 names of Revolutionary soldiers. But in the column designated "Revolutionary Soldiers," are eight more names, only one of which is on the Georgia Roster. The seven not appearing are: Hugh Davice, John Giggs, Thos. Humphries Jr., James Lester, Senr., Luke Moore, John Simms, Senr., Samuel Tinsley.

The letter from Miss Ruth Blair, State Historian of Georgia, in answer to a question about these 14 names, is a part of this report:

Dear Mrs. Beeson:

Yours of the 2d instant to Dr. L. L. Knight and this day referred to this Department. The book of which you write is the record of the land lottery of that year. Pages 420 and 421 of Lamar's Laws of Georgia 1810-1819, gives the act providing for the lottery, which became law Dec. 15, 1818. (And of course the book of laws for 1818 will also contain this act.) The reference to Revolutionary Soldiers reads as follows: "that all officers and soldiers of the Revolutionary War, who are indigent or invalid, and who were engaged and fought as such, on behalf of the United States, in said Revolutionary War, shall be, and they are hereby authorized to have two draws in addition to those heretofore authorized by law; and should any officer in either of the land lotteries heretofore drawn in this State, he shall be, and is hereby entitled to one draw in this lottery, and shall be excepted from the general provisions of the oath prescribed by this act. . . ."

The law in full can be found in the office of your Ordinary and also in the offices of the various lawyers of Milledgeville.

Sincerely yours,
RUTH BLAIR, State Historian.

Gift to Historian, from Mrs. Sarah Fort Milton, of Chattanooga, Tenn., a roster of 54 names of men of the War of 1812, who as a Georgia Company of Volunteers served under Col. Tomlinson Fort. The list is given as a part of this report (A).

The letter to Hon. Patrick J. Hurley, Secretary of War, in regard to these 14 names, was attested by the Ordinary of the Court, and is a part of this report. (B).

Verification slips have been received from the Government for markers for the graves of the following Revolutionary soldiers: Lieut. James Butts, John Watson, John Robinson, Peter Fair, Michael Harvey, James Thomas, Tully Choice, Joshua Cook, Capt. Andrew DuBorg, Richard Parham, John Kelly, and for John Sherrod Thomas, soldier of the War of 1812.

The grave of Revolutionary soldier William Babb, was found last year, but this year it was discovered that he was also a soldier of 1812. Both dates have been requested to be placed on his marker.

Other Revolutionary soldiers' graves located are those of: Peyton Smith, James DeLaunay, William Harper, Jesse Warren, James Wadsworth, William Moran, Thomas Humphries Jr., James Lester Senr., Otey Prosser, Dempsey Justice; and the graves of William Robertson and Richard Whitaker, soldiers of the War of 1812.

"Verbatim et litteratim" copies of the following old Land Lottery books are made for this report:

1) Land Lottery Book, no date, labelled Taliaferro's and Milledgeville District, (C).

2) Land Lottery Book, date 1819, "Watson's Battalion District registered by Robert Wynn, March 15, 1819. (D).

3) Land Lottery Book, date 1821, "Major Richard W. Ellis' Battalion." (E).

4) Land Lottery Book, date 1821, authorized by extra session of the Legislature. (F).

Nine graves of Daughters of the American Revolution have been found, without searching, even. (G).

Roster of Capt. Tomlinson Fort's Company of Georgia Volunteers who served in the War of 1812. (A).

(A) Georgia Volunteers who served in the War of 1812, under Col. Tomlinson Fort.

Colonel John P. Fort is in possession of a quaint old roster which tells of the stormy days of 1812, when the United States fought Great Britain on the high seas, and the Spaniards and Indians on her southern land border. This is the roster of a Company of Georgia Volunteers which served under Captain Tomlinson Fort, the father of Colonel John P. Fort, and the names therein will be recognized as among the best in Georgia.

The document is indorsed as follows:

"A schedule of army and equipage furnished Captain Tomlinson Fort, copy, 24th August, 1812, at Block House, Davis Creek, east Florida."

This certificate is also found on the reverse side of the document:

"State of New York. Copy. Sackett's Harbor, 11th February, 1814.—I certify that Captain Tomlinson Fort, of the Georgia Volunteers, was severely wounded through the knee, the 11th of September, 1812, while gallantly performing his duties in the service of the United States.

"T. A. SMITH,

February 23, 1931.

The Honorable Patrick J. Hurley,
Secretary of War,
Washington, D. C.

My dear Mr. Secretary:

In two old Land Lottery books in the Baldwin County Court House, Milledgeville, Georgia, I find the names of fourteen men in the list of Revolutionary soldiers whose names are not listed in the Georgia Roster.

I have sent these names to the State Historian, Miss Ruth Blair, Atlanta, Georgia, and she has placed them in the supplemental list of Revolutionary soldiers, which will some day be published.

But I, as State Historian, have located two graves of these fourteen Revolutionary soldiers, whose names are in these two lists, and I now write to you for direction. Shall I ask the Quartermaster General for markers for these graves? The State Historian says it may be best that I, who have access to these records, take up the matter with you.

In each of the two books there are eight columns, with directions: 1st column, applicants generally; 2nd column, widows; 3rd column, widows of persons who died in the Public Service during the late wars; 4th column, orphans of persons who died in the late wars with Britain and Ireland; 5th columns, orphans; 6th column, Revolutionary officers and soldiers; 7th column, persons who served during the late Seminole wars; 8th column, total.

The Georgia Land Lottery Law for these drawings is found on pages 420-421, Compilation of Laws of Georgia by Lucius Q. C. Lamar, Esq.

Book No. 1 bears no date and is labelled Taliaferro and Milledgeville District. In this book ten names are placed in the column for Revolutionary soldiers, but only three of the names are on Knight's Georgia Roster.

The seven names not appearing are: Doster Jordan, Peter DuBose, Drury Harris, Overoff Jordan, Philip Logan, Jeremiah Malpus, Lovick Pierce Sr.

The three names which are in this Revolutionary column and which are also listed in Knight's Georgia Roster are: John R. Robinson, William Clark, William Green.

Book No. 2 is Watson's Battalion District, Registered by Robert Winn, March 15, 1819.

In the long list of names there are at least seventy-five names of Revolutionary soldiers, but in the column for Revolutionary soldiers are placed eight names, only one of which is in the Georgia Roster—that name being Mansah Hubbard. The seven other names in the Revolutionary column, not published in the Georgia Roster, are: Hugh Davice, John Griggs, Thomas Humphries Jr., James Lester Sr., Luke Moore, John Simms Sr., and Samuel Tinsley.

Will you kindly advise me what to do?

I attest that the names given above are in the two Record Books in the Office of the Court of Ordinary of Baldwin County, Georgia, at Milledgeville, Georgia.

Very truly yours,
(Mrs. J. L.) LEOLA SELMAN BEESON.

Old Oglethorpe University 1837

Cornerstone of University

Possibly no more historical incident has occurred in this locality than the unearthing last week of the cornerstone of Oglethorpe University, which in its day, was one of the most celebrated and largely patronized institutions of learning in the South, numbering among its students Sidney Lanier, and others, who won their way to honor and to fame in this, the Empire State of the South.

The discovery of the historic relic, of the days that were, came about as the merest accident, but brought to light an object hidden from the eyes of men for almost a century, since with impressive ceremonies it was placed in position on March 31, 1837, the college building being completed in July, 1840.

The cornerstone was of granite and the tin box into which were placed the articles given for that purpose was sealed into the stone with cement and bolt.

Stories of many valuable articles hidden in the recess of this cornerstone have been often told to the people of this city by those who lived in the balmy days of this famous old institution of learning. However, the following articles were found:

A silver quarter; a silver half-dime. The following newspapers, all published at Milledgeville: "The Standard of Union," dated March 21, 1837, edited by P. L. Robinson; "Southern Recorder," dated March 28, 1837, edited by Greeve & Orme; "Georgia Journal," dated March 28, 1837, edited by Wm. S. Rockwell; "The Federal Union," dated March, 1837, edited by John A. Cuthbert; a piece of paper upon which something written had entirely disappeared; a drawing of General Oglethorpe by one Clouney.

The cornerstone which, according to the custom then prevailing, was placed as the foundation of the building under the north-east corner and was, after being placed covered with dirt.

Dr. Thornwell Jacobs, in an address in which he gave the history of Oglethorpe University, says:

"Oglethorpe flourished until the War Between the States. When the war broke out every student at the University, and the professors as well, cast their lots with the Confederacy. The school invested its funds in Confederate bonds. Oglethorpe bled to death on the fields of Vicksburg and Appomatox."

Almost on the site of this famous old institution there is now nearing completion a magnificent and modern three story building, the latest addition to Allen's Invalid Home, and in some excavation incident to its erection this cornerstone was found.

Dr. and Mrs. H. D. Allen have placed the stone in the wall of their building and there it will stay as a memorial to old Oglethorpe. The articles found in the cornerstone are highly prized by Dr. and Mrs. Allen and will be preserved by them.

REPORT OF STATE CONSULTING REGISTRAR

Mrs. Jerry Alvah Davis

As your State Consulting Registrar it has been my pleasure to serve you to the very best of my ability, and I wish to thank you each one for your splendid cooperation.

If any one thinks that the world has lost interest in Ancestors, that one, should serve the Daughters of American Revolution organization one year as Consulting Registrar!

I have written during the past year one hundred and forty-six letters, and I have given the information which was sought whenever it was possible for me to do so. I've searched the Lineage books and Historical Collections, until I feel that I'm thoroughly familiar with the Revolutionary heroes families, even down to the third and fourth generation.

Please allow me to express my appreciation for the many lovely invitations and courtesies extended to me; and to say in conclusion that the work with the Official family has been most pleasant. It was my happy privilege to attend the unveiling of the D. A. R. marker of the David Blackshear Trail at Hawkinsville, Georgia, in February, and also to attend the lovely luncheon given at the home of Mrs. J. J. Harvard at that time.. Many of our D. A. R. Officers and members were present for this delightful occasion.

Statistical Report

Sixty-four volumes of the Lineage books; two Index Volumes; one copy of Georgia Historical Collections; one copy of the Reprint of the Land Lottery of 1827; one copy of Notable Southern families by Zella Armstrong, vol. III.; seven numbers of the Camp Family Bulletin, 1 to 7, inclusive; one volume of Rosters of Georgia Chapters; some unassorted papers of family records; a quantity of blanks for filing with the Chapter Registrars the lineage of descendants of Chapter members and others; one roster of the James Monroe Chapter D. A. R., of Forsyth, Ga.; one roster of George Walton Chapter D. A. R., of Columbus, Ga.; one roster of Governor Jared Irwin Chapter D. A. R., of Sandersville, Ga.; one roster of LaGrange Chapter D. A. R., of LaGrange, Ga.; one roster of Lamar-LaFayette Chapter D. A. R., of Barnesville, Ga.; one year book of the Savannah Chapter D. A. R., of Savannah, Ga.; one year book of the Major General Samuel Elbert Chapter D. A. R., of Tennille, Ga.

REPORT OF STATE EDITOR

Mrs. Stewart Colley

Being State Editor is a most regular job. My reports have not been published many, very many times as I have sent them in. It is most discouraging at times to open the Sunday paper and discover that though your name is at the top of the page that much of your work is missing. This, I am told is because of newspaper ethics. I have not written for a paper since I was a Wesleyan girl and wrote your Wesleyan letter for the Telegraph, so most naturally there is much for me to learn.

Publicity is a necessary essential to the success of any great organization. Therefore, our organization must have it. Please observe the following rules when you send in your report. First, get it into your head that the Constitution does not like adjectives and that they will not publish a name without initials before it. Then our space is very limited and only the important things can be pub-

lished. These are laws from headquarters and so far I have not been able to change them. The copy which you send me must be typewritten and must not be a clipping from another newspaper. If you will help me and work with me, maybe some of these days we will get to be as important as the State Federation and Parent-Teacher Association, and then, and only then, can we have more space. Please let me say that Mrs. Stafford has been most courteous and most pleasant to work with. We don't always agree but maybe that is because I'm wrong. She is a most capable, most efficient person and knows thoroughly the newspaper work. Miss Runa Erwin, who recently married, was an ideal person to work with and was genuinely interested in D. A. R. work.

REPORT OF ASSISTANT EDITOR

Mrs. T. J. Jones

The duties of the Assistant Editor have not been heavy, due to ill health and many outside obligations, she was excused.

Mrs. Colley, the State Editor, has most graciously carried on the work, she has been capable and faithful. I wish to express my appreciation of her as a co-worker and friend. I will avail myself of this opportunity to thank you for having conferred this honor upon me and hope to prove more worthy of it during the coming year.

REPORT OF STATE CHAPLAIN

Mrs. T. E. Blackshear

Late in August, 1930, your Chaplain wrote to each Chapter Regent in the State urging that a Chapter Chaplain be appointed. In many instances, especially for the benefit of the newer Chapters, I suggested a ritual that might be used for the opening of meetings. Some Regents wrote me asking for further suggestions and those letters I answered promptly.

Forty Chapters reported Chapter members serving as Chaplains, four reported local ministers serving in that capacity, and three Chapters reported no Chaplain, but use of a ritual, led by the Regent.

I was much interested to learn that Oglethorpe Chapter has had a Chaplain since 1892. Hawkinsville Chapter reported that they had had one since 1921.

I feel quite sure that all our Chapters use some form of devotional for the opening of their meetings, and regret that more of them did not report to me. It would be inspiring, I believe, if each Chapter had its own Chaplain and possibly a ritual might be endorsed at this Conference, which would act as an incentive to this end.

REPORT OF THE STATE REGENT AT CONGRESS

Mrs. Bun Wylie

It is my happy privilege to bring you greetings from dear old Georgia, the Empire State of the Southland, the home of more than 5,000 loyal, active D. A. R., who pledge anew their devotion and loyalty to our beloved Society.

While the past year has been one of great stress, "trying mens' souls," still the D. A. R., with the spirit of their forefathers, have been brave and attempted to carry on the great work of our organization,—therefore, it is with a feeling of pride I submit my annual report as State Regent of Georgia.

We have ninety-seven Chapters with a membership of over 5,000—one new Chapter has been organized during the year, two organizing Regents appointed. All national obligations have been met, Immigrant's Manual, National Defense, Ellis Island—boxes and packages valued at \$350.00 have been sent to Ellis Island and Angel Island—\$100.00 to Constitution Hall Library for indexing Georgia records; \$135.00 for filing cabinet in Georgia room; \$250.00 for Library Table in honor of the State Regent, Mrs. Bun Wylie. A resolution passed at the State Conference in Macon, that we continue to pay for indexing Georgia records until work is completed.

We stand for the adequate support of National Defense and the counteracting of subversive influence in our country, which is so much needed at this crucial point in the history of our nation. I wired Senators and Congressmen for support of bills recommended by our President General. Georgia's D. A. R. Student Loan Funds are our pride—with the completion of the Valdosta Loan this year, gives us \$20,000 invested in Georgia boys and girls; together with our gift scholarships and educational loan funds for local schools and colleges, amounts to \$16,500.00 more—total \$36,500.00. This year we completed payments on the Georgia Bell at Valley Forge, \$2,000.00, and will dedicate it on April 26th, naming it for General Lachlan McIntosh, a Georgian who commanded forces at Valley Forge.

Five new markers on the Nancy Hart Highway will complete the marking of this Highway, the only one named for a woman.

The State Chairman of Conservation and Thrift, Mrs. T. O. Tabor, Jr., has arranged for a D. A. R. Forest Park on the old home site of Nancy Hart in Georgia, where she captured the Tories. The plot of ground was owned by the Nancy Hart Chapter, Milledgeville, and the Stephen Heard Chapter, Elberton—they have deeded it to the State D. A. R. for this park—it will be beautified and kept up by the State. Chapter histories will be completed this year. The Georgia Daughters have published a volume of valuable Bible records. Much genealogical research has been reported. Radio broadcasting and fine publicity programs have been featured extensively.

Governor Hardman honored the State Regent by appointing her Chairman of the Georgia Commission for the George Washington Bi-centennial—have spoken over the radio in the interest of this patriotic celebration, also doing much active work throughout the State. Fifteen thousand trees have been planted throughout the State in honor of George Washington. Programs and pageants will celebrate in 1932.

Historic programs have been featured together with historic windows—10 papers have been sent to historical and literary reciprocity committee. Sixty historic spots have been marked—the most outstanding are Yamacraw Bluff, Savannah, the birthplace of Georgia, where General James Edward Oglethorpe landed—and the marking of Kettle Creek Revolutionary Battle ground with a handsome monument given by the Government. The Government has also appropriated \$1600.00 for a monument to Nancy Hart, which will be unveiled in June at which time President Hoover will be Georgia's guest. This splendid project is sponsored by the John Benson Chapter, Hartwell, Mrs. H. C. Norris, Regent. Fifty-seven Revolutionary Soldiers graves have been located and graves of Daughters of Revolutionary soldiers. We have endeavored to keep patriotic ideals before the public by means of the screen. The State Chairman, Mrs. W. H. Hightower, is arranging for the presentation of the George Washington picture as soon as completed.

Two new Committees have been created to meet the demands in our State. First, in response to a bill passed by the State Legislature, for the publication of county histories; second, to help the State School Board in the eradication of illiteracy. In almost every instance, the county histories are being compiled by the D. A. R.—26 have been completed, giving the D. A. R. credit on the title page. There is a heart-cry in Georgia for help in the eradication of illiteracy, both in the mountains and the lowlands. We must respond to the call. Georgia is among four states leading in war on illiteracy—40,844 illiterates were taught to read and write. The Committee of which Secretary Wilbur is Chairman, has agreed upon a Teachers Manual of which thousands will be distributed throughout Georgia. The D. A. R. of Georgia have had a drive on for the Magazine, gaining 298 members—responded to the National call for \$25.00 for special subscription. Hundreds of flag codes, flags, prizes and medals have been given in the schools.

Twenty-seven Thousand Four Hundred and Forty-eight (\$27,448.00) Dollars have been expended in patriotic education. Patriotic songs have been stressed. It is with interest we read that on March 4th Congress passed a bill and it was signed by the President, making the "Star-Spangled Banner" our National Anthem, officially. So, let us as loyal Daughters continue our efforts in stressing patriotic songs until a great wave of loyalty and patriotism to our country shall spread "over the land of the free and the home of the brave."

There are 10 "C. A. R." Societies in the State, under the able leadership of the new State Director, Mrs. H. Y. Yarbrough, Milledgeville.

Georgia has two real Daughters, Miss Sarah Poole and Mrs. Mary Poole Newsom, Gibson, 85 and 87 years of age. Clubs have been organized in the public schools, of Sons and Daughters of the Republic. Many valuable books have been sent to Constitution Hall Library by Mrs. John Adams, Librarian. Mrs. J. L. Beeson, Historian, has rendered the State valuable service in this capacity.

Georgia will present to the Curator General, portraits of Lyman Hall and Button Gwinnett, two Georgia signers of the Declaration of Independence—the portrait of George Walton, the third signer, has already been presented. Instructive addresses on the correct use of the Flag have been given by Mrs. John M. Slaton, State Chairman. Have cooperated with S. A. R. in use of medals, preparation of application papers, addresses and essay contests.

The Atlanta Constitution, one of Georgia's largest daily papers, contributes the D. A. R. column every Sunday morning—thus giving us fine publicity over the State. The Southern Divisional Conference, which met in Gulfport, Mississippi, was well attended by Georgia D. A. R., giving us a "stopover" visit from our beloved President General, Mrs. Lowell Fletcher Hobart, which was the source of much pleasure to Georgia Daughters. Mrs. Howard McCall entertained Mrs. Hobart, Mrs. Magna and Mrs. Herrick at breakfast the morning they were our guests in Atlanta.

The State Essay Contest on "An Unmarked Historic Spot" by high school students conducted by the D. A. R. Chapters has been completed. The prize was won by Miss Myra Whitehurst, of the Dublin High School. Miss Whitehurst's Essay has been sent to the National Chairman, to enter the National Contest. The John Laurens Chapter has sent valuable books to Tamasee—a portrait of Andrew Pickens. The Stephen Heard Chapter gave two blue granite cornerstones for the Ohio-Hobart dormitory, valued at

\$125.00, which together with \$50.00 to the State Building totalled \$500.00 to Tamasee. Contributions to other mountain schools about the same amount.

I have written hundreds of letters in long hand—travelled 3,600 miles in the State, visiting Chapters and other calls—have visited 45 of the 97 Chapters. It is my purpose to visit every Chapter in the State during my period of office. Two hundred and fifteen new members have been admitted by the National Society. The State Conference was entertained by the Mary Hammond Washington Chapter, Mrs. T. E. Ryals, Regent, assisted by The Nathaniel Macon Chapter, Mrs. L. C. Rader, Regent, in Macon, March 24-25-26. At the opening session the State Regent addressed the Conference on "Patriotism," including National Defense. Many interesting reports were given by Chairmen and Chapter Regents at the ensuing business sessions. Among the resolutions passed, one, to give substantial amount to Navy and Marine Memorial; to dedicate all year books to George Washington Bi-Centennial; and invite the 1932 Divisional Conference to meet in Georgia at Savannah.

The splendid workers who comprise the Georgia Society D. A. R. have worked harmoniously and industriously for the betterment of our organization—unity of thought, unity of purpose, unity of action—together we have accomplished many splendid achievements.

WOODROW WILSON DAY

Mrs. C. D. Shelnutt, Chairman

Again your Chairman wishes to express her deep appreciation for the hearty cooperation received from the State in presenting the life and character of Woodrow Wilson. This has been done this year largely through lectures by men of scholarly attainment. Men who have studied his service to mankind and who have thrilled with pride to have lived under the spell of his masterly mind and leadership.

Woodrow Wilson rose to the height of his power during the World War and in his subsequent writings and public speeches, which revealed the greatness of his intellect, the nobility of his mind and his character, his exalted patriotic vision and his broad human sympathy. An English statesman said of him, "He was like the voice of God speaking over our heads to the continent and the people of Europe."

May we continue to pay homage to the memory of this distinguished son of Georgia and of America, for his honesty and justice, and for his unselfishness in politics and government and in his contribution of service to humanity.

WELFARE OF WOMEN AND CHILDREN

Mrs. J. E. Davidson, Chairman

I am greatly pleased at the number of Chapters who have responded to my efforts to get a record of work done in this department. Many who made no report have done much work I am sure, as the need has been very great and so many different kinds of calls have been made upon everybody everywhere. Many have worked in connection with the local Community Chest, Welfare Association, or Red Cross, this being true of both Chapters at Fort Valley. Others have independently accomplished much.

At Dublin, the John Laurens Chapter sent books, valued at \$50.00 to the school at Tomassee; at Pelham much real practical work has been done through personal service, and an expenditure of about \$200.00.

The Augusta Chapter put time, work and money in the Gracewood Home for Defective Children. Dorothy Walton Chapter at Dawson, contributed to the Empty Stocking Fund, as did many others, and the John Ball Chapter provided lectures on timely and

useful subjects. Barnard Trail Chapter at Sylvester, works all year round, and has contributed \$100.00.

In Americus, the Council of Safety Chapter worked through the Rescue Workers Home beside contributing money, food and clothing to the underprivileged.

Lamar-LaFayette Chapter at Barnesville did unique service in sending a box to the Orphan's Home, and flowers on Mother's Day to the men in Federal prison, and flowers to the Children's Hospital. Other Chapters report large amounts sold in T. B. seals, and many have provided lunches and milk to underfed children. Elijah Clarke Chapter, Athens, furnished and served lunches for 500 children one week, beside giving money, flowers, fruits, etc., to the hospitals.

In Dalton the Governor John Milledge Chapter has a most splendid record of money spent, seals sold, and magazines distributed. They also report 100 per cent membership in local Red Cross.

In Savannah, Bonaventure Chapter spent much time teaching the women and girls of the foreign born.

No monetary valuation can be put upon the work done by the various Chapters as the members have given liberally of time, effort, and material blessings.

It has been a pleasure to serve you, and I only regret my inability to do more.

Chapters sending in reports were:

Commodore Richard Dale, Pulaski, Geo. Walton, Mary Hammond Washington, Hawthorn Trail, Benjamin Hawkins, Sarah Dickinson, Augusta, Dorothy Walton, John Ball, Sergeant Newton, Oconee, Altamaha, LaGrange, Barnard Trail, Oglethorpe, Hawkinsville, Council of Safety, Lamar-LaFayette, Fort Early, James Pittman, James Monroe, Elijah Clarke, Henry Walton, Col. Wm. Candler, Gov. John Milledge, Gov. Treutlen, Maj. Gen. Samuel Elbert, Bonaventure, Savannah, Nathaniel Abney, Col. Wm. Few, Stephen Hopkins.

WAKEFIELD

Mrs. H. L. Rust, President of the Wakefield National Memorial Association announces the completion of the restoration of Wakefield and the opening which will occur during the George Washington Bi-Centennial in 1932.

VALDOSTA LOAN FUND

Mrs. Di Ingram, Chairman

Beginning in 1923 an effort, in response to the call of Georgia's young women for an education, resulted in securing a Loan Fund of \$1,500.00 from the State Society—This amount was raised in one year and established at G. S. W. C. at Valdosta in May, 1924—so splendid was the work done another appeal in 1926 to the State Society was made to increase this fund to \$5,000.00.

Since that time the Chapters have cooperated most loyally; through their support, and a few personal gifts, the goal has been reached this year. Since 1924 this fund has helped 54 young women through college; and they send a message of gratitude to you in every letter I have from them. You are repaid in the joy you have from helping where needed—the blessings shall go on forever.

Only 39 Chapters reported their per capita to me this year, though I am sure many others sent their quota to the State Treasurer.

The financial report is as follows:

THOMAS JEFFERSON MEMORIAL

Mrs. Edward A Caldwell, Chairman

Your Chairman of the "Thomas Jefferson Memorial," wishes to report splendid cooperation in her work for the past year on the part of the Chapter Regents and members. I have urged the observance of April 12, the birthday of Thomas Jefferson through fitting exercises and programs, and have received such pleasing reports from many Chapters. It has been an inspiration to receive these splendid reports and year books, and my aim is still 100 per cent for Thomas Jefferson day celebration in Georgia.

I am so pleased to report that "Monticello," the historic home of Thomas Jefferson, is now a patriotic shrine, dedicated to the principles and ideals which he advocated. The only incumbrance on the estate now is the \$100,000 mortgage taken over by the Foundation when the legal titles were passed to this organization, and this will be taken care of when due. The purchase was made in 1923, by the Thomas Jefferson Memorial Foundation, and on which your Chairman was appointed by the Governor of Georgia. The Georgia D. A. R. have a small part in the payment of this debt, as you know.

At the last Executive Board meeting held at Sandersville, a resolution was presented asking that April 12th be made one of the patriotic days to be celebrated by the State D. A. R.

On April 12th each year, there is held a public reception at the mansion with patriotic exercises followed by a procession to the grave of Jefferson.

For the purchase of the estate, the restoration, insurance, maintenance, etc., there has been paid to date \$693,648.27, leaving a balance due of \$100,000.00.

TEXTBOOKS

SULGRAVE MANOR

Mrs. R. H. Roux, Chairman

As State Chairman of Sulgrave Manor, it gives me great pleasure to submit the following report:

In October, my efficient Committee, Mrs. E. C. Teel, of Cuthbert; Mrs. Fannie M. Thomas, of Jesup; Mrs. Cader Parker, of Thomasville; Mrs. S. T. Lambert, of Grantville, and Mrs. S. R. Webb, of Dawson, cooperated with me in writing the 96 Chapter Regents in Georgia requesting that they give Sulgrave Manor a prominent part on one of their monthly programs.

I regret to say that only 23 Chapters responded, they were:

Hawkinsville Chapter, Hawkinsville; John Houston Chapter, Thomaston; LaGrange Chapter, LaGrange; John Clark Chapter, Social Circle; Sara Dickinson Chapter, Newnan; Pulaski Chapter, Griffin; Ft. Valley Chapter, Ft. Valley; Henry Walton Chapter, Madison; The General Daniel Stewart Chapter, Perry; James Monroe Chapter, Forsyth; Oglethorpe Chapter, Columbus; Lamar LaFayette Chapter, Barnesville; Sergeant Jasper Chapter, Monticello; Savannah Chapter, Savannah; Nancy Hart Chapter, Milledgeville; Bonaventure Chapter, Savannah; Lachlan McIntosh Chapter, Savannah; Elizabeth Marlowe Chapter, Monticello; The John Laurens Chapter, Dublin; The Stephen Heard Chapter, Elberton.

If there are any others I did not receive their names.

The Mount Vernon of Great Britain is Sulgrave Manor, home of the direct ancestors of George Washington—First President of the

United States. This 16th Century Manor House is in Sulgrave, an ancient village of Northants, the very heart of England, located in the Southwestern part of Northamptonshire near the counties of Warwick, Oxford and Buckingham. The village of Sulgrave at whose Eastern end the Manor House is located, is so small it is not even on the map of England.

Stratford-on-Avon in Warwickshire, Shakespeare's birthplace is only a few miles across the country from Sulgrave. Local legends connects Queen Elizabeth with the place. When she was Princess Elizabeth, just six years old, Lawrence Washington bought Sulgrave Manor. There are said to be about five hundred people now living in the ancient village, which seems so remote, but is a very radiating point so far as America's interest lies, of the historic life of the English home of the Washingtons.

The Savannah Chapter broadcast the following program on Washington's birthday: George Washington's Prayer, by Mrs. Bishop, Chaplain of Savannah Chapter. Sulgrave Manor—The English Home of the Washingtons. Poem, "When Washington Was Wed." Song, "America, the Beautiful."

SONS AND DAUGHTERS OF THE REPUBLIC

Mrs. Julian J. Jones, Chairman

One year has passed since I fell heir to the responsibility of the Sons and Daughters of the Republic work. At the beginning I mailed a letter to each Chapter Regent, explaining the work, and requesting that she appoint an active Chairman to carry on the work. I also wrote an article which was published in one of the Sunday issues of the Atlanta Constitution. One hundred and fifteen letters were written. There are no Clubs in the State.

While we have not accomplished so much as desired, inquiries have been made and a few Chapters have displayed a desire to organize clubs, and are stimulating patriotic influences and good citizenship among the children by offering prizes and medals in the schools for the best essays on patriotic and historical subjects.

May I ask those who do not realize the exact scope of the work, and those who have been unable to enter into the spirit of this, to make one more effort to accomplish something. I have the Handbooks, which are used in organizing the clubs, and I shall be glad to give one to any Chapter. Because people's lives are swayed by what they learn in childhood, it is impossible to estimate the good these clubs can do. If there be one boy snatched from evil influences and imbued with the ideals of American citizenship, one girl inspired with the sacredness of home and country, one embryo communist taught to respect the rights of others—is not just one of these worth the effort?

Every one realizes what Boy Scouts, Girl Scouts, and Campfire Girls mean to the youth of the world. We feel that a child is safe when he or she becomes identified with one of these organizations. But what of those who have not reached the required age? That is where the Sons and Daughters step in. Please, may I stress the importance of enlisting the children of pre-Scout age? If we attain the desired result with these children they will embrace the other organizations when the time comes, and the two will complement each other.

A thorough investigation of this activity will surely convince anyone of its merit and its place in the lives of our young people. If each of us does her utmost the achievement will be something which will benefit our Nation.

SCRAP BOOK COMMITTEE

Mrs. J. Harold Nicholson, Chairman

The success of my work as State Chairman of the Scrap Book Committee, depends entirely on the Scrap Book itself and what it means to you. I love and enjoy the work. It has been an interesting and inspiring task, as I have watched the book from day to day grow replete with history, sketches, legends, and romance of Revolutionary characters and events and to become more complete in records of past and present D. A. R. activities.

Our work must be recorded. Of course, the Minutes of our meetings are recorded, but the Scrap Book with its illustrations, sketches, and interestingly written articles, records our work in an intimate and fascinating way. I would like for this book to make our work and the heroic deeds of our forefathers alive and fresh. History, which is the mere matter of dates and chronological data, grows stale to us, but narratives, traditions, and heroism are kindling which keeps the fires of history warm and glowing.

A Scrap Book is a garden of memories, wherein grow the flowers of sentiment, epics and deeds of valor. The D. A. R. Scrap Book is a garden of memories, but it is more than that; it is history as interesting and romantic as any novel; history around which many a story has been woven.

Among the notable events which have been recorded in our Scrap Book this year are: the marking of the battle ground of Kettle Creek in Wilkes County; the celebration at Kings Mountain in North Carolina; and the ninetieth anniversary of the founding of Griffin, Georgia, where our State Regent unveiled a boulder, which marked an old Indian trail. Sidelights on prominent D. A. R. in the State and Nation, and other articles of interest have been included.

I would like to take this time to again urge each Chapter to keep a Chapter Scrap Book. This will prove a benefit to your Chapter in many ways. While you are working on your Chapter Scrap Books, may I ask that you not forget the State Scrap Book. Please send me any accounts of events of interest to the D. A. R., or any old pictures, stories, or legends of Revolutionary period. I am sure that each of you would like to help in planting this garden of memories. In helping with the Scrap Book work you are carrying out two of the principal aims and purposes for which the Daughters of the American Revolution was organized; namely, the recording and preserving of history, and the promoting and keeping alive the fires of patriotism.

May I take this occasion to again thank you for your past contributions. You have furnished me with inspiration and material help in compiling this beloved Scrap Book.

RADIO COMMITTEE

Mrs. Lucius McConnell, Chairman

While the work of the State Radio Committee is in its infancy, only having existed for the past two years, it is indeed gratifying to know that this powerful medium of the air is being used in carrying on the work of the Georgia Society, Daughters of the American Revolution.

The initial radio broadcast of the year was the address by our State Regent, Mrs. Bun Wylie, on November 15, on the subject of the Bi-centennial celebration of the birth of George Washington to be held in 1932. Mrs. Wylie is also serving as Chairman of the Washington Bi-centennial Commission of Georgia. Each Chapter Regent was notified by your State Chairman of Radio of this opportunity of hearing our State Regent speak and it was reported that much interest was created by Mrs. Wylie's able address.

The Joseph Habersham Chapter, through their Regent, Mrs. A. L. Colcord, who also serves our State Society as Chairman of Georgia Day, broadcast in celebration of Georgia Day on February 12. The outstanding feature of this program was the inspiring message of Mrs. Colcord.

The good news has unofficially reached your Chairman that during the year D. A. R. programs were broadcast over stations in Augusta and Toccoa and were enjoyed by many members of our Society.

On behalf of your Radio Committee, I wish to express appreciation to the Chapter Regents for their interest and splendid reports submitted and to our State Regent, Mrs. Wylie, for her superior leadership which has served as our inspiration in carrying on the work.

COLLECTION AND COMPILATION OF STATE PROCEEDINGS

Mrs. Oscar T. Peoples, Chairman

Madam Regent and Members of Georgia D. A. R.:

The published Proceedings of the State D. A. R. were brought up to date last year, 1930, and presented to the Convention at Newnan. The entire file is now in the Department of Archives and History of the State of Georgia. Each volume is bound in the blue of the National Society D. A. R., and lettered in white. Every D. A. R. in Georgia is urged to visit this interesting Department when in Atlanta, and to inspect their donation to our State's history. The Year Books are bound every two years, at the end of each Regent's administration, as it requires two Year Books to make the correct sized volume.

PRESERVATION OF HISTORIC SPOTS

Mrs. Rena F. Travis, Chairman

The Georgia Daughters of the American Revolution have done a splendid work during the past year in the marking and preservation of historic spots.

The contest on the "Most Historic Spot in Georgia" was decided in favor of "Yamacraw Bluff" (name for the Yamacraw tribe of Indians), where the Colony of Georgia was founded. An article on the "Most Historic Spot in Georgia" was sent some months ago to the D. A. R. magazine, but it has not been published.

The essay contest during this year on an "Unmarked Historic Spot" and written by high school students, was carried on in the State and won by Miss Myra Whitehurst of the Dublin High School, sponsored by the John Laurens Chapter D. A. R. Many interesting essays were written, some of national interest.

The unveiling of a tablet on a stone, to mark the "Most Historic Spot in Georgia," took place on June 20th, 1930, in Savannah. The marker was placed on the western side of the City Hall, on the Strand, near the place where Oglethorpe pitched his tent, and has the following inscription:

"This is Yamacraw Bluff
Where the Colony of Georgia
Was Founded, February 12, 1733
By General James Edward Oglethorpe.
Voted by the Georgia Daughters
Of the American Revolution
The Most Historic Spot
in Georgia."

Erected by the Three Savannah Chapters
And the Georgia D. A. R., 1930.

The State Regent of the Daughters of the American Revolution in Georgia, Mrs. Bun Wylie, of Atlanta, and the Organizing Regent of the Children of the American Revolution, Mrs. Thomas Mell of the same place, were the guests of honor, and a beautiful reception was tendered to Mrs. Wylie by the three Savannah Chapters of the D. A. R., at the U. D. C. Memorial Hall, after the unveiling exercises. The program at the unveiling exercises was as follows:

Music by the One Hundred and Eighteenth Field Artillery Band.

Bugle Call, followed by the Invocation by the Reverend Neal Anderson.

Salute to the Flag.

"America," by the Band.

Presentation of the Tablet to the City by the State Regent, Mrs. Bun Wylie.

Acceptance of the Tablet by the Hon. Gordon Saussy, Mayor of Savannah.

Unveiling of the Tablet by Mrs. Robert J. Travis, State Chairman of Preservation of Historic Spots, who also presided at the unveiling exercises.

Address by Hon. D. G. Bickers of Savannah.

"Star-Spangled Banner," by the Band.

Benediction, by the Reverend Mr. J. W. Hitch.

Another unveiling of national importance was the "War Hill" Monument, unveiled on June 6th, 1930, near Washington, Georgia, by the Kettle Creek Chapter D. A. R. Mrs. Boyce Ficklin, of Washington, presided, and the principal speaker was General Sum-

merall (Charles P.). Music was furnished by the Twenty-second Infantry, United States Band from Fort McPherson. Among the distinguished guests were: Mrs. Ralph Van Landingham of Charlotte, N. C., Vice-President General of the National Society D. A. R.; General Frank McCoy, of Atlanta; Adjutant General Homer C. Parker of Atlanta; George H. Carswell, Secretary of State; Mrs. Bun Wylie, State Regent, D. A. R., and others.

An interesting feature of the Dedicatory Ceremonies was that lineal descendants of Elijah Clarke and Andrew Pickens were present in the persons of Julian and Clarke Carter, of Hartsville, S. C., and little Miss Phinizy, of Augusta, to lay wreaths at the foot of the monument in honor of their illustrious forbears.

John Dooly, the third member of the triumvirate of Colonels, who won renown at the battle of Kettle Creek, was never married.

The battle of "Kettle Creek" was fought on February 14, 1779, and ended British rule in the State of Georgia. It has been referred to us as the Gettysburg of the Revolution.

The Elijah Clarke Chapter, Athens, unveiled a marker on the Old Indian Trail on December 4th, 1930, costing \$250.00. The grounds have been leveled and sodded by Dr. Andrew M. Soule, President of the Georgia State College of Agriculture. Two trees were planted nearby, dedicated to the memory of Mrs. A. E. Crawford, founder of the Elijah Clarke Chapter, and to Mrs. Frances Long Taylor, one of our loyal members who passed away last year.

The Chapter has located three Revolutionary soldiers' graves; Inscriptions: (1) Moses Sanders, Born England, 1742; Died 1817. Founder of Grove Level, Nail's Creek, and many other Baptist Churches. A Soldier of the Revolutionary War. "The Cross of Christ My Anchor Is."

(2) Sacred to the Memory of Charles Strong, Born January 18th, 1764; Died October 15th, 1848, in the 85th year of his Age. An Honest Man, a Patriot, and a Soldier of the Revolution.

(3) The Grave of Vines Collier, located near Danielsville, Ga., has no marker of any kind, but has been kept in good condition near the old Collier homestead by Mr. Howard, present owner. The first two are already marked by a tombstone, but we hope to put another marker by the Chapter. Plans for the marking of the grave of Vines Collier have been made and the application made out for a Government marker.

The Elijah Clarke Chapter also conducted an essay contest at the University of Georgia; prize \$10.00 in gold.

The Sergeant Newton Chapter, at Covington, located one Revolutionary soldier's grave and several historic spots. Also conducted essay contest in the High School on "Unmarked Historic Spot," and gave a prize of \$5.00 in gold.

The Sergeant Jasper Chapter, at Monticello, unveiled a Tablet to mark the birthplace of Benjamin Harvey Hill in Jasper County.

The John Houston Chapter, at Thomaston, has had the history of Upson County printed. The Chapter owns the lot at Roberta, where Colonel Benjamin Hawkins is buried, with his faithful colored servant's grave at the foot of his master's. The grave is six miles out from Roberta. The Chapter is requesting the State D. A. R. to give them \$50.00 to help mark this grave. Mr. Hinton, who owns the farm on which the grave is located, has promised the Chapter all the land necessary for the lot and for the proposed road that the County Commissioners have promised to build from Roberta to this spot. (Request dated December 6, 1930). The Chapter has secured an appropriation of \$25,000.00 from Congress to build a monument in Thomaston, on the town square to Colonel

Benjamin Hawkins. The work is going forward under the direction of an army officer, representatives from the John Houston Chapter, the Jeffersonia Hawkins Chapter, at Roberta, and representative citizens.

The Vidalia Chapter has asked the State to help them mark a spot, but has not sent in the information regarding it.

The Governor John Milledge Chapter, at Dalton, has asked the State to give them \$50.00 to help mark the "Old Moravian Mission."

A member of the Savannah Chapter has planted a thousand flowers and evergreens at her home, "Avalon," which was once a part of the grant to William Stephens, first President of the Colony of Georgia. Grant dated October 4, 1763.

On Thursday, March 19th, 1931, the Savannah Chapter will unveil a beautiful bronze tablet on the Thomas house, to commemorate the visit of the Marquis de LaFayette to Savannah, one hundred and five years ago. The Tablet will be placed upon one of the pillars of the house, with the following inscription upon it:

In this house, designed by the architect Melians Jay, Marquis de LaFayette was the guest of the City of Savannah, March 19-21, 1825.

A friend of Washington and a defender of American liberty. "Until now, Sir, you have only seen my ardour in your cause, and that may not, perhaps, be useless, I shall purchase a ship which will carry out your officers. It is necessary to show confidence in the future and it is in the hour of danger that I love to share your fortune."

LaFayette to Silas Deane.

Paris, France, 1776.

Erected by the Savannah Chapter, Daughters of the American Revolution, 1931.

Miss Henrietta Capton is the local Chairman in the Savannah Chapter, and has charge of the unveiling exercises.

The Brier Creek Chapter, at Sylvania, unveiled a marker on March 5, 1930, to William Cone, Revolutionary soldier.

The Joseph Habersham Chapter, Atlanta, marked two Revolutionary soldiers' graves. One at Tignall, Ga., on June 22, 1930, for Lewis Flemister, 7th Virginia Regiment; the other on July 5th, 1930, at Gordon, Ga., for Micha Wilson Flemister.

The Henry Walton Chapter, Madison, located one Revolutionary soldier's grave. They have asked that the state help them to mark an "Old Inn" near Madison. Request dated February 11, 1931.

The Roanoke Chapter, Lumpkin, marked one Revolutionary soldier's grave, Thomas Williams, and received a deed of gift from the Metropolitan Life Insurance Company of New York, to three acres of land, including an Old Fort Site. This land is worth about \$25.00 an acre. They have also located the grave of Thomas W. Simpson, War of 1812. The Chapter is beautifying the grounds around the Jackson Trail marker. A map of the County is being made showing the historic spots. They have the list of nine white soldiers and three colored, that fell in the battle of Roanoke and have located many historic spots in the county.

Lamar-LaFayette Chapter located one Revolutionary soldier's grave, Thomas Greene, and the historic "Old Alabama Road," in

Lamar County. They have bought a bronze Tablet for \$35.85 to mark the site of the house where LaFayette stopped while enroute from Milledgeville to Montgomery, Alabama, in 1825.

The Lamar-LaFayette Chapter have asked the state to give them \$50.00. Request dated February 20, 1931. They need a stone to put the bronze tablet on. They have ordered a Government marker for the grave of Vines Collier, an officer in the Colonial Wars, buried near Lexington in Oglethorpe County. The Chapter has also located the grave of Austin Dabney, a mulatto, who fought in the battle of Kettle Creek and was dangerously wounded. In Gilmer's Georgian, we find this statement about Dabney: "No soldier under Clark was braver or did better service during the Revolutionary struggle." Austin Dabney's grave is in Pike County, and Thomas Greene's grave is in Lamar County.

The Hawkinsville Chapter, at Hawkinsville, unveiled a tablet on a five foot granite stone, with this inscription: "This boulder marks the trail of General David Blackshear, the first white man's trail blazed through this section, 1814. Erected by the Hawkinsville Chapter and R. Georgia Society of D. A. R., 1930."

The unveiling took place on February 12, 1931, and the Reverend J. Lytle Jones, who verified the trail for the Chapter, made the principal address. The State Regent, Mrs. Bun Wylie of Atlanta, was the guest of honor. A group of nine little boys in pioneer costumes, arrived in a covered wagon, to stand guard by the boulder, while two little pioneer women, at the sound of the old cow horn, unveiled the tablet. Cost of boulder, \$100.00; Bronze tablet, \$65.00; Cost of unveiling, \$35.00; Total, \$200.00. Mrs. G. Walker Jordan, Regent, presided at the exercises.

Jonathan Bryan Chapter, at Waycross, located one Revolutionary soldier's grave.

The Savannah Chapter, Savannah, and the Lachlan McIntosh Chapter, Savannah, both gave \$8.33 to the Yamacraw Bluff tablet and assisted with the reception to the State Regent.

The Governor John Milledge Chapter, Dalton, will unveil a marker at "The Old Moravian Mission" to the Cherokees on July 30th, 1931. It will take place on the 130th anniversary of its founding. The Chapter was assisted by the State D. A. R. in marking this spot.

Our State Historian, Mrs. J. L. Beeson of Milledgeville, will unveil a marker that she has purchased on March 31, 1931, on the old Oglethorpe University near Milledgeville.

The Stephen Heard Chapter, Elberton, reports that Mrs. J. W. Copeland is compiling a guide to all Historic Spots in Elbert County, with a view to marking them. The Stephen Heard and Nancy Hart Chapters own five acres surrounding the home site of Nancy Hart during the Revolution, which is located twelve miles from Elberton, in Elbert County. It will be tendered to the State D. A. R. for a Forest Park in honor of Nancy Hart at the State Conference in Macon this month. They ask that the State give \$50.00 next year to the marking of this Spot and vote for it at Conference. The Chapter also located the grave of one Revolutionary soldier, Eli Eavenson. The Chapter also marked the site of the first court house in Elbert County. The marker cost \$60.00.

It has also given two cornerstones for use in the new court house at Tamasee School. Value, \$125.00.

COMMITTEE ON PREPAREDNESS

Mrs. Beulah Bale Steele, Chairman

From the reports sent in from the different Chapters, I find that the sentiment of the majority strongly stress Preparedness—many of the Chapters having had programs emphasizing the importance of National Defense and in training the youth of our country in the loyal support of our nation's highest ideals.

PATRIOTIC SONGS

Mrs. Lelend K. Jordan, Chairman

It has been a pleasure to serve you, Georgia Daughters of the American Revolution, as your Chairman of Patriotic Songs. You have been so enthusiastic in your work and so eager to help promote patriotism through song that it is with great pride in our Chapters I offer the following report:

Fifty-six Chapters have reported active work with Patriotic Songs. Nearly all open their meetings with songs and make a special use of them on Patriotic occasions.

Great good has been done in the schools of our State in the use of our Patriotic Songs, both in studying their historical background and also in learning to sing them. The following Chapters report prizes being offered in their local schools to the grades

singing certain selected Patriotic Songs best: Briar Creek Chapter, James Pittman Chapter, Benjamin Hawkins Chapter, and Sergeant Jasper Chapter.

Chapters reporting programs on Patriotic Songs, stressing the use and study of songs in their schools and using them in their Chapter meetings are:

Bainbridge, Knox-Conway, Elijah Clarke, Joseph Habersham, Cairo, Nancy Hart, Elizabeth Marlow, John Benson, John Clarke, Oothcaloga, Oglethorpe, Nathaniel Abney, Lachlan McIntosh, Hancock, John Laurens, Stephen Heard, Samuel Reid, Col. Wm. Candler, Major General Samuel Elbert, LaGrange, Savannah, Jonathan Bryan, Colonel William Few, Archibald Bullock, Sarah Dickinson, Dorothy Walton, Edmund Burke, John Houston, Council of Safety, Hawkinsville, Lamar-LaFayette, George Walton, Atlanta, Henry Walton, Governor Peter Early, General Daniel Stewart, Hawthorne Trail, Chattahoochee, John Ball, Oliver Morton, Roanoke, Barnard Trail, Bonaventure, Sergeant Newton, Pulaski, Lyman Hall, Commodore Richard Dale, Button Gwinnett, Altamaha, John Milledge, Brunswick, James Pittman, Briar Creek, Benjamin Hawkins, Sergeant Jasper, and Governor Treutlen.

It is with interest we read that on March 4th Congress passed a bill and it was signed by our President, making "The Star-Spangled Banner" our National anthem officially. So let us as loyal Daughters, continue our efforts in stressing Patriotic Songs until a great wave of loyalty and patriotism to our country shall spread "O'er the land of the free and the home of the brave."

PATRIOTIC LECTURES

Mrs. Oscar McKenzie, Chairman

One of the most delightful responsibilities in life is to ask people to do the things they really want to do.

This aptly applies to the D. A. R. viewpoint of Patriotic Lectures. Of course, the "middle name" (so to speak) of this organization is Patriotism. The brightest gem of our coronet, the hub around which all other activities radiate. The only trouble with the Chapters generally speaking, like all organizations, composed of women, they are very modest and slow to boast of their accomplishments. The response to my appeal for reports along the line of Patriotic Lectures, however, was most gratifying, far exceeding that of last year.

As I received the program and work of each Chapter reported, I had a great desire to hear those very programs, and feel sure that each was a gem. In passing the substitute on to you through this report, I hope that the exchange of ideals will be acceptable in the plan for programs for another year.

While almost every Chapter has celebrated birthdays of our Revolutionary heroes and historical dates through their programs, yet a great variety is manifest in the selection of other Patriotic subjects.

Many prominent Georgia men and women have contributed to these programs—thereby attesting not only the patriotic zeal of our organization, but also the oratorical ability of Georgians.

A number of Chapters expressed appreciation of the State Program as furnished by our Chairman, Mrs. Land, and based their Patriotic Lectures on these programs. The following subjects were most popular:

LaFayette, Constitution, Magna Charta, Columbus Day, Armistice Day, Woodrow Wilson, Georgia Day, International Relations, Washington's Birthday, Thomas Jefferson (for April) and Flag of United States (for June), and National Defense, St. Catherine's Island, Meadow Garden, Midway Church, Use of Flag, on Homes of our National Society were some fine programs as Memorial Continental Hall, its Antiques, Constitutional Hall. The visit of John Howard Payne to Georgia; Colonial Homes, Georgia's Revolutionary Homes, Wormsloe, Brampton, Thos. Jefferson's Home, Home of Betsy Ross, the Home of Frances Scott Key.

Then Americanism, International Relations, Outstanding Work of American Legion and Auxillary, McIntosh Trail, Star-Spangled Banner and the Flag, Sulgrave Manor, Plymouth Rock, Independence Hall, Georgia Signers of Declaration of Independence, Citizenship, LaFayette's Farewell Visit to the South and His Passage Through Columbus, Ga., Founding of Plymouth Colony and their Yuletide Spirit, Independence and Georgia's Trumvate, Washington's Home Life, Kenmore Garden, The Sage of Monticello, Valley Forge Yesterday and Today, What Has Been Accomplished Towards Yorktown as a National Park, Button Gwinnett, John Houston, International Christianity as Exemplified in the Life of Woodrow Wilson.

Address to Newly Nationalized Citizens, Marking Historic Spots, D. A. R. Magazine, Patriotic Education, Historic Forts, Benjamin Franklin.

The approaching Bi-centennial of Washington's Birth and its significance. Georgia (Program given at Georgia Industrial College, Barnesville.) James town Colony, D. A. R. Schools, National Defense, Old Fort Georgia, Savannah, the Mother Colony.

Darien, Military Post settled by Scotchmen.

Ebenezer, dead town of Georgia.

St. Simons Island, St. Catherine's Island, site of first white settlement in Georgia.

King's Mountain, Kettle Creek, Battle Ground, Forestry, Columbus.

The perpetuation of D. A. R. ideals.

The shrine of Democracy.

A lesson from Valley Forge.

Some neglected shrines in Georgia.

A child's defense of the Flag.

The signers of the Declaration.

(Poetry, songs and incidental talks.)

Runnymede Reborn in Independence Hall, Nancy Hart, Jamestown Colony, Why We Celebrate Columbus Day, Home Life of Mt. Vernon, The Approaching Bi-centennial of George Washington's Birth and the Significance, Button Gwinnett, Lyman Hall, Geo. Walton.

Flag Day by Mrs. Oscar McKenzie, Shady Dale, Ga., and Monticello.

Significance of the Flag, Historic Forts.

Your Chairman regrets that lack of time and space forbids naming the many prominent speakers on each of these programs.

The following is the list of Chapters reporting with the number of Lectures given by each:

Albany, Thronateesha Chapter, 6; Americus, Council of Safety Chapter, 12; Atlanta, Jos. Habersham Chapter, 5; Athens, Elijah Clarke Chapter, 7; Ashburn, Knox Conway Chapter, 7; Augusta, Augusta Chapter, 1 each month as per program suggested; Barnesville, Lamar LaFayette Chapter, 4; Brunswick, Brunswick Chapter, 2; Cordele, Fort Early Chapter, 1 each meeting, 6 subjects given; Commerce, James Pittman Chapter, 2; Columbus, Button Gwinnett Chapter, 10 and brief articles on 8 patriotic subjects; Covington, Sergeant Newton Chapter, 13; Pelham, 1 on "Tragic Era;" Elberton, 12, including talks at schools and at a historical review; Dawson, Dorothy Walton Chapter, 1; Dublin, John Laurens Chapter, 12; Eatonton, Samuel Reed Chapter, 1; Eastman, Col. It has been a year of splendid achievement by all Chapters as is witnessed by the individual reports. All Patriotic Days have been observed, and reports evince an alertness to every opportunity to engender a finer patriotism.

PARLIAMENTARIAN

Mrs. Julius Talmadge, Chairman

I have served as State Parliamentarian at the State Board meeting in Sandersville in October, at the State Conference in Macon, the Board Meeting in Macon, and at the meeting of the Georgia delegation in Washington in April, 1931.

REPORT OF ORGANIZING

Mrs. Herbert M. Franklin, Chairman

One new Chapter has been organized this year, The Adam Brinson Chapter, with Mrs. Irwin A. Brannen of Pulaski, as Regent. During my term as State Regent, Mrs. Brannen was appointed to organize, and succeeded in her efforts in May, 1930; the Chapter having been confirmed at the June meeting of the National Board.

Have furnished information to Lincolnton, and have made efforts to organize at Louisville.

A group of Swainsboro D. A. R. are working enthusiastically for a new Chapter.

Due to financial conditions partly, and to the fact that Georgia is very well organized, we have only the one Chapter to report this time, but hope that our organization will keep growing as in these lines:

What doest thou? I asked a budding flower,
To sweeten life, It nodded from its bower, I'm growing.
And what doest Thou? I asked a child who had quaffed
the cup of joy,
To help the world, He laughed, 'I'm growing.'
Reach out to pastures new where soul doth feed,
Reach out and up. God knows the spirit's need. Keep
growing."

OLD IRONSIDES COMMITTEE

Mrs. W. B. Daniel, Chairman

Since Congress relieved us of raising funds for the restoration of Old Ironsides, there has been very little to do; however, your Chairman has endeavored to keep the Chapter informed in regard to the progress and has compiled a condensed History of the old battleship, which was published in the Atlanta Constitution. It was also my pleasure to prepare and read a paper on Old Ironsides at a meeting of the Vidalia Chapter.

Elijah Clarke Chapter, Athens, reports several pictures bought by members and one framed for a gift for the best Girl Scout in the Junior High School. The children vote on these pupils who have proven the "Best Scouts" and this manner of selecting the best of the crowd creates a great deal of interest that continues throughout the year.

Hawkinsville Chapter reports five copies of Old Ironsides sold. These pictures will be given as prizes in schools.

Lamar-LaFayette Chapter, Barnesville, reports an article on Old Ironsides given on program of Chapter meeting.

A copy of Old Ironsides is the proud possession of every member of the Major General Samuel Elbert Chapter, Tennille.

John Clark Chapter bought one picture of Old Ironsides to be placed in the school.

Button Gwinnett Chapter bought one picture of Old Ironsides.

Col. Wm. Few Chapter, Eastman, reports an article on Old Ironsides given on Chapter program.

My latest communication from Captain R. P. Schlabach, of the U. S. Navy, at Boston, informs us that the restoration of the Frigate Constitution is about 97 per cent completed and will be finished before July 1st, 1931. In answer to my queries as to other duties, since we are not expected to help raise the funds for restoration, he states: "One of the tasks remaining for us is to obtain additional articles of equipment of the period of 1812, such as flint-lock muskets, pistols, navigation instruments, etc." At this time let me urge you to delve into your attics for the articles, and if you find any, report to your State Chairman.

NATIONAL DEFENSE

Ms. John W. Daniel, Chairman

It has been a privilege to serve the Daughters of the American Revolution, as State Chairman of National Defense. While the Chairman is only the medium through which the National Society reaches the Chapters, yet her work is necessary.

A letter was mailed early in October to each Chapter asking that an article from the literature sent by the National Committee each month, be read at the meetings.

Quite a number of the Chapters reported having done so, and also having contributed the 15 per cent per capita requested by the State. Never, in the history of our country, has it been so necessary that steps be taken to combat the communistic propaganda, that is spreading so rapidly throughout the world, and the Daughters of the American Revolution are endeavoring in every way to cooperate with other patriotic organizations in this work.

In January, 1931, Congress appropriated the sum of \$25,000 to be used by a committee, Mr. Fish of New York, Chairman, to investigate the Communistic propaganda. Copies of the report of this Committee have been sent by National Chairman for distribution, and I sincerely trust that every one here will be sufficiently interested to ask for a copy.

Sixty-six Chapters have sent in reports and \$429.13 have been subscribed towards National Defense.

The following is a list of the Chapters contributing the 15 per cent per capita towards National Defense:

MEMBER D. A. R. ON BOARD DIRECTORS ANTI-TUBERCULOSIS ASSOCIATION OF GEORGIA

Mrs. Howell Simmons, Chairman

Chapters were urged to either handle the sale of Christmas seals or cooperate with other agencies in their communities where such agencies were already handling the sale. Thirty-five Chapters reported that they either handled the sale or assisted other organiza-

tions in the work. While the sums reported by the various Chapters do not seem large, nevertheless, these amounts do not tell the whole story by any means. Some Chapters sent fruit, flowers, etc., to Alto, and in practically every case these Chapters lent their whole-hearted support to other organizations in an effort to make the sale a success.

A matter of especial interest to this Committee, is the full collection of the Georgia tax on cigarettes and cigars, as this money is used in part for the support of the sanitarium at Alto. Efforts have been made to amend the tax law on cigars and cigarettes so that the stamps required will be placed on the packages by wholesalers, rather than by the retail dealers. If the Legislature passes this act it will no doubt increase the present revenue for Alto, more especially will this be true if the tax is increased, as proposed, from ten to twenty per cent, which should make available about \$200,000 from this source.

Below is given a list of the Chapters reporting, together with the sums realized through their efforts in the sale of Christmas seals:

Commodore Dale, \$9.00; Thronateeska, \$10.00; Council of Safety, \$8.00; Augusta, assisted Service Club; Knox Conway, \$9.15; Elijah Clarke, \$80.50; Lamar-LaFayette, \$3.50; George Walton, \$6.50; Oglethorpe, gave day to sale of seals; James Pittman, \$5.00; Sergeant Newton, worked with committee in charge of sale; John Laurens, \$130.00; Col. Wm. Few, worked with others in sale of seals; James Monroe, \$58.00; Col. Wm. Candler, \$25.00; Pulaski, \$10.00; Hawkinsville, \$75.11; John Benson, \$37.40; Altamaha, worked with others in sale; William Marsh, \$54.00; LaGrange, worked with others in sale; Henry Walton, \$180.00; Nancy Hart, \$40.00; Sergeant Jasper, \$27.10; Elizabeth Marlow, worked with others in sale of seals; Sarah Dickinson, sale handled in Newnan by others; Hannah Clark, \$5.00; John Clark, sponsored sale; Sylvester, \$5.90; John Houston, \$55.00; General James Jackson, \$3.90, also assisted Woman's Club in sale; Vidalia, \$3.90; Lyman Hall, \$18.00; Fielding Lewis, \$55.00; Savannah, worked with Red Cross.

MEADOW GARDEN

Mrs. Sanford Gardner, Chairman

"Shakespeare exhausted worlds and imagined new ones."

I have exhausted all the adjectives in the dictionary, but I have not the imagination to coin a new word, to express my thanks, to all the Chapters in the State, who annually remember Meadow Garden. These are real friends, they are not glass threads, or frost work, but those who stand for all time, not only for serene days, but for hours of shipwreck and disaster.

The following Chapters have sent in their contributions for the upkeep of Meadow Garden:

The Atlanta Chapter	-----\$ 4.00	Lanahassee	----- 1.00
Col. William Candler	----- 2.00	Oglethorpe	----- 2.00
Dorothy Walton	----- 2.00	Maj. General Samuel Elbert	----- 1.00
Gov. Jared Irwin	----- 1.00	Button Gwinnett	----- 5.00
George Walton	----- 3.00	John Houston	----- 1.00
Gov. John Milledge	----- 2.00	John Clarke	----- 1.00
John Laurens	----- 1.00	Barnard Trail	----- 1.00
Lachlan McIntosh	----- 5.00		
		Total	-----\$32.00

These contributions are economically expended. Conservation and thrift are exercised in the management of Meadow Garden, the absolute necessities are paramount in the purchases and repairs at this Historic Home. Last year \$436.65 was spent in the upkeep of Meadow Garden. We have lately had electricity installed throughout the house, candle light has disappeared and each room is ablaze with the magical sunshine, that is the wonder of the day. We have many strangers to visit Augusta in the tourist season, Meadow Garden is the mecca for all those who are especially interested in history and antiques, the visitors are high in their praises of the valuable and rare collection that we possess, and

sincerely wish, that they had an Historic Chapter House, in their Northern home where they could have a depository for their valuable papers and historic souvenirs.

Many of the school children, in the community, have come with their teachers to Meadow Garden. In fact, it is a liberal education to view these articles of the long ago, it is best to see through the mind's eye, the impression is more lasting than reading.

Mrs. Isabelle Jordan, of Augusta, has lately presented to Meadow Garden a white bed spread, hand woven and embossed within its meshes, is the date of the making, 1817. With this gift came a picture of the former home of Button Gwinnett on St. Catherine's Island.

We acknowledge with sincere appreciation a pewter plate, sent by Mrs. Alvah Davis, State Chairman of Revolutionary Relics.

Our Old Fashioned Garden is the admiration of every one; kind friends have lately supplied the missing plants in our collection. Two Camelia Japonicas, several Rose bushes, a Holly tree, a Snow-ball bush, and a pomgranite, these are the choice gifts for the past year.

The following beautiful poem was written by Helen R. Stetson, the wife of Dr. Caleb R. Stetson, of New York, the pastor of Old Trinity Church of that city. It was inspired after a visit to Meadow Garden, and a copy sent to Mrs. Sanford Gardner, Chairman of Meadow Garden. Mrs. A. H. Brenner read it at the State Conference and Mrs. Bun Wylie suggested that it come out in the Year Book.

MEADOW GARDEN

'Tis "Meadow Garden." What a charming name!
It does not sound like any Hall of Fame,
Yet here lived Walton, who so boldly signed
That Declaration framed by master mind
Of patriot and zealot on that day
When Independence came, and came to stay.

Silent old house, if you could only tell,
Tales of the folk who came with you to dwell,
Of dainty ladies full of airs and graces,
And gentlemen with buckles, wigs and laces,
And then your downfall in neglected age,
A blot upon your fame's unsullied page.

You sheltered for a time an alien race,
Your rooms of former beauty held no trace,
When Daughters of the Revolution came
And gave you back with love your ancient fame,
Old Meadow Garden, peacefully you dream,
Safe for all time beside your tawny stream.

LUCY COOK PEEL MEMORIAL

Mrs. J. C. Gentry, Chairman

Taking over the work of this Committee on June 5, 1930, we inherited a debt of \$106.19, due the Stein Printing Company on our Volume 3, Historical Collection of the Georgia Chapters D. A. R. By September 1st, this debt had been paid, with a balance in bank to our credit from the sale of the books.

Volume I, published in 1926, a Memorial to Mrs. William Lawson Peel, contains no index. Many valuable records secured at considerable cost are in this book, and the need for an index being apparent, our State Regent, Mrs. Bun Wylie, authorized that an index be made with the proviso that the Committee could raise the amount of cost without drawing from the State Treasury. With

this authority and the consent of members of the Committee we compiled, edited and raised the means to provide a complete index as our special contribution to this branch of D. A. R. work, which is now ready for delivery at \$2.50 a copy.

From June 5, 1930 to March 1, 1931, we sold 82 books from which we realized \$360.58, of which we paid out:

Balance owing on Vol. 3, to Stein Printing Company	\$106.19
Expense of index	100.00
Insurance on books	13.88
Multigraphing	3.72
Typewriting advertising letters	5.50
Stamps	6.00
Express on books sold	19.16

Total \$254.45
 Leaving a balance in bank of \$106.13, to pay for printing and binding the index.

LINEAGE BOOKS AND ROSTERS

Mrs. John D. Faver, Chairman

It is my pleasure to report that as Chairman of Lineage Books and Rosters I have received most encouraging cooperation from Chapters throughout the State. Out of the number which have reported genealogical libraries, the following have purchased books this year:

Mary Hammond Washington Chapter, Macon; Governor John Milledge Chapter, Dalton; Atlanta Chapter, Atlanta; Lamar LaFayette Chapter, Barnesville; John Houston Chapter, Thomaston; LaGrange Chapter, LaGrange.

Several Chapters have reported their Rosters in the process of compilation but the Rosters of the following have been completed and filed with our State Consulting Registrar, Mrs. Alvah Davis, and with Miss Blair in the State Archives in Atlanta:

James Monroe Chapter, Forsyth; George Walton Chapter, Columbus; Lamar LaFayette Chapter, Barnesville; Governor Jared Irwin Chapter, Sandesville; LaGrange Chapter, LaGrange.

LEGISLATION

Mrs. Charles Akerman, Chairman

The efforts of the State Chairman have been centered, particularly this past year, under the direction of your President General, Mrs. Hobart, and your National Chairman, Mrs. Morgan, upon the passage of the three following bills:

H. R. 14688, which is on the Naval Construction; S. 4750, pertains to Modernization of three vessels—this is absolutely essential; H. R. 6810, concerns the acceptance of California's gift of an air base.

Having been in communication with our Representatives in Washington, I am informed through Senator W. J. Harris, that S. 4750 was passed February 28, and is now law No. 746.

H. R. 6810 was passed February 13, and is now a law No. 621.

H. R. 14688 is on the main calendar in the House. This is good for us to know. Failure of the passage of this last named bill was a great disappointment, since our Country's security depends upon an adequate and modern Naval equipment.

It is gratifying to state that the inspirational song, "The Star-Spangled Banner," was created the National Anthem by this last Congress. I need not tell you that it was immediately placed on the program for use at this Conference.

We, the D. A. R., are endorsing on the last Georgia Council Calendar the bills formerly endorsed by this body, Mrs. Wellington Stevenson, President of the Council, informs me.

Mrs. Eva Morgan, with Mrs. Hobart's approval, is making a

strenuous effort to have April 3rd observed as American Creed Day, and it is possible that necessary Legislation governing the observance of this day will be enacted at the next session of Congress. This Creed—a prize winning gem written by William Tyler Page on April 13, 1918, was formally accepted by United States Congress as a suitable basis upon which all American citizens could stand.

Will you Chapter Regents not make an effort to emphasize this day, April 3rd American Creed's Day in your several local schools? Our honored Woodrow Wilson gave this idea of having a creed—this particular creed his hearty approval. Mature citizens will do well to read and ponder it. Youth to study, understand and try to observe it.

LaFAYETTE DAY

Mrs. M. J. Guyton, Chairman

LaFayette Day, September 6th, is the first observance day in our D. A. R. Calendar; therefore, early in August, I sent our an appeal to every Chapter urging them to observe with patriotic exercises, the anniversary of the birthday of this distinguished Frenchman, who won his greatest fame as an adopted soldier of America in the war for Independence.

There is no other foreigner for whom the people of this land have cherished such grateful and friendly attachment,—a feeling born of the remembrance of his heroic service in our cause.

Let us not forget that when LaFayette "enlisted" he asked only two favors:—The one is, "To serve without pay at my expense; the other is, that I be allowed to serve first as a volunteer." History repeats itself—In August, 1914, the young heart of America "enlisted," and thousands of our brave boys are enrolled in that order of chivalry which is headed by LaFayette.

It is very fitting that our organization keep alive in the hearts of the people, the dramatic life and valorous military career of LaFayette. Forty-eight Chapters have reported the observance of this day.

KENMORE GARDENS

Mrs. J. V. H. Rucker, Chairman

As your Chairman for Kenmore Gardens, I take pleasure in making the following report:

It seems timely, to review a resolution which was adopted at the 1930 State Conference:

Whereas, the Kenmore Association, with which we have co-operated for many years in the restoration of the Kenmore Home, is undertaking the additional purchase of the land lying between Kenmore and the home of Mary Washington, which land was once a part of Kenmore Garden, but later became the unsightly backyards of private property, which is a disgrace to the shrine so dear to all hearts, and

Whereas, That historic spot of our Southland deserves our first interest and support, and up to the present time has no concrete memorial from Georgia, and

Whereas, The founder of the Kenmore Association and the inspiration of all its achievements, is a Georgia woman, therefore be it,

Resolved, That the Georgia D. A. R. purchase 1,000 feet of said land for the restoration of Kenmore Garden to its original beauty, and donate it to the Association in honor of our own Georgia woman, Mrs. Emily White Fleming, President of the Kenmore Association and in a corner of the Garden place a marker stating that it is a gift from Georgia in honor of our esteemed Georgian.

The Chairman moved the adoption, seconded by Mrs. McKenzie, a Director of Kenmore, and carried.

Elijah Clarke Chapter gave a cemetery hunt, in search of old records, with various prizes given, the proceeds going to the Chapter Kenmore Fund.

Your contributions this year have been specifically for Kenmore Gardens, which hereafter, until paid for, will be Georgia's gift to Kenmore, honoring a noble Georgia woman. This land has been purchased by the Kenmore Association, but has not been paid for.

Practically all Chapters report giving Kenmore a place on the year's program, and also report having contributed.

Your Chairman has had two articles published on Kenmore and made one address on the subject. She feels deeply indebted to Mrs. H. H. Smith and her wonderful mother, Mrs. Fleming, also to Mrs. Talmadge, State Regent for Kenmore, for their unflinching assistance.

Please, dear Chapter representatives, take home the message of Kenmore. Give it a real place in your budget for next year, and help the flowers to bloom around Kenmore as in days of old, on soil which was paid for by the Georgia Society, in honor of a Georgia woman. The planting is already being done, the brick wall has been restored, both by the Garden Clubs of Virginia. So let Georgia come forward with her part. That she will is a certainty, for she has never failed in an obligation.

I wish particularly to thank the Fielding Lewis Chapter of Marietta, for their gift of \$25.00. This was most fitting as the Chapter bears the name of the builder and original owner of Kenmore.

Sixty-seven Chapters contributed the total of \$145.60, the names of the Chapters with the amounts, follow:

INTERNATIONAL RELATIONS

Mrs. Albert Tidwell, Chairman

Truly winds are blowing over the lands, winds of war, winds of peace, winds that bring good tidings and bad.

International problems are covering the earth, which means destiny to nations and during the past year, your Chairman suggested a definite study of Russia. Russia with all her problems of Communism which includes politics, economics, education, and religion. These are of great importance as a study and also of vital interest to the welfare of our own nation.

Early in the year, I sent a request to every Chapter Regent in the State for discussions on matters of International import. So great was the response that it gives me pleasure to list the Chapters reporting:

Commodore Richard Dale, Albany; Elijah Clarke, Athens; Joseph Habersham, Atlanta; Augusta, Augusta; LaFayette, Barnesville; Fort Early, Cordele; Oglethorpe, Columbus; George Walton, Columbus; John Milledge, Dalton; Dorothy Walton, Dawson; John Laurens, Dublin; Col. Wm. Few, Eastman; Nathaniel Abney, Fitzgerald; Fort Valley, Fort Valley; James Monroe, Forsyth; Pulaski, Griffin; Hawkinsville, Hawkinsville; Elizabeth Marlowe, Monticello; Nancy Hart, Milledgeville; Sarah Dickinson, Newman; Council of Safety, Plains; Hannah Clarke, Quitman; Savannah, Savannah; John Clarke, Social Circle; Barnard Trail, Sylvester; John Houston, Thomaston; Major General Samuel Elbert, Tennille; Vidalia, Vidalia.

INDIAN WELFARE AND CITIZENSHIP

Lena Felker Lewis, Chairman

Immediately following my appointment as Chairman of Indian Welfare and Citizenship, I wrote to the United States Department of the Interior for information concerning the status of the First American in our country.

Much valuable literature from this and other sources has been read on this subject and it is most gratifying to me of the interest and efforts that are being made to secure the rights of these people.

I have also been the recipient of much enjoyment in the study of this picturesque people.

I rejoice to report that a number of our Chapters have shown great interest in Indian Welfare in their reports to me. The first response came from Oglethorpe Chapter, Columbus, Ga., in the beautiful Yearbook, with a year's study to the Indians, their History, Music, etc. The Chapters reporting study and work for Indian Welfare are as follows:

Oglethorpe, Columbus; John Clarke, Social Circle; Lamar-LaFayette, Barnesville; Gov. John Milledge, Dalton; Elijah Clarke, Athens; (this Chapter erected a marker of an old Indian Trail on the campus of the Agricultural College last year); James Pittman, Commerce; Gov. Treutlen, Fort Valley; Barnard Trail, Sylvester, has collected 230 Indian relics during the past year; Matthew Talbot, Monroe.

INDEPENDENCE DAY

Miss Isabelle S. Clark, Chairman

It is gratifying to the Chairman to see the general interest that has been shown throughout the State in the celebration of Independence Day. Ninety-five cards were mailed the first of June to Chapter Regents, asking that they put on an Independence Day program, or in some way celebrate the day. Forty-one have replied, and thirty-three Chapters have taken part in these celebrations.

It is surely a great day for loyal Americans, and the Daughters of the American Revolution must carry on, inspire and teach the young what our forefathers fought for.

IMMIGRANTS' MANUAL

Mrs. H. B. McMaster, Chairman

In the several years since the first edition was published, the D. A. R. Manual for Immigrants and Other Foreigners has had numerous reprintings and more than 3,500,000 copies circulated. A complete Primer for any citizen, or a first aid to Citizenship. We are still asking 10 cents per member for the Manual for Immigrants. It features an effort of the D. A. R. in Education that is exclusive in a pre-empted field, for no other agency undertook this work in this way—carrying to the foreign resident of the United States the story of our government in a choice of nearly a score of languages, ranging from English, through the Romance languages to the Oriental, the Ancient Hebrew and Modern Greek.

Thanking each of the following Chapters for their prompt reply and cooperation in making this report possible:

HISTORIC RESEARCH AND PRESERVATION OF RECORDS

Mrs. Eli A. Thomas, Chairman

As the interest grows in collecting Family Bible records the report improves from year to year. This year 300 Bible records have been received, besides these there are 1,305 tombstone records from more than 90 cemeteries ranging from one-grave graveyards to country family burial grounds, country churchyards and village cemeteries of 105 listed tombstones. Eighteen wills are in the collection, six land grants, three pensions, three letters, and many family records accompanying Bible records, and separate. Notable among the latter are full records of the Stephen Heard family, of the Fort family dating back to 1676, the DuBose family back to 1689, and the Devereux family, Pate, and many others.

The earliest date among the Bible records is 1610, from the Middlebrooks Bible. Twenty-nine Chapters have been heard from, 25 sending records, some only wills, some only tombstones.

The largest number of Bible records was from the Elizabeth Marlow Chapter of Monticello, which therefore wins the prized silver vase. They sent 78 family Bible records and 699 tombstone records from 62 graveyards, as follows:

HISTORICAL AND LITERARY RECIPROCITY

Mrs. George Riley, Chairman

The years of work of the Historical and Literary Reciprocity Committee of the National Society Daughters of American Revolution have been brought to light by Mrs. Jno. W. Chenault, of Louisville, Ky., who as National Chairman has directed the work of publication of the wealth of material at hand. Mrs. Chenault's committee published a catalogue the past year with nearly 3,000 titles listed. A state letter and catalogue giving rules and other information was sent to each Chapter Regent in October. These titles listed in the catalogue represent some original contribution to what is one of the rarest libraries in the United States, in that it is a circulating library made up of original works, carefully verified as to authenticity of history sources.

In recently discussing the work, Mrs. Chenault said: "We hope to preserve for coming generations the many worth while deeds of little known people and to bring to light little known facts about well known people and places. The period covered by our papers is from the settlement of Jamestown to the present." The lines of thought in nearly 3,000 documents are as varied as the walks of life of the people portrayed. The effort has been made to collect the details of every day life of our people from candle light to electricity, from the oxcart to the airplane, from the trail to the smooth surface highway, from the rude cabin to the comfortable homes of today. Should any one at any time receive a paper from the Lending Bureau that is not satisfactory, she is requested to return it with her criticism. Each Chapter is requested to return papers within the month limit, as delay sometimes results on the loss of papers and often means that other Chapters are deprived of their use. Twenty-five interesting papers from Georgia have been added to the Lending Bureau. We are especially sorry not to have many papers on Thanksgiving and Christmas as were required.

This year's work, your State Chairman collected the following papers and the cooperation of the Chapters is greatly appreciated. These were placed in the hands of our Southern Divisional Chairman, Mrs. Howard McCall:

Thanking each Chapter and Regent for your splendid work for the past year, I ask your cooperation in inducing the members to use the papers and join in the endeavor to raise the standard of papers each year, and may the library be of great service to the D. A. R.

HELEN ROGERS FRANKLIN TROPHY

Mrs. J. Henry McCalla, Chairman

The province of this committee has been indeed interesting and gratifying, though difficult. Interesting to go into the details of the activities of the various Georgia Chapters of our organization; gratifying to learn that a wonderful work each Chapter has accomplished in the past twelve months, and the tireless efforts put forth by the entire membership of the D. A. R. in serving their country, state and community; difficult in having to go into this collection of bright and charming records and choosing therefrom a particular one and saying this is the most outstanding and deserving and for which we award this beautiful trophy.

The work accomplished by many of our Chapters this year seems phenomenal and it has been an inspiration to this committee, and I am sure the donor of this beautiful trophy, our beloved former State Regent, Mrs. Helen Rogers Franklin, must necessarily feel proud that she has supplied an incentive for our Chapters to excel in our splendid patriotic work.

In judging these reports, we have tried to be careful, fair and impartial. The issue has been hard to determine. Our minds have vacillated from one splendid Chapter to another. But after careful consideration the Helen Rogers Franklin trophy is awarded for general excellence to Elijah Clarke Chapter, Athens, Ga., Mrs. J. T. Dudley, Regent.

We take pleasure in announcing for honorable mention: Governor John Milledge Chapter, Dalton, Ga., Mrs. B. A. Tyler, Regent; John Houston Chapter, Thomaston, Ga., Mrs. H. H. Birdsong, Regent; Savannah Chapter, Savannah, Ga., Mrs. R. H. Roux, Regent.

GIRLS' HOMEMAKERS

Mrs. C. E. Felton, Chairman

It is regrettable that the many important phases of work possible in the world of Girl Homemakers have, in the majority of Georgia towns, been overlooked. For indeed, Georgia is rich in opportunities, of expressing all that comes under such a heading! Georgia has cotton, fruit, wool, and an abundance of vegetables; Georgia has gorgeous flowers, and Georgia has many organizations which deal with girls. So undoubtedly, the definiteness and importance of this committee's work, has not previously been emphasized.

During the year I wrote approximately 350 letters and about 50 postal cards. In reply, I received perhaps 35 notes, most of which convinced me that while the various Chapters were in sym-

pathy with the ideals of such committee, a real understanding of the importance had hitherto been lacking.

It was well nigh the latter part of the season, before the correspondence brought fruit to my efforts; and then, only about eight Georgia Chapters showed notable results.

There were five awards presented; three medals to girls' clubs, for canning, sewing; and about \$30.00 in cash given for articles pertaining to homemaking, sponsoring lectures on the subject, and a girl in need of the home environment.

Bonaventure Chapter, Savannah, of which I am a member, expended more than any other Chapter in the furtherance of this work, while Sylvania, Thomasville, Monroe, and a few other small Chapters were commended.

As State Chairman of the Committee on Girl Homemakers, I have enjoyed the distinct honor conferred upon me by our lovable and charming State Regent, Mrs. Bun Wylie; and I am bending every effort to carry to her next year a report more worthy of her recognition.

And may I hereby urge our Chapters to look a bit further and see all that is involved in this great, broad work of our girls?

GIFT SCHOLARSHIPS

Mrs. John H. Simmons, Chairman

The Daughters of the American Revolution should be proud of the part that they have had in making it possible for many boys and girls to have an education. Your generous aid has enabled these boys and girls, who in the foundation period of life have been taught and entrusted with responsibilities, to assume leadership in civic affairs and will mean much to the nation in the future in practically every field of civic endeavor.

Education fosters self-reliance and force of personal character. Many of our graduates have attained the highest degree of proficiency in their studies.

The ambition of the committee is to have each Chapter make a donation to this cause.

Several Chapters have reported having their scholarship pupils take part on their programs. This gives the pupil and the Chapter a personal touch that is mutually beneficial.

The Chapters' records are as follows:

GENEALOGICAL RESEARCH

Mrs. John Lee Davidson, Chairman

It is quite gratifying that more interest is taken year after year in this work by the Chapters. We are beginning to realize its importance, it seems.

A copy of all received by this committee is sent to the Vice-Chairman of the Southeastern Division, and by her to the National Chairman, by whom it is sorted and filed in the D. A. R. Library for the use of the Registrar General, and the public. This in no way interferes with publication by the Chapters sending it, or the Georgia D. A. R., but makes it available at once to help prove claims of new members, or supplemental applications of those who are already members. One copy is sent to Lucy Cook Peel Committee for publication at their discretion. The need of this committee is financial, and unless it gets the support it deserves, the Chapters will become discouraged in collecting data.

The following material was received:

Atlanta Chapter, Mrs. Mark Cooper Pope, Chairman—Thirty pages Bennett and Tankerville notes from England and United States; will of Elizabeth Mary Ann (Smith) McCall, of Pulaski County, Georgia, widow of Thos. McCall, and descendant of Landgrave Smith of South Carolina, and marriage contract of her daughter, Elizabeth S., and Thos. Moore; will of James McCall, Sr., of Mecklenburg County, North Carolina; Winn family records; pension records of three North Carolina soldiers: Andrew Barry, James Scales, Sr., and Wm. Pyron; will and family record of Isaac Holland of Lincoln County, North Carolina; will of Jonathan Hanby of Patrick County, Virginia; names of members of First Baptist Church, Atlanta, from its foundation, 1848 to 1856; Wooten notes from Maryland records.

Nathaniel Macon Chapter, Macon, Miss Jessie Rice, Chairman—Index to Will Book "A," 1823-1851; index to Will Book "B," 1851-1860; marriages from Book "A" prior to 1860; marriages from Book "B" prior to 1860; marriage Book "C," 1858-1860.

James Monroe Chapter, Forsyth—Index to Will Book "A," Monroe County, 1824-1847.

Sergeant Newton Chapter, Covington; Mrs. F. E. Heard, Chairman—Index to Will Book No. 1, Newton County, 1822-1850.

Stephen Heard Chapter, Elberton; Miss Alpha Rogers, Chairman—Records of Gary family; sketch of McCurry family.

Col. Wm. Few Chapter, Eastman; Mrs. W. B. Daniel, Regent—Will of Elizabeth Gordon, widow, of Lunenburg County, Virginia, who died in Washington County, Georgia, and power of attorney to her son, Richard, to carry out the terms of the will.

Baron DeKalb Chapter, Decatur; Mrs. Lucy L. Brooks, Historian—Will of Anselm Anthony, Polk County, Georgia; will of Joseph Anthony, Wilkes County, Georgia; records of Scott and Stitt families of Ireland and America.

Lamar-LaFayette Chapter, Barnesville; Mrs. Jena Cuthbert Collier, Regent—Deed from Philip Whichard to Thos. Johnson of Pulaski County.

Stata Historian, Mrs. J. L. Beeson—Genealogy of the families of Benj. B. Hubert and John Rutherford; of Samuel and Chas. Hammond; and Cornelius, Stephen and John Collins.

Much of this data was improperly typed and can not be filed in our Library in Washington. The Historian General requires paper 8 1/2 x 11, margin of one inch top and bottom, one and a half inches at left side for binding. Chapters and individuals sending data will please be careful to observe this rule hereafter. It is not fair to the State Chairman, the National Vice-Chairman or the National Chairman to expect either to bear the expense of proper arrangement. It is just as easy to use proper size paper and margins as vice versa. Please send three copies, always, one original and two carbons.

Elijah Clarke Chapter reports copying 143 tombstone records from Old Cemetery in Athens and other burial grounds; also six land grants, one certificate of service issued by Elijah Clarke, two old bonds, one pension grant, six old wills, copy of note due Col. Jno. Lawson of Revolutionary fame, one copy old diploma issued in 1780; list of descendants of the Warren-Harlow-Lamar-Poullain families direct from Richard Warren, passenger on the "Mayflower," born 1628; one abstract of Judge Glen's will, who married Sarah Jones, daughter of Noble Wimberly Jones.

Mary Hammond Washington Chapter, Macon, reports the setting aside of \$230.00 to buy books for the Genealogical and Historical Department of Washington Memorial Library, which the chapter maintains.

Hawkinsville Chapter reports assisting many applicants to make out papers, and material ready for county history.

Joseph Habersham Chapter reports seventy-five persons aided through its capable chairman, Miss Helen Prescott.

Thirty lines were completed by the John Milledge Chapter, through its capable Regent, Mrs. Bert Tyler.

Hannah Clarke Chapter maintains a reference department in the Public Library, D. A. R. Lineage Books from Vol. 22 to 119, except 36 and 37, and other reference books, valued at \$500.00. A standing order for the Lineage Books brings them as soon as published.

Members of the Barnard Trail Chapter were appointed by the Grand Jury as County Historians and are hard at work.

Notable contributions to genealogy of Georgia families the past year are the History of Wilkinson County, compiled and published by the John Ball Chapter, and Victor Davidson, and the History of Upson County, compiled and published by John Houston Chapter, Mrs. E. T. Nottingham, Chairman, who worked faithfully eighteen years to accumulate the material.

Grateful acknowledgment is tendered those Chapters who generously contributed time and effort in copying records and all are urged to continue or take up this work another year, being careful to properly arrange the data.

Mrs. John Pope, Chairman

Mrs. Julius Talmadge, Co-chairman

Upon the urgent request of the National Society, that the Georgia D. A. R. place a greatly needed steel filing cabinet in their Georgia Room at Memorial Continental Hall, the Georgia delegation attending Congress in April, 1930, voted to purchase the cabinet without delay.

The following Chapters contributed toward the purchase of the filing cabinet: Atlanta, Burkhalter, Com. Richard Dale, Elijah Clarke, Etowah, George Walton, Gov. John Milledge, Hawkinsville, John Clarke, John Benning, Lamar-LaFayette, Lachlan McIntosh, Baron DeKalb, Arthur Fort, and James Monroe.

GEORGIA DAY COMMITTEE

Mrs. A. R. Colcord, Chairman

To the Regents and Daughters of the American Revolution, I bring you greetings from your Georgia Day Committee.

Nearly 200 years ago, on February 12, 1732, that great patriot and noble humanitarian, General James Edward Oglethorpe, founded the Colony of Georgia. Those of us who now claim it as our State, have every reason to feel proud of its glorious history since that date.

One of the chief functions of our organization has been always to keep green the memories of those early days and heroes, so that those who come after us may feel the same pride in the noble heritage which we experience today.

As a result of many causes, our State, along with the rest of the nation, is in the throes of an industrial depression that has temporarily paralyzed business and brought untold human misery. In this wilderness of suffering let us make Georgia a leader in the march back to the high road of happiness and prosperity.

The greatness of our organization must be measured by the greatness of our unselfish efforts, and today presents a glorious opportunity.

The Joseph Habersham Chapter thanks you for allowing one of its members to be Chairman of Georgia Day, since it was due to the untiring efforts of its beloved member, Miss Nina Hornady, that this day is recognized and celebrated each year.

On Sunday, February 8, the D. A. R. column of The Atlanta Constitution carried an article written by your Chairman. She also delivered an address over the radio on Georgia Day.

We have written 98 notes to Regents throughout the State, urging the observance of Georgia Day, and we wish to express our deep appreciation for the splendid response. Those who reported having observed the day, numbered 55 and are as follows:

Atlanta, Bainbridge, Tomochichi, Gov. Treutlen, Peter Early, Mary Hammond Washington, Nathaniel Macon, Noble Wimberly Jones, John Houston, Maj. Gen. GEORGE WASHINGTON'S BIRTHDAY

Mrs. Walter Scott Coleman, Chairman

The observance of George Washington's Birthday had its usual ready response by our Georgia D. A. R. Chapters with fitting exercises participated in by the members, schools, patriotic and civic organizations generally.

Appreciation of the Father of our country, his deeds in peace and war, grows in the American mind with the passing years. This lesson of patriotism to the youth of our country is gratifying and well worthy our efforts and the D. A. R. have led in this loyal tribute to our noble hero.

Below are recorded the 58 Chapters as their response was received. Your Chairman enjoyed the work and wishes to express

appreciation to our State Regent, Mrs. Bun Wylie, her committee and the Chapters for their hearty co-operation in making this celebration a success.

GEORGIA BELL AT VALLEY FORGE

Mrs. Eugene B. Codington, Chairman

I am so glad to be able to report a completed Georgia Bell fund this year. This completes four years as State D. A. R. Chairman for Georgia Bell, for me, during which time the entire fund of \$2,000 has been raised, including interest on the money, and a few donations from other sources. I have enjoyed the work, and appreciate the hearty response of the splendid Georgia Chapters.

Our Georgia Bell will forever peal forth her sweet tones to Heaven with a song of love and appreciation from Georgia for what her soldiers suffered at Valley Forge and accomplished for the nation.

On May 30, President Hoover will visit Valley Forge, and will lay the cornerstone of the great Bell Tower. Before the President comes there will be twenty-five State Bells ready to be hung.

The State Conference voted to accept by Resolution to name the bell for Gen. Lachlan McIntosh, thus paying a splendid tribute to the general who was in command of the Georgia Militia at Valley Forge. The name was also heartily endorsed by Dr. Burk, founder of the Memorials at Valley Forge.

Our bell will, however, still be known as "Georgia Bell."

A letter from Dr. Burk under date of March 20, showed that he lacked on the bell, \$388.85.

GEORGIA BANQUET AT WASHINGTON, D. C.

Mrs. Will J. Vereen, Chairman

One of the most beautiful occasions in Washington during Continental Congress was the Georgia Banquet, Tuesday evening, April 21. The honor guests were Mrs. Gaffney, Mrs. Moulton, R. I.; Mrs. W. C. Lean, Florida; Mrs. Charles Matthews, Washington; Mrs. Julius Talmadge; Mrs. Edward Murray, N. J.; Mrs. Bun Wylie, State Regent; Mrs. Howard McCall Mrs. Walter George; Mrs. J. J. Harris, Miss Jessie Dell.

Sixty-seven guests were present. The table decorations were beautiful in our D. A. R. colors, blue and white.

FORESTRY

Mrs. Fay Gaffney, Chairman

That men for ages have given protective thought to the forests is shown by the record of the fraternal organization founded in Yorkshire, England, in the year 1745. This body, known as the "Ancient Order of Foresters," has been maintained continuously since that time.

The first Court was established in America in 1882, at Philadelphia, Pa., and has spread rapidly in Canada and in the United States.

Constitutional provisions for Forestry have been made in many States, while in others the regulations are by legislative enactments. America is of all quarters of the world the most thickly wooded with primeval forest, and each State of the Union has a boastful record of valuable timber possessions.

Georgia, it will be of importance to know, ranks first of all States in the Union, in possessing timber trees, and shares with Florida in the possession of the largest number of species.

Forestry had its beginning in Georgia in the Forestry Act of 1921, and in 1925, the "Forestry Administrative Act," was signed by the Governor.

The broad policies which have been initiated by the Board are far reaching, and cover practically every phase of the work.

The Governor was empowered to appoint five State Representatives, embracing the most important departments, functioning for the State's advancement, and as one of the five, Women's Civic organizations, received prompt recognition.

Then in 1930, the Georgia Forestry Conference convened in Savannah and was sponsored by the Savannah Chamber of Commerce, and the Georgia Forestry Association, assisted by the Chamber of Commerce of the United States.

This proved to be a magnificent gathering of earnest thinkers, eloquent speakers, and the carefully planned program reviewed the work done by these appointed Representatives, and enthusiasm for further extension of State work was the high point of the closing session.

Your State Chairman of Forestry, Georgia D. A. R., was invited to address the Conference, as a Representative of Women's Clubs, and the subject assigned her was, "The Value of Forests to Women's Clubs."

Upon several occasions she has taken part in programs touching Forestry, planning work for Junior organization, attending exercises where Memorial trees were planted, to do honor to some departed member, and to arrange radio lectures for broadcasting the work of State Forestry.

The inspiration to convert the plot of ground in Elbert County, known as the "Nancy Hart Farm," came to me at the close of the Nancy Hart Pilgrimage, which covered seven days of intensive travel, along the Highway known as the Nancy Hart, during my term as State Regent, Georgia D. A. R. At this time seven granite markers were unveiled commemorating the bravery of our Revolutionary heroine, and that the Georgia D. A. R. should possess this plot of ground, call it our "D. A. R. Forest," was a dream that came from the heart of your then State Regent.

Letters were written later, after the then Regent was assigned the duty as State Chairman of Forestry, D. A. R., and plans to obtain this property as such undertaken. The Nancy Hart Chapter, Milledgeville, and the Stephen Heard Chapter, Elberton, are the joint owners of the land, and after gaining consent from the Milledgeville Chapter to deed this land to the Georgia Society D. A. R. for a State Forest, the matter was then taken up with the Elberton Chapter. After some delay, it was known that this same work was to be undertaken by a capable, enthusiastic member of the Elberton Chapter, under the head of Conservation and Thrift.

It was, of course, the pleasure of your Forestry Chairman to "stand by," and wait for the presentation of this land, and to enthusiastically approve the plans of the Chapters in making this gift, for it is right and proper that the Chapters should have the first consideration, and all praise given for the worthy gesture.

Together, we have arranged steps whereby this important work may be discussed at our Macon Conference, and immediate action taken to complete the plans and begin active work.

In stressing the high points of accomplishments made by the individual Chapters in Forestry, during my first term as State Chairman, I place the planting and dedication of Memorial trees honoring the Nation's first President as most far reaching in educational values. It is well to know that in this undertaking, the Georgia Forestry department joined forces with the American Tree Association in proposing the planting of trees in commemoration of the two hundredth anniversary of the birth of George Washington.

More than ten million trees, to stand as monuments to this first President is the object of this movement, and the Georgia department sent out letters immediately, to all Clubs, throughout the State, urging their cooperation. This response has been superb, and is a source of extreme gratification to your Forestry Chairman.

Lectures on Preservation of Forests, moving pictures stressing the conservation of Natural Resources and Wild Life have been the means of bringing this subject before the local members.

Exhibits of Forestry products, articles written on care of mature trees, and the damage suffered by careless forest fires, in newly cleared land, are subjects stressed by many Chapters.

Wild flower gardens, and trees of the evergreen variety, as well as reforestation of acres of County lands, is constructive work accomplished by many Chapters. Another Chapter reports that much success has been reached by the use of posters, and programs touching directly upon them; while others report that asking the local papers to publish articles bearing upon this phase of State work has brought pleasing results.

One County, Pulaski, reports that 15,000 trees have been planted by the D. A. R. Chapters of that County alone.

Many Chapters have planted from 50 to 100 trees, but the excess in number is claimed by the John Milledge Chapter, Dalton, when news came that over 1,000 had been planted this year.

When we consider that so great a multitude is busily engaged

in such a magnificent movement, and that our glorious Georgia, from her primeval supply is prepared to furnish trees, for even a greater army of friendly Foresters, we may well ask, How can any individual fail to have a part? and how can the members of the Georgia D. A. R. refuse the high privilege to possess a State Forestry bearing her noble name?

FLAG DAY

Mrs. J. L. Mims, Chairman

As your State Chairman of Flag Day, I beg to submit the following report:

Immediately after my appointment last year as Chairman of Flag Day, I sent an articles to the State Editor for publication on the official page in Sunday's Atlanta Constitution, stressing the importance of Flag Day. I also mailed communications to every Chapter in the State urging the celebration of the day and asking for a report.

I have received inquiries from several Chapters asking for suggestions and material for Flag Day Programs, all of which have had my prompt attention.

Reports from Chapters show that a loyal and patriotic spirit prevailed.

Of the 96 Chapters in the State, 52 reported having celebrated Flag Day. Three Chapters replied to my communication, stating that on account of having disbanded before June, there was no observance on the day.

The different ways in which the day was observed has added inspiration to the work. The following Chapters sent most interesting reports:

Major General Samuel Elbert Chapter reported having on their program a living flag formed of school children.

Nathaniel Macon Chapter furnished small flags for decoration of dinner table at Georgia Industrial Home on Flag Day.

Lamar-LaFayette Chapter reported a magnificent address on "Defense of the Flag" and on "Citizenship."

Nancy Hart Chapter entertained state officers and other distinguished guests in celebration of the day at historic old Fort Wilkinson.

Oglethorpe Chapter had an inspiring address on "What the Flag Represents," and the Regent presented to the Chapter three small desk flags, the United States Flag, the Georgia Flag, and D. A. R. Flag.

Augusta Chapter reported an interesting program at Meadow Garden, with a splendid address on "The Spiritual Significance of the Flag."

Brunswick Chapter sent an interesting report stating that they celebrated with a "Patriotic Luncheon" and program at Cloister Hotel on St. Simon's Island, using many flags for decoration.

Burkhalter Chapter reported a delightful diversity: a patriotic party, which is an annual custom with them. They used a Flag Game, followed by an exhibit of flags showing the ten stripes by which the flag has become what it is today.

Benjamin Hawkins Chapter reported a Sacred Flag Day program, given in connection with the Sunday Schools.

Stephen Heard Chapter reported a lovely Flag Day tableau, featuring Betsy Ross and George Washington in costume.

Other Chapters report appropriate readings, addresses on subjects pertaining to the flag, music, musical readings, etc., on their program and displayed the flags.

Chapters reporting are as follows: Mary Hammond Washington, Nathaniel Macon, Elijah Clarke, Altamaha, William Marsh, Hawkinsville, Etowah, Lachlan McIntosh, Gov. John Milledge, Barnard Trall, Council of Safety, Major General Samuel Elbert, John Houston, Roanoke, Lamar-LaFayette, Atlanta, Gen. Daniel Stewart, Nancy Hart, George Walton, Augusta, Oglethorpe, Brunswick, John Benson, Briar Creek, Samuel Reid, Sarah Dickinson, Burkhalter, Fort Early, Henry Walton, Thronateeska, Richard Dale, John Laurens, Savannah, Elizabeth Marlow, Bonaventure, James Mouroe, Governor Jared Irwin,

Lyman Hall, Jonathan Bryan, Benjamin Hawkins, LaGrange, Joseph Habershaw, James Pittman, Button Gwinnett, John Ball, Pulaski, Stone Castle, John Clarke, Col. Wm. Few, Stephen Heard, and Col. Wm. Candler.

Although this report is most gratifying to the Chairman, I hope that next year every Chapter in Georgia will report having observed the birthday of our nation's flag.

Unfurl the flag on June 14th! Let it snap and crackle in the breeze and play an accompaniment as we shout the Pledge of Allegiance!

"Let it rise! Let it rise! Till it meet the sun in its coming;
Let the earliest light of the morning gild it,
And the parting day linger and play on its summit."

FANNY TRAMMELL LOAN FUND

Mrs. W. E. Mann, Chairman

Surely there was never a time in the history of the world when education and equality of opportunity were so much needed as now.

For many years the Daughters of the American Revolution have been engaged in the work of promoting public education.

For six years it has been my pleasure to serve as your first and only State Chairman of the Fanny Trammell Memorial Loan Fund. In that time, with the loyal co-operation of the State Regents and Chapters, this fund has the distinction of having been started and completed in five years to the full \$5,000.00—the goal set by Conference.

We have made 49 loans to 36 girls and boys to the total amount of \$6,517.54; many notes having been paid and the money loaned again. The report for the past years is as follows:

ERADICATION OF ILLITERACY

Mrs. W. M. Shurling, Chairman

To serve as Chairman of the Eradication of Illiteracy Committee is a distinct privilege, because it is through education that citizens are made. Truly the three R's are the deliverers of the nation. Reading is a cure for blindness, writing releases the souls that have never known self-expression, and arithmetic casts out the demons that deceive and deprive.

Wherever illiteracy is banished there comes self-mastery and the serenity of life. To those of you that have helped in this great mission of mercy, I would say that you have lighted many candles that will shine back to cheer you in later years and to you is rightfully bestowed the title, "King of Yourself and Servant of Mankind."

The following reports are very gratifying:

The John Laurens Chapter of Dublin sent \$50.00 worth of books

to the mountain people of Tennessee, and letters from state officials related that the influence of these had been wonderful.

The Atlanta Chapter, Atlanta, sent \$2.00 to the State Treasury for illiteracy.

The Lyman Hall Chapter, Waycross, has had two members who have been having classes for adults.

A sister of a member of the Hancock Chapter, Sparta, has been teaching a group of adults the three R's.

The Dorothy Walton Chapter, Dawson, reports only ten illiterate white persons in their county and this has been corrected by classes sponsored by the Chapter.

The Lamar-LaFayette Chapter, Barnesville, reports \$2.00 contributed to the county fund for the eradication of illiteracy and that two members gave their services to this noble work.

From the John Clarke Chapter, Social Circle, comes the encouraging information that a thorough investigation was held and that only one negro was found who could not read and write.

A book shower was given by the Archibald Bullock Chapter, Montezuma, which was far-reaching in its effects.

The Roanoke Chapter, Lumpkin, reports that they have given much aid for the eradication of illiteracy.

The Chapter Chairman, Bonaventure, Savannah, has been teaching two foreign born women and one girl the English language and has been very active in giving books where needed.

A member of the Hawkinsville Chapter teaches a factory school and the Chapter sponsors every movement for the advancement of education.

The Brunswick Chapter has been very outstanding in its activities, having given \$25.00 in money and personal assistance for the maintenance of both day and night classes for the illiterates.

At Eatonton, the Samuel Reid Chapter has been very active in a general way and by giving three prizes for citizenship in different schools.

The Council of Safety Chapter, Plains, has distributed books throughout their county to help eradicate illiteracy.

The Commodore Richard Dale Chapter, Albany, reports \$5.00 given.

At Columbus, the George Walton Chapter reports an active committee doing good work.

STUDENT LOAN FUND

Mrs. Barnett Solomon, Chairman

Georgia D. A. R. led all other States in Student Loan Fund work. Of this, we are justly proud. But our greatest pride lies in the realization of our aims and the visible proof of our accomplishment in the number of Georgia students benefitted and those now obtaining an education through the assistance of our D. A. R. Funds.

Patriotism is the foundation and keynote of all D. A. R. effort. In no branch is it more evident than in our Loan Fund work where by education we increase the efficiency and raise the standards of citizenship in our State.

During the past year there has been an unusual amount of interest in Chapter Loan Funds. Ten new Chapter Loan Funds have been established with sufficient amounts for lending.

Chapter Regents and members have enjoyed a wonderful satisfaction in helping their home town young people to better advantages. The splendid work of the Elijah Clarke Chapter is nationally recog-

nized as one of the finest local funds in the United States, being so named by Miss Marjorie Spaulding, National Chairman of Student Loan Fund.

The Savannah Chapter and the Fielding Lewis Chapter have asked members to contribute to their loan funds in memory of some loved one. Relatives and friends have found it a satisfying and beautiful mode of expressing their love and respect. The Savannah Chapter has received one memorial gift of \$200.00, the fund to be known as the Isabella Ramshart Redding Scholarship.

Owing to the death of Mrs. Christian Clark, of Atlanta, State Chairman, there is no report for this Committee.

EDUCATIONAL LOAN FUNDS FOR LOCAL SCHOOLS

Lucy Leah Redwine, Chairman

Your Chairman is pleased to report that the amount of \$2,500.00 has been used from our Educational Loan Funds for Local Schools during the past year by the Georgia D. A. R., showing an increase of \$500.00 over last year's work.

D. A. R. MAGAZINE

Mrs. J. Tom Wood, Chairman

Our Magazine has not only been kept up to the standard this year, but it is steadily improving. Many, many Daughters do not realize its value, judging by the small number of members who subscribe for the magazine. The subscription list is entirely too small for a magazine publishing articles in which we as D. A. R. are vitally interested. January 1st, the National Chairman sent me a list of Georgia Regents who were not taking the magazine. There were sixty Regents on that list, but I wrote a card to every one and begged for their subscription. Twenty came to the rescue, but think of forty Regents not taking our official organ. May I ask these forty Regents how you can keep informed about our work without it and may I plead with you to give me your subscription at this Conference? More and more the libraries of our country are giving attention to the magazine as an authority on historical subjects.

Early in the fall the National Chairman asked each State for a contribution of \$25.00 to help place the magazine in the libraries of our colleges and also to be sent to the Governor of each State. Your Chairman sent a card to each Regent in Georgia asking her Chapter for \$1.00 to help raise this amount. Only seventeen Chapters responded to this call. The first Chapter to respond was John Houston and the contribution was sent to your Chairman before the request reached her local Chairman. The Chapters contributing are: John Houston, Atlanta, Savannah, Lachlan McIntosh, Bonaventure, Com. Richard Dale, Sarah Dickinson, Augusta, Hawkinsville, Edmund Burke, John Clarke, Nancy Hart, Oglethorpe, Elijah Clarke, Stephen Heard, Gen. James Jackson, and Joseph Habersham.

Very few Chapters seem to take any interest in winning the silver loving cup that is given for the largest number of new subscriptions and yet, that may show that the magazine has taken a grasp on the membership for three-fourths of the subscriptions this year are renewals. The largest number of subscriptions reported is from Savannah Chapter with thirty-two, the next is Joseph Habersham with twenty-seven. Only forty Chapters reported to me and I was obliged to secure the total number of subscribers from the Treasurer General. There is a very slight gain over last year, the total number of subscribers being two hundred and ninety-eight. The silver loving cup goes to Joseph Habersham Chapter with twenty new subscriptions.

COOPERATION BETWEEN D. A. R. AND S. A. R.

Mrs. Edward Jones, Chairman

Splendid cooperation with the S. A. R. has been indicated by a number of Chapters throughout the State.

The Hawkinsville Chapter presented two Citizenship (S. A. R.) medals through the public schools this year. The Baron DeKalb Chapter, Decatur, presented three similar medals. The Governor John Milledge Chapter reports three such medals. The Colonel William Few Chapter offered one Citizenship medal.

The John Ball Chapter prepared applications for S. A. R. members. The John Milledge Chapter also prepared eight S. A. R. papers. The Joseph Habersham Chapter has cooperated in many ways and enjoyed a fine address by a member of the S. A. R.

CORRECT USE OF FLAG

Mrs. John M. Slaton, Chairman

I have sent to each of the 98 Regents copies of Flag lessons for the year, prepared by the National Chairman of Correct Use of the Flag Committee, Mrs. Charles Brand.

Many of our Chapters are now using these lessons, with much interest and enthusiasm, and some have carried them into their local schools. Some have placed copies of the Flag Code in schools. Your Committee on Correct Use of the Flag would be glad to report that every City and County school displayed a Code, hung by the Daughters of the American Revolution.

Most of our Chapters observe Flag Day, June 14th, and Independence Day, July 4th, as well as Washington's Birthday with patriotic exercises and music; and a majority of the Chapters use the Salute to the Flag at every monthly meeting.

CONFERENCE PROPERTIES

Mrs. Thos. Edward Ryals, Chairman

The D. A. R. insignia was received in good order from the Newnan Chapter. The D. A. R. Flag and Stand came from the Washington Chapter, in ample time for the Macon Conference. The Brunswick Chapter sent the small stand of Flags. All of these properties were used at the State Conference in Macon, March 24, 25, and 26. Immediately after the Conference, they were carefully packed and safely stored. At the request of the next Hostess Regent, they are being held until she returns home in the fall, when they will be shipped to Waycross.

COUNTY HISTORIES

Mrs. B. A. Tyler, Chairman

In June of last year, your Chairman of County Histories, after communicating with the members of her Committee, sent out to each Chapter Regent a letter urging her to arrange for the compilation and, if possible, the publication of a History of Her County, to comply with the State law. It was suggested that it might be well to arrange to cooperate with other Historical and Patriotic Societies in this work, secure the appointment of a strong Committee by the grand juries of the various Counties.

The response to these letters was immediate and gratifying. Some few reported County Histories already published. Several Regents reported that funds for publication were not available at the present time and were urged to proceed with the compilation, looking to publication at some later day.

Twenty-six Chapters have reported work already begun. The splendid Upson County History, compiled by Mrs. Cunningham and Miss Evelyn Hannah, of Thomaston, is paid for, off the press, and ready for distribution. Mrs. Victor Davidson, Regent of the John Ball Chapter, of Irwinton, and co-author of the History of her County, reports that History has already paid for itself and they are looking forward to a profit from their labors in the future. These are, so far as reported to me, the only histories finished under the new law.

Your Chairman has high hopes that before the date set for the completion of the work by the Legislature, Georgia Day, 1932, the Georgia Chapters, D. A. R. shall have gone over the top again and be able to report a goodly percentage of the present Counties of Georgia as having published and preserved for all time the priceless records of past achievement.

CONSTITUTION AND MAGNA CHARTA DAY

Mrs. Julius T. Dudley, Chairman

Believing that "Eternal Vigilance is the price of Liberty," I sent to each Chapter Regent early in September two circulars which gave many valuable suggestions for the observance of Constitution Day, September 17th, 1931., the 144th anniversary. This is one of the greatest and most important of American Anniversaries and should live in the hearts of our loyal members of the Daughters of the American Revolution; and by their encouragement in the hearts of every American citizen. Publicity is essential; and by cooperation with other organizations, schools, ministers of churches; keeping the interest of Boy and Girl Scouts; by debates and broadcasting messages we may encourage interest and activity.

Daniel Webster tells us: "The Constitution of the United States is a written Instrument: a recorded Fundamental Law; it is the BOND and UNION of these States; it is all that gives us a National Character." Let each Chapter Regent encourage each member of her Chapter to read through conscientiously this splendid document that has lived through the years of struggle, that has been the means of promoting general welfare, and of securing the blessings of Liberty to ourselves and our posterity. Many of our Chapters report very interesting programs in observance of the day—and this year let us strive to do more toward this worthwhile effort.

CONSERVATION AND THRIFT

Mrs. T. O. Tabor, Chairman

It has been with great pleasure and interest that I have served as your State Chairman of Conservation and Thrift. I am deeply indebted to each Chapter and to every member of Georgia D. A. R. for their assistance in the Conservation of our Natural Resources, Human Conservation and Thrift in Georgia this past year.

Thrift education is no longer an experiment. Thrift means more than knowing the value of money, the necessity of saving and how to spend to the best advantage. It means the Conservation of all things valuable, such as time, energy, talents and habits.

Conservation is on the lips of all and deep in the hearts of many. It can best be defined as taking thought of the morrow. Most of the

worn out lands of the world are in their present condition, because much of the surface soil has been washed away. I want to stress the absolute necessity of forests. Tree planting counts, but the day has come when we must protect our water supply, our lumber, and soil, by forests. Then since Dr. Herty, the chemist, has discovered that paper can be made out of slash pine, we have all the more reason for reforesting our denuded areas in Georgia.

Georgia is blessed with great wealth in soil, water, minerals, plants and wild life, and great progress has been made the past two years in Conservation and Thrift. It is very gratifying to see what is being accomplished along this line by Georgia D. A. R.

I am delighted to report that in Macon at the 33rd State Convention, the Daughters of the American Revolution in Georgia accepted the generous offer of the Nancy Hart Chapter, Milledgeville, and Stephen Heard Chapter, Elberton, which consisted of the Historic spot in Elbert County where Nancy Hart performed many deeds of bravery during the Revolutionary War. This plot of ground will be called the Georgia D. A. R. Forest Park and will be maintained and improved by the State organization.

CHILDREN OF THE AMERICAN REVOLUTION

Mrs. C. E. Pittman, Chairman

It is with great pleasure that I bring to you my report as Chairman of Children of the American Revolution. Interest is being manifested by the many letters I have received. Many Chapters of D. A. R. are sponsoring a Chapter or planning to organize one in the near future.

The Lady Elizabeth Oglethorpe Chapter was organized last October in Atlanta by Mrs. B. C. Ward as organizing President. Junior President, Miss Jessamine Crenshaw Ward. This Chapter is one of the outstanding Chapters in the State. It is doing wonderful work.

Benjamin Hawkins Chapter, Macon, was organized January 27th, 1931, with Mrs. Chris Walker as organizing President, with seven members. Many applications pending.

LaGrange Chapter C. A. R., with Mrs. Thomas G. Polhill as organizing President and Mrs. R. A. Malone as Senior President.

The Dublin C. A. R. with Miss Mary Guyton Ramsey as organizing President.

Those under formation are as follows: Columbus, Ashburn, Sylvester, Barnesville, and Eatonton.

Total number already organized, 5; under formation, 10.

BLANCHE McFARLIN GAFFNEY TROPHY

Mrs. T. D. Power, Chairman

Your Committee has found that the members of the Elijah Clarke Chapter have given personally more money per capita for Gift Scholarships than any other Chapter. Most praiseworthy and excellent work has been done through gift scholarships, loan funds, the securing of scholarships in the schools, colleges, and universities, all of which has gained for Georgia in N. S. D. A. R. work most creditable recognition.

In awarding the trophy to Mrs. Julius T. Dudley, Regent, who accepted it on behalf of the Chapter, the Chairman said in part: "It seems only a natural thing that an award offered to stimulate higher education should go to the Classic City, a noted seat of learning, the home town of the University of Georgia. At this happy moment it seems to me no less appropriate that it is my privilege and very great pleasure to deliver to you this beautiful trophy; for long since 'Athens held my heart.' Here is the alma mater of my brother and husband and today fond recollections come to mind. Benefits from the scholarships you have given to young people will be multiplied as many times as the lives they will touch and influence. Lowell says: To be young is surely the best, if the most precarious, gift of life. So in delivering into your hands this beautiful trophy, token of award, permit me to say—

'More precious than the minting of gold for the Crown of a King,' is the education of the children of men."

BETTER FILMS

Mrs. W. H. Hightower, Chairman

The State Chairman of Better Films is pleased to report that of the ninety-seven Chapters in Georgia, eighty-nine have regularly appointed Better Films Chairmen, with the Regents of the other

eight Chapters serving in this capacity. Eighty-four Chapters have made reports to the State Chairman. This splendid organization is largely due to the fact, that one of our twelve State Honor Roll Requirements is: "Appoint Chapter Chairman for Better Films, and report to State Chairman."

We have five Chapter Chairmen in towns where there is no theatre, and two in counties which do not have a moving picture show. Several of these Chairmen are doing splendid work in advertising and recommending the pictures approved by our National Committee, shown in nearby towns; for there are few communities in Georgia entirely out of reach of moving picture influence.

Perhaps our best work is being done in the smaller towns, where we find local theatre managers eager to co-operate, and more than willing to show the better films, if they can afford to do so. Our Chairmen in the small towns are showing unusual interest and ingenuity in their work, especially in attractive school and newspaper publicity, and a most business like ability in keeping correct files and records.

Our Chairmen report that fifty to seventy-five per cent of the pictures shown are classed I and II; a percentage that might run even higher if all pictures shown were reviewed by our Committee; and theatre managers report increased attendance in every instance, where our local Committee has called attention to these pictures.

In Macon and Atlanta, our Chapter Chairmen do wonderful work in co-operation with the City Better Films Committee. The Chairman of the Atlanta Chapter serves on a Pre-viewing Committee, and also on a Speakers Bureau; and both Atlanta and Joseph Habersham Chapters co-operated in a wonderful Christmas Welfare Benefit, providing poor children of the city with toys, food and clothing. Sergeant Newton Chapter, Covington, also sponsored a Christmas Welfare Benefit. The Chairman of Mary Hammond Washington Chapter, Macon, has charge of the Saturday Children's Matinees in Macon.

Seven Chapters in the State sponsor Children's Matinees and special programs.

Thirty-two Chapters co-operate with other patriotic, civic and social organizations in Better Films work.

At the January meeting of the Council of Safety Chapter, Americus, a feature of the program was a debate by High School students: "Resolved, That Moving Picture Shows are a menace to the home." The negative side won, and was presented a box of candy.

Forty Chapters have sponsored benefits and attendance parties.

Newspapers over the State are most generous in their co-operation.

There have gone out from the State Chairman's desk two hundred thirty-nine form letters and cards, and one hundred ninety-seven personal letters.

All thanks are due the loyal Chapter Chairmen and Regents of Georgia, whose untiring efforts and loyal support make this report possible.

It has been a pleasure to serve as State Chairman of Better Films under the gracious leadership of our State Regent, our Vice-Chairman for the Southern Division, our National Chairman, and our President General, who have, one and all, been most generous with their time, attention and advice; and we are sure that the work of the Daughters of the American Revolution is truly hastening the day of really Better Films in Georgia.

HIGHWAY BEAUTIFICATION

Mrs. R. P. Brooks, Chairman

The Chairman of Highway Beautification takes pleasure in submitting her brief report on Highway Beautification, and the splendid co-operation manifested by the many responses of the Regents to her letter, sent to each of them some months ago: Many of the Regents have reported that much of the work as outlined by the Chairman is being carried out by the Daughters of the American Revolution, and also by the Garden Clubs, many of their members being also members of the D. A. R. Others have reported plans for considerable active work during the spring.

It was the privilege of your Chairman to attend the State Board meeting at Sandersville, and she has endeavored to keep Highway Beautification before the press and public, thus extending the educational work.

At a National Good Roads Convention, which convened out West last year, it was the privilege of your Chairman to hear some splendid reports on Highway Beautification. As Daughters of the American Revolution, we would enjoy being given credit, not only for placing many markers, and beautifying historical sites, churches, and schools, but also for leading in the splendid work of beautifying National highways.

Highway Beautification features a three-fold interest: it embraces sentiment, service and patriotism, and rendering this service to our State constitutes the conservation of our natural resources, and the preservation of our trees and forests, especially all trees along the highway.

Another important feature of our work is the removal from the highways, all unsightliness and all rubbish which mars, detracts, endangers or destroys the natural scenic beauty and safety of the passer-by. After this has been removed, the highways are then open and ready for beautification by planting low-growing trees, shrubs and flowers.

Georgia will soon celebrate her 200th anniversary in 1933, and Washington's 200th birthday will be observed in 1932, and it should be Georgia's ambition to have her highways beautified before these notable, outstanding celebrations arrive.

Our remuneration in rendering this patriotic service, is the knowledge that, by our unselfish efforts combined with Mother Nature, we will make Georgia a most attractive gateway of the South, and she will become one unit in making America the Garden Spot of the World. May this be the highest aim, purpose and ambition of everyone who lives in America today.

ARMISTICE DAY

Mrs. C. A. Rudolph, Chairman

In September, 1930, letters were sent by the State Chairman to all Chapter Regents asking that plans and arrangements be started at once for the proper observance of Armistice Day in every community in the State. Suggestions were made and programs outlined and Regents were urged to have their Chapters take the lead in celebrations on that day.

Since Armistice Day, responses have been received from almost every Chapter in the State with gratifying reports of the various activities in which the Daughters of the American Revolution took

part, co-operating with other patriotic organizations, in bringing again to the minds of Georgians the heroic deeds and sacrifices of our countrymen and the ideals for which they battled in the great conflict which ended on November 11, 1918.

The three Chapters in Columbus, working together, are especially to be commended for the manner in which the day was observed there; and from many other Chapters very fine reports have come.

As the years come and go, let not our interest waver but continue with increasing fervor, and on every anniversary let us celebrate that day which brought peace and an end to the suffering of millions, and to honor those who now "lie row on row in Flanders fields."

Let us, the Daughters of the American Revolution, be the torch bearers to keep alive and cherish the memory of the heroism, sacrifices, and patriotism of our sons.

"Tell ye your children of it, and let your children tell their children and their children another generation."

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Irving S. Thomas, Chairman

Two hundred and four books were sent through the Georgia Society Daughters of the American Revolution to the American Merchant Marine Library. A letter from the President of the Association stated that the books sent by the Georgia Society were the best selection sent by any Society, that each book sent, was needed, and showed careful selection. Old school books, histories, fiction and books of travel are much appreciated by our boys of the Sea, many of whom are away from their native shore for a year at a time, and the books which we send are their greatest means of keeping in touch with the country which is so dear to the American boy. Books may be sent direct to the American Merchant Marine Library Association at New Orleans, they will pay express charges, but your Chairman of American Merchant Marine Library must be notified of the number sent, in order that your Georgia Society may receive credit for sending same.

Our outstanding work for the past year has been that of beautifying the strip of ground a block long, on the highway. This strip of ground, 30 feet wide, was badly washed and has been an eyesore in Ashburn for a good many years. It is now terraced to prevent washing by 360 feet of rock wall, about 2½ feet high, dividing the strip into even sections of 30x50 feet, each section with a palm in the center will be dedicated to the Revolutionary ancestors of our members of the Chapter.

We have also enclosed a plot 30x50 feet in a low rock wall with a 15-foot magnolia in the center which will be dedicated in February, 1932, to the memory of George Washington in line with plans of American Tree Association for commemorating the Bicentennial of the birth of George Washington.

In accounting the activities of our splendid Chapter for the past year, it is my privilege to review some of the salient high points reached by the officers and chairmen and their co-workers.

The satisfactory functioning and successful accomplishments are due largely to the efficient members that constitute my Board of Management.

Mrs. Mary N. Coles (Henry A.)

Miss Martha W. Morel.

Mrs. Willette Hudgens Clarke (Christian).

In listening to the many varied reports containing statistics, let us visualize the individual or individual effort back of the figures—often is romance there.

Our year has been a pleasant one, and our work with the other Chapters has been marked by the utmost in good feeling, and to this co-operative spirit we attribute much of our success and pleasure.

As many of us will pass on the standard to other hands in leadership let us feel that while another assumes these tasks, there are many other fields of usefulness in our organization, which requires our attention. To me it will be a great pleasure to give my very best efforts to our successors in office.

Our speakers for three patriotic occasions have been interesting and instructive: Hon. Joseph D. Smith, Col. O. E. Dobbs, and Rev. Harry V. Smith.

We have patriotic songs at Chapter meetings and in schools we urge the study of the history of songs.

The following was accomplished for the Welfare of Women and Children: three and one-half tons of coal were given to needy women this year, \$10.00 per month was given to an old woman 80 years old, a box of clothing was sent to the Orphans' Home at Christmas, clothing was contributed regularly to a woman with two children to keep the children in school, school books were sent to mill schools, a box of flowers were sent to a Children's Hospital, and on Mothers' Day a box of flowers were sent to the Federal Prison.

Seven or eight years ago the U. D. C. began the County History. A committee from our Chapter has been appointed to assist them in every way possible. The history of Pike County was sent to Mrs. J. G. Adams as our contribution to the Library in Washington.

Our roster was sent to the State Chairman and one Lineage book, Vol. 117, was purchased. The Chapter History was sent to Mrs. Sanford Gardner.

One of the Chapter's finest services has been the sponsoring of Georgia Day observance, February 12. The exercises were held in the new auditorium of the Georgia Industrial College and were attended by the student body of that school and of Gordon Junior College, and by citizens of the town.

There have been nine Chapter meetings since the last State Conference, ten patriotic days have been celebrated, and twelve historic and patriotic papers given. Honor Roll requirements were met by forty-three.

The outstanding events of the year were: a joint meeting of the three local D. A. R. Chapters in honor of Mrs. H. Fay Gaffney, endorsing her for Vice-President General; and the planting of a Memorial Tree with appropriate exercises in memory of our beloved deceased member, Miss Mary Lewis Redd.

We have two local gift scholarships and we have started a Student Loan Fund which we hope to have completed soon. OGLETHORPE CHAPTER, COLUMBUS

Mrs. Alfred Noel Murray, Regent

The Oglethorpe Chapter reports a membership of 93. It is with regret that one beloved member was lost from our ranks, Mrs. Louise Pierce Abbott.

The Chapter was represented this year at the Divisional Congress at Gulfport, Mississippi.

Patriotic days began in April with Thomas Jefferson's birthday. At the June meeting the Regent, with appropriate remarks presented to the Chapter three miniature flags for the Regent's desk. Our flag, Georgia Flag and the D. A. R. Flag, July 4th and the Constitution Day the local papers gave the Chapter two editorials, LaFayette Day and the three Columbus Chapters had a brief ceremony placing a wreath on LaFayette bowlder at Fort Benning.

The first meeting in the Fall the Chapter presented to the Woman's Club a framed reproduction of the Declaration of Independence. November meeting was of two-fold—Armistice Day and a tea for Georgia's candidate for Vice-President General, Mrs. Herbert Fay Gaffney, was celebrated by the three local Chapters. Oglethorpe is especially proud that she belongs to us. Woodrow Wilson Day, Georgia Day, International Day and Washington's birthday were also observed with fitting programs.

The year's study is most interesting, "The Indian Trailed by the White Man."

The Chapter assisted in sale of Christmas seals and most members purchased \$1.00 worth; 12 D. A. R. calendars were bought; nine subscribe to magazine; \$5.00 given at State Conference to help finish Georgia book unit. The three local Chapters bought a "Guest Desk" for Continental Hall, our part \$33.35; \$10.00 for indexing Georgia files; \$10.00 on Mrs. Bun Wylie's chair.

Sent nine reports of Chapter meetings to State Editor and reported the number of calendars bought. Two hundred post cards of Memorial Shaft in Historical Triangle at Fort Benning were made and one sent to each Chapter Regent of Georgia. Reported to all State Chairman. Glad to say, all except five National dues, Honor Roll requirements met.

Now Oglethorpe claims another honor of having one of her members chosen as a page at National Congress, Mary Jane Gaffney.

Outstanding work for the year is seven gift scholarships to our local Industrial High School.

Disbursements for the year are \$361.60.

GEORGE WALTON CHAPTER, COLUMBUS

Mrs. Edward Wohlwender, Regent

This Chapter now has an enrollment of fifty-two, has added six new members, lost two by death, and five by resignation. The average attendance is 60 per cent.

Our meetings are held once a month, sometimes at the home of members, others at the Columbus Woman's Club House, a new and prized privilege of the clubs of the city since the recent establishment of this club.

We have met all Honor Roll requirements, and have contributed to Meadow Garden and to the Georgia room and Library Index work in Constitution Hall. Our members have assisted the Public Health Nurse's Association in the sale of Red Cross seals, have made efforts to conserve Christmas greens, and have planted seeds along the highways. A program on Forestry was given, and an outstanding program of the year was on the American Indian, a talk being made by Dr. Porter, Pastor of the First Baptist Church, who had the opportunity to study the Indian closely in Canada and Oklahoma.

We have co-operated with the local Historical Society in efforts to have the history of Muscogee County written, have published notices concerning D. A. R. broadcasts, have sent three historical post cards to the State Chairman, and a valuable box to Ellis Island.

All patriotic days were observed, nine historical programs presented, and three papers sent to the Literary Reciprocity Committee. Accounts of two meetings and a photograph of the Chapter were sent to the State Editor. We have six subscribers to the D. A. R. Magazine, have sold seventeen D. A. R. Calendars. Our Better Films Chairman has co-operated with the local Three Arts League in film work.

The Year Book, Mrs. J. H. Walton, Chairman, has offered a pleasing variety of programs. The National Defense papers have been read at every meeting. With the two other local Chapters, we celebrated LaFayette's birthday with simple exercises at the LaFayette marker erected at Fort Benning by the local D. A. R. members. A wreath was placed on the marker standing on the spot where the great Frenchman once passed on his visit to America.

We conducted an Essay Contest among seventh grade students. Mrs. Lovett Wade was the able Chairman and the subject was, "The Contribution of Southern Colonies in the Building of the Nation." The prize, \$5.00 in gold, was awarded to Master John B. Peacock, Jr.

One of the best accomplishments of the year was the completion of the entire roster of the Chapter. This was splendidly compiled by Miss Edna Jessop, and sent to the State Chairman.

There were two outstanding social events of the year. George Washington's birthday was celebrated by a costume tea at the handsome new home of Mrs. Lawrence Hunt. Red, white and blue formed the decorations with early spring flowers. Two distinguished guests were: Miss Anna Caroline Benning, former National officer, and Mrs. Herbert Fay Gaffney, ex-State Regent. With the other two local Chapters, we entertained in November with an elaborate seated tea, with a patriotic program, honoring Mrs. Herbert Fay Gaffney, candidate for the office of Vice-President General.

The Chapter voted for the Oglethorpe Boulder on Broadway in Columbus, as the spot to be marked by the Georgia D. A. R. This marks the place where General James Oglethorpe crossed the Chattahoochee River for a conference with the Indians.

The Chapter was saddened by the death of one of our members, Mrs. Louise Parrish Smith, who passed away in January. Resolutions on our loss were adopted and published in the local press. Just the Saturday before our State Conference opened in Macon, we were shocked and grieved by the death in an automobile accident of Mrs. Fred M. Jenkins, one of our valuable and beloved members. Mrs. Jenkins was Registrar. These two deaths were great losses to our Chapter.

SERGEANT NEWTON CHAPTER, COVINGTON

Mrs. W. D. Travis, Regent

It gives me much pleasure to report for Sergeant Newton Chapter a most enjoyable and successful year.

The support of the Officers, Chairmen, and individual members have been most gratifying. Ten regular meetings have been held at the homes of the members with good attendance. All meetings have been opened with patriotic songs, followed with prayer by Chaplain or members.

The historical programs, outlined by the State Chairman, have been used. These programs have been most interesting, consisting of historic papers, or addresses, music and readings.

We have endeavored to follow lines stressed by State and National Societies but, perhaps the Chapter's most outstanding work has been along Patriotic and Educational lines and Welfare Work.

All designated Patriotic days have been observed. On Armistice Day our exercises were held at the public school with a splendid address by the Presbyterian minister, Mr. Peter Marshall.

We have given scholarships to two Senior pupils in the Covington High School.

A prize of \$5.00 has been offered to the High School pupil writing the best essay on Unmarked Historic Spot in Newton County.

The members have shown greater interest in Genealogical Research than ever before.

A copy of Newton County's first book of Wills has been sent to the State Chairman.

Two Bible records have been collected.

One Revolutionary soldier's grave has been located and a marker ordered.

Another year we hope to mark one Historic Spot in Newton County, the brick store, where the first Superior Court was held

on April 15th, 1822. Nearby stands the old house, used as an Inn on the stage coach road to Augusta and Milledgeville.

The Chapter voted Frederica, third most historic unmarked spot in Georgia.

The members bought and used the Christmas seals and assisted in Red Cross work.

The Chapter has contributed from time to time to Welfare Work in town and County.

Our Better Films Chairman used each month, a list of pictures approved by the National Committee.

Individual members have planted many trees and shrubs and the Committee has put out 150 Crepe Myrtle trees between Covington and Oxford. The Chapter also co-operated with the other organizations in planting the loblolly pines on the highway from Covington to Madison.

It is with deep regret that I report the death, in September, of one of our most beloved members, and former Chapter Regent, Mrs. R. A. Norris.

Reports of all meetings have been sent to the Covington News and the official D. A. R. page of the Atlanta Constitution.

Our Honor Roll requirements were met on forty-seven members, amounting to \$98.30, making sum paid out of Treasury for National, State, and local causes, \$176.77, plus \$25.00, the amount set aside as a nucleus for marking our Historic Newton County Spot, making a total of \$201.77.

GOVERNOR JOHN MILLEDGE CHAPTER, DALTON

Mrs. B. A. Tyler, Regent

Governor John Milledge Chapter, with a membership of sixty-eight of whom forty-eight are resident, reports a most successful, happy and harmonious year. The outstanding undertakings of the Chapter are both uncompleted but will be finished before the close of the year. These are the publication of a County History, and the marking of the site of the first mission to the Cherokees, located in an adjoining County, near Spring Place, which was established in 1801 by the Moravian Church of North Carolina.

The Chapter gave \$7.50 to the Community Chest and members of the Chapter gave \$409.20 to the same cause, individually. Clothing valued at \$25.00 was given to two girls so they might attend school. More than \$260.00 was collected for Red Cross work in co-operation with three other organizations in the City. Clothing for the poor of the City was given to the value of \$80.00 and books for school children to the amount of \$10.65 were contributed also. More than 3,000 magazines were distributed through the County Nurse, the County Home Demonstrator and privately, and files of the Better Homes and Gardens and also of the American Home given to the Domestic Science teacher at the high school.

The Chapter maintains two Memorials, one to May McAfee Shumate, first Dalton D. A. R. in the form of a park in the down-town section, to which ten dollars is given yearly; and one to the first Historian of the Chapter, Mrs. Warren Davis, which is a collection of genealogical and historical books to which \$25.00 is annually given. In addition to these two, the Chapter is perpetual custodian of the Fanny Trammell Loan Scholarship Fund, amounting to \$5,000, now completed.

All Patriotic Days are observed by the Chapter when in session and many programs are put on at the public schools by D. A. R. members, who are teachers and by others at the request of the Chapter. Armistice Day is always observed by a service at the churches of the city on the Sunday nearest the day; all congregations uniting and all women's organizations taking part on invitation from the Chapter. A wreath is placed on the Memorial Monument erected by the Chapter eight years ago, also.

The Chapter expenses are budgeted, the budget being prepared by the Executive Board during the summer and presented to the Chapter at the first meeting in September. This year we reduced the budget materially and made it work out—an accomplishment of which we are duly proud.

Three Good Citizenship medals are given at the high school yearly, presented on George Washington's birthday. These have been given to boys only for nine years, but next year we are to give three to girls also, at the request of the Faculty, who feel that much good is done by the presentation. Eight men of Dalton belong to the S. A. R.; all papers having been prepared by a member of the Chapter. In addition, more than twenty-five new papers for D. A. R. membership have been completed by the same member.

In Patriotic Education, medals to the value of \$25.00 have been awarded; two high school scholarships to the value of \$49.50 given; subscription to the National Republic given at the high school; Valdosta Loan Fund, \$13.60; Canning Club scholarship, \$17.00; Kate Durean Smith School books, \$20.00; Crossnore goods sold, \$1.20; total cash for this cause, \$164.95. Total amount contributed to all causes, \$895.60.

But it is not wholly of the material things we have accomplished that we feel a right to be proud. There has been complete harmony in the Chapter. The attendance has almost doubled during the recent years. We have remembered the motto of our organization: "For God, for Home, for Country"—and have striven to uphold the ideals of the Society and have given of our best for the good of our Chapter, our State organization and the National Society. We have worked and been glad.

STONE CASTLE CHAPTER, DAWSON

Mrs. J. R. Webb, Regent

The Stone Castle Chapter has brought to close a very interesting year's work. Regular meetings have been held each month from September through May. On Armistice Day we joined the other Patriotic organizations of Dawson in giving a very enjoyable entertainment for the American Legion.

The enrollment of the Chapter shows a membership of sixty-eight, seventeen non-resident members, and fifty-one regular. The Chapter has lost one member by death this year.

The local education work of our Chapter holds the uppermost

place in our efforts this year as in years past. We have helped children enter school by buying books and clothing, expending \$59.00.

Following our yearly custom at Christmas, we made happy children whose stockings were empty. This work is a memorial to one of our beloved deceased members, the founder of the Empty Stocking Work in Dawson, Mrs. Daisy McNulty. Twenty dollars was spent from treasury and fruits and toys were donated by individual members.

Another outstanding work of the Chapter is co-operating with other Patriotic organizations in compiling the History of our County. One of our members, Mrs. I. C. Melton, being Chairman of this Committee.

JOHN LAURENS CHAPTER, DUBLIN

Mrs. E. Blount Freeman, Regent

The outstanding work of the John Laurens Chapter for the year 1930-1931 may be classified under two heads—Historical and Financial.

An important historical achievement was the establishment of a D. A. R. Book Unit in the Dublin Carnegie Library. In this Book Unit we have twenty historical and genealogical volumes and the unbroken files of the D. A. R. Magazine since 1919.

In November, this Chapter sent a shower of 83 books, valued at conservatively at \$50.00 to the D. A. R. Industrial School at Tomassee, S. C. Three letters from officials of this school have been received, stating that these books have been in constant circulation and have been of untold benefit to the mountain girls and their families.

Mrs. James S. Simons, a member of this Chapter, was instrumental in receiving from her family a handsome oil portrait of General Andrew Pickens to be presented to Tomassee at the dedicatory exercises of the new dormitory last fall. The History of Laurens County which has been written by a Com-

mittee from this Chapter is nearing completion, and we hope to publish it in the early fall.

The location of the Nancy Hart Highway marker and McCall Point, both the property of the John Laurens Chapter, have been beautified with plants and shrubs, and kept in excellent condition. A memorial tree commemorating the bi-Centennial of the birth of George Washington has been planted in the park at McCall Point.

Eight new members have been added to our roll; all Honor Roll requirements have been met; fourteen patriotic and historic days have been observed; and every Chapter meeting has been reported in our local paper and in the D. A. R. page in the Atlanta Constitution. The Chapter owns an attractive Scrap Book and all press notices are kept therein. A \$50.00 revolving scholarship is owned by this Chapter. The graves of four Revolutionary soldier's and three Real Daughters have been located in Laurens County. Ten D. A. R. calendars were purchased by the members of this Chapter.

JOHN BALL CHAPTER, IRWINTON

Mrs. Victor Davidson, Regent

Our aim for the year has been two fold, viz.: to complete payment for publication of our County History and to meet the Honor Roll requirements—both of which have been done.

Chapter has finished an appliqued quilt to be sold and proceeds to be placed in the treasury.

We have lost four members—three by transfer, and one by death. Sent a box to Ellis Island valued at \$3.00.

Our Year Book was planned for twelve historical programs, the subject being a two year study course of the Original Thirteen Colonies, twelve to be taken up this year and Georgia to be studied the entire coming year.

Our Chapter makes claims to two distinctions, National in scope, in regard to the publication of our County History. First, we are the first Chapter in America to co-operate with our brother organization, the Sons of the American Revolution in publishing a history, the State Historian of the S. A. R. having compiled our history. Both S. A. R. and D. A. R. emblems appearing on the binding.

Our second claim to National distinction is that our's is the first Chapter to publish a book which within five months after it was off the press paid all expenses of publication and which will yield us a net profit of not less than one thousand dollars. This has been largely due to the efforts of our History Chairman, Mrs. J. W. Hooks.

Membership, 26; prizes and medals, \$10.00; one grave marked; sent reports to all Chairmen; lectures given. Total amount \$1733.00.

Meetings are held the fourth Friday in each month, when the Pledge to the Flag or the Preamble to the Constitution are always recited. Nine historical programs have been arranged; all Patriotic Days have been observed and all Honor Roll requirements have been met. Our Chapter contributed \$25.00 to the Jackson Club House, and voted to expend \$7.50 to enlarge the D. A. R. locker where the books of the Chapter are kept.

The graves of the World War veterans, in Butts County, were decorated on Armistice Day with flags and poppies.

We co-operated with the other organizations in the Red Cross drive and in the sale of Christmas seals.

The grave of one Revolutionary soldier, Abner Bankston, has been located.

The outstanding work of our Chapter for the year was the marking of the grave of Robert Smith, Revolutionary soldier, on July 6. Hon. William J. Harris, United States Senator was the principal speaker with Col. John R. L. Smith, of Macon, also on the program. About a thousand people witnessed the unveiling exercises and representatives from the nearby Chapters were present. For the erection of the marker and for the granite posts and chain for the enclosure, \$44.00 was expended. The Smith family co-operated in every way possible to make the event a success.

Nineteen Bible records have been collected, also a number of tombstone records and the marriage records of Butts County from 1830 to 1860, have been compiled and indexed, these to be sent to Washington for filing.

Our Better Films Chairman keeps in touch constantly with the State Committee in trying to supply our locality with the best films. Disbursements for the year amounted to \$153.91.

Our Chapter has had a year of enthusiastic interest in all lines of D. A. R. work. We now have an enrollment of thirty-nine members, with about fifty per cent attending the meetings. We have seventeen non-resident members.

We have met all Honor Roll requirements. The Chapter has held twelve patriotic programs, and all designated days have been observed. We have carried out this year the suggestions of the State and National Program Committees. At the beginning of the year very attractive Year Books were distributed. Four times during the year we had local orators speak on the more important questions of National Defense. At each meeting patriotic songs and music are given. The Chapter co-operates with the schools in observance of patriotic anniversaries.

Our Better Films Chairman, Mrs. J. E. Patton, co-operates with the local theatre in securing better motion pictures for our city. Our Publicity Chairman sends accounts of each meeting to the local paper, and also to both Chattanooga papers and occasionally sends Chapter news to the D. A. R. page in the Atlanta Constitu-

tion. The Chapter offers two medals this year, one to any pupil making highest average in American History, and the other for the best essay on any unmarked spot in Walker County.

The sale of Tuberculosis seals was again sponsored by the Chapter with Mrs. E. A. Puryear as Chairman. The sum this year was \$44.00.

Mrs. D. W. Stiles, our Historian, has located in this county three graves of Daughters of Revolutionary soldiers. A Committee from the Chapter is co-operating with the Walker County Historian, and the Chapter will have a section of the Walker County History when completed. Mrs. Stiles has also found the grave of Nancy Middleton, sister of Arthur Middleton.

The D. A. R. schools, Tamasee in South Carolina, and Kate Duncan in Alabama, have both had important places on programs during the year.

Book shelves have been placed by the Chapter in John B. Gordon Hall, our Chapter house, owned jointly with the U. D. C., and we have a few books there which we hope will form the nucleus for a splendid library in the future years.

LaGrange Chapter C. A. R., Report 1930-1931

The LaGrange Chapter C. A. R. has had regular monthly meetings with program every month during 1930, except vacation months of July and August.

The Chapter Historian has given the monthly calendar as re-

quired, and the patriotic events occurring each month have been properly observed.

Attendance at the meetings has been almost one hundred per cent; a fact of which we are most proud. Each member has been enthusiastic in the work and endeavored to do his utmost. The total membership is 29.

The Senior President has been ably assisted by the Program Committee since September. The members of this Committee are receiving valuable training for future work. A helpful feature has been the survey of talent in our Chapter.

At the November meeting, donations were given by the members for a Thanksgiving basket, given to a needy family through the Salvation Army.

In 1930-1931, we sponsored the following projects: Tamassee Scholarship Fund, Memorial for Unknown Soldier, Harriett M. Lothrop Memorial Building Fund, Wakefield Memorial.

The Chapter has subscribed to the C. A. R. Magazine. Our special aim for 1931 are increase in membership, sponsor additional projects endorsed by the National C. A. R. Board, the purchase of a Chapter Charter, and furnish our annual program for the La-Grange D. A. R. Chapter. Gave program in February for D. A. R.

In behalf of the Chapter, I wish to thank the Daughters for their co-operation in the purchase of the handsome Flag which we have.

ROANOKE CHAPTER, LUMPKIN

Mrs. William A. Fitzgerald, Regent

Roanoke Chapter, with seventeen resident and three non-resident members, has had a very interesting year's work; especially so as our program for the year centered about our own County History.

Our most important work of the past year has been the acquisition of three acres of land comprising Old Fort McCreary. This was a gift from the Metropolitan Life Insurance Company of New York City. This Fort was established on the western frontier of Georgia as a protection against the Indians. Volunteers from all parts of the State were stationed here and three unknown soldiers lie buried at this historic spot. The Chattahoochee valley was teeming with Indian villages and the United States Government realized that strongholds must be maintained in this section, if Georgia was to be freed from the inroads of the Redman. So during the Indian War of 1836 Stewart County had three forts within her bounds.

White's history says, "The Battle of Shepherd's Plantation" was the most important battle fought in Georgia just prior to driving the Indians from her soil. This battle ground lies near the Chattahoochee River in Stewart County, and we claim it to be one of the most Historic Spots in Georgia. We have observed all Patriotic Days with parts on our monthly programs. Have sent four Bible records to State Chairman.

Marked one Revolutionary soldier's grave, Thomas Williams, buried in East Side Cemetery, Lumpkin, with fitting program. And located three more graves of Revolutionary soldiers, Calton Nunn, Jacob Green and Henry Adulf. Some Court House records have been copied and a little genealogical work accomplished. Have urged suppression of forest fires. Put on Historical evening in the Court House with Mrs. Saurez, Cuthbert, leading speaker and gave an Indian program in August. Have aided County Historian

in every way possible and some of our members have worked in the Illiteracy Campaign. We have two subscribers to the D. A. R. Magazine.

In addition to paying State and National dues, we have contributed to National Defense, Ellis Island, Chapter Histories, Lucy Cook Peel Memorial Fund, Marking Historic Spots, and other objects to the amount of \$50.00. Have reported to all State Chairmen and had a Better Films Committee throughout the year.

We have lost one member by resignation and have one new member and one paper pending in Washington.

We plan to place a marker at Roanoke in the early summer, using the money received from the State D. A. R.

MARY HAMMOND WASHINGTON CHAPTER, MACON

Mrs. Thomas E. Ryals, Regent

The Mary Hammond Washington Chapter wishes to report a happy and useful year filled with patriotic activity. Much has been accomplished, but particularly noteworthy are the reports of the following Chairmen:

Mrs. James H. Porter, Chairman of Patriotic Education, reports: Twenty-one scholarships totaling \$5,945.25 (This report was due to the generosity of the Chairman). The Eugenia Small Steed Cup for the best essay from an approved list was awarded to Miss Virginia Rice, of Lanier High School for Girls. The second award, \$5.00 in gold went to Miss Penelope Wall.

Mrs. Charles Akerman, Chairman of Genealogical and Historical Department, maintained by the Chapter at the Washington Memorial Library, reports the usual rummage sale in the early fall to raise funds for this Department. Many rare and valuable additions have been secured for the Department which has grown to be an important collection.

Mrs. Chris Walker, Organizing President C. A. R., reports that the organization of the Benjamin Hawkins Chapter was completed in February. There are now nine members and ten papers pending.

Mrs. John A. Selden, Chairman of Better Films Committee, reports that the programs for the Saturday morning matinees are receiving National recognition. The Chapter sponsored the matinee featuring Alexander Hamilton.

The Chapter display, a Colonial Garden, was awarded the red ribbon at the 1930 Bibb County Flower Show.

The Chapter has cordial relations with many other organizations interested in developing citizens and patriots.

The Mary Hammond Washington Chapter, with the assistance of the Nathaniel Macon Chapter, entertained the 1931 State Conference, and is now looking back with appreciation for the benefits that came from that privilege.

Regular monthly meetings have been held, where serious study of important topics has been balanced by the music of artists and the hospitality of gracious hostesses. The usual patriotic days were observed at these meetings.

NATHANIEL MACON CHAPTER, MACON

Mrs. Logan Carson Rader, Regent

The Nathaniel Macon Chapter greets you as members of the Thirty-third Conference of the Georgai Daughters of the American Revolution, and extends to you a cordial welcome to our City, founded by Benjamin Hawkins and named for his life-time friend, Nathaniel Macon.

We have on roll 93 members, five new members admitted during the year, and three application papers in Washington. Two resignations and one loss by death.

The meetings of the Chapter are held in the homes of the members, and are opened by the Chaplain, Mrs. Sidney Hatcher, with prayer, a patriotic song, and the Salute to the Flag.

Five Patriotic Days have been observed, and nine Historical Programs prepared. The subject for study during the year has been "Historic Forts of America." Papers read by Chapter members have been very interesting, and we are keeping a scrap book containing clippings of the newspaper accounts of these meetings. Delightful musical programs are enjoyed at each meeting.

The members have been loyal and have co-operated with the Regent in every undertaking.

Two rummage sales and a Christmas card sale have added to the Chapter funds.

The sale of Fort Hawkins stamps continues, a recent order from the John Laurens Chapter at Dublin was very much appreciated.

A large number of trees and shrubs have been planted by individual members but no record has been kept.

In April, 1930, this Chapter joined with the Mary Hammond Washington Chapter and Macon Better Films Committee, in presenting one of the chronicles of America, "The Settling of Jamestown."

In May, the two Chapters together with the Colonial Dames and the Macon Woman's Club, were hostesses at a luncheon at Christ Church Parish House, in honor of the Georgia Federation of Women's Clubs, which met in Macon at that time.

Miss Jessie Rice, Chapter Chairman of Historic Research and Preservation of Records, has completed her work of copying records in the Bibb County Court House prior to 1860, at a cost of \$25.00 to the Chapter. These records have been forwarded to the State Chairman and a copy is being kept in the Chapter files.

Mrs. Leon Wilson has collected five old Bible records.

The annual award of five dollars in gold has been offered to the student in Lanier High School for Boys, showing the highest qualities of Good Citizenship, and five dollars in gold to the student in the Lanier High School for Girls, for the highest average in American History.

Five dollars in gold was awarded in February to Calvin Deal, student in the class of American History at Lanier High School for Boys for the best essay on an Unmarked Historic Spot in Bibb County. The subject of the essay was Fort Hawkins. This paper was sent to Mrs. Robert Travis, State Chairman of Preservation of Historic Spots.

One hundred small United States Flags were presented jointly by the two D. A. R. Chapters, to the children of the Georgia Industrial Home on Flag Day last June.

The Chapter is honored in having one of our beloved members, ex-Regent and Honorary Life Regent, Mrs. T. E. Blackshear, as State Chaplain.

We have four subscribers to the D. A. R. Magazine, and a subscription to the magazine has been given to Wesleyan College Library.

Red Cross seals were purchased through the Anti-Tuberculosis Commission.

A part of the program at the November meeting was given over to a report by the Chairman of National Defense, an interesting talk on what had been done by the National Committee on National Defense was given.

We record with sorrow the passing a few days ago of Mrs. Ida Goodman Mobley into the Great Beyond.

Work on the Committee of Welfare of Women and Children and Girl Home-Makers, in the Chapter is done through members of the Chapter in co-operation with the Y. W. C. A. and P.-T. A.

The outstanding work of the Chapter since 1926 has been the rebuilding of Old Fort Hawkins, the origin of Macon, on the most historic site in our City.

We are glad to report that the foundation is now being laid, and we hope the work is going forward rapidly to completion. The stones which were in the foundation of the original Fort will be used in the Replica.

The Chapter has asked for co-operation from the City of Macon through Mayor Toole, who very readily agreed to assist with the undertaking. The work is to be done under the supervision of Mr. F. Joe Bishop, City Building Inspector, and Mr. Watson Walker, City Engineer. Plans drawn by Mr. Curran Ellis, Macon Architect, in 1927 will be used.

One thousand dollars has been turned over to the City Treasurer, to be used in supplying the material and skilled labor for the construction. The City is to furnish unskilled labor and haul the material.

Of the \$2,000.00 we had raised for this purpose, only \$1,000.00 is available at the present time on account of the closing of the bank in which the remainder of the funds were deposited.

We had hoped to have enough of the foundation completed when Conference convened, to place a tablet, and have it unveiled with appropriate ceremony, but found that it would be impossible at this time.

Our next step will be to secure the logs. Plans were made last October for inaugurating a "Give a Log" Campaign, asking the descendants of the men who occupied the Fort, and of those who settled around the Fort, to contribute a log or its equivalent in money, in honor of their ancestors. So far, we have been unable to carry out the plan but hope to do so in the near future. If this plan can be carried out the matter of financing the rebuilding of the Fort will be solved. The estimated cost is \$5,500.00.

A list of those who occupied the Garrison, Military defenders, those who plied a trade, and those who registered at the Fort for protection is now being compiled.

The financial report of the Treasurer, Miss Anna Weaver, shows an expenditure since last Conference of \$1,236.10.

This was in Christ Church Parish, and it is said to have been the first organized Sunday School in the world. BRIAR CREEK CHAPTER, SYLVANIA

Mrs. A. R. Roberts, Regent

Greetings to the 33rd Conference of the Georgia Daughters National Society, from the Daughters of Briar Creek Chapter of Screven County, Sylvania, Georgia.

The year has been one of patriotic endeavor on the part of the majority of our loyal members in carrying out the program of our National Society—preserving the fostered ideals for which our ancestors fought.

We have a membership of thirty-five, having admitted seven during the Convention year and lost three members by resignation. Our meetings held first Tuesday of each month in homes of the Daughters have been well attended and full of harmony. Our programs following suggestive programs for Georgia Chapters, "Historic Shrines of National Importance," have featured splendid historical papers.

Publicity Chairman sends notice of special programs to local paper, also Atlanta and Savannah papers.

A more spirited interest has been shown among members and a better understanding of work, because of the splendid co-opera-

tion of the Committees, each Committee being represented by an active Chairman. All Committees sent reports to State Chairman.

Two Revolutionary soldier's graves have been marked, Capt. W. M. Cone on March 15th, 1930, William McCall, one of Marion's men of South Carolina, November 21st, 1930, each with impressive ceremonies. Five Revolutionary soldier's graves have been located.

Patriotic Education Chairman, Mrs. E. K. Overstreet, is rendering our community great service, by teaching the children love and respect for those who "Built so splendidly for our future." We have presented framed pictures of Washington to every school in the County. Framed copy of Constitution to local school library; thirteen volumes to local school library; \$2.50 in gold to Historical Essay contest winner; observed four Patriotic Days, Flag Day, Armistice Day, Georgia Day, and George Washington's Birthday. The annual observance of these days in co-operation with the Sylvania High School is an object lesson of patriotism to our youth, history lessons for generations who follow us. Conservation and Thrift Chairman reported 172 trees planted. Better Films Chairman in co-operation with local theatre reported 85 per cent historical pictures shown. Year Book issued for members. Chapter roster completed and sent in by Registrar. Treasurer reports all Honor Rolls met, and bringing over a good balance for coming year. Chapter voted Midway Church third most Historic Spot in Georgia. A delightful social affair was the Silver Tea given at the home of our Vice-Regent, Mrs. Peter Kittles, on May 17th, 1930, celebrating the Ninth Anniversary of our Chapter. The outstanding goal of Briar Creek Chapter for the year has been the securing of an appropriation to mark the site of the Battle of Briar Creek for which our Chapter is named. We recently entertained a delegation from Washington, sent by the War Department, and it is believed that the facts furnished by our County Historian were convincing. We plan to raise at least one cannon from the bed of Briar Creek where it has lain since the famous battle and mount it along side the marker.

BARNARD TRAIL CHAPTER, SYLVESTER

Mrs. R. A. Holmes, Regent

That our activities in some lines have fallen short of our past record, does not in any way lessen my pleasure in submitting the following report:

Many circumstances have conspired to hinder our achievements this past year. There has been sickness in families of members. The tragic death of a beloved Daughter and our Organizing Regent thrust a pall of gloom over the Chapter and community.

There are forty (40) members on roll, 24 resident and 16 non-resident members. Nine regular meetings have been held in the homes of members. The outlines of policies stressed by State and National Societies have been followed. The Honor Roll requirements have been met in full. The per cent of attendance at regular meetings is seventy-two. Patriotic Educational work is the chief endeavor and the outstanding achievement of this Chapter.

Many of our members are teachers in High School, in Junior High and in the grades, hence our school is a near "Children of the Republic" organization. Special attention is given to History, Patriotism, Americanism, Citizenship, Uses of Flag, Creed and Pledge, and Patriotic Songs. Also, Conservation and Thrift and all topics included are taught. Lectures and programs are given in the school auditorium and in the rooms. All required Pa-

triotic and Historical Days are celebrated and many more. This year 17 noted days and birthdays have been celebrated in the Chapter and in the school. One historic post card has been sent to the D. A. R. Magazine. One box was sent to Ellis Island. A Community Christmas tree with carols was sponsored. Seventy-five trees and much shrubbery have been planted. Eleven trees indigenous to South Georgia forests have been planted around Thigpen Trail marker on Albany-Sylvester Highway. Nine old Bible records and eight old Tombstone records have been sent to State Chairman. Four genealogical lines have been traced for prospective members. Mrs. Grubbs has added about 230 specimens to her Indian Relics collection. Most of these are brought in by her history pupils. The Chapter co-operated in Red Cross Roll Call campaign and with P.-T. A. in selling Christmas seals. Donations have been sent to Kenmore, Meadow Garden and Wakefield. The Chapter voted to set apart \$5.00 as a nucleus for a Local Students' Loan Fund. Medals and prizes have been given for excellence in History, Citizenship, and Home Economics. The D. A. R. Library has been placed on private shelves in Public Library in the Woman's Club House. Our Worth County History is being compiled. The Chapter Scrap Book grows and is valuable and interesting. Reports have been sent to all State Chairmen and all letters answered. Our Chapter was confirmed in October of 1930 and our first meeting was held October 28th. Though young, we are going forward with earnest endeavor to gain a place on the map of the Daughters of the American Revolution. Thirteen was our lucky number and we now have seventeen on roll. We have voted upon twenty applicants and their papers are being prepared for acceptance in Washington. Our members are scattered over the entire County and State, but am pleased to say, we are together in motive, spirit and promotion of the D. A. R. work. Interesting meetings have been held monthly in the homes of the members with about fifty per cent attendance. The applicants are always cordially invited to meet with us. The programs have been of a historical nature and with some few variations have followed the suggestions given out by Mrs. Land. The American Creed is said collect immediately after the Roll Call and Patriotic songs are sung. "Keep the Faith" is a favorite and our meetings are closed with the Flag Salute. After the programs the hostess delights us with "goodies."

Our Treasury pocketbook does not bulge as yet, so we have not done much in a financial way, could not meet Honor Roll requirements but did pay State and National dues, the per capita for Georgia Bell at Valley Forge, and amount asked towards Marking Historic Spots. We marked the grave of Jacob Durden in November, just a month after our first meeting. The marker was

obtained through the solicitations of our God-mother, Mrs. Ruby Durden Buttrill of Jackson. Two other graves have been located and will be marked soon. All members are interested in genealogical research and our own efficient Historian, Mrs. Tom L. Black, is assisting in writing the County History. Battle of Bloody Marsh is considered by us the third most Historic Spot. All are alert when it comes to Patriotic Education and assist in doing good wherever they can. We presented to each of the High Schools of Emanuel County one of the beautiful D. A. R. Calendars. The presentation was with an appropriate program. Chairmen of the various Committees make interesting reports at each meeting. Year Books were typewritten by one of the members and has been a guide to us. Thanks to Vidalia for the idea of making our own. We have been very busy getting started and hope to accomplish much more next year, before the 1932 Conference. County History. Seventeen members.

Through the efforts of the John Houston Chapter and the Jeffersonia Hawkins Chapter at Robert, a bill was passed in Congress and an appropriation of \$2,500.00 made for a monument to be erected in memory of Col. Benjamin Hawkins, at Roberta, Ga. This is to be ready by May 26th, and unveiled early in June.

RESOLUTION OF THANKS

Mrs. W. M. Shurling

Madam Regent, Madam Hostess Regent, Citizens of Macon:

In bringing you our "Resolution of Thanks," I realize the feelings of the young man, who, after his usual two weeks' vacation, diffidently approached his employer with a request for a three-day extension of his holiday. The employer was puzzled and asked: "Am I to understand that you want three more days of grace?" "Oh, no sir, not a three days of grace, what I want is three more days of Gertrude." So even though the business and the attendant pleasures of the 33rd Conference are finished, each of us would like three more days of you charming Macon people.

How rapid are the transitions of our existence! The time to say good-bye has come and yet it seems but a matter of minutes since we were listening to your first cordial expression of welcome and we're realizing in the words of the poet: "That your hearts were as open as your doorways."

To the Mary Hammond Washington and Nathaniel Macon Chapters, to every other organization, and each individual who contributed so cheerfully and generously to our happiness, I would express the deep appreciation and hearty good-will of each of us—your guests. The memories of these Conference days will be cherished in our hearts as long as life itself shall last. There has been no cloud of regret to obscure the sunlight of our joy in your midst and in the years to come we will look back with undimmed eyes to our stay in Macon.

Therefore, Be It Resolved (1): That our beloved State Regent and this Conference assembled extends to you, our dear Macon friends, lasting gratitude for your genuine hospitality and many kindnesses. (2) That though our pleasant companionship will soon end, each of you will have an abiding place in our hearts for we know that—

In Macon, Ga., skies are blue,
Hills are green and hearts are true,
A joyous welcome you gave us too,
In Macon, Ga.

In Macon, Ga., skies are bright,
Twinkling stars make glad the night,
And noble hearts uphold the right,
In Macon, Ga.

In Macon, Ga., kindness is free,
For everyone has shared his own roof-tree,
With the best Conference of the thirty-three,
In Macon, Ga.

FAREWELL TO VISITORS

Mrs. J. Nicholas Talley

To welcome arriving guests is an unalloyed delight, but to speed the parting brings more than a tinge of sadness.

But though the stream of time bears us apart, it cannot sweep away the flowers of memory, and we shall ever hold dear the fragrant recollections of your too brief stay among us, and cherish the fond hope that some bright day you will return.

Information to Members

The following resolution which applies to the nominations of a State Regent by Chapters appears in the Proceedings of the Twentieth State Conference, 1918.

"Resolved, That it is the judgment of the Executive Board that nominations for State Regent should not be made by Chapters earlier than three months prior to the meeting of the Conference.

When so made they shall be furnished to the State Editor for publication."

Chapters are requested to hold their elections in May. It is desirable that the reports to Conference shall be made by officers whose work covers at least the greater part of the year preceding the Conference. Chapter By-Laws must be in accord with National and State By-Laws.

At the opening of the State Conference, by **unanimous consent**, the rights and privileges of delegates can be voted to the State Chairman, **with this exception**, State Chairman can not vote in the election of State Regent and State Vice-Regent unless they have been elected delegates by their respective Chapters and so registered with the Credential Committee. (The election of the State Regent and State Vice-Regent must be confirmed by the Continental Congress).

(See Article X, Section 1 and Section 2, of the National By-Laws).

"Where there is only one candidate for an office and the Constitution requires the vote to be by ballot, it is common to authorize the Secretary to cast the ballot of the assembly for such and such a person.

If anybody objects, however, it is necessary to ballot the usual way. So when a motion is made to vote unanimous, it fails if anyone objects." **Passed 1915.**

Each State Conference may by a two-thirds vote, adopt such additional rules of order as it may deem advisable for the government of that Conference, provided they are not in conflict with the Constitution and By-Laws of the National and State Society.

STATE CONFERENCE

The first State Conference was called by Mrs. S. B. C. Morgan, State Regent, and was held at the Atlanta Exposition of 1895. The annual Conference began in 1899. In that year a Conference for the purpose of effecting a State organization was called by Mrs. Robert Emory Park, State Regent, and was held in Atlanta, May 23-24. By-Laws were adopted and State officers elected. The succeeding Conferences were numbered from this Conference, until the Conference of 1909 adopted a motion, offered by Mrs. Mallory Taylor, "that the first State Conference in 1895 be recognized, and the next annual Conference, instead of being the twelfth, shall be the thirteenth." (Minutes, p. 21). No Conference was held in 1911; the time of meetings having been changed from the fall to the first part of the year by the Conference in 1910, which adopted a recommendation by the Executive Board (made on the motion of Mrs. P. W. Godfrey) "that the State Conference be carried over from November, 1910, to 1912, prior to Congress in 1912;" amended by Miss Ray of Atlanta, "that we have Conference in the Spring, not to interfere with Lent." Georgia Day

The first concerted effort to bring about the annual celebration of the date of the landing of Oglethorpe and his colonists (February 12, 1733) under the name of "Georgia Day," was made by the Joseph Habersham Chapter of Atlanta in 1901, and, with the co-operation of the State School Commissioner, soon resulted in its observance in public schools. Credit for these first efforts is due to Miss Nina Hornaday, Georgia Day Chairman of the Chapter, and Mrs. W. L. Peel, then Regent.

In 1904, Mrs. John M. Graham, then Regent of the Joseph Habersham Chapter, seeing that Mr. Calvin had introduced in the legislature a bill providing for school celebration on certain other anniversaries endeavored to have similar recognition given to Georgia Day, and in this was aided by Miss Hornaday. The result was that the Legislative Committee on Education reported a Georgia Day bill as a substitute for Mr. Calvin's bill, but it did not pass. At the next State Conference, Mrs. Graham moved the appointment of a committee to procure legislation on the subject, and she was appointed chairman. A bill presented by her was introduced in the Legislature by Hon. Madison Bell, but failed to pass, and at her request was reintroduced in 1909 by Hon. John M. Slaton, which provided for observance of the day in the public schools by exercises consisting of written compositions, readings, recitations, addresses, or other exercises relating to this State and its history and to the lives of distinguished Georgians.

Admission of Women to State University

The action of the State Legislature in 1916 in admitting women for post-graduate course at the University of Georgia recalls the active part that Mrs. S. B. C. Morgan has taken in this bill. She was State Regent, 1893-1897, and afterwards Vice-President General from Georgia of the N. S. D. A. R.

A resolution asking for the admission of women to the State University was offered at the 1895 State Conference by Mrs. S. B. C. Morgan, then State Regent, and adopted by the Georgia Chapters.

The following year it was offered to the Colonial Dames by Mrs. Morgan and adopted. A few years later, Mrs. Robert Emory Park, then president of the Federation of Women's Clubs, cooperated with Mrs. Morgan and adopted the same resolution. Later the State Association for Education of Georgia Mountaineers, Mrs. Morgan, President, adopted the same resolution, making practically a united movement of the organized women in Georgia, with Mrs. Morgan the very efficient and most capable leader.

These petitions were successfully sent to the Board of Trustees and later to the Legislature. This continued work for over twenty years for the admission of women to the State's highest institution of learning, is only one of the many advanced ideas which Mrs. Morgan has led for a number of years.

D. A. R. Student Loan Fund

In 1916, the resolution by Mrs. Howard H. McCall, State Regent, to establish a **D. A. R. Loan Fund**, was adopted by the State Conference.

In 1919, the resolution offered by Mrs. Julius Talmadge, Regent of Elijah Clarke Chapter, to establish a \$5,000 Memorial Scholarship for our soldier boys who died in the World War to be placed at the University of Georgia (for boys) was adopted.

In 1919, a resolution to give a \$150 loan scholarship from the D. A. R. Loan Fund to a girl to enter the University of Georgia was adopted.

In 1923, the resolution to raise \$5,000 for the D. A. R. Student Loan Fund (for girls) was adopted.

In 1923, the resolution to establish a loan fund of \$1,500 to be placed at the Georgia State Woman's College at Valdosta was adopted. In 1926, the State Conference voted to increase this fund to \$5,000.

In 1925, a resolution to establish a "Fannie Trammell Loan Fund," as a memorial to Mrs. Paul B. Trammell, first State Vice-Regent, was adopted. In 1926, the State Conference voted to increase this fund to \$5,000.

In 1927, State Conference voted to include all the loan funds under the name of the D. A. R. Student Loan Fund, to be in accord with the name used by the National Society.

The history of this splendid educational work will be found in the annual reports of the following State Regents: Mrs. Howard H. McCall, 1916-1918; Mrs. James S. Wood, 1912-1920; Mrs. Max E. Land, 1920-1922; Mrs. Charles Akerman, 1922-1924; Mrs. Julius Y. Talmadge, 1924-1926; Mrs. Herbert M. Franklin, 1926-1928; Mrs. Herbert Fay Gaffney, 1928-1930; Mrs. Bun Wylie, 1930-1932.

**FLAG CODE ADOPTED AS REVISED AND ENDORSED AT THE
SECOND NATIONAL FLAG CONFERENCE, WASHINGTON**

May 15, 1924

Proper Manner of Displaying the Flag

There are certain fundamental rules of heraldry which, if understood generally, would indicate the proper method of displaying the Flag. The matter becomes a very simple one if it is kept in mind that the National Flag represents the living country and is itself considered as a living thing. The union of the Flag is the honor point; the right arm is the sword arm, and therefore the point of danger and hence the place of honor.

1. The Flag should be displayed only from sunrise to sunset, or between such hours as may be designated by proper authority. It should be displayed on National and State holidays, and historic and special occasions. The Flag should always be hoisted briskly, and lowered slowly and ceremoniously.

2. When carried in a procession with another flag or flags, the Flag of the United States of America should be either on the marching right, i. e., the Flag's own right, or when there is a line of other flags, the Flag of the United States of America may be in front of the center of that line.

3. When displayed with another flag against a wall from cross-staffs, the Flag of the United States of America should be on the right, the Flag's own right, and its staff should be in front of the staff of the other flag.

4. When a number of flags of states or cities or pennants of societies are grouped and displayed from staffs with the Flag of the United States of America, the latter should be at the center or at the highest point of the group.

5. When flags of states or cities or pennants of societies are flown on the same halyard with the Flag of the United States of America, the latter should always be at the peak. When flown from adjacent staffs the Flag of the United States of America should be hoisted first and lowered last. No such flag or pennant flown in the former position should be placed above, or in the latter position to the right of the Flag of the United States of America, i. e., to the observer's left.

6. When flags of two or more nations are displayed they should be flown from separate staffs of the same height and the flags should be of approximately equal size. (International usage forbids the display of the flag of one nation above that of another nation in time of peace).

7. When the Flag is displayed from a staff projecting horizontally or at an angle from the window sill, balcony or front of building, the union of the Flag should go clear to the peak of the staff unless the Flag is at half-staff. (When the Flag is suspended over a sidewalk from a rope, extending from a house to a pole at the edge of the sidewalk, the Flag should be hoisted out from the building toward the pole, union first).

8. When the Flag is displayed in a manner other than by being flown from a staff, it should be displayed flat, whether indoors or out. When displayed either horizontally or vertically against a wall, the union should be uppermost and to the Flag's own right i. e., to the observer's left. When displayed in a window it should be left of the observer in the street. When festoons, rosettes or drapings of blue, white and red are desired, bunting should be used, but never the Flag.

9. When the Flag is displayed over the middle of the street, as between buildings, the Flag should be suspended vertically with the union to the north in an east and west street, or to the east in a north and south street.

10. When used on a speaker's platform, the Flag, if displayed flat, should be displayed above and behind the speaker. If flown from a staff it should be in the position of honor, at the speaker's right. It should never be used to cover the speaker's desk, or to drape over the front of the platform.

11. When used in connection with the unveiling of a statue or monument, the Flag should form a distinctive feature during the ceremony, but the Flag itself should never be used as the covering for the statue.

12. When flown at half-staff, the Flag should be hoisted to the peak for an instant, then lowered to the half-staff position; but before lowering the Flag for the day it is raised again to the peak. By half-mast is meant hauling down the Flag to one-half the distance between the top and the bottom of the staff. If local conditions require, divergence from this position is permissible. On Memorial Day, May 30th, the Flag is displayed at half-staff from sunrise until noon and at full staff from noon until sunset; for the Nation lives and the Flag is the symbol of the living Nation.

13. Flags flown from fixed staffs are placed at half-staff to indicate mourning. When the Flag is displayed on a small staff, as when carried in parade, mourning is indicated by attaching two streamers of black crepe to the spear head, allowing the streamers to fall naturally. Crepe is used on the flag staff only by order of the President.

14. When used to cover a casket, the Flag should be placed so that the union is at the head and over the left shoulder. The Flag should not be lowered into the grave nor allowed to touch the ground. The casket should be carried foot first.

15. When the Flag is displayed in the body of the church it should be from a staff placed in the position of honor at the congregation's right as they face the clergyman. The service flag, the State flag or other flag should be at the left of the congregation. If in the chancel or on the platform, the Flag of the United States of America should be placed on the clergyman's right as he faces the congregation and the other flags at his left.

16. When the Flag is in such a condition that it is no longer a fitting emblem for display, it should not be cast aside or used in any way that might be viewed as disrespectful to the National colors, but should be destroyed as a whole, privately, preferable by burning or by some other method in harmony with the reverence and respect we owe to the emblem representing our country.

17. As the Flag passes, it is fitting to always recognize it by placing right hand over the heart.

CAUTIONS

1. Do not permit disrespect to be shown to the Flag of the United States.

2. Do not dip the Flag of the United States of America to any person or any thing. The regimental color, State Flag, organization or institutional Flag will render this honor.

3. Do not display the Flag with the union down except as a signal of distress.

4. Do not place any other Flag or pennant above or, if on the

same level, to the right of the Flag of the United States of America.

5. Do not let the Flag touch the ground or the floor, or trail in the water.

6. Do not place any object or emblem of any kind on or above the Flag of the United States of America.

7. Do not use the Flag as drapery in any form whatever. Use bunting of blue, white and red.

8. Do not fasten the Flag in such manner as will permit it to be easily torn.

9. Do not drape the Flag over the hood, top, sides or back of a vehicle, or of a railroad train or boat. When the Flag is displayed on a motor car, the staff should be affixed firmly to the chassis, or clamped to the radiator cap.

10. Do not display the Flag on a float in a parade except from a staff.

11. Do not use the Flag as a covering for a ceiling.

12. Do not carry the Flag flat or horizontally, but always aloft and free.

13. Do not use the Flag as a portion of a costume or of an Athletic uniform. Do not embroider it upon cushions or handkerchiefs nor print it on paper napkins or boxes.

14. Do not put lettering of any kind upon the Flag.

15. Do not use the Flag in any form of advertising nor fasten an advertising sign to a pole from which the Flag is flying.

16. Do not display, use or store the Flag in such a manner as will permit it to be easily soiled or damaged.

GEORGIA STATE OFFICERS' CLUB, D. A. R.

History of Organization

On Tuesday, March 25th, 1930, at Newnan, Georgia, there met for the luncheon hour at the hotel, "Virginia House," a number of officers, past and present, of the Georgia Daughters of the American Revolution, whose purpose was the organization of a State Officers' Club. The idea was originated and fostered by the State Regent, Mrs. Herbert Fay Gaffney.

Mrs. Gaffney was elected temporary chairman, and Mrs. A. L. Wilkins served as secretary. An informal discussion was held as to the personnel, policies and dues of the proposed organization, and a personal expression from every member present was obtained, all being heartily in favor of the new organization.

Mrs. Wilkins took the chair while Mrs. Gaffney, in a beautiful tribute nominated Mrs. Julius Talmadge, past Vice-President General, and Hon. State Regent, for President. Mrs. Talmadge was unanimously elected the first President of the State Officers' Club. Mrs. Gaffney's name for First Vice-President was presented by Mrs. Wilkins, and she was elected unanimously, as well as were the following officers: Mrs. Howard McCall, 2nd Vice-President; Mrs. John D. Upon motion by Mrs. Pope, telegrams were sent Mrs. Julius Talmadge and Mrs. Howard McCall, who were absent because of bereavement, informing them of their election.

MINUTES OF STATE OFFICERS' CLUB, 1931

The State Officers' Club of the Georgia D. A. R. met for the luncheon hour in the Gold Room of the Dempsey Hotel at one

o'clock, Tuesday, March 23, 1931. This Club, being a social organization, spent its first hour in a feast of good things both materially and spiritually. The luncheon table was beautifully decorated in garden flowers, these being brought to Macon from her mother's old-fashioned garden in Madison by the Corresponding Secretary, Mrs. Julian McCurry. The places for the guests were designated by candy candleholders holding one lighted candle, this showing this occasion to be the first birthday of the organization.

Mrs. Julius Talmadge, President, greeted the members in her usual charming manner and presented to each one a beautiful blue vellum bound booklet containing the history of the organization and a list of the Officers and Charter Members.

Mrs. Gaffney responded to the greeting and thanked Mrs. Talmadge for the beautiful and appropriate gifts. Mrs. Walker Jordan and Mrs. Bun Wylie, State Regent, added speeches of appreciation of Mrs. Talmadge and her gifts.

Mrs. Talmadge then introduced the officers of the Club and a beloved Past State Regent, Mrs. T. C. Parker, who is now making her home in Florida. Mrs. Akerman, Mrs. Blackshear, and Mrs. Wilkins paid loving tribute to Mrs. Parker.

Mrs. Talmadge, President, reported having obtained a list of eligible members and letters of invitation to these to join Club written. TOAST TO GEORGIA

The following toast to Georgia was given by Mrs. Guy H. Norris at Georgia Products dinner in Hartwell some time ago:

Here's to you, dear old Georgia, the South's Empire State,
The grandest of all Uncle Sam's forty-eight;
So let us fill our glasses all the way to the top
And drink Georgia's health to the very last drop.

Although every true and wise Georgian's daughter
Says positively that it will have to be water,
Georgia, since it comes from thy crystal springs it'll do,
So in spite of prohibition we're drinking to you.
'Tis a certain fact and very plain to be seen
That thou art Uncle Sam's beautiful queen,
Because thou dost his tender and precious H(e)art hold
And lovest it far better than silver and gold.

Thy head is crowned with the Blue Ridge sky,
And thy beautiful feet the Atlantic rolls by,
Thine eyes are men and women whose hearts are brave and true,
Thy body is adorned with cotton, grain, fruit, and marble, too.
Thine arms are filled with a treasure that flows
While thy breast is fragrant with the Cherokee rose;
No other state around her borders could build a wall
And still have food and raiment for man, beast and all.

So let's drink to our dear old State whose sons and daughters are true
And where the latch string always hangs out to you;
Georgia, because thou didst first to the Christian baptism give
And the first to build a home where the fatherless could live.

Surely on that great and glorious day
Our blessed Lord will come down to earth and say:
"Heaven is to be right here in you, Georgia fair,
Because thou didst to all the earth declare:
'Glory to God in the highest and on earth peace and goodwill toward men'."
