Mrs. Julian McCurry, Vice President General and National Chairman of Real Daughters, spoke of the death of one of Georgia's Real Daughters. Mrs. McCurry, at this time, urged that contributions be sent as soon as possible to help defray the cost of the Memory Book.

Mrs. Adams presented the three Honorary State Regents who were present: Mrs. Howard McCall, Mrs. Julius Talmadge, and Mrs. Julian McCurry. Mrs. Mark Smith, State Director of C. A. R., spoke of the success of the State C. A. R. work. At this time Mrs. Adams introduced her official family and all but two of them were present. The Recording Secretary read the minutes of the meeting of the Georgia delegation in Washington.

State Officers' reports were called for and Mrs. Harrison Hightower, State First Vice Regent, took the chair while Mrs. Adams, State Regent, gave her most excellent report. A rising vote of appreciation was given Mrs. Adams. The following State Officers then reported: Mrs. Harrison Hightower, Mrs. J. Thomas Wood, Miss Annie Crawford, Mrs. Stewart Colley, Mrs. E. B. Freeman, Mrs. Ober D. Warthen, Mrs. Thomas C. Mell, Mrs. John M. Simmons, Mrs. T. O. Tabor, Jr., Mrs. John Edward Lane, Mrs. Y. H. Yarbrough, Mrs. Alfred N. Murray, Mrs. James L. Mims, and Mrs. T. J. Sappington.

On motion of Mrs. Yarbrough, it was resolved to give the \$13.50 balance of the Real Daughters Fund, to be used toward the purchase of a Real Daughters Relic Cabinet which will be housed in Memorial Continental Hall, this gift to be made in honor of Mrs. Julian McCurry, National Chairman of Real Daughters.

Miss Virginia Hardin asked that the State Editor, Mrs. J. L. Mims, send a telegram of appreciation to Mrs. Stafford of the Atlanta Constitution. Mrs. Mims stated that she would be happy to do this and also notified the Board that Mrs. Stafford had appointed her Press Chairman during the Conference. Mrs. E. B. Freeman, Corresponding Secretary, read telegrams from Mrs. C. H. Leavy and Mrs. Bun Wylie. Reports of State Chairmen were called for and the following Chairmen reported: Mrs. E. B. Freeman, Georgia Room in Constitution Hall; Mrs. Howard McCall, D. A. R. Student Loan Fund; Mrs. John E. Satterfield, Helen Rogers Franklin Loan Fund. Mrs. W. E. Mann reported on the Fanny Trammell Loan Fund in the absence of Mrs. Kreischer, Chairman. Mrs. Mann also reported as Chairman of Textbooks.

Mrs. Harrison Hightower moved that the Georgia D. A. R. Forest Park Fund be transferred to the General Fund and be paid to The McGregor Company, publishers of the D. A. R. Proceedings. Seconded by Mrs. Warthen and carried.

R. Ramsay; Miss Cena Whitehead, Cabinet for Real Daughters; Mrs. J. L. Beeson, Cooperative Relations between S. A. R. and D. A. R.

LONG LIVE OUR GEORGIA

(Lucy Stanley McArthur)

I

I can see Georgia's Flag intermingled with folds
Of the star-spangled banner's bright bars;
And a marvelous light for the spirit it holds
As it shines through a blue field of stars.
It is one indivisible, one with the cause
Of a Nation's proud, glorious past;
It is one with all time, it is one with the laws
Of a United Kingdom of sovereigns bound fast.

II

I can see her Flag gleaming from hill-top and plain
All be-jewelled with stars shining bright,
I can hear the loud cannon, with shouts on the main,
And a call from our Nation to fight!
Then lift up your Flag and defend it, brave ones,
And ne'er let it trail in the dust;
And lift up your eyes to the hills, ye proud sons,
Whence cometh your help for a cause that is just.

III

Then long live our Georgia! In sovereignty shine,
But linked with unbreakable chain
Of other proud sovereigns . . . a heritage fine,
Great strength and rich blessings to gain.
Then sing! let us sing of our Georgia so dear,
Rich trophies of love let us bring . . .
May never a blemish on her Flag appear . . .
Hold high her proud banner, and loud let us sing!

(Dedicated to Augusta Stanley Adams, State Regent of Georgia, complimenting Swainsboro in entertaining the State Conference, 1937).

MEETING OF THE GEORGIA DELEGATION

Washington, D. C., April 20, 1937

The meeting of the Georgia Delegation attending the Forty-sixth Continental Congress was held on Tuesday afternoon, April 20, 1937, with the State Regent, Mrs. John S. Adams, presiding.

For the first time, the Georgia Delegation had the privilege of enjoying a seated luncheon at "The Smorgasbord" just preceding the executive meeting, which was held in one of the dining rooms.

Eight State Officers and two National Officers answered Roll Call. There were forty-eight voters present.

Mrs. Hightower presented plans for a Georgia Delegation luncheon next year during Continental Congress. Mrs. Thomas C. Mell moved the luncheon be held next year at same time and place. Unanimously seconded and carried.

At National Board meeting it was favorably discussed for each State to present its Flag to the Naval Academy, Annapolis. Mrs. Julius Talmadge, Recording Secretary General, moved that Georgia D. A. R. Chapters buy a Georgia Flag, which will cost \$67.00, and present to the Academy in honor of our State Regent, Mrs. John S. Adams. Motion enthusiastically carried. Immediately following this action by the Board, pledges were called for with every Chapter represented responding.

OFFICERS' REPORTS

REPORT OF THE STATE REGENT

Mrs. John S. Adams

I have the honor to present my report from the beginning of my work, when our beloved Past Regent turned over to me the reins of office, and lovingly and impressively placed her ribbon on my shoulder. I took my courage in both hands, shoved back relentlessly a rising reminder of what usually happens to one that shirks duty and faced it with steady eyes and hard work.

I am very deeply and profoundly grateful to the Daughters of the American Revolution of Georgia for the honor they have conferred upon me. I shall, in the performance of this duty, endeavor to measure up to the fine work of my predecessor. I cannot express in words my gratitude and joy of the unfailing support and cooperation you have given me.

The inspiration I received from my first National Executive Board meeting has been lasting. Each State Regent was made to feel and know that she was the guardian of her own particular group. I was proud to feel that you had trusted the affairs of this wonderful Society to me and my fellow co-workers. Mine has been the pleasure of being entertained by many Chapters over the State. It is a matter of regret to me that I cannot dwell on the happenings of these wonderful trips.

Conflicting engagements have compelled me to refuse many alluring invitations.

My first official duty came on May 6 when I motored to Sandersville, together with Mesdames Freeman, Guyton and Coleman, guests of the Governor Jared Irwin Chapter. Mrs. S. G. Lang, Sr., Regent, Mrs. Shelnutt and Mrs. Harris were hostesses at a beautiful luncheon at the home of Mrs. Shelnutt. Mrs. H. M. Franklin, Honorary State Regent, was one of the honor guests. The Chapter meeting was held in the home of Mrs. C. F. Irwin. It was my happy privilege to present the annual awards of two prizes to a boy and girl for highest average in American History.

On May 14, I motored to Hawkinsville with Mesdames Couric, Freeman and Barnes, for the unveiling of two of Pulaski County's oldest and most historic spots, marked by the Hawkinsville Chapter, Mrs. Jelks, Regent. Sites on which these markers were placed were of two old Forts, Mitchell and Green. Fort Mitchell was unveiled at the town of Hartford, which is now only a suburb of Hawkinsville, but was once one of the leading cities of the State, coming at one time within one vote of being the State Capital. Following the unveiling a reception was held in the home of Mrs. Robert Anderson; an interesting feature was the installation of the newly elected officers of the Chapter.

July 30 found me in the mountains of North Georgia. I was met at Cornelia by a group of friends, motored to Demorest where I was guest of Miss Ruth Stone, Dean of Piedmont College; in the afternoon Mrs. I. H. Sutton drove a party of friends over the mountain, returning to the Mountain View Hotel, Clarkesville, when she was hostess at a lovely dinner party. Covers were laid for 12 guests. Next morning the Regent of Tomochichi Chapter,

Mrs. Harry Forrester, entertained me at breakfast; later this Chapter was hostess at a special meeting when a seated luncheon was served at "Charm House." Seventy guests were present; they came from the surrounding mountain side, Dahlonega, Commerce, Toccoa, Cornelia, Demorest, Clarkesville, Dawsonville, Gainesville, Tallulah Falls. In the afternoon we motored to Helen, and on to Robertstown, where at a beautiful spot along the Chattahoochee River, made famous the world over by Sidney Lanier's poem, "The Song of the Chattahoochee," a bronze tablet commemorating the immortal poem was unveiled. Members of the Chapter had charge of the ceremonies. Your Regent was guest of honor and gave an address on D. A. R. Memorials. After the exercises I motored to Gainesville with Mrs. Sidney Smith and a party of friends. I was house guest of Mrs. Smith in her lovely home. A reception that evening at the Club House gave me an opportunity to address the Col. William Candler Chapter.

There were thousands of things we could be happy over in Gainesville, so many precious lives saved from the recent storm, but our hearts bled anew over the remains of the havoc wrought by April's tornado, although reconstruction had almost cleared the wreck. I was happy to see that fortitude prevailed. Although it was late July, with the mercury soaring up into the nineties elsewhere, it looked as if Gainesville was having another visitation of Nature's wrath; I slept under two blankets that night. The following day members of the Chapter entertained me delightfully at a lovely luncheon given at the hotel. After listening to their carefully laid plans for the future I had to hurry away to a waiting train for Atlanta.

On Saturday, September 5, accompanied by State Corresponding Secretary, Mrs. Freeman, and Mrs. Chivers of Dublin, your Regent motored to Milledgeville, and was guest of Suky Hart Chapter, C. A. R., when they entertained the second annual State Conference; Mrs. Mark Smith, State Director; Mrs. Edwin Allen, Sr., President. This Chapter celebrated the coming of this annual Convention by presenting a wonderful pageant portraying the beginning of our America. The supporting cast was drawn mostly from talent in the hostess Chapter. At the noon hour a lovely luncheon was served at the Country Club. I had the happy privilege of bringing a message to this delightful group of children.

While in Milledgeville word came to us that Miss Sarah Poole, one of our Real Daughters, was called to her heavenly home. We paused in reverent memory over her passing.

Tuesday, September 15, was spent in Augusta, guest of Augusta Chapter for a special meeting, when three bronze tablets were unveiled. Possibly there has never been a ceremony more unusual or more interesting. The impressive ceremonies were begun at the historic "White House," captured by the British during the Revolution, and where many American soldiers were held prisoners and later executed. Second, Fort Grierson, the surrender of Augusta. Third, Meadow Garden, the home of George Walton, one of the signers of the Declaration of Independence. My address at Meadow Garden was the Life of George Walton, and closed with an address on Meadow Garden, paying tribute to the Augusta Chapter for their splendid work in preserving the old mansion. Mrs. Wingham, Chapter Regent; Mrs. Bowen, Chairman of Meadow Garden; and Mrs. Brenner, Master of Ceremonies, were in charge of this delightful program. Luncheon was served in the old mansion. A tea followed the unveiling exercises. Mrs. Plexco entertained our party at a lovely dinner that evening. Mesdames Freeman

and Barnes, and Mr. Stanley Reese were among the dinner guests. We drove home, at a late hour that same evening.

September 30 found me hostess in my own city and to my own Chapter, John Laurens, where my group entertained for the Chapter Birthday Party. Three State Officers and four State Chairmen were present; John Ball and Vidalia Chapters were also represented. Modesty forbids any undue comment. Suffice to say I was exceedingly proud of my own John Laurens Chapter and our own Chapter Regent, Mrs. Barnes.

October 9, Mesdames Freeman, Guyton, Barnes and I were guests of the John Ball Chapter, Mrs. Victor Davidson, Regent, in the home of Mrs. Allen Daughtry, Allentown. Three State Officers were present. This Chapter is composed of members from many nearby towns, Danville, Gordon, McIntire, Irwinton, Allentown, Toombsboro; Nancy Hart Chapter was also represented.

By this date it was necessary to spend a day or so at home in order to catch my breath and then I started out for Dawson.

October 6 I was invited to Dawson by Stone Castle Chapter, Mrs. Ivy Melton, Regent, to take part in the unveiling of an Indian marker placed on the site of a vanished Indian village, "Chenube." I motored to Dawson with Mrs. Couric, a former member of Dorothy Walton Chapter. We were entertained in the home of Mrs. Ivy Melton. The two Dawson Chapters were hostesses at a delightful luncheon given at the Municipal Club House honoring the invited guests. Mrs. Harrison Hightower, First Vice Regent, and Mrs. Mark Smith, State Director of C. A. R., were among the honor guests. Nine Chapters were represented: Stone Castle, Dorothy Walton, John Laurens, Thronateeska, John Houston, Commodore Richard Dale, Council of Safety, Barnard Trail, Roanoke. At the luncheon hour it was my pleasure to address the members, using the subject "Statue of Liberty." Place cards at the luncheon was a hand-painted Indian village. It was of special interest to me to take part on these interesting ceremonies. These Indian beginnings are as if they came out of a story book. After a delightful evening and dinner party in the home of the Regent we motored back to middle Georgia.

On Wednesday, October 14, accompanied by State Corresponding Secretary, Mrs. Freeman, your Regent motored to Thomaston, to accept an invitation from Mrs. Harrison Hightower, First Vice Regent of Georgia, and Regent of the John Houston Chapter. Mrs. Freeman was house guest of Mrs. Mark Smith, State Director, C. A. R. At 1:00 o'clock we were entertained with a seated luncheon given by Mrs. Hightower. In the afternoon the Chapter held its meeting in the home of Mrs. Robert Hightower. Here we greatly enjoyed seeing members from other Chapters, invited to this delightful gathering: John Laurens, John Houston, Pulaski, Lamar-LaFayette. I recommend highly these group Chapter meetings; they give additional inspiration and a wider knowledge of our work.

I had the pleasure of addressing the Chapter on National Defense. In the late afternoon a visit was made to the Organizing Regent, Mrs. Lewis, who was too feeble to attend the meeting. That evening a beautiful buffet supper was given at the home of Superintendent and Mrs. Mark Smith. On the following day I motored with Mrs. Hightower to Athens to attend the Elijah Clarke Chapter meeting, Mrs. W. A. Capps, Regent, in the home of Mrs. Julius Talmadge; Mrs. Julian McCurry and Mrs. Harry Talmadge, hostesses. Many National and State Officers were present; also four State Chairmen and many guests of other States who represented many organizations, including State and National Director, C. A. R. My address to the Chapter was on "Statue of Liberty."

Mrs. Hightower and I were members of Mrs. Talmadge's house party. Mrs. Mark Smith and Mrs. Freeman were guests of Mrs. McCurry.

Friday, October 23, was spent in Decatur as guest of the Baron DeKalb Chapter. I motored from Atlanta to Decatur with my Chairman of Independence Day, Mrs. W. P. Smith. The charming courtesies of this Chapter began with a seated luncheon at Candler Hotel, entertaining twenty-five guests. At a given time we assembled in the home of the Regent, Mrs. Green, for a Chapter meeting at 3:30 o'clock. Many State Officers were present from many parts of the State; also many visitors from the Atlanta Chapter and Joseph Habersham Chapter. First Vice Regent, Mrs. Hightower, was one of the distinguished guests. I was exceedingly proud of my Chapters as I listened to the splendid record of work accomplished. A reception followed at the close of this most delightful meeting. My address was on National Defense. I returned to Atlanta that night in order to accept the gracious invitation of the Joseph Habersham Chapter the following morning, Mrs. Thomas J. Ripley, Regent. I was escorted from my hotel to the Piedmont Driving Club, where a most beautiful luncheon was given. Seventy-five guests were present, many from their sister Chapter, Atlanta, and others from many parts of the State. Your Regent was happy to address this distinguished body of fine womanhood. By this time I needed to again catch my breath, but instead I hustled to the Terminal Station and boarded a train for Washington, where I attended the National Executive Board meeting called for October 26-27. I did not return to Georgia until October 30, and then began my preparation for our State Executive Board meeting which was held in Bainbridge, November 4. The Bainbridge Chapter of which Mrs. W. O. Gaines is Regent, extended many gracious courtesies to the visiting D. A. R. members. An elaborate reception was held on Tuesday evening at the home of Dr. and Mrs. Gordon Chason, and an Al Fresco supper in the beautiful garden of Mr. and Mrs. Thomas R. Ramsey gave added pleasure. A lovely luncheon at the Callahan Hotel was another happy gathering of happy Daughters that were privileged to attend this Board meeting. Charming courtesies were shown on all occasions. Mr. and Mrs. John M. Simmons opened their home to many guests with a delightful house party. Mr. and Mrs. Thomas Simmons were host and hostess on this occasion. The business meeting was held at the new Community Club House and headquarters were at the Callahan Hotel. One of my many happy incidents was the pleasure of accepting the gracious invitation of Mrs. P. L. Hay, Regent of the Nathaniel Macon Chapter. It was Armistice Day, November 11, and I was invited to give an address suitable for the occasion. I also gave a report of the State and National Executive Board. Mrs. Hay and Mrs. Wright were hostesses at a beautiful luncheon at the home of Mrs. Hay. Invited guests included Mrs. Mell, Mrs. Bruce Carr Jones, Mrs. Walter Grace, Sr., Mrs. Freeman Hart, Mrs. Cook and Mrs. Rahn. Mrs. Freeman of Dublin, was also a guest. The afternoon meeting was held in the home of Mrs. Bruce Carr Jones followed by a tea served in late afternoon.

On November 14, I was guest of Atlanta Chapter, Mrs. Moreland Speer, Regent. They had postponed their Armistice Day program until this date to accommodate me. The observance of this historic day was held at 2:30 o'clock at Craigie House. Invitations had been extended to members of the Marietta, Forsyth, Dalton and Newnan D. A. R. Chapters. I was proud to have a part on this fine program; also to bring messages of importance from our President General, Mrs. Becker.

It was my pleasure to be the guest of Mrs. Charles Rice, and at every meal served in this lovely home, friends were invited to join us. Mr. and Mrs. Tom Mell, Mrs. Carpenter, Governor and Mrs. Slaton, and Mrs. Lamar were received. I wish I might transmit to you the inspiration I received when I was invited to meet with the members of the Col. John McIntosh Chapter, Conyers, who were holding their Chapter meeting in Atlanta. It gave me particular pleasure to have this opportunity. For my convenience they set their meeting at an early hour. I was privileged to address them before the hour set for the meeting of Atlanta Chapter. So on this occasion the Conyers Chapter came to me. It gave me the happy privilege of meeting and knowing these splendid co-workers. As your State Regent I was asked to prepare an address for radio. This program was arranged by the Radio Chairman of Atlanta Chapter, Mrs. Perkins. We were thus given a rare opportunity to present our D. A. R. aims and endeavors to a listening world. A group of friends escorted me to the Biltmore Hotel, where I spoke over WSB. I remained over in Atlanta and attended the meeting of Colonial Dames of the XVIIth Century, returning home to pick up the tangled ends and write my New Year's message. This message reached you on January 1. By this time I knew exactly the meaning of Mrs. Roosevelt's remarks, in her "My Day," when she quoted the President in saying he wished a change in his diet and one could guess that he deserved more attention at home.

My first meeting of the New Year, January, 1937, was on the 14th when I motored to Eastman with Mesdames Barnes, Coleman, Guyton and Freeman. We were guests of the Col. William Few Chapter, Mrs. W. P. Cobb, Regent. There were three State Officers and four State Chairmen present. I spoke to the Chapter on the D. A. R. problems confronting us as we approach the annual State Conference, March 22, and Continental Congress, April 19. The most outstanding report was on "Girl Home Makers," by Mrs. Carswell, Chairman. She was directing seventeen groups in dress-making. These girls are also taught food values, preparation, and table service. This meeting was held in the home of Mrs. W. A. Leitch; a social hour gave an opportunity to meet and know the members.

On February 2, I was off again for Washington to attend the National Board meeting called by our President General. These meetings are full of interest and very necessary to a State Regent in order to intelligently carry on the State work.

An outstanding event in D. A. R. circles was the meeting of the three Savannah Chapters: Savannah, Lachlan McIntosh, and Bonaventure, in celebration of Georgia Day, and in the observance of National Defense Week. I was requested to talk on National Defense. Mrs. Freeman, Corresponding Secretary, and Mrs. Jelks, Chairman, Loan Scholarship, were invited guests. This meeting was held in the home of Mrs. W. B. McNeal on Abercorn Street. The dining room was decorated with United States Flags. The center-piece was a miniature battleship, surrounded by tiny figures of soldiers, sailors and marines; floating from the chandeliers overhead were several tiny airplanes.

A beautiful reception followed the meeting. Meetings, luncheons, dinners, and large receptions filled the hours of the day and into the night, lasting the better part of two days.

I wish I had time to dwell on the many charming courtesies shown us on this occasion. Mrs. Robert Travis and Miss Falligant, Regent of U. S. D. 1812 Chapter, complimented the party with an oyster roast at Avalon, the suburban home of General and Mrs. Travis. I was the guest of Mrs. John W. Daniel, Honorary Past Regent.

My next and last visit of our D. A. R. year was in Covington, when the Sergeant Newton Chapter held their meeting on February 17, Miss Annabel Robinson, Regent. Preceding the meeting which was held in the lovely Colonial home of Mrs. M. L. Bolton, a beautiful luncheon was given by Mrs. L. D. Bolton, and her daughter, honoring your State Regent, and two visitors from Canada and one from Detroit. Among the visitors welcomed were Mrs. P. W. Godfrey, Past Regent of Georgia; Miss Frances Talmadge of Athens; Mrs. Gordon Smith, a daughter of General John B. Gordon; Mrs. Roach of Oxford. This meeting was outstanding in its D. A. R. activities as it brought together so many active members eager to learn of the important happenings in the National and State work. At the close of this meeting guests were invited into the dining room for tea. The refreshments were dainty in every detail, appropriate to the season of George Washington's Birthday. In my message to the Chapter I particularly stressed the work to combat Communism among young people; also telling the plans for the National Congress in Washington in April with a message from our President General, Mrs. Becker.

March 8, I motored to Aiken, S. C., with Mrs. R. H. Humphrey, your Hostess Regent, to attend the opening session of the South Carolina State Conference. This was their Forty-first Annual Conference. Esther Marion, second oldest Chapter in the State, Mrs. John Chafee, Regent, entertained the Conference. Four visiting States were represented by their State Regents: Maryland, Georgia, Indiana, and Pennsylvania. Distinguished guests included Mrs. Henry M. Robert, Jr., Treasurer General. Among the many courtesies shown the Aiken Daughters and the State Conference was the tea given to Meadow Garden by the Augusta Chapter. This compliment from one of Georgia's Chapters showing the closeness of spirit makes me glad indeed. Your Hostess Regent, Mrs. Humphrey, and I had the privilege of being pilots when our car led the way to Meadow Garden for our Treasurer General, Mrs. Robert, and State Regent of Pennsylvania and party. They were on their way to Alabama State Conference.

I have not given you a measured distance in my travels throughout the State, but from the very outset I have urged the group Chapter meetings and in this way I have come in close contact with fifty-one Chapters out of eighty-eight, our present number of Chapters.

Thank you, dear friends, for your patience. I am proud of the privilege of serving you.

VICE PRESIDENT GENERAL

^{hon}
Richard Walton McCurry

During my three years as Vice President General of the Daughters of the American Revolution, I have had a pleasant journey, inspired and cheered along the way by your cooperation, interest and friendship. Each milestone marks some pleasant memory of patriotic work and comradeship, and fills me with gratitude for acts of graciousness and kindness for which I wish to express my sincere appreciation.

It is with great pride that I thank you for the lovely Real Daughters cabinet, placed in my honor in the Museum. The Real Daughters are ever near to me, and the cabinet to contain their treasures will be a real treasure in my heart, as it preserves and holds their mementoes and souvenirs, so does it hold my gratitude and abiding interest.

With deep appreciation I thank you for your kind thoughtfulness in sending flowers and messages during my recent illness and sorrow. And I wish to express my thanks also for the flowers sent to cheer me at Congress.

I have found joy in my duties these three years, intense interest in the full correspondence incurred, and pleasure in attending the State Board meetings and National Congress; in meeting again old friends, and making new ones in our work of patriotism. I have enjoyed every step of the way we have traveled together, and if I have made a success of my office it has been due to your interest, comradeship, and inspiration.

STATE FIRST VICE REGENT

Mrs. Harrison Hightower

The First Vice Regent has assisted the State Regent whenever called upon, has visited several Chapters, and attended the unveiling of markers on two historic spots.

It is a privilege to be of service to the Chapters at any time and to assist in any phase of the D. A. R. work.

STATE SECOND VICE REGENT

Mrs. J. Thomas Wood

The office of State Second Vice Regent has been one of honor and pleasure.

With so capable a Regent I have had nothing to do, but I am ready at all times to be called and it would be a joy to serve my State D. A. R. in any way I am needed.

STATE CHAPLAIN

Miss Annie S. Crawford

Your Chaplain feels this singular honor, which has been conferred upon her by State and Chapter, and has made every effort to be worthy of it.

Her first official duty was November 4 at the meeting of the Executive Board at Bainbridge, where the State D. A. R. were delightfully entertained.

In the fall at the organization of the S. A. R. in Athens, she was near, and asked to give a word of welcome from the Elijah Clarke Chapter.

Later, at a banquet of the S. A. R. where the formal presentation of their Charter was given by President General Messmore Kendall, of the National Organization, to President Robert Gunn of the Athens Chapter, she assisted with many others on the program and offered the closing prayer.

In February, she assisted in the planting of a tree in her honor as Past Regent, on a beautiful campus of one of the city schools.

Your Chaplain assisted in the unveiling of two D. A. R. markers—one in memory of her mother, Mrs. E. A. Crawford, the first Regent of the Athens Chapter in 1892, and the other, in memory of Mrs. George T. Hodgson, a Past Regent of Elijah Clarke Chapter, during the Regency of Mrs. W. A. Capps.

Each Chapter in the State was requested to send notices of the passing of members to the Chaplain.

The year closes, feeling that we have experienced His guiding hand.

STATE CORRESPONDING SECRETARY

Mrs. E. Blount Freeman

As Corresponding Secretary of the Georgia Daughters of the American Revolution it affords me pleasure to render an account of my stewardship during the past year.

Someone has spoken of this office as the service department of our Society; I have also found it an excellent training school for better D. A. R. membership, because of the experience it affords and because of the knowledge acquired in different phases of D. A. R. work through contact with Chapters and with the various departments of our organization. In addition to carrying on all correspondence as directed by the State Regent, many requests for information have been received. I have endeavored to give prompt and careful attention to all letters.

A summary of the year's work is as follows: 80 letters and cards written; attended to printing and mailing the following notices. 200 copies State Regent's Fall message; 150 notices State Executive Board meeting; 200 copies State Regent's New Year message; 282 credential blanks for State Conference (three each) to Chapter Regents; 110 registration cards for State Conference; 150 invitations to State Conference to distinguished guests; total expenditure, \$30.91.

One telephone call was made to Mrs. Robert Humphrey, Regent, Governor David Emanuel Chapter, Swainsboro. In September a message of condolence was wired to our Real Daughter, Mrs. Mary Poole Newsome. When our Vice President General and Honorary State Regent, Mrs. Julian McCurry, lost her mother on March 9, a telegram was sent to her by the State Regent expressing the love and sympathy of the Georgia D. A. R.

As instructed by the Executive Board in session November 4, 1936, telegrams were also sent to Mrs. John W. Daniel, Mrs. Bun Wylie, Mrs. Stafford of the Atlanta Constitution, and Hon. John B. Wilson, Secretary of State.

STATE AUDITOR

Josephine D. Mell

Your State Auditor concurs in the report of Mr. E. Herbert Bailey, Certified Public Accountant, of Stonewall, Ga., who thoroughly audited the books of the State Treasurer, finding them in perfect order.

STATE CONSULTING ORGANIZING SECRETARY

Mrs. John M. Simmons

More accurately and more comprehensively than any other National Organization, the Daughters of the American Revolution represent American womanhood. They are inheritors of American traditions. Every member of this organization is proud of her achievement in the past and has faith in her future but every member should share the responsibility that is ours in order to maintain the traditions of our country. In order to maintain these traditions there must be loyal allegiance to the Constitution which is a firm foundation of our government. We, as loyal Daughters of this great organization should use our influence to see that the Constitution and the Flag be given loyal allegiance. It is because of this that our organization not only cherishes the traditions of the past but endeavors to preserve undefiled the sacred heritage which our forefathers left us. If we feel that we have "kept faith with the past," may we not help others to join our Society, and thus not only receive a high honor, but assume a solemn responsibility in endeavoring to preserve the sacred heritage which our forefathers left us? It is because of what we stand for that we would have others share this privilege by organizing Chapters, where there are none, and assisting friends and relatives in securing this data.

Many letters have been written, towns visited and literature has been sent where there are no Chapters.

It is with deep regret that I have to report that the Archibald Bulloch Chapter, Montezuma, and the Lanahassee Chapter, Buena Vista, have not functioned for over a year and have been disinterested. We hope that the members of these Chapters will not be lost to our organization, but they did not have the required number of members to continue as a Chapter.

Your Consulting Organizing Secretary will be only too glad to be of any service to you in this capacity.

STATE LIBRARIAN

Mrs. T. O. Tabor, Jr.

In January I sent a letter to each Chapter Regent giving information in regard to our Library work and a list of books wanted from Georgia by Mrs. L. E. Tomm, Librarian General, Memorial Continental Hall, Washington, D. C. This list included: Clark Howell's History of Georgia, History of Turner County, History of Irwin County, History of Charlton County, History of Fulton County, History of Atlanta by Reed, History of Cherokee County, Men of Mark in Georgia, History of Gordon County, Callaway Baptist Preachers, Crisp County Historical Sketches, Subscriptions to the Covington Newspaper.

Twenty-five Chapters reported aiding Libraries in some way. Four Chapters reporting, have a Chapter Library but most Chapters have a book case or occupy a section in the town Library. May I urge that all Chapters have a Chapter Librarian and send her name to the State Librarian? The Elijah Clarke, John Houston, and General Daniel Stewart Chapters bought several volumes of the Georgia Historical Collections. Hundreds of books have been sent to the Merchant Marine and Approved School Libraries. The Lachlan McIntosh Chapter purchased last month the complete set of Pennsylvania Archives consisting of seven series at a cost of \$200.00. The bound volumes in their Chapter have been appraised

at \$800.00. Nathaniel Macon Chapter has rebound six volumes of old papers. William Marsh Chapter gave 20 American Governments to their school. Pulaski Chapter gave books valued at \$60.00 to Spalding High School and placed Crisp County Historical Sketches in Hawkes Library. Stephen Heard Chapter gave books valued at \$40.00 to Nancy Hart School, Elbert County. Elijah Clarke Chapter Librarian collected all books belonging to Chapter, placed them in cabinets, catalogued them and now opens Chapter Library twice a month at her home. Five hundred eighty-two books and \$25.00 in cash have been contributed by D. A. R. Chapters over the State to Town, County and School Libraries.

The gifts to Memorial Continental Hall Library have been as follows: Official History of Fulton County, gift of W. G. Cooper through Joseph Habersham Chapter; Young J. Allen, "The Man Who Seeded China," gift of Mrs. Arthur Allen; Genealogical Publications of the National Genealogical Society, No. 6; Abstracts of Wills of Chatham County, gifts of Lachlan McIntosh Chapter; History of Georgia, Vols. 2, 3, 4, gift of Button Gwinnett Chapter; History of Irwin County, gift of Mrs. A. J. McDonald through Nathaniel Abney Chapter; First Deed recorded in Houston County, First Minutes of Superior Court of Houston County, Graves located in Haynesville, Houston County, gift of General Daniel Stewart Chapter; Clark Howell's History of Georgia in four volumes, gift of Atlanta Chapter; Copy of Elbert County Superior Court, 1791-1792; "Royal Ancestry of Lieut.-Col. William Alston," gift of Mrs. Z. W. Copeland through Stephen Heard Chapter.

STATE HISTORIAN

Mrs. John Edward Lane

The Daughters of the American Revolution Society was organized to honor the memory of those who offered their lives for our freedom; to keep alive their spirit of patriotism; and to unearth and preserve the history of our country.

With these objectives in mind your State Historian has made suggestions to Chapters from time to time for their fulfillment, and herein acknowledges with gratitude your generous response and hearty cooperation in the work during the past year, the evidence of which has resulted in a fine showing for the State organization.

The plea made for the preservation of the State's unpublished and unrecorded history has not been in vain. That the records might be available to a larger number in the State, the Chapters have been asked to contribute material for the State Department of Archives, Atlanta, and you have responded generously.

The Stephen Heard Chapter, Elberton, sent an original deed, dated April 29, 1871, Oconee, S. C., signed by D. D. Verner; one dated August 27, 1842, Franklin County, Georgia; another dated January 29, 1856, Pickens District, South Carolina; and another dated September 29, 1841; a Magistrate's Execution, dated December 19, 1854; a land plat of parchment, dated June 10, 1784, signed by Ephraim Mitchell, Surveyor General, South Carolina, for 400 acres of land to Major John Vanderhorst, for services in the United States Army; nine historical clippings; one Minute Book of the Sarepta Baptist Association, with historical table, 1799-1928; marriage records of Elbert County, 1804-1812.

D. Boardman).

This Chapter has located the Kell family Bible, printed in 1843; the Monroe Bible, printed in 1770; and the Thomas Lillbridge Bible, printed in 1717. Thomas Lillbridge, head of the family, this Bible states, was warden in the first Episcopal Church built in New Port, Rhode Island, 1699.

The Governor John Milledge Chapter, Dalton, gave to the Department of Archives the History of Gordon County. Colonel John McIntosh Chapter, Conyers, gave a contribution; the William McIntosh Chapter, Jackson, gave sketches of Clement Moore and Abner Bankston, two Revolutionary soldiers; sketches of two soldiers of the War of 1812, Robert Humber and Robert Wilson Smith; a sketch of Major John Reid, Military Secretary to General Andrew Jackson; sketch of the last survivor of the 6th Georgia Regiment in the War Between the States, Robert Van Smith, now nearly 97 years old; sketches of Georgia's and Virginia's last widows of the War of 1812, Aminia Indiana Anderson, of Walker County, Georgia, and Mary Coleman, of Stuart County, Virginia, died in 1933; wills of Samuel Wilkinson and Robert Wilson Smith, Glover Dav-enport, Mary Lane, and Robert Humber; appraisement of the estates of Samuel Wilkinson and Robert Humber, soldiers of 1812, Rachel Magbee, widow of a Revolutionary soldier, and Littleberry Lane, a soldier of the French and Indian Wars; names of 600 Revolutionary patriots of Brunswick County, Virginia, who furnished supplies for the Revolutionary Army; marriage bonds of Campbell County, Virginia, 1782-1800; marriage bonds of Pittsylvania County, Virginia, 1767-1787, published by the State Historian in the July, 1936, D. A. R. Magazine; also marriage bonds of Pittsylvania County, Virginia, 1787-1793, to appear in a near issue of the D. A. R. Magazine; one old deed to a negro girl by a soldier of the War of 1812; and family charts of the Lanier, Led-better and Thornton families.

In addition to the foregoing the Chapter sent the genealogies of the McKibben, Lanier, and Early families; 108 tombstone records copied from the Jackson cemetery; Robert Smith, Sr. family Bible records, the Bible having been brought from Ireland to America in 1760; Callaway-Anderson-Early Bible records; 22 tombstone records of the Steptoe family, copied in the Steptoe family cemetery near Lynchburg, Va.; an original Tax Book, dated 1831, by John M. D. Bond of Butts County; two original home-made arithmetics, made in 1818, by John M. D. Bond, including "Vulgar Fractions;" (the three bound in black buckram with gold letters) original tax receipts to John M. D. Bond, 1829; three original commissions to John M. D. Bond; two original land grants, signed by Governor Troup, 1824, and Governor Wilson Lumpkin, 1835; the names of several hundred patriots of Campbell County, Virginia, who furnished supplies for the Revolutionary Army, also their commissions.

The William Marsh Chapter, LaFayette, presented sketches of LaFayette Academy and Chief John McLemore to the Department of Archives.

The Colonel William Few Chapter assisted the Oconee Chapter in putting on a historical program.

The James Pittman Chapter, Commerce, printed 25 pages of historical data.

The Henry Walton Chapter, Madison, contributed to the Cabinet Fund for Relics, honoring Mrs. Julian McCurry. Also discovered a book in the basement of the court house, containing the names of Revolutionary soldiers and wives who drew pensions and lived in Morgan County.

The Pulaski Chapter, Griffin, held an antique show in November that was a success. Acknowledgment is made to the Bonaventure Chapter, Savannah, for valuable material contributed.

In addition to the foregoing there have been 223 programs presented on history subjects by the Chapters throughout the State; three pageants, five floats made, 10 plays given, 211 historic anniversaries observed, and 50 history contests in grammar, high schools and colleges; 27 prizes given, one D. A. R. Medal, one D. A. R. gold ring, one silver cup, one pin. Total value of prizes, \$247.00.

Your State Historian feels deeply grateful to the Chapters for their many kind expressions of praise and appreciation for the suggested D. A. R. programs of the past year. Your encouragement will go far towards making another that will merit your approval.

STATE CONSULTING REGISTRAR

Mrs. Y. Harris Yarbrough

As State Consulting Registrar, it has been my pleasure to serve on the National Membership Committee, under Mrs. Lue Reynolds Spencer, Registrar General.

In accordance with duties assigned to me, I have tried to stimulate an interest in qualified persons, to become members of our Society.

I sent a letter to each Chapter Regent, with which I enclosed a copy of "Rules and Regulations of the Registrar General's Office," which contained much valuable information, as additional proof of service and substitute data. This pamphlet also explained the Consent Plan, which is proving of great assistance in the verification of lineage papers of prospective members.

I have visited five court houses, where I secured information to complete a number of lineage papers for applicants.

Reporting for the year March 1, 1936, to March 1, 1937: New members admitted, 140; members re-instated, 20; members resigned, 104; members dropped for non-payment of dues, 89; members deceased, 42.

STATE REPORTER TO SMITHSONIAN INSTITUTION

Mrs. Di Ingram

It is indeed a very great pleasure to be among your honored State Officers and have the kind fellowship of such worth while friends and patriotic workers. I am grateful for every opportunity this office has given me for service. However, there is very little actual work done by this office as it is mostly a repetition of the Historians' work.

In October, 1936, I sent to our Reporter General to Smithsonian Institution, Mrs. John Y. Richardson, the records of 38 Revolutionary soldiers' graves, births and deaths that were submitted by our retiring State Historian, Mrs. J. L. Beeson.

I want to take advantage of this opportunity to thank those Chapters who so kindly invited me to visit them.

STATE CURATOR

Mrs. Alfred Noel Murray

Your State Curator finds the D. A. R. Museum work most interesting, but our Chapters and members are reluctant to part with their relics of the period of the American Revolution, and of the Early Republic period to 1830. (And I do not blame them).

Gifts presented by Georgia D. A. R. to National Museum:

1. An old leather pocket and memorandum book that was the property of William Andrews, sergeant in the 7th Virginia Regiment. It is still in very good condition and carries the name and date of the owner, William Andrews, 1792, Manchester, England; written with ink and still legible and looks as fresh as if written last year. This pocket book contains many valuable original papers,, application for pension with a copy of the Act granting the pensions; items of personal expenses, all of which were entered in pounds, shillings and pence. Given by Mrs. Harrison Hightower through John Houston Chapter, Thomaston.

2. A piece of woodwork from the home of Col. John Dooly, Revolutionary soldier, Elberton, Ga. It was to avenge the death of Col. Dooly that Nancy Hart captured five Tories, shooting two and having the other three murderers hanged. She heard them say they killed Col. Dooly. Given by Stephen Heard Chapter, Elberton.

3. A paper in excellent condition printed January 4, 1800, "Ulster County Gazette." It carries the description of the funeral of George Washington. This paper was published at Kingston, Ulster County, New York, by Samuel Freer & Son. This paper was sold for benefit of Association for Protection of Animals. Given by Mrs. A. N. Murray, through Oglethorpe Chapter, Columbus.

4. Seven dollars for maintenance of cases: Elijah Clarke, Elizabeth Marlow, Button Gwinnett, Bainbridge, Oglethorpe, Council of Safety, Fort Early.

STATE GENEALOGIST

Mrs. I. Harold Nicholson

As State Genealogist, it was my pleasure to send to the National Chairman the following data:

Copies of the wills of nine women, living in Georgia from 1761 to 1776. These women represent several types who settled in different localities of the State. This material was presented to me by Miss Ruth Blair, former State Historian. All original wills are in the State Department of Archives and History, Rhodes Memorial Hall, Atlanta.

Mary Bateman, widow, St. John's Parish; died April 29, 1772. Rosanna Gregory, widow, Christ Church Parish; died January 1, 1774; Priscilla Houston (Dame), widow of Sir Patrick Houston, Savannah; died June 10, 1772. Hanna Blitz, widow, Christ Church Parish; died August 8, 1770. Barbara Buntz, widow, Ebernezer, St. Matthew's Parish; died September 21, 1775. Margaret Pages, widow, Savannah; died November 10, 1768. Mary Maxwell, widow of James Maxwell, Belfast, St. Philip's Parish; died May 30, 1770. Lydia Dean, widow, Savannah; died September 8, 1761. Mary Reiner, widow, St. Matthew's Parish; died August 16, 1776.

Copies of ten Bible records were sent to the National Chairman, namely: Rev. Simeon Maxwell, born in 1829; James Dismukes, born in 1784; Simeon Dutch Maxwell, earliest date, 1784; Benson Maxwell, born in 1729; Presley Ingram, moved from Virginia to Hancock County, Georgia, later to Baldwin County, Georgia, earliest date, 1802; Benjamin Ingram, earliest date, 1756, Brunswick County, Virginia; Charles Abercrombie, earliest date, 1771 (Revolutionary soldier); John Waller, Sr., born in 1749; Robert Christian Humber and Mary Ellice Waller Davis Humber, Goochland County, Virginia, Robert C. Humber born in 1783; John Duggan, earliest date, 1770; Bible printed by Collins Company, New York, in 1816.

Copies of these Bible records were presented by Mrs. J. I. Garrard, Nancy Hart Chapter, Milledgeville.

Copies of interesting genealogical material have been presented by Mrs. Mark Cooper Pope, Chairman of Genealogical Committee, Atlanta Chapter, to the State Department of Archives and History, Rhodes Memorial Hall, Atlanta. Copies have also been given to the Chairman of Lucy Cook Peel Memorial Committee. It is my ambition to index and bind these records, presenting the volume to the National Chairman for the Library of National Society of the Daughters of the American Revolution, in the name of the Atlanta Chapter. Complete list of this data is included in my report as State Chairman of Genealogical Records.

Roanoke Chapter is helping County Historian to write County History.

Contributions to the Genealogical Fund have been made by Brunswick, Oglethorpe and Sunbury Chapters.

The Genealogical Records Committee collects those records which throw light on family relationship. If each Chapter would furnish ten pages of family records, we would have sufficient material for four large volumes.

The hardest gap to bridge in establishing lines, is between 1850 and 1925. People now move frequently and many persons have the same name, which makes it increasingly difficult to connect family lines. The National Chairman urges the Chapters to interest the school authorities to have high school students compile family histories (with charts) of their own family of the past three generations. Charts are furnished by the National Society at small cost. Let us get together and bring the Georgia Society D. A. R. to the front in collecting and preserving genealogical material.

STATE EDITOR

Mrs. J. L. Mims

It is my privilege to bring you greetings from the press. My report has spoken to you for itself, from Sunday to Sunday, through our official column in the Atlanta Constitution, the official organ. Since taking over the duties of the office, with the exception of two months, December and January, during which time I was ably and efficiently relieved by our capable Assistant Editor, Mrs. T. J. Sappington, I have never failed to send in your material each week for the column, and it has never failed to be in Mrs. Stafford's office on Wednesday morning, which is according to her request and requirements. Every report that has been sent to me has been set in and has been published in the column, with the exception of one report from a State Chairman which reached me too late to carry the special message that it contained. In addition to compiling the reports of Chapters, Officers and Chairmen, I have written several articles commemorating special days.

There has been work to do, during the year, as your Editor, but may I take this opportunity to say that the work has been most interesting and fascinating and that I have thoroughly enjoyed it. If our column has in any measure been interesting or helpful in promoting the best interests of the organization, it is because of the splendid support and co-operation that has been given me by State Officers, Chairmen, Chapter Regents and Press Chairmen, and by Mrs. Bessie Stafford of the Atlanta Constitution, who has been a great help. I wish to take this opportunity of thanking all who have had a part in making the column a success and to publicly

express appreciation to and of Mrs. Stafford and her staff for their splendid help and co-operation.

The State Officer has offered this year to the Chapter sending in best publicity for the official column, a silver loving cup, known as the May Philips Mims Trophy, the winner to be decided by the State Committee. The reports of Chapters meeting these requirements were sent to the committee and winner, as announced by them, is Stone Castle Chapter of Dawson, of which Mrs. Ivey C. Melton is Regent. Second place goes to Hawkinsville Chapter, Hawkinsville, Mrs. T. H. Bridges, Regent. Savannah and Thomasville Chapters deserve honorable mention.

ASSISTANT STATE EDITOR

Mrs. Thomas J. Sappington

With a most efficient Editor, the duties of the Assistant have been light. During the year, it was my pleasure to edit the D. A. R. column for the Constitution two months. Also contributed one article on National Congress.

Mrs. Bessie Stafford was most generous in her co-operation with me in my work as Assistant Editor.

COMMITTEE REPORTS

AMERICANISM

Mrs. J. Thomas Wood

The work classed as Americanism concerns itself with work done for the young Americans, as well as the social adjustment, education, naturalization and instruction of the foreign born.

All Chapters cannot do the work as outlined by the National Chairman and the size and location of the Chapter make it necessary for the work to vary.

Some towns have no alien element but where they do have, the Chapters have attended Naturalization Court and assisted in many ways with the ceremony.

Splendid work has been done in sections where there are CCC Camps. Copies of Haskin's American Government and over 2,000 magazines have been given to the boys. Members have assisted in arranging entertainments. Good Citizenship medals have been given in CCC Camps, Flags presented and prizes given for essays.

One Chapter, John Houston, placed stickers bearing American's Creed, and Pledge to the Flag, in all history and civic textbooks.

Four Chapters reported sending books to the American Merchant Marine Library.

Many Chapters contributed to the Approved Schools and Cross-nore.

Many boxes of wool were sent to Ellis Island, the value about \$100.00.

I am not mentioning the amount of work done by each Chapter, as I would not take away any credit from the Regent, who will incorporate Americanism work in her report.

Savannah D. A. R. have been active in helping the foreign born. They participate in programs for sailors of all nationalities and assist in serving suppers at the Seaman's Bethel each Friday night. One member of the Savannah Chapter spends one day each week working with illiterate mothers and teaching them to improve their living conditions.

Reports from Chapters over the State show nearly 100 medals have been given for Good Citizenship and many other prizes for essays on Americanism.

Money has been given for playground equipment, for books for under-privileged children, subscriptions for magazines for poor mothers, money for flood and tornado sufferers and food for many poor families. The Americus Chapter took care of 20 under-nourished children for two months.

Many Flags have been given to schools, camps and boys' organizations. Nearly all Chapters in the State reported that they had cooperated with activities of American young people. Some have organized C. A. R. Some have entertained the C. A. R. and helped with the programs for their meetings. Some Chapters have organized Junior Groups and others are working on it.

Much interest has been shown in the Good Citizenship tour and the choice of a young lady to make this tour has been made.

Nathaniel Abney Chapter has concentrated on education and reported \$225.00 in this fund.

Thomson Chapter is sponsoring two Becker girls.

The General James Jackson Chapter, Vidalia, is doing splendid work by cooperating with the Syrian Woman's Club. They are also organizing a Junior American Citizens Group.

Value of the work is beyond estimation in dollars and cents, but the amount of money reported spent is \$1,600, divided as follows: \$667.00 for relief of needy; \$623.00 for education and care of under-privileged children; \$100.00 for Flags; \$150.00 for prizes; \$20.00 for assistance to club of alien women; \$40.00 for decorating floats in Armistice Day parade; \$1,600.00 total.

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Edgar J. Oliver

The American Merchant Marine Library has been well supported by the Georgia Daughters of the American Revolution during the past year, 21 Chapters reporting a total of 661 books, conservatively valued at \$250.00.

The Association is supported by voluntary contributions of books, and there are now in circulation about 300,000 volumes, which are packed in chests of 70 selected volumes each, and distributed at regular intervals to the ships composing the American Merchant Marine, and Coast Guard, the lighthouse service and marine hospitals. The Daughters of the American Revolution are proud to have a share in this great enterprise.

Savannah Chapter has the distinction of sending in the largest number of books, 92.

AMERICAN'S CREED

Mrs. Bun Wylie

The American Creed embodies the fundamental principles of our government and the belief of the American people, together with the pledge of their loyalty. It should be taught in every school, for it is the foundation upon which to build real American citizens. The Daughters of the American Revolution urge the Chapters, throughout the State, not only to use the American's Creed at every meeting, but interest the schools, civic and patriotic organizations in the teaching and use of the American's Creed. The Chapters in the State that have done outstanding work in teaching the American's Creed are:

John Houston Chapter, Thomaston, has the Creed taught in the schools and has placed a full page "sticker" in every history book in the city and county schools, bearing the Pledge to the Flag and the American's Creed.

The Arthur Fort Chapter uses the Creed and has placed copies in the local schools.

Roanoke Chapter uses and teaches the Creed.

John Ball Chapter observes the special day, April 3, American's Creed Day, and has it printed in Year Book and recited at meetings.

Atlanta Chapter, Mrs. Moreland Speer, Regent, had copies of Creed printed on attractive cards and presented to every member as a Christmas card. The Pledge to the Flag and Creed are used at every meeting.

The Brunswick Chapter has done fine work in teaching and using the Creed.

Joseph Habersham Chapter has used the Creed at all meetings.

Oglethorpe Chapter, Columbus, reports the Creed used at all meetings.

Tomochichi Chapter, Clarkesville, uses the Creed at all meetings and has it used in all County schools.

APPROVED SCHOOLS

Miss Sue Reid Vason

It is with great satisfaction that we realize the growing interest in the work of Approved Schools; and it is with pride that we watch the development of these schools and the training they offer the boys and girls who go forth from these schools with the educational and cultural advantages they would not have been able to receive without a helping hand, better equipped for life and for becoming self-sustaining and useful citizens.

I am deeply grateful for the interest and cooperation of the various Chapters of the Daughters of the American Revolution in furthering this educational program. Ninety Chapters have reported programs prepared and presented on the subject of "Approved School." Your Chairman has had the privilege of meeting with several of the Chapters and talking to them of this splendid work.

Fifty-six Chapters have donated \$108.01 to Crossnore School; \$63.75 has been donated to Kate Duncan Smith School, and \$63.75 donated to Tamassee School. Boxes of books, clothing and miscellaneous donations have also been sent to Kate Duncan Smith and Tamassee Schools. A \$50.00 scholarship has been given at the Martha Berry School in Rome, Ga. The Chapters have met the requirements of the State Honor Roll by giving a pro rata share of five cents per capital to Approved Schools.

It is indeed fitting that the Daughters of the American Revolution, who cherish and uphold the traditions of our valiant ancestors, lend a helping hand in building up the educational and cultural standard of the youth of our land. And it is with much appreciation that I extend thanks to the various Chapters who have cooperated so well in the interest of this worth-while work.

ARMISTICE DAY

Mrs. I. H. Sutton

Many interesting reports have come to me as your State Chairman of Armistice Day.

Cards were mailed to all Chapter Regents urging that the observance of Armistice Day be included in the November program. Also an appeal was sent to the Chapters through the official column in the Atlanta Constitution. The response was most gratifying.

Many Chapters report that addresses were given by members in public places and over the radio. Most of the Chapters report having observed the day in their Chapter programs. Then many other Chapters joined with the schools in celebration of the day.

May I express deep appreciation for the very splendid way in which the Chapters cooperated with other organizations to commemorate this historical day.

BASHINSKI CUP

Mrs. Helen McCall Bashinski

During the years since the Bashinski Cup has been offered we have been gratified to see its continual growth in usefulness.

It has been given a high place in the list of important achievements and put under the care of a most capable Chairman whose fine work has been outstanding. I prophesy its continual growth and importance.

The purpose has grown in favor and increased power. As a small factor in these happy results, I am glad to have had a part.

It is with congratulations to the Stone Castle Chapter of Dawson, Mrs. Ivy Melton, Regent, that I deliver this cup and express the hope that they will have increased interest in the purpose for which it is given.

MOTION PICTURES (BETTER FILMS)

Mrs. Roy Stephens

Of Georgia's 88 Chapters, 62 report some activity in the interest of Motion Pictures, and much excellent work is being done. Fifty-four Chapter Chairmen have been in touch with the State Chairman, receiving detailed instructions for carrying on the work and keeping the public reliably informed as to the films worthy of patronage.

Forty-two Chapters have met the Honor Roll requirement of sending in a 50-card subscription to the D. A. R. Post Card Guide, and regularly use these review cards as a basis for advance information on local pictures. Georgia continues to lead all States in the number of subscriptions to the Guide, with more than 70 in the State.

Many Chapters indicate a definite increase in attendance at the finer films, and we believe that the continuous work of our loyal Daughters in keeping before the public the ratings of films, and in urging patronage of only the best, is having splendid effect in raising the standard of public demand for fine, clean films.

Ten or more Chapters have had at least one Chapter meeting devoted entirely to Motion Pictures. Motion Picture study groups are being organized, and excellent progress is being made in the encouragement of Photoplay Appreciation courses in high schools. John Benning Chapter, at Moultrie, has instituted such a course as a regular part of the high school curriculum. Many Chapters report the use of Study Guides and Group Discussion Guides on outstanding pictures in their local schools, and many cooperate with schools, encouraging the giving of credits in English and history for attendance at certain recommended historical pictures, and pictures based on classics in English literature.

Sixteen Chapters report active cooperation with other organizations interested in raising the standard of motion picture entertainment, but in the majority of Georgia towns the D. A. R. Chapters form the only group active in keeping the public informed as to ratings of films.

The most encouraging feature of our work is the alert interest displayed by our Chapter Chairmen in reading and studying the books of our National Chairman's suggested Bibliography, and without exception those who are taking part in study courses find that their interest increases with increasing knowledge, and that better results are thereby accomplished.

Exceptionally good work has been done by the Chapters at Americus, Decatur, Dublin, Fort Valley, Hartwell, Moultrie, and Thomaston.

The Motion Picture Award, offered by Mrs. Harrison Hightower, \$5.00 each to the two Chapters doing the best work for Motion Pictures during the year, was won by John Houston Chapter, Thomaston, and Governor Treutlen Chapter, Fort Valley.

CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Mark Smith

The Second Annual Convention of the Georgia Society C. A. R. was held in Milledgeville, Ga., September 5, 1936, with the Sukey Hart Society, hostess, Mrs. Edwin W. Allen, Senior President. We were honored to have the State Regent, Mrs. John S. Adams, who gave us a most inspiring message during the morning session. Many State Officers were in attendance, as well as other distinguished guests. The N. S. C. A. R. Magazine carried in the November, 1936, issue a full write-up of the Convention and also a full page picture. The January, 1937, issue carried the address of Father T. J. McNamara of Milledgeville, who spoke at the morning session of the Convention.

It has been my pleasure this year to present the Charter to the Col. Benjamin Cleveland Society, Griffin, and also to visit many other Societies and to represent the Georgia Society C. A. R. at many other patriotic organizations as a distinguished guest and bring to them the greetings from the Georgia Children of the American Revolution.

To our State Regent and to the Georgia Society Officers of the D. A. R. we extend sincere thanks for their earnest, cooperative efforts in making this year a happy and an outstanding one for the Georgia Society C. A. R.

Mrs. Eli A. Thomas

The work of collecting family Bible records for preservation continues to hold the interest of the D. A. R. of Georgia. This year 14 Chapters sent in a total of 125 Bible records, four family genealogies, 897 tombstone records from 24 burying grounds, wills, one land grant, and other records.

LaGrange Chapter sent 32 Tombstone records: From Atchison family burial ground; Long Cane cemetery, Troup County, Georgia; Talbotton, Ga., cemetery, tomb of George Menefee, a Revolutionary soldier.

CONSERVATION

Mrs. C. H. Leavy

Conservation with the Georgia D. A. R. has been outstanding this year, with many Chapters reporting on the numerous phases of the work accomplished. Twenty programs on Conservation were reported, with 39 Chapters having Conservation Chairmen, who also gave talks before varied groups outside the Chapter.

Human Conservation

As always, Chapters responded 100 per cent to the Red Cross. Indigent inmates of both white and colored hospitals were given assistance; Boy and Girl Scouts helped and encouraged to observe Patriotic Days, one Chapter sponsoring a Girl Scout "shower." Bibles, book rentals and clothing were freely given to needy children; Army, Empty Stocking Fund, Y. W. C. A., and general welfare work; books and magazines were given to CCC Camps, and Christmas Seal campaigns were assisted by the D. A. R., Veterans Hospitals visited and inmates helped. Chapters reported 26 Becker girls and boys, and one Chapter sponsors a playground, with 125 children attending, who are called the "Becker Clan."

Conservation of Natural Resources

Chapters reported planting 53,718 trees; 5,223 shrubs; 333 roses; 4,311 plants; 34,982 bulbs. Many trees were planted in honor of Ex-Regents, and many more trees will be planted to celebrate the sesqui-centennial of the adoption of the Constitution of the United States during this year.

Arbor Day, National Garden Week and Fire Prevention Week were observed by many Chapters, which also sponsored living Christmas trees, and stressed the preservation of holly; built bird houses in parks and home gardens; aided in replenishing streams with fish; advocated protection of wild life, beautified highways, and the Chapters adjacent, furnished especial care to our D. A. R. Forest Park (Nancy Hart), and a bronze tablet was erected directing traffic to the Park. One Chapter is affiliated with the Audubon Society. Many bushels of oats, Italian rye and other grass seeds have been sown in parks and along highways, with sweet peas and other flower seeds to add to the beauty of the landscape.

Helpful literature on Conservation has been distributed, and a vast amount of beautification work has been accomplished through the efforts of the D. A. R.

Amount expended for: Civic work, \$342.00; charity work, \$2,712.00; total, \$3,054.00.

CONSTITUTION HALL FINANCE

Mrs. H. T. Brice

During the past November I sent out an urgent request to each Chapter Regent to pay their Honor Roll requirement of five cents per capita on Constitution Hall.

This plea received splendid cooperation and with thanks to our Chapters, I am pleased to report that Georgia D. A. R. has contributed \$171.66 to reduce the debt on our home, Constitution Hall.

CONSTITUTION HALL MEMORY BOOK

Mrs. T. R. Ramsay

As Chairman of Constitution Hall Memory Book it has been my pleasure to write each Chapter Regent asking that she cooperate in getting contributions to complete the Memory Book by next Congress.

While the amount is small, many Chapters have already given to this cause and feel that they could not do so again. The following Chapters contributed this year: Stephen Heard, Elberton; Bernard Trail, Sylvester; Button Gwinnett, Columbus; John Laurens, Dublin; Bainbridge Chapter, Bainbridge. The total amount is \$11.25.

CONSTITUTION AND MAGNA CHARTA DAYS

Mrs. Lucius McConnell, Chairman

I wish to congratulate the Chapter Regents for the splendid reports they submitted of the celebrations of Constitution and Magna Charta Days.

September 17, 1936, was the 149th anniversary of the signing of the Constitution of the United States by a Convention which had been called to amend the articles of Confederation as they had proven to be inadequate in guiding the states to become a perfect Union. The Convention was held in Philadelphia and was presided over by General George Washington.

The Constitution was delivered to Continental Congress in New York, September 20, 1787. Congress submitted the Constitution for ratification and it became a law when ratified by nine states, New Hampshire being the last state to cast her vote for ratification, June 21, 1788.

September 17, 1937, will be the 150th anniversary of the formation of the Constitution. Our Government, through Congress, has created a Non-political United States Constitution Sesquicentennial Commission to prepare and direct a nation-wide observance of this anniversary. The celebration will begin September 17, 1937, and continue through April 30, 1939, which includes the anniversaries of the ratifications, organization of our National Government and the inauguration of President Washington.

The State of Georgia unanimously ratified the Constitution, January 2, 1788.

It is the wish of your State Chairman of Constitution and Magna Charta Days that every D. A. R. Chapter Regent in Georgia appoint a chairman and committee to plan and carry out celebrations, radio addresses, essay contests, poems, songs and pageants to aid her Chapter and community in studying the Constitution of the United States.

GEORGIA BOX IN CONSTITUTION HALL

Mrs. E. Blount Freeman

For the past two years it has been my privilege to serve on the committee in charge of the Georgia Box in Constitution Hall. The work of this committee is to distribute among the members of the Georgia delegation attending Continental Congress seat tickets for this box.

Since the arrangement of boxes is in order of entrance into the Union of the States they represent, the Georgia Box, Number 8, occupies an enviable position in the brilliant horseshoe of boxes overlooking the vast Auditorium of Constitution Hall, being fourth to the left of the stage. To have a seat in this box is one of the delightful experiences of Congress.

Seats for the evening sessions are always in great demand. National Officers, Senators, Congressmen, their wives, and other distinguished guests frequently honor these State boxes with their presence at the evening sessions; it is also customary for State Regents to extend to the President General the courtesy of box tickets for personal use.

As far as space permits it is the wish of our State Regent that every Georgia delegate be given an opportunity to be seated in the Georgia Box at some time during her stay in Washington. We wish it were possible to extend this privilege to all. Until the supply of Box tickets is exhausted they may be secured from the committee in charge, either at the Georgia section in Constitution Hall or at State Headquarters at the Mayflower Hotel. Because of the limited number of tickets available it must necessarily be a case of first come, first served, so those who desire to secure Box tickets should ask for them early.

MRS. ANTHONY WAYNE COOK MEMORIAL

Mrs. Sam Banks

It gives me genuine pleasure to report that sufficient funds are on hand to complete Georgia's part of this memorial to Mrs. Anthony Wayne Cook. It has been a joy to serve the Georgia D. A. R. in any capacity in which I might be called.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND S. A. R.

Mrs. J. L. Beeson

As Chairman of Cooperative Relations between the D. A. R. and S. A. R., I report that when the D. A. R. wish a thing well done, they call upon their brothers, the S. A. R., to put it over.

In my own town, Milledgeville, Ga., July 9, 1936, Col. James D. Watson was elected President of the State Society S. A. R. Dr. J. L. Beeson, the outgoing President, and husband of your Chairman, had the privilege of installing him as the new S. A. R. President.

Also, this year, the PWA bronze tablet, in memory of Governor Herschel V. Johnson, which your Chairman secured when she was State Historian, Georgia D. A. R., and for which she wrote the inscription, has been erected by the valiant aid of Mr. John Hutchinson, S. A. R., and member of the Committee of the S. A. R. Society for Cooperation with the D. A. R. This marker is to be unveiled April 11, 1937; the Governor of the State of Georgia, making the patriotic address.

Plans are being made for the erection of the two other bronze tablets which your Chairman secured along with this one. All

three markers were manufactured by the Georgia School of Technology.

At Winder, Ga., the outstanding social event of the year was the luncheon given in honor of the new Chapter, S. A. R. It was attended by the State Chaplain, S. A. R., the National Recording Secretary, S. A. R., and many D. A. R. leaders.

When historic sites are to be discovered, the S. A. R. are the best scouts known.

CORRECT USE OF FLAG

Mrs. John M. Slaton

The Georgia Daughters of the American Revolution will be proud of the report which your Chapters have made possible.

You have promoted talks on the American Flag in city and county schools, and over the radio. You have presented Flags to schools, to Girl Scouts and to public buildings. You have distributed Flag Codes, presented prizes to students for best essays on the Code; you have encouraged the learning and singing of patriotic songs, the use of the Pledge to the Flag by the children who shall be our future citizens. In one city Flag bearers have been appointed in the schools, in another the printed Pledge and the American's Creed have been attached to the fly leaf of all history books of the city and county.

Another Chapter has placed copies of the books: "The Star-Spangled Banner," "It Protects Us All," and "How to Display the Flag of the United States" in each of its schools.

You have increased the display of our Country's Emblem on public buildings and in the business sections of our cities; and from the proportion of reports received, I apprehend that you have observed almost universally all of the days appointed to display the National Banner.

Flag booklets and posters have been purchased and distributed. Foreign born new citizens have been contacted, and a loyal and intense effort has been indicated to increase patriotism and to teach to the coming generation, as well as to all who come into our borders, reverence for the colors before which we stand attention.

Let me urge you to study the new questionnaire from which we will gain an even greater inspiration, and perhaps during the year find from the suggestions of our National Chairman broader activities in the safeguarding of our Nation.

Twenty-nine county histories completed. One published this year (1936). Whitfield County, Mrs. R. M. Herron, Sr., Dalton, Ga. Mrs. Albert Harrison, Regent, Etowah Chapter D. A. R., will contribute a copy of Gordon County History to our Traveling Genealogical Library.

Two ready for publication: Butts County, Mrs. John Edward Lane Historian; Terrell County, Mrs. Ivy Melton, Historian.

Fourteen county histories in manuscript form. Five reported about half finished, in manuscript form. Many report working on their histories, hoping to have them ready within the year.

I would appreciate copies of the histories for our Traveling Genealogical Library, whereby each Chapter may have a chance to view them. I am counting on each Historian to help me make the 1938 report the best yet.

D. A. R. MAGAZINE

Mrs. A. R. Colcord

In response to many urgent requests, 19 Chapters have sent me their reports. To these, I wish to express my deep appreciation for their cooperation.

Many Regents have said, "We can't get along without the Magazine."

It is gratifying to note that many Chapters have placed the Magazine in their Public Libraries where it is valued as an authority on historical subjects.

Let me urge each Regent and State Chairman to subscribe to our official organ, for it is through this medium that you receive your greatest inspiration to carry on this great work.

The silver loving cup given by the late Mrs. John A. Perdue to the Chapter having the largest number of new subscriptions has been won this year by the John Houston Chapter reporting 29 subscriptions, 11 of which are new.

The following Chapters reported:

Arthur Fort, two; Atlanta, seven (three new); Brunswick, one; Commodore Richard Dale, two; Council of Safety, four; James Pittman, three; John Benning, one; John Ball, two; John Houston, 29 (11 new); John Laurens, two; Joseph Habersham, three; Roanoke, one; Sarah Dickinson, one (two year); Savannah Chapter, five; Stephen Heard, one; Oglethorpe, nine; Stone Castle, one; Sunbury, one; Tomochichi, three.

D. A. R. MANUAL FOR CITIZENSHIP

Mrs. H. B. McMaster

As Chairman of D. A. R. Manual for Citizenship I thank you for your splendid cooperation last year and ask you to continue in the same spirit.

First, let me stress the use of the Manual for citizenship. The Manual contains articles on education, citizenship, history of the U. S. Government, Flag, and the Constitution.

Single copies 15 cents each. For classes of naturalization, schools and libraries, free upon request. Numbers limited to each Chapter. State quota 10 cents per capita.

Amount received from 57 Chapters, \$205.60; number of Manuals ordered, 18; number of Chapters using Manuals, 12; number of Manuals placed in schools, 10.

One class of 22 emigrants made use of the Manual in study for citizenship and later were admitted as citizens.

Many of our Chapters have accomplished much in the use of the Manual. Each Chapter Regent should endeavor to have the members of her Chapter read the Manual at least one time to familiarize themselves with the benefits of the publication.

Manuals should be ordered through your Chairman.

GOOD CITIZENSHIP PILGRIMAGE

Mrs. John W. Daniel

As State Chairman of the Daughters of the American Revolution Good Citizenship Pilgrimage Contest it gives me pleasure to report the following:

Last September a letter explaining the requirements for this contest and asking the cooperation of the Chapters throughout the State, was mailed to every Chapter Regent.

Mr. Mark Smith, Superintendent of Public Schools of Thomaston, sent a letter to every high school principal in Georgia asking their cooperation.

I would like right here to express my appreciation and gratitude to Mr. Smith whose wonderful help and cooperation has made the success of this project possible. He has been untiring in his efforts, and for this I wish to thank him.

The Chapters responded graciously in their quota, but only 37 sent in names of girls. I trust that next year we will have more interest shown by the Chapters in placing this D. A. R. Good Citizenship Pilgrimage Contest in the schools of Georgia.

Reba Yarborough, of Thomaston, was chosen the Pilgrim from Georgia. I am glad to report that Reba is here at the Conference.

EDUCATIONAL LOANS FOR LOCAL SCHOOLS

Mrs. Herbert Fay Gaffney

When we realize that the total amount of the Chapters reporting reads \$860.75 against a smaller total of previous years we are encouraged to express the belief that we realize "Civilization is the accumulation and glory of universal service, with character as the keynote, not chained by the idea that education is a penalty, acquired through avenues of drudgery and slavery, but rather a pass key to the treasures of the world, gained by searchings of the mind for knowledge and cultural acquirements."

Leading in this important branch of our Georgia work, for higher learning, we find that John Houston Chapter of Thomaston, has contributed \$553.25 of the entire \$860.75, leaving a balance of \$307.50 to be divided among the other seven Chapters reporting, as follows: Colonel William Candler, \$50.00; Albany, \$15.00; Oglethorpe, \$56.00; Sergeant Newton, \$4.00; Governor John Milledge, \$34.50; Elijah Clarke, \$15.00; Stone Castle, \$20.00; Pulaski, \$120.00.

While your Chairman commends the efforts of the entire organization in this activity she praises abundantly and congratulates

sincerely the outstanding success of the John Houston Chapter. In closing, Madam Regent, may I thank you again for this very honored assignment on your illustrious State Board and assure you the joy it has given me in serving.

Van Dyke gives us a thought about Greatness that comes to me at this moment and I shall leave it with you for concentration and inspiration. He says: "The ultimate secret of greatness is neither physical nor intellectual nor moral. It is the capacity to lose self in the service of something greater. It is the faith to recognize, the will to obey, and the strength to follow a star."

ELLIS ISLAND

Mrs. E. L. Spann

The State of Georgia has 4,123 members, and 88 Chapters. Twenty Chapters contributed boxes of material, valued at \$67.05. The Chapters contributed \$155.81 in money to Ellis Island during the year.

Five Chapters reported having special programs on Ellis Island during the year. One reported having a doctor to explain the condition at the Island.

Twenty-one Chapters reported the payment of the per capita tax, many Chapters reported boxes sent, and did not value them. When you send your box next year, please report to your Chairman, in order to help her to keep her report correct. Many sent reports, saying, "Quota paid per capita," and then failed to say how many members were in their Chapter.

I wish to extend my heartiest thanks to all for helping in this worthy cause. I feel that the ones that failed to send a box would do so if they could only visit Ellis Island as I did.

Start your next year's work off with this in view, and be sure to report the value of the box to me before March.

ERADICATION OF ILLITERACY

Mrs. Julian Lewis

Chapter Regents were requested early in the fall to appoint Chapter Chairmen for the Eradication of Illiteracy. Reports show that Chapters have cooperated with other D. A. R. Committees, County, State and National organizations by contributing personal service, giving food, clothing, magazines, books and other supplies, paying rent, and supplying funds for this work.

The outstanding reports were from the John Laurens Chapter, which has carried out an extensive program, and from the John Houston Chapter, which has paid tuition and book rent, amounting to \$127.10, for 10 Becker boys and girls.

FILING AND LENDING BUREAU

Mrs. M. J. Guyton

The National Committee Filing and Lending Bureau, of which Patriotic Lectures and Lantern Slides is a part, has recently published a new hand book saying that "The purpose of the Filing and Lending Bureau is to provide a central agency for the distribution of historical papers, lantern slides and plays; to make

available to Chapters a variety of papers and essays for use in Chapter programs; to encourage and stimulate the collection, preparation, and preservation of valuable original data; to maintain interest and extend information upon historical subjects through patriotic lectures and lantern slides."

The National files contain 4,500 well written papers. A charge of 25 cents per paper is made for each 30 days a paper is in possession of the borrower. Write to Memorial Continental Hall for a catalog of subjects, enclosing three cents for postage. Lectures and lantern slides are also available to our Society.

In response to cards mailed to every Regent asking for historical papers, 10 Chapters sent to the State Chairman 62 well written papers. Only one Chapter borrowed a paper from the State Chairman; the LaGrange Chapter used a paper for their Christmas program.

The Stephen Heard Chapter, Elberton, Mrs. Z. W. Copeland, Regent, sent in 24 papers, thus winning the trophy offered by Mrs. Kathrine Stanley Daniel to the Chapter sending to the State D. A. R. Filing and Lending Bureau the greatest number of historical papers. The Stone Castle Chapter, Dawson, Mrs. Ivey C. Melton, Regent, sent in 23 papers, thus receiving honorable mention.

I wish to thank all the Chapters who sent in papers, and hope that in the future more Chapters will avail themselves of the splendid material offered by the National Committee.

FLAG DAY

Mrs. Jena C. Collier

It is a privilege to serve as State Chairman of Flag Day. It is an inspiration to have the wholehearted cooperation of the Chapters and note their different forms of celebration. Some unveiled markers on this day, some used a religious observance, some used programs at Chapter meetings, and many used the general display of flags. All show intense interest in our Nation's Flag, its meaning and symbolism for does it not stand for our nation, our liberty, our security, our well-being as a nation?

Then let us love and revere it. On Flag Day let us remember our youth of today—our citizens of tomorrow, and use them wherever possible in programs of pageant or in any way we may choose.

Let us on Flag Day sing with our whole hearts all the stanzas of "The Star-Spangled Banner."

FLAG PROCESSIONAL

Mrs. J. W. Oglesby, Jr.

It has given me great pleasure to try to get the Chapters to each buy a D. A. R. Banner. But it has also been a disappointment to me since I could not get enough Chapters to buy Banners to enable them to get the reduced price.

I returned checks to the Chapters and ordered three Banners at \$13.40. Anyone wanting a Banner can get it for \$13.40.

GEORGE WASHINGTON'S BIRTHDAY

Mrs. Retta Fannin Coney

I have had splendid cooperation from my committee and Regents. The birthday of George Washington has been observed by all Chapters in a most creditable and impressive way.

GEORGIA BOOK PLATES

Mrs. Parks Lee Hay

Your State Chairman of Book Plates begs to submit the following annual report for 1936-1937:

Nine hundred Book Plates and \$1.50 were received from your former Committee Chairman.

Cards were sent to Chapters recommending the use of Georgia Book Plates in local libraries as well as National Library in Constitution Hall. Orders have been received for 450. These were sent to Chapters and \$8.25 mailed to State Treasurer, Mrs. Ober D. Warthen. One hundred was sent to Mrs. Wadsworth, Chairman of Traveling Genealogical Library.

GEORGIA D. A. R. STUDENT LOAN FUND

Mrs. Howard H. McCall

I am very happy in presenting this report of the year's work. First, because it has been far reaching and every Chapter is represented in what has been accomplished. Second, for the quality of the work that has been done by the Chairmen of the Student Loan Funds, and also by the Chairmen of the various Loan Funds of the individual Chapters. This work will be of lasting value in the progress of our beloved State in an educational way.

I consider it an honor and a privilege to help carry on this splendid work. From the beginning in a very small way in 1916, the Student Loan Funds have to the present time received the hearty support of each State Regent.

It is natural that the National Society D. A. R. should feel a peculiar interest and pride in the Georgia Student Loan Funds. The following extract from a letter received by your Chairman from our President General, Mrs. William A. Becker, will no doubt be appreciated by our Georgia Society. I quote: "I am particularly happy to know that you as State Regent was the originator of, and that Georgia was the FIRST STATE to have a D. A. R. Loan Fund. This has developed into one of the most worthwhile accomplishments of our National Society. I think you are to be congratulated for your vision."

Needless to say this letter from our President General was highly appreciated by your Chairman, and is the proof that Georgia did have the first State Loan Fund in our Society. How infinitely worthwhile it is to have such a fund. IT IS YOUR BIG INVESTMENT. Our Fund, now 20 years of age, amounts to \$28,000.00, and we have given assistance to 195 girls and boys. Our second fund, begun in 1918—just after the close of the World War was placed at the University of Georgia. Our Claude Davis Ingram Fund used for students at the Georgia State Woman's College at Valdosta, continues to give a splendid report; from the \$5,000.00 (fund completed in 1931) the Chairman has loaned the sum of \$16,777.15 to 84 worthy girls, because of prompt return of loans.

Of interest to Chapters will be the experience of the Hannah Clarke Chapter of Quitman. From a Chapter Loan Fund of \$630.00 the Chairman has made loans amounting to \$1,720.00 to 11 girls, because all loans due have been collected. Your Chairmen of the five Loan Funds have given loyal and dependable work, their only compensation is in cheering letters of gratitude from those receiving aid. The loans have been carefully studied; they show many stories of interest and far-reaching good to those who receive.

No one can read the history of these loans and the story of the ambition of these boys and girls, their real struggle for an education and their long and arduous efforts to repay these loans, without being interested in this phase of D. A. R. work.

But a more business like method must be adhered to to insure to our Student Loan Fund, the continuance of the same useful service that has marked the past 20 years. Together we have tasted the joys of achievement and together we must plan new rules to secure the repayment of the many loans long past due. A forward step seems imperative, one that the emergency of collecting all past due loans calls for. We must change our rules in regard to our loans.

It is our hope that the Sarah Berrien Casey Morgan Loan Fund will be completed in the coming year. This will be for students at the Georgia State Woman's College at Milledgeville.

The following Chapters report Chapter Student Loan Funds: The Marion Sibley Wylie Fund of the Governor David Emanuel of Swainsboro; the Hannah Clarke of Quitman; John Houston, Thomaston; the Brunswick, Brunswick; the Dorothy Walton, Dawson; Pulaski, Griffin; Colonel William Candler, Gainesville, has the Isabel Price Chapter Loan Fund. Matthew Talbot, Monroe, and the Lila Napier Jelks Loan Fund, Hawkinsville.

With the consent and approval of the five Chairmen of funds, your Chairman has prepared a resolution asking that you approve a change in the rules and policies of the two funds, viz.: the May Erwin Talmadge Loan Fund, and the Fannie Trammell Loan Fund.

CLAUDE DAVIS INGRAM LOAN FUND

Mrs. Di Ingram

In submitting this statement I wish it understood this report doesn't cover \$5,000 for the full 13 years since it began. During the first four years there were only \$1,500 to administer. In 1926 it was voted to increase the fund to \$5,000, but the full amount of \$5,000 was not in hand until March, 1931. Therefore, the result can't be considered the work of \$5,000 only for the past six years.

In January, 1937, I secured an auditor to audit the books carefully over the entire period of years since it's operation and this report is a copy of that statement.

SARAH BERRIEN CASEY MORGAN LOAN FUND

Mrs. Nathaniel Augustus Jelks

In 1932 the Thirty-fourth Conference of the Georgia Daughters National Society Daughters of the American Revolution adopted a resolution to establish a Student Loan Fund in honor of Mrs. S. B. C. Morgan. This fund is used exclusively for students in the junior and senior classes at G. S. C. W., Milledgeville, Ga. Of the many branches of D. A. R. work, none is more constructive and far-reaching than educational work. This fund is steadily growing; the Chapters have contributed generously. It is the earnest desire of your present State Chairman that a concerted effort be made to complete this fund during the year 1938. The deep appreciation for opportunities made possible by this fund, makes you realize how much is being accomplished. I appreciate the privilege of having had a part in this work this year.

MAY ERWIN TALMADGE SCHOLARSHIP FUND

Mrs. James I. Garrard

The May Erwin Talmadge Scholarship Fund is the outgrowth of a resolution by Mrs. Howard McCall, World War Regent, which created the first D. A. R. Loan Fund in Georgia as well as the first by the National Society.

By a resolution of Mrs. James L. Logan, State Chairman during the State Regency of Mrs. Charles Akerman, "it was resolved, That the D. A. R. Loan Fund started in 1916, be now continued actively and that the State Regent be authorized to appoint a committee to be known as the D. A. R. Loan Scholarship Committee to work out all details in regard to this fund to be loaned to worthy girls having the endorsement of a Chapter. Further resolved, that the \$300.00 now in Treasury (or loaned in this way) be considered a part of this fund." It was further resolved to make this fund a \$5,000.00 Fund. Mrs. Bun Wylie was named State Chairman and served as such with Mrs. Charles Akerman and Mrs. Julius Y. Talmadge.

At the Executive Board meeting, October 14, 1931, by a resolution offered by Mrs. Max Land during the Regency of Mrs. Bun Wylie, the name was changed to the May Erwin Talmadge Student Loan Fund, thus honoring her, who has "served the Georgia Society for many years most faithfully and loyally, and has served the National Society, both as Vice President General and as chairman of a number of committees among which she was the first National Chairman of Loan Funds."

Under the able leadership of Mrs. Julius Y. Talmadge, State Regent and National Chairman of Student Loan Funds, and Mrs. Bun Wylie, State Chairman for Georgia, this fund "went over the top" with a total amount of \$5,662.95, raised and loans were made to worthy girls.

Following Mrs. Wylie as State Chairman, Mrs. A. L. Wilkins had charge of the fund during which time loans were made. Since

this time Mrs. John D. Pope, Mrs. Barnett Soloman, and Mrs. E. B. Freeman have served efficiently as Chairmen.

No money has been added to the fund other than the interest paid on loans. Those borrowing from the loan have free use of the funds for two years after which period 5 per cent is due. Payments have been slow in many cases and the fund has been diminished instead of increased. For this reason your present State Chairman believes it will be to the advantage of the fund to make no loans until more funds can be collected.

Forty-four boys and girls have borrowed from this fund since 1928.

Outstanding loans to 27 students, March 1, 1927.....	\$4,024.70
Cash in State Treasury, March 1, 1937	525.70
Loans made (3), 1936-37	200.00
Cash on hand March 1, 1936.....	181.00
Collected during year	544.68

Five loans were paid up during this year.

On file with the State Treasurer is an Atlanta Laundries Bond which had a value when purchased of \$1,000.

GEORGIA DAY

Mrs. Dennard Hughes

Most interesting reports have been received by me as Chairman of Georgia Day, 50 per cent of the Chapters in the State having observed Georgia Day, the majority having historical papers; also poems and songs by Georgia writers, at the February meeting, in addition to sponsoring programs in the local schools.

Of especial interest was the celebration of the three Savannah Chapters: Bonaventure, Lachlan McIntosh and Savannah, with Mrs. John S. Adams, our State Regent, as guest speaker.

Columbus also had a joint celebration of Button Gwinnett, George Walton and Oglethorpe Chapters, with Dr. Haywood Pearce of Emory University, as guest speaker. Sunbury Chapter, Winder, in addition to an appropriate program, sold Georgia Flags, realizing \$17.00 to be used for patriotic education. Joseph Habersham and Elijah Clarke Chapters gave radio programs. Knox-Conway and John Ball Chapters presented playlets in costume. Many Georgia products dinners and teas were given in celebration of the day.

GEORGIA HISTORICAL PLATES

Mrs. Colvin Doster Shelnett

The Georgia Historical Dinner Plates given by the Daughters of the American Revolution, of this State, to Mrs. Franklin D. Roosevelt, were presented to her at the White House in Washington, D. C., last April by Mrs. John W. Daniel, the State Regent, and your Chairman. They were most graciously received.

Your Chairman regrets to report that the salad plates ordered for Mrs. Gaffney have not yet been received, and the Wedgewood Company have given no definite date for shipping them. We know that eventually they will come; but we have to accept with patience what we have no power to control.

GIRL HOME MAKERS

Mrs. Moreland Speer

Your Chairman mailed attached cards to the Regents of 88 Chapters asking them to appoint each a Chairman from her Chapter for Girl Home Makers. Received 33 cards in reply. Mailed cards to the Chairmen announcing the subject, "Home Making," essays to be written by High School girls, and subject matter limited to 500 words.

Received many essays. Appointed a committee of three from Atlanta Chapter who carefully read these papers. The committee decided that the best essay was written by Kathleine Brown, Emanuel County Institute, Graymont-Summit, Ga.

Commendation is given to Mrs. W. P. Cobb, Regent, Colonel William Few Chapter, Eastman, for a splendid demonstration of her work with Girl Home Makers.

HELEN ROGERS FRANKLIN TROPHY

Mrs. J. N. Tally

At a meeting held at the residence of Mrs. J. E. Satterfield, Chairman of the Committee, on March 15, 1937, five outstanding reports were submitted. Several others were excellent, but they did not conform to the rules on account of their not being type-written.

Distinguished honorable mention should be given to the William McIntosh Chapter, Jackson, for its brilliantly outstanding and elaborate work on historical research and genealogical lines.

The Pulaski Chapter, Griffin, is to be felicitated on its remarkable and well classified exhibit of antiques. This was very largely attended and was highly educational, especially in arousing interest in the heroes and the glories of the past.

The Elijah Clarke Chapter, Athens, did an outstanding work in organizing the younger women into a Junior D. A. R., also made an unusually generous donation to the cyclone sufferers of Gainesville.

The Colonel William Few Chapter, Eastman, has done a really remarkable work for youth, especially in its Home Makers Club for rural girls; and its eradication of illiteracy and welfare, giving education both of mind and handicraft to women and children, and also giving many rewards and medals.

The Committee after mature deliberation, decided that the award be given to the John Houston Chapter, Thomaston, on account of the uniform broadness of its work, the number of State Chairmen assisted by its activities, the deep interest of its members that was evident and the amount of money contributed to worthy causes under the leadership of Mrs. Hightower, its able and untiring Regent.

INDEPENDENCE DAY

Mrs. W. P. Smith

It has been a pleasure and a privilege to serve as Chairman of Independence Day and I am most happy to report an increasing interest and activity in the celebration of the anniversary of this most important day on which our forefathers declared their independence and on which Old Liberty Bell peeled forth to proclaim the glad news throughout the Colonies.

Early in the year I sent cards to all Chapter Regents urging them to celebrate Independence Day by putting on patriotic programs, suitable exercises, radio talks, and by displaying Flags and Banners on the streets, from the windows and in the homes of their towns. Most encouraging and interesting reports have been sent in, showing that our Chapters are awake to the need, at this time of stressing patriotism, love of country, and respect for our Flag. The most outstanding of these reports is that of the Brunswick Chapter. They cooperated in the staging of an historical pageant in celebration of the bi-centennial of the founding of Fort Frederica.

Since some of the Chapters do not hold July meetings, I would like to suggest to the Regents of these Chapters, that they make plans early in the year for this celebration and appoint committees to carry on this work and on the Fourth of July may we all join in one grand and glorious celebration. May we raise aloft our Star-Spangled Banner and as its folds are caught by the breeze, may we shout aloud our oath of allegiance and pledge anew our loyalty to the Stars and Stripes and to our country—the Land of the Free and the Home of the Brave!

INDIAN WELFARE

Mrs. J. M. Murrah

We, as Daughters of the American Revolution, are keenly alive and deeply interested in the traditions that add luster and color to the tapestry the nation has been weaving these many hundred years. Our forefathers grappled with the problem of establishing homes in a new environment with a halo of old customs and culture about their thinking and the ordering of their everyday lives. The Red man's idea of life and its meaning was so at variance with their established ideals and customs, they found it difficult to include him in their plan of citizenship and civilization. Recently, however, our government has seen fit to again include the Indian in her potential citizenship. None of the group in the United States has stronger traditions or a more democratic organization for public service than the Indian tribes. The Indian is fast becoming an important factor in our population. The white man says: "Give me a design and something to do with and I shall make for you something marvelous; but the Indian creates from what is within and such materials as nature had prodigally spread him."

Some of our Chapters have been considering him and his contribution to Arts and Crafts. Among those making research and program activities were: The Stone Castle Chapter, Dawson, Dublin Chapter, Nancy Hart, Milledgeville; Knox Conway, Sycamore; Roanoke Chapter, Omaha; Colonel William Few, Eastman.

LaFAYETTE DAY

Mrs. J. E. Wright

As Chairman of LaFayette Day, I have written to every Chapter in the State in regard to the observance of this day. Forty-four Chapters reported programs. At four meetings held on this day, the French national anthem was sung and at one a copy of a grant of land given to LaFayette for his services was shown; also a copy of his nephew's marriage license. In August an article on

LaFayette, prepared by a member of the committee, was published in the D. A. R. column of the Atlanta Constitution.

Again let me urge you, Daughters, not to allow this anniversary to pass without some observance, a salute of grateful honor to that great Apostle of Liberty—LaFayette.

LEGISLATION

Virginia C. Hardin

The Chairman of Legislation asks that any measure that this D. A. R. Board wishes brought before the State Legislature or before the State Officials be mailed to her at as early a date as possible. She wishes to have her committee meet early in the year to pass on such matters. She also asks cooperation of all D. A. R. Chapters and members in getting proper recognition of the bills they advocate; and dissent, of those not desirable.

LUCY COOK PEEL MEMORIAL

Mrs. W. F. Dykes

We are grateful that we have sold 136 volumes of Historical Collections this year. We have sold our last Volume I. We have 300 II, 168 III, 191 IV, and 30 Indexes to Volume I. We have reduced the insurance as we sold the books. We have received many orders from people outside of Georgia, two were ordered for the State Library of Texas. The books are in fine condition. Some stored in Athens, others at North Fulton High School. I would love to sell our books to a dealer and save expenses. This year so many Chapters have ordered books; sent a check for \$1.00. (The books cost a good deal over a dollar to print). Out of the dollar I had to pay postage and often exchange, which brought the price of the book below 80 cents. It was understood that postage and exchange should be added to the check sent me or State Treasurer. If you owe postage please go home and send the amount you owe to me in stamps. I have had many letters from Florida and other places saying our records are marvelous in their historical value to the community. Do any of you Daughters tell your friends and neighbors about your books, how cheap they are selling, what a nice Christmas or birthday present they would make? Let us try to sell as many as possible so we may print another volume and use the wonderful material we have.

We do appreciate your purchase of the books and hope the Chapters that do not have any of these books will take advantage of the low price and order at once.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. George U. Beach

"The sit-down strike" has hit left and right,
And I greatly fear we've caught the blight,
For in Marking Graves, we're way below par,
So please "Un-strike," dear D. A. R.

Wonder if it is due to the above, that your Chairman is able to report a "Balanced Budget," i. e.: Three Chapters reporting work accomplished; three minutes to read their reports.

Would like the Conference to consider conscientiously my decision in regard to two Chapters, wherein I feel exists a tie, refer to Nancy Hart Chapter, Milledgeville, and Stephen Heard Chapter, Elberton. Each Chapter has marked five graves, but in the case of Stephen Heard Chapter, due to serious illness, all markers have not been placed but are on hand, ready. Your Chairman, feels they are entitled to part of the prize money offered.

From William McIntosh Chapter, Jackson, comes the report of two graves having been marked. Several other Chapters report work started but not finished. Want to commend Oliver Morton Chapter, Gray, for locating 43 graves. Splendid work for one of the very smallest Chapters in the State and sincerely hope they can carry on, and place markers next year.

Valdosta also reported work started. As Chairman of this important work I cannot help but feel little has been accomplished in this line this year. We want Georgia to stand out preeminent in performing this sacred duty, for remember, Daughters—

If we don't tell the story,
It never will be told,
If don't mold the mind of youth
It never will be molded
Into thoughts of love and gratitude
For all their "Fathers" gave,
So be up, and let us mark them—
Every Patriot's hallowed grave.

MEADOW GARDEN

Mrs. C. W. Bowen

Meadow Garden has been the scene this year of several social events of unusual importance. The outstanding one occurred on March 9, when the Augusta Chapter assisted me in opening our shrine to the South Carolina D. A. R. Conference, which was convening in Aiken. Mrs. John Gregg Chafee is Regent of that Chapter, and also South Carolina State Recording Secretary.

The presence of our Georgia State Regent, Mrs. John S. Adams, who was accompanied by Mrs. Humphrey, of Swainsboro, gave distinction to this occasion. The following is a partial list of distinguished guests: Mrs. John Logan Marshall, State Regent of South Carolina; Mrs. Robert Bratton, Past Regent of N. S. D. A. R. and Honorary State Regent of South Carolina; Mrs. Thomas J. Mauldin, Vice Regent General N. S. D. A. R.; Mrs. Henry M. Robert, Jr., Treasurer General N. S. D. A. R. A number of other State Regents were also present. The presence of these distinguished guests afforded an unusual opportunity to obtain a picture of the bronze and granite marker placed in the Garden early in the year to permanently mark the historic home of George Walton.

The delegation was greeted at St. Paul's Church by a committee from the city. They visited many historical spots and some of the lovely gardens. The tour ended at Meadow Garden where tea was served.

Our State Regent, Mrs. John S. Adams, has been most zealous this past year in trying to keep the needs of Meadow Garden before the Chapters. Several interested Chapters have written to us for material for programs. However, the State Treasurer reports that only \$15.00 has been received this year and only \$9.00 last year for it's upkeep. We must renew an insurance policy covering the house and contents for the next three years. The premium of \$54.25 is now due.

George Washington's Birthday Tea was given on a very inclement day. The offering was small.

There have been no repairs made this year due to the lack of funds. One generous Daughter from another state visited Meadow Garden, and saw the need for screens. She promptly put them in and we are indeed grateful to her.

The caretaker is paid \$48.00 per year. The house is open one day a week from January 1 to April 1 with an admission charge of 25 cents. Our visitors have been appreciative, but we have had very few of them.

Georgia is indeed most fortunate in having such a shrine with its lovely old furniture. I wish we could appreciate it enough to supply the necessary funds to keep it in repair, and not make it such a burden on the one Chapter.

MEDALS AND PRIZES

Mrs. P. D. Boardman

Letters of inquiry from Chapters concerning medals, how to obtain and award them, have been answered. Especial emphasis was placed on the Good Citizenship Medal. An explanatory article encouraging the giving of medals and prizes was written by the Chairman and published in the D. A. R. column of the Atlanta Constitution. The committee was contacted and was most helpful in sending out cards in January to all Chapters. Recently follow-up cards were sent to all Chapters not heard from by the Chairman. The result is encouraging, and I submit the following report with pleasure.

Sixty-three Chapters responded.

The Good Citizenship Medal is becoming increasingly popular, and has been awarded this year in almost every Chapter for various phases of patriotic endeavor, 113 Good Citizenship Medals have been reported as given—possibly more, because some Chapters did not definitely name the number awarded. These medals were given mainly as awards to the winners of the Good Citizenship Pilgrimage from each school, also to best boy or girl citizen, two Good Citizenship Medals were given to a Boy Scout Troop, and five to CCC camps located in Georgia.

Forty-eight medals were given, 39 history medals were reported. One medal for historical drawing; one medal for home economics; one medal for Georgia Tech R. O. T. C. officer, six silver badges for excellence in history.

Fifty-six cash prizes were awarded, amounting to approximately \$200.00. These were given for essays on assigned Revolutionary subjects, excellence in American history, best citizen, best use of Flag and knowledge of American's Creed and Flag Salute, and domestic science and homemakers essays.

One ring, valued at \$10.00 given by Baron DeKalb Chapter, Decatur, to winning school essay on assigned Revolutionary subject. One sabre, valued at \$11.35, presented by John Houston Chapter, Thomaston, to officer ranking in R. O. T. C. This will be an annual event hereafter. Three scholarships of \$7.50 and \$10.00 each, have been given by General Daniel Stewart Chapter, Perry, John Benson Chapter, Hartwell, and Tomochichi Chapter, Clarkesville.

I wish to express my sincere appreciation to members of this committee and to all Chapters who so splendidly gave me their cooperation.

NATIONAL DEFENSE THROUGH PATRIOTIC EDUCATION

Mrs. W. H. Hightower

Of the 91 Chapters in Georgia, 64 reported to State Chairman, but only 38 gave name of Chapter Chairman; 42 Chapters paid the 10 cents per capita, and others made smaller contributions, making total sent State Treasurer as of March 1, 1937, \$288.90 for National Defense.

Names of candidates from 84 high schools were submitted for the Good Citizenship Pilgrimage, and Miss Rheba Yarbrough, of Thomaston, was chosen.

One hundred thirteen Good Citizenship Medals were presented during the year. Twenty-three Chapters had National Defense programs and 38 Chapters presented items from the National Defense News at each meeting. One Chapter sponsors a monthly program in the county schools; one Chapter has presented Flag Codes to county schools, and one Chapter sends the News to County School Superintendent. Ten Chapters reported writing National Broadcasting Company protesting Communist broadcasts.

One Chapter placed 100 copies of Haskin's American Government in the county schools where they are used as textbooks by all seventh grades. This same Chapter placed 200 copies in its city schools last year, where they are again being used as textbooks by all seventh grades, and required reading by all high school pupils. The Pledge to the Flag and American's Creed is pasted in each of these books, as well as in all civics and history text books in city and county.

Five Good Citizenship Medals were presented by the State Chairman through her Chapter, whenever requested by CCC Camps, and one Chapter presented a sabre to the ranking officer of the R. O. T. C. Unit in the local high school, and one Chapter offered medal to best trained officer in R. O. T. C. Unit at Georgia Tech.

Information about the proposed changes in the Supreme Court were promptly published in the D. A. R. column of the Atlanta Constitution and many wires have been sent and letters written to Senators and Representatives on this subject.

The State Regent, State Chairman, and Chapter Chairmen have made many addresses on National Defense, not only to D. A. R. Chapters, but to schools and other organizations.

PATRIOTIC SONGS

Mrs. A. T. Coleman

Many Chapters have reported the memorizing and singing of patriotic songs in their meetings. One reported prizes amounting to \$4.00 in a patriotic song contest.

The Daughters of the American Revolution have been responsible for the teaching of patriotic songs in many of our city and county schools, thus reaching a vast number of young people that in all probability would never have been taught the real patriotism brought out in these songs.

Chapters reporting outstanding work in this line are: James Pittman Chapter, John Houston Chapter, Stone Castle Chapter, John Benning Chapter, John Laurens Chapter, and Roanoke Chapter.

Mrs. Lucy Stanley McArthur, a very talented musician who has studied extensively in New York and the East, has written a lovely patriotic song entitled "Long Live Our Georgia," and dedicated

it to our State Regent, Mrs. John S. Adams, complimenting Swainsboro in entertaining the State Conference. This song was beautifully sung by 200 delegates on Tuesday morning of the Conference in Swainsboro.

PRESERVATION OF HISTORIC SPOTS, INCLUDING NATIONAL OLD TRAILS

Mrs. R. J. Travis

The Augusta Chapter unveiled three historic tablets made at the Georgia School of Technology under WPA to mark the White House, the approximate site of Fort Grierson and the home of George Walton, signer of the Declaration of Independence. Mrs. Chas. Bowen, Chairman of Meadow Garden, was kind enough to ask your Chairman to be her guest for these occasions.

Your Chairman has assisted the WPA in listing the historic spots in several counties in Georgia.

The editor of the "Georgia Feminist" was kind enough to request an article from your Chairman for the first copy of the magazine edited in Waynesboro by Hon. McCleskey Garlych. The national magazine of the Daughters of the American Revolution published reports from your Chairman in April and May issues of the magazine.

The Brunswick Chapter in celebration of the bi-centennial of the founding of Fort Frederica, marked Oglethorpe's Military Road with a bronze tablet set in a tabby base. Brigadier General Robert J. Travis, of Savannah, made the historical address. Mrs. C. H. Leavy, Regent of the Chapter.

The Tomochichi Chapter of Clarkesville, placed a marker in memory of Sidney Lanier where the Chattahoochee River rises in White County, formerly a part of Habersham County. The marker was unveiled last July, Mrs. B. I. Thornton, Vice Regent, acting as Chairman.

The Savannah Chapter, Mrs. Edgar Oliver, Regent, reports that a marker has been secured for Mulberry Grove Plantation, the home of General Nathaniel Greene, near Savannah, but owing to the condition of the road to this plantation the dedication has had to be postponed.

Two markers on the Oglethorpe Trail have been reported, one at Columbus, under the Chairmanship of Mrs. Mark Smith, was to be unveiled before Conference by the Oglethorpe Chapter, and one at Quitman, to be unveiled as soon as deed to land is secured by the Hannah Clarke Chapter, Mrs. Donald M. Davis, Regent.

The John Laurens Chapter, Dublin, is planning to mark the old Governor Troup place this summer.

The Roanoke Chapter, Lumpkin, placed a marker on the site of the Battle of Shepherd's Plantation, Mrs. Wm. A. Fitzgerald, Regent.

Mrs. Z. W. Copeland, Regent of the Stephen Heard Chapter, Elberton, reports the marking of the Cherokee Indian Trail in Elbert County, costing \$40.00, and the placing of a government marker on a column of field stone to mark the Nancy Hart Spring at a cost of \$20.00, making a total of \$60.00.

The LaGrange Chapter, LaGrange, Mrs. Arthur Mallory, Regent, dedicated a marker of bronze on LaGrange College with appropriate exercises. The presentation address was made by Mrs. Thomas G. Polhill, grand daughter of the late Major John Park, second president of LaGrange College. Among the distinguished guests were, Mrs. Stewart Colley, Mrs. Mark Smith, and Mrs. Harrison Hightower.

The Treasurer reports \$134.34 on hand for marking historic spots and three Chapters have requested State aid: the Governor David Emanuel Chapter, Swainsboro, to mark the old trail through its city, Mrs. R. M. Humphrey, Regent; the Governor James Jackson Chapter, Valdosta, has located and wishes to mark the site of old Franklinville, the first town of Lowndes County—1826, and in 1828 the county site, now a forgotten spot. The Sarah Dickinson Chapter, Newnan, Mrs. Thomas Jones, Regent, wish to mark the old Indian trail, Grierson, which crosses the Jefferson Davis National Highway and the Roosevelt Highway about three miles south of Newnan.

In February, your Chairman and her sister, Miss Louise Strong Falligant, had the pleasure of entertaining our State Regent and her Secretary, Mrs. Blount Freeman, with an oyster roast at Avalon, during her visit to the local D. A. R. Chapters.

Your Chairman assisted the President of the French Club in Savannah in listing the historic places connected with the French in that city.

Several years ago the Nathaniel Macon Chapter rebuilt the original rock on the exact foundation, a part of one of the block houses of old Fort Hawkins. The Chapter has the money on hand and hopes to place this tablet in the near future, Mrs. Alline L. Wright, Chairman.

HISTORICAL POST CARDS

Mrs. Clyde Forrest Hunt

As Chairman of Historical Post Cards it gives me pleasure to submit the following report:

Joseph Habersham Chapter, Atlanta, sent 34 cards. Stephen Heard Chapter, Elberton, sent 239 cards. Hawkinsville Chapter, Hawkinsville, sent 121 cards. William McIntosh Chapter, Jackson, sent seven cards. Nancy Hart Chapter, Milledgeville, sent 202 cards. General James Jackson Chapter, Valdosta, sent one card. Total number of cards sent, 604.

Most of these cards are American but some foreign. All are attractive and interesting. After careful consideration we have decided that the prize should be divided between Hawkinsville and Elberton. Milledgeville deserves honorable mention.

RADIO

Mrs. Frances Brown Chase

In submitting report of Radio Committee, let me say that, beginning in October, real interest began when cards containing full information for year's plans were set forth, for each Chapter Regent to file for reference. (Each Regent was asked to appoint a Chapter Radio Chairman.)

It has been my pleasure to publicize through press, D. A. R. State column (our authentic organ) full information as to time, subject, etc., of broadcasts. Have also kept in touch with each Chapter through post cards as to radio work—and also offered an award of \$5.00 to be given at State Conference to largest number of broadcasts reporting commercial value donated and amount appraised by Station.

Made acknowledgments to Captain McKie, Commander, U. S. Army Band, and National Broadcasting Company for courtesy in dedicating programs to D. A. R., and Mrs. Daugherty's radio ad-

dress. Our President General's messages are always highlights in radio programs.

For results of efforts in interest of broadcasting and those who have given material aid are listed. Chapters have heartily cooperated and given moral support by "listening in" to national and local programs. The State Committee wishes to thank those who have so graciously assisted, even though no station was near enough to be available for broadcasting. The response to Committee has been most heartening.

CABINET FOR REAL DAUGHTERS' RELICS

Miss Cena Whitehead

I am delighted to report that the fund has been completed for the Cabinet for Real Daughters' Relics in honor of our Vice President General, Mrs. Julian McCurry. The order for the cabinet has been given, and it will be placed in Memorial Continental Hall in time for Congress.

REAL DAUGHTERS

Mrs. Sidney O. Smith

Georgia D. A. R. are very proud to have as National Chairman of Real Daughters our own beloved Mrs. Julian McCurry and for that main reason would like that the report of this committee be as fine as possible.

At the suggestion of the State Regent, Mrs. John S. Adams, your Chairman called on the members of the committee for aid in

writing of the work to Georgia's many Chapters, and the response of Mrs. Lena Felker Lewis, Mrs. Glenmore Green, and Mrs. Y. H. Yarborough, committee members, was most gracious.

Beginning in September and continuing through the D. A. R. year the Chapters were apportioned so that Mrs. Mary Poole Newsome, Georgia's surviving Real Daughter, would have a constant succession of messages from over the State, and money, gifts, notes and cards were sent, including messages of condolence on the death of the sister. Oliver Morton Chapter, Mrs. Florence Hearne, Regent, made a scrap book of gay and amusing pictures for Mrs. Newsome. Miss Sarah Poole, Georgia's other Real Daughter, passed away in September, at which time Mrs. Yorborough rendered much assistance, her Chapter, the Nancy Hart and the Burkhalter Chapter of Warrenton acting as honorary escorts at the funeral.

The Brunswick Chapter reports a Real Grand Daughter, Mrs. W. F. Symons, on their Chapter roll.

At the Christmas season, as State Chairman, I sent greetings to the three Real Daughters in other States.

The roll of honor of Chapters participating in and reporting on this work numbers 23, and is as follows: Adam Brinson, Brunswick, Barnard Trail, Burkhalter, Council of Safety, Colonel William Candler, Edmund Burke, Dorothy Walton, Fort Valley, General James Jackson, John Benson, Governor Treutlen, Hannah Clarke, Hawkinsville, LaGrange, Lamar-LaFayette, Mary Hammond, Matthew Talbot, Oglethorpe, Oliver Morton, Nancy Hart, Stone Castle, and Vidalia.

SCRAP BOOK

Mrs. W. C. Carpenter

I have enjoyed very much the work of Scrap Book Chairman during the year. I have endeavored at all times to clip very closely our daily papers and current magazines in order that I might secure not only local news items pertaining to Georgia D. A. R. activities, but historical items of value and interest throughout the nation.

I have included in the year's work all articles appearing in the official D. A. R. column of the Atlanta Constitution, also have clipped each and every article found in any paper that pertained to the work of the Georgia D. A. R. Chapters.

I regret that the various Chapters have not sent me their home town publicity.

At all times I have tried to clip and paste the date of each article, for a Scrap Book compiled with the dates omitted will prove of very little value in the years to come, as dates mean everything when history is at stake.

I have pasted something like 250 valuable clippings during the year and have gladly paid for all expenses on the book to and from meetings of the State Society, and hope to have space left for another year's work, at the end of which a new book will have to be purchased.

Chapter of Dawson, is the winner of the award, with Hawkinsville Chapter, Hawkinsville, winning second place. Savannah and Thomasville Chapters deserve honorable mention.

TEXT BOOKS

Mrs. W. E. Mann

The D. A. R. are ever alert to preserve those principles for which our forefathers fought. Many Chapters report committees appointed to examine school books to see that no Communistic facts contrary to Americanism are taught the youth of our country, and that all text books are true to history.

One Chapter, Thomaston, has placed Haskin's American Government in the schools to be used as a text book. Pledge to the Flag and American's Creed printed and pasted in all history and civic text books in city and county schools.

THOMAS JEFFERSON'S BIRTHDAY

Mrs. Thomas J. Sappington

As never before, should the memory of the "Father of our Constitution" be firmly instilled in the hearts of the youth of our land. I am happy to report that most of the Chapters observed Jefferson's Birthday. Some of the Chapters gave prominence to this patriotic day on the April program; others presented programs in public schools, which is heartily recommended by your Chairman. Would also suggest that good books on Jefferson be presented to your school libraries.

TRAVELING GENEALOGICAL LIBRARY

Mrs. J. D. Wadsworth

During the past year the activities of the Traveling Genealogical Library have gone forward as usual, and satisfactorily with the exceptions that the Atlanta Chapters and Savannah Chapters did not accept the books.

The following books were acquired during the summer; were

placed at the Columbus Library, and half of these were put in Box No. 4 and started traveling from Waynesboro, and half in Box No. 5 started from Waycross. I made a special trip to Americus to select most of them.

F. Dykes.

On July 26, 1936, a splendid article outlining the purposes and activities of the Traveling Genealogical Library appeared in the Atlanta Journal Sunday Magazine. The editor, Mr. Perkerson, thought enough of our project to write John E. Minter of the LaGrange Daily News, asking that he write the account. A short time later an Associated Press news dispatch regarding the Traveling Genealogical Library's work appeared in numerous newspapers. After this I received several inquiries for various forms of information from several southern states, Texas and California. By request, every detail of the workings of the Library were sent to Mrs. Bell of South Carolina, whose State Regent heartily approved of the plan which was to be presented for adoption at the South Carolina State Conference.

At the Board meeting, Bainbridge, it was decided to let each box remain 14 days with each Chapter.

During the winter the following books were acquired; are now in the Columbus Library and will be started traveling during the first week of April, in Boxes Nos. 6, 7, and 8:

Nathaniel Clarke of Newberry, Mass.; Land Lottery, 1827 (Georgia); King's Mountain and Its Heroes; Genealogy of Robert Walton of Virginia; Albemarle County, Virginia; Cumberland Parish, Lunenburg County, Virginia; Rockbridge County, Virginia; Middle New River Settlements (West Virginia); Lineal Descendants of Samuel Wilson, Sr. (North Carolina); History of Alamance; Our Quaker Friends; Mordecai Cooke and Thos. I want to heartily thank all members who, by their cooperation, have furthered the interests of the Traveling Genealogical Library; and those who have notified me of the arrival of the books, as it is only by this means that I am able to notify the next Chapters when to expect the books, and if this were done promptly much inconvenience to Chapters would be avoided.

Our meetings are opened with the Salute to the United States Flag and the Georgia Flag, prayer, one verse of "America" sung by all and reading the American's Creed. We have 11 new members.

AUGUSTA CHAPTER, AUGUSTA

Mrs. J. J. Willingham, Regent

Augusta Chapter has had a very successful year. We have 100 members, 87 resident and 13 non-resident. We regret to report the loss of three members by death and two by resignation. Five new members have been added to the roll.

The Chapter printed and distributed among its members attractive Year Books, and interesting historical and patriotic programs have been carried out during the year. Meetings have been held regularly and have been well attended. Probably the outstanding accomplishment of the year was the erection and unveiling of three granite and bronze markers on the following historic spots: Meadow Garden, home of George Walton, one of the signers of the Declaration of Independence, White House and Fort Grierson, sites of historical events in the Revolutionary War. Through the efforts of our Historian, Mrs. A. H. Brenner, these markers were secured through the WPA and the City of Augusta. Our honor guests on the occasion of their unveiling included our State Regent, Mrs. John S. Adams; Mrs. E. B. Freeman, State Recording Secretary; Mrs. Barnes, Regent of the Dublin Chapter; Mrs. J. N. Talley, former State Historian; and Mrs. John G. Chaffee, of South Carolina. In addition to the unveiling ceremonies a luncheon was given in honor of these distinguished guests.

In October the Chapter cooperated with the U. D. C. in entertaining the old soldiers during the Confederate Reunion. Our Armistice Day meeting was outstanding with an address delivered by Honorable James Sheppard of Edgefield, S. C. Mrs. John S. Marshall, State Regent of South Carolina, was our luncheon guest on one occasion, and gave an interesting talk on "Tamassee." Following our usual practice we had representatives present on Naturalization Day in the United States Court and each applicant admitted to citizenship was presented a copy of the D. A. R. Manual. One program was devoted to the World War Veterans at the local Government Psychopathic Hospital.

The Genealogical Library was forwarded to us in the Fall and was made available to all persons interested. Two Flag sales were conducted during the year, a Silver Tea was given at Meadow Garden on Washington's Birthday, with substantial funds realized from these sources. Two prizes of \$5.00 each were awarded the high school students making the highest average in American History. A reception was given at Meadow Garden for the delegates to the South Carolina Conference, held in Aiken, March 10. We had the pleasure of having with us on this occasion our own State Regent, Mrs. Adams, and the National and State Officers attending the Conference as well as most of the delegates. Our guests were taken on a tour of the City of Augusta and were shown through two of our most beautiful gardens.

Our Chapter is primarily responsible for the maintenance of Meadow Garden and the greater portion of our expenditures have been devoted to this purpose.

ELIZABETH WASHINGTON CHAPTER, AUGUSTA

Mrs. C. G. Cordle, First Vice Regent

During the past year the Elizabeth Washington Chapter has worked under considerable difficulties due to the necessity of the Regent's absence from Augusta. We have met each month at the home of some member, opening with prayer led by the Chaplain, Pledge to the Flag and the American's Creed. GOVERNOR JARED IRWIN CHAPTER, SANDERSVILLE

Mrs. Samuel G. Long, Regent

Throughout the past year, all meetings have been held regularly, the first Wednesday in each month. No meetings are held during June, July and August, save by special call.

Attendance has been splendid and programs unusually interesting. The subjects are assigned by a committee, following as nearly as possible, the outline submitted by State Historian. Evidently the Chapter members, as well as those presenting a study, have given time and thought to subjects presented from time to time.

There has been observance of all patriotic days either by the Chapter or in cooperation with some other organization. All Chapter members display the Flag upon designated occasions, letting it float at their respective homes. A most gratifying display has also been made in front of the business places of the city. We trace this to influence of the local Chapter, Daughters of the American Revolution.

Instead of two, the Chapter will award four prizes for the study of American History. These will go to a boy and girl in high school and a boy and girl in grammar school. These awards are made upon the daily average in class throughout the year, names being furnished by teachers.

Where the need for charity has been manifest, members of the Chapter have responded. Assistance has been given to school children through books and clothing. The Chapter also helped with Tuberculosis Seal sale.

All dues, National and State, have been paid on 24 members. Two applications for membership are pending. One death, Mrs. Nomie Rawlings Snow, has saddened our hearts during the past year.

On Valentine Day, a message of love and remembrance was sent to Mrs. Mary Poole Newsome, Georgia's only living Real Daughter of the American Revolution.

The Chapter subscribes for one copy of the D. A. R. Magazine, which all members are privileged to read.

BONAVENTURE CHAPTER, SAVANNAH

Mrs. J. W. Heath, Regent

It is a great privilege to extend greetings to this State Conference and report the year's activity of Bonaventure Chapter.

The By-Laws were revised and now the Board meeting is held on a separate day of the same week as the Chapter meeting at the members' homes with a very good attendance. They are opened with prayer, Ritual, Pledge to the Flag, and American's Creed. We have had the great misfortune of losing by death three of our charter members, and markers will be placed at these graves during the year. Flowers and cards of cheer are sent to the sick. The Year Book subject was "Georgia During the Revolution as Mirrored in Men and Events," and very interesting papers have been given.

The Regent put on a radio program of patriotic songs Armistice evening, and dedicated same to all sick and shut-in ex-service men. Received a very nice letter from the Marine Hospital. Represented the Chapter at marking the spot of Old Fort Wayne by Josiah Tattnall Chapter, Daughters of 1812. A member's great-great grandfather's grave will be marked soon.

The Regent will entertain at her home the Col. Henry Lee Chapter, C. A. R., at their April meeting. Welcomed 26 citizens at recent Naturalization exercises in the United States Court. Chapter contributed to Ellis Island, National Defense, and paid pledge on Constitution Hall, also other requirements. State and National dues have been paid. Chapter will celebrate 12th anniversary in April, at which time charter members will be honored.

Gained four members, lost three by death, two suspended, making the present membership 41, with one petition pending at Washington. Our first joint meeting of the three Savannah Chapters was held on Georgia Day, February 12, and we were honored by a visit and talk on National Defense by our beloved and charming State Regent, Mrs. Adams. The Regent feels the Chapter has done remarkably well considering the great amount of sickness and sorrow among the members.

LACHLAN McINTOSH CHAPTER, SAVANNAH

Mrs. H. F. Peeples, Regent

In bringing to the 39th State Conference of the Georgia Daughters of the American Revolution a resume of the Lachlan McIntosh Chapter, Savannah, it is with a sense of deep appreciation of the splendid cooperation of the entire membership that has made the work such a pleasure. The success that we have attained, and the Regent begs to report a most successful year has been accomplished through the faithful and unselfish efforts of our members.

It has been the desire of the Chapter to compile a complete historical library. This year we have taken a step that brings us nearer our goal. The Chapter purchased the following volumes of the Pennsylvania Archives: Colonial Records, 16 volumes, First Series 12 volumes, one book of Indexes for the Colonial Records and the First Series. Second Series 19 volumes, Third Series 31 volumes, Fifth Series eight volumes, Sixth Series 16 volumes, and Seventh Series five volumes, a total of 108 books. This library is open to the public and it is the sincere wish of the Chapter that all D. A. R. will avail themselves of this privilege.

We have suffered the loss of one of our most cherished mem-

bers, Mrs. Caroline Price Wilson, as Regent of the Chapter. Mrs. Wilson gave unsparingly of her time not only to local affairs but also the State, and as a National Committee woman, rendered valuable services to the general organization.

A gift in money was sent as a Christmas present to the children of Tamassee School in South Carolina, a box of useful articles was sent to our last Real Daughter in Georgia. Twenty-one books of standard literature on various subjects was sent to the American Merchant Marine Library. The Chapter has purchased a medal to be presented to one of the High School R. O. T. C. boys for Good Citizenship.

The State Regent honored us with her presence in February, at which time the three Chapters had a joint meeting. Mrs. Adams gave us a brilliant talk on National Defense.

On our birthday we entertained with a reception. Mrs. John Daniel, ex-State Regent; Mrs. J. T. Wood, Second State Vice Regent; the Regents of the Savannah and Bonaventure Chapters, all of our honorary and charter members were present. The Chapter honored its new members with a luncheon in the Tavern of the Hotel DeSoto in September.

Regular monthly business meetings have been held followed by programs and a social hour.

The Treasurer reports that all National and State dues have been paid. The Chapter is in excellent financial standing.

Our work has been a very great pleasure and satisfaction and again I thank my Chapter members for their unflinching support and our gracious State Regent and her Board for their sustaining assistance.

SAVANNAH CHAPTER, SAVANNAH

Mrs. Edgar J. Oliver, Regent

Meetings are opened with the Ritual, followed by prayer and the Pledge to the Flag. Patriotic days have been appropriately observed. Members took part in a Preparedness parade on Armistice Day.

One radio program was given, the splendid paper read at that time being on Savannah's Revolutionary Homes, written by Mrs. Wm. G. Taliaferro. A United States Flag with standard was given to the Commercial High School, at which time the Regent spoke on the History of the Flag. Twenty-five dollars was sent to the American Red Cross for the flood sufferers.

Two girls are at college on loan scholarships of \$200.00 each. Money has been raised to send a girl to the Armstrong Junior College in Savannah in September.

The Chairman of Americanism addressed 26 foreigners on the duties and privileges of American Citizenship when they were naturalized in February, presenting Flags, Manuals and identification cards.

On Georgia Day, the three Savannah D. A. R. Chapters had as honor guests the State Regent, Mrs. Adams; State Corresponding Secretary, Mrs. E. B. Freeman; State Second Vice Regent, Mrs. J. T. Wood, and State Chairman of Sarah Berrien Casey Morgan Student Loan Fund, Mrs. N. A. Jelks. Mrs. Adams made a memorable address on National Defense, stressing the importance of the

proper training of youth. The meeting was followed by a brilliant reception at the home of the Savannah Chapter Chairman of National Defense. The decorations characterized all branches of defense—the army, the navy, the air service.

Two historical papers have been sent the Filing and Lending Bureau. One Bible record is reported. A Scrap Book records year by year the Chapter's history.

Savannah Chapter vigorously opposed the opening of Savannah's historic squares to vehicular traffic. It also opposed the President's plan to increase the judiciary, telegraphing the Georgia Senators, Congressmen, and the Hon. Hatton W. Summers to this effect.

A box of 92 books was collected and sent to New Orleans for the Merchant Marine Library. Over 1,000 magazines were carried to a CCC Camp. A reference shelf is kept in the public library, and here are placed all the Year Books issued by the Chapter since its beginning. Accounts of activities are published monthly in the Atlanta Constitution.

Members have beautified their home grounds with countless trees and shrubs. Members of the Chapter serve in most of the civic, religious and patriotic organizations of the city.

The Savannah Chapter sponsors the C. A. R. and the Chapter Board entertained them at the home of the Regent at their March meeting.

Among the first trees planted on the grounds of the Savannah High School, now nearing completion, will be three planted by the Savannah Chapter in honor of Mrs. Becker, President General, N. S. D. A. R.; Mrs. Daniel, Honorary State Regent, and Mrs. E. J. Oliver, Retiring Chapter Regent.

NOBLE WIMBERLY JONES CHAPTER, SHELLMAN

Mrs. J. E. McGlaun, Regent

The members of Noble Wimberly Jones Chapter, D. A. R., with their interest and faithful attendance at all meetings, have enjoyed a year of activity and achievement.

We have 15 members, four of whom are non-resident, with one new member and one lost by transfer.

All meetings are held in the homes and are opened with "America," followed by the Ritual, after which the Pledge to the Flag is given in concert. Programs of the highest historical and cultural type are presented. Patriotic days are observed with appropriate programs.

Generous publicity has been given all meetings in local papers. Points required to attain the Honor Roll have been made.

We have cooperated whole-heartedly with all local, civic and National projects, such as the Empty Stocking Fund, Red Cross, and Roosevelt Birthday celebrations.

We have lost one member, our Treasurer, Mrs. Eunice Greene Powell, by death; and two members have resigned, leaving us a membership of 26. But we are happy to report two new applications pending.

We have a very beautiful Year Book, the gift of our efficient Vice Regent, Mrs. Tufts. The programs are compiled from the State Outline: "Georgia in the Revolution—Its Men and Events."

Of especial interest is our custom of answering roll call with Current Events. Our members are alert to all current history and have taken much interest in the United States Constitution in this, its anniversary year.

All our meetings are promptly reported to the press.

We observe all patriotic days. Especially beautiful was our Armistice Day program in the home of Mrs. John Lewis. A program of children in costume and a Candle-Lighting Memorial Service was given.

We have used school children on our programs a great deal,

as we feel this is a means toward interesting them in our aims and ideals. There is a contest for Good Citizenship Tour in the high school.

Our Daughters are members of other cultural organizations: cooperating in the P.-T. A. work; are interested at present in landscaping the new school grounds, many shrubs having been placed.

Much humanitarian work has been accomplished: we cooperated with the Red Cross in flood relief.

The Chapter has been receiving the Traveling Genealogical Library. We have found it most interesting and helpful.

The Regent feels that too much cannot be said for the cooperation of our Executive Board and the loyalty of our members. They have at all times proven these characteristics in continuous willing service. Our work has been a joy.

GOVERNOR DAVID EMANUEL CHAPTER, SWAINSBORO

Mrs. R. M. Humphreys, Regent

Governor David Emanuel Chapter opened its sixth year with 44 active members, and two applications pending in Washington.

Our very competent Year Book Committee, realizing we would be unable to do very much real D. A. R. work this year, gave us most interesting programs. Each meeting we had a paper on some phase of Emanuel County history. They have been most enjoyable, as well as very instructive.

Being aware of the great responsibility, as well as the great pleasure of undertaking the State Conference, we have not attempted to meet any Honor Roll requirements. We have, however, attempted to keep the faith with Mrs. Becker in her great National Theme, "The Youth of Our Land." We have entered our third girl in school, with our Marion Sibley Wiley Student Loan Fund. We offered our customary history medals in the seventh grade and senior class in Swainsboro High School, and gave Citizenship medals in seven of our accredited high schools in Emanuel County. We sponsored a Good Citizenship Pilgrimage girl in Swainsboro High School. Woodrow Wilson's and George

Washington's Birthdays were observed in the school auditorium, and \$1.00 was offered by one of our members through the D. A. R. to the grammar grade singing the best Georgia Day song at Georgia Day celebration. We have several Becker boys and girls, and hope to have many more next year.

With the cooperation of the local Post of the American Legion, on Armistice Day, we unveiled a marker to Corday Price, a World War veteran. Judge Eugene Cook of Wrightsville, made a wonderful and impressive address on "Americanism."

The Chapter subscribed to D. A. R. Magazine for the Regent; bought 12 Hand Books, 30 song books, and D. A. R. Banner. A box of 35 books was sent to Merchant Marine Library in New Orleans.

We sponsored the sale of Tuberculosis Seals, and raised \$112.35, three-fourths of this is kept by the Chapter, and a very wonderful work along this line has been done by a committee from the Chapter.

The Chapter is contributing \$1.00 per month towards Child Welfare work in Emanuel County.

A committee from the D. A. R. solicited funds for a City-wide Community Christmas Tree. Each child in the City of Swainsboro under 12 years of age received a gift. Old toys were also reconditioned for poor children, and baskets of food given to our needy families. This annual service to those less fortunate than we, is very dear to our hearts, and enables us to feel that we are worthy descendants of our forefathers who did so great a service for us.

The \$150.00 Scholarship Fund owned by the Chapter is being used by a student at the State University.

Patriotic songs are used in our schools, patriotic addresses are made by our members, and there are special programs for all days of observance. Flag Day and Armistice Day are celebrated with public programs. Accounts of all our meetings are published in the county paper, and often in the D. A. R. columns.

The greatest pleasure we had during the year was a visit to Georgia's Real Daughters of the Revolution, Miss Sarah Poole, and Mrs. Mary Poole Newsome, in May, 1936. Their home, near Gibson, was identified by a great pile of wood ready cut, and a mail box a yard long. Miss Sarah, who was 90 years old, was quite feeble and died a few months later, but Mrs. Newsome, 85, was as spry as a debutante, had all her teeth, and neither of the sisters wore glasses, but had their second sight. Only four of these Real Daughters are living in the United States, and the home of Georgia's Daughters showed the interest and tender care of D. A. R. all over the country. We carried gifts to them and brought back sprigs of sage they gave us from their old-fashioned garden.

A shower for this Becker girl was given by the Chapter at our December meeting. Christine Rountree was sponsored by the Vidalia Chapter for the Good Citizenship Pilgrimage. Two Citizenship medals and prizes for general excellence in Georgia and American History are offered in the school.

Two trees, one in honor of our member who was lost by death, and one in honor of our former Regents, are to be planted on the lawn of our new Community House during Conservation Week in April. A \$10.00 contribution has been made to the S. B. C. Morgan Loan Fund. Vidalia Chapter is looking forward to another year of greater service and usefulness to our community and country.

BURKHALTER CHAPTER, WARRENTON

Mrs. John Q. Gant, Regent

Burkhalter Chapter, Warrenton, organized in November, 1921, has 24 members, having lost one member by death. The Chapter is in good financial standing, having paid all National and State dues and Chapter assessments.

The interesting meetings have been held in the homes of the members. After calling the Chapter to order the meeting is turned over to the Chaplain, who always takes charge of the devotional, which is enjoyed by all. All patriotic days have been observed, having carried out the program as outlined by the State Chairman.

We are not giving medals in the schools, but are placing our funds in a Mamie Massengale Scholarship for a deserving Warren

County boy or girl. We now have on hand for this fund \$68.26.

We have subscribed to the D. A. R. Magazine. We have sent to our Real Daughter, Mrs. Mary Poole Newsome, a basket of fruit and a card shower on Washington's Birthday. The Chapter went in a body to the funeral of Miss Sara Poole, a Real Daughter, and also to the funeral of our member, Mrs. Mamie J. Farmer, and placed a bronze marker on the grave of the latter, taking a short part in the services at the grave.

We cooperate with our moving picture show in securing the best pictures. Had Year Book printed and given to each member of the Chapter. We have a few Revolutionary relics that are being preserved by our Curator.

JONATHAN BRYAN CHAPTER, WAYCROSS

Mrs. H. F. Bell, Regent

Jonathan Bryan Chapter lost three members during the last year—two by resignation and one by death. We added two new members. All historical dates were celebrated by program, and each meeting opened with American's Creed and Salute to the Flag. One dollar each month has been donated to the Waycross Orphan Home. At Christmas a generous basket of food and clothes were sent to a needy family. Five dollars has been offered to the two students (\$2.50 each) in our (Ware) County Consolidated School (Junior High) who make the highest average in American History for the year. The students must also know the Creed and Flag Salute.

The program as suggested by the State Historian for the year is followed in our Chapter and we met all Honor Roll requirements.

LYMAN HALL CHAPTER, WAYCROSS

Mrs. J. L. Brogdon, Regent

Lyman Hall Chapter has a membership of 35, one new member and one lost by transfer. Nine meetings have been held in the home, opened with D. A. R. Ritual and Pledge to the Flag. Our programs have been most interesting following suggestions given by the State Historian.

The local paper has published interesting accounts of all meetings and clippings of interest to members. We are keeping a Scrap Book. Attractive Year Books were compiled by the Program Committee, giving full information on the year's work. The Chapter Historian, Mrs. J. L. Walker, visited all the county schools, made talks and presented each pupil of history with a copy of the Constitution. National and State dues have been met. Gave \$5.00 worth of groceries to a needy family for Christmas. Sold Christmas Seals for the Tuberculosis Fund, tickets for the President's Ball, gave \$1.00 on the World Peace Movement Luncheon.

The Chapter has purchased a beautiful American Flag on eight foot stand, small D. A. R. Flag and Georgia Flag for table use, each with holders. Presented to Waycross Senior School the American Flag similar to the large one in Chapter. Approximate cost of all flags purchased \$35.00. Chapter has presented each Officer with a copy of the Hand Book. Two subscriptions to D. A. R. Magazine.

EDMUND BURKE CHAPTER, WAYNESBORO

Mrs. H. B. McMaster, Regent

Edmund Burke Chapter reports a pleasant and successful year with a good attendance at all meetings. Interesting programs suggested by the State Chairman and supplemental material were used in observing LaFayette Day, Constitution Day, Magna Charta Day, Flag Day, and regular programs of an historical nature were the order of the day at the meetings.

Magna Charta Day was observed at the Court House with all of Burke County invited, and a magnificent address by Judge W. W. Larsen was the highlight of the celebration. The exercises at the Court House were followed with a beautiful luncheon at the home of the Regent, Mrs. Hugh McMaster. The Amfred Colony, a branch of the Boone Family Association in Waynesboro, cooperated in celebrating Magna Charta Day and assisted with the program.

We have had five additions to our membership this year. A medal was offered to the student in the seventh grade of the Waynesboro Public School who made the highest average in American History for the year. Miss Helen Goldberg was voted the most popular nominee for the Pilgrimage to Washington. We have two D. A. R. Magazine subscribers in the Chapter at present. The Manual of Citizenship and the Correct Use of the Flag are taught in the public school.

One of the outstanding events of the year was marking the original spot in Burke County where Lyman Hall was buried. A neat headstone and a fence were placed there. The project was sponsored by the Georgia Society of the N. S. D. A. R. and the Edmund Burke Chapter—at a total cost of \$85.00.

A Memorial Magnolia was planted in honor of Mrs. Frank Cates, a past Regent—with Mrs. Enon Chance making the dedication. The Chapter takes pride in quoting the Resolution introduced by Mr. Ralph Lewis, Burke County Representative, in the House, February 18. The Bill passed both the House and Senate and was signed by Governor E. D. Rivers, declaring the Live Oak to be the official State Tree of Georgia. The Resolution is as follows:

"Whereas, In many of the States of the Union some tree indigenous to the soil of the State has been chosen as an emblem of its sovereignty; and

"Whereas, Hitherto the General Assembly of Georgia has made no such selection, and

"Whereas, the Live Oak, being a tree indigenous to the soil of our State and especially flourishing along the Coastal Plains and islands thereof, where the first settlers and founders resided, and which tree is so closely associated with our early history and particularly with the lives of many famous Georgians, such as General James Edward Oglethorpe, John Wesley, and Sidney Lanier—

"Be it therefore resolved by the House of Representatives of Georgia, the Senate concurring, That, at the suggestion and request of the Edmund Burke Chapter, Daughters of the American Revolution, the Live Oak be and the same is hereby adopted and declared to be the official tree emblematic of the State of Georgia."

The State dues paid by the Chapter were \$3.60; for Manual of Citizenship \$1.80; for Ellis Island 54 cents; Constitution Hall \$5.00, and Marking Historic Spots \$2.00.

A Scrap Book is being kept and all meetings are reported in the local papers and the Magna Charta meeting was reported in many of the state papers.

SUNBURY CHAPTER, WINDER

Mrs. J. H. Pledger, Regent

Sunbury Chapter, with 15 members, reports a year of activities and achievement. All requisites for 1936-1937 State Honor Roll have been attained. The new D. A. R. Ritual is used at each meeting, and the programs have been historical and educational in character. The D. A. R. Magazine supplies much of this material.

The Chapter joined local organizations in observance of Memorial Day and Armistice Day. On Georgia Day, a substantial sum for patriotic education was realized from the sale of miniature Georgia Flags. The Chapter was entertained on this day by the American Legion Auxiliary. The program on "Georgia" was arranged by the U. D. C. Chapter.

The social event of the year was the luncheon given in February at the Club House honoring the Winder Chapter, Sons of the American Revolution, their State President, and their National President. D. A. R. Regents from Athens, Commerce, Gainesville, the State Regent, State Chaplain, and Recording Secretary General were also invited to attend this affair.

The Chapter received first prize of \$10.00 for entering the most appropriate float in the parade at the Ninth District Legion Convention.

One patriotic picture was sponsored at the local theatre. Two medals are awarded each year for Citizenship, two of the Sweeny medals for excellence in American History, and two prizes for progress in Home Economics Department of high school. Copies of the Flag Code have been presented this year to every classroom in Barrow County—almost 70.

D. A. R. Post Card Review is published in local paper. All Chapter meetings have been published in local paper and a report of two special meetings sent to the State Editor.

The Traveling Genealogical Library was used in December and January. A Scrap Book is kept, which gives a complete history of the Chapter's activities from its organization in 1921 to the present time. Application papers for two prospective members are pending.

Information to Members

The following resolution which applies to the nomination of a State Regent by Chapters appears in the Proceedings of the Twentieth State Conference, 1918:

"Resolved, That it is the judgment of the Executive Board that nominations for State Regent should not be made by Chapters

earlier than three months prior to the meeting of the Conference. When so made they shall be furnished to the State Editor for publication."

At the opening of the State Conference, by **unanimous consent**, the rights and privileges of delegates can be voted to the State Chairman, **with this exception**, State Chairman cannot vote in the election of State Regent and State Vice Regent unless they have been elected delegates by their respective Chapters and so registered with the Credential Committee. (The election of the State Regent and State Vice Regent must be confirmed by the Continental Congress).

(See Article X, Section 1 and Section 2, of the National By-Laws).

"Where there is only one candidate for an office and the Constitution requires the vote to be by ballot, it is common to authorize the Secretary to cast the ballot of the assembly for such and such a person."

If anybody objects, however, it is necessary to ballot the usual way. So when a motion is made to vote unanimous, it fails if anyone objects. Passed 1915.

Each State Conference may by a two-thirds vote, adopt such additional rules of order as it may deem advisable for the government of that Conference, provided they are not in conflict with the Constitution and By-Laws of the National and State Society.

As this is the sesqui-centennial of the forming of the Constitution of the United States, and there is to be a nation-wide observance of the framing of that document, it is especially fitting that the Daughters of the American Revolution study the development of our government from Colonial times to the present.

The Constitution of the United States had its beginning when the love of liberty was first implanted in the hearts of the American colonists, which found expression from time to time in legislative acts looking to the betterment of their condition.

The Declaration of Independence opened the way for it. The Articles of Confederation proved its necessity; and the past 150 years show the value of it. The basis of our national existence and safety, let us study its evolution and the lives of its framers and the nation's leaders.

MINUTES OF STATE OFFICERS CLUB D. A. R. OF GEORGIA

The State Officers' Club of the Georgia D. A. R. held its annual meeting March 23, 1937, at a breakfast at 7:30 o'clock in the John C. Coleman Hotel at Swainsboro, Georgia, with Mrs. Max E. Land, President, presiding.

Before going into executive session Mrs. Land presented the distinguished guests present as follows: Mrs. Julius Young Talmadge, Recording Secretary General, N. S. D. A. R., and first President of the State Officers Club; Mrs. Howard H. McCall, Honorary President of the Club and former Vice President General; Mrs. John S. Adams, State Regent, Georgia D. A. R.; Mrs. Callan, Past President, National Society Daughters of 1812; Mrs. Bun Wylie, Mrs. Herbert Franklin, and Mrs. John W. Daniel, Past State Regents, Georgia D. A. R.; Mrs. R. H. Humphrey, Regent, Governor David Emanuel Chapter, which was the Hostess Chapter; Mrs. Mark Smith, State Director, Children of the American Revolution, and Mrs. Z. I. Fitzpatrick, prominent club woman whose former home was in Swainsboro. All responded to their introductions in a happy and enthusiastic manner.

The absence of Mrs. Julian McCurry, Vice President General, because of illness and sorrow, caused much regret. It was voted that the Club send her a telegram of love and sympathy. Telegrams were also sent to Mesdames Herbert Fay Gaffney, former President of the Club and former Vice President General, N. S. D. A. R.; Frances Brown Chase, Charles Akerman, first Vice President of the Club and former State Regent, and Oscar Peeples.

During the executive session Mrs. Land introduced the officers of the Club who were present: Mrs. W. E. Mann, Recording Secretary; Mrs. W. F. Dykes, Corresponding Secretary; Mrs. Harrison Hightower, Treasurer; Mrs. J. Harold Nicholson, Auditor; Mrs. John W. Daniel, Historian; Mrs. Herbert Franklin, Chaplain.

The President gave her report, which was accepted with thanks. She recommended changes in By-Laws of 1930 as follows:

Recommendation I. Under Article VII on dues, the Section reads: "Any member in arrears for one year, two notices having been sent to her by the Treasurer, shall be dropped by action of the Board of Governors" to be changed to read: "Any member in arrears for two years, two notices having been sent to her by the Treasurer shall be dropped by action of the Board of Governors."

Recommendation II. Since there is no provision for reinstatement of members, I recommend that the following be inserted under Article VII on dues:

"Any member may be reinstated by payment of the initiation fee and dues for the current year."

These recommendations were adopted.

It was moved and carried that the By-Laws be mimeographed and copies sent to all members of the Club.

The Recording Secretary, Mrs. W. E. Mann, read the minutes of the last meeting, which were approved.

Mrs. W. F. Dykes, Corresponding Secretary, read a letter from

Mrs. Herbert Fay Gaffney, former President of the Club, expressing thanks for the lovely silver tray presented her at the last meeting of the Club upon the occasion of her retiring from the Club Presidency.

The Treasurer, Mrs. Harrison Hightower, reported the amount of \$6.52 received from last administration. She also reported that the moratorium on dues was at an end and that dues were being collected and that a full report would be given at the next meeting.

At this time a vote of thanks was given Mrs. Hightower, hospitality chairman, for the splendid way she had carried out all arrangements for the breakfast. The favors were gardenia corsages, which served not only to beautify the table but proved a badge of honor for the members.

Mrs. John W. Daniel, Historian, read an interesting account of the activities of the Club in past years. Mrs. Rhetta Coney presented the Club with an artistic book for the history of the Club to be recorded in.

The members stood in silent tribute to the memory of Mrs. John D. Pope, a beloved member who passed away since the last meeting.

The meeting adjourned.

MRS. MAX E. LAND, President.

MRS. W. E. MANN, Recording Secretary.
