GEORGIA STATE EXECUTIVE BOARD, REGULAR MEETING OCTOBER 25, 1941

The State Executive Board held its regular Fall meeting on Friday, October 25, 1940, at the Capital City Club in Atlanta, by invitation of the Atlanta Chapter, Mrs. John W. Rice, Regent. This meeting was opened with a prayer by the State Chaplain, Mrs. James B. Key; the Pledge to the Flag was given, with Mrs. Slaton leading; the American's Creed was repeated, led by Mrs. Julia Bacon Osborne. The State Regent presented Mrs. John W. Rice, Regent of the Hostess Chapter, who graciously invited the members of the Board to the luncheon, honoring the State Regent, Mrs. Tomas Coke Mell. The Roll Call showed the following: Vice-President General, 1; State Officers, 14; National Chairmen and Vice-Chairmen, 3; State Chairmen of National Committees, 21; Chairmen of Standing Committees, 26; duplicates, 11; total attendance, 54.

Mrs. Hightower conveyed to the Board Mrs. Talmadge's keen disappointment at not being present, due to illness in her family.

Mrs. Claude C. Smith, the Corresponding Secretary, was instructed to write a note to Mrs. Talmadge, also a note to Mrs. Quillian Garrett, who was prevented from being in attendance on account of the illness of her mother.

The State Regent introduced the Vice-President General from Georgia, Mrs. Harrison Hightower, and also Mrs. John M. Slaton, a charter member of the National Society.

Mrs. Stewart Colley, State First Vice-Regent, took the chair, during the report of the State Regent.

The State Regent, in fitting words, paid a tribute to the three valued members we had lost since Conference: Mrs. A. O. Harper, Mrs. John K. Ottley, and Mrs. H. M. Patty, a charter member.

The following recommendations were read by the State Regent, and the Executive Board ratified the same: The payment of \$100.00 for Archives Room; the payment of \$25.00 to Allied Relief Fund; the sale and re-financing of the American Laundries Bond; the completion, as a Jubilee project, of the Sarah Berrien Casey Morgan Loan Fund; the placing of a cabinet in the National Museum for keeping Georgia relics.

Upon motion made by Mrs. Robert G. Hunt, and seconded by Mrs. Bun Wylie, the cabinet in the National Museum is to be given in honor of our State Regent, Mrs. Thomas Coke Mell. Carried. The motion was made and seconded that this cabinet be used as above stated, and in view of the fact that Georgia does not have a room to preserve her relics in, as so many other states have, the question was called for and carried as read by the State Regent. Upon further motion made by Mrs. Howard McCall, this matter is to be left to the discretion of the State Regent and State Curaor. Seconded by Mrs. Bun Wylie, and carried.

The Board accepted with a rising vote of thanks to Mrs. Howard McCall her most generous gift to the Georgia Daughters for publication and sale, her Genealogical Book, "Revolutionary Soldiers in Georgia." This book represents a number of years of labor and research by a most loyal Daughter. The initial payment of \$500.00 for publication will be advanced from the State Dues Fund and re-

placed at a later date. The additional payment of \$496.00, due in 90 days, will be raised by the sale of the books. The publication and sale of this book will be known as the major Golden Jubilee Project of this administration. Total, \$996.00 for publishing book, this amount to be replaced by sale of books, was voted upon and accepted.

Mrs. P. D. Boardman, Chairman of Collecting and Publishing History of Georgia Revolutionary Soldiers, brought to the attention of the members that the work of her Committee is most important, and while along this same line, must be completed in order that our files in Washington will be complete.

The State Regent submitted the recommendation that Chapters organize as a unit for Red Cross Work, which is needed possibly more at this time than at any other time recently. Carried.

A further recommendation: That the Georgia D. A. R. go on record endorsing the National Defense Program of the United States. Unanimously carried.

Mrs. Mell graciously thanked the members for their cooperation, intense interest and loyalty. Upon motion made by Mrs. Hightower, the State Regent was given a rising vote of thanks for her splendid report.

The Vice-President General, Mrs. Harrison Hightower, brought the highlights of the Golden Jubilee Celebration, stating that there are 48 charter members still living, and we in Georgia are proud to claim two of this number: Mrs. John M. Slaton and Mrs. Aurelia R. McMillan. Mrs. Slaton attended the exercises in Washington and carried the Flag. Mrs. McMillan was unable to attend because of ill health.

A rising vote of thanks was given to Mrs. Hightower for her un-failing interest and for her inspirational message.

The following State Officers gave their reports both as a State Officer and also as a Chairman, when they were serving in both positions:

Mrs. Stewart Colley, State First Vice-Regent and Chairman of National Defense Through Patriotic Education. Mrs. Colley stated that the Committee had been active in the recent Textbook Research carried on by the State Board of Education, and in connection with this report, Mrs. Harrison Hightower stated that the National Defense Office in Washington would carefully examine any textbooks sent to them, and render an unbiased opinion on same.

Mrs. Ober D. Warthen, State Second Vice-Regent, and National Chairman of Conservation, reported that the work of this Committee was going forward in a most satisfactory manner. The Red Cross work of the Daughters is a sub-Committee under Conservation.

Mrs. James B. Key, State Chaplain, requested that the names of all deceased members be sent to her at the time of their death in order that she might write the family a note; and further that each Chapter be urged to list their membership stating the Church to which each member belongs or affiliates, so that this record might be sent to Washington, according to a request received from the Chaplain General.

Mrs. Mark Smith, State Recording Secretary, asked that a rising vote of thanks be given to Mrs. E. Blount Freeman, retiring Recording Secretary, for the splendid work done by her as Secretary.

Mrs. Claude C. Smith, State Corresponding Secretary, reported 235 letters and messages sent out from her office.

Mrs. Y. Harris Yarbrough, State Treasurer, read a detailed report. Two of the most interesting items were the gift of \$400.00 to the Archives Room and also the payment in full to The McGregor Com-

pany for the Proceedings, \$487.93. A copy of the report of the Treasurer is filed as a part of these Minutes.

At the conclusion of the above report, Mrs. Yarbrough was given a rising vote of thanks.

Mrs. Harrison Hightower moved that a check be sent to the Treasurer General to purchase a plate for the marking of the cabinet previously given by the Georgia Society for the Real Daughters relics, honoring Mrs. Julian McCurry. This motion was seconded by Mrs. Wier and carried.

Mrs. J. W. Oglesby, Jr., Auditor, gave no report at this time, but asked that a telegram be sent from the Board to Mrs. J. I. Davidson of Quitman, long a loyal Daughter, and now on her death bed. It was the pleasure of the Board to do this.

Mrs. Robert Hunt, State Curator, reported that our Museum was \$650.00 more valuable than it was in April. Forty-eight gifts had been accepted at Rhodes Memorial Hall and nineteen articles sent to National Museum. She had for display a most interesting book on antiques, which she had compiled and was offering for sale at 50 cents each, the proceeds to go to the work of this department. Mrs. Hunt told of the Memorial to be placed at the Old Governor's Mansion in Milledgeville at an early date. Her report was accepted with a rising vote of thanks.

Mrs. J. Harold Nicholson, State Editor, called attention to the prizes being offered (see page 163 of Proceedings) and expressed thanks to the Atlanta Constitution and to Miss Yolande Gwin of the Constitution. Mrs. Joel A. Wier, State Assistant Editor, reported that she had aided the State Editor, and had carried her part of the program as scheduled.

At this time, the State Regent presented the Honorary State Regents, who by virtue of their offices and past services are automatically members of the Board, each in her own inimitable manner brought greetings: Mrs. Howard H. McCall; Mrs. Max E. Land; Mrs. Herbert Fay Gaffney; Mrs. Bun Wylie; Mrs. John W. Daniel; and Mrs. Harrison Hightower.

Longino, Chairman Advancement of American Music; Mrs. Julia Bacon Osburn, Chairman Americanism; Miss Sue Reid Vason, Chairman Approved Schools, after making her report bade the motion that we continue the two scholarships for two girls in the Georgia Room at Tamasssee. GEORGIA STATE EXECUTIVE BOARD, REGULAR MEETING GRIFFIN, MARCH 26, 1941

The regular Spring meeting of the State Executive Board was called to order by the State Regent, Mrs. Thomas Coke Mell, at the Griffin Hotel, Griffin, on Wednesday, March 26, 1941, at 2:30 o'clock.

The State Regent announced the appointment of Mrs. Edward Jones, of Decatur, as the Chairman of Educational Funds and Gift Scholarships, and Miss Hazel Kirk, of Atlanta, as Chairman of the Sale of Golden Jubilee Book.

Mrs. Hightower spoke on this question, stating that since we do not have hostess Chapters any longer, the cross is each year in need of some small repair. There is, of necessity, some expense connected with our Memorial Service, and in the future Chapters are urged to send in the 25 cents for each member, to defray this expense. Mrs. Hightower recommended that the State Regent and the State Chaplain in their letters to the Chapters request that they send in this sum, in order that any expense in connection with Memorials may be defrayed.

**FORTY-THIRD STATE CONFERENCE GEORGIA DAUGHTERS OF
THE AMERICAN REVOLUTION, WEDNESDAY EVENING,
MARCH 25, 1941**

Immediately following a banquet honoring Mrs. William Harrison Hightower, Vice-President General from Georgia, the Forty-third State Conference of the Georgia Daughters of the American Revolution opened in the auditorium of the First Baptist Church, Griffin, on Wednesday evening, March 25, 1941, at 8:15 o'clock. Miss Thelma Brisendine rendered a most enjoyable prelude of organ selections.

The Forty-third State Conference was called to order by the State Regent, Mrs. Thomas Coke Mell, and the invocation was given by the Reverend James Turner, Pastor of the First Baptist Church.

The Pledge of Allegiance to the Flag of the United States of America was given by Mrs. John Marshall Slaton, Charter Member N. S. D. A. R., and State Chairman of the Correct Use of the Flag. The American's Creed was led by Mrs. Julia Bacon Osborne, State Chairman of Americanism. The Star-Spangled Banner was sung. Warm and cordial welcomes were extended to the Daughters by Mrs. Homer Gossett, Regent of the Pulaski Chapter; by Mr. Robert Cummings, in behalf of the Men's Civic Clubs; and Mrs. Robert Shapard, in behalf of the Women's Civic Clubs.

In her usual charming manner, and with well chosen words, Mrs. John S. Adams responded.

Mrs. Homer Gossett, Regent of Pulaski Chapter, presented the State Regent, Mrs. Thomas Coke Mell, who expressed in the name of the Georgia Society their pleasure at being in Griffin for this their Forty-third State Conference. Sincerity and impressiveness marked the message of the State Regent to the Daughters. An outstanding number on the program was the inspirational rendition by the Griffin Choirs of the Hallelujah Chorus by Handel.

The State Regent presented Georgia's distinguished Daughter, the Vice-President General, Mrs. Harrison Hightower, Thomaston. Mrs. Hightower's timely message, "Fixed Principles," presented the close cooperation of the D. A. R. program and that of the present program of National Defense as endorsed by the United States. The Vice-President General then called on Mark Smith, President of Kiwanis International, of Thomaston, to give to the Daughters an illustration which definitely was applicable to the intense interest and loyalty of the D. A. R. The Vice-President General charged the Daughters to be sincere, to have faith, and a deep regard for our responsibility as citizens.

The State Regent presented Professor George Connell, of Gordon Military College, Barnesville, who brought a stirring address on "Total Defense." His explanation of Total Defense was most forceful and instructive. In closing, Professor Connell cited the objectives of our Society, and urged that we dedicate ourselves anew to these objectives, to our country, and to our God. The enthusiastic applause at the completion of his address bespoke an appreciative and attentive audience.

Of keen interest to the D. A. R. was the presentation by Mrs. J. E. Nuckolls, Chairman of the Good Citizenship Pilgrimage, the girl will represent Georgia in Washington this year, Margene Benfield, of Tallulah Falls Schools, Tallulah Falls, sponsored by the Tomochichi Chapter, Clarkesville. Since 1935 this has been an annual project with the D. A. R. Margene Benfield, when she was presented made a delightful speech of gratitude and appreciation.

Miss Sara Hoshall, Atlanta Chapter, Atlanta.

Mrs. S. R. Akers, Mary Hammond Washington Chapter, Macon.

Dublin Junior Group sent two bound volumes, Callaway Baptist Preachers, 1789 and 1882, and the Howell Genealogy, to be placed at Rhodes Memorial Hall. These were accepted with thanks by the State Regent.

Mrs. Leonard Wallace, as State Director of the Children of the American Revolution, made her report at this time. She stressed the importance of every Chapter's sponsoring a C. A. R. Society.

Of much interest was the announcement that Lindsey Henderson, the State President of the C. A. R. in Georgia last year, is now serving in the United States Army.

In the absence of Mrs. Max Land, Mrs. Howard McCall responded for the Distinguished Guests. Mrs. McCall expressed her joy at having the privilege of speaking for the valued members of our Society, who by their service over a period of years, are always an inspiration to any D. A. R. assemblage. Mrs. McCall stated that our activities had so broadened and enlarged that we have the greatest opportunity to render service today, and to keep the ideals to which we are dedicated. This pledge she made in the name of the Georgia Society to our State Regent and to our Vice-President General.

The State Officers were presented by the State Regent. Miss Emily Jones, Personal Page to the State Regent, was presented. The Reverend B. Frank Pim gave the benediction, and after the Retiring of the Colors, the State Regent declared the session recessed until Thursday morning at 8:15 o'clock.

THURSDAY MORNING, MARCH 27, 1941

Preceding the morning Processional, Mrs. Frank Pittman, Sr., rendered a delightful quarter hour of organ music.

Promptly at 9:30 o'clock the Processional was formed, and after the Officers and Distinguished Guests had taken their places on the platform, the State Regent called the meeting to order. Mrs. James B. Key, the State Chaplain, read the Scripture and closed her devotional with prayer.

Mrs. John M. Slaton led the Pledge of Allegiance to the Flag.

The program was presented by Mrs. Stewart Colley, State First Vice-Regent, and upon motion made by Mrs. Colley and seconded by Mrs. Herbert Fay Gaffney, the State Regent and the State Corresponding Secretary were given a rising vote of thanks as Program Chairmen. The beautiful gold cover on the program is symbolic of our Golden Jubilee year.

Mrs. Stewart Colley, State First Vice-Regent, took the chair while the State Regent, Mrs. Thomas Coke Mell, made her report. The report of the State Regent showed effective administration of her duties as State Regent. A diversified program had been her aim: to cooperate with the Allied Relief; to sponsor the interests of the C. A. R.; to give merited place to the Junior membership; and she had participated in the program of the Sons of the American Revolution, at the S. A. R. meeting. The completion and publication of the complete roster of Georgia's Revolutionary Soldiers by Mrs. McCall was announced by the State Regent, and these books are on sale. This is one of the Golden Jubilee Projects of the Georgia Society. She had attended all National Board meetings, and the National Congress; had visited 25 Chapters; 5 unveilings of markers. One Chapter was reported as having disbanded. As the members of the Conference listened to the report of the State Regent, they were impressed by the constant and self-forgetting service rendered so efficiently by the State Regent. The enthusiastic reception of the report of the State Regent was expressed by the entire Conference rising in appreciation of her year's work, before Mrs. Stewart Colley, the State First Vice-Regent, could make the motion that a rising vote of thanks be given.

Mrs. William Harrison Hightower, Vice-President General from Georgia, gave her report. Mrs. Hightower expressed her pride and delight in the privilege of representing Georgia on the National Board, and pledged anew her loyalty and unflinching interest in the Georgia Society, and her earnest desire to serve the State Regent and the Georgia Society whenever needed. Of particular interest were the reports of the State Officers which were given at this time: Mrs. Stewart Colley, State First Vice-Regent; Mrs. Ober D. Warthen, State Second Vice-Regent; Mrs. James B. Key, State Chaplain; Mrs. Mark Smith, State Recording Secretary.

Mrs. Claude C. Smith, Corresponding Secretary, was unable to be present, but her report was read by the Recording Secretary. The State Treasurer, Mrs. Young Harris Yarbrough, gave an itemized report, and explained the Honor Roll Requirements for the benefit of the Chapter Regents. The State Auditor, Mrs. J. W. Oglesby, Jr., reported and moved that the report of the State Treasurer be accepted as read, with a rising vote of thanks. Seconded by Mrs. Gaffney. Carried. Mrs. Oglesby also read the letter from the certified public accountants in Atlanta commending the splendid work of the State Treasurer.

When Mrs. E. Blount Freeman, State Librarian, gave her report, she read excerpts from three letters from the Librarian General from Washington, praising highly the work of the Georgia Society. The full report of Mrs. Robert G. Hunt, State Curator, will be published in the Minutes. Gifts have been made in honor of Mrs. Howard McCall and also in honor of Mrs. Thomas Coke Mell, to the old Governor's Mansion in Milledgeville. All gifts given during the year total in value \$1,610.00. Mrs. Hunt was given a rising vote of thanks for this report. Motion was made by Mrs. Ober D. Warthen.

Mrs. Nicholson, State Editor, gave her report and presented the State Editor's award to Nancy Hart Chapter, Milledgeville, Mrs. W. M. Miller, Regent, and in the absence of Mrs. Mims, the May Phillips Mims trophy to the Hawkinsville Chapter, Hawkinsville. Mrs. Nicholson, upon motion made by Mrs. Colley, was given a rising vote of thanks.

A most delightful feature of the morning program was the presentation of the Pages by Mrs. Ralph Jones, Chairman.

Chaffin; Ellis Island, Mrs. Retta Coney; Junior American Citizens, Mrs. Owen McConnell. In the absence of Mrs. Charles Kreischer, Chairman of Girl Home Makers, Mrs. W. E. Mrs. Ober D. Warthen, National Chairman Conservation, reported that 3,500,000 trees, memorializing our Golden Jubilee, have been planted as a gift to our Nation. Mrs. Warthen in an interesting manner presented the part to be given to Conservation at the Congress in Washington in April, and bespoke for the presence of a large number of Georgia Daughters.

Mr. Solon Drukenmiller was the soloist, and Mrs. Frank Pittman, Sr., accompanied him.

The traditional white cross was used, and as the lights gleamed, one by one, each Daughter's heart burned with the keen realization that our departed members had carried with them the honor of their country and the honor of the Georgia Society D. A. R.

We feel more than ever before, as expressed in those familiar words:

Is not to die."

GREETINGS OF THE REGENT

Mrs. Thomas Coke Mell

March 26, 1941

It gives me great pleasure to be your guest tonight in the beautiful little City of Griffin. With her charming, cultured people, enjoying their cordial hospitality which makes one feel it is good to be here. Your warmth of greetings and evidences of welcome, we shall take with us, as a sweet memory of this happy occasion, for which we thank you.

The Daughters of the American Revolution assemble with sacred pride, representing the enduring faith and ever abiding hope of those pioneers who carried the torch of American liberty.

At this time when there is such a vital need for active patriotism among the people of America, it gives me a great deal of assurance to see our Society achieving such strong unity in their endeavors—advancing the ideals and principles of America.

The Daughters of the American Revolution never falter in their splendid patriotic work of keeping uppermost the history of America, and the great men and women whose names are interwoven in the history of our country, from the Colonial period, through the days of the Revolution, to the present time. They have identified, preserved and marked historic spots that would have otherwise long ago passed into oblivion and they have kept before the generation of today, the imperishable glory of their country.

May the Daughters who have gathered here from all parts of our state, gain inspiration and renewed courage for better service in our beloved Society.

As your State Regent I extend to you the warm hand-clasp of friendly cooperation and in the words of the immortal Washington, "With a heart full of love and gratitude, I most devotedly wish that your future days may be as prosperous and happy, as your former ones have been glorious and honorable."

OFFICERS' REPORTS

STATE REGENT

Mrs. Thomas Coke Mell

Georgia has the proud distinction of celebrating this year, the fiftieth anniversary of the organization of the Daughters of the American Revolution in the state, Mrs. Augustus Ramon Salas, of Waynesboro, the first State Regent in 1891. Two Chapters were formed that year: the Atlanta, the second oldest in the National Society, and the Xavier, of Rome. We are happy to use during this Forty-third State Conference the gavel of the Atlanta Chapter which called to order its organization a half century ago. As we look back over the years, we view with pride the progress and accomplishments of our splendid State Society, with its 84 Chapters and membership of 4,226 loyal Daughters.

The Continental Congress brings to a close the Golden Jubilee Celebration of the National Society.

All pledges made during Congress last April for the National Golden Jubilee projects were sent before October. Georgia also sent a contribution for the ambulance for British civilians.

This has been a busy, happy year for your State Regent, the contacts with each of you have been delightful, your cooperation and assistance deeply appreciated. The many courtesies extended me will ever be cherished in my garden of memories.

The State Executive Board was beautifully entertained in October by the Atlanta Chapter, Mrs. John W. Rice, Regent. It was most gratifying to have such a large attendance at our first meeting. Plans for the year's work were discussed and approved.

Through my close association with the Children of the American Revolution in the past, my interest has always followed this work. It was a pleasure to attend their State Convention held at Columbus and note the growth of this Society under the capable leadership of Mrs. Leonard Wallace, State President.

The third State Assembly of the Junior Membership Committee met in Atlanta in November and was called to order by your State Regent. We are proud of the work accomplished by these young women and feel that the future of the Daughters of the American Revolution is safe in their hands.

Your State Regent was guest of honor at the Banquet of the Sons of the American Revolution during their state meeting and brought greetings from our organization. It was a source of regret that invitations from other Patriotic Societies had to be declined because of conflicting engagements.

During the summer the Atlanta Laundries Bond, a part of the May Erwin Talmadge Student Loan Fund, was sold and the money added to this fund. This Company went into bankruptcy and the \$1,000.00 bond was exchanged for a \$700.00 bond with some shares of stock. Four of our Student Loan Funds were placed at State Colleges and we had hoped to complete the fifth, the S. B. C. Morgan Memorial Fund, by this spring, so that it too could be placed at a college before Conference. There is a balance of \$358.31 to meet, before this fund reaches \$2,500.00.

It is not my intention to report the work accomplished this year but your Regent is very happy that our State Jubilee project, the

publishing of the Roster of Revolutionary Soldiers in Georgia, is completed, here for you to see and purchase. The check for Georgia's Cabinet in the National Museum has through our Curator's generosity been sent to Washington, our second Jubilee project.

We regret to report that Kettle Creek Chapter, of Washington, was officially disbanded in January.

It has been my happy privilege to attend all National Board meetings, to visit twenty-five Chapters, to attend five unveilings of markers. Several invitations to visit Chapters had to be declined because of previous engagements, which was a keen disappointment to your Regent.

My sincere thanks to each of you, for your part in the splendid work accomplished during the year. The lovely Chapter Year Books are deeply appreciated. It is my hope that my services have in some small measure been worthy of your faith and confidence in me.

"Let us remember that in union there is strength, and unless we stand together, upholding our priceless heritage, abiding by our Constitution, and having as our main object patriotism—we will not succeed."

STATE FIRST VICE-REGENT

Mrs. Stewart Colley

With such an efficient State Regent as Mrs. Mell, there has been very little for the First Vice-Regent to do.

It has been my privilege, however, to represent the State D. A. R. on several important occasions, because of the unavoidable absence of the State Regent.

As State First Vice-Regent, I stand ready at all times to do whatever I can for the State and National D. A. R.

STATE SECOND VICE-REGENT

Mrs. Ober D. Warthen

With such efficient and enthusiastic officers as our honored State Regent and Vice-Regent there has been no need for a "second vice."

It has been a privilege, however, to be a member of the Executive Board and to attend its meetings in Atlanta in October and here in Griffin.

It was my privilege to be a guest speaker at the New Jersey State Meeting, Orange, New Jersey, in October and to attend the many meetings and social functions of the Golden Jubilee meeting in Washington.

I deeply regretted that I could not accept all the Chapter invitations that came to me but it was an honor to speak to the John Laurens Chapter in Dublin, the Lyman Hall Chapter in Waycross, the Governor David Emanuel Chapter in Swainsboro, and the Nathaniel Macon Chapter in Macon.

I shall do my best to serve you in Washington as Chairman of the Georgia Dinner at the Mayflower Hotel on the evening of April 15, and will continue to hold myself in readiness to serve whenever needed.

STATE CHAPLAIN

Mrs. James B. Key

Your Chaplain attended the Executive Board Meeting of the Georgia D. A. R. in Atlanta on October 25, 1940, and conducted the opening devotional exercises.

Eighty-five letters were written to the 85 Chapter Chaplains at the beginning of the year's work, outlining the requests of the Chaplain General of the N. S. D. A. R., and the State Chaplain's plans for the year. Eighteen letters of sympathy have been written to the families of our deceased members and 38 concerning matters pertaining to our work; 141 letters in all.

Twenty-nine deaths have been reported during the year, 11 of them too late to send letters of sympathy to the families.

It will be interesting to you to know that 27 Chapter Chaplains reported on Church Membership, as requested by our Chaplain General; these Chapters represent 1,122 members of our Organization, and out of that number only seven were non-church members. The several denominations and sects were represented in the following proportions:

Methodists	436	Lutherans	9
Episcopalians	98	A. R. Presbyterians	1
Catholics	14	Presbyterians	177
Primitive Baptists	2	Christian Scientists	3
Baptists	340	Seventh Day Adventists....	1
Christians	33	Jewish	1

Your Chaplain was invited to attend an assembly meeting at the Spencer High School (colored) of Columbus, and addressed the pupils on the subject of Christian Citizenship, February 17, 1941. She is a member of the Salvation Army Advisory Board, the Educational Committee of the WPA Advisory Board and the Executive Board of the Community Settlement House; she tries always in her heart and life to remember that she represents this Organization in the realm of the spiritual, and to throw all of her influence on the side of God and right.

STATE RECORDING SECRETARY

STATE AUDITOR

Mrs. J. W. Oglesby, Jr.

Madam Regent and Members of the Forty-third State Conference:

Your State Treasurer has presented to you a report prepared from her books and records by the firm of Osborn & Stribling, Certified Public Accountants of Atlanta, Georgia.

It is a pleasure to call to your special attention the statement in the audit report which states that our Treasurer has been diligent in her duties and has kept satisfactory accounting records. In this connection, your Auditor wishes to commend Mrs. Yarbrough and in my opinion, she deserves the sincere appreciation of the Georgia Society of the Daughters of the American Revolution.

STATE CONSULTING ORGANIZING SECRETARY

Mrs. Edgar J. Oliver

Immediately after being elected to the office of State Consulting Secretary, I attempted to organize D. A. R. Chapters in three Georgia towns where none exist, but so far without success. However, there are interested women in these towns and the seed that has been sown may yet bear fruit.

It will be my pleasure to continue this work, and I hope before this administration closes to report the addition of one or more Chapters to the roster of the Daughters of the American Revolution in Georgia.

STATE LIBRARIAN

Mrs. E. Blount Freeman

It is with gratification and pride that your State Librarian presents the record of excellent library work done by the Georgia Chapters. Not only has this won recognition in the state but at National Headquarters as well. Commenting upon library work in Georgia, Mrs. Walsh, librarian in charge of Library of the N. S. D. A. R., wrote on November 16, 1940: "It is actually startling to watch the progress of library work in Georgia. The value of the Georgia collection has been enhanced greatly by this fine work." And again, on November 30, 1940: "It is splendid to see the Georgia collection grow to the extent that we have to move the books to make room for our newly acquired accessions." The splendid record was made possible by the enthusiastic cooperation of the Georgia Chapters. The old book stores in Georgia rendered valuable assistance in locating many rare and out-of-print books.

Soon after taking over the duties of this office, the 1940-1941 "State Historical Program for Georgia Chapters" was published, the subject assigned for the December meeting being: "The Library of the National Society D. A. R." Your State Librarian compiled and had printed a lengthy article, from information furnished by the Librarian, Mrs. Walsh; distributed copies among the 85 Georgia Chapters, also furnished copies to several large libraries for reference.

Included in the instructions sent from National D. A. R. Headquarters was a list of twelve "wanted books" for the Georgia collection. Many of these books had been on this "wanted list" for years, and it is a happy privilege to be able to report that by Jan-

uary 10, 1941, every book on the "wanted list" had been sent to the Library. Nineteen additional volumes have also been donated, making the total number of books added to the Georgia collection since October 1, 1940, thirty-one, value \$150.00. Special emphasis has been placed upon securing all published Georgia county histories. Ten of these have been donated and the Georgia collection in the National D. A. R. Library now contains every published Georgia county history—with only one exception, "The History of Colquitt County," by W. A. Covington.

Since it is only because of the fine work of a Junior Group member that it is possible to report: "All books on the 'wanted list' sent to the Library," this is worthy of special mention. Two books on the "wanted list," "Howell Genealogy," and "Callaway Baptist Preachers, 1789-1882," were privately printed, were distributed only among the members of these families, and no copies are available from any source. Copies of these books were borrowed and Mrs. A. Coleman, member of the Junior Group, John Laurens Chapter, Dublin, beautifully typed three full copies of both books. These were bound in book form and presented—one, to the National D. A. R. Library; another, to the McCall Genealogical Library, in the Department of Georgia History and Archives, Atlanta; the third, to the D. A. R. Chapter in Dublin.

In response to an appeal from the Librarian General, Mrs. Sisson, for local genealogical records, your State Librarian has personally compiled the following records from the office of the Ordinary of Laurens County:

Early Wills of Laurens County, 1809-1865—145.

Early Marriages of Laurens County, 1809-1855—1,200.

Laurens County Land Lottery List for 1819—569 names.

Laurens County Revolutionary Soldiers—65 records.

Nine family histories were also compiled. Copies of all the above were sent to the Library, N. S. D. A. R., the McCall Genealogical Library and to the D. A. R. Library in Dublin. Mrs. Howard McCall had the copies sent her beautifully bound in book form, and it was a distinct pleasure to present this book to the Georgia D. A. R. at the Forty-third Annual State Conference.

Georgia's most recent Golden Jubilee gift to the National D. A. R. Library is a handsome edition of "The Story of Georgia," in four large volumes, by the late Walter G. Cooper. Ten of our Georgia Chapters, whose names appear below, combined in making this valuable contribution to the Georgia Section in the N. S. D. A. R. Library.

In addition to their outstanding National Library work Georgia Chapters have done excellent work along other lines. Chapter libraries have been maintained and increased; 115 books (reported added to Chapter libraries; 934 books sent to the American Merchant Marine Library; 5 books added to the State Traveling Genealogical Library; 3 books and 18 magazines (reported) sent to Tamassee. Of the 85 Georgia Chapters, 5 now have Chapter Librarians—an increase of 55 since last year. Honorable mention goes to the Mary Hammond Washington Chapter, of Macon, the Elijah Clarke Chapter, Athens, and the Joseph Habersham Chapter, Atlanta, for outstanding library work for their local Chapters; to the John Laurens Chapter, Dublin, for National library work, having donated 8 books to the N. S. D. A. R. Library.

Listed below, in the order in which they were received, with notation as to the Chapters donating them, are the volumes added to

the Georgia collection in the N. S. D. A. R. Library since October 1, 1940:

STATE HISTORIAN

Mrs. Frank Harrold

As State Historian, I have the honor to submit the following report.

The purpose of our historical work is to keep alive the spirit of the past. History is to a people what memory is to the individual.

Let no Historian take her duties lightly. Let no Chapter fail to give every possible aid to the promotion of the work of the Committee on Historical Research. Every phase of the work of the Daughters of the American Revolution is intertwined with the work of this Committee and either profits or suffers, according to the treatment of the Department of History.

Since the completion of the new Historical Archives and Documents Room, there has been an awakening and concern among historians for the rescue of such material as may have escaped destruction in the old home attic, the gathering of diaries and account books and private letters of the Revolutionary Period.

At the request of the Reporter General to the Smithsonian Institution, a list of 18 graves of soldiers of the American Revolution,

with name, birth, death, cemetery and record of service given, was sent by your Historian in October 1940.

The brochure method of setting forth the historical work to the Chapters is most satisfactory and the 14 point program, as outlined by the Historian General, has been closely followed.

Especially would we commend those Chapters which have observed many of the ideas of this 14 point program 100 per cent, such as celebrating Patriotic Holidays, following Historical Programs, presenting medals and prizes and cooperating with Patriotic Societies and Federal Aid Projects of historical nature.

The Chapters, as a whole, celebrated the founding of the National Society Daughters of the American Revolution and studied its history.

Eight Revolutionary Soldiers' graves were marked as follows: Tomochichi Chapter, Clarkesville, one grave, William Scarritt; Roanoke Chapter, Lumpkin, one grave, Prescott Bush, Poplar Springs, Webster County; Bainbridge Chapter, Bainbridge, one grave located; Nathaniel Abney Chapter, Fitzgerald, one grave, Joseph Williams, Jr., Block House, Telfair County; Captain John Wilson Chapter, Thomson, one grave, Captain Hugh Reese, Maddox Creek, McDuffie County; John Houston Chapter, Thomaston, two graves.

Nine government markers were secured. Two graves of Real Daughters marked—one by Oothcaloga Chapter, Adairsville, and the other by Nathaniel Macon Chapter, Macon; John Laurens Chapter, Dublin, reports locating one grave of wife of Revolutionary soldier. Graves of six lay members marked.

As many as 26 pageants, plays and exhibits were given and 31 sketches and plays were written by members of the Daughters of the American Revolution.

The radio is becoming more and more a medium of disseminating history, and this year Chapters sponsored 30 historical programs over the radio. Five special historical slides and films were used; two lecture slides.

Historical Scrap Books are now considered a vital part of the work of the Daughters of the American Revolution, and it is with pleasure that your Historian reports an increased interest in this work, as thirty Scrap Books were kept this year.

Reports show that 24 historical articles were sent to the Historian General; three Chapters own and maintain historic homes; 199 Bible records received; \$102.50 was contributed to new Document Room; 104 prizes were awarded and money to the amount of \$171.00 was given for trophies and awards; 1,038 Tombstone records from 46 cemeteries.

Twelve Historic Spots and Trails were located and marked. On June 16, 1940, the General James Jackson Chapter, Valdosta, dedicated a marker at the cemetery at old Troupeville. The program was in charge of the Committee on Marking Historic Spots, Mrs. T. A. Baker, Chairman. This sacred spot has been beautified by the efforts of the Committee and much publicity was given the event.

Nathaniel Abney Chapter, Fitzgerald, located site of first court in Irwin County; Oliver Morton Chapter, Gray, marked Old Clinton, formerly county site of Jones County; Fort Early Chapter, Lumpkin, marked Moccasin Gap; John Clarke Chapter, Social Circle, marked Hightower Trail, July 24, 1940; Peter Early Chapter, Blakely, marked DeSoto Trail.

John Houston Chapter, Thomaston, reports five historic spots located and markers approved by the Division of State Parks have been ordered to be placed as follows: Upson County, Tustenugge Emathla Indian Reservation; Talbot County, Joseph Marshall Indian

Reservation; Crawford County, Fort Laurence, Francisville (a dead town); Federal Wire Road.

Historic Spots were publicized by the Stephen Heard Chapter, Elberton, in the State Highway maps; by Henry Walton Chapter, Madison, in varied newspaper articles and National Magazine; by William McIntosh Chapter, Jackson, in the publication of the History of their Chapter in weekly newspaper; by Nathaniel Macon Chapter, Macon, in distributing Commemorative stamp at Block House.

Rare documents or original manuscripts sent to Washington were reported by Stephen Heard Chapter, Elberton, and were four old deeds and three copies of records from Family Bibles, one copy of family tree dating back to 1680.

Books and pamphlets sent to Historian General were as follows: Sergeant Newton Chapter, Covington, sent a pamphlet on Strickland families; Button Gwinnett Chapter, Columbus, sent pamphlet on Evanson Strickland families; William McIntosh Chapter, Jackson, sent Sketches of George Mathews, Mulberry Grove, Wormsloe and Origin of Christmas; Governor John Milledge Chapter, Dalton, sent Whitfield County History; John Benning Chapter, Moultrie, sent two histories of Colquitt County, one Judge Covington's L. G. H., one article by Mrs. J. T. Coyle.

Other articles sent to Historian General were: John Lauren's Chapter, Dublin, History of Lauens Counrty; Savannah Chapter, Savannah, sent one book, the History of the Moon Library; Baron DeKalb Chapter, Decatur, sent Story of Georgia and two papers on Antiques; Nancy Hart Chapter, Milledgeville, sent Short History of every Revolutionary soldier whose graves the Chapter marked, compiled by Mrs. L. J. Beeson; Toccoa Chapter, Toccoa, sent Toccoa Chapter History; Stephen Heard Chapter, Elberton, sent Elbert County History; William McIntosh Chapter, Jackson, sent five pamphlets to Filing and Lending Bureau.

The following Chapters are to be commended for special work along historical lines: General Daniel Stewart, Perry, copied 100 marriage licenses from January, 1829 to 1834; Sergeant Newton, Covington, sent 17 Bible records and three cemetery records; William McIntosh, Jackson, sent four documents; also three copies of records from Family Bibles, a copy of Sturges Family Tree, dating back to 1680, original in possession of J. Sturges Jones, 865 Penn Avenue, Atlanta; copy of page from records in Evans Family Bible, property of Mrs. C. B. Roberts, Decatur; page from records in Jones Family Bible, property of Mrs. Cooper D. Winn, Macon. This Chapter sent 28 Bible records. Principal work of Mary Hammond Washington Chapter, Macon, is maintaining the Historical and Genealogical Department of Washington Memorial Library. For this purpose \$100.00 is allocated each year.

Fifty family records copied from Bibles and many other groups, assembled by Mrs. Henry Mashburn, Regent, General David Blackshear Chapter, Rochelle.

Mrs. Smith Gilmer, Regent, Mrs. Luther Isbell, Chairman, Toccoa Chapter, Toccoa, sent in 112 Certified Bible records and 1,033 tombstone records from 41 cemeteries.

John Houston Chapter, Thomaston, Mrs. E. T. Nottingham, Regent, reports: "Historical Research has been a major project of John Houston Chapter this year. Have copied and sent to State Chairman, 5 cemetery records from Culloden, Georgia; 32 marriage records and 61 wills of Crawford County, also index of 590 wills and administration records of Crawford County; 12 wills and 66 marriage records from Upson County."

Stephen Heard Chapter, Elberton, reports location of grave of

Revolutionary heroine, "Nancy Hart," in Henderson, Kentucky. Historians had failed to do this. Location was made public by Edna Arnold Copeland in Historical Magazine and newspapers. William McIntosh Chapter, Jackson, compiled names of residents in Albemarle County, Virginia, from an old ledger, dating back to 1821. Members of Chapter spent 18 hours in historical research in Carnegie Library.

Following Chapters sponsored historical exhibits or took part in parades: Nancy Hart, Milledgeville; Stephen Heard, Elberton; Fort Earle, Cordele; John Benning, Moultrie; Lyman Hall, Waycross.

Chapters presenting plays and pageants were: Stephen Heard, Elberton; John Benning, Moultrie; Baron DeKalb, Decatur; Nancy Hart, Milledgeville; Throneateska, Albany; General James Jackson, Valdosta; Atlanta Chapter, Atlanta.

Cordial invitations have come to your Historian and each carried its special message of appreciation.

Year Books sent by many Chapters were received and were read with much interest and pleasure.

STATE CONSULTING REGISTRAR

Mrs. Quillian Garrett

A definite effort has been made to complete and maintain the card index file of the state membership of the Georgia Society, Daughters of the American Revolution, which was started three years ago. In July, a letter was sent to each of the Regents of the sixteen Chapters that had not sent the card index files of their Chapters at the close of the year 1939-1940. Another letter with full information was sent in January, 1941. The Registrar appreciates the cooperation of the Chapters listed below in sending their card files: Adam Brinson, Bonaventure, McRae, Newnan, Thomasville, and Vidalia. Kettle Creek, Washington, having been officially disbanded, there remain nine to send in cards to complete the state file. Many other Chapter Registrars continue to send lists of names. In order that present officers may be fully informed of this improved method of filing as suggested by the Registrar General, letters and specimen cards were mailed to each Regent and Registrar of the Georgia Society before the State Conference. This information is to be passed to incoming Regents and Registrars so that the state file may be kept up to date.

It has been a disappointment not to be able to give all information wanted for completing lines. The library of the State Consulting Registrar has only 69 of the 166 lineage books published by the National Society. It is hoped that provision can be made to secure the remaining volumes at the special offers being made from time to time. A copy of "Roster of Revolutionary Soldiers of Georgia," compiled by Mrs. Howard H. McCall as the Golden Jubilee Project of the State Society, has been added to the library of the State Consulting Registrar.

Your Membership Chairman submits the following report: From March 1, 1940, to March 1, 1941—Admitted, 221; reinstated, 39; resigned, 105; dropped, 26; deceased, 48.

STATE CURATOR

Mrs. Robert G. Hunt

In May, 1940, I presented to Rhodes Memorial Museum 48 small articles of the Revolutionary period. They consisted of silver, brass,

copper, glass, china, jewelry, land grants, etc. Mrs. James Hays receipted for them and being at a loss where to put so many things, she obtained a cabinet for them, and they can be seen there. Seventeen articles were sent in June to our National D. A. R. Museum, which were accepted by our Curator General. They consisted of the following:

Twelve volumes of Early English poems, published in America in 1822. Given as a memorial to Hepsie Sims Ellis Drake through Pulaski Chapter by Cynthia E. Jones. One silver snuff box made in France in 1790 and brought to America later. Given by Robert G. Hunt. One pewter snuff box and one hand made snuff box made of wood—both from 1760 to 1775, and given by Annie Randall Stewart in memory of her great, great grandmother Sweet. One paper-mache snuff box given by Mary Bell Rhea in memory of her great grandmother, Mary Bell. One silver dollar made in United States, 1795, given by your Curator.

In August a letter was sent out to each Chapter in Georgia urging you to contribute to a cabinet to be placed in our National D. A. R. Museum, also asking for relics of the Revolutionary Period, 1776-1830.

In September a lovely old tea caddy and a beautiful Alcock jug with white background, raised lavender figures and a pewter lid were presented to the National Museum by me. Also, a gift of \$15.00 to the Museum Fund was sent to Mrs. Willard Steele, Curator General, to purchase a piece of Anglo-American China with scene of Savannah Bank on one side and the Charleston Exchange on the other. This was displayed in the scene depicted at the Golden Jubilee.

A mahogany cabinet was given by Mrs. William L. McDougall through the Junior Group—Joseph Habersham Chapter to Rhodes Memorial Museum. In October your Curator had the pleasure of giving an illustrated talk to this group and on November 1, she attended a most educational and exquisite antique exhibition given by the Junior Group at the home of Mrs. William McDougall.

Having prepared an article on antiques and suitable articles for Museums, your Curator was advised to have it printed. It was sold for 50 cents per copy and netted over \$100.00 toward our Cabinet Fund.

At the October Board Meeting, it was decided that the Georgia Cabinet to be placed in National Museum was to be given in honor of our State Regent, Mrs. Thomas Coke Mell. Another letter was sent out by me to each and every Georgia Chapter and many of the booklets were mailed to them to be sold for the fund. The last of October we had the pleasure of presenting an elegant memorial to Birdie Little Kimbrough, who was one of the first teachers in Georgia State College for Women. It consisted of two canary Sevres Urns made in France in 1779 and brought to this country after the Revolution. They were given by her family and presented to the Baldwin County G. S. C. W. Club for the old Mansion in Milledgeville. As always, the Nancy Hart Chapter and Dr. and Mrs. Guy Wells received and entertained the guests most graciously.

The next gift was to the National Museum, given at the request of your Curator by Mrs. Fanny Walton Vason in memory of her sister, Richmond Walton McCurry through Madison Chapter. It consisted of an old clear glass blown decanter.

In January our State Editor, Mrs. J. H. Nicholson, asked for an article from me to be published in the Atlanta Constitution. In it I endeavored to stress the importance of preserving our Revolutionary relics for generations yet unborn.

Mrs. E. Blount Freeman kindly sent me a most valuable in-

denture made in 1781 but unfortunately it had to be placed in the Archives Room of the National Museum, where all such material is housed.

January 23 I wrote an article for the Griffin News about a most interesting and historical Memorial to Mrs. Lizzie Hill Bailey of Griffin, who was the state's first National Officer in D. A. R. She was Vice-President General in 1893. The memorial was given by her cousin and heir, Miss Larry Goodrich of Griffin. It consists of a Wedgewood Waffle Plate, which was inherited by Mr. David Sterling Forbes, of Fredericksburg, Virginia. It had once belonged to Mildred Washington, of Wakefield, who married Francis Thornton, of Falls Hill, near Fredericksburg. The plate has a pewter bottom for hot water.

The Walton family gave a rare old walking stick through the Henry Walton Chapter in honor of Mrs. Richmond Walton McCurry.

Mrs. J. L. Beeson presented a beautiful bronze Napoleonic medal to her Regent, who presented it through President Guy H. Wells, to the College Museum.

Money contributed to the State Cabinet in honor of Mrs. Mell amounted to \$335.00. Thirty-six Chapters contributed to this and ten of the Chapters have Curators. Your State Curator completed this amount with \$194.55. Since Conference \$6.05 has been received by the State Treasurer for the cabinet.

We have recently presented in Milledgeville to the Baldwin County G. S. C. W. Club, a Dulcimer given in memory of Miss Mildred Lewis Rutherford, Historian General, U. D. C., an old Cathedral chair (1825 ca) in honor of our distinguished citizen, Mrs. Howard H. McCall (Ettie Tidwell McCall), and a brass warming pan in memory of Rebecca Latimer Felton, our first woman U. S. Senator.

Lastly, but not least, I had the honor of presenting to the old Mansion, through Pulaski Chapter of Griffin, a gift to honor our State Regent, Mrs. Thomas Coke Mell, who is filling her office most efficiently and whose splendid work will be long remembered. Georgia Daughters of the American Revolution are proud to claim and to honor such noble women.

In conclusion, may I urge that you give me your support so that we may accomplish even more in the future. We are helping to make history and helping to preserve it.

STATE EDITOR

Mrs. James Harold Nicholson

As your State Editor, I have been given the opportunity, each week, of having contact with members of the Georgia Society D. A. R. It has been a rare treat and a genuine joy to receive your reports and to give them to the public in our Sunday column of the Constitution. The work has made me more keenly aware of the worthwhile activities of the Chapters, more cognizant of our high aims and appreciative of the reverence we hold for our country's traditions and standards.

It has been a pleasure to serve as State Editor for the past nine months. I reported the National Congress last April and State Board meeting in Atlanta in October. Messages from our State Regent, State Officers, State Chairmen, reports of Chapters' activities and articles on all patriotic anniversaries have been presented through our columns. Dedication exercises and National D. A. R. work have also been given publicity. I have written several articles on subjects relevant to our Society's interest.

Our State Regent, Mrs. Thomas Coke Mell, has been most helpful and given splendid suggestions. I am indebted to our efficient Assistant State Editor, Mrs. Joel A. Wier, for her cooperation and help. She edited our column for three months and her work deserves much praise. We are deeply indebted to Miss Yolande Gwin and the Society Department of the Constitution for many courtesies they have constantly shown us and for space given us in the paper each Sunday, and at other times. I suggest a letter be written to Miss Gwin, by our Corresponding Secretary, expressing our grateful appreciation for her gracious assistance.

I look back on a year of congenial and constructive work, and look forward to a year of greater achievements, accomplished through cooperation of each of my dear friends, the Georgia Daughters of the American Revolution.

All material mailed to me was filed and turned over to a committee whom I asked to help me decide on Chapters most deserving State Editor's Award and May Phillips Mims Trophy. The material was carefully read and studied.

For the most outstanding article published in D. A. R. column of Atlanta Constitution, State Editor's Award is presented to the Nancy Hart Chapter of Milledgeville, for a splendid article concisely written, highlighting a party given by that Chapter to the Junior Membership Group, the C. A. R. and the Girl Scouts and an interesting, comprehensive review of monthly business meeting telling of Chapter activities. Regent, Mrs. William M. Miller; Reporter, Mrs. Homer M. O'Callaghan.

For the May Phillips Mims Trophy, awarded the Chapter sending the best material for D. A. R. column in Atlanta Constitution, the Committee considered only those Chapters, who each month sent a report and adjudged the Chapter recipient of this award, who sent the best articles stressing the most important features of the programs and business, written in an interesting manner and most acceptable for publication, well typed, double-spaced and of uniform length. This trophy is presented to the Hawkinsville Chapter, of Hawkinsville. Regent, Mrs. L. C. Ragan; Reporter, Miss Emma Caldwell.

STATE ASSISTANT EDITOR

Mrs. Joel A. Wier

It was my privilege and pleasure to carry the D. A. R. column in the Atlanta Constitution for three months or more last summer and I would extend thanks to Miss Gwin for her splendid cooperation, also to the State and National Officers and Chairmen who responded so readily with information concerning their work. There being few meetings to report I tried to bring the work of our National Committees of the Society before the members and the reading public and from remarks heard I think this really meant something to the individual members who do not have all the information and literature that comes to Regents and Officers.

COMMITTEE REPORTS

NATIONAL COMMITTEES

ADVANCEMENT OF AMERICAN MUSIC

Mrs. Lovick P. Longino

In September a letter with the program given by the National Chairman of Advancement of American Music, was sent to each of the 85 Chapter Regents. Forty-nine Chapters responded. Forty-five Chapter Chairmen reported some phase of American Music during the year. Twenty-five Chapters gave two or more programs on American women composers. Fourteen Chapters had programs of D. A. R. composers. Five Chapters reported programs of Georgia women composers. Twenty-two Chapters reported American music at each meeting.

The Lyman Hall, Chapter, Waycross; William Marsh Chapter, LaFayette; Nathaniel Macon Chapter, Macon; Nancy Hart Chapter, Milledgeville; Stephen Heard Chapter, Elberton; Richard Dale Chapter, Albany; Joseph Habersham Chapter, Atlanta; Nathaniel Abney Chapter, Fitzgerald; Augusta Chapter, Augusta, presented programs of outstanding merit.

AMERICANISM

Mrs. James W. Osborne

"Americanism is an unflinching love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the Flag; and a desire to secure the blessings of liberty to ourselves and posterity."

This definition of Americanism is what your State Chairman has tried to place before the youth of our state. It is only by the proper education of these, our future citizens, that our nation is to be made safe.

In the Fall a letter was sent to each Chapter urging it to work with the schools in order to contact all the children and the youth of our state. In February, a questionnaire received from our National Chairman, was mailed to each of the 85 Chapters. Thirty-one have reported the work done.

As there are very few foreigners in Georgia, not much has been done in that line. Three Chapters have reported on this work.

Especially good work has been done in promoting the welfare of the Negro youth. Four Girl Homemakers and four Junior American Citizens Clubs have been organized; magazines, books, clothes, and 169 United States Flags have been given to the schools; one High School library has been started.

Among the white schools the following has been done: Forty-two medals for history and citizenship, one saber to outstanding R. O. T. C.; 800 American posters; books, magazines, milk, lunches; playgrounds and recreation centers started.

All teachers, many of them members of the D. A. R., had charge of the Registration Day.

Four Chapters honored the young voters and gave Manuals to each new citizen.

Boxes have been sent to Ellis Island, also to the marines at New Orleans. Splendid work has been done through the Red Cross for the refugees.

The work has been carried on in many interesting ways. I wish to thank the 31 Chapters who have so heartily responded to this great work.

The total expenditure for the year is \$1,426.00.

APPROVED SCHOOLS

Sue Reid Vason

Madam Regent, Daughters of the American Revolution, I take great pleasure and pride in giving you the following report on the work of Approved Schools for the year.

In November letters were written to all Chapters calling especial attention to the need of an adequate heating plant at Kate Duncan Smith School, with a suggestion from our National Chairman that if each D. A. R. member would contribute the small amount of 5 cents an adequate heating system could be provided. I am glad to report that the suggestion has met with generous response.

In February questionnaire cards were sent to the Chapters in regard to contributions and work in connection with Approved Schools. The following report has been compiled from these questionnaires:

Twenty-nine Chapters had Approved Schools programs; 64 Chapters had included Approved Schools in their budgets; three Chapters had shown motion pictures of Approved Schools; five Chapters had speakers from Approved Schools; two Chapters gave boxes to Tamassee valued at \$118.00; a total amount of \$67.12 was contributed by Chapters to the Kate Duncan Smith heating plant; gifts, books and magazines had been sent to the schools by different Chapters; one Chapter gave two scholarships to Tamassee of \$100.00 each.

The state gave a scholarship of \$100.00 to Tamassee. A total amount of \$1,101.52 was contributed to Approved Schools for the year.

Probably the most outstanding work of the year was accomplished by the John Houston Chapter, of Thomaston. It was this Chapter that gave the two scholarships of \$100.00 to Tamassee. This Chapter met the 5 cents per capita, honor roll requirement, gave the 5 cents per capita for the Kate Duncan Smith heating plant, sent Christmas gifts, valued at \$11.00, to the girls in the Georgia Room at Tamassee, and sent \$10.00 for Santa Claus at Tamassee. Mrs. Harrison Hightower, Vice-President General, gave \$500.00 toward the new high school building at Tamassee.

Since the work of Approved Schools was first sponsored by the D. A. R. in 1932, there has been a growing interest in the development of the schools and in work for them, for we realize that there is no work from which we can receive greater returns—living returns in the coming generation.

Today we should be especially interested and diligent in advancing the education of our young people, for the safety, sanity and defense of our country is in the eager hands of youth. From all walks of life, from the cities, the factories, the fields and the mountains they come marching on to take over the destiny of this country which is ours and theirs. It is they who will take over our government. It is they who will hold high our Flag. It is to them

we turn in this critical time of world upheaval for our defense. And especially should we extend a helping hand to these mountain children of pure American descent, who could not have advantages unaided. It is to our youth that we look for the future of our country. It is to us that they look to help prepare them for the gigantic task which is theirs, in order that they might more wisely and competently carry on, preserving the traditions and defending the liberty of this Land of the Free and Home of the Brave.

CONSERVATION

Mrs. Robert H. Humphrey

Georgia Daughters of the American Revolution have shown a very great interest in all phases of Conservation. Most Chapters reporting had a program on Conservation. Girl and Boy Scout Troops have been sponsored. All Chapters report work for Red Cross, Polio Drive work and sold T. B. Seals. Many Chapters have aided in school lunch rooms for underprivileged children, and have worked in other civic organizations.

Eight thousand two hundred and sixty-one shrubs have been planted, 15,206 bulbs, 26,514 trees, and 231,650 pine trees have been planted.

Twenty Becker boys and girls were reported; \$3,150.00 was reported for human conservation, and \$235.00 for civic work, making a total of \$3,385.00 for all work done.

SUB-COMMITTEE ON AMERICAN INDIANS

Mrs. William Howard Perkinson

Only two Chapters reported to me work done; feel sure that many others are interested.

Baron DeKalb Chapter, Decatur, have had Indian music on their programs and are planning next year to increase their knowledge of the American Indian.

Oglethorpe Chapter, Columbus, gave \$2.00 to Bacone College. Had talk on "American Indians" by Mrs. John Murrah, at March meeting.

CORRECT USE OF THE FLAG

Mrs. John M. Slaton

Thirty-six Chapters have sent in reports. Of these, 28 have Flag Chairmen. These Chapters have placed 59 Flag Manuals within their own membership, and three Chapters report having placed Manuals in schools, libraries and Y. M. C. A. buildings during the past year. Also a total of 183 Flag Codes distributed. One presented 10 framed Codes to schools, white and colored. Four Chapters distributed Flag leaflets, 114.

A number of small Flags were presented in three cities, and the three Columbus Chapters gave 500 Flags to a Government residence project for colored people, to be used in a program for National Defense.

Five Chapters presented one large Flag each to a public building or organization. Manuals placed in schools and public libraries by 10 of our groups. Talks on the Flag at meetings, 21. Papers, 11. Formal addresses, special occasions, 4. Talks by request to civic organizations, 2. Radio, 5. One Chapter reports as a special drill,

a school contest paper on the American Flag. Four others had papers on the National Emblem, at a regular meeting. Talks printed in local newspapers, 3. Twenty-one Chapters have signified their observance of Flag Day, all with special programs.

May we not hope that all had a meeting and program on that day, June 14, and will continue to celebrate it.

Articles were printed in local papers, on our subject, in five cities. One Chapter sponsored a Flag Pageant. Chapters in Savannah, Atlanta and Toccoa report important work among the foreign born. Education in Correct Use of Flag, and Americanism are especially emphasized; sometimes Flag Leaflets, and always Manuals presented at Naturalization Courts.

One Chapter reports that in February it presented Flag Codes to a school, and special lessons on the Flag were given, and the school children made both American and Georgia Flags.

Eleven Chapters report the use of the National Anthem at all meetings. All Regents and Flag Chairmen know the Pledge of Allegiance to the Flag, can lead the Salute properly. The majority use it at each meeting.

Questions of Flag etiquette have arisen in four Chapters. Three have reported corrections made.

The number of Flags owned by membership varies from 10 per cent to 100 per cent. The percentage in eight Chapters is 100.

Flags should be kept clean or replaced.

Chapter Chairmen are suggesting greater reverence, silence in standing at attention, always the ungloved right hand, and care in use and correct display of the colors.

We, the Daughters of the American Revolution, dedicate the American Flag to God, and place it in His keeping, with a prayer that this Nation may grow in faith, strength, courage and enlightenment, and become worthy of His loving care.

GOOD CITIZENSHIP PILGRIMAGE

Mrs. James Thornton Nuckolls

Letters from the State Chairman and National Chairman were sent to each Chapter telling them of the qualifications necessary for the Good Citizenship Pilgrimage Contest. Only 30 Chapters responded.

I wish very much that each Chapter would try another year to contact all high schools nearby where there are not any other D. A. R. Chapters, to sponsor this contest. Several Chapters are doing this now and creating a good deal of interest.

On February 6, the three Columbus Chapters had Mrs. William Harrison Hightower as their guest, at which time she drew the name of **Miss Margene Benfield**, of Tallulah Falls, as Georgia's Good Citizen, from a list of 70 girls. She will be introduced to the Georgia Daughters in Griffin on March 26.

I regret that some names were not sent to me on time. Certificates of award will be mailed to each girl whose name was selected by her school as its Good Citizen and sent in to me before my report had to be sent to the National Chairman.

D. A. R. MANUAL FOR CITIZENSHIP

Mrs. P. L. Hay

We have had a greater opportunity to place the D. A. R. Manuals for Citizenship before the aliens of our country during the period

of registration required by the Government than ever before. Many other places have been found to place them where they can be very helpful to our youth.

Early in September letters were sent to the Chapters suggesting they place these Manuals on registration desks or give them out to registrants. Several Chapters responded at once.

Fifty-seven Chapters paid 10 cents per capita and \$236.74 was sent to the National Society by our Treasurer.

Your Chairman ordered 530 Manuals and sent them all out to Chapters requesting them. They have been used in the following ways: Alien Registrants, Naturalization Courts, Schools and Public Libraries, Draftees, CCC Camps, Y. M. C. A. Building, Office where application forms for naturalization papers are secured.

Officer in charge of this office expressed a great need for just such a booklet and much appreciation for them, and requested some be left in his office.

One Chapter reported draftees expressed appreciation for Manuals and others requested one.

Only a small number of Chapters sent in final reports so this may be added to later; however, this shows greater interest shown by the Daughters and a larger number of Manuals distributed than before.

D. A. R. MUSEUM

Mrs. Robert G. Hunt

See report of State Curator, page 50.

D. A. R. STUDENT LOAN FUND

Mrs. W. F. Dykes

It has been my happy privilege to serve you as State Chairman of the Student Loan Fund Committee.

Through the resolutions presented at the 1940 Conference by the former Chairman, Mrs. Howard McCall, and passed; your former State Regent, Mrs. William Harrison Hightower, was enabled to place three funds, on a sound business basis, with the Regents of the University System of Georgia; the May Erwin Talmadge Fund (the original D. A. R. Fund started in 1917) was placed at the University of Georgia; the Fannie Trammell Memorial Fund at the State College for Women at Milledgeville; and the Claude Davis Ingram Fund at the State Woman's College at Valdosta.

These funds, together with the World War Memorial Fund placed in 1920 at the University of Georgia, will continue to serve the boys and girls of our state. Your State Regent, Mrs. Thomas C. Mell, was enabled through a resolution passed at the State Conference, to impress upon the students whose loans were past due, the necessity of redeeming these loans in order that more students could be aided. The payment of many loans added materially to the funds. The fortunate sale of the \$1,000.00 Laundry bond also increased one of the funds. Then all loans were turned over to the Regents and all collections in the future will be made by them, and collections when made will be added to the funds. These three funds, together with the World War Memorial Fund, are now completed.

The Chapters in the state have just cause to be proud of their educational work, that Georgia was the first state in the National Society to have a loan fund for students.

One of the state's Golden Jubilee Projects was the completion of the Sarah Berrien Casey Morgan Memorial Student Loan Fund. Mrs. N. A. Jelks, Chairman of this fund, will give a complete report of it. Mrs. Morgan was a charter member of the National Society, State Regent of Georgia for five years, and served as State Regent, Honorary State Regent and Vice-President General.

You will also have a complete report of the Student Loan Funds of the Chapters from the State Chairman, Mrs. Wright. Miss Hutter, National Chairman, stated that the slogan of the Student Loan Fund Committee was: "Larger funds to aid more students in 1940-1941," as the education of our youth was one of the greatest needs of our country.

Your Chairman is happy to report: Total value of the five Student Loan Funds and the Student Loan Funds of the Chapters is now \$41,562.05, a financial gain this year of \$2,822.63, and a total number of students aided since first fund was established, 416 boys and girls.

ELLIS ISLAND

Mrs. Retta F. Coney

As Chairman for Ellis Island, I am deeply grateful to our Regents, Chairmen and Junior Groups for splendid work enabling me to report as follows:

Fifty-nine Chapters paid their per capita tax; total.....	\$119.56
Twenty-four Chapters sent boxes; total	160.23
Amount given by eight Chapters as "excess".....	41.70
Total amount	\$321.58

A double shift loom was given Ellis Island Hospital by Mary Hammond Washington Chapter, Macon.

Four Chapters held programs for Ellis Island and one a benefit shower. Oglethorpe Chapter, Columbus, has proven to be the outstanding Chapter in this work. Special praise goes also to John Houston Chapter, Thomaston.

FILING AND LENDING BUREAU

Mrs. G. C. Barfield

Letters announcing plans of this Bureau were mailed to all Chapters in the Fall.

Thirty-three papers have been received by this Bureau. The Kathrine Stanley Daniel Trophy, offered for the greatest number of papers of permanent value, has been awarded to the Hawkinsville Chapter, Hawkinsville. Excellent papers have been filed by the Chairman of this Chapter.

To serve as Chairman of this Bureau has been a very great pleasure and privilege, and I wish to thank each and every one whose cooperation has made this splendid report possible.

GENEALOGICAL RECORDS

Mrs. Eli A. Thomas

It is the duty of the Genealogical Record Chairmen, National, State, and Chapter, to have copied and place on file in at least two definite places, information from unpublished sources from which

the present and future generations may compile their family genealogy correctly from proven facts. For this purpose court house records are desired; church records; marriage, birth, and death dates; and from private sources, diaries, letters, and the family genealogy. If each Chapter will diligently supply copies of records in their county from these sources, then there will be built up in the National D. A. R. Library in Washington City a genealogical collection beyond value, that is the national depository. Our state depository is the Georgia D. A. R. Genealogical Collection at Rhodes Memorial Building in Atlanta. There is much work to be done and every Chapter should have a part in it.

As your State Chairman I am specializing in building up the Georgia family genealogical section in the D. A. R. Library in Washington City (and at Rhodes Memorial Hall), so I am asking that individuals purchase the "three generation" charts that also supply space for a full historical record of each ancestor. Fill these out, send them in, then you can feel secure about your family history being permanently preserved.

The following Chapters have reported:

The Thronateeska Chapter, of Albany, sent the will of Gabriel Washburn, of Rutherford County, North Carolina, dated 1826; the will of James Huling of Wilkes County, Georgia, 1816 (he was the grandfather of General Robert Toombs); and a Georgia Land Grant to Joshua Stanford, Sr., a Revolutionary Soldier, 1832.

The Atlanta Chapter contributed from the Regent, Mrs. John W. Rice, the original marriage license of her parents, John L. Meil and Mollie E. Strickland, 1879.

The John Laurens Chapter of Dublin, reported abstracts made of all the wills in the courthouse of Laurens County, from 1807 to 1869; all marriage licenses copied from 1807 to 1855; the Laurens County Land Lottery list copied from 1819 (over 500 names); and the wills of two Revolutionary Soldiers, Moses Guyton of South Carolina, and Joshua Sanders. Copied by the Junior Committee of the Chapter, the genealogy of the Callaway family and of the Howell family. One copy of these records have been sent to the National D. A. R. Library in Washington, D. C., and one copy sent to the Georgia Genealogical Collection at Rhodes Memorial Hall in Atlanta.

The Stephen Heard Chapter, of Elberton, has sent to the National D. A. R. Library in Washington, D. C., the published "History of Elbert County, Georgia," containing a genealogical section.

The Henry Walton Chapter, of Madison, reports: tombstone records copied from eight old obscure cemeteries in Morgan County; tombstone records copied from the Porter cemetery in Greene County; from the Joulain, Johnson, Crum, Massey family, and the Bethany Church cemeteries; and much more copied and held for the History of Morgan County.

The Nancy Hart Chapter, of Milledgeville, has sent two copies of Hancock County Tax Returns for 1795 giving names, lands, and slaves of Hancock County; tax returns for 1802, and tax returns for 1813; a total of 260 pages; also Baldwin County Tax Returns for 1818, 1819, and 1821; also Baldwin County Land Lottery for 1821 (the names of those entitled to draw), 360 pages, seven books. "List of Subscribers to Second American Edition of Nicholson's British Encyclopedia of Dictionary of Arts and Sciences" containing eight typed pages; 1,200 names from 28 early counties. Book publish in 1818. This will be sent to the National and State Genealogical Libraries.

The William McIntosh Chapter, of Jackson, sent copies of the will of Christian Landes, York County, Pennsylvania, date 1782; the will of Charles McKibben, Henry County, Georgia, 1872; the will of John Duffey, Henry County, Georgia, 1851; the will of James Smallwood, Jr., Charles County, Maryland, 1767; and the genealogy of the Duffies family.

The Toccoa Chapter sent an abstract of the will of Thomas Sherriff, Pickens District, South Carolina, dated 1838; abstracts of deeds of Thomas Sherriff to Elizabeth Sherriff, Pickens District, South Carolina, dated 1837; three Land Grants in Franklin County, Georgia: To John Stonecypher, dated 1812; to Benjamin Stonecypher, dated 1851; to Benjamin Stonecypher, dated 1852; copy of the Banks County, Georgia, Census for 1870 of unmarried white youths with parents. Also a number of clippings of genealogical importance.

The General Daniel Stewart Chapter, of Perry, sent copies of 103 of the first marriage licenses recorded in the Houston County Court House, from 1830.

The General Daniel Blackshear Chapter, of Rochelle, reports: Vol. 1, Wilcox County Records as compiled, containing 200 typed pages of 50 family Bible records, tombstone records, census records, wills, deeds, and all lineage records of Chapter members and Children of the American Revolution. This volume is being bound from the McCall Fund for D. A. R. Archives. This Chapter has also placed a fan-shaped genealogical chart in every D. A. R. home.

The John Houston Chapter, of Thomaston, has sent typed copies of a total of 739 wills and administration papers, 32 marriage records, all copied from the Crawford County records, and 12 wills and 66 marriage records copied from the Upson County records.

Your State Chairman has written asking every Chapter in the state to take part in this splendid work, has contributed an article on the subject to the state D. A. R. Column, and has written many additional helpful letters.

GIRL HOME MAKERS

Mrs. Charles Kreischer

Questionnaires were sent out in October to all Chapters. Eighteen report Chapter Chairman and nine well organized clubs are reported. Two of these are new this year. Twenty-three Awards of Merit have been reported, 17 medals given and cash prizes amounting to \$25.00 for different homemaking projects. Several Chapters have sponsored Cotton Dress Contests, the \$5.00 award for the best cotton dress goes to Miss Hilda Dailey, Mountville, Ga., sponsored by the LaGrange Chapter, of LaGrange.

Chapters reporting have aided homemaking projects, sponsoring Girl Scout Troops, 4-H Clubs, Home Economics in schools and with Girl Home Maker Clubs. Two Chapters have sponsored bread-making contests, another vegetable gardens in rural schools. One Chapter has organized a club with a membership of 114 NYA girls. Another Chapter has two well organized clubs for Negro girls, providing much needed equipment for them. The Jean LaFarge Felton Trophy goes to the General David Blackshear Chapter, Rochelle, for their work in the Negro schools.

I hope that during the coming year, other Chapters will plan to take part in this worthwhile work with the young people.

GOOD CITIZENSHIP PILGRIMS' CLUB

Mrs. E. F. Chafin

As Chairman for the Committee of Good Citizenship Pilgrims' Club, it gives me pleasure to report the following:

In August, letters were sent to the Chapter Regents requesting that a Chapter Chairman be appointed. Letters of instructions and copies of National Rules were sent to the 12 appointed Chapter Chairmen. Letters and questionnaires were sent to 205 girls. The Chairman has kept in personal touch with these girls. Two hundred and twelve names have been indexed.

There are two very active Clubs in the state and several others in the process of organization.

Toccoa Chapter sponsored the first Club, which was organized September 17, 1940, at the home of the State Chairman. The name chosen was the Josephine Mell Club, a beautiful tribute to our State Regent. The girls chose Tamassee as a project, and a valuable miscellaneous box was sent to the school at Christmas. Two meetings have been held, and a pilgrimage has been planned for the June meeting. This club was organized by the State Chairman and the Chapter Chairman, Miss Jewel Hayes.

The Nancy Hart Chapter sponsored a Campus Club at the Georgia State College for Women, which was organized with a membership of 50 girls on November 7, 1940, in the 100-year-old historic Governor's Mansion, by Mrs. Guy Wells, Chapter Chairman, and Miss Reba Yarbrough, our 1937 State Pilgrim. This Club has

monthly meetings. The Club projects include British Relief, the needy of the local communities, and approved schools. A large box was sent to Tamasse, valued at \$10.00.

A gavel made of cedar—taken from the General Andrew Pickens Cedar at Tamasse—was presented to each of the two clubs by the State Chairman.

The majority of the Chapters sponsoring the pilgrimage have entertained the contestants and presented pins to them.

These Clubs throughout the state will fulfill many valuable purposes. They will develop good citizens for our country, establish deep appreciation and understanding of the D. A. R. and add many members to our Society.

The State Pilgrims are most eager to organize a State Club, but it is not advisable at this time.

Georgia shows increasing interest in the importance of organizing these Clubs, and we hope to accomplish more in the future.

JUNIOR AMERICAN CITIZENS

Mrs. Owen C. McConnell

In September, as State Chairman of Junior Citizens Committee, I wrote to each Chapter Regent, urging her to appoint a Junior American Citizens Committee Chairman. The need for training the youth of our state in citizenship is most imperative in these trying times. Twenty-nine Regents reported that they had appointed a Chairman, while a few reported that this work was carried on in their C. A. R. or through the Chapter as a whole. In February, cards and even telegrams were sent urging that reports of the work be sent in by March 1.

Ten new clubs were formed this year. The correct use of the Flag and love of the American way of life have been stressed. Our Georgia D. A. R. are proud of the work done in the grammar and junior high schools. In one school in Albany, Junior American Citizenship Training is being taught by holding elections. The candidates running for and holding all the offices of the city in their schools. This idea they called "Little Albany." Unusually fine work among the underprivileged children has been reported, such as the Junior American Citizens Clubs at Hillside Cottages and at the Atlanta Boys' Club. Over \$50.00 in gifts and donations have been spent to bring happiness and entertainment to these children. These two Junior American Citizens Clubs are sponsored by the Junior Group of the Atlanta Chapter. A splendid Junior American Citizens Club work is being carried on among the Negro children. For example, that done by the David Blackshear Chapter which offers a prize for the best Scrap Book on American History and places of interest in America to the four Junior American Citizens Clubs in the Negro schools at Rochelle, making the best Scrap Book.

Junior American Citizens Clubs have been formed in Girl Scout Troops. They have given Flag Day programs, a radio program, and have taken part in civic affairs. One such group raised the money to light the playground in their town; this one sponsored by Junior Group, Nancy Hart Chapter.

On January 9, your State Chairman spoke at the Flag Raising Exercise of the Junior American Citizens Club, sponsored by the Junior Group of the Atlanta Chapter, D. A. R., at the Atlanta Boys' Club. The beautiful Flag was presented by the Atlanta Chapter. A gold medal given by General James Jackson Chapter for the best boy or girl Junior American Citizen.

One hundred and thirty-nine Clubs have been reported with a membership of 5,134. The Chapters reporting Clubs sponsored this year are: Atlanta, Barnard Trail, Baron DeKalb, Council of Safety, Commodore Richard Dale, General Daniel Stewart, General David Blackshear, Henry Walton, Nancy Hart, Stone Castle, Thronateeska, and General James Jackson.

I wish to thank all the Chairmen for their splendid work in training our youth to become better Americans. It's great to be an American!

JUNIOR MEMBERSHIP

Mrs. Reuben A. Garland

There are 350 Junior Members of the Society in the 15 Chapters that have Committees for Junior Membership in Georgia. Of these 103 joined during the year through the efforts of the Committees. This was outstanding in that it was the second largest gain of any state in the country.

Atlanta had 29 papers accepted in their Junior Committee this year which was the largest individual group gain in the United States.

The Savannah group won the state award this year for the largest per capita gain with 14, while the Mary Hammond Washington Group of Macon doubled its Junior Membership.

The Committees for Junior Membership in the Chapters have not only been building up the membership of our Society but they have gone into every phase of D. A. R. work. In November they held their third Junior Assembly of State Committee meeting in Atlanta, the guests of the Atlanta and Joseph Habersham Junior Groups. Ninety-six attended the day's activities, representing 11 groups. The meeting was called to order by the State Regent, Mrs. Thomas Coke Mell, and was presided over by Mrs. Oscar C. House, of the Moultrie Group, Chairman of the Assembly. Mrs. William Harrison Hightower, Vice-President General, made the address of the day. Miss Margaret Gilliam, of Charlotte, N. C., Editor of the "Echoes," the National Junior D. A. R. paper, spoke. The Golden Jubilee aims of the Juniors in Georgia were decided to be Junior Membership, help with the C. A. R. Society, and reorganizing Junior American Citizens' Groups. Two Committees have sponsored, financed and completely adopted the C. A. R. in their Chapters. Five Junior American Citizens' Groups have been formed; every Junior Group has worked tirelessly for the Red Cross. All Groups sent boxes to Ellis Island and Approved Schools.

Special projects of different groups have been most interesting. The Joseph Habersham Juniors gave a cabinet to the State Department of Archives. Atlanta Juniors have furnished entertainment and refreshment throughout the year for the children in the largest of their three J. A. C. Clubs at the Atlanta Boys' Club. The Dublin Juniors made three copies each of three valuable, out of print, family histories, one each for National, State and Chapter Libraries. The Augusta Juniors did \$50.00 worth of needed repairs on "Meadow Garden." The Savannah Juniors have arranged sight-seeing trips for soldiers in camps there. The Milledgeville Juniors sent a

girl to camp. The Moultrie Juniors sent \$25.00 to the Helen Pouch Scholarship Fund. The Albany Juniors unselfishly served as the Finance Committee of their Chapter. In Athens the Juniors gave a party for the Chapter. In LaGrange the Juniors are busy with plans for the State C. A. R. Conference.

With the large increase in Junior Membership this year and several Chapters forming Committees for the next year, the Juniors of Georgia will uphold their part of the Society's great work.

MOTION PICTURES

Mrs. E. T. Nottingham

We are glad to report that Georgia Motion Picture Chairmen are working earnestly in an effort to bring motion pictures of the highest type to the screens.

The teachers in the public schools are becoming more and more interested in the work being done by the D. A. R. in connection with motion pictures and are encouraging the students to see the pictures which are recommended by the D. A. R.

Many Chairmen report that all material sent directly to them is placed in their local libraries. The teachers and Motion Picture Chairmen suggested that children, as well as adults, should see "Land of Liberty." Through the aid of the Committees, this picture was shown in many local theaters. The picture was then discussed in the classroom.

Not only should credit be given to the Committee Chairmen, but also to the theater managers who have cooperated so splendidly in improving the character of the pictures shown during the year. Many Chapters have reported having special programs on Motion Pictures. Chapter members thus interested encourage others in seeing the best pictures.

Ratings of recommended pictures have been sent to local daily newspapers by many of the Chairmen. These lists are compiled from the National Historical Magazine, the D. A. R. Motion Picture Guide cards and the National D. A. R. Preview Motion Picture Committee.

Outstanding work has been done by the George Walton and the Oglethorpe Chapters, Columbus; John Laurens Chapter, Dublin; Baron DeKalb Chapter, Decatur; Col. William Few Chapter, Eastman, and John Houston Chapter, Thomaston.

We wish to thank National and State Officers for their loyalty and sincere cooperation. We wish to thank each local Chairman for the interest manifested in a work which, we feel sure, will bear fruit in the lives of the present generation as well as all future generations.

NATIONAL DEFENSE THROUGH PATRIOTIC EDUCATION

Mrs. Stewart Colley

Georgia D. A. R. are National Defense conscious. Georgia D. A. R. are alert to further the program for National Defense which our National Society had the foresight to inaugurate many years ago. Each of the 85 Chapters in the state has appointed a National Defense Chairman and most of them are active. National Defense is presented at each meeting and literature is sent to the schools. The teachers are contacted in an effort to insist that love of country and respect for its ideals are sincerely taught.

Many schools were using the Rugg Social Science books. Through the concerted effort of Georgia D. A. R. the State Board of Education has forbidden the study of these books in the schools of our state. Our Congressmen and Senators were notified as to our stand on the Lease-Lend Bill and on many other important issues of the day.

Over 50 medals are given to students who excel in the study of American History. Many Good Citizenship Medals are given also. National Defense Week was observed by special radio addresses and by extra Chapter meetings. Some Chapters conducted study groups on National Defense and climaxed their study by an open forum. This procedure was most beneficial. One Chapter is doing educational work among the Negroes and is seeking to keep out, whenever possible, agents who dispense subversive literature among them.

Chapters observing patriotic anniversaries numbered 79. Georgia Daughters are most appreciative of the splendid material sent them from National Defense Headquarters of our Society.

We believe that Georgia Daughters are aware of the urgent need for adequate National Defense. They have contributed their pro rata share to the National Society for the continuance of the splendid work of this Committee. They are determined to do their utmost to see that the freedom of America remains unmolested.

We believe further that the real bulwark of National Defense is the faith in the soul of each individual American in his God, his Country and in his home.

NATIONAL HISTORICAL MAGAZINE

Mrs. A. L. Sealy

The first work of your State Chairman of National Historical Magazine began late in July of 1940 with an article on the Magazine, for the D. A. R. section of the Atlanta Constitution. In it was general information and special news about the Golden Jubilee Edition that was soon to be off the press.

August 1 a postal card went out to each Chapter Regent asking that she send the name of her Chapter Chairman so we could begin the Magazine work in earnest early in the Fall.

My Fall letter went out September 1. Included in it was a list of questions Chapter Chairman should be prepared to answer in making her year's report.

On February 1 of this year another letter was sent the Chapter Chairmen asking that they give their best efforts, during the remaining month, to increasing the number of subscribers to the Magazine. Their special attention was called to the state awards. Enclosed in each letter was a questionnaire to be filled out and returned by March 1.

Fifty-three Chapters have reported a total of 314 subscribers. Twenty-two of this number reported an increase of 55 subscriptions this year.

On February 20, 1941,, the office of the National Historical Magazine reported 397 subscribers for Georgia.

Many of the Chapter reports were very good. Eight keep card index file of subscribers; four held Magazine exhibits; 68 programs were arranged from the Magazine.

The General David Blackshear Chapter Chairman writes, "It has been interesting to note the happy use that has been made of the Magazine in the schools. In one there has been a series of lessons on Pioneers based upon the material in the Magazine." Many proclaim its value as program material and one stated the Golden

Jubilee number was the Chapter "text book" this year. Many Chapters have placed the Magazine in schools and public libraries.

A very large number of subscriptions expired with the February issue. Each one of these subscribers has been notified by the State Chairman and it is hoped not a one will be lost.

The \$5.00 offered by the State Regent to the Chapter having the largest number of subscribers, per capita, goes to General David Blackshear Chapter, Mrs. Henry Mashburn, Regent. Augusta Chapter, Mrs. G. A. Webb, Chairman, wins the Perdue Loving Cup for the largest number of new subscriptions, this being seven.

PRESS RELATIONS

Mrs. C. H. Leavy

All news releases, including many phases of D. A. R. work, received from the National Chairman of Press Relations, have been sent to the larger papers of the state for publication. Fifty-seven Chapters, out of the 85 in Georgia, have reported approximately 10,604 inches of publicity given the D. A. R., including 26 cuts; Chapter reports and notices, numerous D. A. R. activities, press releases, etc., representing a total monetary value of \$5,302.00, based on average advertising rates. This type of matter cannot be bought, or rarely ever is, so it can readily be seen and appreciated how really generous Georgia editors have been to the D. A. R. Many of these Chapters have Press Chairmen, and paid the per capita tax for the work. A copy of the D. A. R. Press Relations Handbook would be of great value to Press Chairmen, is only 10 cents, and may be ordered from the National Committee in Washington.

The General David Blackshear Chapter, at Rochelle, Mrs. Henry Mashburn, Regent, has again accomplished noteworthy work, with a column article in two weekly papers each month, having approximately 970 inches of publicity. The Regent also has a personal column, giving bits of local history and family genealogy with the idea of publishing a county history. Lineage of all new members is published, thus keeping up a steady interest in the work of the D. A. R. in that community.

The President General has requested that State Chairmen of Press Relations assemble all newspaper articles relative to our National Society and its work, to be kept in book form or otherwise, that the National Organization may see exactly how much publicity it receives in the various states, and what use is made of the news releases sent out. To this end, and that a more accurate check may be kept on space given the Georgia D. A. R., I would recommend and urge that this Committee be allowed to subscribe to a clipping bureau.

I wish to express thanks and appreciation to all Chapters reporting, for their generous cooperation, with the hope that next year we may have even more and better publicity for Georgia D. A. R.

RADIO

Mrs. Charles Hinton

The ever accelerating interest in National Defense, both temporary and permanent, has given to the purposes and ideals of our Organization an unprecedented impetus during this year. The words of Archibald McLeish, "The American Cause is again the Cause of the creative human spirit, which no enemy has ever overcome," expresses the essence of our part in today's crisis. In no medium of expression has there been a more intelligent awareness of this interest than in the radio. Every day, the traditional American Cause has been on the air with more and more listeners attune to its vibrant meaning. Paradoxically, this has at once made it easier and more difficult to present programs directly sponsored by the several Chapters; the network so fully covering the subjects formerly nurtured only by such patriotic groups and at the same time many local stations eagerly encouraging on its sustaining hours the well prepared programs of influential local groups. However sponsored, the cause of our nation, the ideals and ideas for which it stands are reaching every "American village and town," and its voice is already a "shot heard 'round the world."

In the Fall many listened in when Mrs. Henry M. Robert, Jr., President General, spoke over a coast-to-coast network celebrating the fiftieth anniversary of the National Society. In January personal letters were written to every Chapter Regent, including the Chairmen of the Junior Groups. In addition to the urgent requests that the many anniversaries of February be used for appropriate broadcasts, manifold copies of the routine information for Radio Committees was enclosed. Many responded and your Chairman appreciates such fine cooperation. Ten copies of the one minute spot for Washington's Birthday received from the National Radio Chairman were sent to as many Georgia Chapters.

The Atlanta Chapter reports 10 broadcasts, totaling over two hours, which is the best response received. Columbus, Button Gwinnett Chapter, reports three broadcasts, one of which was an original one-act play written and directed by the Radio Chairman, entitled, "When Washington Was Twenty-one." Copies of this are available. Other Chapters cooperating were the Governor John Milledge Chapter, Dalton; Fort Early Chapter, Cordele; General David Blackshear Chapter, Rochelle; John Houston Chapter, Thomaston; Nancy Hart Chapter, Milledgeville; Lyman Hall Chapter, Waycross, and the Mary Hammond Washington Chapter, Macon.

We wish especially to urge those Chapters not having available broadcasting stations to form listening-in groups. These may be very effective by keeping the members alert to the many fine historical and patriotic broadcasts being made.

Twenty-nine programs were given from 10 stations using approximately six hours.

REAL DAUGHTERS

Mrs. Frances Brown Chase

During the year Chapters have responded cheerfully to requests for cooperation.

Cards were sent each Chapter Regent and Chairmen of Junior Groups. Publicized also through official column of our organization, setting forth requests of our National Chairman, Mrs. Joy.

Acknowledging with thanks for Georgia to Chapters who sent

valentines, coin of the realm and other remembrances, as follows: Governor Jared Irwin, Council of Safety, Dorothy Walton, Henry Walton, Stephen Heard, Oglethorpe, John Houston, Tomochichi, Noble Wimberly Jones, Oothcaloga, Baron DeKalb, John Laurens, John Ball, Joseph Habersham, Governor David Emanuel, Sergeant Newton, Atlanta, Junior Group (Atlanta), Pulaski, Thomasville, Burkhalter and General Daniel Stewart.

It may be of interest to note that from the ranks of our original "Real Daughters," numbering 757, only two have not yet gone to their reward. Therefore, in closing, may your Chairman, urge that we not forget to remember the two "Real Daughters" in the "sunset of life," and, may we also be "real daughters" of the present generation—not only Daughters of the American Revolution in these days so distraught—but—daughters of the King—our Heavenly Father.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. George U. Beach

It is with feelings of appreciation and pride as State Chairman of the Merchant Marine Library, I now report my year's harvest over a thousand books and box after box of magazines of the highest character, expressed by 17 Chapters to our boys in the Marine Service.

Oglethorpe Chapter, Columbus, did such almost unbelievable work the agent at New Orleans, Herbert A. Graf, wrote them a personal letter saying, "Your collection is the very finest ever received at this port, and I have been here for years." Two hundred and eighty-eight books were sent and many magazines.

Other Chapters have sent books as follows: Atlanta Chapter, 110; Fort Early, 110; Lyman Hall, 12; LaGrange, 115; Colonel John McIntosh, 10; Stone Castle, 48; John Laurens, 12; Brunswick, 48; John Ball, 7; Button Gwinnett, 54; George Walton, 25; John Houston, 75; Nancy Hart (Junior Group), 7; Noble Wimberly Jones, 20; Savannah, 69; Lachlan McIntosh, 25; Bonaventure, 115; Oglethorpe, 288; total, 1,150.

My sincere thanks for this spirit of fine cooperation that has brought such splendid results.

In conclusion will say the need for books is so great at this time I want every Chapter to resolve right now to make 2,000 volumes our goal next year. Do this for our boys in khaki.

Elijah Clarke Chapter, Athens, donated cash \$2.50.

COOPERATION WITH AMERICAN RED CROSS

Mrs. H. B. McMaster

It has been my purpose to carry out instructions of the National Chairman, realizing the importance of this work, as it is to cover all War Relief activities of the state.

The Chapters have made splendid contributions in reports, including work with the annual Red Cross Drive, in the work rooms making surgical dressings, sewing, knitting sweaters, and squares for blankets; also bundles for Britain.

Thirty-five Chapters have reported this year. Number joining

Red Cross, 643; hours of work, 11,213; squares knitted, 60; garments made, 1,537; sweaters, 53; blankets, 2; life member, 1; contributions, \$867.00; Ambulance Fund in honor of Clara Barton, \$57.00.

Sylvester Chapter reported 269 school children at work in Red Cross Drive.

Our Junior D. A. R. have also had a part in making this report possible. Number of hours, 1,324; sweaters, 8; baby blankets, 71; diapers, 12; knitted squares, 8.

Your Chairman is deeply grateful for loyalty and cooperation of the members; the year's work has been pleasant and successful and we feel that we are better citizens and better Americans because we are Daughters of the American Revolution.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND C. A. R.

Mrs. Edwin W. Allen

The Georgia Society, Daughters of the American Revolution, is composed of 85 or more Chapters. There are approximately 18 Societies Children of the American Revolution in the state. If we earnestly desire to strengthen the Mother Society, we must inculcate the aims and ideals of the Daughters of the American Revolution into the youth of our state, else they may become the victims of one of the many "isms" so rampant in our land. Our first objective should be to uphold the hands of our splendid State C. A. R. President, Mrs. Leonard Wallace, in organizing new Societies.

Georgia C. A. R. Societies are awake and active to the patriotic and civic needs of their respective communities. Their members gladly assist in all projects for the betterment of church, school and state, with the home as the background for all activities. Each Society tells of some special interest in which they are cooperating with the D. A. R.—historical research and pilgrimages, planting shrubbery, showers of books, clothing, etc., for Ellis Island and Mountain Schools; assisting in Red Cross, Boy Scout and Girl Scout work; sponsoring patriotic moving pictures, and many other activities. Often the programs for the various D. A. R. meetings are given entirely by the C. A. R.—Washington's Birthday, Franklin's Birthday, LaFayette's Birthday, Flag Day Celebration, Constitution Day Programs, and celebrations for many of the other patriotic days. In this way the members of the C. A. R. grow up feeling themselves a part of the D. A. R., and the two great organizations go forward with one purpose—to "provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity."

Let us constantly work together.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND S. A. R.

COLLECTING AND PUBLISHING HISTORY OF GEORGIA REVOLUTIONARY SOLDIERS

Mrs. P. D. Boardman

Splendid progress during the year has added invaluable data to the lists and history of our Georgia Revolutionary Soldiers. Nearly

500 unlisted Georgia soldiers have been found; every research finds more; with as nearly as possible their complete histories. These unpublished heroes are most important; unless we file them safely, their records may be lost. These have been listed and typed for future publication.

The histories of the soldiers marked by the Georgia Chapters have been correlated, and checked with our records in Washington. Enthusiastic cooperation from the Chapters throughout the state has brought much interesting and important information. Time and research are bringing their reward and each day adds important facts to this valuable project. When this work is completed it will be a most important contribution to our Georgia Revolutionary Records.

I wish to especially thank Mrs. Howard McCall for her assistance and guidance.

D. A. R. FOREST PARK

Mrs. T. O. Tabor

The D. A. R. Forest Park, near Elberton, is in splendid shape now and a lovely place to visit.

A reliable caretaker lives in the Nancy Hart Cabin and is interested in keeping up the property. This year he has put a new roof on the cabin and has made temporary glass windows that can be removed on special occasions. He is now cutting down all the dead trees, clearing out the underbrush and planting native shrubbery to beautify the Park. He reports that a number of people from different states have visited the Park this year.

The Stephen Heard Chapter has cooperated in every way possible in helping keep up the Park. This Chapter received as a gift this year, 10 acres of land adjoining the Park which it expects to beautify at an early date.

A cordial invitation is extended to all of you to visit your D. A. R. Forest Park near Elberton and see what a pretty place it is.

HELEN McCALL BASHINSKI TROPHY

Mrs. I. Bashinski

Trophy awarded to Toccoa Chapter, Mrs. Swift Gilmer, Regent; Mrs. Luther Isbell, Chairman, family Bible and tombstone records.

Mrs. Isbell sent in 112 certified Bible records and 1,033 tombstone records from 41 cemeteries.

HELEN ROGERS FRANKLIN TROPHY

Mrs. Thomas J. Sappington

Your Committee has functioned to the best of their ability, giving much time and thought. Though a hard task, it has been a labor of love and appreciation.

One article was published in the D. A. R. column of the Atlanta Constitution, cards written to the Regents, and one Committee meeting held in Macon prior to State Conference.

Though somewhat disappointed in the number of reports submitted, each one showed excellent work along various lines of D. A. R. activities. The task of deciding which Chapter made the greatest achievements was, indeed, hard, though the choice was unanimous.

The trophy was awarded to the Nancy Hart Chapter, the John Houston Chapter making a close second place, and General David Blackshear was third. These three Chapters did most outstanding work.

We wish to thank the Chapter Regents for their cooperation.

Mrs. J. M. Barnett

Year ending March 1, 1941, eleven Chapters sent to Chairman 263 family Bible records and 1,696 tombstone records, from 85 cemeteries. The inscriptions on some of the tombs in many old family burial grounds cannot be read.

Five wills, one deed, three land grants, one genealogy received by the Chairman were sent to the State Chairman of Genealogy.

Toccoa Chapter won the Bashinski trophy; 115 Bible records were collected and sent, and 43 cemeteries with 930 tombstones as follows:

COUNTY HISTORIES

Mrs. Peter Seymour Knox

One new County History was published in 1940, that of Elbert County, by J. H. McIntosh.

The number of official Georgia County Histories published, as far as our records show, is 59; 14 of which are in manuscript form.

Eighty-eight Historians are at work compiling data in their respective counties and their response to my inquiry as to progress they are making is, in most cases, encouraging.

HISTORICAL MAPS OF GEORGIA

Mrs. Robert J. Travis

Your Chairman asks the assistance of Chapter Regent and members in selling the D. A. R. Historical Maps of Georgia. The price is \$1.00 each, plus 10 cents for tube and 5 cents for postage. The money realized from the sale of these maps will be added to the May Erwin Talmadge Student Loan Fund.

Due to illness in the family which necessitated my absence from the state, no communications were sent out during the year.

HISTORICAL PROGRAM

Mrs. James N. Brawner

In view of the Golden Jubilee Celebration this year by the National Society, your Chairman of Historical Program could not overlook the opportunity to stress the early history of our Organization.

With that important event in mind, the suggestive outline for the year was centered about the organization, early history and every important phase of work sponsored by the National Society.

The Suggested Program was prepared and published in full in the 1941 Proceedings.

Many Chapter Regents throughout the state have reported the use of the outline during the year, and many favorable comments have been received on the timeliness and value of the suggestions for study.

Acknowledgment is hereby made for the splendid help given by the State Regent, Mrs. Mell, and by Mrs. Howard McCall, Past Vice-President General.

Suggestions for next year's Historical Program will be gratefully received.

LEGISLATION

Mrs. I. Homer Sutton

As Chairman of the Committee on Legislation, I am pleased to report that letters from different Chapters over the state show increased interest and activity in matters of legislation. Georgia Daughters realize the importance of their responsibility in this respect and are on the alert to combat subversive forces within our Country. Some reports show that Congressmen and Senators have been contacted on legislation of interest to this Society. Also, in county and state affairs, members have reported activity relative to bills about to become law.

Your Committee did not ask for an appropriation to aid in the publication of County Histories as it did not seem to be an appropriate time for obtaining funds from the Legislature for this purpose.

It will be the duty and privilege of your Committee to give its active support to legislative measures approved by the National Society Daughters of the American Revolution which tend to protect and keep inviolate our Constitution and the fundamental principles of Americanism.

LUCY COOK PEEL MEMORIAL

Miss Juanita Chisholm

Since May 1, 103 books, genealogical, historical and unpublished records, have been added to our McCall Genealogical D. A. R. Library at Rhodes Memorial Hall. The Bible records collected by the Bible Records Committee, Mrs. Eli A. Thomas, Chairman, have been indexed under the direction of the State Historian, Mrs. J. E. Hays, and bound by this committee. We have received the hearty co-operation of Mrs. Hays, who has supervised, under the authority of the Secretary of State, the indexing of many of the unpublished records.

To make our Library more useful and more valuable our Committee bound the Colonial records, the records on Indian depredation, and State Executive Minutes, compiled by Mrs. Hays from unpublished records now at the State Department of Archives.

Gifts presented to this Committee include 138 Historical and Genealogical Magazines from the Joseph Habersham Chapter; 100 magazines from the daughters of the late Mrs. E. L. Connally, a former member of the Atlanta Chapter; 12 Md. Magazines from Mrs. George Hillyer, Jr., a member of the Continental Dames Chapter, Washington, D. C., and two valuable books and three magazines from Mrs. A. H. Strickland, a member of the John Benson Chapter, Hartwell; five books and a bookcase from the McCall Genealogical Fund. One book given to Carnegie Library. Two books

bound by the Committee will be presented at this Conference; Laurens County History, by Mrs. E. B. Freeman, State Librarian, and Wilcox County Records, by Mrs. Henry Mashburn, Regent of the General David Blackshear Chapter. I wish to call attention to the most interesting book added to the collection. The passports issued by the State of Georgia to those men (and many with their families) who desired to travel through or to the Western Territory which then included all the territory west of Georgia. These passports were compiled by the State Historian from many books of unpublished records—indexed and bound by this Committee.

This Library was visited by Mr. A. S. Sally, State Historian of South Carolina, who gave highest praise to the Georgia Society for the work accomplished.

Two hundred and fifty printed postal cards were sent to various libraries throughout the United States, resulting in the sale of 52 volumes.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. George Lombard

As Chairman of Marking Revolutionary Soldiers' Graves, I wish to make the following report:

Two graves marked by Toccoa Chapter: Robert Brown, Baldwin, Georgia; Nathan Arendall, Franklin County (between Lavonia and Commerce).

Three markers unveiled by Governor David Emanuel Chapter, Swainsboro, Georgia; David Edenfield, Joseph Chesnutt Sumner, Ephraim Herrington.

One grave marked by the Captain John Wilson Chapter, Thomson: Col. Hugh Rees, near Maddox Creek, McDuffie County.

One grave marked by the Tomochichi Chapter, Clarkesville, Georgia: James Starritt.

MEADOW GARDEN

Mrs. L. V. Stone

We know that when the Daughters say "Shrine," they are referring to Meadow Garden, home of George Walton, Georgia Signer of the Declaration of Independence, and right now, it is truly a garden with its many flowering shrubs and bulbs.

Tourists and friends gather around the log fires each Wednesday afternoon and enjoy a cup of tea, which is a mecca for weary minds and bodies.

Each room has been named for some noted historical character, and recently, beautiful name plates have been put on the door of each room, hand etched and framed by a member of our Chapter. Also, adjoining our distinguished photographs which hang on the wall, has been added one of our President General, Mrs. Henry M. Robert, Jr. She had it made and autographed it for Meadow Garden.

The home was a scene of a lovely patriotic Tea when the Daughters entertained on George Washington's Birthday, which results added several dollars to our treasury.

Distinguished guests have been entertained at the old home since its beginning, but recently Meadow Garden was honored when Miss Annie Wheeler, daughter of General Joe Wheeler, Past Vice-President General of the Daughters of the American Revolution, was a guest at a Tea given in her honor.

We are now making plans for repairs on the caretaker's cottage, and the Junior members of the Augusta Chapter are planning to build a new fence.

We ask each loyal Daughter to keep in remembrance Meadow Garden so that in the years to come, you will be proud of the home you helped to perpetuate.

MEDALS AND PRIZES

Mrs. Henry Turner Brice

Ninety-six urgent requests were sent to all Chapters, including Junior Groups. After begging them to realize the inspiration and importance of awards among our young people, I regret that I received only 38 replies.

A report was asked on all cash prizes, all medals and other awards on historical and patriotic essays, Home Economics, Home Makers, Good Citizenship, American History, patriotic exercises and song contest, scholarships and other worthwhile endeavors.

On Good Citizenship five medals, two cash prizes of \$5.00 each, three prizes of \$2.00 each, six prizes of books. History awards: 33 medals, 12 cash prizes, total \$46.00, one named engraved on a silver cup. On patriotic essays: two medals, one ring, and 10 cash prizes totaling \$63.00. Amount of Scholarship (three) \$408.00. One fund established for \$50.00. Four prizes in Home Economics, total \$14.50, \$26.00 for song contest, and two prizes in Junior Groups for \$10.00. Two medals were given for Good Citizenship Pilgrimage, and one Pilgrim pin. Also three books valued at \$7.25. Thirteen prizes were given to Home Makers, value \$14.50. One saber was awarded to the ranking officer in the High School R. O. T. C.

As State Chairman I wish to express my pleasure in this work and to thank the Chapters for their response and efforts in this work.

PATRIOTIC ANNIVERSARIES

Mrs. E. T. Whatley

In submitting my report as Chairman of Observance of Patriotic Days, I wish to say that I wrote to each Chapter in our State Society, and the majority of the replies received reported that all 12 of our Patriotic Days were observed. Some Chapters reported observance of additional days, as Woodrow Wilson's Birthday.

The usual method of observance was featuring the day on the regular program, either with a talk, quiz, pageant or play.

The Toccoa Chapter had Magna Charta Day observed in two schools, which was a fine patriotic service.

The General David Blackshear Chapter, of Rochelle, sent in a fine report. In September this Chapter celebrated three days in one by taking a pilgrimage, including 30 C. A. R. members, and having a sort of "sugar-coated history lesson." A splendid custom of this Chapter, and one that should be emulated, is to have the American Flag displayed before the home on each Patriotic Day.

The Oglethorpe Chapter, Columbus, reported having an editorial appear in a local paper on the American's Creed Day, which is a helpful method of observance.

Your Chairman wrote short articles on each Patriotic Day and sent them to our State Editor for use in our D. A. R. column in the Atlanta Constitution. Mrs. Nicholson's courteous helpfulness made this a pleasure.

PROCEEDINGS OF STATE CONFERENCE

Mrs. Lucius McConnell

The meeting of the State Proceedings Committee was held May 21 at the home of the Chairman. There were 14 members of the Committee present.

The Minutes of the State Executive Board meeting held in Griffin were read and approved.

A motion was passed that a rising vote of thanks be given Mrs. Mark Smith, State Recording Secretary, for her outstanding work in compiling material for the Proceedings.

It was also voted that all State Officers, Chairmen and Chapter Regents be thanked for their cooperation in submitting reports for the Proceedings.

All material for the Proceedings was edited.

The motion was passed that the cover of the 1940-1941 Proceedings be gold in celebration of the Fiftieth Anniversary of the organization of the Daughters of the American Revolution in Georgia.

Bids from printing firms for the publishing of the Proceedings were submitted, and the contract was awarded to McGregor Company, of Athens.

On the mailing list of the Proceedings shall be all members of the National Board of Management, members of the Georgia State Executive Board, Chapter Regents (at least two copies), National Chairmen and National Vice-Chairmen within the state, members of the Proceedings Committee, avoiding duplications; National President, C. A. R.; Georgia State President, C. A. R.; Senior Presidents, Georgia C. A. R. Societies; the President, State Officers Club, State Department of Archives, State Library Commission, and the National Headquarters, S. A. R. The remaining copies of each edition will be allocated to Chapters in proportion to their membership.

ROSTER OF REVOLUTIONARY SOLDIERS IN GEORGIA

(Golden Jubilee Project)

Miss Hazel Kirk

The year 1941 will be written in the annals of the Georgia Society, Daughters of the American Revolution, as the "Golden Jubilee Year."

The Georgia Society presents as its Golden Jubilee Project, the publication of the volume, "Roster of Revolutionary Soldiers in Georgia."

The material for this volume was compiled, edited, and presented as a loving gift to the Georgia Society, D. A. R., by Mrs. Howard H. McCall (Ettie Tidwell), State Regent of Georgia, 1916-1918, and Vice-President General from Georgia of the National Society, D. A. R., 1922-1925. The book is written as a dependable and authoritative reference book for libraries and patriotic organizations and has been compiled from pension papers, Bible records, grants of land, lottery lists, wills, estates, and state official records of military service.

The records assembled have been compiled of Revolutionary Soldiers whose records of service to their Country in the War of the Revolution (1775-1783) can be obtained by those interested in genealogical research and in family histories. Included also are the names of the wives and children of these soldiers and other important data of this period.

"Roster of Revolutionary Soldiers in Georgia" is now on sale, and can be obtained by writing to the State Chairman.

(See notice under "Information" on page 147 of the Proceedings).

RESOLUTIONS

Mrs. Mell Knox

The Resolutions Committee met Friday, March 28, 1941, at the Griffin Hotel, Griffin. The members gathered for a 7 o'clock Dutch Treat Breakfast arranged by the Chairman.

Those present were Mesdames Howard McCall, Herbert F. Gaffney, Bun Wylie, John S. Adams, William Harrison Hightower, Stewart Colley, Ober D. Warthen, Miss Virginia Hardin, the State Regent, Mrs. T. C. Mell, and the Chairman.

For Resolutions adopted by the State Conference, see page 32.

SCRAP BOOK

Mrs. Jena C. Collier

Our beautiful Georgia State Scrap Book for 1940-1941 is lovingly dedicated to our State Regent, Mrs. Thomas Coke Mell, and to our National Society, D. A. R. Golden Jubilee.

In compiling this book, your State Chairman has followed closely National requirements and suggestions for Scrap Books. Subjects have been classified, pages numbered and contents indexed. Material has been arranged in chronological order, beginning with the 1940 Continental Congress.

The Golden Jubilee Program celebrating the Fiftieth Anniversary of our N. S. D. A. R., has a place within its covers. This volume is replete with priceless material and is of great historical value.

Your State Chairman wishes to express to our State Regent, our State Historian and to all Chapter Regents her grateful appreciation for their whole-hearted cooperation, and to Miss Laura Graddick for the clipping from the Washington Post giving a complete history of the founding of our wonderful Organization.

I hope all Georgia Daughters saw our Scrap Book which was on display at the 1941 Continental Congress.

STATE PRESIDENT, C. A. R.

Mrs. Leonard Wallace

See page 164.

TEXT BOOKS

Miss Helen Estes

Your Chairman has been deeply interested in the subject of Text Books this year and it has been a pleasure to have served.

Letters were written to the State Superintendent of Schools, the Chairman of the State Board of Education, and the Chairman of the Social Science Text Books Committee, protesting the use of the Rugg Text Books in the Georgia schools.

With the assistance of the State Chairman of National Defense and the Vice-President General from Georgia, material concerning these books was procured from the National Defense office and sent to all of these officials.

We are pleased to report that the Rugg Text Books have been stricken from the Georgia list.

In these perilous times it becomes increasingly important that the boys and girls of America are correctly instructed in the principles of Democracy.

TIME AND PLACE

Mrs. John J. McKay

The State Executive Board of the Daughters of the American Revolution accepted the gracious invitation of Mrs. J. Harold Nicholson to be her guests at Madison in the Fall of 1941.

The two Chapters of the Daughters of the American Revolution of Macon extended an invitation for the State Conference of 1942 to be held in the City of Macon.

TRAVELING GENEALOGICAL LIBRARY

Mrs. Jesse Dixon Wadsworth

After being appointed State Chairman of the Traveling Genealogical Library in October, 1940, all records pertaining to same were **received in November from the former Chairman.**

From these records it appeared that most of the boxes had been to all of the Chapters that wanted the Library, so, in order not to repeat, all boxes except Nos. 10 and 11, have been called in and will be rejuvenated and sent on their way again as soon as possible.

Because of lack of funds for the past two years, the Library has been more or less at a standstill, but the following books were obtained recently: 30 volumes, Pennsylvania Archives, gift from the State of Pennsylvania (approximately \$100.00); History of Lamar County, Georgia, from Mrs. J. C. Collier; History of Elbert County, Georgia, from Stephen Heard Chapter; History of Old Tryon and Rutherford Counties, North Carolina, from Pulaski Chapter, through Mrs. R. G. Hunt, (\$10.00); Hanover County (Va.), Chancery Wills and Notes, \$10.00.

The Library has approximately 205 volumes, valued at around \$850.00.

Insurance amounted to \$21.28.

To avoid confusion as to time when a Chapter will receive a box of books, I am begging that each Chapter notify me as soon as it receives a box, so that I can notify the next Chapter when to expect it. My sincere thanks to those who have done this!

The Committee is anxious to hear from members as to what parts of the country they desire records from, and what books they want and where these may be obtained.

I have had to return three different books to city libraries where they were evidently gathered up by mistake. Please be careful of this.

CHAPTER REPORTS

OOTHCALOGA CHAPTER, ADAIRSVILLE

Mrs. W. P. Martin, Regent

The Oothcaloga Chapter accepted the program sent to the Regent last September and has followed its outline as much as possible. We have 15 members, one having been dropped for non-payment of dues. Papers pending for two others.

With reverence and loving memory we would pause to do honor to our beloved ex-Regent and friend, Mrs. James White, who so recently was called to her reward in the Great Beyond; her life will ever be an inspiring example of "Well done, thou good and faithful servant."

Our Chapter lost a real friend in the transition of the husband of another ex-Regent who has served us so long and well. Mr. Julius Talmadge's friendship and hospitality will be greatly missed by the D. A. R.

There have been other bereavements among the families of Chapter members which, too, have been bereavements to our community, thus the sorrows in our midst have curtailed the activities of the Chapter this year, but realizing that "God moves in a mysterious way His wonders to perform," we are carrying on the task which is ours in this chaotic world as best we can through service to our Country, Church and Home.

AUGUSTA CHAPTER, AUGUSTA

Mrs. W. Edward Clark, Regent

In a few months the old "spinning wheel" of Augusta Chapter will turn to its Golden Jubilee, and through the years, it has woven the fine fabric of truth, courage, and honor because it had a tradition to perpetuate and a heritage to be preserved.

There are 137 Daughters who keep the "wheel" oiled and running—added momentum was given when 22 Junior Daughters added their strength to the Mother Chapter.

Each "spoke" of the wheel upholds the "rim" of Patriotism, Education, and History, and as it spins, it creates an environment con-

ducive to better citizenship. The music of the wheel is symbolic of America's own composers and is given by artists at each meeting.

One of the "spokes" represents our beloved shrine, Meadow Garden, which the Daughters are endeavoring to perpetuate in memory of George Walton.

Another "spoke" reaches out to our own Tamasee. We contributed \$5.00 and joined with the Aiken, S. C., Chapter, presenting children of Tamasee and as guest speaker, Mrs. T. J. Mauldin, ex-Vice-President General of South Carolina.

Another "spoke" represents 23 aliens whom we welcomed at the Naturalization Court, giving each one a Manual for Citizenship. Twelve members attended these services.

Five dollars towards cabinet honoring Mrs. Mell.

Because Mrs. S. B. C. Morgan founded the Augusta Chapter, we let the fourth "spoke" honor her, contributing \$13.70 to the Student Loan that bears her name.

The fifth "spoke" points to the History of Revolutionary Soldiers, to which we contributed our quota.

Another "spoke" represents our student, who was selected for the Good Citizenship Pilgrimage and who will be entertained by the Chapter. This "spoke" also points to the two students who excel in American History, and were given \$5.00 each.

A "spoke" we are especially proud of is renewed interest in the D. A. R. Magazine with 14 subscribers.

The Historian points with pride to the "spoke" that represents the dedication of the marker that was unveiled for the old Richmond Academy, built in 1783. The band and the commandant with full dressed company, assisted with the program.

The ninth "spoke" points to the Georgia Shelf of the National Library, where we contributed to the History of Georgia, by Cooper.

The most appealing "spoke" is Human Conservation, which is the Red Cross—members contributing personal service, as well as through membership.

Patriotism is the key "spoke" in the spinning wheel. All Patriotic Days were observed by speakers on the radio, and patriotism was stressed on all programs.

The Chapter loves the "spoke" that points to the Flag. We appreciate the privilege that is offered us for its protection and usage.

The strength of the thirteenth "spoke" lies in National Defense, which was presented by the commandant of the Augusta Arsenal—keynote of his message was the part women might play in defense of their Country.

The "hub" or heart of the wheel is made of golden hearted women who, because of their vision have emblazoned the good deeds of our great Organization, ever using beacons of love and courage directing them to the light. May each one of us think of herself as one of the strands of the great cable of the National Society and that the power of this cable is in Him, who is able to under-gird each Daughter of the American Revolution.

"Let us follow after things which make for peace and things whereby we may edify one another."

Our main project for the year has been to keep Meadow Garden, home of George Walton, in better condition. We made \$50.00 on a card party, and have spent it on repairs. We hope to do even better next year.

JOHN BALL CHAPTER, IRWINTON

Mrs. Allen W. Daughtry, Regent

Honor Roll

In the small resident membership of John Ball Chapter, seven small towns and two counties are represented. True, this adds interest to our meetings and gives a broader scope for our activities, but 15 miles of unpaved roads often present a rather discouraging obstacle.

We publish a very creditable Year Book, and the programs outlined therein follow the study suggested by the State Chairman. We observed six Patriotic Days appropriately at Chapter meetings, and by means of posters and a talk assisted in the observance of Georgia Day in two high schools and two grammar schools; a teacher-member of our Chapter celebrated Washington's Birthday by presenting a playlet in school. Conservation has been stressed, American music used at several meetings and a talk on Author-Composers given at one.

Clippings of newspaper accounts of our work have been sent to the State Scrap Book Chairman. D. A. R. Manuals for Citizenship were placed in three registration offices and a Flag calendar placed in the office of our local Selective Service Board. Additional shrubs have been planted around the D. A. R. marker where prehistoric Indian trails intersected near Allentown.

One member served as Twiggs County Chairman of the Red Cross Drive, and raised \$192.00 for this cause. Our Chapter reports 100 per cent membership in the Red Cross.

Annually, we give Good Citizenship Medals in the seventh grade of each of the seven localities represented in our Chapter. Much

interest is shown in this award, and the continued development of these youthful Good Citizens is most gratifying to our Chapter.

State and National dues have been paid, of course, and our members continue to respond to humanitarian calls, subscribe to Red Cross, assist in drives and purchase of Christmas Seals.

Our Chairman of National Defense is the local high school history teacher and makes wide use of the National Defense News in her classes. Other members of the Chapter find this bulletin helpful too, one using it recently in a missionary society discussion of the Malvern Conference.

We continue use of the D. A. R. and C. A. R. Guide to Motion Pictures among local members and their friends.

This year the Chapter Constitution and By-Laws have been carefully studied and revised to meet the needs of the Chapter. Mrs. W. A. Fitzgerald, who has served as Regent since the organization of the Chapter, concluded a long tenure of success as Regent and retired to the place of First Vice-Regent.

The Chapter voted to show the Ellis Island film at Lumpkin and Richland, but found that the film could not be used on the machines of the theatres.

Mrs. S. L. Akers, Regent

Patriotic observances have been planned in connection with our National holidays and a radio broadcast was arranged for Washington's Birthday.

The Junior Group has been active, has doubled its membership, and has presented excellent programs at its monthly meetings. In December they served as joint hostesses with the Nathaniel Macon Chapter when both Chapters heard the Wesleyan Glee Club in concert.

The Children of the American Revolution were in charge of the program at the November meeting of the Chapter. At present, under the direction of an archeologist at the Ocmulgee National Monument, the members are making a small scale model of the council chamber there. This model will be sent to Washington to the National meeting in April.

Parker, Past State and Chapter Regent, the Chapter has concentrated its efforts on this fund rather than make contributions to the S. B. C. Morgan Loan Fund.

In addition to this, contributions have been made to the British Relief Fund and in the Bundles for Britain enterprise by individual members. Information to Members

The following resolution which applies to the **nomination of a State Regent by Chapters** appears in the Proceedings of the Twentieth State Conference, 1918:

"Resolved, That it is the judgment of the Executive Board that **nominations for State Regent** should not be made by Chapters earlier than three months prior to the meeting of the Conference. When so made they shall be furnished to the State Editor for publication."

At the opening of the State Conference, by **unanimous consent**, the rights and privileges of delegates may be voted to the State

Chairman and Honorary State Regents, **with this exception**, State Chairman and Honorary State Regents cannot vote in the election of State Regent and State Vice-Regent unless they have been elected delegates by their respective Chapters and so registered with the Credentials Committee. (The election of the State Regent and State Vice-Regent must be confirmed by the Continental Congress).

Each State Conference may by a two-thirds vote, adopt such additional rules of order as it may deem advisable for the government of that Conference, provided they are not in conflict with the Constitution and By-Laws of the National and State Society.
