Non sibi sed alisis—OGLETHORPE'S MOTTO

GEORGIA NOMINATES A PRESIDENT GENERAL

Madame President General and Members of the 53rd Continental Congress:

Thirty-four years of service — thirty-four years of work for our National Society. This is the service time of Mrs. Julius Young Talmadge of Georgia. Mrs. Talmadge served the Elijah Clarke Chapter of Athens, Georgia, for five years as Treasurer, then as Chapter Regent. She has served as State Chairman of National Defense, State Recording Secretary, State Vice-Regent and State Regent, Recording Secretary General, Vice-President General and as the First National Chairman of the Student Loan Fund Committee. She was also the National Chairman of the Magazine Committee.

Because of her interest Georgia now has a \$30,000 Student Loan Fund and a \$5,000 Student Loan Fund which is called the May Erwin Talmadge Loan Fund. It was when Mrs. Julius Young Talmadge was National Magazine Chairman that the Magazine for the first time was put on a paying basis; it was while she was National Magazine Chairman that the Magazine obtained the largest number of subscribers ever obtained before or after.

Mrs. Talmadge is a woman of keen business ability, having taken over the management of her late husband's many and varied business interests. She manages most successfully her large cotton plantations, pecan groves and other personal property, and is a recognized leader in the financial and business life of the South.

Mrs. Talmadge is a woman of unusual executive ability; a born leader, she possesses that passion for patience and "know-how" of survival, plus a sense of history that enable her to work with people and for people. Mrs. Talmadge is the Mother of Major Harry Talmadge of the United States Army. She often says that the bringing up of this splendid son is her best work and if you could know Major Talmadge you would realize that her labor had not been in vain.

Seven candidates on Mrs. Talmadge's ticket have been National Officers and all are or have been State Regents; six of the number are on the present Board of Management. This fact guarantees a thorough knowledge of the current business affairs of the Society while those who have served through past administrations are familiar with its background and early history. Mrs. Talmadge herself has served on the National Board

of Management through three administrations and thoroughly understands the aims and the projects of the Society for the past twenty-five years.

Twenty-one years ago when I first came to Washington as Chapter Regent I felt lost and lonesome. Over my shoulder came a voice: "May I help you?" It was the voice of Mrs. Julius Talmadge, then State Vice-Regent of Georgia. Mrs. Talmadge never forgets to remember the "little woman" who to most people seems unimportant. Mrs. Talmadge knows the value of friendship — she can give of herself and her charm to all with whom she comes in contact.

Mrs. Talmadge is a deeply spiritual woman and in her life typifies three of life's best attributes: service, sacrifice, and sincerity. She knows the work of the National Society, she has keen business ability, she has executive ability — having proven this by her leadership at home and as President of the National Society of the Daughters of the Barons of Runymede and as President of the National Officers' Club for three years.

Mrs. Talmadge knows the value of friendship and fineness and puts first things first. There is no littleness in the bigness of the spirit of May Erwin Talmadge.

With Esther of old we can say: "Who knows but what she came to us for such a time as this?" We believe she did.

Georgia unanimously presents and with genuine faith and confidence in you, places in nomination the name of

MRS. JULIUS YOUNG TALMADGE

for the office of President General, National Society, Daughters of the American Revolution.

Thank you.

MRS. STEWART COLLEY.

Before the reports of officers and chairmen Mrs. Colley, State Regent of World War II, asked Mrs. Howard McCall to join her on the platform as State Regent of World War I. In acknowledging the introduction Mrs. McCall stated that she was wearing today for her grandson, 18, the same pin she wore for her son in World War I. The minutes of the Spring Board Meeting were read by Mrs. Quillian Garrett, Recording Secretary. Minutes were approved. A rising vote of thanks was given Mrs. Garrett in appreciation of work on 1943 Proceedings.

MINUTES OF THE SPRING BOARD MEETING MARCH 22, 1944

The regular Spring Board Meeting of the Georgia Society, D. A. R., was held on March 22, 1944, at the Biltmore Hotel, Atlanta, prior to the opening of the Forty-sixth State Conference. Mrs. Charles Stewart Colley, State Regent, presided.

Mrs. James N. Brawner gave the devotional, using for her subject the question, "Are We Living Up to Our Ideals?" She stressed our obligations, first, as Christian women who say, "In the name of God we set up our banners;" secondly, as women of our patriotic Society who for over fifty years have stood for the ideals of Freedom, Equality and Justice.

Mrs. John Marshall Slaton led the Pledge to the Flag. The Minutes of the Fall Board Meeting were read by Mrs. Quillian Garrett, State Recording Secretary. With one correction, the Minutes were approved as read.

Mrs. T. C. Mell, Vice-President General, was introduced. She spoke of the war program of the Society and the progress made up to this time. The State Regent stated that she had conferred with and obtained approval of the O. D. T. officer for holding the Conference in war time with war restrictions. Mrs. Mell stated that a new ruling is in effect that ribbons are not to be worn in halls during the war period, this being a time to work for our country and not to display ribbons of authority.

The Regent called for highlights of the officers' reports, full reports to follow at business session Thursday morning. Mrs. Ober D. Warthen, First Vice-Regent, stated that with 79 Chapters out of 83 reporting \$9,882.67 for blood plasma, she hoped the total to reach \$10,000.00 mark. Mrs. E. Mrs. James Nuckolls stated that she had been able to have copies of the Treasurer's Report mimeographed free of charge.

A letter was read from Mrs. Robert J. Travis in regard to the Historical Maps of Georgia. On motion by Mrs. H. B. McMaster, seconded by Mrs. Harrison Hightower, the Chairman of the Committee was authorized and requested to mail two copies of the map to each Chapter Regent, twenty-five copies to the State President of the

C. A. R., and the remainder to the State Regent, the mailing expenses to be paid from the Historical Map Fund and the State Dues Fund.

At this time Mrs. Howard McCall gave a most interesting report of so called the State D. A. R. Library and the McCalled D. A. R. Genealogical Library. The report is so filled with data vital to our Society that no attempt is made to incorporate in minutes but will be published as read in the 1944 Proceedings. The report closed with following recommendation:

WHEREAS, this project has now been completed and this official report has been given; and

WHEREAS, the word "Library" is not appropriate to be used in connection with the Georgia State Department of Archives and History,

THEREFORE, be it resolved, that this State collection of books presented to the State Department of Archives and History be officially named "The Georgia D. A. R. Collection of Genealogical and Proceedings of the 1944 State Conference.

Further resolved that this official report be included in the Proceedings of the 1943 State Conference.

Mrs. Hightower moved that the recommendation be adopted and referred to the Resolution Committee. Motion seconded and carried. Mrs. Eli Thomas, State Chairman of Genealogical Records, asked that the unpublished records in her files be published before the term of the present administration expires. Mrs. Thomas suggested that sufficient money be laid aside to bind the genealogical records in hand and belonging to this administration as collected by her as State Chairman of Genealogical Records.

Mrs. Jena C. Collier, Scrapbook Chairman, was introduced.

Mrs. Leonard Wallace, State Corresponding Secretary, read a letter from the Registrar General in regard to microfilming the census records of 1850, 1860, 1870, and 1880 for records in Washington. On motion of Mrs. Harrison Hightower, seconded by Mrs. Y. Harris Yarbrough, the Board voted that the Georgia Society, Daughters of the American Revolution, have the 1850, 1860, 1870, and 1880 census records microfilmed in honor of the State Regent, Mrs. Stewart Colley, and the Vice-President General, Mrs. Thomas Coke Mell, the total cost of \$549.10 to be taken from the State Dues Fund, with the exception of the amount now in the Library Fund to be used for this purpose.

Mrs. James N. Brawner, State Chaplain, stated that the money sent by the Chapters for memorial flowers amounted to \$16.75. Her motion, seconded by Mrs. W. P. Dunn, that \$6.75 be spent for memorial flowers and the balance of \$10.00 be sent to Lawson General Hospital Recreational Fund, was carried. It was agreed also that the flowers be taken to Lawson General Hospital for patients.

Mrs. J. D. Wadsworth spoke on necessity of the State Chairmen sending out the letters to the Chapter Regents early in the Conference year in order that work may be completed well before Conference.

Mrs. Stewart Colley expressed her appreciation for the splendid attendance at the Board Meeting.

Mrs. Ober D. Warthen, Chairman of National Defense, called attention to the National Defense Exhibit in the lobby of hotel, stating that all material was gratis.

**MINUTES OF THE OPENING SESSION OF THE 46th
STATE CONFERENCE, GEORGIA SOCIETY, D. A. R.,
MARCH 22, 1944**

BILTMORE HOTEL, ATLANTA

Prior to the opening of the 46th State Conference a war dinner was served in the Pompeian Room of the Atlanta Biltmore Hotel under the direction of Mrs. Furman Smith, Chairman, and Mrs. Robert Schussler, Co-Chairman. The tables were decorated with huge cornucopias tied with pastel ribbons, overflowing with Atlanta's garden flowers. Tall white tapers cast a soft glow over the festive tables.

Mrs. Henry J. Baker gave a fifteen minute program of piano music as a prelude. To the stirring strains of patriotic airs the Pages with flags escorted special guests, Ex-National Officer, Honorary State Regents, Honorary National Officers, State Officers and the State Regent to the platform in the ballroom of the Biltmore Hotel.

Mrs. Charles Stewart Colley called the 46th State Conference to order using an historic gavel made from the wood of a tree guarding the grave of Patrick Henry in Virginia. This gavel was presented to the Atlanta Chapter in 1893. In calling Conference to order Mrs. Colley stated that the Georgia Society, D. A. R., had very definite work to do toward the war effort and considered it necessary to hold the 1944 State Conference. The Reverend J. W. Veatch, Chaplain of the Sons of the American Revolution and pastor of the First Methodist Church of Newnan, gave the invocation. The Pledge of Allegiance was led by Mrs. John Marshall Slaton and the assemblage joined in singing the National Anthem. The official hostess of the Conference, Mrs. Mark Cooper Pope, Regent of the Atlanta Chapter, brought greetings to the Conference. After welcoming the Georgia Society to Atlanta, she closed with a prayer for guidance and courage for the days that lie ahead.

Mayor Hartsfield of Atlanta welcomed the members of the Georgia Society to his city. He "sold Atlanta all over again" and in doing so proved an interesting, entertaining speaker. In closing he paid tribute to Governor Ellis Arnall.

Miss Dixie Stevens, Regent of the Joseph Habersham Chapter, brought gracious greetings from her Chapter. Mrs. Stewart Colley responded, expressing the pleasure of being entertained by the Atlanta, Joseph Habersham and Baron DeKalb Chapters.

Mrs. T. Earle Stribling, Chairman of the Good Citizenship Pilgrimage, introduced the 1944 Good Citizenship Pilgrim, Miss Frances Clark of Garfield, Georgia, sponsored by the Adam Brinson Chapter, Summit-Graymont. In lieu of the trip to Continental Congress, Frances was presented a \$100.00 War Bond and a Good Citizen pin. She came to the platform and expressed her appreciation of the many delightful courtesies extended her.

Mrs. Henry Reid, State President of C. A. R., gave her report.

She introduced John Madry, State Chairman of National Defense, C. A. R., who displayed the service flag of the Society. There was one gold star—Carter Baldwin lost his life at Guadalcanal.

Mrs. Colley introduced her official family as follows: Mrs. Ober D. Warthen, First Vice-Regent; Mrs. E. Blount Freeman, Second Vice-Regent; Mrs. James N. Brawner, Chaplain; Mrs. Quillian Garrett, Recording Secretary; Mrs. Leonard Wallace, Corresponding Secretary; Mrs. James Nuckolls, Treasurer; Mrs. W. E. Mann, Auditor; Mrs. Mark Smith, State Consulting Organizing Secretary; Mrs. Y. Harris Yarbrough, State Librarian; Mrs. N. A. Jelks, State Historian; Mrs. David E. Morgan, State Curator; Mrs. Robert Humphrey, State Editor; Mrs. H. B. McMaster, Assistant State Editor. Mrs. A. L. Sealey, State Consulting Registrar, was unable to attend Conference on account of bereavement in her family.

A high spot of the evening was the lovely singing of Anastasia Morinos, a young coloratura soprano. She sang "Una Voca Poco Fa" and "Caro Nome," two difficult Italian arias. As an encore she gave the Bach-Gounod "Ave Maria." She was accompanied at the piano by Herman Allison.

Mrs. Stewart Colley introduced Governor Ellis Arnall and referred to an introduction she gave him some fourteen years ago when she introduced him as a future governor of Georgia.

In opening his address, Governor Arnall referred to the Daughters of the American Revolution as a group of women descended from men and women who made our nation and who are responsible for the liberty of today. He brought out the fact that young men took the lead in those early days of our country's growth just as our young men of today are giving their lives to maintain this freedom. He stressed the fact that we must preserve the America that we know today. In order to do that we must be prepared to keep alive the right of every boy and girl to live his own life, to have his own home and his own business. The opportunity to succeed does matter. Plans are under way to develop the resources of our state agriculturally, industrially and educationally. When our boys return there will be a crisis. We need all of our resources to bring them back to normal living. Governor Arnall closed with these lines from Kipling's "Recessional"—"Lord God of Hosts, Be with us yet, Lest We Forget."

Mrs. Thomas Coke Mell, Vice-President General from Georgia, was introduced. She spoke on keeping our ideals and our courage high, that there be no let-down in our endeavors as a patriotic Society to keep alive the principles of our forefathers.

Mrs. William Harrison Hightower, beloved past national officer, introduced Mrs. J. E. Hays, State Historian; Mrs. James A. Rounsaville, Dean of Honorary State Regents, and Mrs. Bun Wylie, Honorary State Regent and President of the Officers' Club. The Conference hymn, "Faith of Our Fathers," was sung by assemblage.

She showed how by following in the way of courage, discipline and sacrifice we may become a strong Christian nation. Mrs. Walker Dunson closed the devotional exercises with prayer.

GEORGIA DELEGATION—FIFTY-THIRD CONTINENTAL CONGRESS, NEW YORK CITY, APRIL 17-21, 1944

A report from the Georgia delegation attending the Fifty-third Continental Congress of the National Society, Daughters of the American Revolution, in New York City, April 17-21, 1944, may be summarized in nine glowing words: "We elected our beloved May Erwin Talmadge President General!" This indeed was the keynote of Congress for Georgia, and the love and loyalty of May Talmadge's home state was strikingly evidenced in the large and enthusiastic delegation—one of the largest on record for Georgia—who thronged to New York to give her their support and, after the adjournment of Congress, returned to Georgia singing paeans of victory.

Miss Grace Anderson, Secretary to Mrs. Talmadge, was in charge

of the Talmadge headquarters at the Commodore Hotel. These rooms were filled with a constant stream of admirers and well-wishers from all over the nation. Here, Mrs. Stewart Colley, State Regent, greeted the guests and gave information to the Georgia delegates.

Highlighting the many brilliant social events of Congress was the Georgia tea honoring Georgia's candidate for President General, Mrs. Julius Young Talmadge, which was held in the Jade Suite of the Waldorf Astoria Hotel on Monday afternoon, from 5 to 7 o'clock, with the Georgia delegation hostesses. As the guests entered the drawing-room they were received by Mrs. Stewart Colley, State Regent; Mrs. Talmadge, honoree; Mrs. Thomas Coke Mell, Vice-President General from Georgia, and Mrs. Ober DeWitt Warthen, State Regent-Elect. In the main salon, where refreshments were served, the members of Mrs. Talmadge's cabinet were also present to greet the guests. Including the Georgia hostesses, there were more than 1,600 D. A. R. present on this memorable occasion.

Members of the Georgia delegation were guests of Mrs. Talmadge at a breakfast on Tuesday morning, in the Tudor Room of the Commodore. Conversation at this informal and delightful affair centered around Georgia's distinguished candidate and her excellent prospect of election. Mrs. Harrison Hightower, Honorary State Regent and ex-Vice President General, who was unable to attend Congress because of illness in her family, was sent a "round robin" letter, signed by her friends attending this breakfast, in which regret over her absence was expressed.

On Tuesday afternoon, at 4 o'clock, in the South Room of the Commodore, was held the regular business meeting of the Georgia delegation. Mrs. Stewart Colley, State Regent, presided, outlined election plans, and spoke of the coming events of Congress. Enthusiasm and confidence in Mrs. Talmadge's victory soared high at this gathering.

OFFICERS' REPORTS

MESSAGE TO D. A. R. CONFERENCE

MARCH 23, 1944

By Mrs. Stewart Colley, State Regent

In the January 3 issue of Time Magazine there were pertinent remarks about the Man of the Year. Four men were described, each by a phrase. There was—

Churchill, with an appetite for living—

Chaing Ki Shek, with a passion for patience—

Stalin, with the know-how of survival—

Roosevelt, with the sense of history.

None of these men sought to "by-pass" the future as three other men were doing. They were planning for a tomorrow's world. The tomorrow of the world was there in embryonic mass. Could we, as Christian Americans, possess any more attractive attribute for living in tomorrow's world?

We are talking together, not only as American women, but as Christian American women, because it was for love of the Christ, love of freedom, that our forefathers fought.

Today, when life is so cheap, when the heart of the world is aching, there are many who possess an appetite for living. This is a normal appetite, but we are not living in a normal world. To live today, we must meet the challenge of tomorrow. But how we live today may determine the world's tomorrow. The world has an appetite for living. Could it be that the world is hungry—God—hungry? That it needs the bread of life, the meat of the spirit, and the milk of the world for a well balanced daily diet?

Chaing Ki Shek—with his passion for patience.

Once after we had finished our evening prayer, during which prayer, I had prayed for patience, my little girl said, "Mother, what's patience?" Before I could answer, she asked again, "Is it waiting?"

"Yes, darling."

"Is it necessary to be good?"

"Yes, darling," I said, and thanked God for the wisdom of childhood.

True to his Chinese tradition, Chaing Ki Shek not only possesses patience, but has a passion for patience and a passion for prayer. We, of America, are not famous for our patience. I speak from experience, because it is for patience that I strive daily, almost hourly. We, of America, must have determined patience, because we must have the long view for a just and durable peace. Democracy of today can only survive as it dares to act as it believes.

Stalin—with the know how of survival—

America is such a young country, we have dared to put the name of God in our Constitution, on our coins and in our courts. Are we a country who says, "O! God," instead of "My God?" America is thought of all over the world as a Christian Nation. Can we survive unless we have the plus quality, the will to live and let live, unless we dare to practice the true meaning of democracy, liberty, and justice for all?

Recently we heard Eric Johnson, president of the United States Chamber of Commerce, say that he wasn't particularly interested

in having milk on the table of the Tyre and Hottentot children of the world but he was interested in having milk on the table of every American child. Can not a man as wise as he is, see that milk on the table of the American child can only be secure when it is on the table of every child? In order to possess the know-how of survival, America must put into practice that for which she stands, that for which our boys are fighting, and dying, the right to life, liberty and the pursuit of happiness and to realize that there is enough of each to go around the world.

Roosevelt—with the sense of history.

We who forget the past cannot properly evaluate the future. Nor can we of today fail to recognize the fact that we need faith, wisdom and courage for the facing of this hour.

We are actors on the world stage, in the most terrible drama man has ever witnessed. This is a moment in a thousand years. We are history-makers. What we do today in America will be written in the world of tomorrow.

We believe there was a fifth guest at that table, that our Lord Jesus Christ was there watching over the destiny of the world. We believe He was tugging at the heart strings of each of those leaders because of praying people at home. Christ is the past, present and future, all mingled in one. He is the changeless Christ, in a changing world.

Women of the D. A. R.—we have a larger responsibility. We must not be only Americans, but Christian Americans—World Citizens—who realize that “by their blood ye shall know them,”—that because of our heritage, our concept for service, for justice and mercy will be greater.

As mothers and grandmothers of the world of tomorrow, we must possess an appetite for living the righteous life; the passion for patience for the living of this hour; the know-how of survival in order that we, as history makers, must be true to the faith of our fathers. We must be true to Christ today in order that we may be true to the Christ of tomorrow in a valuable way. We cannot “by-pass” the future. It is our responsibility in today's world.

STATE FIRST VICE-REGENT

Mrs. Ober D. Warthen

As your State Vice-Regent my real work has been done under the Committee of National Defense Through Patriotic Education.

I attended Continental Congress in Cincinnati and have attended all meetings of the State Conference and State Board.

Transportation difficulties have made it impossible for me to accept many Chapter invitations but they were appreciated as were the many lovely Chapter Year Books.

I should like to take this opportunity to express my sincere thanks for every courtesy shown me during my term of office and for the honor and privilege of serving as Vice-Regent under the dynamic leadership of our Regent, Mrs. Colley.

STATE SECOND VICE-REGENT

Mrs. E. Blount Freeman

In presenting this, my second and final report as your Second Vice-Regent, although my duties have been few, I am mindful of the honor and responsibility the office carries in upholding the traditions of our Society. This I have endeavored to do. To each call made by our State Regent I have responded gladly.

It was my happy privilege to attend the December meeting and Christmas tea of the John Ball Chapter, also to represent the Georgia Society at the unveiling of a Government Marker over the grave of the Revolutionary soldier, William Mitchell, in Wilkinson County. It is a matter of sincere regret that, because of war time restrictions as to travel, I could not accept delightful invitations from other Chapters.

As my term of office draws to a close, let me again say, "I thank you," for the lovely Year Books and other courtesies shown your Second Vice-Regent, and assure you that the past two years have been filled with inspiration and the joy of service.

REPORT OF STATE CHAPLAIN

Mrs. James N. Brawner

During the past year the work of the State Chaplain has been a privilege rather than a duty.

The contacts with Chapter Regents and Chaplains over the State by cards and letters, have been the source of many acquaintances. The privilege of sending messages of sympathy to those in sorrow, has been a service of love.

Your Chaplain has sent one hundred and eighty post cards, thirty-six letters, and two cards of condolence. Two memorial programs were sent upon request to Chapter Chaplains.

At the request of the Chaplain General, to whom a copy of last year's devotional, "Hymns of the Bible," was sent, your Chaplain has sent copies of same to forty-two State Chaplains. In return, many generous letters of appreciation have been received. Also, a dozen or more gifts which included the following: Three books of prayers, the original manuscripts of two stories, original copies of two songs, and numerous cards of condolence, used by other Chaplains.

Your State Chaplain will ever hold as a treasured memory the happy association of these past two years with the officers, chairmen, and members of the Georgia Society D. A. R.

Forty-three members have died during the year and nine sons of members.

REPORT OF STATE RECORDING SECRETARY

Mrs. Quillian Garrett

It has been my pleasure to attend all Board meetings and State Conferences and to record the minutes of these meetings.

Early in February a letter giving information about reports was mailed to all officers, chairmen and Regents. The response has been gratifying. In order that the names of your Regents may appear in the 1944 Proceedings I urge you to send names as early as possible.

In leaving this office I wish to express my grateful appreciation for your courtesies and cooperation.

STATE CORRESPONDING SECRETARY

Mrs. Leonard Wallace

It has been a distinct privilege to serve the Daughters of the American Revolution of Georgia as Corresponding Secretary. Mrs. Colley has made the work most interesting and it has been a pleasure to be associated with her.

During the year I have mailed 561 invitations, letters, and announcements, sent two telegrams and mailed 3,000 invitations for the Georgia reception for Mrs. Julius Y. Talmadge.

STATE AUDITOR

Mrs. W. E. Mann

The Treasurer's books have been audited by L. P. Dowdell, Jr., C. P. A., and found correct in every detail; and it is my pleasure to concur in this report and to express appreciation of the excellent work of our Treasurer, Mrs. J. T. Nuckolls. I move the adoption of this report.

STATE CONSULTING ORGANIZING SECRETARY

Mrs. Mark Smith

It is with regret that we report no activity as to the organization of new Chapters, which at this particular time did not seem practical. The work of the Chapters in the Georgia Society has been outstanding from the standpoint of various phases of civilian defense and war work. We hope in the near future additional Chapters will be added to our roster.

STATE LIBRARIAN

Mrs. Young Harris Yarbrough

It is gratifying to know that our National Library in Continental Hall, with its spacious quarters, made available to the ever increasing number of visitors, searching for genealogical and historical information, is becoming one of the finest in the country.

Our Daughters, realizing more and more the books which we need are becoming scarce and out of print, are helping to find these much needed books and old records.

The following books and records were sent this year:

Births, marriages and death notices from old copies of the Hartwell Sun, 1881-1896—Compiled by Laura Lee Satterfield, John Benson Chapter.

Family records, Greens, Adair and allied families—Compiled by Mrs. Howard H. McCall.

Historical and Genealogical records; Part I—Compiled by Mrs. Howard H. McCall; Part II—Compiled by Mrs. Charles F. Rice.

History of Gwinnett County by James C. Flanigan (1818-1943).

Historical and Genealogical records of Wilcox County; Sent by Gen. David Blackshear Chapter.

Southern Genealogies—Compiled by Henrietta Sanders Freeman.

History of the Gable family.

Childhood and Boyhood Recollections by W. M. Hutchinson and some members of the Hutchinson, Hall, Monk, and Manning families by W. M. Hutchinson—sent by Mrs. Y. Harris Yarbrough.

Proceedings of the 45th Annual State Conference, Georgia D. A. R.

Index to Head Cox Families and Photostatic copy of Revolutionary services of Benjamin Head of Spottsylvania County, Virginia; sent by Mary H. Burton, General James Jackson Chapter.

Scott Family Chart; sent by Eliza C. Earthman, Baron DeKalb Chapter.

One copy of Georgia Historical Quarterly, containing complete record of proceedings held on St. Simon's Island, Georgia, July 7, 1942, in commemoration of the 200th anniversary of the Battle of Bloody Marsh—sent by Brunswick Chapter.

Two blue printed copies of complete charts and indices of fam-

ily connections and ancestors of Samuel Rufus Jones and his wife, Mary Adele Yost; Will of Ezekiel Stafford; Bible record of Davis family; sent by Brunswick Chapter.

Every Chapter reporting contributed books, magazines and magazine subscriptions to our boys in the Armed Forces and to the U. S. O. Centers.

Five hundred and forty-three books and 14,233 magazines were reported sent, with Fielding Lewis Chapter again topping the list, with 12,000 magazines. Many Chapters reported hundreds sent, but no account kept; many report the maintenance of a shelf in their local libraries; others have given books and magazines to schools, hospitals and jails; Elijah Clarke Chapter placed 12 subscriptions to the National Defense News in the schools of the city.

The following Chapters report contributions to a fund for purchasing books for our National Library: Nancy Hart, John Laurens, and Brunswick Chapters, \$5.00 each; Elijah Clarke Chapter, \$2.50; David Emanuel Chapter, \$2.00; Gen. Blackshear, Matthew Talbot, Tomochichi and Gen. James Jackson Chapters, \$1.00 each.

Our Georgia D. A. R. Library, presented to the Secretary of State to be placed in the Georgia Department of Archives and History, and so made available for research workers, has been completed. Over 400 books are in the collection and are composed of rare genealogical books, Bible, cemetery, colonial, Indian, Georgia plantation, Census and tax records. Many unpublished, certified records are included in this collection.

The climax of my two year's work was reached when the resolution, presented by Mrs. Harrison Hightower and your State Librarian, was passed, providing our National Librarian with funds for the microfilming of our Georgia Census records for the years 1850, 1860, 1870, 1880, honoring Mrs. Thomas Coke Mell, Vice-President General, and Mrs. Charles Stewart College, State Regent. These Census records are of inestimable value in verifying the lineage of applicants for membership in our Society.

Your State Librarian wishes to express her thanks and appreciation to those Chapters, who by their interest and cooperation in the work or our Library, have made this report possible.

STATE HISTORIAN

Mrs. N. Augustus Jelks

Pressure of war activities, war time anxieties, and heartaches have been heavy upon all of us but one of our first duties has been to preserve our heritage of the past for the brightness of our future. To this end the Georgia Daughters have bent their best efforts during the past year.

At the request of the Reporter General to the Smithsonian Institute a list of graves of soldiers of the American Revolution with names, birth, death, cemetery, and record of service given was sent by your State Historian in October, 1943.

A copy of "The Georgia Guide" was sent Mrs. Wallis, Historian General, last April.

Two graves of Revolutionary soldiers have been marked this year—fourteen graves located—two stones ordered. The grave of one Revolutionary soldier's wife and three lay members were marked. Much valuable information concerning the marking of Revolutionary soldiers graves has been sent to the office of the Historian General.

Historical Scrap Books are considered a vital part of the work of the Daughters of the American Revolution and it is with pleasure your State Historian reports an increased interest in this work.

Reports show six Chapters presented historical slides and six sponsored historical exhibits. Window displays, seven; several historical plays were presented.

All Chapters answering the questionnaire reported historical anniversaries celebrated. Eighteen Chapters reported having completed and filed Chapter Histories. Ten Chapters reported purchasing a copy of "Historic Restorations of the D. A. R." by Lewis Barrington.

Several historical pilgrimages were made during the year.

Reports show seventy-one dollars in stamps and forty dollars in money given as prizes. Thirty-five medals. Five silver cups were given for excellence in American History. Many Chapters bought bonds—one Chapter reported 100 per cent membership purchasing bonds in the sum of \$2,100. Fifteen manuscripts and documents sent for the Archives Room. Amount expended for historical research, \$33.00.

A book, "History Stories of Milledgeville and Baldwin County" by Leola Selman Beeson, has been published. This book is dedicated to Miss Katherine Scott, Regent of the Nancy Hart Chapter, D. A. R., and to the school children of Baldwin County. This book was sent to the Historian General.

A list of sixty-four Revolutionary soldiers names and widows of Revolutionary soldiers not in "Georgia Roster" by Knight and never published. This list was copied from a book of Rejected Claims in D. A. R. Library, Washington, D. C., and was sent from the William McIntosh Chapter, D. A. R., Jackson, Georgia, Mrs. John Edward Lance, Regent. This list was sent to the State Historian and the Historian General.

The Atlanta Chapter, D. A. R., received a certificate for purchase of a \$25.00 U. S. War Bond to help replace the Battleship "Atlanta." The Regent, Mrs. Mark Cooper Pope, and the Treasurer, Mrs. Carter Prather, signed the log book which will be preserved in the ship.

On June 16, 1943, the Lamar LaFayette Chapter, Barnesville, Mrs. C. M. Dunn, Regent, unveiled a marker at intersection of Zebulon and Thomaston roads on Highway No. 3. This marker was placed on the spot of Lost-town, "Old Newnan." Mrs. Harrison Hightower, Vice-President General, accepted the marker on behalf of the State.

The marker bears the following inscription: "In 1823 the Inferior Court Justice of Pike County selected as site for the county seat. This lot was laid out into town lots and named Newnan for Major General Daniel Newnan, a Revolutionary soldier. Several stores, tavern, temporary court house, and many dwellings were built. It was a place of considerable trade. Indians from beyond Flint River came to barter their furs. In 1824, Upson County was cut from Pike, throwing the county seat too far from the center. In 1825 a new site was selected and called Zebulon."

Oliver Morton Chapter, Gray, Georgia, Mrs. S. P. Myrick, Regent, reports the Chapter will mark the lost towns of Fortville and Blountsville as soon as stones can be secured.

Several Chapters reported a file composed of the minutes and all year books of the Chapters have been completed. Many Bible and cemetery records have been accumulated.

A list of Representatives and Senators from Newton County, Georgia, 1822-1925, has been kept by Sergeant Newton Chapter, Covington. This Chapter bought two \$100.00 War Bonds.

A list properly recording names of soldiers in service, relatives of our D. A. R. members, will be placed in Honor Book and sent to Historical Research Committee before Continental Congress.

Year Books sent by Chapters to State Historian were received and read with much interest and pleasure.

Birth, marriage, and death notices from Hart County were copied, bound and presented through the Georgia D. A. R. to the National Society. Also a copy was sent Mrs. Etta T. McCall for Department of Archives.

Practically all Chapters followed the study program outlined by State Chairman of Historical Programs. Your State Historian commends all Chapters answering questionnaire sent by National Chairman of Historical Research Committee. This is the only method we have in recording work done by Chapter Historians.

As State Historian again I offer my deepest thanks and earnest congratulations to the Chapters who have carried on the historical work of this splendid organization during these trying days and to the State Regent, Mrs. Colley, for her superior leadership which has served as an inspiration.

STATE CONSULTING REGISTRAR

Mrs. A. L. Sealy

It was my privilege to contact each Chapter Registrar by letter last September, stressing the importance of keeping the State Membership File up-to-date by immediately reporting to this office any change in Chapter membership. Specimen cards were enclosed in each letter to aid in making cards for new members.

The Registrar is especially grateful to Mrs. John C. Walker, new Regent of Stephen Hopkins Chapter, Marshallville, for sending membership cards for her Chapter. The State Membership File is now complete, except for membership cards from one Chapter.

All letters of inquiry have been answered promptly. Information available from the library of this office has been sent to persons requesting assistance in completing lines.

The list of books in the library is the same as last report, except for the addition of a beautifully bound copy of Proceedings of the Forty-fifth Annual State Conference, and several Chapter Year Books.

Your Membership Chairman submits the following report: The William McIntosh Chapter wins the prize of \$5 in War Savings Stamps for making the largest percentage net gain in membership during the year. The Chapter membership increased 37 per cent. The Stephen Hopkins Chapter, Marshallville, with a net gain of 31 per cent, and Captain John Wilson Chapter, Thomson, with 28 per cent, receives \$2.50 each in War Savings Stamps.

From March 1, 1943, to March 1, 1944—admitted 123; reinstated 36; resigned 107; dropped 18; deceased 47. On February 1, 1944, the Treasurer General gave the following report for Georgia: Chapter membership 4,326; at large 40; total 4,366.

STATE CURATOR

Mrs. David Emmett Morgan

Since February, 1942, the D. A. R.'s war work under the Red Cross Committee has been carried on in the north gallery of the National Museum which was cleared for that purpose. In April, 1943, a much enjoyed exhibit opened, Stitchery and Weaving. A

Silver and Early Metalcrafts exhibition, with gallery talks, was held from October to February. This exhibit drew such a steady stream of visitors that it has been extended through April, 1944. Three Museum exhibits have been reported by Georgia Chapters.

The Georgia Society, D. A. R., voted at the 1943 Spring Board Meeting, to give \$50 for maintenance to Meadow Garden. A motion that Meadow Garden be put back on the Honor Roll carried. This Museum is open on Sunday afternoons to soldiers, and men from all states and foreign lands have registered.

We sent to Rhodes Memorial Hall a brief history of LaGrange and Troup County compiled by the late Clifford L. Smith, with hand painted illustrations by Mrs. C. L. Smith. Mrs. Hayes, State Historian, wrote: "Thank you so much for the most attractive history of LaGrange. I am delighted to have this for our files, and feel sure it will be of interest to anyone who is looking up LaGrange, for it surely brings out points of interest. Mrs. Smith is very clever with her brush, for the elms and roses are lovely and lifelike."

Mrs. R. G. Hunt, Curator of Pulaski Chapter, Griffin, has established in the Sunday School Annex of the First Methodist Church a sacred and historic museum. The contents are valued at about \$2,000 and growing from month to month. Talks on Palestine, Egypt and China are made by the founder, in Chinese costume, trying to interest Christians in aiding China. Large maps of these countries are displayed.

Mrs. H. W. Caldwell, Museum Chairman of LaGrange Chapter, has an interesting project. She is collecting relics for a cabinet for LaGrange Chapter room in Bellevue, historic home of Benjamin Harvey Hill. The LaGrange Woman's Club owns the building and has invited LaGrange Chapter to furnish a room for its use when the place is restored.

Seven dollars was sent to the National D. A. R. Museum, \$2.00 from LaGrange Chapter, and Mrs. D. E. Morgan sent \$5.00 for Museum maintenance.

Mrs. J. O. Wynn, Chairman of Atlanta Chapter, reported the gift of an autographed copy of Mrs. Roger Pryor's photograph, which was accepted by the National D. A. R. Museum.

Mrs. J. H. Pledger, Regent of Sunbury Chapter, Winder, gave a chair more than 100 years old, and an old spinning wheel, to the C. A. R. Chapter House there. She gave a land grant, one hundred years old, for the Chapter Scrap Book.

STATE EDITOR

Mrs. Robert H. Humphrey

My report has been presented to you each week through the official D. A. R. column in the Atlanta Constitution. It has been a privilege and pleasure to serve you in this capacity. In making this, my last report as your State Editor, I wish to express my appreciation to all the State Officers, State Chairmen, Chapter Regents and Press Chairmen, who have cooperated with me so splendidly. I am deeply grateful to Mrs. H. B. McMaster, Assistant Editor, for editing the column so ably for three months. My sincere thanks go to Mrs. Bessie Stafford and Miss Yolande Gwin, of the Atlanta Constitution, and their entire staff for their many courtesies, friendly cooperation and assistance.

Due to shortage of space allowed it has been necessary to cut

publicity, but as nearly as possible all material sent in has been published.

Seven Chapters have sent in two reports of all Chapter meetings and other publicity, the Elijah Clarke of Athens, Nancy Hart of Milledgeville, Savannah of Savannah, Colonel William Few of Eastman, LaGrange of LaGrange, Sergeant Newton of Covington, and Governor David Emanuel of Swainsboro.

The Mae Phillips Mims Trophy is awarded the Governor David Emanuel Chapter, Swainsboro, Mrs. W. E. Gray, Regent, for the best material sent in for the D. A. R. column in the Atlanta Constitution. The State Editor's Award of \$5.00 is also presented to the Governor David Emanuel Chapter for the most outstanding article sent in during the year.

My sincere desire is that you give the incoming Editor the splendid cooperation that you have given me. I assure you of my sincere appreciation for the privilege of having served as your State Editor.

STATE ASSISTANT EDITOR

Mrs. H. B. McMaster

In bringing my second year's report to you as Assistant State Editor of the official D. A. R. column of the Atlanta Constitution, I wish to express my grateful appreciation to each of you for your splendid cooperation and the understanding that you have shown.

During these trying times, when all printers have more than they can handle, and paper is becoming increasingly harder to obtain, as well as steadily increasing in price, through the loyalty of the Atlanta Constitution, we have been able to carry on. We, as Daughters of the American Revolution, want the Atlanta Constitution to know that their support has been most helpful.

COMMITTEE REPORTS

NATIONAL COMMITTEES

ADVANCEMENT OF AMERICAN MUSIC

Mrs. Lovick P. Longino

This year the Chapters have made a double effort to express to the committee their "Loyalty through Music." Patriotic music is still the most popular type of programs, and many have written of their effort to learn and sing the National Anthem at each meeting. Fifteen Chapters report some phase of American music at each meeting. Five Chapters sang Christmas carols. Ten Chapters reported having entire program of patriotic music. Three Chapters reported sponsoring American composers in the local schools.

Four Chapters reported observing National Music Week with outstanding programs for Advancement of American Music. The Elijah Clarke Chapter, Athens, the Governor David Emanuel Chapter, Swainsboro, the Nancy Hart Chapter, Milledgeville, the Toccoa Chapter, Toccoa, the William Few Chapter, Eastman, the Edmund Burke Chapter, Waynesboro, have had very fine programs throughout the year.

SUB-COMMITTEE ON AMERICAN INDIANS

Mrs. J. Marvin Gillespie

Early in the fall letters with plans for the year's work with American Indians were mailed to each Chapter in the State. Twenty-seven Chapters responded. This was a decided increase over last year's report.

Programs of much interest have been given during the year. A review of the book, "Indians of Today," was presented to the members of the Colonel William Few Chapter. Programs on American Indians have been planned for the Fielding Lewis and the Henry Walton Chapters.

The work of the Nancy Hart Chapter has been mainly historical, and is found in the book, "History Stories of Milledgeville and Baldwin County," by Leola Selman Beeson, member of the American Indian Committee of this Chapter. A copy of this book has been sent to the National Historian in Washington, D. C.

Mrs. Clayton P. Miller, the Regent of Bonaventure Chapter, reports that no work has been accomplished in the Chapter, however, as a teacher in her classroom, she has conducted an interesting unit on American Indians.

Many Chapters have contributed lovely beads to the Occupational Therapy work at Bacone College, Bacone, Oklahoma; Weimar Sanatorium, Weimar, California, and to Mrs. Will Parcher, Bishop, California. The Governor John Milledge Chapter sent eight pounds. The Tomochichi Chapter reports two pounds sent. The Colonel William Few Chapter sent two and one-fourth pounds. The Nancy Hart Chapter reported beads sent, but did not report amount. Material to be used in the Indian schools is being collected by the Elijah Clarke Chapter.

Cash donations for this work were made by the following Chap-

ters: Governor David Emanuel Chapter contributed \$2; Button Gwinnett Chapter sent \$3.50; John Benson Chapter gave \$1; and the George Walton Chapter donated \$3.00. The members of the George Walton Chapter also made many friendly gestures to the Indians stationed at Fort Benning.

The Red Men are not vanishing. Some authorities have even declared that there are more Indians here today than there were when the first white settlers landed. So as Daughters of the American Revolution, let us not fail to help our Red brothers.

AMERICAN RED CROSS

Mrs. R. L. Carter

This report, incomplete as it is, shows that the Georgia Daughters, under the guidance of their local chairmen, have done excellent work. Especially have they worked in production rooms, on Camp and Hospital Service Committees, and in the soliciting and giving of blood. Two members are serving with the National Red Cross overseas and many are serving at home as executive secretaries, chairmen for home service, production room chairmen, surgical dressing supervisors, staff assistants, and in other capacities.

Reports of the Chapters show the following figures: Red Cross production hours, 162,529; money given to Red Cross, \$12,260 (This figure represents Chapter and individual contributions to Red Cross, kit bags, and blood plasma); blood donors, 127; Nurses' Aides, 24; number attending Red Cross classes, 229; number teaching Red Cross classes, 51; number working with the blind, 16. Fifty-three of the 60 Chapters reporting show 100 per cent in Red Cross membership and in participation in Red Cross activities.

AMERICANISM

Mrs. Hudson Malone

The following message was given to the State Editor for publication in the D. A. R. column of the Atlanta Constitution: Mrs. Horace Jackson Cary, National Chairman, Americanism Committee, National Society, Daughters of the American Revolution, sent the following suggestions to the State Chairman:

First: Every State has many military camps in which there will be found soldiers who are not citizens of the United States. The Government is making concessions for their naturalization. Investigate and provide these soldiers with material for study. Contact the camps in your State, assist the officers in helping these boys to become citizens. There is also an alarming number of soldiers who do not read and write. These also need the help of the Americanism workers. This is a valuable opportunity for service.

Second: Juvenile delinquency has increased with the war activities. Every State has its own problems. This delinquency is an enemy to the Government. Assist the enforcement officers in decreasing this sabotage. Strengthen and enlarge the activities of the settlement schools, juvenile courts, the playgrounds, the Boy and Girl Scouts, Campfire, Naturalization Courts, etc. Some of the most loyal and worthwhile citizens of the United States are these naturalized citizens. Love of Country is a mighty weapon against the enemy.

The seriousness of these war times makes it more imperative that every citizen be instructed in the history, the principles and the ideals of the government of the United States that he may know what he is fighting for, not only in war, but in the peace to follow. Thus, citizenship training becomes a necessary weapon if we are to retain the freedom outlined in the principles of the law of our great country. Emerson says: "For what avail the plough or sail, or land or life, if Freedom Fail."

A Soldiers' Lounge has been maintained by some Chapters—providing food, fruit, cigarettes, magazines, bedroom and bath. Chap-erones have been furnished for USO dances.

Subscriptions to National D. A. R. Magazines and National Defense News furnished libraries, high schools, colleges, universities and Red Cross reading rooms.

The per capita tax by many Chapters has been paid for Citizenship Manuals, National Defense, and also Junior American Citizens. Medals and Defense Stamps given for citizenship and history.

Junior American Citizens Clubs functioning throughout the State; selection of Good Citizens sponsored by most Chapters; Good Citizenship Pilgrim Clubs sponsored.

Chapters took part in program when United States Court granted citizenship to men and women. Manuals for citizenship were distributed. Citizenship training for foreign born and teaching ideals of American Government are some of the accomplishments of Chapters.

Many Chapters are 100 per cent in contributing to Blood Plasma Fund and Bank. Individual members, also Chapters, have bought large sums of War Bonds. Much Red Cross work accomplished through cooperation of Chapters by making buddy bags, sewing in production rooms, furnishing supervisors and workers for bandage rooms, and contributing money. Other phases of work indulged in are: Civilian Defense, Girl Scout, Boy Scout.

APPROVED SCHOOLS

Miss Sue Reid Vason

My message to you in regard to the urgent need of our aid to Approved Schools is not a new one. But I would like to make it more impressive, more imperative. Never have we owed more to the youth of our land. When we speak of youth, it is with bated breath, for our heroes of today are our little boys of yesterday, who so recently laid aside their military toys and school books to enter the arena of actual battle. What can we do to prepare our teen age boys and girls for the gigantic tasks ahead? We can at least give them the foundation of a Christian education to guide them through the problems of battle, and in the work of reconstructing a better world in which to live. For this will be their task.

Practically every newspaper and magazine today carries some article on the subject of "Delinquency." Even the motion picture industries are showing pictures on the subject in an effort to efface this blot on our youth. It is gratifying to know that the schools we foster are pillars of strength in giving the influence of a Christian education, and high incentives to combat this spirit of delinquency. And it is heart-warming to receive such splendid reports of progress from our students. I point with pride to a book recently off the press, from Hindman, with block print cover written by Pauline Ritchie, a graduate of Hindman, who made good. After reading

this, we can look to Hindman and our other schools to lead in the fight against Juvenile Delinquency. Isn't it sufficient reward for us to see the torch of education and inspiration passed on by students of our schools to light the way for others?

At this time when so many of our boys and girls are preparing to give their all to the service of their country, it is our opportunity and privilege to equip them for more efficient service, and for life in a happier world which they will construct after the smoke of battle clears away. I am proud to give you the following report of our work for the year:

Sixty-three Chapters have contributed to Approved Schools: to Tamassee, \$782.50; to Kate Duncan Smith, \$284.00; to Martha Berry, \$15.65; a total of \$682.15. Twenty boxes of clothing valued at \$500.00 have also been contributed.

Among items of outstanding interest, I would like to report the continuation of two scholarships to Tamassee, and one scholarship to Kate Duncan Smith by the John Houston Chapter of Thomaston; and the donation of one dollar from each member of the Sunbury Chapter of Winder to Approved Schools. Mrs. Harrison Hightower, who has so devotedly aided Approved Schools, has pledged to give a recreation room at Tamassee to be known as the "Joy Room" in memory of Richmond Walton McCurry. She has paid \$1,000.00 toward the \$2,000.00 she is contributing on this room. Mrs. Julius Y. Talmadge, of the Elijah Clarke Chapter, Athens, continues her annual scholarship of \$100.00 to boys at Tamassee. The amount of \$195.00 has been donated by various Chapters to the Marion Sibley Wiley Victory Fund.

I wish to take this opportunity to thank each one of you for your splendid cooperation in the educational work of our youth.

CONSERVATION

Mrs. J. Harold Nicholson

Conservation of human life and health for manpower abroad and at home and conservation of national resources for economical use are of greatest importance today. We, Georgia Daughters, realize this and are making every effort to keep before our communities ways and means of unifying our work in saving vital materials.

Seventy Chapters replied to my cards, letters and questionnaires in the following report: Every Chapter has a Conservation Chairman and has had one or more programs on some phase of Conservation. Members of the War Production Board and other prominent speakers have addressed meetings on the salvage program. Six Chapters aided "Becker Boys and Girls." Thirty Chapters co-operated with Campfire Girls, Boy Scouts, 4-H Clubs, Home for Children, County Welfare Boards, recreation centers in high schools, Salvation Army, Blue Birds, and C. A. R. in programs for youth betterment. Money, clothes and books were donated, medals awarded, safety campaigns promoted, entertainment furnished and clinics maintained. Fifty Chapters are doing civic and charitable work in cancer control, child welfare, polio and tuberculosis drives and baby clinics. An estimate of six thousand dollars was spent in educational work. Conservation of spiritual life has been stressed by talks and by teaching in schools and churches. Members of the Elijah Clarke Chapter, Athens, and the Nancy Hart Chapter, Millledgeville, have been active in colleges and hospitals in their re-

spective cities. Your Chairman is a member of the Georgia Salvage Committee and Chairman of her County Tuberculosis Committee.

Hundreds of pine, peach trees and other fruit trees and also grape vines, rose bushes, shrubs and bulbs were planted. Many Chapters contacted our State Forester. Posters, leaflets, illustrated letters, educational exhibits, lectures and slides were used to emphasize the importance of Forest Fire Prevention. Fifteen Chapters encouraged soil and wild life conservation. Salvage was an important project. Every member saved fats, foods, tin, gas, rubber, clothes, hose and paper. Victory gardens were planted by members of sixty Chapters. Members of thirty Chapters attended classes in nutrition and home nursing. Thirty Chapters supported the Wartime Highway Traffic program. Your Chairman mailed pamphlets to each Chapter on "Save Vital Materials," "Nutrition," "Wartime Highway Traffic Program," "Forest Fire Prevention," and "Facts on Food Waste." Six Chapters sent flower seed to the National Chairman of War Service Gardens for wounded soldiers to plant in D. A. R. gardens in hospital grounds overseas and thus have flowers from home.

In summing up our year's work, the most important part in human conservation has been the donations in blood, time and money to the Blood Plasma Fund. The Etowah Chapter, Cartersville, donated the Blood Mobile Unit and has been outstanding in this work. Other important work accomplished by every Chapter is the canning of fruits, vegetables and meats.

The total amount expended cannot be estimated in money but may be appropriately expressed in the now historic words, "Tears, sweat and blood." And this is what it takes to accomplish our D. A. R. work and win the war.

CORRECT USE OF THE FLAG

Mrs. John M. Slaton, Chairman

Mrs. John R. Bell, Co-Chairman

To the fifty-eight Chapters who replied to our questionnaire and who made possible this report, we are grateful. Believing "no news is good news" there is no doubt that all Chapters pay tribute to and honor our Flag.

The following is compiled from reports received: Nine large Flags were presented; 600 small ones, among this number 150 to C. A. R. Convention and thirty to Cub Scouts. Distributed were 550 Flag Codes as were fifty copies of Flag Law 829, and sixty books on "Our Flag."

There were nineteen corrections made on incorrect display of the Flag. Sixty-eight essays were written by school children and four original papers were reported. An article, "Our Flag's Development—Evolution of the Flag of Our Country" appeared in the September 1943 D. A. R. Historical Magazine and a Flag Day essay was accepted by the National Filing and Lending Bureau. Most Chapters open their meetings with the Pledge of Allegiance and the singing of the National Anthem. Emphasis has been made not only at Chapter meetings but in schools and in other organizations that the Salute in the Pledge of Allegiance be given correctly, with the ungloved hand on the heart.

The name of this committee "Correct Use of the Flag" suggests enlightenment, knowledge and progress. Chapters have been active

in carrying out these practices. There have been guest speakers on many special programs sponsored in schools, churches and Chapters; pageants were presented; one school made booklets on "History of Our Flag;" there was one radio talk on the Flag and several Chapters report having published in local papers series of articles on the Flag. All Chapters seem to take as a special endeavor the display of the Flag on all patriotic days.

The loyalty being now shown in this time of stress is due in part to the effort to bring about universal respect for the Flag and admiration for the ideals and traditions for which it stands.

May each Daughter remain alert to the noble duty which is hers by heritage.

GOOD CITIZENSHIP PILGRIMAGE

Mrs. T. Earle Stribling

The D. A. R. Good Citizenship Pilgrimage Committee came into being as a further development of a citizen training project which the Honorable Ruth Bryan Owen Rhode carried on while she was a member of Congress from Florida.

Each year she financed and conducted a party of thirty-six high school students—a boy and a girl from each of the eighteen counties in her district, to Washington, D. C., that they might see in action the Government under which we live.

Mrs. Russell William Magna, President General of the National Society, Daughters of the American Revolution, visioned the necessity for education of the young women of our country and the National Committee was created by Resolution of the Forty-third Continental Congress, April 1934, with the President General as Chairman.

Under the Resolution senior girls of four-year senior high schools throughout the country were to be included in a presentation of Good Citizenship ideals. These girls would strive to obtain the qualities which make for good citizenship—DEPENDABILITY, SERVICE, LEADERSHIP, PATRIOTISM.

At a given time members of the senior class in each school would select by vote the outstanding girl citizen. This plan was later changed to the senior class naming three girls and the school faculty was to select the one who would become the candidate from that school for the Pilgrimage to Washington from her state.

The first Pilgrimage to Washington was in April, 1935. There were seventeen states represented.

In 1942 when the Continental Congress was forced to leave Washington, due to war conditions, and go to Chicago, the Pilgrims were carried there. Beginning with 1943 this plan was discontinued as travel and hotel facilities were already taxed to the limit, and the plan of awarding each State Pilgrim a \$100.00 War Bond, Series E, was adopted to last through the duration until the original Pilgrimage can be continued.

This year Georgia has had more schools to participate in this citizenship project than any previous year, there being 142 candidates. Miss Frances Clarke, Garfield High School, Garfield, is the 1944 State Pilgrim. She was presented to the State Conference and received her War Bond.

The purpose of the work of the committee is to bring to the minds of the young women of our land the privileges of citizenship and the responsibilities which make these privileges possible. And to quote the words of John Morley, "A state cannot be better

than the citizens of which it is composed. Our labor is not to mould States but to make Citizens."

GOOD CITIZENSHIP PILGRIMS' CLUBS

Mrs. T. Earle Stribling

The following recommendation from the National Board of Management to the Continental Congress of 1943 was adopted—That the Good Citizenship Pilgrims Clubs Committee be discontinued, this change to become effective immediately following the Congress of 1944.

This recommendation is to discontinue the clubs of the candidates from the various high schools and has nothing to do with the Pilgrimage. The number of these candidates has become so large that it is a burden on the State Regents to attempt to contact and keep in close touch with them. The Regents are delighted with the Pilgrimage and the Pilgrims but the number of high school Pilgrimage candidates have piled into the thousands and to continue the contact with them will be a great expense as well as much work.

Georgia has two active Good Citizenship Pilgrims Club at the University of Georgia, Athens, and Georgia State College for Women at Milledgeville. There are 46 members in the 1944 Clubs and their activities have centered around Red Cross and National Defense Work. These girls cut out and made, 350 Christmas socks, which were afterwards filled with fruit and candy for soldiers; \$10.00 were given toward Buddy Bags; work given weekly to Red Cross; helped at Nursery School and a box valued at \$25.00 sent to Tamassee.

The suggestion has been made that these clubs be continued in localities where the need is great and they serve a definite purpose. As the retiring State Chairman of this Committee I recommend the continuance of these clubs in our college towns.

D. A. R. MANUAL OF CITIZENSHIP

Mrs. P. L. Hay

Letters were sent to all Chapters in the State in September suggesting ways of using the Manuals of Citizenship and asking how many each could use and asking them to contribute to Manual Fund as per the Honor Roll requirement.

Twenty-five Chapters contributed ninety-six dollars and sixty cents (\$96.60); 1,575 Manuals were distributed in the following places: Military camp libraries, soldier service clubs, training school for boys and girls libraries, high schools, colored schools, local schools, military prison camp, young peoples' groups, Church centers, Boy Scouts, draftees, Naturalization Courts.

The Manuals have been received with great appreciation, especially in the Naturalization Courts where they were given to each applicant for citizenship. These courts were attended by committees from different Chapters. Some Manuals were given to foreign boys who had escaped from Germany and joined our army.

ELLIS ISLAND

Mrs. C. H. Leavy

Out of 84 Chapters in Georgia 56 reported paying quota for Ellis Island work, amounting to \$142.30. Nineteen Chapters paid \$137.60 for special cash gifts, some of whom did not pay quota. Twenty-seven Chapters reported having Chairmen of this Committee; eight had special programs; three showed Ellis Island film; one knitted for Coast Guard, with only one reporting sending a box of materials. Most Chapters seemed to feel that a cash contribution was more needed than a box.

Chapters contributing special cash gifts included: George Walton,

\$5.76; Savannah, \$5.00; Gov. David Emanuel, \$25.00; Bonavenure, \$5.00; Sergeant Newton, \$2.00; John Houston, \$19.00; Nancy Hart, \$2.00; Col. William Few, \$2.00; Toccoa, \$5.00; Council of Safety, \$5.00; Joseph Habersham, \$5.00; John Clarke, \$1.00; Brunswick, \$15.00; Jahn Ball, \$2.00; Gen. David Blackshear, \$6.10; Oglethorpe, \$15.00; Thronateeska, \$5.75; Tomochichi, \$2.00; Elijah Clarke, \$19.75.

I greatly appreciate the fine cooperation of all Chapter Regents and Chairmen during my term as State Chairman, and especially do I thank the State Treasurer, Mrs. James Nuckolls, for her invaluable aid in securing correct figures for my report.

Perhaps other Chapters paid their quota, or contributed cash gifts after my report was filed, which I regret not being able to include in this.

FILING AND LENDING BUREAU

Mrs. Grover C. Barfield

Information concerning this Bureau was mailed to all the Chapters last November.

Many exceedingly interesting and informative papers have been sent to this Bureau.

Radio programs and outside speakers have been used to a great advantage this past year, helping the Victory program. Therefore, a smaller number of papers were sent in this year. The State file has added several good papers this year which are available to all Chapters. This data is of local interest.

The Katherine Daniel Trophy offered for the greatest number of papers of permanent value has been awarded to the Elijah Clarke Chapter of Athens, Miss Ellen Bradbury, Chairman.

Serving as Chairman of this Committee, I have enjoyed this privilege and pleasure and I thank everyone for their excellent cooperation and assistance in making this fine report possible.

GENEALOGICAL RECORDS

Mrs. Eli A. Thomas

To the seven Chapters doing the Genealogical Records collecting which makes up my report this year goes my heartiest congratulations and approval for, though the strain and stress of a global war with either kin or dear friends involved has weighed heavily, still they have kept up the vital work of collecting genealogical data which might be lost forever if the gathering is delayed. My advice to all is take time now and copy for preservation all known genealogical material.

The following Chapters report work being done: The Joseph Habersham of Atlanta, Nancy Hart of Milledgeville, and Fielding Lewis of Marietta.

The Barnard Trail Chapter of Sylvester sent in the Pension papers of John Cavender of Ohio, born January 1, 1781, containing a Revolutionary War record and family line, also the 1883 Pension list of Tennessee.

The Brunswick Chapter sent the will of Ezekiel Stafford dated 1853, the Family Bible record of Oliver F. Davis, the oldest date 1798, and reported having sent to the D. A. R. Library in Washington, D. C., two blueprint family charts of Samuel Rufus Jones

and his wife Adele Yost, the gift of Mrs. Alfred W. Jones of Sea Island, Ga.

The Savannah Chapter sent the full family chart of the Hamil family, contributed by Mrs. John F. White, Jr., a descendant.

The Sergeant Newton Chapter of Covington, through Mrs. A. L. Loyd, sent the family history of the LeRoy family of New Bordeaux, S. C., compiled list of all of the Representatives to the Georgia Legislature from Newton County from 1825 through 1925, and all the State Senators from the district from 1822 through 1916; also eleven separate genealogical columns clipped from the Covington News.

The William McIntosh Chapter of Jackson reported 58 Family Bible records collected, 279 Tombstone records, and thirteen three-generation charts, and a list of 64 Revolutionary soldiers compiled. Of these your Chairman has received only twelve three-generation charts.

The John Benson Chapter of Hartwell, through Miss Laura Lee Satterfield, reports birth, marriage and death notices from Hart County from 1897 through 1907, and some prior years; Hart County marriage records from 1854 through 1898; Hart County wills, 1854 through 1929; also the wills of Seaborn S. Jones, David Sadler, and Francis Clinkscales; the Cash family genealogy; the Thomas-Pearson family tree; Thornton family data, Stower family records and seven three-generation charts. All are to be bound and turned in.

The Atlanta Chapter collected a mixed collection of splendid genealogical data as follows:

The will of Rev. Charles Anderson of Virginia, date 1712; the family Bible records of Daniel Dodson and wife Sarah Peters, 1792; William Dodson and wife Elizabeth Brown; Isaac Judson of Huntington, Conn., 1781; David Newton Judson, born 1818; William DeGraffenreid Tidwell; the family genealogy of Herman Holley of South Carolina; the Walter Taylor line; a Padgett family record; the tombstone record of Catherine Carlton of Virginia, who married John Freeman of Georgia, a Revolutionary soldier; also the following original documents (now in the Georgia Department of Archives and History): Land grant to Joshua H. Frier, date 1829; land grant to J. M. Cox; land grant to Beaton Daniel, date January 1832; land grant to Robert Freeman; deed from William L. Clayton to Willis Barrington, 1834; deed from Willis Barrington to Zacharial Williamson, 1834; deed from John Pate to David Clements, 1828; bill of sale for Negro woman, dated August 1816; also from the following old newspapers belonging to Mrs. Eli A. Thomas and inherited by her from her grandfather, Judge John Ray, "The Palladium," "The Independent Blade," "The Winchester Daily Bulletin," all published in Newnan, Coweta County, Georgia, from 1835 to 1863, were copied 105 items of genealogical value.

Also were sent in four three-genealogical charts contributed by Mrs. Elijah Brown, Mrs. Bernard Wolff, Mrs. W. B. Smith, and Mrs. George Connell.

At the last State Conference I offered a prize of five dollars to the Chapter sending in the largest number of three-generation charts to stimulate the making of these full and valuable family records. The prize goes to the William McIntosh Chapter of Jackson for twelve charts sent in. The Chapters receiving honorable mention are the John Benson Chapter of Hartwell for seven charts, and the Atlanta Chapter for four charts.

GIRL HOME MAKERS

Mrs. Boyce M. Grier

Keeping in mind that "Today's girls are tomorrow's home makers" the State Chairman has endeavored to make Georgia Chapters more fully aware of the ever increasing importance of the Girl Home Makers Committee. Monthly bulletins were sent to each Chapter, giving news and plans of the work.

Questionnaires returned by thirty-three Chapters reported twenty Chapter Chairmen; nine Girl Home Makers clubs; work with 4-H Club girls, Girl Reserves, Camp Fire Girls, Home Economics groups of white and colored schools, and with Girl Scouts. Five Chapter members serve on Girl Scout Councils. Girl Home Makers activities supported the National Defense program, victory gardens, processing foods, scrap drives, rolling bandages, buying and selling stamps, etc.

Ten Chapters gave \$16.50, three medals and six awards in encouraging Girl Home Makers work. Thirty-eight Girl Home Makers Cook Books were sold.

Augusta, Elijah Clarke, Button Gwinnett, Savannah, and Governor David Emanuel Chapters gave \$27.50 for Home Economics work at Kate Duncan Smith School.

Benjamin Hawkins Chapter is sponsoring a two-year Home Economics scholarship at Andrew College to be given each year to an outstanding Home Economics senior of Cuthbert High School. The scholarship is given by Dr. S. C. Olliff, husband of the Chapter Regent.

Governor David Emanuel's Girl Home Makers made skirts for Russia and fifty Buddy Bags. Button Gwinnett Chapter sponsored a city-wide war program, offering a medal for outstanding war work done by girls, with 132 girls competing.

Nancy Hart's Chapter Chairman, in charge of the NYA project, reported that girls in five houses did excellent work as Girl Home Makers. LaGrange Chapter sponsored a bread making contest and other Girl Home Makers projects among 4-H Club girls of eight rural schools. Girls winning prizes met with the Chapter and reviewed work done through the Girl Home Makers Club.

Elijah Clarke's Home Makers Club, with members from underprivileged homes, meets once a week for study in citizenship and home making. The girls made scrap books on house and garden, food, dress, and personality, using books and magazines provided by Chapter members. They were hostesses at the December Chapter meeting, held in the home of a Chapter member. They decorated the home, bought, prepared and served refreshments financed by Chapter members. The Club held a bazaar at this meeting, selling articles the girls had made at club meetings.

In the Cotton Dress Contest Betty Jo Hogan, sponsored by Burkhalter Chapter, won five dollars for the winning dress. The Junior Cotton award of five dollars was won by Christine Tomme, sponsored by LaGrange Chapter. Both dresses will be entered in the National contests.

Victory menus by Marcella Sawyer, sponsored by Benjamin Hawkins Chapter, and Raecille Parker, sponsored by Button Gwinnett Chapter, were sent to the National Victory Menu Contest.

The four best annual reports were judged by Florida, Alabama, and South Carolina Girls Home Makers Chairmen and Elijah Clarke Chapter again received the Jean LaFrage Felton Cup for doing the best work for Girl Home Makers.

JUNIOR AMERICAN CITIZENS

Mrs. Owen McConnell

Due to the stress of war work, many Chapters have not as definite a Junior American Citizens Committee report in numbers and figures as in past years to make, as yet I do not feel that in influence upon the youth of our State a great work has been done.

The Nancy Hart Chapter and the Elijah Clarke Chapter report that all the schools in their counties are doing fine Junior American Citizenship work. Nancy Hart Chapter sponsors a neighborhood playground for 12 year old boys; helps the Boy Scouts of that age; aided in establishing a recreation center for high school boys and girls; held story-telling hours for children in the community, over 300 patriotic and interesting stories told; contributed \$15.00 for books for the Nursery School.

Everywhere, the Junior American Citizens Clubs have aided in the scrap and salvage drives, buying War Bonds and Stamps. The American Creed is stressed, also the proper use and care of the Flag.

The Council of Safety Chapter sponsors 325 Junior American Citizens Club members. Roanoke Chapter, John Milledge and Sunbury Chapters are all doing fine Junior American Citizens Club work.

The Atlanta Chapter sponsors two clubs, the George Washington Club, and the Rev. Samuel Francis Smith Club, with a total of 325 members. These clubs are among underprivileged children. Their director, Miss Dorothy Waldman, has been awarded the War Service ribbon by the National Society for her 1,680 hours for the war effort. Patriotic music has been stressed. Each Junior American Citizen Club member presented with a testament and a Flag. A contribution of \$360 made for food and clothing.

Total number of clubs reported, 15; Junior American Citizens Club members reported, 956. Though we are not able to give imposing numbers in this report, the influence of our Junior American Citizens Club work will be felt through the years to come. Thank you.

JUNIOR MEMBERSHIP

Mrs. Erwin N. Kinne

There are 391 members of Junior Committees in Georgia representing 15 Chapters. The Seventh State Junior Assembly was held in the form of a Junior and Senior luncheon at the Biltmore Hotel on Wednesday, March 24, 1943, in connection with the 45th Annual State Conference. Mrs. Reuben Garland, ex-National Secretary of Junior Committee, presided in the absence of the State Chairman of Junior Committee. The following distinguished guests were introduced: Mrs. Stewart Colley, State Regent; Mrs. Minor Franks, Regent, Baron DeKalb Chapter; Mrs. Sam Cartledge, Junior Chairman, Baron DeKalb Chapter; Mrs. Mark Cooper Pope, Regent, Atlanta Chapter; Mrs. Jule W. Felton, Junior Chairman, Atlanta Chapter; Mrs. William P. Dunn, Regent, Joseph Habersham Chapter; Mrs. Henry Ware, Jr., Mrs. Harrison Hightower, Vice-President General from Georgia; Mrs. Julius Y. Talmadge, ex-Recording Secretary General; Capt. Westray Boyce, WAC, a member of D. A. R. of North Carolina; and Mrs. Marshall Pinckney Orr, State Regent of South Carolina. Mrs. Jule W. Felton was soloist, accompanied by Mrs. Andrew Marshall. The Juniors al-

ways receive an inspiration from contact with these women who have given so much of their time and effort to D. A. R. work.

Georgia Juniors have taken an active part in all phases of war work as well as the regular D. A. R. projects. Several of the girls have joined WAVES and WACS. Contributions have been made to the Foreign Body Detector Fund, Blood Plasma Fund, Helen Pouch Memorial Scholarship Fund, the Schermerhorn Pillar Fund for Tamassee and the fund for National Assembly. Junior American Citizen Clubs and C. A. R. Societies have been sponsored; and boxes have been sent to Kate Duncan Smith and Tamassee Schools.

Elijah Clarke Juniors of Athens will keep the Minnie Josey Capps Trophy for largest percentage of gain in membership from February 1, 1943, to February 1, 1944; having reported a net gain of 16.67 per cent which was the largest gain reported.

MOTION PICTURES

Mrs. V. G. Williams

Again, it is my happy privilege to bring to you the report of the Motion Picture Committee, and I want to say that it has been most interesting and a real joy to carry on this work of the D. A. R. A majority of the Chapters have reported to me. Some of the reports were not as full as I wish they might have been, and I feel very sure that a great deal more work has been done than was reported.

It has been said that visual entertainment and education are the greatest sources of influence outside the home and contribute greatly to character building. One of the main projects for this year has been establishing a fund to purchase movie equipment for our Approved Schools. Three Chapters have reported sending donations to this fund; while several have reported movie equipment in the schools.

Twelve Chapters have reported subscriptions to preview publications. These are in schools and libraries.

Six Chapters have reported a committee which meets monthly and previews coming films and recommends those most desirable.

Practically all Chapters keep in close touch with the local theatres and the majority have reported special programs for children, and the showing of patriotic and educational films.

NATIONAL DEFENSE THROUGH PATRIOTIC EDUCATION

Mrs. Ober D. Warthen

As Chairman of the Committee of National Defense through Patriotic Education I should like to express my thanks at being permitted to serve under Mrs. Colley's dynamic leadership and at this time when the work of this committee was so vital to our national life and to say that this is the finest report that it has ever been my privilege to give.

In the first place I have received reports from 79 of the State's 83 Chapters. This proves that the D. A. R. are not lethargic but awake and working.

Blood Plasma Fund reports were wonderful! Seventy-four Chapters made gifts amounting to \$10,000.00. Last year \$1,809.08 was reported at Continental Congress as having been received from Georgia, making Georgia's gift \$11,809.08 to date or \$2.85 per

capita. One hundred twenty-seven blood donors were reported this year, some having given many times.

War Service hours (Red Cross and Civilian activities) total 215,228½ or 52½ per capital for the entire State Society. I am sure that there are many more than the 25 who were reported to me as eligible for the war service pins given for 750 or more hours of service since December 7, 1941.

War Bonds and Stamps bought by Chapters in 1943-44 amount to \$9,340 and by members to \$1,858,111.40, a little above \$450.00 per capita.

The amount of Red Cross and Civilian Defense work that has been done has covered every field and has been amazing and yet upon second thought no more than one would have expected of such a loyal, patriotic group of women as the Georgia D. A. R. We have still greater opportunities and demands ahead of us—in war and in peace. We shall not fail!

NATIONAL HISTORICAL MAGAZINE

Mrs. John H. Williams

Early in September cards were sent to every Regent in Georgia urging her to appoint an active Chapter Chairman. This was followed by a letter outlining plans for the year's work, and asking for continued loyal support of our Magazine.

In February another letter, a questionnaire for Chapter Regents, was sent to each Chapter. In response fifty-three of the eighty-four Chapters report a total of three hundred and twenty-two subscribers. This is a substantial increase over last year. Fifty-five have a Chapter Chairman.

A number of Chapters have given subscriptions to libraries, schools, and hospitals, and many expressions of appreciation have been received.

The Sunbury Chapter, Winder, wins the Perdue Loving Cup for securing the largest number of new subscriptions. The award of \$5.00 given by Mrs. W. Harrison Hightower to the Chapter having the largest number of renewals goes to the John Houston Chapter, Thomaston. The George Walton Chapter, Columbus, has the largest number of subscribers per capita.

It has been a pleasure to serve as your Chairman the past two years, and I thank you for your cooperation.

PRESS RELATIONS

Mrs. William Patience Dunn

All news releases received from the National Chairman of Press Relations, including many and varied phases of the D. A. R. work, have been sent to the different papers throughout the state for publication. All letters sent me from the National Society for the State Chairmen and Officers were duly mailed to them by me.

Approximately 50 per cent of the Chapters in the State reported 8,288 inches of publicity given the D. A. R., including 25 cuts. At the average advertising rate of \$2.00 per inch, this represents a monetary value of \$16,576. Clippings and pictures sent me by the different Chapters have been forwarded to the National Chairman as requested.

As your Press Relations Chairman, I am deeply appreciative of the splendid cooperation received from the Chapter Regents, State and National Chairmen and Officers during my term of service as your chairman. And, certain it is that we all owe a debt of gratitude to the Georgia newspapers for so generously and so courteously handling our vast amount of publicity gratis.

RADIO

Mrs. Reuben A. Garland

It has been a great pleasure to serve as your Radio Chairman this year. The work done by the Chapters has been outstanding, for you must keep in mind that only Chapters located in towns having radio stations take part in this work. Then, too, the larger radio stations have been unbending in their rule of not giving time due to obligations brought on by the war.

We have had twenty-nine programs with a total of nine and a half hours on the air, and approximate value of \$2,500.00. Elijah Clarke Chapter had fourteen programs, celebrating patriotic occasions. Three by members of the C. A. R., one by a Navy Chaplain and ten by members, junior members and students of the University of Georgia Radio School.

The John Milledge Chapter of Dalton, had a splendid series of eight broadcasts by three of their members. The topic being "Know Your Allies." Atlanta Chapter had two programs on the Blood Plasma Fund. The Savannah Chapter had a broadcast on "Constitution Day." The George Walton Chapter, Columbus, had a radio address during the War Fund Drive.

Mrs. Brawner of the Joseph Habersham Chapter, Atlanta, arranged for a discussion of our Blood Plasma Fund on the A. W. V. S. Hour. Decatur had one program on D. A. R. in War Work and yesterday Enid Day told of our Conference and Blood Plasma Fund on her program on the air.

Thank you for your cooperation.

REAL DAUGHTERS

Mrs. Frances Brown Chase

Mrs. Annie Knight Gregory, of Williamsport, Pennsylvania, the last "Real Daughter," member of the National Society, Daughters of the American Revolution

Died December 17th, 1943.

For courtesies shown Mrs. Gregory the last year of her life, the award was won by Atlanta Chapter (given by State Chairman).

NOTE

The History of "Real Daughters" of the Georgia Society D. A. R. will appear in the 1945 Proceedings.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Edwin W. Allen

The American Merchant Marine Library Committee has continued with its great work during the past year realizing that the need for reading matter with the seamen was greater than in any time past. The Merchant Fleet carry no radio, and have no Chaplain or recreational officers and no U. S. O., so the seamen depend largely upon the Libraries furnished them by the American Merchant Marine Library Association as a source of recreation, pleasure and information.

The Elijah Clarke Chapter of Athens gave a subscription to Omnibook, valued at \$3.50, to the Association, and sent books to Ellis and Angel Islands at Christmas last year, amounting to \$6.00. The Brunswick Chapter reports a cash contribution of \$5.00, and 50 books sent to New Orleans and 50 books to the Hospital at the Naval Air Base on St. Simons Island. The Oglethorpe Chapter, Columbus, most generously contributed 208 books, two Testaments, 104 magazines and 26 packet-size books. George Walton Chapter, Columbus, sent 60 books. The LaGrange Chapter has reported sending 60 books. Nancy Hart Chapter, Milledgeville, contributed 30 volumes. The Governor David Emanuel Chapter, Swainsboro, reports sending 23 books valued at \$25.00 and 28 magazines to the Merchant Marine Library. Eastman and Savannah Chapters have been active in the work. Many Chapters have sent countless books and magazines to the various centers for service men which have afforded great pleasure.

Programs have been given at the Chapter meetings on the work of the American Merchant Marine Library Association, and increasing interest has been shown in this phase of patriotic service.

The committee wishes to express appreciation to the Chapters and the individuals who have assisted in this splendid work. In this time of war, we should increase our efforts for the welfare of those serving their country. Books should be sent to:

Mr. Herbert A. Graf, Dispatch Agent
Dock Board Tool House, Poydras and River Sts.,
New Orleans 13, Louisiana.

Cash contributions should be sent to:

Mr. Winthrop W. Aldrich, Treasurer
American Merchant Marine Library Association, Inc.,
45 Broadway, New York 6, N. Y.

CHAPTER LOAN FUNDS

Mrs. J. Thomas Wood

Figures cannot be correctly reported this year, for the Chapters have not had applications for many loans. Since the Chapters have so much money not in use, many reported that their scholarship money had been used to buy Bonds. Some Chapters reported that they had concentrated on collecting loans and had splendid results.

In our college towns, reports show that those using a local scholarship are making good records and many students are on the Dean's List. Your Chairman would urge the Chapters not to lose

interest in local scholarships. The war is affecting the normal life of our girls as well as boys; many girls who would in normal times want and need a D. A. R. loan to help with their education have already entered the service. But the time will come when the youth of our state will need the help the D. A. R. wants to give, so build up your scholarship fund so as to be ready when that time comes.

I am glad the Chapters are buying War Bonds; this money is helping our sons and daughters to bring peace to our nation, and we are still serving this Great America and the youth of our land.

Whether we use our money for scholarships or bonds, we are working in the spirit of the Master who said, "In as much as ye have done it unto one of the least of these, my brethren, ye have done it unto me."

COOPERATIVE RELATIONS BETWEEN D. A. R. AND C. A. R.

Mrs. Wm. L. Fraley

Members of Georgia Daughters of the American Revolution cooperate with C. A. R. by holding meetings in their homes, by assisting them on radio programs and presentation of pageants. Members of the C. A. R. present programs for D. A. R. meetings. The children sold Flags on Georgia Day for senior organization.

D. A. R. Sunbury Chapter, Winder, gave plates, cups and saucers, glasses, and forks for the new C. A. R. home and will assist in beautifying the grounds. At the State Conference of C. A. R. held in Athens, Georgia, February 11th and 12th, the Elijah Clarke Chapter entertained the delegates and visitors at a luncheon. The D. A. R.s helped the C. A. R.s with boxes for the Merchant Marine Hospital, Christmas gifts, and Christmas stockings for soldier patients at Warner Robins Field, and boxes of winter clothes for Kate Duncan Smith School. One C. A. R. member was the recipient of Elijah Clarke Loan Scholarship at the University of Georgia this year.

May Erwin Talmadge of Count d'Estaing Society represented the National C. A. R. by presenting flowers to the D. A. R. President General at the 1943 National D. A. R. Congress.

We are now launching a National Membership Contest, for States and organized Societies. The slogan is:

Ambulances for the Red Cross—Jeeps for the Army—
and SHIPS for the C. A. R.—Member SHIPS!

Urge the Sons and Daughters in your local Chapters to present the names of their children and grandchildren; nieces and nephews for membership in the Children of the American Revolution. You might suggest acquiring member-at-large, though this is advisable only when there is no local society.

Membership is of the utmost importance in our C. A. R. program; members are vital to the life and success of our organization, for without members, we would have no society.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND S. A. R.

Mrs. Robert G. Hunt

As Chairman of this committee, I submit the following report:

"Sunbury Chapter D. A. R. of Winder is pleased to report Cooperative Relations with Winder Chapter S. A. R. The two organizations gave a banquet at the Club House in December; honoring

the State and National Presidents of the C. A. R. The local D. A. R. and S. A. R. are to contribute something towards furnishing the C. A. R. home here, recently built by Col. James Dala Watson. Mildred J. Pledger (Mrs. J. H.), Chairman."

Elijah Clarke Chapter of Athens, with Mrs. H. B. Ritchie, Chairman, sends the following report: "We had three radio programs given by members of S. A. R., one on LaFayette given by Prof. D. L. Earnest, University of Georgia; one on Benjamin Franklin by Prof. Earnest, and one on George Washington by Prof. H. B. Ritchie, University of Georgia."

The Nancy Hart Chapter of Milledgeville, with Mrs. John Shinholster, Chairman, has sent the following report: "The S. A. R. were invited by the D. A. R. to the Flag Day meeting in June, 1943, at which Dr. Edwin Scott, of Georgia State College for Women faculty, made a talk on the importance of teaching American History in our schools. At the time Dr. Scott was State President. The D. A. R. and Dr. Scott, with other Sons, help the Boy Scouts and the C. A. R."

COLLECTING AND PUBLISHING HISTORIES OF GEORGIA REVOLUTIONARY SOLDIERS

Mrs. Allen W. Daughtry

Four Chapters replied to our request for Histories of Revolutionary Soldiers and twenty-eight records were received.

It is possible that the work which this committee was created to do has been practically completed. Our suggestion for another year would be that each Regent be asked to report if the histories of all oldiers whose graves have been marked by her Chapter have been sent in to this committee. Since so few markers are being placed at present, this information would determine just how nearly complete the work is.

It has been a pleasure to serve as Chairman of this Committee.

COUNTY HISTORIES

Mrs. W. Clyde Roberts

"Where there is no vision, the people perish," and where there is no one who is interested, or inspired (in a community) to work untiringly to keep the history of their county intact, these facts perish and are lost to posterity.

Many letters have been written, and County Historians urged to complete work that has already been started, that would prove so valuable to their own counties, as well as to the State.

It is with great pride and satisfaction in their achievement that we announce that Gwinnett County History by James E. Flanigan of Lawrenceville, Georgia, has been published this year. This book has been placed in the McCall D. A. R. Library at the Department of Archives and History by D. A. R. Volume II will be published at an early date. We heartily recommend Mr. Flanigan's work to all County Historians, and if you are in doubt as to just the right procedure, we recommend that you visit the State Archives at Rhodes Center and familiarize yourself with other writers of county histories.

We had hoped to announce the publication of the History of

Crawford County by Mrs. W. D. Smith. But Mrs. Smith has some additional information to add to her interesting book, and as Crawford County is one of our oldest counties, we are expecting a very colorful and wonderfully compiled volume when it is completed, and we have reason to believe that it will be soon.

We are also happy to announce that more than sixty counties have completed their histories. Many County Historians are giving much time and thought to the completion of their efforts, and it is my hope that all Regents will make this work their crowning objective this coming year.

D. A. R. FOREST PARK

Mrs. Fletcher A. Smith

It is a pleasure to inform you that I have at last secured a caretaker for your Forest Park. A well has been dug on the grounds at a cost of \$82.95.

FAMILY BIBLE AND TOMBSTONE RECORDS

Mrs. G. S. Ballard

I want to thank the Chapters for the interest and time you spent in copying Bible and tombstone records. Due to the paper shortage these will not be printed in full in the Proceedings, but will be filed with our Genealogical records.

The Bashinski Trophy goes to William McIntosh Chapter, Jackson, Georgia, for sending in the largest number of Bible records—

GEORGIA D. A. R. BOOK PLATES

Mrs. William Jerome Vereen

It was my pleasure to sell to Miss Juanita Chisholm, Chairman of the Lucy Cook Peel Memorial Committee, one hundred engraved Book Plates; also one hundred to Mrs. James Rounsaville, of Rome.

HELEN ROGERS FRANKLIN TROPHY

Mrs. Thomas J. Sappington

To quote one of the judges: "It has been a pleasure and an inspiration, too, to examine the Chapter reports submitted to me. These Chapters, all of them, have done very superior work; and it has not been easy to classify them."

I want to congratulate each Chapter competing for this trophy, which is given for a wide scope of work, for the very excellent work done, and wish that each one could receive some recognition for their achievements.

Though the task of judging these splendid reports was very difficult, I am glad to announce that the decision was unanimous. The judges awarded the trophy to Baron DeKalb Chapter. The Governor David Emanuel Chapter made a very close second. Other Chapters deserving mention are the Nancy Hart, LaGrange, and Colonel William Few.

HISTORICAL MAP OF GEORGIA

Mrs. Robert J. Travis

By order of the Executive Board at the State Conference, your Chairman sent two D. A. R. Maps to every D. A. R. Chapter and one to each C. A. R. Chapter in the State; 168 to D. A. R. and 17 to C. A. R., total, 185. Eighty-one tubes at 10 cents apiece (now worth 15 cents), \$8.10; for stamps, \$7.86; return postage, Vidalia and Sylvania Chapters, 18 cents; total \$16.14; less sale of five maps, \$5.00. Due to State Chairman \$11.14. State Chairman will buy 11 maps, \$11.00. On hand 67 good maps, six damaged. The Chairman will take 11 maps in place of sending in a bill for \$11.14. The 67 maps include four returned by Chapters. To mail two or three maps in one tube will take 25 cents in future, according to zones.

HISTORICAL PROGRAMS

Mrs. Henry Mashburn

Realizing the close bond between our own country and the other Allied Nations now engaged in a war to preserve freedom, your Chairman for Historical Programs thought it not inappropriate to include a study of them in our programs this year.

The freedom which our ancestors established in America grew out of the struggles of many peoples who preceded them, just as it is today being preserved by many peoples throughout the world in one mighty concerted effort.

This freedom which we have been privileged to enjoy was of slow growth, and must continually grow to meet the fullest needs of mankind. The programs for the year were planned to follow this growth of freedom in each of the Allied Nations. It was further suggested that a tribute of respect and gratitude be paid each Ally in turn, thus strengthening the bond between us in our common fight.

Your chairman wishes to express sincere thanks for the many cordial expressions of appreciation which have been sent her relative to the programs. They seem to have been generously used. In the brilliant programs evolved by individual Chapters using outstanding talent, the State Chairman's germ of thought has been expanded to rich proportions. They did for the program outline what Florenz Ziegfeld did for the American girl; they glamorized it. The State Chairman scarcely recognized her timid brain-child.

It has been a pleasure and a privilege to serve our State Regent and the Georgia Society in this capacity.

HOSPITALITY FOR SONS IN SERVICE

Mrs. E. Blount Freeman

Hospitality for Sons in Service, a phase of war work begun by the National Society two years ago, has for its main object securing courtesies and attention for service men in all branches of the United States armed forces who are closely related to members of this organization. Under the general heading, "Sons in Service," are included sons, grandsons, husbands, brothers, and nephews of D. A. R. members.

Based upon incomplete Chapter reports, there are now 1,265 stars in our Georgia D. A. R. service flag. Eleven of these stars are gold stars, for eleven of our Georgia sons have made the supreme sacrifice for their country. Of the 1,265 Georgia D. A. R. Sons in Service reported 686 have been engaged in foreign service; the remaining 579 are still stationed in camps in this country.

Letters have been written by your chairman to the Hospitality Chairman in each of the thirty-nine states in which our Georgia boys are located, giving their names and addresses and asking that the D. A. R. members in these states show our Georgia boys all possible courtesies and attentions. These requests have met with cordial response, for to quote a Michigan mother, "Many a mother or father who has a beloved son or daughter in the service has a yearning to do something for some young soldier who is far from home, with a prayerful hope that some equally kind parent will be as considerate of her son."

The three Columbus Chapters have honored their Sons in Service by unveiling and dedicating a handsome plaque carrying their seventy-eight names; the number has since been increased to 101. Ten Georgia Chapters report Chapter service flags.

Names of 415 D. A. R. Sons in Service from other states who are stationed in Georgia have been sent me during the past year by the Hospitality Chairmen of their home states. These names have been forwarded to the Chapter Regents nearest each Georgia camp represented, with the request that she and her Chapter

members be responsible for these sons from sister states while they are in their locality and be especially attentive to them. Georgia Daughters have responded wholeheartedly to this call, as evidenced by letters received from mothers of these boys, some of whom are only eighteen years old, expressing appreciation for the cordial reception accorded their sons by the D. A. R. of Georgia. Hospitality Committees in cities near camps have brought the men of our forces in closer touch with D. A. R. families by inviting them to their homes. Many of our members have supplied food, reading matter, cigarettes, soft drinks, stamps and writing material to soldiers, sailors, and Marines in trains, camps, and canteens, and have had a prominent part in maintaining U. S. O. Centers for their convenience and entertainment.

Your chairman has had the privilege of entering actively into this work in connection with the soldiers guarding the local German prison camp, the Naval Hospital personnel, and the U. S. O. Center in Dublin.

LEGISLATION

Miss Virginia Hardin

No report this year.

LUCY COOK PEEL MEMORIAL COMMITTEE

Miss Juanita Chisholm

In 1923 the Georgia Society D. A. R. in conference assembled established the Lucy Cook Peel Memorial Fund for the preservation of records and history as a tribute to one of Georgia's most distinguished Daughters. Because of the swift passing of the years there are but few left who personally remember or shared in her early labors, and this committee is a fitting tribute to keep her memory green.

The publication by Mrs. Peel of the "Historical Collection of the Joseph Habersham Chapter" and the publication by this Society of the "Georgia Society D. A. R. Historical Collections" focused the attention of genealogists and research workers all over the United States upon Georgia as being foremost in sponsoring such collections.

To make our historical and genealogical collections, housed at the Department of Archives and History, one of the best of its kind has been the objective of this committee. Progress has only been possible through the united efforts of the various Chapters or of the individual members without which the collection would have remained static.

We have recognized the tremendous value to future generations of the fast vanishing records and have applied the catch-word of the day—conservation towards the preservation of our natural heritage. It is for tomorrow and not for today and the tomorrow of the future that these records are being compiled.

A valued addition to the collection is the "Pittman and Allied Families" compiled by Mrs. C. K. Henderson of the Joseph Habersham Chapter and bound by this committee.

The collection assembled, bound by this committee and made available to genealogists and research workers, was indexed by the WPA under the directions of Mrs. J. E. Hays, State Historian, and by the authority of the Secretary of State, Mr. John B. Wilson.

The Georgia Daughters may well be proud of their priceless historical and genealogical collection which will stand for generations as an illustrious monument to the wise forethought of Lucy Cook Peel and to the faithful efforts of the Georgia Society D. A. R.

We wish to express gratitude to Mrs. J. E. Hays, Mrs. Howard McCall, Mrs. Eli Thomas and to all others who have cooperated with us in maintaining the work of this committee, and ask for your continued interest in this magnificent but unfinished work.

Until recently the remaining volumes of our published "Historical Collections" have been stored in my home and with the publishers at Athens. They requested me to remove the books as they could no longer keep them due to lack of space. Those they had, as well as those at my home, were removed to Habersham Hall where they are of easy access.

THE GEORGIA D. A. R. COLLECTION OF GENEALOGICAL AND HISTORICAL RECORDS

Mrs. Howard McCall

I wish at this time to make an official report to the Executive Board of the project called the State D. A. R. Library and the McCall D. A. R. Genealogical Library.

First of all I wish to thank the four State Regents, Mrs. John S. Adams, Mrs. Harrison Hightower, Mrs. Thomas C. Mell, and Mrs. Stewart Colley, under whom I have served during the past six years. With their cooperation this project has been completed. I also wish to thank Mrs. J. E. Hays for all the assistance she has given to the State D. A. R.

At the request of Mrs. Adams in February 1938, I undertook with the assistance of Mrs. Hays to compile, index and bind all the unpublished records sent in by the Chapters for many years to the State Chairman of Records, Mrs. Eli A. Thomas.

In April 1938, seventeen volumes had been compiled, indexed, and paper bound, which the State D. A. R. placed in the State Department of Archives and History and twelve volumes of duplicate records which Mrs. Adams, as State Regent, presented to the National D. A. R. Library in Washington, D. C.

Since that time many duplicate copies of records have been bound and presented to the National D. A. R. Library through the State Librarians, Mrs. E. B. Freeman and Mrs. Y. Harris Yarbrough.

This project was continued under Mrs. Harrison Hightower, as State Regent, and it was decided to enlarge the project by adding more genealogical material and by binding all books in a permanent form, through the State fund of the Lucy Cook Peel Memorial Committee, of which Mrs. W. F. Dykes was State Chairman. This State fund of the Lucy Cook Peel Memorial Committee was made possible by donations from all the Chapters and was created to be used exclusively and specifically for the preservation of records. It was available at this time for the binding of the records which we wished to be preserved, as it was impossible to publish Volume V of the Georgia Historical Collections.

Mrs. Dykes and I—interested, enthusiastic, and working in perfect accord—were enabled to present many books, bound in the D. A. R. Blue, in April 1940, to Mrs. Harrison Hightower, State Regent, who then presented the Library to the State Department of Archives and History. Mrs. Hays, State Historian, accepted the gift of the Georgia D. A. R. in behalf of Hon. John B. Wilson, Secretary of State, who was unable to be present.

During the administration of Mrs. Thomas C. Mel, State Regent, the project was continued, the only change being that in the place of Mrs. W. F. Dykes, Miss Juanita Chisholm was serving as State Chairman of the Lucy Cook Peel Memorial Committee. This project was continued under the same conditions during the administration of Mrs. Stewart Colley, State Regent. Up to this time I have made no official report of this project, but brief reports of the progress of the work was made each year at my request through the two State Chairmen of the Lucy Cook Peel Memorial Committee and a short informative sketch of the work was included in the 1943 Proceedings.

I have made all necessary business arrangements for binding with the National Library Binding Company and have prepared with the assistance of Mrs. Hays, the books necessary to be bound. As I was responsible for all the bills made with this company, I have placed my O. K. on all bills, have mailed these bills to the two State Chairmen, Mrs. W. F. Dykes and Miss Chisholm, who, in turn, placed their O. K. on bills before sending to the State Treasurer for payment. All bills made by me with the National Library Binding Company have been paid in full and the account was closed March 1, 1944.

This Library now contains over 460 bound volumes of unpublished and genealogical records, historical and genealogical magazines, county histories, etc., with the State D. A. R. Book Plate placed in each volume. Many rare books, census records, and two bookcases have been purchased through the McCall Genealogical Fund. Generous donations of books, records and magazines have been made by the Chapters; also by the members and friends of the D. A. R.

My personal donation to this project has been several genealogical books, magazines, and 21 volumes, compiled from my own records, which I have personally collected from various sources for the past 20 years. These are the McCall Collections. Seven volumes have already been bound and placed in the State D. A. R. Collection; the remaining volumes will be bound by me and placed later.

It is my hope that many more books will be added and that the D. A. R. members will always be interested in the State Department of Archives and History, as the bill in the State Legislature creating this department was a D. A. R. bill.

This completed project which is officially being presented by me at this time to the State Regent, Mrs. Stewart Colley, is a very valuable collection of books; it will always remain in the State Department of Archives and History, available to research workers, and a collection of which the four State Regents and the State D. A. R. can be justly proud.

I again thank my four State Regents for giving me the privilege of completing this project, and I also wish to thank the Chapters for their contribution of unpublished records and also for their contributions to the State Fund of the Lucy Cook Peel Memorial Committee, thus enabling the State D. A. R. to carry this project to completion and to preserve these records for the future generations.

It has been a joy to work for you, and I can but wish that the results of my labor had been worthier of you and our beloved Society.

One of the very pleasant perquisites of this work has been the contact with so many worthwhile and interesting people. It seems, too, to be the experience of everyone who accepts responsibility, to have moments of profound discouragement, and this has not escaped me. But my sincere gratitude goes to all who were untiring in their efforts to help in this work and to make this report possible.

In closing my report, I wish to make the following recommendations:

WHEREAS, this project has now been completed and this official report has been given; and

WHEREAS the word Library is not appropriate to be used in connection with the Georgia State Department of Archives and History—

THEREFORE BE IT RESOLVED:

That this State Collection of books presented to the State Department of Archives and History be officially named "The Georgia D. A. R. Collection of Genealogical and Historical Records," by the 1944 Conference.

FURTHER RESOLVED:

That this official report be included in the Proceedings of the 1944 State Conference.

MRS. HOWARD H. McCALL,
Honorary State Regent.

MARION SIBLEY WYLIE VICTORY FUND

Mrs. W. E. Vann

Now, our "baby" committee is two years of age and has begun to grow! For this year, gifts added to our scholarship fund, really made it suggest, "A Helping Hand!" Many Chapters have contributed as a Thanksgiving gesture—Thankful to assist in training the youth of today—knowing that the "World of tomorrow moves forward, on the feet of little children." Hearing anew the Divine commission. "In as much as ye did it unto the least of these, ye have done it unto me." This fund enables our youth to train and develop for a new tomorrow; getting ready for a new world order, for a new earth wherein dwelleth righteousness—So that they may find their places and serve as true American citizens—that they may become a part and establish those qualifications for keeping ours "A land of the free, and a home of the brave!" Gifts again this year varied from \$1.00 up to \$2.00, Bonds of \$25.00,

which now brings the Scholarship Fund to \$253.00, reported by our Treasurer. As State Chairman please allow me to thank each Chapter and all friends who have contributed to such a worthwhile fund. And may each young person, the recipient of this "helping hand," build in strength of character, understanding, integrity and wisdom, so great a "citizen," that this our great nation, may prove a light unto the world, a city set upon a hill—and they "Citizens" who the rest of the world will rise up and call "Blessed!"

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. E. F. Chaffin

It is with pleasure that I present to you my second report as chairman of this committee.

Despite the gas shortage fourteen Revolutionary Soldiers' graves were located and two of these graves were marked this year. The Button Gwinnett Chapter located and reported markers have been ordered for the following graves:

Philemon Hodge, in cemetery, Fortson, Ga., Muscogee County; William Norris and William Swann, Shiloh, Harris County, Georgia; the grave of Samuel Wilson, Mt. Olive cemetery, Cusseta, Ga., was marked November 1, 1943.

The Colonel William Candler Chapter located the graves of John Inzer, Timber Ridge Baptist Church cemetery, Hall County, Ga.; John Hames, Sr., National Cemetery, Marietta, Ga.; James Rylee, Sr., and wife, Nancy Strickland, at old home near Gillsville, Ga.; Rev. Moses Holland, at old home, South of the Longstreet Bridge, Hall County, Ga.

The John Ball Chapter located the graves of Joel Hardy, Pleasant Plains Church cemetery near Danville, Ga.; Lazarus Solomon, Wall cemetery, Twiggs County, Ga., two miles from Highway No. 80. The grave of William Mitchell, Whipple cemetery, Wilkerson County, Ga., was located and marked with beautiful unveiling exercises on January 23, 1944.

The John Laurens Chapter reports the location and marker ordered for the grave of Thomas McCall and the location of the grave of a Real Daughter, Nancy Lancaster Duncan. Both graves are in the same cemetery.

The Sunbury Chapter reports locating and marker received for John Austin's grave, Walton County, Ga.; William Whitehead's grave, located in Jackson County, Ga.

I wish to thank the Chapters for their splendid cooperation which made this report possible.

The \$10.00 award offered by your chairman to the Chapter locating the largest number of graves will be divided between the Button Gwinnett Chapter and the Colonel William Candler Chapter, each receiving \$5.00 for locating four graves.

MEADOW GARDEN

Mrs. Lester V. Stone

The Chapters throughout the state are really more delighted than ever to realize that Meadow Garden is now on the Honor Roll. The only regret of your State Chairman is the failure to hear from every Chapter.

Our treasure will grow, since a percentage contribution is re-

quired, and many thanks to the Howard McCall Genealogical Fund for the \$50.00 a year for the duration.

Our outstanding feature of the year was the tea of February 22nd with a George and Martha Washington in costume, greeting the guests at the door, and our dear old reliable in the basement room demonstrating carding and spinning at the old spinning wheel.

Meadow Garden enhances in interest, particularly at this time, while our country is at war. The younger generations are very interested in how our forefathers lived, especially such men as George Washington and George Walton. Now our men are fighting to preserve the things for which they fought. Visiting the home and realizing that it has been kept just as in the days gone by is most intriguing to the guests from practically all over the world.

Preceding the official business of the committee Mrs. Stewart Colley, State Regent, by request, read the nominating speech which she gave at Continental Congress when she nominated Mrs. Julius Young Talmadge for the office of President General.

The members unanimously expressed their pleasure and pride in the election of Mrs. Talmadge as President General.

Mrs. Elliott Blount Freeman was requested to write an article for the Proceedings giving a description of Georgia's reception for Mrs. Talmadge, the Georgia delegation at Continental Congress, and to express regret that Mrs. William Harrison Hightower was unavoidably prevented from attending Continental Congress.

The minutes of the State Executive Board meeting held Wednesday, March 22nd, and the morning session of State Conference held Friday, March 24th, were read and approved as amended.

The material referred to the committee by the State Recording Secretary was edited.

The contract for publishing the 1944 Proceedings was awarded to The McGregor Company, of Athens, with the request that these Proceedings be delivered at as early a date as possible under war conditions.

It was the wish of the committee that appreciation be expressed to State Officers, State Chairmen, and Chapter Regents for their cooperation in submitting reports to the Recording Secretary for the Proceedings.

ROSTER OF REVOLUTIONARY SOLDIERS IN GEORGIA

Miss Hazel Kirk

Your chairman is happy to report only 80 copies of the "Roster of Revolutionary Soldiers" are now on hand to be sold. This valuable book of the records of Revolutionary soldiers and their families was compiled and presented to the Georgia D. A. R. by Mrs. Howard H. McCall, Honorary State Regent, and published by the Georgia Society as a Golden Jubilee Project in 1941.

Letters from those who have purchased books speak in highest praise of the value to D. A. R. Chapters in securing members, from the records found in the book.

Amount due the State Society is now only \$56.91. Your chairman is very anxious to sell the remaining copies as soon as possible, with the assistance of the State Officers, Board members, and the Chapter Regents.

SCRAP BOOK

Mrs. Jena C. Collier

It has been a privilege to again serve as State Scrap Book Chairman.

Cards were sent to all eighty-four (84) Chapters telling them of the prize being offered by your State Chairman for the best Chapter Scrap Book submitted at State Conference.

The response was gratifying. Many splendid Scrap Books were brought for display and inspection: Nancy Hart, Atlanta, Sunbury, Matthew Talbot, Oglethorpe, George Walton, John Benson. These books are all splendid and do credit to both Chapter and compiler. First prize, \$5.00 in War Stamps goes to Atlanta Chapter, Atlanta; second prize, \$2.50 in War Stamps, goes to Sunbury Chapter, Winder.

Scrap Books are historical and fill a place in the pattern set by our National Society for Chapter work. Bear this in mind and each year keep a Chapter Scrap Book.

It has been a pleasure to serve our great organization in any way. I wish to express my deep appreciation to every one who has helped to make this report possible.

When your State Scrap Book has been completed it will be placed at Rhodes Memorial Hall.

TEXT BOOKS

Miss Helen Estes

As retiring Chairman of Text Books I want to thank the many D. A. R. members who have been so helpful to me in this work.

Members and teachers have been consulted about Text Books and several books reviewed.

Chapters report the distribution of patriotic literature and historical readers in schools.

The placing of many copies of "The Story of the Constitution," in grammar grades of both white and colored children, has been a fine contribution to the work this year.

TIME AND PLACE

Mrs. Hudson Malone

The Fall meeting of the State Executive Board of the Georgia Society, Daughters of the American Revolution, will be held in Thomaston, Georgia, November 2, 1944.

The forty-seventh State Conference of the Georgia Society, Daughters of the American Revolution, will be held in Atlanta, Georgia, at the Atlanta Biltmore Hotel, February 26, 27, 28, 1945. The Joseph Hoberham Chapter, Miss Dixie Stevens, Regent, is official hostess.

TRAVELING GENEALOGICAL LIBRARY

Mrs. Jesse Dixon Wadsworth

Various reasons have caused much delay in the reshipping of the six boxes of books traveling during the past year, and I am again asking that Chapters please notify me as soon as the boxes are received. This is very important as it is the only way in which the next Chapter to receive them can be notified in ample time as to when they may be received.

Box No. 12 has been to five Chapters; No. 13, to six Chapters; No. 14, to five Chapters; No. 15, to four Chapters; No. 16, to seven Chapters; and No. 17, to four Chapters. Each Chapter may keep the books three weeks, and they are stationary during the summer.

No new books have been bought because the catalogues have been slow in coming since January when funds were again assured. We hope to start some new boxes before long.

At State Conference, 1943, Mrs. Blount Freeman presented the second volume of "Southern Genealogies" by herself, and bound by Lucy Cook Peel Memorial Committee.

The Traveling Genealogical Library contains 253 volumes and pamphlets, valued at over \$1,000.00.

Overhead expenses from February, 1943, to March, 1944, were for directing the six boxes, postage \$0.85. and insurance \$24.99. This last amount covers all the books and nine sheet metal boxes.

Please, Chapters, in consideration of other Chapters who are looking forward to receiving the books, let me know when the

boxes are received, and try to reship them on time because if you don't the boxes catch up with each other and overlap! Thank you!

The Joseph Habersham Chapter had the pleasure of acting as hostess to the State Conference in March, 1943, during the Regency of Mrs. Wm. P. Dunn. Before Mrs. Dunn's term of office expired a very wonderful thing happened in that the mortgage on our beautiful Habersham Memorial Hall was paid.

The annual Kettledrum bridge party was given in January to raise funds to carry on our work. We have contributed to all State and National requirements. The Chapter By-Laws have recently been revised. Our membership numbers 273 with a net gain of eight members during the year.

Our members are cooperating wholeheartedly in the war effort, unusual service being given in every phase of the work of the American Red Cross.

JOSEPH HABERSHAM JUNIOR COMMITTEE

Mrs. Milton F. Hall, Chairman

The Junior Committee, Joseph Habersham Chapter, D. A. R., voted to discontinue monthly meetings during 1943 and 1944 be-

cause of transportation difficulties, increasing demand on the time of the members for war work, and added responsibility in the homes due to the shortage of domestic help. Two large meetings were held, one in October and the other in April. The group has cooperated with the Senior Chapter in their projects, and we have several members serving on the Executive Board, as well as heading various committees of importance. Six attended the Georgia Products luncheon, and eight attended the annual Kettledrum benefit bridge party sponsored by the Senior Chapter. One of our number will represent us as Page at the National Convention in New York in April.

A committee of eight served on the Forget-Me-Not Drive and collected \$26.00 for this worthy cause. A sum of \$25.00 was given for the Blood Plasma Service.

The Junior Committee has a representative on the Better Films Committee and she has been put in charge of one of the neighborhood theaters to review every picture shown there.

Our group is represented in practically every branch of war work. We are proud of one member who has taken training and is now an inspector at the Bell Bomber Plant. Another member is Supervising Director of the Blood Type Registry. We have ten who are supervisors in charge at Production Centers for the Red Cross; six are staff assistants, and we also have members doing Canteen work, and one Nurses' Aide. The Community Fund, Tuberculosis Seal Drive, War Fund Drive, and Red Cross Drive have all drafted members of our group who have willingly helped.

Our Committee is still growing. We have forty-seven active members and five prospective new members. We are anticipating the time when we will resume our regular meetings, but realize that at the present time our first duty is to put our best effort into war work.

ETOWAH CHAPTER, CARTERSVILLE

Frances Adair, Regent

The Etowah Chapter now has fifty-one members; two new members, and two Daughters having been re-instated since the last Conference. One paper is pending in Washington.

On the third Tuesday, from September through May, our meetings are held in the homes of members with about 75 per cent of the resident members attending. We have had splendid programs as outlined in the Book of Proceedings. The Chaplain has conducted inspiring devotionals and all Patriotic Days have been duly observed.

Another year has passed and God has blessed us as a Chapter in that we have lost no member by death, though one Daughter, Mrs. Mamie Dodd Dorsey (W. M.), of Taylorsville, gave her young son, Lieut. Harry N. Dorsey, for Freedom's Cause when his P-38 was shot down by a Jap while protecting our American convoy in the Pacific area on September 3, 1943.

The Chapter paid its State and National dues; gave \$5.00 to National Defense; had a Year Book; also contributed as follows: \$1.50 to Ellis and Angel Islands; \$3.00 to Kate Duncan Smith School \$82.25 to the Blood Plasma Fund; \$5.00 was given for the Kit or Buddy Bags, sponsored by our local Service League.

We have been most enthusiastic over the Good Citizenship Pilgrim. To the senior girl who has been selected we are giving a Pilgrim's pin. At our beautiful Christmas tea she was an honor guest. As a prize in the Historical Essay Contest, we are offering \$5.00 to the winners in the two Junior High Schools of the town.

The Chapter subscribes to National Historical Magazine—each issue being placed on the D. A. R. shelves in the reading room of the Mary Mumford Memorial Library. Two Daughters also subscribe.

Members of the Etowah Chapter have been very active in all phases of Red Cross and Defense work. One Daughter, Guill Monfort Jackson, is still Production Chairman for our local work room. Another Daughter who is doing a swell job and giving almost all of her time to war work is Katherine Satterfield Knight (Mrs. Fred). As Chairman of the Third and Fourth War Loan Drives in Bartow County, she was most successful for we were among the first counties to "go over the top" with our quota. Mrs. Knight is now County Chairman for the Red Cross Drive.

Frances Lewis Hill (Mrs. Jack) is doing a wonderful job in our town and county as Chairman of Home Service and also as Chairman of the Blood Donor Committee. Twice our very own Plasmobile, with its efficient and lovable staff, has paid us a visit—hence 558 pints of good Bartow County blood has been gladly given that others might have their chance to live.

Upon the invitation of Mrs. Ober D. Warthen, the Chapter unanimously endorsed its Regent, Frances Adair, for Assistant State Editor—the election to take place at the State Conference in March

As this D. A. R. year draws to its close

May we, as Daughters, ever pray for those

Who fight and maybe give their all;

For our President; for everyone who's answered his Nation's call.

Through the generosity of Mr. Porter and other friends, we have a collection of books valued at \$7,500.00.

The Junior Group, under the leadership of Mrs. Joe Pruett, is doing good work. They have on roll 22 members, four of whom are new. These young ladies have spent many hours doing Red

Cross work, helping in war projects, Y. W. C. A. work, and Cancer drives. Their Christmas project was to select a one-year old child from the Juvenile Home and to buy toys and clothes for this baby. On December the 8th, the Regent was invited to speak to this fine group of ladies. The topic for discussion was Christianity, the Bed-rock of World Freedom.

The Benjamin Hawkins Society of the Children of the American Revolution has twenty-eight members. Mrs. Joe Pruett, also, is supervising this Chapter. Three members are Junior Nurses Aides, others are helping in the Cadet Club and entertaining the soldiers.

FIELDING LEWIS CHAPTER, MARIETTA

Mrs. Geo. E. Knott, Regent

Honor Roll

Fielding Lewis Chapter has met all assessments and Honor Roll requirements. Ten meetings have been held during the year, each meeting opening with Pledge to the Flag, American's Creed, and prayer by the Chaplain—closing with one verse of "Star-Spangled Banner."

A fine spirit of cooperation has enabled us to realize many dreams—the most outstanding of which is a Recreation Center for the boys at the Marietta Air Base. Last spring, when an air base was brought to Marietta, the Fielding Lewis Chapter conceived the idea of establishing a Service Men's Center. We called a meeting at once, inviting representatives of every organization in town as well as every woman and girl. This idea was enthusiastically received. The town turned over to us a large hall; donations of suitable furniture, including desks, sofas, chairs, tables, lamps, new draperies made and hung by the Girls Cotillion Club, and all kinds of games, were solicited by Chapter members. Although

there was much cleaning to be done and much reconditioning, in less than a month the Center was opened with a formal reception to the officers and enlisted men at the Air Base. Our Chapter members as well as numbers of other women and girls from our own and neighbor towns, are giving hundreds of hours in the entertainment of the boys and whole days of service to the upkeep of the Center. Our Library Chairman is working constantly, keeping current magazines and books on the shelves for the soldiers. There has been an average attendance of 4,000 boys per month. An article describing this project has been sent to our D. A. R. National Magazine—12,000 magazines were sent to troop trains.

We have sent \$15.00 to Red Cross, and through this channel donated \$63.00 to the Blood Bank, four blood donors, and have provided two staff assistants and 1,607 hours in productions rooms. We have bought two \$100.00 Bonds, \$71,000 in Bonds reported by members; \$12.00 toward Buddy Bogs; 125 Buddy Bags and Christmas gifts sent to soldiers. A \$100.00 scholarship to a student at Tamassee; one quilt made and donated by Mrs. Mattie H. Lyons, \$10.00 Tamassee; one box of 200 garments sent to Kate Duncan Smith.

Our Filing and Lending Committee has sent two papers to the State Chairman. The Chapter owns some book shelves at the public library where we have placed 25 genealogical books and are gradually adding to this number. Eight of our members have purchased the three generation charts and hope to soon have them completed.

The Committee on Conservation has sent in 158 pounds of tin, 256 pounds of fats and 2,300 pounds of paper. The Chapter has presented one large play to the Recreation Center and 10 small. Ten items have been sent to the Scrap Book Chairman. Five dollars in War Stamps was given as a history prize to one of our county schools.

We continue to add to our cherished relics—among them two beautiful dresses, and a handsome mahogany desk fully equipped, which had belonged to Alice McClellan Birney, a distinguished Marietta citizen and founder of Congress of Mothers. (P.-T. A.).

We have recently given a luncheon to a group of young matrons who wish to organize a Junior Chapter in Marietta. This luncheon was given in Mrs. Crosby's home, where our own Fielding Lewis Chapter was founded 40 years ago.

We are having a marker placed at the grave of our beloved founder, Ellen Lovell Crosby.

XAVIER CHAPTER, ROME

Mrs. James A. Rounsaville, Regent

With pleasure we report the fine work accomplished by Xavier Chapter during the past year—a cooperative work, participated in by every resident member, for even those physically debarred from activities outside their homes have knitted, or made garments for the Red Cross, or bought War Bonds and Stamps, and some of these beloved shut-ins are numbered among the members of our Chapter who have given their most precious possessions, their sons and brothers, to aid our Nation and our Allies in their titanic struggle for the salvation of humanity.

Throughout the year our members have continued and constantly enlarged their efforts in behalf of National Defense and Red Cross beneficencies. For instance, the young member, referred to in a previous report as training First Aid classes, has this year served as Chairman of the Junior Red Cross for Floyd County, establishing and training circles in the various community schools to do salvage work and otherwise aid in defense and Red Cross activities.

Another member reported last year as active in the organization and operation of the Young Women's Motor Corps, continues that admirable work and adds to it active membership in the Floyd County War Savings Committee, for sale of Bonds and Stamps, giving one full day each week to this work, and then for good measure, she has donated blood to the Blood Donor Service Unit as have other members of our Chapter who can meet the requirements.

Another valued member of our Chapter, a fine young business woman, has been a leader of the large group of patriotic business girls who devote many evening hours each week to work in the Red Cross surgical dressings rooms, and to the sale of Bonds and Stamps in the lobby of our largest moving picture theatre where they have sold already more than a hundred thousand dollars worth of War Savings Bonds. It is by such efforts that the purchase by a member of our Chapter of the first two Bonds sold in Floyd County, has been multiplied by many thousands; and the large quotas assigned to our city and county, in the various Bond drives, have been promptly met and exceeded.

Last but not least, we are both pleased and proud to report the great services rendered the Red Cross by two of our members, who, at the inception of the surgical dressings work in Floyd County, were called upon to act as co-chairmen in the organization and operation of this important branch of service. After a short time, however, this great responsibility devolved upon one of the co-chairmen alone, as the other was drafted to accept the Chairmanship of the Blood Donor Service, then opening; and very recently has been drafted again to act as chairman of the newly created Volunteer Special Services Committee, which entails membership on the Executive Board of the local Chapter, and requires supervision of the administration of the Home Service Corps, Staff Assistance Corps, Volunteer Nurses Aide Corps, Hospital and Recreation Corps, Canteen Corps, Motor Corps, Production Corps, and Blood Donor Services.

Time and space forbid further details but the preceding recital of facts indicate that the Daughters of Xavier Chapter are true to the traditions of their lineage, as descendants of those brave soldiers of the Revolution who won for our Nation the inestimable blessings of liberty which we enjoy today.

The program, "Freedom Round the World," as outlined by our State Chairman has been followed; Patriotic Days have been observed; objects of Daughters of American Revolution have been stressed. Splendid programs, varying in methods of presentation, and presenting not only members, but outstanding personages, including Mrs. Annie Bowie Waters, Atlanta, and Mr. Fred Brinson, Swainsboro, have been presented. Information to Members

The following resolution which applies to the **nomination of a State Regent by Chapters** appears in the Proceedings of the Twentieth State Conference, 1918:

"Resolved, That it is the judgment of the Executive Board that **nominations for State Regent** should not be made by Chapters earlier than three months prior to the meeting of the Conference. When so made they shall be furnished to the State Editor for publication."

At the opening of the State Conference, by **unanimous consent**, the rights and privileges of delegates may be voted to the State Chairmen and Honorary State Regents, **with this exception**, State Chairmen and Honorary State Regents cannot vote in the election of State Regent and State Vice-Regent unless they have been elected delegates by their respective Chapters and so registered with the Credentials Committee. (The election of the State Regent and State Vice-Regent must be confirmed by the Continental Congress).

Each State Conference may by a two-thirds vote, adopt such additional rules of order as it may deem advisable for the government of that Conference, provided they are not in conflict with the Constitution and By-Laws of the National and State Society.

The D. A. R. Organization of Tomorrow

The Spirit of the N. S., D. A. R.

Not what we do but what we represent
Asks recognition from our fellow men
'Tis but our duty, aye, and pleasure when
On loyal tasks our energies are spent.

The story of the past we hold so dear
Instead of blinding us to present needs
But makes the need more urgent, Calls for deeds
Worthy the names we honor and revere.

Our fathers had a vision, brave and bright,
Born of high courage and experience;
With care they worked the pathway leading thence
That we must travel toward that radiant light.

No higher mission, surely, can there be
Than that which we have chosen for our own
To guard, to tread the pathway they have shown
And keep the vision for posterity.

America's Place in the Post-War World

"It is the common fate of the indolent to see their rights become a prey to the active. The condition upon which God hath given liberty to man is eternal vigilance; which condition if he break, servitude is at once the consequence of his crime and the punishment of his guilt."—John P. Curran.

The world is my country,
All mankind are my brethren,
To do good is my religion,
I believe in one God and no more.

—Thomas Paine.

MINUTES OF ANNUAL MEETING, MARCH 22, 1944

The fifteenth annual meeting of the State Officers Club, of Georgia, National Society, Daughters of the American Revolution, was featured by a delightful luncheon on Wednesday, March 22, 1944, at the Atlanta Biltmore, Atlanta, Georgia, with Mrs. Bun Wylie, President, presiding, and also acting as toastmistress.

Crystal vases of the snowy blossoms of the pearl bush, from the garden of Mrs. W. F. Dykes, were the floral decorations used on the tables. Attractive place cards, standards of small American Flags and nut cup favors in patriotic colors, adorned with a miniature flag added a further note of interest to the tables.

The Chaplain, Mrs. Frances Brown Chase, offered the invocation.

In her usual charming and gracious manner the President, Mrs. Bun Wylie, extended cordial greetings, and expressed deep regret at the unavoidable absence of Mrs. Julius Y. Talmadge, beloved Ex-State Regent, Ex-President of the State Officers' Club and candidate for the office of President General of the National Society, D. A. Mrs. Wylie presented the officers of the Club, expressing regret at the absence of four.

Mrs. C. H. Leavy, Recording Secretary, read the minutes of the 1943 meeting, which were approved.

The Treasurer, Mrs. J. D. Wadsworth, gave her report, stating there was a balance of \$36.58 in the treasury.

In the absence of Mrs. Claud C. Smith, Auditor, who continued ill, Mrs. W. F. Dykes acted for her, reporting the Treasurer's books to be in perfect order, and moved the adoption of her report, which carried. A message was sent to Mrs. Smith, regretting her absence, and expressing sympathy.

On motion of Mrs. Dykes, seconded by Mrs. Leavy, and a rising unanimous vote, the Club voted the purchase of a \$50.00 U. S. War Bond, to apply on the Marion Sibley Wylie Victory Fund, which is Georgia's endowment scholarship fund at Tamassee School. In a called meeting, held on Thursday, it was also voted to contribute \$50.00 additional to the Blood Plasma Fund. Mrs. Wylie presented this gift to the Conference on Thursday afternoon.

A telegram was read from Mrs. Frank Harrold, expressing regret at her absence because of illness. Also a message from Mrs. H. Fay Gaffney, regretting her unavoidable absence.

Papers for seventeen members were sent to Washington on January 27, 1944, but due to a delay there the society has just been formally organized. Mrs. W. E. Gray is Organizing D. A. R. Regent, and Mrs. S. S. Smith is Organizing C. A. R. President.

The State Convention was entertained by the Count d'Estaing

Society, Athens, Miss Harriet Mayne, Senior President, and Miss Orlean York, Junior President, were official hostesses. Among the distinguished guests present were Mrs. Louise Mosely Heaton, National President; Mrs. Leonard Wallace and Mrs. Y. H. Yarbrough, Past State Presidents, and Cpl. Bill Atkinson, Past State Treasurer, now home on leave from the South Pacific.

The Conference was well attended. Much interest and enthusiasm was shown in the work. A service flag for C. A. R. members serving in the armed forces was dedicated. There are forty-four stars, including one Gold Star for Carter S. Baldwin, a Marine, killed in active duty on Guadalcanal on September 14, 1942. This is the first State flag to be dedicated.

The Elijah Clarke Chapter, D. A. R., mother Chapter to the Count d'Estaing Society, entertained the delegates and visitors at a lovely luncheon on the second day of the Conference.

Contributions to the Jeep Fund, the National C. A. R. project, have oversubscribed the quota for the Georgia Society. Many hours of Red Cross work and practically 100 per cent membership; collection of salvage; selling and buying War Stamps and Bonds; assisting with Tuberculosis Seal Sales, and Civilian Defense as well as hours of canteen work have filled the time of the members. Contributions have been made to Blood Plasma Banks, included in this is \$15.00 given by David Blackshear Society, Rochelle. Contributions were made to Kate Duncan Smith and Tamassee Schools.

The James Watson Society, Winder, entertained Mrs. Heaton in November, 1943, when they dedicated their Club House. Other guests included the State President and Sgt. Lindsey Henderson, Past State Junior President, now serving in the armed forces.

The Lucy Spell Raiford Society, Columbus, secured \$75.00 worth of Advertising from Nehi and Planters Peanuts for the C. A. R. National Magazine which paid the magazine out of debt. They also gave \$250.00 to Tamassee as a memorial to Col. Herbert Fay Gaffney to equip a reading room for advanced students at the school.

All Societies have cooperated with a fine spirit this year, using the influence of their great organization in molding the future of America that it may be worthy of the past.

I have enjoyed working with you these two years. There has been a genuine personal pleasure in meeting old friends and making new. If I have made a success of my office it has been due to your interest, comradeship, and inspiration. It is only through co-operation that we can make a success of this work, so I ask that you give to Mrs. Gaffney, your newly appointed President, the same loyal support. She comes to you with years of rich experience, and will work untiringly and devotedly for our Society.

Greetings to the Georgia Society, Children of the American Revolution:

Across the miles I am sending you my deep appreciation of the trust you have placed in me. I am also fully aware of the responsibility I have assumed in the service of the Society, in the wake of the splendid women who have preceded me.

"Today" has justly been referred to as a Testing Time. America through you is nobly meeting this test, not merely by waving our Stars and Stripes in the cause of liberty but by wholeheartedly responding to the call of victory.

As you assist in this great fight for freedom be on your guard, be alert and you will discover opportunities for service that will bring success. When you meet with success your Society achieves,

when your Society is strengthened the National C. A. R. organizations grows. So—

Go thou in Life's New Morning, go in the bloom of Youth
And wear for Thy adorning the precious Pearl of TRUTH.

MRS. HERBERT FAY GAFFNEY.

COUNT D'ESTAING SOCIETY, ATHENS

Senior President.....Miss Harriet Mayne, 259 E. Findley Street
Junior President.....Orlean York, Milledge Avenue

Count d'Estaing Society is sponsored by Elijah Clarke Chapter, D. A. R. Nine regular meetings, followed by social hour, were held during the year. Birthday of famous Revolutionary heroes were observed. The Star-Spangled Banner, Pledge to the Flag, and the American's Creed were part of each program.

We collected and prepared tin cans for salvage, helped sell and bought Stamps and Bonds, rolled bandages at Red Cross and one pint of blood donated to blood bank. On several occasions we helped serve coffee and cake to soldiers, cookies and fruit juice to Boy Scouts when they were collecting paper.

Ancestral charts for each member of our Society has been sent in to the State.

Our State and National dues have been paid. Contributed to Jeep Fund, Tamassee, Kate Duncan Smith. At Christmas we sent fourteen games to Merchant Marine Hospital in Florida, valued at \$7.00.

State Conference held in Athens February 11 and 12, guest of Count d'Estaing Society. The National President, Mrs. Louise Mosely Heaton, two past State Presidents, and our State President, Mrs. Henry Reid, who was Count d'Estaing's first Senior President, and Mary Alice McDonald, Junior State President.

DOLLY MADISON SOCIETY, ATLANTA

Senior President...Mrs. Hinton Blackshear, 1237 Peachtree Battle Ave.
Junior President.....Miss Jan Hayes

The Dolly Madison Society, Children of the American Revolution, has had four meetings, three at the home of the Senior President, and one at the Chapter House.

There are fourteen members with papers and seven who have been given papers to fill out for membership. One transferred to the Macon Society, and another is planning to transfer from the Macon Society to Dolly Madison. One girl is transferring to the Atlanta Chapter, D. A. R.

State and National dues have been paid for 1944.

Every member is working on bringing in at least one new member.

Ten names of former members who are now in the Armed Forces were sent in for our Service Flag. We found that we have officers in the Army and Navy. One is in command of a submarine in the South Pacific.

The Ancestor blanks have been filled out and mailed.

Our Group has given over 800 hours of service to Red Cross work and to work for men in the Service. Some members have assisted at the Blood Donors' Station, the Ration Board and Red Cross work at the Doll House; others have made books of various kinds for convalescent soldiers, knitted squares for the Red Cross, and all members have participated in paper sales and are buying War Stamps. In addition, \$2.00 has been given to the Jeep Fund.

THE LADY ELIZABETH OGLETHORPE SOCIETY, ATLANTA

Senior President.....Mrs. Wallace Kilgore, 143 Beverly Road, N. E.

Junior President.....Margene Branch

The Lady Elizabeth Oglethorpe Society has twenty members, one new member, two applications pending, and one transfer to the Joseph Habersham Chapter, D. A. R.

Four business and social meetings have been held. All National and State dues have been paid.

Have contributed \$3.00 to Jeep Fund, \$1.00 to Aesop Fable Mantel, \$1.00 to Tamassee School, \$1.00 to Kate Duncan Smith School. A Christmas box was sent to Verlene Smith at Tamassee School and \$6.40 for uniforms.

All members are taking an active part in Red Cross work, knitting, rolling bandages, buying Defense Stamps and War Bonds.

LUCY SPELL RAIFORD SOCIETY, COLUMBUS

Senior President.....Mrs. Herbert Fay Gaffney, Green Island Hills

Junior President.....Mary Lou Long

Our present membership of active workers is 43. Many families have moved from the city and ordered to other War stations. A number of young girls have entered college and others are being advanced to membership in the D. A. R. Two outstanding boys have entered the war and are now in both the Navy and Army branches.

We have sent forward our quota for Kate Duncan Smith School. We gave a box of clothing to Christmas charity valued at \$50.00. The younger members filled stockings and gave toys and books to every boy and girl in the local hospital on Christmas Eve.

Our work is going steadily forward in furnishing day rooms for the Paratroopers at Fort Benning. Our contributions are given to all local activities, and the high point this year is the pleasure we have derived from a memorial created for Colonel Herbert Fay Gaffney, the late husband of our Senior President, and their son, Captain Herbert Raiford Gaffney. This gift goes to our mountain

school, Tamasee. A study and reading room for the advanced classmen is being completely equipped and the donation is offered by the Lucy Spell Raiford Society with a value of \$250.00.

Our meetings are enthusiastically attended, and we strive to build a better citizenship for the years of the coming peace.

The C. A. R. National magazine is out of debt for the first time in many years, due to the efforts of Mrs. Gaffney, Senior President of Lucy Spell Raiford Society, by sending in signs of the Nehi and Planters Peanuts for the C. A. R. Magazine. The space for these signs brought in approximately \$75.00.

We feel quite honored that our Senior President has been appointed State President of Georgia C. A. R. and Mary Alice McDonald, Past Junior State President of Georgia Society, is now National Junior Chairman of the Correct Use of the Flag.

ROBERT SALETTE SOCIETY, DECATUR

Senior President.....Mrs. B. L. Avera, 421 S. McDonald Street

The Robert Salette Society has paid all National and State dues. They have seven members and a number of new papers being filled out. They are beginning a new project now of making scrap books for soldiers in the hospital, and are active in Red Cross work.

BENJAMIN CLEVELAND SOCIETY, GRIFFIN

Some of our members have married, some are in college, and one is in the army. Since our number is so small we have decided to disband. We have paid all State and National dues.

BENJAMIN HAWKINS SOCIETY, MACON

Senior President.....Mrs. Joe Pruitt, 116 Euclid Avenue, Macon
Junior President, Senior Group.....Olive Ann Burns
Junior President, Junior Group.....Ann Weaver

We have an active membership of thirty-eight girls, having lost ten—transferred to D. A. R. Last year six girls had to be dropped for non-payment of dues.

Our girls are very active in all civic projects, including the Cadet Club, Red Cross and work at the hospital. We have four girls working on their papers and they are almost ready to be sent to Washington, and one member transferred to us from Atlanta. We do not have any papers in Washington at present.

BENJAMIN FITZPATRICK, MADISON

Senior President.....Mrs. Butler Atkinson
Junior President.....Ann Wallace

All State and National dues for ten members paid. Among our members attending the State Conference in Athens was Cpl. Bill Atkinson, Past State Treasurer who was home on furlough from foreign service. He addressed the Conference. Our Junior President, Ann Wallace, was elected Junior State President. We contributed to our mountain school and are active in all phases of patriotic work.

LaGRANGE SOCIETY, LaGRANGE

LaGrange Society has twenty-six members, one transfer, and four applications pending.

National and State dues paid. Contributions made to Tamassee and Kate Duncan Approved Schools, Junior Red Cross and Polia Drive. One hundred per cent membership in Junior Red Cross, each member has taken part in all Junior Red Cross activities. Clothes given to Russian Relief Committee. All members have participated in Civilian Defense in collecting tin cans, paper, magazines, and fats. All members have purchased War Bonds and Stamps.

The LaGrange Society won the State award for the largest number of new members for the year. LaGrange Society also won a National award in the annual C. A. R. Membership Contest.

Regular monthly meetings have been held with excellent attendance. The Regent of LaGrange Chapter D. A. R. gave the Society an interesting talk on Yorktown and Navy Day. Mrs. Callaway spoke to the Society on Benjamin Franklin, Robert E. Lee, and Franklin Delano Roosevelt whose birthdays are in January. At the April meeting George S. Johnson gave an instructive talk on "The Wars in Which Our Country Has Taken Part." Other programs have been contributed by the members.

The Society continued their charitable projects of Christmas baskets to needy families and a hot lunch to one child each day for the school year.

SUKEY HEART SOCIETY, MILLEDGEVILLE

Senior President.....Mrs. W. L. Fraley
Junior President.....Frances Binion

The Sukey Heart Society of the Children of the American Revolution feels the call of service, stressing work through which we might be of aid in war work, feeling that the most important factor on the home front is conservation. The boys of the Sukey Heart Society have paper routes, the girls gave the Christmas holidays working in local stores, and filling Christmas stockings. We donated and wrapped Christmas gifts for soldier patients at Warner Robins Field.

Copies of papers of all members of the Sukey Heart Society was typed and mailed to Mrs. Henry Reid, Athens, Ga.

Names with ranks, branch of service and present address have been mailed of the members in the armed services.

All Red Cross activity at Peabody High School is led by our C. A. R. President.

One member has given many hours work at our local U. S. O., helping her mother entertain service men and women.

The high school girls have helped decorate and make plans for a local school recreation center, giving their time on Friday, Saturday and Sunday.

A box of winter clothes have been mailed to Kate Duncan Smith School and \$1.00 to National Treasurer to help furnish lunch for the under nourished children of that school.

We have mailed two papers for membership to Washington and preparing four others.

Our problems: How to get better attendance to our C. A. R. meetings, their time is so much filled with patriotic services.

LT. GEORGE CALVERT SOCIETY, MOULTRIE

Senior President.....Mrs. James Benenson
Junior President.....Elinor Chisholm

Our Society is very small and we can do things only in a small way. All of the members belong to the Junior Red Cross. Two members are official Air Raid Wardens and Bond Salesmen. We have worked in the Red Cross surgical dressing room and have made 65 Buddy Bags. Since our organization we have sponsored both Bundles for Russia and Bundles for Britain.

Our members have given several hundred hours to volunteer ration work, collecting scrap metal and paper and waste fats. All of our State and National dues are paid. We have sent \$2.00 to the Jeep Fund, \$1.00 to Tamassee, \$2.00 to the Building Fund, \$1.00 to Kate Duncan Smith School.

The Society ran a Service Men's Center until the U. S. O. agreed to take over. We have entertained soldiers from the nearby base in our homes and have all joined in the purchase of War Bonds and Stamps.

GENERAL DAVID BLACKSHEAR SOCIETY, ROCHELLE

Senior President.....Mrs. Henry Mashburn
Junior President.....Ann Maddox

Number of members, 23; number of meetings held for business and social, 4; number of members pending, 5; average attendance, 94 per cent. All National and State dues paid. Assisted in sale of Tuberculosis Seals; helped in Red Cross Drive; float in Red Cross parade; sold quilt for Ambulance Fund. Every member a \$1.00 member of Red Cross. Contributed to Red Cross War Fund, \$2.00; contributed to Club Mobile, \$10.00; contributed for Jeep, \$5.00; Blood Plasma, \$15.00. Amount of Bonds sold by C. A. R. girls. Garments knitted: three Navy scarfs, three sweaters, one helmet, 15 squares for Red Cross afghan. Ancestral charts have been sent. Four members transferred to D. A. R.

COLONEL HENRY LEE SOCIETY, SAVANNAH

Senior President.....Miss Rae Fraser, 1120 E. 50th Street
Junior President.....Patricia Felton

The Col. Henry Lee Society has had in the past year one transfer, Bobby Melson, from LaGrange, and two new members. There are also several applications pending at Washington.

Our work during recent months has been below par due to the fact that the nucleus of our last year's members are off to college or in the service. Sgt. Lindsay P. Henderson, our former State President, and an outstanding worker in the Savannah Chapter, is now stationed at Camp Stewart near Hinesville, Ga.

We have contributed to the Jeep Fund and various mountain schools.

At present our chief work is confined to the war effort. Our members are all doing work of some kind for the Red Cross. Many of our girls are doing canteen duties for the Red Cross Canteen Corps and several are knitting sweaters and other garments for the War Relief. We have stressed sale of Bonds and Stamps.

The U. S. O. often call upon the members to act as junior hostesses at the Service Club dances and other affairs. We have recently bought a \$100.00 War Bond.

At our last meeting a motion was carried that hereafter the Group would convene bi-monthly instead of only once each month as has been the past custom. It is felt that this will promote the interest of the members and familiarize the inexperienced members with the C. A. R. spirit.

JOHN HOUSTON SOCIETY, THOMASTON

Senior President.....Mrs. Clay Harris

John Houston Society has a membership of fifteen. All State and National dues paid. Several of our members are on the cradle roll, and we have one member serving in the armed forces.

The D. A. R. Chapter is sponsoring our Society, and is much interested in the work of the Society.

WINONA SOCIETY, WAYCROSS

Senior President.....Mrs. Frank B. McDonald, Jr.

Junior President.....Henri Sims

The Winona Society has a membership of fourteen members. All State and National dues have been paid. Interesting programs have been enjoyed at the meetings. Members have been actively engaged in making out ancestral charts. Much Red Cross work has been accomplished.

JAMES WATSON SOCIETY, WINDER

Senior President.....Mrs. Herschel Smith

Junior President.....Miss Louise Eavenson

It is a pleasure to bring greetings from the James Watson Society, Children of the American Revolution, and submit the following report:

The outstanding accomplishment of the year was procuring our new Club House—the gift of Colonel James Dala Watson, and entertaining Mrs. Heaton, National President; Mrs. Henry Reid, State President, and Sgt. Lindsey Henderson, an ex-Junior State Vice-President, who is now with the Georgia Barrage.

Our Club House is a granite structure with assembly hall, dressing room and kitchen. Colonel Watson has recently secured a piano for the house. Sunbury Chapter D. A. R. showered us Christmas with plates, glasses, cups and saucers. Tentative plans are under way for additional furnishings, and landscaping of grounds.

Ten scrap books of comic strips and six copies of "God Is My Co-Pilot" have been donated to Veterans' Hospital 48. Assisted five days in paper salvage drive. Also contributed to drives for scrap iron, tin cans, and waste fats. Three hundred hours have been given to Red Cross work. Membership in Junior Red Cross

is 100 per cent. The Senior and Junior Presidents attended the State Board meeting.

Colonel Watson, our Advisor, assisted by Mrs. Watson and our Senior President, gave an alfresco party in September. Many of our out-of-town members were present, and a group picture in front of the new Club House was made for the C. A. R. Magazine. The Regent of Sunbury Chapter, D. A. R., was the guest speaker. At this meeting two beautiful silk flags—one an American Flag, the other a C. A. R. Flag, were presented by Colonel Watson in behalf of the donor, his friend, Jacob Erdman Cope of Pennsylvania. These flags are four by five feet and occupy a conspicuous place in our Chapter House.

Members are buying Defense Stamps and War Bonds.

GOVERNOR DAVID EMANUEL SOCIETY, SWAINSBORO

Senior President.....Mrs. D. D. Smith

The Governor David Emanuel Society is the youngest Society in the State organization. It is sponsored by Governor David Emanuel Chapter, Daughters of the American Revolution of which Mrs. W. E. Gray is Regent. We organized with sixteen members and several papers pending in Washington.

Our Society was represented at the State Conference in Athens by one of its members, Ann Humphrey, a member of the Freshman Class at the University of Georgia.
