REPORTS OF STATE OFFICERS

STATE REGENT

Mrs. Ober DeWitt Warthen

In spite of the fact that we were not able to have a State Conference last year there was no "let-down" in the work of the Georgia Daughters of the American Revolution. It seems that although everyone missed the glamour that usually accompanies the sessions, all realized that the fundamentals remained the same; that hard work and constant alertness would be needed to restore many cherished freedoms that had been set aside in the name of "War Emergency" and restore to normal lives interrupted by calls to the armed services and to various fields of war work.

Our members responded nobly as last year's reports show. I hope that all of you have read them. The sum total of our activities was amazing.

This year's work began at a time when the outlook was dark and uncertain. Civilian restrictions were being keenly felt and the pressure of war production was at its peak. It was during this period that the topic for the year "We Serve" was chosen. The Georgia Daughters have served faithfully and through their study learned to more fully appreciate the ways in which our organization serves our country and its members.

Travel restrictions prohibited even a meeting of the Executive Board. The By-Laws made no provision for or gave authority to any smaller group. After discussing the situation with a number of State Officers, the Regent sent ballots to every Chapter Regent asking that the elected State Officers be authorized to meet and transact the business of the State Society until the regular Board would again be allowed to assemble. There was not one dissenting vote and the Executive Committee, thus constituted, met in Atlanta in July, 1945, and made plans for work that might be done.

Many wounded veterans had already returned and were filling the government hospitals. Purchase of two mobile service units was authorized—unanimous vote of the Chapters having already been secured—and these were given to Lawson General Hospital in Atlanta and to the Naval Hospital in Dublin—in honor of the State Regent. I appreciated this honor very deeply and pray that they have been of service to large numbers of our hospitalized service men.

The unit given to the Naval Hospital was dedicated on October third in the Hospital Auditorium with three hundred Navy personnel present. It was an opportunity to express to them the appreciation of the D. A. R. for the service they had rendered in preserving our nation as a land of personal freedom. The other unit was put into service at Lawson General Hospital on October fourth and acknowledgment received from the Field Director of the Red Cross.

Before the dedication, Mrs. E. B. Freeman, Vice-Regent, who had planned the program for the day, entertained about twenty of the officers of the John Laurens Chapter and the friends who went with me at a morning coffee. We left Mrs. Freeman's and went to the offices of WMLT where I made a full 15 minute broadcast. After a tour of the broadcasting station, Mrs. M. A. Shew-

make carried us to her home for a little rest period and refreshments and later to the New Dublin Hotel where the Regent, Mrs. Roy S. Bell, entertained at a lovely luncheon.

The dedication was followed by a tour of the Hospital and an address at a special Birthday Celebration of the Chapter at the home of Mrs. A. T. Coleman. A full day but a very enjoyable one.

At Christmas time and other special seasons, books, buddy bags and miscellaneous gifts have been carried to the men in these and many of the other Veteran's Hospitals by our War Service Committees.

An informal discussion of D. A. R. problems was held after the meeting of the Proceedings Committee at the home of Mrs. Mark Smith. Mrs. Smith entertained at a luncheon and invited the State Officers not already on the Committee to be present. The State Regent shared honors with the President General on this occasion and afterwards introduced her when we broadcast over WMAZ.

On May 16th, the Lymn Hall Chapter, Waycross, entertained at a luncheon at which I was the main speaker. All of the Good Citizenship Pilgrims sponsored by the Chapter were present, and it was a delightful day. Mrs. Garrett was my hostess and my thanks to her and to the Chapter for the many courtesies shown me.

On June 13th, the Savannah Chapter was my hostess and entertained with a very beautiful formal dinner at the DeSoto Hotel. Southern hospitality there exceeded even its traditional glories.

The Bonaventure and Lachlan McIntosh Chapters were guests of the Savannah Chapter at the meeting and informal reception held the next morning. It was their annual observance of Flag Day and I made the main address. After this affair Mrs. Chas. D. Ellis was hostess at a charming luncheon at the famous old Pink House.

In September it was my privilege to share honors with the President General at a very elaborate and exquisitely appointed tea given by the Atlanta Chapter at their beautiful Chapter house.

From Atlanta, I went home with Mrs. Earle Stribling for a happy week-end and visits to the Tomochichi, Toccoa, and Col. William Candler Chapters. I was beautifully entertained at many luncheons and dinners, as well as Chapter teas.

On Sunday, Mrs. Stribling took two officers of her Chapter and me to Tamassee for my first visit. The State Regent of South Carolina met us there and showed us some of the buildings and equipment of our magnificent school. I saw for myself that our interest had been centered in a project worthy of it and that the auditorium-gymnasium was needed. The Executive Committee set \$1,000.00 as a goal from Georgia Chapters for this project honoring our President General. I am very happy to tell you today that that amount has been exceeded by more than \$300.00. I know that Mrs. Talmadge will rejoice with me at this generous expression of your love and loyalty.

On October fourth, Mrs. N. A. Jelks entertained at a luncheon in my honor and later at a meeting and tea at which I spoke.

This just left me time to pack and get to Savannah in time to catch the train for Washington to attend the October meeting of State Regents and the National Board of Management. This was the fifth meeting I had attended since becoming State Regent and it seemed with every difficult problem she has faced, the President General has grown in poise and wisdom.

On October 24th, I was entertained in Moultrie at a luncheon by the Chapter Regent, Mrs. I. A. Heard. In the afternoon I spoke to the members of the John Benning and Barnard Trail

Chapters. After the meeting I was carried on a tour of the city and entertained at dinner that evening by the officers of the John Benning Chapter. Every courtesy was greatly appreciated.

The next morning I went to Bainbridge and was entertained informally at a soft drink party in the interesting and lovely home of Mrs. John M. Simmons. This was followed by a large luncheon at the hotel. Many young, prospective members were present and it was a pleasure to address them.

That evening I went to Donaldsonville to be the guest of Mrs. John Cummings in her beautiful country home. She entertained about thirty that evening at dinner. This was a very gracious occasion and greatly enjoyed.

The next morning, October 26th, I went to Thomasville and was the guest of my good friends of long standing, the William Watt's, for lunch and over night. In the afternoon I attended a Chapter meeting and tea at the home of Mrs. Balfour. This occasion was memorable not only for its beauty, but for the number of friends whom I had not seen for a long time who were present.

Restrictions on small gatherings having been removed, a meeting of the State Executive Board was held on November 13th at the Dempsey Hotel in Macon with almost a full attendance. The Mary Hammond Washington Chapter was the official Hostess Chapter and I was the house guest for two nights of the Regent, Mrs. I. A. Berry.

On the evening preceding the Board meeting, Mrs. P. L. Hay entertained the visiting delegates and Macon Regents in her beautiful home at an informal gathering.

On November 14th, the Mary Hammond Washington Chapter entertained at a large and beautifully planned luncheon in my honor. This was followed by a meeting and tea at Baconsfield. Here, too, a number of Junior members and C. A. R. were present and it was inspiring to talk to and with them.

Mrs. Mark Smith was my hostess that night and entertained at a small but quite enjoyable party.

On November 15th, I had lunch in Griffin and spoke at the meeting of the Pulaski Chapter in the afternoon. The meeting was followed by a beautiful tea and was also outstanding for the large number of active young members present and the number whose papers were pending.

On November 16th, I attended the meeting of the Junior Assembly being held at the Atlanta Chapter House. Mrs. Reuben Garland, Chairman, and the Junior members served a very lovely luncheon at which I shared honors with Mrs. Schermerhorn of Michigan, former National Chairman. I deeply appreciated the many courtesies extended. That afternoon I was special guest of Junior Committee of Joseph Habersham Chapter at their Fashion Show and tea.

On January 2nd I talked to my own Chapter and on January 8th was entertained by the Augusta Chapter at a very lovely luncheon and a tea following the Chapter meeting. Between the two I visited Meadow Garden as guest of Mrs. Stone, the State Chairman, and Mrs. Moore, the Chapter Regent, who were my hostesses for the day. The response to D. A. R. information was quite enthusiastic and the charming gift presented me was not needed as a reminder in the future of that memorable day.

I must say that most of the meetings have been well reported and I believe the publicity was the type of which the organization would be proud and which made the public realize that we do have a definite peace-policy—National Preparedness—and that we are aware of world conditions and willing to express our views and

stand firm for the principles of government which are embodied in our Constitution of the United States of America.

Illness in my family forced me to cancel with deep regret, engagements in Atlanta and Decatur, but I was able to attend the State Regents meeting and National Board meeting in Washington on January 31st and February 1st. The seventh and last Board meeting I will attend as State Regent is scheduled for May 18th in Atlantic City. This will precede the first Congress at which I will be privileged to give your report. I did, however, have an opportunity at a dinner following the Board meeting last April to tell about some of the fine things that you had done.

An insufficient number of Chapter and Chairmen's reports had been received when this report was written, to enable me to incorporate a resume of the splendid work you have done this year and recount the many National awards that you have won, but I can report that the State goals have been met and exceeded.

The first two which were projects for our returned veterans have been reported. The third was at least \$1,000.00 from the Chapters for the Auditorium-Gymnasium at Tamasee honoring our President General and I am happier than I can tell you that you have exceeded that amount. When the building is completed let's have a pilgrimage over there and help dedicate it.

The fourth was to complete payment of the Georgia Star on the National Birthday Bell at Valley Forge. That has been done and it will be dedicated on May 24th at Valley Forge. This was planned so that delegates to the Congress might stop over and attend.

If only our quota on the Stained Glass Window were paid and I could see that obligation removed before your Historian and I leave office, I should be very grateful.

Our State Registrar, Mrs. Brawner, has done a very tedious and worthwhile piece of work in compiling a list of every Georgia member and her ancestor and had planned to have it printed to present here today, but the cost of printing so far exceeded the amount that had been estimated that she would need she was not able to do so. We owe her a great debt for this splendid service.

Another was observance of Patriotic Days and here our record is one of satisfaction.

I have not heard yet—it is too early for an announcement from the National Society, but I feel sure that we will not again fall short of our goal of 10 per cent of our members subscribers to the National Historical Magazine. Last year we were 11 subscriptions short of that goal.

Fifty-nine Chapters met all Honor Roll requirements this year, even though the date was unusually early.

Realizing that the importance and influence of the National Society Daughters of the American Revolution is dependent on maintaining and even increasing its membership, I have worked harder at making our young women realize the value of the organization and the reason why they should belong than at anything else, so the net gain in membership of 280 members since February 1st, 1945, fills my cup to overflowing. Even last year we were third in the United States in net increase. This is even more remarkable when you realize that this is a net increase and we have lost 64 members by death this year alone. Our last report from National showed a total of 4,749 members.

Along with membership increase, I worked for and am proud to present to this Conference the Gov. Geo. W. Towns Chapter, Mrs. W. L. Perryman, Organizing Regent. The first new Chapter in eight years.

Encouragement has been given to every phase of the work and especially to Good Citizenship Pilgrimage, Girl Home Makers and Junior American Citizens. We have alert chairmen who have given their time and effort to the work. The bond was presented again this year in lieu of a trip to Washington, but we hope that the trip may be offered again next year. This depends, of course, upon our holding Continental Congress there.

I want to thank every Chapter Regent and State Chairman for her wholehearted cooperation and enthusiastic response to my many appeals. I only hope that they didn't find my letters too frequent or burdensome. I felt that since we could not meet that it was more necessary than ever before that I write often and give information about our work.

My thanks to my loyal corps of officers who have stood by faithfully and cheerfully in every emergency and have done far more than was actually required of them. They have been my strength as an officer of the Georgia Society and personally. It has been a great privilege to serve with them and the love that I bear them will continue through the years. Especially do I thank the Regents of the Joseph Habersham, Atlanta, and Baron DeKalb Chapters and their members who have worked so faithfully with me for the success of this Conference and in planning for last year's.

I wish to give full acknowledgment to the Past State Regents who have been my confidants and guides.

War restrictions made us more keenly aware of the fact that our By-Laws needed a few changes to provide for such emergencies and to make them more nearly coincide with the By-Laws of the National Society.

Mrs. Hightower, our Parliamentarian, Past State Regent, and Ex-Vice-President General, consented to my request that she serve as chairman of a committee to suggest these revisions. The other members of the committee were Mrs. H. H. McCall, also a Past Regent, Ex-Vice-President General, and one of the State's best Parliamentarians; Mrs. Land, a Past State Regent with a splendid legal mind, and two active State Officers, Mrs. Mark Smith and Mrs. Y. H. Yarbrough. If their report of which you have already received a copy is accepted, I shall feel that I have accomplished something for the good of our beloved Georgia Society and been repaid for all the work and struggles of the past 17 years.

It will be a privilege to present your report to Congress (what I can of it in two minutes) and I thank everyone of you for every lovely courtesy you have shown me through the years. I treasure the beauty and perfume of the exquisite flowers I've worn, the precious books and fine handkerchiefs and other gifts from you. But most of all I treasure the friendships within the State and National Societies that will grow dearer with passing of the years.

And to the best State Officers any Regent ever had, and to all of you, let me say that we have finished our service here, but, quoting Edgar A. Guest:

"Life isn't rest—it is toil;
It is building a dream;
It is tilling a parcel of soil
Or bridging a stream;
It's pursuing the light of a star
That but dimly we see,
And in wresting from things as they are
The joy that should be."

STATE FIRST VICE-REGENT

Mrs. E. Blount Freeman

My term of office as your First Vice-Regent has been filled with a full realization of the honor, dignity, and responsibility which this important office entails. It has, therefore, been my solemn purpose to carry out the duties of this office in the spirit as well as the letter of the obligation I assumed when I took the oath of office, in 1944, at Continental Congress N. S. D. A. R. in New York City.

It has afforded me genuine pleasure to assist our State Regent in every way and to respond to all calls made by her. I have attended all meetings of National Congress N. S. D. A. R., State Conference of Georgia, State Executive Board, and Executive Committee; and it is a source of deep regret that, because of injuries I received in a recent automobile accident and a double bereavement in my immediate family, it is impossible for me to attend this, the 48th Georgia State Conference—the first I have failed to attend for the past sixteen consecutive years.

For the many invitations, Year Books, letters of sympathy, and other attentions shown me, I am deeply grateful.

STATE SECOND VICE-REGENT

Mrs. Mark Smith

It has been a pleasure to serve as your State Second Vice-Regent. My duties have been few, but whenever called upon I have responded to the best of my ability. I represented the Georgia Society at Founder's Day at Tamassee.

May I express to the Chapters my sincere appreciation of the Year Books, and the many courtesies shown me during the past year.

STATE CHAPLAIN

Mrs. John J. McKay

Although the nature of my duties as Chaplain are somber in character, they have been made pleasant because of the splendid co-operation of officers and members.

The reports from the Chapter Chaplains have been encouraging. They, with your State Chaplain, have endeavored to follow the wishes of our National Chaplain in requesting the County Superintendants of Schools in the different Counties to have the Bible taught in the schools, to allow the scholars to attend a class of Religious Education in connection with their school work.

Many of the Chapter Chaplains report work in connection with Juvenile Delinquency.

Many Recreation Centers have been secured, playgrounds made, where the boys and girls are taught the principles of honesty, truth and fairness.

The State Chairman has written letters of sympathy, in the name of the organization, to those who mourn, and has received letters in reply of appreciation of the interest of the State D. A. R.

It has been a privilege to serve as your Chaplain under the splendid leadership of our State Regent and as I retire from this office, I wish to extend to my successor my best wishes for success and happiness to her work.

STATE RECORDING SECRETARY

Mrs. Leonard Wallace

It has been a pleasure to serve as your Recording Secretary. I have attended all Board meetings and the State Conference and have kept minutes of these meetings to be recorded in the State Proceedings. Letters of instructions were sent to all officers, chairmen and Regents.

STATE RECORDING SECRETARY

Mrs. Robert H. Humphrey

It has been a happy privilege for me to serve the Georgia Society as your Corresponding Secretary, and at all times an inspiration to work with the State Regent.

All routine work of the office has been attended to, the messages of the State Regent distributed to the Chapters, and many notes have been written in the name of the Georgia Society to those in sickness and sorrow.

Total expenditures from this office for the term 1944-1946 amount to \$47.84.

STATE TREASURER

Mrs. T. Earle Stribling

Atlanta, Georgia
February 28, 1946.

Mrs. T. Earle Stribling,
Habersham, Georgia.
Dear Mrs. Stribling:

Pursuant to your request, I have completed an audit of your account as Treasurer of the Georgia Society of the Daughters of the American Revolution which is attached hereto.

You will note that I have prepared a statement of receipts and disbursements in detail, together with a statement of the bank account, showing the balance on hand as of the first of February, 1945, to which has been added the receipts for the year. By subtracting the checks outstanding on the last day of January (the date of the bank statement from which this was taken, and which is in agreement with the last audit) together with the sum disbursed during the year, you will find that the amount is in agreement with the balance as shown for the 20th of February, 1945, with the exception of \$61.23. This amount is carried as cash on hand and was deposited on the 21st of February, the day after the date of this audit.

By comparing the statement of disbursements with the balance shown on the bank statement, you will note that the entire account is in balance. And since all of the above mentioned statements are in balance the statement of individual accounts, the entire account is complete.

It has been a real pleasure to do this work for you. The many and various items require considerable time and effort to keep in order and to note that the whole set of books are in most excellent condition, as well as accurate in each detail, deserves the highest commendation. I could not be too strong in evaluating the work you have done.

If I can be of further assistance in the future, I shall be only too glad to serve you in any way that I can.

With kind personal regards, I am,

Most sincerely yours,

ALBERT L. BAILEY,
Public Accountant.

STATE AUDITOR

Mrs. Lucius W. McConnell

The audit of the State Treasurer's books from February 1, 1945 to February 20, 1946, prepared by Albert L. Bailey, Public Accountant, has been examined by your State Auditor and found to be correct.

Mrs. T. Earle Stribling, State Treasurer, deserves the highest praise for her splendid work in handling the funds of the Society, and it has been a pleasure for me to be closely associated with her.

STATE CONSULTING ORGANIZING SECRETARY

Mrs. L. V. Stone

At this time it gives me great pleasure to present to you our new Chapter, Governor George W. Townes, which was organized in Talbotton on February 22nd, with 17 members, and papers pending for others. Mrs. W. L. Perryman is the Organizing Regent, and the Chapter will be confirmed by National Board meeting on May 18th.

STATE LIBRARIAN

Mrs. Henry Mashburn

STATE HISTORIAN

Mrs. Young Harris Yarbrough

All work in the field of history in any form comes under the Historian General, by the State Historian in each State and by the Chapter Historian in each Chapter. As I started the second year's work as State Historian, I again stressed the Historian General's principal project, Valley Forge and also the War Service Records of our boys and girls in the service of their country, sending the usual questionnaire in January.

The building committee of the Vestry of the Washington Memorial Chapel at Valley Forge has agreed to allocate to the Daughters of the American Revolution for the period ending May 1, 1947, the sponsorship for financing the building of a permanent Tower to house the Carillon, consisting of forty-nine bells, one for each State and a great National Birthday Bell, weighing two and one-half tons. The National Birthday Bell is used in connection with the Peace Chime and it bears a Star, costing \$240.00 for each State, forming a decorative border. The original plan was that the Bell with its endowment would be the gift of forty-eight American patriots in every State of the Union, each patriot giving \$5.00, the names of the donors to be preserved in the National Birthday Bell Book at Valley Forge.

The following Chapters and State Officers, past and present, will be preserved in this book:

Atlanta, Augusta, Baron DeKalb, Benjamin Hawkins, Brunswick, Captain John Wilson, Colonel William Few, Edmund Burke, Elijah Clarke, Fielding Lewis, General David Blackshear, Governor David Emanuel, Governor John Milledge, John Houston, Joseph Habersham, Lamar LaFayette, Nancy Hart, Nathaniel Macon, Oglethorpe, Oglethorpe Junior Committee, Sunbury, Toccoa, Tomochichi. Mrs. William Harrison Hightower, Mrs. Thomas Coke Mell, Mrs. Ober DeWitt Warthen, Mrs. Howard H. McCall, Mrs. Robert Humphrey, Mrs. Leonard Wallace, Mrs. John J. McKay, Mrs. Elliott Blount

Freeman, Mrs. James B. Key, Mrs. James N. Brawner, Mrs. Thomas Earle Stribling, Mrs. Lester V. Stone, Mrs. Young Harris Yarbrough, Mrs. Mell Knox, Mrs. John Bell, Mrs. Robert G. Hunt, Mrs. Mark Smith, Mrs. Lucius McConnell, Mrs. John Cummings, Mrs. John H. Allen, Mrs. Hudson Malone, Mrs. Jena C. Collier.

Georgia's Star will be dedicated following National Congress on May 24, 1946, at Valley Forge.

Every member was asked to give five cents per capita toward a \$5,000.00 Stained Glass Window for the Bell Tower at Valley Forge. Thirty-five Chapters contributed \$97.00 to this fund. The quota being \$220.75, a resolution was adopted at State Conference, held March 8, 1946, to take from the State Dues fund a sufficient amount to finish this payment.

The Tower will be dedicated to the Revolutionary Patriots, who established the American way of life and to the men and women of World Wars I and II who have preserved that precious heritage. In the Tower there will be a Memorial Roll of Honor, a wainscoting of three series of metal plates on which names will be inscribed, each name to cost \$10.00.

The First Series will record the Revolutionary Patriots.

The Second Series will record the names of men and women of World Wars I and II, whose ancestors were Revolutionary soldiers.

The Third Series will give the names of the Patriots of the two World Wars whose families came to this country more recently. The name of any person serving in either war may be listed here.

Six Chapters paid \$150.00 for names on the Honor Roll: Baron DeKalb, \$30.00; Bonaventure, \$30.00; John Houston, \$10.00; Joseph Habersham, \$10.00; Oglethorpe, \$40.00; Elijah Clarke, \$30.00.

There is a section for Chapters with metal plates, on which will be inscribed names of Chapters, grouped by States. Each Chapter has been asked to pay \$25.00 to have its name inscribed on this list, either paying in full or payment may be made \$12.50 this year and the same amount next year. The following Chapters paid in full: Atlanta, Bainbridge, Baron DeKalb, Bonaventure, Elijah Clarke, Gov. David Blackshear, Nancy Hart; those Chapters paying half this year are: Briar Creek, Dorothy Walton and John Houston. Total being \$212.50.

There is a section for Junior Committees and Junior American Citizens Groups. The J. A. C. Group formed by Sunbury Chapter paid \$12.50 for their name to be inscribed in this section.

A border in the floor of the Memorial Room where the Roll of Honor will line the walls, will be divided into sections. As the design has not been selected it is impossible to say how many there will be. Each section will be a memorial, metal letters flush with the floor, and will cost \$250.00. Each State has been asked to take one of these sections. At our State Conference held March 8, 1946, a resolution was adopted, authorizing the State Treasurer to pay for Georgia's section from the State Dues fund.

I prepared a chart, as suggested by the Historian General, 36 by 24, with the names of all Chapters, giving quotas and amounts paid to each project at Valley Forge, for the purpose of inspiring more interest in these memorials.

Twenty-three Chapters sent in 650 records of the boys and girls in the service of their country, who are relatives of our members. These records gave the name of State, Chapter of member to whom Patriot was related, her National number, name of Patriot, his or her home address, date of birth and where, name of father, maiden name of mother, date of entry into service, where, rank, regiment,

foreign service, if wounded, to whom married and name of children. These records were placed in two loose leaf binders, as requested by the Historian General, and sent to her office as a permanent file. Many other Chapters reported records being compiled.

Thirty Historical contests were reported. Prizes, amounting to \$120.75 in Defense Stamps, one War Bond, and four medals were given.

Fourteen Historical programs were broadcast over five different stations: Baron DeKalb sponsored two programs; George Walton, one; Gov. John Milledge, three; LaGrange, five; Lyman Hall, three.

Sergeant Newton Chapter sent in 1,391 marriage records of Newton County, Georgia, from Book II, 1835-1843; Book III, 1843-1849; Book IV, 1852-1861. Henry Walton Chapter reported the compilation of 1,285 marriage records of Morgan County, Georgia, 1808-1888.

Communications between your State Historian, the Historian of Elijah Clarke Chapter, and Federal engineers revealed the fact that the proposed Clark Hill dam, on the Savannah River, would inundate the grave of General Elijah Clarke. The engineers have agreed to move the marker to a high spot of ground as near as possible to the grave.

Baron DeKalb Chapter marked the site where the first Superior Court of DeKalb County met in 1823.

Stephen Heard Chapter marked the Thomas Carter house, where the first Court of Elbert County, Georgia, was held January 20, 1791 (Thomas Carter was a Revolutionary Soldier). In this house George Walton, one of the signers of the Declaration of Independence, presided. The marker is of Elbert County granite, very handsome, and is valued at \$300.00.

The shortage of metal has deterred the placing of markers at our Historic Spots, but all information should be secured and ready to make when material is available.

STATE CONSULTING REGISTRAR

Mrs. James Newton Brawner

There are moments when an expression of pride is pardonable—not pride in personal achievement, but pride in an organization such as our Georgia Society D. A. R., that has, during the past two years, admitted 593 new members and reinstated 92 members, making a total gain of 685 members. During the two-year period, 86 have resigned, 39 have been dropped, and 99 are deceased—leaving a net gain in membership for the two years of 461 members.

Upon my election to office in 1944, a letter was sent to each Chapter Regent, asking her to stress membership as a special tribute to our first President General from Georgia—Mrs. Julius Y. Talmadge—and to honor our State Regent, Mrs. Ober D. Warthen. That the Regents responded in an outstanding way is evident by the large increase shown in the above figures.

Information has been given by your Registrar to numerous members in the State, requiring assistance in genealogical research, and responses made to many letters from out-of-state requesting information. Such work has required many hours of research and much correspondence.

At the Executive Committee meeting held in Atlanta early in 1945, permission was given the State Consulting Registrar to compile a Register of Revolutionary ancestors of the members of the

Georgia Society. At the Fall Executive Board meeting in Macon, a sum of money, not to exceed \$500.00, was allocated for having the Register printed. The work is completed and your Registrar has received estimates on its publication from four different printers, but finds that it is impossible to have the work done at the present time for the amount specified.

Lists of members, including national members and Revolutionary ancestors, have been received from every Chapter but one. However, only eighteen out of eighty-two lists were in perfect alphabetical order, requiring tedious hours of work and the expenditure of approximately \$62.00 for typing. Both time and money have been cheerfully donated.

The cards in the State file have been checked by the lists received and are correct as of February 1, 1946. The Chapters, as a whole, are not sending in the cards of new members. It is impossible to keep the State files up-to-date without the assistance of the Chapter Regents and Registrars.

The work of State Consulting Registrar has been an instructive and enjoyable one. It has been a privilege to serve the Georgia Society.

Report of membership for 1945-1946: Admitted, 361; reinstated, 54; resigned, 45; dropped, 26; deceased, 64. Net gain for year, 280 members.

STATE CURATOR

Mrs. John R. Bell

It has been a pleasure to serve as your State Curator for the past two years. My duties have been few. Letters were sent to each Chapter and the response given was appreciated.

Chapters donating to the Museum Fund were: William Marsh, John Clarke, Baron DeKalb, Peter Early, Benjamin Hawkins, Lyman Hall, John Benning, Sunbury, George Walton, Council of Safety, Brunswick, Stephen Hopkins, Governor David Emanuel, Matthew Talbot, Etowah, LaGrange, Fort Early, Nathaniel Macon, Colonel John McIntosh, Stephen Heard, Atlanta, Elijah Clarke, Edmund Burke, Tomochichi, John Benson, and Commodore Richard Dale.

Contributions for the current year were \$27.00; balance brought forward, \$1.08; total forwarded to the National Museum, \$28.08.

The books in Georgia closed February 1, 1945. All reports made after that time are eligible for the award of the Sarah Morrow Trophy for 1946.

Members of the Joseph Habersham Chapter sent the following gifts to the National Museum: Horn snuff box circa 1800; small brass candle stick circa 1825; Bristol glass vase, brought from England in 1800; five Staffordshire cups and saucers, without handles, with scenic decorations in rose tones; one pair of scissors which has been in the family of one of the members for 125 years; 150 year old quilt in Star pattern, having home spun lining; LaFayette cup and saucer, dogwood pattern.

Please accept my thanks extended to every member of the Daughters of the American Revolution in Georgia for her cooperation during my term of office as State Curator, and for the privilege of working with the State and National Society.

In recognition of the splendid gifts sent to the National Museum, I take great pleasure in awarding the Joseph Habersham Chapter, Atlanta, the Sarah Morrow Trophy.

STATE EDITOR

Mrs. Boyce M. Grier

The State Editor has conducted the department in the Atlanta Constitution devoted to the Daughters of the American Revolution since March 1, 1945, except for the months of June, July, and August, when the State Assistant Editor, Miss Frances Adair, edited the column. The Constitution editors have given full cooperation and only seven columns were omitted, due to lack of space in certain issues of the Constitution.

Georgia State Officers and Chairmen and Georgia Chapters have provided the news for the column. News has been published in the order in which it has been received by the State Editor and 45 Chapters have contributed news for the column.

LaGrange Chapter is again winner of the May Phillips Mims Trophy, having sent seventeen (17) splendid articles of different Chapter activities. Oglethorpe, Savannah, and Sunbury Chapters tied for second place with thirteen (13) articles each. Colonel William Candler Chapter came third with twelve (12) articles. Other regular contributors included Council of Safety and John Houston Chapters with eleven (11) articles each; Nancy Hart Chapter with ten (10) articles; Nathaniel Macon Chapter with nine; Colonel William Few with eight; and Tomochichi and Stephen Heard Chapters with seven each.

The State Editor's Award of \$5.00 for the best article of Chapter activities other than Chapter meetings goes also to LaGrange Chapter for an article telling of the Chapter's summer activities. The second most interesting article was sent by the same Chapter, telling of the "Sacred Concert of American Music" presented by the LaGrange Chapter. Honorable mention should go to the articles sent by Sunbury Chapter, telling of the Chapter's continued good work with Junior American Citizens, and of the marking of Fort Yargo, and to Etowah and John Benson Chapters for articles telling of the marking of the graves of Revolutionary Soldiers.

ASSISTANT STATE EDITOR

Miss Frances Adair

It has been both a privilege and a pleasure to serve three months out of the year—to be responsible for our column in the Atlanta Constitution—as assistant to Mrs. Boyce Grier under the able leadership of our beloved State Regent, Mrs. Ober D. Warthen. To my successor I offer my heartiest congratulations along with every good wish for the happiness and success of each newly elected officer.

COMMITTEE REPORTS

NATIONAL COMMITTEES

ADVANCEMENT OF AMERICAN MUSIC

Mrs. Quillian Garrett

The reports of the Chapter Chairmen of the Advancement of American Music committees reveal many interesting and constructive ways in presenting American music to the citizens of their towns. A number of chairmen began with music of the pre-colonial days, studying composers and types of music of each period, including the music of George Gershwin. Five Chapters presented outstanding formal programs; one church choir has studied hymns by American composers, giving history of composers and the story of the hymns at each choir practice; a radio station offered free time for ten broadcasts, one for each D. A. R. month; gift scholarships valued at \$100.00; the organization of a Music Appreciation group in a local school with \$20.00 in fine records of American Music. A new composer, Miss Katherine Cline, of the LaGrange College faculty, whose "Reverie" for the organ was well received on the sacred concert program of LaGrange Chapter.

The report of Mrs. Yancey L. Roberts, Chairman of Advancement of American Music committee of the Bainbridge Chapter, is in the form of nine monographs, most exquisite in form and content, with appropriate music woven through each program. My award of \$5.00 is given to this Chapter with honorable mention to the Arthur Fort Chapter, Grantville.

We are a part of the American Musical Scene. In a recent issue of THINK, it is stated that in the last ten years 164 promising young Americans have been engaged by the New York Metropolitan Opera. Some 50 were chosen through radio auditions. At the beginning in 1883 the Metropolitan Opera had but one American in the cast.

Allen C. Inman says, "I have taught men gentleness and peace, and I have led them onward to heroic deeds. I comfort the lonely, and I harmonize the discords of crowds. I am a necessary luxury to all men. 'I Am Music'."

AMERICANISM

Mrs. John H. Allen

It is with great pride that I take this opportunity to thank all Americanism Chairmen of Georgia for the splendid work they have done the past year and for their hearty cooperation.

Much interest has been shown on this subject. Approximately 100 per cent of all Chapters have opened their meetings with "The American's Creed" and the "Pledge to the Flag."

Entire programs have been devoted to Americanism with able speakers. Prizes have been given for the highest averages in American History and historical essays to school students, thus creating much enthusiasm among them. Patriotic and National holidays have been observed. Awards have been made for essays on American composers in several schools. Authentic teaching of the Constitution and American History stressed in schools.

Articles pertaining to Americanism have appeared in several papers.

Consistent work has been done with foreigners, teaching them what a great country we live in and what a privilege it is to live in the "land of the free and the home of the brave."

Numbers of Good Citizenship medals have been presented. Attention has been called to legislation urging women to vote. Naturalization courts have been visited and definitions of Americanism distributed. Radio broadcasts have been given on this subject.

Considerable donations to various war relief organizations and considerable time to USO for service men.

Many Chapters were 100 per cent in contributing to blood plasma fund and bank. Individual members, also Chapters have bought large sums of war bonds and have generously devoted a great deal of time to Red Cross.

Girl and Boy Scouts have received cooperation. Colored schools have been asked to observe patriotic days and to teach and promote American government and history in their schools.

The reports of Americanism Chairmen from the following Chapters deserve special mention for their outstanding accomplishments: Elijah Clarke Chapter, Athens; Baron DeKalb Chapter, Decatur; LaGrange Chapter, LeGrange; Commodore Richard Dale Chapter, Albany; Gov. Treutlen Chapter, Fort Valley; John Houston Chapter, Thomaston; Hannah Clarke Chapter, Quitman.

Mrs. Charles Head, National Chairman of Americanism, sent me the following which I would like to include in my report:

"On August 1st, Senator Wiley of Wisconsin, introduced a resolution in the Senate, entitled 'Senate Resolution 165' which has been referred to the Judiciary Commission of which Senator McCarron is Chairman.

"Resolved, That there is hereby created a special committee on the promotion of American activities to be composed of nine members appointed by the President of the Senate. It shall be the duty of the committee to make studies and investigations with a view to recommending legislation to strengthen the American Constitutional form of government, American ideals, and American institutions against the encroachment of subversive and un-American propaganda."

Mrs. Head asked that individual members write to the author, Senator Wiley, Senate Office Building, Washington, D. C., and to their own Senators asking their support of this measure and to express their appreciation and support.

SUB-COMMITTEE ON AMERICAN INDIANS

Mrs. C. H. Leavy

Letters were mailed to every Chapter in the State, explaining the work of the American Indians Committee. It is gratifying that 66 Chapters have responded in some way, many more than last year, 23 having chairmen. Thirty Chapters had special programs on the Indian, including appropriate Indian music. One Chapter cooperated with a church group in a week's study course; there was one book review, and one Chapter presented a fine paper to the Filing and Lending Bureau.

Seven Chapters contributed 33 pounds of used beads for making beaded articles, and sent to Mrs. Hester Wishaar at Window Rock, Arizona. Twenty-two Georgia Chapter contributed \$34.75 to the American Indian educational fund, including: Dorothy Walton, Benjamin Hawkins, Com. Richard Dale, LaGrange, Elijah Clarke,

Brunswick, Baron DeKalb, Oglethorpe, Edmund Burke, Atlanta, Burkhalter, John Benson, Stephen Heard, Augusta, Fort Early, Nancy Hart, Sunbury, Joseph Habersham, Council of Safety, George Walton, and Nathaniel Macon.

A perpetual living scholarship is proposed by the National Chairman at Bacone College in Oklahoma (from which more than 365 students served in the armed forces), for deserving Indian youth, as a fitting tribute to those who gave their lives for our freedom. Even \$1.00 from each Chapter would be helpful in this splendid undertaking. St. Mary's in South Dakota is the other Indian school sponsored by the Indian Committee, but assistance is given to many others.

Notice was sent for publication in the D. A. R. news column protesting the closing of the Navajo schools in Arizona, and letters were written to the Commissioner of Indian Affairs, Department of the Interior, and members of the Indians Committee on the subject. It is hoped the schools will be reopened to the Indian youth, who so well merit consideration.

The cause of the American Indian is a national one, and one in which we hope the Georgia D. A. R. will take even a more active part another year.

It has been a real pleasure to have worked with the Georgia Chapters during these two years, as your State Chairman, and their wholehearted cooperation has been greatly appreciated.

AMERICAN RED CROSS

Mrs. R. L. Carter

The winning of the war closed many avenues of service for Red Cross but reports show that Chapter members are actively co-operating with the Red Cross program of work in these days of recovery.

Those Chapters near veterans' hospitals are continuing their visits and entertainment. Magazines, books, games and flowers have been placed in recreation centers. Many Chapters responded to the Red Cross call for gifts for hospital patients at Christmas. Two Chapters report helping Junior Red Cross groups with boxes for European relief. Other Chapters helped Junior organizations with packages for hospitals, arts and crafts collections and various activities. One member taught a group of Junior Red Cross girls to knit.

Many Daughters are teaching in the Red Cross program of training. One Regent has helped to recruit, organize and instruct five classes of Gray Ladies and two classes in Home Service. Others have taught First Aid, Home Nursing and Nutrition. All Chapters have sponsored at least one program on Red Cross during the year.

The following figures are based on reports from 51 Chapters: Red Cross production hours, 34,847; articles made, 2,340; buddy bags, 243; money given to Red Cross, \$6,091.00; Nurses' Aides, 22; Gray Ladies, 32; Home Service officials, 20.

APPROVED SCHOOLS

Miss Sue Reid Vason

Again we meet together with a common purpose—not only to place a wreath of reverence and loving appreciation on the tombs of our illustrious ancestors, which are erected eternally in our hearts and memories, but also to place a wreath of laurel on the milestone of our endeavors to perpetuate their glorious records, and to emulate them in service to our country and its growth, and progress.

I feel that this Spring of 1946 we can really be proud of a milestone we have reached in our work of Approved Schools. Last year we spoke of the returning veterans, and of their opportunities of taking up interrupted educations in many schools; some of our own Approved D. A. R. Schools being on the approved list of the Veterans Administration. Today these veterans for whom we planned, are pouring in on each returning ship—many of them coming home to take advantage of some of these benefits. And our underprivileged children at home are still our principal charges.

Each year the work of Approved Schools has grown in interest and in volume and has taken on added value. Our special project for the year has been the Tamassee Anniversary Fund, a fund with which to build a combined auditorium and gymnasium, marking the twenty-fifth anniversary of the school, and in honor of our distinguished President General. It is indeed a privilege for Georgia to pay homage in this worthwhile way to our gracious Georgia President General, our own May Talmadge. We have contributed to this fund, the amount of \$1,455.99.

Another interesting project of the year for which we have worked is the fund for repairing and enlarging Becker Hall at Kate Duncan Smith. The D. A. R. of Georgia have contributed \$400.80 to this fund.

Nineteen Chapters have met the Hightower award. I am sure by now you are all familiar with the requirements of this award so generously contributed by Mrs. Harrison Hightower. This award has given impetus to our efforts, and has been an inspiration in our work.

Besides our own Approved Schools, Tamassee and Kate Duncan Smith, supported and maintained entirely by the D. A. R., contributions have been made to our Georgia Approved School, Martha Berry, and to the following out-of-state Approved Schools: Carr Creek School, Crossnore, Hindman, and Maryville College. One of the stipulations of the Hightower Award, as you know, is that a contribution must be made to our Georgia School, Martha Berry, and to at least one Approved School out of the State, thereby proving our loyalty to our own State, and our far reaching work and interest in other states as well. We have contributed to all Approved Schools this year a total of \$3,789.52.

In checking all Chapter reports, we must again hand the palm to the John Houston Chapter at Thomaston for the most outstanding work of the year in scholarships and contributions. However, excellent work has been done throughout the State. Scholarships, contributions, and boxes of clothing and substantial and useful gifts have been sent to our schools.

I wish to take this opportunity to again thank each and all of you for your genuine interest and good work in the education of our youth, to whom we owe an unestimated debt of gratitude for their service to our country in time of stress, and by whose hands the future destiny of our country will be shaped. The youth of our land is not only our responsibility, but our glorious opportunity.

CONSERVATION

Mrs. J. Harold Nicholson

Forty-five Chapters replied to my questionnaire with the following reports: 25 Chapters had Conservation Chairmen; 22 Chapters had programs on Conservation; five Chapters enjoyed talks by County Agents. A Judge of the Juvenile Court and a movie censor made interesting talks to Baron DeKalb Chapter. Chairmen of Elijah Clarke and LaGrange Chapters spoke at Chapter meetings on Conservation and distributed questionnaires to members.

Human Conservation—

Three Chapters helped three Becker girls with money and gifts. One Chapter contributed to the support of a Dutch girl. Matthew Talbot Chapter furnished a room in local hospital and gave recreational advice to the "Teen-Can." Forty-five Chapters reported work accomplished in the following organizations, whose chief objective is human conservation: Girl Scouts, Boy Scouts, 4-H Clubs, P.-T. A., Churches, Women's Clubs, American Legion Auxiliary, Tuberculosis Committees, Cancer and Polio Drives, Girl Home Makers Clubs, Health Clinics, U. S. Naval Hospitals, Educational Clinics, Home Economics Departments, Juvenile Courts, Youth Groups, Rehabilitation Division of the Department of Education, Junior American Citizenship Clubs, Health and Welfare Departments.

Conservation of Natural Resources—

Thirty-three Chapters reported work accomplished in Natural Resources. Hundreds of fruit and shade trees were planted and thousands of shrubs and bulbs. Rose bushes, camellias, and azaleas were also planted. One Chapter planted an acre of cork trees. Fifteen Chapters worked with county agents in preventing soil erosion. Elijah Clarke Chapter cooperated with U. S. Department of Agriculture, Forest Service, and Georgia Forester by distributing literature, sponsoring essay and poster contests in schools and by using Forest Fire Prevention stamps. This Chapter also placed fire warning markers on highways. The Chapter Chairman made 200 mimeograph copies of illustrated programs on conservation of trees and gave free circulars on forestry to Fifth District Woman's Club.

War Projects—

Forty-three Chapters reported work accomplished in war projects. Twenty-five Chapters collected scrap; 28 Chapters collected salvaged materials and entered in the Salvage Program in their respective counties; 18 Chapters canned over 20,000 cans of fruits and vegetables and planted Victory gardens. Ten thousand pounds of fruits were dried and 1,000 pounds of food was preserved. One Chapter reported having a freezer locker. One Chapter observed the War Time Traffic Program. One Chapter sent flower seeds to Army Hospitals.

Summary—

Chapters gave most time to Human Conservation; War Time projects came second and Natural Resources was third. Elijah Clarke Chapter sent the best report. Baron DeKalb Chapter's report came second and Commodore Richard Dale Chapter was third. Special mention is made of splendid report of the LaGrange Chapter.

Work accomplished by the Georgia Daughters in Conservation, the past year, is priceless.

CORRECT USE OF THE FLAG

Mrs. James Nuckolls

It has been a pleasure to read the interesting reports sent to me. I know many other Chapters have done excellent work for this committee, but failed to answer my card mailed in January. Therefore, my report is not complete.

Most Chapters display the Flag and give the salute correctly, with the ungloved right hand placed on the heart, at each meeting, and the National Anthem or some other patriotic song is sung frequently.

Flag codes have been distributed and small flags given to schools and Girl Scouts

One Chapter reported that all old and worn flags used for display on Patriotic days in the town would be replaced with large new ones, but did not state the number. Many Flag programs and talks on the Flag have been given at schools and public meetings. Several papers on the Flag have been sent to the Filing and Lending Bureau. Stimulating radio programs on the Flag are increasing.

Just because firing has ceased—peace has not come. The chaos of the world stretches from pole to pole. It behooves the Daughters of the American Revolution to be more diligent and to strive harder to place before the American people Our Flag and its meaning.

D. A. R. GOOD CITIZENSHIP PILGRIMAGE

Mrs. Emory B. Holland

Each D. A. R. Chapter and each Accredited High School in the State was furnished information and regulations regarding the selection of a Good Citizenship Pilgrim. I received ninety replies from the high schools in which the name of their Pilgrim was submitted. Orders for eleven pins were received from various D. A. R. Chapters.

In selecting the 1946 Georgia State Pilgrim, Peggy Crow, of Cornelia High School, Cornelia, Georgia, was the winner, as her name was drawn from the many outstanding girls over the State for the qualities of dependability, service, leadership and patriotism. Peggy will be presented with a \$100.00 Savings Bond and the State D. A. R. Good Citizenship Pin at the State Conference in Atlanta.

Each "Good Citizenship Pilgrim" selected from the various schools throughout the State was awarded a certificate.

I wish to express my appreciation to everyone for their splendid cooperation in this fine, worthwhile project.

D. A. R. MANUAL OF CITIZENSHIP

Mrs. Parks Lee Hay

We have had requests from Chapters of the State for 1,362 Manuals of Citizenship. These have been distributed in the following manner:

A large percentage to county and city high schools, colored school and one Indian school. Many to Army and Navy Post libraries, public libraries, Naturalization Courts, prison camps, Citizenship classes, Service centers. One school put on a Citizenship program.

Our number distributed this year is not as large as last year. The end of the war sent many of our service men back to their homes to our great joy.

The amount of money sent in by Chapters was \$172.65.

We are grateful to all Chapters for the cooperation in this splendid work.

FILING AND LENDING BUREAU

Mrs. C. M. Dunn

Since our last Conference your Chairman of Filing and Lending received the glad news from our National Chairman that Georgia was second on the list of states having the largest number of papers accepted by the Reviewing Committee.

It is my happy privilege to report to you that the number of papers sent me this year has almost doubled that of the previous year.

Cards were sent to all Chapters in the State last September with suggestions and information regarding the work. Also a message was sent to all Chapters through the D. A. R. column of the Atlanta Constitution in January. I have answered many inquiries during the year.

I have received 44 excellent papers so far this year. All have been forwarded to our National Chairman for Reviewing Committee with one copy of each reserved for the State files.

I wish to express my heartiest thanks to those Chapters sending in such splendid papers. My regret is that only 10 Chapters sent in reports.

The Chapters sending one paper each: Baron DeKalb, Decatur; Matthew Talbot, Monroe; Oglethorpe, Columbus. The Chapters sending two papers each: Lamar LaFayette, Barnesville; Joseph Habersham, Atlanta; Savannah, Savannah; George Walton, Columbus; LaGrange, LaGrange. Next in line was four papers sent by Sunbury Chapter, Winder.

The greatest number of papers sent in by one Chapter was 27 and was given by the Elijah Clarke Chapter, Athens. This Chapter is winner of the \$5.00 I offered. Mrs. Lella R. Mize was the efficient chairman.

It has been a pleasure to serve as your Filing and Lending Chairman for the past two years.

GENEALOGICAL RECORDS

Mrs. James B. Key

Seven of the D. A. R. Chapters sent in records this year; one Chapter Chairman wrote her regrets at having no report; and one reported having collected 10 cents per capita from 35 members for Genealogical Records. I sent out 93 letters asking for records.

The seven Chapters reporting sent in excellent work, and your Chairman is indeed grateful to them for the splendid effort they made, in the face of the great difficulties under which they labor in the performance of outside matters at this time.

The Elijah Clarke Chapter, Athens, with Mrs. Henry Reid as chairman of the committee, sent six pages of Bible Records (69 records) extending as far back as 1695; 10 Tombstone Records from the cemetery four miles from Homer, Ga.; one diploma presented to John Newton in 1780 by the Academy of Liberty Hall, Mecklenburg, N. C.; and an old marriage license of Thos. Meriwether and Rebecca Mathews, dated February 19th, 1789, Wilkes County, Georgia.

The Button Gwinnett Chapter of Columbus, Mrs. Albright chairman, sent 12 papers of Georgia Bible Records; three pages of Deeds from Chester County, South Carolina; nine pages of Records from Sam'l Wylie's Family Bible; and four photostat records (two births, one marriage, one death); also this Chapter reports another photostat record (3½x5) of the tombstone of Lucretia Wylie, showing the date of her marriage to J. A. Wylie sent to Washington with the D. A. R. papers of Mrs. Margaret Hicklin Miller.

Oglethorpe Chapter, Columbus, sent three pages of Bible Records (35 births); one Tombstone Record from Tennessee; one page of Marriage Records (25) from Martin's History of the City of Columbus; Miss Betsy Blackmar, chairman.

Dorothy Walton Chapter, Dawson, sent 12 pages of Wills (9)—1795 to 1861, including the 5th Will recorded after Greenville County, Virginia, was formed in 1781; five copies of record of pay issued to Wm. McMichael, for supplies to Troops of the Revolutionary War; Mrs. Geo. G. Riley, reporting.

William McIntosh Chapter, Jackson, contributed 11 pages of Tombstone Records (207), and 36 pages of Bible Records; Mrs. Kirk Biles reporting.

LaGrange Chapter, LaGrange, donated the complete records from six Family Bibles—117 births, 26 deaths, 10 marriages; two complete Cemetery Records and several from three others, including 56 births, 55 deaths, two marriages, 266 records as a total; 21 pages (two copies sent) from the Index to Marriages of Troup County, Book III—1844-1853. Mrs. Raleigh Park is the chairman for LaGrange Chapter.

Sunbury Chapter, Winder (Barrow County), sent 11 pages of Marriage Records, including the first 206 in Barrow County; 12 pages of Wills (parts of the first 51 Wills in Barrow County); and 24 pages of Tombstone Records (510 records); Mrs. James H. Pledger reporting.

Sergeant Newton Chapter, Covington, sent one page of Bible Records (15 records from Family Bible of J. R. Wells), and one page of Cemetery Records (5 Tombstone Records from the Jennings' lots in the cemetery at Lancaster, Ky.); Mrs. A. L. Loyd reporting.

LaGrange Chapter and Sunbury Chapter both had such excellent reports it was impossible to decide which deserved the \$5.00 award; so, in appreciation of the splendid work done, your Chair-

man felt both should have the award, and each Chapter is receiving a prize of \$5.00. Button Gwinnett's report is just as outstanding in quality as the other two, but there is not as much of it. In fact, each of the Chapters reporting sent in items of unusual interest, all of which were greatly appreciated by your Chairman; if more of the Chapters had responded in like manner, Georgia would have made a wonderful showing in this branch of the work.

GIRL HOME MAKERS

Mrs. M. A. Shewmake

This has been a year full of responses from so many Chapters that I feel fully repaid for every effort put forth as State Chairman of Girl Home Makers.

First of the year cards were sent asking the Regent to appoint a Chairman for Girl Home Makers. In response to these cards, books, information and helps were sent out.

Dresses, menus and other interesting articles have been sent in by the Chapters. These were judged by capable judges and prizes offered as follows:

Cotton Dress Contest, First prize, \$5.00; won by Caroline Frith, Cuthbert. Benjamin Hawkins Chapter, sponsor.

Second prize, \$2.50, won by Mary Gardner, Decatur. Baron DeKalb Chapter, sponsor.

Best Menu, \$1.00 went to Glen Methvin, Jeffersonville. John Ball Chapter, sponsor.

These prizes were given by your State Chairman of Girl Home Makers. The Elijah Clarke Chapter won the trophy, given by Mrs. Boyce Grier for best work done by any Chapter. Honorable mention to Mrs. Neil Glass, LaGrange Chapter, for splendid work done by Mrs. Mary Singleton for Girl Home Makers.

Some Chapters reporting rural women taking deep interest in this work and are attending meetings. Flower shows and bread making contest put on by the Girl Home Makers.

Several Chapters have offered prizes to the Negro schools in the Cotton Dress Contest and have had good results.

Nearly all Chapters report Girl Home Maker groups working with Red Cross and U. S. O.

One Chapter reports every girl in local high school a member of Girl Home Makers.

Twenty-seven dollars were given by Chapters and individuals as prizes and one trophy, given by Mrs. Boyce Grier for the best all round work done by any Chapter.

I wish to thank each and every Chapter for the fine work done through Girl Home Makers and may the coming years find us doing even greater work in this fine cause.

JUNIOR AMERICAN CITIZENS

Mrs. Wm. C. Robinson

Never has a Society been offered such a field for service as the Daughters of the American Revolution, through our Junior American Citizens Clubs! We dare not lose this opportunity of molding our country of tomorrow through the children of today.

There has been much correspondence between the State Chairman of Junior American Citizens and local Chapters of D. A. R., and what seemed an endless amount of material sent to various

Chapters. But it has borne good fruit. We are happy to report 205 J. A. C. Clubs organized this year with a total membership of 7,737.

The Sunbury Chapter—last year's winner of a National first prize and two State prizes—reports the most active clubs, though not the largest number of clubs or members. Sunbury Chapter has 22 clubs with 871 members. These Clubs bought more than \$250.00 worth of War Stamps. They collected funds for the March of Dimes, for tuberculosis seals and Red Cross, gave cans of food and packed Red Cross boxes for overseas, shared in salvage drives, 4-H Club and Scout activities. They collected the two boxes of clothing for Tamasee and Kate Duncan Smith Schools. The Winder Clubs contributed \$12.50 to have their name on Valley Forge Bell Tower Honor Roll.

Atlanta Chapter reports three clubs with 391 members. A splendid work is being done here with under privileged children; \$399.00 has been donated to help in this work. At their club meetings patriotic music is sung and special days observed with programs and parties for the children. Bibles, patriotic literature and Flags are given them.

Elijah Clarke Chapter reports 35 clubs with 1,053 members.

John Houston Chapter reports nine clubs with 290 members. One of these is an active group in a Negro Boy Scout Troop.

Baron DeKalb Chapter reports 11 clubs with 361 members. It was my privilege to help organize four of these clubs with 75 members in the Methodist Childrens' Home. These children are enthusiastic about their clubs. They take turns in helping conduct the Chapel exercises, using the J. A. C. Creed, motto, prayer, songs, etc.

Nancy Hart Chapter reported clubs organized in all grades of the county schools, but gave no figures; \$20.00 has been contributed by two members of this Chapter to be used by the clubs as prizes. The money is spent by the winning clubs for school equipment that will promote better citizenship.

LaGrange Chapter has contacted each of the ten public schools in LaGrange. The Regent states that she is delighted with the response. Every grade in these schools is using our J. A. C. literature and program material. Three of these schools are for the Negro children. A total of 125 clubs with 4,771 members makes this Chapter the winner of the \$5.00 award offered by Mrs. Blount Freeman, National Vice-Chairman of Junior American Citizens, to that Chapter in Georgia enrolling the largest number of J. A. C. members. It is likewise the winner of the \$5.00 award offered by your State Chairman to that Chapter organizing the largest number of clubs.

Thanks to the Regents and Chapter Chairmen of J. A. C., Georgia is really coming to the front in this business of training her youth, or if you please, in the work with Junior American Citizens. This year we show an increase over last year of 165 clubs and 6,149 members, or about five times as many clubs and members as last year. Our figures would be greatly increased had we received definite numbers from that Chapter which reported, "J. A. C. Clubs organized in all grades of county schools."

National J. A. C. prizes won by Georgia were \$5.00 award as second prize for best gain in membership in ratio to D. A. R. members and \$3.00 award as third prize for best gain in clubs in ratio to D. A. R. members.

MOTION PICTURES

Mrs. Robert Hamilton

Cards were sent to each Chapter in the State asking all the Motion Picture Chairmen to try to do the things our National Chairman asked us to do in her letter in each Regent's brochure.

Twenty-five Chapters reported a Motion Picture Chairman. Twelve of these subscribing to the motion picture reviews issued by our own D. A. R. National Preview Committee in New York City. These lists were given to libraries and schools for posting on their bulletin boards.

Many reported using the motion picture department in the National Historical Magazine at their regular monthly meetings.

There seems to be a trend toward better pictures. Cooperation from theatre managers is encouraging. Five Chapters reported pictures weekly for children, others occasionally.

Three reported progress in establishing Photoplay Appreciation courses in the schools. The Arthur Fort Chapter, Grantville, gave a splendid report of this type done in their schools. They reported essay contests on various outstanding pictures.

Our organization must now, more than ever before, stand for the highest type of patriotic and educational films that can be produced. We must make every effort to patronize and favorably comment upon the pictures that build up the morale of not only our own country but the whole world.

NATIONAL DEFENSE

Mrs. E. Blount Freeman

(Due to illness and sorrow in her family, this report was compiled for Mrs. E. Blount Freeman, State Chairman, by Mrs. Mark Smith.)

Of the 83 Chapters, 47 sent in reports.

Amount reported as bought by members and their families in War and Victory Bonds, \$354,104.75.

Every Chapter in Georgia reported a Chapter Chairman of National Defense.

NATIONAL HISTORICAL MAGAZINE

Mrs. J. H. Pledger

Your Chairman of National Historical Magazine is gratified to report an increase over last year of 16 in Chapter reports, and an increase of 104 in subscriptions.

A letter, issued in the fall, outlined six steps to carry on the work of this committee in an efficient way. A copy of the questionnaire from National Chairman was also sent to every Chapter Regent; but many failed to comply with request for returning same. Consequently the figures quoted above are incomplete.

We must know that the National Historical Magazine emphasizes the three great objects of the Society—History, Education and Patriotism. It does guide and help in every phase of work in the National Society, Daughters of the American Revolution. The President General's message in each issue should be read at monthly meetings of every Chapter. The Genealogical and Parliamentary Procedure sections win the commendation of all who read them.

Georgia missed one of the National Awards last year by eleven subscriptions. Won't you pledge more than 10 per cent of membership for subscriptions the ensuing year?

A state statistical report has been compiled for the Proceedings. The Perdue Loving Cup for the largest number of new subscriptions on a per capita basis has been won by Sunbury Chapter, Winder. Elijah Clarke Chapter, Athens, was second and Oglethorpe Chapter, Columbus, third.

The Hightower Award for the largest number of subscriptions on a per capita basis has been won by Sunbury Chapter, Winder. The Governor John Milledge Chapter, Dalton, was second, and Nathaniel Macon Chapter, Macon, was third.

PRESS RELATIONS

Mrs. Boyce M. Grier

A total of 13,577 inches of publicity have been listed with the State Chairman, with reports from 66 Chapters, and the names of 65 Chapter Chairmen of Press Relations have been filed. Forty-five Chapters have contributed news for the D. A. R. column in the Atlanta Constitution; 34 messages from State Officers and Chairmen were used in the column. Press releases from the National Office were used in the Atlanta papers and many of the other papers throughout the State.

The National Historical Magazine has published the following articles

May, 1945—Mrs. Warthen's report from Georgia; Mrs. Stewart Colley's Motion Picture report; "Fiftieth Anniversary of Sergeant Newton Chapter."

June, 1945—Mrs. Talmadge's picture at Founders' Memorial; "Elijah Clarke Chapter;" "Chapter Unveils Portrait"—Baron DeKalb; report of good work with Junior American Citizens in Georgia—in Mrs. Lammers' report.

July, 1945—"Nathaniel Macon Chapter;" Mrs. John R. Bell's report as Curator.

October, 1945—Mrs. Talmadge's picture at her desk; picture of "Portrait of Decatur;" article about Peter Strozier, Georgia Revolutionary Soldier.

December, 1945—"John Laurens Chapter—Celebrates 29th Anniversary."

Short items reporting work done in Georgia appear in almost every issue.

National Defense News of May-June carried Mrs. E. Blount Freeman's Georgia Report; the News of November-December had a paragraph about Georgia's Mobile PX. The G. S. C. W. Alumnae Journal of September and December featured activities of Nancy Hart Chapter. The Georgia Magazine of April 16, 1945, carried an article about Mary Hammond Washington's Historical and Genealogical Library. Many Chapters reported Year Books, and four were sent to the State Chairman. John Benson Chapter published a cook book.

The State Chairman has edited the D. A. R. column in the Atlanta Constitution, using news from Georgia Chapters, officers and chairmen. She was assisted in her work as Editor by Miss Frances Adair, who edited the column for three months.

The State Chairman has kept a scrapbook of all publicity given in Georgia that has been sent to her. Fifteen Chapters entered Chapter Press Relations scrapbooks in the Press Relations Scrapbook contest. The award of \$5.00 for the best scrapbook goes to Matthew Talbot Chapter, with Sunbury Chapter coming second, and Elijah Clarke Chapter third.

RADIO

Mrs. Owen McConnell

Our Society aims to have its radio activities conform to a high standard and though much of its radio activities had to be curtailed due to the war, yet we feel the programs have been of a high standard. Prior to the war, radio was used extensively to perpetuate the memory and deeds of our Revolutionary ancestors and to acquaint the listening audience with the aims and purposes

of the Daughters of the American Revolution. Such a theme was used by the John Laurens Chapter in their 25th Anniversary Celebration when they presented the State Regent, Mrs. Ober D. Warthen, who spoke on "Founders and Foundations of the National Society, D. A. R."

The LaGrange Chapter had this forward-looking theme "What Lies Ahead for America," as its radio program. Such topics as America's Place in the Post-War World; Schools of Tomorrow; Government of Tomorrow, were also presented.

The Baron DeKalb Chapter combined the past with the present in their program, "Georgia Women in the Revolution and Georgia Women Today." This Chapter also made use of spot announcements.

The Elijah Clarke Chapter featured music, presenting the school children in Thanksgiving and Christmas music.

The Chapter in Columbus observed all the Patriotic Days as did most of the Chapters reporting.

Gov. John Milledge Chapter announced the place of their meetings over the radio and one of its members took part in a series of welfare talks.

The Chapters reporting Radio Chairmen were Atlanta, Joseph Habersham, Council of Safety and Lyman Hall.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Edwin W. Allen

The American Merchant Marine Library Association has been given the title of "The Library of the High Seas." Recently Admiral Emory Land said, "For our armed forces the fighting is over, but the Merchant Marine still faces a mighty task. Upon the men who sail our ships depends the welfare of our troops all over the world. They must be supplied where they are until they can be brought home. Troops must be rotated. Occupational forces must be sustained, the wounded and ill cared for. World shipping must go on into the peace."

To Admiral Land's tribute, General MacArthur added these words, "With us they (the U. S. Merchant Marine) have shared the heaviest fire. At our side they have suffered bloodshed and death. They have contributed tremendously to our success. I hold no branch in higher esteem than the Merchant Marine service."

We are told that on occasions vessels of the Merchant Marine are on voyages lasting between four and five months, with only twenty-four hours shore liberty for each man during that time. Affecting the morale of the men to a great extent is the reading material placed aboard ship by the American Merchant Marine Library Association. Many books and contributions of money have been made in the past few months in memory of the founder and President of the American Merchant Marine Library Association, Mrs. Henry Howard, of Baltimore, who passed away in October, 1945. The friends have paid tribute to Mrs. Howard by helping this work of furnishing reading material to the men on the high seas.

Georgia Daughters of the American Revolution have not been found wanting. Columbus, as always, has cooperated by sending books, magazines and material contributions. The Junior Committee of the Oglethorpe Chapter sent sixty books to the Merchant Marine Library. The Baron DeKalb Chapter, Decatur, reported a box of books sent last fall, and a plan to send others this spring. The William Few Chapter, Eastman, sent a generous box of reading matter, as well as a subscription to Omnibook for one year. John Houston Chapter, Thomaston, reported a contribution of \$5.00 in cash to the American Merchant Marine Library Association. Many other Chapters have been active in this splendid work. We are reminded that contributions to the American Merchant Marine Library Association are deductible from Federal income tax returns. Checks may be made payable to: Winthrop W. Aldrich, Treasurer, American Merchant Marine Library Association, Inc., 45 Broadway, New York 6, N. Y.

Books may be shipped at a very low rate by parcel post. They may be sent to: The Dispatch Agent, American Merchant Marine Library Association, Bay Street, Savannah, Georgia.

The committee wishes to express appreciation to the Chapters and the individuals who are so liberally supporting the work of the American Merchant Marine Library Association. During the war years, we increased the number of Merchant Marine ships from 1,302 in 1941 to 3,056 in 1944. The servicing of these ships with Libraries has increased proportionately. Twenty-four years have

passed since the American Marine Library Association first served our Merchant fleet, which today brings home nine out of ten of our boys in American ships. What contribution will the Georgia Daughters of the American Revolution make to the morale of those "Men who delivered the cargoes of war that brought victory, and are now finishing the job with the goods of a lasting peace?"

CHAPTER LOAN FUNDS

Mrs. Mark Cooper Pope

The reports coming to your Chairman of Chapter Student Loan Funds are so inadequate it is impossible to give a correct report of the total amount available throughout the 83 D. A. R. Chapters of Georgia. Five Chapters alone reported a total of \$1,916.98 in loan funds and one girl is using a \$200.00 loan at the University of Georgia this year from the John Houston Chapter D. A. R. of Thomaston, Georgia.

Your Chairman would like to suggest that you notify our schools and universities that you would gladly cooperate with them if your loan fund is needed. Many returning veterans will take the educational advantages of the G. I. Bill. Make your fund available to the wives of these men who also would like to attend college. Let us urge and encourage every Chapter to establish a loan fund and hold up the ideals and standards of the Daughters of the American Revolution.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND C. A. R.

Mrs. Herbert Fay Gaffney

Look for "the New Roads." We cannot know where they will lead, we know only that they have begun. In this incredible day, life must have a balance wheel of equivalent mental and spiritual force. New roads of rightness must be blue-printed into the unfolding future. You and I have a hand in all this. The task seems set plainly before us.

In cooperation between adult and childhood service in these two noble organizations the child awaits the signal from the older.

From Headquarters comes this alarming statement: "The National Societies of the D. A. R. number 2,566, while the C. A. R. number only 547 organizations. In Georgia we claim 84 Chapters and out of that number only 17 fully functioning C. A. R. Societies.

My appeal at State Conference was to organize a C. A. R. in every D. A. R. My dream, that Georgia may lead all other States in this far-reaching work.

This winter in Washington, at a C. A. R. Board meeting complete plans were made in organizing a National C. A. R. Officers Club, and your Georgia President became a charter member. I shall be the first State in the Union to organize a State C. A. R. Officers Club, and thereby following National in this new gesture. Our C. A. R. Convention will be held in LaGrange, with Mrs. Malone as President, and at that time we will organize our forward Georgia group.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND S. A. R.

Mrs. E. F. Chaffin

As Chairman of this committee, I submit the following report:

The Atlanta Chapter S. A. R. and the Joseph Habersham and Atlanta Chapter, were guests at Habersham Hall on July 4th. The Regents of Atlanta Chapter and Joseph Habersham were invited to a dinner given by the S. A. R. in September at the Ansley Hotel.

The LaGrange Chapter reports the following courtesies to the President of LaGrange Chapter S. A. R., during his prolonged illness. The Chapter sent him a luncheon plate in November. They sent cards to him at Christmas from the Chapter and requested the members to send them. The Regent carried flowers. The D. A. R. Treasurer is the wife of the S. A. R. President, so the cooperation is splendid.

Elijah Clarke Chapter, with Mrs. Robert R. Gunn, Chairman, sends the following report: "The Athens Chapter S. A. R. has been inactive during the recent war because so many members were in service. Elijah Clarke Chapter has helped the S. A. R. whenever called upon. Contacts have been made by the Cooperative Relations Committee Chairman, with the Junior Committee D. A. R., Adviser with the husbands of Junior Committee members and other returning veterans, with active plans made for bringing more young men into the Athens Chapter S. A. R., and reviving the interests in former active members of the Chapter."

Sunbury Chapter contributed \$12.00 during the past year toward maintenance of C. A. R. building which was built by Col. Watson for C. A. R., D. A. R., and S. A. R. meetings. The President General was invited to address a joint meeting of S. A. R. and D. A. R., on the evening of February 22nd, but wired that she had made previous engagement.

The Nancy Hart Chapter reports that the local S. A. R. Chapter has had no meetings this year. The relationship has always been very close and cordial between the two Chapters.

It has been a pleasure to serve you, and I wish to thank the Chapters for their cooperation.

COLLECTING AND PUBLISHING HISTORY OF GEORGIA REVOLUTIONARY SOLDIERS

Mrs. George S. Lombard

One history has been sent to the State Chairman.

COUNTY HISTORIES

Mrs. Speights Ballard

The following counties have histories that have not been previously reported in the Proceedings: Charlton, Chattahoochee, Cherokee, Coffee, Fulton, Gordon, Irwin, Lumpkin, Marion, Pickens, Turner, Ware, Wilkinson, Floyd, Glynn, Richmond, and Wilkes.

No County Histories have been published the past year but there are encouraging reports from several Historians saying their County History is ready for publication.

So many counties have made no plans and there the need is great for Chapter Regents to create interest and cooperation.

D. A. R. FOREST PARK

Mrs. Fletcher A. Smith

The State D. A. R. Forest Park consists of five acres of land on Wahachee Creek near Broad River. On this site Nancy Hart lived during the Revolutionary period and "Captured the Tories."

Mrs. A. O. Harper and Mrs. Florence Bartow deeded this property to the Nancy Hart Chapter of Milledgeville and the Stephen Heard Chapter of Elberton in 1904. In 1931 these two Chapters presented it to the Georgia Society D. A. R.

In rebuilding the cabin, the rocks of the original chimney were used in the present chimney. A beautiful bronze marker is in the chimney. The Stephen Heard Chapter has placed a granite marker at the spring used by Nancy Hart.

It is a beautiful, natural forest and should the State Society feel inclined to make it into a Memorial Park, I am sure the Stephen Heard Chapter would cooperate and develop ten acres, which it owns, adjoining this State property.

FAMILY BIBLE AND TOMBSTONE RECORDS

Mrs. Lowry Axley

The first of November a letter was sent to all Chapters. This letter stated the purpose and importance of the work, and gave instructions for the reports. Two copies were sent, one for the Regent and one for the Chairman.

I have received material from only eight Chapters, but several others were kind enough to send cards reporting that they would not have anything to send this time. The eight Chapters sent over 2,500 records from 129 Family Bibles, and about 850 inscriptions from 20 cemeteries.

By far the largest number of Bible Records came from the Elijah Clarke Chapter of Athens. They sent over 1,700 records copied from 69 Family Bibles, so to that Chapter goes the Bashinski trophy for the largest number of certified Bible records.

Sunbury Chapter, Winder, sent 510 certified cemetery records and is awarded the prize of \$5.00 offered by the Chairman.

The records received this year were unusually well done; carefully and neatly typed and arranged, summaries attached, and all were certified. An outline of the material collected this year is attached to this report.

It has been a pleasure to have had some small part in the D. A. R. work of collecting and preserving valuable records. All records will be filed in the D. A. R. collection in the State Department of Archives and History in Atlanta where they will be available for research.

Knox Conway Chapter, Ashburn. Mrs. Silas M. Hearne, Regent. 212 records from 14 Bibles. Shingler, Cone, Story, Johnson, Scott, Sharpe, Bagley, Spencer. GEORGIA D. A. R. BOOK PLATES

Miss Helen Estes

Your Chairman of D. A. R. Book Plates is keenly disappointed over the few orders she has received this year. It is hoped that, hereafter, the Chapters will be more conscious of the historic value of marking more books with D. A. R. Book Plates.

It was a pleasure to sell seventy-five engraved Book Plates to Winder Chapter, and fifty to the Sylvania Chapter.

GEORGIA D. A. R. STUDENT LOAN FUNDS

Mrs. G. E. Jordan

In October a card was mailed to each Chapter asking for a report of Student Loan Funds. The reports coming to your Chairman indicate there have been no applications for loans during the year 1945 and various Chapters have invested money in War Bonds.

I am sorry to say that very few Chapters reported this year. I am sure their money has been invested in War Bonds, as last year, and that when the time comes for a student to ask for help for education the Chapters will be ready and willing to lend the money.

HELEN ROGERS FRANKLIN TROPHY

Mrs. Thomas J. Sappington

Your Chairman was delighted with the splendid reports submitted this year. The only regret is that each Chapter could not receive some recognition for their untiring efforts to meet every requirement to win this trophy. I appreciate the broad field of service covered by each Chapter sending to me its report.

It was after very careful consideration, that the judges rendered the unanimous decision as follows: The Helen Rogers Franklin Trophy was awarded to the LaGrange Chapter. Elijah Clarke and Baron DeKalb tied for second place.

HISTORY OF REAL DAUGHTERS IN GEORGIA

Mrs. Frances Brown Chase

At the request of our State Regent a History of Real Daughters of Revolutionary Soldiers has been compiled by the Committee and printed in booklet form from the Georgia Society of the Daughters of the American Revolution.

Copies will be sent to members of the National Board, Officers and Chapter Regents.

The reason for this publication is that the last Real Daughter has passed to her reward, which automatically closes this Chairmanship.

History of Real Daughters will be available to Daughters of the American Revolution members.

From its embryonic stage of only 757 Real Daughters from forty-eight states it has long since emerged from its "Swaddling clothes."

These Daughters are descendants of brave Revolutionary Soldiers, representing American Independence, and are our heritage and a sacred trust.

Mrs. Annie Knight Gregory, of Williamsport, Pennsylvania, the last "Real Daughter," member of the National Society, Daughters of the American Revolution, rounded out a century of living. Born March 23, 1843, died December 17, 1943.

As we thank God from our forefathers for this so wonderful opportunity of service with these "Real Daughters," may I leave this message from my heart with you?

Amidst our migratory stay
Let's leave some light along the way;
With others, of our blessings share,
Make of our lives one faithful prayer.
Selah!

FOREWORD

This history has been compiled as a tribute in honor of the Real Daughters of the National Society whose fathers served through the seven years of the Revolutionary War. The names of the Real Daughters have been found in the lineage books of the National Society and the names of the daughters of the Revolutionary Soldiers have been collected from the Proceedings of the Georgia Society and from the reports of the Chapters.

GEORGIA, REAL DAUGHTERS

A Real Daughter is the Daughter of a Revolutionary Soldier, who has joined some Chapter of the National Society Daughters of the American Revolution. From the very beginning of the organization in 1890, the National Society specialized on obtaining for membership as many "Real Daughters" as possible. Georgia had the honor of having the first "Real Daughter," Mrs. Mary Hammond Washington of Macon, Ga., a charter member of the National Society, Number 81, who joined January 15, 1891, and was appointed organizing Regent of the Macon (now the Mary Hammond Washington) Chapter, on February 11, 1891.

The National Society has presented since 1901, a gold spoon to all "Real Daughters," a gift without price to the descendants who inherit them.

An official marker, in the form of the emblem of our Society, to mark the graves of our Real Daughters, was adopted by Continental Congress in 1912.

Through resolutions presented in 1906 to our Congress by Mrs. Laura Wentworth Fowler, of Massachusetts and Mrs. William Lawson Peel of Georgia, the National Society gave pensions to all Real Daughters. Mrs. Peel conceived the plan of locating them and securing them for membership in 1900. In recognition of her wonderful work she was appointed by Mrs. Donald McLean, President General, the first National Chairman of the Real Daughters Committee in 1905, of the National Society.

Around our Real Daughters are centered many of our most treasured memories.

There have been many great women in Georgia in all walks of life, but none have become more nationally known in the National Society, Daughters of the American Revolution, than Mrs. Mary Ann Hammond Washington of Macon, Georgia, a charter member of the National Society, an Honorary State Regent of Georgia (1899), the Founder and Regent until her death November 2, 1901, of the Macon Chapter, which now bears the name of Mary Hammond Washington. She was born in Jefferson County, Missouri, May 12, 1816, the daughter of Col. Samuel Hammond, born in Virginia, September 21, 1757, and died at his home on Horse Shoe Creek, Beech Island, South Carolina. He was a Revolutionary

Soldier of Virginia and participated in many important battles in Virginia, North Carolina and South Carolina. He was appointed by President Thomas Jefferson in 1805, the Military and Civic Commander of Upper Louisiana (now the State of Missouri). He served as Governor of the Territory of Missouri and also of the State of Missouri.

Mary Ann Hammond married 1851 James H. R. Washington, a planter and banker of Macon, Ga., where they afterwards resided. She was buried in Rose Hill Cemetery, Macon, Georgia, and her grave as a "Real Daughter" was marked May 12, 1929, with the official Marker of the D.A.R.

At the State Conference of Georgia in 1899, Mrs. Porter King, State Regent, a resolution was approved to present souvenir pins to the three "Real Daughters" of Georgia. The first, Mrs. Mary Hammond Washington of Macon, Ga.; Second, Mrs. Sarah Groves Ashe Hall of Albany, Georgia, the daughter of Lieut. Samuel Ashe, Jr., of North Carolina, the Aide de Camp, 1781, to Marquis de LaFayette, a member of the Thronateeska Chapter, Albany, Georgia; and Mrs. Frances Leonard Cleveland of Marietta, Georgia, daughter of Rev. Henry Wight of Rhode Island, a Minuteman at the Rhode Island alarm.

Three prominent women of distinguished ancestry, living in Georgia.

Mrs. David Woodward, member and later Regent of the Atlanta Chapter, D.A.R., was appointed chairman of the committee to purchase and present the three souvenir pins to our most beloved members. Mrs. Woodward reported, at the State Conference of 1900, Mrs. Robert Emory Park, State Regent, that the pins had been presented and gracious replies of thanks had been received from each recipient.

So began our work for the Real Daughters in Georgia.

On February 12, 1900, Mrs. William Lawson Peel, charter member of the Atlanta Chapter, Atlanta, Georgia, (the second oldest Chapter in the National Society) and an Honorary State Regent of Georgia, elected 1899, was the Founder, organizing Regent, and Regent for many years of the Joseph Habersham Chapter, Atlanta. She was also a Vice President General of the National Society.

From the very beginning, this Chapter specialized on locating for membership the Real Daughters. In the D.A.R. Columns of the Atlanta Constitution conducted by Mrs. Peel, she asked for the address of any woman, whose father fought in the Revolutionary War. Many answers were received. The inquiry was intended principally for Georgians but Mrs. Peel gladly made application for any worthy applicant to join the Joseph Habersham Chapter. In 1900, Mrs. Peel made a splendid report at the State Conference, and Mrs. Robert Emory Park, State Regent, "commended in warm terms the efforts of the Joseph Habersham Chapter in finding Real Daughters. She stated that they perhaps had as many on their roll as any Chapter in the United States and would probably have more." (From 1900 State Proceedings).

Also in 1900, 16 names of Real Daughters appeared on the membership roll of the Joseph Habersham Chapter, and in 1903 Proceedings, the Chapter, Mrs. John M. Graham, Regent, reported "31 Real Daughters enrolled since the foundation of the Chapter in 1900, nine have died."

On Jan. 14, 1921, when "Habersham Hall" the home of the Joseph Habersham Chapter was being erected, 36 names, with many pictures of Real Daughters, members of this Chapter, were placed in the cornerstone.

At the 19th Continental Congress, Mrs. William Lawson Peel, as National Chairman of the Real Daughters Committee reported "that it was the intention of this Real Daughters Committee to honor and immortalize the romantic and fast disappearing class of our membership, the Real Daughters, by placing in Memorial Continental Hall, a marble bust of the first Real Daughter, Mrs. Mary Hammond Washington of Macon, Georgia." This report was accepted by the Congress. Sensible of the great honor to our beloved State, every Georgia Chapter and many individual Georgians contributed to this National project, and very soon afterwards, the National Society placed the marble bust of Mary Hammond Washington in D.A.R. Memorial Hall, Washington, D. C.

There were 16 Real Daughters on the Membership roll of the Joseph Habersham Chapter, reported at the State Conference in 1900 —(See members of Joseph Habersham Chapter, 1900 State Proceedings); viz: Mrs. Martha Penn Rodgers, of Monticello, Ga. (daughter of William Penn), buried at Monticello; grave marked with official marker, by the Sergeant Jasper Chapter of Monticello, May 30, 1925, which was the 161st anniversary of her birth—Number 33241.

HISTORICAL MAP OF GEORGIA

Mrs. Robert Jesse Travis

Your Chairman begs to report that she still continues to receive very complimentary letters in regard to the D. A. R. Historic Map of Georgia. As the Maps are practically gone and your Chairman has orders for more, she is trying to get some new ones made. The cost of making them has about doubled and it will cost about 25 cents to mail from one to four in same tube, but we do not want to charge more than \$1.00 apiece for them, unless ordered by the hundred.

The Savannah Chapter, Mrs. John E. Foy, Regent, presented a Map to Hunter Field, April 3, 1945, with appropriate exercises. Col. Ralph G. Lockwood, Wing Executive Officer on behalf of Gen. J. M. Fitzmaurice, who commanded the Third Air Force Staging Wing, accepted the Map.

Last year we had 38 Maps left. This year we gave away three, sold 17, leaving 18 Maps on hand February 27, 1946.

One Map to City Editor Savannah Morning News; 3 Maps to Briar Creek Chapter, Sylvania, \$3.00; 4 Maps to Council of Safety Chapter, Americus, \$4.00; 1 Map to Mrs. Carter Collins, Ft. Benning; 1 Map to General and Mrs. E. P. King; 3 Maps to Elijah Clarke Chapter, Athens, \$3.00; 1 Map to Mrs. A. J. Dennis, Macon, \$1.00; 2 Maps to Mr. A. A. Murphey, Georgia Power Company, \$2.00; 4 Maps to Mr. A. A. Murphey, Georgia Power Company, \$4.00; 20 Maps, \$17.00. The Sunbury Chapter at Winder, reported having 1 Map framed for the C. A. R. building at Winder.

HISTORICAL PROGRAMS

Mrs. William Leon Oliver

Realizing the need for justifying the existence of our organization, your Chairman of Historical Programs has tried to present a composite picture of the varied services rendered by our Society. If we are to impress others by what we do, then we need to be well informed about all our activities. The 1945-46 programs were planned with the idea of making the individual Chapter members see that we do not rest upon the laurels of our famous ancestors, but that we are an organization alert to the needs of our country and fellow man and zealous to render our best service toward meeting these needs. Upon completion of these studies built on the theme—We Serve—I am sure that every member is exceedingly proud to be a member of the National Society Daughters of American Revolution.

LUCY COOK PEEL MEMORIAL FUND

Mrs. W. F. Dykes

The Lucy Cook Peel Fund has sold books from Colorado, Washington State, Texas, Florida, etc., the sale from books amounting to \$23.00. Mrs. Howard McCall has sold half of them for us. The John Houston Chapter, Thomaston; the Roanoke, Lumpkin; the Sunbury, Winder, have met their quotas. We were happy that the State Board in Macon offered to lend the committee enough money, with what we have in the bank, to publish the records compiled by our State Consulting Registrar, Mrs. James N. Brawner, but we find the price is higher than we thought. We will have to come back to the Board to ask for more funds. We expect to pay back the amount we borrow with the sale of our books. We will have only three hundred printed (to reduce the price). We have in the bank \$394.57.

Please ask your Chapters to buy one of our books. We have Volumes II, III, and IV. We need money so badly to go forward with our work.

We have on hand 200 books, Volume I has been sold out for several years. I am so happy to present to our State Regent from the Joseph Habersham Chapter a book of records compiled by our Chairman of Genealogical Records, Mrs. C. D. Henderson, and bound by me. This book will be placed in the D. A. R. Collection of the State Department of Archives and History, where they will be available for research. Madam Regent, it gives me great pleasure to present this book in your honor for our State D. A. R. Library.

MARION SIBLEY WYLIE VICTORY FUND

Mrs. William Ernest Gray

It has been a pleasure and a privilege to serve as Chairman of the Marion Sibley Wylie Committee for the past two years and watch this permanent scholarship for Tamassee find its way into the hearts and funds of Georgia Chapters.

Early in the fall letters were sent asking each Chapter to place this scholarship on its budget; 21 Chapters responded to the appeal, sending \$238.00 to the State Treasurer. It is interesting to note that the number of Chapters contributing and the amount given is an increase over last year; also that this year's donation is the largest given any one year. Six hundred eighty-nine dollars twenty-five cents has been credited to this fund since its establishment four years ago. The money has been converted into War Bonds and Victory Bonds and sent to Tamassee.

The award of \$5.00 offered by your State Chairman to the Chapter making the largest contribution was presented to the William Marsh Chapter, LaFayette, which gave a \$100.00 bond. The Governor David Emanuel Chapter, Swainsboro, came second, having sent a \$50.00 bond, and George Walton, Chapter, Columbus, with its gift of \$25.00 came third. Other Chapters sending contributions were: Atlanta, Baron DeKalb, Button Gwinnett, Council of Safety, Edmund Burke, Fort Early, Gen. David Blackshear, Gov. John Milledge, John Clarke, John Houston, Joseph Habersham, Knox-Conway, LaGrange, Lyman Hall, Nathaniel Macon, Sergeant Jasper, Stephen Heard, and Oglethorpe.

Now that victory has come and loyal Daughters need no longer put all war work first, the work of Approved Schools will again assume its rightful place on our program. Let us set a goal for our part of the permanent scholarship for Tamassee (known as the Marion Sibley Wylie Victory Fund). Let us set a goal and work towards its early accomplishment—a goal that will indeed be worthy of the Georgia Society, D. A. R.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. John Calhoun Peterson

Your Chairman of Marking Revolutionary Soldiers' Graves sends heartiest congratulations to the Chapters making this report possible. This is a most important phase of D. A. R. work and with each passing year, it is more difficult to verify unmarked graves of our Revolutionary Soldiers. Letters of instructions for marking such graves were mailed to the Chaptrs. Many made reports of making an effort of locating unmarked graves and of not being successful.

The John Ball Chapter, Irwinton, made a splendid report. On Sunday, June 10, 1945, at the old Shine family burying ground, near Old Richland Baptist Church in Twiggs County a marker was unveiled on the grave of John Shine, a Revolutionary war veteran. A beautiful ceremony was held and a good audience present. This marker was ordered several years ago by the old Marion Chapter D. A. R. of Twiggs County but had never been unveiled. The John Ball Chapter hopes to mark the graves of Evans Long in the Wimberly cemetery, one mile north of Jeffersonville, however, this grave bears a small stone. This Chapter also reported the fact that the grave of Arthur Fort, in an old family cemetery in Twiggs County

once bore a marker but in the changes of ownership of the land upon which the grave is located the monument has been removed. The Chapter wishes to establish the location of the grave and if possible mark this spot.

The LaGrange Chapter reported two graves located, information and the marking to be completed later.

The Council of Safety Chapter, Americus, reported since last Conference the location of the grave of Sergeant John Waters, Revolutionary soldier. They anticipate marking this grave.

The Oliver Morton Chapter, Haddock, made the following excellent report: "We have located four graves and ordered markers for them but more information was requested. We returned papers with more information. We will erect markers if they are sent to us. We will keep trying." This is a splendid report and I feel certain that before another year these graves will have been marked.

From the Sunbury Chapter, Winder, came one of the best reports and only because of weather conditions, this Chapter would have marked three graves. They have already ordered and received markers for the grave of John Austin, 2nd South Carolina Regiment, Revolutionary War. The above grave is in Walton County about seven miles from Winder. Also the Chapter purchased a marker this year for the grave of Thomas Camp, about six miles from Winder. Another grave, that of William Whitehead, private in the Third Georgia Continental Battalion, has been located and the Chapter anticipates marking it in the near future.

To the John Benson Chapter, Hartwell, goes the award for this year's completed work in regard to the marking of Revolutionary soldiers' graves. In October, 1945, the John Benson Chapter unveiled a marker at the grave of Elisha Dyar, Revolutionary soldier. An impressive ceremony was held and a large crowd of Chapter members and descendants were in attendance.

The unmarked grave of Dozier Thornton was located and a marker received. A similar ceremony was planned for this grave in December but has been postponed for later date in the spring of this year because of weather conditions. This Chapter reported that they are locating all unmarked Revolutionary soldiers graves in that vicinity.

MEADOW GARDEN

Mrs. L. V. Stone

After many years of a cherished dream, it is such a pleasure to report it now comes true.

Instead of writing cards to every Chapter in the State soliciting help for Meadow Garden, I am now receiving cards—stating how much each Chapter is sending to the State Treasurer.

Meadow Garden continues to grow in every respect. We have kept up with minor repairs though the many major ones, which will mean quite an expenditure, are delayed, due to the advice of a contractor, who anticipates more normal conditions before many months.

We realized almost \$50.00 from the George Washington tea.

This year we met the premiums on our insurance policies.

An itemized statement from our local Treasurer of Meadow Garden is being sent to our State Regent.

I want to thank the Board for having Meadow Garden on the Honor Roll, and every Chapter in the State for donations.

ROSTER OF REVOLUTIONARY SOLDIERS IN GEORGIA

Mrs. N. A. Jelks

Your Chairman is happy to report only 26 copies of the "Roster of Revolutionary Soldiers" are now on hand to be sold. This valuable book was compiled and presented to the Georgia D. A. R. by Mrs. Howard McCall, Honorary State Regent.

Twenty-four of these books have been mailed to Mrs. McCall. One was presented to the National Library D. A. R. to be used in Registrar's Office as a reference book.

Your Chairman sold several. One friend when ordering from San Antonio, Texas, wrote: "The D. A. R. of Georgia deserves a heartfelt gratitude of all Southerners for Mrs. McCall's presentation of these records. We are indeed grateful and we thank Mrs. McCall and the Georgia D. A. R."

Practically all Chapters in the state and State Officers own a copy of the valuable book. Your Chairman has been trying to place this roster in the libraries in the state.

Balance on hand in this Golden Jubilee Book Fund February 20, 1946, was \$378.18.

SCRAP BOOK

Mrs. Fred R. Stokes

As State Chairman of Scrap Books, I am happy to report a growing interest among the Chapters in the making of Scrap Books, both historical and activity. Also, interest in the State Scrap Book has increased, and a number of clippings and pictures have been sent to me.

I have made two State Scrap Books, one containing historical clippings, the other clippings concerning the meetings and activities of the Chapters, and items of interest concerning the members. While both Scrap Books are not quite complete, I arranged to have them on display at the State Conference. I am entering the His-

torical Scrap Book in the National Contest. Later I will place the two books at Rhodes Memorial Hall, where they will be accessible to members from over the state.

In October, letters were mailed the Regents of all Chapters, stating that a prize of \$5.00 was being offered for the best all-round Scrap Book, and giving the seven points by which these books would be judged. Numbers of letters have been written in reply to letters received.

In January cards were mailed stating that Scrap Books to be entered in the contest were to be brought or sent to the State Conference, where they would be judged by a committee, selected by Mrs. Y. Harris Yarbrough, State Historian.

Though many of the Chapters are keeping Scrap Books, only ten were entered in the contest.

The prize of \$5.00 was awarded the Sunbury Chapter, Winder.

SPONSOR AMPHIBIOUS CRAFTS NO. 491 AND 644

Mrs. John J. Cummings

It is with pleasure that I present to you my second report as Chairman of this committee.

When the war ended our government soon discontinued the Landing Craft Infantry and gradually the boys were transferred to other places or discharged.

In the fall all Chapters were sent letters asking them to send books, games, etc., to the ship of the Commanding Officer instead of the boys they were sponsoring last year. However, I did say that Chapters that were still in touch with the boys might continue, which some have done. There probably are some Chapters that have been active and have not reported, I have reports from the following: Baron DeKalb, two boxes recreational equipment (\$5.00); Governor John Milledge, Christmas cards, Mrs. C. L. Hamilton, Regent, wrote 3 letters; Thomasville, box of pecans; Lyman Hall, continued contacting the boy assigned them last year until discharged, sent Christmas box, birthday box, numerous cards and kept in touch with his family; Sergeant Jasper, sent cards and letters; Matthew Talbot, 1 birthday box; Tomochichi, sent cards and letters; Hannah Clarke, one box of books; Stephen Heard, one box of books, magazines and cross word puzzles to the crew of the L. C. I. 591; letters and birthday gifts to Ensign J. W. Nomeman whom they sponsored last year.

The Newnan Chapter, sponsoring the L. C. I. 644, reports: Although the boys are scattered we still hear from some of them. The Newnan boy (Lt. Smith) who was in command of the ship is now at home. The ship is also on the West Coast berthed at Pedro. Will go to New Orleans for decommissioning. Books, The Methodist Upper Room, daily Bible readings and cards were sent.

Many of our Chapters became discouraged because the boys did not write them and felt their gifts were not appreciated. This I think was due to the fact they were timid about writing to strangers. But they were appreciated and I have a letter written to the Stephen Heard Chapter which I think expresses the way all the boys felt.

I want to thank the Chapters for their cooperation and also our Regent for letting me have this small part in doing something for our boys.

STATE CHAIRMAN OF PROPERTY

Mrs. Lucius W. McConnell

Your State Chairman of Property submits the report as follows:

The electrically wired D. A. R. insignia and case was made by Maurer & Robbins for the price of \$50.00; the insignia, cross, light bulbs, two United States Flags, one D. A. R. Flag, two flag poles, and three flag pole holders were delivered to the Hostess Regent, and Chairman of Platform Arrangements of the Joseph Habersham Chapter to be used at State Conference.

It has been a pleasure for me to serve the Society in this capacity.

An invitation has been received from the Council of Safety Chapter, Daughters of American Revolution, Americus, Georgia, for the State Executive Board to hold their fall meeting with them in 1946.

THE TRAVELING GENEALOGICAL LIBRARY

Mrs. Jesse Dixon Wadsworth

Again let me urge the Chapters to notify me when a box of books is received so that the next Chapter can be notified as to when it will reach them. Much delay in reshipping could be avoided if this is done. Such delay in reshipping also causes the boxes to catch up with each other, and have two in one place.

Since March 1st, 1945, box No. 12 has been to four Chapters; box No. 13 to five Chapters; box No. 14 to three Chapters; box No. 15 was returned, and redistributed; box No. 16 to three Chapters was returned and restarted; No. 17 to three Chapters was returned and restarted; No. 18 to five Chapters was also returned and restarted.

Each Chapter keeps the books three weeks, and they are stationary during the summer, wherever they may reach by June.

The Library consists of 283 volumes and pamphlets, valued at over \$1,200, and the titles and costs of these have been published each year in the State Proceedings, in the report of the Traveling Genealogical Library. Some books have increased in value, and those not in the boxes, traveling, are in the Columbus Public Library.

Overhead expenses: Postage for ordering books, etc., 37 cents; books returned, 14 cents; directing six boxes 88 cents; express on four boxes returned \$2.40; binding three books, \$2.00; one key, 25 cents; insurance \$24.31.

Honor Roll

The Edmund Burke Chapter has had a very good and instructive year, with a fine spirit of cooperation on the part of its 27 members, two of them new, and six non-resident.

The monthly meetings are held in our homes with splendid attendance. Program work follows the State Chairman's suggestions, supplemented by forceful and distinguished speakers, prominent among whom were a returned Major from the European Theater, explaining his collections of souvenirs from nine countries, and a returned Missionary from Russia and China.

All Historic and Patriotic Days have been observed, with a special Flag program. In February we will celebrate Washington's Birthday and our Chapter birthday with a pilgrimage to Meadow Garden.

Committee work in our small Chapter is limited, but our members are leaders in all civic and patriotic organizations. We have met all National and State Honor Roll requirements. There are six subscriptions to the National Historical Magazine. An award was given to the student in our local school making the highest average in American History. All members gave generously to the drives for canned food and clothing for overseas.

HISTORICAL PROGRAMS, 1946-1947

Mrs. Neil Glass, Chairman

Our nation stands today on Nebo's brow
And gazes, yearning, on the Promised Land—
That perfect land of world democracy,
Where each is free to be always his best;
Where law is made for man, not man for law,
And law is love; where right, not might, prevails;
Where every man can claim a kingly crown.

AMERICA SPEAKS FOR PEACE

September

CALLING ALL NATIONS! America Speaks for Peace Through Nations.

Our country must assume principal role in keeping world peace, not only by sharing our material possessions, but also by developing an understanding and unselfish spirit toward all peoples. What is United Nations doing to prevent war?

October

EDUCATORS LEAD THE WAY. America Speaks for Peace Through Education.

Those who are in our schools now are the ones to prevent the next war. Hitler spoke for war through Nazi education. We must speak for peace through the best possible teachers, those who can instill principles as well as impart facts. Therefore, we should encourage outstanding leaders to enter and to remain in the field of education.

November

WE HAVE SEEN WAR. America Speaks for Peace Through Her Returned Service Men. (Have veteran as speaker, if possible, or perhaps two veterans to give short talks. Chaplains usually make good speakers).

Those who know war at first hand realize that real peace is worth fighting for and striving to maintain.

December

PEACE, A BY-PRODUCT OF RIGHTEOUSNESS, or ONE PEACE ON EARTH. America Speaks for Peace Through Religion.

Our own country, founded on religious principles, demonstrates that divergent groups can be united. A world federation is also possible, but only by all nations working for one type of peace, a peace founded on righteous living. Peace, like happiness, cannot be found in the seeking, for it is a by-product of goodness.

January

THE AMERICAN STANDARD OF LIVING. America Speaks for Peace Through Her Scientists and Technologists.

Scientists have given our country the highest standard of living in the world, and by applying what they discover, America can help to free the world from want and thus eliminate some of the causes of war. Real peace can never be achieved as long as extreme poverty exists anywhere.

February

MUSIC, THE UNIVERSAL LANGUAGE. America Speaks for Peace Through Music. (Have a brief talk and feature musical selections).

We may not understand Russian, Chinese, and German, and other peoples may not understand English, but music, the universal language, serves as a bond between all nations. Roger W. Babson says: "As a practical move in the direction of peace, every nation should give more attention to music. All nations now use the same musical scores. A musician of any nation can read and play the music of any other nation even though he cannot speak a word of the language . . . Music can convey thoughts without words and

may do it much better than words." Much of the music of America, including the National Anthem, "America," and "America, the Beautiful," foster the ideals of peace. Public school music can do much toward helping our young people understand other nations better by learning to appreciate their music.

March

YOU AND I—SPOKESMEN FOR PEACE. America Speaks for Peace Through Her Ordinary Men and Women.

Throughout history, the masses have been opposed to war, but only in a democracy can they express their opposition effectively enough to be heard. Franchise and free speech are our privilege, but they bring with them the great responsibility of choosing wise leaders and of influencing those around us. The American home must be our foundation for peace. Public opinion is a powerful force, and individuals make up public opinion. What can we as individuals do to prevent war?

April

INFORMATION, PLEASE! America Speaks for Peace Through the Press, Radio, Movies, Literature, and Public Libraries.

Peace can be achieved only through an informed public. Schools serve our youth, but adult education depends largely on the press, radio, movies, literature, and public libraries. Each of these can be a powerful force for peace.

May

WHEREVER OUR FLAG FLIES. America Speaks for Peace Through Her Commerce and World Contacts.

By assuring fairness and freedom from want to all nations, we can make our dealings with them a power for building world peace. Fair dealing is reciprocal.

FLAG DAY OBSERVANCE—June 14.

of the State Officers Club; Mrs. Stewart Colley, Past State Regent; and Mrs. W. F. Dykes, Honorary President of the State Officers Club.

Mrs. Knox presented Mrs. Ober D. Warthen, the State Regent, and two guests, Mrs. George Hillyer, Jr., and Mrs. Elmer Massey, both members of the District of Columbia State Officers Club. After introducing her official family, Mrs. Knox welcomed seven new members to membership in the State Officers Club.

A love gift of \$25.00, contributed by those present, was a gift of appreciation for Mrs. Bun Wylie, an Honorary President of the Club, who was absent on account of protracted illness. Mrs. W. F. Dykes was asked to decide on a suitable gift and to make the presentation.

Every one present stood in reverence as a tribute to the memory of Mrs. B. C. Ward, Auditor, and Mrs. Alva Weaver.

After the visitors retired, a short business session was held. Mrs. H. B. McMaster, the Treasurer, reported a cash balance of \$152.58. Mrs. W. F. Dykes, Auditor pro tem., announced that the Treasurer's books were well kept and balanced.

Mrs. W. H. Hightower, Chairman of Nominations, presented the name of Mrs. E. Blount Freeman for Auditor of the Club. Mrs. Freeman was unanimously elected. Mrs. H. B. Earthman was requested to wire Mrs. Freeman of her election to this office.

Since the cost of goods has increased very materially, the original dues of \$2.00 per year have proven inadequate to cover the entire expenses of the Club; therefore the Club voted to raise the dues to \$2.50.

The President appointed Mrs. W. F. Dykes, Mrs. Howard McCall, and Mrs. Frances Brown Chase to bring the By-Laws of the Club up to date. Mrs. W. H. Hightower, Mrs. T. C. Mell, and Mrs. Quillian Garrett were appointed to approve the minutes.

**REPORT OF GEORGIA SOCIETY,
CHILDREN OF THE AMERICAN REVOLUTION**

Mrs. Herbert Fay Gaffney, President

The activities of the C. A. R. Societies have not retarded in their endeavor to create new work and increase membership.

We proudly boast of one fully organized Society, with Mrs. Mabel Chaffin as Organizing and First Senior President, claiming over 40 members with additional application papers pending. This is in the lovely mountain city of Toccoa, and bears the name "Currahee." We gladly welcome this Society and predict wonderful things in her patriotic work. Four other Societies are still in the making and when they join us, we shall claim one at Hartwell, Augusta, Cartersville, and Waynesboro.

Patriotic work has been our objective, and Tamasssee School has received our major contributions.

We follow the D. A. R. in the Honor Roll plan, and find it most helpful to the Societies. In closing, again I thank Mrs. Warthen, our capable Regent for her fine, inspirational leadership.

It is a pleasure to announce the appointment of Mrs. R. A. Malone, 203 Park Avenue, LaGrange, as your next State President, C. A. R.

Greetings to the Georgia Society, Children of the American Revolution:

I want you to know I feel a deep sense of appreciation in the honor and trust you have conferred upon me as your State President. I know full well the responsibility I have assumed, and ask your cooperation, loyalty, and interest in our work for the next two years. With these we can easily achieve the goals for which our great and distinguished organization has set its sights.

Every member of the C. A. R. helped in some way the winning of the war either by purchasing war stamps and war bonds, through the Red Cross, or in military service. Some gave their all—the Supreme Sacrifice. And, now the war is won each C. A. R. member is called to do his part for the cause of Peace in every way we can as we did in war. Onward—in memory of those first patriots who laid the foundation of liberty and democracy in the New World!

Sincerely,

MRS. ROSSER ADAMS MALONE.
