# REPORTS OF STATE OFFICERS

STATE REGENT

Mrs. Young Harris Yarbrough

As I bring my final report to you, I want first, to express to each one of the State Officers, Chapter Regents and all members my sincere thanks and grateful appreciation for their fine support and

loyal cooperation in carrying on the work of our Society.

For all the courtesies extended to your State Regent, the lovely corsages, luncheons, teas, and Year Books and the words of encouragement, she is deeply grateful. She regrets that she could not accept all the invitations, but she will ever carry in her heart cherished memories of the many delightful friends, who have been so gracious to her.

Following our State Conference in March, your State Regent went with Mrs. Mark Smith, our Vice President General from Georgia, in her car to Birmingham, where we attended the Alabama State Conference and extended greetings from the Georgia Society.

In April attended our National Congress, and the two Board meetings, one before and one following the Congress, also social functions of the following State Societies: District of Columbia, Kentucky, Michigan, Mississippi, North Carolina, Texas and Vermont, and regretted the luncheons of New York and Virginia were in conflict with previous engagements. She was happy to be present at these various meetings and represent you as your State Regent.

Following the State Regent's reports on Wednesday evening of the Congress, she placed in nomination, as a candidate for Vice President General, the name of Mrs. Mark Smith, Honorary State

Regent, who was elected to that higher office.

On May 10th, she visited the Savannah Chapter. Following their meeting, the members of the Bonaventure and Lachlan McIntosh Chapters came in for tea, at which time your Regent spoke on the

pertinent work of our Society.

Since your Recording Secretary was still confined to the hospital in June, she accepted the offer of two former Secretaries, Mrs. Mark Smith and Mrs. Leonard Wallace and your State Regent for them to compile and edit the material for the Proceedings, in order to get the book out at the earliest date possible. Mrs. Harrison Hightower, Chairman of the Proceedings Committee, called the meeting for June 8, 1949 at her home in Thomaston. It was regretted that Mrs. McConnell could not be present. On June 11th, your Regent attended the State C.A.R. Convention in Atlanta at Craigie House, as guests of the Atlanta Chapter D.A.R. and the Dolly Madison Society C.A.R., and again extended greetings from the Senior Society.

On June 14th, your State Regent called a meeting of the Executive Committee, according to Article V, Section V of our State By-Laws, to fill the vacancy of State Librarian, caused by the resignation of Mrs. John F. Thigpen, who had accepted the Regency of Joseph Habersham Chapter. Article X, Section 111, National By-Laws states "No member shall hold, at the same time, two offices carrying a vote at the annual State Conference." This meeting was held at the old Executive Mansion in Milledgeville, the home of Mrs. Guy H. Wells, State Corresponding Secretary. The appointment of Mrs. Mack Barnes, a former Chapter Regent of Waycross,

by the State Regent was unanimously confirmed by this Committee. It was decided at this time, if satisfactory arrangements could be made, our 1950 State Conference would be held in Macon. The members of this Committee present were guests of your State Regent for a luncheon at the College Tea Room.

Having accepted an appointment by the Governor, as a member of the Stone Mountain Advisory Committee the State Parks Authority, attended the first meeting at the State Capitol on August 24. The purpose of the Parks Authority is the completion of the Stone Mountain Memorial Project, through a loan from the Reconstruc-

tion Finance Corporation.

The fall letter to Chapter Regents and State Chairmen were sent out on September 1st. On September 2nd met with a Committee in Macon, including the President of the Chamber of Commerce, at the home of Mrs. Mark Smith, when plans were made for our State Conference to be held in Macon, at the Hotel Dempsey on March 22, 23 and 24, 1950.

On September 20 was an honor guest of the Cherokee Chapter, Mrs. Ransom Burts, Regent, with a morning coffee following the

meeting, at the home of the Atlanta Historical Society.

On September 22, accompanied by Mrs. William C. Robinson, State Editor, motored to Cedartown, for the first meeting of our newest Chapter, the William Witcher, which was confirmed by the National Board on June 8, 1949. A luncheon, with officers of the Chapter, preceded the meeting and tea at the home of Mrs. Chaudron in the afternoon. Your State Regent spoke on the work of our Society, in order that these new members might have an idea of their duties and responsibilities.

On October 10th left for Washington, attending the State Regent's Forum on the morning of the 11th. Was a guest at a luncheon and style show at the Shoreham Hotel, given in honor of Mrs. Everett Repass, State Regent of Virginia. In the afternoon was a guest at a beautiful tea at the D.A.R. Chapter House on Massachusetts Avenue, given by the Daughters of Colonial Wars, when Mrs. Harry Truman was honor guest. Was present at the meeting of the National Board of Management on Octobed 12th, followed by a luncheon.

On October 20th, by invitation of the John Benning Chapter, the State Board of Management met in Moultrie. Mrs. W. J. Vereen, Regent of the Chapter, was a delightful and charming hostess, entertaining the members, arriving the previous night, at a tea in her attractive home and again at dinner at the Colquit Hotel.

Was guest and speaker at a meeting of the Henry Walton Chapter, Miss Kitty H. Newton, Regent, at home of Mrs. Chan Horne on October 21st.

On November 9th, accompanied by Mrs. Guy H. Wells, drove to Thomaston, and we were guests at a luncheon at the Upson Hotel with the Chapter officers, after which the John Houston Chapter

meeting was held at the home of Mrs. Albert Matthews.

On December 8th went to Swainsboro with Mrs. Leonard Wallace in her car, where we were luncheon and over night guests in the home of Judge and Mrs. Robert H. Humphrey. In the afternoon, your Regent spoke at the meeting of the Governor David Emanuel Chapter, held in the Community Club House. In the evening we were dinner guests of the Chapter Regent, Mrs. E. C. Shearouse with a group of Chapter Officers at the John Coleman Hotel. On January 4th, accompanied by Mrs. Wells, was the guest speaker of the Captain John Wilson Chapter at Thomson. We were luncheon guests of Mrs. Furman Penuel.

On January 18th, your Regent was joined in Atlanta by Mrs.

Leonard Wallace, State First Vice Regent, when we went to Marietta for the organization meeting of the Andrew Houser Chapter, with Mrs. Hoyt S. Bryan as the Organizing Regent. It was a delightful occasion, held at the Country Club, a luncheon meeting with 27 new young members and guests, including many members of the Fielding Lewis Chapter, Mrs. James T. Anderson, Regent, Mrs. Mark Smith, Vice President General from Georgia, Mrs. Howard H. McCall, Honorary Vice President General and others. In the afternoon, we went out to Rebel Ridge, lovely country home of Mrs. Anderson for tea.

On January 31st, left for Washington to attend the National Board meeting, dedication of the new Museum and O'Byrne Hall (Voting Room) in the new Administration Building, and a reception for Mrs. John Morrison Kerr, candidate for Treasurer General.

On February 7th, attended and received with the Chapter Regent and Charter member at a tea in the old Governor's' Mansion in Milledgeville, in celebration of the Fiftieth Anniversary of Nancy Hart Chapter. The tea was held in the same place the Chapter was organized.

On February 8th, accompanied by Mrs. E. D. Napier, went to Perry to visit the General Daniel Stewart Chapter held in the lovely Colonial home of the Regent, Mrs. George E. Jordan. Mrs. Jordan had graciously invited the members from Eastman, Fort Valley and Hawkinsville, and the heads of all the other clubs in Perry. I was privileged to talk to this group about the work of our Society, stressing our work for National Defense and Citizenship for our Youth.

We motored on to Dawson, where we attended a luncheon meeting of the Dorothy Walton Chapter, Mrs. T. D. Wall, Regent, and the Stone Castle Chapter, Mrs. Hill Peddy, Regent. Your Regent again talked on National Defense.

On February 15th, attended a meeting of the Oliver Morton Chapter at Jonesco Club in Jones County, Mrs. J. A. Pitts, Regent,

and presented pertinent facts relating to our Society.

While the Building Project at our National Headquarters has been uppermost in our minds, we have not neglected the building for citizenship among our youth, through our C.A.R., Girl Home Makers, Junior American Citizenship Clubs, Good Citizenship Pilgrimage Groups, as well as distributing D.A.R. Manuals for our foreign born. Our Approved Schools work and that of our National Defense has been outstanding. Our State Chairman of National Defense, Mrs. T. Earle Stribling, was referred to in our Press Digest as "Woman of the Year" in National Defense, for her leadership in getting the State Legislature to rescind a 1946 resolution, which called for a Declaration of a Federation of the World.

Nor has our historical work or genealogical records been neglected, each having carried on their part with much credit to our

State.

Two requests came from the Governor, asking for the cooperation of our Society and the appointment of representatives to attend the Highway Safety Council, and also to the White House Conference on Children and Youth. To the former she named Mrs. S. Fred Roach and Mrs. A. Worth Hobby of the Joseph Habersham Chapter, and Mrs. Hollis Morris of the Atlanta Chapter to the latter.

The year has been a busy but very happy one. We are proud of the year's accomplishments, and the spirit of cooperation and in-

terest, shown by our members, is most commendable.

So let us guard that precious heritage, which our forefathers sacrificed so much to give us; let us promote their ideals and fight in every way necessary to preserve our American Way of Life.

#### STATE FIRST VICE-REGENT

#### Mrs. Leonard Wallace

Our State Regent, Mrs. Y. H. Yarbrough, is so capable and efficient that my duties have been few. It has been a pleasure to serve when needed.

I have visited eleven chapters, attended State Board meetings, State Conference and Proceedings Committee meeting.

# STATE SECOND VICE-REGENT Mrs. T. Earle Stribling

As your State Second Vice-Regent I have visited numerous chapters during the year, always speaking on National Defense. I represented the State Regent last spring and again this year at the American Legion Auxiliary National Security rallies when the national chairman of this committee spoke. I was a dinner guest of this same organization when the National President visited Georgia. As a representative of the State Society I attended the Cerebral Palsy Conference. I was a guest at a luncheon of the Atlanta Democratic Women to speak on D.A.R. work at their National Defense meeting. During the year I attended the State Conference, Continental Congress, the Executive and Proceedings Committees. It has been a distinct honor and privilege to serve the State Regent at all times.

#### STATE CHAPLAIN

#### Mrs. Robert Leon Carter

During the past year Chapter Regents and Chaplains have cooperated splendidly with the State Chaplain. Annual reports were received promptly and carried descriptions of many interesting projects and types of work which, no doubt, have resulted in promoting better Christian living and in improving moral conditions in many communities.

The State Chaplain has attended meetings of the State Executive Board and State Conference and has visited several chapters. She has written 147 letters and cards relative to the state work.

Since last Conference the State Society has lost 67 members by death. Personal notes were written to the bereaved families when names and addresses were available.

#### STATE RECORDING SECRETARY

#### Mrs. Lucius W. McConnell

Madam State Regent, Distinguished Guests, and Members of the 52nd State Conference.

The deepest interest of your State Recording Secretary during the past year was the preparation and publishing of the State Proceedings of the 51st State Conference. She wishes to express appreciation to our State Regent, Mrs. Young Harris Yarbrough, to Mrs. Leonard Wallace and Mrs. Mark Smith for having edited, prepared, and carried the material for the Proceedings to the publisher while she was hospitalized due to an accident. Appreciation is also expressed to Mrs. T. Earle Stribling and Mrs. John F. Thigpen for their assistance in proof reading the material for the Proceedings. It is hoped that the Proceedings have been of value to those responsible for the work of the Georgia Society.

Upon instructions from the State Regent ten copies of Proceedings were mailed to those who failed to receive copies from the publisher.

It was a pleasure to have attended the October and March State

Board meetings.

Thanks to all who have mailed reports in advance of this State Conference. Forty-three requests were mailed March 18th for reports to those from whom no reports had been received.

The kind invitations from Chapters and the splendid Year

Books received are gratefully acknowledged.

To State Regent, State Officers and members deepest appreciation is expressed for the many thoughtful courtesies extended to her, especially following her accident, and it has been a pleasure for her to serve as your State Recording Secretary.

The Daughters of the American Revolution Georgia Society Atlanta, Georgia

#### Mesdames:

I have examined the Treasurer's records of the Daughters of the American Revolution, Georgia Society for the period beginning with March 13, 1950 and ending with May 12, 1950, and I have reviewed the system employed, the accounting procedures followed and other supporting evidence by methods and to the extent I deemed appropriate. My examination was made in accordance with generally accepted audit standards applicable in the circumstances and included all procedures which I considered necessary.

A Summary of Cash Receipts and Disbursements follows:

Cash on hand March 13, 1950 \$6,030.33

Receipts March 13, 1950 thru May 12, 1950 \$9,017.72

Disbursements March 13, 1950 thru May 12, 1950 \$9,017.72

Cash Balance on Deposit—The Central Bank,

Swainsboro, Georgia May 12, 1950 \$5,669.45

In my opinion the accompanying Statement of Funds Balances, Cash Receipts and Cash Disbursements properly presents the position of the Treasury as at May 12, 1950 and the financial activities of the Society for the period under review.

> Respectfully submitted R. H. Fincher Certified Public Accountant

#### STATE CONSULTING ORGANIZING SECRETARY

#### Mrs. T. K. Kendrick

The organization meeting of the WILLIAM WITCHER CHAP-TER, Cedartown, Dr. Elizabeth Barber Young, Regent, was held on June 8, 1949 and the ANDREW HOUSER CHAPTER, Marietta. Mrs. Hoyt S. Bryan, Regent, was held on January 18, 1950.

A new chapter is being organized in Lincolnton, Georgia, Mrs. Harry S. Stewart, Jr., has been appointed organizing regent.

#### STATE HISTORIAN

#### Mrs. Harold I. Tuthill

In this, my last report, may I express my appreciation for the privilege of having served as your state historian, and to thank the chapter historians for their splendid service which makes this

report possible.

In September I wrote to each chapter outlining the work of the historian, and urging that stress be placed on the examination of history texts used in our schools. We must be alert to any influence that is un-democratic and un-American, for the youth of our nation must be grounded in the principles of the American way of life. Chapter members were urged to visit their schools and to show an active and cooperative interest in the education of the youth. The members were asked, also, to stimulate interest in the writing of historical essays, with the emphasis on the foundation of our nation and on those great Americans who laid down our principles. It is, therefore, most gratifying to report that forty-five text books have been examined, Adam Brinson Chapter having examined fifteen, and the Cherokee Chapter is examining all history texts being introduced in the schools. Thirtythree visits have been made to class rooms; thirty-five prizes have been presented for historical essays; twenty-two chapters have presented forty-six medals; and the Matthew Talbot Chapter sponsored the writing of two hundred and three essays on American

As the marking and preservation of historic spots is one of the Society's most worthwhile projects, I asked that each chapter work

toward the marking of at least one.

The Lyman Hall Chapter has planned to mark one spot each year. The Governor Jared Irwin Chapter is raising funds to mark the first jail in Georgia, where Aaron Burr was imprisoned. The Toccoa Chapter is placing markers to direct tourists to Toccoa Falls and Jarrett Manor. The Governor Treutlen Chapter is making plans to mark the first Manual Training School in Georgia, Roanoke Chapter has marked Roanoke Battleground and Sheppard's Plantation, and markers have been placed along Johnson's Trail. The Savannah Chapter marked the site of the home of General James Jackson. Revolutionary soldier, statesman, and Governor of Georgia. The Cherokee Chapter placed a stone in honor of Francis Scott Key at Wren's Nest, home of Joel Chandler Harris. The Atlanta Chapter has marked the Pinckneyville-Norcross site. The LaGrange Chapter has copied seven hundred and forty-five Bible records and four hundred and thirty-two cemetery records.

The marking of the graves of Revolutionary soldiers and their wives is still being done. Seven chapters have located three graves,

marked five and have four markers ready for marking.

The George Walton Chapter has presented a History of Macon County to the Columbus Library.

<sup>\*</sup>Resolution 15: State Conference, 1942, RESOLVED, that each Chapter pay to the State Treasurer with the State Dues \$1.00 for each representative to which the Chapter is entitled under the By-Laws, Article II, (See Article IX, Section 8c, National By-Laws). State Officers and State Chairmen shall pay the

Eleven chapters have marked the graves of thirty-two members and have twelve graves located for marking. The Hawkinsville Chapter marked the greatest number this past year-sixteen.

Eight chapters have sent historical documents and manuscripts to the National Society. The Savannah Chapter sent three papers to the National Society, one being the brilliant address made by Mr. Alex Lawrence, president of the Georgia Historical Society on the occasion of the marking of the site of General James Jackson. The Cherokee Chapter compiled the wills of Campbell County from 1825-1900, and the John Floyd Chapter has outlined in book form the Camden County Geneological Data Records, 1788-1835.

A new history of Screven County has been sent by the Briar Creek Chapter to the National and State Library. Thirteen chapters have made pilgrimages to historical places, including Fort Frederica, Williamsburg, and old cemeteries where information from old tombstones were copied by members of the Lyman Hall Chapter. The Savannah Chapter, Lachlan McIntosh, and Bonaventure Chapters placed a most interesting collection of relics at Fort Pulaski on the occasion of the twenty-fifth anniversary of the opening of the Fort.

Thirty-two chapters have celebrated a total of three hundred and six historical anniversaries, the Joseph Habersham, and the Nancy Hart having celebrated their golden anniversaries with beautiful receptions.

The Fielding Lewis Chapter placed a bronze plaque at the grave of a former organizing regent in Washington.

A complete record of the World War II services of the sons of the members of the Augusta Chapter has been placed in Meadow

The Savannah Chapter, under the chairmanship of Mrs. Travis has sponsored the sale of the Daughters of the American Revolution historic map of Georgia, the proceeds having been sent to the National Building Fund.

Through the efforts of the Vidalia Chapter the subject of Georgia

history has been reinstated in the Vidalia schools.

A Brooks County History from 1858-1948 was compiled by the Hannah Clark Chapter.

Constantly the Memorial Bell Tower has been stressed, for in words of the historian general "never again will there be a greater opportunity to honor those we love and to pay a debt of gratitude to the ancestors whose sacrifices and service made it possible for us to join the Daughters of the American Revolution." Every chapter was urged to purchase Valley Forge Christmas cards and Daughters of the American Revolution Cook Books, and to have as a goal for the year (a) two honor roll names per chapter and (b) every chapter listed on the Chapter Roll. Eleven chapters have bought Christmas cards and eight chapters have bought Cook Books.

Lyman Hall Chapter has placed one name on the Honor Roll and three chapters, Lyman Hall, Sarah Dickinson, and Barnard

Trail have placed their names on the State Section.

Feeling that each chapter should be commended for its splendid work, I am, however, especially proud of the Cherokee Chapter for its complete report in every phase of the historian's work; and the Hannah Clark Chapter which received the only citation given to any chapter for outstanding achievement in the field of Georgia History for 1949 given by the Georgia Society of Historical Research.

May I say in closing that I have enjoyed not only my work as State Historian, but the happy association in this important work of the National Society; and particularly do I wish to express to our beloved State Regent my appreciation of the privilege of serving under her splendid leadership.

#### STATE LIBRARIAN

#### Mrs. J. Mack Barnes

The Library work reported by most chapters centers around the maintenance of a shelf in the local library and the placing of subscriptions to the D.A.R. magazine and the National Defense News in the school and public libraries.

68 chapters have librarians. That is an increase, but the National Society reports 15 states which have 100% of the chapters

having librarians. This is a challenge to Georgia.

Of the 22 books requested of Georgia for the National Library in Washington, only one book was available after your librarian contacted 27 book dealers in search of these books. This book, "The History of Clan Donald. The Families of MacDonald," by Henry Lee, 1920, was given by the Lyman Hall Chapter.

Also sent to the National Library were the following books and

pamphlets:

"Parrish Family Record." J. J. Parrish. 1948. Given by Folks Huxford through the John Floyd Chapter.

"History of the First Presbyterian Church, Cartersville, Georgia, 1843-1943," Cyrena B. Simpson, given by the Etowah Chapter. "The Griffin Genealogy." Lillian D. Headden. 1950, given by Miss Headden of Cassville, Georgia.

"A Glimpse of Thorntons through the Centuries," Walter W. Thornton, given through the Atlanta Chapter.

"History of Screven County." C. D. Hollingsworth, given by

Briar Creek Chapter. "Campbell County Wills from 1825 to 1900," given by Cherokee

The following books and records have been sent to the Georgia D.A.R. Library in the State Department of Archives and History in Atlanta.

Volumes 1, 2, 3, of "North Carolina Marriages and Deaths." "Tullach and Allied Families including the Berry Family of

Georgia."

2 bound volumes (1948 and 1949) of D.A.R. American Monthly Magazine.

Bound copy of 58th Congress National Society, D.A.R.

"Thornton Family Through the Centuries," Walter W. Thornton. All of these books were sent the State Library by the Atlanta Chapter. In addition to these "The History of Screven County," C. D. Hollingsworth, was sent by Briar Creek Chapter, and "Campbell County Wills from 1825 to 1900" was given by the Cherokee Chapter.

THE VERDERYS OF GEORGIA, 1794-1942, a genealogical history of the American descendants of Jean (Jacques de Verdery). Counsellor to the King of France (Louis XVI) in the parliaments and courts of the province of Guienne, by his great great granddaughter, Emily Prather, was presented to the National Library by the Joseph Habersham Chapter. This book has been on the Want List for many years. Also presented by Joseph Habersham Chapter to the State and National Libraries was its Golden Anniversary BOOK OF MEMORIES, published by the Chapter in commemoration of its Fiftieth Birthday, February 12, 1950.

The Lyman Hall Chapter through its Regent Mrs. George Fesperman, sent 52 beautiful books on history and literature to the

library at Tamassee.

The following chapters gave money for the purchase of books for the National Library: David Blackshear, \$2.00; Joseph Habersham, \$5.00; Nancy Hart, \$3.00; and Benjamin Hawkins, \$2.00.

The Mary Hammond Washington Chapter maintains a genealogical room in the Washington Memorial Library in Macon and has appropriated \$50.00 for this work this year and Mrs. James Porter willed \$500.00 a year for this work. This library is outstanding and serves many towns in middle Georgia.

The following amounts were spent by chapters on library work: Sergeant Newton \$4.00, John Benson \$25.00, Knox-Conway \$3.00, Briar Creek \$50.00, Baron DeKalb \$10.00, William McIntosh \$15.50, General James Jackson \$44.50, Savannah \$2.00, Benjamin Hawkins \$2.00, John Bell \$12.00, Vidalia \$2.00, and Oglethorpe \$10.00.

The Fielding Lewis Chapter added two books to its library: "The First 100 Years," Temple, and "Kenmore and the Lewises,"

James Taylor Duke.

The William Marsh Chapter spent \$60.00 and the Regent Mrs. A. S. Fortune sent a copy of "Watchword of Liberty," Robert

Lawson, to four schools.

The Cherokee Chapter reports the following additions to their library: 4 books given by Miss Alberta Maline, "History of Two Revolutionary Soldiers," "Direct Descent of Strother line," copies of original Bible records and a biography of the Green family.

The Lachlan McIntosh Chapter has added 3 books to its library and the Roanoke Chapter reports books and magazines sent to the

Marine Hospital at Savannah.

In conclusion, your State Librarian would like to request all regents or librarians to see that a letter is written to their Congressmen and Senators asking that they make provision for the State, County and Township histories to be taken out of the boxes in storage in the Congressional Library and made accessible to the patrons of the Library. If any of these bookc are not wanted, please give National Society, D.A.R. the first refusal. This is the request of the Librarian General and comes as an action of the executive committee.

# STATE CONSULTING REGISTRAR Mrs. John D. Faver

The past two years spent as your State Registrar have been quite active ones, and every effort has been made to bring the state and chapter files up to date. Since many chapters had new registrars this past year a second letter with specimen cards was sent each one in the fall, and filing methods were explained again at the meeting of the State Executive Board in Moultrie. It is regretted that the receipt of filing cards and letters could not always be acknowledged because of the heavy correspondence, however, all requests for information were answered. The very splendid cooperation of most of the chapters has been greatly appreciated.

#### STATE CURATOR

#### Mrs. Talbott B. Chandler

It has been a pleasure to serve as your State Curator for the past two years. Letters were sent to each Chapter and every re-

sponse has been appreciated.

This year our Curator General stressed the need of funds for our Museum, rather than for articles to display-and Georgia took the specific task of restoring to their former beauty eleven antique chairs that were formerly used in the Museum. The cost of repairing these chairs is \$164.58. This restoration of the chairs

is in honor of our State Regent, Mrs. Young Harris Yarbrough. Thirty-two Chapters participated.

Several exhibits of interesting relics, owned and displayed within the Chapters, and two lovely Antique teas, open to the public. have been reported this year.

Please accept my thanks, extended to every Daughter of the American Revolution in Georgia for her cooperation during my term of office as State Curator and for the privilege of working with the State and National Society.

#### STATE EDITOR

#### Mrs. William C. Robinson

The State Editor has conducted the column in the Atlanta Constitution devoted to news of the Daughters of the American Revolution since March 1, 1949, with the exception of the three summer months. During this time, the assistant editor, Mrs. C. L. Hamilton, had charge of the column.

On occasions, news items were sent to papers in Savannah, Columbus, Macon, Augusta, Albany, Milledgeville, LaGrange, Ath-

ens, Griffin, Valdosta, Waycross, and Eastman.

Chapter regents and press relations chairmen have given splendid cooperation and have furnished most of the news. Some timely articles have come from State Officers and State Chairmen. Press releases from the national office have also been used.

The most complete file of news to be used in the D.A.R. column in the Atlanta Constitution has come from the Stone Castle Chapter at Dawson. Therefore, this chapter wins the May Phillips Mims Trophy. Mrs. Drew M. Dismuke is the press relations chairman

and Mrs. Hill Peddy is regent.

The State Editor's award of five dollars offered to the chapter sending in the best report of D.A.R. activities, other than regular meetings, goes to the Savannah Chapter for the article telling of their program and service in unveiling the plaque honoring Major General James Jackson. Mrs. Aubrey L. Hayes is press chairman and Mrs. E. K. Oppen is regent.

I wish there were space to name the other chapters that were so faithful in supplying the news. However, your Editor is grateful to them, and they rendered a good service to the Georgia Society

D.A.R.

#### STATE ASSISTANT EDITOR

#### Mrs. C. L. Hamilton

The duties of State Assistant Editor, which are caring for the news of the chapters of the Georgia Society of the Daughters of the American Revolution during the summer months, have been carried out.

Almost no news came to the State Assistant Editor this year, which fact has made this report exceedingly simple.

Reports of the meetings of three chapters were sent to the

Atlanta Constitution for publication.

Letters were written to leading newspapers of Georgia inquiring if space would be allowed for a D.A.R. column. Two papers, the Augusta Chronicle and the Macon Telegraph replied that they would publish only the D.A.R. news that would apply to their trade area. The other papers addressed did not reply.

A letter was written commending the Governor and the 1950 General Assembly for having revoked a resolution adopted by the

1946 Legislature petitioning for world government.

# COMMITTEE REPORTS NATIONAL COMMITTEES

#### AMERICANISM

Mrs. John Calhoun Peterson

I wish to express my deep appreciation to those chapter chairmen who have contributed such creditable reports and who have made this report possible.

In October of last year each chapter received from your chairman a letter calling attention to specific phases of patriotic activity and enclosed questionnaire to be filled and returned to her by

the first of March. Forty-eight chapters responded.

From their response the following information was obtained. Many chapters have distributed books and magazines in the fight to reduce illiteracy among the native whites, the negroes, and 6 chapters reported such work among the foreign born. 30 chapters contributed books, literature for furtherance of Americanism to libraries and schools. The distribution of a thousand and more "D.A.R. Manuals for Citizenship" was reported, a number of which were distributed in foreign languages. Most of the chapters reported placing the D.A.R. magazine in public and school libraries. All chapters have observed Patriotic Anniversaries, several with special radio programs. Approximately, one hundred percent of all chapters have used "The Pledge to the Flag," and "The American Creed" in their meetings. Entire programs have been devoted to the subject of Americanism with able speakers. 6 chapters had attendance at Naturalization Courts and 10 reported special work with foreigners. Other accomplishments are, work with various youth organizations such as C.A.R., Girl and Boy Scouts, Four-H Clubs. Practically all reported Red Cross enrollment and cooperation with Red Cross activities. 28 chapters reported 36 medals or prizes given for historical essays or for papers on Americanism. 30 chapters mentioned Good Citizenship contests and medals awarded. 5 chapters worked with motion pictures on Americanism programs. 8 made use of the radio for the same. One chapter sponsored a Flag Pageant on Flag Day. Three reported the purchase of new flags. A number were responsible for the display of the flag in business centers on patriotic anniversaries. Many of our members are keeping informed as to legislation and have written to their representatives in the State Legislature as well as to Washington in regards to various issues. Georgia Daughters may take pride in the rescinding of the 1946 World Government resolution by the Georgia Legislature. One of Georgia's' outstanding Daughters, Mrs. T. Earle Stribling was the capable and successful leader who worked ceaselessly to bring this about.

In conclusion, I would like to say that the reports as a whole from the chapter chairmen reveal interesting and instructive ways in which Americanism is being exhibited and taught. The splendid reports of the following chapters deserve honorable men-

tion:

The Atlanta Chapter, Cherokee, Elijah Clarke, Joseph Habersham, Nancy Hart, General James Jackson, Gov. George M. Troup, Col. Wm. Few, The Savannah Chapter, LaGrange, John Benson, James Pittman, William Marsh, Augusta, Nathaniel Abney, Hawkinsville, Dorothy Walton, and Vidalia.

May we ever be alert for subversive teachings and foster always the American way of life, remembering that we are inheritors of the traditions and opportunities of the greatest of all nations, and it is to us as citizens to preserve American institutions, American ideals, and American traditions.

It has been an honor to have served as your chairman of Americanism.

## APPROVED SCHOOLS

#### Mrs. Leonard Wallace

Georgia D.A.R. with a feeling of obligation and inspiration continue their work for Approved Schools. The sense of obligation is there because of the realization that in helping those less fortunate ones we are doing our duty to our fellowman. The inspiration comes from the boys and girls who are given the opportunity of being better prepared and educated to face life as it is today.

It has been a pleasure to visit many of the chapters and discuss

Approved Schools with them.

Sixty-two chapters met the five per capita requirement for Tamassee and Kate Duncan Smith. One hundred and twenty-three boxes of clothing valued at \$6007.60 and numerous gifts were reported as sent to the different schools. John Houston Chapter gave \$465.00 worth of household linen to Tamassee. Ninety-six

programs were presented.

Tamassee scholarships given were Governor David Emanuel, \$500, John Houston, \$400, Baron DeKalb, \$150, Commodore Richard Dale, \$100, Elijah Clarke, \$100, Fielding Lewis, \$75, Button Gwinnett, \$150, Joseph Habersham, \$200, John Benning, \$30, Thronateeska, \$100, Benjamin Hawkins, \$50, Captain John Wilson, \$25, and Governor Treutlen, \$100. Total, \$1980. Nineteen chapters paid \$111 to Marian Sibley Wylie Victory Fund, six paid \$80 to the May Erwin Talmadge Auditorium Gymnasium and two chapters spent \$70.50 for Memorial Acres and markers. With the five cents per capita fund there is a total of \$2984.71 for Tamassee.

Kate Duncan Smith scholarships were \$100 from John Houston Chapter, \$75 from Fielding Lewis and \$50 from Benjamin Haw-

kins. With the per capita fund this total is \$569.81.

Forty-seven chapters contributed \$233.50 to the Berry Schools, twenty-five gave \$67.50 to Berea, thirty-nine gave \$103.25 to Blue Ridge, Crossnore received \$148.25 from forty-four chapters, Maryville had \$129.75 from forty-three chapters, nineteen gave \$46.00 to Pine Mountain. Total \$777.50. John Houston, Oglethorpe and Colonel William Few again this year contributed to all of the Approved Schools.

The grand total is \$4797.01 cash spent for Appproved Schools

by Georgia D.A.R.

Thirty-nine chapters qualified for the Hightower awards given by Mrs. H. A. Ironside. Their names will be listed under "Awards" in Proceedings. John Houston Chapter again received the extra prize for the most outstanding work, having contributed \$1073.60 in money and supplies. Gov. David Emanuel ranked second with a total of \$555.90. The beautiful Kate Latham Dykes cup, given by Mrs. W. F. Dykes, for outstanding work for Tamassee, was won by John Houston Chapter.

#### BUILDING PROMOTION COMMITTEE

#### Mrs. Ben I. Thornton

Last June when I was appointed chairman of the Building Promotion Committee, Georgia Society N.S.D.A.R. had contributed \$7,190.50 to the Building Fund. Three chapters had been added since State Conference to the Star Honor Roll: Cherokee with 52 members contributed \$414 honoring Mrs. Julius Y. Talmadge, LaGrange with 65 members gave \$1,000 in memory of Mrs. W. W. Turner, a charter member and Governor David Emanuel with 58 members contributed \$350 in memory of Mrs. Mattie Moring Mitchell Flanders.

In the late summer chapters were reminded of the two resolutions passed at State Conference, March 1949, when Georgia Society pledged its full quota, \$34,034, the equivalent of \$6.00 per member, to the Building Fund. Chapters were asked to assume their responsibility in meeting this obligation and in giving every member an opportunity to own a share in the new Administraton Building.

To date every chapter in Georgia Society has made some contribution to the Building Fund, including the two newly organized chapters, William Witcher and Andrew Houser. All pledges for items have been paid in full. Elijah Clarke completed its pledge of \$1,000 for two fountains and John Houston's pledge of \$1,150 for one file in the business office and an electric letter folding machine has been met.

John Houston Chapter has given the largest amount of any chapter, a grand total of \$2,680; Atlanta Chapter comes next with \$1,505 of which amount \$100 was given honoring Mrs. Mark Smith and \$200 in memory of Mrs. Thomas Morgan, \$200 in memory of Mrs. Bun Wylie and \$50 in memory of Mrs. William Jenkins.

LaGrange and Elijah Clarke each have given over \$1,000. John Houston, LaGrange, Cherokee, Elijah Clarke and Tomochichi have

given more than their quota.

I wish to thank every individual member and each chapter of Georgia Society who has made possible Georgia Society present contribution in the building. As of March 23, Georgia Society has contributed a grand total of \$17,913.63 to the Building Fund.

#### CONSERVATION

## Mrs. J. Harold Nicholson

"Our strength as a nation depends upon what we do today." Dr. Miller, of California Academy of Science says: "Conservation is the Golden Rule in action—recognition of the right of those who come after us to profit by the bounty of nature as we have profited

by it, and to enjoy the beauty we have enjoyed."

Our national project in conservation, the National Tribute Grove, has been successfully completed. My sincere thanks are due each Georgia D.A.R. for contributions of over five hundred dollars, the past three years. The dedication occurred last September. Mrs. Julius Y. Talmadge, Honorary President General, assisted in dedication ceremony. Mrs. T. Earle Stribling, Second Vice Regent, represented Georgia Daughters.

Fifty-five chapters replied to fall letters reporting work accomplished. All chapters had a conservation chairman and presented programs stressing this important work. Each chapter chairman

contributed to D.A.R. Building Fund.

Human Conservation:-We supported a bill, passed at last session of State Legislature, establishing twenty-three District Juvenile Courts in Georgia, with a Judge presiding over each, and with an appropriation of \$250,000.00 a year.

A Georgia Daughter initiated the movement to help Cerebral Palsied Children in Georgia and served as Chairman of this Board. She has contributed over three hundred dollars and is most active in this phase of conservation work. Fifteen chapters contributed

Girl home-Maker Clubs have been sponsored in colored as well as in white schools. Chapter members have actively encouraged the sale of County Bonds to rebuild schools for white and colored children. Chapters reported one hundred percent membership in Red Cross. One member has served continuously in Red Cross for over thirty years and another member for over twelve years. Other outstanding work has been done by individual members, as District Directors and County Chairmen of Public Health Agencies. Leaders of Public Safety Education are numbered among our D.A.R. Youth groups were helped by all chapters, and in many communities, D.A.R. were active leaders.

Natural Resources:-Southern Forest Service and Soil Conservation Committees lists Georgia Daughters as chairmen and advisers. Over two million pine seedlings have been planted in one community. Many more were planted over Georgia. Pine Festival was held in South Georgia with D.A.R. cooperating. Observation Towers were built for protection of forests against fires. Seeds were sent to Army hospitals. Highways, parks and school grounds have been beautified with shrubs and flowers. Two of Georgia's State Parks are named for Georgia Daughters-Richmond Walton McCurry Park and Laura Walker Park. As Georgia is an agricultural state, we have given our whole-hearted cooperation to movements, promoting conservation of soil, natural resources, protection of wild life and all projects of conservation.

Following chapters sent best reports - LaGrange, Governor

George Troup and Cherokee.

Pictures, histories and booklets about trees were sent National Chairman, Mrs. James Dorsey, for Historic Tree Albums. In recognition of outstanding achievements, two awards were presented your State Chairman, at past National Congress.

# CORRECT USE OF THE FLAG Mrs. Harry Talmadge

Your response to the letter sent out by the Chairman in September, incorporating the letter of the National Chairman, Mrs. Turner, was most gratifying.

Forty-two chapters have reported on the correct use of the

Flag this year, which is quite an increase over last year.

Four large Flags and thirty small Flags have been presented to schools, clubs and to chapters. Twenty-six chapters reported having flag codes on hand and 470 flag codes have been distributed. Eighteen items of other flag literature studied by Flag Chairman and distributed. Seventeen Chapters reported having chapter discussion and studying the Flag Rules and laws. Several of these chapters have also given talks in schools and to clubs. Three chapters have given Flag histories. Two radio programs have been presented on the Flag.

All chapters reporting have given Pledge of Allegiance to the Flag at each chapter meeting. Twenty-nine chapters report displaying the Flag as directed in the code (Public Law 829). Five chapters display the Flag on national holidays. Three chapters have given special attention to the use and respect of the Flag in colored schools. Three chapters stress etiquette, love and respect

for the Flag in their C.A.R. chapter meetings.

# D.A.R. GOOD CITIZENSHIP PILGRIMAGE

#### Mrs. W. E. Grav

In the fall a letter was sent to each chapter urging participation in this important phase of our D.A.R. educational program, open to every senior public high school. Instructions as to the method of selection of the Good Citizen for each high school and the change in method for selection of state pilgrim were specific-

ally given.

Senior students choose by vote three girls from their class who possess to an outstanding degree qualifications of Dependability, Service, Leadership and Patriotism. From the three girls thus elected, the high school faculty selects one who becomes the Good Citizen of that school. It is gratifying to report an increase over last year in the number of schools entering this contest and the number of chapters cooperating. The names of 110 Good Citizens were received from 66 chapters and Pilgrimage Pins were purchased for 97. For the first time Georgia's State Pilgrim was not chosen by a drawing of names. The National Society urged that a selective method be used. Questionnaires numbered and enclosed in sealed envelopes together with letters of instruction were mailed the school superintendents. Your state chairman requested that the Good Citizens chosen by the prescribed method fill out the questionnaires on February 10 with no assistance and without attached signatures and that the questionnaires be returned to her not later than February 20. The large majority of papers were returned and were graded by a capable and impartial committee.

Miss Doris Ingram of Bainbridge High School, Bainbridge, was chosen the 1950 state pilgrim and was guest of the Georgia Society in Macon. She was presented by your state chairman on Opening Night of Conference and received from Mrs. Y. Harris Yarbrough, State Regent, the \$100 U.S. Savings Bond, Series G and the Pilgrimage Pin, gifts from the National Society.

tional awards of \$5 each to the five "runner-ups." The five girls whose questionnaires received the high ratings from the committee which entitled them to these awards were Miss Mary Nichols Jackson, Braselton High School, Brazelton; Miss Mary Ellen Summers, LaFayette High School, LaFayette; Miss June Galloway, Columbus High School, Columbus; Miss Peggy Davis, Summertown High School, Summertown and Miss Barbara Lee, Tallulah Falls.

The five dollar award offered to the chapter sending in the largest number of names went to Lyman Hall Chapter, Waycross. Bainbridge Chapter, Bainbridge, was second with seven names. Tomochichi Chapter, Clarkesville and Col. William Few Chapter, Eastman, tied for third place, each sending in six names.

# DAUGHTERS OF THE AMERICAN REVOLUTION MAGAZINE Mrs. Sam Merritt

I am very happy to tell you that your State Regent, Mrs. Yarbrough, will have the pleasure of receiving a \$20 prize at the National D.A.R. Congress next month. Mrs. Porter, National Chairman, has notified me that Georgia has won the first prize in the second group of states for the largest percentage of increase in subscriptions. Georgia's increase this year is 68 subscriptions which is an addition of 12% over last year. Since we had a total of 579 subscriptions last year, the addition of 68 totals 647 subscriptions this year. It will be most fitting that our State Regent receive this prize, for no one more than the chairman realizes that in her travels over the state Mrs. Yarbrough has not missed a chance to speak for the magazine.

Cards were sent out to every chapter this year. In some instances, when a reply was not forthcoming, this was repeated as many times as was necessary. Most chapters were conscientious about remitting the requested information, and for this your chairman is grateful.

Many chapters met the honor roll requirement of 10%. Chapters with more than 15% are: Cherokee with 37 plus %; Talbotton with 19%; Oglethorpe with 18%; Gov. George M. Troup and John Houston each with 16%; and Joseph Habersham which is over 15% but submitted no percentage.

The D.A.R. Magazine Awards are won as follows: The Hightower Award for the largest number of subscriptions per capita basis goes to Cherokee Chapter with 37 plus %. This is a \$5 prize. The Perdue Loving Cup for the greatest number of new subscriptions goes to Joseph Habersham with 25 new subscriptions.

# D.A.R. MANUAL FOR CITIZENSHIP

#### Mrs. D. M. Holsenbeck

It is with pleasure that I report an increase in interest in this important phase of D.A.R. work. I have visited chapters when asked to speak on the manual and written many letters and cards. Six chapters have reported that the D.A.R. manual for citizenship is being used as a textbook in the Civics and History Departments in the high schools. In two counties, every eighth grade in the county is using the manual as a textbook.

Naturalization courts are held in Atlanta, Albany, Americus, Augusta, Brunswick, Columbus, Macon, Savannah, Thomasyille and Valdosta. This year, approximately 350 to 400 have received their citizenship papers. One chapter instructed several war brides

on the manuals before they took their first examination for American citizenship. These manuals are placed with the clerks of the naturalization courts, early, in order to be available to the applicants to study before examination time. Representatives of the D.A.R. chapters attend these naturalization courts and give the new citizens a welcome. Some chapters have given a tea for these citizens and on several occasions, these citizens have been asked to give a talk at chapter meetings.

This year requests for 4,507 manuals were received and distributed to schools, libraries, public relations department at Rich's and Davison's, war brides, boy scout troops, colleges, county bookmobile units, Smith-Hughes Vocational School, court houses, detention homes, reformatories, juvenile courts, prisons and displaced

persons.

Orders for manuals were requested in all 18 languages. Those foreign languages included 222 in Greek, 24 in Spanish, 19 in French, 18 in German, 13 Italian, 12 Polish, 7 Russian, 5 Czechoslovakian, 5 in Armenian, 5 in Chinese, 5 Norwegian and 5 in Portuguese. 5 manuals were requested in Hungarian, 5 in Lithuanian, 5 Swedish, 5 in Yiddish, 5 in Finnish and the others in English. Several libraries wished to have these manuals in all languages for reference purposes.

Several chapters studied immigration laws and many had talks on citizenship. New citizens and displaced persons took part on

programs.

The Joseph Habersham Chapter is to be congratulated on their outstanding work and also for the \$50.00 contribution to the D.A.R. manual citizenship committee pledge to be used for the completion of the new street walk which is on the side of the Administration Building where the Founder's Monument is placed. To me it is the most unique and beautiful tribute to the sentiments and hopes of the Daughters of the American Revolution, and I trust that everyone treading upon this walk will have an inspiration for finer citizenship. Special mention is to be made of the Atlanta and John Houston Chapters. Chapters contributing to this fund were Nathaniel Macon, John Houston, Atlanta, and Stephen Heard.

My sincere appreciation is expressed to all chapters who have cooperated either in labor or donations and who have made this

report possible.

#### ELLIS ISLAND

#### Mrs. Wyatt Bentley Childs

Again it is my happy privilege to greet you as Ellis Island State Chairman. I extend sincere thanks for all that has been done for our committee work. Chapters, who have had local chairmen, have been most generous, proving that this program, designed to help those who need us, appeals to all who hear it.

To the new Chairmen comes a request that you learn about your work as soon as possible and assume the responsibility of sponsoring an entire or partial Ellis Island program in your local chapter. You will find that members are eager to hear the story and intensely interested, once they have heard it.

Program aids will be mailed gratis to chairmen who send for them at least a month in advance of their meeting day. Send all requests for this material to the D.A.R. Office, U. S. Marine Hospital, Ellis Island, N. Y. 4, N. Y.

Gifts needed at Christmas time are cartons of cigarettes, boxes of candy to be passed around, and money. At any time we wel-

come good used or new cameras, wool and crochet cotton of one

color, and large pieces of good leather.

Report blanks were sent to 86 chapters. Thirty-five chapters returned those blanks. Twenty-six chapters had chapter chairmen. For the 18 complete or partial Ellis Island programs, one used the film, one used the radio quiz, while another used the exhibit. Nine chapters had publicity in their local papers about the work. Twenty-one voluntary contributions amounted to \$125.87. Contributions were Gov. George M. Troup, William Marsh and John Ball \$1, Oliver Morton \$1.50, Toccoa \$3, Baron DeKalb, Oglethorpe, Savannah, Button Gwinnett, Col. William Few, Stephen Heard, Nathaniel Macon, Elizabeth Marlow, Lachlan McIntosh and Commodore Richard Dale \$5, Governor Emanuel \$5.90, Gen. David Blackshear, John Houston \$6, Lyman Hall \$12.27, Etowah \$13.20, and Mary Hammond Washington \$25.

The best all-round report came from a small chapter of 35 members. They gave an entire program to Ellis Island, had a write-up about the work in the paper, used an exhibit, made a contribution and had a chairman. With pleasure I present my

award to the Stephen Heard Chapter of Elberton.

# GIRL HOME MAKERS Mrs. Henry W. Meaders

It is so good to make this report for Girl Homemakers. Twenty-two reports have come in to me, covering this year's work. Of this number only 13 clubs entered 16 dresses for the contest. Only two chapters reported no Girl Homemakers Chairman. The Lois Johnson Grier trophy was won by the Governor George M. Troop Chapter, Hogansville, Mrs. Robert Lee Trimble, regent, reporting. The John Benning Chapter, Moultrie, placed second with Mrs. J. M. Odom, Girl Homemakers Chairman, reporting. Third place goes to the Baron DeKalb Chapter, Decatur, Mrs. Henry E. Newton, Girl Homemakers Chairman, reporting. We would like to give all other reporting chapters honorable mention for the grand work that is being done.

The following contestant winners will be rewarded by the State

Chairman:

Cotton Dress Contest, Senior Group:

1st place—Emily Jane Rice, Henry Walton Chapter, Madison. 2nd place—Lillian Rogers, Colonel Wm. Few Chapter, Eastman. 3rd place—Faye and Maye Gibby, Toccoa Chapter, Toccoa.

Junior Group:

1st place—Barbara Wilson, General Blackshear Chapter, Rochelle.

2nd place-Maria Denning, LaGrange Chapter, LaGrange.

3rd place-Governor Truetlen Chapter, Fort Valley.

Mrs. Margaret Harris Blair, head of the Clothing Department in the School of Home Economics, University of Georgia, kindly consented to judge the dresses, and was ably assisted by Miss Elizabeth Armstrong, assistant professor, and Miss Irma Hicks, associate professor. Mrs. Blair states they really had a struggle over these dresses because so many were very close and it was hard to decide which should out rank another in several instances.

Girl Homemakers Clubs as reported are 18 in number, with 7 clubs for colored girls. The total membership as reported is 334 members. 200 dresses were entered Statewide for the local contests, with 16 dresses being sent in for State judging. Cash awards and donations to Girl Homemakers Club work totals \$318.50. Socials given by Girl Homemakers Clubs include three teas and four dinners. Awards by local clubs include one silver thimble and two D.A.R. cook books. Overall 590 hours have been spent in service to youth activities. 61 hours have been spent in Home Improvement projects.

#### JUNIOR AMERICAN CITIZENS

#### Mrs. Ben Brown, Jr.

It has been a pleasure to serve in this capacity and I wish to thank the chapters who have helped to make this report possible. There were 1,163 clubs with 22,954 members.

This is a wonderful work since girls and boys of every race, creed,

or color are eligible to membership in these clubs.

The leaders do not have to be D.A.R. members. They may be teachers or anyone interested in citizenship. They can be organized in schools, orphanges or community centers. These clubs are free, the materials are free, so all the boys and girls should have this wonderful training in citizenship. The children should have this training all through their grammar and high school years to teach them how to become good American citizens.

The Rose Montgomery Walker Mayne award of five dollars given by Mrs. T. Jackson Lowe in memory of her mother is given to the chapter having the largest increase over last year in J.A.C. members. Through its junior committee, Mrs. James A. George wins this award with an enrollment of 8,200. Mrs. George has honored the Cherokee Chapter of Atlanta with this outstanding work.

The five dollar prize given by Mrs. William C. Robinson, Vice Chairman, Southeastern Division, J.A.C. Committee, to the Chapter having sponsored the largest number of J.A.C. Clubs also goes to the Cherokee Chapter, with an enrollment of 750 clubs.

#### JUNIOR MEMBERSHIP

#### Mrs. Lewis Edge

The Junior Membership Committee has had a very successful year. Almost every Regent is enthusiastic about telling of the accomplishments of her Junior Committee or trying to find out how

to organize a Junior Committee in her Chapter.

The Minnie Jossey Capps Trophy, given each year to the Junior Committee making the highest percentage net gain in membership, goes again to the Atlanta Juniors, who have a gain of 120 percent. They have more than doubled their membership this year. This fine Committee sponsored a dinner-dance to raise money for Approved Schools, entertained the Mother Chapter at a Christmas Tea, and every Junior member gave to the Building Fund.

The Joseph Habersham Juniors were close in the running for the membership Trophy. The Chairman takes great pleasure in awarding this group \$5.00 for the Committee most valuable to the Mother Chapter. Six of their members have served as Chapter Officers and Chairmen. In October the Committee sponsored a Tea-Fashion Show and contributed the money to the Cerebral Palsy Society. One hundred dollars has been given to the Building Fund, and members helped with the Fiftieth Anniversary Tea of the Joseph Habersham Chapter recently.

Two fine new Committees have been formed this year. The Nathaniel Macon Juniors have made a wonderful start and have helped with plans for the Junior Luncheon at State Conference. The Cherokee Juniors only organized in June. Their members are active in C.A.R. work and each member gave to the Building Fund. They have organized J.A.C. Clubs in all white and colored schools in the sixth and seventh grades—a total of 750 clubs.

The Dorothy Walton Juniors are only one year old. They have had a big increase in membership and have been busy with a Benefit Bridge party for the Building Fund, and in entertaining the State Regent in Dawson in February.

The Oglethorpe Juniors serve as Chapter Officers and Chairmen and serve as hostess for the Mother Chapter. One luncheon meet-

ing was held this year in addition to the regular meeting.

The Henry Walton Juniors of Madison have all contributed to the Building Fund, in addition to giving to the Red Cross, Polio, and Crippled Children Drives. One of their Juniors is the Chapter Program Chairman.

The Mary Hammond Washington Juniors report \$50.00 raised for the Building Fund by selling candy at Christmas. Last year this Committee set a National Record, sponsoring more J.A.C. Clubs than any other Junior Committee in the country. This Committee has been very helpful in planning for the Junior Luncheon at State Conference.

The Fielding Lewis Juniors of Marietta have raised money for the Building Fund with a Benefit Bridge, and also contributed \$25.00 to Tamassee. The George Walton Juniors have aided in chapter programs. The Nancy Hart Juniors of Milledgeville and the John Benson Juniors of Hartwell are valuable in the work of their Mother Chapters. The Toccoa Juniors are forming J.A.C. Clubs in the schools.

The total reported contributions of the Georgia Juniors are as follows: Building Fund, \$547.00; Helen Pouch Fund, \$24.00; Tamassee, \$25.00, and clothing box, Kate Duncan Smith, \$5.00, and Approved Schools, \$25.00.

#### MEMBERSHIP

## Mrs. John D. Faver

As your Membership Chairman the following report is submitted: Georgia Society has made a net gain of 231 members. As of Feb. 20, Chapter membership is 5,631, at large 22, making a grand total Georgia membership of 5,653.

# MOTION PICTURES

## Mrs. Charles D. Ellis

I find the work of this Committee very interesting, but uphill. I feel that the Chapter Regents don't fully realize the importance of what can be accomplished. It is rather hard to go forward, when one doesn't have Chapter Chairmen to work with.

In the early Fall I sent letters and a questionnaire to each Chapter Regent, and "hoped for" Chairman, explaining what I would like to have them work for. I asked that the questionnaire be answered and returned. Out of the 84 Chapters, 32 replied. Twelve subscribed to the Motion Picture Guide; thirteen Chapters appointed Chairman

Audio visual education is being used in our schools, the better pictures are brought up for discussion in the English, or Dramatic Classes. Some cities have a Motion Picture Council, and D.A.R. members take part. The Parent-Teachers Association interest themselves in the kind of pictures the school children see. The Theatre Managers cooperate with them by showing good family pictures. They have Saturday matinees for the children. I can't say that there has been tendency toward the showing of better pictures this past year. The type pictures generally preferred are westerns, technicolor, and musicals. The parents do not interest themselves enough in the kind of pictures their children see. Far too many racial, war, sex, and crime pictures are shown. Some traces of communism have been detected.

May I close my report by wishing for my successor the full cooperation of all the Regents, with a Motion Picture Chairman in each Chapter.

#### NATIONAL DEFENSE

#### Mrs. T. Earle Stribling

A National Defense Chairman in 87 chapters. One hundred percent but I regret that all chapters did not report, so this account is not a true picture of all the National Defense work accomplished. The three outstanding chapters are: 1. LaGrange, 2. Baron DeKalb, and 3. Nancy Hart. All chapters reported letters and telegrams sent to national and state lawmakers, medals and prizes awarded in citizenship and history, programs on National Defense given at chapter meetings and over the radio. Special mention is due the following chapters for these achievements: ATLANTA—Opening a South Fulton Boy's Club and presenting them a large American Flag. Aid given the state chairman during the recent state legis-

lature. BAINBRIDGE—Checked textbooks in ten schools. BRUNS-WICK—A splendid planned program at chapter meetings, COL. WILLIAM FEW—Six citizenship medals awarded. Distributed large American flags to schools in Dodge County. COM. RICHARD DALE—Radio program, "Americans Speak Up." DOROTHY WALTON—Eleven citizenship medals given. FORT EARLY—Crisp County members in a body visited their state senator and informed him of their stand on World Government and he made this convincing statement on the floor of the senate during debate. LaGRANGE—Seventy-five citizenship manuals distributed to eighteen year old voters. A radio program sponsored. LYMAN HALL—Nine citizenship medals awarded. OLIVER MORTON—Awarded seven citizenship medals and WILLIAM MARSH gave eight citizenship medals to schools.

These ten chapters reported 100 percent voting strength: Bainbridge, Gov. David Emanuel, Gov. George W. Towns, Henry Walton, John Clarke, Knox-Conway, Lyman Hall, Matthew Talbot, Oliver Morton, Oothcaloga. We are in this fight for freedom which can be won only at the polls. It must be fought in active political support of Congressional candidates who will work for a sane, sensible constitutional limit on the power of Federal politicians to spend the nation down the drain to Socialism. The difference between Socialism and Communism is the method used. Socialism destroys government by law and legislation while Communism uses force to accomplish this same destruction. Now, all Communists do not carry cards nor are their names on the active party list, but this group can be among our best people working through our churches, schools, governments, civic organizations and are the most destructive to our way of life.

The Georgia State Society won recognition not only in the National Society but all over the United States, when through the National Defense Committee the true facts regarding World Government were presented to the 1950 State Legislature. This resulted in that legislative body rescinding the 1946 World Government resolution. The Georgia House voted unanimously for rescinding while the Senate voted 34-8. The Georgia State Chairman was named by the National Defense Committee as the Defense Woman of the year and the action of the Georgia State Legislature was hailed as the crowning glory of the National Defense Committee's year's work. I want all chapters to know that I am deeply grateful for the hard work done and for the persistence and determination which finally brought victory.

which finally brought victory.

Now that good judgment has reinstated itself in Georgia it is to be hoped that other states will join in the return to sanity. This scheme of World Government has been around long enough for everyone to recognize it as a device by internationalists to sell out our country. The action of the Georgia Legislature, following so closely the verdict of the jury in the Hiss case, shows that treason in this country is being overcome. But Georgia Daughters let us ever remain alert lest we be caught napping as we were in 1946. Another General Assembly could wipe out the courageous step taken by the 1950 Legislature. Inform yourselves. Make it your business to warn your friends concerning these threats to our liberty whose price is always eternal vigilance. And I can think of no better closing to this report than the well chosen and oft repeated words of the great English statesman, Edmund Burke, who said, "All that is necessary for triumph of evil is that good men do nothing."

#### PROGRAM

#### Mrs. Neil Glass

At the 1949 National Congress the Filing and Lending Bureau Committee was made the Program Committee, with the Advancement of American Music as a sub-committee. During the past year, program materials have been supplied, suggestions have been made, and all Georgia chapters have been written concerning the work of the Program Committee. Approximately 150 letters have been sent to chapter regents and chapter chairmen.

Twenty-three splendid papers to be filed for use as program material were received from the Governor David Emanuel Chapter, Swainsboro; the LaGrange Chapter LaGrange; the Baron DeKalb Chapter, Decatur; the Savannah Chapter, Savannah; and the Natraniel Abney Chapter, Fitzgerald, and the Barnard Trail Chapter, Sylvester.

The reports of the Advancement of American Music Chapter chairmen indicate that every Georgia Chapter has promoted American music in one or more ways, including chapter meetings, over radio, and at special programs. As the theme for the year's program was "Georgia—Our Goodly Heritage," Georgia composers and their compositions have been frequently featured. The three outstanding chapters were the Nathaniel Abney Chapter, Fitzgerald; the LaGrange Chapter, LaGrange; and the John Benning Chapter, Moultrie. Other chapters to be commended are: Toccoa Chapter, Toccoa; Roanoke Chapter, Lumpkin; Governor David Emanuel Chapter, Swainsboro; Governor Truetlen Chapter, Fort Valley; and the Col. William Few Chapter, Eastman.

Five original compositions from Georgia were entered in the National D.A.R. Music Contest: song, "Spring," music by Mrs. J. F. Odom, of the John Benning Chapter, Moultrie; song, "That's What the Daughters Do," words and music by Mrs. Lucile Moore Johnson, of the John Houston Chapter, Thomaston; piano, "Nocturne in G Major," and song, "Romance in B Minor," words and music by Mrs. Z. O. Swearingen, of the Nathaniel Abney Chapter, Fitzgerald; and song, "Requiem," words and music by Mrs. Neil Glass, of the LaGrange Chapter, LaGrange.

# PRESS RELATIONS Mrs. William C. Robinson

Chapter reports show a good increase in publicity, with a total of 12,702 inches and 40 pictures. Reports from the LaGrange Chapter showed the most complete news coverage. Mrs. Neil Glass is press chairman and Miss Tommie Martin is regent.

Ninety papers in the state carried D.A.R. news items from the sixty chapters reporting. Many chapters are given regular space in local papers and several had articles published in the D.A.R. magazine. Others had articles published in public school bulletins and such papers. Many chapters published year books, carrying valuable D.A.R. news information.

The state chairman had three articles telling of D.A.R. activities

in Georgia published in the D.A.R. magazine.

All clippings sent in by the various chapters have been used to compile the Press Relations scrapbook for Georgia.

#### RADIO-TELEVISION

#### Mrs. Herbert Fay Gaffney

Radio broadcasting is in its thirtieth year, and throughout the time radio has helped the Daughters of the American Revolution tell the three objectives of our National activities—the Historical, Educational and Patriotic.

While we enjoy our American broadcasts, let us remember that most people in the rest of the world do not have broadcasts such as ours. American radio is a production of the free American way of life. We have a free radio because we are a free people, and a free radio helps keep us free. In many countries the voice of radio is the voice of Government, and the people only hear what the Government wants them to hear. With radio in chains the people are in chains. Our motto for America could well be "Radio Speaks For Freedom."

Our traditional freedom of speech has been extended to the air channels, and makes the American people better informed about their affairs, and the affairs of the world, than any other people in world history. Let us hold to the reality that "Knowledge is the Foundation of Freedom."

Through many committee activities are furnished material of inestimable value to have us become leaders in national debates. Through the Filing and Lending Bureau of our library scripts and valuable papers are available and may be had at any time, for a small charge.

An incomplete report is here given due to the failure of Chapters to send in their especial work. However, there are three outstanding chapters having done efficient work. These are Dorothy Walton, Stone Castle, and Lachlan McIntosh.

Radio has had a new relation given her in the name of Television, and while it is too young in years for reports, it is growing rapidly, and continues its dizzy pace, and will pass the five million number in sets before the close of March. A tremendous jump over the one million at the start of 1949.

#### TRANSPORTATION

#### Mrs. Lovick P. Longino

In January a card was sent to each chapter regent, asking for an early report. The response was very gratifying. Most of the chapters had transportation chairman, some had combined transportation with telephone committee; several reported, having a transportation chairman for each community. All reported a marked in crease in attendance, due to the chairman.

Most of the regents have made plans to attend the State Conference in Macon on March 22, 23, and 24. Some reported plans to be in Washington for Continental Congress in April.

The various railroads have promised to supply each regent information on rates, schedules and general transportation.

# STATE STANDING COMMITTEES

# AMERICAN MERCHANT MARINE LIBRARY

Mrs. John H. Boston

It is a great pleasure to report the splendid work accomplished

in this field of endeavor.

The cards that were sent to each chapter in the early fall had wonderful response-books, magazines, and checks have been sent from virtually every chapter in our State, and I wish to thank them for their great help to these men of The Merchant Marines who live on ships carrying food and supplies to our soldiers over the seas. As General McArthur says-"These men have shared the heaviest fire, bloodshed and death and I hold no branch of service in higher esteem than these men of the Merchant Marines."

I have received many letters from Mrs. George Roosevelt, Na-

tional President. Mr. Truman is honorary President, and among other notables-Gen. Dwight Eisenhower is on the Governing Board. Many letters have come telling how happy the boys are to receive the boxes of books and how eagerly they watch for the boxes of magazines-some remain in one vessel fourteen months at a time. A letter from the Chaplain of the Merchant Marine Library Association in Savannah thanks the D.A.R. of Georgia for their wonderful cooperation and help.

All books and magazines should be sent to the American Merchant Marine Library Association-307 East Saint Julian Street, Savannah, Georgia, and checks or money orders go through the State Treasurer to the American Merchant Marine Association, 45

Broadway, New York, N. Y.

Again let me thank each chapter in our State for their outstanding help. To me, the work has indeed been a privilege, and a pleasure. Please let us all join in this little prayer:

> Heavenly Father, at whose command The angry waves are lulled to sleep, Guide our boys to safety land Mid perils of the tractless deep.

#### CONFERENCE PROPERTIES

#### Mrs. Talbott Chandler

At the close of the D.A.R. Conference in Macon the Georgia D.A.R. properties were checked and turned over to Mrs. T. K. Kendrick, newly-elected State Curator, to be stored until the next conference.

These properties include two flag poles, two American flags, one D.A.R. flag, three holders, two gold cords, one gold eagle, one gold spear, insignia with extra light bulbs, box of page ribbons and various badges.

It has been a pleasure to have served as your Chairman of

Conference Properties.

# COOPERATIVE RELATIONS BETWEEN D.A.R. AND S.A.R.

#### Mrs. Edwin W. Allen

It has been a pleasure to act as chairman of the committee on Cooperative Relations Between the D.A.R. and the S.A.R. during the administration of Mrs. Young Harris Yarbrough. All chapters have continued their good work in encouraging and assisting the Sons of the Revolution. Assistance has been given in establishing records and copying papers, speakers and ideas have been interchanged for programs and joint social occasions enjoyed. The S.A.R. wish all Georgia Chapters to continue helping to get all Sons of D.A.R. members of S.A.R. Societies. If between the ages of 18 and 25 years, Sons of D.A.R. are accepted for membership in the S.A.R. without payment of the National fee of \$5.00. Can we double or treble the S.A.R. membership for them?

The committee wishes to express appreciation to each Chapter for their splendid work, and to present to Miss Tommie Martin, Regent, of the LaGrange Chapter the \$5.00 award for their out-

standing achievements.

#### GEORGIA BOOK PLATES

#### Mrs. Frances Brown Chase

As State Chairman it has been a privilege to serve and make an effort to promote interest in the use of Book Plates. In October cards were mailed to each Chapter Regent and State Officer, excerpt of which follows:

"In reference to Georgia Book Plates, for details, please see "Proceedings" of the Georgia State Society D.A.R., 1948-1949, Page 80; also Page 158 for Award.

Price list as follows:

1.13 per 75 Book Plates

.75 per 50 Book Plates

.38 per 25 Book Plates

Offered award for Chapter buying and using the greatest number of Georgia Book Plates. The response has been pleasing.

Answered all letters in quest of information. Copies mailed as per request in "Items of Information," and one financial report to State Treasurer with check enclosed from sale of Book Plates.

Thanking all who have cooperated, and in these days so distraught may we remain zealous in the cause of our Patriotic Endeavors.

#### HELEN ROGERS FRANKLIN TROPHY

#### Mrs. Wm. H. Hightower, Jr.

This is the second year the Helen Rogers Franklin Trophy, our general excellence award, is given on the basis of Chapter ratings as sent in by State Officers and Chairmen and not by Regent reports alone. Each Officer, State Chairman of National and State Committee work received a postal with reply card attached on which to list in the order of their accomplishment the three chapters reporting the most outstanding work in her field. Twenty-eight Officers and Chairmen reported their ratings. Thirty-eight Chapters were represented in these placements of first, second or third. The Chapters doing noteworthy work are to be commended and the large number is gratifying, a real source of pride for Georgia D.A.R.

A committee of four unbiased judges tallied the accomplishments by points, carefully checking the award regulations listed in the Proceedings. The committee wishes to thank Officers and Chairmen for their cooperation in making this report a clear cut contest for the award.

Our congratulations this evening go first to LaGrange Chapter, LaGrange, winner of the Helen Rogers Franklin Trophy, with honorable mention to Cherokee Chapter, Brookhaven, and Baron De-Kalb, Decatur.

#### LUCY COOK PEEL MEMORIAL FUND

#### Mrs. W. F. Dykes

"At Long Last" we have sold all of Volume I, II, III, IV, Historical Collections D.A.R. books. I know you will rejoice with me—but we have a new book, Volume V, marriage records of Greene and Oglethorpe Counties. We are indebted to Mrs. Herschel Smith, Regent, of Sunbury Chapter for these valuable records—she copied them from the Court House of Green and Oglethorpe Counties, compiled them and gave them to the Chairman of Genealogical Records, Mrs. E. T. Nottingham, who sent them to the Lucy Cook Peel committee to publish. Mrs. Howard McCall, Sr., read the proof, wrote the Preface and met with me several times with the publisher; we just couldn't have Volume V if it hadn't been for these three women; how grateful we are to them.

Many of the Chapters and members are not interested in these wonderful records. If you knew what people all over the United States write, tell how much help they are to them, you would be proud. Please be interested in selling these books, each Chapter in the State should own one. Get your City Library to buy Volume

V. Price \$5.00.

Only three chapters reported to State Chairman, having paid Lucy Cook Peel honor roll requirements. John Clark, Nathaniel Macon and Roanoke. A motion was made by Mrs. Dykes "for a loan from the State to help publish Volume V." Motion carried. We will pay back as soon as possible. The book cost \$1,490.40.

Madam Regent, it gives me pleasure to present this book to you, to be placed in the State D.A.R. Library at Georgia Department of Archives and History. We will send one to our DAR Library in

Washington.

# MARION SIBLEY WYLIE VICTORY FUND Mrs. John J. Cummings

It has been a pleasure and a privilege to serve as chairman of the Marion Sibley Wylie Victory Fund for the past two years.

Early in the fall letters were sent to each Chapter asking them to place this scholarship on its budget; 19 Chapters responded to the appeal sending \$86.00 to the State Treasurer. At our fall board meeting the executive board voted to give \$25.00 in honor of our beloved Mrs. Bun Wylie for whom this fund was named. This made a total of \$110.00.

The award of \$5.00 offered by your State Chairman for making the largest contribution goes to the Button Gwinnett Chapter, Co-

lumbus. Other Chapters sending contributions were:

John Benning, \$10.00; Bainbridge, \$5.00; John Benson, \$1.00; Nathaniel Macon, \$5.00; Oglethorpe, \$5.00; Toccoa, \$2.50; Hannah Clarke, \$3.00; Lyman Hall, \$5.00; Gov. John Milledge, \$2.50; Henry Walton, \$1.00; Baron DeKalb, \$3.00; Button Gwinnett, \$15.00; William Marsh, \$1.00; Barnard Trail, \$3.00; Peter Early, \$5.00; Hancock, \$2.00; Col. William Few, \$5.00; Joseph Habersham, \$10.00; Cherokee, \$2.00; Georgia State Society, \$25.00.

\$1,414.50 has been credited to this fund since its establishment

eight years ago.

# MARKING REVOLUTIONARY SOLDIERS' GRAVES Mrs. Harold I. Tuthill

This very important phase of our work is going forward and those chapters which have located and marked graves of Revolutionary soldiers and their wives are to be commended; the Oliver Morton Chapter has located one grave, and the Henry Walton Chapter is planning to mark two that they have located; the John Houston Chapter is working up the records of one; the Baron DeKalb Chapter has applied for two markers; the John Floyd Chapter has marked three graves, those of Charles Griffis, Lewis Sanders Nobles, and William Smith; the Sunbury Chapter has marked the (a) graves of Major John Nunnally and his wife who are buried near Watkinsville, (b) the grave of Thomas Landrum who is buried in Oglethorpe County and (c) Thomas Norton, also buried in Oglethorpe County.

# McCALL GENEALOGICAL FUND Mrs. Howard H. McCall, Sr.

It is a pleasure and a privilege to bring to you the report of the McCall Genealogical Fund in connection with the D.A.R. Library.

This collection had its beginning when the State Regent, Mrs. John S. Adams, in 1938, had bound 27 volumes of original records sent in to the State Genealogical and Bible Records Committee. These were indexed through the courtesy of Hon. John B. Wilson, then Secretary of State, Mrs. James E. Hays, State Historian, and your chairman, appointed by Mrs. Adams. Ten books, of duplicate copies, were sent by the State Regent to the National D.A.R. Library in Washington, and seventeen books were placed on the D.A.R. shelf at the State Department of Archives and History. It was officially adopted as the Library in 1939 and the State Lucy Cook Peel Memorial Committee was designated to bind the books. Later, it was placed under the McCall Genealogical Fund. Today, through the interest and cooperation of each State Regent since 1938, and with the aid of the Chapters in this outstanding project of the D.A.R., we now (1950) have a very valuable collection of over 1,000 books.

We have over four hundred volumes of original Bible, family and cemetery records; also of many documents, marriages, wills and deeds from Georgia courthouses, all bound in the D.A.R. blue. Three hundred of these books have been bound by the McCall Genealogical Fund in the past seven years.

Through this Fund, we have purchased many rare and valuable genealogical and historical books to enlarge and make the Library more interesting to the many research workers who come from many States and who use these books constantly.

Included in the list of books are the splendid books purchased by the State Society for use in the Traveling Genealogical Library, which was discontinued two years ago. This Library will always be placed in the State Department of Archives and History.

The Hon. Benjamin Fortson, now Secretary of State, in a letter to our State Regent, expressed for himself and also for Mrs. James E. Hays, State Historian, deep appreciation to our Society for the wonderful work accomplished in this collection, our D.A.R. Library, and assured our State Regent that it would always remain in the State Department of Archives. This is as it should be, for it was through the activities of the Georgia D.A.R. that this Department was created. We have purchased six bookcases; through the services of a trained Librarian, we have catalogued over 1,000 books,

and have a list on file; have bound and purchased many books; placed D.A.R. bookplates in all books; and lastly, have insured the collection, known as the D.A.R. Library, for \$2,000.00 (Policy is with the State Regent). Have accomplished all this through the McCall Genealogical Fund.

I wish to express my thanks to the Chapters contributing to this Fund, and to the State Regents for making it possible for me to carry on this work. There will always be happy memories of the friendship and cooperation of the members of my beloved Society.

#### MEADOW GARDEN

#### Mrs. Lester V. Stone

Now that many of you have visited Meadow Garden, I know that interest will continue to increase.

We really consider this our banner year, having the State Conference with us, and Meadow Garden in the best condition since forty years—floors cleaned, newly papered walls, and new paint everywhere.

But a touch of sadness, as the rain with the sunshine. Our long and faithful caretaker, Mrs. Clyde Colvin, has been very ill; after careful nursing, we have succeeded in placing her in a nursing home. The task of finding new caretakers, I assure you, was a great responsibility. After many interviews, we selected a man and his wife, whose ages are 40 and 42 years. They have moved in the caretaker's cottage.

One of my dreams for Meadow Garden has been to have the entrance to each room as they are at Mount Vernon and Hyde Park. Since the demand of opening has become so great, and the difficulty of obtaining a committee almost impossible, as all are so busy, we are anxious that the money realized from the sale of our plates will make this great improvement—then one or two guides could manage. We have left this account separate, and it now amounts to \$105.00.

Sometime we hope that we will be exempt from repairs for the year, but sudden developments take place overnight, so we are forced to spend money for immediate improvements.

The house will be open for the garden tours March 25-26. An itemized statement from the local Treasurer is enclosed with this report. Many, many thanks to the Chapters for contributions. I have received reports from many Chapters, though I am sure all have cooperated in this worthwhile cause.

# PARLIAMENTARIAN

Treasurer

#### Mrs. Ober D. Warthen

There have been few requests for information this year but they were answered promptly.

Since there will be many new chapter regents and officers next year I think it timely to repeat some suggestions made to their predecessors.

First: Each chapter regent, as soon as she is elected, should get a copy of the new Seventh Edition of the D.A.R. Handbook for herself and for each of her officers. All should read it through carefully and then meet and discuss it. Each officer should present to the group the parts dealing with her work. This is necessary that each may understand the work of the other and there may be better cooperation among them. This will give a chapter a good start.

Second: Each regent should carry a copy of the D.A.R. Handbook, National By-Laws, State By-Laws, and Chapter By-Laws to every meeting. She might also carry a small chart or manual of parliamentary procedure.

Third: Robert's Rules of Order, Revised, is the accepted parliamentary authority for our Society. Get a copy and study it.

Fourth: Chapter regents should follow a regular order of business. This makes for speed and accuracy. Begin all meetings at the time announced.

Fifth: Be sure that all motions are in order, properly made. seconded, and time given for discussion before the vote is taken.

Sixth: Record all business briefly but accurately. Be sure to include in the minutes the names of all new members, all elected delegates and their alternates, and the members of committees.

Seventh: Check your Chapter By-Laws with the amended National By-Laws and, if not in accord, revise your Chapter By-Laws. If they have not been revised within the past two years they probably need revision at once. When you do this you should send a copy to the Parliamentarian of the National Society before they are presented to the Chapter for final approval.

It has been a great pleasure to serve you and our State Regent. This is one privilege that does not carry many ardous duties.

My very best wishes to the new State Officers and to each D.A.R. Chapter in Georgia. May the coming year be one of splendid accomplishment and much happiness for everyone

#### PROCESSIONALS OF STATE CONFERENCE

#### Mrs. Alva P. McCrary

It has indeed been a pleasure and a privilege to have served as State Chairman of Processionals this past year, at the State Conference, held at the Dempsey Hotel, Macon, on March 22, 23 and 24, 1950. I deeply appreciated the sincere cooperation of all the ladies attending the conference.

#### RESOLUTIONS

#### Mrs. Mark Smith

The Resolutions Committee met in Moultrie, October 20, 1949. and a Resolution on the death of a former Honorary State Regent. Mrs. Bun Wylie was prepared and read, while the members stood as a silent tribute to the beloved Daughter. Resolutions in Requesting Georgia State Legislature to rescind resolution adopted 1946 petitioning for World Government; Socialized Medicine; The Minimum Foundation Program for Education and Cerebral Palsey were also prepared and submitted to the Board. These Resolutions were all ratified at the State Conference held in Macon, March 23, 24 and 25, 1950.

The Resolutions Committee met at the Dempsey Hotel, March 24, 1950.

It was the pleasure of the Chairman to have the members of the Resolutions Committee, and the out-of-state visitors to breakfast at her home in Shirley Hills, the morning of March 25.

The Resolutions as prepared for this Conference were read at 11 a.m. the morning of March 25th, 1950, and appear as a part

of the State Conference report.

It was the pleasure of the Chairman to have mimeographed 900 copies of Resolutions, and to address and mail to the designated parties the copies of said Resolutions. The Resolution of thanks to the members of the General Assembly was mailed out by the State Chairman of National Defense, Mrs. T. Earle Stribling.

#### SCRAPBOOK

#### Mrs. J. Freeman Hart

There were eight D.A.R. Chapters to enter their scrapbook in the

State contest, at the Conference which met in Macon.

The first scrapbook receiving honorable mention was from Sunbury Chapter, Winder, honoring Mrs. Herschel Smith, Regent. The book was properly indexed. The Chapter work and Georgia History was quite artistic in their arrangement.

The second scrapbook receiving honorable mention was from Burkhalter Chapter, Warrenton. This book was not indexed but

was historical.

The third scrapbook receiving honorable mention was from Joseph Habersham Chapter, Atlanta. This Fiftieth Anniversary book was quite artistic but did not contain the history as did the other two mentioned.

It was the pleasure of the State Chairman to entertain at a luncheon during State Conference, honoring Chapter Chairmen who entered a book in the State contest, the State Officers, and distinguished guests attending Conference.

#### CHILDREN OF THE AMERICAN REVOLUTION

#### TIME AND PLACE

#### Mrs. Charles Milton Davis

The State Board of Management of the Georgia State Society, National Society Daughters of the American Revolution, met in Moultrie, Georgia, October 20, 1949 with the John Benning Chapter as hostess.

The Spring Board Meeting was held in the afternoon of March 22, 1950 at 2:30 o'clock in the Dempsey Hotel, Macon, Georgia, preceding the State Conference.

State Genealogical files.

The Jr. Committee no longer functions separately from the Mother Chapter. Juniors are active in the main Chapter work, holding responsible offices and holding Chapter meetings. They are constantly encouraging other young women who are eligible to become members. We feel that by attending Chapter meetings instead of holding separate meetings and by their taking some of the responsibility our Chapter has gained in enthusiasm and new vigor. Six young women who will come within the Jr. Committee are now working on their papers and two of our new members are in that age group.

E. C. C. is vitally interested in National Defense. Special attention has been given to this work. Two National Defense programs have been presented. We have given our State Chairman our full cooperation in her fight against the Humber Bill, by trips to the State Capitol to interview the Governor and other state officials. All patriotic anniversaries have been observed by articles in local papers, radio talks, and display of flags. All meetings have been published in local papers as well as other articles on historical figures and dates.

The program as outlined by State Chairman has been followed and proven both enlightening and interesting. Our speakers this year have included Dr. Jonathan Rogers, President of the University, Mr. Lamar Dodd, Dean of the University Art Department, Dr. Coulter,

Dean of Histories, and other capable speakers.

Feeling the need of a more thorough knowledge of the principles and important work of the Society for the members, the programs have included a question box. This is conducted by an experienced member who is thoroughly familiar with her subject each month. She discusses the various activities of the Society and answers any questions on her subject.

Shelves costing \$250.00 have been installed in the local library for the collection of Chapter genealogy books, records and other valuable papers. These books and records are in the process of being catalogued. A complete set of Genealogy has been added to the col-

lection this year and several other new books.

The Chapter Student Loan Fund is \$2,184.97; it has not been used this year. The Chapter By-Laws are now being revised by a committee and will be in next year's Year Book. Data is being now compiled which we hope may be published next year as a County History.

In conclusion, and far from the least of our activities this year, has been the task of raising \$1,000.00 for the building fund in three months' time, September 15th to December 15th, 1949. This amount was \$100.00 over the \$6.00 per member pledge on the Star Honor Roll. It was raised to finance two drinking founts placed in Congress Hall honoring our Honorable President Gen. Mrs. Julius Y. Talmadge.

# ATLANTA CHAPTER, ATLANTA Mrs. Reuben A. Garland, Regent

#### Honor Roll

Seven years before the first meeting of your State Society, great old Atlanta Chapter was formed, a bulwark of honest patriotic endeavors.

As we come within days of our fifty-ninth birthday, our proudest heritage is the large number of members who have served the DAR for thirty, forty, fifty years and over. We have reached a pinnacle in service and achievement this year, made possible by the beautiful manner in which the grand old members have joined hands in love and harmonious work with the seventy-five new members, half

of whom are juniors.

To list the achievements of your oldest, your ablest, your largest, your proudest chapter would take all night. We made the honor roll for four hundred members. Committees have carried out the work of all National Committees. So far we have contributed Fifteen Hundred Dollars to the National Building Fund. Our own beautiful Craigie House has been maintained in a manner to make us proud at each of our outstanding events this year, which were the State CAR Conference, Colonial Ball of the SAR, a large Historical Tea, a Martha Washington Luncheon, and a Pageant of Flags, nine supper meetings for our teachers and business women, who pursue an intensive program of Americanism, ten harmonious and enthusiastic chapter meetings at which capacity crowds heard Georgia Vice President General, President General of the SAR, Commanding Officer of the Marines in the southeast, the head of the Exchange Student Program, our Congressmen and many State Chairmen.

With deep grief we recorded the death of eight faithful members which brought to a close four hundred and ninety-five years of DAR

service.

To the past we dedicate our six volumes of record we have compiled this year and the marking of old Pinkneyville, to the future our scholarship medal, our 1800 junior American citizens, our citi-

zenship classes, and work for DAR schools.

With confidence in the future of Atlanta Chapter, we proudly proclaim our CAR, led by our Vice Regent and participated in by third and fourth generation descendants of members who have made for you your most loyal chapter.

#### GEORGE WALTON CHAPTER, COLUMBUS

Outside speakers of exceptional ability have increased attendance to between fifty and sixty members per meeting. Each meeting was opened with the Pledge to the

These included the Community Chest, selling of Christmas TB seals, Red Cross and the participation in the survey to eliminate and immune against tuberculosis—a county project—etc. Our budget included donations to approved schools: Maryville, \$10.00; Tamassee, \$10.00; Berry, \$5.00; Crossnore, \$5.00; Blue Ridge, \$5.00; Kate Duncan Smith, \$10.00, and two boxes of clothing; and \$5.00 to American Indians; \$5.00 was also sent to the Museum Fund. high schools.

Two outstanding things go on record for our chapter for this year. The first, a gift of \$2,000 to be used as a student loan fund was bequeathed to the chapter by a beloved regent and twice regent, Miss Julia A. Traylor. The second is that we have the state Parent-Teachers Association president as our past regent and present vice-regent. We are justly proud of Mrs. Ralph Hobbs and deeply appreciate her remaining a working member of our chapter when she found it necessary to resign from other civic groups to take on the responsibility of this state office. #### MINUTES OF THE ANNUAL MEETING, MARCH 23, 1950

The Twenty-first Annual Meeting of the State Officers' Club of Georgia N.S.D.A.R., was held in the Mirror Room of the Dempsey Hotel, in Macon on Thursday morning, March 23, 1950 at 8:00 o'clock.

The breakfast table centerpiece was a most attractive flower arrangement of blue and white. The place cards were the official D.A.R. insignia cards.

Mrs. James B. Key, the Chaplain, gave the invocation.

Mrs. John S. Adams, President, greeted the members and the distinguished guests in her usual gracious and cordial manner. Mrs. Harold I. Tuthill brought greetings from Mrs. John W. Daniel, who was unable to be present.

Mrs. Mark Smith presented the out-of-the-State distinguished guests. We were honored to have with us at this time Mrs. Edwin Stanton Lammers of Dallas, Texas; Mrs. Smith Fallaw, State Regent of Alabama; Mrs. V. Eugene Holcombe, West Virginia; and an honorary member of the Club, Mrs. Thomas B. Blackshear.

At the conclusion of the breakfast and social hour the guests withdrew and the business meeting was opened by an appropriate and impressive Memorial Service to two members who had passed away during the year-Mrs. Bun Wylie and Mrs. Julia Bacon Osbourne. Mrs. James B. Key, the Chaplain, read this service.

The Secretary stated that the minutes of the last meeting had been approved by the President and printed in the D.A.R. Proceedings.

Thirty-six members answered to roll call.

The President stated that the following members had resigned: Miss Frances Adair, Mrs. Retta Coney, Mrs. John Bell, Mrs. N. A. Jelks, and Mrs. Frank Harrold. Upon request made by Mrs. Herbert Fay Gaffney, the Corresponding Secretary, was requested to write a note of regret to each member asking for her resignation from the Club.

Mrs. Key moved that the Club, in session assembled, send Mrs. Mell Knox a telegram upon the death of her mother, which occurred earlier in the year.

Upon motion made by the Auditor, Mrs. McMaster, the report of the Treasurer, Mrs. J. Harold Nicholson was filed as given.

Mrs. Gaffney moved that the Club give a check of \$50.00 to the Building Fund in Washington to be presented by Mrs. Warthen, a candidate for a National Office on the ticket of Mrs. Lammers, at a retiring President, be made a nHonorary President of the Club. Mrs. T. J. Sappington seconded. Carried.

Mrs. Eli A. Thomas, Historian, reported. Mrs. W. F. Dykes made the motion that Mrs. John S. Adams, retiring President be made an Honorary President of the Club. Mrs. T. J. Sappington, seconded, Carried.

It was moved and seconded that a mimeographed copy of the By-Laws be made and mailed to each member, carrying in parenthesis the clause that the dues were raised from \$2.00 (1946), to \$2.50. Mrs. Mark Smith, Recording Secretary, was asked to have this done. Carried.

Mrs. John S. Adams, retiring President was presented an elegant overnight bag as a concrete expression of the members of the Club for her unselfish services and her graciousness at all times. A rising vote of thanks and appreciation was given Mrs. Adams, who expressed her sincere thanks to the members for their thoughtfulness. Prior to adjournment, Mrs. Mark Smith told the members of the recent honor accorded our President, Mrs. John S. #### REPORT OF THE GEORGIA SOCIETY, CHILDREN OF THE AMERICAN REVOLUTION

#### Mrs. Frederic C. Rice, President

The reports of the Georgia Societies, C.A.R. will be found on the pages following. They have done the work and I wish to thank every member for the splendid cooperation.

Carter Maddox has filled his office as Junior President very efficiently. Mrs. Earnest Braziel, Jr., President of the General David Blackshear Society, has cooperated beyond the call of duty and to her we are indebted for one of the most successful State Conferences ever held in Georgia.

I also wish to thank the following: Jane Yost, Junior State Treasurer; Mrs. Leonard O. Gay, Senior State Treasurer; Mrs. John F. Thigpen, Senior State Recording Secretary; Mrs. Clyde S. Carter, President of the Lady Elizabeth Oglethorpe Society; Mrs. George Connell for the 1949 State Conference and bringing the honor to the State of winning four out of the seven National Awards won by the State; and the Joseph Habersham Chapter, D.A.R.

The children of Georgia and their friends gave over \$230.00 for the purchase of a desk for the National President's office. This was given in honor of your President and was the State Project for the year. The Lady Elizabeth Oglethorpe Society gave \$62.00 of this amount; the Joseph Habersham Chapter, D.A.R., \$50.00. The General David Blackshear Society gave the next highest amount. Georgia won the National Banner awarded by the National Society, S.A.R., for transferring the greatest number of boys from the C.A.R. Society to the S.A.R. Society.

Two new societies have been organized and one re-organized since January 1. I attended the 1950 National Conference in Wash-

National Awards won by the Dolly Madison Society are as follows: First Prize, Program Contribution; First Prize, National News Sheet Contest; Second Prize, National Chaplain's Contest; Prize given for Correct Use of the Flag; First Prize, National Chaplain's Contest, won by the General David Blackshear Society. The seventh national award won by the State was the S.A.R. Banner.

made 5 long-distance calls.

Senior President Mrs. Ernest Braziel, Jr. \_Jane Robinson Junior President\_\_\_\_\_

The General David Blackshear Society, Children of the American Revolution, has had a very active year. We have twenty-one members with five applications pending at National.

We have paid all State and National dues and have made contributions as follows: State Project honoring Mrs. Frederic C. Rice, \$12.00; Gadsby's Tavern, \$1.00; Tamassee, \$1.00; New Mexico Indian Children, \$1.00; and we sent a box of clothing valued at \$25.00 to the Kate Duncan Smith School.

The five members who attended the State Conference in Atlanta in June, 1949, came home filled with enthusiasm and determination to make 1949-1950 our best C.A.R. year in appreciation of the honor that was bestowed on our society in electing Carter Maddox, Junior State President; Jane Robinson, Junior State Chaplain, and Clark Standard, Junior State Chairman of Mountain Schools.

In our eight meetings this year we have tried to include our entire local membership on the programs. Our first meeting was in June, following the State Conference. Each of the members who attended the convention reported on the events of the conference. Officers were installed and the year's plans were formulated.

In August, Andy Carter Clements, who lives in a near-by town, entertained the Society on his lawn with a delightful weiner roast. The program for the afternoon was on "Americanism" and was very ably presented by Miss Ruth Hill Reid, a member of the local D.A.R. Our September meeting was a social at the home of our Senior President, honoring F. K. Jones, Jr., a past president of our Society. One of our most interesting programs was on "Our Revolutionary Ancestors." Martin Faircloth's talk on "My Ancestor was a Woman" was so delightfully given that she was invited to give it at a D.A.R. meeting. Seven of our members presented the program "Georgia in the Revolutionary Period" for our local D.A.R. Chapter. Our American Music came in December when our Senior President gave the program on "Carols-as American Music." In January we were again honored by a member of the D.A.R. when Mrs. Norton Futch brought us a program on "The Second Revolution." The play "Young George Washington" was given by four of our young members at the February meeting. On several occasions during the year we have studied to become better informed about the Mountain Schools, American Indians, and Gadsby's Tavern.

At four of our meetings, our Chaplain, Jane Robinson, opened the meetings with prayer and gave devotionals on Christian Living. This was in cooperation with the request of the National Chaplain and won the first award for us in the National Contest. The Chaplain also gave a devotional at the D.A.R. meeting in May.

We are proud of Barbara Wilson, our society secretary for winning the State award in the junior group in the D.A.R. Dressmaking Contest.

Carter Maddox read his report at the D.A.R. State Conference and at a local D.A.R. meeting.

We sponsored two entertainments to raise money. In January, "A Tiny Tot Wedding" was given and in March, a play entitled "Heaven Bound," the cast composed entirely of local Negroes. The two entertainments netted approximately \$120.00.

Two of our members were honored by other C.A.R. Societies during the year. Carter Maddox, Junior State President, was entertained by the LaGrange Society and Fenie K. Jones, Jr., gave a report to the Sukey Hart Society of Milledgeville.

A report of all C.A.R. meetings was sent to our local newspapers. Pledge of Allegiance to the Flag of the United States and the American's Creed were given at all meetings.
