## MINUTES OF THE EXECUTIVE COMMITTEE MEETING GEORGIA STATE SOCIETY, N.S.D.A.R. HOTEL DEMPSEY, MACON MAY 5, 1950

The Executive Committee of the Georgia State Society, N.S.D.A.R., met in the Mirror Room of the Hotel Dempsey at Macon, Georgia, on Friday, May 5, 1950. Mrs. Leonard Wallace, newly elected State Regent, presided.

Those present were: Mrs. Leonard Wallace, State Regent; Mrs. T. Earle Stribling, State First Vice Regent; Mrs. Robert H. Humphrey, State Second Vice Regent; Mrs. William C. Robinson, State Chaplain; Mrs. John F. Thigpen, State Recording Secretary; Miss Sue Reid Vason, State Corresponding Secretary; Mrs. Talbott B. Chandler, State Historian; Mrs. Neil Glass, State Editor; Mrs. George S. Lombard, State Assistant Editor; and Mrs. Ober D. Warthen, State Parliamentarian.

The meeting was opened with prayer by the Chaplain, Mrs. Robinson. The Regent announced that a signal honor had just been paid Mrs. Mark Smith in her appointment as National Chairman of Conservation by the new President General, Mrs. James B. Patton.

The appointment of a Librarian to fill the vacancy made by the resignation of Mrs. C. L. Hamilton was of first consideration. Mrs. Hudson Malone of Albany was selected and upon her acceptance by telephone, she was duly appointed Librarian by the State Regent and approved by the Committee.

A letter from Whitaker & Baxter of Chicago, representing the National Education Campaign of the American Medical Association, was discussed and the Committee agreed to permit letters to be prepared by that firm on the stationery of the Medical Society of Georgia, signed by Dr. A. M. Phillips of Macon, President, to be addressed to Chapter Regents in the State enlisting their aid in the crusade of opposing the socialization of medicine. Each Chapter will be urged to take action against Government-dominated medicine by sending a copy of its resolution to the two U. S. Senators from this State and the Congressman from its district. The secretary was instructed to inform the Public Relations Director in Atlanta as to the action taken by the Committee.

District Meetings were discussed and it was decided that two such meetings, one to be held in North Georgia and the other in South Georgia, would suffice. Atlanta was chosen as the site in North Georgia, date to be announced by the Regent.

The date of the State Board Meeting, to be held in Swainsboro, was set for Tuesday, October 24.

The Regent announced that State Conference would be held in Albany on March 8, 9, and 10, 1951, and that the New Albany Hotel would be conference headquarters.

A courtesy motion offered by Mrs. Humphrey, that an Honorary State Regent's pin be bought from the funds of the State Dues Fund and presented to the retiring State Regent, Mrs. Young Harris Yarbrough, and to future retiring State Regents, was duly seconded and passed.

It was announced that the C.A.R. State Conference would be held in Rochelle on June 15.

The State Regent asked for an expression from members of the Committee on the proposal of changing the Annual Georgia Dinner, held each Spring in Washington during Continental Congress, to a tea at the Mayflower Hotel to be held in the afternoon on the same Tuesday as the customary dinner has been held. The proposed change from a dinner to a tea met with the approval of all.

There being no further business, the meeting adjourned and Committee Members were guests of the State Regent at luncheon.

**MINUTES OF THE FALL BOARD MEETING  
GEORGIA STATE SOCIETY, N.S.D.A.R.  
KING AND PRINCE HOTEL  
SAINT SIMONS ISLAND  
OCTOBER 24, 1950**

The State Board of Management held its regular Fall meeting on Tuesday, October 24, 1950, at the King and Prince Hotel, Saint Simons Island, Georgia, by invitation of the Brunswick Chapter. The State Regent, Mrs. Leonard Wallace, called the meeting to order at 10:30 a.m.

Prayer was offered by Mrs. Lester V. Stone of Augusta. The Pledge of Allegiance to the Flag was led by Mrs. Harry E. Talmadge, Flag Chairman, and The American's Creed was led by Mrs. Lucius W. Minutes of the Executive Committee meeting held in the Mirror Room at the Hotel Dempsey in Macon on Friday, May 5, 1950, were read. Correction noted was the courtesy motion offered by Mrs. Humphrey that an Honorary State Regent's pin be bought from the funds of the State Dues Fund and presented to the retiring State Regent. Mrs. Humphrey stated her motion and included the words, "and to future retiring State Regents." With the inclusion of these words the minutes of the Executive Committee meeting of May 5, 1950, were approved as corrected.

The State Regent explained why the Fall Board meeting was

changed from Swainsboro, and she also announced the decision to hold the customary Georgia Dinner in Washington next April instead of changing to a tea as was discussed by the Executive Committee.

Mrs. Talmadge praised the Chapter Regents Forum which was held the evening preceding the Board meeting, and she moved that the Board recommend that this Regents Forum be made a permanent procedure. The motion was amended by Mrs. McCall who moved that the word "permanent" be omitted. Mrs. Talmadge restated her motion to the effect that the Regents Forum be made a custom at the discretion of the State Regent. The motion was seconded and carried.

In reporting her activities since taking office as State Regent, Mrs. Wallace told of her visits to chapters during the past six months and expressed thanks for the many courtesies paid her and the cooperation given her by the members of the Georgia Society. She stated she had written 482 letters in longhand, had dispatched six telegrams, and had made many long distance calls regarding D.A.R. work. She brought information and plans from the National Board meeting, and in concluding her report she quoted the following: "'Together' is the greatest word in the English language. Coming together means beginning, keeping together means progress, working together means success."

Mrs. Stribling, State First Vice Regent, gave her report as State Chairman of the National Defense Committee. Board members were urged to keep in touch with State Representatives and Senators, informing them of our D.A.R. views and seeing that they know the true facts concerning World Government. She challenged them to "study National Defense."

Mrs. Humphrey, State Second Vice Regent, gave her report as State Chairman of the Approved Schools Committee. She expressed the hope that all chapters would compete for Mrs. Ironside's award, and announced an additional Approved Schools award being offered by the Joseph Habersham Chapter, the Myrtle Bonner Cofer silver bowl, to the chapter doing the most outstanding work for Kate Duncan Smith D.A.R. Balance in the State Dues Fund amounted to \$2,629.26. Amount contributed to the National Building Fund as of September 30, was \$20,298.41, and balance unpaid was \$11,833.59.

Mrs. T. K. Kendrick, State Curator, made a plea for the National Museum and stated that we must preserve the good things of the past so as to build a good peaceful future.

Because of her absence the report of Mrs. Talbott B. Chandler, State Historian, was read in which was set forth the Historian General's six-point program, together with a request for a donation to the Valley Forge Building Fund.

Loving greetings from Mrs. Henry A. Ironside, soon leaving for New Zealand, and also a message from Mrs. Mark Smith, were read.

Mrs. Thornton reported 15 Gold Star and 2 Silver Star Honor Roll Chapters, making a total of 17 chapters in Georgia on the Building Fund Honor Roll;

she also announced that the National Society owes \$510,000 with interest at 2 percent, or \$10,000 a year in interest alone. Mrs. Talmadge recalled that it took 12 years to build Constitution Hall which cost \$2,000,000, and stated that it takes time to raise a million and a half dollars. Continuing the discussion, Mrs. Yarbrough, National Vice Chairman of the Building Completion Fund, reminded the Daughters that they voted four to one to build this building and she urged that this debt be paid, quoting "united we stand, divided we fall."

Mrs. Tuthill asked that members purchase historical maps being sold by the Savannah Chapter for the Building Completion Fund.

Reports of State Chairmen were resumed: Mrs. J. Harold Nicholson, Conservation, asked for help in the youth organizations. She urged that the film, "Yours is the Land," be shown, and that Black's "Keep Your Forest Green" be secured from the U. S. Department of Agriculture and "Soil Conservation" from the U. S. Mrs. E. P. Cary, Valley Forge, urged that members buy Christmas cards and notepaper at \$1.00 a box.

Mrs. Henry Ragan, Girl Home Makers, requested that dresses be sent no later than February 1 and reports no later than February 10. (Mrs. Claude Fitts, National Vice Chairman of Girl Home Makers, was introduced).

The reports of the State Chairmen were discontinued and the report of the Resolutions Committee was submitted by Mrs. Ober D. Warthen, acting chairman:

**RESOLVED:** That members of the Executive Board, Georgia Society, Daughters of the American Revolution, express to the State Regent, Mrs. Leonard A. As heir to the privilege of serving you I am awed before the distinguished record of my predecessors while welcoming the challenge of their high standards. #### STATE FIRST VICE REGENT

**Mrs. T. Earle Stribling**

The duties of this office have been few but I have welcomed any chance to be of assistance to the State Regent and consider it a pleasure and a privilege to serve her and the Georgia Society of the National Society of the Daughters of the American Revolution. Many visits were made to chapters where I always spoke on our National Defense program.

## **STATE SECOND VICE REGENT**

**Mrs. Robert H. Humphrey**

It has been my privilege as your State Second Vice Regent to serve the State Regent whenever necessary. Several chapters have been visited, always speaking on Approved Schools. All Executive Committee meetings have been attended, as well as Board meetings and Continental Congress. It has been a pleasure to serve the Georgia Society and our State Regent.

## **STATE CHAPLAIN**

**Mrs. William Childs Robinson**

Reports and letters which have been received from Chaplains and Regents over the State make it clear that as a patriotic organization, we have not forgotten that this nation owes its existences and its well being to the blessing of God.

As Chaplain of this noble body of women, it has been a privilege and a pleasure to have had a small part in upholding the principles and ideals of our National Society.

The duties of this office have proven to be more of a blessing to the one who has served than could possibly have been to those who have been served. The Chaplain has counted it a privilege to send messages of sympathy to those who have suffered the loss of loved ones. She has gladly performed other duties relative to her office.

Immediately following the Memorial Service, the white carnations which had been used in this service were taken by the chaplains of the two local chapters and placed upon the graves of the organizing Regents of each chapter. Mrs. Louisa Strother, organizing Regent of Thronateeska Chapter, and Mrs. John Pope, organizing Regent of Commodore Richard Dale Chapter.

It is with sorrow that she reports the passing of 58 Georgia Daughters since March, 1950.

May the words of our Master comfort the hearts of these bereaved families: "Peace I leave with you, My peace I give unto you: not as the world giveth, give I unto you. Let not your hearts be troubled, neither let them be afraid."

## **STATE RECORDING SECRETARY**

**Mrs. John F. Thigpen**

As State Recording Secretary I attended the Executive Committee Meeting in Macon, May 5, 1950; the Regents Forum, the Fall Meeting of the State Board of Management and the Called Executive Committee Meeting, October 23-24, 1950, at Saint Simons Island; the Spring Meeting of the State Board of Management and the 53d Annual State Conference of the Georgia Society, N.S.D.A.R., at Albany, March 8-9-10, 1951; the 60th Continental Congress in Washington, April 17-22; and the Proceedings Committee at the home of Mrs. Mell Knox in Social Circle, May 11, 1951.

I have kept the minutes of the two Board Meetings, two Executive Committee Meetings, the Regents Forum, the State Conferences of both DAR and CAR, and the State Delegation Meeting during Continental Congress; mailed to the Chapter Regents a copy of the Findings of the Regents Forum, and filed all reports sent and written requests for those not received for the Proceedings.

It was my pleasure to attend a luncheon given jointly by the Fielding Lewis and the Andrew Houser Chapters at Magnolia Hall in honor of the State Regent, Mrs. Leonard Wallace, in November. I also accompanied the State First Vice Regent, Mrs. T. Earle

Stribling, to Cedartown in November where we were luncheon guests of the William Witcher Chapter.

All courtesies extended and year books sent to the State Recording Secretary are sincerely appreciated.

### STATE CORRESPONDING SECRETARY

Miss Sue Reid Vason

As Corresponding Secretary of the Georgia Daughters of the American Revolution, it affords me pleasure to give an account of the work during the past year.

The work of Corresponding Secretary is an interesting one, and I might say an educational one. It familiarizes the Secretary with many phases and plans of the organization through necessary correspondence. It is also a work that draws one a little closer to chapters and members, for through this correspondence I have come to know you better. Each milestone along the way marks some pleasant memory of patriotic work and comradeship.

Some 80 letters and cards written; 150 notices of the State Executive Board meeting; 150 copies of the State Regent's New Year's message; 282 credential blanks for State Conference (3 each to Chapter Regents); 110 registration cards for State Conference; 150 invitations to State Conference to distinguished guests.

It has been a distinct pleasure to work with our efficient State Regent, whose well organized plans run smoothly and progressively. May I express my appreciation for the many invitations that have been extended me, and for the interesting year books sent to me.

## CONSULTING ORGANIZING SECRETARY

Mrs. J. Freeman Hart

Every place suggested by the State Regent for organizing a D.A.R. Chapter was contacted, but no organizing regent could be found.

Lincolnton, Ga., is still in process of organization.

## STATE HISTORIAN

Mrs. Talbott Chandler

In September your State Historian sent letters to each Chapter Regent and Historian, setting forth the work stressed by the Historian General for this year. In October cards were sent, requesting that a Thanksgiving offering be taken at the November meeting of each chapter in memory of those forefathers who endured the siege of Valley Forge to secure the freedom we enjoy today. In January a questionnaire, covering the work undertaken for the year, was sent each chapter.

Forty-eight chapters have sent in reports. Seven of these have reported working on the marking and restoring of seven local historic spots. This is one of our main projects—to preserve actual places of history. The Governor Jared Irwin Chapter has marked, with appropriate ceremonies, the first jail in Georgia where Aaron Burr was imprisoned. William Marsh Chapter has restored the "Old Brick Male Academy," built in 1836. It is now called "Gordon Hall" in honor of General John B. Gordon. John Houston has built a six by eight foot retaining wall around a Revolutionary soldier's grave to preserve it. Lyman Hall Chapter is completing plans to place a marker at the entrance to Okefenokee Swamp Park in honor of General John Floyd who drove the Seminoles from the swamp in 1838. The old stage coach route is to be marked by the Atlanta Chapter as soon as all data is complete.

Six chapters have reported the marking of ten Revolutionary soldiers' graves, while eight have located sixteen others. This work cannot be stressed too much in this day of change when old graves can disappear for lack of markers. Members of the Colonel William Few Chapter are to be recognized for their work in this line. They report marking five and locating three other graves. The Atlanta Chapter has located five to be marked. The Baron DeKalb Chapter had Mr. Carl Hudgins, past president of the DeKalb Historical Society, as speaker on November 2, when the grave of Colonel James McNeil was marked. Two chapters have marked two graves of the wives of Revolutionary soldiers. Nine chapters have marked the graves of thirty-two Daughters.

To help bring about the preservation of "The Old Stone House," a Washington landmark, sixteen chapters wrote thirty-seven letters to their Congressmen and Senators.

In order that our children may be well grounded in the principles and ideals embraced by their forefathers we have asked that American History, taught in local schools, be checked by D.A.R. members and encouraged in every possible way. Twenty-two chapters have had 153 members review the text books used.

108 members from twenty-one chapters attended history classes. William Marsh Chapter alone sent twenty members to sit in on classes. To encourage the study of American History twenty-eight chapters sponsored fifty-three history contests. Some of these contests were in essay form, while in other schools students competed for highest grades in American History. Seventy-three medals and twenty-four other prizes have been awarded. Matthew Talbot Chap-

ter reports twelve historical films shown in the local schools.

Thirty-two chapters have observed 243 historic anniversaries. Elijah Clarke Chapter celebrated its Golden Anniversary with a lovely reception. Eleven of our chapters have conducted twenty-one historical broadcasts. Fourteen chapters had members participating in fifty-seven pilgrimages. Cherokee Chapter's entire membership accompanied Mr. Wilbur Kurtz on a tour of historic spots in and around their own city.

Thirteen chapters responded to the idea of a Thanksgiving offering for Valley Forge and sent a total of \$111.35. The General David Blackshear Chapter sent \$25.00 to have their organizing regent's name inscribed at Valley Forge. Cherokee Chapter sent \$20.00 to complete the amount required to have its name on roll at Valley Forge. Fourteen boxes of Christmas cards and three cook books were sold for this fund. Baron DeKalb Chapter remembered Montpelier with a \$3.00 donation.

The "Brooks County History" has been completed by Hannah Clarke Chapter. Joseph Habersham Chapter has sent histories of five churches in Atlanta (236 pages) to National D.A.R. Library. John Benning Chapter has compiled a "History of the Thigpen Trail" and placed it in the local library. Stephen Heard Chapter has submitted five old documents dating from 1784-1797, to be sent to Archives in Washington. Council of Safety Chapter has sent to national headquarters the "Condensed History of Andersonville Cemetery." The volume, "South Carolina Abstracts of Old Ninety-Six" has been placed in Public Library by John Laurens Chapter.

The Atlanta Chapter and Baron DeKalb Chapter have sent in the most complete reports and are to be commended on the interest shown in each phase of our historical work.

I am deeply grateful to the Chapter Regents and Historians for the many interesting year books, newspaper clippings and items of historic interest sent me. I wish that I might have been able to accept each of the kind invitations to attend interesting meetings and affairs. Now, may I urge each chapter to start at once on next year's work so that we may have an outstanding report in this important work.

#### STATE LIBRARIAN

Mrs. Hudson J. Malone

Most Chapters report a shelf maintained in the local library and DAR Magazine subscriptions sent to the schools and public libraries.

Last fall a letter from Mrs. Roland M. James, Librarian General N.S.D.A.R., was received with a list of fifteen books wanted for the DAR library in Washington, D. C. Each Chapter Librarian was mailed a list of these books by your State Librarian, requesting that they locate one if possible. Two books out of the fifteen were located; two additional requests came from Washington during the year and these were sent also. Four additional books were accepted by Washington.

In her letter, Mrs. James said: "Should a genealogical book, not on the Wanted List be found, please write Headquarters first, before purchasing it, as it may already be in the library."

Joseph Habersham Chapter sent the following books on the request list: The Story of Wilkes County, Georgia, by Eliza A. Bowen; Georgia's Official and Statistical Register 1945-1950; Historical Collections of the Georgia Chapters, D.A.R., Vol. 5, 1949.

The Cherokee Chapter sent Correspondence of John Milledge, by Harriett M. Salley.

Savannah Chapter sent Savannah Duels and Duellists 1733-1877 by Thomas Gamble.

The Lucy Cook Peef Memorial Committee sent Historical Collections of the Georgia Chapters, D.A.R., Vol. 5, 1950, to National and State DAR Libraries.

Atlanta Chapter sent At the Gates. Life Story of Matthew Tyson and Eliza Moring Yates of China, by F. Catherine Bryan. 1949.

Oothcaloga Chapter sent Ponder-Ballenger Papers by Willis M. Boyd.

The Atlanta Chapter placed four books in the DAR Library at Rhodes Memorial Hall.

Mrs. W. F. Dykes of the Joseph Habersham Chapter presented Conserving Soil Resources by Dr. Paul Chapman and C. L. Veatch.

Also to the State Library the Oothcaloga Chapter presented the Ponder-Ballenger Papers by Willis M. Boyd.

A complimentary copy of the author's Nancy Hart the War Woman was presented by Stephen Heard Chapter.

Nathaniel Macon Chapter has placed in The Washington Memorial Library, Macon, Ga., The Yates Family of North Carolina, and also some connections of said family.

### STATE CONSULTING REGISTRAR

**Mrs. Sam Merritt**

As your State Consulting Registrar, appointed to fill the vacancy caused by the resignation of Mrs. Guy H. Wells, I am glad to announce that the first need of this office has been met. A new set of files has been purchased and the overflow from the old files transferred therein. The office of Treasurer General sends periodic reports of changes in our state membership to me, and while this is official information and no changes are made in the State files until confirmed by Washington, it is urgent that chapters send in more detailed information to me concerning these changes. Especially should they comply with the request that they send me one card, three by five inches, for each new member taken into the chapter, for it is upon this card that all information concerning this member is kept. This card required for each new member in a chapter should have her married surname followed by her maiden name in the upper left hand corner. Directly under this should go her husband's given name or initials preceded by "Mrs.". Over in the upper right, place her national number with the chapter's name under it. Now move back under the member's name and put her street address and town address and the date she was admitted in Washington. Last, under this, place the name of the ancestor on whom she joined and her supplemental ancestors, if any. This, as was said, is her permanent record and any changes in her status will be recorded thereupon by me or my successors. These cards are not required for transfers WITHIN the State IF you know she already has a card in the files. Will you stress this important phase in our method of record keeping so that, in the event another book is published in the future, none of your chapter's members, living or dead, will be left out?

### STATE CURATOR

**Mrs. T. K. Kendrick**

The Curator General this year has made a request for funds for our museum in order to provide space for articles owned and to make necessary repairs to articles already owned. Six chapters

have contributed the sum of seventeen dollars to this fund through our State Treasurer.

Chapters throughout the state this year have been very active in adding articles of historical value to the local libraries and thereby creating an interest in preserving this part of history.

The Elijah Clarke Chapter, Athens, Mrs. Harry E. Talmadge, Regent, presented to the National Museum two very valuable newspapers, "THE BOSTON GAZETT—a County Journal, Monday, March 12, 1770, containing fresheft advise on foreign and domestic news;" and THE ULSTER COUNTY GAZETT—Saturday, Jan. 4, 1800, recording the death of George Washington.

It gives me great pleasure to present the SARA MORROW TROPHY to the ELIJAH CLARKE CHAPTER for this valuable contribution to the museum.

#### **STATE EDITOR**

**Mrs. Neil Glass**

Publicity has been splendid during the past year with The Atlanta Journal and The Atlanta Constitution and local newspapers over the state giving generous space. The D.A.R. column, published each Sunday in The Atlanta Journal and The Atlanta Constitution carried news of the chapters as well as state and national D.A.R. information. News was also sent to twelve leading daily newspapers in the state preceding the State Conference in Albany on March 8-10. Mrs. George S. Lombard, Assistant State Editor, capably edited the D.A.R. column during the months of July, August, and September.

The May Phillips Mims trophy for the best file of news sent for publication was awarded the Stone Castle Chapter with Nathaniel Abney Chapter and Council of Safety Chapter tying for second place. The State Editor's Award of five dollars for the best article other than chapter meetings was awarded Lachlan McIntosh Chapter for an article by the regent, Mrs. A. S. Varn, concerning a window display depicting Revolutionary War Days.

#### **STATE ASSISTANT EDITOR**

**Mrs. G. S. Lombard**

News of the chapters was sent each week during the three summer months to The Atlanta Constitution, with the exception of once, due to my accident. Regret I was unable to attend the Fall Board Meeting.

## **COMMITTEE REPORTS**

### **NATIONAL COMMITTEES**

#### **AMERICANISM**

**Mrs. Lucius W. McConnell**

The purpose of the Americanism Committee is citizenship training for all persons on American soil. These and many other methods were used by the Chapter to develop patriotic, informed citizens of the United States of America in our State of Georgia, and their efforts deserve the highest commendation.

#### **AMERICAN INDIANS**

**Mrs. J. Mark Mote**

Of the 87 Chapters in Georgia only 48 reported a Chapter Chairman of American Indians. Forty-three Chapters sent an account of their work.

Nineteen Chapters devoted one program each to this subject. Several others have one scheduled for later in the spring.

Nineteen boxes of clothes, shoes, beads, yarn, candy, etc., were sent to Indian schools. The total value is estimated at \$732.43.

Cash donations amounted to \$149.50.

The State Chairman's award goes to Oglethorpe Chapter, Columbus, Ga., whose total contributions amounted to \$272.31. In second place is Lyman Hall Chapter, Waycross, with \$167.60.

## AMERICAN MUSIC

Mrs. Henry Wesley Meaders

More than half of the 87 Chapters reported on the Advancement of American Music. A letter following up suggestions by our National Chairman was sent each local Chapter Chairman as an incentive to present American Music and American Composers to our Daughters.

It was with deep interest each report was read. We found our National Anthem and America were being used at each meeting in addition to a regular musical presentation which was always that of an American Composer. Where it was impossible for a musical number to be presented we were thrilled to learn life sketches were presented, still with the thought in mind of presenting the composer as well as his works.

I am very happy to make this report for it seems our American Music is playing a very outstanding part in our Chapter programs. John Ball Chapter is the winner of my \$5.00 award for the most outstanding report. Second place goes to the John Benson Chapter; third place to the Button Gwinnett Chapter, and fourth place to the Mary Hammond Washington Chapter.

All other chapters reporting merit honorable mention.

## CONSERVATION

### Mrs. James Harold Nicholson

Through the interest and efforts of our National Chairman, Mrs. Mark Smith, a delightful two-day trip was enjoyed by our State Regent, Mrs. Leonard Wallace, Mrs. Smith, and your State Chairman, accompanied by W. R. Hines, Assistant Regional Forester, Southeastern Division, U. S. Department of Agriculture. This trip took us through Chattahoochee National Forest in North Georgia to the Watershed Management Research, Coweta Experimental Forest, Macon County, North Carolina. Mr. Hines and his assistants showed colored slides and explained conservation of trees, soil, wildlife, prevention of forest fires, purification of water, and various forms of conservation. For the first time we fully realized and appreciated Georgia's wonderful natural resources.

Also through the enthusiasm of our National Chairman, booklets on "Conservation Program Material" were printed and mailed to each Georgia Chapter Regent by the U. S. Department of Agriculture without cost to D.A.R. These booklets contained mes-

sages from U. S. Forest Service, President General N.S.D.A.R., National and State Chairmen, and many interesting articles, musical suggestions, books recommended for libraries, Biblical passages, Conservation Quiz, and Conservation Pledge. Fifteen chapters reported ordering additional booklets to place in white and Negro school libraries.

Talks on Conservation have been made at chapter meetings by your National Chairman, your State Chairman and Mr. Hines. The movie, "Yours is the Land," has been shown.

Chapter reports on Conservation as follows:

1 chapter, weekly program on press and radio; 1 chapter, members reclaimed thousands of acres from soil erosion; 3 chapters planted 15 trees honoring members (including your State Chairman by her chapter); 10 chapters planted bulbs, plants and flower seed, beautifying chapter highways, parks and cemeteries; 6 chapters sponsored "Conservation and Fire Prevention Week" in city and county schools; 10 chapters cooperated with County Forestry Department; 8 chapters cooperated with Federation of Wildlife; 10 chapters used material from State Capitol and University; 1 chapter sponsored "Better Town Contest." Posters by school children. Prizes awarded. 10 chapters emphasized with posters, "Keep Georgia Green," and 2 chapters located historic trees.

Governor David Emanuel and Adam Brinson Chapters assisted Swainsboro in celebration of Annual Pine Tree Festival. Pine seedlings planted: 1 chapter, 30,000; 2 chapters, 5,000 each; 1 chapter assisted in planting 100,000; 1 chapter, 50 planted on Arbor Day by three members; 1 chapter assisted in planting 125,000 during year, and 15,000 more in January and February.

**HUMAN CONSERVATION**—25 chapters reported work under the following heads: Cooperation with Juvenile Court authorities; money to Camps for Underprivileged Children; money to Aidmore; sponsoring of school lunches for 30 (costing \$500.00 for 6 months). Members of three chapters are Supervisors of County Welfare Department; mentally ill and physically handicapped helped; 1 chapter furnished room in local hospital; 1 chapter keeps lending chest in hospital. Junior members made weekly visits to Lawson Hospital; Christmas parties at Veterans Hospitals, gifts wrapped, pot plants grown and seed sent to beautify grounds.

Forty-five chapters replied to my Fall and Spring letters. Best chapter reports—Elijah Clarke, Cherokee, and Henry Walton. All reports showed good and interesting work.

My sincere thanks for splendid cooperation of all chapters and Conservation Chairmen.

### **CORRECT USE OF THE FLAG**

**Mrs. Harry E. Talmadge**

Only 31 Chapters have sent in reports on the Correct Use of the Flag this year. I wish to express my gratitude for the interest these Chapters have shown and the work done by them. 1200 Flag Codes have been distributed. One Chapter sponsored a Flag Essay contest in the public schools. 11 large Flags have been donated to schools and clubs. 101 small Flags have been donated. 3 radio programs have been presented on the Flag.

Twenty Chapters have reported writing to their Senators and Congressmen requesting their support on the bills to have our Flag laws made strong and enforceable as well as laws passed to prevent any Flag in the continental bounds of the United States from taking precedence over our Stars and Stripes.

This is beyond a doubt the most important work we have done this year, when you review the many acts of disrespect, actual violence and attempts to have our Flag supplanted by that of the United Nations. I have in the last few days received a ruling from Washington and from the American Legion Headquarters on the Correct Use of the Flag, which I think may interest some of you..

According to this ruling, the Flag may be flown all night, rain or shine. It is your Flag to love, to respect, and to proudly display at any proper time.

The United States Armed Forces Departments lower the Flag at night to denote the end of a working day and this custom has been accepted as the correct procedure; however, when the U. S. Senate or Congress is in session, the Flag flies over the National Capitol until the session is over. The Embassies also fly their Flags day and night.

### **D.A.R. GOOD CITIZENSHIP PILGRIMAGE**

**Mrs. W. E. Gray**

A large number of high schools have added the twelfth grade this year and having had no graduating classes were unable to enter the contest, since only girls of the senior class are eligible. Chapters cooperating with this Committee did splendid work and sent in names of 82 good citizens. Lyman Hall Chapter with nine Good Citizens again received the \$5.00 award offered to the Chapter sponsoring the largest number of schools. Other Chapters doing exceptional work were Atlanta, Joseph Habersham, James Pittman, and Colonel William Few. 74 pins were ordered for 1951 Good Citizens.

The State Pilgrim, Miss Jean Maxwell of Jordan High School, Columbus, was chosen by competitive method. She was presented to the State Conference in Albany on opening night by your State Chairman and received from Mrs. Leonard Wallace, State Regent, the \$100.00 U. S. Savings Bond, Series G, and the Pilgrimage Pin which were gifts from the National Society.

Five others given special commendation and \$5.00 awards from the State Society were: Miss Susan Alberta Feety, Bainbridge High School, Bainbridge; Miss Erin Turner, A. L. Miller High School, Macon; Miss Barbara Gross, Commercial High School, Savannah; Miss Betty Finn, LaGrange High School, LaGrange; and Miss Laura Nan Parrish, Hoboken High School, Hoboken.

### **D.A.R. MAGAZINE**

**Mrs. Sam Merritt**

A look at the March 1951 issue of our Magazine will show chapters what they can do if they try. While this advertising project was conducted on a trial basis, it is now believed that small towns can sell a page of ads just as easily as the larger places, especially if the Chapter underwrites a page at \$100.00 and divides and sells the space in any way it thinks will go over best in its community. There is a 10 per cent commission refunded on all ads sold by the chapters by this plan or the regular plan on the rate sheet. It is hoped that all chapters in Georgia will sponsor some form of ad selling as a regular project, both to keep the Magazine out of the "red" and to put a little easy money in chapter treasuries. Subscriptions are still a prime concern of the Magazine office, and every effort should be made to get old subscribers to renew as well as to get new ones.

Reports from chapters came in with less work from the Chairmen than before, and the prizes were won as follows:

Joseph Habersham wins the advertising prize of \$5.00.

Joseph Habersham and Baron DeKalb tied for the Perdue Cup with each having 15 new subscriptions. They will draw and keep the cup six months each. Cherokee came second with 14 new subscriptions.

Cherokee and William Witcher tied for the Hightower award with each having 36 per cent of its members subscribing. They will half the award.

Your Chairman of this important committee wishes to thank all for the splendid cooperation she received in her work.

## **D.A.R. MANUAL FOR CITIZENSHIP**

**Mrs. D. M. Holsenbeck**

The interest for the Manual has increased in the past year. Many new outlets have developed which have been very beneficial. One chapter contacted officers of various organizations "to awaken the men of our country against Communism." Many high schools use the Manual in civic and history classes, which has proven most helpful both in white and Negro schools.

Orders were received for Manuals in nine languages: Chinese 15, French 61, German 37, Greek 52, Italian 35, Spanish 57, Polish 2, Armenian 1, English 4,707. Total 4,967. These Manuals were distributed to Foreign students, G.I. brides, persons wishing to be naturalized, also to welfare centers, city and county school libraries, Federal Prison Library, Church Libraries, Church Homes for Girls, Smith-Hughes Vocational School (Americanization class), jails, hotels, Boy Scout Troops, Deputy Clerk of the U. S. Court, Negro hospitals, Prather Clinic and colleges.

William Marsh Chapter used the Manual in compiling program for the American Creed Day—six schools taking part on the program. This was written up in the August issue of the D.A.R. Magazine. Several radio programs were reported, especially one by the Joseph Habersham Chapter, when three new citizens and the State Chairman were interviewed on the Views of the News, W.S.B. radio station by Mrs. Doris Lockerman, the day these citizens were naturalized. They were from Germany, France, and England.

The Atlanta Chapter entertained the new citizens at a tea, also distributed literature pertaining to Georgia at the Naturalization Courts. Many chapters reported programs on the Manual. Also exhibits, and a good attendance at the Naturalization Courts. The Atlanta Chapter is to be congratulated upon their outstanding work, distributing more Manuals than any other chapter and in more different places.

The reports from the Chapter Chairmen reveal interesting and instructive ways the D.A.R. Manual has been exhibited and used. My sincere thanks to the chapters for their splendid cooperation.

Chapters sending in best reports are: Atlanta, Joseph Habersham, Cherokee, and Colonel William Few.

**ELLIS ISLAND**

**Mrs. Guy H. Norris**

Your last Chairman of Ellis Island suggested to the new Chairman that she learn about her work as soon as possible. So your new Chairman made a trip to Ellis Island to learn "first hand."

Thirty-eight Chapters reported on their Ellis Island projects. Donations were as follows: Fort Valley, Fort Early, Joseph Habersham, Oglethorpe, and Mary Hammond Washington gave \$10 each; Lyman Hall, \$8.90; John Benson, \$8.00; Oliver Morton, \$6.00; Arthur Fort, Baron DeKalb, Cherokee, Colonel William Few, Commodore Richard Dale, Elizabeth Marlow, John Benning, Lachlan-McIntosh, Nancy Hart, Nathaniel Abney, gave \$5.00 each; Benjamin Hawkins and Toccoa gave \$3.00 each; Henry Walton, \$2.50; Atlanta and Dorothy Walton, \$2.00 each; and Elijah Clarke, Oothcaloga and Lamar-LaFayette, \$1.00 each—totaling \$138.40.

The Joseph Habersham Chapter put on a fifteen minute radio program, and the John Benson Chapter a thirty minute one. The following gave chapter programs: Atlanta, John Benning, John Benson, Bonaventure, Colonel William Few, Fort Early, Lachlan-McIntosh, and Oliver Morton. The Lamar LaFayette gave a box of books. The John Benson Chapter showed the Ellis Island film and sold \$8.00 worth of articles. The C.A.R. was invited to see the film and hear the program.

For fear you will think the winning of the \$5.00 by the John Benson Chapter for the most work done is "an inside job," your State Chairman is giving another \$5.00 to the chapter that came second: the Joseph Habersham, with her congratulations.

Ellis Island Occupational Therapy has been moved from Ellis Island to Staten Island.

Your State Chairman regrets that she will not be present at the state meeting because she is leaving for Europe March 7.

## **ERECTION OF BELL TOWER AT VALLEY FORGE**

**Mrs. Emory Prescott Cary**

As Chairman of this committee, I sent out cards to each of the 87 Georgia Chapters, urging each to do what it could in selling the cards, notepaper, and cook books offered by this National Committee as well as making contributions to this project. Fourteen chapters were heard from, and six responded to the project as far as my record goes. These included the Mary Hammond Washington Chapter, Oglethorpe Chapter, General David Blackshear Chapter, each with \$25.00 contributed; the Benjamin Hawkins Chapter, with \$8.85 contributed. The Lachlan-McIntosh Chapter sold 20 boxes of cards; the George Walton Chapter, seven boxes; the Henry Walton Chapter, three boxes. Four cook books were sold in the State.

I feel sure this report is far from complete, but due to the many persons who are involved in this project and through whose hands these orders and contributions must pass to keep complete check on the results, some credit has not been given where due. We hope that next year will show a much better and clearer report.

## **GIRL HOME MAKERS**

**Mrs. Henry L. Ragan**

In October of last year each Chapter received from your State Chairman a letter and a Handbook explaining the work of her committee. From the thirty-three reports mailed to me I submit the following report: 7,558 hours of volunteer service given by members; \$140.70 in cash given for youth activities; 16 Girl Home Makers Clubs with a membership of 524, which includes clubs in Negro schools; 4 G.H.M. pins were given for best menus; 20 cotton dress contests were conducted with 13 entered in state contest; 9 chapters sponsored menu contests with 6 submitted to be judged, 1 scrap book was submitted; local contest prizes were: \$50.20 in cash, silver thimbles, cook books and cloth; several chapters gave prizes to outstanding Home Economics students.

Activities of clubs include: dress revues, style shows, serving, cooking, knitting, child care, dressing dolls for Salvation Army, household duties, baby sitting, home decoration, and home management. Activities of Chapter Chairmen include talks to Home Economics classes, spot announcements on radio, investigation of Home Economics Departments to see if they were adequately equipped.

The Lois Johnson Grier trophy was won by the General David Blackshear Chapter. John Clarke Chapter placed second. Toccoa Chapter, third.

The following cash awards were given by the State Chairman:

## **JUNIOR AMERICAN CITIZENS**

**Miss Mary Lou Barton**

Ten chapters have reported 1,032 clubs in Georgia with a membership of 19,365. The ten Chapter Chairmen have done a wonderful work and I commend each one for their efforts and accomplishment. 257 Guides, 2,755 Handbooks, 15,315 membership pins and 733 President Pins were supplied to the clubs in this State. One essay, two poems and ten posters were sent to the National J.A.C. Chairman for the National Contest.

The work of the J.A.C. Committee in Georgia has been terribly handicapped this year because the supplies and materials ordered from National Headquarters could not be supplied when needed due to the fact that the demands from the States were in excess of the estimated requirements.

Awards are as follows:

1. \$5.00 to the Chapter enrolling the largest number of J.A.C. members from September 1, 1950 to January 15, 1951, goes to the Cherokee Chapter with an enrollment of 8,000.

2. \$5.00 to the Chapter organizing the largest number of J.A.C. Clubs in the same period as above goes to the Cherokee Chapter with 725 clubs.

3. \$5.00 to the Chapter which has done the most outstanding work in the J.A.C. Clubs for the same period goes to the Atlanta Chapter. Miss Dorothy J. Waldman, Chapter J.A.C. Chairman, personally organized and conducted clubs with 1,632 underprivileged and neglected children in Atlanta, Lakewood, and South Fulton institutions. She also carried food, clothing, medicine, blankets, and other items to the homes of these children. The work of the Atlanta Boys Club is so outstanding, it has received national recognition from the Boys Club of America. Miss Waldman has done a magnificent job of her J.A.C. Chairmanship.

The Junior American Citizens Committee is most worthy of the support of every D.A.R. Chapter in the State. Your cooperation is earnestly solicited..

A letter from the State J.A.C. Chairman was sent to every Chapter Regent in the State last September. The response was not as anticipated by the Chairman.

## **JUNIOR MEMBERSHIP**

**Miss Olive Bell Davis**

In the fall notes were written to every Chapter Regent in the State. I found there are 14 Junior Committees in the State.

On February 1 the Chairmen's reports were in. There are now approximately 325 Juniors in the State of Georgia. We have gained this year 75 new members. Total amount reported to the Building Fund is \$200.00. Total to Approved Schools is: Crossnore, \$50.00 scholarship; Tamassee, \$45.00 cash and 4 boxes of clothing worth \$400.00. The Cerebral Palsy School in Atlanta received \$165.64 in cash. Total to the Helen Pouch Scholarship Fund is \$32.00.

The Minnie Jossey Capps Trophy, given on the basis of greatest net percentage gain in membership, is won again by the Atlanta Junior Committee with a percentage gain in membership of 75 percent. As this makes the third consecutive year it has been won by this Committee. I hereby announce that this trophy is retired and is given to the Atlanta Chapter Juniors for their permanent possession. In addition to filling the first purpose of a Junior Committee which is membership, they sent \$15.00 to the Helen Pouch Scholarship Fund. They entertained 400 members of their Mother Chapter at a Christmas tea and they had an annual dinner for Juniors, their husbands and dates in February. Another sign of their well-organized group is that they meet every month and have an informative program on D.A.R.

A most outstanding report is given by the Joseph Habersham Juniors. This Committee has the largest group in the State with 55 members and they gained in membership by 53 percent. Their contributions: \$25.00 for the Building Fund; \$10.00, Helen Pouch Scholarship Fund; and in addition they took on an outside project, the Cerebral Palsy School, to which they sent \$165.64. They have organized 14 J.A.C. Clubs with 651 members. This is in many other ways a very active committee and they are commended for a grand report.

The Mary Hammond Washington Juniors have an interesting report for their members. Conservation interested them to the extent that 90 percent are active in soil conservation. The entire membership engages in some type of human conservation such as Red Cross and the many civic services—but as D.A.R. the Juniors are urged

to give more and more time to Civilian Defense as it opens up. Ten members of this committee served as pages at the 1950 Georgia State Conference in Macon.. They sold 72 boxes of candy to raise \$10.50 for the Building Fund.

Dorothy Walton Juniors helped to contribute \$50.00 to the Building Fund and decorated a float for D.A.R. when their town celebrated Erle Cocke Day in honor of him as new National Commander of the American Legion.

The Cherokee Juniors have an excellent report. Their contribution to Tamasee of \$45.00 is outstanding and they have done some excellent work on radio and television. They sent \$5.00 to the Helen Pouch Fund and assist their Seniors constantly.

Nancy Hart Juniors, Sunbury Juniors, and Henry Walton Juniors sent in nice reports showing their interest in our work. Barnesville, Fort Valley, Athens, and Columbus, George Walton Chapter, also have Junior Committees.

Nathaniel Macon Juniors with a membership of 13, have high hopes for next year with 25 prospective members.

Fielding Lewis Juniors sent \$50.00 to the Building Fund, have 18 members and 15 working on papers.

On Friday, March 9, at the Georgia State Conference in Albany, the Junior Committee will have charge of the luncheon.

At the State Regent's request I wrote all Regents and obtained names of pages for D.A.R. Congress in Washington. The National Juniors will have a Buffet Supper on April 15 in Washington.

Let me urge the members to take an active interest in gaining Junior membership, first, because youth needs D.A.R. ideals; and second, because D.A.R. needs youth to preserve it forever.

## MEMBERSHIP

**Mrs. Sam Merritt**

The following report is based on official information obtained from the office of the Treasurer General over a period of one year:

Members on roll in Georgia Chapters, Feb. 1, 1951	5,740
Members at large	36

Total	5,776
Increase over last year's report	125

## MOTION PICTURES

**Mrs. Charles D. Ellis**

I feel that this is one of our most important committees as it affects between 85 and 90 million people every week, hence we are having an important part in helping secure better and more wholesome pictures.

An enthusiastic Chairman in each Chapter has been my ambition; however, so far I have not succeeded. I sent out post cards early in the Fall to all Regents to secure the names of their Motion Picture Chairmen. The response was fair. Later on I sent out letters and a questionnaire about the work. I received 56 replies. Twenty-five Chapters have a Chairman. Fourteen subscribe to the Motion Picture Guide.

Many pictures from the "Children's Film Library" are being used, recommended lists of motion pictures are available. We are urging the use of special patriotic pictures.

We find that the Theatre Managers are cooperating with the Motion Picture Councils and are providing special matinee programs just for children. Western pictures are very popular. We find no traces of Communism and feel that there is a tendency toward better pictures.

I would like to thank the Chapters who have cooperated with me this past year, and ask their continued interest. I am hoping for better things in the coming year.

## NATIONAL DEFENSE

Mrs. T. Earle Stribling

The uncertainties of 1950 are behind us and we face the realities of 1951 courageously with complete realization that we are in a fight for survival, both national and individual. A fight to keep religion free and a fight for everything that we hold dear.

The chapters have taken seriously the work of this committee as the regents' reports will attest. They have displayed the flag at all chapter meetings, programs on national defense have been given to the chapters and over the radio with informed speakers being featured. The women in the vicinity of Atlanta have availed themselves of the opportunity of attending classes on Communism versus Democracy at the University of Georgia Extension System to better inform themselves. Many letters and telegrams have been sent to Congressmen and visits made to the State Legislature. The value of these contacts cannot be estimated. The State Chairman was interested in having the Georgia 1951 Legislature ratify the 22nd Constitutional Amendment which will limit the President of the United States to two full terms of office. Textbooks have been examined and medals and prizes given in citizenship to the schools. Many chapters reported 100 percent voting strength. As your State Chairman I have visited a number of chapters and have spoken on National Defense to other organizations, as our Society's program is recognized as a leader in this field. I acknowledge with thanks the many courtesies shown me on these visits.

The three Chapters reporting the best work as outlined by the National Defense Office are: 1. Cherokee; 2. Baron DeKalb; 3. Col. William Few. Elijah Clarke Chapter is to be commended on their courageous answers to World Government questions which appeared Feb. 11, 1951 as a full-page advertisement in the Athens Banner-Herald. Commodore Richard Dale had an attendance of 90 with 10 chapters from the surrounding territory represented at their National Defense meeting. The three chapters at Columbus, Button Gwinnett, George Walton and Oglethorpe, had a joint meeting with over 100 present. I was speaker at both meetings. Your Chairman is indebted to a member of the Atlanta Chapter for bringing to her attention the fact that Negroes in her county were singing a racial song "Lift Every Voice and Sing" as a substitute for the Star Spangled Banner and calling it their National Anthem. Likewise, she is indebted to a member of the Baron DeKalb Chapter for bringing this to the attention of the school authorities and informing them that our Society has no objection to the singing of this song but that we have only one National Anthem and they are expected to respect it. The full cooperation of local school authorities was received and it was taken to the State Educational Department by them. Matthew Talbot Chapter had eight programs on National Defense as did Cherokee Chapter. Nancy Hart Chapter awarded 15 prizes and medals for excellence in History and Citizenship. Bainbridge Chapter visited 10 high schools and five

grammar schools and sat in the History classes. Dorothy Walton Chapter gave 11 medals for Citizenship. Henry Walton Chapter was responsible for editorials in their local paper on current bills before Congress and their National Defense Chairman had a column in this paper. The speech of the Chairman of Oglethorpe Chapter on the background and history of the Constitution of the United States was carried in the local paper. Recognition by the townspeople of Thomaston was given John Houston Chapter for sponsoring a review of John Flynn's book "The Road Ahead" by a young attorney who has appeared before several civic groups.

The preservation of Our American Way of Life and the maintenance of our form of government constitute the most important task of this generation. We forget that we are more likely to destroy ourselves within than to be destroyed from the outside. We have sought to dodge a decision involving our entire future but the choice cannot be longer delayed. The real issue before every responsible citizen is between: THE IDEA OF CENTRAL DOMINATION AND CONTROL and THE IDEA OF FREE PERSONAL ENTERPRISE. We must learn to distinguish between them. The IDEA OF FREE PERSONAL ENTERPRISE is the belief that the progress of a people is dependent upon the progress of the individual. Unless the individual can think and plan for the future as he sees fit, then he is no different from others and cannot contribute anything new to the world's progress. We must halt the placing of broad discretionary powers in the hands of government officials. We must free personal initiative to produce the things that we need. We must insist that the cost of government be systematically reduced. If we want to retain the American System we must be sure that we do not let it slip away from us. The words of Daniel Webster, "If the columns of constitutional liberty fall they will not be raised again," should make us realize it is our job today to see that they do not fall.

## **PRESS RELATIONS**

**Mrs. Neil Glass**

There was a total of approximately 12,736 inches of publicity and 76 pictures in 108 newspapers in the state. The D.A.R. Magazine published six articles from Georgia Chapters. Elijah Clarke Chapter and Lachlan McIntosh Chapter were cited at State Conference for outstanding publicity other than chapter meeting reports.

A Press Relations Scrapbook, dedicated to Mrs. Leonard Wallace, State Regent, was compiled of the newspaper clippings sent by the chapters.

## **PROGRAM**

**Mrs. Oscar McKenzie**

Early in the summer of 1950 copies of the program outline as approved by the State Regent were mailed to the Chapters, to State Officers and Chairmen, to National Chairman and Vice Chairmen of programs and to the President General.

Many Chapters requested additional copies of program and (with due apology for seeming boastful) your Chairman was made happy by many letters commending the program as outlined from Chapter Regents, from our National Chairman, Vice Chairman of programs and from our President General.

Additional copies of programs were sent upon request to the Vice Chairman of programs to be sent to other States, which was a valued compliment.

Forty odd Chapters have reported using the program outline

in part or as a whole. Many had visiting speakers, ministers being most popular, slides were shown and radio programs were reported. A report was sent to the National Vice Chairman of Programs as per blanks sent.

Your Chairman acknowledges with gratitude many invitations received to speak on programs and regrets that all could not be accepted.

Your State Regent was guest speaker at many club meetings over the State and emphasized the importance of the programs which promoted the study of our organization, "Know Your D.A.R., National, State, Local."

It has been a pleasure to serve. Thanks for your cooperative interest. A pardonable pride is realized in the fact that we do know our D.A.R. work better.

We hope to give you a fine program outline for 1951 and 1952. A number of papers for filing received.

## **RADIO AND TELEVISION**

**Mrs. Claude E. Fitts**

With war clouds rising, people are listening to the radio more and more. We do not need to sell Americanism to the Daughters of the American Revolution, but we must reach lukewarm Americans who believe our system of government is antiquated. Daughters know the privileges enjoyed under our system of government and there is a need for every Daughter to educate the radio listeners.

Not one Chapter, but 44 Chapters working together have started an educational program over the radio.

44 Chapters reported; 39 Regents reported Radio and Television Chairmen; 122 Radio Broadcasts made; 7 Television programs presented; 189 Spot Announcements; 34 hours and 55 minutes given by Stations for Radio Broadcasts and Television programs. Time amounted to \$2,364.20. We could have had twice this much time if Chapters had only asked for it. 121 programs or announcements in cooperation with patriotic observances, civic or special events; 13 State Officers presented on programs; 10 State Chairmen presented on programs; 1 program used from program office; 2 Transcriptions made; 3 Programs sponsored by J.A.C. Clubs; 3 Programs submitted to National; and 25 Newspaper articles on programs.

I have arranged radio programs for the State Board Meeting in Brunswick, also for the State Conference in Albany.

Three radio scripts have been requested by National for use of Chapters in other States. Two scripts have been submitted, the third is being prepared.

Our Committee has made progress, but until every Chapter in the State sponsors at least one radio program each year, we will not be satisfied. Every Chapter has a radio station within a radius of thirty miles. Radio time is ours if we only have an interesting subject to present. Prepare a program. There is a great joy in sharing with others the things we know to be true. Sell America by radio.

## **TRANSPORTATION**

**Mrs. Ben Brown, Jr.**

Chapter reports show a marked increase in attendance due to Transportation Chairman. Most of the chapters had a Transportation Chairman; some had a combined telephone with transportation committee.

The various railroads have sent to me and to each Chapter Regent information on rates, schedules and general transportation.

## STATE STANDING COMMITTEES

### AMERICAN MERCHANT MARINE LIBRARY

**Mrs. John H. Boston**

Splendid cooperation from the D.A.R. Chapters in Georgia has been given the American Merchant Marine Library. Hundreds of magazines, books and checks have been sent to help these men who went overseas. They set aside their hopes and dreams, they declared a moratorium on life, and faced bloodshed and death to preserve our priceless gift of freedom.

It is with regret that we learned the Port in Savannah has been closed. May I quote from a letter received from Mr. William Bollman, National Secretary for the American Merchant Marine Library, "The past assistance from the various Chapters of the Daughters of American Revolution in Georgia collecting and shipping such outstanding literature is deeply appreciated; in the future send books and magazines to Mrs. F. M. B. Wooten, Charleston Public Library, Charleston, South Carolina." We know our help will be continued. We know the thought in Clara Barton's mind, that would not let her rest while others suffered, is also in our minds. It is in the hearts and minds of all of us, as a people and as a Nation; something that will always reach out to those who need our help.

### **COLLECTING AND PUBLISHING HISTORY OF GEORGIA'S REVOLUTIONARY SOLDIERS**

**Mrs. Herschel Willoughby Smith**

Names and much interesting data on Georgia Revolutionary Soldiers from more than half of our D.A.R. Chapters have been collected. Some chapters have asked for an extension of time and reports from these chapters will be in hand before September 1st.

I am compiling the valuable Jackson County records of Wills, Marriage Records and Headrights. We expect to have these records published in the next volume of Georgia Historical Collections.

These records of our Georgia Revolutionary Soldiers are most interesting and inspiring, and it has been a real pleasure to serve as State Chairman of this Committee.

### **CONFERENCE PROPERTIES**

**Mrs. T. K. Kendrick**

In Macon at the close of the 1950 Conference of the Georgia Society of the Daughters of the American Revolution I received the following properties which have been carefully stored and are now being used at this the 53rd State Conference: two flag poles, two silk American Flags, one silk D.A.R. flag, three flag holders, two gold cords, one gold eagle, one gold spear, light bulbs, page ribbons and various badges.

The insignia was sent by American Express to Mrs. T. S. Mauldin, Albany, for storage. The insignia was then placed in a local storage company, insured, being taken out and placed in the City Auditorium for the 1951 Conference.

### **COOPERATIVE RELATIONS BETWEEN D.A.R. AND S.A.R.**

**Mrs. Edwin W. Allen**

Our Chapters have enthusiastically assisted the S.A.R. in all ways possible and have invited their members to join them for educational and social affairs.

The committee wishes to express appreciation for the excellent work done by the various chapters.

The award for 1950-51, for Cooperative Relations Between D.A.R. and S.A.R., goes to the LaGrange Chapter for their splendid program of activities.

### **FILING AND LENDING**

**Mrs. J. W. Bush**

The chapters have sent many interesting and informative papers on a diversity of subjects. Papers both enlightening and inspirational were received on Commemoration of Patriotic Days, Biographies of American Patriots, National Defense, The American Way of Life, Democracy, The Dangers of Communism, and other interesting subjects.

After careful consideration the prize of \$5.00 was awarded to the Baron DeKalb Chapter for the greatest number of acceptable papers for filing and lending.

It has been a pleasure to serve as your Chairman and I wish to express my grateful appreciation to those who cooperated in helping to preserve for our future generations these important documents on historical, patriotic, and educational subjects.

#### **GEORGIA BOOK PLATES**

**Mrs. Herbert Fay Gaffney**

Through the Stevens Engraving Company of Atlanta, I purchased one thousand engraved plates for marking D.A.R. books. After mailing the requested number to the several Chapters I have on hand about 500, these being held for future use. Stevens did not have printed Book Plates so substituted, for very little difference, the lovely engraved ones.

A prize of \$5.00 was offered to the Chapter ordering by February 1st the largest number of plates on a per capita basis. I am very delighted that this prize was won by Oglethorpe Chapter.

#### **HELEN ROGERS FRANKLIN TROPHY**

**Mrs. Thomas J. Sappington**

In the D.A.R. column of The Atlanta Constitution in January appeared the request to Chapter Regents to note the requirements for the award of the Helen Rogers Franklin Trophy as listed in the 1949-1950 State Proceedings on page 162 and also the National and State projects on pages 175-176. Lest the Regents failed to see the above article in The Atlanta Constitution, cards were mailed to the Regents.

The chapter reports were unusually good, and really presented a problem to be solved by the committee composed of one teacher and two ex-teachers. After much deliberation on reports from Chapter Regents and State Chairmen, the decision gave the Trophy to the Baron DeKalb Chapter; John Houston Chapter came second; Atlanta Chapter, third; and Col. William Few Chapter, fourth.

I wish to express my appreciation to the Regents who competed for the Trophy for their cooperation.

#### **LUCY COOK PEEL MEMORIAL FUND**

**Mrs. W. F. Dykes**

A year has passed and so few chapter members have shown any interest in Volume V, Historical Collections. I wish I could say or do something to make Georgia D.A.R. interested in these books. They are hard to sell, but with help we can accomplish so much. Ask your City Library to buy one, send one to a friend for Christmas or a Birthday Present. Write a friend in another State to buy one (many people need this book in their type of work).

We have sold thirty-two books, given away seven. Price \$5.00.

We borrowed from the State \$839.74, have paid \$250.00 on debt and will have more by June. Cash on my books, \$68.00; on State Books, \$165.44; a total of \$233.44.

We have sent out a hundred folders giving information about books. In May I have been promised help in addressing a hundred more; we go to the City Library and find addresses.

Chapters reported having paid Lucy Cook honor roll requirements are Benjamin Hawkins, Mary Hammond Washington, Nathaniel Macon, James Pitman, John Clark, Henry Walton, and Atlanta Chapter.

Joseph Habersham gave \$15.00 in memory of our Founder, Lucy Cook Peel.

#### **MARIAN SIBLEY WYLIE VICTORY FUND**

**Mrs. John J. Cummings**

Early in the fall your State Chairman wrote each Regent asking them to place this scholarship on their budget. Fifteen chapters responded, sending \$120.00 to the State Treasurer.

The award of \$5.00 offered by your State Chairman goes to the John Houston Chapter, Thomaston, having sent \$50.00. Other chapters sending contributions were:

Cherokee, \$2.00; Elijah Clarke, \$1.00; Gov. John Milledge, \$2.50; Hancock, \$2.50; Nathaniel Macon, \$5.00; Mary Hammond Washington, \$3.00; Dorothy Walton, \$2.00; Baron DeKalb, \$30.00; Bainbridge, \$5.00; Hannah Clarke, \$2.00; Joseph Habersham, \$5.00; Nathaniel Abney, \$3.00; Toccoa, \$2.50; and Atlanta, \$5.00.

#### **MARKING REVOLUTIONARY SOLDIERS' GRAVES**

**Mrs. Talbott Chandler**

A number of Revolutionary soldiers' graves have been marked this year, as well as several located to be marked in the near future. The Colonel Few Chapter reports five graves marked, those of John Daniel, Stewart Hamilton, Ica Atkins, Jr., Stephen Mitchell and William Fletcher. They have located three others. William Marsh and William Witcher Chapters have each marked one and located another. Henry Walton Chapter has located three graves. Joseph Habersham Chapter has located one. Atlanta Chapter marked the grave of Capt. Thomas Heard in an old plantation burial plot eight miles from Greensboro, Ga. They have located five other graves. Elijah Clarke Chapter has reported two graves located. Baron DeKalb Chapter marked the grave of Colonel James McNeil in the Decatur Cemetery with appropriate ceremonies in November and has located one other. Hannah Clarke Chapter is waiting for the marker to place on the grave of William Holloway at Old Bethel Primitive Baptist Church in Brooks County. Adding these reports there are six chapters that have reported making ten graves, while eight chapters have located sixteen other soldiers' graves they hope to mark.

#### **MCCALL GENEALOGICAL FUND**

**Mrs. Howard H. McCall, Sr.**

The collection of genealogical and historical books, known as the "Georgia D.A.R. Library" and placed at the Georgia State Department of Archives and History, is one of the outstanding projects of the Georgia Society D.A.R.

Every Chapter has a part in this project, through their contribution every year to the McCall Genealogical Fund.

It is this fund that not only binds the wonderful records sent in by the Chapters to the Genealogical Records Committee, but this fund also purchases rare and valuable books, historical and

genealogical, to enlarge the D.A.R. Library, to make your Library more valuable and interesting to the many research workers who are found daily in our Library.

It is very interesting to note that during the past year, many of these research workers came from the West, seeking data about their Revolutionary ancestors who came to Georgia, and whose descendants migrated to the West. Many have found the data they wanted in the over 400 books of original records (Bible, marriages, wills, deeds, cemetery and Church records) sent in by the D.A.R. Chapters and bound by the McCall Genealogical Fund. Duplicate copies, bound books, have been sent to the National D.A.R. Library in Washington.

It is interesting to know, too, how much help our Georgia Society can give to these research workers, through our D.A.R. Library.

Many thanks to the Chapters for their contributions, cooperation and interest.

Have you visited your D.A.R. Library?

### **MEADOW GARDEN**

**Mrs. Lester V. Stone**

We are indeed proud of the article and pictures appearing in the January number of our splendid D.A.R. Magazine. This article was written by one of our most versatile members, Miss Gladys Buckner. Then you will find one-half page of advertisement, with cut of plate in March edition. We have refrained from spending anything this year, only on essential repairs, as we are so ambitious to purchase the small tract of land in front of the house, so that horses will not dance on our front doorsteps. They are our present neighbors in the back.

It is a pleasure to receive cards from chapters stating gifts, and many featuring Meadow Garden on their programs.

We enjoyed the annual Washington Tea and a splendid program which added \$36.57 to our treasury. A complete report from our local treasurer is enclosed with this, so that you may observe all details in the proceedings.

## PARLIAMENTARIAN

Mrs. Ober DeWitt Warthen

On February nineteenth the Seventy-fifth Anniversary of the printing of Robert's Rules of Order was observed at the Library of Congress. All of General Robert's papers and parliamentary correspondence were presented to the Library at that time.

Georgia D.A.R. were especially interested not only because of the fact that "Robert's Rules" is our own parliamentary authority but because the author's wife, a participant in the exercise, is a native and resident of Atlanta. Also because Mrs. Henry M. Robert, Jr., Honorary President General of the National Society, is trustee of the book. She spent the past year collecting and preparing the General's papers for this event.

Fifty-one thousand copies of the book were sold last year and

one million, five hundred thousand copies have been sold since publication.

It is my suggestion that we of the Georgia Society observe this anniversary by a careful review of the book. I should also like you to read the articles written especially for D.A.R. by the Parliamentarian of the National Society and published each month in the D.A.R. Magazine.

### **PROCESSIONALS OF STATE CONFERENCE**

**Mrs. Alva McCrary**

It has indeed been a pleasure and privilege to have served as State Chairman of Processionals this year at State Conference, held at the City Auditorium, Albany, on March 8, 9, 10, 1951. I am looking forward to the same sincere cooperation from the ladies when we meet again next year in Atlanta.

### **RESOLUTIONS**

**Mrs. Mark Smith**

The Twenty-Second Annual Meeting of the State Officers Club, Georgia Daughters of the American Revolution, was held in the Valencia Room of the New Albany Hotel, Albany, Georgia, on Friday, March 9, 1951, at 8 o'clock. At the conclusion of the breakfast, the guests withdrew and a short business meeting was held, Mrs. Mark Smith presiding.

An impressive memorial service was conducted by the State Chaplain, Mrs. Robinson. Tributes, written by Mrs. McCall, were read to two of the members who had passed away since the last meeting, Miss Virginia Cloud Hardin and Mrs. S. W. Foster (Sophie Jackson).

Reports were given by the officers: Mrs. Smith, Mrs. Earthman, Mrs. Nicholson, Mrs. Carter and Mrs. McConnell.

## REPORT OF THE GEORGIA STATE SOCIETY, NATIONAL SOCIETY, CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Arthur E. Mallory, State President

It is with pleasure and gratitude that I report for the twenty Georgia C.A.R. Societies whose membership is 427.

Eight new C.A.R. Societies are being organized. The following Organizing Presidents have been appointed:

Mrs. R. B. Harrell—Eastman  
Mrs. Luella Dame—Homerville  
Mrs. Chester Lee—Lakeland  
Mrs. Edwina Roberts—Pearson  
Mrs. Charles Sims—Douglas  
Mrs. J. J. Foulk—Alapaha  
Miss Minnie Shaw—Adel  
Mrs. Jewell Caskins—Nashville

Reports of the C.A.R. Societies found on subsequent pages reveal superior accomplishments in all phases of C.A.R. activities. Special acknowledgment is made of their excellent work in the following chairmanships: American Music, American Indians, Conservation, Correct Use of Flag, Motion Pictures, Mountain Schools, Patriotic Education and Radio. Two issues of the Cherokee News Sheet were published. Mrs. R. A. Malone is State Editor. Emphasis was placed on subscription to the National C.A.R. Magazine. Our beloved Mrs. Herbert Fay Gaffney is Business Manager and National C.A.R. Honorary Vice-President.

At the National C.A.R. Executive Board Meeting held in Washington, D. C., in February, it was voted to name the Tamasssee Piano Fund, a National C.A.R. Project, the Elizabeth Speer Malone Piano Fund honoring our Georgia lady, Mrs. R. A. Malone, now Senior National C.A.R. Chairman of Mountain Schools and Honorary State C.A.R. President.

The 12th Annual State C.A.R. Conference was held in Winder, Georgia, by invitation of the James Watson C.A.R. Society on March 30-31 with an attendance of two hundred and six (206). This C.A.R. Society has the distinction of owning its own building, the gift of Colonel James Watson. Honoring Colonel Watson the Sunbury D.A.R. Chapter presented his portrait to the James Watson C.A.R. House and the unveiling exercises were conducted at the State meeting. Mrs. Edward P. Comer of Miami, Florida, National C.A.R. Vice-President of Southeastern Division was the distinguished speaker for the Conference. At the noon hour Memorial Services honoring First Lieutenant Clay Camp, Jr., who was killed in action in Korea on February 13, were held. He was a charter member of James Watson C.A.R. Society and a former Junior President. At the conclusion of the State C.A.R. Conference three Trophies and four Cash Awards were presented the C.A.R. Societies which made the greatest contribution to State and National C.A.R. work.

When the National C. A. R. Convention convened in Washington, D. C. on April 19-21 the Georgia delegation present numbered twenty-one (21). Five dollars was awarded the Georgia C. A. R. Society for the two pieces of Carolina currency dated 1776 presented by Harriet Wadsworth, Junior State Curator, to the National C. A. R. Museum. This paper was the oldest gift accepted by the Museum this year. Other awards and citations will be announced later.

Georgia C. A. R. Society was signally honored by having two of

its members elected Junior National C. A. R. Officers for 1951-1952; namely, Margaret Ann Ford, Junior National Corresponding Secretary, and Carter Maddox, Junior National Vice-President.

As State President, I attended two National C. A. R. Executive Board Meetings in Washington, D. C.; visited six C. A. R. Societies; made four trips to talk with C. A. R. Presidents; appointed thirteen Senior Presidents, eight Organizing Presidents, two National Promoters, thirty-four State Promoters; made twelve long distance calls, sent five telegrams and four night letters; and attended the National C. A. R. Convention and the State C. A. R. Conference.

In September I had the honor of entertaining the Junior National C. A. R. President, Daniel Stuart Pope III, at a luncheon in La-Grange.

The Georgia State C. A. R. Society appreciated the courtesy of the State D. A. R. Society for the printing of the State C. A. R. activities in the 1950-51 D. A. R. State Proceedings. This lovely gesture has drawn the bonds of love and affection closer between these two patriotic organizations.

#### **AH-YEH-LI-A-LO-HEE SOCIETY, HARTWELL**

Senior President.....Mrs. Guy Morris  
Junior President.....Nancy Temple

Ah-Yeh-Li-A-Lo-Hee C. A. R. Society has 44 paid up members, including twenty non-resident members in Florida, Georgia, North Carolina and South Carolina. One new member, Carey Lee Dickerson, was added soon after birth.

Five meetings have been held during the year. The ten year old Chaplain opens the meetings with original prayers. The singing of a patriotic song at each meeting is followed by the Pledge to the Flag, led by the Color Bearer.

\$10.00 was given for the fountain honoring Mrs. Donald Bennett Adams, National C. A. R. President. The members have taken part in D. A. R. programs. The Society was entertained by the John Benson Chapter D. A. R. the day the Ellis Island Kodafilm was shown. The C. A. R. Chaplain opened this meeting with an original prayer. A box of clothing valued at \$15.00 was sent to Kate Duncan Smith School and the boys assisted the D. A. R. Chapter in collecting their box. National and State dues were paid.

#### **BENJAMIN HAWKINS SOCIETY, MACON**

Senior President.....Mrs. S. S. Halliburton  
Senior Group President.....Mary Weaver  
Junior Group President.....Nan Millwood

The Benjamin Hawkins Society is sponsored by the Mary Hammond Washington Chapter D. A. R. and has an active membership of twenty-two. Eight additional members were transferred to the D. A. R. this year. Six application papers are in Washington now and fifteen others are being completed.

Divided into two groups, a senior and junior one, we meet separately once each month for a business, educational and social purpose. Each group has its own officers. This year the State Conservation Chairman is one of our members, therefore we are sending \$3.50 to our C. A. R. Office in Washington to conserve one book for application papers for rebinding and \$2.00 to the C.A.R. Museum Fund. \$3.60 has been subscribed by the members for the Tamassee Piano

Fund; \$5.00 for Tamassee Scholarship and two boxes of clothing valued at \$70.00 were sent to Tamassee and Pine Mountain approved schools. Each group has a scrap book and we have contributed sixty two inches of publicity to two newspapers with two splendid pictures. Eight of our members were pages for the D. A. R. Convention in Macon in March 1950. All have contributed to the March of Dimes and are also pledged to Red Cross contributions.

We had one radio program at Thanksgiving in conjunction with our sponsoring D. A. R. Chapter. Our programs have been very interesting with fine speakers. Subjects have been Approved Schools, George Washington's youth, Benjamin Franklin, The History of Our Flag, American Citizenship and Conservation. Our May meetings were delightful picnics and swimming parties, and at Christmas there were two lovely holiday parties. A beautiful silk American flag was purchased by the members and presented to our Society. Officers from our Mary Hammond Washington Chapter are present at all meetings.

#### CHEROKEE ROSE SOCIETY, BROOKHAVEN

Senior President.....Mrs. F. W. Conrade, Jr.  
Junior President.....Jane Lee Taylor

Cherokee Rose Society having been organized in February 1950, ended the year with 13 members. This year we have increased our membership to 23 and have more than eight sets of papers being worked upon.

The Junior State Chairman of American Music, Martha Grizzard, and the State Sergeant at Arms, Dixon Reeves III, are members of our Society.

We had a very successful Christmas party at the Atlanta Athletic Club with the full membership attending. The Society has packed boxes of clothes for Tamassee School and a box for the Bacone College in Oklahoma, of beads, crayons and other wanted items.

#### COLONEL BENJAMIN CLEVELAND SOCIETY, GRIFFIN

We held three meetings during the year and plans were discussed concerning taking trips to points of historical interest in the state. All meetings are opened with the Pledge of Allegiance to the Flag. Two of our members subscribe to the C. A. R. Magazine. The Society has used 14 1/4 column inches on the society pages of our local newspaper. Members of the Society write letters and cards to radio and television programs offering criticism. Several of the members have served as volunteers with the annual Red Cross drive.

#### COL. HENRY LEE SOCIETY, SAVANNAH

Junior President.....Betty Lord

Our society met March 2 at the home of our newly appointed senior president, Mrs. Elmore. The meeting opened with the Lord's Prayer, the Salute to the Flag, the C. A. R. Creed, and singing of the Star Spangled Banner. After the business session a program was given

consisting of a reading, The Valley Forge Memorial, by Mary Cargill; piano solo by Marcia McTeer; a reading: The Story Behind the U. S. \$2.00 has been sent to the Tamassee Piano Fund; fee of \$2.00 for Senior President has been sent to State Treasurer; a box valued at \$50.00 sent to Tamassee; and reports sent to State President and State Chairmen.

#### CURRAHEE SOCIETY, TOCCOA

Senior President.....Mrs. Larry Allgood  
Junior President.....Frances Ann Allgood

The Currahee Society has thirty-four members, one resigned in good standing, one transferred to D.A.R., two new members and two papers pending. Three State Promoters.

Ten alternate home and dinner meetings have been held and have been well attended. Interesting programs have been presented at each meeting, all of which were outlined in the Society's printed year books which were dedicated to Junior State President Bruce Schaefer, Jr. The theme of the year has been "Living Our Patriotism." All programs have tied in with Patriotic Education and Citizenship, the outstanding paper in October being "Patriotism the Keystone to Citizenship." Also, an outstanding program was the one at Christmas when the Society had as guest speaker a local religious leader, Miss Tab Lawrence, whose subject was, "Christianity the Bulwark of Democracy," which was very beautiful and inspiring.

Notices of meetings have appeared in the Toccoa Record and in the Cherokee News Sheet. Five subscriptions to the National Magazine, plus those of the State Promoters.

The Society gave the program for the Toccoa Chapter D. A. R. in June at which time talks were made by the retiring president, Claire Simpson, and incoming president, Anne Allgood. There was special music by C. A. R. and also a special paper on flag day.

Contributions of the Society have been: \$1.00 each to American Indian & Loan Fund, Gadsby's Tavern, Kate Duncan Smith, Berry School and Maryville; Building Equipment & Maintenance Fund, \$5.00; Museum Fund, honoring Frances Anne Allgood, Junior President, Currahee Society, \$10.00; sixteen gift wrapped packages to Tamassee for Christmas; Memorial Acre, Tamassee, honoring Bruce Schaefer, Jr., Junior State President, \$40.00; Tamassee Piano Fund, \$5.00; Total \$65.00.

Mrs. Leonard Wallace, State D. A. R. Regent, visited the Toccoa Chapter D. A. R. February 22, at which time the Currahee Society presented her with flowers.

## **DOLLY MADISON SOCIETY, ATLANTA**

Senior President.....Mrs. Ottis H. Wesley  
Junior President.....Gayle Green

Dolly Madison Society divided its membership into three divisions, according to age groups, which procedure we found to be conducive to harmony and interest. Each meeting was opened with religious and patriotic exercises.

The Society conducted a series of programs on Famous Americans, giving biographical sketches of the people, historical and modern, who have made America. We gave one program on the American Indians. This program consisted of sketches of Indian personalities, an open forum discussion, and an exhibit. Members did the research for the personality sketches and they entered into the discussions which centered around the Indians' contribution to American life, Indian lore, and moral aspects of the relations between whites and Indians. The exhibit consisted of about fifty relics.

In February we gave a program at the meeting of the Atlanta Chapter, D. A. R.

We made a cash contribution to Tamassee Piano Fund and sent a box of clothes to Kate Duncan Smith School.

## **GENERAL DAVID BLACKSHEAR SOCIETY, ROCHELLE**

Senior President.....Mrs. Ernest Braziel, Jr.  
Junior President.....Clark Standard

The activities of the General David Blackshear Society this year have been most varied and interesting. The entertainment of the Eleventh State Conference last June was our big moment, and we feel that it gave us renewed energy and enthusiasm to begin a new year. At this Conference we were honored by having Jane Robinson elected Second Vice-President and Barbara Wilson, Chaplain. Our State President, Mrs. Mallory, appointed Sammy Mashburn Chairman of Patriotic Education. We feel it was indeed an honor to our Society when Mrs. Adams, our National Senior President, appointed Carter Maddox Junior National Chairman of Magazines.

Our Society was recognized by our Community in being asked to participate in an "Educational Wheel" at the Wilcox County Fair. We represented one spoke in this wheel of community life where we proudly displayed the ideals and aims of the Children of the American Revolution as set forth in our C. A. R. Creed. Again we were asked to take part in the Polio Drive by giving a skit at a "Variety Show" sponsored by the entire community, therefore helping to raise an extra \$200 for this worthy cause.

We divided our Society into a Junior and Senior Group this year. Our Senior Group meets at night and a social of games follows our regular meetings. Our programs have been unusual. One of our State Promoters, Miss Ruth Reid, gave us our program on Approved Schools. During December she entertained us with a Christmas Party. We went caroling and later returned to her home for our program where she read to us "The Other Wiseman." We had other programs on Conservation, Patriotic Education, Famous Georgians, and American Ideals. We took part on a program for the D. A. R. on American Music. Our Chaplain has given a devotional and prayer at four meetings and entered the National Chaplain's Contest.

Three of our members entered the American Legion Oratorical Contest, making a study of the Constitution of the United States. Carter Maddox of our Society won second place in our county.

We were proud of another member, Jane Robinson, who entered the Girls Home Makers Contest of our Mother Society and won second place in the State. Jane modeled her dress at the State D. A. R. Conference in Albany.
