MINUTES

MINUTES OF THE FALL BOARD OF MANAGEMENT MEETING GEORGIA STATE SOCIETY, N.S.D.A.R. BON AIR HOTEL, AUGUSTA, GA., NOVEMBER 7, 1951

The regular fall meeting of the State Board of Management of the Georgia State Society, National Society of the Daughters of the American Revolution, was held on Wednesday, November 7, 1951, at the Bon Air Hotel, Augusta, Georgia, by invitation of the Augusta Chapter. The State Regent, Mrs. Leonard Wallace, presided.

The meeting was called to order at 10:30 A.M. One stanza of our National Anthem was sung. The invocation was offered by the State Chaplain, Mrs. William C. Robinson. The Pledge of Allegiance to the Flag was led by Mrs. Harry E. Talmadge, State Chairman of the Correct Use of the Flag Committee, followed by the recitation of The American's Creed, led by Mrs. Lucius W. McConnell, State Chairman of the Americanism Committee. Greetings of welcome were brought by Mrs. Carlton Vaughn, Regent of the Augusta Chapter, and the response was given by Mrs. Robert H. Humphrey, State Second Vice Regent.

Mrs. T. Earle Stribling, State First Vice Regent, presented the following distinguished guests: Mrs. Young Harris Yarbrough, Mrs. Julius Y. Talmadge, Mrs. Howard H. McCall, Mrs. John S. Adams, Mrs. Thomas Coke Mell and Mrs. Ober DeWitt Warthen.

The roll was called by the State Recording Secretary. Answering present were: State Officers 10, National Officer 1, Honorary National Officers 2, Honorary State Regents 6, (including the above mentioned National Officer and 2 Honorary National Officers), State Chairmen 15, Chapter Regents 29, Chapter Vice Regent 1, and Chapter Representative 1, a total of 62.

In making her third report to the Board, the State Regent expressed appreciation for the splendid cooperation she had received in the friendly advice of the Honorary Regents and the interest shown by Chapter Regents. She gave a chronological report of her activities since the spring meeting and urged Georgia Daughters who do not already have one to procure a copy of the National Geographic Magazine (November, 1951 issue) which contains 68 pages of the history of our National Society up to and including the 60th Continental Congress, with many color pictures. The State Regent also told of the recent pilgrimage made by the President General and members of her Board to the Approved Schools in Virginia, North and South Carolina, Georgia, Alabama and Tennessee; of the newly completed gymnasium-auditorium at Tamassee, named for Georgia's own May Erwin Talmadge, where folk dances were presented by the students and a square dance participated in by many of the guests. She also spoke of the visit to Possum Trot, the little chapel at The Berry Schools where Miss Martha Berry held her first Sunday School, and of the magnificent buildings in the Ford Quadrangle, School for Girls, on that campus. Mrs. Wallace also told of the delightful pause at Adairsville where members of the Oothcaloga Chapter entertained the Pilgrimage at luncheon, and where the Georgia State Society presented to the President General, Mrs. Patton, a Georgia-made bedspread. In

concluding her message, the State Regent quoted the following truism:

"From bondage to faith, faith to courage, courage to liberty, liberty to abundance, abundance to selfishness, selfishness to complacency, complacency to apathy, apathy to dependency, and from dependency back to bondage."

Board members stood in appreciation of the excellent report made by the State Regent and of her courageousness in carrying on the strenuous duties of her office despite the discomfort caused by her painful accident last spring.

A courtesy motion was offered by Mrs. Stribling that a note of appreciation be sent to Mrs. W. P. Martin, Regent of Oothcaloga Chapter, on behalf of the State Board of Management.

A motion made by Mrs. Humphrey, seconded by Mrs. Talmadge, that the Georgia State Society purchase a State Regent's Pin for the retiring State Regent and present it to her at the State Conference in March, 1952, was carried.

The State First Vice Regent and State Chairman of the National Defense Committee, Mrs. T. Earle Stribling, spoke of the Good Citizenship Medal and asked that every Chapter award at least one medal. Members were cautioned not to give out material of the United Nations unless they first make sure it does not tend to undermine the sovereignty of the United States. The text, "Convention on Genocide," may be procured from the United Nations Headquarters at Lake Success, N. Y., for 15 cents, it was announced by Mrs. Stribling.

The State Second Vice Regent and State Chairman of Approved Schools Committee, Mrs. Robert H. Humphrey, announced Berry Schools tuition is \$130 a semester, \$265 a year, and urged Chapters to do more for Georgia's approved school.

The State Chaplain, Mrs. William C. Robinson, asked that names and addresses of deceased members' nearest of kin be sent to her promptly.

The State Recording Secretary, Mrs. John F. Thigpen, read messages of greetings from Mrs. Mark Smith, Mrs. F. M. Scarlett, Mrs. John J. Cummings, and Mrs. Henry Ragan.

ters locate and report graves of Revolutionary soldiers. The State Consulting Registrar, Mrs. Sam Merritt, made a plea for cards on new members be sent for her files. Also, as State Chairman of the D.A.R. Magazine, she urged Chapters to secure advertising for the magazine.

The State Editor, Mrs. Neil Glass, asked that newspaper clippings be sent to her each month. The State Assistant Editor, Mrs. George S. Lombard, expressed appreciation for cooperation during the summer months.

Mrs. Ober DeWitt Warthen, Acting Chairman of the Resolutions Committee, presented the following resolutions, and moved their adoption:

Resolution No. 12 **Un-American Activities Committee Publications**

RESOLVED. That the Georgia Society, Daughters of the American Revolution, continue its alertness in recognizing and opposing all persons and groups working for World Government through the medium of books, magazines, forums, colleges and schools and using the alluring bait of PEACE, carefully concealing the fact that "by such universal federation of the United States of America would of necessity relinquish the major part of its sovereign rights; and further, on the basis of proportional representation it would have a minority of voting powers." Mrs. Stribling seconded. Adopted.

BANQUET HONORING PRESIDENT GENERAL

Mrs. Leonard Wallace, State Regent, presided over the banquet for members of State Conference assembled at six o'clock in the Dinkler Room of the Ansley Hotel, Atlanta, Tuesday evening, March 18, 1952, honoring Mrs. James B. Patton, President General.

OPENING SESSION

(The North Fulton High School Band, Mr. Raymond Mueller, Director, gave a musical program from 8:00 until 8:30 p.m.)

Assembly call by Bill Pearson, Trumpeter. The Processional entered led by flag bearers and pages escorting Special Guests, Past National Officers, Honorary State Regents, State Officers, Honorary Vice President General, National Officers, Honorary President General, President General, and the State Regent. The colors of our Nation were borne by Mrs. William Clarke, and the D.A.R. Banner by Mrs. Richard C. Freeman.

The State Regent, Mrs. Leonard Wallace, called to order the Fifty-fourth Annual State Conference.

The invocation was given by the Rt. Rev. John Buckman Walthour, Bishop of Atlanta.

The Pledge of Allegiance to the Flag was given, led by Mrs. John S. Adams, Honorary State Regent. The recitation of The American's Creed was led by Mrs. Lucius W. McConnell, State Chairman, Americanism Committee. The National Anthem was sung by the Assembly, led by Mrs. Henry W. Meaders, State Chairman, American Music Committee. Greetings were brought by Mrs. Geo. H. Connell, Regent, Atlanta Chapter; Mrs. Lytle D. Burns, Jr., Regent, Joseph Habersham Chapter; and Mrs. Ransom Burts, Regent, Cherokee Chapter. Mrs. T. Earle Stribling, State First Vice Regent, graciously responded to the three local Regents' words of welcome.

The State Regent presented the President General, Mrs. James B. Patton, whose address, "Pathway of the Patriots," was a most challenging message. The President General, attending her third Conference in Georgia, stated that our country "needs to return to the principles of honesty and to build up defenses which guarantee America's independence of action." She urged D.A.R. members to work from now until November to get women to vote.

"There is a socialistic trend in the United Nations which we as patriots oppose," stated Mrs. Patton. "We are not good citizens if we do not make good use of our franchise." She concluded by saying "the pathway is not the easiest way, but it leads upward, not downward."

Following the address, a group of songs was sung by Mr. Ray Fennell, accompanied by Mr. Gene Eckman.

The State Regent presented to the President General a little remembrance, some plates with Georgia scenes, which she hoped would remind her of her visit to Georgia. Mrs. Patton graciously thanked the State Regent and the Conference for this gift.

Greetings were brought by Miss Gertrude Carraway, Vice President General from North Carolina, on her fourth visit to Georgia within the last two years; by Mrs. Smith G. Fallaw, State Regent, Alabama; and by Mrs. Nathan Russell Patterson, Past State Regent of Oklahoma, Past Vice President General and Past National Chairman, Conservation Committee. Also presented by the State Regent was Mrs. Walthour, wife of the Bishop of Atlanta.

The State Regent presented Georgia's "Miss Annie," Mrs. Henry Allen Ironside, Past National Officer and Honorary State Regent, who after several years' absence from D.A.R. Conferences was welcomed back to our midst. Mrs. Ironside then in beautifully chosen words presented the Vice President General from Georgia, Mrs. Young Harris Yarbrough; the Honorary President General, Mrs. Julius Y. Talmadge; and the Honorary Vice President General, Mrs. Howard H. McCall. Each of this group made brief and gracious remarks. Mrs. Talmadge expressed regret at not being able to attend the remaining sessions of the Conference, because of the illness of her daughter who underwent an operation that morning.

The State Regent presented Mrs. Thomas Coke Mell, Past National Officer and Honorary State Regent, who in turn presented the Honorary State Regents present. Mrs. Mell presented: Mrs. Howard H. McCall, Mrs. Julius Y. Talmadge, Mrs. Max E. Land, Mrs. John S. Adams, Mrs. Henry Allen Ironside, and Mrs. Young Harris Yarbrough.

Mrs. Arthur E. Mallory, State President of the Georgia Society of the National Society, Children of the American Revolution, was introduced by the State Regent and brought greetings from the 21 societies in Georgia. The State Regent then presented Margaret Anne Ford, National Corresponding Secretary of the C.A.R.

A group of songs was sung by Mrs. Estelle Mallory Karp, accompanied at the piano by Mrs. Julian Yerg. Mrs. Karp first sang "Marguerite" to the President General. Mrs. Patton graciously acknowledged this courtesy and added that the lady who wrote the words to that little song lives in Washington, was Regent of one of the chapters, and when she wrote the song she was very ill in the hospital. Mrs. Karp continued her musical program by rendering Puccini's "Madame Butterfly" and also "One Kiss." Mrs. W. E. Gray, State Chairman of Good Citizenship Pilgrimage Committee, presented Georgia's outstanding good citizen, Miss

Mrs. W. E. Gray, State Chairman of Good Citizenship Pilgrimage Committee, presented Georgia's outstanding good citizen, Miss Betty Lambert, a member of the senior class of Joe E. Brown High School, Atlanta. She was privileged to accept the \$100.00 Government Bond and the Good Citizen Pin from the President General, who congratulated her on this achievement. Miss Lambert expressed her appreciation in a pleasing manner.

The two years as your State Regent have been profitable and inspiring ones and it is indeed wonderful to have them climaxed by the visit of our neighboring State Regents, our Vice Presidents General and our beloved President General.

STATE FIRST VICE REGENT

Mrs. T. Earle Stribling

It has been a distinct honor to have served as First Vice Regent for two years and a pleasure to assist our capable State Regent. I wish to thank the chapters for all the courtesies extended me on my visits during the year. The keen interest, loyal cooperation and delightful hospitality were indeed a happy experience.

STATE SECOND VICE REGENT

Mrs. Robert Humphrey

It has been an honor and privilege to serve the Georgia Society under the capable leadership of our State Regent, Mrs. Leonard Wallace. As your Second Vice Regent it has been my pleasure to accompany the Regent on several visits to chapters, always presenting the work of Approved Schools. As your Second Vice Regent I attended Executive Board Meeting, State Conference, Continental Congres, Proceedings Committee, and met with the State Regent whenever called. It was also my pleasure to meet with Mrs. Wallace and Mrs. Martin, of Adairsville, to help plan the luncheon at Adairsville when Georgia was hostess to the Approved Schools Tour. As State Chairman of Approved Schools I, with several other officers, attended Founder's Day exercises at Tamassee and spent the night at the Berry Schools in Rome.

STATE CHAPLAIN

Mrs. William Childs Robinson

Requirements are few, but privileges are many in the services rendered by your Chaplain.

She has conducted the Annual Memorial Service and devotional services at State Conferences and at Board meetings; and has shared in these services in her own and other chapter meetings. She has replied to numerous inquiries from chaplains, pertaining to special services to be conducted in their chapters; sometimes sending material to be used.

Every chapter Regent and many Chaplains have been contacted. The request of the Chaplain General for a collection of short prayers was passed on to the local chaplains and their response has been good. These prayers have been mailed to the Chaplain General, with the local chaplain's signature and her chapter's name.

Messages of sympathy have been sent to those in sorrow caused by the loss of loved ones. It is with sadness that we report the death of 69 Georgia Daughters since March 1951.

May the words of our Master comfort the hearts of these bereaved families: "I am the resurrection and the life; he that believeth in me, though he were dead, yet shall he live. And whosoever liveth and believeth in me shall never die."—John 11:25,26.

STATE RECORDING SECRETARY

Later in October, we went again to Marietta to a delightful luncheon given jointly by the Andrew Houser and Fielding Lewis Chapters honoring the State Regent, which was also held at the Marietta Country Club.

Your State Recording Secretary attended and recorded the minutes of the Twelfth Annual State Conference of the Georgia Society, Children of the American Revolution, held at Winder on March 31, 1951.

She is deeply indebted to Mrs. Mark Smith for her invaluable help in assembling the material for the Proceedings of the 53rd Annual State Conference, and to Mrs. T. Earle Stribling for her many hours of assistance in the proofreading; also to Mrs. Milton F. Hall and Mrs. Marion A. Crosby for their assistance in the proofreading.

All year books sent by the Chapters to your State Recording Secretary were most gratefully appreciated, as well as the complimentary letters on the work and appearance of the Proceedings.

It has been a very real privilege to serve with our lovable and capable State Regent, and with you.

STATE CORRESPONDING SECRETARY

STATE HISTORIAN

Mrs. Talbott B. Chandler

It comes as a disappointment to your Historian that only thirtynine chapters returned the Historical Report blank sent to each chapter. Many of these reports were very complete, however, and a joy to receive.

In the way of protecting and recording history, the Georgia chapters have reported six historic spots marked and six others restored. Two Revolutionary soldiers' graves have been marked. This number is of necessity small since the markers are made of critical material and hard to obtain now when ordered. Nineteen Revolutionary soldiers' graves have been reported located. This is a work not to be delayed ere these graves sink into oblivion. Two Revolutionary soldiers' wives' graves have also been found. Twenty-three D.A.R. members' graves were marked. Fort Early Chapter marked the graves of ten Daughters-the largest number marked by one chapter.

Five original documents and manuscripts have been sent to the Historian General for preservation. Twenty-eight chapters report having observed 183 historical anniversaries. Ten chapters made thirty-five pilgrimages to historic spots. The Valley Forge Building Fund has been one of our main endeavors. Eight chapters have sent \$190.03 to the fund. The Commodore Richard Dale, the Henry Walton, the Nathaniel Abney and the Gov. George W. Towns chapters sent \$1.00 per member as asked.

The endowment fund for Montpelier was remembered with a \$2.00 donation by Baron DeKalb Chapter.

In the way of preserving and protecting history with the children twenty-six chapters have sponsored forty-six history contests in local schools, in which seventy-two medals and thirty-five other prizes were awarded. Twenty chapters had 132 members read American History text books used in our schools. Atlanta Chapter had forty-five members read the text books. 102 Daughters visited history classes. The Atlanta Chapter is outstanding for having had a definite historical interest developed in each program during the year. This chapter is also to be commended for the completeness of its report.

It has been a privilege to have served as your Historian. I wish to thank you for your support and for the many courtesies extended me. May I bespeak the same support for your incoming Historian.

Now it is my privilege to present the award offered the chapter locating and reporting the greatest number of Revolutionary soldiers' graves to the Atlanta Chapter.

STATE CONSULTING REGISTRAR

Mrs. Sam Merritt

As your Registrar, I wish to report that the files are in as good condition as possible and will be ready to turn over to my successor after Conference. During my term of office, the Executive Shoard requested Mrs. Dykes to turn over a copy of MEMBER-SHIP ROLL AND REGISTER OF ANCESTORS to be placed with the files. This volume has been most helpful in the work. While I state that the files are in as good condition as possible, I wish to stress that they are not in the best condition and that the work I have done has been so much harder because so few chapters

co-operated fully in sending in cards for new members as explained in the State Proceedings of 1950-51. These cards and notices of change of name (marriages of members) is ALL that it is necessary to send to your Registrar, and only by sending in the cards can the proper information be filed for your members. Washington sends notices of all changes, but does not supply full details as explained in the 1950-51 Proceedings. I hope you will read this message, look up your last year's Proceedings, and instruct your chapter registrars to keep the cards coming in for new members.

STATE CURATOR

Mrs. T. K. Kendrick

It has been a pleasure to serve as your State Curator for the past two years. Letters were sent in the fall to each chapter requesting that a Museum Chairman be appointed. The response was greatly appreciated. Again this year the request was made for funds. A sum of thirty-nine dollars and fifty cents was contributed by six chapters through the State Treasurer.

Through the interest of the late beloved Margaret Gertrude Shumate Coffey (Mrs. Eli. C.) of the Gov. John Milledge Chapter, the National Museum received the Epaulets and sword of the Lt. Col. Anthony Bitting, 4th Battalion, Philadelphia Militia 1780-1781.

It is with pleasure that I present the SARAH MORROW TROPHY for the most valuable Revolutionary gift given to the National Museum to the Gov. John Milledge Chapter.

Please accept my deepest thanks for the splendid cooperation extended me during my term as your State Curator and for the privilege of working with the State and National Society.

STATE EDITOR

Mrs. Neil Glass

There has been a marked increase in publicity during the year, and The Atlanta Journal, The Atlanta Constitution, and newspapers over the state have given generous space. The D.A.R. column, published each Sunday in the The Atlanta Journal-The Atlanta Constitution, has carried news and pictures of chapter activities as well as state and national D.A.R. information. These Atlanta newspapers have featured both pre-Conference news and day by day coverage which has included numerous pictures. Mrs. George S. Lombard, of Augusta, State Assistant Editor, Capably edited the D.A.R. column during the months of July, August, and September.

The May Phillips Mims Trophy for the best file of news sent for publication in the D.A.R. column resulted in a tie for first place and is awarded three chapters, these being the Council of Safety Chapter, Nathaniel Abney Chapter. and the Augusta Chapter.

The State Editor's Award of five dollars for the best article other than chapter meetings is presented the Pulaski Chapter, Griffin, for an article describing the float entered by the chapter in the Spalding County centennial celebration parade. The float featured a museum carriage, replica of one used by George Washington.

STATE ASSISTANT EDITOR Mrs. George S. Lombard

As State Assistant Editor, news was sent to the papers each week through the months of June, July and August. Attended the Board Meetings. It has been a pleasure to serve and to be so closely associated with our State Editor, Mrs. Neil Glass.

COMMITTEE REPORTS NATIONAL COMMITTEES

AMERICAN INDIANS

Mrs. J. Mark Mote

Of the 88 Chapters in the state only 45 have sent me a report. Of these, 32 have a Chapter Chairman. Twenty-six Chapters had programs on American Indians.

Twenty-nine boxes of clothes, beads, yarn, etc. were sent to Indian schools. The estimated value of 21 boxes was \$797.38. Eight boxes were given no valuation by the Chapters. Cash donations amounted to \$198.00. This makes a total contribution in cash and supplies of \$995.38, which is \$113.45 more than last year.

During the year I have received letters from quite a few Chapter Chairmen, telling of their plans and of work accomplished. Much more interest is being shown, and I feel greatly encouraged. I should like to suggest that Chapter Chairmen secure information and material this summer. Don't wait for the new state Chairman's fall letter. That will cause delay in getting work planned. The State Chairman's award goes to Lyman Hall Chapter. This

The State Chairman's award goes to Lyman Hall Chapter. This was decided, not only on money spent, but on the type of work done. They have adopted an orphan boy at Bacone, and sent him clothes, money, Christmas and birthday gifts, etc. The Chairman read letters from this boy and from the school president at many of the Chapter's meetings. In addition, they contributed generously to the Memorial Scholarship Fund at Bacone, to St. Mary's School, to a school and mission for the Navajo Indians, and to another group in Oklahoma. Oglethorpe Chapter in Columbus receives honorable mention, having contributed \$196.54 in cash and clothing.

AMERICAN MUSIC

Mrs. H. W. Meaders

The reports of chapter chairmen coming in from over the State are most interesting. These reports were judged by the Music Department of the Toccoa Falls Institute. It is a pleasure to present my award of five dollars to the Nathaniel Abney Chapter. Second place goes to John Ball Chapter, and third place to John Benning Chapter. Honorable mention is made to Adam Brinson, Nathaniel Macon, Henry Walton, Gov. David Emanuel, Toccoa, Atlanta, Button Gwinnett, and John Houston Chapters.

American Music is being well presented through our school groups and Church groups as well as over the radio. It is fine to know so much of our State Music is being used in our Daughters of American Revolution meetings. This is just as it should be. The world needs the concord which music expresses. Let us help it gain a greater sense of that concord through the use of more and more music.

AMERICANISM

Mrs. Lucius W. McConnell

A letter was sent to each Chapter in which it was urged that in addition to the various other methods suggested for advancing Americanism, every member be asked to study the D. A. R. Manual for Citizenship, the D. A. R. Handbook, the D. A. R. Magazine, and other information offered by the National Society on the subject of Americanism. Power is developed through knowledge. Knowledge of patriotism as defined by the National Society under Americanism is needed by the membership so that our Society may be of greater power in assisting all who reside upon American soll to be informed patriotic American Citizens.

Many splendid reports of work accomplished were received from the Chapters and it was difficult to judge the best three, but the Elijah Clarke Chapter was first; the Henry Walton Chapter, second; and the Lachlan McIntosh Chapter, third.

From the reports received this report was compiled as follows: 61 Chapters have chairmen; 10 Chapters were represented at the United States Court, Naturalization ceremonies; 9 Chapters work with Newly Naturalized Citizens; 9 Chapters assisted foreign born; 2 Chapters worked with Juvenile Courts; 6 Chapters assisted in teaching the illiterates; 1 Chapter sponsored the ringing of Church Bells on July 4th, and fosters the gathering of school children for Flag Raising Exercises and the singing of the National Anthem every month; 51 Americanism Programs were given at Chapter meetings; 185 United States Flags, and 375 Flag Codes were distributed; 18 Chapters have Pledge of Allegiance to Flag at Chapter meet-ings; 25 Chapters repeat The American's Creed at meetings; 49 American History prizes were awarded in schools; 19 Chapters observed patriotic days; 12 Chapters sponsor registering and voting; 15 Chapters sponsor the teaching of American History in schools; 343 Manuals for Citizenship were distributed; 43 Good Citizenship pins and medals were awarded; 153 radio programs were broadcast; 1 Chapter Year Book was dedicated to the United States of America; 1 Chapter distributed 100 D. A. R. Handbooks to members; total amount reported spent on Americanism, \$281.42. A report of work accomplished was sent to National Chairman

A report of work accomplished was sent to National Chairman of Americanism before February 25th so that Georgia may receive credit for this work at Continental Congress.

APPROVED SCHOOLS

Mrs. Robert Humphrey

The outstanding work of the Georgia Chapters for Approved Schools was most gratifying to your state chairman. The realization of the importance of patriotic education for the underprivileged youth of our nation continues to play a large part in the work of our organization. Eighty-four chapters reported gifts of money totaling \$3,550.00, with 118 boxes of clothing to all schools with a cash value of \$6,522.50.

Eighty-four chapters paid their honor roll per capita to Tamassee and Kate Duncan Smith. Governor John Milledge sent a Christmas box to Kate Duncan Smith valued at \$20.00, while Pulaski sent 38 Christmas gifts to Tamassee valued at \$59.00, and Gov. John Milledge sent a Christmas box to Tamassee valued at \$20.00. Crossnore received seven boxes, Kate Duncan Smith sixty-six and Tamassee forty-five.

Two chapters contributed \$6.00 to American International College; 30 chapters contributed \$66.25 to Berea; 46 chapters contributed \$195.50 to Berry; 32 chapters contributed \$75.25 to Blue Ridge; 43 chapters contributed \$566.25 to Crossnore; 5 chapters gave \$11.50 to Hillside; 11 chapters contributed \$21.00 to Hindman settlement; 84 chapters gave \$657.50 to Kate Duncan Smith, with one \$50.00 scholarship being given by John Houston and three \$50.00 scholarships from Joseph Habersham; seven chapters gave

Seventy-one chapters reported chapter programs on approved schools with several chapters reporting radio and television programs. Fortytwo chapters qualified for the Hightower Award. The Kate Latham Dykes Cup for outstanding work done for Tamassee was won by the John Houston Chapter, as was the \$5.00 award given by Mrs. Ironside for the most outstanding work done for approved schools, with second place going to Baron DeKalb. The Myrtle Bonner Cofer Bowl given for the most outstanding work done for Kate Duncan Smith was won by the Joseph Habersham Chapter.

The list of chapters qualifying for the Hightower Award will appear under Awards.

BUILDING COMPLETION COMMITTEE

Mrs. Ben I. Thornton

This year the chapters of the Georgia State Society were asked to make a contribution to the National Society Building Fund, of at least \$1.00 per member, in honor of our State Regent, Mrs. Leonard Wallace. This amount would have completed the first pledge of Georgia Society to the Building Fund. Unfortunately, every chapter did not respond to this request and a balance of \$441 is due on the \$32,034 pledge.

On February 29, 1952, Georgia Society had contributed \$30,564.88 to the N. S. D. A. R. Building Completion Fund and this amount over and above placed Georgia on the Building Fund Honor Roll of the National Society. The State Society received the Silver Badge in recognition of this achievement.

As of March 20, 1952, a total of \$5,062.14 had been contributed by 70 chapters this year and this amount has brought the grand total to \$31,592.96 paid by the Georgia Society to the N. S. D. A. R. Building Completion Fund. The following 19 new gold badge (6.00 per member) Chapters have brought Georgia's total of gold badge chapters to 40: Andrew Houser, Adam Brinson, Atlanta, Bainbridge, Baron DeKalb, Brier Creek, Hancock, Council of Safety, Fielding Lewis, General Daniel Stewart, John Benson, Nathaniel Abney, Nathaniel Macon, Oconee, Oglethorpe, Oothcaloga, Stone Castle, Toccoa, Thomasville.

Six gold badge chapters have added one blue star to their badge this year. These chapters are John Clarke, Henry Walton, Lachlan McIntosh, Nancy Hart, Peter Early, Thronateeska.

Five chapters, William Marsh, Benjamin Hawkins, Col. William Few, John Houston, Joseph Habersham, and Henry Walton have added two blue stars to their gold badge.

One chapter, Tomochichi, has three blue stars on its badge (\$9.00 per member). The money for the last blue star was given in honor of Mrs. T. Earle Stribling, a member of this chapter, on her election as State Regent.

With the three silver badge chapters, Georgia State Society, N. S. D. A. R. has a total of 43 chapters on the National Society Building Completion Honor Roll.

To those chapters who have been placed on the Building Fund Honor Roll and to those chapters who are striving to complete their part, I say thank you for the magnificent job you have done; thank you for all the labor, love and loyalty each one has given in raising this large sum of money. In Washington stands a most beautiful building, efficiently equipped to carry out the business and program of the Daughters of the American Revolution. A part of this building is your very own, paid for with your own money. Now and in time to come it will ever be a memorial, in a sense, to you and your loyalty to the National Society Daughters of the American Revolution.

BUILDING COMPLETION COMMITTEE SUPPLEMENTARY REPORT

Mrs. Ben I. Thornton

At the close of State Conference, March 20, 1952, Georgia State Society was so near the goal of \$32,034.00 (which amount would make Georgia a Gold Star State) that many chapters made additional contributions to the National Society, D. A. R. Building Fund to help complete this amount before Continental Congress in April.

The result of these contributions and the amount of money given by the "Signers of the 61st Congress" brought the total contributions for Georgia State Society up to \$32,332.46 and at Continental Congress our State Regent, Mrs. Leonard Wallace, received the Gold Badge signifying that Georgia is a Gold Star State.

The largest amount given since the close of State Conference was made by Savannah Chapter, a total of \$350.00. Henry Walton Chapter contributed \$52.00 in honor of the State Regent and Chapter member, Mrs. Leonard Wallace, and this Chapter received its second blue star for its gold badge. John Houston Chapter received its third blue star when Mrs. Henry A. Ironside gave \$85, honoring Mrs. Mark Smith, National Chairman of Conservation. John Houston Chapter has given to this Building Fund the largest amount per member of any chapter in the Georgia State Society. Etowah Chapter attained Silver Star rating with its contribution.

Georgia State Society has fulfilled the pledge of \$32,034.00 and has \$298.46 towards a blue star. Let's get that blue star next year.

CONSERVATION

Mrs. James Harold Nicholson

Conservation of our natural resources and of human life is a royal road to security. "Conservation Pays," is written in large letters on main highway signs to remind us.

We are proud of the role played by the D. A. R. in this work, which is an important part of our National Defense program. And I am proud to submit the following report of Georgia Chapters.

In reply to my fall letter, forty-eight chapters responded. All chapters had chairmen and one or more programs on conservation. Atlanta Chapter had five programs and a luncheon, with work posted monthly on a bulletin board. Chapters reported the following good work:

Over half a million pines planted; thousands of acres of soil reclaimed; trees planted honoring members; tree surgeons hired; school, club, chapter grounds, highways and parks beautified with bulbs, roses, flowering trees and fruit trees. Colored movies shown at chapter meetings and schools, especially those favorites, "Yours is the Land" and "America the Beautiful." Illustrated talks by Federal, State and County employees of agriculture; conservation of wild life and library work stressed. Stickers, blotters, posters and individual Conservation Questionnaires distributed. The annual Pine Tree Festival held at Swainsboro, in which the local D. A. R. cooperated wholeheartedly. Around 50,000 pines planted annually in Emanuel County. One D. A. R. chapter member teaches Conservation in public school. The Woman of the Year in Civic Affairs and President of Garden Center are members of Joseph Habersham Chapter.

All chapters reported some form of Human Conservation. Thousands of hours were given to veterans in hospitals; hundreds of magazines distributed; mentally ill in hospitals helped. A "Talent Show" presented at Fort Benning hospital. A lending chest maintained at Detention Home for boys (ages eleven to fourteen). Many hours given to work in Welfare Department; contributions to all Health Drives; and clothing contributed.

Your State Chairman talked on Conservation at chapter meetings and schools. Important resolution by Mrs. Ober D. Warthen, past National Chairman, was to effect that Georgia Society D. A. R. lay special emphasis on preservation of natural resources, through conservation programs in schools, and widespread demonstrations on better forest practices; and opposition to use of National Parks for purposes other than those for which established.

A resolution passed at State Conference to appropriate \$150.00 for replacement of marker on Highway in Habersham County, marking 100 acres of pines in Cherokee National Forest, honoring Richmond Walton (Mrs. Julian) McCurry, former State Regent and Vice President General, Georgia's 1940 Jubilee Project.

Chapters submitting most outstanding reports: Atlanta, Elijah Clarke, Henry Walton and Council of Safety.

I deeply appreciate the wonderful cooperation of Georgia Daughters. My earnest message to you is to remember the Pledge to Conservation, second only to our Pledge to the Flag, and to practice conservation in your daily lives.

CORRECT USE OF THE FLAG

Mrs. Harry E. Talmadge

Forty chapters have sent reports on the Correct Use of the Flag this year. I wish to express my gratitude for the interest these chapters have shown and for the work accomplished. 450 Flag Codes have been distributed. One large and 152 small flags have been presented by chapters. Thirty chapters devoted an entire program to the Flag and one chapter sponsored an essay contest at school. Four Flag talks were given by the State Chairman and there were five newspaper and twenty radio items featured by chapters. One chapter found five United Nations flags but no United States flag displayed in a country school. These were replaced with United States flags.

The State Conference adopted three Resolutions on the Correct Use of the Flag.

D. A. R. GOOD CITIZENSHIP

Mrs. William E. Gray

In the fall letters were mailed to all chapters containing full information regarding the work of this committee.

Owing to a transition period in adding the twelfth grade, many high schools did not have graduating classes and were therefore ineligible.

48 chapters sent names of 90 good citizens. 90 certificates have been sent for presentation.

71 pilgrimage pins were purchased by 29 chapters for their good citizens.

The questionnaire method was used in selecting the state pilgrim. The committee grading papers reported marked improvement since this method was instituted three years ago.

Since this method was instituted three years ago. The State Pilgrim, Miss Betty Lambert of Joe E. Brown High School in Atlanta, sponsored by the Atlanta chapter, was guest of the Georgia Society, D. A. R. at the banquet on opening night. She was presented to the Conference at the evening session and was given a pilgrimage pin and a \$100 U. S. Savings Bond, Series G. by the President General, Mrs. James B. Patton, in behalf of the National Society, N. S. D. A. R. The "runner-ups" were Marjorie McClung, Sylvan Hills High, Atlanta, sponsored by the Atlanta Chapter; Frances Beach, Gainesville High, sponsored by the William Candler Chapter; Shirley Sanders, Jordan High, Columbus, sponsored by the three Columbus chapters; Ann Gage, Northside High, Atlanta, sponsored by the Joseph Habersham Chapter; and Betty Jane Tate, Hoke Smith High, Atlanta, sponsored by the Joseph Habersham Chapter. They were mailed five dollars each from the Georgia Society, in recognition of outstanding accomplishments.

Tomochichi Chapter sent the names of ten good citizens, and all ten questionnaires were returned by the school principals to the state chairman. For this splendid record Tomochichi chapter received the five dollar award offered by the State Chairman. The Atlanta Chapter, with eight names and seven questionnaires returned, placed second; and Joseph Habersham Chapter, with eight names and six questionnaires returned, won third place.

It is a source of deep gratification to report outstanding achievement in one of the major objects of our National Society, the training of patriotic citizenship.

D. A. R. MAGAZINE

Mrs. Sam Merritt

It is with a great deal of pride that I submit this last D. A. R. Magazine report to you. Having worked with this project under both Mrs. Yarbrough and Mrs. Wallace, I have acquired a feeling for the Magazine which will be hard to give up. I place it side by side with our beautiful buildings in importance and prestige to our Society, and am so happy to be able to say that Georgia has won two national prizes in Magazine work in the last four years. Under Mrs. Yarbrough we won the prize for the largest number of sub-scriptions in our national group, and under Mrs. Wallace we won the advertising prize last year. Both of these cash prizes went back into carrying on Magazine work, and though we sent in four full pages of advertising (Dawson, Milledgeville, Americus and Columbus) since last Conference, we cannot hope to get national recognition this year in that field. A look at your Magazine this year will explain why. We commend Miss Carraway for her untiring efforts to turn out a first-class publication and Mrs. Patton for her timely monthly column which is read as a regular part of the program in most Georgia chapters. I now announce that the Hightower award this year goes to Tomochichi Chapter with 32% of its members subscribing, and that the new Anne Douglas Wallace bowl goes to Atlanta Chapter with 15 brand new subscriptions in addition to old ones.

D. A. R. MANUAL FOR CITIZENSHIP

Mrs. D. M. Holsenbeck

Early in the fall, your chairman sent out questionnaires to every Chapter to report work accomplished by the D. A. R. Manual for Citizenship Committee. Many were returned with good reports, but, unfortunately, many chapters have very little outlet for D. A. R. Manuals when there are no people of foreign birth in their midst. The manuals are published primarily for distribution to the foreign born.

Naturalization courts are held twice a year in Atlanta, Macon, Columbus, Savannah, and several other towns where Federal Courts are held and there are applicants.

These D. A. R. Manuals are given in advance to the clerks of the courts to be distributed to these applicants when they apply for citizenship, in order that they may study before being examined. Your chairman asked one new citizen if she had a manual. She replied "Yes," and showed it to me, saying that she had been studying it for three years and that it had been most helpful.

The Atlanta Chapter had two naturalized citizens on television, one from Germany and the other from Austria. On this program, the D. A. R. Manual was displayed.

Last year, D. A. R. Manuals for Citizenship were placed in many schools and used as textbooks in civics classes. It is gratifying to know that these same manuals are being used again in schools this year for the same purpose.

Eleven hundred and four (1104) manuals were distributed to war brides, Federal courts, Vocational schools, Juvenile Courts, hotels, libraries, Smith-Hughes Vocational School (Americanization Class), to foreign born students at Emory University with a personal letter to each, to Fulton County prison camps, to community centers, and they were placed by the Council of Safety Chapter in Americus in hospitals, both white and colored.

Nathaniel Abney Chapter reported 2 radio broadcasts—the flag code from the manual was given, and also a program on citizenship. Thirty-two radio programs were reported, and 584 inches of publicity.

At a recent naturalization court, Howard Rappaport, aged four, from Canada, became a citizen of the United States. Under the most recent naturalization laws, parents may apply for citizenship for an adopted child after the new family member has lived in the United States for two years. If arrangements had not been made for his citizenship now, he would have had to wait until he was twentyone. Howard is the youngest person to apply for naturalization in North Georgia District Court. There was a seventy-one-year-old lady from Vienna, Austria, who was the oldest in the class to be naturalized.

The most outstanding work was reported by the Atlanta Chapter.

ERECTION OF MEMORIAL BELL TOWER AT VALLEY FORGE Mrs. Emory Prescott Cary

In August of 1951, I received Valley Forge Bell Tower Registers and letters of instructions for each Georgia Chapter, from Mrs. Benjamin Williams, the National Chairman for this committee. She wanted all the names of all the members of all the Chapters in the State to be listed in the books at Bell Tower. I had high hopes of each member being proud to place her name there for only a dollar but these hopes were soon cast out. Even my own Chapter fell down on the complete register because we felt we must concentrate our own efforts on the building fund in Washington. Other Chapters had other reasons for not giving. There were six bright spots, however, and they were the Henry Walton, the Nathaniel Abney, William Witcher, Lyman Hall, Commodore Richard Dale, and the Governor George W. Towns Chapter. They completed their registers with the names of the entire Chapters. Many thanks to you six Chapters.

In totalling up the gifts, here is how the Chapters stand: Atlanta Chapter, \$17.00; George Walton, \$14.00; Benjamin Hawkins, \$3.00; Baron DeKalb, \$30.00; John Laurens, \$5.00; John Floyd, \$25.00; William Marsh, \$10.00; Nathaniel Macon, \$10.00; and \$5.00 from their Junior Committee; Nathaniel Macon, \$10.00; and \$5.00 for the General MacArthur Fund; Colonel William Few, \$10.00; Sergeant Newton, \$7.00; Elizabeth Marlow, \$5.00; John Ball, \$2.00; Tomochichi, \$4.00; LaGrange, \$5.00; William Witcher, \$28.00; Sergeant Jasper, \$2.00; Lyman Hall, \$111.00; Commodore Richard Dale, \$39.00; Henry Walton, \$52.00 and \$5.00 for General MacArthur fund; Nancy Hart, \$10.00; General David Blackshear, \$7.93; Lachlan McIntosh, \$15.00; Hancock, \$15.00; Governor George W. Towns, \$24.00; Governor David Emanuel, \$10.00, and \$25.00 given by the State for the MacArthur Memorial. This adds up to \$558.93. I believe some Chapters will continue to add to this result. Two Chapters reported selling a total of fourteen boxes of cards.

It has been a privilege to work in this chairmanship and I do thank each person that has cooperated with me in making this a pleasure instead of a burden. We want next year to be an even better one.

GIRL HOME MAKERS

Mrs. Henry L. Ragan

I am happy to report that this year there has been a marked growth in interest and enthusiasm for Girl Home Makers' work in the chapters throughout the state.

Last fall each chapter received from me a letter and a handbook explaining in detail the work and activities of her committee.

From the 36 reports made to me I submit the following: 33 chapter chairmen; 13,292 hours in Volunteer Service given by members, which includes service to youth activities such as Church youth groups, Girl Scouts, speech school clinics, grade mothers, 4-H Clubs, youth centers, youth choirs, Junior music clubs, etc.;

\$187.25 given to youth activities; 23 G.H.M. clubs with a membership of 786 which includes clubs in Negro schools; 29 dress contests were conducted with 27 entered in the State contests, 2 of these made by Negro students; 11 chapters sponsored menu contests with 9 submitted to be judged.

Local prizes for contests included \$66.50 in cash, 6 pins, 3 thimbles, 1 cook book. Some chapters gave prizes to a student making best average in home economics, student making most progress in home economics and for most outstanding work in home economics.

Activities of Girl Home Makers' Clubs include: dress and menu contests, style shows, menu making for school lunch room, cooking, home improvements, gardening, household duties, poultry raising, baby sitting, child care, serving luncheons and dinners. Several chairmen visited home economics classes and talked to

students explaining general merits of G.H.M. work.

An article in The Atlanta Constitution last spring had a picture of a state winner of menu contest and explaining work of G.H.M. work in State.

The Lois Johnson Grier trophy was won by the Toccoa Chapter; Atlanta Chapter placed second; John Clarke Chapter third. Honorable mention, Gen. David Blackshear Chapter.

JUNIOR AMERICAN CITIZENS

Mrs. T. Alvin Rape

This is a very important work, and one which requires much time and study. This is an incomplete report, as I filled an un-

expired term and lost time trying to learn the work. Only six chapters have reported to me, but they are excellent. Henry Walton Chapter reports six clubs with six splendid teachers and 176 members. They have one chapel program a week. American music is taught. Each room has its own American Flag and standard. A \$5.00 yearly award, in honor of Mrs. Leonard Wallace, State Regent, was made to the club doing the most outstanding work. Joseph Habersham Chapter has 3 clubs, membership 686.

Wonderful work was done, with enthusiastic Chairman. Atlanta Chapter is doing a splendid work among the under-privileged children. The membership of 1788 has each received an American Flag, all Patriotic Days observed, American music sung at all meetings. Work of the Atlanta Boys' Club is so outstanding it has AGAIN received national recognition.

Baron DeKalb Chapter reports J.A.C. material used in all county schools. Ten schools used J.A.C. material from third grade up. Two schools used it in all grades. More material needed. 110 clubs, 7000 members.

Sergeant Newton Chapter in process of organizing clubs in schools.

JUNIOR MEMBERSHIP

Miss Olive Bell Davis

Outstanding in Junior Membership work in Georgia this past year is the organization of three new junior committees. At last year's conference in Albany I urged each Regent whose Chapter did not have one to form a Junior Committee. The Regents of Gov. David Emanuel Chapter with 8 members, John Benson Chapter with 17, and Oglethorpe Chapter with 26, organized their Juniors, making a total of 51 new members from just these three chapters.

The combined reports of the Junior Committees indicate that the total junior membership is now at 400 as compared with 325 last year. The approximate gain is 75 new members. In the past two years, it gives me pleasure to report a 50% increase in Junior membership.

Total amount contributed to the Building Fund is \$176.50. Total to Approved Schools is \$200. Tamassee received \$50, Kate Duncan Smith \$15. A \$50 Scholarship was sent Crossnore. Many large boxes of clothing from each Junior Committee were sent these Approved Schools. \$44 was sent the Helen Pouch Scholarship Fund. \$5 was sent Valley Forge. \$545.50 is the amount of money Georgia Juniors raised last year for all purposes.

The biggest percentage increase in membership was made by the Nathaniel Macon Jr. Committee, Mrs. Maurice B. Wynn, Chairman. This committee had 13 members last year and 25 this year for a percentage increase of 92%. They are very active in addition to membership. They sponsored a silver tea to raise \$15 for the Helen Pouch Scholarship Fund. They distributed for Junior American Citizens Clubs project 500 books for teachers, 800 books and 40,000 buttons for the children in the Bibb County Schools. With 20 prospective members, in a year's time the Nathaniel Macon Jr. Committee may become one of the largest groups in the State.

The largest Junior Committee in the state is the Joseph Habersham Chapter group with 52 members this year. This committee meets in the evening to enable their young business women members to be present. They sent \$50 to the Building Fund and \$10 to the Helen Pouch Fund. Mrs. Russell Stevens is their able chairman.

The Mary Hammond Washington Juniors have an active group with 28 members. They sent \$51 to the Building Fund, \$5 to the Helen Pouch Fund, \$15 to Approved Schools. Mrs. Frank Comer is the new chairman.

Atlanta Chapter Juniors, having won the largest net percentage increase in membership for the previous 3 years, still gained 5 new members in 1951-52. They gave \$10 to the Helen Pouch Fund and entertained 400 members of their Mother Chapter at the Christmas Party. Mrs. Edgar Lindgren, Jr., served as their most competent chairman.

Fielding Lewis Chapter Juniors, with Mrs. Perry Funk as Chairman, have a fine committee with 21 members. They have paid in full their Building Fund pledge, sent \$40 to Tamassee and given a scholarship to Crossnore. It is interesting to note that the First Aid course of the Red Cross was taken by this group. The Cherokee Chapter Juniors, with Mrs. Arthur Waite, Jr., as adviser, gained 6 members for this year for a total of 17 and raised \$35 for the chapter Building Fund by selling Christmas wrapping paper.

The Henry Walton Junior Committee has 7 members with Mrs. Graham Ponder as Chairman. They have taken part in most of

the Chapter's activities. The Nancy Hart Juniors also participated in chapter activities. Mrs. Walter Williams, Jr., is their chairman. Junior Committee members will serve as pages for the Georgia State Conference and several Juniors will serve as pages at the National Congress in Washington. A Junior Banquet will be held in Washington on April 13.

It is gratifying to see three new Junior Committees organized in the state this year. Every one of the 89 chapters should have a Junior Committee. No matter how few juniors you may start with, if the Regents will appoint an active Junior Chairman, we think she will receive rewarding results in even a year's time. If the members will believe in their junior membership possibilities, they will flourish.

MEMBERSHIP

Mrs. Sam M. Merritt

The following report is based upon official information obtained from the office of Treasurer General in Washington over a period of one year:

Members on roll in Georgia Chapters, Feb. 1, 1952 Members at large	5757 28
Total	5785
Increase over last year's report	9

MOTION PICTURES

Mrs. A. S. Varn

As soon after my appointment in November as the information could be obtained and prepared, it was sent to the chapters. In addition, the list of Films on Early American History, the booklet from the Children's Film Library and the Joint Estimates of Current Motion Pictures have been sent.

Information on the Best-Film-for-Children Award project was sent but only seventeen chapters sent votes. Fifty-two chapters reported on the regular work. Eighteen of these were inactive. Of the 34 active chapters, twenty-five have a chairman; twentyfour use the Guide or Magazine in chapter programs, one chapter had a Motion Picture program at each meeting, five used films in chapter programs, five had speakers. One chapter gave five programs at C.A.R. meetings, using films.

Fourteen chapters urged teachers to use the approved list of films; sixteen urged theatre managers to show pictures for children; eight placed the D.A.R. Motion Picture Guide in schools and libraries. One chapter placed the booklet from the Children's Film Library in the schools where it is used in selecting films.

One chapter reported Motion Picture courses in schools; im-provement in pictures was noted by ten chapters, none, by three. Three chapters noted communism in seven pictures; four reported theatre managers using films from Children's Film Library, but some stated that this was not in cooperation with this Committee. Twelve chapters used patriotic films, seven used documentary films. Types of pictures reported in order of popularity were musicals, comedies, westerns, classic and drama.

Five chapters reported reviewing pictures. Two hundred and two films were reviewed. Nine films were recommended to be sent abroad to present good American ideas.

Although the above-mentioned material was sent to the chapters, it is felt that it was too late to be of much help, and that the activity reported by the chapters was on their own initiative. It would seem that the reports should be good next year, and deep appreciation is expressed for the co-operation received by this chairman.

NATIONAL DEFENSE

Mrs. T. Earle Stribling

The year just ended has not been as spectacular as either 1950 when the state rescinded a world government petition, nor 1951 when Elijah Clarke Chapter publicly challenged the proponents of world government with a full page statement in the local newspaper. But the state as a whole has been more national defense conscious in 1951-52 than in any previous year. The program of the national society has received complete cooperation with more chapters participating. At the fall board meeting a resolution was adopted asking the Georgia General Assembly when it met in January 1952 to pass a resolution calling for the repeal of the sixteenth amendment which gives the national congress the power to assess taxes without any limit put on them. I am happy to announce that the state general assembly has adopted such a resolution and the governor has signed it. This resolution calls for a constitutional amendment which will limit the federal taxes on income, estate and gift taxes, except in time of war, to 25% believing that taxing above that figure represents confiscation.

As State Chairman I have visited the chapters where I spoke of the work of this committee, at meetings and over the radio. The topics most frequently requested were the preservation of our constitutional freedom and the drastic changes which have occurred in our textbooks and educational system. The chapters are alerted to the dangers of these enemies of our form of government which guarantees us certain economic and political freedoms. Many letters were written to lawmakers, resolutions adopted and dispatched, outstanding programs planned and well informed speakers secured. Textbooks and history courses were checked, medals and prizes awarded for citizenship and history, and full community cooperation given. The chapter regents' reports will list these activities but it seems proper that some recognition be given in this report to those chapters who have done outstanding work in some phase of national defense as outlined by the national chairman under whose guidance we work.

ELIJAH CLARKE gave 2000 copies of the Story of the UN and UNESCO to school principals and P.T.A. groups and kept a chapter file of all defense material. LACHLAN McINTOSH distributed more than 1500 pieces of national defense literature, had 184 inches of publicity to attract public attention to the dangers confronting this nation and the efforts of the D.A.R. to combat same. ATLANTA gave copies of Flynne's "Road Ahead" to libraries, schools and churches at a cost of \$25.00 to the committee. The effective action of their legislative committee is here noted. JOHN BENSON presented twenty-five (25) defense programs to other patriotic and civic organizations. COMMODORE RICHARD DALE and NANCY HART each awarded fifteen (15) Good Citizenship medals and DOROTHY WALTON awarded fourteen (14). BARON DE KALB gave two \$25.00 savings bonds for the best essays on the United States Flag and the Development of the United States during the Revolutionary War. HENRY WAL-TON and KNOX-CONWAY reported exceptional support and cooperation of their local press. The latter chapter had a column appearing under the heading "Knox-Conway Chapter D.A.R. Speaks," always giving some timely message. The following chapters had 100% election voting strength: ADAM BRINSON, COL. WILLIAM FEW, COMMODORE RICHARD DALE, GEN. GEORGE W. TOWNS, JOHN CLARKE, KNOX-CONWAY, TOCCOA. All chapters showed a high percent of the members voting. MATTHEW TALBOT distributed to each member a questionnaire with the request that they answer in order to determine their knowledge of voting and of their representatives in the U. S. Congress. A copy of these fine questions have been forwarded to the national defense office. This chapter also checked on the high school seniors eligible for voting. A fine citizenship project. JOHN BENNING was recognized by the national defense secretary in the D.A.R. Magazine for sponsoring an editorial "Guarantees of Freedom" in the local press. I am confident that this list is not complete. A few chapters did not file their report so all work is not recorded. The reports were graded and judged by a person familiar with the work of the committee and whose residence is outside of this state. Her decision follows:

1, ATLANTA CHAPTER; 2, LACHLAN MCINTOSH CHAPTER; 3, ELIJAH CLARKE CHAPTER; 4, JOHN BENNING CHAPTER. It gives me pleasure to award the National Defense Trophy to the Atlanta Chapter.

And now that I have reached the end of my four years of service as your state chairman of this committee, I wish to thank you for your cooperation and loyalty. Let us now make a pledge together which we will keep in the years to come, "This is our country, America—Its homes are still free and its people still brave—I pledge myself to its keeping." If we do this then the same spirit of '76 will prevail in '52.

PRESS RELATIONS

Mrs. Neil Glass

There were approximately 17,354 inches of publicity, an increase this year of 4,618 inches, and 91 pictures in 181 newspapers in the state, with reports coming from all 87 chapters. The D.A.R. Magazine published activities of eight Georgia chapters and six feature articles by Georgians, including a special Georgia Edition. A Press Relations scrapbook of newspaper clippings sent by the chapters was compiled.

Knox-Conway Chapter, Ashburn, is cited for initiating a weekly patriotic quote in their local paper titled "Knox-Conway Chapter Speaks"; Elijah Clarke Chapter for publishing a full-page expose of the dangers involved in world government; Augusta Chapter for the large number of pictures and historic articles published in their local papers; Lachlan McIntosh Chapter for an article requesting the ringing of the church bells on Independence Day which resulted in the mayor's proclamation to that effect; Henry Walton Chapter, Madison, for an article telling of special work with Junior American Citizens Clubs in Morgan County; and the Atlanta Chapter for the publication of a news quarterly, "The Sun Dial."

As a courtesy to the President General at State Conference, the Atlanta Chapter published a "Welcome to the President General!" issue of "The Sun Dial." Pre-Conference press releases have been sent to the three wire services in Atlanta, including the Associated Press, the United Press, and International News Service, and to twenty-four Georgia newspapers. A take-homefrom-Conference news sheet will be distributed by the Press Relations Chairman.

PROGRAM

Mrs. Oscar McKenzie

Fine response and enthusiastic approval of the Program Outline received from 46 chapters. All observed special historical dates in some way. Eleven chapters used slides. Your Chairman spoke at six chapter meetings. Other speakers included many prominent politicians, ministers, lawyers, teachers, and members of D.A.R. and other patriotic organizations. Several fine musical numbers were presented on programs.

It was a great pleasure as well as educational value to have served.

RADIO AND TELEVISION

Mrs. Claude E. Fitts

This has been an encouraging year. Chapters have responded with enthusiasm, but how I would like to see real zeal, and the fight needed to sell Americanism to an ever sleeping citizenship!

We are fortunate in Georgia. The radio industry welcomes good programs. It takes time and planning to prepare a good program, but we feel compensated after we have presented a radio program. The radio industry has time, and will give it to us if we have timely, interesting and informative programs.

Last year I told Georgia Regents I would like for the Georgia Daughters to be on the radio at least 365 times—or one radio program for each day in the year. We have done even better than that—we were on the air 420 times. That is encouraging—but—

We have 88 chapters in Georgia today, and only 47 chapters made reports. Just think of the good that could have been accomplished if 88 chapters had had radio programs. True, we have chapters in towns without radio stations, but few chapters are located more than 30 miles away from a radio station, and nearby stations are usually generous with their time.

The chapters have been cooperative. I hope next year every chapter will feel its responsibility to tell the world why and how our capitalistic system of government works. We do not need to tamper with our American Way of Life, for it brings happiness, security and self-respect to all who enjoy it.

security and self-respect to all who enjoy it. 47 Chapters made reports, 33 Chapters have radio chairmen, 147 Broadcasts, 266 Spot announcements, 7 Television Programs. 420 TOTAL TIME ON AIR. \$4,841.15 Cost of time donated by Radio Stations.

18 programs in cooperation with patriotic and civic groups, 4 transcriptions, 4 programs featuring National Officers, 10 programs featuring State Officers, 10 programs featuring State Chairmen, 1 program used from program office, 3 programs submitted to program office, 3 programs accepted.

Radio program presented at each State Board Meeting

- 2 radio programs State Conference
- 2 television programs State Conference
- 8 programs planned by State Chairman
- 17 programs in cooperation with Standing Committees.

TRANSPORTATION

Mrs. Ben Brown, Jr.

This Committee combined with telephone has played an out-standing part in D.A.R. work, because due to chairmen there has been a marked increase in attendance. Chapter reports have been fine and most gratifying. Let me

thank again each chairman for her splendid work in this field.

Most of the regents have made plans to attend the State Conference in Atlanta. Many plan to attend Continental Congress in April.

The various railroads have promised to supply each regent information on rates, schedules and general transportation.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. John H. Boston

It is indeed a pleasure and a privilege to bring you a report of the splendid work the Daughters of the American Revolution in Georgia have accomplished for the American Merchant Marine Library.

Books of the highest order, magazines and checks have been given by practically every chapter in the State. Letters from Mrs. George Roosevelt's headquarters in New York and Mrs. Wooten's in Charleston, South Carolina, have been received expressing their deep apprecation to the D.A.R. of Georgia for their generosity.

These gifts brighten the lives of our boys, who are facing danger and death to preserve our priceless gift of freedom. To make strong the pillars of America, that we may be one beautiful commonwealth, bound not by fear, not by law, but joined together by one desire for human happiness and brotherly love: and within all, and above all, the eternal quest for God of our Fathers praying for Peace for all nations of the world.

COLLECTING AND PUBLISHING HISTORY OF GEORGIA'S REVOLUTIONARY SOLDIERS

Mrs. Herschel Willoughby Smith

As Chairman of Collecting and Publishing the records of Revolutionary Soldiers of Georgia, I make this report:

Interest in the work of collecting records of our Georgia Revolutionary Soldiers and a realization of its importance to the advancement of our Georgia Society has had a gradual and consistent growth for many years, and this past year has been no exception. Almost every chapter submitted a report, with John Benson Chapter, Hartwell, sending in report on forty Georgia Revolutionary Soldiers. I wish that space permitted a detailed report of records from each chapter.

One of the fundamental purposes of the National Society is the preservation of records. In future years many hundreds of Georgians may depend upon the records of our Georgia Revolutionary Soldiers for available proof.

Your Chairman compiled the MARRIAGE RECORDS of Jackson County dated from 1797 to 1860. Marriage Records are also stressed in the State work.

CONFERENCE PROPERTIES

Mrs. T. K. Kendrick

At the close of the D.A.R. Conference held at the Ansley Hotel, Atlanta, Georgia, the D.A.R. properties were checked and turned over to Mrs. Carter Shepherd, the newly-elected State Curator, to be stored until the next Conference.

These properties included the following: two flag poles, two silk American flags, one silk D.A.R. flag, three flag holders, two gold cords, one gold eagle, one gold spear, insignia with extra light bulbs, page ribbons and various other badges used at the Conference.

It has been a pleasure to serve as your Chairman of Conference Properties.

COOPERATIVE RELATIONS BETWEEN D.A.R. AND S.A.R.

Mrs. Edwin W. Allen

The Committee on Cooperative Relations between the Daughters of the American Revolution and the Sons of the American Revolution wishes to express appreciation to the Chapters which have so ably assisted in forming S.A.R. Societies and in filling out papers for new members and transfers from the C.A.R. Joint programs with speakers from the S.A.R., and social functions have been enjoyed during the year by various chapters and societies. It gives me great pleasure to present the award for Cooperative Relations between D.A.R. and S.A.R. to the LaGrange Chapter for their outstanding program and dinner given with sixty-three Sons and Daughters present.

FILING AND LENDING

Mrs. J. W. Bush

A number of papers containing a diversity of subjects—Commemoration of Patriotic Days, Biographies, Birthdays of American Patriots, and other subjects of historical and National interest both enlightening and inspirational—were received by your filing and lending chairman.

After careful consideration the prize of Five Dollars was awarded to BARON DEKALB CHAPTER for the most acceptable papers for filing and lending.

I sincerely appreciate the cooperation and response of the chapters that sent papers for Filing and Lending and hope that during the coming year many more will participate in the preservation of important historical documents. It has been a pleasure to serve as your State Chairman of Filing and Lending.

GEORGIA D.A.R. BOOK PLATES

Mrs. Herbert Fay Gaffney

The Book Plate work in our State chapters grows steadily, and more smaller chapters are placing them in their libraries, some in chapter rooms of different schools, others in chapter and public libraries.

We have very many calls for individual plates, that the D.A.R. books in private libraries may carry the honored marking. Enough plates are in my possession to furnish additional requests and the price remains unchanged. See Proceedings for price list.

HELEN ROGERS FRANKLIN TROPHY

Mrs. Thomas J. Sappington

The reports that came to me from the State Chairman and the Chapter Regents were gratifying, and showed a broadening interest in the recommended D.A.R. work.

After much deliberation, the decision of the judges was unanimous. The Helen Rogers Franklin Trophy, based on general excellence, was awarded to the Atlanta Chapter, Atlanta, with special mention of the Henry Walton Chapter, Madison, and the Baron DeKalb Chapter, Decatur.

May I express my appreciation to the Chapter Regents for the splendid work that was done the past year.

LUCY COOK PEEL MEMORIAL FUND

Mrs. W. F. Dykes

We planned to send more advertising folders to genealogical libraries in July and August when meetings were over for the summer. I crushed my wrist and haven't been able to do anything, so we have a poor report this year.

Our members take so little interest in their State books. If each member would try to sell one book, how much it would help! We must pay the State the money we borrowed.

Only five chapters reported having paid honor roll requirements: John Benson, Henry Walton, Mary Hammond Washington, James Pittman, and Atlanta Chapter. Joseph Habersham gave \$10.00 to this fund. In May the State Treasurer credited \$80.00 on our debt. I have in my account \$50.50 which I will send to the treasurer in May. We have \$50.00 to be applied to loan. I wish to thank every chapter that bought Vol. V, Historical Collections of the Georgia D.A.R., and hope other chapters that do not have it will send me an order soon.

We have Membership Roll and Register of Ancestors, Georgia Society Daughters of the American Revolution for sale. Mrs. Vivian Walker, Regent of Mobile Chapter, gave me the Alabama Membership Roll and Register of Ancestors. I presented it through the Joseph Habersham Chapter to be placed in State D.A.R. Library. Let's all be book agents and sell our books.

MARIAN SIBLEY WYLIE VICTORY FUND

Mrs. John J. Cummings

Early in the year your State Chairman wrote each Regent asking them to place this scholarship on their budget. Due to the fact so many chapters have been working on the building fund there were not too many contributing. This year only ten chapters responded, having sent the State Treasurer \$25.00.

The award of \$5.00 which I offer will this year be divided between the Atlanta and Joseph Habersham Chapters, each having contributed \$5.00.

Baron DeKalb, \$2.00; Mary Hammond Washington, \$3.00; Henry Walton, \$1.00; Joseph Habersham, \$5.00; Lyman Hall, \$2.00; Dorothy Walton, \$2.00; Hannah Clark, \$2.00; Governor John Milledge, \$2.50; John Benson, \$1.00; and Atlanta, \$5.00.

This fund has grown over a period of ten years to the amount of \$1,560.00.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. Talbott Chandler

We should lend our efforts to this important phase of our D.A.R. work for, with each passing year, it becomes more difficult to verify unmarked graves of our Revolutionary soldiers.

Only two chapters in Georgia have been able to mark these graves during the past year. Others have ordered markers, but have had them delayed. The Cherokee and Atlanta chapters, however, report marking one grave each. John Ball and Henry Walton chapters report having located two graves each. Baron DeKalb reports finding the grave of Phillip Brooks. Joseph Habersham reports the graves of William Brooks and his son, Wilson, who served in the same regiment. They are buried at Lexington, Ga. Governor Jared Irwin Chapter reports three graves located, those of Jared Irwin and John Lawson Irwin in Washington County and one other.

Nancy Hart has found four graves.

The Atlanta Chapter is to be commended for reporting with full details on five graves in Georgia and a possible three in North Carolina not previously found. Those of Andrew Armour and his brother, unmarked but verified graves in the town cemetery of Greensboro, Ga., and the two Georgia graves of her ancestors as reported by Mrs. Dance, namely, Thomas Preston, buried eight miles east of Monroe in Walton County, Georgia, and John Collins, buried in Mars Hill cemetery near Acworth in Cobb County, Georgia. She also reports the graves of John Berry, John Cox and Isaac Holland, buried in North Carolina. This chapter marked with appropriate ceremonies last May the graves of Captain Thomas Heard, located in Greene County, Georgia.

Compiling our list we report two graves and nineteen located.

Your chairman has compiled to the best of her ability, with the aid of a list from Mrs. Howard McCall, a list of sixty-three graves that she thinks may not be on file in Washington and has forwarded it to the Reporter General to Smithsonian Institution. She hopes these additional names may bring Georgia's list up to date.

McCALL GENEALOGICAL FUND

Mrs. Howard H. McCall, Sr.

It is a pleasure and a privilege to serve as your chairman of this Fund, and to see our D.A.R. Library grow with each passing year. Our books have been recently catalogued and cards placed on file through the kindness of Mrs. Mary Givens Bryan, now State Director of the Georgia State Department of Archives and History. A change has been made in the placing of our Library; we now have our books in the two genealogical rooms, where they are used constantly by many research workers.

The original records sent in by the chapters and bound by this Fund are most valuable, and many rare genealogical and historical books have also been purchased by the Fund. This year four bound books of original records have been sent to the National D.A.R. Library in Washington, D. C., and seven books have been bound and placed in the Georgia D.A.R. Library. The chapters are urged to send two copies of the original records to the Genealogical Records Committee.

The State D.A.R. has unanimously endorsed a bill to be presented at the next session of the State Legislature, "to build a fireproof annex to the Rhodes Memorial Hall, our State Department of Archives and History building." It is absolutely necessary to have a fireproof building, as the many valuable State books and records are now in Rhodes Memorial Hall. Our D.A.R. Library contains not only many books of original records but rare and valuable books, many now out of print, which if destroyed, could never be replaced.

So it is of the utmost importance for our D.A.R. members to be vitally interested in this bill and to work for its passage. It is of vital interest, also, not only to the State to preserve its valuable records but to every member of our organization to be interested in safeguarding our own collection of valuable records and books.

MEADOW GARDEN

Mrs. Lester V. Stone

This time I do not come to you with solicitations, but with many, many thanks, for I know that you will agree that this is the best report on Meadow Garden since the purchase of the place fifty-two years ago.

The purchase of the longed for tract of land in front of the house is now history. It consists of sixty feet long and one hundred and forty-seven feet wide. The joy of acquiring it entails much more than was anticipated, as abstracts of deeds had to be made for fifty years or more, and we needed a lawyer, which was found in Mr. Julian J. Willingham. After much anxiety, as to financing the services of one so capable, imagine my happiness again to learn that his services were graciously donated, as his wife is one of our prized members and a past regent. I have appeared before the City and the State and County Boards of Assessors, and was assured that property will be tax exempt.

Now we are laboring for the money for a fence, that we will be all fenced in and beautified.

If there were any who were not wholeheartedly in accord with the purchase of this land, just come and see! You will then agree it is one of the most outstanding accomplishments that the State has had a part in, as Meadow Garden is nationally recognized and as property of the Daughters of the American Revolution.

. I sincerely thank all the chapters for their cards and contributions.

A complete report from our local treasurer is enclosed with report.

ATLANTA CHAPTER, ATLANTA

Mrs. George H. Connell, Regent

Since State Conference last March our Chapter has spent a busy and enthusiastic year. Truly, "Through the united efforts of officers and members much earnest work has been done."

National Defense work has been stressed. Realizing that our

young people must be taught United States History in order to become good American citizens, and in order to preserve our constitutional form of government, a resolution was sponsored in the Georgia legislature requiring the study of United States History for one year in the high schools and colleges of the state. This resolution was a follow-up of the resolution passed last year at the Georgia Society, D.A.R. Conference.

Six history medals have been awarded to outstanding American history students. Eight D.A.R. Good Citizenship pins will be presented to high school seniors, and we are indeed happy that Atlanta Chapter for the first time sponsored a prize winning State Pilgrim this year. Three National Defense Good Citizenship medals have also been given.

Radio and television programs have proved invaluable means of keeping the public informed as to the observance of patriotic anniversaries.

Realizing that America must have good homes in order to endure, we have taken an active interest in Girl Home Makers Clubs and have worked with the home economics departments in schools in our area.

As always, the work of the Children of the American Revolution has been near and dear to our hearts.

Regular chapter meetings have been held each month during the year except in July and August. The 60th anniversary celebration last April 15 was a truly happy occasion. Sixty years of progress in our chapter and in the city of Atlanta was the theme for our chapter year book.

Two innovations have been made during the year in order to make our chapter members better informed D.A.R. members. A bulletin board has been placed at the Chapter House where current correspondence and notices may be called to the attention of all. Second, we began the issue of our quarterly newssheet, which contains highlights of Chapter activities.

One of the highlights of the year was the receipt of \$25.00 at Congress in April, 1951, as the Chapter in the Nation having obtained the largest amount of advertising for the D.A.R. Magazine. It was a thrill for the Regent to receive this award on the stage of Constitution Hall immediately preceding the arrival of General Douglas MacArthur and his party.

The Hightower Award requirements were met. and contributions were made to all D.A.R. projects, as well as boxes of clothing and Christmas gifts to the two D.A.R. schools.

Of great pleasure and interest was the visit in December of Mr. Ralph P. Tyson and his lovely wife from Kate Duncan Smith School. Accompanying them were two of the students who gave a musical program. This was the Tysons' first visit to a Georgia Chapter.

Also, an interview between our high-ranking State Officers and the Press was arranged, and excellent publicity was given the D.A.R. Members regularly attend Naturalization Court. Welcome cards are distributed to new citizens. Plans are already being formulated for a committee on Americanism to hold a series of classes for those candidates desiring more information, and for the prime purpose of teaching citizenship to our naturalized citizens.

Meadow Garden is always one of our Chapter's foremost projects. This shrine is open each Wednesday, November through May. Our committee has done commendable work to add much to the beauty of this historic spot. The annual Washington's Day tea was a great success. The free offering netted more than \$50.00.

Suggestions

1. Collect books, magazines, pamphlets, maps, documents, manuscripts, and other material suitable for an historical and genealogical Library.

Consult the catalogue of the Library of the National Society of the Daughters of the American Revolution. Visit Historical and Genealogical Libraries. Read Library reports in D.A.R. Magazine.

- 2. Encourage gifts of books, as memorials, and in honor of the living.
- 3. As genealogy is the personal side of history, preserve genealogies of families, wills, deeds, marriage and birth records, tombstone inscriptions, and other source material. Record community, county, and state history if not in print. Write biographies of Revolutionary soldiers, and others. Write the histories of interesting buildings and places; homes, schools, and churches, if not published. Illustrate with pictures and drawings, and put in scrapbooks. Preserve letters and diaries of historic interest.
- 4. Make pilgrimages to places of historic interest, and record their history, if not in print.
- 5. Hold exhibits of furniture, rugs, silver, porcelains, glass, old jewelry and laces, pictures, paintings, prints, miniatures, daguerreotypes, silhouettes, books, quilts, hand-woven speards and other old textiles, old wall-paper, costumes, or parts of costumes, as buttons, buckles, and fans. Have lectures on these articles, and preserve a record of them. Admission may be charged, if desired.
- 6. Many other suggestions will occur to each chapter. Undertake what is most feasible.
- 7. Distinguish between proven history and legend.
- Consult trained Librarians and teachers for plans for children. Other suggestions heartily welcomed.

MINUTES OF THE ANNUAL MEETING, MARCH 18, 1952

The Twenty-third Annual Meeting of the Georgia State Officers' Club, National Society, Daughters of the American Revolution, was held at the Piedmont Driving Club, Atlanta, Ga., on March 18th, 1952, at 12 o'clock, with Mrs. James B. Patton, President General N.S.D.A.R., as guest of honor. The luncheon tables were beautifully decorated with arrange-

ments of marguerites flanked with gold dust gladioli and fern. The "marguerites" were flown from California as a special tribute to the President General, Marguerite C. (Mrs. James B.) Patton. The place cards were the official D.A.R. insignia cards.

The president, Mrs. Howard H. McCall, Sr., called the meeting to order, extended cordial greetings and presided in a most gra-cious manner. She expressed the regret of all present that the first vice president, Mrs. Mark Smith, was absent on account of illness. Mrs. Smith is also Honorary State Regent, a past vice president general from Georgia, and is now serving as the National Chairman of Conservation, N.S.D.A.R. Mrs. McCall stated that a telegram of loving greetings had been sent to Mrs. Smith; also a corsage of marguerites, identical to those worn by the President General and other distinguished guests, to wear at the time of the luncheon.

Mrs. Eli A. Thomas, chaplain, gave the invocation. Distinguished guests were introduced by the officers of the club at the request of the President. Mrs. James B. Patton, President General, was presented by Mrs. Leonard Wallace, State Regent of Georgia, who read a poem written by Mrs. Daniel Hickey and dedicated to Mrs. Patton. The President General responded in a few gracious words. Mrs. Henry A. Ironside, former State Regent and past Vice President General from Georgia and now serving as Vice President of the National Officers' Club, was pre-sented by Mrs. Henry B. Earthman, Second Vice President. A telegram from Mrs. William H. Becker, National President of the National Officers Club, was read by the Secretary, Mrs. R. L. Carter.

Miss Gertrude Carraway, Vice President General from North Carolina and Editor of the Daughters of the American Revolution Magazine, was introduced by Mrs. Young Harris Yarbrough, Vice President General from Georgia, and Treasurer.

Mrs. Nathan Russell Patterson, former Vice President General from Oklahoma, was introduced by Mrs. J. Harold Nicholson, Third Vice President.

Mrs. McCall presented two Georgia Daughters, members of the Club, who have been honored in other National organizations, Mrs. Thomas C. Mell, Honorary National President of both the National Society Daughters of Founders and Patriots of America and of the National Society Daughters of the American Colonists; and Mrs. Lucius W. McConnell, Honorary President National of the National Society U. S. Daughters of the War of 1812.

Mrs. Smith Goodwin Fallaw, State Regent of Alabama, was presented by Mrs. Parks Lee Hay, Auditor.

Mrs. Vivian Walker, member of the Alabama State Officers' Club, was introduced by Mrs. Lucius W. McConnell, Historian.

Mrs. Walker, of Mobile, Ala., is the daughter of one of our members, Mrs. James D. Cromer, whose National D.A.R. number is 3043.

The Georgia State President of the Children of the American Revolution, Mrs. Arthur Mallory, was presented by Mrs. John Faver, Corresponding Secretary.

Mrs. McCall presented two distinguished Georgia D.A.R. members, Mrs. Zeno I. Fitzpatrick, President Emeritus of the Board of Trustees of Georgia's own Tallulah Falls School, a member of the Atlanta Chapter and associate member of the Tomochichi Chapter of Clarkesville, Ga.; and Mrs. Charles E. Thomas of Warner Robins Military Air Base Field, Ga., who had recently returned from Japan, a member of the Pulaski Chapter, Griffin, Ga. Mrs. William L. Percy, Corresponding Secretary at the time Mrs. McCall was State Regent, and Miss Alice May Massengale, who served as State Editor were presented

Mis. McGan was State Editor, were presented.
Mrs. W. F. Dykes, Honorary President of the Club, presented two Honorary Presidents, Mrs. John S. Adams, who served as President 1948-1950; and Mrs. Max E. Land, who served 1936-1939. Mrs. Land read the poem "OUR MARGUERITE," dedicated to our President General, Mrs. Patton, and written by Evelyn N. Sherrill, Washington, D. C. Mrs. Dykes served as President 1939-1942.

Telegram of love and greetings from Mrs. Ober D. Warthen, former Vice President General from Georgia, who was absent on account of illness, was read by the Secretary. The President introduced her three guests, the Regents of two Atlanta, Ga., Chapters, Mrs. George Connell of the Atlanta Chapter, and Mrs. Lytle D. Burns, Jr., of the Joseph Habersham Chapter; and Mrs. Ransom Burts, Regent of the Cherokee Chapter, of Brookhaven, Ga.

In the name of the Club, Mrs. McCall presented to our President General, Mrs. Patton, a book, "The Hero of Hornet's Nest," the life story of Georgia's most famous Revolutionary Soldier, General Elijah Clarke, written by Mrs. James E. Hays, a former member of the club. Mrs. Patton accepted the gift in a gracious response, expressing her love and appreciation of the Georgia Daughters.

The delightful occasion was closed with the singing by the entire group, led by Mrs. Yarbrough, with Mrs. Sam Merritt at the piano, of that beautiful song, "May the Good Lord Bless and Keep you, Till we meet again."

After the guests withdrew, a very short business meeting was held. No reports were given as the State Executive Board meeting had been called for 2:30 o'clock by the State Regent.

The meeting was opened with an impressive Memorial Service to one of our members who had passed away May 21, 1951-Mrs. Claude C. Smith (Lucile (King) Thomas). A tribute was read by Mrs. R. L. Carter, and prayer was offered by Mrs. James B. Key.

Mrs. R. L. Carter, and prayer was offered by Mrs. James B. Key. The report of the Nominating Committee, composed of Mrs. Max E. Land, chairman, Mrs. W. F. Dykes, and Mrs. John S. Adams, was given by Mrs. Land. There being no nominations from the floor, the following (see below) were unanimously elected. Mrs. McCall, retiring President, was presented a beautiful radio by the members of the Club. Mrs. W. F. Dykes made the presenta-tion in the absence of Mrs. Mark Smith.

Mrs. McCall accepted the gift, with appreciation for the love and thoughtfulness of the members during the past two years. Motion made and carried—"that the corresponding secretary

write to Mrs. Mark Smith expressing our love and regrets over her illness and also how delighted we are to have her as the newly elected President of our Club."

The year 1952 marks Mrs. McCall's fiftieth anniversary as a member of the Daughters of the American Revolution, and this meeting of the Officers Club under her leadership was one of the largest, in point of attendance, in the history of the Club. Fifty members and guests were present.

Upon motion, the meeting adjourned.

REPORT OF GEORGIA SOCIETY CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Arthur E. Mallory, President

On the following pages are the reports of the Georgia C.A.R. Societies. They reveal varied activities, informative programs, and worthy contributions to C.A.R. projects.

Two new C.A.R. Societies were organized at a joint meeting in Homerville; the Charles Griffis of Pearson with a membership of six, and the Magnolia of Homerville with a membership of seventeen. These Societies are sponsored by the John Floyd D.A.R. Chapter, Mrs. E. J. Smith, Regent. I had the pleasure of being present and installing the new officers. Six Societies are in the process of organization having their Organizing Senior Presidents and their names confirmed by the National Society.

Fourteen C.A.R. were transferred into the D.A.R. while eightyeight new members were gained. Georgia has seventeen National Promoters and forty-seven State Promoters. Two issues of the Cherokee News Sheet were published. Mr. Arthur E. Mallory, National Promoter, gave \$100.00 honoring the State President to be used for a piece of furniture to be purchased for the National President's Office.

On August 18th with seventeen Georgia C.A.R. I was present at the first Southeastern Regional C.A.R. Meeting which convened in Birmingham, Alabama. The 1952 Georgia State C.A.R. Conference met in Macon March 28-29 by invitation of the Benjamin Hawkins C.A.R. Society. Mrs. Harry Lee Jackson, C.A.R. Vice President of the Southeastern Division was the distinguished guest speaker. On the first afternoon an historic tour of Macon honored the members. There were one hundred and forty-seven present. When the National C.A.R. Convention was held in Washington, D. C., April 18-20 I attended with a delegation of nineteen Georgia C.A.R. During the year I visited eight C.A.R. Societies and made talks on C.A.R. to two D.A.R. Chapters. Also, I represented the Georgia C.A.R. at the State D.A.R. Conference and the State D.A.R. Executive Board Meeting.

This has been a busy year filled with hours of hard work, but one of the happiest I have ever spent. It is with pleasure that I announce the appointment of Mrs. George Connell, 2508 Dellwood Dr., N.W., Atlanta as the next State President.
