REPORTS OF STATE OFFICERS

STATE REGENT

Mrs. John F. Thigpen

It is with pride and deep appreciation that your State Regent submits her final report of your splendid achievements. Last year nine awards came to Georgia. Our Junior American Citizens work was outstanding and we were also cited for quantity of genealogical records furnished, radio and television telecasts and spot announcements, and magazine advertising. Our loan funds were the largest in the nation and contributions to the Helen Pouch Scholarship Fund were third in the Southeast.

Perhaps the highest honor received at Congress was when our candidate for Vice President General, Mrs. Robert H. Humphrey, polled the largest number of votes cast. It was an enjoyable experience to place her name in nomination.

Progress again this year has been shown in many phases of our work, details of which will be reported by the State Chairmen. Membership is now at its peak in spite of the loss of 100 Daughters by death. It is to be regretted that two chapters of long standing requested disbandment; however there is consolation in having acquired a new chapter this year which has almost doubled its organizational membership. Strenuous effort was made to increase mother-daughter-granddaughter and sister combinations, a project of the national chairman of membership, our own Mrs. Humphrey.

The observance of Constitution Week was well publicized. Georgia Daughters busied themselves weeks in advance and several large public meetings were held with prominent speakers. A framed copy of the Constitution, a gift of our National Society, was presented to the Secretary of State in a ceremony at the State Capitol. This occasion was attended by a large group of Daughters as well as invited guests and state officials, and was reported by the Associated Press.

American History Month was also widely observed. 900 essays on the Monroe Doctrine were written, one winning first place in the Southeastern District.

Approved Schools, the ultimate of our D.A.R. endeavors, received very special attention. Georgia Daughters believe in sharing with others less fortunate and in helping prepare young people to meet the problems of an ever-changing and complex world. The Hightower awards proved again to be a stimulus for chapters giving on a per capita basis. Also the state project, a \$5,000 endowment scholarship at Tamassee named for the State Regent received some sizable contributions. This project needing only \$750.00 to reach the goal. A total of \$7,038.43 was sent to Tamassee in various money gifts, most of which were for scholarships.

Acknowledgment with grateful thanks is due Mr. Scott Candler, Secretary to the Georgia Department of Commerce, and Mr. Claude Blount, Commissioner of Roads and Revenue of DeKalb County, for their hospitality in entertaining our out-of-state guests at the Approved Schools Bus Tour Luncheon held in the American Legion Country Club at Avondale Estates. Both gentlemen brought greetings and Mr. Candler, known for his inimitable wit and his excep-

tionally fine stories, made a talk which was acclaimed as the highlight of the trip by many of the visitors.

In an effort to create renewed interest in our fall meetings and to vary the program, the State Regent proposed a two-day Forum for the benefit and information of all members, particularly chapter officers and chairmen. This meeting was held in Atlanta and was well attended.

The State Regent went to Washington for three National Board meetings, the Continental Congress, visited the two D.A.R. schools and the Berry Schools; planned and presided over the luncheon for the Triennial Approved Schools Bus Tour, the Atlanta Forum, and the State Fall Board Meeting at Jekyll Island.

One of the greatest privileges incident to the office of State Regent is that of visiting chapters. The many gracious courtesies extended in her visits to 36 chapters this year provided a never-to-be-forgotten experience and the friendships she made compensated for the many miles traveled, the voluminous desk work, and the hours spent in preparation for the talks to promote the work of our organization. She is grateful to each and every Chapter Regent and hostess who entertained her during the past two years.

Appreciation is also due the State Officers who were her shield and buckler and whose loyalty and cooperation were unfailing, and to the State Chairmen for faithfully fulfilling their duties and wholeheartedly supporting each endeavor. The encouragement and guidance of the Honorary State Regents were of much value and the State Regent is greatly indebted to them; and for the confidence, cooperation and inspiration of all who lent a helping hand, to say a mere "thank you" is far too insufficient for the gratitude she would like to express.

It has been a privilege and honor to have served the Georgia Daughters as their Regent, and it is my sincere hope that the record we have written will merit a feeling of satisfaction and happiness in the knowledge of a hard job done faithfully and well.

STATE FIRST VICE-REGENT

Mrs. Harold I. Tuthill

As State First Vice-Regent, I attended the Forum in Atlanta conducted by the State Regent, and had the honor of taking part in the ceremony attending the presentation of the handsome framed replica of the Constitution to the State of Georgia. I also attended the State Board meeting, the State Conference, the Continental Congress and the Fall State Board meeting. And in the capacity of State chairman of National Defense I was the guest speaker at several chapter meetings, speaking on the Constitution and National Defense. I should again like to express my appreciation for the hospitality extended to me.

The chapter regents and the chairmen of National Defense are to be commended for their excellent reports, covering so many phases of this vitally important work. I consider it a privilege to have served as chairman of this committee and to have worked under the capable and gracious leadership of our State Regent.

STATE SECOND VICE-REGENT

Mrs. Sam Merritt

It has been a pleasure and an inspiration to work with Mrs. Thigpen and Mrs. Tuthill as my superiors. Their calls on me have been light, and our associations in the fine work of the DAR have led to results which I hope have been satisfactory.

As the work of State Second Vice-Regent is allied with that of Approved Schools Chairman, I have accepted all invitations where no conflict existed, and have visited twenty chapters and made talks on behalf of the schools. I wish to thank the chapters for their splendid co-operation and their many courtesies to me.

In Washington, I attended Continental Congress of 1957, and assisted Mrs. Tuthill in her preparation for the Georgia Dinner, and on Thursday of Congress I spent the day working at Constitution Hall on the Teller's Committee to which I was appointed by Mrs. Groves.

I have been honored to serve as State Second-Vice Regent of the Georgia Society.

STATE CHAPLAIN

Mrs. Talbott B. Chandler

Your Chaplain attended State Conference and several chapter meetings last spring. However the duties of Chaplain at the Fall meetings were carried out by others who could attend. For this help your Chaplain is most grateful. Other duties have, for the most part, been taken care of through correspondence. Around 350 letters and cards have been sent.

It is with sorrow we report that Georgia has lost 100 of her Daughters since February, 1957.

May I take this opportunity to thank you for the many invitations and other courtesies extended me. It has been a real privilege to serve you under the gracious leadership of our State Regent.

STATE RECORDING SECRETARY

Mrs. Harry E. Talmadge

The State Recording Secretary began the year's work by attending Continental Congress and serving there as personal teller for Mrs. Robert H. Humphrey, Georgia's candidate for Vice-President General.

It was the pleasure of the Recording Secretary to entertain the Proceedings Committee at the annual meeting. The State Proceedings materials were edited and made ready for the printer. This compilation of material was placed in the printer's hands June 5th, 1957. Three copies of the proof were proof-read and the Proceedings was sent out in August.

The minutes of an executive meeting in Atlanta, the Fall Board of Management meeting at Jekyll Island and those of the State Conference at Athens were recorded.

It was the privilege of the Recording Secretary to serve as Chairman of the 1958 State Conference in Athens at the Georgia Center for Continuing Education.

Many cards and letters were written, also phone calls made in efforts to obtain all reports and materials for the Proceedings. Visits to three Chapters were made and talks given. The Recording Secretary attended the D.A.R. Forum in Atlanta and the Presentation of the framed copy of the Constitution at the State Capitol as well as the Approved Schools Luncheon in Decatur.

STATE CORRESPONDING SECRETARY

Mrs. H. Benson Ford

As State Corresponding Secretary, it has been my pleasure this year to attend the forum in Atlanta, the fall meeting at Jekyll Island, the Spring meeting at Athens of the State Board of Man-

agement, and the Sixtieth Annual State Conference; to be the guest of a number of Chapters at their meetings and also to be present at the dedication of several historical markers over the state.

During the year, general correspondence and such special correspondence as the State Society, the State Board of Management, or the Executive Committee has directed, has been mailed on schedule as follows: the May letter of State Regent (90) and blanks for new officers (270); the fall letter of the State Regent with program of forum in Atlanta instead of usual Regional Meetings (180); notes following forum (16); invitations to the Fall State Board of Management meeting at Jekyll Island (180); Finance Report (112); the State Regent's January letter (180) and credential blanks for State Conference (240); State Conference invitations (200) and invitations to Talmadge Reception (200); Invitations to Regent's Breakfast (20); Conference Programs (300) notes following conference (21); miscellaneous correspondence, reports, telegrams and telephone calls.

Serving as Corresponding Secretary has been a privilege under the capable leadership of our gracious State Regent.

STATE ORGANIZING REGENT

Mrs. John Crane Peteet

Georgia's newest chapter, Captain Thomas Cobb, was organized November 22, 1957 in College Park with Mrs. Louis Bahin as Organizing Regent.

Mrs. John D. Messer qualified as Organizing Regent of a chapter at Hogansville but due to economic conditions in that area, was unable to complete the organization.

It is with regret that I announce the disbandment of the Sarah Dickinson Chapter at Newnan and the James Monroe Chapter at Forsyth.

Letters were written to every town in the state where there was a possibility of organizing a new chapter. A great many were interested enough to be Organizing Regents if they could have had the necessary support of the women in their area. However, there is a definite possibility of another new chapter being organized this year.

STATE CONSULTING REGISTRAR

Mrs. T. K. Kendrick

In September letters of information and questionnaires were sent each chapter for the regent, registrar and membership chairman. Requests were made for corrected cards on each change in the membership roll in order that the files might be kept up to date.

Twenty-five inquiries from persons out of the state concerning information about membership records were answered.

It was a privilege to be the guest speaker of several chapters during the year. As State Consulting Registrar, I have attended forum meeting, State Board of Management meeting and State Conference.

Files kept by the Consulting Registrar on membership are as complete as possible with information obtained from chapters.

It has been a privilege to serve the Georgia Society and the State Regent in this capacity.

STATE HISTORIAN

Mrs. J. Lawrence McCord

Seventy-six chapters reported observing American History month including Constitution, National Defense, and American History. Historical anniversaries observed by fifteen chapters. 35 Essays written on the life of Theodore Roosevelt. 45 children of 4th grade were taught history courses, and good citizenship by their teachers. 900 high school pupils wrote essays on the James Monroe Doctrine on celebration of the James Monroe Bicentennial Year. Three essays were selected for final selection. Of these, one was selected to compete for the grand prize during the N. S. D. A. R. Congress in Washington, D. C. in April. The winner from the 6 Districts will be announced.

The Recording Secretary, Mrs. Harry Talmadge will announce the winner from Georgia. Historical books, chapter and county histories written and placed in Georgia Archives and the National D.A.R. Library.

Documents given to Repository of Americana, cash donations to Restoration Fund, Washington, D. C. for the N.S.D.A.R. Society.

Proclamations regarding History month by the Governor of Georgia and Mayor of Atlanta, both carried in three Atlanta daily papers.

One chapter made tape recording of complete history of Atlanta, Ga. for the blind. Microfilm Fund, \$25 given to Georgia D.A.R. and Memorial Tablet, \$53.10 for Library. Original documents and historical material catalogued and \$20.00 placed in libraries and Archives, posters and maps made of historic places in Georgia.

Flag was observed by many cities and communities at request of D.A.R. members. Stephen Heard Chapter, Elberton contributed 76 original Court House records, containing wills, deeds, oath of office by first Sheriff, a resident member sworn in as an American Citizen in 1720. These documents are some of the most valuable papers the Ga. Society has received. They have been placed at the Georgia Department of Archives and History to be laminated and returned to the Stephen Heard Chapter, Elberton.

Morgan County celebrated Sesqui-Centennial of 150 years. Record of early settlers dating from 1742 of Madison, Ga.

American History Certificates given, 141; medals, 60; historical programs by adults, 20; school children, 5; historical broadcast, 14; observation of History month, 17.

Revolutionary Soldiers graves marked, 11, 1 located; D.A.R. members graves marked, 5; highway markers, 5; old covered bridges, 3; historic spots marked, 40; Flag Day observed, bible records, old wills and deeds recorded by many chapters and old cemeteries marked.

I am happy to report statues of William Few and Abraham Baldwin are being made by the famous sculptor Bryan Baker, and will be ready to be dedicated in Georgia's Hall of Fame by the Fall of 1958.

It is with deep regret that I can not be with you to make a full

report of the wonderful work and activities of many chapters. The many invitations and courtesies extended me as your Historian are deeply appreciated.

To Mrs. John F. Thigpen, Regent, whom I have known and loved for many years, I can only say "Thank you, for the privilege of serving you and the Georgia Society of the N.S.D.A.R." My sincere congratulations to the in-coming officers and as a loyal D.A.R. member I pledge my best effort and support.

STATE LIBRARIAN

Mrs. Ben I. Thornton

The request made by your State Librarian at the D.A.R. Forum, at the fall meeting of the State Board of Management and by letter to each chapter resulted in receiving the names of 77 chapter librarians.

Interest of chapters centered more in local library work as 77 chapters worked with the community libraries. D.A.R. book sections are maintained in local libraries by 55 chapters and of this number 12 chapters established book shelves for the first time. Two chapters gave their entire collection of genealogical books to their home libraries. Hours of service have been given by chapter members who serve on library boards, in assisting local librarian with story-telling hour, in conducting study groups, in driving Bookmobile and in raising funds for better community library facilities. One chapter member has made 24 patriotic tape recordings of 15 minutes each and these have been given through her chapter to the Library for the Blind. A fifteen minute radio review called "Library notes" is given monthly by another chapter.

A total of \$1,086.75 has been reported by chapters for the purchase of historical and genealogical books, microfilms and library equipment for local libraries and \$67.00 for book fund for State D.A.R. Collection at Rhodes-Memorial and for the National D.A.R. Library.

In addition 5 books have been added to the State D.A.R. Collection and 8 books, 1 microfilm and 12 pamphlets valued at \$125.00 have been sent to the National D.A.R. Library. Very few books on the requested list have been located although 42 chapters reported publishing this list in local newspapers.

Outstanding library work has been done by Joseph Habersham, Mary Hammond Washington, Benjamin Hawkins, Cherokee, Nancy Hart and Baron de Kalb chapters.

The State Librarian's award of \$5.00 is given to Benjamin Hawkins chapter for sending the largest number of books to the National D.A.R. Library, and this chapter was first to send a requested book.

The Porter Trophy is awarded to Nancy Hart chapter and honorable mention to Cherokee chapter.

Ten following books have been sent to the National D.A.R. Library:

"STEVENS-DAVIS AND ALLIED FAMILIES. Marie S. W. Wood. HISTORY OF PULASKI AND BLECKLY COUNTIES, GEORGIA 1808-1956." Virginia S. Harris. Vol. I and Vol. II.

"THE MacFARLANE FAMILY AND COPY OF D.A.R. DATA OF HEARD FAMILY." Augustus C. Felton.

"THE COLONIAL CLERGY OF MARYLAND, DELAWARE AND GEORGIA." Frederick L. Weis.

"BLACKSHEARIANS GENEALOGY, HISTORY ANECDOTES."

"WEST POINT ON THE CHATTAHOOCHEE."

"THE YARBROUGH FAMILY."

"HISTORY OF JONES COUNTY, 1807-1907." Carrie Williams.

"PROCEEDINGS OF THE GEORGIA STATE SOCIETY OF THE NATIONAL SOCIETY DAUGHTERS OF THE AMERICAN REVOLUTION." 1956-1957 (2 copies).

1 Microfilm—"THE MOONS AND KINDRED FAMILIES," by J. W. Moon from the Atlanta Chapter.

STATE CURATOR

Mrs. Arthur E. Mallory

It is with pride and gratitude that I submit the State Museum report.

In September my letters concerning the activities and objectives of the Museum were mailed to all Chapter Regents in duplicate. It was my privilege to attend 1957 National Congress in Washington, all State Executive Meetings and the 1958 State Conference. As a guest of the Atlanta Chapter I spoke to the group on the Museum. Amount collected for the Museum Maintenance Fund this year was \$52.00; Orchid and Grandma Moses Cards sold totaled \$38.75; Art Fund, \$3.00; Archives Room, \$2.00; Repairing of old Pictures, \$2.00. Literature on Museum was distributed and talks were presented at many chapter meetings.

Baron De Kalb and Thronateeska Chapters held Antique Exhibits featuring priceless heirlooms. Henry Walton Chapter assisted in the Sesquicentennial Celebration of Madison in many important capacities.

Mrs. S. M. Page Rees, Regent, presented through Atlanta Chapter to National D.A.R. Museum a rose and cream silk dress with cream hand made lace at neck and sleeves of overdress, deep rose red cloth shoes, a fan of rose red petals on ivory sticks, a piece of shell comb, and an old silk badge with inscription "Welcome LaFayette the Nation's Guest" all worn by her great-grandmother, Harriett Brewster Caldwell at a reception given in Newburg, New York to General LaFayette in 1825. Harriett Brewster was her father's hostess during her mother's illness and after her death. Her father Samuel Brewster, Jr. was then a State Senator. He and his father, Samuel Brewster, Sr. both served in the Revolution. The home of her mother, Freelove Williams was the unofficial headquarters of Gen. LaFayette.

Two Revolutionary War rifle balls found on battlefields at King's Mountain, North Carolina, and Cowpens, South Carolina by Colonel Thomas Spencer in 1920 were accepted by the National D.A.R. Museum from the Joseph Habersham Chapter given the Chapter by Colonel Spencer. One rifle ball from King's Mountain was dug from a hard pine tree which was on the battlefield. The other ball was found near the present marker on the battlefield of Cowpens.

After careful consideration the judges decided that Atlanta Chapter be awarded the Sara Morrow Trophy for sending the most valuable Colonial relics to the Museum.

It has been a pleasure to serve the State D.A.R. as Curator under the capable leadership of our State Regent, and I have enjoyed my affiliations with the loyal Georgia Daughters.

COMMITTEE REPORTS

NATIONAL COMMITTEES

AMERICAN INDIANS

Mrs. Florine D. Gibson

Late in August, after receiving the wishes of the National Chairman of American Indians Committee, letters were sent to all Chapter Regents and Chapter Chairmen, outlining the year's goal and work, stressing the need and importance of our work with these Americans. Seeking to have a better yard stick to properly evaluate the work done by the chapters, the questionnaire was set up to fully show the amount of work and monies contributed. Practically the same number of chapters returned questionnaire, also almost the same number having chairmen. However, though there was not a great increase in these points, the amount and quality of work and monies showed a great increase over last year. Without exception each chapter reported that they felt better acquainted with this work and the concern for schools and advancement of the American Indian. In the summer one chapter asked for material, and worked up a splendid T.V. program. Others had radio programs. Several reported this committee reported at every meeting; others visited mounds and museums; plays, pageants, music and poetry were presented; some had exhibits at schools. More money and better clothing was sent to the two Indian schools: Bacone College, and St. Mary's High School, St. Mary's showing the greatest increase. In response to pleas from the National Chairman, a second letter was sent to chapters asking them to have a Silver Tea or free-will offering at the February meeting, celebrating great Americans. Many responded, but results will not get in this report. Total amount of money sent to both schools: (\$444.75); \$299.75 to St. Mary, and \$145.00 to Bacone; Special Fund \$129.75. Clothing totaling \$1,052.30 was sent to both schools. Commodore Richard Dale and Fort Early Chapter tied for the award. Honorable mention to Joseph Habersham, Oglethorpe, Col. William Few. Working with the chapters was a greater pleasure than the year before, and my thanks to each chapter and chairman who did such splendid work.

AMERICAN MUSIC

Mrs. T. Ayer Hatcher

It was a compliment to be asked and to lead the singing of the National Anthem at the State Conference in Savannah. A pleasure to lead the group in singing "Our Georgia," the Georgia Waltz composed by James B. Burch, Thomasville.

A most outstanding event which I attended last year was sponsored by the Lachlan McIntosh Chapter, Savannah, when a concert of American Patriotic and Historic Music was presented by the Savannah Symphony Orchestra. This is an example of the many cultural activities which all communities can enjoy, when other organizations of a city co-operate with the Chairman of the American Music Committee and the local Chapter of the Daughters of the American Revolution. I urge you to spearhead such a program in your community.

I attended the fall and spring meetings of the Georgia State Board of Management and the National Congress. While in Washington, I attended two meetings of State Chairmen of American Music with the National Chairman presiding.

I enjoyed attending a number of chapter meetings in the state, giving a program and an outline of work to be accomplished this year. Also, I appeared on television and radio giving a program of not less than 15 minutes on each.

The response for the "Directory of Musical Talent" in the chapters has been good. I have received several papers on American Music that were read at your chapter meetings, which were excellent. There is a request for more of them to be placed in the Library of American Music.

There are noticeable improvements in the interest of the music chairmen and in the musical programs over the reports of last year. Among the group are Nathaniel Abney, Oconee, Atlanta, Augusta, Commodore Richard Dale, Tomochichi, Brier Creek, Governor David Emanuel, Lachlan McIntosh, Benjamin Hawkins, St. Andrews Parish, Major General John Twiggs and many others.

The "Directories of Musical Talent," papers and programs that you sent me will be forwarded to the National Chairman to be placed in the Library of American Music.

AMERICANISM AND D.A.R. MANUAL FOR CITIZENSHIP

Mrs. Charles C. Bush

In September letter and questionnaire in duplicate were mailed to all chapter regents, with self-addressed, stamped card enclosed for prompt return with chapter chairman's name. 43 chapters reported, following closely as possible the questionnaire prepared by the National Chairman. Many chapters are in small communities and have no opportunity to meet the requirements outlined by our National Society, but they make a splendid effort in presenting programs on Americanism by having speakers of recognized ability and by use of the informative articles in our National magazine. To these chapter regents and their chairmen with so much resourcefulness and interest in this Committee, to Mrs. C. A. Harris, Chairman, D.A.R. Manual for Citizenship and her vice-chairmen, the State Chairman expresses her gratitude. 88 members worked with the Naturalization Courts; 66 visited naturalization, Americanization and night schools; 5 presented awards, taught and arranged for night schools; 74 members gave address of welcome to new citizens. Presentation was made of 458 flags and flag pins with identification card for each new citizen, 153 Welcome Cards and 411 miscellaneous gifts. 3 chapters sponsored teas and luncheons; 8 assisted in registering and voting; 35 new citizens in their homes, took them to church, recreation centers, historical spots and invited them to chapter meetings. 1 chapter conducted classes for foreign-born in conversational speech; 17 worked to reduce illiteracy for which there were placed in libraries and community centers 172 books, 1,147 magazines. 1 chapter reports 2,000 hours given by a member for work in slum areas. 201 prizes were presented for essays.

All chapters recite American's Creed at meetings. There were 77 programs and 7 slides stressing Americanism. 457 members studied Immigration and Nationality Act. There were speakers from Department of Justice, offices of District Attorney and Solicitor General. Talks were given by natives of France and Rumania. There were 16 programs presenting new citizens; 43 talks given

by chapter chairmen to chapter and other organizations; 77 radio programs, total value \$1,124.40; 32 TV programs, total value \$5,-030.00. The most outstanding programs were sponsored by Augusta, Cherokee, Commodore Richard Dale and Toccoa Chapters. All chapters reporting observed Constitution Week, it being noted that since the initiation of the observance of the week by the National Society, this program is gaining strength and momentum. Many hours were required in telephone calls, personal contacts and arrangements for programs, speakers and exhibits. \$1,612.30 were spent on the work of the Americanism Committee. There were 1,113 1/2 inches of publicity. Cash award of \$10.00 with membership over 100 is awarded to Cherokee Chapter, Atlanta; cash award of \$10.00 to chapters with less than 100 members, to Commodore Richard Dale, Albany. Honorable mention goes to the following chapters: Atlanta, Augusta, Bainbridge, Baron DeKalb, Benjamin Hawkins, Bonaventure, Brunswick, Button Gwinnett, Col. William Candler, Council of Safety, Governor David Emanuel, Governor Treutlen, Joseph Habersham, Lachlan McIntosh, Lyman Hall, Mary Hammond Washington, Nathaniel Abney, St. Andrews Parish, Savannah, Stephen Heard, Toccoa, Tomochichi, Thronateeska.

SUB-COMMITTEE—D.A.R. MANUALS

Mrs. C. A. Harris

The National Vice Chairman, D.A.R. Manual for Citizenship suggested in her letter last fall that it would be wonderful if chapters could place one Manual in each school library in America. Many school libraries in Georgia are benefitting from this idea because chapters responded when your State Sub-Committee chairman presented the plan to them.

36 chapters placed 1,303 Manuals with persons applying for Citizenship; G. I. Brides; Libraries; Scouts; Foreign born. 548 inches publicity; 3 editorials; 4 pictures were reported. New citizens were interviewed on radio and TV programs.

Keen interest was shown in the large number of members attending Naturalization ceremonies. One member, a history teacher, took 20 pupils to a ceremony held in Columbus December 20. A total of 619 flags were given by the 3 chapters in Columbus to new citizens. Throughout the State chapters gave flags, flag codes, songs and other mementos after ceremonies. Augusta Chapter and the District Chairman, assisted by the International Club YWCA entertained 77 newly naturalized citizens at a tea.

One chapter regent, a teacher, is instructing a young man from Ecuador as he prepares to become a citizen; Albany Chairman and Regent visit all new citizens in the area; one chapter featured displays in 5 store windows previous to Naturalization ceremonies; new citizens were welcomed in churches and prayers requesting a better understanding and more willing aid to foreign born made.

Atlanta District placed the largest number of Manuals with Marietta second and Augusta third. Waycross District sent in the largest contribution for school libraries with Marietta second and Richland and Augusta tied for third.

Your Chairman had has 6 "right hand men" as Vice Chairmen to guide the distribution of Manuals over the State into proper channels. To our State Regent, Mrs. John F. Thigpen goes the credit for her wise selection of the following who served: Mrs. Charles M. Davis, Atlanta; Mrs. E. O. Scharnitzky, Augusta; Mrs. H. M. Dixon, Richland; Mrs. L. L. Allgood, Toccoa; Mrs. Fred P. Odom, Waycross; Mrs. M. B. Woodliff, Jr., Marietta.

APPROVED SCHOOLS

Mrs. Sam Merritt

Eighty-five chapters report they have a special chairman of approved schools. Over \$400 worth of school-made products were reported purchased by members or their families. Sixty chapters sent clothing valued at \$6,252.58 to Tamassee. Forty-five chapters sent clothing valued at \$3,934.73 to Kate Duncan Smith. Twelve chapters sent boxes to Crossnore valued at \$850.29. Other chapters reported boxes to Hindman and Maryville. Total value of boxes to all schools as reported was \$12,037.60.

Seventy chapters reported sending scholarship money to schools. This includes the fine work done for the Ethel Pritchett Thigpen Scholarship which will be reported on by Mrs. Buchanan. Some of the more substantial gifts of scholarships were reported as follows:

Cherokee, Kate Duncan Smith, \$50; Cherokee, by Mrs. Claude E. Fitts in memory of Mildred P. Holman, \$200; Cherokee, in memory of Josephine B. Davis and Ollita C. Mulholland, \$200; Cherokee, honoring the Regent, Mrs. Fitts, \$200; Cherokee, medical scholarship by Junior Membership Committee, \$50; Joseph Habersham, Mrs. Madison Bell Scholarships at Tamassee, \$750; Governor John Milledge, Crossnore, \$100; Baron DeKalb, Kate Duncan Smith, by Mrs. Henry Newton, \$100; Baron DeKalb, Kate Duncan Smith, by Mrs. Milton Scott, \$100; Baron DeKalb, Kate Duncan Smith, by Mrs. Robert Watkins, \$50; Baron DeKalb, Tamassee, by Mrs. Henry Earthman, \$100; Jared Irwin, Sandersville, Tamassee, \$100; John Houston, Kate Duncan Smith, \$100; John Houston, Tamassee, \$400; John Houston, Berry, \$300; Burkhalter, Warrenton, for local girl at Berry, \$25.

Other gifts to schools include \$500 cash by John Houston to Tamassee for linens; \$82 cash to Berry and \$100 to the Allene Groves Cottage Fund at Tamassee. Three memorial acres were reported purchased: two by Cherokee, one honoring the Regent, Mrs. Claude E. Fitts, and one by Mrs. Fitts honoring Mrs. Carter Prather; one by Benjamin Hawkins honoring the memory of Cora Toombs Redding and Addie Helms Worrill. These acres are valued at \$40 each.

Some of the largest cash totals sent by chapters to the schools were: John Houston, total cash, \$1,664.00; Joseph Habersham, \$1,638.00; Cherokee, \$1,093.20; and Baron DeKalb, \$715.00.

Although these large gifts are always welcomed, small gifts by chapters with fewer members or more limited means should not be minimized; they help immeasurably in swelling totals, and no gift is too small. Since the totals to approved schools lists are on the audit sheet, they will not be repeated here. The grand total of clothing and cash sent by all chapters in Georgia to all approved schools is \$21,888.91. An increase of \$6,075.31 over last year's report.

It is fitting to express thanks herein to Mrs. Rees, Regent of Atlanta Chapter, for her fine collection of school data assembled over a period of years. Her interest is appreciated.

The award for largest cash amount sent Berry which is given by the chairman goes to John Houston Chapter which gave a total of \$382.

The Dykes Cup goes to Joseph Habersham for best work at Tamassee.

CHILDREN OF AMERICAN REVOLUTION

Mrs. Francis B. Elmore, Sr.

For report see C.A.R. Report

COMMUNITY SERVICE

Mrs. W. E. Bostwick

Community services rendered by members of the thirty-four chapters reporting this year make a thrilling story in the annals of the Georgia Society of the Daughters of the American Revolution. 818 listed members gave 52,388 hours on work projects. All seem to be members of the Red Cross and to support with their time and personal contributions the various fund drives for health and welfare agencies.

131 members gave active group leadership to Girl Scouts, Camp Fire Girls, Tri-Hi-Y, etc. with an estimated 4,322 hours listed. Many taught Church School classes; directed choirs; helped with church youth camps, etc. Free lunches, campships, scholarships, and other donations were given to help underprivileged and handicapped children. Work in juvenile homes, in homes for aged, blind, deaf, etc., was reported. Many hours of service were given in hospitals, in Veterans Rehabilitation work, service centers, etc. Cash

prizes were given and silver thimbles in a number of sewing competitions. Declamation prizes, essay contests, sewing prizes, and one for the greatest improvement in band music were given negro youth in the state.

Only a few chapters reported contributions to our D.A.R. Occupational Therapy Scholarship Fund, so we hope improvement will be shown next year in this area.

A letter was sent in the fall to each regent with a copy for her Community Service Chairman outlining the work of this committee as suggested by the National Chairman. As no report blanks were provided the chapters, the reports compiled and sent in were doubly appreciated. All showed excellent work done. The Georgia Society may take courage from the fact that its present membership is not basking in the reflected glory of a splendid heritage but is living up to that heritage by rendering a like service in the present age to insure a great future generation.

CONSERVATION

Mrs. William H. Smith

The State Chairman sent two copies of letter and questionnaire to each Chapter Regent in August. In February cards were sent Chapters as reminders that reports were due. Most reports were rewarding and encouraging. My deep appreciation to all who cooperated.

Activities engaged in by Chapters or members are as follows: 32 Chapters had programs on Conservation; 11 showed slides; 14 Chapters distributed literature in schools, totaling over 2000 pamphlets; 8 shared slides or films; 8 worked with 4-H Clubs; 11 sponsored JAC Clubs, many members enrolled. One paper on Conservation considered so good has been sent to National Chairman.

Fourteen chapters planted trees on highways, one chapter cares for shrubbery on two mile highway; 13 planted trees on city streets; 17 beautified parks; 14 cared for churchyards; 15 school grounds; one school planted approximately 1,000 pine seedlings. These plantings embraced about 621 shrubs, 1000 cuttings, 2917 bulbs, and 5421 shade trees. Three chapters observed Arbor Day. Fourteen chapters' members engaged in reforestation; twenty-one chapters stressed prevention of forest fires. Twenty-six chapters have members engaged in planting pine seedlings, number planted 1,919,481.

Soil Conservation. Twenty-three chapters have members who reclaimed land, one chapter reclaimed 135 acres; 25 chapters planted permanent pastures; one chapter reported 1740 acres planted under Conservation guidance; members of 14 chapters dug ponds and lakes, many stocked with fish. Members of 20 chapters engaged in preventing soil erosion.

Twenty-one chapters planted food for birds, berry trees, 3100 bi-color Lespedeza plants and other grain. One chapter works with Girl Scouts to make "chick-a-dee" puddings for birds. Feeding stations are maintained, one chapter has 34. Members of 7 chapters endorsed laws protecting wild animals. Members in 3 chapters endorsed bills pertaining to Conservation. Members of six chapters sought means to prevent stream pollution. Fourteen chapters placed books or pamphlets in libraries.

Benjamin Hawkins Chapter members sponsored Conservation poster contest by Vocational Agricultural Department, later during year the Soil Conservation Service sponsored essay contests and members of this chapter acted as judges.

Peter Early Chapter will establish a park at Covered Bridge,

Kohelee Creek, land to be donated by Mr. J. H. Williams as memorial to wife, Fanny Askew Williams, a past regent of chapter.

Atlanta Chapter members toured Martha Berry School; saw evidence of reforestation; other conservation work. Later visited plantation near West Point; saw permanent pastures planted; land reclaimed; erosion prevented; ponds being dug, and pine seedlings planted.

Food conservation: vegetables canned, 1081 qts.; frozen, 1776 pounds; fruit canned, 80 qts; frozen, 140 pounds. Meats frozen, 2884 pounds. One chapter has 12 vegetable gardens.

State Chairman's first award to Peter Early Chapter, second to Cherokee Chapter, and third to Benjamin Hawkins Chapter; honorable mention to Atlanta Chapter, John Clarke Chapter, and Stephen Heard Chapter.

D.A.R. GOOD CITIZENS

Mrs. Ralph A. Lovelace

60 chapters reported; 202 Good Citizens sponsored by chapters; 202 Certificates of Award presented Good Citizens; 170 Pins presented; 189 questionnaires returned. The questionnaires requested Good Citizens to list their school home, church, and community activities—further education, life work. Stressing patriotism, the contestants were asked to write 100 word essay on "My Responsibility as an American Citizen."

Wannell Thomas, Patterson, student at Patterson High School, sponsored by Lyman Hall Chapter, won the 1958 State D. A. R. Good Citizen. At the opening session of State Conference a \$100 bond and a State Winner D. A. R. Good Citizen Pin was awarded to her by the State Regent in behalf of the National Society. Each first place District Winner was awarded \$5.00 by the State Society. District winners with sponsoring chapters are as follows: Claire Strickland, Baron DeKalb; Barbara Moore, Colonel William Candler; Sara Jeanne Swan, Captain John Wilson; Joy Goode, Hawkinsville; Annie Huie, LaGrange; Ruth Wilson, Thomasville. State Chairman's Award of \$5.00 to Chapter sponsoring greatest number of Good Citizens was won by Joseph Habersham Chapter.

D.A.R. MAGAZINE

Mrs. J. Carleton Vaughn

I am most happy to report a much brighter picture for our magazine sales this year. We show an overall gain of 31 subscriptions over last year. This does not reach the quota as set up by our national office. However, from the 32 chapters reporting to me, there is encouraging evidence that chapter chairmen and regents are pushing the DAR Magazine throughout our state. Most of the chapters qualifying far exceeded the 20% Honor Roll requirement.

The proportion of new subscriptions has risen sharply also. I feel that Baron DeKalb, Joseph Habersham, Xavier, Savannah and Augusta should be commended for their efforts to secure new subscriptions.

I appreciate the interest that the chapters are showing in our Magazine. Several chairmen sent in very complete records. I want to call attention especially to the model reports of the following: Mrs. F. Dunbar Grist, Magazine Chairman of the Peter Early Chapter, Blakely; Mrs. P. W. Ferguson, Chairman of Cherokee Chapter, Atlanta; and Mrs. William E. Hayes, Chairman of Joseph Habersham Chapter, Atlanta. These included, along with required in-

formation, a complete list giving names and addresses of subscribers. Such a list is needed in every chapter. Mrs. J. Gordon Elliott of Xavier Chapter, Rome, reported the names by date of subscription. This idea also is of great value for renewals.

Two awards were offered this year. The Magazine Chairman's award of \$5.00, offered to the chapter having the largest number of DAR Magazine subscriptions on a per capita basis, goes to the Commodore Richard Dale Chapter, with a percentage of 71. The \$5.00 award offered to the chapter securing the largest number of new subscriptions goes to Joseph Habersham Chapter for their 31 new subscriptions.

D.A.R. MAGAZINE ADVERTISING

Mrs. J. C. Holton

Last fall letters, containing full information regarding the work of this committee, were mailed to all Chapter Regents—one for the Regent, and one for the chairman of D.A.R. Magazine Advertising. Each Regent was urged to send the name of her chapter's chairman to the state chairman. Of the 89 chapters, only 14 responded.

Sixty-one chapters have sent ads to the magazine this year, from the minimum \$5.00 ad—for Honor Roll requirement—up to \$427.50, a total of \$1185.00. The Baron DeKalb Chapter wins the \$5.00 prize offered for sending the largest number of ads and money.

The Oconee Chapter deserves Honorable Mention, for, with a membership of twenty-one, and only ten of those active members, thy sent in two pages, which appeared in the February Magazine. This chapter offers a challenge to all chapters, and especially those with much larger memberships, and greater potentialities for securing ads.

Chapters sending \$5.00 ads were: Andrew Houser, Atlanta, Augusta, Benjamin Hawkins, Bonaventure, Brier Creek, Brunswick, Button Gwinnett, Captain John Wilson, Colonel William Candler, Edmund Burke, George Walton, Governor David Emanuel, Governor John Milledge, Hannah Clarke, Henry Walton, John Benson, John Clarke, John Houston, Joseph Habersham, Mary Hammond Washington, Nathaniel Abney, Peter Early, Stephen Heard, Thronateeska, Vidalia, and William Witcher.

The following chapters sent \$7.50 ads: Commodore Richard Dale, General Daniel Stewart, John Ball, Lachlan McIntosh, Toccoa, Xavier, and Nathaniel Macon.

Other chapters sending ads were: Adam Brinson, 3 ads—\$30.00; Bainbridge, 2 ads—\$17.50; Baron DeKalb, 27 ads—\$427.50; Cherokee, 2 ads—\$40.00; Colonel William Few, 1 ad—\$35.00; Dorothy Walton, 1 ad—\$10.00; Fort Early, 2 ads—\$10.00; Hawkinsville, 1 ad—\$12.50; John Floyd, 1 page honoring Revolutionary Patriot, \$100.00; Metter, 1 ad—\$20.00; Nancy Hart, 1 ad—\$12.50; Oconee, 2 pages—\$200.00; Savannah, 1 ad—\$20.00; Sergeant Newton, 1 ad—\$20.00; Thomasville, 1 ad—\$12.50; Tomochichi, 1 ad—\$10.00; and Stone Castle, 1 ad—\$20.00, making a total of \$1185.00.

My sincere appreciation to the following Chapters and generous "Daughters," for contributions—not Honor Roll requirement—to have the picture of our beloved State Regent, Mrs. John F. Thigpen, and our only Honorary President General, Mrs. Julius Y. Talmadge, appear in the Georgia issue of the D.A.R. Magazine, March, 1957.

The following chapter and friends made this venture possible: Abraham Baldwin, Atlanta, Baron DeKalb, Benjamin Hawkins, Bonaventure, Brunswick, Button Gwinnett, Cherokee, Commodore

Richard Dale, Council of Safety, Colonel William Chandler, Elijah Clarke, George Walton, Governor David Emanuel, Hannah Clarke, Hawkinsville, Hawthorne Trail, Henry Walton, John Ball, Joseph Habersham, Lachlan McIntosh, LaGrange, Mary Hammond Washington, Nathaniel Abney, Nathaniel Macon, Oconee, Oglethorpe, Peter Early, Savannah, Sergeant Newton, Stone Castle, Thronateska, Toccoa, and Vidalia; Mrs. Harry Talmadge, Athens; Mrs. P. L. Hay and Mrs. J. Freeman Hart, Macon; Mrs. John C. Peteet, Decatur; Mrs. C. B. DeBellevue, Mrs. Paul H. Nichols, Mrs. J. Lawrence McCord, Mrs. J. C. Holton, all of Atlanta, and Mrs. Ransom Burts, formerly of Atlanta, but now residing in Coral Gables, Florida.

There was a balance of \$77.00 left over and a motion by your chairman that this amount be placed in the Ethel Thigpen Scholarship Fund, was unanimously voted by the delegates assembled at the State Conference in Athens.

It has been a pleasure to serve in this capacity, and I feel humbly grateful for the loyal and enthusiastic co-operation of all the Chapters.

HONOR ROLL

Mrs. Emory P. Cary

We had hoped for a greater number of Georgia Chapters being on the National Honor Roll this year, but in spite of trying to find the weak points, the list totals only 45.

There was an increase of seven in Chapters making Gold Honor Roll over last year. These Chapters were: Augusta, Button Gwinnett, Governor David Emanuel, Joseph Habersham, Peter Early, Hawkinsville, Adam Brinson, Cherokee, John Ball, Brier Creek, Metter, Thronateeska, Tomochichi, Nathaniel Abney, General Daniel Stewart, Benjamin Hawkins, Xavier, Commodore Richard Dale, Savannah, Colonel William Candler, Fort Early, Brunswick, Thomasville, William Witcher, Bonaventure, Stephen Heard, Baron DeKalb.

The Chapters on Silver Honor Roll were: Toccoa, Stone Castle, Captain John Wilson, Dorothy Walton, Andrew Houser, Sunbury, John Houston, John Clarke, Vidalia, Bainbridge, Lachlan McIntosh.

The smallest group reached the Honorable Mention level and these were: Nathaniel Macon, Hannah Clarke, Henry Walton, Saint Andrews' Parish, Edmund Burke, Pulaski, and Major General John Twiggs.

Chapter Regents can encourage their members both individually and as a group by reading the Honor Roll questionnaire at the beginning of their D. A. R. year. Armed with this knowledge and inspiration and enthusiasm, next year can really be a big year for Honor Roll in Georgia.

JUNIOR AMERICAN CITIZENS

Mrs. Vernon Phillips

Georgia has 37,403 Junior American Citizens enrolled this year in 723 clubs. This is an increase of 4,225 members. The theme for the year was "Our Heritage." Many poems, essays, posters and scrapbooks were sent in to the State Chairman and on to the National Contest Chairman. These were sent in by children from the third grade through the eighth grade. Junior American Citizens Clubs report that programs were given on radio, at school meetings, assemblies and at celebrations on Constitution Day and American History month. Flag Codes were studied, flags presented to classes, patriotic scrapbooks were made and holidays observed. The Americans Creed and the Junior Americans Creed were studied. Some clubs filled community needs by sending baskets of food to the needy and cards to the sick. All J.A.C. members received pins, and the older ones Handbooks. Many colored schools were organized and formed J.A.C. Clubs. State Chairman contacted all D.A.R. Chapter Regents and chapter Junior American Citizens chairman.

Baron DeKalb sponsors the greatest number of J.A.C. members with 25,331 in 400 clubs in 37 schools. They have 1277 entries in the National Contest which includes posters, poems, essays and scrapbooks. The Atlanta Chapter has 3002 members in several boys and girls clubs and childrens hospitals. Also 750 members in two groups of colored boys. These are the under-privileged and from the lowest income group. 12 medals and 28 pins were given for essays on patriotic subjects to these groups.

Honorable Mention for excellent work goes to Cherokee Chapter with 1937 members, Lamar-LaFayette with 1900, Thronateeska with 1708 members in white and colored schools, Nancy Hart has 1310

in white and colored schools and Henry Walton has 622 members. The following chapters have done outstanding work with smaller groups and expect to grow yearly. They are Joseph Habersham, Benjamin Hawkins (J.A.C. members of the Fifth grade gave a play in school assembly), Peter Early, Metter, John Clarke, Mary Hammond Washington, Col. William Candler, Hawkinsville, Hannah Clarke, Stephen Heard, LaGrange and Brier Creek.

JUNIOR MEMBERSHIP

Mrs. C. E. Powell

The Junior membership of Georgia Society Daughters of the American Revolution has gone over the top this year with a total of five hundred twelve (512). Fifty-seven (57) of these became members this year. Several papers are pending in Washington. If only we could not grow older. But since our chapters need us we shall grow old along with them. Outstanding work has been accomplished. Thirty-six Juniors serve as chapter officers and twenty-three as committee chairmen. Three have had separate meetings from their mother chapters. A total of fifty-seven dollars (\$57.00) has been reported as contributed to the Helen Pouch Scholarship Fund and fifty dollars (\$50.00) to the Tamasse Medical Scholarship Fund. Juniors had an active part in observing Constitution Week. One committee contributed two hundred twenty dollars and six cents (\$220.06) to their chapter, another gave Christmas gifts to children in approved schools. Many committees reported of work done in Conservation and History projects with their respective schools. The two most outstanding Junior Membership committees of the state are those of Habersham Chapter and Cherokee Chapter.

NATIONAL DEFENSE

Mrs. Harold I. Tuthill

The Honorable Marvin Griffin, governor of Georgia, issued a proclamation on the observance of Constitution Week at the request of our State Regent. The Georgia Society presented to the state a handsome framed replica of the Constitution which, with a bronze marker, has been placed in the State Capitol where impressive ceremonies took place.

Fifty-nine chapters did outstanding work in their communities. Limited by time and space the activities of only a few chapters can be mentioned. One chapter for the first time secured the inclusion of Constitution Week in the Atlanta school calendar. Another bought two books, "The Claims of Sociology: a Critique of Textbooks" by A. H. Hobbs, and the "Conquest of the American Mind" by Felix Wittner for the use of members and teachers as aids in evaluating textbooks. This chapter also distributed 450 National Defense articles and gave 125 Manuals for Citizenship to prospective citizens. One chapter combined the Sesqui-Centennial celebration of the city with the observance of Constitution Week. Another chapter sponsored a dinner with 400 guests at which Senator Russell made the address. Three chapters working under a general chairman made an outstanding contribution in the presentation of a forum by a panel of lawyers, including Mr. Carter Pittman of Dalton, an authority on constitutional law.

The following is a tabulation of chapter reports: 32 secured proclamations by mayors; 23 had television and radio programs; 35 worked with schools, having quizzes, essay contests, moving pictures, and speakers; 13 had the cooperation of merchants in window displays; 26 encouraged the flying of flags; 12 distributed 1300 Grace cards; 19 contacted churches of various faiths, so that the Constitution was stressed in sermons and church bulletins; 11 presented 43 copies of the Constitution to libraries and schools; 8 used 1190 pieces of defense material; 22 secured editorials and newspaper pictures; 9 had special programs; and many chapters secured the participation of local banks, civic clubs, libraries, and Girl and Boy Scout troops. A copy of the Constitution was placed in the lounge car of the "Nancy Hanks," and Grace cards were placed in the dining car.

The chapters are to be commended for their splendid work in the many phases of National Defense. Fifty-nine allowed from 5 to 20 minutes at each meeting for National Defense, and 37 had complete programs. Forty-eight gave a resume of the 1957 Resolutions; 52 watched the voting record of our representatives; 48 informed the chapters of the type of legislation that their repre-

sentatives sponsored. Many chapters did outstanding work in commending our senators and representatives for their stand on national issues. There has been a noticeable increase in the number of chapters having material available at all meetings, and in the number contributing to Dollars for Defense, from which fund our material is available. In particular there was a marked increase in the number of Good Citizenship Medals presented, 47 chapters giving 355 in white and colored schools. Baron DeKalb in presenting 58 has won the state chairman's award of \$10.00.

PRESS RELATIONS

Mrs. Yates W. Little

It is a great pleasure to report the fine work done by the chapters to publicize the activities of the Georgia Society for the past year.

Seventy-three chapters reported 1376 $\frac{3}{4}$ inches of publicity and 46 pictures for Constitution Week. There were 211 other pictures and a total of 15,997 $\frac{1}{2}$ inches of newspaper articles in 80 daily papers and 61 weekly ones. One chapter, Stephen Heard, of Elberton reported 1107 7-16 inches and was the only one in the state with such a record. Peter Early Chapter of Blakely has made an outstanding record with regard to variety, scope and quality of press coverage.

I believe the Society will be both interested and proud to know that Miss Emma Caldwell of Hawkinsville Chapter has been Chapter Press Chairman for thirty-eight years. She has retired recently from that office and I believe is entitled to a Citation for devoted service far beyond the call of duty.

I am happy to report the acquisition of a permanent scrap book for the use of the Press Relations Committee. This book was received through the efforts of a Savannah High School teacher. An interesting factor in this matter is that she was the recipient of a Savannah Chapter Scholarship loan while she was attending college.

This has been a most interesting and rewarding experience for your Press Chairman, and I believe that working with publicity presents one with a greater opportunity to know the many and varied important and interesting things the Daughters do than perhaps any other Chairmanship of the Society. May I express to you and to our Regent my sincerest thanks for the opportunity to serve you.

PROGRAM

Mrs. E. F. Chaffin and Mrs. Thomas Hopkins

The theme "Our Goodly Heritage" and National suggestion for program outline proved a very popular one, and many chapters reported the outline helpful.

In summarizing the reports received: the majority of chapters reported the programs were an improvement over those of the past, in that they were better planned. They showed continuity in subject matter, served as better public relations, because of more tolerance and help in breaking down former prejudices.

Many chapters had National and State Officers, Senators, and Congressmen as guest speakers. Outstanding musical programs, historical skits, plays, slide and other worthwhile and up-to-date material was used. Programs featuring interesting aspects of National Committee work and National Defense were given. The over-

all picture of programs is one each of you would be proud to see, and the character of the whole is one that is very thrilling and informative.

Constitution Week Observance was 100% in the reports received. One program chairman said something that has a very patriotic meaning, and will probably appeal to you women, and I quote, "do not fly your flag just on holidays, why not give it a permanent wave?"

There are 22 attractive and adequate Year Books on display and this signifies a larger number of yearbooks, for many chapters use a book for 2 years.

Only 48 chapters reported. Does this mean that 41 chapters had no program?

Last June Mrs. Chaffin, Program Chairman, sent out with her letter and program outline suggestions for a Year Book and an outline to follow in submitting manuscripts to the State and to the National Reviewing Committee. She offered 3 cash prizes of \$10.00, \$5.00, and \$3.00 for the best papers sent in, (not programs). Your present chairman would like to add another \$5.00 to this as two manuscripts were judged a tie. Many wonderful papers were received, but many failed to meet stated qualifications. Six sets of papers were sent to the National Reviewing Committee.

It gives me great pleasure to present for Mrs. Chaffin, former Program Chairman, and for myself: 1st prize—John Benson Chapter in Hartwell, Ga.; 2nd. prize—Baron DeKalb, Decatur, Ga.; 2nd. prize—Gov. Jared Irvin Chapter, Sandersville, Ga.; 3rd. prize—John Ball Chapter, Irwinton, Ga.; Honorable Mention—Benjamin Hawkins, Cuthbert, Ga., St. Andrews Parish Chapter, Darien.

RADIO AND TELEVISION

Mrs. Willis E. Binford

The response to my appeal urging Chapters to increase their programs on the air has been wonderful. Twelve more Chapters reported this year than last.

Sixty-two hours and twenty minutes of radio time valued at \$3,132.10 was used. Seventeen hours of television time valued at \$13,126.00 was used. Included in the above time on the air are three hundred and three radio spot announcements and one hundred and fifty-nine television spot announcements, thirteen radio scripts and five tape recordings were submitted to National.

The prize of \$5.00 offered by me for the most radio time used in presenting D.A.R. programs is awarded to Elijah Clarke Chapter for presenting 15 hours over radio.

The prize of \$5.00 offered for most television time used in presenting D.A.R. programs is awarded the Thronateeska Chapter for 5 hours of television programs.

The following Chapters deserve honorable mention for their outstanding work: in radio—Cherokee, Stephen Heard, Toccoa; in television—Commodore Richard Dale, Cherokee, Thomasville.

SPECIAL NATIONAL COMMITTEES

AMERICAN HISTORY MONTH

Mrs. Annie K. Walker

Chapters participating in the celebration of February American History Month in Georgia, please accept my sincere thanks. The following chapters did outstanding work: Commodore Richard Dale, Thronateeska, Elijah Clarke, Atlanta, Cherokee, Joseph Habersham, Augusta, Bainbridge, Peter Early, William Witcher, Tomochichi, Oglethorpe, Fort Early, Benjamin Hawkins, Dorothy Walton, Baron DeKalb, Stephen Heard, Nathaniel Abney, Colonel William Candler, Mary Hammond Washington, Andrew Houser, Fielding Lewis, Metter, Nancy Hart, General Daniel Stewart, John Clarke, Governor David Emanuel, Barnard Trail, Governor George W. Towns, John Houston, Thomasville, Captain John Wilson, Toccoa, Lyman Hall. These chapters report splendid cooperation of schools, stressing importance of preserving American History, presenting historical programs and displays. Chapters gave medals and prizes for best averages made in American History. Newspapers and radio programs kept the importance of American History before the public. Merchants displayed American flags and window displays.

FRIENDS OF THE MUSEUM

Mrs. Frank F. Faulk

The work of my committee has been handled through the Chapters this year. I am indeed grateful for the cooperation which has been given to this project and feel that again we have a creditable report.

It is my pleasure to announce a regular membership of 112, and donations from chapters and individuals of \$38.00, giving a total amount of \$150.00 from Georgia.

Our State Chaplain, Mrs. Talbott Chandler audited my books, and I would like to present the awards for largest membership and largest amount of money given, to my own chapter, Thronateeska, which supported this work with loyalty and cooperation.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Wallace R. Smith

Perhaps knowing more about the American Merchant Marine Library will stimulate greater interest and activity in this project.

The committee is a state committee, not national, so that cash contributions sent to your state treasurer will be forwarded to the Association's New York City address, 45 Broadway. Also, since there are no national requirements, it is acceptable for the Savannah area chapters to deliver their reading material to that port.

Our state is assigned the Charleston, South Carolina port as its project. Boxes sent to the A. M. M. L., c-o Mrs. Frances Wooten, Charleston County Free Library, Charleston 16, South Carolina, are opened and repacked into wooden cartons, each containing 40 hard-covered books, 25 paper-covered books, 100 magazines. The subject matter is carefully selected, each carton containing fiction (standard, best sellers, adventure, westerns), humor, sea-stories, history, science, a dictionary and a Bible.)

Due to weather conditions, sea-going libraries have a short life-span, surviving only 4 shipments as compared to a land book's life-span of 40 circulations, thus requiring frequent replacements.

In shipping, pack separately magazine (weight limit 20 pounds, charges according to zone) and books (weight limit 70 pounds, charges 8 cents first pound, 4 cents each additional pound—and mark BOOKS). Since charges on shipping magazines are expensive, may I suggest that chapters in the Charleston area concentrate upon magazines (current and suitable for men), and chapters distant, concentrate upon books.

Be sure in reporting to your state chairman to list the number of magazines, the number of books (hard and paper-covered), and the parcel post charges, or the cash contribution.

A total of 323 hard-covered books, 250 paper-back books, 565 magazines, \$13.50 cash, and approximately \$40.92 for parcel postage, was reported by the following chapters: Commodore Richard Dale, Thronateeska, Elijah Clarke, Atlanta, Lamar-LaFayette, Cherokee, Oglethorpe, Fort Early, Benjamin Hawkins, Governor John Milledge, Baron DeKalb, Stephen Heard, Pulaski, Mary Hammond Washington, Henry Walton, Button Gwinnett, Wm. McIntosh and Etowah. The Atlanta Chapter so fittingly gave five dollars as a memorial to Mrs. Ben F. Holtzendorf, who was for many years their chairman of the American Merchant Marine Library Committee.

After all, the American Merchant Marine is America's fourth line of defense and a constantly expanding service. Reading material is its leisure time ammunition.

COLLECTING AND PUBLISHING HISTORY OF GEORGIA'S REVOLUTIONARY SOLDIERS

Mrs. Maurice A. Cameron

It gives me great pleasure to report the splendid work accomplished in this field of endeavor.

The cards that were sent to each Chapter in the early Fall had wonderful response. I had many histories sent to me, for which I wish to thank the Chapters, at this time.

I am delighted to report to you that Oconee Chapter received the General Floyd Gavel for sending me the first report, and my award of \$5.00 goes to Pualski Chapter of Griffin, Georgia for sending me the most outstanding report of Georgia Revolutionary Soldiers.

Your Chairman attended State Conference and Continental Congress.

It has been a real pleasure serving as your State Chairman for the past 2 years under the splendid leadership of our beloved State Regent, Mrs. John F. Thigpen, and I wish to thank her at this time for honoring me with this Chairmanship.

CONFERENCE PROPERTIES

Mrs. Arthur E. Mallory

At the conclusion of the 1957 State D.A.R. Conference held at DeSoto Hotel at Savannah the State D.A.R. Properties were carefully assembled and boxed for storage. They consisted of: One U. S. Flag with pole (new), one D.A.R. Flag with pole, one Georgia Flag with pole, gold standard and gray cloth cover, two U. S. Flags (boxed); two Gold Cords, two Gold Standards, two Flag poles (dark), two wooden Standards (dark), one Gold Eagle, two Gold Spear D.A.R. Insignia with case and light bulbs, Badges and Page ribbons.

Prior to 1958 State Conference to be held at Athens these properties were brought to the Conference for usage. After the 1958 State Conference they were collected and delivered to the incoming State Curator.

COOPERATIVE RELATIONS BETWEEN D.A.R. AND S.A.R.

Mrs. E. J. Smith

It is most gratifying to hear from the various chapters of the fine spirit of cooperation between the two state organizations.

For several years the D.A.R. and S.A.R.'s have been striving to build up a strong relation which is shown by the awards that are given by the two organizations.

This year the reports from many of the chapters show of the aid given the S.A.R.'s by sending in names of the sons, 18 years of age and over of members of the D.A.R.

For outstanding services rendered this year, the \$10.00 award goes to the Xavier Chapter, Rome for sending in over eighty names and assisting in entertaining the state Society S.A.R.

Second place went to Peter Early Chapter, Blakely who had a fine report.

Third place to Thronateeska Chapter, Albany.

It has been a pleasure to have served as Chairman of this department of the State Society for several years, and I feel that the relation between the two organizations are much better established.

We extend greetings to the State President, Hon. P. C. King, Jr., Dawson attorney and pledge our continued cooperation.

The National Society, Sons of the American Revolution, at the 1958 Congress, Beloxi, Mississippi unanimously elected Judge Folks Huxford of Homerville, to the Office of Historian General.

FINANCE COMMITTEE

Mrs. Sam Merritt

As chairman of this committee, I report that current problems and suggestions which came under the head of finance were discussed and acted upon as they came up in proper meetings of the committee. Notices as stated in the by-laws were mailed prior to the fall board meeting, and action taken thereby has carried the recommendation into other channels. The members of the committee were most conscientious and made serving as chairman of this difficult but necessary work as pleasant as possible.

GENERAL EXCELLENCE

Chapters with Membership of 100 and Over

Mrs. William C. Robinson

Our method of judging reports was the same this year as it was last. Each chapter regent was asked to leave out names and places that might identify her chapter, and to sign her name as regent and her chapter's name on a separate sheet of paper. Three copies were sent to me. After reading each report and assigning a number, in place of a name, they were mailed to the three judges, with the request that they report back to me by number. I took no part in the voting. Until after the decision was announced at State Conference, no one knew who these judges were nor did they know who the others were. Each of the three is well qualified to perform this task, having a long record of service in D.A.R. work. Also, they are of unquestioned integrity and fairness. I wish now to express our thanks and appreciation to them for this service.

These judges stated that all the reports showed a very high standard of work and they wished to extend their congratulations to each of these Chapters and their Regents.

It is not an easy matter to determine the winner of this highly coveted award. By its very name, it is evident that in addition to the specific requirements as set forth in the Book of Proceedings, it also represents a superior ranking in an overall coverage of D.A.R. work. As it was the duty of this committee to select a winner, each judge studied carefully every report. Each wrote that she reviewed her work and her decision, again and again.

Their written reports to me, each independent of the other, unanimously selected as the winner, the Baron de Kalb Chapter, in Decatur. Second place was given to Joseph Habersham Chapter and third place to Cherokee Chapter.

Chapters with Membership from 50 to 100

Mrs. Neil Glass

From the outstanding reports sent to me for the General Excellence Award from chapters with a membership of 50 to 100, the judges made the following decision: first place and winner of the cash award, Thronateeska Chapter, Albany; second place, Benjamin Hawkins Chapter, Cuthbert; third place, Stephen Heard Chapter, Elberton; and honorabel mention, Tomochichi Chapter, Clarkesville.

Chapters with Membership Under 50

Mrs. William E. Gray

It has been an interesting and rewarding experience to serve as chairman of General Excellence for the more than forty chapters whose membership is under fifty and to learn through the well

organized reports of their splendid achievements in all phases of D.A.R. work.

The judges, well qualified and thoroughly familiar with the program of the National Society, expressed gratification over the results of the contest.

The Commodore Richard Dale Chapter again won first place by unanimous decision and received the twenty-five dollar cash award. Brier Creek placed second and Adam Brinson, third. Honorable mention was given Metter, Peter Early and John Clarke Chapters for outstanding accomplishments.

My deepest appreciation and thanks go to the judges who served so graciously and willingly, and to the Chapter Regents and their members for their loyalty and cooperation.

McCALL GENEALOGICAL FUND

Mrs. George Herman Connell

It has been a great pleasure to serve as your chairman of McCall Genealogical Fund during the past year. Nineteen volumes of genealogical records have been bound by the National Library Bindery Company of Atlanta. Nine of these volumes were sent to Dr. Jean Stephenson, National Chairman, Genealogical Records Committee, Washington, D. C. for the National Society D.A.R. Library. The other ten volumes were kept here in Rhodes Hall in the Georgia Department of Archives and History. The volumes bound this year contain genealogical records sent in by thirty chapters of Georgia Society, D.A.R.

The invaluable assistance of the Georgia State Archivist, Mrs. Mary Given Bryan, and the State D.A.R. Regent, Mrs. John F. Thigpen, is gratefully acknowledged.

MEADOW GARDEN

Mrs. George S. Lombard

Since friends had the furnace installed for Meadow Garden and the State paid our large plumbing bill in September, this is a popular place. It is so wonderful to have the building heated and not have to depend on fire-places to keep warm.

The Augusta Chapter gave a luncheon and bazaar, Sept. 17, for members and their guests, which netted a nice amount to help with the landscaping.

An outstanding gift to Meadow Garden is a large lineal chart of the Walton family, framed, and made by Miss Gladys Buckner, a member of the Augusta Chapter.

Three pictures have been presented: a miniature of Daisy Graham given by her daughter, Mrs. Welton. A copy, taken from a very old family album of Martha Hughes Walton, an aunt of George Walton, presented by Mrs. Ben Ellis, and a colored photograph of children in Colonial Costume, who served at the tea on Washington's Birthday years ago.

A United States Flag was presented Meadow Garden by Dr. Joseph Branch, of Davisboro, Ga. from the Organization Woodmen of the World. There has never been a flag-pole at Meadow Garden, so the State Committee is presenting a 40 ft. steel flag-pole, in memory of our past State Chairman, Daisy Graham Stone.

Our Annual George Washington Tea was well attended. More people are interested each year.

Members of the Meadow Garden Committee contacted the Mayor and County Commissioners, in hopes of receiving some help for the maintenance of this historic place. Notices have been received from three chapters, telling of donations sent to the State Treasurer, for Meadow Garden, and we hope this will be forwarded on to us, as there is more work to be accomplished.

A full report from the Treasurer of Meadow Garden will be sent soon.

BURKHALTER CHAPTER, WARRENTON

Mrs. A. W. Quast, Regent

State Honor Roll

Burkhalter Chapter has a membership of 62, with a loss of one this year due to resignation and a gain of a Junior member for whom we have been long striving. Thirty of our members are non-resident, and our oldest member is 94 years old. We started our year's work in September with an enthusiastic program on the Constitution. This was preceded with a proclamation by the Mayor designating Constitution Week with flags on the streets. We have placed emphasis on National Defense and the President General's message along with a devotional period by our Chaplain. It may be necessary at times to shorten our meetings but we never omit the message of our Chaplain.

Our donations are as follows: Boxes of clothing to Kate Duncan Smith and Tamasee, valued at \$106.00; \$25.00 to a Warren County

girl attending Berry College; \$10.00 to the Ethel Pritchett Thigpen Endowment Scholarship Fund; \$25.00 to the Community House where some of our meetings are held; and \$5.00 to a needy school child. We gave one Good Citizen pin, three Good Citizenship medals, one History medal in the eleventh grade and two certificates in History in the fifth and seventh grades. We donated many leaflets from National Headquarters for use in teaching American History in the fifth and seventh grades. Our Good Citizen and her mother were honored at a tea in February at which time she was presented her pin and she will receive the certificate at graduation. Music has played an important part in our programs and one entitled "America Sings" was most outstanding. The publisher of our weekly paper is cooperative and most generous in giving us prominent space for the notices of our meetings and the write-ups which follow. Twenty percent of members subscribe to the Magazine and we have met other State Honor Roll requirements.

LYMAN HALL CHAPTER, WAYCROSS

Mrs. Henry J. Carswell, Regent

Lyman Hall Chapter, Daughters of the American Revolution, have 98 members, having lost several by default, two by death and one by transfer. Papers of eight new members are being processed. Chapter has held nine meetings, and the program, as outlined by the National Program Committee, has been followed, except in February when a "Georgia Day" program was presented. We have enjoyed, as speakers, men and women who were especially well qualified to discuss their given subjects. Radio programs were presented on Flag Day, Constitution Week, Veterans' Day, American History Month and Georgia Day. February was proclaimed as American History Month by the Mayor.

New officers were installed in May at a Golden Anniversary luncheon, the occasion being the 50th birthday of the Lyman Hall Chapter. The golden motif was carried out in floral arrangements, place cards and corsages. At this time, the Mayor of our city was presented with the D.A.R. Award of Merit for his outstanding services to the community, not as a city official but as a private citizen. Our honored guests, on this occasion, were our State Regent, Mrs. John F. Thigpen and our Vice-President General, Mrs. Robert F. Humphrey.

The meetings were called to order with a gavel made of birch, from the old homestead of Lyman Hall in Wallingford, Connecticut. The Flag Salute, the American's Creed and the D.A.R. Ritual follow. Time is allowed at each meeting for the discussion of National Defense and the American Indians, a collection being taken for the latter. American Music has been used whenever possible and on Georgia Day the soloist presented a group of songs with words by Georgia poets. The chapter now has its own section in our beautiful new City Library and is binding its D.A.R. Magazines as fast as each year's file can be completed. The chapter is also setting aside in its yearly budget at least \$20.00 to be used for the purchase of historical and genealogical books for its own library. Twenty-four D.A.R. Citizenship Manuals were purchased for use in the city and county schools and libraries, both white and colored. We have 16 mother-daughter, sister family groups in the chapter. Our members are especially interested in Conservation, and on the acreage of one member, alone, 150,000 pine seedlings were planted, this year. Nearly all the members participated in some phase of Community Service, two members, in particular, having totaled about 300 hours in the Hospital Auxiliary or Grey Ladies.

Contributions were sent to Tamasse, Kate Duncan Smith and Berry Schools, and contributions and boxes, to the amount of \$150.00, were sent to Bacone and St. Mary's Indian Schools and to Murrow Indian Orphanage. We are very proud to have 18 winners of the Good Citizenship certificates, and are especially proud to have, among these girls, the winner of the State Good Citizenship Contest. That, we feel, is our crowning achievement. This year has been spent, as you might say, picking up the loose ends but by this time next year we hope to have made a record we can view with real pride.

EDMUND BURKE CHAPTER, WAYNESBORO

Mrs. H. B. McMaster, Regent

Meetings have been held in homes of the members with most interesting programs presented following the suggested outline in the State Proceedings. Some phase of National Defense was presented at each meeting, as well as the Salute to the Flag, and the National Anthem.

Constitution Week was fittingly observed with Mayor Brooks signing a proclamation which was published in the paper, and merchants cooperated in flying flags throughout the entire week. During American History Month February 5th was designated as Flag Day. The schools took part in presenting the importance of the knowledge of American History. And the radio also made stirring appeals for study. At three different times the local paper carried articles emphasizing American History Month.

Sunbury Chapter has a membership of 37, with seven non-resident members, one associate member and one transferred from Children of American Revolution Society, and three papers pending. Society, will soon be placed in chapter house. Improvement on chapter house and flat silver purchased.

We participated in the Senator Russell Appreciation Day. Letters have been written to our Senators and Congressmen in the interest of Constitutional Government. The Georgia Historical Commission will place a bronze text marker at the Russell home on Athens Highway. CHAPTER PROGRAM SUGGESTIONS FOR 1958-1959

Mrs. R. Hugh Reid

"FRUITS OF FREEDOM"

"Wherefore by their fruits ye shall know them."—Matthew 7:20

The materials available through the publications of the National Society offer varied, well planned, documented data for use by the Chapters. So, this shall be more of an outline of topic suggestions for Chapter programs, with the suggestion that Program Chairmen avail themselves of the publications and library facilities of the National Headquarters as well as those of the local library.

The manner of presentation can depend on the subject matter of the program topics. Let us keep in mind that there are local individuals, often Chapter members, who can bring us messages of importance presented in interesting ways. District, State, and National Officers and Chairmen appreciate opportunities to visit with local Chapters and present programs pertaining to their special interests. There are also those persons who hold public office, and by virtue of their positions in the community or in the state, have authoritative information on subjects of interest to the D.A.R. Films, film strips, and high school students can offer variety in the manner of presentation of the programs.

Listed below are some suggestions for Chapter programs. These are to be used as a guide, and are offered only as suggestions. Please use them as you feel they best suit your local Chapter.

6. Study of the patriotic days observed in September: LaFayette Day, Constitution Week, Citizenship Day, and Magna Charta Day.

OCTOBER

RESOLUTIONS ON THE DEATH OF MRS. LESTER V. STONE (Daisy Graham)

When Daisy Graham Stone, entered into rest, June 8, 1957, the St. John's Church, the D.A.R. Organization, and the City of Augusta, suffered a great loss. She has born in Dublin, Ga., September 8, 1881, and lived in Augusta 40 years. She was the daughter of John Miller Graham, and his wife, Mary Frances Moorman, and the widow of Lester Vernon Stone.

As church worker, civic leader, patriotic citizen, she could always be depended upon, to be in her place and do her full duty. She will be greatly missed in the organizations in which she was such an active and faithful member.

Mrs. Stone was a devoted mother, a true friend, and an able co-worker. Her delightful home was always open to her many friends. In view of the valuable service she gave to the D.A.R. Organization, her church, her country, and her friends:

BE IT RESOLVED:

1. That we express thanks to Him who gave us the privilege of being so closely associated with such a beautiful Christian character.
2. That her devotion to our Lord, and earnest endeavors to serve our organizations are a challenge to all of us to do greater and better things in this world.
3. That we express our sympathy to her devoted daughter and son.
4. That a copy of these Resolutions be inscribed in the minutes of the Georgia State Officers' Club, N.S.D.A.R.
Respectfully submitted,
Alice C. Lombard (Mrs. G. S.)

Mrs. Leonard Wallace, Chairman of the Nominating Committee, presented the following slate of officers who were unanimously elected:

President—Mrs. Freeman Hart
First Vice-President—Mrs. Carter Shepherd
Second Vice-President—Mrs. William C. Robinson

Chaplain—Mrs. C. H. Levy
Recording Secretary—Mrs. Neil Glass

Georgia Chapter Regents' Club National Society, Daughters of the American Revolution

ORGANIZATIONAL MEETING—MARCH 11, 1958

At the October 1957 meeting of the Board of Management of the Georgia State Society, Daughters of the American Revolution, the Chapter Regents present were called together by Mrs. S. M. Page Rees and Mrs. C. D. DeBellevue, appointed by the State Regent, Mrs. John F. Thigpen, to make plans for organizing a Chapter Regents' Club.

The first meeting of the Georgia Chapter Regents' Club, National Society, Daughters of the American Revolution, was held in Athens, on Tuesday, March 11, 1958, at 12:30, Mrs. S. M. Page Rees with Mrs. Cilton D. DeBellevue, presiding, with one hundred and twenty-five Chapter Regents present at the luncheon. After a few words of welcome, the State Regent, Mrs. Thigpen, introduced Mrs. Ray Erb, National Chairman of National Defense, and guest speaker for the State Conference.

Following Mrs. Erb's alerting talk, Mrs. Rees and Mrs. DeBellevue spoke on the purpose of the meeting.

Mrs. W. H. Smith, of the Bonaventure Chapter, was asked to record the minutes.

Mrs. George W. Nelson, of the Peter Early Chapter, was made Treasurer.

The Charter Fee of \$2.00 constituted the membership dues and the luncheon for the 1957 meeting. The membership fee of \$2.00 once paid by active and Past Regents is at this time the only contemplated dues. The luncheons hereafter are to be additional charges. It is hoped that all Past Chapter Regents will become charter members as the charter membership is being held open for the present.

A committee was appointed to bring a set of Bylaws to the State Board meeting in October 1958.

It was reported that the official pin for the Club would be available at J. E. Caldwell and Company, on and after Continental Congress, and costing \$7.00.

There being no further business the meeting adjourned.
