OCTOBER 24, 1958

The regular Fall meeting of the Board of Management was held October 24, 1958, at the Woman's Club, Columbus, Georgia.

The State Regent, Mrs. Harold I. Tuthill called the meeting to order at 10 a.m. In the absence of the State Chaplain, the devotional was read by Mrs. T. K. Kendrick, State Second Vice Regent. In the absence of Mrs. Arthur Mallory, State Chairman of the Flag of the United States of America, the Pledge of Allegiance to the Flag was led by Mrs. Frank G. Binford, State Curator. The American's Creed was led by Mrs. E. O. Scharnitzky, State Chairman of Americanism, after which the assembly sang the National Anthem, accompanied by Miss Lylla Bussey, Oglethorpe Chapter.

The State Regent presented Mrs. Robert H. Humphrey, Vice President General from Georgia. Mrs. Sam Merritt, State First Vice Regent, called the roll of all the Honorary State Regents of the Georgia State Society in chronological sequence in courtesy and recognition of their past services. Malone, Regent, Button Gwinnett Chapter; Mrs. Frank G. Campbell, Oglethorpe Chapter; and Mrs. Joseph Chapman, Jr., Regent, George Walton Chapter. The State Regent then welcomed the Georgia Daughters and expressed her appreciation for their interest and attendance. The State Regent, Mrs. Harold I. Tuthill, called the roll of the State Officers, who made brief reports and requests concerning

their work. Mrs. Robert H. Humphrey moved that the State Chairmen be given the privilege of the floor. Mrs. Sam Merritt, State First Vice Regent and State Chairman of National Defense, urged that Chapter Chairmen of National Defense, avail themselves of the articles on National Defense in the D.A.R. Magazine. As the National Society handles all National Defense material, the availability and use of the Magazine will save the increased postage. Mrs. Merritt invited all members to ask questions on any phase of National Defense, on resolutions, or any policies of the National Society. She stated that a tape recording of Mrs. Erb's speech is available for chapter use and may be secured through Mrs. H. P. Derry, Commodore Richard Dale Chapter, 1006 Sixth Avenue, Albany, Georgia. Mrs. Merritt requested that members refrain from writing or wiring Congressmen unless they had full knowledge of the subjects in question. Mrs. T. K. Kendrick, State Second Vice Regent and State Chairman of Approved Schools, stated briefly that scholarships were always welcome, and stressed that, when sending a check, the school, or schools, be explicitly stated, all checks to be made payable to the State Treasurer. On account of family illness, Mrs. Harry Talmadge was unable to attend.

The State Recording Secretary, Mrs. Charles C. Bush, reported the Study Group Meeting in Perry, Georgia, on August 8, 1958. She announced the changes in the proceedings, the requirements and rules for reporting and the necessity for promptness and accuracy. The 1957-1958 Proceedings were offered for sale at \$1.00 each. The State Recording Secretary urged that all reports be mailed before the State Conference for the purpose of early compilation and printing of Proceedings.

The State Corresponding Secretary, Mrs. Yates W. Little, presented to the State Recording Secretary for reading a communication from Mrs. Clifford J. Welton, State Chairman, Meadow Garden, concerning condition and needs of Meadow Garden.

The State Treasurer, Mrs. Arthur Waite, Jr., reported a balance of \$5,625.57. She requested that reports be sent in by February 15, or earlier if possible, on account of her report having to be in Washington by February 20. She also asked that dues for new members be sent as soon as they are received by chapters. She called attention to the importance of knowing the National Honor Roll requirements and the deadline date. The State Treasurer requested that, if personal checks are sent, they be identified as to purpose and donor. The Chairman of the Finance Committee, Mrs. T. Earle Stribling, presented the tentative budget, based on dues from 6,000 members, as follows: Tamassee School, 6c per capita; Kate Duncan Smith, 6c per capita; Berry Schools, 6c per capita; Meadow Garden, 6c per capita; McCall Genealogical Fund, 3c per capita; Lucy Cook Peel Fund, 3c per capita, making a total of 30c per capita, as designated in Article VIII, Section I, of the State Bylaws and as approved by State Conference of 1956-1957.

Mrs. Leonard Wallace moved acceptance that the amount of \$800.00 in the tentative budget for printing, stationery and postage be changed to \$500.00 and the remaining \$300.00 be placed in Reserve for Contingencies Fund. Mrs. Y. Harris Yarbrough seconded. Motion passed. Mrs. T. The State Consulting Organizing Secretary, Mrs. J. Lawrence McCord, announced that a new Chapter in Atlanta was in the process of being organized by March with 25 members on its list. Regret was expressed that John Laurens Chapter was disbanded.

The State Consulting Registrar, Mrs. Ben I. Thornton, was absent due to the illness of her husband.

The State Historian, Mrs. Florine D. Gibson, announced the Essay Contest on the Theodore Roosevelt Centennial, requested that Chapters get information from her for the Essays, and to report the marking of Revolutionary Soldiers' and Patriots' graves.

The State Librarian, Mrs. J. Carleton Vaughn, reported that there was some misunderstanding concerning the Historical Library and Genealogical Records, the difference being clarified in the Handbook, pages 36, 39, and 58. She stated the objective of her office as State Librarian is to disseminate information on what the National Society, D.A.R. does in Washington in its Library.

The State Parliamentarian, Mrs. Y. Harris Yarbrough, stated she had no report, but if chapters contemplated changes in their Bylaws, she suggested they read the model Bylaws in the Handbook. Mrs. T. The Spring meeting of the Board of Management of the Georgia State Society, Daughters of the American Revolution, convened in the Pompeian Room of the Atlanta Biltmore Hotel at 3:00 p.m., Mrs. Harold I. Tuthill, State Regent, presiding.

The invocation was given by the State Chaplain, Mrs. Harry E. Talmadge, followed by the Pledge of Allegiance to the Flag, led by Mrs. Thomas K. Kendrick, Second Vice Regent.

On motion of the State Corresponding Secretary, Mrs. Yates W. Little, the State Chairmen were given the privilege of the floor.

The State Regent regretted the absence of the State Recording Secretary, Mrs. Charles C. Bush, on account of illness, and called on Mrs. John F. Thigpen to read the minutes of the regular Fall Meeting of the Board of Management, held in Columbus on October 24, 1958. The minutes were read and approved as corrected.

On motion of the State First Vice Regent, Mrs. Sam Merritt, it was resolved that the roll call be omitted and that the attendance record be taken from the registration. The following officers were present: Mrs. Tuthill, Mrs. Merritt, Mrs. Harry Talmadge, Mrs. Little, Mrs. Waite, Mrs. McCord, and Mrs. Binford. Honorary State Regents present were: Mrs. Julius Y. Talmadge, Mrs. Ironside, Mrs. Mell, Mrs. Warthen, Mrs. Smith, Mrs. Yarbrough, Mrs. Wallace, Mrs. Stribling, Mrs. Humphrey, and Mrs. Thigpen. Chapter Regents present, 66.

The State Regent thanked the Chapter Regents for getting their reports to the State Chairmen by February 1.

Under matters of business, the State Regent called on the State Officers. Mrs. Merritt thanked the Chapter Regents and Chairmen for their splendid National Defense work. Mrs. Thomas K. Kendrick urged those desiring to attend the Approved Schools Luncheon to make their reservations promptly. She also announced that she would take the money for the Georgia Banquet in Washington.

Mrs. Arthur H. Waite, Jr. reported a balance on hand as of February 28, 1959, of \$7,869.68.

State Chairmen wishing to present matters at this time were: Mrs. W. H. Smith, who requested that Historical Scrapbooks be submitted to her for judging. Mrs. Wallace L. Harris asked that

Genealogical Records—"Items of Information"—in the Proceedings be corrected, since the State Historian does not want that type of paper sent to her.

Mrs. C. Roberts Pendleton, Jr., asked that Chapters attempt to sell calendars for the Junior Committee. Mrs. Alex S. Boyer, Jr., requested the Regents who had ordered Good Citizens pins to meet her afterwards and receive them. Mrs. E. J. Smith offered a medal on a traverse to the chapter sending in the largest number of names of young men eligible for membership in the S.A.R.

Mrs. Emile O. Scharnitzky, Sr. asked for clippings pertaining to the new medal presented under the Americanism Committee to a naturalized citizen. Mrs. Frank G. Binford called attention to the new Georgia Flag, a gift to the State Society through the generosity of Mrs. Thomas Coke Mell. Mrs. J. C. Peteet asked that days of grace be allowed the Chapter Regents in submitting reports. The State Regent agreed to have this matter discussed at the meeting of the Proceedings Committee.

Mrs. George W. Nelson spoke of organizing a C.A.R. Society in Blakely and of the enthusiasm shown by the 25 little girls who attended.

The State Regent requested that the officers and chairmen condense their reports as much as possible, bringing out the highlights only and omitting routine matters. She also suggested, for the sake of saving time, that members condense their introduction when addressing the chair and that persons standing to be recognized give their name and the name of their chapter.

The State Treasurer cleared up the method of ordering tickets for the President General's Banquet.

Mrs. T. Earle Stribling was presented as General Chairman of the Conference. She reminded the Board members that dinner would be at 6:30 and the Opening Session would begin at 8:30.

The meeting was adjourned at 4:30 p.m.

In the absence of Mrs. Talbott B. Chandler, due to illness, Mrs. H. P. Derry reported that the Augusta Chapter had invited the State Board of Management to meet in Augusta in the fall, October 24th suggested as a tentative date. On motion of Mrs. Derry, it was resolved to accept this invitation tentatively. Mrs. Derry then read a letter from the three chapters in Savannah extending a cordial invitation for the State Conference to be held in Savannah in 1960, tentative dates suggested March 10-11-12. On motion, this invitation was also accepted.

REPORTS OF STATE OFFICERS

STATE REGENT

Mrs. Harold Irvine Tuthill

At the close of my first year as your State Regent, I should like to express my appreciation of the honor you conferred upon me by giving me the privilege of serving the State Society in this high office. I felt truly humble as Mrs. John F. Thigpen, Honorary State Regent, placed the ribbon over my shoulder, and the President General confirmed your election.

It has been a busy year, filled with rich and rewarding experiences of service, and one made happy by the ties of friendships made. For your loyal cooperation and gracious courtesies, I do thank you most sincerely. It has been a real pleasure to visit the chapters and to learn of your splendid work and also to be a guest in your lovely homes. It was with regret that I found I could not accept all of your invitations.

The weeks following the State Conference were occupied with the filling of the state chairmanships. Please let me thank each one who so graciously accepted a special responsibility and has served so capably. There is a place set aside in my heart for those who not only accepted but thanked me for giving them the opportunity of service.

The objective of the State, "Know Your Society," was initiated by a Study Group in Perry on August 8, which was attended by 185. A more lively interest in state and national activities was aroused.

Preparations for the observance of Constitution Week were begun during the summer months. The report of the Chairman of National Defense shows the statewide interest. I had the privilege of making several talks to chapters, giving television interviews, and planning school programs during Constitution Week.

In the past year I have written 1,372 letters and cards and traveled 13,846 miles. I have attended three National Board meetings and Continental Congress. I have attended many teas, luncheons, and dinners, where I was the guest of honor. Your gracious hospitality is truly appreciated.

The State Society was the recipient of the gift of a handsomely framed reproduction of the only known portrait of Button Gwinnett, one of Georgia's signers of the Declaration of Independence. This picture is now placed in the Georgia Room, Administration Building, Washington, D. C.

It was a distinct honor and pleasure to present to the State of Georgia at a most impressive ceremony in the State Capitol on January 7, the handsome busts of Abraham Baldwin and William Few, Georgia's signers of the Constitution. These busts will be placed in Georgia's Hall of Fame.

As progress is vital in industry, growth is essential to our development. Georgia's membership of 6,212 shows a net increase of 70. With two confirmed Organizing Regents, we will surely have a continued increase; however the responsibility for maintaining and increasing membership rests with each chapter, particular stress being placed on securing junior members.

In many respects we have gone forward toward the attainment of the high goals of our National Society. To mention a few: In

magazine subscriptions Georgia received an award for placing first in Group A, that is in states having over 5,500 membership.

Georgia was also given an award for having the largest increase in J.A.C. clubs. For planting five million pine seedlings as a memorial to Theodore Roosevelt during this Centennial year, Georgia was commended by the National Chairman of Conservation. For the organization of five new C.A.R. Societies Georgia was especially commended. For her over 18,000 inches of publicity, Georgia ranks second in the Southeast District.

Increase in Junior Membership has gone forward with 53 new members, and for the first time a directory of Junior Members has been started. Will each chapter help with this project?

Georgia's colonial motto, "Not for ourselves but for others," typifies her concern for the underprivileged children in our Approved Schools. In the report of the State Chairman you will see how much has been done. In particular the completion of the \$5,000.00 Ethel Pritchett Thigpen Endowment Scholarship Fund at Tammassee is most gratifying, and the presentation of the silver tea service to Tammassee, honoring our beloved Mrs. Henry Allan Ironside, by her chapter is a gracious tribute to a loyal supporter of the school.

Upon request, a copy of our Proceedings was mailed to the libraries in our state in order to help the chapters in the preparation of their programs which were so ably planned by the State Chairman.

Patriotism and love of country run high in our state. The National Defense report shows great interest and concern for the welfare of our nation and the preservation of the American way of life.

The reports of the state officers and chairmen will give you in detail our splendid achievements. To them and to the Regents and members who have done the state work, I extend my deep gratitude, for it is your dedicated service that makes possible our work.

While I have earnestly endeavored to give the Society my best from mind and heart, this little rhyme is expressive of my feelings:

"My days are full of blunders.
Oh, how often I have yearned
To have one life of practice
Another when I have learned"
To be a State Regent.

Let us together go forward to nobler service and greater accomplishments in this truly magnificent organization of patriotic women.

STATE FIRST VICE REGENT

Mrs. Sam Merritt

The work of this Chairman began with the Observance of Flag Day, but it was with Constitution Week, which "belongs" to D.A.R., that a peak in momentum was reached. The Honorable Marvin Griffin, Governor of Georgia, issued the proclamation for the observance, and television stations, radio stations, schools, clubs, and business enterprises gave generously in time and effort to put the week before the public. Its success was superb.

You will hear, tonight, the incorporation of National Defense work done by the individual chapters into the reports of the Regents, and if you will listen carefully, I am sure you will agree that we have settled down in our methods, and that the old criticism that we are always "against" something now has no special foundation. We have become diplomats.

National submitted a form to each chapter, and these were sent to me as State Chairman. From them, a state report, compiled for Mrs. Erb, was sent to headquarters. Data in this master report included the following:

Sixty chapters reported giving at least 10 minutes each month to National Defense; 60 chapters stated that they use most of the material from Washington, but one chapter requested that material on adopted resolutions be so labeled, or that important things to be pushed over all others be given some special mark; 54 chapters stated they have had at least one special National Defense program with special speaker. Your State Chairman has visited 22 chapters and taken part in these programs; 29 chapters gave \$103.00 for Defense; 5 chapters gave \$11.00 to the Textbook Survey Fund; 42 chapters gave 359 Good Citizenship Medals; 1 chapter gave 60.

This was four more than last year. Thirty chapters reported the Resolutions of 1958 Congress read at meetings.

In answer to the question as to whether Gedrgia has a legislative committee for investigation of un-American activities, 30 chapters stated they are aware that Georgia has such a committee under the Attorney-General and the G.B.I. Forty-two chapters reported that members investigate candidates for public office and whether they support the Constitution; 40 chapters filled in the question on whether Georgia has a registration of firearms in the affirmative, and all stated that it was submitted to the public; 30 chapters stated their water is already fluoridated, and that they believe it did get public approval. This is the most debated of the resolutions in this section, and opinion seems to be evenly divided; 20 chapters stated they have asked questions about the Mental Health Program; 20 chapters stated that schools do have questionnaires probing into the life of the students. One teacher stated she considers this knowledge vital in order to help students, but another stated it is tending to go too far. No chapter reported any attempt in the schools to abandon the traditional observance of Christmas; 15 chapters reported "One Worldism" activity in their churches, but they did not say whether their members had taken any action to halt this momentum; 4 chapters reported a watching committee to denote subversive material in textbooks. All four stated that "One Worldism" and "togetherness" seem to be the tools used; 15 chapters reported discussion-type programs on National Defense.

In addition to these above National D.A.R. questions, Georgia chapters reported: Sixty chapters observed Constitution Week in some public way; 15 reported radio programs; 40 reported proclamations by mayors; 32 reported flags being flown by merchants; 9 reported special window displays; 7 had special television programs; and 40 reported some emphasis given in public schools.

Two chapters sponsored Mrs. Erb, and the turnout of the men was noteworthy; 1 chapter chairman writes a column on National Defense for her paper. Almost all of our committees do some sort of overlapping work with this committee, and though incorporated in the master report, it would be redundant at this conference.

The Chairman's award goes to Commodore Richard Dale Chapter. Honorable mention goes to the following chapters: Augusta, Thronateeska, Vidalia, LaGrange, Cherokee, Baron DeKalb, Atlanta, Joseph Habersham, and Blakely.

STATE SECOND VICE REGENT

As State Second Vice Regent, I attended the Study Forum held at Perry in August, and the Fall Board of Management meeting in Columbus where I was privileged to serve as General Chairman, State Conference and Continental Congress, the ceremony at the State Capitol for the unveiling of the busts presented by the Daughters of the American Revolution for Georgia's Hall of Fame. I was guest speaker for the Constitution Day program held by the junior and senior classes of Jordan High School of Columbus.

As the work of the State Second Vice Regent is that of the Approved Schools Chairman, I have had the privilege of visiting Tamassee D.A.R. School, of speaking at 21 chapter meetings on behalf of the work and appearing three times on TV for this program.

The Chapter Regents and Chairmen of the Approved Schools Committee are to be commended for their excellent reports. I would like to express my appreciation to each chapter for the hospitality extended me. It is a privilege and honor to serve under the capable and gracious leadership of the State Regent, Mrs. Harold I. Tuthill.

STATE CHAPLAIN
Mrs. Harry E. Talmadge

As retiring State Recording Secretary the State Chaplain compiled and edited the State Proceedings material during the summer. Copies of the Proceedings were mailed by August 1, 1958.

The State Chaplain has presided at several graveside services and visited two chapters as guest speaker.

A roll of departed members has been kept and it is with deep regret that the Chaplain reports 79 deaths in the past year.

All Chapter Chaplains reporting, state that Chapter meetings are opened with prayer; several report writing to the ill and to bereaved families of departed members. Several report placing markers at the graves of departed members.

Due to illness in her family the State Chaplain was unable to attend the State Forum and State Board of Management meetings.

State Conference was attended, at which time, the regular Memorial Service was conducted and the other duties of the State Chaplain performed.

STATE RECORDING SECRETARY
Mrs. Charles C. Bush

The year's work of the State Recording Secretary started with the compilation of the Regent's Directory in June, 1958. She attended the Study Group meeting in Perry, August 8, 1958, and the State Board of Management meeting in Columbus, October 24, 1958. She had the privilege of speaking at the Governor David Emanuel Chapter in Swainsboro in November, the subject being "Thanksgiving." Four chapters sent copies of their Year Books; one State Chairman and one State Officer sent copies of their letters of instructions. Both Year Books and letters were of tremendous value in assisting the State Recording Secretary to familiarize herself with the work of the State Society and she hopes more chapters will share their work with her next year. Six chapters included her in their invitations to the State Regent, Mrs. Harold I. Tuthill, which were deeply appreciated. One hundred and seventy-five cards, reminding all State Officers, State Chairmen and Chapter Regents to send their reports in on time were mailed in January, for the purpose of expediting the printing of the Proceedings. The State Recording Secretary expresses her gratitude to the State Regent, Mrs. Harold I. Tuthill, for her patience and understanding, to Mrs. John F. Thigpen, Honorary State Regent, for undertaking the recording of the minutes, and to all State Officers for their generous consideration during the illness of the State Recording Secretary, which necessitated her absence from the Sixty-first State Conference, Georgia Society of the National Society, Daughters of the American Revolution.

STATE CORRESPONDING SECRETARY
Mrs. Yates W. Little

Your State Corresponding Secretary has had the privilege of attending the Summer Study Group at Perry, the Fall Board meeting in Columbus, the Spring Board meeting, and the Sixty-first State Conference in Atlanta. I wish to express my sincerest appreciation for the lovely invitations from several chapters to attend their meetings.

The following correspondence has been carried on during this year: State Regent's May letter (177) and blanks for new officers (269); State Regent's letter announcing the August Study Group (177); invitations to the Fall Board meeting (177); invitations

to the reception at the home of Mr. and Mrs. T. K. Kendrick (177); notes following the Study Group and Fall Board meeting (25); State Regent's December letter (177); special invitations to State Conference (14); invitations to State Conference (182); letters to Senators and Congressmen (13); State Regent's February letter (177), and such other miscellaneous letters and telegrams as directed by the State Regent, the State Board of Management, and the Executive Board, and as this office called for.

It has been a very great privilege and pleasure to serve the State Society and our beloved State Regent.

DAUGHTERS OF THE AMERICAN REVOLUTION GEORGIA SOCIETY

FINANCIAL REPORT — TREASURER

JUNE 1, 1958 TO FEBRUARY 28, 1959

Mrs. Arthur H. Waite, Jr.

To the
Daughters of the American Revolution,
Georgia Society,
Atlanta, Georgia.

We have examined the financial accounts and records of the State Treasurer of the Daughters of the American Revolution, Georgia Society, for the period from June 1, 1958 to February 28, 1959.

The Treasurer's account was transferred from the Citizens and Southern National Bank on December 3, 1958, to the Trust Company of Georgia, Atlanta, Georgia. We traced all cash receipts into the bank account, and examined cancelled checks and other supporting evidence covering all withdrawals.

On January 16, 1959, the sum of \$2,000.00 was transferred from the "Dues-General Fund" to a savings account with the Trust Company of Georgia. This savings account designated as a "Reserve Fund" was authorized by a resolution of the State Board of Management on October 24, 1958. The active fund accounts, exclusive of the "Reserved Fund," are combined in one bank account, and the aggregate of balances of the Funds at February 28, 1959, was found represented, as follows:

Trust Company of Georgia (Checking Account):

Balance\$7,778.68

Plus:

Checks received too late for deposit in February 91.00

Total Balance\$7,869.68

Trust Company of Georgia (Savings Account):

Balance\$2,000.00

The attached statements enumerated below, in our opinion, fairly present the financial transactions for the period under review.

STATE CONSULTING ORGANIZING SECRETARY

Mrs. J. Laurence McCord

One new chapter is being organized in West End, Atlanta, with Mrs. Milton Davis as Organizing Regent; also a chapter is in the process of being formed in Ludowici, with Mrs. Thomas A. Coxon, Organizing Regent.

Plans are underway for a new chapter north of Atlanta which we hope to report by the Fall meeting of the Board of Management.

I attended the meetings of the Board of Management in Columbus and the Forum in Perry.

STATE CONSULTING REGISTRAR

Mrs. Ben I. Thornton

There were included in my August letter of instructions to the Chapter Regents and Registrars three pamphlets: How to become a member; requirements and preparation of application Papers and information for Chapter Registrars; and also a sample 3x5 index card which showed how to record chapter membership changes for the State Society's membership files.

The State Consulting Registrar is required to keep a correct list of all Georgia members with their National numbers, ancestors and service of ancestors. This can be done only by the cooperation of each chapter.

My sincere appreciation goes to those Chapter Registrars who by their splendid cooperation have made it possible for most of Georgia's 1958-59 membership cards to be in perfect order. Over 90 percent of the Chapter Registrars participated in this. It is hoped the remaining chapters will list their members in the Georgia files.

STATE HISTORIAN

Mrs. Florine Dozier Gibson

Seventy chapters reported historical work done. Space limits reporting the varied and ingenious methods of carrying out the first objective of our Society. Constitution Week, proclaimed by the Governor and many Mayors at the request of State and Chapter Historians, was celebrated by radio and chapel programs, in churches and chapters; displays in windows or business houses; flags flown and newspaper publicity. Outstanding was a six column picture of The Signing of the Constitution, topping a lengthy quiz on the Constitution.

Documents given to the Repository of Americana, donations to the Restoration Fund of the National Society, and to Georgia Archives Fund. One chapter reported filming eleven 100 feet strips of private and Bible records; 50 records of Morgan County, including 30 families, location of four cemeteries, wills, graves of Revolutionary Soldiers; 23 original documents from Elbert County from 1793-1804, including record of first Superior Court held in Elbert County in a private home, and George Walton, one of the signers of the Declaration of Independence, the presiding judge; 486 pp. families, letters, journals, church histories and minutes; 2,385 cemetery inscriptions from nine cemeteries sent to Archives in Atlanta and D.A.R. National Archives; 8 pp. of cemetery records and six pp. of Bible records sent to D.A.R. Magazine; 159 land lottery drawings in Early County published by Blakely paper; chapter

histories with membership rolls; 25 Historical Markers placed, one, a bronze plaque with the names of 16 Revolutionary Soldiers, at entrance to Mt. Hope Cemetery, Dahlonaga, unveiled by Colonel William Few Chapter; picture sent to Smithsonian Institution; another at the site of an old shipyard in Savannah; three in Albany marking the Old Bridge House, Palmyra Community, and first brick house; many others not described; 200 historical programs by adults, 48 by students; 98 historical tours by adults, including unveiling of busts of William Few and Abraham Baldwin, Georgia signers of the Constitution in rotunda of State Capitol, Atlanta, sponsored by the Georgia Society; 23 historical tours by students; 64 broadcasts, some continuing 10 weeks, many 30 minutes long; six TV programs; Sesquicentennial celebrating the 150th anniversary of Pulaski County; a history bee, participated in by 40 students from three counties; 104 Historical Anniversaries celebrated; graves of 14 Revolutionary Soldiers located, four marked; 13 graves of wives and daughters located, one marked; graves of 27 D.A.R. members honored.

Continued response to the furthering of the study of American History in the 5th, 6th, 7th and 8th grades; 148 History Certificates (\$37.00), five with one dollar bills attached awarded for highest grades; 131 Silver History medals (\$27.50), nine bronze (\$11.25); cash awards amounting to \$127.00 for excellence in American History; one \$50.00 and two \$25.00 Bonds given as essay prizes. Six schools offered prizes in Negro schools for work in American History; one chapter gave 25 books to Negro schools.

February was proclaimed American History Month by Georgia's Governor as requested by State Historian, and Mayors by request of chapters; 100 kits were ordered from the Theodore Roosevelt Commission and mailed to chapters upon request; 1,121 essays were written on Theodore Roosevelt, many in county schools; 25 essays were sent to State Historian, from these five were selected, and finally the winner in the District; 125 essays written on other historical topics; 40 chapters celebrated American History Month in outstanding and different ways—radio, TV, and chapel programs, window displays, special troughs of books at libraries, posters, spot announcements over radio and flags displayed on all February anniversaries; theaters asked to show historical films; pine trees planted and Conservation programs honoring Theodore Roosevelt; 1,000 American History Month stickers used on letters and as place cards; 103 Historical Scrapbooks made; History textbooks examined; talks made in churches and Garden Clubs. I would like to commend all chapters on their splendid work, especially naming Thronateeska, Commodore Richard Dale, Stephen Heard, John Floyd, Peter Early, Benjamin Hawkins, Roanoke, Cherokee, Baron DeKalb, Knox Conway, Roanoke, and Metter chapters.

STATE LIBRARIAN

Mrs. J. Carleton Vaughn

The 41 reports sent your State Librarian show a growing interest in D.A.R. library work throughout our State. Chapters report spending \$1,308.50 on library work. The greatest part of this sum was spent locally. Most chapters have at least a D.A.R. Shelf in the local public library, while several chapters report maintaining genealogical and historical collections of hundreds of books, pamphlets, and microfilms which are made available to the public. Members serve on local library boards; give book reviews in libraries, chapters, and radio; and contribute many man-hours of service to local library work. Several chapters have a part-time

genealogist on duty at the public library to assist anyone in hunting family data. Chapters give books to the local libraries, rebind genealogies and magazines, and keep schools and public libraries supplied with the D.A.R. Magazine and other D.A.R. material. One chapter donates yearly to supplement the salary of the local public librarian. One chapter made a tape recording of a fairy tale book for blind children. Another small chapter gave six new schools \$10.00 each for the purchase of American History books for the school libraries.

Chapters also cooperated in working for our National Library. Reports show contributions of \$144.90 were made to the National D.A.R. Library for books, pamphlets and the library fund; 103 Library Booklets were sold; 13 chapters had a speaker talk on "Our D.A.R. Library"; five books and three pamphlets sent to the National Library.

Chapters report a total of \$48.50 was spent for State library work; four books added to the D.A.R. collection at Rhodes Memorial. A list of all public libraries in Georgia was obtained and a copy of our "Proceedings, 1957-1958" was mailed to every public library in the State.

Outstanding library work has been done by Thronateeska, Mary Hammond Washington, Nancy Hart, Baron DeKalb, Governor George W. Towns, and Fort Early chapters.

The State Librarian's award of \$5.00 to the chapter doing the most outstanding work for our National D.A.R. Library is given to Thronateeska Chapter. The State Librarian's award of \$5.00 to the chapter selling the largest number of Library Booklets is made to Baron DeKalb Chapter. The Porter Trophy for local library work is awarded to Nancy Hart Chapter.

The following list of books and pamphlets has been sent to the National D.A.R. Library:

Pioneers of Wiregrass Georgia, Folks Huxford. Vol. 3, 1957.

Supplement by Maude Saxon Hay to Martin and Allied Families by Grubbs, 1959.

STATE CURATOR

Mrs. Frank G. Binford

Fourteen chapters had programs on the Museum, including slides and descriptive talks. Thirty-four chapters contributed \$119.50 to the Museum Fund. Fourteen boxes of notepaper were sold by two chapters.

Thronateeska Chapter of Albany presented an outstanding gift to the D.A.R. Museum in Washington. The Regent, Mrs. Frank F. Faulk, made the gift possible by giving a beautiful, framed bas-relief of Chief Justice Ambrose Spencer of New York Supreme Court (1819) to her chapter. The gift was valued at \$350.00 by experts.

The Sara Morrow Trophy and the State Chairman's award of \$10.00 were awarded to Thronateeska Chapter for the best report.

COMMITTEE REPORTS

NATIONAL COMMITTEES

AMERICAN INDIANS

Mrs. Harry M. Dixon

The past year has been one of renewed interest in the American Indian with statewide and southwide attention focused on the completion of work at Etowah Mounds and museum located near Cartersville; restoration of the Vann House near Dalton; purchase of land near Columbus for rebuilding the Uchee Village there as of 1200 A.D.; increased interest in New Echota near Calhoun; Jarrells Manor near Toccoa; Kolomoki near Blakely; Rock Eagle Park near Eatonton; Indian Springs near Jackson; the grave of General William McIntosh near Carrollton and extensive excavations going on now by the Smithsonian Institution in Stewart County and on the Chattahoochee River near Columbus.

Letters in duplicate with report blank and descriptive leaflets on St. Mary's school and Bacone College were sent to each chapter last fall. Reports from 56 chapters showing the following excellent work: Cash to Bacone, \$161.52; St. Mary's, \$165.50; general fund, \$77.50; total, \$404.52. Clothing valued at \$573.15 to Bacone and \$561.55 to St. Mary's—total, \$1,134.70. Twenty-three chapters sent boxes of beads and costume jewelry; one chapter sent linens, soap and towels, value, \$15.00. Another gave \$26.00 toward summer camp expenses of an Indian girl. One gave \$58.00 to Coweta Memorial Association; 17 chapters made tours to Indian sites, one making 8—several making 3. Nine sites worthy of historic markers reported; 14 chapters displayed relics; one chapter held meeting at a museum and had a conducted tour. In 17 programs Indian music and poetry used; four showed colored slides of schools; four had radio and one had television program; three had book reviews and one chapter had three reviews; in a small library 38 books on Indians are available; Atlanta, Eastman, and Waycross chapters had some item of interest at every meeting; two chapters had series of articles in local paper. Other items of interest: one chapter collected 300 arrow heads and other relics; \$9.50 of Christmas goods from St. Mary's sold; C.A.R. chapter assisted in selecting an Indian student as pen pal; story written by high school student used as program; several planning to attend National Committee meeting of American Indians. Cash award for best all-round work awarded to Thronateeska Chapter; cash award for best local work to Peter Early and Colonel William Few chapters.

AMERICAN MUSIC

Mrs. T. Ayer Hatcher

After mailing a letter in September to every Regent and Chapter Chairman outlining the program for the year, with a questionnaire following to each in January, the reports indicate that American music was used more often at chapter meetings and broadcast over the radio and television rather than the observance of National Music Week. National Music Week was observed by many chapters

in cooperation with organized music clubs. Around 97 percent used American music at each meeting. Musical programs were given in homes, churches, public schools, chapter meetings, choruses, broadcast over radio and television. Papers were read and outstanding speakers were presented as well as outstanding musicians. The projects were good and I am sure well performed.

Several Daughters and your Chairman will sing with the National Chorus at Continental Hall at the 68th Congress. Material for the National Scrapbook and papers for the Library of American Music were forwarded to the National Chairmen.

The aim of the music committee was to have each chapter present to the public good historical, patriotic and classical works of our outstanding American composers. These works were presented by our own splendid Georgia musicians. It has created among the Daughters and the public a desire to appreciate and to use our highest type of American historical, patriotic, and classical music.

The Chairman of American Music and the membership of the Brunswick Chapter should be commended for presenting the "Centennial Ode," words by Sidney Lanier and music by the famous American composer and musician, Dudley Buck. This Ode has been commissioned by the United States Congress to be performed in Philadelphia especially for the Centennial celebration of 1876 of the founding of the United States. This magnificent Ode had been performed two other times then forgotten, when the Chairman and members of the chapter resurrected it from the Library of Congress by having a photostatic copy made of the score, which is now out of print. With much expense and labor, parts were copied from that for each member of the chorus. After weeks of rehearsals it was performed by members of the local chapter and the membership of the Mozart Society at the Cloister Hotel. It was a big success. Their share of the money from the sale of tickets paid expenses for a Brunswick boy for his first semester at Berry School and was used also to send a boy to Transylvania Music Camp at Brevard, North Carolina.

AMERICANISM AND D.A.R. MANUAL FOR CITIZENSHIP

Mrs. Emile O. Scharnitzky, Sr.

Something new has been added! A N.S.D.A.R. Board ruling passed February 1, 1958, that a D.A.R. Americanism Medal be created for adult naturalized citizens who have demonstrated outstanding trustworthiness, service, leadership, and patriotism. Eight medals were presented with ceremony and honor to eight "naturalized" American patriots who received them with gratitude. Five dollar award to chapter sponsoring medalist with most outstanding qualifications was awarded Bonaventure Chapter. Congratulations to Bonaventure, Thronateeska, Peter Early, Commodore Richard Dale, Baron DeKalb, Thomasville, Augusta, and Savannah chapters for their wonderful response.

In July duplicate letters with questionnaire plus "immediate release" data on above medal mailed to all Chapter Regents. Forty chapters submitted reports. Patriotism and love for America run high in Georgia. The State Chairman is grateful to Regents and Chairmen who share her enthusiasm for this challenging committee work; to Mrs. G. B. SUB-COMMITTEE—D.A.R. MANUALS

Mrs. George B. Shearouse, Jr.

In October letters with Chairman report blanks were mailed to 93 Chapter Regents. The Chairmen were asked to place the Manuals in schools, libraries and to be given to persons studying to become citizens of the United States. The Vice-Chairman wrote to each chapter asking that special emphasis be placed on getting 7th grade teachers to use the Manual in their teaching. Out of the 93 chapters, 46 sent in reports. It is as follows: 1,138 D.A.R. Manuals for Citizenship placed in the state; 346 given to G.I. brides, etc. The Manuals were given to new citizens, naturalization courts, schools, and libraries; 259 placed in schools, total sales, \$44.15. There were 841 inches of publicity, 54 radio broadcasts and four TV programs. It was reported that one schoolwide club was formed to promote the use of the Manual with 34 teachers now using it in the public schools. Total number of Manuals, 314.

Large numbers of D.A.R. members attended the naturalization courts, with one chapter Regent being sponsor for a new citizen. Chapters gave out flags, flag codes, songs and other memento after the ceremonies. Vice Chairmen serving were Mrs. Park Lee

Hay, Macon; Mrs. E. W. Ellis, St. Simons Island; Mrs. James B. Burch, Thomasville; Mrs. J. E. Rowe, Sr., Columbus; Mrs. C. B. Plexico, Gainesville; Mrs. E. F. Chaffin, Toccoa; and Mrs. John L. Barner, Athens. Mrs. Rowe's district reported the largest number of Manuals placed, with Mrs. Ellis reporting the second largest number placed.

My personal thanks go to these Chairmen and to Mrs. E. O. Scharntizky, Sr., State Chairman, Americansm and D.A.R. Manuals for Citizenship.

APPROVED SCHOOLS

Mrs. T. K. Kendrick

Of the 88 chapters, 79 reported an active Chapter Chairman, 44 chapters included the work in their budgets, and 67 reported special Approved Schools programs. The support given the Approved Schools has been outstanding and most gratifying. Total cash sent to all schools amounted to \$7,641.45. There were 68 scholarships, complete or partial, amounting to \$3,404.00. Three hundred and twenty-eight boxes of clothing, new and used, and special gifts sent with a total valuation of \$10,129.02.

The most outstanding work of the chapters as a whole were the two resolutions passed at the Fall Board meeting allocating the six cents per capita for Kate Duncan Smith D.A.R. School to be used for the enclosing of a passageway at the school, total amount of the gift to be \$500.00; and the per capita giving for Tamassee D.A.R. School to be used for furnishing a room in the Groves Cottage in honor of the State Regent, Mrs. Harold I. Tuthill. This gift amounted to \$555.68.

Most gratifying was that the endowment scholarship fund at Tamassee was over-subscribed, thereby completing this fund. All the chapters did outstanding work for the schools. Chapters reported the purchase of articles made by the various schools, the showing of slides of the various schools. Only a few of the many outstanding gifts and contributions can be mentioned but this does not minimize any contributions no matter the amount.

The Atlanta Chapter furnished the Housemother's room at the Groves Cottage; the Joseph Habersham Chapter again this year contributed \$750.00 to the Madison Bell Scholarship Fund established by them at Tamassee; the John Houston Chapter besides scholarships of money and gifts of linen presented Tamassee D.A.R. School with a silver tea service in grateful recognition of the loving service rendered by Mrs. Henry Allan Ironside over the years to Tamassee. Mention is made of the work done by the Baron DeKalb, Cherokee, Savannah, Fielding Lewis, and Button Gwinnett chapters. The Joseph Habersham Chapter was given a special award for their outstanding scholarship fund.

The State Chairman's award for outstanding work for Berry Schools was presented to the John Houston Chapter with the Fielding Lewis Chapter receiving honorable mention.

The Kate Latham Dykes Cup is presented to the John Houston Chapter for outstanding work.

CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Ralph A. Lovelace
Senior State President

The Georgia Society, Children of the American Revolution, is indeed grateful to the Georgia Society, Daughters of the American Revolution, for all they have done to support and help the C.A.R. in Georgia during the past year. Each sponsoring D.A.R. has done much to see that the Children of the American Revolution develop qualities of leadership and a devotion to the principles upon which this country was founded. The Georgia Society, C.A.R., is grateful to the State and National Promoters for their interest, generosity, support and cooperation. As an expression of gratitude to the sponsoring mother organization, many interesting programs have been given by C.A.R. Societies to D.A.R. Chapter meetings.

The work accomplished has been outstanding, revealing varied activities, informative programs, and worthy contributions to C.A.R. projects. This has been a busy year with Georgia C.A.R., as will be seen by reports on the following pages, and it has been intriguing to note the varied interests and accomplishments.

Many invitations have been received by the Senior State President to represent the Georgia Society C.A.R., including installation of officers for new C.A.R. Societies, speaking to D.A.R. Chapters on C.A.R. work, attending State meeting of Sons of the American Revolution in Atlanta. The Senior State President attended the D.A.R. workshop in Perry in August at which Mrs. John W. Finger, Senior National President C.A.R., was the featured speaker. The

D.A.R. State Board meeting, held in Columbus in October was attended. The Senior State President, in cooperation with Lynda Worley, State President, planned for and presided over the 20th annual State Conference C.A.R., held in Atlanta February 27-28, 1959, with Mrs. John W. Finger, Senior National President, C.A.R.; David Kemker, National President, C.A.R.; Mrs. David H. Means, Vice President, Southeastern Region, C.A.R.; Jimmy Adkisson, National Assistant Organizing Secretary, C.A.R.; Mr. W. A. Wentworth, National President, S.A.R.; Mr. Dudley C. Fort, State President, S.A.R.; Dr. Noah Langdale, Jr., State Vice President, S.A.R.; and Mrs. Harold I. Tuthill, State Regent, D.A.R., attending.

A letter has been written to every D.A.R. Chapter in the State enclosing leaflet "How to Organize a C.A.R. Society," and urging them to organize and sponsor a C.A.R. Society. Two issues of Georgia C.A.R. News has been compiled and sent each Chapter and Society. A letter has been written to every D.A.R. Chapter sponsoring a C.A.R. Society and having C.A.R. members who will be eligible for transfer to D.A.R., asking them to invite the C.A.R. member to transfer to D.A.R.

The Georgia Society reports with pride the organization of five new Societies since the last State Conference, namely: Marietta, Augusta, Blakely, Covington, and Decatur. Others are in process of organization, hoping to be completely organized soon.

This has been a busy year filled with hours of hard work, but one of the happiest I ever spent as I worked with fine Georgia young people for God, Home and Country.

CONSERVATION

Mrs. George W. Nelson

Chairmen from 68 chapters made excellent reports. Forty-three chapters had programs, which featured speakers, or slides to give members information about the need for conserving our natural resources. The State Chairman visited four chapters and participated in a TV conservation program.

Conservation education in our schools was promoted by 25 chapters, which cooperated with 4-H and FHA projects; offered 12 prizes for winners of Conservation Essay contests; placed 10 conservation books in school libraries and donated 51,000 pine seedlings to school forestry projects. Two chapters deserve special mention: Lachlan McIntosh, for sending 10,000 pines to Berry School, and Cherokee, for distributing 600 booklets on Forest Fire Prevention to pupils of Atlanta schools.

Other projects reported by chapters: planting 4,989,959 pine seedlings as a Reforestation Memorial to Theodore Roosevelt; planting 4,133 other kinds of trees; reclaiming 15,780 acres of land; planting 4,535 acres for soil conservation; constructing 30 farm ponds; sowing 3,850 pounds of wildlife food seed; building 7,037 yards of terraces; establishing 134 bird feeding stations; supplying 1,050 pounds of bird food; raising 1,400 quail to replenish wildlife; 13 observed Arbor Day; 10 letters were written to Congressmen and Legislators protesting leasing of our parks to private citizens, pollution of streams and the proposed cutting over of a wilderness tract; 16 studied Wildlife Preservation Laws; 15 helped sponsor successful drives to make their towns a bird sanctuary; five had TV and radio programs in January; 25 reported cooperating with State and Federal Agencies in conservation projects—a notable example was the Colonel William Candler Chapter, where members assisted in establishing three small water-

sheds that will protect 15,000 acres of land; 35 reported helping to beautify highways, parks and church grounds by large plantings of shade and flowering trees, azaleas, camellias and hemerocallis. Special prize is due the Stephen Heard Chapter for their contributions to the beauty of the Stephen Heard Park. Special mention and praise is given to our youngest chapter, Captain Thomas Cobb, for an excellent report.

The State Chairman's award for reporting the best work in conservation was won by the Thronateeska Chapter, and the prize for reporting the largest number of pine trees planted as a Reforestation Memorial to Theodore Roosevelt is awarded to the Benjamin Hawkins Chapter.

D.A.R. MAGAZINE

Mrs. S. M. Page Rees

As State Chairman of D.A.R. Magazine Committee, I wish to thank all chapter regents, chapter chairmen, as well as the chapter members for their splendid response to my 2 letters, and many post cards and notes. It is a genuine pleasure to report the 1379 subscriptions to the D.A.R. Magazine, which is I believe, 166 subscriptions over our assigned quota of 1213, and a possible increase of 371 subscriptions over last year's report. The quota of 1213 subscriptions set up by our National Office is 20% of 6067 members—the D.A.R. chapter membership for Georgia, as of February 1, 1958. The credit for meeting this obligation is due to the excellent work done in the chapters by interesting the members in the magazine, together with the cooperation of regents and chairmen.

Breaking down the figures, of the 88 chapters in the state, 88 reported, 82 chapters have chairmen, with 6 regents acting as chairmen. There are 416 new subscriptions; 143 subscriptions in the form of gifts, 42 to libraries, and 15 to schools; 69 qualifying chapters exceeded the 20% Honor Roll Requirements; 10 chapters reported all officers subscribing, and 1 chapter added that 25 out of 28 chairmen

subscribed, and 2 State Chairmen; 16 other chapters reported that the majority of their officers subscribed. One chapter sent in an article to the magazine. An article for possible publication in an early issue in the D.A.R. Magazine has been submitted by a well known Georgia authority on the Constitution, as requested by the National editor. All this is your accomplishment.

The Daughters of the American Magazine is the official instrument of the National Society, Daughters of the American Magazine, in carrying out its objectives which are Historical, Educational, and Patriotic.

It carries articles submitted freely by eminent writers, educators, statesmen, personages in the nation's life, as well as our own members on subjects of national and international interest, falling within these categories of our national objectives. Because of the high caliber of these contributions, the articles are frequently reproduced or quoted in the Congressional Record, Reader's Digest, and others, and in some instances, represented in pamphlet form. Also there have been items of genealogical interest. To make all articles more readily available, an accumulative index of articles is being undertaken. An index of the genealogical department has already been instituted.

The magazine is placed in schools and general libraries. It substantiate the fact that the American way of life is not all Hollywood or Las Vegas. It is an useful adjunct to the study of American History from the landing at Cape Henry, Virginia, to the present day firing at Cape Canaveral, Florida. It also alerts the reader on phases of National Defense, from trends over the nation to specific Congressional bills in brief abstract. Because of its contribution to education, and because education is one of our national objectives, the magazine has been made exempt from certain postage increases and mailing costs therefore substantially reduced.

It is indeed a publication that should take a prideful place in every member's home, and adds lustre wherever placed, no officer, chairman, or member should be without this guide and reference.

On a basis of figures alone, I should not commend one chapter more than another, for the efforts were as great in the small chapter as the larger, on the other hand, the showing may be less in chapters with a greater number of members. But here I would like to commend the efforts in securing new subscriptions of Atlanta Chapter with 51, Savannah Chapter with 47, Vidalia Chapter with 20, Baron DeKalb Chapter with 18, Dorothy Walton Chapter with 15.

Three awards, all to be made on a per capita basis, were offered by the State Chairman this year. The award for the greatest number of suscriptions per capita goes to the Captain Thomas Cobb Chapter. The award for securing the greatest number of new subscriptions per capita goes to the Captain Thomas Cobb Chapter. The award for the largest number of gift subscriptions per capita goes to the Edmund Burke Chapter.

D.A.R. MAGAZINE ADVERTISING

Baron DeKalb Chapter sent 29 ads, amounting to \$317.50, and to this Chapter goes my \$5.00 award for securing more ads than any

other chapter. This is the third successive year that this Chapter has won this award for sending in more ads and more money than any other.

Honorable mention goes to the Peter Early Chapter for securing two and one-half pages, including 4 pictures, \$284.00.

May I urge members to cooperate with their Regent and Advertising Chairman, and work harder to have 100% Chapter participation in D.A.R. Magazine Advertising next year.

THE FLAG OF THE UNITED STATES OF AMERICA

Mrs. Arthur E. Mallory

Excellent reports of the Chapters reveal increased Flag consciousness. Chapters; 608 small flags presented to New Citizens at Naturalization Courts, City and County schools, Scouts, Brownie Troups, C.A.R. and Chapter members; 38 Chapters studied the Flag Code; 2195 Flag Codes distributed to schools and organizations in proceeding lists; 34 corrections were made in improper display of the Flag; 53 Flag programs given at Chapter meetings and 28 Flag Programs given at other groups and organizations; 66 Flag articles and 6 pictures reported in newspapers; 89 radio programs on Flag broadcasts with spot announcements number not reported; 78 Chapters gave Pledge to the Flag at each meeting; 61 Chapters sang National Anthem at meetings while several Chapters sang America; 63 Chapters reported general display of the Flag on Flag Day and other Patriotic Days; 39 Chapters reported daily Flag raising ceremonies at local schools; 27 letters written as requested by National Defence Office; 19 Flag exhibits were displayed at Post Offices; libraries, schools, store windows,

State Chairman's Award of \$10.00 judged by three D. A. R. members, was won by Thronateeska Chapter; second place, Metter Chapter; and third place, Stephen Heard Chapter.

JUNIOR AMERICAN CITIZENS

Mrs. James T. Manning

The Junior American Citizens Committee has been a most interesting and rewarding committee. Your chairman was not familiar with the program and has had to enlist the help and cooperation of others, all of whom have been most cooperative. Much interest and enthusiasm has been shown in the work, and because of this we hope to have another banner year.

In September letters were mailed to all the chapter regents requesting that the name of the chapter chairman be mailed the state chairman, and enclosing information from national headquarters in reference to supplies, essay contests, programs, and other related materials. Copies of instructions for the national contests and questionnaires were mailed the chapter chairman as soon as reported by the regents.

Twenty chapters reported having 876 Junior American Citizens clubs with 29,747 members. Also clubs reported having 1204 essays, 347 poems, and 857 posters entered in the J.A.C. contests. Many of these entries have been mailed the state chairman for judging and then to be entered in the national contest.

Baron Dekalb had 16,097 J.A.C. members sponsored by 535 clubs, entering 560 members in the essay contest, 342 poems, and 715 in the poster contest. This chapter also awarded 60 good citizenship medals. From this chapter 26 schools participated in celebration of constitution week by studying its history, contents, and present day application. One school paper included the J.A.C. work as a regular feature.

The Atlanta Chapter had a total membership of 3,376 in 47 clubs, an increase over last year. These clubs are organized among the under-privileged and handicapped, and by direct supervision the directors have tried to improve their way of life by instilling the laws of freedom and what America means. All members have been given Holy Gospels, American Flags, membership pins, and D.A.R. study guides.

Thronateeska has 199 clubs organized with a membership of 6,385, John Miledge Chapter, 23 clubs 902 members; Nancy Hart, 21 clubs 1235 members, and Henry Walton 17 clubs, 1235 members. If space would permit I would like to enumerate all the fine work done in these clubs especially those of the smaller chapters, who have carried on the work of the Junior American Citizens to the best of their ability.

JUNIOR MEMBERSHIP

Mrs. C. Roberts Pendleton

"Junior Members are the Life of the N. S. D. A. R., your best insurance policy." It has been an honor and privilege to serve as State Chairman. In August, letters were sent to all chapters giving outline of year's work plus request from the National Society that the Junior membership of each chapter be composed of 15% total chapter membership, a goal not reached as yet but well worth trying for in the future. Questionnaires were sent in January.

Sixty chapters reported: 53 new members with papers pending. 30 chapters sent complete lists of all junior members, their mailing addresses and their "Graduation Dates". These will compose Georgia's first Junior Membership Directory. 3 Juniors serve as chapter regents, 15 serve as other chapter officers, 39 as committee chairman and 1 chapter is composed of Juniors in and around their thirties. Two Juniors are State Chairman.

The Juniors participated widely in the work of the Society. 11 chapters reported working with J.A.C. Club, 6 with C.A.R., 6 with Good Citizens, 9 with Approved Schools, 6 with radio and T.V., 11 with National Defense and many more with Flag, Conservation and Library Committees.

A total of \$92.22 was reported as contributed to the Pouch Scholarship Fund. A box of gift items valued at fifty dollars has been sent from the Juniors of Georgia for the Annual Junior Bazaar to be held at Continental Congress. One chapter reported sponsoring a fund raising project jointly with their Approved Schools Committee that contributed \$100.00 to the Approved Schools Fund.

State Chairman's Award of \$5.00 goes to Lyman Hall Chapter for greatest increase in membership. Honorable mention goes to the Mary Hammond Washington Chapter. Most outstanding active Junior Committee, maintaining the greatest standard of Excellence in all phases of D.A.R. work is the Thronateeska Junior Committee.

MEMBERSHIP

Mrs. Ben I. Thornton

In response to the membership report blanks mailed to each chapter January. 82 reports were returned on time and 87 of the 88 chapters have reported. From these reports and from the official information from the office of the Treasurer-General, N.S.D.A.R. is based the membership report of February 1, 1958 to February 1, 1959 which is as follows: Members on Georgia roll, 6067; members at large, 75; total February 1, 1958, 6142. Admitted by applications, 369; reinstated, 49; transferred to Georgia, 26; transferred from Georgia, 29; resigned, 110; deceased, 78; dropped, 23. On roll February 1, 1958 at large, 70; in chapters, 6142-total 6212-net increase, 70.

Chapters February 1, 1958, 89; chapters disbanding, 1-total chapters February 1, 1959, 88.

The State Conference Award of the National Membership Chairman, Mrs. Robert H. Humphry, is presented to the Captain Thomas Cobb chapter with a 33 1/3% net increase in membership. The State Conference Certificate of Appreciation is awarded the Joseph Habersham chapter with 22 mothers and 28 daughters and 41 sister combinations.

In compliance with the rules of the trophy's donor the Susannah Gardiner Palmer Trophy is awarded the Captain Thomas Cobb chapter.

The three chapters with the largest net increase in membership are John Floyd chapter with 21 members, Xavier chapter with 12 members and Thomasville chapter with 10 members. The chairman's award goes to the Thomasville chapter as all changes in membership have been reported and cards for new members have been sent for the State files by this chapter.

MOTION PICTURES

Mrs. Wallace Crouch

The potential influence wielded through the medium of motion pictures is greater than is realized by the American public. In The National Magazine for July, 1958, Mrs. Erb said that motion pictures can be the worst kind of propaganda against us when shown to the Soviet people. Therefore we believe that The Daughters of The American Revolution should speak out in loud tones demanding better pictures. It has been my endeavor to urge the use of The Motion

Picture Review, and special credit was offered for most subscriptions in chapters; however, I have received reports of only 37 in the state, 11 of which were placed in libraries and schools as a public service.

Only 33 chapters reported chairman of motion picture committee. 3 chapters presented speakers on the subject, 2 had editorials in local newspapers, 2 reported films used in schools and films and slides were shown in 8 chapters. 2 letters were written to mayors of towns, asking cooperation in demanding good films and 5 chairmen met with theatre managers to discuss situation. 5 reviewed pictures and gave comments.

The children's film voted best in 1958 was "Old Yellow".

The award of \$5.00 offered to chapter for best program based on suggestions of motion picture committee; distribution of motion picture reviews; voting on best film and general results accomplished, goes to Thronateeska Chapter. Honorable mention goes to Baron DeKalb and General Daniel Stewart.

NATIONAL DEFENSE

Mrs. Sam Merritt

Those making the Silver Honor Roll are Augusta, Bainbridge, Benjamin Hawkins, Brier Creek, Captain Thomas Cobb, Fort Early, John Houston, Major General John Twiggs, Knox-Conway, Mary Hammond Washington, Peter Early, Roanoke, Toccoa, Stone Castle, and Vidalia chapters.

Those receiving honorable mention are Button Gwinnett, Colonel William Candler, General David Blackshear, Governor John Milledge, John Clark, Joseph Habersham, Peachtree Trail, and Tomochichi chapters.

Please let us all try harder to have more chapters on the Honor Roll next year. It is a real inspiration to read of the wonderful work the chapters are doing.

PRESS RELATIONS

Mrs. Matthew W. Kantala, Sr.

I am happy to report the fine work of publicity reported by the chapters this past year; 59 chapters reported 14,630½ inches of chapter publicity, with 149 pictures, 2,394½ inches of pictures appearing in 61 daily and 54 weekly newspapers; D.A.R. publicity other than chapter news, 378 inches; 1,425 inches in other publications, making a total of 18,828 inches of publicity.

Thronateeska Chapter reported 1,759 inches and was the only chapter in the State with such a record. Roanoke, Governor John Milledge, William Marsh, and Augusta chapters sent in outstanding reports of publicity. It gives me great pleasure to present the State Conference award for the best press scrapbook to the Thronateeska Chapter. I do appreciate the fine cooperation of each chapter press chairman and am looking forward to another good year.

PROGRAM

Mrs. R. Hugh Reid

Serving as State Program Chairman has been a great privilege, and to study the work of this committee gives an inspiring insight into the objectives and the work of the National Society. The "program" of the Society is far more than the entertaining conclusion of a monthly chapter meeting. The program is actually the entire work of the Society. The program touches on every phase of the work of the Society, and gives us the opportunity to become familiar with each phase of the objectives. Our chapter program is the overall work of the chapter. And, that part of the meeting which comes at the conclusion of the chapter meeting is just one opportunity we have to present in an interesting manner some special part of the Society's work.

I am most grateful for the response I have had this year. It is encouraging to note the increase in the number of chapters responding to the requests of this committee. There are 88 chapters in the Georgia Society. Only 11 have remained completely silent to my report blanks and inquiries. Seventy-seven chapters returned their report blank filled out. This is an increase of 158 percent over last year's response; 58 chapters have responded to my request for chapter yearbooks. This is an increase of 259 percent. I do hope that next year's report will be complete, including the 11 chapters who did not respond this year.

The National Reviewing Committee has received from the Georgia Society one paper this year. The basic requirement for submitting such papers is that the paper be on a subject of world affairs or of national scope. One such paper has been sent, and it was submitted by the Baron DeKalb Chapter. The paper, "Our Constitution, What is Happening to It and What Can be Done About It" was given by the Honorable Hamilton B. Stephen, Assistant Attorney General of Georgia.

In addition to this paper, a copy of which is on file in our newly begun state file of program material, the following are available upon request to chapters: "The First Thanksgiving" by Mrs. Charles C. Bush, from Vidalia Chapter; "Christmas in Literature, Art and Music" by Mrs. Wallace Crouch from Thronateeska Chapter; "Washington's Visit to Georgia" by Edna Todd Sterrett from John Ball Chapter; "The Christmas Story as Told by Music, Art, Traditions" by Mrs. John Mitchell from Oconee Chapter; "Conservation is a Weapon for Every Want and Waste" by R. P. Swann from Governor Treutlen Chapter; "Theodore Roosevelt Centennial" by Miss Mary Lizzie Wright from Stephen Heard Chapter; "United States Day" by the Honorable Woodrow W. Lavender from Stephen Heard Chapter; and "The Duc De La Fayette" by Colonel Z. B. Rogers from Stephen Heard Chapter.

This Chairman wishes to thank these chapters who have so willingly shared these excellent programs with her. Let me remind you that they are available upon request to any chapters wishing to use them.

The Chairman offers three \$5.00 awards to chapters. The first \$5.00 award is for the chapter submitting the most attractive Chapter Yearbook which best fills the needs of the chapter. Size of the chapter and economy of printing will be taken into consideration in judging for this award. The second \$5.00 award will go to the chapter which makes the most notable contribution to the State file of program material. The third \$5.00 award will be given to the chapter whose programs for the year from February 1959 to February 1960 best presents the objectives of the National Society. Variety of presentation, incorporation of National and State program suggestions, and general interest of program topics will be considered in the judging for this award.

The Chairman's award of \$10.00 for the most outstanding program submitted for the year went to the Thronateeska Chapter. Honorable mention was given to John Ball, Oconee, Baron DeKalb, Stephen Heard, Governor Truetlen, and Commodore Richard Dale chapters.

RADIO AND TELEVISION

Mrs. R. F. Burgin, Sr.

It is a great pleasure to report the fine work done by 51 chapters of the Georgia Society. Thirty-eight hours and 52 minutes of radio time, valued at \$2,003.00 were used; 10 hours and 44 minutes of television time, valued at \$3,041.50 were used. SPECIAL NATIONAL COMMITTEES

AMERICAN HISTORY MONTH

Mrs. Harris G. Rogers

All phases of the work for American History Month as outlined by our National Society were accomplished. Some chapters did all the work while others took parts of the overall program. Governor Vandiver proclaimed February as American History Month. This proclamation was also issued by various mayors over the state. Certificates, medals, and cash awards were given to pupils for outstanding work in history. Some radio and TV spot announcements were made. Teachers were very cooperative and we feel that the school children are interested in American history and their American heritage. Of the chapters reporting, there were 286 essays on Theodore Roosevelt. Merchants and D.A.R. members displayed flags. Many chapters distributed and used American History Month stickers.

My sincere thanks to the following chapters for their excellent reports: Thronateeska, Cherokee, Bainbridge, Peter Early, Benjamin Hawkins, George Walton, Oglethorpe, Button Gwinnett, Governor John Milledge, Baron DeKalb, Stephen Heard, Nathaniel Abney, Governor Treutlen, Nancy Hart, John Clarke, Tomochichi, Governor George W. Towns, John Houston, and Roanoke.

FRIENDS OF THE MUSEUM

Mrs. W. E. Gray

Twenty-three chapters contributed a total of \$215.80 to "Friends of the Museum." This amount includes one chapter membership, 97 regular memberships and other donations from chapters and individuals of \$66.80.

The award of \$5.00 for the largest number of regular memberships was presented to Thronateeska Chapter with 27 members. This chapter also sent \$14.00, gifts from two members.

The award for the largest donation went to my own chapter, the Governor David Emanuel, which generously gave a chapter membership of \$50.00 in addition to two regular memberships.

It has been a pleasure to serve as Chairman of this delightful committee.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Richard M. Milikin

The American Merchant Marine Library has an Investment Fund from Daughters of the American Revolution contributions of about \$3,000.00 prudently invested, the interest from which is used towards operating expenses.

On the back of your Annual Treasurer's Blank is a "Distribution Check" sheet. This is an excellent opportunity to designate monies for the American Merchant Marine Library Association Fund. Cash contributions of \$27.50 reported sent to State Treasurer for this Fund were from the following chapters: Atlanta, Stephen Heard, Oglethorpe, Oliver Morton, Nancy Hart, Governor John Milledge, Altamaha, David Emanuel, Thronateeska, and Button Gwinnett.

Boxes of books sent to the A.M.M.S., care of Charleston County Free Library, Charleston 16, S. C., included: one box of books valued at \$50.00 from John Houston Chapter; one box of books of excellent quality from Benjamin Hawkins Chapter; 24 soft back books from Hancock Chapter; and 11 magazines from Henry Walton Chapter.

COLLECTING AND PUBLISHING OF GEORGIA'S REVOLUTIONARY SOLDIERS

Mrs. Maurice A. Cameron

In September your Chairman mailed letters containing full information on reporting history of our Georgia Revolutionary Soldiers, and I am grateful to the chapters for their interesting histories mailed to me throughout the year.

The General Floyd Gavel goes to St. Andrew's Parish Chapter in Darien for sending the first history, and an award of \$5.00 goes to Thronateeska in Albany for the most outstanding report—there being 33 histories in all reported by this chapter. Honorable mention goes to Bainbridge and Toccoa chapters.

I appreciate the work these chapters are doing and I hope they will be able to send me a much better report next year.

CONFERENCE PROPERTIES

Mrs. Frank G. Binford

The State D.A.R. properties were delivered to the present Curator at the conclusion of the State Conference in Athens, March 1958, by Mrs. Arthur E. Mallory, Past State Curator.

List of properties: 1 United States flag; 1 Georgia flag; 1 D.A.R. flag; 3 flag poles; 3 gold finials (1 eagle and 2 speartype); 2 wooden standards; 1 brass standard; 1 cloth cover; 1 time clock; page ribbons; conference badges; and boxed electric D.A.R. insignia. These are the properties used at State Conference.

Properties not in current use include: 2 United States flags; 2 metal standards; 1 flag pole with eagle finial and gold cord; and old badges.

The properties needed at State Conference were delivered to Atlanta, March 11, and after Conference returned to Thomaston for storage.

Mrs. Thomas Coke Mell made a generous contribution to the Georgia Society, D.A.R., making it possible to have the Georgia flag changed to the new design adopted by the State of Georgia.

COOPERATIVE RELATIONS BETWEEN D.A.R. AND S.A.R.

Mrs. E. J. Smith

Your Chairman has been made very happy that this year marks the greatest number of D.A.R. chapters ever reported, cooperating with the S.A.R.

At our Study Group meeting in Perry we were privileged to have present at the meeting Mr. P. C. King, Jr., Past State President of the S.A.R. as our guest, at which time he addressed the group on D.A.R. and S.A.R. Cooperative Relations. Mr. King interested the group with plans for the S.A.R. awards to D.A.R. chapters. The awards offered are: \$100.00, 1st place; \$75.00, 2nd place; and \$25.00, 3rd place to D.A.R. chapter sending to Mr. King the greatest number of names accepted for membership. The awards are to be given at the Spring meeting of the State S.A.R.

At the close of this meeting Mr. King presented to your Chairman a Citizenship medal in recognition of her services to the State S.A.R. organization. The \$10.00 award to the chapter for the best report following suggested outline, not including the list of eligible names sent to Mr. King, goes this year to the Thronateeska Chapter, for the most outstanding Cooperative Relations with the Sons. The James Walton, S.A.R. presented to Mrs. Frank F. Faulk a bronze medal of appreciation for her services in assisting in the organization of their chapter.

To the Joseph Habersham Chapter goes the Clifford H. Smith Citizenship Medal for reporting the greatest number of medals given jointly. This medal is to be returned at the close of each chapter year, to be awarded again for the greatest number of medals reported each year. Honorable mention goes to Xavier Chapter for the very commendable work they have done.

By invitation of the Kan Yuk Chapter of Jacksonville, Fla., it was my very happy privilege to attend a joint meeting of the D.A.R. and S.A.R., at which time Mr. W. A. Wentworth, President General of N.S.S.A.R., addressed the gathering. He was introduced by Judge Folks Huxford, Historian General, N.S.S.A.R.

ETHEL PRITCHETT THIGPEN ENDOWMENT GIFT SCHOLARSHIP FUND AT TAMASSEE

Mrs. Lucius W. McConnell

It was my pleasure on May 16, 1958, to accept the appointment as State Chairman of the \$5,000.00 Ethel Pritchett Thigpen Endowment Gift Scholarship Fund at Tamassee for the purpose of completing this fund so that it could be put into use.

On May 31, the audit of the State Treasurer's books showed that \$713.19 was needed to complete this \$5,000.00 fund.

Taking this \$713.19 as my objective on September 28, two copies of a letter were mailed to each Chapter Regent urging members and chapters to contribute to this amount. It was also stated that an award of \$5.00 would be given to the chapter making the largest contribution.

In January, 1959, a postal card was sent to each Chapter Regent announcing an increase in the award from \$5.00 to \$10.00, and reminding her that a contribution to be counted in for an award must be sent before February 1, 1959, in accordance with State Proceedings. It is with pride and appreciation I report that 60 chapters gave \$1,017.50, which not only completed the \$5,000.00 fund but increased it to \$5,317.50. The Baron DeKalb Chapter led in donations by giving \$325.00; the Joseph Habersham Chapter was second, giving \$245.00; and Xavier, third, with a \$50.00 contribution.

FINANCE COMMITTEE

Mrs. T. Earle Stribling

The Finance Committee, composed of the following members: Mrs. Mark Smith, Mrs. Sam Merritt, Mrs. Arthur Waite, Jr., and Mrs. Dan White, met with the Chairman during the summer and after much deliberation prepared a budget for the year 1958-59. This budget was sent to Chapter Regents in September for study. At the October Board of Management meeting it was presented and adopted. All expenditures presented to this committee have been considered and approved when deemed advisable. The Committee recommended the purchase of three aluminum flag staffs for the flags owned by the Georgia Society.

GENERAL EXCELLENCE

Chapters with Membership of 100 and Over

Mrs. William Louis Taylor

We had only five reports out of a possible 11 in this group. Each Chapter Regent was asked to leave out names and places that might identify her chapter and to sign her name as Regent and her chapter's name on a separate sheet of paper, as reports were to be judged by numbers only. After reading each report and assigning a number, they were mailed to the three judges, with the request that they report back to me by number. The three judges have a long record in work of the D.A.R. and are well qualified to judge the reports.

Each judge stated that second and third places were so close to a tie that they had to go over the reports several times. After this careful consideration the decision of the judges was unanimous. First place was awarded to Baron DeKalb Chapter; second, to Mary Hammond Washington Chapter; and third, to Savannah Chapter.

GENERAL EXCELLENCE

Chapters with Membership from 50 to 100

Mrs. Cilton B. DeBellevue

In September cards were mailed to all Regents with a membership from 50 to 100, outlining the requirements for General Excellence and urging them to plan on attaining this coveted goal. In January a letter giving detailed information was sent to 37 Regents, asking for their report on chapter activities for the year.

The excellent reports received testify to the interest of the membership and to the leadership of the Regents. It is very gratifying to know they realize the importance of every phase of D.A.R. work.

The very capable members of the committee judging these reports were unanimous in selecting as the winner of the \$25.00 award the Thronateeska Chapter; second place, Commodore Richard Dale Chapter; and third place, Stephen Heard Chapter. Honorable mention went to Button Gwinnett and Fielding Lewis chapters.

Chapters with Membership Under 50

Mrs. Horace A. Ernst, Sr.

It has been a pleasure to serve as Chairman of General Excellence for chapters with a membership under 50 and to observe through the splendid reports the many achievements of D.A.R. work.

The Peter Early Chapter, Mrs. George W. Nelson, Regent, won first place by unanimous decision and received the \$25.00 cash award. Metter Chapter, Mrs. Sam Fine, Regent, placed second, and Brier Creek Chapter, Mrs. Roy Duggan, Regent, third. Honorable mention was given to St. Andrew's Parish, John Ball, and Captain Thomas Cobb chapters.

I wish to express my sincere appreciation to the judges who served so efficiently and graciously and to the chapter regents for their cooperation.

HISTORICAL SCRAPBOOK

Mrs. William H. Smith

It was the decision of the committee that first place, the Augusta Stanley Adams Trophy, was won by Thronateeska Chapter. Second place, the State Chairman's award of \$5.00, went to Atlanta Chapter. Honorable mention was given to Tomochichi, Lyman Hall, and George Walton chapters.

MEADOW GARDEN

Mrs. Clifford J. Welton

Meadow Garden has a new gray roof, and it is beautiful. Locally, we thank the State Society for a need that was so great. Aside from the roof, the Augusta Chapter had the roof of the cottage repaired. While an estimate of \$950.00 was given for the replacement of the condemned front steps and a bad porch, we hesitated to ask for more State funds following the roof, so the local treasury was depleted to make the front of the Shrine as safe as possible. We were aware of the remaining \$100.00, but hesitated to use it, as our late Mrs. Lombard had raised it and earmarked it for landscaping.

On September 8, 1958, we had the dedication of the forty-foot flag pole given by the late Mrs. George S. Lombard in memory of "Mrs. Meadow Garden," Mrs. Daisy Graham Stone, on her birthday; also, the presentation of portrait reproduction of Octavia Walton LeVert in memory of Mrs. Daisy Graham Stone by a friend.

The portrait was unveiled by the eminent Augusta attorney, Mr. Joseph B. Cumming. Both of these gifts were long cherished dreams that Mrs. Stone had for Meadow Garden. The dedication was well attended, which indicated the love and interest in Meadow Garden and the memory of our two deceased Daughters.

Mrs. James Ferguson, local chairman, not only works for the interest but gives her love and daily efforts to the welfare of the Shrine. We are indebted to one that serves as she does. Mrs. Ferguson and her committee have planned the annual George Washington Tea for February 22, which is an event on which we depend for financial help. Our local treasurer, Mrs. H. H. Camp, has enclosed the financial report.

Many valuables have been added throughout the year by the State chapters, and we are so grateful for any interest and recognition by the State and the chapters. The Walton family presented a picture of Martha Hughes Walton, aunt of George Walton; also, a Revolutionary Land Grant Deed to Anne Forsythe, with original signature of George Walton. From Thronateeska Chapter, a silk coverlet over 100 years old, an old Dutch bean pot, a pocket Dictionary (1882), a ladies' lexicon (1829), a Rosary for Lent (1867), and a Book of Poems including "Life After Death" and others. Also, we would like to express our appreciation for the dependable help always extended by the Button Gwinnett Chapter of Columbus.

At this time, because of the listed valuables dating to 1829 and their cash contributions, percentage-wise, we are happy to present the Daisy Graham Trophy to the Thronateeska Chapter of Albany.

Also during this week merchants flew their flags, letters were sent to all ministers, civic leaders, and school principals urging observance of Constitution Week; local radio stations were requested to make spot announcements and locals newspapers carried an editorial and a proclamation by the Mayor.

Chapter held one essay contest on "Theodore Roosevelt" with awards of \$5.00 and \$2.50. Eight History medals were presented in four schools; 100 History Month stickers distributed; a Good Citizen pin presented to the outstanding senior girl in one of our high schools—the other two chapters taking one each of the other two schools. GENERAL DAVID BLACKSHEAR CHAPTER, ROCHELLE

Mrs. Annie Wilma Brown, Regent

National Honorable Mention

General David Blackshear Chapter has had a good a good year and we are proud of our many accomplishments. We are very proud of our C.A.R. Chapter and they, too, have done a magnificent job. The community of Rochelle has been working for several years on a project for a Doctor's Building and for a Health Center. These have been completed. Each of the sites of these buildings was given by a chapter member. It has been years since we have had a medical doctor in our town and we are proud these buildings made this possible.

In the spring, the chapter presented three American History medals, one to the senior boy with the highest average, and one to the fifth grade boy with the highest average, and the third to the seventh grade in the school. We also presented to the four high schools in the county four Good Citizens medals. We have had

for the year's project: "To inform the general public the aims and objectives of the D.A.R.; to increase membership for the D.A.R. and for the C.A.R.; the planting of pine trees in the town and the county. A great deal towards the accomplishment of these three things has been done. We have had good publicity—radio programs on every "Red Letter Day" have been given. School programs on these days have also been given. Chapter planted 2,000 pines. We have had a landscape expert to plan the planting for the two new buildings. Throughout the year we had a short talk on Civil Defense, and American music at each meeting. The President General's message has been read. We consider our music program this year as the best we have ever had, much research was done for it and the members participated. Chapter had one book review, "World Revolution in the Cause of Peace" by Lionel Curtis. Our C.A.R. Chapter had the program in February in honor of Georgia Day. This was done by the C.A.R. members and the Senior President.

Chapter sent a box of clothing to Kate Duncan Smith School and to Tamassee. Each of them valued at \$50.00; sent cash donations to five schools; Chapter has 7 new members, 2 of whom are transfers from the C.A.R., also one other paper in Washington and two members pending. Thirty-one percent of members subscribe to the National Magazine; one advertisement sent to the Magazine; observed "Constitution Week" in our schools and February is our History Month; essays on Theodore Roosevelt have been written; chapter has four teachers in the Rochelle Schools who are members of our chapter and they are a great help to us. XAVIER CHAPTER, ROME

Miss Leonorah Gordon, Regent

National Gold Honor Roll

Xavier Chapter is exceedingly proud of the fact that it not only has grown so swiftly itself but that it has had, also, the pleasure of establishing in Rome a chapter of the Sons of the American Revolution.

On April 25, 1958, at a luncheon in Atlanta for the National President of the Sons of the American Revolution, a beautiful gold medal of appreciation was presented to the Regent of Xavier, Miss Leonorah Gordon, by the Georgia Society of the S.A.R. This award was the gesture of Mr. P. C. King who was at that time the State President. Due to Mr. King's thoughtfulness, the giving of these medals to D.A.R. Regents who have greatly assisted the S.A.R. is being adopted on a national basis by the National Society of that organization, and the Regent of Xavier considers herself singularly favored to have been its first recipient. The President General of N.S.D.A.R., Mrs. Groves, was presented one in New Orleans on November 12, 1958.

The first S.A.R. members in Rome received their certificates on November 18, 1958, at a luncheon there in honor of the State President, Mr. Dudley Fort, and other state officers. Xavier Regent, and several members who are the mothers of young S.A.R. members now in the armed services of their country, were also honor guests. Dr. Ernest L. Wright, who had served as Organizing President, resigned and the young judge, James Dickson Maddox, was elected President. Mr. James P. Jones accepted the position of Secretary.

Prior to the National Board meeting of the N.S.D.A.R. in October, 1956, Xavier had on its roster 16 members. We have since lost two

of these by death, and 1 transfer, bringing the number of original members down to 13. Chapter membership, including the admissions at the January 31, 1959 National Board meeting, is now 60. For two consecutive years Xavier Chapter has received at the Congress in Washington a citation by the National Society for having the second largest percentage increase in membership in the entire Society. This year the requirements for the National Honor Roll have been met but not those for the State Honor Roll, as unfortunately, no member of the chapter was at the State Conference in Athens. The Scrapbook, which has been kept during the reorganization period of the chapter May, 1956-May, 1959, will be dedicated to Jessie Jennings Gordon (Mrs. J. Bailey Gordon), the immediate Past Regent and mother of the present Regent. The book is the artistic work of the Scrapbook Chairman, Mrs. Gordon Elliott.

Dr. Farkas' reply to this honor was most inspiring when he said, "The medal of the Daughters of the American Revolution is a great honor for me, and I accept it with humble gratefulness. I think, however, that the best way to show my gratitude to my country, to friends, to colleagues, to my students and to the donors of this award is to keep trying to do good work. This I shall do." A write-up of September meeting showing the chapter's only real Granddaughter of a Revolutionary soldier appeared in January D.A.R. Magazine. One \$50.00 Medical Scholarship was sent to Tamassee. Boxes of clothing sent to Tamassee and Kate Duncan Smith Schools, also Bacone College for Indians. Contributions made to all other necessary projects; 21 subscriptions were received for D.A.R. BURKHALTER CHAPTER, WARRENTON

Mrs. George C. Garrett, Regent

Burkhalter Chapter has a membership of 59. We lost 1 member by transfer and 2 resigned; 28 of our members are non-resident. Our oldest member is 95 years old. All programs have been followed as outlined by the State Program Chairman. President General's message read at all meetings when the Magazine arrived on time, and emphasis placed on National Defense. Our meetings begin with the Pledge to the Flag; our Chaplain always gives a devotional. Chapter donations are as follows: box of clothing to Kate Duncan Smith School, valued at \$150.00; \$25.00 to a deserving girl at the University of Georgia; \$5.00 to Tamasee; \$5.00 to Berry; \$5.00 to Bacone; and \$5.00 to St. Mary's. A prize of \$2.00 was offered by the Regent to the student writing the best essay on "The Life of Theodore Roosevelt." Our Mayor proclaimed February American History Month and flags were displayed on streets on all holidays during month. A History medal was given to student with highest average in American History. Chapter also gave one Good Citizen pin and three Good Citizenship medals. Our Good Citizen and her mother were guests at February meeting. She was presented her pin by the Regent in appropriate exercises before the entire school.

Chapter programs have been outstanding. The Christmas program was very colorful and effective. Our February meeting was on American music. We sing a patriotic song at each meeting. The editor of our weekly paper is very generous in giving us prominent space for notices of our meetings. We had eight magazine subscriptions and our chapter was represented at State Conference.

LYMAN HALL CHAPTER, WAYCROSS

Mrs. H. J. Carswell, Regent

Lyman Hall Chapter has 102 members, 7 are Junior members and 18 live in other cities. Our meetings have been well attended and the programs have been interesting and informative. Our

speakers have been especially well qualified to speak on the subjects assigned them. The meetings have been ably and promptly reported and the local press has been generous with the space allowed us to publicize our projects, and carry the pictures of our Good Citizens. Except in February, when Georgia Day was celebrated, our programs have followed the general outline suggested by the National Program Committee. The Radio Chairman presented programs on Flag Day, July 4th, Constitution Week and Washington's Birthday, and is now presenting a series of 10 weekly programs, entitled "The American Story." Each week she speaks on the life of some outstanding American, at which time the history classes of one of the city schools take notes and write papers on that week's personality. In March, the chapter will entertain its 17 Good Citizens and at the same time present them their certificates and pins. We are very proud of these girls for they are of top quality. Time is allowed at each meeting for the discussion of National Defense and we have had programs on the Constitution, Conservation, American Music and American Indians. Besides the usual box to the Indians, a girl from the Muscogee Indian Orphanage was sent to a summer camp, and this winter was given a heavy winter coat; \$100.00 is being given one of our local girls to help with her college fund. Two markers for the graves of deceased members have been purchased and are ready for placement. February was proclaimed as American History Month and the press carried an article to that effect. Genealogical material was sent to the State Chairman and copies placed in the D.A.R. Section of the City Library. This year, for the first time the chapter will have a well arranged Scrapbook to be shown at State Conference.

CHAPTER PROGRAM SUGGESTIONS FOR 1959-1960

Mrs. R. Hugh Reid

"FAITH OF OUR FATHERS"

Listed below are the topic suggestions from your State Program Chairman for planning chapter programs for the coming year. These are to be used as a guide. Where chapters have the opportunity for outstanding programs or unusual talents, do take advantage of such opportunities, letting the objectives of the National Society serve as your guide for determining whether or not such programs are acceptable to use for D.A.R.

Try to give variety to the manner of presentation, through speakers, panel discussions, color slides, films, student presentations, short plays, and musical selections. Local talents should offer a wide range of possibilities, but also know that your State Officers and Chairmen are happy to be with you whenever possible.
