In Memoriam

"... Let not your heart be troubled: ye believe in God, believe also in me.

"In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you and if I go and prepare a place for you, I will come again and receive you unto myself; that where I am there ye may be also."—John 14: 1, 2, 3.

REPORTS OF STATE OFFICERS

GEORGIA STATE REGENT

Mrs. Harold Irvine Tuthill

It is with real appreciation and sincere gratitude that I express to you my thanks for giving me the high honor and great privilege of serving as your State Regent. Your loyalty and cooperation have made the past two years, which were busy ones, a time of personal pleasure, and they gave me a greater awareness of your splendid work which has shown continued advancement along many lines. Your friendship and many courtesies have made the memories rich and rewarding. It has meant so much to me to visit the chapters and to gain inspiration from your enthusiastic participation and outstanding achievements. In the words of the song, it has been fun getting to know you, and a real joy being a guest in your homes.

During the past year I have written 1,027 letters and 139 cards and traveled 16,052 miles. I have attended three National Board meetings and Continental Congress, as well as the State Board meetings, State Conference, and the Roundtable discussion group meetings. I have attended many luncheons, teas, and dinners where I was the guest of honor, and I have been the speaker at many chapter meetings where your hospitality was greatly enjoyed. I have also given television and radio interviews on the various phases of our work, stressing those principles for which we stand rather than emphasizing those things to which we are opposed. I also visited Tamasee on Founders' Day, and attended the South Carolina and Florida State Conferences, and was invited to others. I was with deep regret that I could not attend the joint meeting of the chapters in Columbus on March 3, the only visit that was cancelled. I was, however, most delightfully ice-bound in the home of Mrs. Louis J. Bahin of College Park.

It was my high privilege to place in nomination for the office of Chaplain General, N.S.D.A.R., the name of Mrs. Thomas Earle Stribling, whose election is a source of great pride to our State Society.

Continuing Georgia's objectives, "Know Your Society," Roundtable discussion groups of state and chapter officers and chairmen were held in Macon in August, after which directives were sent to the chapters.

At the Fall Board meeting in Augusta, a motion was adopted to request the National Society to relinquish the deed to Meadow Garden to the Georgia State Society. In 1901 at the request of the State Regent, the National Society purchased Meadow Garden, the home of George Walton, one of Georgia's three signers of the Declaration, in order to preserve it as a museum. For nearly 60 years the National Society has not assumed any of the expense, but the State Society, the Augusta Chapter, and friends have maintained this historic home. The State Society purchased an adjoining piece of land to protect the property, has an annual six cents per capita allotment for the maintenance, and at the last State Conference appropriated \$500.00 for termite eradication. The recommendation by the National Board to the Continental Congress that the deed be given to the Georgia State Society was adopted.

The members of the State Society will now have an ever increasing interest in the preservation of this historic shrine.

The report of the Chairman of National Defense shows the State-wide observance of Constitution Week. The President General appointed a National Chairman of Constitution Week under whom plans were sent to the State Chairman, who ably directed the State participation. I had the privilege of visiting with the Vice-President General, Mrs. Humphrey, several chapters, giving talks and radio programs on the Constitution.

The work of the Approved Schools Committee shows our interest in the welfare and education of our youth. The \$5,000.00 Katherine Clarke Daniel Memorial Scholarship Fund at Tamasee has been established in memory of a past State Regent, and a substantial contribution to the Doris Pike White Auditorium-Gymnasium was made. It is expected that ground for the building will be broken during the Approved Schools tour in October. It was decided by the National Board that the name of the Approved Schools Committee be changed to the D.A.R. School Committee.

One chapter has been organized on St. Simons Island, named Fort Frederica Chapter, and plans are nearly complete for two more, and the groundwork laid for another. Georgia's membership of 6,288 is a net gain of 76. Let us bear in mind that membership is vital to our growth, and that it is necessary that each chapter do its part in holding and increasing the membership, with emphasis placed on the securing of young women. When you gain a junior member, put her to work, and you will hold her interest.

The Accent on Youth Luncheon at the State Conference showed a noticeable increase in both members and services in the youth committees, namely: C.A.R., J.A.C., Junior Membership, D.A.R. Good Citizens, Approved Schools, and Student Loan and Scholarship. Georgia's Good Citizen, Miss Sudy Vance, was presented the \$100.00 Bond and Certificate by Mrs. William A. Becker, Honorary President General, during whose administration this committee was established.

The continuing splendid work of the members will be reflected in the reports of the Chapter Regents and State Chairmen, but along several activities the State was commended: (a) Conservation—Georgia was mentioned for the 25,105,285 seedlings and trees planted; (b) Honor Roll—Georgia is in the 60 per cent range with 60 chapters making Gold, Silver, and Honorable Mention; (c) J.A.C.—Georgia made third place in membership, 33,282; third place in ratio to J.A.C. members to D.A.R. members; third place in ratio to J.A.C. Clubs to D.A.R. Chapters; (d) Motion Pictures—Georgia is second in subscriptions to the Motion Picture Review; (e) Press Relations—Honorable Mention. The full page of pictures of distinguished guests of the State Conference was displayed at the Press Breakfast; (f) Student Loan and Scholarship—Georgia has the largest amount and has first place. The work accomplished is yours, and to you I am deeply grateful.

The special Genealogical project of the state, that of copying the papers of deceased, resigned, and dropped members, and placing them in the State Archives, should prove of value to potential members. It is with much pride that Georgia will present to the National Society the colored slides and authentic commentaries on historic and picturesque Georgia. As a result of the resolution passed by the State Society much publicity was given to the proper observance of Washington's birthday. As a contribution to American Music the Sidney Lanier Ode was presented at the

State Conference. Of the six American Medals presented, one recipient is the noted sculptor who made the busts of illustrious Georgians placed in Georgia's Hall of Fame.

In closing my last report, let me say that in my new office of Vice-President General I shall endeavor to serve with unflinching loyalty and to uphold the high ideals of our Society.

STATE FIRST VICE-REGENT

Mrs. Sam Merritt

Constitution Week, as last year, was the highlight of Georgia's activity. The observance of this week began with a proclamation by Governor Vandiver and mayors of Georgia cities. Sixty-four chapters reported participation in the observance, and newspapers, radio and television stations, schools, businesses and city officials gave generously of time and publicity for the week. Forty chapters reported that newspapers carried editorials along with proclamations from local mayors.

National Defense office in Washington submitted a four-page form prepared by the able Mrs. Wilson K. Barnes, National Defense Chairman, to local chairmen to be filled and returned to the State Chairman. From this accumulation of reports, a master report for the state was completed and sent to headquarters. The tabulating of data required days, and to those chapters, which reported promptly and accurately, go the profound thanks of the State Chairman. Sixty-seven children filled in the blanks and returned them.

From these reports, all of which were excellent, eight were considered superior and from those the award for the best overall National Defense works was judged by the Chairman and anonymous assistance. The winner will be announced at the end of this report.

Certain highlights of the master report made from reports of 67 chapters are listed here:

Forty chapters gave at least five minutes to National Defense at each meeting; 10 chapters gave 10 minutes at each meeting; 3 chapters gave more than 10 minutes at each meeting; 27 chapters reported having material available at all meetings; 38 chapters gave \$148.50 for Dollars for Defense (29 chapters last year gave \$103.00); 45 chapters gave 372 Good Citizenship medals with publicity (42 last year gave 359 medals); 62 chapters reported reading and using National Defense articles in the D.A.R. Magazine. All reporting approved the National Defender, but several asked that it be made standard notebook size for filing with other material; 30 chapters reported writing letters to lawmakers concerning the subjects of **immigration, foreign aid, and the Summit meeting**, but none reported writing concerning Khrushchev's visit.

All chapters reported knowing the addresses of all representatives; 27 chapters reported that Urban Renewal is pending in their cities. All state some means of information has been attempted by members of the D.A.R.; 4 chapters reported that METRO has been proposed for their cities and that information has been attempted, usually falling on closed minds; 20 chapters reported **fluoridation** is used in their areas, against information by D.A.R. members; 15 chapters reported that they think some form of **personality tests** are being used in their areas, against information by D.A.R. members; 20 chapters reported that **sex education films** are used on high school level. No chapters reported that they have evidence of use of stimulants in schools used on "apathetic students"; 57 chapters said that Textbook Study is practiced by members. Georgia does not have a Textbook Study Commission. Fifty chapters report the support of UNICEF by church and other groups. This was by far the most difficult area for this and

chapter chairmen to handle this year, and in spite of a letter sent out by the National Defense Committee telling chairmen to avoid bringing D.A.R. into any of these controversial issues, it was almost impossible to conceal the fact because the press has published the voted RESOLUTIONS even before delegates returned to their homes from Washington last April.

Georgia does not have a Speakers Bureau. This was tried several years ago, but because Georgia has no funds available for any National Defense project, the practice of using local persons, state officers, and members has been reinstated.

Now, it gives me much pleasure to give the State Chairman's award to Baron DeKalb Chapter, with honorable mention to Augusta, Thronateeska, Commodore Richard Dale, Atlanta, Joseph Habersham, and Cherokee Chapters.

STATE SECOND VICE-REGENT

Mrs. Thomas K. Kendrick

As State Second Vice-Regent, I attended the Workshop held at Macon in August, the Fall Board of Management meeting in Augusta, State Conference and Continental Congress where I served on the Tellers Committee.

The Approved Schools Committee is the work of this office. I was honored by the President General, Mrs. Ashmead White, by being appointed to serve as Vice-Chairman of the Southeastern Division of the Approved School Committee for the coming three years. As State Chairman I attended Dedication Day at Kate Duncan Smith D.A.R. School and spoke to 22 chapters on the work of the Approved Schools.

To the Chapter Regents and Chapter Chairmen of the Approved Schools Committee goes full credit for the very commendable work accomplished.

STATE CHAPLAIN

Mrs. Harry E. Talmadge

The State Chaplain has visited several chapters as guest speakers, presided at Memorial Services and at graveside services for deceased members.

The roll of deceased members as sent in by chapters show a loss of 120 members by death. This is reported with deep sorrow. The State Society will suffer from this great loss.

Chapter Chaplains' reports show a reverence and great sense of duty. They have opened meetings with prayer, written notes to bereaved families, visited the sick, marked graves and performed other acts of kindness.

The State Chaplain attended the State Forum in Macon, the State Board of Management meeting in Augusta and State Conference in Atlanta. Some conducted the Memorial Service and performed the other duties of the State Chaplain.

STATE RECORDING SECRETARY

Mrs. George W. Nelson

The appointment to the office of State Recording Secretary was accepted in August, 1959. A record kept of the Study Group meeting in Macon was my first official duty.

The Fall Board of Management meeting in Augusta was attended and the minutes were duly recorded.

The invitations of the LaGrange and Thronateeska chapters to attend Marker Dedication Ceremonies were accepted with pleasure. The Secretary was guest speaker at the January meeting of the Stone Castle Chapter. It was with much regret that the invitations from Tomochichi Chapter and the three Marietta chapters could not be accepted.

The duty of the Secretary to compile, edit, and have published the Proceedings of the Sixty-second State Conference is acknowledged. She pledges her best efforts and begs your cooperation, as much of the success of the undertaking depends upon your reports.

STATE CORRESPONDING SECRETARY

Mrs. Yates W. Little

As State Recording Secretary, I had the pleasure of attending the Study Group meeting in Macon, the Fall Board meeting in Augusta, and the Founders' Day Celebration at Tamassee.

The regular correspondence of the office has been carried on. Blanks for the list of chapter officers were mailed (88). To the
Daughters of the American Revolution,
Georgia Society,
Atlanta, Georgia.

We have examined the financial accounts and records of the State Treasurer of the Daughters of the American Revolution, Georgia Society, for the period from March 1, 1960 to May 31, 1960.

The Treasurer's account is carried with the Trust Company of Georgia, Atlanta, Georgia. We traced all cash receipts into the bank account, and examined cancelled checks and other supporting evidence covering all withdrawals. The active fund accounts, exclusive of the "Reserve Fund," are combined in one bank account, and the aggregate of balances of the Funds at May 31, 1960 was found represented as follows:

Trust Company of Georgia (Checking Account):

Balance per Bank Statement—

No Outstanding Checks \$4,873.54

During the period under review, the "Reserve Fund" earned interest in an amount of \$30.75, as follows:

Trust Company of Georgia (Savings Account):

Balance on Deposit March 1, 1960 \$2,050.30

Plus: Interest Earned May 27, 1960 30.75

Transferred from General Fund May 27, 1960 1,886.24

Balance—On Deposit May 31, 1960 \$3,967.29

The attached statements enumerated below, in our opinion, fairly present the financial transactions for the period under review.

Exhibit "A"—Summary of Fund Accounts.

Exhibit "B"—Statement of Receipts and Disbursements,
Period March 1, 1960 to May 31, 1960.

STATE CONSULTING ORGANIZING SECRETARY

Mrs. J. Laurence McCord

Two chapters are in the process of organizing; one at Hiawassee, Mrs. Pauline McConnell, organizing regent; one in West End, Atlanta, Mrs. Milton Davis, organizing regent.

One new chapter was organized by authorization at St. Simons Island, named Fort Frederica Chapter, on April 16, 1960. Mrs. E. W. Ellis was elected regent.

The ground work has been laid for a new chapter in Camden County, which should materialize during the next administration.

STATE CONSULTING REGISTRAR

Mrs. Ben I. Thornton

At the Round Table Discussion meeting in Macon it was my privilege to explain to the chapter representatives the State So-

ciety's new project of copying the lineage papers of deceased and inactive members. The lineage forms to be used for this project were distributed at the October Board of Management meeting in Augusta. An accurate number of these completed lineage forms cannot be made since some chapters sent their lineage forms to the State Archives and to the genealogical room of the Mary Hammond Washington Library in Macon, and several chapters are still working on this project.

Hawkinsville Chapter reported the largest number of completed lineage forms—250 in all. Stephen Heard, Henry Walton, Toccoa, Abraham Baldwin, Thronateeska, Benjamin Hawkins, and General Daniel Stewart chapters have completed copying lineage forms for all deceased and inactive members.

Index cards for new members and cards showing membership changes have been received from all chapters except one. The State Registrar's membership files are 99 per cent completed for this year.

Much correspondence has been carried on by this office to keep the work in order (378 pieces of mail). The contact with chapters has been most pleasant and the response to requests most gratifying. My sincere thanks to the chapters for such splendid cooperation and for the privilege of serving you under our capable State Regent.

I wish, also, to thank the State Society for rebinding two books of application papers in the Registrar General's office in my honor.

STATE HISTORIAN

Mrs. Frank F. Faulk

May I take this opportunity to thank you for the cooperation which I have received this year. Seventy-six Chapter Reports indicate marked interest and show many outstanding achievements in all projects outlined by the Historian General.

Continued interest has resulted in placing 13 Historic Markers; three by John Floyd Chapter, 'The First Court in Clinch County, Georgia,' "The Bethany Baptist Church," and "Fort Dearborn"; a marker placed by Stephen Heard Chapter on the Courthouse lawn at Elberton; one honoring Colonel Nelson Tift, founder of Albany, by the Thronateeska Chapter, on the courthouse lawn; three markers placed by LaGrange Chapter—one of these honoring Benjamin Hawkins at Franklin, Georgia; and one replaced by Bonaventure Chapter.

The graves of six Revolutionary soldiers have been marked and 19 located. Markers have been placed on two Revolutionary soldiers' graves and eight located for future marking. The graves of two Daughters of Revolutionary soldiers and one real Daughter have been marked.

Graves of 35 D.A.R. members have been honored and marked.

Two original documents and 36 books valued at \$40.00 were given to the Repository of Americana and \$27.00 donated to the fund.

Chapters have held outstanding Historical observances with 151 anniversaries of famous men; 115 famous events and three programs honoring famous women. Programs for adults, 139. For children, 34, with films, lectures, scrapbooks, bulletin boards and posters featured.

Sixty-six Historical Tours reported for adults and 50 for children.

Constitution Week was extensively observed with proclamations

issued by the Governor and many City Mayors. Six hundred flags reported sold by one C.A.R. and D.A.R. Chapter on Constitution Day.

Special emphasis was placed on the birthday of George Washington. The Atlanta Constitution, Atlanta Journal, and many other papers were requested to stress this important event in 1960, and all complied with stories, editorials, and pictures.

Proclamations were issued by Governor Vandiver and 44 City Mayors in Georgia designating February as American History Month. Many chapters reported efforts toward making this a legal annual observance.

Pulaski Chapter gave a \$25.00 bond to the outstanding History student. Many other chapters gave cash awards amounting to \$230.00 to pupils in white and Negro schools. History Certificates reported, 160; medals, 152.

Twenty-nine hundred American History Month stickers have been bought and distributed. Window displays, 24; 11 chapters held open house; six had speaker's committees speaking to 11 groups.

History of Jones County and Thomas County have been donated by two chapters to National Archives. Reported by chapters, 204 county histories sold.

Signatures of the first Governors and their wives of the newly added States of Alaska and Hawaii were secured and sent by Thronateeska Chapter to the Historian General.

All chapters have done fine work, but we especially commend those already mentioned and the following as outstanding: Joseph Habersham, Peter Ealy, Benjamin Hawkins, Baron DeKalb, Fort Early, Commodore Richard Dale, Tomochichi, Brunswick, Vidalia, Henry Walton, Oglethorpe, Cuthbert, George Walton, Button Gwinnett, Thomasville, Elijah Clarke, Adam Brinson, Oliver Morton, and Oconee chapters.

Your State Historian has been the guest speaker at seven chapter meetings and attended five dedications of historic markers.

The award for locating and marking the most Revolutionary soldiers' graves was won by Roanoke Chapter.

STATE LIBRARIAN

Mrs. J. Carleton Vaughn

Georgia members show an increasing awareness and interest in library work. Thirty-seven chapters report a total of \$1,247.40 contributed.

Chapters continue to spend most of their time and money locally. A number of chapters take as a project the making and staffing of a special genealogical record and reference room for their local libraries. Many man hours are contributed in rebinding lineage books, copying valuable records, and in making microfilm. Chapters keep libraries and schools supplied with the D.A.R. Magazine and Manual for Citizenship, while members donate books, present book reviews for the public, set up window displays of good books, and serve on local library boards. D.A.R. members check local school libraries for books on National Defense blacklist. Three chapters sent books to the Merchant Marine Library at Norfolk, Virginia. One chapter made a large contribution to the town's schools to buy American history books for their libraries. A total of \$984.60 went for local work.

\$83.00 was spent for our National D.A.R. Library. In addition,

Georgia chapters contributed \$62.50 for National's Special Rebinding Fund. One chapter purchased office equipment. Eight chapters reported having talks on "Our D.A.R. Library." Five books and four pamphlets were sent to the National D.A.R. Library.

Chapters report spending \$117.30 for our State Library work. Two books, one pamphlets, and a great deal of microfilmed material was sent to Rhodes Memorial.

The State Librarian's award of \$5.00, given to the chapter doing the most outstanding work for our D.A.R. Libraries, is made to Thronateeska Chapter. The State Librarian's award of \$5.00, given to the chapter making the largest contribution to the special Library Rebinding Fund goes to Baron DeKalb Chapter. The Porter Trophy, for outstanding local library work, is awarded to Commodore Richard Dale Chapter.

COMMITTEE REPORTS

NATIONAL COMMITTEES

AMERICAN INDIANS

Mrs. Harry M. Dixon

Interest in the American Indian has continued during the past year with good reports from 51 chapters. Letters in duplicate with report blanks and descriptive leaflets of St. Mary's School and Bacone College were sent each chapter in September. Reports show: cash to Bacone, \$97.00; St. Mary's, \$122.50; General Fund, \$126.00; total, \$345.50. Clothing valued at \$648.68 to Bacone; \$744.98 to St. Mary's; total, \$1,393.66. Eight boxes, no value given; 2 boxes linens; 13 boxes jewelry and beads.

Programs consisted of outstanding speakers and films. Indian music and poetry used by 16 chapters; Indian artifacts displayer; exhibits in store window; village scene as decoration at luncheon; dramatization used and costumes; 4 books reviewed; 9 radio programs; 4 sites to be marked; 104 inches of publicity sent Chairman, not including nine pictures; historical marker to Benjamin Hawkins, Indian Agent, unveiled by LaGrange Chapter with notable speakers, newspaper and radio publicity. Valuable map on Historical Trailways given local library by Commodore Richard Dale Chapter; newspaper of 1825 given State Archives by William McIntosh Chapter; 6 hand-made dolls sent St. Mary's by Sergeant Newton Chapter; 3 books sent to National Library by Peter Early Chapter; excellent scrapbook made by Thronteeska Chapter; 16 chapters made from one to eight tours. Cash award for best all round work—a tie between Thronteeska and Atlanta chapters—cash award to each; for best local work—cash award to LaGrange Chapter.

The Chairman visited four chapters and regretted not being able to accept all invitations.

AMERICAN MUSIC

Mrs. T. Ayer Hatcher

It is interesting to note from the reports, even though two-thirds of the chapters gave at least one musical program during the year, only a third of them observed National Music Week. Except for a shortage of pianos by many chapters would have had more music at their meetings. Practically every chapter used American Music at their meetings.

American Music was presented in many forms, such as artists giving papers or illustrated talks, and performing themselves. Students give their time at chapter meetings and at schools. Recordings were used where there were no pianos; essay contests at school and broadcasting programs over the radio.

More interest has been given to Organizing Chapter ensembles, group singing, and the entire membership of many chapters enjoy singing folk music, religious, Stephen Foster Ballads and our own Georgia State songs.

As a whole, I believe more interest is being taken today in

promoting American Music, because you have encouraged contemporary musicians who have given their time and talent on many occasions. The use of their compositions is becoming more widely spread among the chapters.

Clippings and pictures were mailed to the National Chairman for the National Scrapbook, and papers for the National file of Musical Programs. Papers were also mailed to the State Chairman of Programs.

Several Georgians will attend Congress and sing with the National Chorus.

AMERICANISM AND D.A.R. MANUAL FOR CITIZENSHIP

Mrs. Emile O. Scharnitzky, Sr.

"Faith of our Fathers—Living Still!" And it is, as evidenced by work accomplished in Americanism reports. But the challenge daily grows greater, so let us not slacken our vigilance. Two of the most important goals which we should set for ourselves, individually and collectively, are firmly implanting **American History** in the minds of our school children.

Our Americanism Medal will soon be two years old. Peter Early Chapter preserved two medals this year; the Bonaventure Chapter recipient's medal was presented by our State Regent. The State Chairman of this Committee regretted her inability to accept Mrs. Shearouses's kind invitation to present this medal. Albany was the proud donor of two medals—Thronateeska and Commodore Richard Dale chapters. The Nancy Hart Chapter presented our medal to Mr. Salvo Mangiafico for his outstanding work with foreign students—a most intensive program which nets countless dedicated Americans as a result of his vast scope and knowledge of American principles and ideals. They are not permitted to speak in any language except English, in and out of classes, in an effort to more earnestly Americanize them. He is known internationally also. Indeed, it was most difficult to decide between two recipients this year, and as a result, Bonaventure Chapter will receive \$5.00 for her recipient for teaching and influencing the largest number of white and colored school children and citizens, and runner-up Nancy Hart Chapter, \$5.00, for honoring one who spends his life moulding lives of new foreign students into those patterned as our glorious Revolutionary patriots would have wished.

Sixty-two chapters reported; 26 worked with foreign born, native whites, Negroes, Family Services, Travelers' Aid (\$17.70), and two D.A.R. members worked on colored YWCA Board; 3 awards given Naturalization Schools; four members taught in Naturalization Schools; numerous members attended Naturalization Court; 6 C.A.R.'s attended; 14 chapters reported Immigration Act Study; 435 American Flags; 135 Flag Codes; 387 Welcome Cards; 50 pamphlets, "You Are an American"; new Citizen letters, Welcome Card and Flag Codes, with Manual and small flag in packets, given naturalized citizens in two Courts; 6,525 hours volunteer hospital and therapy work from four chapters; 7 chapters contributed \$12.00 to O. T.; 10 receptions and teas given new citizens and seven reported assisting them to vote and 16 chapters invited them to church, homes, and historical spots; 6 Americanism Medals presented (\$16.50) to Americans cited for outstanding individual accomplishments for better American citizenship; 45 Good Citizen-ship Medals (\$45.00) with 12 Posters (\$3.00); 35 Good Citizen

Pins—senior high school girls (\$26.25); 896 books (of which 11 new ones given as memorials); 7 volumes of records bound; 839 magazines placed; 85 programs on Americanism given; 30 talks by State Officers and Chairmen and local Chairmen on Americanism; 48 TV programs, 16½ hours (valued at \$2,075); 176 radio, 26 hours (valued at \$778.50); 17 chapters reported Window Display during Constitution Week; 12 chapters used films and slides; 33 pictures and 2,880 inches of Americanism work; for overall Americanism work, a total of \$757.08 spent, which includes \$25.00 given to a student from India. One chapter reported transporting 18-year-olds to register in city and county; certificates presented each; one chapter reported a native of London, Michael Whiteside, in the process of applying for citizenship, gave his own reasons for desiring American citizenship, resulted in good publicity creating widespread interest in others in surrounding counties who may become American citizens; chapters evidenced their faith in America by an awareness of the theme "Faith of our Fathers—Living Still"; letters to retail merchants to display flags on Washington's birthday; display on Naturalization at one library; several reported decorated cars in Armed Forces Day Parade; letters and wires sent Senators regarding Connally Amendment, McCarran-Walter Act, and others; one 15-minute (TV) program on "Our Living Constitution," furnished by Georgia Teachers College at Statesboro, viewed by 250,000 persons (these figures given by TV Station).

My warm personal thanks to that very capable Chairman of the D.A.R. Manual for Citizenship Sub-Committee, without whose untiring efforts and hard work this report would not be possible.

SUB-COMMITTEE—D.A.R. MANUALS

Mrs. George B. Shearouse, Jr.

Letters were sent to 90 Chapter Regents and D.A.R. Manual Chairmen in November with report blanks attached. The Chairmen were requested to place special emphasis on Manuals to be placed in schools, libraries, and most important, those to be given to new citizens of the U.S.A. A letter, with the above letter enclosed, was sent to the Vice-Chairmen and to Mrs. E. O. Scharnitzky, Sr., State Chairman, Americanism and D.A.R. Manuals. Included was a notice of the new postage charge in excess of 25 Manuals.

Sixty-two chapters reported a gain of 39 chapters over last year. The total report for the State is as follows: 1,640 Manuals for Citizenship placed, of that 1,008 was given to G.I. brides, new citizens, etc.; 131 placed in schools, total sales was \$36.25. There was 1,744 inches of newspaper publicity, valued at \$2,162.56; 19 radio programs, valued at \$325.00; and six TV programs, valued at \$475.00. There were 16 schools using the Manuals as a textbook in classroom work, including one Spanish Class.

Mr. Salvio Mangiatico, of Milledgeville, is using the D.A.R. Manual for Citizenship exclusively in his work with the foreign born students at Georgia State College for Women and surrounding areas.

Large numbers of D.A.R. members attended Naturalization Courts and furnished speakers on many occasions. They gave out flags, flag codes, copies of the Constitution of the United States, songs, and other memento following the ceremonies.

Vice-Chairmen reporting for their districts were Mrs. Park

Lee Hay, Macon; Mrs. E. W. Ellis, St. Simons Island; Mrs. J. B. B. Burch, Thomasville; Mrs. J. E. Rowe, Jr., Columbus; Mrs. C. B. Plexico, Gainesville; and Mrs. John L. Barner, Athens.

Mrs. J. E. Rowe, Sr., reported the largest number of Manuals placed, with Mrs. E. W. Ellis reporting the second largest number.

My personal thanks go to these chairmen and to Mrs. E. O. Scharnitzky, Sr., for her untiring efforts on my behalf.

APPROVED SCHOOLS

Mrs. Thomas Knox Kendrick

Seventy-nine chapters reported an active Chapter Chairman, and 40 chapters listed the Approved Schools work in their budgets. Total cashTotal cash contributions sent through the State Treasurer amounted to \$7,802.07. Three chapters sent direct to the school of their choice a total of \$470.89; 366 boxes sent with valuation of \$10,596.97, weighing 3,779 pounds and a shipping cost of \$368.66.

The scholarship funds continue to be the primary interest of the chapters; nine chapters donated to the funds at Kate Duncan Smith; 56 chapters to Tamasee; and eight chapters to Berry. The total cash contribution for complete or partial scholarships amounted to \$3,590.92.

By Resolution at the Fall Board meeting the chapters allocated the six cents per capita for Kate Duncan Smith Approved School to be used as a nucleus for gifts to be used in the construction of the Doris Pike White Auditorium-Gymnasium. This gift to be marked in honor of the State Regent, Mrs. Tuthill, on the wall of the building. As of February 1, \$1,122.94 has been donated. By resolution also the six cents per capita for Tamasee D.A.R. School has been allocated for the establishment of a new scholarship endowment fund to be known as the Kathryn Clarke Daniel Endowment Scholarship; \$1,117.21 has been contributed by the chapters as of February 1.

Chapters reported special gifts and offerings for special occasions and visits by chapter members; 65 chapter reported programs presented on the Schools; five chapters showed the slides; three chapters reported excerpts read at the monthly meetings from the Tamasee Sun Dial and Kate Duncan Smith Newssheet. One chapter included items of interest on the Schools in a local weekly newspaper and on TV broadcasts. One chapter listed all Approved Schools in the chapter directory. Memorial gifts made by three chapters to Tamasee. The briefness of this report by no means minimizes the outstanding work done by all the chapters. The interest and enthusiasm has been most gratifying. All contributions, great and small, has made this an outstanding year.

The State Chairman's award for outstanding work for the Berry Schools goes to the Baron DeKalb Chapter with the John Houston Chapter receiving honorable mention.

The Kate Latham Dykes Cup is presented to the John Houston Chapter, with Joseph Habersham Chapter in second place.

Listed are the 42 chapters who completed all the requirements for the Hightower Award so generously given by Mrs. Henry Allan Ironside, Honorary State Regent.

Magazine, I wish to thank all Chapter Regents, Chairmen, and members of Georgia's 88 chapters for their fine cooperation in making outstanding figures for Georgia during the past two years. With justifiable pride, I submit the following report for this year: a total of 1,553 subscriptions, re-

ported to me by the Chairmen, I believe is 325 over our assigned quota of 1,228. Of these chapters, 74 made or exceeded the 20 per cent Honor Roll requirements, an increase of five over last year. The chapters responded 100 per cent.

Chapter reports disclosed many instances of initiative—a magazine poster made and displayed at meetings, program articles submitted to Magazine Editor, various ways of gaining and holding subscriptions—all gained interest and subscriptions.

All this you accomplished. However, with some persistence, even more could be achieved. In March we resume all committee programs, and September is a late beginning for any phase of our D.A.R. projects. Let's not be apathetic about subscriptions, getting new subscriptions, and renewals. Let's have a "Every Member a Subscriber" drive. Two dollars—thus invested could be very rewarding to us as members, citizens, or private individuals. Subscribe now, and take time through the year to read and learn about your National Society Daughters of the American Revolution, in all its intimate phases and traditional forms as well as the broader categories. This magazine is our guide and reference, the official instrument of the National Society for carrying out its objectives—Historic, Patriotic, Educational, with well-timed articles to serve as media for alerting us to safeguard these objectives from insidious intents to destroy tradition, and eventually law and order.

Place subscriptions now, or give your magazine to be placed where it may be a factor in counteracting sly deriding remarks of malcontents. Place it in libraries—city and school, classrooms, homes, where the youth of today, less disciplined than in the formative years of our country, and exposed to indoctrination, in school and out, may realize that the American way of life, begun with our founding fathers, has endured through the years, and with their help, God willing, will continue to endure.

The following awards are made with pride and pleasure: for the greatest number of subscriptions per capita, Captain Thomas Cobb Chapter; for being first to meet quota plus an extra 50 per cent of quota, to the Peter Early Chapter; within membership of 1-52, to the Thronateeska Chapter; membership 53 and over, to Governor George W. Towns Chapter; within membership 1-52, to the Baron DeKalb Chapter; membership 53 and over, for the finalists within their categories, the Bainbridge Chapter, the Roanoke Chapter, the Noble Wimberly Jones Chapter, the Commodore Richard Dale Chapter, and the Vidalia Chapter.

D.A.R. MAGAZINE ADVERTISING

Mrs. John C. Holton

Early in September, letters containing full information regarding the work of this committee, were mailed to each Chapter Regent. This letter also mentioned the increased rate for ads, which was passed by National Board in June, 1959. I also asked that each Regent send me the name of her Chairman for Advertising. Of the 88 chapters, only 14 responded to this request.

Follow-up communications were mailed in January to all chapters not heard from previously, and 57 chapters have cooperated, the ads ranging from \$342.50, to the \$7.50 ones—minimum for Honor Roll requirements.

For the fourth year, Baron DeKalb Chapter, with \$342.50, wins the \$5.00 prize offered by the Chairman for the chapter securing

more ads, and sending the most money to the Magazine. Other chapters deserving honorable mention are: Peter Early, \$163.00; Toccoa, \$150.00; Xavier, \$106.00; Nancy Hart, \$100.00; and Throneateska, \$250.00.

Other chapters deserving special mention were: Hawkinsville, \$75.00; Atlanta, \$50.00; General Daniel Stewart, \$40.00; Abraham Baldwin, \$40.00; Savannah, \$40.00; Adam Brinson, \$25.00; Cherokee, \$22.50; Tomochichi, \$15.00; Brunswick, \$15.00; Metter, \$15.00; LaGrange, \$15.00; John Floyd, \$10.00; Augusta, \$10.00; Major General John Twiggs, \$10.00; and Thomasville, \$10.00.

Those chapters sending \$7.50 ads were: Vidalia, Saint Andrews Parish, Commodore Richard Dale, Stone Castle, Henry Walton, Colonel William Candler, Stephen Heard, John Houston, Roanoke, Governor George W. Towns, William Witcher, John Ball, Nathaniel Macon, Fort Early, Governor David Emnauel, William McIntosh, Brunswick, Peachtree Trail, Mary Hammond Washington, Brier Creek, Joseph Habersham, Altamaha, Captain John Wilson, Hannah Clarke, Button Gwinnett, Governor John Milledge, Nathaniel Abney, George Walton, Lyman Hall, Oliver Morton, Captain Thomas Cobb, Oconee, Andrew Houser, Oglethorpe, Benjamin Hawkins, John Clarke, Bainbridge, Bonaventure, and Elijah Clarke, making a total of \$1,814.50.

I appreciate the loyal cooperation, and consideration all chapters have given this cause for the past four years and only hope for their continued support in advertising—not only their cities, but our great State of Georgia.

THE FLAG OF THE UNITED STATES OF AMERICA

Mrs. Arthur E. Mallory

Georgia Daughters have indicated their love and loyalty to The Flag of the United States of America by example and precept. By cooperating with the National Society in promoting a Flag Conscious America they have revealed their respect and reverence for Old Glory. An increased number have encouraged communities, churches, business houses, schools, and organizations to have Flag Exhibits, Flag Programs, distribute Flag literature, and display the Stars and Stripes on patriotic days. Many Societies have postponed the purchasing of the 50-Star Flag until usable.

In September, the Chairman sent letters to all Regents and Chairmen outlining National and State objectives with a copied letter of the National Chairman and a questionnaire enclosed. Questionnaires were mailed again in January. Chairman spoke to one chapter on the Flag; made a radio broadcast on Flag Day; and answered all letters and questions pertaining to Flag Etiquette and Procedure.

Chapters reported the following activities: 12 large flags and three flag poles presented chapters and other organizations; 903 small flags to New Citizens and Naturalization Courts and other groups; 19 studied Flag Code; 1,967 Flag Codes distributed to various groups; 32 corrections were made in improper display of the Flag; 42 Flag programs given at chapter meetings and 28 Flag

programs given to other groups; 52 Flag articles and 16 pictures in newspapers; 72 radio programs and spot announcements with number not reported; five TV programs; 80 gave Pledge to Flag at each meeting and 57 sang National Anthem, while several sang America; 72 reported general display of Flag on Patriotic Days; 66 reported Flag raising ceremonies at schools (number given was 246); 42 reported members displayed Flag on Patriotic Days (number not given); 18 reported letters written as requested by National Defense Office; one chapter sent 532 letters—total 564; 42 distributed Flag literature to members and other groups; 41 Flag exhibits displayed at strategic places; four showed Flag films; seven reported Flag Quiz, Flag Etiquette given at meetings. Special projects were: floats in parades, essay contests on History of Flag with awards presented, receptions honoring New Citizens; Flags sold; 98 Flags in stands given; two members printed The Flags that had flown over Georgia on large Historical Map of Georgia and presented it to a library at chapter ceremony; two Flags which had flown over National Capitol displayed; one presented to a chapter; Flags checked at Polls and a Flag burning ceremony held.

Chairman's award of \$10.00 judged by a committee of three was won by Thronateeska Chapter; Baron DeKalb and Stephen Heard chapters tied for second place; Commodore Richard Dale Chapter, third place; and honorable mention to Lachlan McIntosh Chapter.

The Chairman wishes to thank the 88 chapters who made her report 100 per cent.

GENEALOGICAL RECORDS

Mrs. Wallace Harris

Thirty-seven chapters responded with some form of Genealogical work this year. A total of 2,553 typed pages resulted. Four volumes were bound for Washington and four for State Archives. The Chairman's award for the greatest number of typed pages of source material goes to the Thronateeska Chapter, and the second place winner was the Hawkinsville Chapter; 722 Genealogical forms have been filled out for the National Genealogical Chairman's project and are credited as two typed pages each. Hawkinsville Chapter led with 165 forms. Several chapters sent the forms in duplicate. These duplicate copies have been bound in a single volume for our State Archives. The other forms were microfilmed before forwarding to Washington. Additional chapters report they are at work on this project.

Contributions were sent in for Bibliographical Index Fund.

The cooperation with the State Microfilming Program has been outstanding. The Macon chapters are commended for their work in collecting historic records for microfilming at Mercer University during the summer. Much valuable research material has been added to our State Archives this year.

I wish to express my gratitude to Mrs. Mary Givens Bryan, Director of the State Department of Archives and History, and her staff for their assistance. Especially do I thank Mrs. Edna Lackey for help in compiling this report.

My deepest thanks to each chapter who has so faithfully carried on this phase of our work. It has been a rewarding experience to have had the privilege of serving under Mrs. Tuthill. I appreciate the opportunity she so graciously gave me during her term as State Regent.

JUNIOR AMERICAN CITIZENS

Mrs. James T. Manning

It is with great pleasure and appreciation I commend the Chapter Chairmen of the various D.A.R. chapters sponsoring Junior American Citizens Clubs. Through their efforts Georgia has 928 clubs with 33,282 members which is a substantial gain over last year.

Most of the programs were of a patriotic nature, studying the Constitution of the United States, and the lives of great men who helped to make America great. Several hundred Flag Codes have been mailed to the chapters for distribution. Also 61 Thatcher awards for Good Citizenship have been awarded.

Many of the clubs reported participation in civic affairs by appearing on television and radio programs, and others by entering floats on patriotic occasions.

The Junior American Citizens Clubs have been working effectively in the Boys' Clubs of a large city, where want, disease, and most difficult situations exist. At times the workers here must have become very discouraged, but by their faith in the Bible and human nature these boys have seen the American way in action.

A letter was mailed each Regent in the State in reference to the work of this committee, and requesting the name of her committee chairman. As soon as the name of this chairman was received additional information was mailed to her in reference to the national contests. Much interest has been shown in this phase of the program, and your State Chairman hopes we may be able to excel our record of last year as Georgia won first prize in the greatest gain in Junior American Citizens Clubs, greatest gain in J.A.C. members, and six national prizes in contest entries.

JUNIOR MEMBERSHIP COMMITTEE

Mrs. C. Roberts Pendleton

The many excellent reports that have been received from Junior Committees or chapters with Junior members this year have been most gratifying. A marked increase in the individual Junior members participation and interest in all the varied phases of our Society is a good sign that the Junior is taking her rightful place as an indispensable member of our Georgia D.A.R.

Seventy-five of the 88 chapters reported a total of 492 Junior members, 83 of these being new members. Sixty-nine chapters reported having Junior-Aged (18-35) members, 22 of these with Junior Committee Chairmen. Two Juniors are Chapter Regents, 16

Juniors hold other chapter officer posts; 46 are various Committee Chairmen, and two Juniors have State Committee jobs. Seventeen chapters reported a total of \$142.50 as contributed to the Helen Pouch Scholarship Fund.

The Juniors reported very active work with the following National Committees: Approved Schools, C.A.R., Good Citizens, J.A.C., Radio and TV, National Defense, American Music, American History, Genealogical Records and Press Relations. Great emphasis was centered around Constitution Week by Juniors throughout the State. Teas, dinner parties, luncheons, special chapter meetings and various other types of membership drives were reported by many chapters to interest young women in our Society and to familiarize them with the "Daughters' Many Good Works."

Six chapters have sent to your State Chairman their complete lists of Junior members, their mailing addresses and their birth dates. Because of the wonderful cooperation received from most chapters, the First Junior Directory File is about completed. Again I ask the few remaining chapters to please send in the name or names of these Junior members.

Proceeds from the Junior Bazaar held at State Conference will be sent to the Helen Pouch Scholarship Fund. A box of gift items will also be sent to the Junior Bazaar at Continental Congress.

State Chairman's award of \$5.00 for the chapter or committee with the greatest increase in Junior members goes to the Mary Hammond Washington Chapter Junior Committee with nine new members. State Chairman's award of \$5.00 for the Junior Committee maintaining the highest standard of excellence in all phases of D.A.R. work goes to the Thronateeska Junior Committee. Honorable mentions are awarded to the Baron DeKalb, Joseph Habersham, and Captain Thomas Cobb Junior Committees.

MEMBERSHIP

Mrs. Ben I. Thornton

Members on roll February 1, 1959: in 88 chapters, 6,142; at large, 70; total, 6,212; admitted by application, 288; reinstated, 34; transferred to Georgia, 32; total gain, 354; resigned, 133; deceased, 114; transferred from Georgia, 22; dropped, 9; total loss, 278. On roll February 1, 1960: in 88 chapters, 6,219; at large, 69; total, 6,288; net increase in members, 76.

Thirty-six chapters show gain in members, 33 chapters show loss and 19 chapters' membership is unchanged.

John Floyd, Atlanta, Joseph Habersham, Edmund Burke, and Baron DeKalb chapters lead in number of new members. The Chairman's award of \$5.00 to the chapter reporting the largest net increase in members goes to the Atlanta Chapter.

The Susannah Gardiner Palmer Trophy is awarded for the second successive year to the Captain Thomas Cobb Chapter for the largest percentage increase in membership.

The State Conference award of the National Chairman, membership committee, Mrs. Leslie Harris, is presented to the Captain Thomas Cobb Chapter with a 45 per cent increase in members.

MOTION PICTURES

Mrs. Wallace Crouch

The Motion Picture Committee interests itself in the promotion of fine, entertaining films. To acquaint members with current

films, the National Preview Committee gives an evaluation of films as to their suitability for entertainment for different ages. The film estimates which are sent to us in the form of the Motion Picture Review are the composites of many previewers reports. The National Board believes this phase of the work most important, so much credit is given for number of subscriptions in chapters. One chapter in Georgia has 40 subscribers; this is Thronateeska; Baron DeKalb is next with 25. There are approximately 109 subscriptions in Georgia—an increase of 74 over last year.

Thirty chapters reported motion picture programs or speakers. This is an increase of 27, as only three were reported last year; 23 films were shown in chapter houses and many reported used in schools. The children's film voted best was "Shaggy Dog."

My award for the best overall work goes to Baron DeKalb Chapter, with honorable mention to Thronateeska and Taccoa chapters.

NATIONAL DEFENSE

The State Conference award of the National Chairman of Press Relations for the "Best Chapter Press Book" goes to Thronateeska Chapter.

PROGRAM

Mrs. R. Hugh Reid

Sixty-five of Georgia's 88 chapters responded this year to this Chairman's request for program reports. I am most grateful, but we would have liked to have heard from the other chapters as well!

The work of the program committee has been most interesting and rewarding, and I have been grateful for this opportunity to work with the Georgia Daughters. One of the special projects of the Georgia Society has been the color slide project. With great appreciation, I take this opportunity to express sincere thanks to Mr. Abit Massey, Georgia Department of Commerce, and to Mrs. Mary Givens Bryan and Miss Beatrice Lang of the State Department of Archives for their cooperation and help. The slides presented to the National Library are "Scenic and Historical Beauty of Georgia." Because of the requests which I have received for material from our newly formed state file of program material, I am taking the space for this report to give a complete listing of those on file so that chapters may use them in the years to come. By title, the file includes: "Christmas in Literature, Art, and Music," "Faith of our Fathers," "The Responsibility of Independence," "Conservation—Birds," "Thanksgiving," "Our Constitution, What is Happening to It and What Can be Done About It," "God and the American Government," "The History of Our Flag," "Theodore Roosevelt Centennial," "United States Day," "The Duc De LaFayette," "The Oregon Trail," "Conservation is a Weapon for Every Want and Waste," "Washington's Visit to Georgia," "Christmas Lives in Music, Art, and Literature," "Christmas Story as Told by Music, Art, Tradition," "A Christian Looks at the Individual and Government," and "The Sun Rose on Our Constitution." These are all papers which have been given as chapter programs in Georgia, and represent some of the best programs presented during these two years.

Serving as Program Chairman has been a most rewarding experience; thanks to each chapter for their cooperation and understanding. Let us continue the good work in our Georgia Society and be better informed Daughters. This is the aim of the program committee.

Awards as follows of \$5.00 each: Most outstanding contribution to State Program File, Oconee Chapter; yearbook best meeting needs of chapter, Savannah Chapter; year-round programs of chapter, best using National theme to present objectives of the

Society, George Walton Chapter; honorable mention, Stephen Heard and Thronateeska chapters.

RADIO AND TELEVISION

Mrs. Louis Joseph Bahin

Interest in the use of radio and television programs for the purpose of keeping before the public the principles and activity of the D.A.R. has shown marked increase during the past year. This is in spite of the fact that some of the most active chapters, in towns where there are stations of both kinds, failed to file reports with this Chairman. This means of communication between D.A.R. chapters and the communities of our State is probably the most valuable opportunity we have in this day when almost every family has one or more sets, and those sets stay on many hours of the day.

Reports received from 57 chapters showed active interest in 45. There were scripts prepared in all of these for the local stations, in some form or another, and sent to the National Radio and Television Office for wider distribution were six scripts for radio presentation and 10 for television. Of the total seven were adapted for use in either medium.

There were 1,015 spot announcements reported, of which 970 were on radio and 45 on television. The total time used on radio was 67 hours and 48 minutes, and on television 12 hours and 42 minutes.

An expression of the gratitude of this Chairman is due those chapters and their Regents who have given such splendid cooperation in the promotion of the work of this vital committee, and an urgent plea goes out to all the remaining chapters who have access to radio or television, to take every advantage of this means of presenting current and pertinent facts to your neighbors. The stations in almost all communities welcome programs and announcements of general interest, and will give wonderful cooperation if your requests are made at the beginning of your year, so that they may be included in the overall plan of the station's programs.

An award of \$5.00 is made to the chapter using the most radio time for presenting D.A.R. programs, and a similar award for the most television time. For their excellent use of seven hours and 10 minutes in presenting the work of D.A.R. over radio first place and the State Chairman's award goes to Stephen Heard Chapter, Elberton. In second place was Vidalia Chapter, with Commodore Richard Dale Chapter only 20 minutes behind. Honorable mention to William Witcher and LaGrange chapters.

In the use of television, with five hours and 15 minutes used, Thronateeska Chapter was outstanding and wins the award. Second, with two hours and 35 minutes was Commodore Richard Dale Chapter. Both of these chapters are in Albany, and so we are indebted to the television station at Albany for their very kind and whole-hearted assistance to this committee. Honorable mention is due Thomasville and Baron DeKalb chapters.

Although there is not an award offered except in the matter of total time used in each medium, I should like to commend the Commodore Richard Dale Chapter for their well-balanced program and the best all-round use made of both radio and television during the year.

TRANSPORTATION

Mrs. George E. Jordan

In the Fall, I sent letters to all chapters and gave suggestions for transportation programs; 31 chapters reported to me; all chapters furnished rides for members that would not otherwise get to meetings; 12 Historical Pilgrimages were made. Some had one car and some had several cars, making a total of about 75 members making the tours; the Thronateeska Chapter (Albany) and Elberton Chapter made the most historical trips; the Thronateeska Chapter visited the following places: Kolomoki Indian Mounds Park, Seminole Indian Path between Richmond and Lumpkin, Old Methodist Camp Ground, Stewart County Academy for Boys, and an Old Masonic Building erected in Lumpkin in year 1831. They also visited Masonic Temple College for Females built by Crow Lodge, 1852, birthplace of John Wellburn Root, world famous architect, First Courthouse built of logs in 1830 for Lumpkin and Stewart Counties. This Courthouse was used as block house during an Indian outbreak in 1830. They took C.A.R.s on a tour of the Marine Supply Center in Albany. They sent pictures and clippings from newspapers to me. These were sent on to our District Chairman, Mrs. Heath Owens, by me.

Two chapters had State Chairmen as speakers; 18 chapters had traffic safety programs; nearly all chapters arranged rides to State Conference; 16 reported having had blood tested and are keeping cards in hand-bags; 12 cooperated with Highway Patrol in their program.

SPECIAL NATIONAL COMMITTEES

AMERICAN HISTORY MONTH

Mrs. Harris Rogers

In addition to reports sent to the State Historian the following reports were sent to me on American History Month. More than 500 essays on Historic Trailways were written; 14 chapters sent in essays for state competition; 115 history scrapbooks were being prepared; the Governor and the Mayors of 13 cities proclaimed February as American History Month; 8 radio programs; 7 TV programs and spot announcements; school participations in 36 cities. Many reported D.A.R. stickers being used; newspapers published reports of meetings and numerous pictures during February.

My chapter, the George Walton, was honored by having the State Historian, Mrs. Frank F. Faulk, as our guest speaker for February. Members of the James Oglethorpe and Button Gwinnett chapters joined us to hear Mrs. Faulk speak. At this same meeting Mrs. Faulk presented cash awards to the winners of the fifth and sixth grades of Linwood School. The essays, which the chapters sent in for competition, were most interesting, informative, and well prepared. They presented a hard problem for the History Committee to select the winners. Some schools do not permit competitive essays so the 500 essays do not represent fully the work done over the State. Many chapters reported medals and cash awards given in their respective chapters.

A letter explaining February as American History Month and the rules of the Historic Trailways were sent to the 88 chapters in October.

My sincere appreciation to the chapters that sent in such wonderful reports and essays.

FRIENDS OF THE MUSEUM

Mrs. William E. Gray

Letters were mailed in the fall to all Georgia chapters explaining the work of "Friends of the Museum" through the different memberships of this special National Committee. To the 25 chapters responding with \$249.50, I am most grateful. This is an increase over last year both in number of chapters participating and amount contributed.

Awards at State Conference were given to Button Gwinnett Chapter who gave the largest cash donation including a life membership (\$100.00) to its distinguished member, Mrs. T. K. Kendrick, State Second Vice-Regent, and to Thronateeska Chapter for obtaining the largest number of regular memberships. Governor David Emanuel Chapter received honorable mention for sending a check for the third largest amount to the State Treasurer for the work of this committee.

It has been an inspiration and a privilege to serve Georgia Society and the State Regent, Mrs. Harold I. Tuthill, in this capacity.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Richard M. Miliken

A letter from your American Merchant Marine Chairman suggesting that in November, 1959, a Thanksgiving Drive for books and contributions for the American Merchant Marine Library in Norfolk, Va., be made was mailed to Chapter Regents and Chairmen.

A second letter gave a list of magazines that have proven popular with the seamen and told of the appreciation of the paperback books that can be carried in their pockets on shipboard.

As your State Chairman of A.M.M.L. Committee, I wish to thank all Chapter Regents, hairmen and members for their splendid response to the requested drive for books and contributions.

Reading material forwarded to the American Merchant Marine Library, care of Mrs. Rena B. Parker, 406 E. COLLECTING AND PUBLISHING HISTORY OF GEORGIA'S REVOLUTIONARY SOLDIERS

Mrs. Maurice A. Cameron

On August 19, 1959, attended Round Table at American Legion Building, 2020 Riverside Drive, Macon, Georgia, and as Chairman of Collecting and Publishing History of Georgia's Revolutionary Soldiers, was asked by State Regent, Mrs. Harold I. Tuthill, to serve as Moderator with Mrs. Wallace Harris, Chairman of Genealogical Records, in order that we might explain our phase of work, and I feel sure the time was well spent, after receiving so many histories from our chapters.

I am most grateful for the response received from letters mailed to the chapters in the early fall, and wish to thank them for their fine work.

Thronateeska Chapter, Albany, received the General Floyd Gavel for mailing in the first histories of Georgia Revolutionary Soldiers, and my award of \$5.00 was won by William McIntosh Chapter, Jackson, for mailing in the most collection of histories of Georgia Revolutionary Soldiers, there being 17 histories compiled in book form.

To the Captain Thomas Cobb Chapter goes the \$10.00 award for their fine report showing 26 sets of application papers accepted by the S.A.R. John Floyd Chapter receives this year the Clifford H. Smith Citizenship medal for reporting the most medals given jointly.

At a luncheon in Atlanta, commemorating Washington's birthday, and arranged by Honorable Dudley Fort, President, Georgia Society, S.A.R., our Regent represented our State Society and was on the program.

GENERAL EXCELLENCE

Chapters with Membership of 100 and Over

Mrs. William Louis Taylor

Seven out of a possible 12 reported this year. Each Chapter Regent was asked to leave out names and places that might identify her chapter and to sign her name as Regent and her chapter's name on separate sheet of paper, as reports were judged by number only. After reading each report and assigning each a number, they were mailed to the three Judges with the request that they report to me by numbers. The Judges have a long record in D.A.R. work and are all well qualified to judge the reports.

The reports showed such a great expenditure of time and money that it was hard for the Judges to decide between them. First place was won by Baron DeKalb Chapter, Decatur. Second and third places were very close, but two out of three votes went to Mary Hammond Washington Chapter, Macon, for second place, and two out of three votes for Joseph Habersham Chapter, Atlanta, for third place, with honorable mention going to Savannah Chapter, Savannah.

GENERAL EXCELLENCE REPORT

Chapters with Membership from 50 to 100

Mrs. Cilton B. DeBellevue

The procedure for judging reports was the same this year as last year. An informational letter was sent to 39 Regents of Chapters with a membership of 50 to 100 members; 15 reports were received and 10 were judged by a most capable committee of three appointed from different chapters. This committee had no knowledge of the choice of the other members. The reports received showed an increased interest in the over-all work of D.A.R. and manifest intensive work and leadership. My deepest appreciation goes to the committee who served so unselfishly and so willingly to bring a difficult task to a successful conclusion.

The unanimous choice for first place is the Thronateeska Chapter, Albany; second place to the Commodore Richard Dale Chapter, Albany; and third place to the Stephen Heard Chapter, Elberton.

Congratulations to all chapters that worked so diligently to achieve such outstanding work, and to those who will try again next year.

CHAPTERS WITH MEMBERSHIP UNDER 50

Mrs. Horace A. Ernst, Sr.

It has been a pleasure to serve as Chairman of General Excellence for chapters with a membership under 50 and to observe through the splendid reports the many achievements of D.A.R. work.

Captain Thomas Cobb Chapter, College Park, placed first and received the \$25.00 cash award. Peter Early Chapter, Blakely, placed second, and General Daniel Stewart Chapter, Perry, third. Honorable mention was given to Brier Creek Chapter, Oconee Chapter, and John Ball Chapter.

I wish to express my sincere appreciation to the judges who served so efficiently and graciously and to the Chapter Regents for their cooperation.

MCCALL GENEALOGICAL FUND

Mrs. Hoyt S. Bryan

It has been a real pleasure to serve as your Chairman of the McCall Genealogical Fund during the past year. The Georgia Society has rebound six books of application papers in the office of the Registrar General. Four of these books are placed there in honor of Mrs. Leonard Wallace Past Registrar General, and two in honor of Mrs. Ben I. Thornton, Past State Registrar.

The report of other records bound may be read in the report of Mrs. Wallace Harris, Genealogical Chairman.

MEADOW GARDEN

Mrs. Clifford J. Welton

Through the interest and generosity of our State Society and the Augusta Chapter, Meadow Garden has been redecorated with special attention given to the library and parlor. While we were limited in the project, still, because of the Walton Memorial Fund and contributions from special ones who hold the shrine very dear, actually we completed more than was anticipated.

Having the State Board with us in October afforded the early arrivals an opportunity to see the wonderful progress. Our one regret was that all the Daughters could not attend.

For the first time Meadow Garden has fire extinguishers in-

stalled and the first floor insulated. The caretaker's cottage has had some painting and the roof repaired, paid for with visitors' fees. We realize so deeply the many needs for the home, but when we reflect on the progress already made, we are inspired to greater endeavor.

At present we are in the midst of termite treatment and termite repairs, after inspection found these destructive pests at work at Meadow Garden.

Joseph Habersham Chapter of Atlanta has presented the Shrine an original letter written by Madame Octavia Walton LeVert. This has been appropriately framed and hung under the portrait of Madame LeVert in the parlor. Also, at the request of the Meadow Garden Committee, the portrait of the late Daisy Graham Stone has been placed.

May we prevail upon each chapter to become more and more aware of our cherished shrine and the great need of their interest and support. As your State Chairman of Meadow Garden, I am aware of the many new members who do not have full knowledge of the Shrine. I hope to arrive at some solution to this problem. Finances thus far have prevented publication of pictures, booklets, etc., for distribution, and I have constantly hoped for some method other than the usual routine letters.

Now may I present the Daisy Graham Stone Trophy. Because of their beautiful and historical gifts—a rare pressed dish, Liberty Hall pattern made in 1876 for the Centennial Celebration and which contains all names of the signers of the Declaration of Independence, a tray set over 100 years old, a lamp which was used in the first brick house in Albany, and an "Old Book" printed in 1764, plus their cash contribution, we are happy to award the trophy to the Thronateeska Chapter.

PROCEEDINGS

Co-Chairmen

The Proceedings Committee met on Friday, May 6, 1960 at 11 o'clock at the Atlanta Woman's Club. Mrs. William C. Robinson presided and Mrs. John F. Thigpen acted as secretary.

Regrets from Mrs. Julius Y. Talmadge, Mrs. John S. Adams, Mrs. Mell Knox, Mrs. Mark Smith, Mrs. Leonard Wallace, and Mrs. Charles Bush were noted. Mrs. Thigpen was asked to send notes from the Committee to Mrs. Talmadge and Mrs. Knox because of illness.

Mrs. Sam Merritt, newly-installed State Regent, Mrs. Arthur H. Waite, Jr., and Mrs. S. M. Page Rees, non-members of the Committee, were also present.

Minutes of the Spring Board meeting and of the final session of the Sixty-second Annual State Conference, recorded by Mrs. George W. Nelson, immediate Past State Recording Secretary, were read by her and approved as corrected.

The quotation submitted by the McGregor Company for printing 500 copies of the Proceedings was the same as last year, and was accepted. Pictures to appear in this issue will be of the State Regent, the Chaplain General, and the Vice-President General, in that order.

Upon motion of Mrs. Ironside, seconded and adopted, the report of the State Senior President of the Georgia Society, C.A.R., will be placed in the C.A.R. Section and notation made under C.A.R. Chairmanship in the D.A.R. Section to that effect.

Several inconsistencies and contradictions appearing in Bylaws and in Information to Chapter Regents were discussed, corrected, and will be clarified by the State Regent in her fall letter.

On Thursday evening, preceding the Proceedings Committee meeting, the outgoing State Regent and Recording Secretary were overnight guests of Mrs. Robinson at which time the material for

the book was given careful editing. This preliminary work made the duties and discussions of the Committee less arduous. The meeting adjourned at 12:45 and luncheon was served at one o'clock.

PROCESSIONALS OF STATE CONFERENCE

Mrs. J. Mark Mote

Mrs. Vernon Phillips and I wish to thank all those who helped make the Processionals at our Sixty-second State Conference so beautiful and dignified. Fleetwood Moore, Mrs. Reid Chastain, and Mrs. A. S. Varn, Jr.

It was a privilege to serve our gracious State Regent, and to have a small part in making her State Conference a success.

CHAPTER PROGRAM SUGGESTIONS FOR 1960-1961

Mrs. Thomas J. Moran

"For what avail the plough, or sail,
or land or life if freedom fail."

—Ralph Waldo Emerson

The following topic suggestions from your State Program Chairman are to be used as a guide for the coming year. Where chapters have the opportunity for outstanding programs or unusual talents, do take advantage of them, letting the objectives of the National Society guide you in determining whether or not such programs are appropriate.

Giving variety and timeliness to your programs does increase attendance; attendance will figure in this year's reports and awards. A newly revised Program Catalogue is ready describing available material.

Our State is rich in local talents and program possibilities, but know that your State Officers and Chairmen are happy to be with you whenever possible and always ready to help you in any way they can.

On our return we visited the State-owned Jarrett Manor Museum near Toccoa, Georgia, which climaxed Patriotic Education Week. On November 11 our Society decorated and rode in a convertible in the Veterans Day Parade; and a lovely doll was sent from our Society to Tamassee School in December.

For writing the words and music of a patriotic song, Janet Workman, a member, won first prize for the State in a contest sponsored by the J.A.C. Committee. Lt. George Calvert Society was reorganized in September, 1959. The John Benning Chapter D.A.R. sponsoring chapter appointed Miss Claire Duggan and Mrs. Marion Sirmans as advisors with Mrs. Ed Acuff, Senior President. Twenty girls met with Mrs. Acuff and were given forms to be filled out. Mrs. Clay Dean, Past Regent, and Mrs. Sam Duggan, Present Regent of our sponsoring chapter gave talks on the aims and purposes of the C.A.R., also offered their services to help organize. The Society meets once a month in the homes of the girls. Eight girls have been accepted by National; three papers are pending in Washington, and nine girls are working on their papers.

One of the most interesting programs was presented by our school principal, Mr. Aultman. His subject was "Our Heritage in Public Schools as Compared to Russian Schools." Miss Ethel Adams spoke at our January meeting about the importance of choosing a profession early to become better citizens. Our most exciting meeting was in December when we had a semi-formal dance at the Woman's Club. We had a business meeting in February to devise plans to make money for our Society. Our Society had six members and advisor attend the C.A.R. State Conference in Atlanta.
