RESOLUTIONS

Youth Guidance

WHEREAS juvenile delinquency has become one of the major problems of American society; and

WHEREAS the crime rate among the youth is alarmingly on the increase; and

WHEREAS it is the responsibility of the home, school, and church to instill the precepts of morality during the early years of physical and spiritual growth; therefore

RESOLVED, That the Georgia State Society, NSDAR, call upon those to whom the training of youth is entrusted to exert by example and precept the highest standards of the moral code, with particular emphasis upon respect and obedience for law and order.

SCHOOL TESTS

WHEREAS it is the duty and right of parents to know what is being taught their youth not only in public schools but in colleges and universities; and

WHEREAS our youth in some institutions are being subjected to ideas that are contrary to American traditions; and

WHEREAS the privacy of family relationships is being invaded by certain tests; therefore

RESOLVED, That the Georgia State Society, NSDAR, urge parents to be alert to the danger of ignoring what in many instances their children are being taught.

LIBRARY EXPANSION

WHEREAS there is a great need for our National DAR Library Building in Washington, D. C., to be renovated; and

WHEREAS all money for this work has not been secured; therefore

RESOLVED, That the Georgia State Society, NSDAR, give six

hundred dollars (\$600.00) from the State Dues Fund toward the National Library Renovation Fund, which is honoring our President General, Mrs. Robert V. H. Duncan; and

FURTHER RESOLVED, That this Georgia Society gift be given in memory of Mrs. Howard H. McCall, whose outstanding contributions to genealogical library work continue to be an inspiration to all Georgia Daughters.

GEORGIA ROOM MEMORIAL, CONTINENTAL HALL

WHEREAS it seems fitting that each of the original thirteen states have a suitable state room in Memorial Continental Hall in which to display relics of historical colonial interests; and

WHEREAS the Savannah Chapter, Daughters of the American Revolution, is confident that inherited relics will be donated to furnish such a room by the chapters throughout the state of Georgia;

RESOLVED, That the Georgia State Society request the authorities of the National Museum to give them the refusal of a room to be designated as "The Georgia Room."

REBINDING LIBRARY BOOKS

WHEREAS thirty-six books listed by the State Librarian which are located in the DAR Genealogical Library at the Georgia Department of Archives, Atlanta, Georgia, are badly worn and in need of re-binding;

RESOLVED, That the fifty dollars allocated from the State Dues Fund be used for this purpose; and

FURTHER RESOLVED, That, if additional funds are needed for the re-binding of these thirty-six books, the necessary amount shall be taken from the McCall Genealogical Fund.

RETIRING OF TROPHIES

RESOLVED, That all trophies, which have been given for various phases of DAR work be retired, at the close of this Sixty-sixth State Conference, to the donors, or to the one whose name it bears, or to the chapter to which the donor was a member; and

FURTHER RESOLVED, That only cash awards be presented in the future.

CAROLINE SCOTT HARRISON, HALL OF FAME

RESOLVED, That the Georgia State Society, DAR, at its Sixty-sixth State Conference at Jekyll Island, Georgia, this 19th day of March 1964 endorse the project of the Brunswick Chapter which has placed the name of Mrs. Caroline Scott Harrison (Mrs. Benjamin), first President General of the NSDAR, for nomination to the Hall of Fame for Americans at New York University.

CHAPTER DIRECTORY

WHEREAS the National Society, DAR, lists the chapters of the states in alphabetical order according to names of the chapters; and

WHEREAS the Georgia Society lists the chapter directory alphabetically according to the town in which the chapter is located, thereby causing inconvenience and a needless waste of time with the use of two different lists; therefore

RESOLVED, That the Georgia Society list the chapter directory in the same order as does the National Society and that this change be made in the 1964-1965 Proceedings.

**RECOMMENDATIONS FROM THE STATE BOARD OF
MANAGEMENT MEETING**

OCTOBER 24, 25, 1963

"THE HERITAGE OF PRAYER"

WHEREAS the worship of God is a fundamental concept of the American heritage, as evidenced in the Declaration of Independence and in the motto "In God We Trust," which is superscribed on the coinage of the United States of America; and

WHEREAS prayer to Almighty God is offered at the inauguration of the President of the United States and of the Governor of the State of Georgia; in the opening sessions of the Congress of the United States, and in the general assembly of the State of Georgia; and

WHEREAS in these practices there is precept and example for religious exercises at the beginning of the duties of the day; and

WHEREAS it is the inherent right of the children in the public schools of the nation to be allowed the use of Bible reading and prayer in their opening exercises, as expressed in the "free exercise of religion" clause of the First Amendment to the Constitution of the United States of America; and

WHEREAS in the public schools of Georgia such exercises continue to be used; therefore be it

RESOLVED, That the State Society of the National Society, Daughters of the American Revolution, commend the Governor of the State of Georgia, the officials of Georgia, and of those other States, which by statute or permission allow the pupils attending the public schools the privilege of participating in the use of Bible reading and prayer in non-denominational opening exercises, as is the custom in the Congress of the United States and in the legislative sessions of the State of Georgia.

* * *

RESOLVED, That the Georgia State Society, Daughters of the American Revolution, at its Fall Board meeting held in Macon, Georgia, October 25, 1963, unanimously express its appreciation and commendation to the Honorable Richard B. Russell and the Honorable Herman E. Talmadge, Senators from Georgia, for their dedicated stand on the preservation of the Constitutional government and for the continuance of the American way of life.

* * *

WHEREAS it is certain that the war years of the American Revolution will be marked by appropriate bicentennial ceremonies; and

WHEREAS many historians point out that the American Revolution began in 1763 with the signing of the Treaty of Paris which ended the Seven Years War on the European continent and the French and Indian War in America and in a non-military or po-

litical sense, the American Revolution lasted for twenty years, from 1763 to 1783;

RESOLVED, That the Georgia State Society, NSDAR, commend the Honorable John O. Marsh, Jr., congressman from Virginia, for his efforts to have these historic years 1763 to 1776 termed "Prelude to Independence" properly observed and also express approval and support of HJ. Res. 463 to establish a commission to be known as American Bicentennial Commission which will promote and provide for appropriate and nation-wide observance of the bicentennial of the American Revolution.

* * *

WHEREAS the communist rulers have shown such a record of bad faith and duplicity; and

WHEREAS the realities of today demonstrate that disarmament is still an unattained ideal; and

WHEREAS there can be no winner in an all-out nuclear war; therefore

RESOLVED, That the Georgia State Society, NSDAR, support the position that the United States must remain fully armed so that our strong position may serve as a military deterrent to any nation.

* * *

WHEREAS the year 1963 marks the 25th anniversary of the Munich agreement which was a desperate expedient to gain time at the expense of the sovereignty of a defenseless nation; and

WHEREAS the agreement was the fault of cherishing the illusion that to buy a little time was to contribute to the cause of peace; therefore

RESOLVED, That the Georgia State Society, NSDAR, call upon its members to be ever mindful to concessions that serve only to relax tension for awhile, yet are not in the true interest of lasting peace, for they are only appeasements that do not contribute to the cause of freedom.

* * *

WHEREAS the United States dollar is a vital line of American defense; and

WHEREAS it has been breached by a lack of confidence in its integrity, stability, and value; and

WHEREAS responsible citizenship, good government, and fiscal soundness are essential to the preservation of our national society; therefore

RESOLVED, That the Georgia State Society, NSDAR, urge the American people and the government to meet this challenge with self-discipline and courage.

* * *

WHEREAS the American people in the year 1789, being fearful that government might restrict their freedoms, proposed limitations on the government known as the Bill of Rights; and

WHEREAS today the rights and freedoms of the individual property owners are being endangered; and

WHEREAS it is self-evident that the loss of these freedoms will destroy the free enterprise of individuals, therefore

RESOLVED, That the Georgia State Society, NSDAR, maintain its belief that the American owner of property must be allowed under law to own, enjoy, and dispose of property without special privileges to any group or groups.

* * *

Report of State Officers

STATE REGENT

Mrs. Thomas Knox Kendrick

As State Regent, I welcome you to the 66th annual State Conference of the Georgia Society here assembled at Jekyll Island, one of the historic golden isles where this state had its beginning. It is with a very grateful heart that I present to you a brief resumé of the excellent accomplishments of this year of work together. Six district meetings in September, well attended, motivated the work that has been accomplished this year by you in telling the DAR Story. An increase in membership with emphasis on junior membership has stimulated the work of all committees and of the State Regent. It is with pride that I present to you our newest chapters, Birdville of Millen and announce that the Archibald Bulloch Chapter, Statesboro, will be confirmed at Continental Congress next month. As your State Regent I have presided at the six district meetings, the Fall Board of Management, Macon, and represented the Georgia Society at three National Board of Management meetings, the Yorktown, Virginia Celebration, Founders Day at Tamasee DAR School, Dedication Day at Kate Duncan Smith DAR School, where it was my pleasure and privilege to dedicate the washer-dryer given by you, the 25th State Conference of the CAR in Moultrie, was one of the honored guests at the Mississippi State Conference in February. At the conclusion of this, our conference, I will have the honor of attending the State conferences of the Maryland and the New Hampshire Societies and in April to represent you at the 73rd Continental Congress. To correlate the plan of work of the National Society with that of the state and the individual chapters, eight general letters of information have been sent, visited 38 chapters, answered correspondence too large to enumerate, signed 25 and 50 Year Membership Certificates, Good Citizens Certificates for chapter presentation.

The highlight of the two years serving as your State Regent comes to fruition at this time with the completion of the Edna DeLamar Kendrick Endowment Scholarship for Berry College in the amount of \$12,618.43. The check establishing this scholarship will be presented later during this conference. The realization that the Georgia Society will make possible for years to come higher education for a student from Tamasee or Kate Duncan Smith DAR Schools at Berry makes your State Regent very humble and grateful. This honor will always be one that I hold dear. My sincere thanks for the many contributions made by you.

I am deeply grateful for the gracious expressions of your love, the beautiful flowers given when I have visited with you, for your warm and abiding friendships and your loyal support in making this truly a year of accomplishments. As we move forward to greater goals let us not forget the heritage bequeathed to us by our founding fathers and made functional by the aims and policies of this great patriotic organization.

STATE FIRST VICE REGENT

Mrs. Benjamin I. Thornton

It has been a privilege to serve the Georgia Society, NSDAR, as State First Vice Regent and under the capable and efficient leadership of the State Regent my duties in this office have been minor.

All District and State Board of Management meetings, State Conference and Continental Congress have been attended. The meetings of the Meadow Garden Board were attended and minutes of these meetings kept.

As State First Vice Regent I appeared on two TV programs and four radio broadcasts, and attended the Dedication Day at Kate Duncan Smith DAR School and the Kate Duncan Smith trustees dinner in October.

Arrangements were made for the Georgia dinner held at the Mayflower Hotel during the 73rd Continental Congress.

STATE SECOND VICE REGENT

Mrs. Frank Binford

It has been a pleasure to have worked with Mrs. Thomas K. Kendrick during the years she has been State Regent of Georgia.

I have attended all State Conferences, Executive Committee meetings, State Board meetings, meetings of the Meadow Garden Committee and a number of District meetings.

STATE CHAPLAIN

Mrs. R. Hugh Reid

It has been a sacred privilege for me to serve our State Society as Chaplain, and I wish to express my sincere appreciation to the members for their cooperation and support. The leadership of our State Regent has been an inspiration, and I shall long cherish the memories of these two years.

As your State Chaplain, I have tried to keep an accurate record of the deaths of our Georgia Daughters during this past year. It is with regret that I must report the loss by death of ninety-six of these fine women. We remembered them at our Memorial Service in Faith Chapel at Jekyll Island at the opening of our 65th State Conference. They will long be remembered in our hearts.

The Meadow Garden Landscaping Fund has continued to grow, thanks to the interest of our members and our chapters. To date we have a total of \$184.40 set aside in this fund, \$99.00 of this amount having been contributed since our last State Conference. With continued support of this fund, we shall be able to have the grounds at Meadow Garden landscaped as a memorial to our Georgia Daughters, and I am grateful that you have shown such an interest in this endeavor.

As State Chaplain, I have attended the six District meetings, the State Board meeting in Macon, and State Conference. I have enjoyed being able to accept some of the kind invitations I have received from the chapters, and am especially grateful for the understanding of the Chapter Chaplains and the cooperation of our members.

With God's help, let us "Be strong and of a good courage."

STATE RECORDING SECRETARY

Mrs. Claude E. Fitts

It has been a privilege to serve the Georgia Society, NSDAR, as State Recording Secretary under the capable leadership of the State Regent, Mrs. Thomas K. Kendrick.

I have attended six District meetings, the Fall Board of Management meeting and the State Conference, and also recorded the minutes of each session.

The cooperation of Chapter Regents, State Chairmen and State Officers in sending in their reports promptly for use in the State Proceedings is greatly appreciated.

STATE CORRESPONDING SECRETARY

Mrs. Emory P. Cary

It has been my pleasure as State Corresponding Secretary to attend four district meetings, the Board meeting in Macon, the State Conference in March at Jekyll Island, and many wonderful chapter meetings (especially the 50th Anniversary ones in Cuthbert and Cordele) with our gracious State Regent, Mrs. Thomas K. Kendrick. These have certainly been highlights of the year, and well worth the less exciting time spent in writing or sending out the material to be mailed over the state. This includes letters with regards to State business, invitations to State Conference, notes of condolence and letters on pertinent information.

Both of the years I have served in this State office have been wonderfully rewarding, and I should like to thank all of the State officers, chapter chairmen, chapter regents and members with whom I have been privileged to have contact and to work. It has been a gratifying experience on the State level for me and I am truly appreciative for it.

DISBURSEMENTS

"C"—ANALYSIS BY CHAPTER

We examined detail transactions to the extent we considered necessary under the circumstances. We found all Receipts and Disbursements properly recorded and accounted for. We confirmed all bank accounts directly with the Depositors or by examination of Savings Pass Books and reconciled the bank account balances with the amounts so confirmed.

"Return of Organization Exempt from Income Tax" (Form 990-A) under Section 501 (C) (3) of the Internal Revenue Code for the fiscal years ended February 28, 1963 and February 29, 1964 have been filed as required by the United States Treasury Department in accordance with their original letter dated July 5, 1949 and further confirmed in their letter dated February 18, 1963.

Exhibit "B" presents in detail all funds on hand May 31, 1964.

Respectfully submitted,

STATE CONSULTING ORGANIZING SECRETARY

Mrs. William Lawton Brannen

We are happy to welcome two new chapters into the Georgia Society, Daughters of the American Revolution, making a total of ninety-three, the greatest number of chapters in the history of the Georgia Society.

Birdville was organized with fourteen members on January 7 at the home of the Organizing Regent, Mrs. G. Clyde Dekle, on Cleveland Street, in Millen. Mrs. Dekle was assisted in the organization by the State Consulting Organizing Secretary, Mrs. Brannen.

Archibald Bulloch Chapter was organized with nineteen members on February 29 at the home of the Organizing Regent, Mrs. J. L. Nevil, Sr., on Preston Street, in Statesboro. Mrs. Nevil was assisted in the organization of the chapter by the State Consulting Secretary, Mrs. Brannen, and Honorary State Regent, Mrs. Robert H. Humphrey.

There are other chapters in the making and all information accumulated during the past two years in regard to these, and also, information regarding disbanded chapters which may be re-activated, will be passed on to the new Secretary.

STATE CONSULTING REGISTRAR

Mrs. H. Prentiss Derry

My project for the past two years has been to bring the State Card Files up-to-date, and the compiling of a State Register, as of February 1, 1962. The cards are now filed under Active and Inactive. The State Register has been set up by chapters.

Four chapters sent in 528 Lineage Papers of Georgia Society, DAR, or 1,056 pages. These have been sent to the State Department of Archives and History in Atlanta, and Washington Memorial Library in Macon, Ga.

Fifty-four dollars contributed to the Registrar General's Microfilm Fund; \$47.50 contributed by chapters to the Registrar General's Rebinding Fund. Abraham Baldwin Chapter received the State Consulting Registrar's award of \$5.00 to chapter contributing largest amount per capita to the Registrar General's Microfilm Fund.

Without the help and cooperation of the state and chapter officers this work could not have been accomplished, and it is with grateful appreciation that I express my sincere thanks to each of you in helping make this report possible.

STATE HISTORIAN

Mrs. Vernon Phillips

Georgia chapters sent in \$94.50 to the Americana Restoration Fund. The Baron DeKalb Chapter honored their chapter Historian, Mrs. Dan Shadburn, with a generous contribution. Joseph Habersham Chapter gave a mahogany rolling pin to the Americana Room. Twenty-five pages of old manuscripts and two biographies of George Washington dated 1832 received. Poems of Daniel W. Hickey given.

Sixteen members' graves marked, others honored, services, gifts of books to Genealogical Libraries, flags to schools and historical maps. Four graves of real Daughters and two soldiers' wives located.

American History Month celebrated and observed with enthusiasm. Many daily radio spot announcements during February. The State of Georgia has a bill, Senate Bill 121, passed by unanimous vote designating February as American History Month. A Home Builders Association in Savannah has voted to erect mountings and a flag staff in front of each new home and present a flag to the buyer. George Washington teas held, some in colonial costumes. Patriotic band concerts held, colonial relics and old books displayed. Awards of cash, historical maps, flags, pictures of the Minute Man and all the presidents pictures given, old coins of the 1800 pennies and half pennies given. Open house and patriotic music enjoyed. Many colorful posters displayed in schools and store windows. Other places had luncheons with many interesting historians and authors speaking. Civic organizations in Savannah held an old fashioned 4th of July rally celebrating 187th birthday of our country and crowds attended and enjoyed it.

STATE LIBRARIAN

Mrs. J. L. R. Boyd

The State Librarian's letter of instruction in the fall included duplicate sheets of general information concerning library work, lists of books requested, and questionnaires. The goal of 100% in chapters having Librarians and sending in reports was not reached.

Major interest continues in local library work where chapter members serve as librarians, directors of Regional Libraries, vice-president of the Georgia Library Association, chairman of the Board of Trustees, and hold other important positions. Much work, time and money have gone into some of the local libraries where very important books and pamphlets have been placed.

Seventy-two dollars (\$72.00) was donated to the National Microfilm Fund; \$36.00 to the National Rebinding Fund; \$181.00 to the National Library Renovation Escrow Fund; and \$75.00 to the State Archives. A total of \$2,008.75, which included cash and value of books and material spent on library work was reported by the chapters; \$296.20 spent on National; \$95.75 on State; \$1,616.80 on local libraries. Although all chapters did not list and give prices of books donated, the following numbers were reported: National books, 7; National books requested, 2; National pamphlets, 1; books to State Archives, 5; pamphlets to State, 14; books to local libraries, 314; pamphlets, 221; microfilm, 1.

Mary Hammond Washington Chapter was most outstanding for local history work with \$641.71, having been used for that work. To this chapter is awarded the \$5.00 award. Honorable mention goes to Elijah Clarke and Fort Frederica chapters. The \$5.00 for the best report on National Library work goes to Baron DeKalb Chapter, with Peter Early Chapter receiving Honorable Mention. The \$5.00 award for the best report on State Library work goes to Baron DeKalb with Elijah Clarke receiving Honorable Mention. The Porter trophy for chapter doing most for the community is awarded to Elijah Clarke Chapter. Honorable mention to Baron DeKalb, Fort Frederica, and Tallassee chapters.

Committee Reports

National Committees

AMERICAN HERITAGE

Miss Martha A. Cooper

Georgia chapters are commended for the first year's accomplishments of this new committee. Although the majority of chairmen were named after September, 1963, the first report includes the following excellent work: 49 chapter programs; 21 community projects; 2 gifts to DAR Museum and 2 gifts to Americana Room with 14 chapters contributing money; 112 inches of newsprint; 44 minutes of TV or radio time; 19 articles preserved for posterity; and 39 chapters reported the new committees cooperated with the following 12 DAR committees—American Indians, American Music, CAR, DAR Museum, DAR Schools, Genealogical Records, Junior Membership, Motion Pictures, National Defense, Public Relations, Program, and American History Month.

Noted among the outstanding endeavors were the exhibits of arts and crafts that were used to tell the DAR story. Thronateeska, Joseph Habersham, Captain Thomas Cobb, Benjamin Hawkins, and Roanoke chapters sponsored Americana displays that included china, silver, press glass, ironstone, wooden and iron kitchen utensils, pewter, printed and recorded music, dolls, quilts, wedding dresses, jewelry, shoes, eye glasses, cloth, oil paintings, family photographs, and such cabinet work as a lap desk, piano, cupboards, chairs, etc.

Cherokee, Joseph Habersham, Benjamin Hawkins, Baron DeKalb, Nathaniel Macon, and Henry Walton chapters reported 19 articles preserved for posterity. Hawkinsville Chapter gave to DAR Museum *George Washington* (2 volumes), by John Marshall, published in 1832.

Elijah Clarke chapter arranged an exhibit of manuscripts, documents, letters, books, etc. Exhibits of Indian crafts were reported by Nathaniel Macon and Henry Walton chapters. Nancy Hart Chapter presented a program in pictures on American Heritage in the Fine Arts. Baron DeKalb Chapter sponsored a Decatur essay contest on American Heritage, giving as prizes a \$25.00 bond and \$15.00 in cash. The Atlanta Chapter stressed the educational heritage at a Berry College program and autograph tea.

Altamaha Chapter publicized our heritage by window displays. Members of the Nathaniel Macon Chapter acted as hostesses at Fort Hawkins and also presented to the local library an enlarged picture of the old fort. Metter Chapter presented to the Americana Room *Thirteen Sonnets of Georgia* by Daniel W. Hickey, and the General Daniel Stewart Chapter presented a Meadow Garden plate. Henry Walton Chapter preserved local history by a newspaper column written by a chapter member. Other original writings by members were reported by Thronateeska, Benjamin Hawkins, Baron DeKalb, Oliver Morton, John Ball, Roanoke, and Hancock chapters.

The objectives and work of the committees were discussed at the six workshops in September and at the Board of Management meeting in October. The chairman spoke on the work at meetings of Baron DeKalb, Nathaniel Macon, and Hawkinsville chapters. In October the chairman distributed letters and report blanks to 93 chapter regents. Henry Walton Chapter received the special \$3.00 cash award for the outstanding local community project in worthwhile historic and educational preservation. Baron DeKalb Chapter received the \$5.00 award for the best overall report. Captain Thomas Cobb Chapter received \$2.00 for second place. Benjamin Hawkins and Nathaniel Macon chapters received Honorable Mention.

AMERICAN INDIANS

Mrs. Louis Joseph Bahin

It has been a great joy to serve as Chairman of American Indians for the past two years. For this privilege I wish to thank the State Regent for the appointment, and the chapters for their wonderful cooperation and greatly increased interest and activity. Two letters went out to each chapter regent and chairman, one in September, and one with the report blank in January. I attended four district meetings, presenting the work and aims of this committee at each. I attended the Yuchi Indian Festival in Columbus in June, also the opening ceremonies of the Yuchi Wing at the Columbus Museum of Arts and Crafts, and met many of the tribe. I have made talks on American Indians as the program speaker at seven chapters and have compiled a scrapbook of information sent in by the chapters and collected personally. This book will be available to any chapters interested. Work and gifts of the chapters have shown a remarkable increase, for which I am deeply grateful. Reports were received from 62 chapters, 57 of which have chairmen of American Indians. Those presenting programs on the subject numbered 39. Those reporting visits to Indian Restorations and Reservations numbered 16.

Boxes sent to the two DAR-sponsored Indian Schools weighed 602½ pounds, were valued at \$1,598.00, and cost \$87.70 to mail. Cash sent through the State Treasurer totaled \$900.10 and was divided as follows: American Indians Fund, \$62.00; St. Mary's School, for tuition scholarships, \$466.60 (three full scholarships with a balance); Bacone Indian College, \$371.50 (\$250.00 of this a nursing scholarship). Outstanding work of individual chapters was as follows: 1 Regent conducts visitors through New Echota; 1 chapter moved a DAR marker to a recent restoration; 1 sent a set of slides and script for the National program files; 1 donated an historic book on Indians to the Yuchi Wing; 1 chairman assisted in making figures for, and setting up the Yuchi Wing. She also presented the wife of a chief of the tribe at a luncheon meeting of the State Conference, where the Indian made a brief talk. She also entertained the State Chairman at the Yuchi ceremonials and opening of the wing at the Museum, and contributed many clippings for the State Scrapbook; 1 chapter collects Indian Head nickels to add to their funds for the schools and sponsored a benefit bridge party with one-half of the proceeds going to American Indians; 1 chapter gave a full tuition scholarship to St. Mary's; 1 chapter sent Gold Bond Stamps to St. Mary's, and gift boxes to a student, who then carries on correspondence with members of the chapter.

The State Chairman's award for the largest per capita donation

to the schools goes once more to Fort Early Chapter. I feel I must mention also the gift of a \$150.00 scholarship to St. Mary's by the Atlanta Chapter. For the best all-inclusive program of activity I should like to give honorable mention to the LaGrange, Baron DeKalb, and Joseph Habersham chapters. The award goes to the George Walton Chapter.

AMERICAN MUSIC

Mrs. Wallace Crouch

American Music has done much to enrich the programs of DAR chapters throughout Georgia. The use of good American Music and talented local musicians has enabled us to grow in appreciation and understanding of our cultural heritage.

For exceptional work in this field Honorable Mention goes to Baron DeKalb and Stephen Heard chapters. For the most consistent work in Advancement of Patriotic, Historic and Classic Music, the Dorothy J. Waldman trophy again goes to Atlanta Chapter.

CONSERVATION

Mrs. Frank M. Suttle

On a trip my husband and I just completed across the country to Tucson, Arizona, I noticed so often a sign which read: "Remember—Every Litter Bit Hurts!" That has been our DAR conservation slogan in Georgia for this year. I had pictures at our State Conference showing the before and after in one of our lovely forest State Parks where the Rangers are applying multiple use management. But unless we can help educate the public to their responsibilities in this respect, we will spoil our spots of beauty and the taxpayer will have a bigger bill to pay as there are tons of litter left, especially after a holiday. Our conservation year has been most satisfactory. Most of the chapters have cooperated and have sent in their reports. It was gratifying to have so many working on litter campaigns in their communities.

Two new bird sanctuaries were established. More than 50 per cent increase in conservation programs in the DAR yearbooks points to the progressing enthusiasms of our DAR Daughters and their ever-increasing curiosity to learn more about our water and soil conservation. Scholarships in conservation work for pupils and teachers is a most worthy project in which several chapters participated. A scrapbook was so well done it should be examined by all. A unique project was the sending of 200 pine seedlings to Bacone College. Another chapter provided over 100 daylily bulbs for the cemetery in their city. Many studied state and national legislation and soil and water conservation. We planted a tremendous number of trees: 2,335,219 trees, 832,457 pine seedlings, and 2,474 shrubs.

All of this is a fine record for Georgia, and as State Chairman, I am most grateful for this interest in the conservation of our national resources. The fundamental idea of forestry is the perpetuation of forests by use. When Secretary of Agriculture James Wilson once said: "In the administration of the forest reserves it must be clearly borne in mind that all land is to be devoted to its most productive use for the permanent good of the whole people, and not for the temporary benefit of individuals or companies," he was stating the objectives which the Georgia Conservation Committee is directed toward, and has done a fine job of accomplishing.

The State Chairman's award for the best work in preserving our natural resources goes to the Benjamin Hawkins Chapter, and the second best report was from the Baron DeKalb Chapter.

DAR GOOD CITIZENS

Mrs. Hubert R. Martin

Although the aim of this Committee is to stress the qualities of Good Citizenship among the senior girls in public high schools, there is a continuing effort being made, as directed by the National Society, that the Committee and the award given to the Good Citizen be referred to as the Good Citizens and not the Good Citizen-

ship. Surely, all chapters eventually, will become aware of this distinction and thus avoid further confusion.

Again, Lyman Hall Chapter, Waycross, with Mrs. Henry J. Carswell, Sr., as Chapter Chairman led with the greatest number of Good Citizens. She, also, worked untiringly as Vice-Chairman of the Southeast district. As did the other Vice-Chairmen, who are Mrs. W. M. Barnett, Jr., Toccoa, North district; Mrs. Sidney Holderness, Carrollton, West district; Mrs. D. R. Peacock, Twin City, East district; Mrs. W. B. Evans, Perry, Central district; Mrs. H. L. Bell, assisted by Miss Annette Alexander, Blakely, West district. My grateful appreciation goes to all of them for their contribution, such as contacting all chapter chairmen to send a copy of "What the Daughters Do" to each Good Citizen.

The questionnaires were judged in their respective districts. The winners are: North—Miss Risse Leitch, Henry Grady High, Atlanta, sponsored by Joseph Habersham Chapter. Northwest—Carol Leonard, LaFayette High, sponsored by William Marsh Chapter. East—Lana Collins, Glennville High, sponsored by Vidalia Chapter. Southeast—Jackie Knox, Waycross High, sponsored by Lyman Hall Chapter. Central—Patsy Harrell, Hawkinsville, sponsored by Hawkinsville Chapter. West—Frances Kirven, Columbus High, sponsored by the three Columbus chapters. The State Society awarded each of these \$5.00.

Miss Martha Jones, Hartwell High, Hartwell, sponsored by John Benson Chapter, was chosen State Good Citizen. She was a guest at State Conference for the opening session, where she received the State winner's pin and a \$100.00 bond, given by the National Society. She was also the winner of the Southeastern division and honored Georgia by being the second runner-up for the National winner. The State Chairman's award of \$5.00 to the chapter whose report showed the best planned program went to Joseph Habersham, Atlanta. Mrs. Louisa Hunter is chapter chairman.

It has been a source of great satisfaction to see the increased interest manifested by the chapters in this, my second year, as your Chairman.

DAR MAGAZINE

Mrs. Carlyle M. Ward

The Daughters of the Georgia State Society have been most responsive to my letter in August to each chapter regent and chairman. Seventy-two chapters have 25 per cent and over, subscribing to the Magazine. Georgia has 295 new subscriptions, the greatest number in the Southeastern Division. The total for the year is 1,814, an increase of 367 over last year. I want to thank each regent and Magazine chairman for making this report possible.

I wish to thank Mrs. Howard W. Mizell, National Vice-Chairman for presenting General James Jackson Chapter of Valdosta, \$50.00, for having the most gift subscriptions in her division. I am also presenting them \$5.00 for the most new subscriptions and \$5.00 for the highest percentage over fifty, 106.47 per cent. General Daniel Stewart Chapter of Perry also wins \$5.00 with 102 per cent.

It was my pleasure to attend all six District meetings, the fall and spring Board of Management meetings, and the Annual Conference and Continental Congress. It has been a happy privilege to serve as State Magazine Chairman under the leadership of our State Regent, Mrs. Thomas K. Kendrick.

DAR MUSEUM

Mrs. Carl A. DeLay

In October, duplicate letters containing full information about the work and aims of the Museum Committee were mailed to each chapter. A letter and blanks for "The Friends of the Museum" written by Mrs. Roland M. James, Curator General, were mailed by me to each chapter. Talks emphasizing the importance of the Museum given at the District meetings and at the Fall Board meeting.

Thirty-three chapters returned the report blanks in February.

Ten programs on the Museum given as chapter programs. All reporting chapter chairmen had brought the importance of the Museum to the attention of their members.

Georgia made four contributions to the Museum collection that were accepted. At the present time two more articles are at the Museum awaiting their approval. The accepted gifts were: From the Joseph Habersham Chapter—a wooden rolling pin, donated by Mrs. H. G. Womack and Mrs. Otis Clark, was placed in the Oklahoma Kitchen; Mr. and Mrs. Logan Bleckley, Jr., donated "A New Family Prayer Book" by James Cookson. JUNIOR AMERICAN CITIZENS

Mrs. B. Carroll Berry, Jr.

There is a Junior American Citizens membership in Georgia of 52,328, organized into 1,606 clubs. These clubs are sponsored by 11 active chapter charmen, although there are 30 JAC chapter chairmen in the state.

Baron DeKalb Chapter is first with 49,489 in 1,523 clubs, second is Nancy Hart Chapter with 1,576 in 43 clubs, and third is Cherokee Chapter with 649 in 17 clubs. Next Stephen Heard Chapter, 236 in 9 clubs; John Floyd Chapter, 161 in 6 clubs; Benjamin Hawkins Chapter, 60 in 2 clubs; Capt. Thomas Cobb Chapter, 54 in 2 clubs; Metter Chapter, 35 in 1 club; LaGrange Chapter, 30 in 1 club; Button Gwinnett Chapter, 29 in 1 club; Joseph Habersham Chapter, 9 in 1 club. Cherokee, Captain Thomas Cobb, Metter, and Button Gwinnett chapters all started their work this year and have shown interest and enthusiasm.

Last year (1963) Georgia won four national prizes—third prize for state with most JAC members and third prize for state with most JAC clubs, both \$1.00; second prize Baron DeKalb Chapter for sponsoring most JAC members, \$2.00; and first prize Baron DeKalb Chapter for most new JAC clubs, \$5.00. We would love to see this sort of reward for comparable activity in all the chapters sponsoring JAC clubs.

Baron DeKalb Chapter won for Georgia two first prizes, one second prize, three third prizes and seven honorable mentions in the National JAC contest competition.

JUNIOR MEMBERSHIP

Miss Florence Crook

Fifty of Georgia's 92 DAR chapters reported a Junior membership of 448, of which 84 are new members. One Junior member serves as a State Officer, four as State Committee Chairmen, one as a Chapter Regent, nine as other Chapter Officers, and 26 as Chairmen of Chapter Committees. Again, this year, Junior groups report that they are most interested in National Defense, though they study all phases of the National Society's program.

The State Chairman's award for the greatest increase in Junior membership goes to the Cherokee Chapter of Atlanta, who had 21 new Juniors join the chapter this year. The award to the Junior Committee whose report shows the most outstanding work on the local level, goes to the Cherokee Chapter Junior Committee.

The second "Outstanding Junior DAR" Contest was held this year. Only three properly filled out and properly endorsed applications were received—this is most important, as no exception to the published rules and regulations of the contest could be made. The three properly completed application forms were turned over to the three non-DAR judges to be judged. The Georgia contest judges were a Judge of the Superior Court, a Judge of the Court of Appeals, and the Chief Psychologist of a University Medical School. The Georgia Outstanding Junior DAR—1964 is Mrs. William G. Sewell, member of the Cherokee Chapter. Mrs. Sewell was also judged Southeastern Division winner.

LINEAGE RESEARCH

Mrs. James E. Crouse

Of the 92 chapters in the state, 21 appointed a chairman for Lineage Research. In many chapters the work was done by the Regent or Registrar. I had requests for information or assistance from 31 chapters and have assisted them to the best of my ability by answering promptly, sending their material to the National Vice Chairman immediately, and notifying chapters when receiving their material and any help received from the National Committee. I am certain that five new members have been received through the efforts of this committee. Six papers are in the hands of the National Vice Chairman of the National Committee. Other new members may have been secured but I am not always notified by the chapter Registrars when they complete papers on which this committee has worked.

It has been a joy to work with the chapters on this interesting and necessary committee, and my privilege to serve the Georgia Society in this small way.

MOTION PICTURES

Mrs. Maurice A. Cameron

Your State Chairman has stressed the use of the Motion Picture Committee news page in DAR Magazine by Mrs. Wilson D. McKerrow, National Chairman. It was an honor and pleasure to be invited to assist our National Chairman as a hostess at the annual Motion Picture Breakfast at the Mayflower Hotel during our Continental Congress, and she was pleased to count several Georgia Daughters who were present. Your Chairman furnished 300 favors for the Breakfast, compliments of Stuckey Candy Company of Eastman, Ga. State Chairman attended State Conference, National Congress, two District meetings and the Fall Board meeting.

Letters of information were mailed to all Regents and Chairmen, and interesting reports received. One chapter reported that copies of pamphlets from the Motion Picture Industrial Council had been secured for its members, giving the rating on their desirability for showing to adults and to children. This pamphlet also cited the DAR for their award on HOW THE WEST WAS WON. By vote mailed to Chairman, by the chapters on the best children's film, INCREDIBLE JOURNEY was first choice, and LAWRENCE OF ARABIA was selected as the best historical picture.

The subjects were varied, and several programs were given by military officers, showing the preparedness of our armed forces and their part in the nation's defense. Several programs were presented by travelers in Russia, and one was given by the wife of a Cuban refugee physician, all giving information on conditions and their effect on the United States. Sixty-one chapters devoted at least five minutes, 33 more time, some averaging between 10 and 20 minutes to the presentation of National Defense News. The 1963 Resolutions were discussed by 51 chapters.

In many instances DAR material was given to editors and ministers, and placed in the offices of physicians. One small chapter bought and distributed about \$10.00 worth of material. Two hundred and sixty-seven Good Citizenship medals were presented by 33 chapters, all with excellent newspaper publicity. Baron DeKalb Chapter gave the largest number, 70; Joseph Habersham, 50; Captain Thomas Cobb, 18; and Andrew Houser, 15. Several chapters with small memberships gave as many as six.

PROGRAM

Mrs. Hugh Peterson

The Program Committee prepared programs for DAR chapter meetings using the National Theme of, "Be Strong and of a Good Courage"—Deuteronomy XXXI. The response from the chapter chairmen, and the reports have been splendid. Reports have been received from 74 chapters. Programs presented and considered by the chairman, to be the most outstanding of the year, were ones stressing National Defense, Good Citizenship, DAR Schools, Flag Day, American Indians, Resolutions, Constitution Week, Meadow Garden, Conservation, American Music, Antique Shows, Heirloom Teas, and DAR Magazine. Papers were presented by prominent citizens of the State and Community, as well as by members of the chapter. Outstanding Manuscripts were: "Our Nation Under God," "DAR Story," "Four Houses Not for Sale," and "Battle of Horse-Shoe Bend." The National Theme was stressed in the programs by the chapters.

Forty-one chapters reported having invited a State DAR officer, or State Chairman to be guest speaker. The objects of the Society were kept before the members and carried out in the following way: By having speakers who seek to interest our youth, by using historical material in programs; using genealogical and lineage records in DAR research; by acquainting members with DAR Schools; by studying the Constitution; one chapter following the pattern set by the President General to use Biblical quotations as program theme, combined patriotic theme with Biblical quotations each month in programs. Forty-four books were received by the State Chairman. These books are the result of much thought, interest, and work. They show ingenuity, artistry, and originality in size, shape, and contents.

It is with gratitude to the chapters for these fine reports that the following awards are made: To the chapter sending in the most complete and interesting Yearbook, \$5.00 is presented to the Elijah Clarke Chapter, with honorable mention to Augusta Chapter, George Walton Chapter, Hawkinsville Chapter, General James Jackson Chapter, William Marsh Chapter, Toccoa Chapter, and the

Sixty-eight chapter reported. There were 18,620 inches of publicity, including pictures—an increase of 3,886 inches over last year. This publicity appeared in 213 newspapers in the State, DAR Magazine and other publications not identified in the questionnaire. There were 85 hours, 73 minutes given by 66 stations for radio programs; 1 hour, 39 minutes and eight stations reported for TV. Mrs. C. B. Morgan, co-chairman, reports for Radio and Television. It has been an education as well as a pleasure to serve on this committee which encompasses the work of all committees of NSDAR, and brings the accomplishments of the DAR to the reading public. Edna DeLamar Kendrick Endowment

Scholarship Fund at Berry College \$12,138.43

Several colleges have loan funds. However, due to high rate of interest, students prefer to borrow from the U. S. National Defense Loan Fund. Much of the surplus money has been converted into bonds.

Substantial amounts have been contributed to the various approved schools by other chapters as outright gifts. This generosity comes from fine, patriotic women who realize the importance of training Georgia's young people for the future.

TRANSPORTATION

Mrs. Arthur E. Mallory

Majority of chapters reported transportation provided for members attending monthly DAR meetings. Georgia Daughters representing 63 societies attended the six District meetings numbered 548; at State Conference 304 were present; and at Continental Congress about 70 made the trip. Transportation was by car, plane, and train. Cherokee Chapter originated a Georgia DAR railroad car to Continental Congress in April, 1963. Letters, courtesy of Southern Railroad, quoting time and rates were distributed to chapters. This trip was most successful. Historical pilgrimages and trips to DAR Schools were as follows:

Abraham Baldwin Chapter to Thornton House, one; Atlanta Chapter special chartered bus, two; Baron DeKalb three trips to Stone Mountain, one to Etowah Mounds and one to Captain Ross' home at Rossville, five; Joseph Habersham Chapter chartered bus to Tamassee DAR School, one; Nathaniel Macon chapter tour of Meadow Garden, one; Metter Chapter to Eagle Rock and tour of Burke County, two; Roanoke Chapter placed a marker on grave of Organizing Regent, one; Stephen Heard Chapter sponsored twice, 50 school children on two tours of historical spots in Elberton and Elbert County, two; Thronateeska Chapter trip to Kolomkie Park at Blakely and Indians Mounds—artifacts, one; Vidalia Chapter with 33 members made a trip to Savannah and with 31 members to Milledgeville, two. Five chapters held transportation and safety programs with speakers while many chapters had part time programs. Cooperating with local police, sheriff, and highway patrol were 2 chapters. Button Gwinnett Chapter had TV programs; General Daniel Stewart assisted a group of girls interested in safety. They wrote essays and several made talks to local organizations. Altamaha Chapter sponsored safety programs at schools especially in areas of safety zones for children. Patrol programs and lectures were presented. Baron DeKalb Chapter kept a complete monthly file on transportation and aided local authorities. It has been a joy and pleasure to serve the Georgia Society and the State Regent as a State Chairman.

CONSTITUTION WEEK

Mrs. Sam Fine

Constitution Week observance this year has been gratifying and disappointing. Several chapters had outstanding programs, with excellent publicity through newspapers, television and radio. Several chapters had special programs with capable and well informed speakers. In August letters were mailed to 91 Regents and to as

many Chairmen as had been reported to me. These letters had enclosed suggestions from the National Chairman, list of material available and forms for making reports. Fifty-eight chapters reported. Proclamations were issued by the Governor and 55 Mayors in Georgia cities. Forty-five chapters reported interviews and programs on TV and 23 reported same on radio. Forty-five chapters reported spot announcements on radio during "Constitution Week." Several chapters reported that the recording, "The Living Constitution" was used in schools during the week. Three recordings were given to schools. Twelve chapters reported a total of 340 small flags presented to classrooms. Several large flags were presented with special ceremonies.

State Standing Committees

AMERICAN MERCHANT MARINE LIBRARY

Mrs. P. I. Dixon

No words of the Chairman of the American Merchant Marine Library could better express thanks to the Georgia Daughters of the NSDAR than to quote a letter from Mrs. George Emlen Roosevelt, Chairman of the Board of the American Merchant Marine Library Association, as follows: "Your welcome gift is gratefully acknowledged." "In sending your formal receipt, may we tell you that it is only through the generosity of friends like yourself that we can maintain our eight port offices to provide library service for over 40,000 men who go to sea. On behalf of them, may we say 'Thank You.'"

Many chapters sent books and magazines to the Director at New Orleans and many contributed money through the State Treasurer. The sum of \$51.50 was sent from Georgia. The Chairman wishes to thank all chapters taking part in this worthy project.

COLLECTING AND PUBLISHING HISTORIES OF GEORGIA REVOLUTIONARY SOLDIERS

Mrs. Harry M. Dixon

Thirty-three histories of Georgia Revolutionary Soldiers were received this year from the following chapters: Benjamin Hawkins, Baron DeKalb, John Benson, Elizabeth Marlow and Fort Frederica, with three chapters reporting no histories written.

Chapters began sending in histories immediately after my circular letter was mailed in September. The General Floyd gavel is presented to the Elizabeth Marlow Chapter, for sending in the first history of a Revolutionary Soldier. The cash award was won by the Baron DeKalb Chapter for sending in 20 histories. This is the largest number sent in by any chapter since I have held this chairmanship. Mrs. Daniel Shadburn, who is Chairman, doubled the number sent in last year. It is a pleasure to present the award to her for this exceptional work.

COOPERATIVE RELATIONS BETWEEN DAR AND SAR

Mrs. George W. Kirkland

For me, the past two years as your State Chairman, has been a happy and rewarding experience. My hearty congratulations to Chapter Regents and Chairmen for their cooperation and support. Their efforts have accomplished much toward promotion of Co-operative Relations Between DAR and SAR. Honorable mention to General Daniel Stewart Chapter for their excellent work. To Baron DeKalb Chapter, along with my congratulations, my \$5.00 award for their outstanding achievements and unique presentation of their year's work. My thanks to our charming and capable State Regent for allowing me to serve with her.

DAR BOOKPLATES

Mrs. Frank F. Faulk

Since having 1,000 DAR Bookplates engraved in May, 1963, we have sold a total of 400 and sent \$12 to the State Treasurer. This leaves a good supply of bookplates on hand, which are available for three cents each upon request. It has been a pleasure to serve as State Chairman and we are grateful to those who purchased bookplates.

EDNA DeLAMAR KENDRICK ENDOWMENT SCHOLARSHIP

FUND FOR BERRY COLLEGE

Mrs. Harold J. Brewer

I wish to express my pleasure in serving the Georgia Society, DAR, these past two years as the Chairman of this special committee and my sincere appreciation to the chapters for their enthusiastic response to the request for funds to establish the Edna DeLamar Kendrick Endowment Scholarship Fund at Berry College. Every chapter had a part in this project honoring the State Regent.

At the Sixty-sixth Annual State Conference a check in the amount of \$12,618.43 was presented to Dr. Thomas Gandy, Vice President of Berry College. From this total there will be deducted \$480.00 to enable a student from Tamassee DAR School to use this scholarship in the fall of 1964. The remaining \$12,138.43 will establish the Edna DeLamar Kendrick Endowment Scholarship Fund. Attached is the agreement between the Georgia State Society, NSDAR, and Berry College for administering the scholarship for use by a student of either Kate Duncan Smith or Tamassee DAR Schools.

FINANCE COMMITTEE

Mrs. R. Hugh Reid

On September 10, 1963, all members of the Finance Committee were present for the meeting in Vidalia. A budget for the State Dues Fund was prepared by the committee for presentation to the State Board of Management meeting in Macon in October for the period ending February 1, 1964.

The cooperation of all the members of this committee has made serving as Chairman a pleasure. The real work and planning is a credit to our State Society, and the members of this committee only reflect the good judgment and interest of the entire membership.

See page 200 for budget.)

McCALL GENEALOGICAL FUND

Mrs. Jack Ladson, Jr.

The McCall Genealogical Fund has \$1,314.71 in a savings account. The balance in the checking account, which is administered by the State Treasurer, is \$244.39. From this fund a total of \$104.96 has been spent this year on the rebinding of books at the State Department of Archives. The total contributions made to the McCall Genealogical Fund this year, above the per capita from State Dues, is \$12.00. I wish to express sincere appreciation to the Metter Chapter, and to the Vidalia Chapter, whose contribution was given in memory of Margaret Tanner Brice.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. Newton Etheredge

I am sorry that no chapters reported marking Revolutionary Soldiers' graves. I would like to recognize the chapters who reported even though no graves were marked. They are as follows: Col. William Few, Nathaniel Abney, Oliver Morton, and Abraham Baldwin chapters.

MEADOW GARDEN

Mrs. Clifford J. Welton

All repairs and maintenance have been completed during the year. Growing, twisted branches and trees have been permanently destroyed from the cyclone fence.

In spite of Mrs. Huff's fall and absence from August through October, there have been approximately 700 visitors. There has been outstanding publicity in the local papers, as well as in Albany and Macon. The Nathaniel Macon Chapter, along with the publicity and their visit to Meadow Garden, started the Restoration Fund with their contribution. The Vidalia Chapter is recognized for their many avenues of interest and contributions to the new committee, "Patrons of Meadow Garden," honoring Mrs. Hugh Peterson, also to the Memorial Fund and the purchase of plates. It is with regret that the Walton Memorial Fund has been closed by Mildred Walton Boardman (Mrs. Hollis C.). The remaining \$100.00 was presented by her to Mr. and Mrs. Huff for their love, interest, and dedicated care. The money was used for rugs to cover the bare floors of the cottage. A Walton pier mirror has been promised by the McConnell Brothers of Alabama because of the article in DAR Magazine written by Mrs. Buss. The Daisy Graham Stone trophy will be retired to Meadow Garden.

MEDALS AND PRIZES**Mrs. C. H. Leavy**

A majority of the chapters reported, though some coming in were too late for my report to the State Regent. Cash, medals and pins were presented for excellence in American History, for essays on Georgia and American History, Home Economics, Spelling, American Music and Conservation. Prizes were offered in both white and colored schools—in high school and elementary grades. Handsome sabres, spinning wheels and gold thimbles were also awarded.

Newly naturalized citizens were given books, certificates of merit, copies of the U. S. Constitution and Bill of Rights. Total sum reported to me for all purposes was \$1,724.60.

Mrs. C. H. Leavy, member of Brunswick Chapter, was presented a 50-year membership pin and certificate. I regret that some reports were received too late for inclusion in this report, but many thanks to those who made the deadline.

PARLIAMENTARIAN**Mrs. Young Harris Yarbrough**

Your Parliamentarian has attended all meetings of the State Board of Management, Executive Committees and State Conference. She has acted in an advisory capacity in matters of parliamentary procedure when requested to do so.

PATRONS OF MEADOW GARDEN**Mrs. Hugh Peterson**

Patrons of Meadow Garden Committee is in the process of getting organized, and hopes to have an excellent report once it becomes active in the chapters. Many contributions have been given in advance that will be announced later. The first one given was by Mrs. T. Earle Stribling, who was Chaplain General on the National Board when Meadow Garden was released by the National Society to the Georgia Society. An award of \$5.00 is presented to the Baron DeKalb Chapter for an outstanding chapter program on Meadow Garden, and the interesting and attractive way the report was presented to the State Chairman.

PROCEEDINGS

Mrs. T. Earle Stribling

May 14 was the date of the Proceedings Committee at the Atlanta Athletic Club with the Chairman as hostess. Present were the following members of the committee: Mrs. Thomas K. Kendrick, Mrs. Henry A. Ironside, Mrs. William C. Robinson, Mrs. Claude E. Fitts, Mrs. Joseph B. Pate, Mrs. Mark Mote, and Mrs. T. Earle Stribling. Special guests were Mrs. Benjamin I. Thornton, State Regent, and Mrs. Frank J. Campbell, State Recording Secretary. The minutes of the Spring Board of Management meeting and the closing session of Conference were read by Mrs. Claude E. Fitts and approved. The contract for printing was again awarded to The McGregor Company, Athens. The quotation of \$5.15 per page, \$12.36 for each single picture for 600 copies was accepted. The committee recommended an additional 100 copies be secured as the mailing list has grown until the usual 500 is not sufficient, especially is this desirable when the cost for the larger number is so nominal.

Pictures to be included in the book are those of Mrs. Thomas K. Kendrick, State Regent; Mrs. Julius Y. Talmadge, Honorary President General; Mrs. Henry A. Ironside, Honorary Vice President General; Mrs. Samuel M. Merritt, Vice President General, and a group picture of the newly-elected state officers. Preceding the In Memoriam will be a picture of the Dean of Honorary State Regents, Mrs. James A. Rounsaville, who died soon after State Conference. There will be a picture to accompany the report of the Edna DeLamar Kendrick Endowment Scholarship Fund showing the State Regent and the Chairman presenting this check to Dr. Thomas Gandy, Vice President of Berry College. The agreement governing the administration of the scholarship will be printed this one time.

The mailing list remains the same avoiding duplication: five copies to the State Regent; five copies to the State Recording Secretary; three copies to each Chapter Regent; one copy to each State Officer, State Chairman of National and State Standing Committees, National Chairmen and Vice Chairmen within the State, Honorary State Regents, each member of the Proceedings Committee, President of the State Officers' Club, Secretary of the State Officers' Club, President of the Chapter Regents' Club, members of the National Board of Management, State President and Senior State President of the CAR, Senior Presidents of the CAR Societies in Georgia, National Headquarters of the CAR, State President of the SAR, National Headquarters of the SAR, NSDAR Library in Washington, State Department of Archives and History, the State Librarian, 301 Judicial Building, 40 Capitol Square, Atlanta 3, and the Library Extension Service, 92 Mitchell Street, S.W., Atlanta 3.

The remaining copies will be sent to the State Recording Secretary to be sold at \$1.00 per copy, 25 cents added for postage. The Chairman expressed her appreciation to the members for their presence and valuable contribution in compiling the book of proceedings. A vote of thanks goes to the Recording Secretary for her diligence in securing the reports and lists of officers from the chapters. It is the opinion of the Chairman that steps should be taken to require officer elections in the chapters not later than April to enable the list to reach the State Regent and Recording Secretary by May 1. The meeting was adjourned by three o'clock.

PROCESSIONALS OF STATE CONFERENCE

Mrs. J. Mark Mote

I used to doubt the truthfulness of people who said a Chairman has no work to do; that the mark of leadership is the ability to get one's committee members to do the job. Through six consecutive years as Chairman of the Processionals Committee at State Conference, I have learned that statement is really true. Instead of leadership, however, I can lay claim only to inertia.

Again this year, the credit for the dignity and smoothness of our Processionals, is due to Mrs. Luke Kimball Johnson and to Mrs. Frank Wyatt Manning, Jr. Without them, I could have done nothing. They were tireless, dependable and most patient. My sincere gratitude goes to them.

I also wish to extend my personal thanks to the flag bearers and to the pages. They were not only most efficient, but added so much with their youth and beauty. It was a special privilege for me to be able to serve with our wonderful State Regent, Mrs. Thomas K. Kendrick, and to do my little bit to help make her final State Conference a happy, a lovely, and a successful occasion.

RESOLUTIONS

Mrs. Robert H. Humphrey

The Resolutions Committee of the Georgia State Society of the National Society Daughters of the American Revolution met at the Fall Board of Management meeting in Macon, Georgia, at the Dempsey Hotel on October 24, 1963, at 10:30. Resolutions approved at this meeting were adopted by the State Conference held at Jekyll Island in March, 1964. The Resolutions Committee met again at 10:30 a.m. at the Corsair Hotel on March 17, 1964, and recommended additional resolutions to the State Conference which were adopted. Due to the illness of the Chairman, Mrs. Harold I. Tuthill presided and presented the resolutions.

STATE CONFERENCE

Mrs. Carlyle M. Ward

It was my pleasure to serve as General Chairman of the State Conference. The State Regent, Mrs. Thomas K. Kendrick, left no stone unturned in making complete detail plans and is due the credit for a most successful Conference. My sincere appreciation to Mrs. Frank J. Campbell, Mrs. L. W. Cunningham, and Mrs. Samuel W. Wells for their assistance with credentials, also to Mrs. Henry R. Hoyle, Chairman of tickets, and Mrs. Herman M. Richardson, State Treasurer. I wish to thank the three host chapters, Brunswick, St. Andrews Parish, Fort Frederica, and their Regents for their splendid cooperation.

With a membership of 44, four new members, Abraham Baldwin Chapter has enjoyed a most stimulating and informative year's work. Programs have stressed the theme "Be Strong and of a Good Courage." PROGRAM, 1964-1965

The theme for the coming year completes the trilogy chosen by the President General. It should inspire good program planning.

You can help to increase attendance at chapter meetings by presenting interesting programs. By stressing the full DAR story, the objectives of our Society—historic, educational, and patriotic—you will kindle enthusiasm and the result will be an interested membership.

Use talented members in planning programs as well as the papers and slides listed in the Program Catalogue which may be ordered from the National office. Copies of papers and slides suggested in this catalogue may be rented from the Program office.

Always allot time for a National Defense report and the reading of the President General's message. Invite your State Regent to address your chapter during her administration as well as other officers and chairmen.

Mrs. Samuel M Merritt, having just arrived, was presented as Georgia's Vice President General.

The President introduced Mrs. Vernon Holt, the only one of the three hostess regents who was present. She then asked Mrs.

Wallace Harris, Historian, to read the highlights from the history she had prepared so that our guests also might hear it.

Mrs. Robinson then expressed the pleasure of the Club in having these distinguished guests present, and extended them the courtesy of retiring before the business session.

After the meeting was called to order, the Chaplain, Mrs. Waite, conducted a Memorial Service for a deceased member, Bess Peacock (Wilkins) Cooper, Mrs. H. M., who died in Birmingham, Alabama, on September 8, 1963.

On the motion of Mrs. Stribling, the minutes of the annual meeting of March 14, 1963, were not read as they will be published in the Proceedings.

The Treasurer, Mrs. Joseph B. Humphrey, and Third Vice President, Mrs. Talbot B. Chandler, were unable to be present.

There was no old business to be transacted, but under new business, Mrs. Tuthill read two recommendations from the Executive Committee which met the evening of March 16: First, that \$100.00 be taken from the checking account of the State Officers' Club and placed in the savings account to be added to the fund established for a gift to Meadow Garden; and second, that this sum be given in honor of the first President of the Club, Mrs. Julius Y. Talmadge. Unanimously adopted.

The newly-elected officers were installed by the retiring President.
