The State Regent received word that the Georgia Society was eligible to receive a \$10,000.00 grant in matching funds for further restoration of Meadow Garden. This opportunity came to the Society through the City of Augusta from the State Dept. of Natural Resources and Ga. Heritage Trust. The Society secured the services of Mr. Stan Woodhurst of Woodhurst and O'Brien, Architects, in Augusta, as architect and "project manager". He in turn secured Mobley Construction Company of Augusta as contractors with Mr. Newt Goldman, Vice-President, as contractor in charge of the State Society's work. On August 9, the Meadow Garden Board met in Augusta with these gentlemen and representatives from the Dept. of Natural Resources and others. On August 26, the State Regent received official notification that the application for this grant had been approved. A contract with Mobley Construction Company was signed on September 26, 1978. At present, the work at Meadow Garden is going along fine. Meadow Garden, through the Meadow Garden Board, has been asked by Historic Augusta, Inc. to become a part of their regular tours beginning in January, 1979. Mrs. Lester Furman has been appointed chairman of the Docents Committee.

RESOLUTIONS ADOPTED

81st STATE CONFERENCE

MARCH 15, 1979

ATLANTA, GEORGIA

PROPOSED CONSTITUTIONAL AMENDMENT GIVING THE DISTRICT OF COLUMBIA STATE STATUS

WHEREAS: A proposed Constitutional Amendment for purposes of District of Columbia representation in both houses of Congress is being presented to the States for ratification within seven years, and

WHEREAS the Constitution of the United States of America provides that "the Congress shall exercise exclusive legislation over such district — as may be the seat of Government—", and

WHEREAS the Congress has instituted a mayor-council form of government in the District of Columbia with three electoral votes in the presiden-

tial elections and a non-voting delegate in the House of Representatives who sits and votes in Committees; and

WHEREAS the proposed amendment if adopted by three-fourths of the State would actually (1) grant special privileges and power to the Federal City mayor-council form of government as though it were a State Legislature, (2) would give unwarranted power to the resident Federal bureaucracy whose dominant activity is the daily business of the Federal Government and (3) would further violate the Federal principle by granting the relatively small Federal City two senators as well as a representative, whose salaries would come from the general taxpayers, in addition to the millions of dollars already supporting this crime-ridden city;

RESOLVED: That the Georgia State Society, Daughters of the American Revolution, alert its members to this attempt to override protective constitutional law, and urge defense of federal principles, believing that the success or failure of representative government depends upon the maintenance and integrity of the Constitution of the United States of America.

CAPITAL INVESTMENT FUND

WHEREAS: Meadow Garden, home of George Walton, Signer of the Declaration of Independence from Georgia, is an historic site of importance to the State of Georgia as it is the only home of a Signer now extant in this State; and

WHEREAS: the said property is owned, maintained and operated by the Georgia State Society, NSDAR; and

WHEREAS: This is the only State Society owning a home of a Signer of the Declaration of Independence;

RESOLVED: That a Capital Investment Fund for Meadow Garden be established, this fund to be financed by donations from individuals, chapters, and, at the discretion of the State Regent, by a requirement on the State Honor Roll;

RESOLVED: That, at the end of each administration, after all bills are paid and all designated funds established, 50% of any surplus monies will be deposited in this fund, with the remaining 50% of surplus monies deposited to the General Savings Account of the Georgia State Society, NSDAR, until such time as \$100,000.00 is accumulated in the Capital Investment Fund; and

RESOLVED: That interest from this fund shall be applied to the principal until a balance of \$50,000.00 is reached, at which time the interest may be used for the maintenance and care of the property known as Meadow Garden. No principal may be used until the amount in the Fund reaches a total of \$75,000.00, at which time, if the need arises and/or the opportunity is given for matching grants, up to \$20,000.00 may be borrowed from the Fund, without interest, for major repairs or to match a grant for such repairs. This money shall be repaid to said Fund as speedily as possible. These transactions must be approved by the Finance Committee.

RESOLVED: That all monies given for the Capital Investment Fund be

placed in an interest bearing account at any Federally insured financial institution where the rate of interest will be greatest. Should the time come that the property known as Meadow Garden is no longer owned by the Georgia State Society, NSDAR, the monies accumulated in said Fund will revert to the General Fund of the Georgia State Society, the disposition of which will be decided by the membership at the next annual State Conference.

COURTESY RESOLUTIONS

Reports of State Officers

STATE REGENT

Mrs. Jonathan W. Fox

This state officer cannot begin to tell you how wonderful, exciting, encouraging and incredibly busy she has been since her installation as your state regent last April. In excess of 600 letters and cards have been written plus 4 mailings to the State Board of Management. 3 National Boards of Management, 2 State Regents meetings and several official dinners have been attended. Your state regent was a member of the National DAR Schools Tour which cover 2500 miles and visited 5 schools. She was privileged to rededicate the lobby of the Smith-Mettetal Building at Tamassee in honor of Mrs. Louis Joseph Bahin and to act as hostess while the Tour was at Berry. She appreciates the state officers and members who assisted her there. The time in Rome was one of the loveliest stops on the Tour. Our entire Society is deeply appreciative to the ladies of Xavier Chapter who acted as hostesses at Oak Hill and served delightful refreshments to our visitors. Our special thanks also to Dr. Inez Henry who personally conducted the tour through the campus; to Dr. Bertrand, president of Berry, and Mrs. Ralph Farmer, Director of the Museum, who along with Dr. Henry arranged this entire wonderful day and delicious luncheon.

Your state regent has also attended 2 Board meetings at Tamassee and 1 at Kate Duncan Smith. Plus Founders Day and Dedication Day at the respective schools.

Within the state, this officer has attended the 4 District Workshops in August which were so beautifully arranged by Miss Jessie Mize, Coordinator of Districts, the 4 District Directors and the hostess chapters. These meetings were most gratifying because of the response of our members in attending, the efforts of our officers and chairmen in "teaching" the work of DAR, the smoothness of the sessions due to Miss Mize and our directors and the wonderful friendship and hospitality shown by our hostess chapters. In October this officer presided over the Fall Board of Management meeting in Griffin. She has met with Mrs. McBride, hostess regent for this state conference, and with Mrs. Fowler, Sales Manager of the Century Center Hotel twice. She has met with the Meadow Garden Board 4 times, once in Augusta, and has made 3 other trips to Augusta to confer with Mr. Stan Woodhurst, architect, and to view the progress of the work at Meadow Garden. A complete report on this restoration was given at the Fall Board meeting. It is with a tremendous amount of pleasure and with pride in every one of you, our Georgia Daughters, that we can announce today that this work of restoration has been 99% completed and paid for! Speaking as the Chairman of the Board of Trustees for Meadow Garden, your response to this major project has been overwhelming and my gratitude to you is truly deep.. words will never express how much you have touched my heart with your cooperation.

Your state regent also wishes to thank our District Directors for their efforts in arranging her visits to the chapters in their districts. Mrs. Radford, Mrs. Blackstock, Mrs. Ennis and Mrs. Duskin worked with the chapters to install this new method of visitation and then each accompanied me while

in their districts. Due to their efforts and the marvelous cooperation of the chapters, your state regent has visited and spoken to 73 chapters since April. Each visit was unique and each one was very interesting. Once again, my heartfelt thanks to all of you who made these visits possible and who responded so beautifully to this new method. It is with much pleasure that my time with each of you is remembered and with pleasure that we look forward to visiting the remainder of our chapters next year. More chapters than 73 were represented at these meetings but in several cases because of distance only a few members could be present. We hope to visit those chapters personally next year.

This officer has had the privilege of bestowing 1 Medal of Honor, being a guest at another presentation; presenting several Good Citizens awards; participating in the wreath-laying ceremony at the Bicentennial of the Battle of Kettle Creek. She has been a guest at the State Conference of the Georgia Society, C.A.R. where she received the Endorsement Pin, at Jekyll Island, the State Conferences of the Alabama State Society and the Tennessee State Society and looks forward to attending the Florida State Conference next week. She was pleased to join the Librarian General and her guests, including the President General, for the luncheon given by the Brunswick, Earl of Camden and Fort Frederica Chapters. She has had the privilege of installing the officers for several chapters. She has met 4 times with the Executive Committee, 3 times with the Finance Committee, twice with the Resolutions Committee, once with the Proceedings Committee, once with the Coordinator of Districts and the District Directors. This officer attended the first meeting of the organizing chapter in Albany along with Mrs. DeLamar, First Vice Regent, and Mrs. Leitch, State Organizing Secretary.

Our members have been most gracious in entertaining this officer and having her as a house guest as she has traveled over the state. The 2 chapters in Dawson honored her with a beautiful tea in May which began her tenure of office on such a happy note and the spirit which was shown there has continued throughout this year and been reinforced by every member she has met. Through her letters, the workshops, fall meeting and chapter visits this officer has tried to keep our members fully informed of the work of every facet of DAR. The reports she has received show an increased knowledge of and interest in this work. Sincere thankfulness is given to each officer, each chairman, each regent, and each member for their work, their cooperation, their devotion to DAR which has made the work of this officer so enjoyable. *Together*, we have had a very good year. Thank you.

CERTIFIED PUBLIC ACCOUNTANT'S OPINION

Mrs. A. C. Earl Shepherd, Treasurer
Daughters of the American Revolution
Georgia Society
Stone Mountain, Georgia

I have examined the Balance Sheet of the Daughters of the American Revolution - Georgia Society as of May 31, 1979, and the related Statements of Cash Receipts and Disbursements and Fund Balance for the year then ended. My examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the above cited financial statements present fairly the assets and liabilities of the Daughters of the American Revolution - Georgia Society as of May 31, 1979, arising from cash transactions, and the revenues collected and expenditures made during the year then ended, on a basis consistent with that of the preceding year.

STATE ORGANIZING SECRETARY

Mrs. James J. Leitch

It is a great pleasure to report that an Organizing Regent for a Secondary Chapter in Albany was approved by the National Board of Management, December 13, 1978. The Organizing Regent is Mrs. Richard (Carolyn Brinson) Barbree. The chapter, being organized especially to accommodate business and professional women, will hold the majority of its meetings in the evening. In January, 1979, the State Regent, First Vice-Regent, and Organizing Secretary met with Mrs. Barbree and several prospective members for the purpose of discussing methods of organization, as well as, the general aims and goals of DAR. An enthusiastic group of fifteen met in February and a workshop meeting is planned for March.

In other areas of the state efforts have been made to stimulate interest in forming new chapters. Letters of encouragement and information concerning organization have been sent to Members-at-Large in Dalton, Folkston, Albany, Atlanta, Roswell, Macon, and Colquitt. Following the suggestion of Mrs. Coray Henry Miller, Organizing Secretary General, NSDAR, a map of Georgia indicating the location of all DAR chapters was displayed at the Fall Board. The map has been helpful in determining areas that might offer opportunities for new chapters. The number of chapters in Georgia now stands at 102.

I appreciate the enthusiastic support of the State Regent, First Vice-Regent, Registrar and numerous other Georgia Daughters in this important work of strengthening and expanding the Georgia State Society.

These printouts give your Registrar up-to-date addresses for the membership and are being used to verify the active membership files of the State Society.

For the 14th consecutive year, your State Society has shown a net increase in membership. though small this year, we look for even greater increases in the year to come.

It has been a pleasure to serve you, Madam State Regent, and the State Society as your Registrar.

NSDAR MAGAZINE ADVERTISING

Mrs. John Singleton

THEME: "MORE COMMERCIAL ADS FROM GREATER INDUSTRIAL GEORGIA"

Georgia State Society submitted \$6,735.00 for magazine advertising, of which \$2,100.00 were commercial ads. Eighty Georgia chapters met the Magazine Advertising Honor Roll requirement.

A page in loving memory of Annie Turner Hightower Ironside was in the October 1978 issue and a memorial for Mrs. Ober D. Warthen will be in the next Georgia issue. Also, pages honoring our State Regent, our State Officers, and State Chairmen are being prepared for August-September Georgia issue, 1979.

Georgia believes that our ads should carry out our Historical, Patriotic, and Educational ideals and can at the same time be financed by our local businesses in the community.

Georgia's advertisements have brought forth a very good financial report and too, they are interesting to read.

The State Chairman congratulates all chapters who worked hard in presenting good reports.

Deadline for sending ads to the Magazine Advertising Committee is June 1 to make the Georgia issue, August, September, and July 1 for the October combine issue.

Minimum advertisement requirements for Honor Roll is \$15.00. Please let's be 100% next year.

Let's show how great "Industrial Georgia" can be!

My sincere thanks to all the chapters who have made this outstanding report possible and thank you, Madame State Regent, for the opportunity to serve as Magazine Advertising Chairman.

JUNIOR MEMBERSHIP

Mrs. Wade E. Brown

Georgia Juniors have had an exciting and rewarding year. As tallied from the 75 reporting chapters, we have 541 Juniors with 68 new Juniors. Positions held by Juniors in the State include 1 State Officer, 3 State Chairmen, 2 State Vice Chairmen, 9 Chapter Regents, 21 Chapter Officers and 78 Chapter Chairmen. Work for the Helen Pouch Memorial Fund has been very good with profits and contributions totaling \$1017.19. For a two-year State project, Juniors are working on beautifully designed handmade squares for the Junior Quilt to be offered at State Conference in 1980 as a fund raising project. A State Junior Scrapbook to cover a two year period was begun this year with Juniors State-wide sending material to represent their chapter activities. The Scrapbook was placed on display at State Conference this year and will be displayed again next year. Gladys Rose Shuman, who is a member of the Vidalia Chapter and is presently serving the State Society as Curator, is Georgia's Outstanding Junior Member for 1979.

LINEAGE RESEARCH

Mrs. Gerald G. Fling

At the District Workshops, each regent was given a letter for her Chapter Lineage Research Chairman, with information on how this Committee functions and specific questions about the chapter's participation. The response to the questions show that 84 prospective members were assisted with 8 becoming members in Georgia. There were 11 chapters assisting each other and 7 out of state chapters assisted. 18 C.A.R. prospects and 10 S.A.R. prospects were assisted to become members of their respective organizations. 5 programs on Lineage Research were reported.

Your State Lineage Research Chairman gave programs on Lineage Research to 2 chapters: Birdsville and Lachlan McIntosh. She completely retyped the listing of County Volunteer Researchers for the National Lineage Research Chairman. Your State Chairman taught a course on Genealogy at Armstrong State College, and appeared on TV, publicizing both the course and the DAR State Lineage Research Committee. Your Chairman conducted an all day Genealogical Workshop, in June, for the Pace Society of America. She assists in a History class, for majors in that field, showing genealogical methods, also at Armstrong State College.

It is a rare privilege to work with this Committee and know the benefits it holds for our Georgia DAR Society.

MEMBERSHIP

Mrs. James Joseph Muldrow

One hundred and two Georgia chapters have a membership of 7,752. 288 new members were admitted; 80 of these being juniors. 42 former members have been reinstated and 27 have transferred into the State. 114 members have resigned; 45 have been dropped for non-payment of dues; 34 have transferred from the State and 143 have died.

Fifty-five chapters showed an increase in membership while 38 showed a decrease and 9 chapters remained the same.

Chapters received a favorable response to membership packets distributed during the District Meetings. These packets are planned for once in each National Administration and, it is hoped, will make membership growth increase.

The National Chairman's award for greatest percentage gain in new members by application goes to John Laurens Chapter, Mrs. E.B. Claxton, Jr., Regent, with 19%.

Madam Regent, it has been a real pleasure to serve you and the Georgia State Society in this capacity and I look forward to the year to come.

MEMBERSHIP COMMISSION

Mrs. E. Lee Stephenson

This chairman attended District Workshop, Fall Board of Management, and State Conference. Letters were distributed by District Directors through Dr. Mize's cooperation, whose help is invaluable. Letters were written to members dropped for non-payment of dues. Several were reinstated, and one transferred to chapter after reinstatement. Resigned members were less agreeable to reinstatement. Assisted C.A.R.s in transferring to DAR, and helped with research and filling out application papers. One class was taught to an Honors Class in Middle School, at their request, on methods of starting a Family History. Participated in one all-day Seminar at Middle Georgia College also on methods and procedures of starting a Family History. Assisted the Genealogical Department Director of Atlanta Public Library in planning for a Seminar free to the public next fall, at the Atlanta Public Library, also on researching a family history. This chairman still counts transfer and reinstatements as new chapter members for the current year. It was a pleasure to work with the other members of the commission, our State Regent, officers and chairmen, and chapter registrars.

MOTION PICTURE AND TELEVISION

Mrs. J.H. Keels, State Chairman

Letters were written to all chapters in the state with suggestions for clean films and film appreciation. Communicate with sponsors, local theatre managers, motion picture councils, editors of newspapers, music and art instructors, local radio stations, local police asking that they patrol movies for violations of X Rated movies. Write letters of appreciation for good movies and criticism of the undesirable. 33 reports received. First place award to Baron DeKalb, second place to George Walton.

NATIONAL DEFENSE

Mrs. Leonard G. DeLamar

The work with the National Defense Committee has been most rewarding. The 14 Vice Chairmen working in the 10 Congressional districts have added much to the efficiency of this committee's work. One Defense Alert was sent, received favorably with request for more. Of the 99 chapters reporting 98 had at least 5 minutes of National Defense news at each meeting; 88 giving more time to this when necessary. 94 had a full program on National Defense; 94 discussed the 1978 Resolutions; 45 had material available for schools; 56 to libraries; 69 to interested individuals; number of Good Citizenship medals increased greatly to 378; 53 chapters gave 92 bronze ROTC medals, 11 gold medals, 1 sabre; 57 chapters contributed \$649.00 to Dollars for Defense. There was also an increase in paid subscriptions to the National Defender to 377; It was disappointing that only 760 individuals reported having written their Congressman and Senators regarding legislation and treaties, and that only 3077 reported having voted this year. 1610 members wrote to their State Legislators however, and 15 members hold elective or appointed public offices. ERA and the Panama Canal again led the list of issues of greatest interest, with the National Defense budget and education following close behind.

My grateful appreciation goes to all chapters for the excellent work done this year and to our very efficient State Regent for her advice and guidance.

It was with a feeling of pride that this chairman realized her goal of 100% reporting. Appreciation is extended to the Regents and Honor Roll Chairmen of all 102 chapters for making this possible. Georgia had the distinction of being the only State in the Southeastern Division to attain 100% status. The State Chairman's Award of \$25.00 given to the State Regent's Project for 100% reporting was in turn applied by the State Regent to the Baylies Home Economics Building at Kate Duncan Smith DAR School.

The State Chairman again offers a \$25.00 Award for 100% reporting by Georgia chapters for the coming year which will be designated for the State Regent's Project at Tamasee DAR School.

PRESS BOOK

Mrs. Lucius B. Proctor

102 chapters are represented in the Georgia Press Book, with 25,697.75 column inches, which includes 783 pictures from 177 newspapers and magazines.

The Press clippings show that all phases of DAR work are being carried out each month in Georgia.

The coverage highlights the State Regent's visit to chapters, DAR Good Citizens and Good Citizenship Awards, Constitutional Week, DAR magazine advertising.

The response from chapters has been rewarding, and it has been a pleasure working with Mrs. Fox, our capable State Regent.

Mrs. Ralph E. Farmer

The State Program Chairman received annual reports from 48 chapters. Yearbooks, Supplements and Inserts were received from 58 chapters.

All books were judged at the State level according to the National Rules.

Thirty-eight Yearbooks, Supplements and Inserts meriting Blue ribbons were sent to the National Program Chairman. From among these, the National Chairman award Tri-Color ribbons to 33 Yearbooks and Tri-Color ribbons with Gold Stars to four Supplements and one Insert.

To date, the state chairman has received no report on Certificates for "Theme in Title" and "Costs in Printing" contests.

The Georgia State Society may take pride in its chapters' fine accomplishments in programs, overall content and appearance of Yearbooks, Supplements and Inserts submitted for 1978-79.

All entries were on display at State Conference in Decatur.

Working in this area of DAR activity has been a privilege and an inspiring learning experience. The chairman expresses deep appreciation to Madame Regent for such a challenging opportunity to serve. She also thanks the Daughters for their wonderful helpfulness and cooperation.

PUBLIC RELATIONS

Mrs. Gordon W. Kilgore

In May of 1978 press releases were sent to 40 newspapers in the state listing new officers and chairmen for the Georgia Society. In July press releases were prepared and sent to the district chairmen for their use in publicizing the August workshops. A four page folder was prepared for each chapter and distributed at the district workshops. This gave special instructions for public relations chairmen to help in writing news stories, feature stories and how to tell the "DAR Story". Included also was a list of awards offered and a year-end report form. 21 news releases concerning the Fall Board meeting in October were mailed. I attended the Fall Board meeting and took with me, for each chapter, a prepared special sheet of instructions outlining the correct manner for submitting feature stories. 45 news releases concerning the 81st State Conference were mailed in February of 1979. Was in communication with Mrs. M.A. Risko, public relations chairman of Baron DeKalb Chapter, and most pleased with her preparations for publicity for the 81st State Conference.

58 chapters reported a total of 26,674 inches, 1618 articles and 659 pictures. 12 feature stories were received and the 3 winning articles sent to the southeast district chairman in Jacksonville for judging in the district. 4 articles were mailed to Washington for use on the National bulletin board. I attended the Founders' Day program at Tamassee DAR School in October, 1978, and wrote a feature story for newspaper publication and use on the National bulletin board.

This chairman is pleased with the cooperation of chapter chairmen and various officers and is hoping for even more participation in 1979. My assignment is most interesting and has given me much pleasure.

RADIO AND TELEVISION

Mrs. Frank Pate

The Radio and Television Chairman received sixty-two reports from the 101 NSDAR chapter in Georgia. Twenty-five of these chapters reported having some radio and television coverage in 1978. In addition, twenty-seven reported having only radio coverage. Ten chapters reported that they had no radio and television coverage during the past year.

Some chapters did not report the amount of time they received on TV and radio, but the amount of time coverage received was as follows:

No. of hours Television coverage	155 hours 45 min.
----------------------------------	-------------------

No. of hours Radio coverage

I sincerely appreciate the cooperation of the chapter Radio and Television chairman and the chapter regents.

Augusta Chapter, Augusta, honored their Regent, Mrs. Edward L. Petrowski, with their contribution to the Center.

The chapters reported that more than 100 members have visited the Center, and several reported having obtained copies of the new Center Index.

It has been a pleasure serving as Chairman of this Committee, and I feel confident that interest will continue to grow and participation will increase.

State Standing Committees

COORDINATOR OF DISTRICTS

Jessie J. Mize

The four DAR District Workshops were held in August 1978 as follows: Blakely United Methodist Church, Peter Early Chapter, hostess - August 1; Century Inn, Jonesboro at I-285, Augustin Clayton Chapter, hostess - August 2; Covington First United Methodist Church, Sergeant Newton Chapter, hostess - August 3; Vidalia High School, Vidalia Chapter, hostess, August 4. The hostess chapter made the local arrangements for meeting place, overnight reservations at motels, received money for luncheon reservations, and provided hospitality for the members attending the workshops. The four District Chairmen coordinated the arrangements and assembled letters of information from 28 officers and chairmen. State officers and State Chairmen presented the program in six workshop groups following a brief introductory assembly. The Topics were: 1. Operations, Money, Membership, Mrs. A. C. Earl Shepherd, presiding; 2. Educational Objective and Youth Activities, Mrs. Leonard G. DeLamar, presiding; 3. Historical Objective, Mrs. T. Norvell Ashburn, presiding; 4. Library and Museum, Mrs. Ned L. Shuman, presiding; 5. Public Relations and Image, Mrs. Julius B. Dodd, Jr., presiding; 6. Community Involvement, Mrs. Robert Kenney, presiding. Special topics were completed at the final luncheon session.

Attendance and enthusiasm were excellent. A total of 571 members registered, including 81 Regents. In all, 90 chapters were represented in the workshops.

This State Coordinator expresses appreciation to Mrs. Jonathan W. Fox, State Regent, and to all other persons who contributed to the success of the workshops. In addition, she expresses appreciation for the opportunity to meet with a number of chapters during the past year, as follows: March - Hawkinsville, Colonel William Few; April - Cherokee; May - John Benson, Elijah Clarke; September - Sunbury; October - Colonel John McIntosh, Toccoa; November - Birdsville; January - William McIntosh; February - Thomasville; Tentative plans are underway for holding the 1979 Workshops August 7 - 10, in the four Districts.

NORTHEAST DISTRICT DIRECTOR

Mrs. Charles W. Ennis

The District Workshop was held at the First United Methodist Church in Covington on August 3 with a total registration of 130. Sergeant Newton, Lady Huntington and John Clarke chapters were hostesses for this meeting. Packets of material which had been prepared by state officers and chairmen were distributed to regents attending. Packets were mailed to those regents unable to attend. The morning was divided into 3 work sessions with the regents attending a special first session with Mrs. Jonathan W. Fox, our State Regent, and the District Director. At the conclusion of the work session a delightful luncheon was served in the Fellowship Hall. The state of-

ficers and chairmen were guests of the hostess chapters at the home of Mrs. E. Lee Stephenson for a buffet supper on Wednesday night.

The highlight of the year was scheduling the visits of our State Regent to the chapters in the district and accompanying her during this week. I especially appreciate the cooperation of the chapters in combining meetings with other chapters and the hospitality extended by each.

All twenty-four chapters in the district were contacted and offered assistance and sent information pertaining to the chapter. All requests have been complied with and letters answered.

NORTHWEST DISTRICT DIRECTOR

Mrs. Thad F. Blackstock

Serving as Northwest District Chairman has been a pleasure and privilege. One of the duties of the District Chairman is to coordinate local arrangements for the District meeting. A letter was sent to all regents of the Northwest District urging good attendance at the District meeting and offering assistance whenever needed. The Northwest District meeting was held August 2, 1978 with the Augustin Clayton Chapter, Jonesboro, hosting the meeting. A total of 146 attended. It was a pleasure to work with Coordinator, Dr. Jessie Mize, and the Regent of Augustin Clayton Chapter, Mrs. Patrick A. Hicks. Packets containing information from state officers and state chairmen were distributed to chapter regents.

Another duty of the District Chairman this year was to set up the State Regent's visits to the chapters during one week. In this connection, the District Chairman talked with many of the chapter regents. The Northwest District chapters were visited November 13 - 17. The regents cooperated with the State Regent's wish that several chapters in the same area combine their meetings. This was greatly appreciated. It was a privilege for the District Chairman to accompany the State Regent on her visits to the chapters and a pleasure to meet so many chapter members.

In addition to visiting the chapters with the State Regent, it was a pleasure to visit several chapters who were celebrating special occasions.

The District Chairman attended the District Meeting, the State Board of Management meeting, State Conference, and Continental Congress.

SOUTHEAST DISTRICT DIRECTOR

Mrs. Frank Radford

Twenty-seven of the twenty-eight chapters in the Southeast District were represented at the very successful workshop held in Vidalia on August 4, 1978. We were also happy to have the Hawkinsville Chapter attend our workshop.

The Southeast District also cooperated with the State Regent's request to combine chapters, where possible, for her official visit. Many chapters cheerfully changed their regular meeting dates making the week of September 11 - 14 a memorable one in which a great many chapters were reached in four days. The State Regent and District Director were able to enjoy delightful visits with fourteen chapters. We look forward to our visits next year to the other fourteen chapters in the Southeast District.

SOUTHWEST DISTRICT DIRECTOR

Mrs. Edgar W. Duskin

It has been a most interesting, active and pleasurable year as Southwest District Director. The opportunity to travel with our State Regent and meet with members of 20 chapters was indeed a highlight of the year. I wish to thank all the chapters for the outstanding cooperation in making this week so outstanding and enjoyable. The workshop held August 1, 1978 in Blakely with Peter Early Chapter serving as hostess was well attended and excellently presented. I enjoyed working with Dr. Jessie Mize, Coordinator of Districts, and the capable members of Peter Early Chapter. Each chapter in the district received letters encouraging attendance at the workshop and offering any help wherever possible.

Serving the Georgia State Society has been a privilege and a most rewarding experience.

COLLECTING AND PUBLISHING HISTORIES OF REVOLUTIONARY SOLDIERS

Mrs. Lewis B. Smyth

These histories are of our very own Revolutionary soldiers and patriots, men and women, of which we should be justly proud. By publishing these records, we not only ensure the continuing eligibility of our own descendants, but it is an invaluable aid to those who are researching their own family lines as well as to those who are working on supplementals.

This year 15 chapters contributed a total of 639 pages of histories of their Revolutionary ancestors. These histories, which were submitted in triplicate, are bound in three sets of three volumes each, the originals of which have been placed in the NSDAR Library, Washington, D.C. One set is with the Georgia State Archives and the other with the Washington Memorial Library in Macon.

This has been a most interesting and challenging assignment, Madam Regent, and I do thank you for this opportunity. It has been my pleasure to serve with you and the Georgia Society.

FINANCE

Mrs. Arthur H. Waite

The Finance Committee met May 19, 1978 in the home of the Chairman as required by Section 2, Article VIII, for the purpose of preparing a proposed Budget to be presented to the State Board of Management meeting held in Griffin, October 26, 1978. Copies of this Budget were mailed in the State Regent's letter for study prior to the Fall Board of Management. The State Conference adopted the Budget after the acceptance of the proposed Budget at the Fall Board meeting.

The Finance Committee recommended to the Fall Board of Management and to the State Conference that the annual dues of the members be raised due to the increased cost of operation of the business of the State. The Committee also recommended the allocation of the per capita funds and the establishment of a Meadow Garden Capital Investment Fund.

The Finance Committee met in March 1979 immediately following the State Conference for the purpose of analyzing and preparing a tentative budget for the State Dues Fund for the year 1979-1980.

The sincere thanks of the Chairman go to all of the members of this Committee for their attendance and assistance in carrying out the duties of this most important committee.

GEORGIA ROOM DAR MUSEUM

Mrs. Hugh Peterson, Sr.

Work to complete and furnish the Georgia Period Room DAR Museum is still in progress. By using the Inventory of Peter Tondée's Estate, 1786, efforts are being made to follow the list, and to acquire relics that are similar, or nearly so, to put in the room.

A cream-ware tea-set was given by the Nancy Hart Chapter. Chairs have been located and if they are acceptable, will be put in soon. Other articles are sought.

The Chairman thanks the generous members, and chapters of Georgia who have promoted this historical and interesting record of one of Georgia's most important places of patriotic fervor during the Revolution.

MEADOW GARDEN

Mrs. Luther L. Watson, Chairman

You have to see Meadow Garden to believe it! Since restoration began several years ago, we thought each year that the property looked so much better, but now it's a gem. The double set of steps on the front porch; the fresh coat of paint on the outside; the kitchen and weaving rooms restored (even ceiling whitewash is gone); French drain installed and drainage problems solved. Also no longer is the Caretakers cottage a distraction to Meadow Garden. It's repaired on outside now and painted. All the property is something of which to be proud. All this was made possible by you and the Department of Natural Resources. The DNR offered a matching grant for restoration and you matched it. It would be impossible to list the other things which have been done—from fire detection system and inside shutters down to chimney caps. Three pieces of period furniture and several accessories have been added to enhance the simple beauty of the building. Mrs. and Mrs. John Newman, caretakers, are doing a good job and are happy to have you visit; telephone is listed as Meadow Garden. Meadow Garden is part of the Historic Augusta tour and is open Tuesday thru Saturday from 10:00 to 4:00 PM. Your State Regent has worked tirelessly and you have been so generous to make all this possible. I share your pride in Meadow Garden.

There was a profit of \$468.74 on the "Play Money" Meadow Garden cor-sages and \$26.00 on the "Miss Marge" doll.

The following items were purchased this year: Candle Stand for Best Room, fine oak chest for bedroom, and period Windsor Chair for bedroom for a total of \$1340.00.

Special certificates of recognition go to John Houstoun, Joseph Haber-

sham, Vidalia, Baron DeKalb, Nathaniel Macon Chapters and Mr. and Mrs. Frank G. Binford.

MEADOW GARDEN BOARD MEETING

August 9, 1978

The Meadow Garden Board met in Augusta at Meadow Garden on August 9, 1978 at 11:00 AM. Mrs. Jonathan W. Fox, State Regent, presided and the meeting was opened with a prayer by Mrs. R. Hugh Reid. Present were: Mrs. Fox, Mrs. Reid, Mrs. Luther L. Watson, Mrs. Frank G. Binford, Mrs. Edward L. Pietrowski, Mrs. John Terry, Mrs. Leonard G. DeLamar and Mrs. Lester Furman. Mrs. Furman was introduced as the chairman of the newly organized Docent Committee.

Rules governing Meadow Garden were read and the price of admission was discussed. Mrs. Binford moved that rule No. 9 be changed to read "ten dollars (\$10.00) for a group of ten (10) or more including Georgia Chapters". This was seconded by Mrs. Reid. Carried. This rule now reads: "Tour visitors are asked to make a donation as follows, and this includes chapter visits: \$1.00 each for adults; \$10.00 for a group of ten (10) or more including Georgia Chapters; 50¢ for children under 12 years of age; 25¢ each for groups of school children."

Mrs. Binford moved that the chairman of Meadow Garden Docents Committee be given a key. Approved. This changes the reading of rule No. 3 to read: "There will be only three (3) keys to Meadow Garden and to the gates of Meadow Garden. One key will be in the possession of the Caretaker who will open the house upon request and will secure the house after departure of visitors, making certain that the book is signed as stated above. This key is never to leave the possession of the caretaker. The second set of keys will be held by the State Chairman of Meadow Garden and is not to leave her possession except at the request of the State Regent. The third set of keys to be in the possession of the Chairman of Meadow Garden Docents Committee and to never leave her hands. No duplicate keys are to be made from either of the above mentioned sets of keys."

Mrs. Furman reported that members of John Franklin Wren and College Hill Chapters had expressed interest in the Docents Committee. Mrs. Pietrowski suggested that members of Captain John Wilson Chapter be asked to join the group and said that the Augusta Chapter will help. It was decided that Mrs. Fox would write to all chapters within a 50 mile radius of Augusta and ask their cooperation with this new committee. When the committee of docents is ready to start to work they will meet with members of the board and be given a tour of the house and grounds at which time instructions will be given and they will receive a commentary to learn which will aid them in showing the house and answering questions of visitors.

Mrs. Lee Ann Caldwell Swann, director of tours, Historic Augusta Inc. joined the group and was introduced. She asked that Meadow Garden be included on the tour of Historic Augusta to portray the life of George Walton as a local and national figure and how the people in Augusta lived during the Revolutionary War era. She explained that there would be training classes which our docents would attend, teaching how to answer questions and give a professionally guided tour. If Meadow Garden is included on these tours it would mean being open 5 days a week from 10 AM to 4 PM. These tours would begin in January 1979. Mrs. Swann also asked that

Meadow Garden be on a special tour for six hundred persons attending a Historic Preservation Conference in Augusta in November for which Historic Augusta would be able to pay \$200.00 for admissions.

Mrs. Reid and Mrs. Watson were asked to prepare historic information sheets and have this material ready for the docents by the end of August. It was the opinion of the entire board that only members of the DAR be allowed to conduct tours through Meadow Garden, in addition to the caretaker. Mrs. DeLamar suggested that perhaps a dress of the period be provided for Mrs. Newman to wear when she conducted visitors through the house. Mrs. Swann was thanked for meeting with the board and she departed.

The pros and cons of being a part of the Historic Augusta Tours was discussed in detail. It was decided that any tour of Historic Augusta would have to include Meadow Garden and that Mrs. Fox would write Mrs. Swann of this decision, but to state that regular tours of the house could not be started until after our docent committee is completely set up and the docents trained. It was moved by Mrs. Reid that we cooperate with the group for the November tour dependant on the progress of restoration. Second by Mrs. Watson. Mrs. Terry moved that help to do the heavy cleaning one day a month, not to exceed a cost of about \$25.00, be hired. Seconded by Mrs. Reid. Approved. The meeting adjourned for lunch.

After a short recess for lunch the board reconvened meeting with Mr. Stan Woodhurst, architect, and Mr. H.N. Goldman, representing Mobley Construction Company. The gentlemen explained in detail the work that needed to be done.

Interior Work

1. Remove paint in dining room and repaint. Paint walls of kitchen, weaving room, and hallway on lower level after removing the whitewash.
2. Installation of wooden shutters for 3 windows.
3. Install a fire and smoke detection system with remote siren.

Exterior Work

4. Grading areas at rear of house and cottage and installing drainage to keep surface water away from the buildings. Water proof 150 lineal feet of walls on lower level.
5. Examine chimney and install sheet metal caps to keep birds, squirrels and water from coming into the house.
6. Paint house and cottage.
7. Calk and seal open joints at windows, doors and trim.
8. Repair front porch flooring, railings and columns.
9. Install retaining wall behind caretakers cottage.
10. Remove brick curtain wall in front and front steps. Add two sets of steps to replace the one to be removed.

This work would come to approximately \$24,000.00. Mr. Woodhurst and Mr. Mobley both will donate a good portion of their fee which can be used to match the \$10,000.00 grant from the State. There was much discussion concerning the financing of this projected work and Mrs. Fox pointed out that at present there was not enough money available to take care of all of the work at this time. It was the concensus of the board that the work had to be done to protect the investment the State Society already had in the property, and that any of the items taken off to be done at a later time would only end up in costing much more when finally done. Mrs. Reid moved that the proposal of Mr. Woodhurst and Mr. Goldman be accepted to do the

work at the projected fee. Mrs. Watson seconded. Approved.

At 2:30 Miss Carole Griffith, Miss Karen Lewis and Mr. Steve Norris, all of the Department of Natural Resources, joined the board members and the architect and contractor to discuss the proposed work and the grant offered by the State Department of Natural Resources. Miss Griffith explained that the cost was flexible depending on how much of the proposed work was done; that the Georgia Society was to pay the contractor and present the paid bills to the department at which time the State Society would be reimbursed for half of the cost up to \$10,000.00. This may be done on a monthly basis or on any one segment of work as it is completed and paid for. In regard to fees donated or materials donated she said that a statement from a company that they had donated "X" amount of material could be presented in place of a paid bill. A time sheet or statement of fee could be presented in case of the services donated. Miss Griffith was concerned about the present roof line and the possible restoration to the original roof on two levels. It was explained to her that the present roof had just recently been put on at a great cost and it was felt that nothing could be done about this until such time as a new roof was needed. After a tour of the house and grounds she requested that a list be presented to her department giving all plans for restoration according to their priority on a long range scale stating where the cottage fits into the plan, listing the steps at the front of the house and remodeling the roof line last. Mrs. Watson moved that this be our long range plan for restoration. Seconded by Mrs. DeLamar. Approved.

After the departure of the gentlemen and the representatives from the Department of Natural Resources, Mrs. Fox read a recommendation for a change in the By-Laws raising the per capita amounts. She also read a recommendation to raise the per capita for Meadow Garden to 50¢ contingent upon passage of the By-Laws change. This met with the approval of the members of the board, and will be recommended to the By-Laws and the Finance Committees. The need of a fund to take care of regular maintenance and future repairs and upkeep of Meadow Garden was taken under consideration and the establishment of a capital fund for this purpose discussed. It will be recommended by the Finance Committee that this fund be established with a goal of \$50,000.00, all funds to be placed in an interest bearing account. Only the interest to be used and when the goal is reached a minimum balance of \$50,000.00 to be maintained. In addition to this fund it will be recommended that at the end of each regime after all accounts and projects are completed, any amount over the amount required to be left in the State Dues account will be applied to the Meadow Garden Capital Fund until it reaches the required amount of \$50,000.00.

Money making projects were discussed to help with maintenance and the above mentioned fund, including corsages made of play money and sold at State Conference, the proceeds to go to Meadow Garden. The idea of a Meadow Garden Breakfast at Conference was also entertained. These suggestions to be discussed at a later date.

As there was no further business, the meeting was adjourned at 6:00 PM.

MEADOW GARDEN BOARD MEETING

March 12, 1979

The Meadow Garden Board met in Atlanta at Century Center Hotel on March 12, 1979, at 2:00 P.M. The State Regent, Mrs. Jonathan W. Fox presided. Those present were: Mrs. Fox, Mrs. Luther L. Watson, Mrs. Leonard Wallace, Mrs. R. Hugh Reid, Mrs. Frank Binford, Mrs. John Terry and Mrs. Leonard G. DeLamar. Mrs. Reid opened with prayer. The minutes of the October meeting were read and approved.

Chairman's report was given by Mrs. Watson. While visiting Meadow Garden she found that Mr. Woodhurst had taken care of most of the small details of restoration which would soon be complete. She said that a profit of about \$4.00 will be made on each money corsage sold for this State Conference. Mrs. Newman had been given material and pattern to make a period dress which she will wear when showing Meadow Garden. Cost of dress was \$26.11 which will be deducted from corsage profits. She reported that voices will be sold at the Junior booth for a red headed doll, Miss Marge, which had been donated for the benefit of Meadow Garden.

Mrs. Terry, reporting for the Patrons Committee, announced that the sons of Mrs. Henry Allan Ironside had given, through the John Houstoun Chapter, \$1,000.00 in memory of Miss Annie. This donation to be used for furnishings. She reported a total of \$3,101.80 given for furniture and matching funds.

The possibility of having new slides made for a Meadow Garden program was discussed.

Mrs. Binford told of material she had showing flowers, shrubs and trees used in the 18th century gardens; reported that the settle was now in the house, but that some ducts would have to be temporarily taken down to move it into the kitchen, and that she had found the water cut off on her last visit. Mrs. Newman will be notified that the water is never to be cut off because of the humidifier. She also said that a Windsor chair and a chest had been put in the bedroom.

Mrs. Fox asked for an estimate of furniture needed to complete the furnishing of the house and the approximate cost. Some of the furniture needed is a bed, grandfathers clock, an iron lantern for the kitchen, a simple lantern for the entrance hall, and light fixtures for the dining room and conference room; a single bed for the back bedroom, a tea kettle, ink stand, something for the mantle in the dining room, refinishing furniture now in the house. No cost could be determined.

The inventory of furnishings in the house was discussed and it was suggested that the board meet during the summer and take this inventory. Mrs. Binford was requested to send the chairman a list of furnishings purchased this year.

A report from Mrs. Furman, Chairman of Meadow Garden Docents, was read stating that she had attended lectures concerning Meadow Garden and George Walton. Material had been given to all docents to be used on tours on November 18th when 150 tourists visited Meadow Garden. Nine chapters will serve beginning February 2nd, rotating by the month. She said that necessary repairs to the caretaker's cottage will be made by caretaker and an interested volunteer with the materials being donated. From June 1978 to January 1, 1979 180 adults and 67 children had toured Meadow Garden.

Mrs. A.C. Earl Shepherd, State Treasurer, was asked to attend the

meeting and present to the board an itemized statement of Meadow Garden funds. This complete statement showed that the following funds were transferred to the restoration fund to meet matching grant from the Department of Natural Resources:

Meadow Garden Landscaping checking account	\$1,355.34
Meadow Garden Landscaping savings account	429.34
Meadow Garden Patrons checking account	1,464.44
State Society General savings account	<u>\$5,000.00</u>
	\$8,248.12

Mrs. Shepherd was thanked for her excellent report and for attending the meeting.

Plans for landscaping will be worked up by an interested party and it is hoped that proper landscaping of the grounds will soon be accomplished. Mr. Woodhurst sent an estimate of about \$300.00 for the insulation of the caretaker's cottage.

Mrs. Reid moved that the charge for groups be changed to \$1.00 per person instead of \$10.00 for a group of ten or more. Seconded by Mrs. Watson. Carried.

Mrs. Furman sent a request asking permission to have a tea for docents in Meadow Garden. Mrs. DeLamar moved that permission be given to have a garden party; seconded by Mrs. Watson. Carried.

Mrs. Fox read a resolution to come before the resolutions committee concerning a Capital Investment Fund. Mrs. Reid moved that the Meadow Garden Board go on record as supporting the proposed resolution to establish a Capital Investment Fund as a source of future revenue for the maintenance of Meadow Garden. Seconded by Mrs. DeLamar. Carried unanimously.

The Patrons Fund was discussed and Mrs. Reid made the following motion: That the three Meadow Garden Funds listed on the books of the State Treasurer be listed as: Landscaping, Furnishings, Maintenance and Restoration. She further moved that Patrons shall be those who contribute \$50.00 or more annually as individuals and chapters which contribute \$100.00 or more annually in addition to the per capita and honor roll requirements to any of the above named funds. Seconded by Mrs. Watson. Carried.

Mrs. Fox spoke to the board on the importance of Meadow Garden and the responsibility of the Board to Meadow Garden. The meeting was adjourned at 3:30 P.M.

Once every three years or so long as the DEPARTMENT shall require, the RECIPIENT shall submit to the DEPARTMENT one copy of a status report which shall include among other things a statement of the public benefit derived from the SITE and a description of the physical appearance and the administration for the SITE together with one or more photographs thereof.

11. The project may be terminated by the RECIPIENT only upon the prior approval of the DEPARTMENT. Request for such approval must be accompanied by a full explanation of the circumstances which RECIPIENT believes justifies the termination of the project.

12. Recipient must submit written notification to the DEPARTMENT concerning any change in the use or the administration of the SITE.

MEADOW GARDEN DOCENTS

Mrs. Lester Furman, Chairman

Upon accepting the Chairmanship of the Meadow Garden Docents' Committee, I wrote introductory letters to 13 chapters in a 75 mile radius of Augusta explaining the duties of the committee and requesting that each chapter participate in this new project. Follow-up letters and self-addressed postal cards were enclosed with pertinent information for reply to be checked and signed for service on the committee.

Each active member of College Hill Chapter was contacted by letter explaining the duties of the Docents and requesting that they participate in this endeavor.

I attended lectures given by the Coordinator of Historic Sites on George Walton and his home. Each participating chapter was furnished with copies of biographical information on George Walton, plus description and history of Meadow Garden, including architectural details.

A schedule was implemented for Docents to serve on November 18 when 150 tourists visited Meadow Garden. The time and location was coordinated for each docent to enlighten the guests on George Walton and Meadow Garden. I have assisted the caretakers with bus tours when my help was needed. Letters to 9 chapters assigning each one month to serve as docents beginning February 2. If this program materializes, Meadow Garden will be open five days a week from 10:00 A.M. to 4:00 P.M.

I have arranged for necessary repairs to the caretakers' cottage at no ex-

pense to the State. This will begin as soon as weather permits. The work will be done by the caretaker and an interested volunteer. The materials will be donated.

An inventory of the contents of Meadow Garden is to be taken in the near future.

From June 1978 through December 1978 180 adults and 67 children have toured Meadow Garden.

Since the inception in June 1978 of the Meadow Garden Docents' Committee, the interest of the chapters in the surrounding area has been enthusiastic.

MEDALS AND PRIZES

Mrs. Tom M. Arnold

It is a pleasure to announce that 84 Georgia chapters reported on the questionnaire concerning medals, pins, certificates and prizes sent out by this committee. Among the medals were: 37 bronze medals, 7 silver medals, 5 gold medals, and 1 gold Americanism medal. Not all chapters mentioned the material of the medals awarded.

One chapter supplemented the Senior Good Citizen pin and certificates of the eight winning Seniors by a \$10.00 cash award for each. A cash award of \$5.00 was given to three Senior Citizens by another chapter. Two *Washington Landmarks* were awarded as prizes. PARLIAMENTARIAN

Mrs. Hubert R. Martin

Your Parliamentarian has served in an advisory capacity whenever called upon by our capable State Regent. She made a considerable contribution toward compiling the booklet "Parliamentary Procedure, Protocol and Popular Traditions", in Georgia DAR. The District Workshops, Fall Board Meeting, State Conference and Continental Congress were attended.

She also served as Chairman of Conference Processional and a member of Protocol Committee.

PATRONS OF MEADOW GARDEN

Mrs. John H. Terry

Funds raised by this committee are used to complete the furnishing of Meadow Garden in the period (1790-1805) of George Walton's occupancy. This extra-mile giving, beyond honor roll requirements, by individuals and chapters amounted to \$3,101.80 this year. Chapters specifically designated \$2,080.00 for furnishings as required by a Fall Board ruling. The other \$1,021.80 is to be used as matching funds with the State of Georgia Restora-

tion Grant Money.

Mr. William H. Hightower, Jr. and Mr. George Hightower made a generous contribution to John Hustoun Chapter in memory of their mother, Annie Turner Hightower Ironside. This memorial was designated to be used for furnishings.

Mrs. Frank Binford was given special recognition at Fall Board for her devoted service on behalf of Meadow Garden. The check given in her honor will be used for the purchase of an item of her choice for Meadow Garden.

Memorial Gifts (\$50 or more) were as follows: Baron DeKalb, Mrs. J.B. Green by chapter; Nathaniel Macon, Mrs. B.W. Greene by family; Vidalia, Mrs. Ober DeWitt Warthen, Honorary State Regent, by chapter.

Other chapters contributing were Andrew Houser, Button Gwinnett, John Ball, John Benson, Lamar-Lafayette, Thomasville, Thomochichi and William McIntosh.

John Hustoun was the largest contributor and had four patrons as did Baron DeKalb.

With Meadow Garden now on the Historic Augusta Tours the need is to finish the furnishings of the bedrooms in the upstairs left of the house and the basement kitchen as soon as possible. Through your continued generosity this need will be met.

(See Page 60 for Resolutions)

SCRAPBOOK

Mrs. James L. Pierce

A letter of instruction and a questionnaire were sent to each chapter, the State Regent and the State Recording Secretary.

Fifty-nine chapters responded to the questionnaires. A total of twenty-one scrapbooks were sent to me for judging. They were judged on March 7, 1979 and the winners are as follows:

Under 46 members: Hancock Chapter

46 - 75 members: William McIntosh Chapter

Over 75 members: Cherokee Chapter and Hawkinsville Chapter

Originality: John Floyd Chapter

The Scrapbook Chairman transported the scrapbooks to State Conference.

TEXTBOOK STUDY

Mrs. Donald D. Hankinson

A letter of information with committee background, reasons for present emphasis and suggested projects was distributed to all chapters of the Georgia State Society. Of the 40 chapters reporting, one chapter had a full program devoted to textbook study while four had partial programs. (Four chapters have made plans to have a program during 1979-1980.) Eight of our chapters have appointed a committee chairman and five have full committees. Additionally a committee from one of the chapters attended Department of Education Textbook Committee meetings to express their opinions.

While their emphasis is to be two years in scope, Kettle Creek Chapter deserves our special recognition for the projects which they have completed and for the active support they are giving this vital area of National Defense.

Because most Georgia Daughters still do not recognize that Textbook Study is an essential part of our national defense, this committee will continue to apprise all of the seriousness of continued simplification of textbook language and of the exclusion of standards, values, morals, inspiration and ideals from elementary readers. "Moral education is a basic necessity for civilized living. To abdicate this obligation is to resign our schools and our cities to the law of the jungle, and to allow ourselves to be terrorized and property to be destroyed by young savages who feel no guilt when they commit crimes, and whose only remorse is in being caught. Consumer advocacy must return the four Rs to education, starting with moral training in right or wrong."

Chapter Reports

ABRAHAM BALDWIN CHAPTER, CARROLLTON

Mrs. George E. Lenaeus, Regent

State Honor Roll

National Silver Honor Roll

The past year has been an outstanding one for the Abraham Baldwin Chapter. In April, outgoing Regent Mrs. Jefferson Brock held a reception honoring founding Regent, Mrs. Ruth Brock Kramer, and commemorating our 25th Chapter anniversary. At our May luncheon we heard a report from Mrs. Brock about her trip to the Continental Congress. In September we had an interesting talk by Attorney Hollis Johnson on the United States Constitution's relationship to the present practice of law. A high school course being offered in genealogy and lineage research was discussed by Bremen School Superintendent, Mr. Buford Arnold, at the October meeting. Our annual fall antique show and fair was the most successful ever in raising money for DAR projects we sponsor. We had a special treat in November when the LaGrange Chapter joined us for a luncheon with the State Regent, Mrs. Jonathan Fox. Our National Defense program in January was an interesting speech sent to us by Senator Sam Nunn on the SALT II talks. American History Month was observed in February with nine high schools in Carroll and Haralson counties having a recipient of the Good Citizen's Award and the Excellent in American History Medal. During the year we were represented at the district workshop, state meeting, and the Continental Congress at which Pamela Spurgeon, our jr. member, was a page.

ADAM BRINSON CHAPTER, TWIN CITY

State Honor Roll

National Gold Honor Roll

Adam Brinson Chapter is now 70 members strong - two applications pending. We regret the loss of two members by death - very proud of our new junior member - have several prospects and a youthful outlook for our future. With celebration of our 48th birthday, a Show and Tell exhibit, scheduled Family Night at our Log Cabin, 10 new chair cushions and a Family-Friend heritage quilt in the making, enthusiasm remains high, in keeping with the damaging inflation. The inclusion of our Log Cabin in the *NSDAR Book of Buildings and Properties* gives us much pride — Honor Rolls are met — three boxes of clothing sent to schools — 544 inches of publicity — 11 pictures, 22 articles. Good Citizens recognized, students participating in History Essay Contest — Winners receiving medals and reading essays as we observed History Month in February. The marking of graves of two deceased daughters and dedication of the Yearbook to Mrs. I. A. Brannen, organizing regent, memorable highlights of the year. Represented at Veterans' Day exercise at High School where one of our members continues

to serve as chairman each year. Nine members enjoyed historic tour to Westville — tour planned to historic Savannah and Naturalization Court in Spring. Nine outstanding programs focusing on NSDAR Motto and President General's Theme, "BUILDING FOR OUR FUTURE" — emphasis on *membership, leadership, and growth*. We look forward to continued growth in our DAR program through cooperation and enthusiasm in carrying out its objectives.

Also, Mrs. Blanche Kell Hood directed a delightful Spring Music Concert in late April. Wearing corsages of white carnations, new officers for 1978-80 were installed in May. After completing our program calendar, committee assignments, yearbook supplements, and financial plan, we hosted an Independence Day celebration with distinguished guests from local patriotic organizations. Tomochichi Chapter continues to be active with enthusiastic members working to fulfill the objectives of the organization and to meet the goals set by the National Society. Excellent newspaper reports have told the DAR story. Constitution Week was observed with three mayors signing proclamations and newspapers printing appropriate information. Three radio stations used spot announcements, and libraries and schools received materials. Outstanding programs based on Honor Roll requirements were presented. In April five Good Citizens, along with both parents and the school advisors, were honored at a reception at which time each Good Citizen gave a talk on "My Patriotic Duty as a Young Citizen." National Defense was promoted at each meeting and information on current legislation was given. There was unusually good response from the schools in writing the American History Month essays. 12 Good Citizenship medals were awarded. A gift and cash shower was held for the patients in Atlanta Veterans' Hospital. Contributions of money and clothing were made to DAR schools. The chapter was represented at the District Workshop, State Conference, Continental Congress and Fall Board of Management meeting. In December this chapter joined two other chapters in hosting a luncheon honoring our State Regent, Mrs. Jonathan W. Fox. The Regent deeply appreciates the loyal support of the chapter officers, chairmen and members.

Vidalia Chapter was host to Southeast District Meeting in August. It was a distinct honor for this regent to conduct installation of officers at Organizing Meeting of General Josiah Tatnall Chapter in Claxton in April. Vidalia Chapter later presented the Flag of the United States and DAR Banner to this chapter. Interesting programs included one on Berry School presented by Mrs. G. H. Achenbach, a member of the Board of Governors there and a recipient of DAR Medal of Honor. In April a program on Georgia Room in the NSDAR Museum was presented by Mrs. Louis Bahin, immediate past State Regent. Another interesting program was given by Mr. Robert W. Oertel, Assistant Conservationist, State of Georgia. For National Defense program there was "A Stockholder's Report" given by U.S. Naval Officer James Mentink. At this meeting members of Altama Society C.A.R. and Cub Pack Den 2 led Pledge of Allegiance and American's Creed.

The death of our Organizing Chapter Regent and Honorary State Regent, Mrs. Ober D. Warthen, and three other members was cause for sadness. A memorial ad was placed in the DAR Magazine in memory of Mrs. Warthen, and funds for memorial gift have been sent to Meadow Garden. Also 8 copies from Mrs. Warthen's set of Proceedings were sent to complete set at University of Georgia Library. The remaining copies were placed in local library.

Generous contributions of \$250.00 were sent for Meadow Garden restoration and maintenance, and \$150.00 sent for Georgia Room, NSDAR Museum.

Without the cooperation of our members, our chapter could not have met all NSDAR guidelines. We have 55 members, with an increase of 7: 4 new members, 2 transfers and 1 reinstatement. Constitution Week was observed with the Mayor's Proclamation, posters in schools, a local merchant featured a display window, and an inspiring program was given. "Building A Safe Future" was the topic of a very informative National Defense program. 3 Good Citizen Awards were given. Cash contributions, plus 6 boxes of clothing were sent to KDS and Tamasee schools, also an interesting DAR School program was presented. 4 boxes of clothing, plus cash contributions were sent to Bacone and St. Mary's. \$30 for postage was mailed to 3 veteran hospitals, plus a large number of books. One of our members is employed two afternoons a week by the library assisting patrons in lineage research. We have our first scrapbook in many years. 2 local banks gave ads in DAR

Magazine and over 25% of members take the magazine. Chapter was represented at State Conference and District Meeting. Chapter presented a flag to library that had flown over our nation's capitol; Senator Sam Nunn arranged this. Regent has written a Progress Report for the local newspaper telling the story of William Marsh from 1911 to 1978.

Hosting the 1978 Spring Conference was the shot in the arm that spurred Xavier on to a very successful year. The death of a member in September brought to Xavier a number of memorial bequests, enabling the chapter to contribute beyond budgeted finances. The first check written on the memorial funds was for \$100.00 to Meadow Garden to make Xavier a patron. The other checks were for the following: a DAR grave marker, a book to the genealogical room at Rome Carnegie Library, and donations to Kate Duncan Smith and Tamasee to benefit the State Regent's project at both schools. Outstanding programs have been these two — "The Constitution of the United States" by M. H. McDougald of radio station WRGA and "Wake Up America", the National Defense program from the DAR Magazine and delivered by L. T. Shoemaker of radio station WROM.

CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Charles Quillian Hall
Senior State President

The Georgia Society C.A.R. has had a very active, busy, and exciting year with the very capable leadership of our State President, Herbert Miller, Jr.

The Thirty-Ninth Annual State Conference was held on February 24, 25, 26, 1978, at Callaway Gardens in Pine Mountain, hosted by the Brunswick and Lucy Spell Raiford Societies. One Hundred and seventy-six members and seniors attended this most successful conference.

A delegation of 29 traveled by mini-bus, train, and plane to represent Georgia at the 83rd Annual National Convention, April 21-23, 1978. Highlights were: Georgia winning first place State award for the Endowment Fund, Winona Society winning first place Society award for Endowment Fund, and our 1977-1978 State President, Carol-King Russell, received one of the State President's awards.

Four Georgians were installed in impressive ceremonies at Mount Vernon. Mr. Gerald Glenn Fling was installed as Senior National Second Vice-President, Mrs. Charles Quillian Hall was installed as Senior State President, Jonathan Alderman was installed as National Vice President of the Southeastern Region, and Herb Miller was installed as State President for 1978-1979.

The 28th Annual Southeastern Regional Conference, presided over by Jonathan Alderman of Georgia, was held in Winter Park, Florida, on July 28-29, 1978. National President, William H. Rardin, III, and Senior National President, Mrs. Stanleigh Swan, led a list of 30 distinguished National and State Officers from throughout the USA. A first place award for the Best State Newsheet, the CARGoes, and a first place award for the Best State Yearbook were won by Georgia. The Fort Frederica Society received the second place award for the Best Society Scrapbook.

The Georgia State Workshop, held August 11-12, 1978, in Atlanta, Georgia, was hosted by Allen Howard, Cherokee Rose, Habersham, and Sergeant Newton, Jr. Societies. C.A.R. State packets, similar to the C.A.R. National Summer packets, were presented and explained by the State Chairmen to be used as guidelines for the coming year. 40 members, 19 DAR and S.A.R., and five guests attended.

On November 4, 1978, 52 members and seniors representing thirteen of Georgia's 20 Societies met in Savannah for the Government Studies Seminar. A representative from the Department of the Interior presented a program on the U.S. Fish and Wildlife Service. During the afternoon, members toured the Fort Pulaski Monument as the National Heritage Tour for the seminar, and attended a reception at the home of Mr. and Mrs. G. G. Fling.

Georgia has 20 sponsored C.A.R. Societies with 494 members. 77 new members this year has fulfilled our State President, Herbert Miller's, State Project of Membership and his state theme of "I Will Plant Companionship Thick as Trees Along the Riverbanks of America."

Programs by the local Societies have followed the National Theme of "A Past to Remember — A Future to Mold." Visits by the State President and Senior State President were made for special Society Programs: Annual installation of the Winona, Fort Frederica, and Lucy Spell Raiford Societies, A S.A.R. Organizational meeting given by the James Watson Society, Dedication of the Pace House and Tea with the Uchee Trail Society, a visit to the Amos Giles Rhodes Memorial Hall with Habersham Society, a visit to the Cherokee Rose and Allen Howard Society for their Indian Program with a Cherokee Indian Princess as guest, and an Indian Arrowhead hunt and dance with Martha Stewart Bulloch Society.

Georgia State and Senior State C.A.R. officers took part in the Yorktown Day Celebration in Virginia, Kings Mountain March in South Carolina, Sesquicentennial Celebration in Columbus, Georgia, WSB-TV "Salute to America Parade" in Atlanta, Georgia, DAR State Conference in Atlanta, and DAR Workshops, and the S.A.R. State Conference in Macon.

Georgia *CARGoes* continues to be one of the top four newsheets in the Nation. 94 State Patriots help support this interesting and informative newsheet which should be read in every C.A.R.-DAR Home. Georgia also has the Top Yearbook in the Nation. Georgia has 31 National Life Promoters, 44 National Promoters, and 63 State Promoters, continuing to grow. One Major Benefactor Pin, eight Endowment Fund Pins, and five "300" Club Pins were awarded during the year.

Georgia C.A.R. Members completed a year of accomplishment at the Fortieth Annual State Conference March 2-4, 1979, held on Jekyll Island, hosted by Fort Frederica Society, with a registration of 132, representing 14 of the 20 societies, and attended by 11 C.A.R. National and Senior National Officers. 37 First place awards with traveling silver trophies were won by nine top Societies, with six other Societies winning second and third place awards.

It has been an honor and privilege to serve the Georgia State Society, N.S.C.A.R., as Senior State President for 1978-1979. One of the pleasures of this office has been the friendships that I and my family have made throughout the year in the Nation and State. Another pleasure is the growth I have seen in our members of our Georgia Society. This has been a very busy year, filled with hours of preparation of meetings, reports, and travel; it has been one of the most satisfying and productive years of my life. One finds the Fountain of Youth when working with Young People — C.A.R.s.
