Joyful, joyful, we adore Thee, God of glory, Lord of love;  
 hearts unfold like flowers before thee, opening to the sun above.  
 Melt the clouds of sin and sadness; drive the dark of doubt away.  
 Giver of immortal gladness, fill us with the light of day!

Thou art giving and forgiving, ever blessing, ever blest,  
well-spring of the joy of living, ocean depth of happy rest!  
Thou our Father, Christ our brother, all who live in love are thine;  
Teach us how to love each other, lift us to the joy divine.

Mortals, join the mighty chorus which the morning stars began;  
love divine is reigning o'er us, binding all within its span.  
Ever signing, march we onward, victors in the midst of strife;  
joyful music leads us sunward, in the triumph song of life.

# Reports of State Officers

## STATE REGENT

### Shelby Alderman Whitson

Georgia Daughters, thank you for coming to this State Conference to share your good news about your volunteer service this past year. You have worked hard to fulfill our mission of promoting historic preservation, education and patriotism through the many committees and projects. You were asked to do many things and you did it!! You have accomplished much! You have done an outstanding job in heeding our state scriptural theme of letting your light shine and bringing glory to God. You can read about the many miles traveled in the State Regent's calendar in the next Proceedings. There have been grave markings and wreath layings, wonderful meetings and teas and exciting outings. This state regent has not been accustomed to so much attention! Thank you so much. It was a wonderful experience traveling with the national officers and other state regents to five of the six schools on the National DAR School Bus tour last October. You can be very proud of two Co-Chairmen of the tour, Georgia Daughters Sally Baldwin and Virginia Lingelbach. Their careful attention to every detail brought many praises. It's always gratifying and inspiring to see how the DAR is making a difference in the lives of many children. The Junior Membership plays a large role in support of the schools through the Helen Pouch Fund and you contribute to that fund by shopping at the Junior Shoppe. It was so encouraging to see 250 of you at the State Board of Management meeting to learn how you can better participate in the work of our Society. Your reports show your outstanding achievements in the effort and time each of you take to be a part of this great organization. This State Regent commends you for your commitment and desire to work for a better life for those coming after you. We have attempted to move ahead in information technology with the State Information Help Desk and our own Members Only Georgia Web site. It's gratifying to see the cooperation and enthusiasm of members who want to help you with these lines of communication. We are very grateful for the dedication of Jean Manker and Melodye Brown. Due to the increased scrutiny of non-profit organizations by the IRS, and the necessity for computer generated reports, we are fortunate to have a new CPA firm that has given us wise counsel and guidance in setting up our treasurer's books and how to handle some of the complicated forms. At their suggestion, the books are audited quarterly, which will be a time saver at the end of the fiscal year in receiving the audit in a timely manner. We do operate on a budget and these quarterly reports will be a great aid in showing where we stand with our limited funds. The appraisal of the fine arts and furnishings at Meadow Garden had to be updated this year and we are very grateful this was done at a somewhat reduced cost through the generosity of the appraiser. Of course, with new appraisal values and the added Heritage Education Center, the insurance premiums have increased. There is still much work to be done at Meadow Garden. Like any old house, there is always something breaking down, creaking or leaking. Your continued generous support is so needed and appreciated not only at Meadow Garden but the DAR schools and other projects. You have certainly opened your hearts too, for the summer camp scholarship for the American Indian youth, our veterans and current military personnel. We are very proud of you and your good works! We all were created with a purpose and to do to others as you would have done to you is part of that purpose. Have you ever thought that serving on a committee may be the platform for your ministry. This state regent urges you to come along side your chapter officers and committee chairmen and be help-mates to them. The visits to the chapters and meeting the regents and the members have been a most rewarding privilege of this state regent. It was possible to talk with the Daughters, hear about their projects and progress and listen to their suggestions on improving our service. Your friendliness, your acceptance, your generous hospitality have made the rough places smooth. It is your appreciation and eagerness to serve that makes everything worthwhile. The United Postal Service and the family of Marian Anderson invited the DAR to participate in a Dedication Ceremony for the Marian Anderson Commemorative Stamp. The ceremony was held in Memorial Continental Hall. The remarks of our President General were very

gracious and well received. It is hoped that you saw the 100 year old Eagle Lectern belonging to the DAR at the Presidential Inaugural Luncheon in Statuary Hall following the inauguration ceremony. Senator Trent Lott publicly thanked the DAR for the special loan. Mrs. Wagoner was very relieved when the "eagle landed" back at its residence in the President General's Assembly Room. You can read more about this online or in the current American Spirit magazine. Thank you so very much for giving this state regent the wonderful opportunity to get to know many of you better. It has certainly been a thrill and honor to share the being with you. May it long continue after this period of time is complete. May God Bless All of You and may men see your good works and glorify your Father in Heaven. Thank you very much.

At the request of the Registrar General, this officer forwarded important information to Chapter Registrars, or contacts, to keep them up-to-date. Registrars have been dedicated in sending membership changes to the National and State Societies. The Call for Yearbooks, an Honor Roll Requirement, produced an 84% response by the extended deadline. A 94% response of Master Questionnaire Reports indicated a good understanding of preparing and checking applications for membership, and of using e-Membership. This officer was pleased to either help with problems of registrars or guide them in the proper direction. Chapter Yearbooks, the State database and National listings are being compared by this officer in preparation for publication of the 2006 Membership Roll and Roster of Ancestors, Georgia Society, NSDAR. Madam State Regent, it is a distinct honor and pleasure to serve the Georgia Society in your Administration.

#### **STATE HISTORIAN – Joan Phillips Millar**

Since the last State Conference in 2004, your State Historian attended Continental Congress in July, four district meetings, the Warner Robins tea honoring our State Regent and the Tomochichi Chapter Christmas Tea which honored our State Regent and this officer. During the past year, this officer spoke at three chapter meetings and three additional programs were given. She has also followed up with Georgia Chapters regarding grave markings as requested by the Historian General. One hundred three Georgia chapters reported, and of those, seventy-five chapters participated in activities related to this officer's objectives. Seven chapters submitted a nominee for the Outstanding Teacher of American History Award. The State Winner was Mr. John Hammond, sponsored by Burkhalter Chapter. Three chapters sponsored a nominee for the DAR History Award Medal. Thirty-one chapters marked graves, conducted wreath-laying ceremonies, and held receptions to honor Revolutionary Soldiers. Sixty-seven chapters contributed money to various funds, and the total donations made through the State Treasurer are as follows: Americana Collection (including Button Gwinnett): \$6,039.00; NSDAR Archives: \$507.75. The award for the largest contribution to the Americana Collection from a GA. DAR chapter that went through the State Treasurer goes to Joseph Habersham Chapter with a donation of \$5,620.

#### **STATE LIBRARIAN – Rena Morgan Setters**

How exciting it is for me to spotlight the work of the 102 Georgia Chapters who contributed in some form toward DAR Library activities! Eight hundred sixty-seven books valued at more than \$6885 were donated to local hospitals and libraries with 342 of these being genealogical or historical publications. One Chapter donated bookcases and a typewriter to its library, and the American Spirit magazine continues to be a popular gift to offices and libraries across the state. Special recognition shines on Garland Crowe DuPree of the Nathaniel Abney Chapter who donated her 136 volume personal genealogical and historical references valued at \$3600 to her county library. Fifteen volumes of acceptable references and periodicals were donated to the NSDAR Library in Washington; \$579 was provided

directly to the Library, and \$1560 donated through Friends of the Library. The State's Library Fund and Georgia Bookplates netted \$655. Georgia Daughters provided 416.5 hours of library service, 882 books/periodicals, and a bottom-line financial contribution in books, goods and donations of \$10,999. Madam State Regent, the candle of service that burns so brightly in your heart also shines in the DAR Library through Georgia's dedicated and generous Daughters. I thank them and you for the privilege of serving you both as State Librarian.

Three flags were placed at NSDAR Headquarters and one at Kate Duncan Smith DAR School. Madam State Regent, it is a pleasure to serve you and the Georgia State Society under your capable leadership.

**INDEPENDENT AUDITOR'S REPORT**

Board of Trustees  
Georgia State Society of the National Society  
of the Daughters of the American Revolution  
Atlanta, Georgia

We have audited the accompanying combined statements of assets and fund balances – modified cash basis of Georgia State Society of the National Society of the Daughters of the American Revolution (a not-for-profit organization) as of June 30, 2005, and the related combined statements of revenues and expenditures and changes in fund balances and cash flows – modified cash basis for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of Georgia State Society of the National Society of the Daughters of the American Revolution as of June 30, 2005, and its revenue and expenditures and the changes in its fund balances and its cash flows for the year then ended on the basis of accounting described in Note 1.

As described in Note 1, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basis financial statements taken as a whole. The accompanying schedules on pages 8 – 15 are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NATIONAL SOCIETY OF THE  
DAUGHTERS OF THE AMERICAN REVOLUTION  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2005**

---

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of the Georgia State Society of the National Society of the Daughters of the American Revolution is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management who is responsible for their integrity and objectivity.

**A. BASIS OF ACCOUNTING**

The financial statements of the Organization have been prepared on the modified cash basis of accounting. Accordingly, revenue is recorded when received rather than when earned and expenses are recorded when paid rather than when the obligation is incurred.

**B. BASIS OF PRESENTATION**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

**C. CASH AND CASH EQUIVALENTS**

For purposes of the Statements of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**D. COLLECTIONS**

Collection items acquired either through purchase or donation are not capitalized. Purchases of collection items are recorded as decreases in unrestricted net assets if purchased with unrestricted assets and as decreases in temporarily restricted or permanently restricted net assets if purchased with donor-restricted assets. Contributions of collection items are not recognized in the Statement of Activities. Proceeds from deaccessions or insurance recoveries are reflected on the statement of activities based on the absence or existence and nature of donor-imposed restrictions.

DAUGHTERS OF THE AMERICAN REVOLUTION

FOR THE YEAR ENDED JUNE 30, 2005**

---

**E. DONATED SERVICES**

No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. No amounts have been reflected in the financial statements, as the fair value of those services is not susceptible to objective valuation or measurement.

**F. INCOME TAX STATUS**

The Organization is exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code. However, income from activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170 (b) (1) (A) and has been classified as an organization other than a private foundation under Section 509 (a) (2).

**G. NATURE OF ACTIVITIES**

The Georgia State Society of the National Society of the Daughters of the American Revolution carries out programs designed for education, public awareness and preservation of the history and heritage of the United States of America.

**H. PROPERTY AND EQUIPMENT**

The Organization follows the policy of not capitalizing collections and historical treasures. Meadow Garden and its contents are historical treasures. The house and its contents are insured for approximately \$ 325,000. Office furniture and fixtures are insured for \$ 8,000. Major preservation or restoration projects are capitalized and depreciated over an estimated useful life of fifteen years. Additions and betterments of \$ 750 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

The certificates bear interest ranging from 2.43% to 3.47% and have maturities ranging from five to eighteen months, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

**NOTE 3: CONCENTRATIONS OF CREDIT RISK**

The Organization maintains cash balances at several financial institutions located in Georgia. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$ 100,000. At June 30, 2005, there are no uninsured cash balances.

**NOTE 4: CONSTRUCTION IN PROGRESS**

Construction in progress consists of a new building on the property of Meadow Garden in Augusta Georgia. The building will be used for educational purposes as well as meetings. It is expected to be completed in the fall of 2005.

### **CHILDREN OF THE AMERICAN REVOLUTION – Frances Charlene Hall**

The Georgia State C.A.R. Society saw a net gain in membership of 56 for 2004. This is tremendously significant for our State Society as it reveals a growing interest in the Children of the American Revolution. With new societies scattered from the highest mountains in the north, to the coastal shores, from the western rivers region, to the Atlanta to Savannah highway, our Society is increasing. New faces, new members, new seniors, all make for one exciting time in Georgia. Other Georgia societies are breathing fresh air - C.A.R. enthusiasm - as great senior leaders and new members come into their groups. Xavier, Fort Frederica, Bonaventure, Martha Stewart Bulloch, William Marsh, and General Daniel Newnan DAR Chapters are to be commended for their sponsorship of new organizing Societies during the past year. Augustin Clayton Chapter receives this year's award for the most financial contributions to the State Society, and Nancy Hart Chapter receives the award for the best overall support of a C.A.R. Society. Georgia C.A.R.s supported State President, Martha Charlotte Lincoln, in raising over \$3,000 for event seating at The National Museum of Patriotism. This new Museum located in Atlanta, Georgia, was also the site of our Government Studies Seminar in October. Another well attended event was our State Society's sixty-sixth annual State Conference held in February at the historic Partridge Inn

in Augusta. A highlight of the conference was the dedication ceremony of the porch chairs at Meadow Garden, a previous C.A.R. State Project. Honored guests including, the DAR State Regent, and the first joint C.A.R. – SAR Color Guard made this a very special event. The Georgia State Society looks forward to another outstanding year in C.A.R. – DAR cooperation in 2005-2006.

#### **COMMUNITY SERVICE – Judith Lillard Hughes**

The Community Service Award not only recognizes worthy citizens in our communities, but it gives each chapter an opportunity for publicity. The state outstanding recipient of the Community Service Award was submitted by the Fort Peachtree Chapter. You may read about this presentation in the Jan/Feb 2005 national newsletter on page 17. Seventeen chapters sent applications for the Community Service Award which this chairman forwarded to the Southeastern Division National Vice Chairman for approval. Four Chapters sent two each. Those submitting are: Archibald Bulloch, Augustin Clayton (2), Baron DeKalb, Cherokee, Council of Safety, Fayette-Starr's Mill, Fort Peachtree (2) Fort Frederica (2), James Stewart, John Benson (2), Knox-Conway, Lt. James Monroe, Martha Stewart Bulloch, Nancy Hart, Sunbury, William McIntosh, and Xavier. A total of 21 entries were sent from Georgia. I quote from a letter just received from the National Chairman: "The chapter regent or chairman should verify that the proposed recipient received no salary, reimbursement or other financial reward for the service provided." Processing now takes six to eight weeks, not four to six. Thank you Madam State Regent for the opportunity to serve on a committee in which this chairman could learn of the many worthy Georgia volunteer citizens.

One chapter sponsored and funded costuming for a dramatic production, *Reenactment of the Signing of the Constitution*, presented by elementary students. #### **PROGRAM – Denise Beall Fritz**

The State DAR Yearbook Committee was reinstated this year by National for participation by all states. Only 15 Georgia chapters submitted yearbooks or supplements to this

chairman for consideration in the contest. This is a low percentage of the total number of chapters in our state and this chairman challenges chapters to submit their yearbook in 2005-2006. All entries were excellent and interesting to read. Many included histories of the chapter. Some were bound in 3-ring binders, while others were printed with glossy covers. No matter how fancy or how plain, all contained the necessary information required by State and National for the contest, making the judging quite difficult. Winners are as follows: Members under 50: 1st place – Gov. David Emanuel, 2nd place- Col. John McIntosh, 3rd place tie- Nathaniel Abney & Col. William Candler; Members 50-100: 1st place- Sgt. Newton, 2nd place- Augusta, 3rd place- Nathaniel Macon; Members over 100: 1st place Martha Stewart Bulloch, 2nd place tie Elijah Clarke & Savannah, 3rd place- John Benson. Chapters reported the many activities that keep the importance of the society before the public's eye. Many chapters volunteered at schools, libraries, hospitals, and nursing homes, and presented DAR awards in the various categories. The work of the society must be told, and this chairman is pleased and honored to serve in the capacity of state publicity chairman. #### **PRESIDENT GENERAL'S PROJECT – Jean Cole Manker**

It is easier to contribute generously to causes in which we believe; but, first, we must fully understand why our money and time are necessary. In this instance, DAR's cause is the President General's Project, and each Georgia Daughter should be fully aware that the Project is the digitization of all of DAR's records. It is vital to the safety of the records and financial support of DAR's agenda. This project was begun in the last administration with the cooperation of the current one, and it will take another administration or so to complete. This year, Georgia Chapters are off to a good start toward 100% participation by July 2007. Seven chapters have already paid in full the \$6-per-member requested contribution during this administration. Ninety-two (92) additional chapters have paid \$2.00 (one-third) or more per member. Fourteen (14) chapters reported additional monetary contributions to the project by purchase of the Liberty Bell pins, labels, notepads, calendars, and other project items. We look forward to having the remaining 18 chapters make contributions in the coming year. The recent Master Questionnaire survey results included suggestions on a variety of ways some chapters have devised to raise money in support of the President General's Project. Daughters may also volunteer for data input on several of the digitization

programs. If you have any questions in this regard, this Chairman will be delighted to answer by phone, fax, e-mail or regular mail.

### **GEORGIA DAY – Kate Niper Kezar**

No report.

### **GEORGIA STATE CHORUS – Ann Bell Ragan**

The wonderfully talented chorus members entertained the DAR members attending the 106th State Conference 2004 with "America" being the theme. "America the Beautiful," "God Bless America," "America" (My Country 'Tis of Thee, was sung and ended with Lee Greenwood's "God Bless the USA" leaving many in the audience with tears in their eyes. This Director was asked to be the pianist at the DAR/SAR Luncheon held at the Ansley Golf Club Atlanta, September 18, 2004. No electricity was available but the day was bright and the program beautifully done. The chorus did not participate at the State Board of Management held in Dublin Nov 6, 2004, but this Director led the members in a chorus of "This Little Light of Mine," as a tribute to our State Regent, Shelby Whitson. This Director

is looking forward to our 107th State Conference 2005 singing at the Memorial Service and at Regents Night. What a joy working with this wonderful group of singers and I thank our State Regent for giving me this opportunity to serve the Georgia Society in this way.

#### **HISTORY OF THE GEORGIA STATE SOCIETY – Marie D. De Lamar**

Each year reports from Georgia chapters and committees are better and more complete. This chairman was delighted to have numerous fat packages of information delivered in addition to her portion of the Master Questionnaire reports. This compilation of 10 to 20 year's work in one volume will make an impressive statement for the Georgia State Society, as Georgia Daughters continue to do more and more for God, Home and Country. Thank you Madam Regent for trusting this chairmanship to this Georgia Daughter.

#### **LUCY COOK PEEL – Louise Williams Jones**

The Georgia State Society established the Lucy Cook Peel Memorial in 1923 to honor Mrs. William Lawson Peel. She served the National Society as Vice President General 1912-1913. Funds donated by chapters, individuals, and from book sales are used for publications. Four books are for sale. Membership Roll and Register of Ancestors of the Georgia State Society 1986 and 1996. These two volumes have been reduced to \$20 a set or \$10 each. History of the Georgia State Society 1891-1981 and History of the Georgia State Society 1981-1991, a two volume set is \$40. Since 1946 Membership Roll and Register of Ancestors of the Georgia State Society has been published every ten years. Indexed by ancestor, it is an invaluable tool for registrars, members, and prospective members to locate proven patriots. These books have been sold at all workshops, State Board of Management, and State Conference for a total of \$650. A special thanks to the Vice Chairman for this committee, Northwest – Louise Ramage Otting, Northeast – Margaret Sherling Riggins, Southwest – Ann Wright Beckham, and Southeast – Ann Morris Carswell. Thank you Madam State Regent for the opportunity to meet many Georgia Daughters and to serve you and the Georgia State Society.

#### **PROCEEDINGS – Linda Overstreet Harvey**

The Proceedings Committee of the Georgia State Society, NSDAR, met for a luncheon meeting, 10:00 a.m., May 27, 2005 at 475 Stillwaters Drive, Marietta, Linda Overstreet Harvey presiding. Others attending were: Shelby Alderman Whitson, Virginia Grace Lingelbach, Sally McGlaun Baldwin, and Martha Chappell Vaughan. Mrs. Baldwin offered prayer; Mrs. Vaughan kept minutes. The purpose was to: accept a printing bid, approve business minutes from State Conference and State Board of Management, review the drafted *Proceedings* document verifying content, consistency, and conformance to National Organization guidelines. Information on seven estimates was discussed. Mrs. Whitson moved the acceptance of Litho Press, Inc., Macon, printing 250 copies with 275 anticipated for next year. Seconded. Adopted. Per copy pricing was set at \$15. Mailing will be \$3.00. As during most prior administrations, state clubs are to be given the opportunity to print current and/or past minutes at their expense. State Treasurer will bill upon completion. The GSCAR, an organization within a state committee, was accorded the same privilege for reporting on *gratis* basis of two pages per year reported. The mailing was reviewed noting that persons submitting reports serving as both a chapter regent and state chairman were not privy to a personal copy. To amend, the words "ALL WITHOUT DUPLICATION" were removed from the Proceedings Distribution information. Dual service should not work against individuals or chapters. Minutes from the State Board of Management plus the business meetings of State Conference were reviewed and approved as amended. Content of other reports was not altered, but edited ensuring format conformity. Subgroups completed the draft review. Appreciation was extended for members' work. Adjournment came at 4:00 p.m.

#### **SEATING AND PROCESSIONAL – Camille Redfern Baxter**

This Chairman, along with her committee, prepared place cards, tent cards, chair tags, processional charts and seating charts, which changed by the minute. The above was implemented at four District Workshops, Fall Board of Management, and 2005 State Conference, where this committee seated one memorial service, four meal functions, four meeting sessions, and organized four processionals. The goal of this committee was to provide reserved seating for Honorary State Regents, State Officers, State Chairmen, Chapter Regents, members and guests in the most comfortable way, showing courtesy and respect at all times. Special appreciation is given to the Georgia daughters for their patience and cooperation upon being moved and directed! Many thanks to the committee members: Brenda Bush, Linda Harvey, Rosemary Henderson, and Julie Spivey, and to those who simply pitched in and helped: Robin Towns, Mary Elizabeth Jackson, Ginny Wolf, Ruth Reddick, and Tami O'Bryant. A very special thanks to Lanette Reid, who gave much needed gentle guidance; the Coordinator of Districts, the District Directors, and our most wonderful Pages, led by Charlotte Christian. Serving the Georgia daughters continues to be a genuine pleasure under the devoted leadership of our fabulous State Regent.

## HERITAGE EDUCATION – Louise Lockhart Henry

Meadow Garden Heritage Education, a long recognized need by Meadow Garden Board, is also a purpose of the DAR Organization. Meadow Garden is a perfect venue for this program since George Walton, its 1792 owner, was a Patriot, Signer of the Declaration of Independence, and Governor of Georgia. To implement this program, space has always been the major impediment since the house is completely furnished. After many years of design consideration for a plan which would compliment the "Big House," the 2003 Meadow Garden Board approved a "kitchen dependency." The exterior resembles as 18th century kitchen pictured in *Back of the Big House*, by John M. Vlach. Compatibility was approved by the National Register of Historic Places and the Richmond County Historic Preservation Commission. Using invested funds, donated for this purpose over many years and thoughtful donations by many Georgia Daughters, an attractive outbuilding dependency painted Cap Cod Gray, 1 1/2 stories, is nearing completion. Its interior wooden walls are white, authentic fireplace with warming oven resembling George Mason's at Alexandria, Virginia, a handicap rest room and upstairs room to house State records, consumes most of the space. Programs for children and adults will soon be implemented. My sincere appreciation for much personal support during this period and for donations of items which will be used in the building.

## NSDAR 50-YEAR CLUB – Laura Belle Wyatt Macrae

As of February 1, 2005 there are 181 daughters who are members of Georgia's 50 Year Club from 64 chapters. There are 19 Life Members of the National DAR Club. Congratulatory letters were sent to the new members with encouragement to join the National Club. Dues received were forwarded to the National Club. A file is maintained by the State. Appreciation goes to the chapters who responded to my request.

## STATE PRESS BOOK – Brenda Davison Jessel

Georgia Daughters let their light shine brightly in 2004-2005 with eighty Chapters sending over 250 articles for the 2004-2005 Press Book. The word is out all over Georgia about the good works our Daughters are doing in their communities. It is exciting to read all that Georgia State Society Daughters have accomplished during this past year. This chairman encourages all Chapters to submit as many pictures and articles as possible to your newspapers, large and small as well as neighborhood papers to let your community know what your Chapter is doing. This chairman enjoyed meeting many Chapter Regents and State Officers at District Workshops and Fall Board, and welcomes questions about the State Press Book at any time. Our goal for next year is 100% Chapter participation. The time to send your articles and pictures to this chairman is now! Madam Sate Regent, thank you for the privilege of this chair. It has been a joy to work on the State Press Book.

## STATE INFORMATION HELP DESK – Jean Cole Manker

This chairman is pleased to report that Georgia Daughters, some Daughters not from Georgia, and a couple of SARs have found the new State Information Help Desk conveniently useful. During the past nine months, 198 requests for help have been received and answered, and all requests and the follow-up action have been logged. This is a great job to have because it is very satisfying to be able to provide the information you need when you are under pressure handling the mountain of paperwork necessary for carrying out the work and purpose of our chapters, and State and National Societies. Also, it gives me the pleasure of visiting with you while we find an answer to your question. I look forward to continuing this service in the coming year.

## STATE REGENT'S PROJECT – Telia Cunningham

The State Regent, Shelby Whitson selected as her project the purchase of new Georgia

Flags and a new Georgia Society NSDAR state banner. For a minimum donation of \$10.00, lovely pins were given. The pins are embossed with a colonial candleholder and candle on a blue background. The candle represents the State Regent's theme of "Let Your Light Shine So Shine Forth ..." and recipients are considered part of the "Shining Light Club". The theme is taken from Matthew 5:16. Any remaining funds are to be given to the McCall Genealogical Fund. Georgia Daughters have been overwhelming in their support of this project this year. A total of \$6,004.00 was donated to this worthwhile project. On a percentage basis the chapter that received the most pins for their donations is Commodore Oliver Bowen. They receive this chairman's first place award of \$20.00 and second place goes to Sukey Hart. They will receive \$10.00. I feel blessed for the opportunity to serve the society and our state Regent in this capacity.

#### **TRADITIONS AND POLICIES – Carolyn Grant Hanf**

This committee is pleased to have completed the revision of the manual "Parliamentary Procedure, Protocol And Popular Traditions in Georgia DAR" in time for distribution at the 2005 State Conference. A copy of this manual should be maintained in the file for state officers, chapter regents, and chairmen and vice chairmen for reference. The chairman offers her thanks to the committee members Marjorie Young Garner, Dollye Wren Ward and Dorothy Corn Hoff, Parliamentarian, for their time in assisting in revising this manual. Also appreciation is expressed to the Honorary State Regents for being so gracious to give advice and suggestions to the committee. Thanks, also, to Mary Elizabeth Jackson, Recording Secretary, who with her expertise turned it into booklet form and handled the printing. It has been a pleasure to serve the State Regent, Shelby Whitson, during the first year of her administration in fulfilling her request to revise this manual.

## **MEADOW GARDEN – Margaret Poole Cagle**

The Heritage Education Building construction is almost complete. The groundbreaking ceremony was held in April 2004 and the ribbon cutting in July. The National Park Service took pictures of Meadow Garden to be placed on the National Park Service website. We participated in a 200th year anniversary death of George Walton in February 2004 with a ceremony on the front porch. The heat pump motor was replaced. The water backflow prevention assembly was worked on. The front porch was repaired and painted and a new railing was built. Roots were removed from the plumbing line. Dormer windows were repaired. The American Flag was replaced and the outhouse was moved to make room for the new building. Our Meadow Garden Brochures were revised and 5000 cards were ordered.

## **MEADOW GARDEN DOCENTS – Billie Gardner Hunter**

Our docent program at Meadow Garden is going strong. Docents are used for special events and large group tours. Special events were: July 4th Open House, Garden Tour with Historic Augusta and the Christmas Candlelight Tour with the Ezekiel Harris House. Twenty docents were used over three days for the Candlelight Tour. Large group tours require three or four docents each time. We are always in need of new docents. Call Meadow Garden if you are interested. The September docent training was cancelled because of bad weather. A class was held on October 25, 2004 from 10:00 a.m. to noon. There were two people in attendance, Betty Love and B.J. Lester from the Augusta Chapter. The Chairman and Susan Jackson, House Manager, conducted the class.

## **MEADOW GARDEN FURNISHINGS – Mary Gene Everitt Elliott**

Our furnishings are in excellent condition at this time due to the daily care and supervision of our House Manager, Susan Jackson. Many thanks to her for her dedication. An updated room by room inventory has been completed by Louise Henry and given to this chairman. Also, at the request of the insurance company, Strawn and Co., of McDonough, all items have been reappraised and values raised. Four Windsor style chairs for the front porch were given to Meadow Garden in honor of Rosemary Crow Hunter, Past State Regent, by the Georgia State Society, C. A. R. The chairs were dedicated in an impressive ceremony on February 19, 2005. It is a privilege and pleasure to serve Meadow Garden and the Georgia State Society under the direction of the State Regent.

## **MEADOW GARDEN LANDSCAPING – Josephine Rhodes Agostas**

The completed Georgia Historic Landscape Survey form and documentation for Meadow Garden in Augusta was sent to the Cherokee Garden Library. This valuable information will be included in Garden Club of Georgia's on going project to document historic gardens throughout the State of Georgia. Staci Catron-Sullivan, Director of the Cherokee Garden Library, stated, "the level of detail and professionalism in your survey and supportive documentation is remarkable. We currently have forty-seven surveys completed for sites throughout the State of Georgia, and your survey is a significant addition to this Garden Club of Georgia project." We have maintained our sixteen beds with fertilizer and lime. Many new plants have been added including daisies, poppies, rose campion, purple cornflower and orache. Yellow flag iris are being planted on the banks of the Augusta Canal as our special project for the year 2005.

## **MEADOW GARDEN GIFT SHOP – Camille Redfern Baxter**

This Chairman has attended four Meadow Garden board meetings; inventoried existing merchandise with Susan Jackson, house manager; and purchased, inventoried and priced new merchandise to be sold in the Shop at Meadow Garden and in the sales room at DAR state functions. How exciting it was to introduce a few new items for DAR shoppers at state

functions and see their approval. The sales total between July 20, 2004 and February 20, 2005 was \$3,787.22 (\$988.21 at the Shop; \$1,502.21 at District Workshops; and \$1,296.80 at Fall Board of Management). The sales total for the 2005 State Conference was \$2,129.79, bringing a grand total of \$5,917.01. Appreciation is shown to the Georgia daughters for their generous support of the Shop, as all proceeds from shop sales help maintain our treasured Meadow Garden. Many thanks to Amy Reece, Vice Chairman State Function Sales for her hard work and to those who gave their time at the sales table; and Margaret Cagle, Betty Harrah, and Marguerite Fogleman for transporting the merchandise. It is a pleasure to serve the Georgia daughters under the devoted leadership of our much-loved State Regent.

Mr. Cloues recommended, "a simple, wood railing, painted white, similar to but not identical with the existing porch railing . . ." Anne Murphey, moved "an appropriate white wooden railing be placed on split level line of front porch, as recommended by Georgia Department of Natural Resources Historic Preservation Division in correspondence to Mrs. Agostas." (in letter dated March 4, 2004). The motion was seconded by Jo Agostas and adopted.

Mrs. Agostas reported the grounds of Meadow Garden have been cared for by yardman, Omer Steadley, the Cherokee Rose and the Pine Needle Garden Clubs. Mr. Roy Cagle maintains the sprinkler system. In July the Nancy Hart Chapter and the C.A.R. Society from Milledgeville visited and worked in the yard. The fruit trees, fig bush and grape arbor are producing an abundant harvest for all to enjoy. Jo Agostas moved "Augusta Council of Garden Clubs be allowed to have a flower show at Meadow Garden in the fall of 2005." The motion was seconded by Elizabeth P. Hughes and adopted. Anne Murphey requested it be noted in the minutes, "The grounds have never looked more beautiful than they do today under Jo Agostas' supervision."

Meadow Garden Shop Chairman, Camille Redfern Baxter, reported on the inventory of items available for sale in the Meadow Garden Shop and the need for four to five people at the sales table at the District Workshops.

Mrs. Whitson offered a Blessing at 1:00 p.m. and everyone enjoyed a boxed lunch. At 1:20 p.m.

Anne Whipple Murphey, Chairman, Patrons, reported. She reminded everyone that "patrons-in-kind" are voted on by the Board.

There was discussion concerning the Heritage Education Center and the need for more professional advice. It was suggested the status of the Advisor and the ex-officio member of the Meadow Garden Board be changed from non-voting members to voting members, and that this be presented at the State Board of Management. Mrs. Murphey commented that one of the most valuable resources of the Georgia State Society is the Honorary State Regents. A rental agreement needs to be drawn up for the rental of the Heritage Education Center and needs to be reviewed by legal counsel. A Certificate of Insurance needs to be included as part of the rental agreement, and a clause concerning the clean-up agreement needs to be included. Mrs. Murphey requested the record show "this Meadow Garden Board pledges to serve and support our new State Regent, so she has a pleasant and productive experience." The State Regent expressed that all actions of the Meadow Garden Board and the Georgia State Society be honest, legal and protective of the Georgia State Society, NSDAR. Margaret Cagle moved "the DAR Chapters be allowed to use the Educational Building for a Patron or above level donation to be used for Maintenance Fund." The motion was seconded by Elizabeth P. Hughes and adopted. It was noted that no one can occupy or use the new Heritage Education Center until it is completed and has "Certificate of Occupancy."

Augusta Chapter Regent, Susan deCamp Conger, discussed the brochures available at the Georgia State Welcome Centers and how the Meadow Garden brochure compares. She reported an anonymous member of the former Meadow Garden Board gave the Georgia State Society an annual corporate membership to the Georgia Trust for Historic Preservation. Miss Conger moved "the Meadow Garden join Historic Augusta, Inc., as a corporate member. The annual dues are \$50.00 per year." The motion was seconded by Camille Baxter and adopted. Miss Conger mentioned that Jeanie Johnson, immediate past Chapter Regent of the College Hill Chapter, is investigating the potential of Meadow Garden's participation in the Arts in Heart of Augusta to be held in September. Miss Conger stated that the Meadow Garden Board should have a budget to present when attempting to receive a tourism grant. The meeting adjourned at 2:00 p.m.

This money is to be taken from the Meadow Garden Maintenance Fund.

Anne Murphey moved that: "The members of the Meadow Garden Board have considered the recommendation of the Finance Committee as to Meadow Garden's paying \$1,000.00 of the audit expense as a separate entity and feel it is not feasible. When used for receptions with standing room only, the maximum capacity is approximately 90 people. Mrs. Patton reported that the total cost of the insurance for the find arts and heritage building was \$5,530.00. We ratified the payment of the Worker's Unemployment Tax and the Workers Compensation Policy.

(5) meadow Garden donated four (4) tickets to March of Dimes Auction. (6) Trash is coming into the Gift Shop from the roof and the attic. (7) A previous estimate to replace the roof with single, cedar shake shingles is \$21,000.00. Mrs. Cagle is getting a more current estimate for this replacement. Currently we do not have the money for this and will need to raise it.

The Furnishings Chairman, Mary Gene Elliott, reported the four (4) chairs, given in honor of Mrs. Billy W. ## **GOVERNOR TREUTLEN CHAPTER – FORT VALLEY**

**Elizabeth Naugle Rackley, Regent**

Governor Treutlen Chapter NSDAR finds itself in a position not foreign to other chapters. Only 38% of our membership is actively involved on a regular basis. Another 38% are out of town members who have never attended meetings or been involved in any way. The remaining 24 % are coping with careers, family, and/ or health issues. As a result, our chapter is struggling to remain alive. In the recent past, we examined our options and had a program/meeting with the State Organizing Secretary. Our desire is to keep our chapter in tact and functioning. A recruitment drive, culminating with a tea in May of this year, is underway. We hope to convince a goodly number of prospects that DAR is worthy of their time and efforts. The chapter's struggle to stay active is made difficult by the fact that those active members who are willing and physically able are also struggling with demanding careers, ailing family members or both. We beg understanding and patience from the State and National Society as we deal with this struggle. Please know that we are proud of the Society and long to become active in its work.

### **CHAPTER ACHIEVEMENT-LEVEL 1**

**State Honorable Mention**

The Joseph Habersham Chapter's focus for the 2004-2005 year was on membership, especially the recruitment of new members. The chapter has been blessed with a large and active membership for many years, but time has taken its toll. The chapter needed to be revitalized and Chapter Registrar Mary Woelper took the lead in this endeavor. Mrs. Woelper, who is serving in her second term as Registrar, has taken prospective members in hand and devoted herself to their application process. She guides them through the process with skill and determination. Mrs. Woelper introduces prospective members to the chapter at the chapter's monthly luncheon and each sits at a different table. This enables the prospective member to get to know the chapter members and the reverse. Several prospective members have received valuable additions to their research because of these lunch conversations. The Joseph Habersham Chapter is proud to be able to say we have 17 new members this year – five of whom are Junior members. Many thanks to Mary Woelper. We would not have done it without her!

## **OLD UNICOI TRAIL CHAPTER – YOUNG HARRIS**

**Eloise Smith Wolfersteig, Regent**

### **CHAPTER ACHIEVEMENT-LEVEL 1**

**State Honorable Mention**

Old Unicoi Trail Chapter, NSDAR, established goals. The chapter needed to continue the past activities of the previous Regent, by maintaining the calendar of events and activities. Attendance needed improvement. Judicious time use and humor at monthly meetings; presentations by knowledgeable, outstanding speakers; and healthy luncheons at the same decorous restaurant, raised attendance by 30%. Also important was to show an interest in the membership's welfare through communication. National projects needed our input. Old Unicoi Trail members became involved in these projects of the current President General: "The Greatest Generation," (Library of Congress project); S.O.S., (Saving our Stories through Quilting), and active computer savvy, thereby hopefully gaining more chapter digitizers. Our chapter's aggregate age spans most of the previous century in cultural awareness. Attention to pertinent and timely concerns is essential. Since one of our members was to serve on the State Women's Issues Committee, we thrust a Women's Issues Committee into Old Unicoi Trail's realm of committees. Encouraging promptness, accuracy and enlightenment within the Old Unicoi Trail's ranks through remains a challenge. Only time will tell if that has been accomplished.

## CHILDREN OF THE AMERICAN REVOLUTION — 2002 - 2005

The Georgia State Society Children of the American Revolution continues to be very successful. The societies are: Allen Howard Lilburn; Bonaventure, Savannah; Button Gwinnett, Hampton; Count D'Estang, Athens; General Daniel Newnan, Newnan; General James Oglethorpe, St. Simons Island; John Funderburk, Rome; Liberty Tree, Warner Robins, Lucy Spell Railford, Columbus; Martha Stewart Bulloch, Roswell; Sergeant Newton Jr., Covington; Sons and Daughters of Liberty, Atlanta; Sukey Hart, Milledgeville; The Glass Brothers, Atlanta; and William Pillow, LaFayette. Three administrations have existed since the last reporting. Charles E. "Chuck" Hall, Jr., Luch Spell Raiford Society, was President 2002-2003. His project was to raise funds for a Tamassee scholarship, with the slogan "Take the Tamassee Challenge: Send a Child to School." With your help the GSCAR raised \$3000. Meredith M. Baker, Button Gwinnett Society, served as President 2003-2004. The State Project was to raise funds for stadium style seating to be used at the Monument of the Battle of Kettle Creek in Wilkes County, Georgia. A project pin depicting the monument was developed, sold, and \$4700 was raised. The project was so successful that the State Society has made the Battle of Kettle Creek a standing committee in order to continue to raise funds for the site. The 2004-2005 President was Martha C. Lincoln, Allen Howard Society. The National Museum of Patriotism, Atlanta had need of seating in order to host large events. A snare drum project pin was acquired and funds were again successfully raised in the amount of \$2000. The chairs are in place. Appreciation goes to all DARs, SARs, friends and family members who have helped to make these years very good ones.
