This volume of the Georgia State Proceedings is
lovingly dedicated by the

in grateful appreciation of her
inspiring leadership,
her distinguished service,
and
her steadfast loyalty to the Society.

As a member of the Peter Early Chapter, Annis Richardson
held various chapter, state, and national offices. She was
admired for her intense devotion to everything connected with
the work of

Reports of State Officers

STATE REGENT

Laura Marcella Reid

This State Regent is grateful to each of you for placing your confidence in her to represent you and the Georgia State Society, NSDAR. She is full of pride each time she has an opportunity to brag on the work the Georgia Daughters are accomplishing. You have exceeded this State Regent's expectations and she is grateful to each of you for your continuous efforts to promote the objectives of DAR, and to always offer to "lend a hand." "Daughters hands reach out to serve" has been the perfect way to epitomize a Georgia Daughter. Through the labors of your hands the Georgia State Society has had many achievements. The 2006-2008 State Project of Meadow Garden has made great strides with their goal of relating the story of George Walton and Meadow Garden throughout the state of Georgia. Ultimately this State Regent would like Meadow Garden and George Walton to be "household" names, hoping Meadow Garden will be acclaimed as one of the great attributes of the State of Georgia. Historic Augusta, Inc., at their annual meeting, presented the 2006 Stewardship Award for Historic Preservation to the Georgia State Society, NSDAR, for their efforts in historic preservation at Meadow Garden. In November Meadow Garden was one of four historic homes in the Augusta area to participate in the Historic Holiday Candlelight Tour. The development, production and distribution of a DVD telling the story of George Walton and Meadow Garden were completed in December. Approximately 561 DVD's were distributed to all public Georgia Middle Schools and to private middle schools with enrollments of 300 plus. Another 110 DVD's and a written program on Meadow Garden were distributed to every Georgia DAR Chapter at the State Board of Management Meeting in November. DVD's are also available in the Meadow Garden Gift Shop. A second DVD, giving a virtual tour of Meadow Garden, is in the process of being developed and will be available soon. The virtual tour will enable us to share a Meadow Garden tour with any physically handicapped visitor who comes to Meadow Garden. Billboard space featuring Meadow Garden has been donated along I-20 and other major highways. The final approval of the artwork for these signs is proximate. Meetings with the Department of Transportation have resulted in a commitment for enhancement of Meadow Garden road signage and additional signage in the Augusta area. An assessment and deassessment program for the items at Meadow Garden is being developed and installed on *Past & Perfect* software. This program will assist us in the enforcement of the guidelines on what items are to be accepted into the collection, and it will help us know what treasures we truly possess, better manage the inventory, and provide us with valuable knowledge. Pedestals for the three busts of the Georgia Signers of the Declaration of Independence have been made to give an appropriate display for the busts. Restoration of these busts shall begin soon. Meadow Garden will be featured as "the historic preservation" segment of a National Membership Video being produced by the Texas State Society and DAR National Headquarters. This video will have a shelf life of ten years. It will make its debut on Opening Night of the 116th Continental Congress. The Meadow Garden Gift Shop has a temporary new home in the Board Room and has

expanded their product line. The tireless work of the Georgia Daughters on the Meadow Garden Board never ceases to amaze me. They are to be commended for their commitment, their knowledge and their enthusiasm. This State Regent wants to acknowledge the State Second Vice Regent, who also serves as State Chairman, DAR Schools, for her efforts in collecting thrift at the state functions and delivering it to Tamassee DAR School and Crossnore School. She has delivered over 15 tons of thrift so far this administration. The 2006-2008 State Projects for the DAR Schools are as follows: (1) The project at Kate Duncan Smith DAR School is the purchase of white boards for the middle and high schools. (2) The Tamassee DAR School project is to ensure the completion of the Whitson Administration Project for the repairs to the interior walls of the May Erwin Talmadge Auditorium, including the correction of the problem causing the deterioration. Then we will pursue the 2006-2008 State Project, which is the replacement of the curtains for the stage, including the proscenium, the legs and the back drop. (3) At Berry College the project is the establishment of a perpetual, annual award named the "Georgia State Society, Daughters of the American Revolution, Student Teaching Award for Community Service." This award is to be given to a student in the College of Education for outstanding community service, which all students studying education are required to do. The recipient is to be chosen by the Dean and staff of the College of Education and will be awarded at the Awards Night Program in May each year. The minimum amount of the award is \$150.00 paid with the interest earned from the principal. It is named the Georgia State Society, NSDAR, Community Service Award, so future administrations that do not have a specific project in mind may increase the principal of this award. Currently the Georgia State Society has over \$461,000.00 in loans or scholarship funds at colleges and universities throughout the state. The majority of these funds are currently not being used by the students due to the requirements to qualify. Negotiations with the University system are in progress to hopefully convert these loan funds to scholarships in order to make the funds more accessible to students. A Chapter Membership Profile has been initiated statewide to identify expertise in a variety of areas and to establish a reference/resource network for internal use for the leadership of the Georgia State Society. The compilation of a Georgia State Society Cookbook is being pursued. Monies raised from the sale of the cookbook will go to the State Regent's Projects. This State Regent has twice visited the Governor's Office for the signing of proclamations. In September with the National Chairman and the State Chairman of Constitution Week for the signing of the Proclamation designating September 17-23, 2006, as Constitution Week in Georgia. In November with the State Chairman of American Indians and the National Southeastern Vice Chairman of Commemorative Events for the signing of the Proclamation designating November 2006 as American Indians Month in Georgia. The President General's Office has just advised that Georgia has 100% Chapter Participation for the President General's Project. The Chapter Regents will receive their 100% Chapter Participation Certificates in their packets this evening. The State's target was \$41,754.00 (based on 6,987 members) and received to date is \$45,568.00. This State Regent is proud to announce the organization of a new chapter, the Sandy Springs Chapter, confirmed at the February National Board of Management. E. Lynn Brackey, Organizing Regent. Congratulations to you! Another chapter is organizing in Fayette County, the John

Waldrop Chapter. Betty Brown Harrah, Organizing Regent, will hopefully be receiving confirmation at the April National Board of Management. And yet another chapter is in the initial stages of forming in Watkinsville, Oconee County, which is attentive to the needs and the schedules of the professionals and working members. Dana McCoy Anderson is the Organizing Regent, and we wish her the very best. All three of these organizing chapters have gained new members for our Society and have resurrected some members through reinstatements. This State Regent commends these organizing leaders for their stamina and their sensitivity in their efforts to make DAR more readily available to those who are interested. The number of awards being offered this year by the State Chairmen will astound you. Georgia Daughters are recognizing those in the community who have contributed to the progress of their communities. Accolades go to Chapter Regent, Marilyn Davis Daniel, and to the members of the General Jared Irwin Chapter in Sandersville for raising \$37,000.00 to have a statue of George Washington created and erected in the DAR Park on Highway 15 in Sandersville, which was dedicated on Washington's birthday, February 22. And this State Regent recently attended a very entertaining Georgia Day Program in Upson County organized and sponsored by members of the John Houston Chapter, Peggy Burch Greene, Chapter Regent. As this State Regent travels throughout the state being graciously welcomed and greeted by the Georgia Daughters. Our members are our greatest asset. This State Regent is proud of each of you and appreciates your hard work and willingness to serve. The Georgia State Society is blessed to have such capable and dedicated Daughters serving on their Executive Committee. It is a privilege to work with them to further our goals and objectives. Thank you for entrusting in us your confidence to led our Society in the path of progress. Always remember "Daughters hands reach out to serve." and "the Lord thy God, shall bless thee in all the works of thine hands ..."

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Georgia State Society, NSDAR (the Organization) is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management, who is responsible for their integrity and objectivity.

1. **Nature of Organization**

The Georgia State Society, NSDAR (the "Organization") is a volunteer women's service organization created to promote patriotism, preserve American history, and secure America's future through better education for children.

2. **Basis of Accounting**

The financial statements of the Organization have been prepared on the modified cash basis of accounting, a comprehensive basis of accounting other than Generally Accepted Accounting Principles. Accordingly, revenue is recorded when received rather than when earned and expenses are recorded when paid rather than when incurred.

3. **Basis of Presentation**

Financial statement presentation follows the recommendation of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. A description of the three net asset categories follows:

Unrestricted

Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted

Net assets whose use is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the passage of time.

Permanently Restricted

Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization.

4. **Use of Estimates**

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

5. **Cash and Cash Equivalents**

For the purposes of the statement of financial position and the statement of cash flows, the Organization considers all cash on hand, highly liquid bank deposits, and short-term debt securities with an original maturity of three months or less to be cash equivalents.

6. **Property and Equipment**

Major preservation or restoration projects are capitalized and depreciated over an estimated useful life of fifteen years. Additions and betterments of \$750 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, principally using the straight-line and 200% declining balance methods.

The estimated useful lives in determining depreciation are:

	<u>Years</u>
Building	27.5
Building improvements	15

The Organization does not capitalize collections and historical treasures. Meadow Garden and its contents are historical treasures and are insured for approximately \$325,000.

Depreciation expense for the year ended June 30, 2007 was \$5,807.

7. **Donated Services**

Many volunteers have made significant contributions of their time to develop and promote the programs of the Organization. The value of these donated services is not included in the accompanying financial statements, as such services do not create or enhance non-financial assets or require specialized skills. If donated services received either create or enhance non-financial assets or required specialized skill which would need to be purchased if not donated, the value of those donated services would be recorded in accordance with SFAS No. 116.

8. Other Contributions

In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of donor restrictions. Contributions are recognized when received by the Organization. Conditions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, restricted net assets are reclassified to unrestricted net assets.

9. Membership Dues

Membership dues are recognized when received.

10. Advertising

Advertising costs are expensed as incurred. Advertising expense for the year ended June 30, 2007 was \$3,866.

11. Income Taxes

Georgia State Society, NSDAR, a nonprofit organization operating under Section 501(c)(3) of the Internal Revenue Code, is exempt from federal, state, and local income taxes and, accordingly, no provision for income taxes is included in the accompanying financial statements for the Organization.

NOTE B - FINANCIAL INSTRUMENTS AND CONCENTRATIONS OF CREDIT RISK

The Organization's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents.

The Organization maintains its cash deposits with highly rated financial institutions. At times, such deposits may be in excess of federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk of loss.

NOTE C - AFFILIATES

The Organization collects membership dues and donations from its local Georgia Chapters for the Organization and the National Society of the Daughters of the American Revolution.

BUTTON GWINNETT SIGNATURE - Mary Kate Tribble

This committee has worked to increase Georgia's support to the Button Gwinnett signature fund. The signature has been purchased, but it is our goal to raise sufficient revenue to know that Georgia Daughters fully funded the acquisition of that signature for the National Society. During her tenure as State Chairman, Dorris Callahan Howell, had designed and had fabricated a donation recognition button for distribution within the state. The buttons were available at the district workshops, and Dorris encouraged participation. Pursuant to her death, Georgia Daughters from across the state amassed \$1,000.00 to be donated in Mrs. Howell's memory to the Button Gwinnett Signature Committee. The total raised for the year was \$3,938. Your continued support would be appreciated.

CONFERENCE PAGES - Donna Raye Johnson

Thanks are given to the Pages for all the hard work that they performed. Appreciation is extended to the Savannah Chapter for providing refreshments in the DeSoto Hilton's Telfair Room used for the Pages meeting and as a place for them to enjoy refreshments after the sessions. Thanks are also given to my vice chairmen, Ashley Lynne Fincher, Leslie Brannon Frick, Dawn Villanueva Levy, and Rebekah Lee Wysong for their hard work and support. Some members attended S.R. meetings. Sixteen members referred 24 men who became SAR members. The cash award for the best report for its contributions to the SAR was awarded to the Fort Frederica Chapter. Honorable mention was given to the following chapters who provided great assistance to the SAR: Augustin Clayton, General Daniel Newnan, Martha Stewart Bullock. Sue Edenfield (Edmund Burke) wins 1st place for referring most new SAR members, 2nd place to Kathleen Kent (Fort Frederica) and 3rd place in a three-way tie were Ruth McCurry (John Benson), Nancy Coggins (Stephen Heard), Ann Carswell (Vidalia). COORDINATOR OF DISTRICTS - Susan Durden Lemesis

This Coordinator of Districts has been truly honored to work with her District Directors, Ida B. Fischer (NE), Brenda Jessel (NW), Sandra Keadle (SW) and Pat Mercer (SE). We began by meeting and discussing expectations and goals.

Communication has been one of our greatest strengths. We discussed our chapters' activities and tried to solve issues and achieve new goals. We produced a workshop for the North and South Georgia Daughters and State Board of Management. The high percentage of chapters reaching Honor Roll and Chapter Achievement and the increase in State meeting attendance is evidence of District Directors' successes. The Coordinator of Districts helped the State Regent implement the survey of Georgia Daughters recording and analyzing survey responses. She is currently working on a Guide for Host Chapters on planning state workshops and board of management. Touring the State and giving 12 programs were rewarding experiences as was attending the birth of the Sandy Springs Chapter. She also attended 2 parties honoring the State Regent in the NW District and the State Regent's Tea in Savannah. She also attended Continental Congress, State Board of Management and the NW Georgia Workshop.

NORTHEAST DISTRICT DIRECTOR - Ida Best Smith Fischer

Serving as Northeast District Director is an honor and privilege. This director attended State Conference Augusta, March 2006, Continental Congress June 2006, Summer Workshop Roswell, August 2006, State Regent's Tea Savannah, July 2006, Tea October 2006, honoring State Regent and State Treasurer hosted by Martha Stewart Bulloch Chapter, and State Board of Management Statesboro, November 2006. She traveled with State Regent, Laura Marcella Reid to official meetings with district chapters. All chapters were invited. Thank you hostess chapters: John Franklin Wren, Matthew Talbot, Elijah Clarke, Colonel William Candler, William McIntosh and Nancy Hart. She attended grave marking of Matthew and William Talbot in Madison by LaVillita Chapter, Texas, grave marking hosted by John Benson Chapter for Amos Richardson and dedication of a life size Bronze Statue of George Washington February 22, 2007, by Governor Jared Irwin Chapter in Sandersville. She attended Georgia Day luncheon with Old Unicoi Trail Chapter. This director worked with a chapter revising their by-laws, installed officers, communicated by e-mails reminding Regents of deadlines and procedures and encouraged Chapters to excel. The Regents set their goals high and "Many Hands" of Northeast Daughters have succeeded. Thank you, Madam State Regent for allowing me to serve as District Director.

NORTHWEST DISTRICT DIRECTOR - Brenda Davison Jessel

Delight is the first word which comes to mind as this Director thinks over this past year! She attended Continental Congress in June, returning home to seek Chapters who would host the State Regent's Visits in the fall. She was impressed but not surprised at the four Chapters who volunteered to spearhead memorable events for State Regent. It was a whirlwind week for State Regent and this Director: Formal tea with William Marsh, Garden party tea in two locations with Martha Stewart Bulloch; historic home tea with LaGrange, and a Roswell-King evening "Tailgate Party." Area Chapters "many hands" acted as co-hosts so that all Chapters were host to State Regent, ending with Etowah Chapter's Membership Tea in February 07. This Director was blessed by the response of NW Chapters at the District Workshop. She is grateful to the hostess chapter, Joseph Habersham, for their organized efficiency with every detail. Attending Georgia State Society Constitution Week festivities, State Board, presenting a Chapter program "Women in the American Revolution," attending Cherokee Chapter's Christmas Luncheon; Sandy Springs Chapter Organizational Meeting and other Chapter meetings rounded out 2006. Numerous email communications were sent to encourage and inform Chapter Regents along with telephone calls. It is with great anticipation and pride that this Director serves the Georgia State Society Northwest District and looks forward to another excellent year for Northwest.

SOUTHEAST DISTRICT DIRECTOR - Patricia Pattillo Mercer

Southeast District Daughters' hands have reached out with many projects and activities. Teas were given honoring our State Regent, State Corresponding Secretary, Constitution Week, History Essay, Good Citizen recipients, prospective members, and new American Citizens. Scholarships were awarded; welcome home ceremonies for National Guard troops returning from Iraq were held; contributions of gifts, money and volunteer hours were given to veterans in area VA Centers and nursing homes; co-sponsored a Wall of Honor displaying framed portraits of area servicemen; interviewed veterans for Oral History Project; contributed to Meadow Gardens; donated labels, thrift, Christmas, birthday gifts, and money to DAR Schools; sponsored genealogy and new member workshops; marked members graves; held Flag Retirement ceremonies; presented American Flags and Flag pins; cooperated with SAR chapters; awarded ROTC medals; hosted the Fall Board of Management; held luncheons on Constitution Week, Georgia Day, Veterans Day and Memorial Day; honored Gold Star Mothers; published a driving tour guide of Historic Brunswick; published The History of Vidalia Chapter Daughters 1928 -2006; toured historic sites; regrettably disbanded Lyman Hall Chapter; celebrated Saint Andrew's Parish 50th Anniversary, and welcomed the Georgia Society NSDAR to Savannah for their 109th State Conference.

SOUTHWEST DISTRICT DIRECTOR - Sandra May Keadle

A lovely tea in historic Savannah honoring State Regent Laura Reid began this director's term. Much appreciation and kudos to Council of Safety Chapter members who hosted the first combined Southeast/Southwest District Workshop in Americus with approximately 260 attending. Director assisted Coordinator of Districts at Northeast/Northwest District Workshop and attended State Board of Management in Statesboro. Banquets, luncheons and teas highlighted Constitution Week as State Regent Laura Reid visited and served as guest speaker with nineteen chapters represented. "Adopting" a Tamassee student and opportunity to meet her at William McIntosh Chapter's Christmas Party was big highlight with several nearby SW District chapters participating. Hospitality and warm smiles greeted this director at numerous events including a Patriotic Luncheon hosted by Roanoke Chapter; a Valentine Tea hosted by John Benning Chapter (Tamassee's Jason Eller as speaker); genealogy workshop held by Lamar-Lafayette Chapter and ended with John Houstoun's "Georgians on my Mind" program with Georgia Day Chairman Joan Millar and State Regent Laura Reid attending. Constant communication has been key to keeping chapters informed and achieving goals. Guiding and counseling these chapters has been an honor and rewarding experience. Thank you, Madam State Regent, for opportunity to serve the members of this District.

DAR LITERATURE - Billie Jean Goodwin

The mission of the DAR Literature Committee was to make information, literature and other resource materials available to assist members in achieving success in their work. Materials were available at all summer Workshops, the Board of Management meeting and State Conference. Sales at workshops totaled \$1012.72. Sales at the Board of Management Meeting totaled \$300.76. Sales at these functions resulted in total sales of \$1313.48. Information was provided to members regarding the availability of materials online, via phone, fax and US Mail from the National Society. Vice Chairman serving their respective districts were Susan Conger, Marcia Swetmon, Pat Lord and Brenda Bush.

GEORGIA DAY - Joan Phillips Millar

Of 109 chapters, 57 celebrated Georgia Day, 23 did not, and 29 sent in no report. Those who reported, attended luncheons, gave programs of Georgia History to schools, libraries, and retirement centers. Notices of Georgia Day were placed in

newspaper, newsletters, and on the radio. Displays were placed in libraries and schools. Proclamations were signed, history quizzes given and Georgia Bingo was played. A chapter entertained visitors from England and shared Georgia History with them for 3 days. One chapter had dinner on the grounds of a colonial home with re-enactors, ladies in hoop skirts and fine southern food. To close the program, guns were fired on the lawn. Chapter contest winners will be reported elsewhere in the proceedings.

GEORGIA STATE CHORUS - Ann Bell Ragan

At the request of the State Chaplain, the DAR State Chorus sang once again, the beautiful and meaningful Gathering Flowers for the Master's Bouquet at the 108th Memorial Service held in Augusta. This director, due to illness in her family, asked Eloise Wolfersting to rehearse and direct the chorus in their performance at Chapter Regent's Night. The chorus sang a very patriotic program, America the Beautiful, Caissons Go Rolling Along, Anchors Aweigh, The Air Force Song, The Marines Hymn, It's A Grand Ole Flag, Dixie, Georgia on My Mind, concluding with all joining in the singing of God Bless America. Madame State Regent, it has been an honor and privilege to serve this Georgia Society under your leadership.

HISTORY OF THE GEORGIA STATE SOCIETY - Marie D. De Lamar

The first two books of our history ended with the first year of an administration and since that time cost of paper and printing have gone higher and higher. Therefore the following changes have been made. We will begin with 1991/1992 and continue through the next ten administrations (or 21 years). This third book will then cover 1991/1992 through 2011/2012 and hopefully be published 2013. We wish to bring to the attention of each State Chairman and State Officer that their activities are included also. To do this it is necessary for them to send a report also. We need for them to pass to the next chairman and/or officer a book of instructions. Madam State Regent it has been a delight working with you as a part of your administration.

LUCY COOK PEEL - Ann Scott Williams

The Georgia State Society established the Lucy Cook Peel Memorial in 1923 to honor Mrs. William Lawson Peel. During 1912-1913 she served the National Society as Vice President General. Donations of funds by individuals, chapters and book sales are used for society publications. We are pleased to offer a new 2006 Membership Roll and Register of Ancestors, priced at \$20.00. Membership Roll and Register of Ancestors 1986 and 1996 and History of the Georgia State Society 1891-1981 and 1981-1991, a two-volume set are still available. These are invaluable tools for chapter registrars, members and local Libraries. Books are sold at workshops, State Board of Management, State Conference, and by mail. A special thanks to the Vice-Chairman, Northwest - Lynabel Price Crowe; Northeast - Paula Hannah Osborne, Southwest - Sylvia Jordan Ream, Southeast - Madlyn Peace Hightower. We thank you Madam State Regent for giving us the opportunity to serve the Georgia State Society.

NSDAR 50-YEAR CLUB - Laura Belle Wyatt Macrae

Congratulatory letters were sent to the new members with encouragement to join the national club. Dues were received and forwarded to the national club. A file is maintained by the State. Appreciation goes to the chapters who responded to my request.

PROTOCOL - Alae Risse Barron Leitch

This Chairman is pleased and determined that the Daughters needed no reminders regarding protocol at this time.

SCRAPBOOK - Glenda Hendry Carter

The eighteen chapters of the Georgia State Society, NSDAR are to be commended for every scrapbook submitted for judging. All scrapbooks demonstrate numerous activities and projects that chapters have been involved in and their accomplishments during the past year. The task of selecting winners in each category has been complex; but, at the same time a delight to see all the work that involved "our daughter's hands reaching out to serve". The pages of these scrapbooks exhibit dedicated chapter members at work for the State Society and National Society Daughters of The American Revolution. Winners are listed below. Madam State Regent, thank you for the opportunity to meet so many Georgia Daughters and to serve you and the Georgia State Society.

STATE REGENT'S SCRAPBOOK - Glenda Hendry Carter

Georgia Daughter's hands have been "busy as bees" during 2006-2007 with eighty-two chapters submitting articles about their chapter's work to be included in the State Regent's Scrapbook. I have enjoyed all the wonderful documents, and stand amazed at the work of our Georgia Daughter's hands reaching out to serve the State Society, NSDAR. This chairman encourages all chapters to submit their work-in-progress to local publications, in order to better educate the communities about our perpetual involvement in the preservation of our ancestors and this great nation. Thanks to all chapters who participated in this project. Madam State Regent, it has been a joy to compile a "Scrapbook of hands at work" for you to cherish; and I thank you for the privilege of this chair.

SEATING AND PROCESSIONAL - Rena Morgan Setters

The Seating and Processional Committee is responsible to orchestrate special seating for dignitaries, honored Daughters and guests at each official function of the State Society, and to execute processionals and recessionals as necessary. Every Daughter plays a part in the successful performance of the Committee's duties, be it to furnish seating information, sit at her reserved space, march in a processional, or pay respect to the organization's protocol. To each and every Georgia Daughter, we thank you for your superb cooperation and your gracious patience! Special gratitude is expressed to Committee members Linda Akins, Jerry West (both of whom went far "above and beyond" during State Conference), Linda Harvey and Mary Elizabeth Jackson for their dedicated service; to Deidre Russell, General James Jackson Chapter, whose volunteered assistance during State Conference proved invaluable; and, to Board of Management, Conference Advisor, Conference Chairman and committees, Hostess Chapters, Coordinator of Districts and District Directors, and Page Committee for their most excellent help and their graceful acceptance of our direction. Most especially, we are indebted to the State Regent, Laura Reid, for her thoughtful guidance and joyful enthusiasm, and for providing us this marvelous manner in which to serve the Georgia State Society.

STATE DIRECTORY - Jean Cole Manker

Georgia Daughters purchased all 300 copies of the State Directory published for the 2006-2007 year, and could have sold a few more. This chairman wishes to thank Lynn Wright, State Corresponding Secretary, for her faithful and reliable proofreading and relaying necessary information. I look forward to continuing this service to the State Society in the coming year.

STATE REGENT'S PROJECTS - Wanda Petriello Fincher

Meadow Garden is on our minds. The year began when small flower pots were obtained and a daughter's hands painted them, with Meadow Garden in mind. These were given to Chapter Regents at workshop and Fall Board of Management. It was suggested that the pots be passed among members at chapter meetings with the money designated to Meadow Garden, State Regent's Projects. From Chapter Regents' comments, this has been most successful. Aprons were ordered with the DAR logo in two styles. They are \$25.00 each and a small number are still available. Many of the aprons made an appearance in the Chapter Regents night parade. As Georgia daughters continue to pass the pots and dig deep with their hands reaching out to serve, many goals of our State Regent can be reached. Thank you for giving this chairman's hands an opportunity to be of service to the DAR, Meadow Garden, and this administration.

TIMEKEEPERS - Billie Gray Holt

The Georgia State Society Timekeepers, euphemistically referred to as the "ding-a-lings", are once again hard at work. Everything is running smooth, so the bell is not much used. For this, our hats are off to you!

TRAVEL COORDINATOR - C. Telia Cunningham

Georgia Daughters enjoyed the 2006 Georgia Bus to Continental Congress. Daughters campaigned for candidate Vice President General, Shelby Whitson. We installed, Laura Reid, our new State Regent. The 2007 Georgia Daughters and family will be "All Aboard" for an exciting train trip to Continental Congress. Rooms have been booked again at the Doubletree Inn and Suites in Foggy Bottom and bus transportation has been arranged for travel to and from the evening sessions at Constitution Hall. Georgia daughters look forward to meeting and traveling with others from all over the state. This is a grand opportunity to visit with old friends and make new ones!!

Meadow Garden

MEADOW GARDEN - Josephine Rhodes Agostas

Meadow Garden is getting a new roof with new dormer windows. Thanks to the Daughters who bought roof pins. The walls in the kitchen and work rooms have been repaired and painted. The brick floors have been washed. All furniture and cooking utensils have been cleaned and waxed. Our curtains and spreads have been laundered. We now have a lovely gift shop in our former board room. Our grounds have been maintained with tender loving care. It is my pleasure to serve as your Meadow Garden Chairman.

MEADOW GARDEN DOCENTS - Billie Gardner Hunter

The Docent program is an important part of Meadow Garden. During the Christmas Candlelight Tour 10 docents decorated the house and between 30 and 35 worked during the three days giving tours, selling tickets, serving refreshments, selling bake goods and our gift shop items. As you can see we could not have had the Open House without the docents. A docent workshop is planned for Monday April 16, 2007 and Friday June 1, 2007. All DAR members are invited to attend and become involved with your house.

MEADOW GARDEN FURNISHINGS - Patricia Cown Burnam

This year our State Society acquired Past Perfect Museum Software, enabling us to begin an intensive physical inventory of Meadow Garden's valuable furnishings. The software program includes media software that enables us to add a number of pictures for each item. The capability to record and track donors, sources, provenance and location among many other items of information make this program invaluable to our recording our inventory. This Chairman has attended two classes offered in our area by Past Perfect Software. It has been this Chairman's primary goal to locate as much history of each item as possible, using the inventories from 1909 to the present, as well as the appraisals and written or verbal information given to her. More information has been obtained by reading the State Proceedings Meadow Garden reports from 1902 to the present. The four chairs that were returned for repainting two years ago were retrieved by this Chairman driving to Illinois, a total of 2100 miles. They have been placed in the Heritage-Education Center with the approval of the Meadow Garden Board. We are working toward our State Regent's goal for Meadow Garden by acquiring audio-visual equipment to be installed and secured in a built-in corner cabinet designed and built for that purpose to go in the Heritage-Education Center. We have also designed and built pedestals for the three Signers' busts. Travel for this Chairman has resulted in twelve trips to Meadow Garden, three of them overnight, for a total of 6000 miles, only including the trip to Illinois and travel from Macon to Augusta. Madam Regent, it is a privilege and a great pleasure to serve with the Meadow Garden Board and the State Society under your leadership.

MEADOW GARDEN LANDSCAPING - Margaret Poole Cagle

The yard is maintained weekly with a yard service. The light on the Flag Pole was repaired and the sprinkler heads on either side of the front steps were capped off to improve the water problem under the house. New gate alarms were installed on both gates. Additional lighting of the grounds will be installed.

MEADOW GARDEN GIFT SHOP - Charlotte Josephine Christian

This chairman is pleased to announce that with the assistance of the State Regent and Honorary State Regent Lanette Reid the Meadow Garden Gift Shop has moved into a larger area, now housed in the old board room. New inventory has been obtained, merchandised and is selling well. New items include the Southernness brand of candles, powders and room sprays; shoe sachets; children's toys and books, a new line of historical cookbooks and Meadow Garden

tins of benne wafers and chocolate mint cookies. This chairman would like to thank everyone who has worked and purchased items that have enabled the Meadow Garden Gift Shop to be a success this year. Madam State Regent, thank you for allowing me to serve the State Society in this capacity and I look forward to another successful year.
