The Georgia Room – Peter Tondee’s Tavern

Commemoration Program

July 10, 2008

The Commemoration Program was held on Thursday, July 10, 2008, at 8:00 a.m. at the Georgia Room – Peter Tondee’s Tavern, Washington, DC, with Laura Marcella Reid presiding. Ms. Reid extended a warm welcome to all those in attendance. The invocation was offered by the State Chaplain, Virginia Grace Lingelbach.

The State Regent announced the Georgia Room was recently used for storage by the National Society while their storage space was being renovated. During the transition it was decided to paint the walls and ceiling of Peter Tondee’s Tavern. The ceiling was in need of repair work from moisture damage, and these repairs were completed as well.

The Georgia Room, dedicated over thirty years ago and named Peter Tondee’s Tavern, is one of the most authentic period rooms of the National Society’s Museum. The furnishings are based on the inventory of Peter Tondee’s will. Three of the Past Curators General have agreed that the Georgia Room is complete and does not need any additional furnishings. As the first Georgia reading of the Declaration of Independence took place at Peter Tondee’s Tavern, the National Society’s Museum Staff positioned a reproduction of that document in the room.

Lanette Haar Reid, Honorary State Regent, briefly explained how the space for the Georgia Room was acquired and shared the vision of the Georgia Daughters with the group.

Michelle Mott Juehring, Curator General, thanked the Georgia Daughters for allowing the National Society to use the Georgia Room during the renovation efforts. She also commended them for making historic preservation a priority by maintaining an authentic period room. Mrs. Juehring introduced the staff members who were present at the Commemoration Program.

The State Regent thanked the Curator General for her support with the preservation of the treasured Georgia Room. She also thanked the staff members who help maintain the room on a daily basis.

Ms. Reid thanked all members and guests for attending. The State Chaplain gave the Benediction at 8:20 a.m.

Reports of State Officers

STATE REGENT Laura Marcella Reid

This State Regent is grateful to you for giving her the opportunity to represent you and the Georgia State Society, NSDAR. Thank you for the encouragement and support that has led the Society to further the goals and objectives. Meadow Garden has been the focus of this administration with the emphasis on relating the story of George Walton to create awareness of Meadow Garden throughout the state. Today, the Georgia Daughters can boast of the following accomplishments. A Meadow Garden DVD tells the story of George Walton and Meadow Garden in every public middle school and every private middle school with an enrollment of 300 plus in the State of Georgia. A Meadow Garden billboard is located on Interstate 20 at mile marker 105. Meadow Garden colored brochures, along with the Meadow Garden DVD, are housed in all the Georgia Welcome Centers. Every visitor can enjoy a tour of Meadow Garden, either by physically touring the historic house or by watching a virtual tour of Meadow Garden in the George Walton Heritage Education Center. There are two Meadow Garden websites, one catering to the public, and the other for Georgia Daughters telling how the Georgia State Society acquired Meadow Garden and the various projects being pursued. Meadow Garden is now advertised at Augusta Regional Airport, and the signage for Meadow Garden is now enhanced in the Augusta area. Meadow Garden will be featured in a co-op ad with the Augusta Convention and Visitors Bureau in Southern Living magazine. Meadow Garden was featured in historic preservation portion of the National Society's Today's DAR video. Meadow Garden participated in the Holiday Candelight Tour with Historic Augusta Foundation which has increased awareness and generated revenues. Special Meadow Garden seed packets filled with seeds of flowers from the grounds of Meadow Garden are available for purchase. A proclamation was signed by the Governor of Georgia recognizing George Walton of Meadow Garden on Georgia Day in February. Treasured items at Meadow Garden are now inventoried in greater detail using a Past & Perfect software, along with an assessment and deassessment program enabling us to better manage the inventory. Members of the Meadow Garden Board have entertained the civic leaders of the Augusta area and tourism industry personnel to better acquaint them with the historic house. Programs have been given on Meadow Garden throughout the state of Georgia Daughters in their communities. There is a cookbook in process of being produced from which proceeds will go toward the maintenance of Meadow Garden. The Meadow Garden Gift Shop has been relocated and restocked to attract more business, which has produced increased revenues. Work is in progress in the Augusta Room for an interpretive/educational center that will enrich our relating the story of George Walton and Meadow Garden. A management system has been established for rental of the George Walton Heritage Education Center, and educational seminars are being planned to be offered on a quarterly basis. Participation in the Patron Program is the highest it has ever been. The Meadow Garden Advisory Board has been established to be a resource for sound advice from experts in various fields. The Stribling Room in the George Walton Heritage Education Center is being furnished with filing cabinets and bookcases to house the Georgia State Society's important papers and the "Evelyn Sears Waite Collection of Georgia State Proceedings." Repair and maintenance work are continuously being completed to protect and secure the preservation of Meadow Garden, and every member of the Georgia State Society has had an opportunity to be part of the Meadow Garden projects. Georgia Daughters are very diverse and have not just concentrated on Meadow Garden.

This State Regent has visited the office of Georgia's Governor for the signing of three proclamations: September 17-23 as Constitution Week; November as American Indians Month; and most recently, a special recognition to George Walton of Meadow Garden on Georgia Day in February. Georgia Daughters' contributions to the DAR Schools and to the approved schools are third in the nation, only behind Texas and New York, exceeding \$53,000 per year during the last two years. The Georgia State Society DAR School projects have had generous support. At Kate Duncan Smith DAR School, every middle school and

every high school classroom now has whiteboards; the halls are lined with bulletin boards; and the library has a portable whiteboard and easel. With this project completed in the first year of this administration, the State Society chose to support the Kate Duncan Smith DAR School Endowment Fund at the Patriot funding level, with a donation of \$5,000. Any additional funds will go to the Jenny Bailey Scholarship Fund. Jenny Bailey is a KDS graduate who began her studies at Berry College this fall. She is the recipient of the Edna deLamar Kendrick Endowment Scholarship, which assists with her tuition. At Kate Duncan Smith, the Jenny Bailey Scholarship Fund was established to also assist with these expenses. The Georgia State Society worked with Berry College to arrange for Jenny to receive the Edna Kendrick Scholarship every year she studies at Berry. At Tamassee DAR School there are new proscenium curtains, legs, and back drop curtains in the May Erwin Talmadge Auditorium. Also record donations of thrift have been delivered to Tamassee. At Berry College, the Georgia State Society awarded the "Georgia State Society, Daughters of the American Revolution, Student Teaching Award for Community Service" to its first recipient, Renee Frances Stanton from Canton, Georgia during the Awards Program. This officer is pleased to announce that the principal of this award now exceeds \$5,000. The Georgia State Society has approximately \$500,000 of DAR Scholarship funds in Georgia universities and colleges. These funds and their qualification requirements have been reviewed and amended to make them more accessible to students. Loans have been converted to scholarships and awards, and requirements have been amended within legal boundaries to make funds available to a broader student base in need of funds. During this administration, the State Society membership exceeded 7000 members, and three new chapters were organized. The Georgia State Society now has its own domain, and efforts are still underway to have all chapter websites on the State Society domain. This State Regent has been honored to represent the Georgia State Society on the National Bus Tour, the Georgia State C.A..R. Conference, the Mississippi State Conference, the Alabama State Conference, and the Texas State Conference. She will be attending the Nevada State Conference, the District of Columbia State Conference, the Tennessee State Conference, and the Arizona State Conference. The Georgia Room, Peter Tondee's Tavern, has had repair work on the ceiling and a fresh coat of paint. Commemoration of the Georgia Room will be held on Thursday, July 10, at 8:00 a.m. during Continental Congress. This State Regent thanks you for the many wonderful memories and for sharing your hands, your hearts, and yourselves to accomplish so much. Always remember "Daughters' hands reach out to serve." and "the Lord thy God, shall bless thee in all the works of thine hands ..."

GEORGIA STATE SOCIETY, NSDAR
NOTES TO FINANCIAL STATEMENTS

June 30, 2008

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Georgia State Society, NSDAR (the Organization) is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management, who is responsible for their integrity and objectivity.

1. **Nature of Organization**

The Georgia State Society, NSDAR (the "Organization") is a volunteer women's service organization created to promote patriotism, preserve American history, and secure America's future through better education for children.

2. **Basis of Accounting**

The financial statements of the Organization have been prepared on the modified cash basis of accounting, a comprehensive basis of accounting other than Generally Accepted Accounting Principles. Accordingly, revenue is recorded when received rather than when earned and expenses are recorded when paid rather than when incurred.

3. **Basis of Presentation**

Financial statement presentation follows the recommendation of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. A description of the three net asset categories follows:

Unrestricted

Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted

Net assets whose use is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the passage of time.

Permanently Restricted

Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization.

4. **Use of Estimates**

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, *continued*

5. **Cash and Cash Equivalents**

For the purposes of the statement of financial position and the statement of cash flows, the Organization considers all cash on hand, highly liquid bank deposits, and short-term debt securities with an original maturity of three months or less to be cash equivalents.

6. **Property and Equipment**

Major preservation or restoration projects are capitalized and depreciated over an estimated useful life of fifteen years. Additions and betterments of \$750 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, principally using the straight-line and 200% declining balance methods.

The estimated useful lives in determining depreciation are:

| | <u>Years</u> |
|------------------------|--------------|
| Building | 27.5 |
| Building improvements | 15 |
| Furniture and fixtures | 10 |

The Organization does not capitalize collections and historical treasures. Meadow Garden and its contents are historical treasures and are insured for approximately \$325,000.

Depreciation expense for the year ended June 30, 2008 was \$7,202.

7. **Donated Services**

Many volunteers have made significant contributions of their time to develop and promote the programs of the Organization. The value of these donated services is not included in the accompanying financial statements, as such services do not create or enhance non-financial assets or require specialized skills. If donated services received either create or enhance non-financial assets or required specialized skill which would need to be purchased if not donated, the value of those donated services would be recorded in accordance with SFAS No. 116.

GEORGIA STATE SOCIETY, NSDAR
NOTES TO FINANCIAL STATEMENTS

June 30, 2008

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

8. Other Contributions

In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of donor restrictions. Contributions are recognized when received by the Organization. Conditions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, restricted net assets are reclassified to unrestricted net assets.

9. Membership Dues

Membership dues are recognized when received.

10. Advertising

Advertising costs are expensed as incurred. Advertising expense for the year ended June 30, 2008 was \$4,233.

11. Income Taxes

Georgia State Society, NSDAR, a nonprofit organization operating under Section 501(c)(3) of the Internal Revenue Code, is exempt from federal, state, and local income taxes and, accordingly, no provision for income taxes is included in the accompanying financial statements for the Organization.

NOTE B - FINANCIAL INSTRUMENTS AND CONCENTRATIONS OF CREDIT RISK

The Organization's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents.

The Organization maintains its cash deposits with highly rated financial institutions. At times, such deposits may be in excess of federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk of loss.

NOTE C - AFFILIATES

The Organization collects membership dues and donations from its local Georgia Chapters for the Organization and the National Society of the Daughters of the American Revolution.

CHILDREN OF THE AMERICAN REVOLUTION - Iris Bridges McRee

Georgia daughters' hands have reached out and served the Georgia Society Children of the American Revolution in many ways during the past year. Thirty-four DAR chapters reported participation with the C.A.R., twenty chapters sponsored a C.A.R. Society, twenty-four chapters provided senior leadership for our organization, and nineteen chapters held joint activities or projects with the C.A.R. The Georgia Daughters interacted with the C.A.R. in numerous programs, meetings and functions. It is evident that Georgia Daughters know exactly how to reach out and serve C.A.R., promoting patriotism and Love of Country among these young people. Under the leadership of Sarah Anne Dorney, State President, the Georgia Society Children of the American Revolution successfully contributed to "Preserving the Past, Education the Future", by raising over \$8,000 to place *Pirates and Patriots of the Revolution* in every fourth grade classroom, public and private, throughout the state of Georgia. These books will be a helpful resource for teachers and students alike as the schools integrate the new Georgia State Social Studies curriculum. I would like to thank the Georgia Daughters for their support of this project. The future of C.A.R. is very much alive with more new and organizing societies than ever before. This is due to the strong leadership, financial support and promotion of membership provided by the Georgia Daughters. Each Chapter and each Daughter is to be commended for their commitment and efforts to train young people as future members of DAR. Congratulations to the William Day Chapter for documenting the most participation and involvement between the C.A.R. and DAR and the Atlanta Chapter for documenting the most financial contributions to the C.A.R. In closing, I would like to challenge each of you to become more involved with your local C.A.R. Society because C.A.R. is your future.

This year the Georgia Room was one of five "States Rooms" in Memorial Continental Hall used for space to house the many museum items in the museum storage area while the museum storage area was being renovated with new air-conditioning, heating and lighting for the DAR Museum upcoming re-accreditation with the American Association of Museums. This saved the National Society several thousand dollars and outside storage fees, and gave them more control over the objects needing to be removed from the storage area. Following the use of our Georgia Room space by National Society, our Georgia Room space is having repairs made to the ceiling and the walls painted. When our furnishings are replaced, our room will again be a replica of Peter Tondee's Tavern "Long Room". STATE GENEALOGY CONSULTANT - Dee McCranie Redkevitch
Last April, I invited two genealogists from the Genealogy Department in Washington to teach the second Field Genealogy Workshop. 87 people attended for two days in Kennesaw. Everyone expressed that they learned so much watching the PowerPoint presentation. Questions were answered and a special emphasis was placed on articulating a "How to do an Analysis" methodology. Registrars are now using this latest recommended approach. Washington is processing papers more quickly now due to the many workshops given all over the United States. They especially praise Georgia and emphasize submitted papers are exceptionally well prepared. This chairman has spent many hours helping people with their problem papers. Many of the first choice connections work. This year many workshops were held throughout our State. This chairman participated in six and presented genealogy search overviews at meetings for two Chapters. There were 26 Regents who recommended daughters for the "Volunteer Genealogist of the Year" award. Because of her perseverance, constant dedication, finding and working with prospects and efforts at organizing and holding workshop sessions, the Volunteer Genealogist of the Year Award to Judy Hughes, member of the Fayette-Starr's Mill Chapter.

Care packages were also sent to DAR daughters' family members, friends and troops in the Navy and Iraq. Cooling scarves worth \$235 were sent to Iraq through Soldier Angels. A KDS student serving in Iraq received \$150 for Araqi childrens' school supplies. Monetary donations were also sent - \$3680 to the DAR Project Patriot Fund, \$6458 spent on community projects, \$100 to the Daggar Brigade Fund, money for a permanent memorial to their fallen soldiers in Iraq; and \$100 to the USO Support Fund which helps traveling U.S. Military men and women at U.S. Airport operations and deployment. Every month one chapter supported the Active Duty Wounded Rehab Unit at the Uptown VA Hospital in Augusta with sweets, magazines and the "Loan a Plant Program" used for therapy.

DAR SPEAKER'S STAFF - Linda Cunningham Bhamé

The objectives of DAR Speakers Staff Committee are (1) to promote a steady increase in new members, (2) to act as a liaison between the National Society and Chapters, (3) to speak before civic and non-DAR groups in the community, and provide interesting programs for DAR chapters. Members of the Speakers Staff are recommended by the State Regent

and appointed by the President General for the National level. This committee is one of the most important committees in NSDAR. It is my pleasure to present the following report for the DAR State Speakers Staff: our speakers report a total of 173 programs presented to DAR chapters as well as to other lineage organizations, churches, and civic groups around the state and overseas. They traveled an amazing 35,484 miles at their own expense. As a Society we can be proud of these hard working speakers and the work they do in preparation and research to present informative programs. They work strictly as volunteers to spread our DAR message of patriotism, preservation and education.

LITERACY PROMOTION - Elizabeth Conaway Ruh

During this year, there were 58 chapters actively involved in literacy promotion, who submitted encouraging reports to this officer about literacy in Georgia. 202 individual members participated, either in tutoring adults or children or active in other creatively educational endeavors. There were 11,369 hours spent by DAR members tutoring children and 1,211 hours spent in helping adults. A total of 1,617 books were donated in the state of Georgia by our chapters. Josiah Tatnall Chapter donated books to the Georgia State Prison Library and Education Unit. John Laurens Chapter donated magazines to local laundromats and doctors' offices, as well as the free bin at the local library. Oliver Morton Chapter donated western novels to the local VA hospital. Two chapters, Augustin Clayton and Fort Peachtree, initiated The Dictionary Project, a nationwide project for third grade students, providing each student with his/her own dictionary. These are all uniquely wonderful ways to encourage reading and passing on our heritage to upcoming generations. College Hill Chapter donated an unknown number of books to a CAR drive for book donations, and seven of the books donated by the Colonel William Candler Chapter to the Gainesville-Hall County Library were from a collection that is over 112 years old. The Georgia chapters of the NSDAR are truly passing on the flame of knowledge.

PRESIDENT GENERAL'S PROJECT - Bessie Anne Hord Bretch

Calvin administration 2007-2010, "The Spirit of Hospitality Opens doors to opportunity" is the national theme, which involves the restoration and maintenance of our three beautiful and historic DAR buildings in Washington D.C. Constant use, time and the elements has taken its toll. We now have the opportunity and privilege by supporting this project. Chapters are continuing the \$2.00 per member for each year of the three year period. We invite the members to make a donation of \$50 to the project. The donors are qualified for the President General's Project pin. Donors giving \$1000 or more are eligible for the Calvin Administration Benefactor pin.

The above donations can be made through the state treasury or directly to the development office at 800-449-1776. The pins are ordered from J.E. Caldwell, DAR official jeweler. Chapter members participated in, or supported financially, 110 activities such as Relay for Life, March of Dimes, American Heart Association, Breast Cancer Research, Volunteering in Libraries, Hospitals, Voting Polls and in Blood Drives. They sent packages to the Military, had Conservation projects, donated to Gulfport victims and walked for Diabetes, Multiple Sclerosis and other Fund Raisers. 8 Women sent in essays and entered in the Women's Issues Contest. 8 chapters were represented in the contest. 3 State winners from the contest will be forwarded to the S.E. BUTTON GWINNETT SIGNATURE - Mary Kate Tribble

This committee has worked to increase Georgia's support to the Button Gwinnett signature fund. The signature has been purchased, but it is our goal to raise sufficient revenue to know that Georgia Daughters fully funded the acquisition of that signature for the National Society. Buttons are available and Daughters are encouraged to purchase to fund the cause. Your continued support would be appreciated.

CONFERENCE PAGES - Donna Raye Johnson

On behalf of the State Society and the State Regent, this Chairman extended thirty-five invitations to young women to serve as Pages at the 110th State Conference in Athens, Georgia. Thirty positive responses and five negative responses were received. Thank you, chapters, for nominating and supporting these young women who have taken time away from work and school in order to be at the Conference. Serving as a Page provides an opportunity to learn about the work of the DAR which helps to build a life-long interest in DAR as these young women learn leadership skills that will help ensure the future of our society. Thanks are given to the Pages for all the hard work that they performed. Appreciation is extended to the Elijah Clarke and the Reverend John Andrew Chapters and the Georgia

DAR for providing the room used for the Pages meeting and as a place for them to enjoy refreshments after the sessions. Thanks are also given to the vice chairmen, Ashley Lynne Fincher, Leslie Brannon Frick, Dawn Villanueva Levy, and Rebekah Lee Wysong for their hard work and support.

COORDINATOR OF DISTRICTS - Susan Durden Lemesis

The Coordinator of Districts' and the District Directors' first priority from day one of this administration has been our district's regents and chapters. We have worked to keep them informed about DAR requirements, encouraged them to attend conference and workshops and to meet all deadlines for Master Questionnaire, Honor roll and various reports. This Coordinator of Districts has installed officers and visited chapters across the state, even traveling to Florida for a speaking invitation. Programs were also given to SAR and other civic groups. The workshop and board of management guidelines were finished and are currently being used to plan the 2008 events. She attended Continental Congress, Workshops and State Board of Management. She extends her heartfelt gratitude to the District Directors for their dedication and hard work. It has been an honor to serve our State Regent and the Georgia Daughters in this capacity.

NORTHEAST DISTRICT DIRECTOR - Ida Best Smith Fischer

Serving as Northeast District Director has been an honor and privilege. This director attended the 2007 State Conference in Savannah, Continental Congress, Summer Workshop hosted by NE District Chapter, Col William Candler, Constitution Week Luncheon at Ansley Golf Club, State Board of Management in Columbus, participated in John Harris Grave Dedication in October, attended Veterans Day Celebration at Bellmere Garden House with William Day Chapter, Christmas Meeting honoring Tamassee School with Philadelphia Winn Chapter, and the first annual Georgia Day Program with Col William Candler Chapter February 2008. The Northeast District was excited to add a new Chapter – The Reverend John Andrew Chapter, Watkinsville. This Director communicated by mail and e-mails reminding Regents of deadlines and procedures and was rewarded by excellent feed back

from Regents. The Northeast Regents and their members have made me proud in their service to the Georgia State Society. Coordinator of Districts, Susan Durden Lemesis, has been invaluable to me in my term of service.

NORTHWEST DISTRICT DIRECTOR - Brenda Davison Jessel

Honor. This is the word which describes this District Director's experience with the Daughters of Northwest. These Daughters spend their time and resources honoring Veterans as well as today's Patriots in countless volunteer hours, material goods, and honoring those who have served with distinction in Historic Preservation and Military Service. Outstanding American History Teachers were recognized by many Chapters, including the State Winner from Abraham Baldwin. Augustin Clayton's Constitution Week Report won National honors. Etowah Chapter's 7th grade essay winner brought honors to this outstanding student and to the whole community. DAR Schools were the recipients of innumerable hours, dollars and thrift to encourage and educate. This District Director was honored to install new officers, present *Heroines of the American Revolution* programs, attend Chapter meetings and Anniversary Teas, Continental Congress, State Conference, Workshops, Board of Management, while communicating with Chapter Regents on a regular basis. **Honor!** meaning to "wreath, to surround." This District Director has been honored, wreathed, surrounded by cooperation and competence, joy and good judgment, grace and loving kindness from every NW Chapter. Love, imagination, dedication, generosity and tireless energy for God, Home & Country personify this District. The Bible states: "I thank my God upon my every remembrance of you." May God be praised for all these remembrances.

SOUTHWEST DISTRICT DIRECTOR - Sandra May Keadle

A dream job best describes my experience serving as SW District Director. Director of Districts Susan Lemesis' guidance and cooperation among district directors have only added much to this experience. District enjoyed many highlights this year. Held first Membership Workshop hosted by Barnard Trail and John Benning Chapters with approximately 40 members attending at Odom Genealogy Library. Much appreciation extended to Workshop Leaders Joan Childres, Judy Farrigan and Becky West. George Walton and Oglethorpe Chapters in Columbus hosted a well organized and very successful SBOM. This director enjoyed Constitution Week Luncheons held by Tallassee and Thronateeska Chapters as well as serving as guest speaker and installing officers for several chapters. The Southwest District is unique as it covers large geographic area with mostly small populations. However, many Southwest District Daughters' hands have stretched out and worked very hard to accomplish our Society's goals of God, home and country. Throughout director's term, State Regent Laura Reid offered her encouragement, ideas and support.

GEORGIA STATE CHORUS - Ann Bell Ragan

The wonderful response of the DAR members singing in the State DAR Chorus at the State Conference was inspiring to this Director. New members joined, old members remained loyal, the pianist was excellent, and the audience seemed to enjoy our program of Patriotic music and "fun" songs. We enjoyed singing This Is My Country, The Sound of Music, This Land is Your Land, Desserts Look Fine, She's (our lovely Regent) Got the Whole State in Her Hands, Rambling Wreck from Georgia Tech, Glory, Glory to Old Georgia, Dixie, and ending with God Bless America. HISTORY OF THE GEORGIA STATE SOCIETY - Marie D. De Lamar

The first two books of our history ended with the first year of an administration and since that time cost of paper and printing have gone higher and higher. Therefore the following changes have been made. We will begin with 1991/1992 and continue through the next ten administrations (or 21 years). This third book will then cover 1991/1992 through 2011/2012 and hopefully be published 2013. We wish to bring to the attention of each State Chairman and State Officer that their activities are included also. To do this it is necessary for them to send a report also. We need for them to pass to the next chairman and/or officer a book of instructions.

LUCY COOK PEEL - Ann Scott Williams

In 1923 Georgia State Society established the Lucy Cook Peel Memorial. To honoring Mrs. Williams Lawson Peel, she served the National Society as Vice President General in 1912-1913. Donation of funds by chapter, individuals and book sales are used for society publications. 2006 Membership Roll and Register of Ancestors, priced at \$20.00. These books are invaluable tools for chapter registrars, members and local Libraries. We still have available 1986 and 1996 and Membership Roll and Register of Ancestors and History of the Georgia State Society 1891-1981 and 1981-1991, a two-volume set.

NSDAR 50-YEAR CLUB - Laura Belle Wyatt Macrae

As of February 29, 2008 there are 199 Georgia Daughters who are members of the Georgia 50 Year Club from 67 Chapters. Of that number, 25 Daughters are Life Members of the National DAR 50 Year Club. Appreciation goes to the Chapters who responded to my request.

PROTOCOL - Alae Risse Barron Leitch

This Chairman is pleased with the Daughters, and they needed no reminders regarding protocol.

SCRAPBOOK - Glenda Hendry Carter

The 14 chapters of the Georgia State Society, NSDAR are to be commended for each scrapbook submitted for judging at the State Conference in 2008. All the scrapbooks demonstrate numerous activities and projects that Georgia chapters have been involved in, and their accomplishments during the past year. The responsibility to select winners proved to be complex but rewarding. Again, as "our daughter's hands reached out to serve", these scrapbooks provide us with an example of the work that our chapters are doing for the State Society and the National Society Daughters of The American Revolution. Winners are to be listed in the 2007-2008 Proceedings. Madam State Regent, thank you for this wonderful and exciting opportunity to serve the Georgia State Society under your leadership.

STATE REGENT'S SCRAPBOOK - Glenda Hendry Carter

Georgia Daughter's hands have been overflowing with activities during 2007-2008 with 73% of the chapters submitting articles for the State Regent's Scrapbook. This chairman continues to encourage the chapters to submit current projects to local publications, in order to educate their communities about DAR's perpetual involvement in patriotism, and preservation of our rich American heritage. Thanks to all the chapters who participated in this project. It has been rewarding to see all the events taking place in Georgia, and I know you will be proud to share this "Documentation-of-Works" with other Daughters for years to come. Madam State Regent, thank you for the privilege of serving in this chair.

SEATING AND PROCESSIONAL - Rena Morgan Setters

This Chairman is exceedingly grateful for all the positive feedback she received from Georgia Daughters as we embarked on our newest method of seating for Conference meal functions, assigned seating. Ladies, we appreciate your cooperation and patience, and thank you for making this new method a huge success! We are indebted to each Daughter who participated in a processional or recessional for your gracious acceptance of our direction; you were all simply lovely, and you lend such pageantry to our events! For their outstanding cooperation throughout the year, special gratitude is expressed to the entire Board of Management, the Conference Advisor, the Conference Chairman and her committees, all Hostess Chapters, the Coordinator of Districts and District Directors, and the Page Committee. The counsel of our "ex-officio member", Lanette Reid, was most welcome and indeed invaluable; and, the special assistance at this Conference of Ann Williams and Brenda Schilling is very much appreciated. This Chairman, however, would not be in her right mind were it not for her most capable and dedicated committee! Please accept the appreciation of the State Society and your Chairman for your hard work: Linda Akin, Mary Elizabeth Jackson, Linda Harvey and Jerry West. Madam State Regent, our deepest thanks are expressed to you for putting our hands...and our feet...to work serving you and the Georgia Daughters!

STATE DIRECTORY - Jean Cole Manker

STATE HONOR ROLL- Jacqueline Lawrence Keller

Ninety-eight State Honor Roll reports were received and verified by this chairman. State Honor Roll certificates were presented to 71 chapters who fulfilled all 15 requirements. Eleven chapters fulfilled 14 requirements and received Honorable Mention certificates. Awards are listed separately. Your chairman wishes to thank the following for their assistance in verification of the forms: State Officers: O.B. McCorkle, State Recording Secretary, Lynn Wright, State Corresponding Secretary; Phyllis Tanner, State Treasurer; Melodye Brown, State Registrar; State Chairmen: Dianne Cannestra, Credentials; Glenda Carter, Scrapbook; and Betty Harrah, Cookbook.

STATE INFORMATION HELP DESK - Jean Cole Manker

During the 2007-2008 reporting year, this chairman logged 59 requests for information and assistance from Georgia Daughters. This is 120 requests less than for the same reporting period for 2006-2007.

STATE REGENT'S PROJECTS - Wanda Petriello Fincher

The State Regent's Projects promoted the theme of "Daughters' Hands Reach out to Serve." The focus was on Meadow Garden and the DAR Schools. Flower pots were painted and given to each chapter regent to pass among members at chapter meetings to collect "change." This allowed many daughters to participate and money was designated to Meadow Garden. Aprons with the new DAR logo were sold and these proceeds all went to Meadow Garden. Generous support for the charming "circle of children" pins was successful in adding substantial financial support for the schools project. The theme of this State Regent proved many hands working together can accomplish much.

TIMEKEEPERS - Billie Gray Holt

The Georgia State Society Timekeepers report things have been on time because of the Georgia State Society "Ding-a-Lings". The committee expresses a thank you to each one reporting and a special thank you to those who kept to the assigned time – those who did not get a ding, ding, ding!

TRAVEL COORDINATOR - C. Telia Cunningham

This chairman reports that 22 daughters and 1 HODAR rode the train to Continental Congress. The group departed from the Atlanta depot on Monday June 25 in the evening and arrived in DC the following morning. They were joined by 13 more Georgia daughters who elected to drive for sightseeing or flew. The day was available for early registration, library work or rest. A charter bus picked up the group from the Doubletree Inn and Suites every night for the evening events at Constitution Hall and delivered them back to the hotel when the evening sessions were over. The group departed DC from historic Union Station on Sunday evening July 1 and arrived in Atlanta on Monday morning. By traveling at night this eliminated 2 nights stay in DC and a hotel stay prior to departure. The cost of this trip was under budget. In December, this chairman took a group of 3, all from South Georgia, to DAR Headquarters. This was a first for these ladies. We flew from Atlanta to DC and stayed at the Hotel Washington. The next day we had a private tour with a docent of the Period rooms many of which were decorated for the Christmas season. Having the library to ourselves was a real treat! Headquarters was lovely and festive. In the evening, the group took in a play at the Kennedy Center. We flew home the next day leaving the Christmas snow behind that had started falling that morning. Plans are in the works for another train trip to Continental Congress, this time departing from Savannah in the morning and traveling during the day.

An antique library table for the Heritage Building was also accessioned from a member of that Chapter. An original painting of Meadow Garden done by the son of a member of the George Walton Chapter was presented by Kitty Thompkins. A leather photograph album has been completed of the home of Madame LeVert and will be placed in the Augusta Room, some showing photographs of furniture in the Dining Room at Meadow Garden. MEADOW GARDEN LANDSCAPING - Margaret Poole Cagle

General lawn work continues on a weekly basis thru Nov. and then as needed until March. Lots of pruning has been done this summer and more is needed. The grape vine, roses on back fence and crape myrtle trees were trimmed this year. Roy Cagle has added two lights to the flagpole. One is aimed toward the flag and the other one on the front door. Jo Agostas, former Landscaping Chairman continues to work in the yard.

MEADOW GARDEN GIFT SHOP - Charlotte Josephine Christian

It appears the move of the gift shop was both wise and profitable. Sales are up and the ability to merchandise more easily has been an uplifting experience for Susan Jackson and others. Several new items have been ordered for the gift shop, including paper dolls, handbags and magnets bearing the Meadow Garden artwork of Barbara Chastain. We expect these items to be big sellers! The shop will continue to offer such popular items such as Meadow Garden coasters, “Southernness” products and children’s toys. Many thanks to Laura Reid, State Regent, for her foresight in bringing about this move and for her assistance with the shop’s inventory purchasing. We could not have done it without her!

The Joseph Habersham Chapter has focused this year on the recruitment of new members, but not just any new members. We have focused on bringing in multiple generations of members – grandmothers, granddaughters, aunts, nieces, mothers and daughters. We have found that by focusing our recruiting efforts on these multi-generational groups it has created a sense of continuity within the Chapter. If you look back at the history of the Chapter, you can clearly see the important role that family membership played the creation of a strong and vibrant chapter. We are encouraging each prospective member to bring another eligible family member with them to our meetings and then they are paired up with a similar family group from our membership. The Chapter members then provide them with guidance and encouragement that they can then pass on to other prospective members in their own family. This provides the new members with a sense of involvement in the Chapter, thus ensuring the Chapter of a bright and prosperous future.

CHAPTER ACHIEVEMENT- LEVEL 1

State Honor Roll

The Thomasville Chapter continues to grow in membership, attendance, and getting to know each other better. We are trying to stress history and want to focus our programs on patriotic, historical, and educating our public and students, too. Meeting at noon, having lunch, then meeting has helped to increase attendance and interest. Our annual Christmas Tea was an outstanding success. The community was very interested in our chosen Historical House so we had very good attendance. The proceeds will finance our annual scholarship and helps to promote our educational projects and the DAR schools. Besides giving us publicity, the Tea helped us emphasize our part in the community. The first program of the new year our program chairman, Mary Friend Shepard, emphasizing history presented a power point questionnaire. We divided into teams and she asked us questions we should know. Needless to say, we learned that we need to learn and study more. We continue to support our DAR schools. This year we were able to give substantially to the thrift shop at Tamassee and Crossmore as well as help financially. The contributions of all the members helped to make this an outstanding year.

Our chapter had a busy and productive year. We visited the Flint River Quarium and learned about our native habitat. A yard sale was fun and productive. On Flag Day we retired some worn flags, and enjoyed a picnic. Attended State Conference, Continental Congress (on the train), Workshop, and Fall Board. Constitution Week Luncheon is always memorable as we invite chapters from our District and the SAR to participate. We had many interesting and informative programs. A highlight was a Tea in November honoring State Regent, Laura M. Reid. It was a wonderful time as we became better acquainted with Laura, and were also able to share some of our chapter's history with her. Innisbrook sales were a success. We presented an ROTC bronze medal, sent contributions to the Veterans Hospital and planted a tree for Arbor Day. We became a Patron at Meadow Garden. Our chapter birthday was celebrated, and we commemorated our two Real Daughters and restored chapter's historic gavel that was presented in 1895 by our founding Regent. We welcomed three new members that are Juniors and found prospective members that we are helping complete their paperwork. We have accomplished much but know there are more opportunities.

Our chapter continues to demonstrate its historic commitment to youth, education, and our nation's veterans. In May, along with seven DAR Good Citizenship medals, we presented our first DAR JROTC medal to the outstanding graduating cadet at Habersham Central High School's new AFROTC program. During the fall, the DAR American History Essay Contest and the DAR Good Citizen Contest again attracted good participation in area schools. In December, we delivered Christmas cards to inpatient veterans at the VA Hospital in Decatur, followed by boxes of comfort items in February. In addition, two outstanding American women—our founder Addie Bass of Clarkesville and America's "Poppy Lady," Moina Michael of Athens—were featured during chapter programs. Chapter members went "on the road," too, traveling to Tamassee DAR School in October and to Kettle Creek Battlefield in February in lieu of in-house chapter meetings. Our long-range membership initiative resulted in one new member, verified in February 2008, with several other prospective members' papers nearing completion. As our chapter celebrated its 98th anniversary in June, we pledged to continue to work to increase local awareness of chapter contributions to the community and build momentum for our chapter centennial in 2009.

We have continued to award two Good Citizenship monetary awards to seniors at Cedartown High School and Rockmart High School. NATIONAL SOCIETY CHILDREN OF THE AMERICAN REVOLUTION

The Georgia State Society Children of the American Revolution had an outstanding year "Preserving the Past, Educating the Future" under the leadership of State President, Sarah Anne Dorney. The State President's Theme, "Preserving the Past, Educating the Future", raised \$11,000 to place the book, *Pirates and Patriots of the Revolution*, in every fourth grade classroom, public and private, throughout the state of Georgia. These books will be a helpful resource for teachers and students alike as the schools integrate the new Georgia State Social Studies curriculum. G.S.C.A.R. State Workshop was sponsored by the Lucy Spell Raiford society and was held at FDR State Park in Pine Mountain, GA. Skits were presented to share information about the object of the national Committees. Members enjoyed a pool party while senior leaders learned more about C.A.R.

The State President participated in several grave marker dedications throughout the year by laying wreaths on Revolutionary Soldiers' resting sites. The Government Studies Seminar, chaired by Sydney Wynn McRee of the Sukey Hart Society, was sponsored by the Sukey Hart Society, and was held at the High Street Church in Macon, GA. Members learned about the Department of the Interior. Our 69th Annual State Conference was held in Peachtree City, GA, at the Wyndham Conference Center on February 23-24, 2008, sponsored by the Button Gwinnett Society. Mr. Terry Manning brought greetings from the GA S.A.R. and Ms. Laura brought greetings from GSSDAR. The personal pages to the State President were Abigail Napier and Rachel Fitzgerald, and the personal page to the Senior State President was Madison Hinckley. Recognized for general excellence was the Martha Stewart Bulloch Society and the Lucy Spell Raiford Society was recognized as the Most Outstanding Society. New State Officers were elected and silver awards were carried home to be displayed for another year. Sarah Dorney attended the GSSDAR and GA S.A.R. Annual Conferences in Athens, GA, and brought greeting from G.S.C.A.R.
