The President General has tentatively committed to attend Thursday night of State Conference. A planning meeting for State Conference is set at the Atlanta Evergreen Marriott Conference Resort in Stone Mountain for December 6. Corresponding Secretary Amy Lawson reported the following: the State Directory was published; the Proceedings distribution list was amended; the “click rate” of the mass emails being sent from the State Society is excellent; and a security certificate has been ordered for the state website. Ms. Lawson is currently working on an online platform for the chapters’ annual reporting requirements.

Organizing Secretary Helen Powell gave her report, the content of which is in the State Board of Management minutes.

Treasurer Charlotte Christian reported that a QuickBooks update has caused her to defer reporting on the contents of the balance sheets, but otherwise reported that the transition of receiving monies via PayPal has been largely successful: over \$10,000 has been collected already for the Constitution Week luncheon, \$9,000 for State Board of Management, and over \$18,348 for State Regent Project’s sales and donations. Ms. Christian has received overwhelmingly positive feedback from chapter treasurers regarding the instituted changes. The State Society’s audit was completed without incident.

Members are encouraged to wait to enroll in GEP I and II classes until the newest version is uploaded by the National Society on December 3. Ms. Brown shared the national projects, which include the procurement/refurbishment of the Banquet Hall table and chairs and ensuring ADA compliance in the National Society's administrative offices. She updated the members regarding the status of transitioning to national online dues payments. Four hundred chapters across the nation have already enrolled, and it is estimated that it will take seven days for online dues payments to be fully processed from date of submission. November 30 is the deadline for chapters to enroll, and Ms. Brown hopes every chapter will take full advantage of this opportunity. Ms. Brown lastly extended her thanks to the individual chapters and members for their extreme dedication and "boots on the ground" mentality that has realized the State Society's goal of honoring patriots of the past, supporting patriots of the present and preparing patriots of the future within Georgia's communities.

Mrs. McCorkle thanked Ms. Brown for her outstanding leadership. The Georgia Daughters responded with a standing ovation.

The State Regent resumed the chair. Julie Prince, Chair of the Credentials Committee, gave the first credentials report. As of 8:15 a.m., Mrs. Prince reported the following attendance: 4 Honorary State Regents, 8 State Officers, 35 Chapter Regents. Total Voting Strength: 45. Also present were: 1 Parliamentarian, 1 Coordinator of Districts and 3 District Directors, 2 National Chairs, 11 National Vice Chairs, 32 State Chairs, 18 State Vice Chairs, 24 chapter members, and 1 guest. Without duplication, 115 representing 53 chapters were in attendance. Mrs. Prince **moved the adoption of the first credentials report. Adopted.** A quorum was established.

The State Regent called for executive committee reports.

State First Vice Regent O.B. McCorkle assisted the State Regent with the following: streamlining and consolidating the many reporting forms of the Georgia State Society; updating the Chapter Regents' Annual Calendar; redesigning the format of District Workshops; and determining courses of action regarding Meadow Garden. This officer serves as Secretary to the Finance and Resolutions committees, as well as the Meadow Garden Board. This officer has presented programs at chapter meetings and is working with Stephanie Kupecky Chasez, Special Events Coordinator, to plan for an event for Georgia Daughters at the 128th Continental Congress.

State Second Vice Regent and DAR School Chair Betty Harrah conveyed that Georgia Daughters had great attendance at Tamassee Founder's Day and KDS Dedication Day. Mrs. Harrah represented the State Regent and the Georgia Daughters at Kate Duncan Smith DAR School's Dedication Day ceremonies and presented the gifts from the Georgia State Society. Last week, Mrs. Harrah along with the State Regent and approximately twenty other Georgia Daughters attended the Hindman Day at the Races at Keeneland in Lexington, Kentucky. Mrs. Harrah reported the Master Plan for the May Irwin Talmadge Auditorium at Tamassee DAR School by Greg Jacobs with Landmark Preservation is finished and work will begin soon to restore the windows. The State Regent has chosen Special Projects for all the schools. With the approval of Kay Hightower, the Hightower Award monetary requirements are now on the Chapter Treasurer's Annual Report, which will simplify reporting. These donations are due November 1. Mrs. Harrah encouraged members to visit the schools to see the wonderful things they are doing for the children in their area. She has received many invitations to speak to chapters throughout the state to tell the DAR School story. Mrs. Harrah has the "Target Education" Apple and Arrow pins for a donation of \$25.

State Chaplain Mary King Givens worked with chapter chaplains to receive the new Birthdays – 90th or Greater and Deceased Member forms. Sessions regarding duties of the chaplains were held at each of the district workshops. There are 279 Georgia Daughters celebrating 90-years old or greater Birthdays. Since July 1, Mrs. Givens has sent 128 birthday cards. There are four members who are 100 years old, four who are 101, two who are 102, three who are 103, and two who are 105. Since March 5, 2018, Eighty-one member deaths

have been reported and sympathy cards sent to the next of kin when supplied by the chapter chaplains. Deceased members will be remembered at the 2019 State Conference.

State Recording Secretary Kate Cook stated work is underway on the 2018-2019 Proceedings and reminded members of filing deadlines by referring them to the Chapter Information Packet (CIP) submission. Mrs. Cook presented the Recommendations from the Executive Committee.

The Executive Committee recommends the State Board of Management ratify the appointment of Amy Bolin Nation to the office of State Historian. Adopted.

Mrs. Cook requested the First Vice Regent take the chair for the remaining Recommendations from the Executive Committee.

The Executive Committee recommends to the State Board of Management that five hundred dollars (\$500) be donated to the NSDAR Library in honor of Georgia State Regent Melodye G. Brown for the purchase of books for the Georgia collection. The check will be sent after January 1, 2019 for use in that year. Adopted.

The Executive Committee recommends the State Board of Management approve and adopt the following as a State Project, selected by State Regent Melodye G. Brown: For the Georgia State Society, NSDAR to support the Gate of Opportunity Scholarship program at Georgia's own Berry College by sponsoring student scholarship recipients at a cost of six thousand five hundred dollars (\$6,500) per scholar per year. Combining our donations with student work and a matching grant allows student recipients to graduate debt free. The number of student recipients will be determined by the amount raised. Any excess funds will be applied to the Capital Improvement Fund of Meadow Garden. Adopted.

The Executive Committee recommends the State Board of Management approve and adopt the following as a State Project, selected by State Regent Melodye G. Brown: For the Georgia State Society, NSDAR to fund implementation of the Master Plan for Historic Restoration and Preservation of Meadow Garden, which was prepared by Landmark Preservation LLC, and approved by the Meadow Garden Board. Projects will be initiated based on current assessment of priorities and funds available. Any excess funds will be applied to the Capital Improvement Fund of Meadow Garden. Adopted.

The State Regent resumed the Chair and continued with the state officer reports.

State Corresponding Secretary Amy Lawson has been coordinating with Volunteer Information Specialists Committee (VIS) to ensure Constant Contact communications have been delivered. She urges all chapter regents to review chapter members' emails and correct if necessary. Mrs. Lawson ensured all appropriate mailings were made to Honorary State Regents. The 2018-2019 State Directory was prepared and made available both in print and online through the members-only website. Certificates of Award and Certificates of Appreciation were made available. Mrs. Lawson also worked extensively with the VIS Committee on the CIP and reporting forms prior to District Workshops.

State Organizing Secretary Helen Powell reported that the State Society has 114 chapters. No chapters are currently merging or disbanding. On August 5, the National Board of Management confirmed Rebecca Katherine Croft as Organizing Regent to form a chapter in West Augusta. The name "Stallings Island" has been approved. The chapter will meet on weekends to accommodate working women and mothers. On September 5, Michelle Workman's appointment as Organizing Regent was extended for one year to complete formation of a chapter in Lookout Mountain. This group has surpassed the required 12 members-at-large. They are working on chapter name submissions and are hoping to organize with at least 20 members. Mrs. Powell has traveled to both cities and met with these enthusiastic groups to offer assistance, in addition to phone calls, emails and texts. Mrs. Powell participated with the five Cobb County chapters on their joint service project and traveled to Dunwoody where she presented the program "Membership Matters" to the Roswell King Chapter. Mrs. Powell will attend the 125th Anniversary celebration of the Mary Hammond Washington Chapter and Suwanee Creek's historic marker dedication. She will bring greetings on behalf of the State Regent on November 3 for the grave marking in Elbert

County with the Stephen Heard Chapter.

State Registrar Melody Porter reported there are currently 8,091 Georgia members in 114 active chapters. NSDAR has assigned 20 volunteers to the Georgia State Application Team (SAT), although one has moved and cannot be replaced until August 2019. The Volunteer Genealogists are working with 11 chapter registrars and one organizing chapter. Current member applications submitted to the National Society are: 201 applications for new members, which have not yet been verified; 24 applications for new members which are verified but have not yet been assigned a member number; and seven applications for reinstated memberships, which are in process. Twenty-two "have-writens" and four pre-letters have been received. There are 825 prospective members; the SAT is currently working on approximately 72 applications, not counting previous year applications. Prospective members who do not reply or respond fully after several contact attempts are deleted from the list. An SAT article has been added to the GSSDAR website and SAT is actively working with new chapter registrars through the Volunteer Genealogists Committee. Twenty-four completed applications have been sent to chapters since July 1. Mrs. Porter extended appreciation to the following members: Patricia "Tricia" Cook Powers, Membership Chair; Brenda Davison Jessel Chapter Development and Revitalization Commission Chair; Brenda Williams Bush, Lineage Research Chair; Betty Crenshaw Looper, Volunteer Genealogists Chair; Lynn Ware Spratling, State Application Team Chair; and Teresa Meadows Floyd, DAR Genealogy Preservation Chair.

State Historian Amy Nation received approval for grave markings for the beloved departed members E. Lynn Brackey of the Sandy Springs Chapter and Shirley Jean Yerly Antle of the Earl of Camden Chapter. New Revolutionary War Patriot Otey Prosser's grave marking has also been approved. Since leading informative history forums at District Workshops, Mrs. Nation heavily promoted Constitution Week during September and introduced the guest speaker at the Constitution Week Luncheon. Mrs. Nation attended both the Governor's Constitution Week and American Indian Heritage Month proclamation signings. Mrs. Nation provided historic programs for elementary schools, attended the presentation of the Braille Constitution for the Atlanta School of the Blind, and participated in a colonial reenactment "Patriots on the Square." She packed comfort packages for troops and veterans hosted by the Cobb County chapters. Mrs. Nation enjoyed the Hindman Settlement School Day at the Races. She also attended a grave marking honoring James Wheeler hosted by Apalachee and Elijah Clarke Chapters. She has begun receiving entries for the Outstanding Teacher of American History Award. She plans to attend the historic marker dedication ceremony hosted by the Suwanee Creek Chapter, as well as Berry College's and Fort Oglethorpe's respective commemorations of the Great War.

State Librarian Vanessa Watkins-Nutty reported that from January through September 2018, 13 books have been donated from the following chapters: Atlanta, Bernard Trail, Colonel John McIntosh, Elijah Clarke, James Stewart, Philadelphia Winn, and William Day. Mrs. Watkins-Nutty has also fielded many inquiries from members and chapters on how to support the DAR Library, as well as their local community libraries, and wishes to thank the Georgia Daughters for their continued support of these institutions. Gratitude is expressed to Curator Portell; with her assistance, the GSSDAR Librarian's Book Club Facebook group is up and running. Members may find a link to join on the member's only Facebook page. The first group's book and discussion leader will be announced following this State Board of Management.

Curator Renee Portell reported all state property, including the American Flag, the Flag of the State of Georgia, and the NSDAR banner is presently accounted for and in excellent condition. Also accounted for, among other things, are one gonfalon, one ballot box, various time keeping instruments, several flag poles, stands and bases and several flag holsters, all of which are in excellent condition. The large, lighted DAR Insignia is currently being kept at the home of Corresponding Secretary Lawson; sincere thanks is extended to her for the safekeeping of our beautiful Insignia. Deepest appreciation was also extended to Librarian Watkins-Nutty and Leslie Strickland Watkins for performing duties in the Curator's absence.

Parliamentarian Marjorie Singley-Hall has received questions from nine chapter regents regarding parliamentary procedure and bylaws. Mrs. Singley-Hall has assisted these chapter regents in locating the correct information to work towards a resolution with their issues, either within their chapter bylaws or the state or national bylaws. Chapter regents have been sending a copy of their current bylaws with the correct dissolution clause to meet the requirement for State Honor Roll by November 1. To date, 83 chapters have satisfactorily met this requirement. District Directors have been approached for aid in receiving the remaining bylaws.

The State Regent called for reports from the following State Chairmen:

Finance Committee Chair Virginia "Ginger" Gidden-Weinzierl presented the proposed 2019-20 budget.

Proceedings Chair O.B. Wilhoit McCorkle reported the 2017 -2018 Georgia State Proceedings was published and in process of distribution. The Chair thanked the Committee, especially 2016-2018 State Recording Secretary Eleanor Brinson Quigley, for her diligence in bringing forth this edition at the State Board of Management. Mrs. Quigley lastly instructed members on the procedure to suggest corrections to the proceedings.

After a brief recess, State Regent Brown introduced Greg Jacobs, Founder and Managing Partner of Landmark Preservation, LLC, who presented the Master Plan for Restoration and Historic Preservation of Meadow Garden and responded to questions.

Ms. Brown called upon the State Chaplain for a blessing for Lunch. State chair reports resumed after a brief recess:

American Indians: Chair Paulette Massey Levin and other Georgia Daughters received the official American Indian Heritage Month Proclamation and the official photograph with Governor Nathan Deal on October 3. The Committee's project to collect flash drives for Bacone College and Chemawa Indian School at the State Board of Management is in progress. The committee's project to have chapters raise monies for the 2019 Indian Youth Camps of America, to save children at risk children ages 10-14, is progressing as well. National American Indians Committee Chair Jacqueline Ohlmann reported that the two NSDAR American Indian Scholarships are now online applications only

National Defense: Chair Mary Ruth Mullins reported that the remains of Korean War SFC James Streetman were recently identified as one of the ten remains exhumed from the Punch Bowl to be DNA tested. SFC Streetman was the brother to Sharon Jenell Streetman Watson Ray, Honorary Regent of Oglethorpe Chapter, and his remains will be returned to Columbus and properly interred on November 1.

Sustaining Supporter: Chair Stephani Roohani noted the Sustaining Supporter Monthly Giving program, started by the National Society in 2014, will be celebrating its fifth anniversary in 2019. Ms. Roohani informed the members of an exciting new goal to attain 5,000 Sustaining Supporters by next Continental Congress. The monthly giving program is flexible and only requires a minimum donation of \$5. Participation can be achieved through the National website or by calling the Office of Development. Another great benefit to having Sustaining Supporters is that a Chapter earns Chapter Achievement points for each active Sustaining Supporter every year. The top state societies and top chapters will be recognized on stage at the upcoming Continental Congress.

Volunteer Information Specialists: Co-Chair Carla James Brown reported that the Georgia State Society public website is almost ready to be submitted for national approval, as are the public chapter Facebook pages. Every Georgia chapter website has been updated or is in the process of being updated. Ten new chapter websites have been approved by National since

July. The Georgia Chapter Master Report (CMR) has been incorporated into other state reports, and the National CMR is online and ready for chapter regents to begin. Twenty-nine chapters have already begun to complete their reports. The VIS Committee is here to help any chapter regents having trouble with the CMR. Please contact e- Membership vice chair Ruth Pendergrass, VIS Co-Chair Phyllis Jackson, or this Chair as soon as possible for assistance.

Historic Preservation Chair Phyllis Hill King filed the following report. To pursue recognition and honor for efforts toward historic preservation, this committee encourages each chapter to: (1) catalog and record all Georgia DAR monuments, markers, buildings, and cemeteries using the Sites and Properties form; (2) recognize groups or individuals who have achieved major preservation efforts in their community with the Historic Preservation Medal and/or the Historic Preservation Recognition Award; (3) participate in the historic preservation of local sites; and (4) enter the Historic Preservation Project Contest by preserving an historic site, landmark, historic district, or property. All contests, recognition, and data base instructions can be found on the National website. Check the Georgia State Society Website for instructions and the appropriate Vice Chair to send contest and property information.

Meadow Garden: Chair Ransom Bennett Schwerzler and Meadow Garden welcomed the Augusta community on July 4 for a reading of the Declaration, music by the Garden City Strummers, and an SAR traveling trunk show. Catherine Herb McAdams, Docents Committee Chair, and the wonderful docents made history come to life in period dress. The event received excellent coverage in the local media, thanks to Publicity Chair Susan Reese Burgess. Attendance at Meadow Garden is up 40% year to date; over 120 students visited in one September day alone. Historic preservation efforts are ongoing per the Master Plan. This summer, the Best Room was painted and extensive work was done under the front porch to create a pathway to the earlier front entrance. Due to the efficiency of new Meadow Garden Director Stephani Roohani, daily operations at Meadow Garden are running ever more smoothly. Gift Shop Chair Cheryl Hunt-Clements has found many beautiful things for the shop. Mrs. Schwerzler has made and will make presentations at District Workshops, chapter meetings, and non-DAR organizations. The public event "Christmas at Meadow Garden" will occur on December 1. With the help of the C.A.R., the historic house museum will be beautifully decorated in a colonial style for a special candlelight tour.

State Membership: New Horizons Leadership Course Committee Chair Brenda Jessel, in conjunction with New Member Course Vice Chair Marjorie Nolan Wilson, presented six New Member Course graduates with Certificates of Graduation: Elizabeth Chapman and Teresa Chapman, James Stewart Chapter; Brenda King, Kate Stirk Sklikas and Paula Spicer, Kennesaw Mountain Chapter; and Gay Solomon, Oglethorpe Chapter. Maggie Morgan Smith, Jacob Braselton Chapter, received the Certificate of Graduation and the Gold Honor Cord for completing the New Horizons Leadership Course. All Georgia Daughters are encouraged to take the New Horizons Leadership Course or New Members Course.

State Regent Brown introduced Credentials Chair Julie Prince who gave the final Credentials report: 4 Honorary State Regents, 12 State Officers, 77 Chapter Regents. Total Voting Strength 90. Also present are: 1 Parliamentarian, 1 Coordinator of Districts and 3 District Directors, 2 National Chairs, 15 National Vice Chairs, 51 State Chairs, 34 State Vice Chairs, 52 chapter members, and 4 guests. Without duplication, 199 representing 89 Chapters were in attendance. Mrs. Prince **moved: "the adoption of the final Credentials report."** **Adopted.** The Chair thanked her committee: Rogina "Gena" Murray Moorhead, Vice Chair; Patricia "Pat" Haynes Bradford, Vice Chair; Patricia "Pat" Connell Gordon; Mary Shepherd Kuntz, Susan Ansley Lindsey and Shannon Cowles Logue.

Registration Chair Scarlett Gibson filed the following report. She appreciates the assistance of Pamela Samford Dover, Vice Chair; Mary Stamps Bennett, and Joan Manzier Finch, in registering 203 Georgia Daughters and guests for State Board of Management.

Resolutions Chair Laura Marcella Reid presented the Courtesy Resolutions. Adopted. Ms. Reid asked First Vice Regent McCorkle to take the Chair and read a Courtesy Resolution expressing appreciation to the State Regent for her outstanding leadership. Adopted with a standing ovation.

(Courtesy Resolutions in their entirety are printed following the State Board of Management Minutes.)

Ms. Reid expressed thanks to the Honorary State Regents and all other Resolutions Committee members: O.B. McCorkle, Martha Middlebrooks Knight, Paula Hannah Osborne, Rosalyn Moye Forsyth, Jennifer Whipple Whiddon and Marjorie Singley-Hall, State Parliamentarian.

State Regent Brown again thanked the Coordinator of Districts and District Directors for their assistance and meticulous attention to detail in planning the State Board of Management.

Announcements included a Save the Date for State Conference, which will be held March 21-23 at the Atlanta Evergreen Marriott Conference Resort in Stone Mountain; and a request for members to notify the State Regent if they wish to page at State Conference or Continental Congress, or to serve during Continental Congress.

Ms. Singley-Hall led "God Bless America," followed by the Benediction given by the State Chaplain.

The State Regent adjourned the meeting at 1:47 p.m.

Reports of State Officers

STATE REGENT – Melodye G. Brown

After being installed as your State Regent in June, the last nine months have been full of fun events with the Daughters, productive meetings with the Executive Committee and Meadow Garden Board, much planning for workshops, State Board of Management and State Conference, and times both challenging and inspiring. This officer is grateful for the many members of the Georgia Peach team whose cooperative and positive attitude have supported the State Society in moving forward with the plans of this administration. The State Regent's Tea at Berry College was such an enjoyable day for your Regent. She is deeply grateful to Xavier Chapter for hosting such a lovely event, to Berry College for allowing the tea to be held at the new Christopher Browning Pavilion at Berry's Oak Hill, and to all of you who came from near and far to share the day. This officer appreciates your support of the State Regent's Projects allowing us to provide one Gate of Opportunity Scholarship at Berry College this year, and to commit to provide two Gate of Opportunity Scholarships this fall. At Meadow Garden, much needed repairs to the exterior of the Heritage Education Center (HEC) have been completed, as well as exterior painting, greatly improving the structural integrity and the appearance of the HEC. As for the other State Regent's Project, the porch on the Historic House at Meadow Garden is in the midst of restoration and preservation according to the Master Plan for Historic Restoration and Preservation. An exciting find was made in the process: a mortise joint, the size and shape of which informed our understanding of the original design of the porch rails, allowing a more accurate representation to be completed. Successful events were held at Meadow Garden in December and on Independence Day. Our public relations efforts, in print, broadcast, and social media, continue to improve our public profile in Augusta and beyond, and attendance continues on a steady up-swing.

The main goal of this administration is to make life easier at the chapter level, because that is where the real work of the DAR is done. Where we can make the most impact is in our own communities, building a strength that binds with strength in other communities and lifting us up as a nation. We have greatly simplified those report forms which are in the control of the state society. We have minimized the number of deadlines, and the number of reports, and shortened the reports. We are making use of technology to move the State Society forward. We have implemented state officer email addresses which will remain with the office. We have expanded communication to directly reach all members with email (over 7,000 of our 8,000 members). We have worked to improve communications through our use of "Constant Contact," an email marketing tool. We have redesigned the members' website making it easier to navigate, and are posting everything on the website, making it the go-to place for new information. We have implemented online registration for events, allowing use of credit cards, and are moving towards accommodating credit card transactions for all purchases and donations. We are making every effort to have efficient and effective meetings, which respect your time and your money, and provide value to you. The workshops were consolidated into two separate two-day casual events in the north and the south of the state. Every effort was made to provide new ideas and inspiration to those attending, to spend time learning, and accomplishing a service project during our brown-bag lunch. State Conference has been streamlined, beginning with our informal come-and-go continental breakfast and ending on Saturday night with an Awards and Recognition Evening for our own member volunteers, semi-formal for the first time. We are proud to have outstanding speakers each evening, as well as enjoyable musical presentations. An Idea Workshop and DAR 101 presentation have been added. Thanks to our volunteer team of photographers, Dwight Dover, Nina Alexander, and Kelly Jordan, all photographs at State Conference, and other state events, are now available online for free to our members. At NSDAR Congress, instead of a luncheon or tea, Georgia Daughters will enjoy socializing on a tour of "The Bible in American History" at the Museum of the Bible. This officer is pleased to announce we will continue in our streamlining efforts by transitioning to a "Fall

Forum" this year, combining Workshops and State Board of Management, as well as our State Constitution Week event, into one event to be held in Macon, Sept. 5-7. Details will be announced shortly.

To focus our members on our three mission areas, this state regent's theme is "Honoring patriots of the past, supporting patriots of the present, preparing patriots of the future." Honoring patriots of the past, we are excited about visible progress made on the major historic restoration of Meadow Garden. Preparing patriots of the future, we are proud of the three Gate of Opportunity scholarships sponsored at Berry College. But we mark as our greatest successes the small things done with great love by our chapter members: providing free coffee to veterans at the local coffee shop, standing in lieu of family at unaccompanied veteran burials, preparing care packages for deployed service men and women, and shedding light and love on the plight of homeless veterans. It is a great honor and privilege to represent the Georgia State Society and you, the Georgia Daughters. This officer appreciates each one of you and all you do to make our State Society successful. Georgia Daughters have taken off their white gloves and put on their work gloves, and we are moving forward in service to America.

We have audited the accompanying financial statements of Georgia State Society of the National Society of the Daughters of the American Revolution ("Georgia State Society, NSDAR") (a nonprofit organization), which comprise the statement of financial position - modified cash basis as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows - all under the modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the overall presentation of the financial statements.

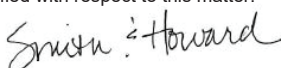

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Georgia State Society, NSDAR as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with the modified cash basis of accounting described in Note A.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Georgia State Society of the National Society of the Daughters of the American Revolution (the "Organization") is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management, who is responsible for their integrity and objectivity.

Nature of Organization

The Organization is a volunteer women's service organization created to promote patriotism, preserve American history and secure America's future through better education for children.

Basis of Accounting

The financial statements of the Organization have been prepared on the modified cash basis of accounting, a comprehensive basis of accounting other than generally accepted accounting principles. Accordingly, revenue is recorded when received rather than when earned, and expenses are recorded when paid rather than when incurred.

Accounting Pronouncement Adopted

In August 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-14, Presentation of Financial Statements of Not-for-Profit Entities, which is intended to improve how a not-for-profit entity classifies its net assets, as well as the information it presents in its financial statements about its liquidity and availability of resources, expenses and investment returns, and cash flows. The main provisions of this guidance include: (a) presentation of only two classes of net assets now entitled "net assets without donor restrictions" and "net assets with donor restrictions", (b) modifying the presentation of underwater endowment funds and related disclosures (c) requiring that all nonprofits present an analysis of expenses by function and nature and disclose a summary of the allocation methods used to allocate costs, (d) presenting investment return net of external and direct internal investment expenses, and (e) requiring the disclosure of quantitative and qualitative information regarding liquidity and availability of resources.

Presentation

The accompanying financial statements present "net assets". Net assets, along with revenues, expenses, gains and losses, are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the objectives of the Organization.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that such resources be maintained in perpetuity.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Cash, Cash Equivalents, and Certificates of Deposit

For purposes of the statement of cash flows, the Organization considers all cash on hand, highly liquid bank deposits, and short-term debt securities with an original maturity of three months or less to be cash equivalents.

At June 30, 2019, the Organization had approximately \$505,000 in fixed rate certificates of deposit with varying maturity dates through September 2020, which were stated at cost plus accrued interest, which approximates fair value.

Property and Equipment

Expenditures for property and equipment are capitalized and depreciated over the estimated useful life of the respective asset. Additions and betterments of \$750 or more are capitalized at cost, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are currently expensed. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, principally using the straight-line and 200% declining balance methods. Management has determined the difference between the 200% declining balance method and the straight-line method is not significant.

The estimated useful lives in determining depreciation are:

	<u>Years</u>
Building	27.5
Building Improvements	15
Furniture and Equipment	10

The Organization does not capitalize collections and historical treasures, including Meadow Garden. Meadow Garden and its contents are historical treasures and are insured for approximately \$2,121,000.

Depreciation expense for the year ended June 30, 2019 was \$23,574.

Donated Services

Many volunteers have made significant contributions of their time to develop and promote the programs of the Organization. The value of these donated services is not included in the accompanying financial statements, as such services do not create or enhance non-financial assets or require specialized skills. If donated services received either created or enhanced non-financial assets or required specialized skills, which would need to be purchased if not donated, the value of those donated services would be recorded.

DAUGHTERS OF THE AMERICAN REVOLUTION

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donations

Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of donor restrictions.

Contributions are recognized when received by the Organization. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Membership Dues

Membership dues are recognized when received.

Functional Expenses

The statement of functional expenses presents expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Organization are reported as expenses of those functional areas. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on estimates of time and effort spent by staff and resources. There are no fundraising expenses as the Organization does not spend time and resources directly on fundraising events. During program functions, donations are accepted.

Income Taxes

Georgia State Society, NSDAR, a nonprofit organization operating under Section 501(c)(3) of the Internal Revenue Code, is exempt from federal, state, and local income taxes, and accordingly, no provision for income taxes is included in the accompanying financial statements for the Organization.

The modified cash basis of accounting, a comprehensive basis of accounting other than generally accepted accounting principles, requires management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant tax authority. Management has analyzed the tax positions taken by the Organization and has concluded that as of June 30, 2019 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to June 30, 2016.

The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk of loss.

CHAPTER DEVELOPMENT AND REVITALIZATION COMMISSION

– Brenda Davison Jessel

This CDRC worked to revitalize and energize chapters with visits and many consults to develop and train officers and membership teams. Volunteer Genealogists were assigned appropriately to assist chapter registrars. Chapters were encouraged to add Membership Chairs and Welcome Committees, encouraging members to make every attendee at every meeting feel welcome and wanted. Chapter regents were asked to consider “doing something different” with meeting times, venues and programs. Increasing membership remains key. The Chapter Checklist was available for chapter evaluation. This Chair found that the time investment of listening to what a regent really wants from her chapter and officers is bringing results. Chapter regents and officers were encouraged to take New Member and New Horizon Leadership Courses to learn more about NSDAR, gain new ideas, and be encouraged as they are recognized for work accomplished in courses. It is challenging and very rewarding to serve the Brown and Dillon Administrations as Georgia CDRC Chair.

BY THE GOVERNOR OF THE STATE OF GEORGIA

A PROCLAMATION CONSTITUTION WEEK

- WHEREAS: September 17, 2018, marks the 231st anniversary of the 1787 Constitutional Convention, where the world's oldest written constitution was drafted by the United States, thus outlining the fundamental principles by which our nation is governed; and
- WHEREAS: Our Constitution establishes six basic governing principles for our society including popular sovereignty, the rule of law, federalism, judicial review, individual rights, and a separation of powers accomplished through a system of checks and balances; and

- WHEREAS: The Constitution ensures the distribution of functions and responsibilities among three separate branches and a system of checks and balances to calibrate those powers, guaranteeing individual rights and liberties against government encroachment; and

Keep up all the good work to preserve our past for future generations.

JUNIOR AMERICAN CITIZENS – Amanda Findlay Garnett

Chapters were truly outstanding in their sponsorship and support of 63 JAC groups this year. A total of 1,893 students participated in the various JAC activities with the theme “The 50th Anniversary of the Lunar Landing—American’s Great Move Forward in Exploration and Technology.” This Chair and her judges were very impressed with the artwork, creative expressions and community service entries that students provided. The JAC groups studied and researched the background and events of the lunar landing in a wide variety of ways. They created posters, banners, stamps, short stories, and poems to represent the national theme. They also learned about what makes our country such a great place to live. Many thanks to our Georgia Daughters for their continued support of this awesome committee! This Chair awarded 57 state first place awards. Further, Georgia received 36 southeast division first place awards, and 47 national awards. This Chair is thrilled with such successful results from her first year.

JUNIOR MEMBERSHIP – Stephani McIntosh Roohani

Georgia continues to explore Junior Membership and work on ways to increase Junior participation. In 2018, Georgia added 64 new Junior members. This Chair is thrilled about an increase in Junior participation across leadership levels with one Junior serving as a state officer, six state chairs, 12 vice chairs, 26 chapter officers, and 62 chapter committee chairs. These numbers will continue to rise through outreach and involvement. Three Georgia Chapters sponsored a classroom via the Classroom Grant Award resulting in these three classrooms each receiving a \$500 scholarship to use on projects. The annual silent auction included a basket fling portion and successfully raised over \$3,000 for the Helen Pouch Memorial Fund, “Friends of GA Pages” fund, and the Georgia Junior Club. This year the 50th State Outstanding Junior was recognized along with one State Outstanding Junior Runner-Up and 21 Chapter Outstanding Juniors. This chair challenges every Georgia Chapter to recognize a Chapter Outstanding Junior next year and every year to come. LINEAGE RESEARCH – Brenda W. Bush

For 2018, this committee only received nine requests for assistance with a prospective member's application. Chapter Registrars have image access but not all of them were able to find the information they needed on the DAR website. More than 40% of the chapters reported they had a Lineage Research Chairman. Chapters and members were encouraged to post request to the Facebook Lineage Research Page. Only two chapters reported they use the National Lineage Research Board. This Chair participated in all District Workshops

and assisted the State Registrar in the Genealogy Forums. "A Beginners Genealogy" Workshop was presented in March 2018 to the Blakely Chapter and included handouts on how to use the DAR website.

LITERACY PROMOTION – Maggie Morgan Smith

The Literacy Promotion Committee had 77 chapters reporting participation, with a total of 8,062 members participating. A total of 12,603 hours were spent tutoring adults and children. Chapters donated a total of 10,863 books and \$9,367. Two chapters submitted entries for the Chapter Literacy Promotion Contest and five chapters submitted entries into the member literacy promotion contest. The contests were judged by two non-DAR members to ensure fairness. The chapter outstanding service winner was Philadelphia Winn and the member outstanding service winner was Maggie Morgan Smith, Jacob Braselton. Chapter projects included setting up Free Little Libraries; donating braille books to libraries for the blind; partnering with local Boy Scout troops; and children reading to service dogs. Chapters also visited schools and their communities to promote literacy in both adults and children.

MEMBERSHIP – Patricia Cook Powers

Total membership count on January 1, 2019 was 8,095. Georgia welcomed 477 new DAR members, including 61 Juniors. 2018 was the first full year of the State Application Team, which changed the way the Membership Committee welcomes prospective members referred from the National Society. Membership Committee developed standard reference emails and sequential stages for communication with the referrals from National and also with the Regents and Registrars. From June 27, 2018 through January 31, 2019, the Brown Administration, we received 291 referrals forwarded from the National Society through the Prospective Member Database. This Chair received permission to proceed from 129 of the National referrals. Georgia Daughters recruited family members and friends, held recruiting events locally, and organized special events and field trips for prospective members to get better acquainted with chapter members. Chapter Regents and Registrars have recruited Membership Chairs to assist with record-keeping and build camaraderie among members. Chapters use email, postal mail, websites and social media to keep chapter members informed and engaged. PATRIOT RECORDS PROJECT – Anita Smith Mashburn

Daughters are volunteering nationwide to index patriot names from collections of Revolutionary War era records that have been rescued by the NSDAR Patriot Records Project Committee from obscurity and possible deterioration. In 2018, Daughters from 19 chapters in Georgia indexed 143,287 patriot names, a number that represents over a 300 percent increase in the number of patriot names indexed by Georgia Daughters in the previous calendar year. With NSDAR reporting a record number of 2.5 million patriot names from over 327,000 digitized images indexed in 2018, the volunteer efforts of Georgia Daughters in 2018 accounted for almost six percent of the total number of patriot names indexed. The following chapters were represented in 2018 by NSDAR Patriot Records Project volunteers: Andrew Houser, Andrew McBride, Atlanta, Chestatee River, College Hill, Council of Safety, Fielding Lewis, Fort Frederica, Joseph Habersham, Kennesaw Mountain, Liberty Hill, Martha Stewart Bulloch, Oglethorpe, Philadelphia Winn, Sergeant Newton, St. Andrew's Parish, Sukey Hart, Tomochichi and William Day. SERVICE TO AMERICA! – Beverly Vaughan Baker

This Committee encourages service in our communities as a means of honoring our heritage. After all, Eugenia Washington wanted a "society founded on service." By recording hours of service, Georgia Daughters demonstrate the significant impact we have in our communities and we honor our heritage. This Chair is pleased to announce that 90% of Georgia chapters reported a total of 212,731 service hours. Philadelphia Winn recorded the most hours of any Georgia chapter: 19,425. Coming in second is a much smaller chapter, Kennesaw Mountain, recording 16,645 hours. This chapter implemented an incentive to encourage their members to record their own hours and awarded a charm for different levels of hours reported. Other chapters with significant contributions include Sukey Hart, Colonel Ebenezer Folsom, Nancy Hart, College Hill, and Archibald Bulloch. There were many great activities reported on the CMR; thank you to each chapter member who tallied hours! Georgia Daughters do the volunteer work, but what a job to transfer information to a report. Thank you all for honoring our heritage through Service to America.

National Special Committees: Reports of State Chairs

COMMUNITY CLASSROOM – Mary Louise Goehring

Handouts were given at all four District Workshops with the mission and ideas to help the chair get started. Regents were contacted to get names and email addresses of their Committee Chairs. Those with no chairs were offered a presentation and ideas for creating a committee next year. Three Chapters submitted Success Stories before December 31. These were forwarded to District Chair. Two sent reports that will be posted this year. Chairs have adopted classrooms, helped with classroom parties, given programs to students about different topics covered during the revolution (Constitution, George Washington, Betsy Ross, and Rebellious Rebels using State standards, and money and jobs). Some have provided refreshments to all the teachers in schools. Many have tutored or read to students in classrooms. Some have decorated Bulletin Boards and classroom doors. One Chapter has a member who helps in the library of a school shelving books. National Administrative Committees: Reports of State Chairs

PROTOCOL – Mindy Tidmore Kammeyer-Price

It has been an honor to serve the Georgia Chapter Daughters in the capacity of State Protocol Chair. Chapter Regents, as well as chapter seating and meeting chairs, have called this chair to provide answers to many various questions. The most often asked question is about seating and introductions when the state regent is a guest. This chair has attended State conference, Continental Congress, summer workshop, BOM and has spoken to three chapters on the subject of DAR protocol.

UNITS OVERSEAS – Elizabeth Grace Chapman

This state chair ran a contest to inform and garner interest in the Units Overseas chapters. Georgia Daughters follow Units Overseas chapters on social media to keep up to date, joined Units Overseas chapters as associate members, and supported the Units Overseas luncheon at Continental Congress.

State Standing Committees: Reports of State Chairs

BYLAWS – Jane Grier Durden

The Bylaws Committee met on October 26, 2018 to review proposed amendments to the Georgia State Bylaws. One proposed amendment was included in the State Regent's Call to the 2019 State Conference. Appreciation is extended to the members of this committee for their attendance at the meeting and for their dedication.

FINANCE COMMITTEE MEETING MINUTES

October 26, 2018

The Finance Committee of the Georgia State Society, NSDAR, met on Friday, October 26, 2018, in the Wine Cellar Room at Mountain Creek Inn, Callaway Gardens and Resort in Pine Mountain, Georgia. Committee Chair Ginger Gidden-Weinzierl called the meeting to order at 2:13 pm. Voting members attending were: Secretary O.B. Wilhoit McCorkle, Charlotte Josephine Christian, Edwina Hall Beall, Debbie Taylor Powell, Connie Sasser Rifkind, Lynne Allen Tate. Ex-Officio member, State Regent Melodye G. Brown was present.

Mrs. Gidden-Weinzierl welcomed those attending and declared a quorum present, and Mrs. McCorkle gave the Invocation. Mrs. Gidden-Weinzierl announced the minutes of the last meeting of the Finance Committee were approved by committee during the Patton Administration, and they have been submitted for publication in the *2017-2018 Proceedings*.

Ms. Christian, State Treasurer, announced the 2017-2018 audit from the firm, Smith & Howard, Certified Public Accountants and Advisors in Atlanta reported there were no errors found and no recommendations made. **Ms. Christian moved that the firm of Smith & Howard, Certified Public Accountants and Advisors in Atlanta, the firm in use since 2014, be accepted as the Auditor for the Georgia State Society, NSDAR for the Brown Administration, fiscal years 2018-2020.** Mrs. McCorkle seconded the motion. **Motion adopted.**

The **Georgia State Society Account Summaries** covering the period July 1, 2018 through October 18, 2018 were: Savings \$502.48; Certificates of Deposit \$129,182.70; checking account \$111,894.99; Money Market Account \$110,550.36; Total Bank Accounts \$352,130.53; Hotel Deposits \$6,000.00; Total Liabilities and Equity \$358,130.53. The **Meadow Garden Account Summaries** are as follows: Certificates of Deposit \$373,127.87; checking account \$108,477.24; Petty Cash \$100.00; Money Market Account \$67,594.91; Total Bank Accounts \$549,300.02; Total Fixed Assets \$233,737.00 and Total Liabilities and Equity \$783,037.02.

The proposed budget was distributed for discussion. The Meadow Garden committee recommended to the Finance Committee that dues be increased by at least \$10 per member. Mrs. Gidden-Weinzierl requested that at least three years of the actual income and disbursements be provided for a thorough review. The finance committee members discussed that (1) the Georgia State Society is still operating on the same level of income per member as it did in 2005, and costs have increased significantly over the past 13 years; (2) the low contingency fund creates a problem with cash flow when reserving the much needed larger event space for district workshops, State Board of Management, and State Conference; (3) the Georgia State Society has not been actually operating on the current dues amounts in recent years because of the dollar per member report requirements of which Ms. Brown has eliminated most; and (4) the plan for restoration for Meadow Garden will require all Georgia Daughters support financially and not just few members who attend state events and make additional donations. Mrs. McCorkle shared that the Meadow Garden Board is actively applying for grants, restructuring the Patrons section to aggressively seek funding from outside DAR, and developing a Sustaining Supporter Program for members and visitors alike. However, for Meadow Garden to operate to its fullest potential, the Master Plan calls for a full-time, experienced curator to be the

administrator/manager of the house museum, the master plan, fundraising and outreach. The committee members discussed that even though visitor traffic has increased at Meadow Garden, it would be unlikely that the house museum will serve as a major event venue due to the absence of a suitable kitchen, other needed amenities, and the necessary liability coverage. **Mrs. Beall moved that the 2019-2020 budget for the current dues allocation be accepted.** Mrs. Powell seconded. **Motion adopted. Ms. Christian moved to recommend to the Bylaws Committee a dues increase of \$13.00 to be allocated between Meadow Garden and the Georgia State Society.** Mrs. Powell seconded the motion. **Motion adopted unanimously.** Mrs. Gidden-Weinzierl announced the Finance Committee will present the 2019-2020 allocation of dues tomorrow at State Board of Management, and the proposed 2019-2020 annual budget will be published with the Call to Conference.

Ms. Brown informed the Finance Committee regarding the property in Waycross, Georgia, donated in 1938 to the now-disbanded Lyman Hall Chapter, and the 2016 request from the Waycross Young Men's Christian Association (YMCA) to transfer the land to them. After consulting with an attorney, the Executive Committee approved that a letter be drafted and sent to the Waycross YMCA stating the Georgia State Society has taken no steps to become the constructive owner of the property and disclaims any interest in the property.

The next meeting of the Finance Committee will be held on March 21, 2019, at State Conference. The meeting adjourned at 3:40 pm.

Approved.

Ginger Gidden-Weinzierl, Chairman
O.B. McCorkle, Secretary

State Regent Brown also announced that the Executive Committee had appointed Helen Powell as acting State Treasurer and Cathy Hyer as State Organizing Secretary.

Mrs. Gidden-Weinzierl addressed the separation of duties and her concerns over internal controls. She stated the same person did not need to be making deposits, writing checks, and doing the reconciliations. Mrs. McCorkle **moved that Ginger Gidden-Weinzierl, Connie Rifkind, Betty Harrah and Helen Powell form a committee to explore the structure of the Treasurer's duties so the proper separation of duties is established.** Mrs. Rifkind seconded. **Adopted unanimously.**

Mrs. Gidden-Weinzierl stated she would present the budget in the Saturday morning business session and defer the remainder of her report until the afternoon, which would consist of a presentation on the necessity of a dues increase.

State Committees: Reports of State Chairs

STATE CHAIR, 2019 STATE CONFERENCE – Ann Benson Ameye

To fulfill the State Regent's vision, changes have been made to the flow of State Conference: To save members' time and money, the conference has been shortened. There is no business on Sunday. New stackable, horizontal, ribbons have been introduced. They recognize various volunteer groups, membership in state and national clubs, and patronage of Meadow Garden and State Regent's Projects. Meal tickets have been transformed to stickers on the back of the name tags, with the events printed on them. These match the event signs at entrance doors. This change prevents ticket loss and consolidates items to keep up with. Like the creation of a quilt, many pieces of material were needed to put together a finished product. Many ladies and HODARs have been part of this sewing circle. When a stitch has been missed, there have been many hands to provide a patch. The State Regent has been a sturdy frame for this Conference. The strongest and prettiest stitches are hers.

GEORGIA STATE PAGES – Kathleen “Kathy” Zeles Marsh

Invitations to Page at the 121st State Conference for the Georgia State Society were published, and 35 young women accepted the invitation to serve. These women between the ages of 14 and 40 took the time to ensure the conference ran smoothly. From assisting the State Regent, working the Junior Shoppe, assembling the Chapter Award Packets, distributing the new Club ribbons for the name tags, and ensuring the doors and floor were taken care of, we had pages almost everywhere you went. Our State Pages were poised to help answer questions and went above and beyond when a task needed additional assistance. Appreciation goes out to the Page Vice Chair, Valerie Craft, for assisting with updating the Page Manual for this administration, which helped to more clearly explain the duties of a Page. The Page Club meeting was immediately following the Page meeting on Friday afternoon where the Vice President presided. Special thanks to Ruby Craft for donating snacks for the Page Lounge to help us stay energized through the whole weekend. Certificates of Appreciation were handed out in the Page Lounge.

Owned and maintained by the Georgia State Society, NSDAR.

Meadow Garden

MEADOW GARDEN – Ransom Bennett Schwerzler

Meadow Garden has had a very successful year. On Independence Day, we welcomed our community for a public reading of the Declaration, tours by docents in period dress, music by the Garden City Strummers, and an SAR traveling trunk show. In December, we hosted Christmas at Meadow Garden, a candlelight tour with music, period decorations, and displays. Throughout the past year, we hosted tours for DAR chapters, museum professionals, and local organizations, as well as field trips, including one for more than 120 students. Guided by the Long-Range Master Plan, historic preservation efforts are ongoing including the painting of the Best Room based on historic paint analysis, work under the front porch to create a pathway to the entrance, electrical updates, repair work on the HEC, and restoration work on the front porch. Programs have been conducted for DAR chapters and organizations throughout the region, and WJBF Channel 6 filmed a Good News segment at Meadow Garden. Deep appreciation goes to all the volunteers who help to care for our historic house museum and to share the story of George Walton and the Declaration with so many people.

MEADOW GARDEN DOCENTS – Catherine McAdams

Meadow Garden docents, and volunteers worked 1,077.75 hours from July 2018 through February 2019. Admission was free on Independence Day. An evening Colonial Christmas open house was held. State Regent Melodye Brown attended both special events. Costumed docents used multiple routes for group tours through Meadow Garden. Volunteers of HODARS, DAR, SAR and C.A.R. coordinated house cleaning, decoration, played dulcimer music, demonstrated Colonial implements and weapons, and facilitated set up, clean up, and take down. Docents met in September, November 2018, and January 2019 for in-services to review procedures about everyday operations at Meadow Garden. Information on Colonial America at Christmas, progress and finds of historic preservation, and coverage needs for Meadow Garden's Director were discussed, implemented. This Chair attended each District Workshop, Constitution Week Luncheon. This Chair helped set up, sell, and take down the Meadow Garden gift shop for these events. Two other Meadow Garden docents did likewise. Four Meadow Garden docents earned Meadow Garden's pin for 50 hours of service per year. Two docents earned a pearl to go on previously earned pins. This Chair coordinated with GSSDAR State Treasurer, and Meadow Garden's Patrons Chair to help docents purchase, receive pins, and pearls.

MEADOW GARDEN FURNISHINGS – E. Diane Griffin

This Chair began serving as Furnishings Chair in August 2018 and has been familiarizing herself with the documentation in file cabinet and technical aspects of the furnishings' entries and the inventory software program. Inquired with software company about option for an online database instead of software specific to one hard drive. The company currently doesn't offer it. In October 2018, this Chair toured the home with Stephanie Roohani to become familiar with each room. During the walk through, Ms. Roohani showed several items in the house that need a form completed on them as they do not have a record. The records that were created previously are stored on an external hard drive and still need to be entered in PastPerfect software. There are also some items that need to be appraised.

MEADOW GARDEN GIFT SHOP – Cheryl Hunt-Clements

The Meadow Garden (MG) Gift Shop Committee is passionate about telling the story of George Walton, one of the three Georgians who signed the Declaration of Independence, and his 1700s MG home located in Augusta, GA. We are eager to do our part to preserve and restore the MG House and Museum. Our Committee appreciates the Daughters' shopping enthusiasm and financial support of the Traveling Gift Shop at State Events and the Gift Shop at MG. Our sales as reported on Square from August 2018 to December were

\$11,004.05 minus \$880.32 (.08% Augusta tax rate), equating to \$10,123.73. After deducting merchandise expenses, the profit for MG restoration for this period is \$4281.83! Fashion designer Angela Kang Cole supports our efforts as a vendor, selling “fascinators” at State Events, giving MG 20% profit that totaled \$968.90, producing a gross profit of \$5,250.73! This contribution to MG would not be possible without the former MG Gift Shop Chairs Marjorie Wilson & Shannon Logue, MG Chair Ransom Schwerzler, Vice Chairs Cathy McAdams, Stephani Roohani, Pam Thrasher, Shari Dobbs, Marguerite Cagle, Deb Phillips, and Mary Turner. Thank you, Madam State Regent for this honor to serve.

Meadow Garden Board Minutes

July 30, 2018

The Meadow Garden Board met on Monday, July 30, 2018, at the CSRA Regional Commission, Augusta, Georgia. Melodye G. Brown, State Regent and Chairman of the Board, called the meeting to order at 9:30 am. Other voting members attending were: O.B. Wilhoit McCorkle, Ransom Bennett Schwerzler, Susan Reese Burgess, Stephani McIntosh Roohani, Charlotte Josephine Christian, Laura Marcella Reid, Catherine "Cathy" Herb McAdams, Amy Pittman Lawson, Cheryl Hunt-Clements, and Kate Sievert Cook. Also present was Ex-Officio member Betty Brown Harrah.

The State Regent welcomed everyone to the meeting and began her report with three announcements: (1) the 10-year Master Plan provided by Landmark Preservation LLC was approved by the previous Meadow Garden Board of the Patton Administration; (2) the Educational Resource on Meadow Garden prepared by Patty Croft was accepted by NSDAR, and (3) the recently submitted National Trust grant application for the front porch was denied. She informed the group that the Callahan Initiative Grant through the Georgia Trust is available. **Mrs. Schwerzler moved to proceed with submitting the letter of intent for the Callahan Initiative Grant which is due August 13.** Ms. Christian seconded the motion. **Motion adopted.** Mrs. Schwerzler and Mrs. Lawson will write the letter of intent. It was noted the porch work must be done and is considered maintenance. Therefore, if the letter of intent does not provide successful results or the timing is not conducive to the project, the Board will revisit and may decide to use funds from Admin & Maintenance Checking to proceed with the needed repairs to the porch.

The State Regent clarified the following roles: State Regent is the Board Chair and CEO; Meadow Garden Chair is the COO; Director is the General Manager. Currently, Mrs. Roohani serves as our Director for the foreseeable future. Ms. Brown stated the Meadow

Garden Chair Mrs. Schwerzler will define and document the board member roles' in more detail.

Because the Standing Rules need to be consistent with the current reality, the State Regent asked Mrs. McCorkle and Ms. Reid to review the Standing Rules and draft revisions for the Board to review with the goal of proposing changes at SBOM in October.

Mrs. Roohani, Director, reported there is an electrical issue with the AC. The breaker has a connection that burned out. She contacted Mr. Williford who recommended contacting an electrician. She will ask Mr. Williford to provide recommendations of certified electricians, and she will check on the status of the fire extinguisher in the house. Mrs. Roohani reported that the Heritage Education Center (HEC) is rotting on the canal side. She will obtain three estimates from general contractors for repairs. Mrs. Roohani discussed the wasps around the gate and the drainage issue and overgrown trees in the City right of way. She will contact the City and a local arborist to see how to proceed with having these items remedied. Mrs. Roohani discussed the issue of the keys. It was decided to have everyone account for the keys they have, and the State Regent will determine how best to proceed.

Mrs. Schwerzler, Meadow Garden Chair, reported the news coverage of the Independence Day event brought many visitors in the days and weeks that followed. She encouraged everyone, including Board members, to write a positive review on Trip Advisor. Further discussions included changing the time of the event to 9:30 am - 2:00 pm, adding an hourly reading of the Declaration of the Independence and Pledge to the US Flag, and providing a tented area on the lawn for visitors to gather as they wait for the tour to begin. Plans for the 2019 event will be confirmed in October to provide ample time for advertising. Mrs. Schwerzler also confirmed participation in the Walton County 200th Anniversary at the William Harris Homestead on Oct. 6, 2018, and this would allow Daughters outside the Augusta area to gain volunteer hours for Meadow Garden. Other ideas that Mrs. Schwerzler will research are a Halloween Spirit Walk, a Homeschool Day, and Archeology Day Camp, the 2019 Fall Georgia Trust Ramble, a Meadow Garden Day, Re-enlistment and Retirement Ceremonies, Naturalization Ceremony, and Historic Preservation Symposium.

Ms. Christian, State Treasurer, provided the proposed 2018-2019 Meadow Garden budget. **Ms. Reid moved to adopt the budget as proposed.** Ms. Christian seconded the motion. **Motion adopted.** Ms. Christian will check on Meadow Garden's membership in various associations. Important associations considered are the Georgia Historical Society, Georgia Trust for Historic Preservation, American Alliance of Museums, American Association for State and Local History, and Historic Augusta.

The **Meadow Garden Account Summaries** for the period July 1, 2018 through July 27, 2018 are as follows: Certificates of Deposit \$373,127.87; checking account \$108,166.47; Petty Cash \$100.00; Money Market Account \$67,562.91; Total Bank Accounts \$548,957.25; Total Fixed Assets \$233,737.00 and Total Liabilities and Equity \$782,694.25.

Mrs. McAdams, Docent Chair, reported docents volunteered over 500 hours during the months of June and July. Three Daughters are eligible for the Meadow Garden Pin. Mrs.

McAdams, Mrs. Schwerzler, and Mrs. Hunt-Clements will determine various ways Daughters outside the Augusta area may receive volunteer hours to become eligible for the Meadow Garden Pin.

Mrs. Hunt-Clements, Gift Shop Chair, reported Angela Kang Cole, a NYC fashion designer, will be selling hats and fascinators during state events as a vendor. Mrs. Cook will draw up a written agreement of terms or contract for GSSDAR to provide to the vendor. Mrs. Hunt-Clements suggested that Daughters can obtain volunteer hours by helping unload, load, set-up, break-down, and working at the Meadow Garden sales table. Mrs. Hunt-Clements and Mrs. Roohani will determine which items sell best at DAR functions and in the house gift shop for guidance on future purchases.

Regarding the Patron Pins, the State Regent announced that the pins would be made available from the Patrons Chair at the time the requirement is fulfilled, and there would be no need to wait to year end. Mrs. Cook, Patrons Chair, suggested all Patron certificates display the future Meadow Garden rendering to be provided by Landmark Preservation.

Mrs. Burgess, Public Relations Chair will research pricing and availability of signage on

I-20 and billboards. She will follow up with association newsletters and how Meadow Garden may partner with each of them. She will begin planning the message for Daughters and the public regarding the future restoration of the house museum.

Mrs. Lawson, Landscape Chair, suggested the use of storyboards in the HEC to depict the history of the house museum. The State Regent will contact Berry about production of the story boards as a possible State Regent's project. Mrs. Lawson confirmed the Meadow Garden website will fall under VIS, and she will work with VIS to provide a Meadow Garden link on GSSDAR websites and all Georgia chapter public sites. Mrs. Lawson will research a Meadow Garden Donation link that is not password protected. She will also contact Beverly Baker to take down the former GA DAR Facebook page.

The State Regent introduced Greg Jacobs of Landmark Preservation LLC, who gave a slide show presentation on the 10-year Master Plan. The group discussed the plan's findings, the message to best educate the GSSDAR on the restoration project, the role state dues will play in the funding of the restoration project, and the necessity of reaching outside DAR for support of the project.

At 3:15 pm, the meeting was in recess to travel to Meadow Garden. After walking through the Historic House, the meeting adjourned at 4:30 pm.
Approved.

Melodye G. Brown, Chair

The State Regent welcomed everyone to the meeting. The minutes of the July 30, 2018 meeting were approved.

The State Regent contacted Scott Breithaupt at Berry College regarding the storyboards and is awaiting a call back to discuss. She and Mrs. Roohani are determining the locks that need keys in the house museum, heritage center and grounds area.

Mrs. Roohani, Director, sent a report for State Regent Brown to share. Mrs. Roohani is meeting with a certified electrician on August 15 regarding the electrical problems in the house museum. The State Regent approved the purchase of two additional fire extinguishers for the property. Regarding the drainage and rotting issues with the HEC building, Mrs. Roohani has received two estimates from general contractors and is awaiting a third. The exterminator did spray for the wasps. Again, Mrs. Roohani encourages everyone to write a review on Trip Advisor.

Mrs. Schwerzler, Meadow Garden Chair, reported the letter of intent for the Callahan Initiative Grant due August 13 was mailed on August 9. Because neither Meadow Garden nor the Georgia State Society are members of the Georgia Trust for Historic Preservation, **Mrs. Schwerzler moved to pay for a business membership in the Georgia Trust.** Mrs. Cook seconded the motion. **Motion adopted.** Mrs. Schwerzler met with Erick Montgomery of Historic Augusta and confirmed that Meadow Garden would not be able to participate in the "Walk with the Spirits;" however, he would like to cooperate on other events and projects to include Meadow Garden. Mrs. Schwerzler spoke with Lisa Pittman regarding an Archeology Day and with Mrs. Roohani regarding a Meadow Garden Day. She is researching the best way to provide outreach on Post through the Transition Offices and Army Community Services. The Meadow Garden Board decided tentatively to host the Christmas Open House at Meadow Garden on the evening of December 1 and follow the same pattern as last year. The local chapters and C.A.R. chapters will decorate the house with fresh decorations for the evening. Further details will be decided via email prior to the next meeting on October 26 at State Board of Management at Callaway Gardens.

Ms. Christian, State Treasurer, confirmed neither Meadow Garden nor the Georgia State Society held memberships in any associations.

The **Meadow Garden Account Summaries** for the period July 1, 2018 through August 7, 2018 were as follows: Certificates of Deposit \$373,127.87; checking account \$106,822.37; Petty Cash \$100; Money Market Account \$67,574.16; Total Bank Accounts \$547,624.40; Total Fixed Assets \$233,737.00 and Total Liabilities and Equity \$781,361.40. Mrs. McAdams, Docent Chair, reported she would contact the Governor's Office regarding the docents serving at Open House at the Governor's Mansion. She further stated that December 1 would be a better day for docents to serve at the Christmas Open House at Meadow Garden rather than a later date. Mrs. McAdams reported the Historic Augusta coffee table book entitled "Augusta" included Meadow Garden. She suggested board members meet with the authors of the book, Dr. James Garvey and Lee Ann Caldwell to inform them of the new information that has been discovered at Meadow Garden.

Mrs. Hunt-Clements, Gift Shop Chair, reported the vendor agreement was signed by Angela Kang Cole, a NYC fashion designer, and she will be selling hats and fascinators during most state events. Mrs. Hunt-Clements has docents and volunteers lined up to help at the Meadow Garden sales table.

Mrs. Cook, Patrons Chair, continues to finalize the best way to promote patron opportunities outside DAR through a membership program. She is also working with Mrs. Christian to determine the best associations to partner with for this purpose. Mrs. Cook is reviewing the Patrons section of the Standing Rules.

Mrs. Burgess, Public Relations Chair, continues to research pricing and availability of signage on I-20 and billboards. She suggests the Board consider joining Historic Augusta and the Convention and Visitors Bureau, along with the Georgia Trust for Historic Preservation. She will contact Erick Montgomery of Historic Augusta to discuss our partnership further. She will follow up with the Augusta Genealogical Society regarding their annual Homecoming Event to participate with it in the future. Mrs. Burgess will work on a bi-annual message to send to Patrons of Meadow Garden via Constant Contact. She will begin developing a new brochure for the house museum which will include some information and photos regarding the future restoration plans. Mrs. Burgess will book a morning or noon show with local television stations for Mrs. Schwerzler to speak about Meadow Garden. She will also be creating a special package tour rate to promote to homeschool families.

Mrs. Lawson, Landscape Chair, did contact the City about the drainage issue along the curb of Independence Avenue. The City will address the problem and mostly likely tear up the street to fix the problem. She will receive an estimate next week to trim the overgrown trees on the property. Mrs. Lawson confirmed with VIS that a link to the Meadow Garden site has been set up on all Georgia Chapter template sites. She will create a Meadow Garden Donation link that is not password protected. She will contact Facebook to remove the former GA DAR Facebook page.

The State Regent announced the next meeting will be on Friday, October 26 at Callaway Gardens. The meeting adjourned at 9:00 pm.

Approved.

October 8, 2018

The Meadow Garden Board held a called conference call on Monday, October 8, 2018, at 11:00 am for the purpose of the following: (1) to approve applying for Augusta CVB Tourism Grant and (2) to approve hiring B Electric to make electrical update and repairs totaling \$3,296. Mrs. Burgess, Public Relations Chair, moved the board proceed with design, photography, and production of 1000 Meadow Garden brochures and 1,000 rack cards to meet immediate needs. State Regent Brown reminded the group of Mrs. Roohani's August 15 meeting with Mr. Williford, a certified electrician, regarding the electrical problems in the house museum. After speaking again with Mr. Williford and also Greg Jacobs of Landmark Preservation on September 24, it was determined the electrical breaker was a fire hazard; there were unprotected wires, spliced wires and missing junction box covers under the house; and it would prudent to address these problems immediately. **Mrs. Schwerzler moved for the board to engage Chris Bundrick of "B Electric" to do the work estimated on August 15 and September 24 for a 200 Amp panel change, and all breakers, main grounding system, and permit (\$2,368), and proper connections, wire replacements, and junction box covers under the house (\$928), for a total cost \$3,296 to be paid from Admin & Maintenance.** Mrs. Roohani seconded the motion. **Motion adopted.**

State Regent Brown shared the estimates from Landmark Preservation for the rotting wood and hurricane damage at the Heritage Education Center and the structurally deteriorated porch on the House Museum. She expressed concern that the dues per capita for Meadow Garden would be insufficient in the future to implement the Master Plan effectively.

Mrs. Schwerzler moved that the Meadow Garden Board contract with Landmark Preservation, LLC to repair the water-damaged wood elements (siding, window, sashes, fascia, soffit, etc.) on the exterior of the HEC and prime and paint where required at a cost of \$12,810.00 to be paid from Admin & Maintenance Money Market Account. Mrs. Hankinson seconded the motion. **Motion adopted.**

Mrs. Burgess, Public Relations Chair, contacted Historic Augusta and requested Meadow Garden be listed on the Augusta downtown walking tour brochure. She commended Mrs. Roohani on the social media presence and the 40% increase in traffic, as well as, more "reactions" on social media sites. She is marketing for the Christmas Open House and scheduling television spots with the local stations. She reported that Dr. James Garvey at Augusta University would like to have a meeting with Greg Jacobs to update his information. Mrs. Cook, Patrons Chair, provided a proposed patron structure for the Standing Rules that emphasizes outside funding sources at various levels with corresponding benefits for the donor. The next phase would include corporate sponsorships with benefits and additional phases to follow. Mrs. Lawson and Ms. Christian will work together to provide a "Patron" button on the Meadow Garden website.

Mrs. Griffin, Furnishings Chair, reported she had met with Stephani and begun researching the files. She will plan to merge the external hard drive with the images after the new version of Past Perfect is updated. Diane will meet with Amy Lawson, Lisa Pittman, Stephani Roohani to complete this task. Mrs. Lawson, Landscape Chair, did contact an arborist to assess the trees at Meadow Garden. He recommended pruning several trees and removal of the large magnolia tree. She will be obtaining quotes on the recommendations. The oak tree on Walton Rehabilitation Center's property is growing over the Heritage Education Center and could be a danger.

March 21, 2019

The Meadow Garden Board met at 1:30 pm on Thursday, March 21, 2019, in Rhododendron B at the 121st State Conference held at the Atlanta Evergreen Marriott Conference Resort, Stone Mountain, Georgia. Melodye G. Brown, State Regent and Chairman of the Board, called the meeting to order at 1:15 pm. Other voting members attending were: O.B. Wilhoit McCorkle, Ransom Bennett Schwerzler, Susan Reese Burgess, Stephani McIntosh Roohani, Harriette Foster Hankinson, Laura Marcella Reid, Catherine "Cathy" Herb McAdams, Cheryl Hunt-Clements, Kate Sievert Cook, and the newly appointed State Treasurer Helen Robertson Powell. Also present were Betty Brown Harrah, Ex-Officio member, and Fred Ecker II, who is employed by Landmark Preservation, LLC.

The State Regent welcomed everyone to the meeting, and Mrs. McCorkle gave the Invocation and called the roll.

Ms. Brown shared with the group that E. Lynn Brackey, a state officer who passed away in 2018, left a bequest for Meadow Garden in the amount of \$48,000 to be deposited in the Capital Investment/Improvement Fund.

Ms. Brown discussed that the repairs with the porch led to a new discovery of physical evidence regarding the hand rails and balustrade and how this evidence would affect the timing of the First Period roof restoration. It was discovered that the balustrade opening was originally square rather than circular; therefore, the columns and handrails had a different look originally. Because of the new information, the previous porch design and proposal that was approved at the last board meeting would need to be revised to be historically accurate. The cost would be increased by \$8600, specifically because of the millwork involved. Mr. Ecker discussed the proposal dated May 14, 2019, in greater detail and answered questions from the group. **Mrs. Schwerzler moved that the revised design from Landmark Preservation, LLC for the historic house porch handrail and balustrade received May 14, 2019 increasing the costs by \$8,600 be approved and paid out of Capital Investment/Improvement Fund.** Mrs. Hankinson seconded the motion. **Motion adopted unanimously.** To be more economically responsible and to save labor costs, Ms. Brown explained that it was recommended that the repairs of the porch be completed in conjunction with the restoration of the First Period roof, dormer and porch ceiling. She referred to a proposal from Landmark Preservation dated March 1, 2019, regarding the "Restoration of the First Period Roof, Dormer, Porch Ceiling, and Columns (Southeast Elevation)". The scope of work would be limited to the front (southeast) slope of the First Period section of the house. The cost to complete scope of work described would be a firm-fixed fee of \$67,706.88 inclusive of all required materials, labor and equipment listed. Mr. Ecker entertained questions from the group. **Mrs. Burgess moved that the proposal dated March 1, 2019, from Landmark Preservation LLC for the Restoration of the First Period Roof, Dormer, Porch Ceiling, and Columns (Southeast elevation) at the Historic House, estimated at \$67,706.88 be approved to be paid out of the Capital Investment/Improvement Fund.** Ms. Reid seconded the motion. **Motion adopted unanimously.**

Mrs. Roohani moved that interior shutters of various sizes, removed due to historic inaccuracy be donated to Habitat for Humanity. Mrs. Schwerzler seconded the motion. **Motion adopted unanimously.**

Mrs. Schwerzler reported a successful Christmas Open House on Dec 1, 2018. She also requested that the group begin to prepare for the Independence Day Celebration with basically the same format (free admission, all-day hours) with a few improvements. She and Mrs. Roohani are also beginning to prepare for the Georgia Trust Ramble in Spring 2020. Mrs. Schwerzler has emailed Board member role descriptions for review and suggested the need for governance policies and an organizational chart. She informed the board that membership dues for the Georgia Trust, Historic Augusta, and Georgia Historical Society need to be paid.

Mrs. Roohani, Director, recapped the success of the Christmas Open House stating there were 74 attendees that evening. She confirmed that social media was the best media outlet

for that event. She is researching the possibility of smaller events throughout the year.

Past State Treasurer, Betty Harrah, presented the financial report for the period July 1, 2018 through March 18, 2019. The **Meadow Garden Account Summaries** were as follows: Certificates of Deposit \$373,127.87; checking account \$127,417.07; Petty Cash \$100.00; Money Market Account \$67,648.76; Total Bank Accounts \$568,293.70; Total Fixed Assets \$233,737.00 and Total Liabilities and Equity \$802,030.70. Mrs. Helen Powell, newly appointed State Treasurer (due to the resignation of Ms. Charlotte Christian), was instructed to pay the business memberships for the Georgia Trust for Historic Preservation (\$150), Historic Augusta (\$50), and the Georgia Historical Society (\$60).

Mrs. Burgess, Public Relations Chair, reported that the Meadow Garden brochure was in the design phase, and more rack cards need to be ordered. She shared the success of the media coverage for the Christmas Open House. She researched pricing and availability of a billboard on I-20, and it was not economically feasible. Mrs. Burgess plans to place a banner in the Augusta Welcome Center during Masters Week and meet with the Augusta Convention and Visitors Bureau in April to discuss partnering opportunities. She also plans to have a presence in the Welcome Center on "Georgia on My Mind" Day which is June 28. She will submit a message for the State Regent's blog in the spring.

Mrs. Cook, Patrons Chair, announced receiving \$14,572 Individual Patrons and \$9,035 Chapter Patrons. She also suggested the board encourage online payments for Patrons through PayPal.

In the absence of Amy Pittman Lawson, Landscaping Chair, Mrs. Roohani gave highlights of her report. She stated that action needed to be taken regarding the removal of the southern magnolia, which is currently a danger to the historic home and the Historic Education Center. The group discussed this and other landscaping items, but no action was taken.

Mrs. Hunt-Clements, Gift Shop Chair, reported the Meadow Garden Gift Shop and the vendor Angela Kang Cole will be set up for this meeting. She reported revenue from sales at State Board of Management and at a Fielding Lewis Chapter meeting, and she will be submitting receipts for reimbursement. Mrs. Hunt-Clements has been to the Mart to purchase new items to prepare for State Conference.

Mrs. McAdams, Docent Chair, praised the Meadow Garden docents who have served diligently over the past year. She announced that four docents received their Meadow Garden pin. She continues with Docent training meetings and with sending notifications to docents about upcoming events.

Mrs. Hankinson and Ms. Reid were very encouraging and complimentary of the progress being made for Meadow Garden.

The meeting adjourned at 3:30 pm.

Approved.

May 6, 2019

The Meadow Garden Board met at 10:00 am on Monday, May 6, 2019, in the Board Room of the Heritage Education Center at Meadow Garden, Augusta, Georgia. Following a tour of progress on the Historic House, Melodye G. Brown, State Regent and Chairman of the Board, called the meeting to order at 10:50 am. Other voting members attending were: O.B. Wilhoit McCorkle, Ransom Bennett Schwerzler, Stephani McIntosh Roohani, Harriette Foster Hankinson, Laura Marcella Reid, Helen Robertson Powell, Catherine "Cathy" Herb McAdams, Amy Pittman Lawson. Also present were Ex-Officio member Betty Brown Harrah and Docent Vice Chair F. Anne Hinton.

The State Regent welcomed everyone to the meeting, and Mrs. McCorkle gave the Invocation and called the roll.

Ms. Brown recapped that the repairs with the porch led to a new discovery of physical evidence regarding the handrails and balustrade. There was a change order of \$520 in the porch restoration project bringing the total bill to \$21,930 (\$12,810 + \$8600+ \$520). Greg Jacobs and Fred Ecker were on site working on the porch. The roof work, which was

approved at the October 26, 2018 meeting should be completed by the end of July 2019. **Mrs. Schwerzler moved that the porch floor and treads be painted with the dark brown “Terra Brun” paint color as recommended by Landmark Preservation, LLC. The cost of this work is already reflected in the porch restoration project.** Mrs. Lawson seconded the motion. **Motion adopted unanimously.** Mrs. Roohani moved to leave the staircase risers off the porch staircase on the First Period side of the Historic House to be more historically accurate as recommended by Landmark Preservation, LLC. Mrs. Hankinson seconded the motion. **Motion adopted unanimously.**

Because many visitors to Meadow Garden are questioning the historical accuracy of several items in the historic house, the Board had in-depth discussions regarding the acceptance of these items and the acceptance of future donated items. The Board recommended that if the items in question are not of the period of significance and the items were not found to be officially approved by the Board in the minutes of Meadow Garden Board meetings, or if they do not meet requirements of the Standing Rules, these items should be deleted from our collection through a gradual deaccession process. The Board recommended future donated furnishings of any kind be historically accurate and of the period of significance as stated in the Master Plan in order to be accepted. Mrs. Roohani, Mrs. Schwerzler, and Mrs. Griffin will check the inventory of the furnishings for historical accuracy and bring recommendations for deaccessions to the Board.)

Mrs. Schwerzler stated that the website needs to be updated and will obtain access. She, along with Mrs. Roohani, had begun preparations for the Independence Day Celebration with basically the same format (free admission, 9:00am-4:00pm, running tours every 15 minutes and minimal staffing after 2:00pm) with a few improvements. She is working with Mrs. Burgess about advertising for the event, and she suggested boosting the social media post. She has also reached out to the contact person for the Georgia Trust Ramble 2020 and is now waiting for a reply. She has acquired copies of George Walton's father's will and all of George Walton's service records to display on site at Meadow Garden. Mrs. Schwerzler had provided this information to Melody Porter and will prepare a blog for the website. She stated the George Walton books need to be reprinted by July 4, and she is acquiring quotes. Mrs. Lawson suggested members will volunteer to transcribe the book.

Mrs. Roohani, Director, suggested using social media to promote the restoration at Meadow Garden during May for Preservation Month. She will plan to boost the post as well and have a link for donations. Mrs. Lawson will set up *Square* for donations on the Meadow Garden website. Mrs. Roohani would place new information and posts each month on the website to encourage donors to contribute. She also stated she had joined the Georgia Trust's Inherit Georgia Group which is for members 40 years of age and younger. They are starting Inherit Georgia Chapters, and Historic Augusta is spearheading the local chapter. Mrs. Roohani plans to meet with the Historic Augusta contact person this summer. Mrs. Roohani is considering events at Meadow Garden on First Fridays with twilight tours and tastings with colonial trivia. The State Regent announced to the group she had begun working on the Employee Contract.

Mrs. Powell, Treasurer, presented the financial report for the period July 1, 2018 through May 1, 2019. The **Meadow Garden Account Summaries** are as follows: Certificates of Deposit \$373,127.87; checking account \$179,721.75; Petty Cash \$100.00; Money Market Account \$54,145.15; total Bank Accounts \$607,094.77; Total Fixed Assets \$233,737.00 and Total Liabilities and Equity \$840,831.77. Mrs. Powell reported that business memberships for the Georgia Trust for Historic Preservation (\$150), Historic Augusta (\$50), and the Georgia Historical Society (\$60) had been paid. Mrs. Powell reported she saved the group \$12/month when she changed mailing address information. **Ms. Reid moved to transfer \$2,849.56, currently in the Augusta Room Interpretive Center Money Market Account (Account 1053 MM), to the Capital Investment/Improvement Brown Checking Account (Account 1032).** Mrs. Hankinson seconded the motion. **Motion adopted unanimously.**

In the absence of Mrs. Burgess, Public Relations Chair, the State Regent announced that Mrs. Burgess had posted a blog on the website with an update on the restoration progress

at Meadow Garden and the Heritage Education Center.

Mrs. Lawson, Landscaping Chair, moved to accept the proposal from Empire Tree and Turf to remove the large magnolia tree between the Historic House and the Heritage Education Center. They will use the side gate for access, grind the stump, and fully remove the debris at a cost of \$1875. The funds will come from the Landscape Checking Brown Admin fund. Mrs. Reid seconded the motion. Motion adopted unanimously.

Mrs. McAdams, Docent Chair, reported the last docent meeting was well attended and that she had the next two months of docent schedules prepared.

Mrs. Hankinson and Ms. Reid continued to be very encouraging and complimentary of the progress being made for Meadow Garden.

The group may have a conference call and another meeting at the Historic House prior to the Independence Day Celebration. Ms. Brown thanked everyone, and the meeting adjourned at 4:15 pm.

Approved.

Chapter Achievement Award

The Chapter Achievement Award (CAA) is a summary reporting document, an objective measure which uses a Point system, showing how the Chapter fulfilled the goals set by the National organization. This Committee recognizes Chapters for achieving the annual Historical, Educational and Patriotic goals and objectives as set forth by the National Officers and Chairs, through the presentation of Chapter Achievement Award Certificates. The CAA can be used also as a Chapter planning and budgetary tool. The CAA is embedded in the Chapter Master Report, as are other committee reports, and must be submitted electronically.

For information on the Chapter Achievement Award (CAA), refer to the CAA Committee section in the Chapter Information Packet (CIP) on the [GSSDAR website](#), and the CAA Committee section and the National Information Packet (NIP) on the [NSDAR Website](#) for full information.

ANNUAL MEETING

Martha Wells, President, called the 61st meeting of the Georgia Chapter Regents Club to order on Friday, March 22, 2019 at the Atlanta Evergreen Marriott Conference Resort, Stone Mountain GA. The Theme for the meeting was "Encourage and Inspire." As leaders in our chapters, we aim to encourage and inspire our members to productive service to our chapters and our communities, as we tell the DAR Story. Officers present were President Martha Wells; Vice President/President Elect Gwendolyn Edenfield; Secretary Paula Neely; Chaplain Patricia Hein; Treasurer Carole Proctor; Parliamentarian Lydia McGill.

Patricia Hein, Chaplain gave the invocation followed by the Pledge of Allegiance to the Flag of the United States of America led by Carole Proctor, Treasurer and the pledge to the Georgia flag led by Lydia McGill, Parliamentarian.

Club Officers were introduced and current and past regents were recognized by standing. Special guests included a National Vice-Chair for Southeastern Division and District Directors, past Club Presidents, and representatives from DAR schools. All non-members of the Chapter Regents Club were also welcomed and thanked for attending the luncheon.

Martha Wells introduced the 2018 Outstanding Chapter Regent, Lydia Rainey McGill. Lydia encouraged and inspired the Club with her speech entitled "Are We Willing to Tell the DAR Story?"

Patricia Hein came forward and gave the blessing.

Following the meal, the business portion of the meeting began.

Martha Wells called Paula Neely, Secretary, to come forward for the reading of the minutes. The April 6, 2018 minutes had been approved and published in the 2017-2018 Proceedings.

Carole Proctor presented the Treasurer's report and it will be filed and the accounts submitted for audit. See attachment 1.

This luncheon meeting was open to members and to non-members. Martha reminded the room that only Chapter Regents Club members identified with the maroon ribbon may vote. All members of the Club were asked to rise to be counted. The Chair declared that a quorum was present.

Paula Neely, Secretary, and Patricia Hein, Chaplain were asked to read the recommendations of the Executive Board. The motions read were as follows:

- Donate \$500 to the State Regent's Project, the Meadow Garden renovation, in honor of Melodye G. Brown.
- Donate \$100 in honor of Tamassee DAR School 100th Anniversary.
- Adopt the amendments to the Bylaws as presented to the Chapter Regents Club by email and copies were available at the luncheon. See attachment 2.
- Adopt the amendments to the Standing Rules as presented to the Chapter Regents Club by email and copies were available at the luncheon. See attachment 3.

- Adopt the amendments to the Outstanding Chapter Regents Contest and Rules as presented to the Chapter Regents Club by email, and copies were available at the luncheon. See attachment 4.

All amendments recommended by the Executive Board received a motion and second from the attending members of the Chapter Regents Club and the vote was unanimous to accept the amendments.

Brief outline of some amendments:

- The apostrophe on the word Regent's/Regents' was dropped from the Chapter Regents Club name.
- Several changes were made to assure the Bylaws and Standing Rules concur in areas such as job descriptions.
- Many adjustments were made because of the change in the number of Districts from six to four.
- Standing Rules included additional detail to job descriptions and details for the Outstanding Chapter Regent (OCR) judging process.
- The OCR contest was changed to provide for two contest winners based on chapter size: 12-60 & over 60 membership. The instructions and application were simplified and based on percentage rank. Eligibility requirements for applicants were added such as the individual chapters now must vote on their OCR applicant and sign off on application and the applicant must apply within ten years of her term.

Copies of all of the amendments are highlighted in red and are included as an attachment to these minutes and as a paper and digital file with the Club Secretary.

Martha encouraged all regents to take advantage of the changes to the contest and to submit their applications. The Chapter Information Packet that will be available in August will contain the new application and rules.

State Regent Melodye G. Brown and her guests entered the room and were properly greeted by the Club and other attendees. Melodye Brown introduced the visiting state regents and national officers. She expressed her appreciation to the Club and the service they give to their local chapters.

Gwendolyn Edenfield, Club Vice President/President Elect, announced the Outstanding Chapter Regents for 2019: Cathy Winslett Hyer – Suwanee Creek Chapter and Jan Johnson Manos – Henry Walton Chapter. The winners were presented a framed certificate. OCR pins were not available but will be as soon as they become available from Hamilton.

Martha expressed her appreciation to Club officers for the work on the Outstanding Chapter Regent Contest. She also thanked Gwendolyn for the clever and pretty table decorations.

With no further business Patricia Hein, Chaplain, presented the benediction. Martha Wells, President, adjourned the meeting.

Secretary King reported that the minutes of the April 6, 2018, meeting were published in the Proceedings of the Georgia State Society 2017-2018 and were approved as published. Correspondence from Honorary State Regent Joyce Ball Patton, thanking SCC for last year's gift to her State Regent's Project, was read.

Stated: The offices of President, Chaplain, Secretary, and Treasurer are to be elected, one each from different State Districts of the Georgia State Society. The Bylaws change was adopted. The next order of business was the establishment of the Nominating Committee. The 2018-2019 theme of Georgia State Society Children of the American Revolution was "Hearts & Hands Helping Heroes." State President Audrey Frederick raised funds to benefit the Veterans Empowerment Organization which helps homeless veterans in the Atlanta area. With enthusiastic support of GSSDAR, GSSCAR and GASSAR, her project raised more than \$8,000 to help homeless veterans of the Atlanta area by supporting the new building of the Veterans Empowerment Organization. Audrey represented C.A.R. in 2018-2019, beginning with the N.S.C.A.R. Convention in April, when she was installed as Georgia Society State President. Georgia's own Martha Stewart Bulloch Society was named #3 Best Society in the World.

The National "America's Lasting Legacy" Regional Tour traveled across the USA, promoting National President David Graham's project to raise funds to support Hope for the Warriors.

The Georgia Society was well-represented at the Southeastern Regional Meeting in Jacksonville, FL in June. Audrey presented numerous programs on her project to local C.A.R., DAR, and SAR. She also participated in commemorative events and brought greetings to GSSDAR District Workshops and Constitution Week Luncheon. She addressed GASSAR BOM and brought greetings at the GASSAR State Conference where she received the NSSAR Silver C.A.R. Medal.

Three well-attended GSSCAR annual meetings were held in 2018-2019: Summer Workshop, Government Studies, and State Conference. Many thanks are extended to sponsoring societies: Benjamin Fitzpatrick and Martha Stewart Bulloch.

The 80th GSSCAR State Conference theme was "Hearts & Hands Helping Heroes," March 1-2, 2019, Stone Mountain Inn, Stone Mountain, GA. Joint Board of Management meetings were held on Friday night, followed by "Smurf 2," a family feature film. On Saturday, the candidates' meeting and business meeting were held, and members voted to elect 2019-2020 state officers. The afternoon activity was a hike up Stone Mountain and was enjoyed by all. At the banquet, the GSSCAR was honored to have GSSDAR State Regent Mrs. Melodye Brown and the National chairman DAR/SAR/CAR Relations, Mr. Robert Moore, Sons of the Revolution in Georgia, bring greetings. The key note speaker was Tyler Bowser, VEO Ambassador. Members enjoyed the Grand March, dance, and reception at the Stone Mountain Inn.

Gratitude is expressed to the GSSDAR for supporting and promoting the goals of N.S.C.A.R. and to each C.A.R. member and senior who took an active role in state and local activities.
