ADDRESS OF MRS. MAX E. LAND,

State Regent D. A. R. Upon the Presentation of the Memorial
Scholarship to the University of Georgia in Honor of
Georgia's Heroic Dead of the World War.

HONORED CHANCELLOR, MEMBERS OF THE
FACULTY AND STUDENTS:—

I am here today to fulfill a commission from the Daughters of the American Revolution of Georgia—a commission both to Georgia's heroic dead of the World War and to the spirit of higher education for which this classic institution stands.

In presenting a memorial in honor of our dear Georgia boys, whose courage, devotion to duty and supreme sacrifice have placed them upon the high altar of our love and admiration, it is fitting that we speak first of the appropriateness and nature of the memorial.

The Society of the Daughters of the American Revolution, which is composed of descendants of patriots of the American Revolution who counted no sacrifice too great if it attained to Liberty and Independence, fosters those phases of effort which are broadly classed as memorial, historical and educational. Among the objects stated in its constitution is one stipulating that our Society carry out the injunction of Washington in his farewell address to the American people, by promoting, as an object of primary importance, institutions for the general diffusion of knowledge, thus developing an enlightened public opinion and affording to young and old such advantages as shall develop in them the largest capacity for performing the duties of American citizens.

In this work of fostering and promoting education the Daughters of the American Revolution are not unmindful of the fact that there are two distinct kinds of education, practical education and higher education. The difference between practical education and higher education is just as clearly marked as the line where the blue sky comes down to the green earth. A teacher demonstrates this difference when she, as the cant phrase goes, "puts the brain into the hand" by teaching a class to make pastry—a splendid and most essential phase of practical education. On the other hand we observe a lesson in the exposition and rendition of that matchless gem of Shakespeare's incomparable genius, the third act of Othello. A glorious lesson is this, yet there is nothing practical about it, nothing utilitarian about it. It, however, delights the intellect, touches the heart, thrills the soul, vivifies the imagination, edifies and uplifts the spirit. So it is that in every human mind there is a practical side and a classical side and each is due the proper attention, instruction, training and discipline that a just balance may be maintained between them.

The practical side of education is very much emphasized in these days and this is indeed well. The Daughters of the American Revolution have evinced their deep interest in this phase of education by large contributions to the Martha Berry Schools. We wish also to uphold our State University in bearing the torch of higher education still higher, for never in the history of this country has there been such crying need as now for the uplifting and purifying power of a truly high and noble education. People are fast losing their belief in the truly noble and exalted sentiments and are rapidly coming to believe in absolutely nothing but material gain.

It is, therefore, to the highly educated young men and young women who are sent out from such institutions as this that the rising generation must chiefly look to bring about regeneration and reform.

In the light of this great need of higher education Georgia is going to stand by her State University. Her people proved this in their response to the War Memorial fund. The Georgia University must be permitted to go forward in its great work of spearheading higher education, for the sacred purpose to which it is devoted; the pure ideals of scholarship and of conduct which it has ever striven to maintain; the deep pride and interest the whole state feels in it; the great hopes and expectations that a people's heart has garnered in it give to this institution a wonderful moral power and in inspiring, ennobling influence on the minds and the hearts and the character of its students.

Thus realizing all that our State University means, the Daughters of the American Revolution of Georgia, desiring to establish a fitting memorial to the glorious service of our Georgia boys who gave their lives in the World War—those noble sons of noble sires whose blood is the seed of Liberty for the entire world—present to this great institution of higher education a five thousand dollar memorial scholarship in memory of "Georgia's Gold Star Boys." It is desired that this scholarship be used as a perpetual fund for worthy, ambitious boys who would otherwise be denied the privileges of higher education.

Truly no more fitting memorial could be established to those brave sons who heard the call of America, crossed the Atlantic, made St. Mihiel and the Argonne forever sacred and whose bodies were left in the bosom of Flanders fields. This is a picture America will ever hold close to her heart for, in the words of Dr. Knight:

"When hath a scene of pathos so sublime
Touched human hearts, in all the tides of time?
When hath the pulse-beat of a world so throbb'd
Or Sorrow's sea so like an ocean sobb'd?
What a proud scroll has History's pen
Committed to the chronicles of men!

While canvass breathes and burns, its solemn hush
Will consecrate th' inspir'd artist's brush;
While but a syllable of time remains,
Poets will chant it in undying strains;
Sculptor's, when many a distant year has flown,
Will turn the stirring story into stone;
Deep mountain glens, far down the century's track,
Will send the glorious echoes rolling back."

In paying this tribute of love and appreciation to Georgia's heroic dead of the World War, the Daughters of the American Revolution would also serve the living.

I cannot close my remarks without a just word of praise for the part that the Elijah Clark Chapter, Daughters of the American Revolution of your city, had in establishing this Memorial Scholarship, this splendid Chapter having contributed twenty-two hundred dollars of the entire amount.

ATHENS, GA., May 2, 1922.

Mrs. Max E. Land,
State Regent D. A. R. of Georgia,
Cordele, Ga.
Dear Mrs. Land:

I am writing to let you and the Daughters of the Revolution of Georgia know of the permanent investment of the D. A. R. Fund.

As you know, you advanced \$600. This is in notes of the students who were the recipients.

With the check which was given to the University on the 8th of March we purchased 4 Chatham County \$500 bonds bearing interest at $4\frac{1}{2}$ per cent; 2 Coweta County \$1000 bonds bearing interest at $4\frac{1}{2}$ per cent and 1 Greene County \$500 bond bearing interest at 5 per cent. The interest on these bonds will continue the scholarship.

Again thanking you for the scholarship.

Yours very sincerely,

DAVID C. BARROW,
Chancellor.

"I pledge allegiance to my Flag, and to the Republic for which it stands—
 one nation, indivisible, with liberty and justice for all."

THE AMERICAN CREED.

"I believe in the United States of America as a government of the people,
 by the people, for the people; whose just powers are derived from the consent
 of the governed; a democracy in a republic; a sovereign nation of many
 sovereign states; a perfect union one and inseparable; established upon those
 principles of freedom, equality, justice and humanity, for which American
 patriots sacrificed their lives and fortunes. I, therefore, believe it is my
 duty to my country to love it; to support its constitution; to obey its laws;
 to respect its flag; and to defend it against all enemies."

No further action has been taken in this matter and it is with real mortification that members of the Nancy Hart Chapter heard that Georgia was the only state in the Union which has failed to do honor to any of her distinguished sons. Mrs. Land offered a recommendation, "that the minutes of the Georgia meetings, which are lacking, be typed and preserved with the copies of the Proceedings at the State Capitol." Mrs. Graham moved "that the board endorse this recommendation." Motion was seconded and carried.

Mrs. Graham asked that the members of the Board rise to show their appreciation of the splendid work done by our State Regent, Mrs. Land. This was unanimous.

Mrs. DeVoe offered resolution "that each chapter be asked to take a \$5.00 membership in St. Johns School, for boys, on St. Simon's Island." It was moved and seconded, "that the Board endorse this resolution." Motion carried.

There being no further business the meeting adjourned.

WELCOME ADDRESS.

Mrs. J. Thomas Wood

Regent Gen. James Jackson Chapter.

As Regent of the hostess Chapter I am most happy to welcome you to Valdosta, our homes and hearts. One of the greatest ambitions of the Gen. James Jackson Chapter has been to entertain the State Conference of the Daughters of the American Revolution.

A welcome that rings true must have its origin in the heart and come outward; this welcome we extend to you began in the right way and this outward manifestation is only the culmination of the joy we have experienced in planning for your pleasure and arranging for the work of this splendid conference. It is a wonderful thing to be an American woman, more wonderful still to be a Daughter of the American Revolution and engaged in the splendid work they are doing. They are the women to whom the world looks for leadership. Since the organization of our society, the Daughters of the American Revolution have stood in the forefront of our Nation's life and there they will always stand.

It is an honor and a privilege to have you as our guest and I hope you feel already the welcome that flashes out to you from every heart in Valdosta.

RESPONSE TO ADDRESS OF WELCOME.

Mrs. Fort E. Land.

In 1826, almost 100 years ago, Lowndes County was established from part of Irwin County and was named as you well know for Hon. William Lowndes, a distinguished statesman of South Carolina. He was at one time nominated for president of the U. S. by the legislature of his native state, but died while on a trip at sea before time for the nomination. Mr. Clay pronounced him the wisest man of his acquaintance in public life and on the floor of Congress. That on economic questions he encountered no superior intellect.

Franklinville was the original County seat: but in 1833 the public buildings were changed to Lowndesville. Still latter Troupville, named for Gov. Troup, a town located about four miles from Valdosta in an angle of the Willacooche and Little Rivers. It was incorporated December 14th, 1837.

Finally when the Atlantic and Gulf R. R. was built and the citizens of Troupville were approached they scorned the idea for the iron horse was an untried experiment in those days. The people of the community objected to the intruder on the grounds that it might endanger livestock and demoralize their poultry yard.

At this time the little town boasted three hotels, two churches, four stores and several shops. The professional list included two physicians and four lawyers, a proportion which speaks well for the health of the town; and there must have been no small amount of business to have nurtured a quartet of legal lights. The little

hamlet among the pines failed to develop in keeping with the great man whose name it bore hence where the railroad crossed four miles away the town of Valdosta arose.

It was named by Mr. DeLyon who owned and edited the County paper. He was an ardent admirer of Gov. Troup and since the town which bore the old Governor's name was about to vanish from the map, he suggested the name of the Governor's chief place of residence as an appropriate name for the town. The original form Val d'Osta is still to be found in Europe and is bestowed on a beautiful hamlet in the Alpine valley which descends into the vineyards of north Italy, may experience a region famed throughout the world for charm of environment, hence its special appropriateness for this city at the present day. This town in Italy is said to antedate the birth of Rome by 450 years.

When the county seat was changed to Valdosta, Dr. William Ashley, Judge R. A. Peeples, W. H. Bugg, A. Converse, Moses Smith and others settled the town. Among the next coming in were the Varnadoes and the Platts. Samuel Varnadoe a noted educator here founded the Valdosta Institute. After his death it was continued under his son, Maj. J. O. Varnadoe in conjunction with Bishop Pendleton but was eventually merged into the public schools.

This educational impulse having been started and the people being of a cultural mind, Valdosta is now the seat of an institution of learning of state wide reputation—The South Georgia Normal College. The citizenship of Valdosta is a unit in giving it support and the splendid victory won by the town in securing this school for South Georgia shows what an aroused public sentiment can accomplish when directed by men of vigorous initiative. The measure as you know was put through the general assembly by Hon. W. S. West without a dissenting vote in the upper house over which he presided. For a lack of funds this work lay dormant until 1911 when the enterprise of Messrs. W. L. Converse and C. R. Ashley representatives in the legislature submitted a generous proposition which the state accepted. The school is built after the Spanish Mission style and has a campus of 50 acres. Prof. R. H. Powell, one of Georgia's well known educators has presided over this institution since it was founded.

Valdosta was at one time the largest market in the world for long staple cotton, and still retains its prestige. Its lumber markets manufacturing interests, its progressive spirit has placed it as a leader in this, the Empire State.

Its handsome homes, its paved streets, its cultured citizenry, its magnanimous hospitality has made it a place where all Georgians love to come for a visit or a convention.

We knew when we learned that we were coming to Valdosta as guests of your Chapter that we were coming to visit women who are noted for charming hospitality. They are not only known as charming hostesses, but are taking a part in the world's work of today and doing it in a way that attracts the admiration of all who are attempting to do worth while things.

The women have come into their own these days, but we are still being ably assisted by the husbands, brothers and bachelors. To each individual and to the city as a whole who have contributed in any way to the success of this convention we wish to thank you heartily.

A New Orleans poet calls the Mississippi the most eloquent of rivers. It ought to be eloquent; it has a dozen mouths. If I had a dozen mouths I could utilize them effectively on this occasion.

However we have come here not only for the hospitality but as the guardians of Georgia's and our country's immortality. Our work reaches back to Colonial times and the preservation of history caused the organization of this society and has brought us together here today.

Your speakers who have greeted us so graciously, have but confirmed what we already knew. We did not gather in this hall at this hour to learn for the first time that we were welcomed to the beautiful little City of Valdosta. Weeks ago, when there came to us the message that not only the gates of your city, but the doors of your homes also would be opened to us we began to look forward to this convention with peculiar delight. That news foretold a visit whose every movement would be a round of pleasure, and a convention whose every session would be replete with achievement. And it did more. It awakened slumbering echoes of by-gone days, it revised cherished memories of Southern chivalry and Southern hospitality.

Here where God's hand has bestowed the beauties of nature with such rich profusion, where man's art has left little to be desired, received with such cordial generosity into the midst of your family circles and around your happy hearthstones, how could this convention be other than crowned with success? Out of just such a whole-hearted, and homelike atmosphere spring those great impulses which enthuse the soul, and guide the mind to rich accomplishment. To the gentle influences of the home, to the genial gatherings of friends and neighbors around one another's fire-sides, our land owes her treasures of womanly grace and manly honor. They have made of America a land of the free and home of the brave, and we rejoice that we can gather here to enjoy another manifestation of the ideals to wane the perpetuation of which the Daughters of The American Revolution have dedicated themselves.

I have no words with which to respond in full measure, to the welcome we have found here. Perhaps I could best describe the hospitality which has been showered upon us, by quoting from a certain question and answer column on social conduct. A certain facetious young man addressed the editor as follows:—

Dear Editor:—If I take a young lady to the theatre, buy her a \$10 dinner, and take her home in a rented limousine, should I kiss her good night?" The editor replied, "No, young man, you have done enough for her already." The best return we can make for what you have done for us already, will be to devote ourselves, our thoughts and our best endeavors, to a solution of the problems which will be presented in this coming convention.

**ADDRESS OF MRS. MAX E. LAND, STATE REGENT, D. A. R. OF
GEORGIA, ON OPENING EVENING OF CONFERENCE.**

Madam Hostess Regent, Distinguished Guests, Officers and Daughters:

There is uppermost in our hearts the joy of meeting. This blessed feeling of rejoicing is made deeper and more exalted by the knowledge of the importance and the great opportunity of this call to our Twenty-fourth State Conference. It was Matthew Arnold who said, "If ever the world sees a time when women shall come together purely and simply for the benefit of mankind, it will be a power such as the world has never known." This Conference has brought us together for just such a purpose.

I am deeply appreciative of your presence here. In many cases it means a personal sacrifice of some kind has been made and you have responded to the call of duty. You are giving much to our great Society by your presence, much to patriotism, much to the betterment of conditions of our country. So thrice welcome Daughters, one and all, and welcome distinguished guests and friends.

My heart is full of tender recollections as I recall those beloved members who have been with us at our former meetings and who have since passed to the great, Silent Beyond. The inspiration gained from their lives and their work will guide us in this meeting.

It is a very great privilege for the Daughters of the American Revolution to be the guests of the General James Jackson Chapter here in the metropolis of South Georgia—this little city that is the soul of patriotism, culture and refinement. It is an inspiration to be among a people whose fine spirit of co-operation and progressive enterprise has resulted in the building of such a splendid town. We appreciate your warm greeting and hearty welcome—your friendly hand-clasp that carries with it not only friendship, but sympathy with and appreciation of those high and noble sentiments for which the Society of the Daughters of the American Revolution stands.

The purposes of our great organization are to perpetuate the memory and spirit of the men and women who achieved American Independence; to preserve historic spots and historical records; to promote celebrations of all patriotic anniversaries; to carry out the injunction of the Father of our Country by promoting education, patriotic ideals and duties of citizenship; to cherish, maintain and extend the institutions of American freedom and to foster true patriotism and love of country. It is seen, therefore, that a deeper meaning than mere pride of ancestry underlies our Society. An honest pride of ancestry is justifiable, for as Macaulay said: "A people which takes no pride in the noble achievements of remote ancestors will never achieve anything worthy to be remembered by remote descendants." But this pride in our ancestors is only a hollow boast if we do not make ourselves worthy of them. Our Society gives us the opportunity to justify our pride of ancestry by performing service that is worthy of those forebears who established the principles of freedom and justice which underlie our national life and government.

We have now come to another milestone of progress in our great work as a patriotic society. As we glance backward through the ever lengthening vista our pathway shines luminous with work

well done—work that has made of our organization one of the strongest and most influential powers in this Country. The rapid growth, during the past few years, of this, the largest and oldest historical and genealogical society in the world, means greater obligations for work. We want to see the spaces between our milestones crowded with happy faces of boys and girls whom we have helped to an education and to a higher and more patriotic ideal of citizenship.

The question is being frequently asked, "is our rising generation growing up with soul—with spiritual and not material ideals?" It is true there is an alarming tendency towards materialistic aims and lax morals among many of our boys and girls, but let us not accuse them all nor judge them too harshly. Many parents are beginning to realize that their own over-indulgence and lack of strict, religious discipline and example are largely responsible for this tendency. We must also admit that the slackening of our whole moral fiber during the World War has had its natural effect upon the younger generation to an extent which endangers the Nation's future. The world may recover from the material damage of the war in a generation; but it may never recover from its moral changes, just as it may be many decades before we have again the same sense of security. The frame of mind in which we had lived was shattered at the bombardment of Rheims Cathedral. That act was the symbol which compelled us to the agony of realizing that there was nothing but brute force between us and destruction. The acts of real war might be set down as unavoidable; but the destruction of a nation's masterpiece in art and history left no security for the mind as well as the body.

Let us look closely to our responsibilities as mothers, and as members of a patriotic organization that is recognized as an arm of our government, in seeing that our homes and schools are not only educating the minds of our youth but that they also are means of character building.

The educational work of our Society has held an uppermost place in our efforts this past year. We have just come to realize that this nation stands ninth among the nations of the world in the scale of education. This is the startling statement made in the official report of the House Committee on education. It is, therefore, the duty of every organized body of men and women to use its influence to the end that the Nation, the State and the Community may unite in an effort to give the people in all our states an equal opportunity to learn, that our boys and girls may grow up to be useful American citizens—citizens in whom the soul and spirit of America live and are exemplified.

It was Abraham Lincoln who said, "I hope the time may come when our Country shall guarantee to all an unfettered start and a fair chance in the race of life." There is greater need today for universal education than ever before in the world's history, for there are important tasks ahead—big, challenging tasks that call for the best effort of the constructive forces of our civilization. To limit armament is now the aim of the great world nations and the masses of humanity everywhere are praying that ways may continue to be found of diverting the billions wasted in preparations for war into the constructive enterprises of peace. The spirit of the Washington Conference on Limitation of Arms, has given to the world a definite guidance towards the way of restoration and raised the banner of peace and international justice. It not only demonstrated the necessity of reduction of arms but also proved the wisdom of world co-operation and full international association.

Let us realize, however, that there can be no permanent peace or secure world leadership based on democratic ideals without firm foundations in universal education.

Elementary education must be made a vital, universal opportunity for every boy and girl. Higher education—general, professional and technical—must be helped to grow until it is able to meet, full and ready-handed, the problem of training the leadership of our democracy. The ideals of educated men and women must, more and more, be made the ideals of all our people and the influence of America must always be exerted to combat ignorance and to liberate the human spirit.

The outstanding features of the work of the National Society, Daughters of the American Revolution, during the past year, have been the formal dedication by our President General of the complete waterworks system, our gift of pure water to the war-tossed village of Tilloloy in France; the laying of the corner-stone of the D. A. R. Administration Building; the publication of a manual for immigrants in three languages and the honor conferred upon our Society by our Government's acceptance of the use of Memorial Continental Hall, the national headquarters of our Society, in which to hold the public meetings of the World Conference on Limitation of Arms. Every Daughter of the American Revolution recognizes, with pride, the marked distinction which this event brought to our Society and feels a source of deep satisfaction that we were thus able to be of such material service to our Government.

The Georgia Society has had a large part in all the undertakings of our National Society and has, moreover, to its credit many splendid accomplishments in our own State. No phase of our work has been nearer our hearts than that of raising a five thousand dollar memorial scholarship in memory of our dear Georgia boys who sacrificed all in the World War—those patriots who counted no sacrifice too great if it attained to Liberty and Independence. The nature of this memorial is such, that while honoring the great service of "Georgia's Gold Star Boys" it also renders assistance to the living.

Many other memorial, historical and educational accomplishments have been made, all proving forces at work to help bring this old war-torn world back to normalcy. There appear to be signs which indicate that we have passed the crest of our economic crises and which give promise of a coming renaissance in business and in the fine art of living. But it will not come of itself. It requires the untiring effort of all of us, coupled with an earnest desire for God's divine guidance to dignify labor, to establish right habits of thrift, to restore to the world those sturdy qualities of faith, honesty and justice, to furnish sympathetic leadership for youth, to strengthen and better the homes and schools of our Country. Through mutual understanding and broader public spirit, forgetting criticism, may we give more hearty support to American ideals of Government and to the construction of a finer, nobler civic life, for America needs the loyalty and the wholehearted love of her children today to arm herself against insidious attacks from within as well as from without. Let us remain firm in our allegiance to our country and to our God, for there can be no liberty without law and there can be no law without God. In the words of our immortal Washington, "We must beseech the Almighty to ever promote the knowledge and practice of true religion, patriotism and virtue."

OFFICERS REPORTS

ANNUAL REPORT OF STATE REGENT,

Mrs. Max E. Land, to the Twenty-fourth State Conference, Daughters of the American Revolution of Georgia.

For the second and last time, as State Regent of the Georgia Daughters of the American Revolution, I have the honor and privilege of submitting an annual report of the work accomplished by the Daughters of the Empire State of the South.

Two years ago when the great distinction of being chosen State Regent was conferred upon me I promised you my best service. That I have endeavored to be faithful to my work is no credit to me, for it has been a labor of love. I have at all times been deeply sensible of the great honor and responsibility as well as the great opportunity for development and growth which this office must necessarily afford one. I wish again to express my deep and abiding sense of gratitude for this opportunity of giving service through our beloved Society to "Home and Country."

The large work which has been accomplished during this administration has been made possible through the fine spirit of co-operation and support of the individual members and the actual work which the chapters over the State have performed. The unflinching loyalty which has been accorded me by the State Executive Board is also deeply appreciated. The ideals of each member have been high and at all times action has been a hand-maiden to vision.

The many friendships made during these two years have also sufficed to spur me on to a greater desire to serve. I shall hold these friendships made close to my heart and life and shall ever strive to keep myself worthy of them.

I am inexpressibly happy to report the admirable condition of the Georgia Society at this time, due, as I have previously stated, to the untiring effort, devotion to duty and active service of the State Society as a whole. The State Treasurer's report will show that our Society is on a sound financial basis. While the treasury of the Georgia Society is always small as compared with many other states yet the increase in state due of five cents per member, adopted at the past State Conference, has brought into the treasury this year over two hundred dollars more than we have ever had before. I am also pleased to report that the State Executive Board and the State Press Committee agreed with me in the advisability of cutting down the number of copies of the State proceedings published each year from one thousand to five hundred copies, as well as cutting down the reports all that, was, practicable thus the publication of the minutes this year was greatly reduced in price.

The inspiration gained from the past National Congress and National Board Meeting in April meant much to me in furthering and developing plans for the work of the Georgia Society. It was a source of gratification to all that our State First Vice-Regent, Mrs. W. C. Vereen, represented Georgia at the National Board Meeting in June. The Georgia Society was ably represented at a D. A. R. meeting in Connecticut last fall by Mrs. T. E. Blackshear, State Chairman of Georgia Bay. The State Executive Board meeting

held November 12, 1921, was well attended and was of far-reaching influence in our work. Many requests had come asking that the Board meeting be held in a central location, that members from distant parts of the state might conveniently attend, thus Macon, our "Central City," was chosen as the meeting place. The delightful luncheon tendered by the Mary Hammond Washington and Nathaniel Macon Chapters added greatly to the pleasure of the occasion. A second State Executive Board meeting was held in Valdosta, April 5, 1922.

MEMBERSHIP.

The National Society, Daughters of the American Revolution, now has a membership of approximately 129,519 members with 1,835 chapters in the United States, one each in Cuba, the Philippine Islands and Hawaii. Also a chapter is being organized in Paris, France. The Georgia Society claims a membership of 4,400 with 84 chapters. There is, among the women of our State, a deep and vital interest in the Society of the Daughters of the American Revolution. They realize that we are among the character-builders of our country and that our Society is an instrument of service to our nation for it is in reality an arm of our Government. Our rapid increase in membership means greater power for good, a more far-reaching influence, a vastly greater opportunity for service to our country in its hour of need when it is threatened by insidious attacks from many sides.

COMMITTEE APPOINTMENTS.

The committee appointments made this past year were the same as those made two years ago with few exceptions. It appeared to your State Regent wise to discontinue the State Committee on Real Daughters, as our past State Chairman, Mrs. J. H. Redding, reported that, altho she had made many efforts to locate Real Daughters in Georgia, her search had been fruitless, therefore, the discontinuance of this committee to make room for others carrying necessary work.

As our past State Conference endorsed the resolution making Armistice Day an observance day in our Georgia Society, I deemed it advisable to appoint a State Chairman who would communicate with chapters relative to this celebration, naming Mrs. E. A. Caldwell, State Chairman.

Upon a request that the Georgia D. A. R. be represented on the Board of Directors of the Anti-Tuberculosis Association of Georgia I appointed Mrs. Francis Brown Chase to fill the place.

Desiring that the work of the Georgia Society shall at all times fill the need of our people as a means of guidance and help a committee on Girl Home-makers has been added. The time has arrived when the interest and attention of our girls must be brought back to the home-life and those things that make for stronger, better, truer homes. Home-making, its beauty and scope, as well as its sheer necessity as the foundation of our country, must be impressed upon our women and girls. Mrs. W. P. Fleming was made State Chairman of this committee.

It is fit that the first American should come in for his share of sympathy and care. In order that a sentiment be created for the protection and welfare of the Indian—that race that has never really had justice at the hands of our people or of our Government—your State Regent created a committee on Indian Welfare and Protection, of which committee, Mrs. Walter D. Lamar was appointed State Chairman.

ORGANIZATION OF CHAPTERS.

It is with pride that I report the chapters organized in Georgia during this administration as follows: Douglasville Chapter, Douglasville, Mrs. J. D. Abercrombie, Organizing Regent; Sunbery Chapter, Winder, Mrs. G. H. Fortson, Organizing Regent; Bainbridge Chapter, Bainbridge, Mrs. J. D. Bradwell, Organizing Regent; Peter Coffee Chapter, Abbeville, Mrs. E. P. Dunaway, Organizing Regent; Briar Creek Chapter, Sylvania, Mrs. Julian C. Lane, Organizing Regent; Cordele Chapter, Cordele, Mrs. C. L. Harris, Organizing Regent; Col. John McIntosh Chapter, Conyers, Mrs. Fannie Mae Dabney, Organizing Regent; Sylvester Chapter, Sylvester, Mrs. G. F. Alford, Organizing Regent; Warrenton Chapter, Warrenton, Mrs. W. F. Wilhoit, Organizing Regent; Elizabeth Marlow Chapter, Monticello, Mrs. Monroe Philips, Organizing Regent; Oliver Morton Chapter, Gray, Mrs. Holmes Johnson, Organizing Regent; Chapter at Jeffersonville, Mrs. N. M. Whitehurst, Organizing Regent. The Johnson Benson Chapter, Hartwell, Mrs. Walter L. Hodges, Regent, has been reorganized, as has the Tomochichi Chapter, Clarksville, Miss Addie Bass, Regent. These two chapters had not held regular meetings for two years. Papers are in Washington for necessary members of a chapter at Cairo, Mrs. W. B. Roddenberry to be appointed Organizing Regent. Also necessary papers have been forwarded for a chapter at Greensboro, Miss Clyde Willis to be appointed Organizing Regent. Sixteen papers have been accepted for a second chapter at Augusta and Mrs. W. I. Wilson has been confirmed Organizing Regent. Mrs. Mary Patten Napier has been confirmed organizing Regent at Vidalia and applications of three prospective members sent to Washington. Mrs. Mary Jared White has been confirmed Organizing Regent at Toccoa and Mrs. G. M. Boyd, Sr., confirmed Organizing Regent at Adairsville. Other towns contemplated organizing but the financial depression coupled with the increase in initiation fee has caused the work to be postponed. I wish to acknowledge, with thanks, the splendid assistance rendered by our Assistant State Editor, Miss Maud Clark Penn, in the work of Organizing the Elizabeth Marlow Chapter at Monticello and the Oliver Morton Chapter at Gray. The last named chapter, altho admitted so recently as March 27th, has arranged for a chapter room in the Library building now in course of construction at Gray, and the Regent, Mrs. Holmes Johnson, evinced her spirit of lowalty to her community by donating the lot for the building.

PATRIOTIC EDUCATION.

The keynote of the work of the Georgia Society during this administration has been patriotic education. Realizing the uplifting and purifying power of truly high and noble education and wishing to raise the standard of education in our own beloved State this work has called forth our best effort. Our largest work under this head and the one nearest our hearts has been the raising of a \$5,000.00 Memorial Scholarship in memory of Georgia's heroic dead who sacrificed their lives in the World War. This memorial was presented to the University of Georgia on March 8, 1922, and a worthy, ambitious boy is now the beneficiary of a loan from this fund. The State Chairman of Patriotic Education, Mrs. Howard McCall, under whose direction this scholarship was raised, and Mrs. George M. Hope, State Treasurer of the D. A. R. accompanied the State Regent to Athens for the presentation ceremonies and all were the guests while there of Mrs. Julius Talmadge, State Recording Secretary. A delightful reception was tendered the visit-

ing officials of the D. A. R. by the Elijah Clark Chapter, this Chapter being the banner chapter in its contribution to this Memorial Scholarship, the amount contributed being \$2,200.00. It was also the privilege of your State Regent while in Athens to address the student body of the State Normal School.

The Georgia Society pledged, at the past Continental Congress, the sum of \$400.00 to the Martha Berry Schools. I am glad to report that the Georgia Society has far exceeded that pledge, the amount contributed being \$1,000.00. Two State Scholarships to Martha Berry Schools, valued at \$260.00, have been given. Contributions sent to National schools amount to \$69.00; amount to Tommassee School \$25.00; amount to Rabun Gap School \$25.00, and the amount of \$2,940.00 given to other educational purposes. Work has been accomplished also in erasing illiteracy, night school work, donations to libraries, distribution of copies of the American Creed and of the Flag Code, books purchased for needy school children, donations to State Normal School, play ground equipment, furnishing a reading room in one school, framed copies of the Constitution placed in many schools, and an active campaign by one chapter for school bonds.

Several chapters carried out actively the school Compulsory Education law (which was secured in 1917 through the efforts of the D. A. R.) and many chapters have encouraged the singing of patriotic songs in schools.

AMERICANIZATION.

Under the head of Americanization have been promoted the three causes of the National Society which are, the Manual for Immigrants to the United States, the Memorial Fountain to the Pilgrim Mothers, and the Painting of the World War Convoy of American Soldiers to France, these being the especial undertakings of this National Administration and are very near the heart of our President General, Mrs. George Maynard Minor. The Immigrants' Manual has been published in three languages and is receiving the highest praise from many educators. Seventeen chapters have received manuals for distribution among foreigners, the total number used in Georgia being 530 copies. The Georgia Society's part of this fund for the three objects is \$2,236.20. This amount has been paid in full. The total amount of money expended by the Georgia Society for all phases of work during the past year is \$18,810.00, an increase of \$5,010 over last year.

HISTORIC SITES.

The acquisition and protection of historic spots form one of the most important phases of the work of our Society. The Historic Sites Committee, carrying out a resolution adopted by the State Conference, has made every effort to complete the marking of three historic sites in our State on the Dixie Highway, the State Society paying fifty dollars towards the expense of marking each of these spots and chapters nearest the sites selected bearing the additional expense of same. Hawkinsville chapter has plans completed for marking the point where Andrew Jackson's Trail crosses the Dixie Highway near Hawkinsville, the marker to be unveiled on April 14th. The Hawthorne Trail Chapter will, at an early date, mark the site selected at Camilla, and the Atlanta Chapter is formulating plans to mark the site selected near Atlanta.

The banner chapter in marking historic sites during the past year is the Oconee Chapter, McRae, of which Mrs. W. S. Mann is

Regent. In May, 1921, your State Regent, State First Vice-Regent, State Corresponding Secretary and a number of Daughters attended the unveiling exercises of three markers and two monuments erected by the Oconee Chapter, the occasions covering a period of two days during which time the visiting D.A.R. were entertained delightfully in the homes of the local members, and also enjoyed the hospitality of the Oconee Chapter at an elegant reception. The markers unveiled were on Blackshear and Hartford Trails and on the site of an old Fort erected by General Blackshear in 1812. Also monuments were unveiled with appropriate ceremonies to William Ryals, a Revolutionary soldier, and to General John Coffee, a General in the second war with England. Truly Telfair County is rich in Revolutionary history and the Oconee Chapter, Daughters of the American Revolution, has accomplished a great work in acquiring and preserving for future generations these historic sites and graves.

The graves of twenty-seven Revolutionary soldiers have been located in Georgia by the D. A. R. during this past year and many of these have already been marked. The year previous twenty-six Revolutionary graves were located, making fifty-three located during this administration.

It is with much pride that I speak of the valuable work accomplished by our State Historian, Mrs. O. C. Bulloch, this being the complication of a directory of facts concerning the history of our State, its pioneer, Colonial and Revolutionary women, its historic paintings, art in bronze and mural art. Mrs. Bulloch's hope is that the next State Historian will add to this work and in time the records of our State under these various heads may be made complete.

A memorial of which all Georgia will feel proud will be the magnificent Memorial Hall which is now being erected by the Joseph Habersham Chapter, Atlanta, as a memorial to the Georgia soldiers of all wars in which our Country has ever participated. The laying of the corner-stone of this beautiful temple of patriotism, which is to be used as a chapter house and is to cost approximately \$100,000.00, took place in January with appropriate ceremonies. Upon request your State Regent sent a written message which was deposited along with other articles in the corner-stone.

GIFT SCHOLARSHIPS, MEDALS AND PRIZES.

There is no work which bears more fruitful results than that of chapters giving free scholarships to worthy, ambitious boys and girls who could not otherwise obtain an education. The Georgia D. A. R. chapters have given fifty-six of these gift scholarships this year, valued at \$7,136.00. Sixty-seven medals and prizes were given, amounting to \$480.50, these being given as an incentive in the study of American history.

LEGISLATION.

It is the judgment of the National Society that the D. A. R. should endorse only the principles of bills and not any specific bill; therefore, the Georgia D. A. R. has endorsed the principles of a bill providing for a department of education in the cabinet of the President, believing that education should be raised to the dignity of an especial department and should receive Federal aid, that education may be made a universal opportunity for every boy and girl and that equal advantages shall maintain in all our states.

Our Society is endorsing and urging the principles of a bill setting aside Yorktown peninsular—the historic ground upon which

occurred the surrender of Cornwallis. It is hoped that our Government will purchase this historic ground and make of it a National park.

GEORGIA BAY.

The Daughters of the American Revolution have evinced their deep interest in the building of the Georgia Bay in Washington Memorial Chapel at Valley Forge. This memorial to Washington and those brave soldiers who underwent the terrible hardships of a winter at Valley Forge during the Revolution commemorate the period of history for which our Society is organized to perpetuate. The Georgia D. A. R. desires to be in the front ranks of the organizations of our State making contributions and that its donation to this fund should have a distinctive place in the contributions made. To date our Society has turned over to the Georgia Chairman, Mr. Charles Adamson, the sum of \$1400.00.

CONSERVATION.

Conservation in all its different phases has been a study of vital importance to our Society. Conservation and Thrift in home and economic life, conservation of our forests and of our National resources, all are patriotic endeavors that our chapters have responded to, many chapters reporting standing committees for these departments and programs given at intervals stressing these needs.

WELFARE OF WOMEN AND CHILDREN.

A worth-while work has been accomplished for needy women and children for truly they are deserving of our constant care and thought—they, who are God's less fortunate children, but who are most precious in his sight. Many chapters have sent money, clothing, food-supplies and school books, and defective and diseased children have been treated and thereby given a helping hand.

CELEBRATION OF PATRIOTIC ANNIVERSARIES.

One of the objects of our Society as stated in its Constitution and By-laws is that of promoting celebrations of all patriotic anniversaries. What better record could be given than that all the Georgia Chapters have been true to the ideals of our Society in celebrating those historic days set aside as our "observance Days." This means keeping fresh in the minds of our youth those achievements of the past that serve as an inspiration for future achievements.

OFFICIAL VISITS AND YEAR BOOKS.

One of the most delightful phases of a State Regent's duties, and may I say pleasures, is that of visiting chapters and representing our Society at official gatherings of women. Many such invitations to visit chapters and to speak on public programs have been accepted feeling that each represented an opportunity of making clear the aims and purposes of our Society and the work which it is accomplishing. I shall not give a detailed list of these visits realizing my lack of space in this report; however, I wish to express my deep appreciation of the many courtesies extended, for each was an inspiration to me and made stronger my abiding faith in the fervor and patriotic spirit of the Georgia Daughters.

Let me thank the many chapters that have sent me copies of their Year Books. Each is replete with interesting and instructive programs and all are most artistically arranged.

RECOMMENDATIONS.

I recommend for your consideration:

1. That since the Georgia Society has requested a State room in the D. A. R. Administration Building now being erected in Washington, we raise during this next year the sum of \$1,500.00 with which to furnish same.

2. That since, at times, it proves a hardship for the hostess chapters to entertain the State Conference in the spring prior to Lent, this Conference change the ruling of the State Conference of 1910 which reads: "that we have Conference in the spring not to interfere with Lent" to the following: "that we have Conference in the spring not to interfere with Lent when possible to avoid it."

3. That as no patriotic meeting should be held without asking God's divine guidance in the deliberations of same, the Georgia Society add to its list of officers that of State Chaplain, and that each chapter in the State be requested to add a Chaplain to its list of officers.

CONCLUSION.

In conclusion may I urge that we go forward in our great work with "faith and courage and an open mind" ever working with clearer vision and deeper purpose for those objects for which our Society stands, thus helping to fulfill this patriotic ideal:

"America! America! God mend thine every flow
Confirm thy soul in self-control,
Thy liberty in law.

America! America! God shed His grace on Thee
And crown thy good with brotherhood
From sea to shining sea."

REPORT OF STATE RECORDING SECRETARY.

Mrs. Julius Talmadge.

My report as State Recording Secretary consists in the Minutes of the 1920 and 1922 Conferences, together with the compilation of the Proceedings of both Conferences, and I hope these will speak for themselves.

It has been a great pleasure to serve you in this rather arduous position, and I wish to take this opportunity to thank you for having conferred this honor upon me, for it has given me an insight into the work of our beloved D. A. R. which I could never have obtained in any other way.

The cost of publishing and mailing to the State Officers and Chairman, one copy each of the Proceedings of the 23rd Conference was \$275.00. And the work was done by The McGregor Printing Co., of Athens. The minor expenses, such as typing, stationery and postage for various letters, cards and packages sent during the year, I am only too glad to contribute. There were several copies of the Proceedings sent to each Regent, therefore it was deemed wise to send them by Express C. O. D., as the State Funds were rather low. I do not think this was fully understood by all of the Regents, as several of the packages were not accepted.

REPORT OF STATE LIBRARIAN.

Mrs. S. J. Jones.

On October 18, 1921, circular letters were sent to 79 chapter Regents in which D. A. R. Library work for the year was outlined. No money was asked of the chapters but they were urged to co-operate with the Librarian in collecting and sending suitable books to the National D. A. R. Library—Memorial Continental Hall. In this respect the record for the year is gratifying.

Many chapters have done good work for their local libraries. The Governor Treutlen chapter contributed \$25.00 to the Fort Valley Library. Pulaski Chapter (Griffin) gave 49 books to Cabin District, Colored School. Maj. Gen. Samuel Elbert Chapter has received for the Tennille Library 6 books and 6 pamphlets. The Samuel Reid chapter reports among other additions to their chapter shelf in Eatonton's library, a rare copy of "White's Early History of Georgia." Thronateeska Chapter presented to Carnegie Free Library (Albany) a commodious book case and 10 new books, four of which are of great value. This chapter sent 40 books of the Chautauqua Reading Course to Downing Industrial School, Brewton, Ala., and gave 150 good books to the reading room of the Community House at Flint River Cotton Mill.

Georgia D. A. R. contributed the following books to the Memorial Continental Hall Library, during the past year:—

"Representative Women of the South," (1920), by the author, Mrs. Bryan Wells Collier.

"The American Epic," (1894), by Drummond Welborn and "Memorial Addresses on the Life of Augustus O. Bacon," Presented by Mrs. S. J. Jones.

Pamphlet—Story of Dr. Crawford W. Long, by Dr. Jacobs. Presented by Mrs. John M. Graham.

"First Lessons in Georgia History," by L. B. Evans.

"James Oglethorpe, Founder of Georgia," by H. C. Cooper.

Collection of the Georgia Historical Society—Vol. 2—1842.

REPORT OF STATE HISTORIAN.

Mrs. O. C. Bullock.

It has been a great pleasure to serve you for the past two years. I wish to express my appreciation of the honor conferred upon me, and also of the hearty co-operation of the chapters. I have learned to know you better, and to appreciate more, and more, the individual, and the organization, both in the State, and the National Society.

The Daughters of the American Revolution is a wonderful organization and is doing a great work along many lines. The more you study it, the more you become enthusiastic in the work.

The work pre-eminent for this Society, it seems, would be to preserve history. We should also mould the future; for will not the work we are doing now be future history? Let us resolve that future generations may have cause to bless the memories of their grand-mothers, as we have cause to bless the memory of ours.

In the beginning of the year, I urged the study of the Historical Program, which came out monthly in the magazine conducted by Dr. George Churchill. The subject being "Women in American History," he began with the very first white women in this country, accepting the Norse visits to America as a fact, and came on down through the different periods. I mention this because I am under the impression that few chapters studied the program. One reason, I suppose, is that many chapters had their year books before this came out. Just think for a moment, what it would mean to our Society to have all of our chapters inform themselves, through a uniform program, of the history of our country.

In one of my circular letters to the chapters, I suggested the study of the women in the State, for how little do we know about the historic women of our State.

"O, Pioneer Mothers, departed but unforgotten! Would that we might weave you a new garment of Praise, radiant as your bravery, enduring as your deeds, strong as your faith, ample as your mind, and all sufficient as your affections."

Our Historian General, Miss Coltrane, at our last Congress at Washington, through the co-operation of the states, devoted one evening toward presenting living portraits of historic women. It was most inspiring, Georgia, as we all know, being represented by our own Mrs. J. L. Walker, as Dorothy Walton.

One by one markers appear, boulders and bronze tablets are erected and iron fences surround sacred spots, silent witnesses, all of them, to deeds of heroism or sacrifice, which have contributed to the building of the nation.

The Hawkinsville Chapter has located the famous General Andrew Jackson's Trail and was awarded the third marker, or rather fifty dollars on the fund. Other chapters have located old trails, of which the chapters will report.

Mrs. Paul Hodges Wade of the Baron de Kalb Chapter has compiled the lineage of her maternal Revolutionary ancestors. This family tree naturally brings in the names of many mothers and will be valuable help to genealogists.

Mrs. Martha Brown Benton, Historian of the Augusta Chapter, has compiled a sketch of "Meadow Garden," the "Mount Vernon" of the South. It is beautifully gotten up, the arrangement, printing binding and everything connected with it. It not only includes the history of "Meadow Garden," but a description of the furnishings in each room and by whom contributed. Any Georgia D. A. R. should be proud to possess a copy.

The General James Jackson Chapter, the Nancy Hart and the John Houston Chapter, each, has its county history ready for the publisher.

The principal work of your State Historian has been to compile a Directory of Facts concerning the History of the State Work done by the Daughters of the American Revolution and Pioneer, Colonial and Revolutionary Woman.

Embraced in this directory is the location of published histories in the State, including county histories, history of the traditions and their foundations; records of the men and women and the pioneer places identified with the history of the State; historic paintings and their history; art in bronze and history; historic mural art; historic stained glass windows; oral traditions recorded in art; historic collections of manuscripts; historic spots and monuments; and Revolutionary Soldiers' graves that have been located and marked by the Georgia D. A. R.

This Directory is by means complete, but is as near as I could get it in a given length of time.

Before concluding this report, I wish to urge the chapters to buy the lineage books. They are gotten out at great expense to the Society and are of untold value. They are published to give each chapter, not just each state, the benefit of these priceless records.

REPORT OF STATE CONSULTING REGISTRAR.

Mrs. J. L. Walker.

When first elected to the office of Consulting Registrar, I truly felt I had almost been retired from active work, but time that changes all things, has brought the office into its own.

I have been asked many questions, which at all times has afforded me pleasure to answer. The history of Georgia contains a great wealth of historical matter directly relating to the American Revolution, which has been only partially uncovered. Many Georgia D. A. R.'s are actively engaged in concentrated work along these lines and their efforts are obliged to be rewarded with success.

Having been frequently asked by new Chapter Regents what were the most reliable Georgia reference books on Revolutionary Soldiers, the following Georgia Histories have been accepted as authority on that subject by the National Registrar General:

"White's Historical Collections of Georgia."

"Georgia Gazetter."

"Smith's Story of Georgia and the Georgia People."

"Historical Collections of the Joseph Habersham Chapter Records D. A. R."

"Verified Bible Records."

"Georgia Landmarks Memorials and Legions by Lucia Lamar Knight."

Last, but by no means least is Dr. Knight's Georgia Roster of the Revolution.

Every woman who has been honored with an invitation to join the Daughters of the American Revolution, should deem it a duty, as well as a privilege to join if she can establish her lineage back to the War of the Revolution.

This is a practical way of honoring their patriotic ancestors. The woman who can be a D. A. R. and will not, does not show the proper degree of pride in this, the greatest nation of the World, which her forefathers assisted in establishing. I have written many letters in the interest of verified membership and have been con-

sulted on matters that have brought forth many valuable documents.

The office of Consulting Registrar is a friendly one, for letters from every part of the State, are received. Many come also from far away daughters of other States, who are constantly in search of information relative to their Georgia Ancestors.

MOTION.

Many letters have been received asking for the National numbers of different members who have joined the D. A. R. While others have given the National numbers and asked for the Soldiers record who had furnished data for membership. It has been impossible not having the Linage Books to answer these questions; in view of this fact, and for the great convenience of the State D. A. R.'s I make the following motion:

"That the Chapter Registrar send to the State Consulting Registrar an Index Card with the name of each member of their Chapter and their National number and name of ancestor on it, and these cards will be filed and will be of valuable help to the State Registrar in her efforts to furnish much desired information."

REPORT OF STATE EDITOR.

Miss Alice May Massengale.

My report has come to you in installments during the year, this being the last.

Our space is very limited, and when your reports are cut it is by the city editor and not by your editor. Each week during the year our department is on the city editors' desk on Wednesday, never later than Thursday—and when it is omitted your editor is as disconcerted and distressed as you.

This is a most interesting part of our work. It is helpful to let others know the wonderful work that is being accomplished—and those seeing your good works will go and do likewise.

This year the authentic date was given of the first celebration of Thanksgiving celebrated in Georgia. It was found at our State Capitol. A few of the public schools of Atlanta immediately began to teach this historic fact to the pupils.

I wish to express my thanks and appreciation to all those who have contributed to this department.

REPORT OF COMMITTEE ON LEGISLATION.

Mrs. S. W. Foster, Chairman.

Of the various measures which our society has endorsed for legislation by the Congress of the United States our national committee on legislation, in pursuance of a resolution recommending the selection of "a small number" of the endorsed measures as those upon which the society should concentrate its efforts during the years 1921-22, has selected four as the most important and most likely to secure favorable action by Congress if supported by public opinion; and the committee requests the co-operation of all chapters in support of these measures. These are: (1) an appropriation for a fire-proof archives building in the City of Washington; (2) exemption from taxation of our recently purchased office lots; (3) the establishment of a Department of Education with its head a member of the cabinet (the measure known as the Towner-Stirling bill), and (4) the acquisition of Yorktown as a National military park. Your State chairman of legislation sent to the chapters of the State a statement covering these matters.

Your legislative committee has co-operated with representatives of other State organizations of Georgia in a Legislative League, which was formed through the efforts of the State Federation of

Women's Clubs for the purpose of enabling organizations favoring the same legislation to unite their efforts to obtain its passage. In view of the condition of the State's finances it has not been possible to secure the passage of new measures advocated by us which require appropriations of money.

Your chairman's action in uniting with the Legislative League accords with the course pursued by our President-General with a similar national body.

REPORT OF COMMITTEE ON RECORDS.

Miss Helen Prescott, Chairman.

Since the last Conference, I have been so overwhelmed with calls for help in making out D. A. R. papers, there has been little time for digging up Georgia records, but this very revival of interest in genealogy inspires me to renewed efforts to make it easier for the next generation to get records. Many of our boys who were in the World War came home enthused with what they saw 'over there,' in the way of ancestral reverence, and they are showing interest for the first time in the source of their being. Especially is this true of the Anglo Saxons who live in our South Land. To help this good work along, I want to make a few recommendations to be acted on by this Conference. Recently, in looking over the application papers of twenty Georgia Revolutionary pensioners, I discovered that seven of the officers under whom they served, were not listed as officers in our Georgia Roster. If this proportion were to run through all the other papers of Georgia pensioners, there would be about two hundred titles discovered, besides the genealogical matter contained in the papers, so I want to urge upon the D. A. R. here and in Washington to push again the movement started some years ago, to have the pension records published. The seven officers found were Captains Ford Butler, Charles Crawford, Daniel Gunnels, John Ledbetter, William Smith and Henry Ware and Major Joseph Walker.

Another thing that would be a great help in locating Georgia ancestors would be the publication of the Georgia Census of 1820 which contains about sixty thousand heads of families, where they lived and the number in the family. Some years ago, when the government published the first census of 1790 the state of Georgia was left out, because the records of her census for the years 1790, 1800 and 1810 were burned in 1814, but even a half loaf is better than none, and we ought to have the first census that is preserved—provided it too did not go up in smoke last year. when the Census Bureau went up in fire. Our delegates to Washington could investigate this and get our representatives in Congress interested in the subject.

Other buried treasures nearer home are the colonial wills at our State Capitol which will be published when the Legislature appropriates some more funds for printing in the Department of Archives. These wills are full of genealogical data, and some of them, like that of the great George Whitfield, would throw much light on early Georgia history. Please keep up the interest in the Department of Archives and prepare the soil for a printing appropriation when Georgia gets out of debt.

REPORT OF COMMITTEE ON PRESERVATION OF HISTORIC SITES.

Mrs. Eli A. Thomas, Chairman.

We with pleasure report much progress being made by the D. A. R. Chapters of Georgia in searching out sites in their locality

that have historic associations. The rapid development of many important highways crossing the state in every direction has created a new interest, and drawn attention to those sections where the highway covers old Indian Trails, or important stage coach roads. Forgotten wayside taverns are also being located, and their history sketched for future use.

The most important event of the year was the wonderful two days devoted to unveiling tablets, speaking and feasting which was carried out with such perfection by the Oconee Chapter of McRea on May 5th and 6th, 1921. Our State Regent and other honor guests took part. First a tablet was unveiled at Lumber City marking Blackshear Trail, and the site of an old fort erected by General Blackshear in the war of 1812. The next day a tablet was unveiled on the old Court House at Jacksonville, an old town that was formerly the county seat, also a tablet marking Block House Baptist Church near Jacksonville. Others will report the graves marked upon this occasion.

The Samuel Reid chapter of Eatonton reports, that plans have been made to mark the spot where stood the old tavern in which Joel Chandler Harris was born, and also to mark "Turnwold," the country home of Mr. Joseph A. Turner, where Young Harris learned to set type, and heard the negro stories that inspired the "Uncle Remus" tales of after years.

The Governor Jared Irwin Chapter of Sandersville has located the site of a Revolutionary Inn situated on the Milledgeville Road, which they will mark.

The Hightower Trail Chapter of Conyers, has located Hightower Trail where it crosses their county, which they will mark.

The John Benson Chapter of Hartwell has located "Goldmine," an old Indian village, which they will mark.

The Camp Varner Chapter of Douglasville, has located the home of "Sweetheart," a prominent Indian chief, this is on the Bankhead Highway near Austell.

The Baron DeKalb Chapter of Clarkston will mark an Indian trail on Stone Mountain.

The Oglethorpe Chapter of Columbus has planned to erect a more elaborate marker at the point below their city where Oglethorpe crossed the Chatahoochee river. Besides the small marker already there, they will erect a huge boulder with bronze tablet bearing the inscription.

The Governor Milledge Chapter of Dalton, will erect a sign board directing tourists to historic "Vanhouse" in Murray County, which is off the main highway.

The Brunswick Chapter of Brunswick, is planning to erect an iron tablet at "Old Midway Church" in Liberty County, giving a bit of its interesting history for the benefit of tourists along the Coastal Highway, which passes there.

The Joseph Habersham Chapter of Atlanta has located an Indian Mound on the Chattahoochee river near Atlanta, the Island in the river the Indian trail crossed, and Lachlan Johnson Grove, where slave traders and other travelers camped.

We regret to report that only one of the three tablets to mark historic spots on Dixie Highway which were to have been erected by the State D. A. R. assisted by local chapters, will be finished before our present term of office expires. We have done what we could to push this along, but the Atlanta Chapter and the Hawthorne Trail Chapter of Pelham, which were granted the right to place state markers where Dixie Highway cover Peachtree Trail and Hawthorne Trail respectively, have not yet secured their markers. We hope these markers will yet be placed.

The third marker was granted to the Hawkinsville Chapter, and is ready to be unveiled on April 13th, at which time I expect to have the pleasure of being present. This marks Jackson Trail where it passes through Hawkinsville.

As a member of the National Committee on the Preservation of Historic Sites, I am still working for the passage of the bill making Yorktown a National Park, and have written letters to congressmen and to Chapters, and urge the further support of every chapter.

REPORT OF COMMITTEE ON THE INVESTIGATION OF THE GRAVE OF GOVERNOR JOHN CLARK.

Mrs. Eli A. Thomas, Chairman.

A resolution was passed at the 1921 State Conference D. A. R. calling for an investigation into the conditions surrounding the diseerated tomb of Gen. John Clark, twice Governor of Georgia, whose grave now lies in the back yard of a home on the bay at St. Andrews, Fla.; and for a committee to mark this investigation and report the same with recommendations for the reclamation of the grave that tardy honor may be paid this great old Georgian of pioneer days. Complying with this resolution the state regent, Mrs. Land, appointed me, as State Chairman of the Committee on "Historic Sites" to undertake this work, consulting with Mrs. W. B. Smith of Fort Valley and Mrs. Mell Knox of Social Circle, the authors of the resolution.

I therefore make the following report:—

Valuable assistance was given in the beginning of this work by Mrs. Thomas B. Denham, State Chairman of Historic Sites in Florida, with whom our State Regent first communicated. She sent a plat showing the exact location of the grave, and of the conditions now, which put me in touch with Mr. J. H. Drummond of St. Andrews, Fla., the writer of the plat and accompanying letter. This letter stated that Mrs. Mary Moor on whose lot the Clark graves are located, would not sell any part of the lot, nor allow the graves to be moved, but would allow any suitable improvement about the graves.

Considering this final I consulted with Mrs. Smith and Mrs. Knox, and Mrs. Smith agreed with me that we recommend a stone coping be placed around the Clark graves (a space 10x20 feet) and an iron tablet on the highway in front calling attention to this historic spot.

With this in view I wrote to Mr. Drummond to secure the measurements for the coping and the local price for same. He answered by saying, that he had with Mr. West (a local historian and editor) made another visit to Mrs. Moore, and that she now consents for the D. A. R. or his descendants to move Gov. Clark's remains to Georgia, provided all the Clark graves are moved at the same time; these are the graves of Mrs. Clark and two small grandchildren.

This changed the situation and altered my opinion, for, do what we will to the graves where they are they will still be in the back yard of a private home, and in the way of progress. Then I recalled Mr. Lucian L. Knight's remarks on Governor Clark's last resting place far away beside the waters of St. Andrews Bay, which concluded with the hope that the remains of this soldier of the Revolutionary War might some day repose in the National Cemetery at Marietta, (Ga. Landmarks, Memorials and Legends, Vol. II—Page 32.)

With the idea of making this wish come true, I first wrote to

the State Board of Health, asking if there was any danger in moving the remains of one who had died of yellow fever in 1832. He replied that there was not the slightest.

A letter was then written to the Superintendent of the National Cemetery at Marietta, from whom I received instructions as to how to proceed to secure the privilege of re-interring all the Clark remains in that cemetery. (Exhibit D.)

I therefore recommend that the Georgia Society D. A. R. remove the remains and monuments of Gov. Clark, his wife and grandchildren from their present undesirable location, and reinter them with all honor suitable a Revolutionary War Soldier, and statesman who was twice Governor of Georgia, and Major-General of the Georgia Militia, in the National Cemetery at Marietta.

I further recommend that a committee be appointed to proceed at once to secure permission for re-interment at Marietta, when this is secured, that the remains of Gov. Clark, his wife and grandchildren be brought to Georgia for burial in said cemetery. That the committee be authorized to secure a contribution from every D. A. R. Chapter in the state to make up a fund for this purpose.

REPORT OF COMMITTEE ON MARKING REVOLUTIONARY SOLDIERS' GRAVES.

Mrs. H. D. Allen, Chairman.

Your Chairman submits with pleasure the report of work done during the past year by Committee for this department:

Two circular letters have been mailed to each Chapter Regent, one in July urging a search for graves and one in March requesting reports. The responses have been many and very gratifying. Graves of the following eleven Revolutionary Soldiers have been marked with appropriate ceremonies:

James Gilmore, William Hunt, and Colesby Smith by the Major General Samuel Elbert Chapter, Tennille; Hartwell, Ezell and Littleton Johnson by the Sgt. Jasper Chapter, Monticello; John Hays and John Moffett by the Baron DeKalb Chapter, Clarkston; Major Nathaniel Durkee by the John B. Benson Chapter, Hartwell; Isaac Boring by the John Clark Chapter, Social Circle; William Ryals and General John Coffee by the Oconee Chapter, McRae.

Headstone has been received for the grave of William Wiggins by Governor Treutlen Chapter, Ft. Valley.

The following Chapters have discovered graves and requested application blanks:

Baron DeKalb 2; Stephen Heard 2; Lanahassee 2; Sarah Dickinson 1; Lyman Hall 1; Briar Creek 10; Governor John Milledge 1; Major General Samuel Elbert 1.

Headstones have been ordered for graves of the following seven Revolutionary Soldiers:

James Allen by the Major General Samuel Elbert Chapter; John Davidson and Henry Slappey by the Sgt. Jasper Chapter; James Little by the James Pittman Chapter; John Rawlings by the Governor John Milledge Chapter; Willis Cason by the Hawkinsville Chapter; Philip Matthews by the John Hoston Chapter. Headstone for graves of the last two mentioned have been withheld awaiting necessary data.

The graves of three Irwin brothers who were Revolutionary Soldiers have been discovered by the Governor Jared Irwin Chapter, Sandersville. These will be marked by the Irwin family.

James Monroe Chapter, Forsyth, expects to mark one grave soon. Samuel Reid Chapter was requested to locate and mark two graves

in Putman County but after a thorough search failed to find them. Lachlan McIntosh Chapter is investigating four graves in Effingham County and looking forward to getting those in Colonial Cemetery at Savannah marked.

William McIntosh Chapter is working on data for two graves. James Pittman Chapter is investigating graves of William Blackshear, William Harris, James Montgomery and two others in Jackson County.

Our attention has been called to graves of six Revolutionary Soldiers by Mrs. John L. Davidson, Regent of Hannah Clark Chapter:

Claiborn Webb, Major Prosser Horton, and Charles McKinney in Jackson County; Jesse Battle and William Sumner Battle in Hancock County; John Strong in Clarke County. We have requested nearby Chapters to mark these graves.

We wish to call your attention to the fact that the Major General Samuel Elbert Chapter has, since the Chapter was organized nine years ago, marked ten Revolutionary Soldiers' graves, has ordered headstone for one other, and is investigating seven in Jefferson County. If any other Chapters have done better work in this department, please let us hear from them.

REPORT OF COMMITTEE ON PATRIOTIC EDUCATION.

Mrs. Howard H. McCall, Chairman.

It is with genuine pleasure that I report to you today the completion of our D. A. R. Patriotic Education is the greatest work of the D. A. R. today. To make a liberty loving American nation out of the foreigners is no easy problem and the immigrants manual is the easiest way of solving this problem. Your chairman of Americanization, Mrs. Charles Akerman, will give you a full report of this work. (We must be ready to bear our part and to help mold the foreigners that may come to the South).

The mission of our Society is not only to honor and memorialize the glorious history of the past, but to stand as the real Daughters of the Revolution stood, to serve our State and Country in every way, but every Chapter must be interested in educational work to carry this on.

The need of the enforcement of the Compulsory Education law is shown by the illiteracy in the State. No parent has a right to deny enlightenment to a child's mind any more than to withhold food from its body. The blubs of the Children of the republic have been of great service in stimulating patriotism. It admits to its membership all children without the requirements of a Revolutionary ancestor.

In every case where work is already established, the D. A. R. in that community is urged to co-operate heartily. Many chapters have reported aiding libraries, placing play-grounds equipments at schools, obtaining free books and clothing for needy children, furnished free text books, taught classes in illiteracy, gave flags to Girl Scouts, had many historical papers read and used patriotic lecture slides. The work also includes distribution of American creeds in schools, patriotic songs, donations for the University Memorial Fund and the Wilson Foundation, night school work, and framed copies of the Constitution placed in schools. One chapter made

an active campaign for school bonds. Every chapter observed all patriotic days.

Two members of the General James Jackson Chapter at Valdosta, Mrs. James T. Wood and Miss Olabelle Barber, sent in splendid papers in the Indian essay contest.

Besides the \$1,000.00 given to Martha Berry School this year from the State D. A. R., a number of Chapters have scholarships in this school.

Questionnaires were sent out to the 79 chapters in order to compile a complete report of the educational work. Fifty-nine chapters answered. From these the following report was compiled.

The total amount of money raised by the D. A. R. in Georgia this year for educational work is \$18810.00, and represents as follows:

You doubtless know that the yearly expense of keeping up the old Walton home is necessarily large, and I will herewith give you the condensed items—beginning August, 1921. Painting, plastering, and cutting hedge—January, 1922. Insurance on house \$2,000.00 for three years. Insurance on furniture \$1,000.00 for three years, wood, carpenter, papering walls, lumber, new curtains, new window shades, cleaning rugs, upholstering, and black hair cloth to cover several pieces of parlor furniture. Printing the "Sketch of Meadow Garden Home of George Walton" compiled by Mrs. Martha Brown Benton, Historian Augusta Chapter. Total amount expended by the Augusta Chapter \$481.63. We realized \$55.00 from the beautiful Washington Tea Party at "Meadow Garden" on Feb. 22, and from visitors when the home is opened weekly.

REPORT OF COMMITTEE ON EDUCATIONAL MOVING PICTURE FILMS.

Mrs. R. R. Evans, Chairman.

I have written every Chapter Regent asking that they appoint a committee for Educational Movie Film. Much interest has been expressed.

I have attended two (2) lectures, and have visited the Pathe Exchange, in Atlanta, where I gained much interest along the line of Educational Films.

The motion picture is recognized as the most powerful medium of expressions and impressions yet invented.

What the D. A. R. as a force can do, is to use common sense, mutual interest, and co-operation, realizing that the motion picture folks are willing to co-operate with good ideas.

REPORT OF COMMITTEE ON CONSERVATION OF NATURAL RESOURCES.

Mrs. W. H. DeVoe, Chairman.

Your committee reports with pleasure and pride the wonderful strides made in the past twelve months for Conservation of our Natural Resources—Numerous Chapters have written letters to their Congressmen and Senators in regard to Conservation and report favorable replies and pledges for support and hearty co-operation along these lines.

Our National Government realizing the great importance of this has been more cautious than ever in the careful selection of Committees to investigate and enforce the Conservation of all Natural Resources, especially is this true of forest protection, water ways, animal and bird life.

The United States department of agriculture has wisely given particular attention to the great usefulness of birds to the farmer—and have published many circulars and bulletins devoted to their inestimable value, one bulletin showing that on a farm of 200 acres in N. C. it was found that birds were destroying a million green bugs—or wheat Aphids daily, thus it is proven that the birds in the United States prevent an increase in actual damage by insects alone, of millions of dollars.

This subject alone proves the importance of all, and your com-

mittee has tried to awaken interest in many others too inextensive to mention in the limited space allotted to us.

We trust our weak efforts may bring results in the future.

REPORT OF COMMITTEE ON CONSERVATION AND THRIFT.

Mrs. Fort E. Land, Chairman.

As a member of the Federation of Women's Club I have gotten some Thrift programs through their department of the work and have communicated with all of the chapters and am sure that a great many of them have carried out programs along your line of work. The people in Georgia were among the first to feel the present depression and Thrift has been practiced universally from necessity.

As to Conservation if our own county can speak for the rest of the State a great work is being carried on. We are making a Road of Remembrance which will cross in our city, and on this road we are planting pecans, flowering trees and many shrubs. One hundred of these trees were planted on Arbor Day, My own chapter of The Daughters of the Revolution planting one of these with appropriate ceremony. Won't thirty miles of pecan trees in our county be a wonderful memorial to our heroes? Our farmers have agreed to take care of these pecan trees along the highway.

Our local game warden is an instructor in the university in our city and he is co-operating with us in the protection of bird life.

The first outdoor school in our city has been opened this week for both tubercular and under nourished children. I conferred with the Chamber of Commerce assisted by our local physicians and procured this school together with a dental clinic for the city and county.

With the help of my State Regent who has been visiting the chapters continuously I have been able to reach a great many chapters that I would not have otherwise been able to come in contact with.

REPORT OF COMMITTEE ON HISTORIC POST CARDS.

Mrs. Chas. U. Rogers, Chairman.

Since the last State Convention, I have received the following Post cards, and pictures:

From Miss Marthe Edmondson, Eatonton, a picture of "Turnwold" one of the most historic spots in Putnam County. It was here Joel Chandler Harris learned to set type, while working on "The Countryman," a paper owned and edited by Col. Turner. Here too, he got his inspiration for "Uncle Remus," which made him famous to all the world.

From Atlanta, Post cards of Joel Chandler Harris' home in West End, where his Uncle Remus stories were written. Also one of the Barracks at Fort McPherson.

From Mrs. John L. Davidson, Quitman, the following interesting collections; The grave of Mary Howard Goulding, wife of Dr. F. R. Goulding, who wrote "The Young Marooners," and inventor of the sewing machine. This grave is located in the Cemetery at Kingston, Bartow County. Confederate Monument, and Monument to Dr. Crawford W. Long, located on the Public Square at Jefferson, Ga.; Store built by Nathan Pendergrass in 1854, occupied by him until his death, and since by his son, at Jefferson, Ga. Just back of this store is located the building in which Dr. Long discovered the use of ether as an anaesthesia.

From Mrs. R. L. Anderson, Macon, post cards of the birth

place of Sidney Lanier, Fort Hawkin, and Wesleyan College, all in Macon.

From Mrs. O. W. Jones, Thomaston, Post cards of Stone Mountain, 16 miles from Atlanta, The Hermitage, Savannah; Fort Moultrie, and grave of Ocoola, Indian Chief, Charleston; Lulu Falls, Lookout Mountain, Chattanooga; Old Fort Marion, 1586-1756, and Old City Gates, 1702-1727; oldest house in U. S., St. Francis St., St. Augustine; Old Stone House, Richmond, erected about 1837. The yard in the rear of this building is said to have been used at one time by Gen. George Washington, as his Headquarters, and one of the upper rooms was used by Patrick Henry as a Law office. It is now owned and maintained by the Association for the Preservation of Virginia Antiquities.

REPORT OF COMMITTEE ON HISTORICAL AND LITERARY RECIPROCITY.

Mrs. J. A. Peacock, Chairman.

As State Chairman Historical and Literary Reciprocity Committee submit the following report:

When our honored State Regent, Mrs. Max E. Land, appointed me Chairman of this Committee, my eyes quickly looked over the names of the brilliant women composing the committee, and I thought that any one of the number were so much better qualified for the office and could more successfully carry it on. However, I stand acquitted to my conscience. I have done my best.

I issued a circular letter in October to the Regents of each Chapter outlining the work and asked for one of the best papers read before their Chapters. I enclosed, in letter, a small booklet sent out by the National Committee. This booklet contains a list of the subjects of all papers sent in from the Chapters all over the country. The Chapters were urged to use the papers freely, for they give such a wonderful exchange and interchange of ideas, thoughts and purposes. At any time during the year if a paper is needed on any subject, write direct to Mrs. Milford G. Chapman, National Chairman for same and after using paper it is to be returned to her.

I have received some splendid papers which were sent in February to National Chairman. I also sent my report of year's work to the National Chairman by March 1st.

A new ruling this year is that all papers must be sent in type-written-two copies, one a carbon sheet. Not knowing that at the time letter was sent out, I had to make a copy of each paper. The papers sent in abounded in historic facts, written in a highly interesting readable style.

List of papers follow:

"The Battle of Kings Mountain," by Miss Janie Newton, LaGrange Chapter, LaGrange, Ga.

"Gen. John Floyd," by Mrs. J. L. Walker, State Consulting Registrar, member of Lyman Hall Chapter, Waycross, Ga.

"Why We Should Cherish Armistice Day," by Miss Mary Kate Bethel, of Gov. Edward Telfair Chapter, Thomaston, Ga.

"Frank Stanton," by Mrs. J. C. Whipple, Hannah Clarke Chapter, Quitman, Ga.

"Women of the Period of Exploration," by Miss Janie Hearne, Samuel Reid Chapter, Eatonton, Ga.

"America's Unknown Dead," A Monody. An exquisite word painting by Georgia's honored Dr. Lucian Lamar Knight.

"Georgia's Noted Scientists, John and Joseph LeConte," by Mrs. John L. Davidson, Hannah Clarke Chapter, Quitman, Ga.

I received some very pleasant letters from other chapters, acknowledging my request, which I appreciated. I heartily thank the writers of the above papers for their kind co-operation.

I have received a letter from Mrs. Howe, Vice-Chairman, and I think the Conference would like to know what she wrote, "I thank you SO MUCH for such a splendid lot of interesting papers and two copies of each. I have read each and all of them with interest and pleasure and have learned much from them."

REPORT OF COMMITTEE ON WELFARE OF WOMEN AND CHILDREN.

Mrs. Wilbur Coney, Chairman.

The attention of almost every Women's Organization in the State seems centered upon the Welfare of Women and Children, and while our Chapters, D. A. R., have indeed accomplished a great deal among themselves, they also have co-operated in many instances, with these Sister Organizations.

I have been in communication with each Chapter in the State, and as Chairman of this wonderful work, I wish to thank each Regent for her ready response, and most satisfactory report.

Day Nurseries, Baby Clinics and Health Centers have been established and are receiving careful attention of the D. A. R. The "Modern Health Crusade" in many of our schools is being sponsored by our D. A. R.

Underweight children are given special attention, and physical weaknesses are corrected. Our Chapters have made splendid donations for supplying funds with which to provide nurses and food among the poorer classes. Jellies, preserves, clothing and school books are being freely distributed among these families. Relief associations throughout the State have received donations from our Chapters. Lafayettes have been made by some of our interested members for women who were unable to provide same.

Some of our Regents served as Chairman of "Empty Stocking Funds" at Christmas-tide, thereby gladdening the hearts of unfortunate little ones.

The Welfare of bodily needs of our Women and Children have not been our limitation, for, while these material needs and requirements are being considered, much interest is shown the spiritual side of these lives. In homes where children are not receiving proper training, members (particularly some of our younger ones) visit them regularly; talking with and reading good stories to them. A Band of Sunday School Workers has been formed in one of our Chapters where these little ones are called for and taken to Sunday School.

In closing let me ask that you give the same hearty support to your incoming Chairman that you have accorded me.

REPORT OF COMMITTEE ON CHILDREN AND SONS OF THE REPUBLIC.

Mrs. Bolling Whitfield, Chairman.

It has been my pleasure and privilege to serve as State Chairman, "Children and Sons of the Republic," two years.

So closely allied to patriotic education is this splendid work few grasp its important distinction though my efforts have been vigilant and faithful, keeping in touch with the National Society, soliciting the co-operation of schools in cities and rural districts, sending out over four hundred circular letters and cards, including bulletins which I had especially published for each Chapter Regent

explaining and outlining the purpose of the work which has been for years, in other sections, important factors in our great organization, the Daughters of the American Revolution.

With this constant arrival of emigration into our country it seems the propitious moment to form these clubs, "Children and Sons of the Republic" in which true American spirit is instilled, History and love of country taught, American's Creed with Pledge to the Flag being only a few precepts in this valued work among the foreign born.

The active chapters endorsing our splendid appeal were the Commodore Richard Dale Chapter, Albany, Mrs. John D. Pope, Regent; Pulaski Chapter, Griffin, Mrs. R. R. Evans, Regent, both teaching the American's Creed and Pledge to the Flag.

Gov. John Milledge Chapter, Dalton, Mrs. Paul Trammel, Regent, Sponsored the Pledge to the Flag, American's Creed, and has organized S. A. R. hoping to form a Children and Sons of the Republic club soon.

Chattahoochee Chapter, West Point, Mrs. J. H. Horsley, Regent, John Houston Chapter, Thomaston, Mrs. J. F. Lewis, Regent, has placed in country and public buildings copies of the Constitution, American's Creed and Flag Code.

Nancy Hart Chapter, Milledgeville, Mrs. J. H. Hutchinson, Regent, has the white and colored children in Baldwin County recite the Pledge to the Flag and American's Creed each day while the Maj. Gen'l Samuel Elbert Chapter, Tennell, Miss Nan Harman, Regent, distributed in both white and colored schools in county, American's Creed and Pledge to the Flag.

Hannah Clarke Chapter, Quitman, Mrs. J. L. Davidson, Regent, had the American Creed printed on cards and sent to every school in Brooks County, and to every student in High School. Pledge to the Flag is made every morning in the Public Schools.

Samuel Reid Chapter, Eatonton, Miss Martha Edmondson, Regent, had fifty large cards with American's Creed prepared for white and colored schools in Putman County and taught Pledge to Flag. While Mrs. Alva Davis, Regent of Gen'l Daniel Stewart Chapter, Perry, reports the American Creed and Pledge to Flag taught in both white and colored schools and expect to have a Children and Sons of the Republic Club formed in a short time.

Gov. Trentlen Chapter, Fort Valley, Mrs. W. B. South, Regent, and the Stephen Heard Chapter, Elberton, Miss Nora Jones, Regent, has the American's Creed, Pledge to the Flag and Constitution taught in both white and colored schools as does the Oglethorpe Chapter, Columbus, Mrs. J. H. Dimon, Regent.

John Clark Chapter, Social Circle, Mrs. Mell Knox, Regent, claims the distinction of pasting a copy of the American's Creed in the childrens' histories and furnishing Pledge to the Flag.

Hawkinsville Chapter, Mrs. W. V. Rell, Regent, has printed and distributed in country and town schools,—Flag Code and American's Creed repeated each meeting.

Col. John Dooly Chapter, Vienna, Mrs. M. E. Ruskin, Regent, has interested schools in American Creed, teaching Pledge to the Flag.

Council of Safety Chapter, Americus, Mrs. C. D. Niles, Regent, reports one club in charge of Mrs. Howel Simmons, with the Pledge to the Flag and American's Creed taught in country and City schools.

Sergeant Newton Chapter, Covington, hopes to have a Club well under way by April.

The Atlanta Chapter, Mrs. Charles A. Davis, Regent.

Joseph Habersham Chapter, Atlanta, Mrs. Ulric S. Atkinson, Regent.

Piedmont Continental Chapter, Mrs. H. E. Clark, Regent.

LaGrange Chapter, Mrs. C. M. Autry, Regent.

Fort Early Chapter, Cordele, Mrs. J. M. Diffie, Regent.

Gov. Jared Irwin Chapter, Sandersville, Mrs. Dan C. Harris, Regent.

Lyman Hall Chapter, Waycross, Mrs. J. E. Wadley, Regent, made encouraging reports though some are new in their undertakings while others are small chapters finding it difficult to obtain leaders.

Lachlan McIntosh Chapter, Savannah, Mrs. Walter S. Wilson, Regent, has organized a Children of the Republic Club, in Juvenile Detention House and will soon establish another in the foreign born district. They are greatly aided by Girl Reserves and younger members of their own families who entertain with Music, recitations, etc.

Brunswick Chapter, Regent, Mrs. Louisa Stacy, reports Miss Mada McDonald, principle of Dodge Home on St. Simons, teaching our Children of the Republic literature, while under the Chairmanship of Mrs. Gowan, Mrs. Yates at St. John's Haven is reported as instructing the boys there, where splendid material is found.

Statistics prove fewer foreigners in Georgia than any State in the United States though this wave of emigration is wending its way with a tide as relentless as time, sweeping on and on, and when the demands of Children and Sons of the Republic is fully understood in this ripening age of possibilities, a golden harvest awaits the faithful, and the Chairman will not have to urge its fulfillment, every Regent in Georgia will proudly report one or more of these clubs.

REPORT OF COMMITTEE ON TIME AND PLACE.

Mrs. William Lee Ellis, Chairman.

I have the great pleasure and privilege of extending to you an invitation for the 1923 State Conference from the Joseph Habersham Chapter, Atlanta, Ga., and I feel confident we will be delighted to accept their gracious hospitality.

REPORT OF COMMITTEE ON D. A. R. MAGAZINES.

Mrs. Robert S. Roddenbery, Chairman.

As chairman of your Magazine Committee, I herewith submit the following report for the year ending March 31, 1922.

It is a source of keen regret that I must report that Georgia stands at the bottom in percentage of subscribers to our D. A. R. Magazines; we are even lower than we were last year. This time last year, we had 297 subscribers out of 3,829 members and now we have only 183 subscribers with a membership of 4,363, a condition which every D. A. R. in Georgia should deplore.

In this connection, however, it may be stated that this decrease is, in many instances, due to the fact that the subscription price has increased from \$1.00 to \$2.00. This increase in price was occasioned by the fact that the magazine did not pay for itself at a subscription price of \$1.00 per year. But this does not justify us. The real value of our magazine cannot be recorded in dollars and cents. Its real value to our Society is in disseminating our plans for patriotic work, increasing our efficiency, and spreading the knowledge of American history and ideals. The magazine, with the increase in price, has correspondingly increased in its scope and value to the Society.

We feel that the lack of subscribers, is due more largely to the indifference of many of the chapter regents for their failure to bring before their members the importance of this matter, more frequently and more persistently. The lack of interest of the chapter regents in seeing that the members of their respective chapters subscribe to the magazine, is indicative of the fact that the regents themselves are indifferent to the progress of their chapters in this matter and it further indicates that many of the regents do not even subscribe to the magazine themselves.

Last November, I wrote a letter to every chapter regent in Georgia urging the appointment of a Magazine chairman in their respective chapters and asking their assistance in bringing Georgia from her present position up to her rightful place on the Honor Roll. To these letters, about eighty in number, I received seven replies, which is a further indication of the lack of interest on the part of the Chapter Regents.

This report is a bare statement of the condition that exists. Let Georgia Daughters bestir themselves and get off of the bottom rung.

REPORT OF COMMITTEE ON MEDALS AND PRIZES.

Mrs. Annie Kate Walker, Chairman.

The following is the report of the work being done by the Chapters to stimulate interest in the study of American history by the youth of the State.

Reports of medals and prizes offered from the following Chapters have been received: Atlanta Chapter, gold medal; Council of Safety Chapter, Americus, one medal; Thronateeska Chapter, Albany, gold medal; Brunswick Chapter, one medal; Fort Early Chapter, Cordele, ten medals and prizes; Samuel Reid Chapter, Eatonton, one loving cup and one medal; Col. REPORT OF COMMITTEE ON PATRIOTIC SONGS.

Mrs. John Randolph Whitehead, Chairman.

Your State Chairman of Patriotic Songs sent out on October 1, 1921, eighty-eight cards, one to each Regent, and to each member of Patriotic Songs Committee. Eighteen chapters have replied, assuring me of their hearty co-operation in the use of the Lord's Prayer and the singing of Patriotic songs in both white and colored schools.

I desire to thank the following chapters for their prompt response, else I would have been "A Silent Woman"—Thronateeska Chapter, Commodore Richard Dale, Council of Safety, Elijah Clarke, Joseph Habersham, Lanahasssee, James Pittman, Samuel Reid, Hawkinsville, Nathaniel Macon, Nancy Hart, John Benning, Sarah Dickinson, Gov. Jared Irwin, John Houston, Gov. Edward Telfair, Ochlochnee, and Gen. James Jackson.

The sixty-one chapters which did not reply are evidently co-operating as "silence gives consent," and "no news is good news."

REPORT OF COMMITTEE ON INDEPENDENCE DAY.

Miss Mary Guyton Ramsay, Chairman.

As Chairman of Independence Day Committee, it is my pleasure and privilege to report that the patriotic custom of celebrating this day has been almost universally observed.

Each succeeding year adds to our reverence and respect for Independence Day, and increases our admiration for its purpose. Its observance is prompted by lofty and worthy sentiments. May we continue to appreciate its significance and worth, thus doing honor to ourselves, to those who have gone before us, and to the principles in which we believe.

REPORT OF COMMITTEE ON LAFAYETTE DAY—SEPTEMBER SIXTH.

Mrs. Albert Tidwell, Chairman.

In accepting the appointment of State Chairman of LaFayette Day, I feel it is a work very near to our State Regent's heart, as it was she who originated this thought and began the work throughout the Southern States.

The knowledge of LaFayette's loyalty and sacrifice to America is worthy of great honor given to his memory.

As chairman of this committee, I submit the following report:—During August, 1921, I mailed to every Chapter Regent in Georgia a request that she observe LaFayette's birthday with appropriate exercise, and below are the names of chapters that celebrated either with patriotic exercises or social affair or a benefit performance.

Pulaski Chapter, Griffin; Council of Safety Chapter, Americus; Sergeant Jasper Chapter, Monticello; Governor Jared Irwin Chapter, Sandersville; Stone Castle Chapter, Dawson; General Daniel Stewart Chapter, Perry; Hannah Clarke Chapter, Quitman; Gov. Edward Telfair Chapter, Thomaston; Maj. Gen. Samuel Elbert Chapter, Tennille; Nathaniel Macon Chapter, Macon; Samuel Reid Chapter, Eatonton.

REPORT OF COMMITTEE ON INTERNATIONAL RELATIONS.

Mrs. John D. Gunn, Chairman.

The attention of the entire country is centered as never before on the question of International Relations, and Disarmament is the burning question of the hour. Upon the invitation of the American Nation, through its Chief Executive, President Harding, representatives of Great Britain, France, Italy, Japan, China, Holland and Belgium convened at Washington, and twelve historic weeks of discussion and deliberation resulted in the drawing up of six treaties. These were officially signed on the Sixth of February. They are as follows:

1. Naval Limitation Treaty.
2. Submarine and Poison Gas Treaty.
3. Four-power Pacific Treaty.
4. General Far Eastern Treaty.
5. Chinese Tariff Treaty.
6. Shantung Treaty.

The fact that the deliberations of this epoch-making Conference were held in our own Memorial Continental Hall lent by our organization to the delegates has given greater cause for real interest to the Daughters of the American Revolution. It is our duty therefore to use our best efforts "to aid in securing for mankind all the blessings of Liberty."

Two circular letters have been sent by this committee to every Regent in the State—one before the Disarmament Conference in Washington and one since. It gives this Committee pleasure to report that the question has been studied by many chapters, and nearly every one has a Chairman on International Relations, who has given one or more programs this year.

REPORT OF COMMITTEE ON AMERICANIZATION.

Mrs. Charles Akerman, Chairman.

The growth of Americanization activities throughout the state has been remarkably gratifying. The work has not been just what I desired in each instance, still I assert with emphasis that each chapter has looked about to do that particular duty which lies nearest to her, and in this way vitalized and broadened the scope of work probably fifty per cent. As I recount the excellent report sent me I am convinced that few be the undertakings for human uplift and good citizenry in which the D. A. R. are not actively participating. I am very happy in noting this truth.

The following is a brief, summarized as best I can, covering the different phases touched:

Fifty-eight chapters have met in full their quotas for Americanization Manual, Painting—Soldiers World War Memorial and Memorial Fountain to Pilgrim Mothers. Others have only a few cents remaining, caused by the unsatisfied quota of recent new members. Others still, but a few, for various reasons could not co-operate. The failure to complete the Three Objects Americanization Fund is a source of deep regret to your Chairman, who, since Christmas, has sent out not less than 550, probably 600 letters. It is my earnest hope that we may devise ways and means of sending our honored Madam State Regent to Congress with every undertaking fully accomplished. Too noble and earnest has she been to deserve less at the hands of a loyal constituency.

Forty-one patriotic observances of historic days, by chapters.

Three classes in Citizenship, by chapters.

For essay on "What America Means to Me" or similar subjects, 14 medals or prizes have been awarded.

Handsome Georgia flag presented with a special exercise, one.

Chapters endorsing and urging passage Smith-Towner Bill, fourteen.

"Americanize America." Slogan adopted by one chapter.

Classes in Educational Immigration study, one.

Americanization column in newspaper, one.

Flag, creed, code and constitution distribution in schools of city and county, fourteen chapters.

Patriotic music especially taught in city schools, two chapters.

Patriotic song books placed in city and county schools by one chapter.

Inactment of law to require same qualifications of citizens for men and women endorsed by ten chapters.

Organized effort to promote citizenship, proper conception of moral obligation and child welfare, eleven chapters.

Community Service rendered, nine chapters.

Assisted Kindergarten in foreign-born neighborhood, three chapters.

Bands of Children of the Republic organized, three chapters.

Copies of Immigrants Manual distributed, four chapters.

Help in securing pupils for night schools, two chapters.

Established Cottage Industries, one chapter.

Assistance given to foreign-born naturalization court, one chapter.

Numerous gifts to foreign-born children, one chapter.

Mothers Classes among foreign-born women, one chapter.

One four year Americanization Scholarship at Wesleyan College.

Three national Americanizations objects, \$1751.48.

Total Americanization purposes, \$2372.11.

REPORT OF COMMITTEE ON FORESTRY.

Miss Annie M. Lane, State Chairman.

Of all the organizations in Georgia, none have done better work in the different branches of Forestry than the "Daughters of the American Revolution."

Almost every chapter has responded to every call, and reported splendid work.

Arbor Day was conducted in the public schools under the auspices of the D. A. R. Trees with historic fame have been located and marked. Picture slides have been made so that those trees can be shown in lectures and be the vehicle of most interesting history, heretofore unknown to the general run of Georgians. All these activities are splendid, yet we must go deeper, we must keep before the people every phase of Forestry, and for this reason I have requested every Regent to give 15 minutes or more to her Forestry Chairman at each meeting during the coming year. Bring before your chapter the need of a Forestry Department.

Georgia and Forestry.

Georgia, the Empire State of the South, has no forestry department and still we know that the state has been rich in valuable wooded lands. It has been stated that annually thousands of feet of poplar and gum lumber are shipped out of the state to the north and returned to us in handsome furniture which is veneered to so closely resemble mahogany and rosewood that we do not discover the mistake.

The lumber costs the northern dealer very little and when it is returned to us in pianos, talking machines, we pay unheard of prices.

For years the land owners have paid little attention to the negro tenants—who have wood privileges—and too many of our farmers have sold the large poplars on their places for small sums of money just to get them cut down and out of their way so the land can be put in cultivation.

Parks and Recreation.

I cannot close my report without calling the attention of the body to the fine work done in many of our towns since we began a Forestry Department in the D. A. R. that, in establishing parks and places of recreation many of these parks and play grounds have been obtained from the city.

A nation is measured, not only by population, military strength, but by the mental attitude of its people. The right mental attitude depends largely upon physical efficiency, which in turn comes largely from wholesome outdoor recreation, especially in scenes of scenic beauty. A nation with parks is the enduring nation. In these places we will maintain our strength and courage, and gain a clear vision of life's problems.

There is no better antidote than nature for the ills of our complex civilization and war-time reconstruction and depression.

If the women of Georgia will recognize the need and bring about

a fuller use of the outdoor world of nature, they will render a service of inestimable value. For this, as much as any other one thing, will safeguard our spiritual forces and keep the men, women and children of the land sound in body and mind.

While many chapters have sent in splendid reports I wish to call the attention to the work done by the Hannah Clarke Chapter of Quitman.

Thanking each Chapter that has co-operated with me, and urging every member of the D. A. R. to awake to every branch of this grand National movement to keep Georgia in the front ranks, through our National D. A. R., I submit to you my report as State Chairman of Forestry.

REPORT OF COMMITTEE ON PATRIOTIC LECTURES AND LANTERN SLIDES.

Mrs. D. B. Small, Chairman.

In the early Fall I mailed a letter to each of the 79 Chapter Regents, asking them to appoint committees as far as possible to send in material for slides. With each of these letters I enclosed literature furnished me by the National committee, giving the list of Lectures and Slides available for use and directions for ordering.

Then on March 1st I sent a card to each Regent asking her to report to me any work done along this line. In response I have heard from 20 chapters, 17 of these reporting that they had not used the Lectures and Slides this year. Having heard nothing from the other 59 I suppose that I shall be correct in reporting that they have not used the Lectures and Slides.

Three chapters reported using the Lectures and Slides as follows:

Sergeant Jasper of Monticello, Mrs. W. J. Phillips, Regent reports that two of the Lectures and Slides were used.

Romantic History of the Mayflower Pilgrims.

Tilloloy, France, on July 4th.

Sunbery of Winder, Mrs. George Fortson, Regent reports the use of "George Washington the Man," on Feb. 22.

Gen. James Jackson of Valdosta, Mrs. J. Thomas Wood, Regent, reports, "Romantic History of the Mayflower Pilgrims," Nov. 18.

"The Youth of George Washington, Feb. 22."

Of the 20 chapters reporting, 7 reported to me their Patriotic Addresses, and this coming under Patriotic Education I have given to the chairman, Mrs. McCall.

Stone Castle Chapter of Dawson reports that in co-operation with other organizations of that City, they are planning to buy a suitable lantern to be used another year, and I feel sure they will have good reports in the future.

Sarah Dickinson Chapter of Newnan, Mrs. J. H. Powell, Regent, reports that they have interesting material for slides and will be glad to work along this line another year.

Acting upon a suggestion made by the Chairman of Forestry, Miss Annie Lane, I have collected and sent to the National Committee Patriotic Lectures and Lantern Slides.

Photographs of the following famous Trees of Georgia with material for Slides:

"Lanier Oak," Brunswick, Brunswick Chapter, Mrs. M. Louise Stacy, Regent.

"Lover's Oak," Brunswick Chapter, Mrs. Stacy, Regent.

"Wesley Oak," St. Simons, Brunswick Chapter, Mrs. Stacy, Regent.

"Thomasville Oak," Thomasville, Ochlocknee Chapter, Miss Mamie Merrill, Regent.

"Tree that Owns Itself," Elijah Clarke Chapter, Mrs. Geo. T. Hodgson, Regent.

I wrote to several other chapters asking them for pictures and material of Trees, but had no response.

I regret that my report must be so limited, but feel that this is pioneer work, and hope in the years to come that I may point with pride to this flourishing phase of the State work which I had the honor to foster in its infancy.

REPORT OF COMMITTEE ON GEORGIA BAY IN WASHINGTON MEMORIAL CHAPEL AT VALLEY FORGE.

Mrs. T. E. Blackshear, Chairman.

At last Conference I reported twenty-six Chapters as having contributed to the Georgia Bay Fund, and \$549.50 collected. Several other Chapters had sent money, but failed to notify me before my report was read.

My second circular letter to Chapter Regents was sent out last November, but only a few Chapters responded. Our State Regent realizing the deep importance of this undertaking wished to make it the big work of the winter. Although the Kiwanians had voted at their annual meeting in October to see the Georgia Bay completed, Mrs. Land and I both felt that the State D. A. R. having undertaken this work, which was both a patriotic duty and privilege, could not in honor be affected in the slightest, by the Kiwanians' actions. The Macon Kiwanians at least, felt the same way about it, and pledged me that their campaign should not begin until I had mine well started. So with Mrs. Land's hearty approval and support I adopted the suggestions made by Mrs. Foster at our State Executive Board meeting, and circularized the entire membership of the State. At the same time I sent my third letter to each Chapter Regent urging her to distribute slips to all members of her Chapter—reading thus—

"Will you, a descendant of a Revolutionary Soldier at Valley Forge, give at least one dollar to his memorial, 'The Georgia Bay?' If so please send the money with your name to your Chapter Treasurer." How proud we should feel today if Georgia Daughters had responded four thousand strong.

The following Chapters have given the dollar per capita or more including personal and Chapter contributions for the two years—Com. Richard Dale Chapter of 30 members and only two years old is the banner Chapter of the State having given \$75.00 or \$2.50 per capita. Augusta Chapter gave one dollar for each paid up member, viz., \$113.00. Brunswick Chapter 37 members, \$65.00, Tomochichi 21 members, \$23.00; Gen. Daniel Stewart, 36 members, \$36.00; Col. John Dooley, 13 members, \$13.00; Mary Hammond Washington, 127 members, \$127.00; Nathaniel Macon of 73 members, which was the first organization to raise money for the Georgia Bay, \$111.00. Button Gwinnett lacked only one dollar of their quota, giving \$25.00.

The following is a complete list of contributions not incorporated in last year's report:—

Hannah Clark \$50.00, Sergeant Jasper \$5.00, John Houston \$12.00, Gov. John Milledge \$25.00, Atlanta \$31.00, Elijah Clarke, (second contribution), \$10.00, George Walton \$5.00, Hawthorne Trail, (second contribution), \$10.00, Tomochichi \$23.00, Sergeant Newton, (second contribution), \$5.00, Sunbury \$5.00, Samuel Reid \$6.00, Thronateeska \$10.00, Lannahassee \$8.00, Chattahoochee

Samuel Elbert \$24.00, Mrs. Frances Brown Chase, Atlanta \$1.00, Fort Early, (second contribution), \$8.00, Stephen Heard \$17.00, Bainbridge \$4.00, Hancock \$10.00, Fielding Lewis \$3.00.

Contributions reported last year \$549.50, this year \$843.50, making a total of \$1393.00.

With this report my work as Chairman of Georgia Bay Fund ends. It has been both a pleasure and a privilege to serve our beloved State Regent, and she has at all times given me her hearty co-operation and encouragement. Although the whole hearted endeavor which I have put into this work has not resulted as I had hoped. I am grateful to those who have helped me to accomplish what I have, and it is my belief that, thanks to the Kiawanians, Georgia will soon have her Bay with the other thirteen original States in the beautiful "Cloister of the Colonies" in the Washington Memorial Chapel at Valley Forge.

NOTE.—At 1922 Conference pledges were made by Chapter Representatives to the amount of \$193.00, as recorded in the minutes, \$58.00 of which had not been paid when this report went to press.

Since this report was made, the Mary Hammond Washington Chapter has sent \$8.00 additional to this fund.

REPORT OF COMMITTEE ON GENEALOGICAL RESEARCH.

Mrs. J. L. Walker, Chairman.

I appreciate this opportunity of presenting to you my report as State Chairman of the Genealogical Research Committee. The activities of this office, like the Brook has gone on unceasingly; for the Georgia D. A. R. are hunting ancestors, and have not in any way neglected to call on your chairman to help in their efforts to find a long neglected fore-father. The search for the names of women who lived during the Revolution has been almost futile. The soldiers of the Revolution had to enroll their names for service, and a record of many of them were preserved, but the women were not so fortunate although heroines were unenlisted, and in many cases the only record of them we find is sometimes in the old family Bible. I have traced fourteen genealogical records, these have enabled several different ones to join on one line. Have answered all letters that I have received asking for information.

REPORT OF MEMBER OF THE D. A. R. BOARD OF DIRECTORS, OF THE ANTI-TUBERCULOSIS ASSOCIATION.

Mrs. Frances Brown Chase, Chairman.

Let me call your attention briefly to the work being done throughout the State of Georgia. Although this organization is in embryonic state at present, they have done much toward the better-

ment of conditions in fighting the white plague. The Raoul Foundation has been merged with the Anti-Tuberculosis Association. They have, associated with them prominent physicians, social workers, representatives from organizations, of which our D. A. R. is one, affiliated in the work.

At present I am informed that the organization is a bit handicapped on account of lack of available funds, and even though this be the case, the amount of work done, and suffering relieved through their endeavors is praiseworthy and of much note. Publications are sent out from the office with instructions for the prevention of tuberculosis and it is, in a way, a clearing house for all matters and problems pertaining to work of this nature for adjustment.

I wish to speak of the work being done by one of our members, Atlanta Chapter D. A. R., Mrs. E. H. Goodhart, thru whose efforts a children's ward has been established at Battle Hill Sanitorium, and is the only ward open to children for the treatment of tuberculosis in the Southern States.

Therefore, we feel it deplorable that the work herein is limited to the children of Fulton County only—as this is a County and City and not a state hospital.

This ward was opened last February with an attractive dormitory, containing 36 snowy white beds, and at present they are caring for seven children, with only one bed patient, the others having so far recovered that they are able to be in the sunshine. Of course this treatment is confined mostly to rest and food, with a well defined program for the day, largely milk and fruit diet and rest periods observed at the proper time. Victrola concerts and diversified amusements are furnished for them.

Miss Agnes McKenna, formerly of Valdosta, is in charge of this ward, with her heart wholly in the work, as well as being most capable. With the establishment of this ward many will be brought back to health who have this pre-natal tubercular tendency and never reaching a pulmonary stage.

Letters were sent out all over the State by your Chairman to every Chapter Regent, with post card for reply, asking for a summary of the work, which had been done, during the year. Almost without exception within one week these cards were returned with splendid reports, stating they had sold Christmas Seals, through their Chapters, as well as entering into other phases of the work. As enumeration, numerically speaking, they were unable to tabulate and some had co-operated with other organizations, but it all showed a wholeheartedness in the cause. Our Atlanta Chapter, D. A. R., through its committee working for the D. A. R. reports the amount of \$46.48 for the Christmas Seal sale, which is considered good in view of the fact that almost every organization in the city were doing similar work at this time. The Joseph Habersham Chapter also made a splendid report. Others reporting were Regent of Elijah Clarke Chapter, Mrs. Geo. T. Hodgson; Regent of Samuel Reid Chapter, Miss Martha Edmondson; Regent of Noble Wimberly Jones Chapter, Mrs. W. R. Terry; Regent of Henry Walton Chapter, Miss Etta W. Butler; Regent of George Walton Chapter, Mrs. F. M. Jenkins; Regent of Sunbery Chapter, Mrs. G. H. Fortson; Regent of James Pittman Chapter, Mrs. C. E. Pittman; Regent of Sarah Dickinson Chapter, Mrs. J. H. McBride; Regent of Gen. James Jackson Chapter, Mrs. J. T. Wood; Regent of Nathaniel Macon Chapter, Mrs. T. E. Blackshear; Regent of Etowah Chapter, Mrs. J. Jack Hill; Regent of William McIntosh Chapter, Mrs. Asa F. Buttrill; Regent of Nancy Hart Chapter, Mrs. John Hutchinson;

Regent of Benjamin Hawkins Chapter, Mrs. Annie K. Walker; Jonathan Bryan Chapter, Mrs. J. H. Redding; Regent of Commodore Bainbridge Chapter, Mrs. Annie C. Bradwell; Regent of Gov. Treutlen Chapter, Mrs. W. B. Smith; Regent of Council of Safety Chapter, Mrs. C. D. Niles; Regent of Lachlan McIntosh Chapter, Mrs. Walter Wilson; Regent of Sergeant Jasper Chapter, Mrs. W. J. Phillips; Regent of Thronateeska Chapter, Mrs. W. E. Ramsey; Regent of John Benning Chapter, Mrs. Mary E. McArthur; Regent of Gen. Daniel Stewart, Mrs. J. Alva Davis; Regent of Hannah Clarke Chapter, Mrs. Albert Tidwell; Regent of Decatur Chapter (DeKalb County), Mrs. V. A. S. Moore; Regent of Ochlocknee Chapter, Miss Mamie Merrill; Regent of Sergeant Newton Chapter, Mrs. W. C. Clark; Regent Com. Richard Dale Chapter, Mrs. John D. Pope; Regent of Brunswick Chapter, Mrs. M. Louise Stacy; Regent of Savannah, Mrs. Horace A. Crane; Regent of Hawkinsville Chapter, Mrs. W. V. Bell; Regent of Oconee Chapter, Mrs. W. S. Mann; Regent of Hawthorne Trail Chapter, Mrs. S. H. Floyd; Regent of Oglethorpe Chapter, Mrs. Chas. H. Davis; Regent of Stephen Heard, Mrs. E. A. Copeland; Regent of John Houston Chapter, Mrs. J. B. Girardeau; Regent of Pulaski, Mrs. R. R. Evans; Regent of David Meriwether Chapter, Mrs. J. L. Strozier; Regent of Gov. John Milledge Chapter, Mrs. H. L. Smith; Regent of Gov. Jared Irwin Chapter, Mrs. Dan C. Harris; Regent of LaGrange Chapter, Mrs. C. M. Awtry.

A splendid program for 1922 has been outlined by the Anti-tuberculosis Association as to its aims and purposes for the year. I will only mention three which seem the outstanding need for the present; First, to hold tuberculosis clinic in different parts of the State. To supply a doctor with special tuberculosis experience to assist the local doctors with the clinic. This doctor is to go only at the request of the local physicians. Second, to put on membership campaign. Third, to continue an intensive educational program.

In behalf of the Board let me thank every D. A. R. Chapter throughout the State for their cheerful response in appeal for funds to aid in fighting the white plague, through the Christmas Seal sale and other methods.

This is one of the most vital needs of the present day,—to eliminate tuberculosis, as the morality record for 1920 shows the relative proportion of Tuberculosis as follows, equivalent to the combined enumerated diseases of Malaria, Infantile Diarrhea, Typhoid Fever and Diptheria, with an overplus on the side of minor diseases as follows, Scarlet Fever, Whooping Cough, Dysentery and Measles, thus showing how necessary is this work.

May I not ask your hearty co-operation in this worth while work, that we may, thru our efforts, bring health to many, and leave to the younger generation a heritage of health, which is the most needful weapon in the game of life.

Patrimonially speaking we are all D. A. R. and let us hope that this work will spread over the entire country, as an impetus has been given to it, largely through D. A. R. efforts, realizing—

No North, No South, No East, No West,
But everywhere, most loyal, best.

REPORT OF COMMITTEE ON INDIAN WELFARE.

Mrs. Walter D. Lamar, Chairman.

The Chairman of Indian Welfare presented the story of the upbringing of the Son of an Indian Chief on Historical Evening, (Valdosta Convention), in order that many erroneous ideas con-

cerning the character of the Indian might be eradicated. If this is done, activities in behalf of Indian Welfare can be more earnestly put forward.

I, therefore, recommend, that Georgia D. A. R. secure full information concerning the Indian tribes indigenous to our own state, their habits, their exodus. Second, That we together with the D. A. R. of other states bend every energy towards the lightening of the ineradicable blot on the 'scutcheon of our national government because of its treatment of the original owners of the land from which they were driven. In these efforts after justice we have reason to believe our Government will give aid.

We have, at this convention, launched the skiff of Indian Welfare. As it kisses the waves of patriotism to which we have committed it—we lift hands and hearts bidding it God-speed and asking every chapter to have a report at the next convention on the work done therefor locally.

REPORT OF COMMITTEE ON ARMISTICE DAY.

Mrs. E. A. Caldwell, Chairman.

As State Chairman of Armistice Day, I submit the following report:—

In October I mailed to each Regent a circular letter asking that the Chapter observe the eleventh of November in an appropriate way, and I also had a copy of this letter on the official page of the Atlanta Constitution. In the letter I asked that a report be made to me immediately after November 11th of the days celebration so that a full report might be made at the annual meeting of the D. A. R. A few Chapters responded promptly.

In January I again mailed each Regent that had not reported, a request for a report, and I have in all a report from fifty Chapters, the other twenty-nine failing to answer at all. The reports received were splendid, and the day was more generally celebrated than at any previous time.

To the program of thanksgiving for peace from this mighty world war in most all cases was added talks and prayers for disarmament. Always and everywhere honor was paid to the boys who did not return, and to those who offered their lives and are with us yet.

The following Chapters celebrated Armistice Day individually or in connection with other Patriotic organizations:—

Lachlan McIntosh, Savannah; John Benson, Hartwell; Chattahoochee, West Point; Samuel Reed, Eatonton; Nancy Hart, Milledgeville; Gov. Edmond Telfair, Thomaston; Ochlocknee, Thomasville; Stephen Heard, Elberton; Piedmont, Atlanta; Hawkinsville, Hawkinsville; Joseph Habersham, Atlanta; Lanahassee, Buena Vista; John Houston, Thomaston; John Clark, Social Circle; Etowah, Cartersville; Gov. John Milledge, Dalton; General Peter Coffee, Abbeville; Sergeant Jasper, Monticello; Colonel William Chandler, Gainesville; Gov. Treutlen, Fort Valley; Tomochichi, Demorest; Major General Samuel Elbert, Tenville; Pulaski, Griffin; Brunswick, Brunswick; James Pittman, Commerce; Henry Walton, Madison; Sunbery, Winder; Gov. Jared Irwin, Sandersville; Stone Castle, Dawson; Council of Safety, Americus; Thronateeska, Albany; Gen. James Jackson, Valdosta; Sergeant Newton, Covington; Sarah Dickinson, Newnan; Richard Dale, Albany; William McIntosh, Jackson; Marther Talbot, Monroe; Gen. Daniel Stewart, Perry.

REPORT OF COMMITTEE ON GIRL HOME-MAKERS.

Mrs. W. P. Fleming, Chairman.

Approximately eleven million women in the United States are

wage earners in the industries. For their protection laws covering almost every danger of their work have been enacted by the different States. Their various crafts have risen to dignity in public esteem in all lines save one—the most vital of all. It is right that our business women should have protection and honor, but why deny those benefits to the twenty-six million home-makers upon whom devolves the immortal responsibility of rebuilding our country, of welding into “one nation indivisible with liberty and justice for all,” the uncounted aliens who now form more than half of it?

It is these 26,000,000 home-makers who will rear the new generation of men and women for the greatest government on earth; it is they who will stabilize the present chaos of society, who will transmit higher standards of morality to future Americans than now prevail. Yet this most vital service is still dishonored by our government; it is ranked in the lowest grade of unskilled labor; it is named “household drudgery,” and because of this stigma, shunned by women of all classes.

Many schools and colleges now have an excellent domestic science course, but so long as home-making is not recognized as a reputable craft, so long will girls refuse to prepare for it as a life work.

Legislation should be enacted to create a standard of proficiency in house-keeping and to entitle the girl who attains that standard to receive a diploma. She would then be recognized as professional by society, as well as by her own family, and the wife would be an economic factor as well as her husband.

Such a diploma would go far towards restoring the sacredness of the Colonial home which was a center of good influence and which was created by our Revolutionary mothers with devoted heroism.

Should we not as an intensely patriotic organization, use our power to urge the dignity of home-making, its beauty and scope, as well as its sheer necessity as the foundation of our country, upon our members; and they in turn upon the government or our State? Such propaganda will meet with ready acceptance, and will ultimately create a new-old profession in which many of our most skilled home-makers are unhonored, while their beautiful service to their families is called “drudgery” instead of being their pride.

The surest safe-guard of society is our Girl Home-Makers work, teaching not only foreign girls, but our own daughters to love the pleasant routine of the modern house-hold, and while we do not claim ‘the common round and trivial task should furnish all they ought to ask,’ we do wish them to perform these tasks artistically and efficiently while their young muscles are pliable and their minds eagerly receptive.

There is nothing so universally fascinating to the little girl as to “play home.” There is no dream so dear to the adolescent maiden as the vision of her future home.

Therefore, I appeal to every Regent to appoint a committee on Girl Home-Making. If your public schools are teaching Domestic Science, visit the classes and encourage them by offering prizes for the best luncheon, or the best article of food. Organize, when practicable, Girls Home-Makers Clubs, and encourage them to serve at your Chapter functions. The Rotary, Kiwanis and Lions Clubs will gladly engage them to furnish their midday luncheons, for

“We may live without poetry, music, and art;
We may live without conscience, and live without heart;
We may live without friends; we may live without books;
But civilized man cannot live without cooks.”

THRONATEESKA CHAPTER, ALBANY.

Mrs. W. E. Rowsey, Regent.

Thronateeska Chapter has closed a most interesting and progressive year. 105 members are enrolled. One member was transferred to the John Benning Chapter.

Thronateeska Chapter has been called upon to mourn the death of a chapter member and one of the most beloved women in Albany, Mrs. Sallie Tucker Muse.

The efforts of this chapter for the past year have been centered mainly in the completion and publication of the "History and Reminiscences of Dougherty County." When the History was submitted to the publishers last year, the History Committee found that it lacked a great deal of information which should have been recorded in the pages, and it was deemed advisable to take more time on its compilation. They hope to have it completed in a few weeks; the delay has been worth while, for it will be a credit to Dougherty County and Georgia. As the cost of publishing same will be between 1400 and \$1500.00, our donations to various funds have been curtailed. Dances, card parties, concerts, etc., have been given for the History Fund, the only contribution being the voluntary gift of \$25.00 from our sister chapter, the Commodore Richard Dale, which courtesy was deeply appreciated.

The Revolutionary Reader compiled by Mrs. Sophie Lee Foster was presented to the pupil in High School making the best grade in American History.

Handsome year books were issued to the members, the subject of the year's study being, "America's Historic Shrines."

Thronateeska Chapter unanimously endorsed the candidacy of Mrs. Charles Akerman of Macon for State Regent.

"Iris Court" the home of Mrs. J. R. Whitehead was the scene of two beautiful receptions to distinguished D. A. R. visitors during the year, in which the members of Commodore Richard Dale Chapter joined most heartily. On May 15th, Georgia's beloved Regent, Mrs. Max E. Land, was entertained and on January 13th, 1922 Mrs. Anthony Wayne Cook, Vice-President General from Pennsylvania and candidate for President General, was the guest of the chapter.

Forty Chautauqua Books, value \$50.00, were contributed by a member through this chapter to the Downing Industrial School, Brewton, Alabama. A member has contributed a mahogany book case, value \$20.00, to Carnegie Library, in which the lineage books and ten new volumes contributed by two members are kept. One hundred and forty-five good books, value \$40.00, collected by the

Library Committee and placed in the reading room of the Community House of the Flint River Cotton Mills, 125 magazines were placed at Muse's Warehouse for distribution among Dougherty County farmers. Clothing, value \$30.00, collected by Mrs. W. L. Davis for Russian Relief. Clothing valued at \$250.00 collected by Mrs. W. L. Davis for destitute farmers of a neighboring county.

Thronateeska Chapter is 100 per cent efficient in Red Cross membership.

COMMODORE RICHARD DALE CHAPTER, ALBANY.

Mrs. John D. Pope, Regent.

The chapter has 40 members, 2 of them life members, 2 non-resident have transferred.

The monthly meetings have been well attended. All important days appropriately observed.

The Chapter celebrated her first birthday April 17, 1921, with a real party, carrying out the birthday idea.

Each member gave a birthday offering which amounted to a nice little sum.

On this happy occasion the Chapter was presented with the \$10.00 gold piece awarded last year at State Conference for having the largest percentage of new subscribers to the D. A. R. Magazine.

I regret owing to the advance in price of magazine, our subscribers are not so many.

In May we had a splendid and most attractive thrift meeting.

Later we joined our Sister Chapter in giving a reception in honor of our beloved State Regent.

All patriotic organizations in the city celebrated "Armistice Day" together.

The Regent had the pleasure of entertaining the Chapter of 40, at home, with a seated luncheon on Washington's birthday.

One of the most enjoyable meetings of the year was on Flag Day, when the chapter was entertained at the lovely country home of one of the members.

COUNCIL OF SAFETY CHAPTER, AMERICUS.

Mrs. C. O. Niles, Regent.

Education has come to mean more than readin', ritin', and 'rithmetic.

The Council of Safety Chapter as a memorial to the Sumter County men who gave their lives in the World War undertook as their permanent local work sponsoring the Health Crusade in the schools of Sumter County, thereby insuring better physical conditions, better mental conditions, better citizens, bending our efforts toward teaching the duties of citizenship thru the school children.

This work bringing us in close touch with the children gives us a great opportunity to assist in the teaching of the Flag Salute and the Universal Creed.

One day a youngster was asked what the American flag meant and he replied D. A. R's. LaFayette's birthday was celebrated by a brilliant benefit dance. All other patriotic days have been celebrated with the schools. Some of the schools in the county had wonderful celebrations, in November the chapter entertained with a tea for the teachers in all the schools in an effort toward co-operation.

On Armistice Day the chapter gave its assistance in the unveiling of a statue in the down town part of the City, erected by Sumter County Citizens as a memorial to the men who served in the World War.

Visit to county school with Miss Polk, teacher Patriotic Songs.

Meetings have been held regularly and we can report 54 names on our roll. We have followed up the compulsory education bill in one instance during the year. Books have been purchased for school children when needed, but always an effort has been made to help the children if possible purchase things for themselves by helping them dispose of any produce from farm gardens, or chicken yard. Present day philanthropy is helping many women help themselves. This work is very well organized now and next year we should make a splendid showing, one prize and two medals have been offered. Assisted in planting trees and flowers on rural school grounds.

Chapter during the year has contributed \$175.00 to work in the State, \$129.00 to National organization. We have made other contributions for local work.

Regent has begun to compile a history of Sumter County.

ELIJAH CLARKE CHAPTER, ATHENS.

Mrs. George Hodgson, Regent.

The monthly meetings held at the home of the Regent have been attended by a good per cent of the membership. The average has been fine. At the time of last year's State Conference, we had only forty-eight paid up members. Since then, we have received four (4) new members, and four (4) by transfer. At the present time we have fifty-nine (59) members in good standing.

The Chapter carries two (2) Scholarships at the Normal School. For years we have kept one (1) fifty dollar scholarship and this year added another for fifty dollars, making two scholarships.

We have endeavored to comply with all of the suggestions of the State Regent. Our quota of 60 cents per member for Manual, Fountain and Painting was given last year. This year we have contributed five dollars (\$5.00) to Meadow Garden and ten dollars (\$10.00) to Georgia Bay Memorial.

We have also given one scholarship of one Hundred and thirty dollars (\$130.00) to Martha Berry School.

The Normal School of Athens, you will remember, sent out a distress call for help last fall. An effort to raise Thirty Thousand Dollars (\$30,000.00) by dollar subscriptions by the women of the State was sponsored by Mrs. George Mell. To this Emergency Fund for the Normal, Two Hundred and Fifty-seven Dollars (\$257.00) was contributed by members of this Chapter.

Twenty-three Dollars (\$23.00) were also given by members to the Red Cross.

We are glad also to state that the Elijah Clarke Chapter has contributed Eleven Hundred Dollars (\$1100.00) to the University Drive for One Million Dollars.

Last Spring, we held a Carnival to raise funds for our work, and realized Two Hundred Dollars from the effort.

We have given Twenty-six Dollars (\$26.00) to Athens Y. M. C. A. When the Y. W. C. A. Drive came on the members of Elijah Clarke Chapter contributed One Hundred and Seventy-five Dollars to the cause.

Earlier in the year, the sum of Twelve Dollars (\$12.00) was contributed by the Chapter to aid the work of the Community Council of Athens.

In the Fall a "Fashion Show" was held at the Palace, a moving picture theatre, from which the Chapter realized the sum of Eighty-six dollars and forty-nine cents (\$86.49.)

At our January meeting, Seventeen dollars (\$17.00) were contributed to the Wilson Memorial Fund.

Our Chairman of Patriotic Songs assures us that the children of the Public Schools, both white and colored, sing the songs regularly.

Last year the American's Creed, Pledge to the Flag and Salute to the Flag were placed in the Public Schools.

One of the greatest pleasures Elijah Clarke Chapter has enjoyed has been the privilege of entertaining the State Regent, the State Treasurer and the State Chairman of Patriotic Education at the home of the Regent on their recent visit to Athens, when they came to present the War Memorial Fund of Five Thousand Dollars (\$5000.00) to the University.

The State Secretary is a member of Elijah Clarke, so the Chapter was happy to have such a large number of the State Officers with them on that occasion.

Delightful speeches were made by the distinguished visitors, and a seated luncheon was enjoyed at the close of a very happy afternoon.

The Chapter feels that we have left undone many of the things we wanted to do, but we hope that next year's report will tell that we have achieved the objects we have fallen short of in this year of 1921-1922.

ATLANTA CHAPTER, ATLANTA.

Mrs. Charles A. Davis, Regent.

The year began auspiciously in April with the celebration of the thirtieth birthday of the Chapter at "Craigie House." We are proud of being the second oldest Chapter in the United States.

In May, the Medal Committee presented the D. A. R. medal, to Miss Georgia May Little of Washington Seminary. This medal is awarded annually to the Junior or Senior writing the most excellent paper on a Revolutionary subject, selected by the Medal Committee.

A unique program was given on "Flag Day," June 14th, by Mrs. Bun Wylie, Chairman of Americanization. (Twenty-five Greek children and fifteen Syrians together with their teachers were guests of the Chapter. The children sang their National anthems, gave recitations and pantomines.

"Americanization Work."

Swings were purchased for the play grounds at the school for Syrian children.

A "mothers' class" for the Greek women was formed, and met at the home of one of the Greek mothers.

On the fourth of July, the Chapter co-operating with the Citizen's Committee of the Atlanta Woman's Club, held a joint celebration at Piedmont Park.

Mrs. Charles Rice, originator of LaFayette Day" in the Chapter, again presided over its observance in September. Greetings from the French Colony of Atlanta were given by Madame Slifer. A group of French songs and readings were enjoyed and the program concluded with a masterful address by Dr. Ashby Jones who had just returned from France. The two local D. A. R. Chapters were our guests on this occasion.

September, being "Constitution Day" an address on "The Constitution of the United States" was given by Mrs. Joseph Lamar, National President of the Colonial Dames and was most appropriate and instructive.

In October a paper on "What October means to the D. A. R." was given by Mrs. Richard Battle. The Chapter unanimously en-

dorsed Mrs. William B. Reynolds of North Carolina for the office of President-General.

The close of our Indian Summer was fittingly celebrated by a talk entitled "Historic Indian Mounds," by Mrs. M. C. Hardin. Mrs. Lollie Belle Wylie's musical composition "Georgia" with words by Robert Loveman was sung.

The second annual "Scholarship Day" program was given in December entirely by our scholarship girls. The excellent papers on "Revolutionary Days in Georgia," by Elizabeth Cheatham of Agnes Scott College, and "The Writers of Georgia," by Florine Sparks of Washington Seminary have been filed for the reciprocity chairman.

We now have thirteen scholarship girls in school and taking music. Several were present on this occasion. These scholarships represent a fund of \$1753.50 annually, donated by Atlanta Schools, Colleges and individual artists who have co-operated with us most generously in encouraging and aiding our scholarship girls.

In January new officers were elected: Mrs. Charles A. Davis, Regent, Mrs. Bun Wylie, First Vice-Regent, and Mrs. F. J. Spratling, Second Vice-Regent, and an entire corp of efficient officers, who will put forth their best efforts for the Chapter. Annual reports were made by officers and chairmen of committees.

In February the delegates were elected to the Continental Congress in Washington and the State Conference at Valdosta.

A beautiful feature of the "Georgia Day" program was the presentation of a large Georgia flag to the Chapter by Mrs. Bun Wylie, First Vice-Regent, with an inspiring patriotic address. Mrs. Charles A. Davis, in accepting the flag for the Chapter, pledged anew the loyalty of our women in all patriotic service.

A song of "Georgia" composed by Mrs. M. Z. Crist, a member of the Chapter, was enjoyed. Selections from "Georgia" authors were read, and a paper on the "Landing of Oglethorpe and Founding of the Georgia Colony," read by Mrs. Alfred Newell brought out many note-worthy facts.

The 22nd of February we celebrated "George Washington's Birthday," a series of short but interesting papers on different periods in the Life of Washington were read.

The program was followed by a "Colonial Tea," served by charming girls in colonial costumes. Music furnished by the Tech Band.

The publishing of 500 lineage books is worthy of note. Mrs. J. M. High was the efficient chairman of this work and a large number of books have been sold at \$1.00 each. The books containing the ancestry of each member and much interesting data, are attractively bound in D. A. R. blue cloth, with the insignia and title in gold.

Our historic Gavel has won new laurels, being used at the opening of the State Conference in Dalton and at one session of the Continental Congress in Washington, D. C.

Two members of the Chapter have written a book during the year and presented a copy to the Chapter namely: "Representative Women of the South" by Mrs. Bryan Collier, and a group of poems "The Christmas of Long Ago," by Mrs. Eloise Earle Dean.

Five books were donated to Continental Hall.

The beautiful D. A. R. memorial fountain at Peachtree and Fifteenth Streets has been entirely re-built of Stone Mountain granite, by our generous ex-regent, Mrs. J. M. High, who donated it to the Chapter during her regency in 1915.

The Chapter co-operated in the Red Cross Drive and the Christmas Seal sale for the Anti-Tuberculosis Society.

The Chapter has been represented by the Regent at all important meetings including the receptions given Mrs. Warren Harding and Gen. Marshall Foch.

Our work has run smoothly with all our obligations promptly met.

The sum of \$500 was expended on our Chapter House for repairs. \$549.52 for publication of lineage books.

Our memorial scholarship pledge of \$500 has been completed.

JOSEPH HABERSHAM CHAPTER, ATLANTA.

Mrs. Warren D. White, Regent.

It is with hearts thrilling with pride that the Joseph Habersham Chapter announce the corner-stone laid of Habersham Memorial Hall, and plans for the dedication at an early date are being arranged. On Saturday afternoon, January 14, the regent presiding, the corner-stone was laid with impressive ceremonies befitting the dignity of the occasion. An inspirational address by Mrs. William Lawson Peel, Chairman of the Building Committee. Patriotic music, the full Masonic ritual and ceremonies of the Grand Lodge Masons, of Georgia, the wonderfully eloquent memorial address of Captain Richard Broyles "Lest We Forget," formed a program long to be remembered by the large crowd assembled.

The contents of the corner-stone form a valuable history not only of the Joseph Habersham Chapter, but other D. A. R. and current history, and were gathered together with loving thought and research by the regent and Mrs. Peel. Among the items of particular interest, is the honor roll of the sons who fought in the World War, a summary of all the soldiers who fought in all wars in which Georgia has participated, pictures of many of the thirty-six real daughters of the Revolution formerly of the chapter, and a sketch of Atlanta's civic and patriotic organizations. The list of contents and duplicate copies will be kept with other priceless historical documents of the chapter.

Various entertainments given for the building fund have been held with unusual success. A beautiful card party was given in June at the Georgian Terrace in charge of Mrs. J. N. Harper, Mrs. Christian Clarke, Mrs. W. L. Mathers. A baseball game in July with Mrs. Charles P. Byrd, General Chairman. The game was played by the Lions Club versus Admen's Club, Governor Hardwick pitching the first ball.

A luncheon at the home of the Regent in August.

The Georgia Products Dinner on November 12, an annual affair of stupendous proportions, serving approximately one thousand, five hundred people. Mrs. J. C. Gentry was General Chairman, and

Mrs. William Lawson Peel, Honorary Chairman, for this brilliant and successful affair.

In December the Doll Show at Garber Hall, with Mrs. Aurelian Cooledge, Chairman, Mrs. J. N. Harper, and Mrs. Harold Cooledge, assisting, was a lovely entertainment, featuring fancy dancing, a grand march, and a collection of antique dolls.

A bridge party in January at the home of Mrs. Charles Robinson, on Ponce de Leon Avenue was well attended, and proved a pleasant occasion, closing the entertainments since June, 1921 to January, 1922.

The chapter having changed the time for election of officers from May until January. This report corresponds with that ruling.

The patriotic days have all been observed with appropriate exercises. Flag Day was celebrated at Washington Seminary, the chapter's handsome collection of flags of all nations decorating the hall, seemed to give a forceful emphasis to the scholarly address of Mr. Linton Hopkins on the True Meaning of Patriotism. Independence and Armistice days were observed in connection with the celebrations planned by the city government, all patriotic and civic organizations being represented.

The chapter was officially represented by the Regent, at other local patriotic occasions. First the great birthday celebration in May of the South's matchless and loved son Henry W. Grady. The national Memorial Day exercises at the Howard Theatre, the celebration of Magna Carta at the home of Mrs. Charles Rice, under the auspices of the Daughters of 1812, the birthday celebration of the Southern Heroes; Jefferson Davis, Robert E. Lee, and Stonewall Jackson, under the auspices of the Atlanta Chapter U. D. C., the unveiling of the Peace Monument by the Old Guard, and LaFayette Day, by the Atlanta Chapter D. A. R.

An interesting program featuring the history of the Constitution and President Harding's tribute to LaFayette, with the Marseaise read in French was given celebrating Constitution and LaFayette days.

The subjects especially given for the consideration of the organization have been given due attention at each meeting. The comprehensive address by Miss Blanche Loveredge on Americanization gave us higher ideals of our responsibility as citizens.

With appreciation to the schools who have generously given us the scholarships, and to the Chairman of the Scholarship Committee, Mrs. Walter Scott Coleman, who has conducted the work, we take pleasure in announcing scholarships at Washington Seminary, Woodbury School, Marist College, Elizabeth Mather, Lanier University, The Mosely School. Mrs. R. B. Blackburn, Expression. Walter Peck Stanley, Organ. Total value, One Thousand, Ninety Dollars (\$1090.00.)

The Regent contributed personally Ten Dollars, to the State Memorial Scholarship Fund, (\$10.00.)

Our Registrar, Mrs. John Moody, reports 42 new members, making a total of four hundred and forty-four members, (444.)

Mrs. John T. Toler, Corresponding Secretary, has written one hundred and thirty-eight letters, (138.)

Mrs. J. R. Hardin reported 13 subscribers to the D. A. R. Magazine.

An Indian Mound has been located and will be marked and properly cared for.

Mrs. Frances Brownell, Recording Secretary has kept the correct proceedings of the meeting in the dignified manner that records should be written.

Many courtesies have been extended the chapter, many gifts of historic value have been added to our collection for which we duly appreciate.

The ties of love and affection to each other and to our sister members in our own city and over the state have been strengthened by the loving and encouraging messages that have come to us over the realization of the stupendous undertaking for which we have worked so unceasingly, and we hope that in the near future the Joseph Habersham Chapter may have the honor of again being hostess to the State Conference of the Georgia Daughters of the American Revolution, and that each Georgia Daughter will share with us the proud and sacred feeling that for the perpetuation of Georgia's illustrious heroes, "she hath done what she could."

PIEDMONT CONTINENTAL CHAPTER, ATLANTA.

Mrs. Horace E. Clark, Regent.

The report of the Chapter for the year 1921 and 1922 will be very brief. Our Chapter has met regularly and each meeting is opened by the Regent reading the American Creed.

All patriotic anniversaries have been observed. One of these on February 22nd, we were invited by the Atlanta Chapter to share a well rendered programme.

Our social meeting was a tea given on Armistice Day by the Regent, Mrs. Horace E. Clark at her home in Kirkwood.

We responded to several needs of charity that were presented, four members having supplied school books to needy children.

A committee from the Chapter requested several teachers in our schools to use patriotic songs and respect the right use of the flag in their schools.

By the request of Sons of the Revolution a Chairman was appointed to send in eligible names for membership.

Our enrollment shows a membership of 30—five new members have been added since last May, three papers are now pending in Washington, we have issued four transfers, death claimed one member, Mrs. Julia Killian, our faithful Registrar.

The summary of our work for the year, National dues and initiation fees \$43.00, State dues \$6.00, Martha Berry \$5.00, Meadow Garden \$1.00, Georgia Bay \$2.00, Immigration Manual, Fountain at Plymouth, Painting for French Government \$10.70.

THE AUGUSTA CHAPTER, AUGUSTA.

Mrs. Sanford Gardner, Regent.

We have a membership of 127, five new names having been added to our roll for the year, and several applications are now pending.

We have had ten meetings during the year. At each meeting the salute to the flag is made and the American's Creed recited.

Our Historian usually has some historical sketch to read, and the Current Events of the D. A. R. add much to the monthly programs.

Augusta is one of the most historic cities in Georgia, and is unlike any other city in the United States for with few exceptions, the streets are named in honor of some of the early makers of the history of Georgia, some Revolutionary General or Colonial Governor. Our chapter realized last Summer that these historic names had disappeared and that numerals had taken their places on the street corners. So a petition was presented by the D. A. R. to City Council last September, asking that the historic names for our streets be restored. We had a prominent lawyer to plead for us, as well as a good speaker from the D. A. R. It is needless to say that City Council granted our request.

We have observed Independence Day, Constitution Day, Columbus Day, Educational Day in December, Georgia Day and Washington's Birthday.

The glorious Fourth was celebrated with unusual eclat.

Education Day in December was made very interesting by Mrs. Ada Ramp Walden, one of our members, telling us of her experiences with the illiterates in the night schools of Augusta. This illiteracy work in the Mill District has met with a most gratifying success.

The Kirkland School was started in a modest kitchen with candle light, a lamp could not be procured. They said "We can't read, we go to bed early, we don't need a lamp." Three generations of this family are now the eager students at this night school. We feel that we are helping to reduce illiteracy in our Country; Meadow Garden is our all absorbing thought. Through the generosity of many of the Chapters in the State, we have been enabled to add to its attractiveness this year, by renewing the wall paper in two rooms and recovering some old Rosewood furniture with hair cloth. The grounds have been made more beautiful by the planting of ivy, wisteria, perriwinkle, chrysanthemums, petunias, etc. One of the upstairs rooms has been named the "Nursery." We have a wonderful cradle, five generations have been rocked in this antique. Then we have a porcelain baby bath tub, a tiny rocking chair, a child's tea set and last but not least is a big China doll baby, which you will find propped up in a trundle bed. We also have a quilting frame in the hallway with a quilt upon it showing the procedure of this old fashioned amusement. We have lately had published a Brochure of Meadow Garden. It was written by Mrs. Benton, our former Regent. It is most creditable. It is a full history of this historic place. One thousand copies have been printed. We also have had the same number of post cards issued of Meadow Garden.

We have a Hospital Committee. They go to the University Hospital once a month for the purpose of mending garments and bed linen for the sick. We also have days for visiting the sick and distributing flowers and magazines.

At the Government Hospital a Committee provides special entertainment for the Ex-World War boys. These soldiers are recovering from shell shock, poisonous gases and other nervous diseases.

In November we gave a Tombola at the Armory in Augusta. We made from this entertainment Five Hundred and Fifty Dollars.

The proceeds from a Rummage sale was nearly Fifty Dollars. We made \$42.00 from the Wasington Tea Party. Meadow Garden was open to the public on that Day. Streams of people visited this historic house on this occasion, which grows more and more in interest as the years go by.

We have contributed to Washington Memorial at Valley Forge \$113.00; \$25.00 to illiteracy work in the Mill District of Augusta; \$25.00 to the World War Memorial Scholarship Fund at Athens; \$100 to the Martha Berry School; \$12.00 for the Americanization work.

Two prizes have been given to the Richmond Academy and the Tubman High School for the best standing in American History for the past year.

\$2.00 has been contributed to the Service League of Augusta.

Mr. Edgeworth Jones, at the November meeting, read a very interesting article on Button Gwinnett, the "man of mystery."

Collections for year, \$1063.51; Disbursements, \$848.51.

The Chapter will entertain the Colonial Dames, when they meet in Augusta April 20-21, with a reception at Meadow Garden.

We assisted in the Red Cross Seal Sale.

BAINBRIDGE CHAPTER, BAINBRIDGE.

Mrs. J. S. Bradwell, Regent.

The Bainbridge Chapter is also an infant, having just been organized within the year. We have a membership of thirteen with ten papers in Washington to be heard from. Since our organization we have been so active in trying to increase our membership and helping applicants with their papers that we have had no time for any other line of work, but our work for the coming year will be the marking of Revolutionary Soldiers' graves at Fort Scott and Ft. Recovery. These are the earliest land marks of Decatur County. We have paid all National and State dues including \$10. for charter and have made the following contributions:

Athens Memorial \$5.00, Americanization work \$7.80, Valley Forge \$4.00, and \$1.00 per month to local associated charities. I regret that our Regent, Mrs. J. S. Bradwell was not present to give in this report, but she was unavoidably detained at the last minute.

PETER EARLY CHAPTER, BLAKELY.

Mrs. J. H. Moye, Regent.

The Peter Early Chapter has held all regular monthly meetings with good attendance and always an instructive program. All patriotic anniversaries have been observed. Armistice Day and Georgia Day with a program at the school; George Washington's Birthday with a Colonial Tea. We have twenty members. All obligations have been met.

We've given \$25.00 to Blakely High School, \$10.00 to Martha Berry School, \$2.00 to Meadow Garden, \$3.60 to Immigration Manual Fund, offered D. A. R. Medal in Blakely High School in U. S. History and \$2.00 to Georgia Bay Fund.

BRUNSWICK CHAPTER, BRUNSWICK.

Mrs. T. G. Stacy, Regent.

Brunswick Chapter, under the capable Regency of Mrs. T. G. Stacy, has accomplished a full year's work, holding meetings monthly, and observing interesting programs, as outlined in the year books.

There are forty-three members, all in good standing. Three new members have been admitted during the year, and one has been transferred to another chapter, and four papers are now pending.

All of the historical papers that have been read at the meetings have been preserved.

All patriotic dates were especially observed, Flag Day being celebrated in conjunction with the local Lodge of Elks. On Armistice Day, this Chapter presented a fine program, and was instrumental in having the schools especially observe this historical date.

Georgia Day and Washington's Birthday were each fittingly observed, with fine programs.

Brunswick Chapter is almost one hundred per cent, in the matter of subscriptions to the D. A. R. Magazine.

All National obligations have been met, including Valley Forge, on which assessment we doubled our quota.

Ten dollars was contributed to the University of Georgia Memorial Scholarship Fund, this being our second contribution. Two dollars was sent to the International College, at Springfield, Mass.

A membership for one year was also bought in St. John's Haven Association. This Haven, located on St. Simon's Island, is a school and home for friendless boys, and a very worthy institution. One of the special aims of this Chapter during the past year, has been to aid in various ways, this school. By a resolution, which we hope to put before the convention, we desire to enlist the interest and co-operation of other charitably inclined chapters of the state,, as the inmates of the school come from all sections of our commonwealth.

There being no Chapter yet organized in our neighboring town of Darien, the women who are eligible to D. A. R. membership, have been invited to joint our Chapter.

This Chapter was quite active during National Education Week, assisting civic organization in many ways. United States flags and flag codes have been placed in all the schools.

A very enjoyable boat excursion was given during the year, to St. Mary's and Dungeness, the latter a burial place, for many years of "Light Horse Harry" Lee. A nice sum was netted for the chapter's treasury.

Brunswick Chapter has completed all details for the placing of a bronze tablet, on old Midway Church, in Liberty County, around which cluster so many interesting associations of by-gone days. In the cemetery around the church, are buried the remains of many Revolutionary Patriots, among the number being Generals James Screven and Daniel Stewart, in whose memory the Government has placed a handsome monument.

This Chapter is on record as advocating the defeat of the Walsh Bill in Congress, and has so advised our representatives in that body.

It was a pleasure for Brunswick Chapter to heartily endorse the candidacy of Mrs. Charles Akerman, for State Regent. Also, the candidacy of Mrs. W. M. Reynolds, of North Carolina, for President General, of the National body.

This Chapter is planning to suitably mark in some way, the boulevard skirting the marshes of Glynn, which our own Georgia poet, Sidney Lanier, immortalized in his matchless poem, and in whose memory the marker will be erected.

LANAHASSEE CHAPTER, BUENA VISTA.

Mrs. J. L. Williams, Regent.

We have twenty-six members in good standing, five of these are non-resident members.

We have held nine meetings during the year. These meetings have been well attended and an interesting program has been rendered each time after the business session.

We find the Year Book we issue each year a great help.

All Patriotic Days have been observed at Chapter meetings and on Washington's Birthday the Chapter entertained their friends at a Colonial Tea.

We have made the following contributions during the year:— One dozen silver forks to the Domestic Science Department in our city school. All the equipments in this department have been given by the Chapter; \$2.00 to Meadow Garden; \$10.00 to Martha Berry School; \$8.00 to Georgia Bay; \$5.00 as a prize in city school for excellence in United States History. The one winning this prize has the honor of wearing our Chapter medal the following year.

We have placed an order for two markers, one to be placed at Fort Perry, the other where the old Indian road from Fort Gaines to Fort Perry crosses the highway between Buena Vista and Columbus.

Flag Codes and Patriotic Song Books are in our schools.

\$10.00 Martha Berry School, \$5.00 High School Library of Cartersville, \$5.00 Meadow Garden.

The usual prizes, amounting to \$10.00 annually, for essay work in the public schools were presented.

Chapter members took an active part in the Red Cross drive and Chapter members also head practically every large women's organization in the city and county.

The Chapter initiated the Armistice Day observance and assisted in all arrangements.

Special programs were given on LaFayette's birthday and Washington's birthday.

The Chapter Regent, by special invitation, was hostess at the George Washington Tea given at the Cherokee Club's beautiful new tea room. Colonial costumes were worn and elaborate details suggestive of the day were carried out. The minuet was danced.

We had the pleasure of having Mrs. Howard McCall as a guest of the Chapter in February. Mrs. McCall was invited to talk especially on state D. A. R. work. Social affairs arranged for her were a large tea following her address, and a buffet luncheon in her honor at the home of the Honorary Regent, Mrs. Oscar T. Peeples.

The Chapter closes the year with \$114.00 in the treasury; with a remarkable spirit of friendliness among the members, who are working in perfect harmony and co-operation with every other local organization; and with the happiest anticipations for the coming year.

BARON DEKALB CHAPTER, CLARKSTON.

Mrs. V. A. S. Moore, Regent.

Our membership of eighteen is so scattered that only ten are active. Eighteen applications are pending beside three in Washington.

Every patriotic anniversary is observed, and Georgia flags will be presented to two rural schools.

The one hundredth anniversary of the formation of our country as part of Henry, according to the treaty with the Greeks, was celebrated by unveiling markers at the graves of two Revolutionary heroes.

At considerable expense, the iron railings around the lots were permanently replaced.

We contributed \$5.00 to the Berry Schools, \$5.00 to Meadow Garden, \$10.00 to the War Memorial Scholarship and \$11.00 to Georgia Bay at Valley Forge.

We have offered a D. A. R. medal for excellence in American History to Senior Class, Decatur High School, and have ordered fifty Immigrant Manuals to use in Crew St. School and Night School, Atlanta. We have presented to Memorial Continental Library an interesting old volume "Letters of Eliza Wilkinson" describing the British occupation of Charleston.

An ambitious undertaking for next year is the marking of the "Cut off" Indian Trail in Stone Mountain.

THE TOMOCHICHI CHAPTER, CLARKESVILLE.

Miss Addie Bass, Regent.

The Tomochichi Chapter has passed a successful year. We ave twenty-one members. We have lost one member by death, Mrs. Don Adell Williams, Feb. 11, 1922, and two by transfer to join chapters near home.

One new member has come to us by transfer from Clemson, S. C., one by acceptance at Washington, and one by reinstatement.

The Chapter has held regular meetings. The programs have been delightful and helpful, consisting of papers and discussions on historical, economic and sociological subjects.

We have met all State and National obligations. Paid \$23.00 to Georgia Bay Fund, \$1.00 per member at that time; \$5.25 to Plymouth Fountain. The other National interests were met last year. Gave \$15.00 to Soldiers' Memorial Scholarship, in addition to \$25.00 paid last year.

JAMES PITTMAN CHAPTER, COMMERCE.

Mrs. C. E. Pittman, Regent.

The James Pittman Chapter again reports a successful year, and sends the following report:

The Chapter meetings are held each month at teh home of some member, the Chapter has profited greatly by the study of the Constitution of the United States with papers on other subjects the programs have proved to be very interesting and instructive.

Armistice Day was appropriately celebrated by a public program at the School Auditorium, to which the public was cordially invited to attend.

The Regent of the Chapter (Mrs. C. E. Pittman) was the originator of the mammoth Fourth of July exercises. Through her influence the Woman's Club, the U. D. C. and the Boy Scouts and all the people of Commerce gathered at Willoughby Park for a barbecue.

The reading of the American's Creed is a regular part of our monthly program, together with the singing of some patriotic song, and the allegiance to our flag.

Prizes have been offered again by the Chapter this year for the best average made by a local high school student in History. The Chapter expect to assume some local charity work, and have already a sum on hand for benevolent purposes, one member started the fund with a contribution and it is hoped that good results will be obtained.

Five papers are in Washington to be cerified and one has been accepted by demit, and one new member received, one transfer has been granted.

The program committee again made attractive year books which add very much to the working ability of members.

Mrs. Yow, Secretary of Ninth District Federated Clubs was presented at one meeting, and made a splendid talk, and visitors have been asked to attend our meetings which they seem to enjoy.

The Chapter's scrap book has many interesting clippings which are used to help out in the programs. Early in the year the Chapters sent a circular letter to newspapers in Jackson, Banks and Franklin Counties asking for the location of all known Revolutionary Soldiers' graves, many responded, and it is hoped that the desired information can be given that all may have markers.

This year the Chapter has donated \$5.00 to Martha Berry School, \$12.00 to the three National objects, the Pilgrim Mothers, te Manual, and Painting of the Troop Ship. Paid all per capita tax, National and State. The Chapter as yet is small but it does good constructive work and hopes as the years go by to gain in numbers and influences for good in Commerce.

We have regular monthly meetings, always opening with prayer and patriotic songs. We have had a very delightful year's study, the subject being, "Our Government." The papers have been very interesting and instructive. All patriotic days have been appropriately observed. On Armistice Day, we joined with the other Clubs of our town in giving a very enjoyable programme at the Baptist Church. On Washington's birthday, we had an interesting programme in Community Hall, the Chapter members dressing in Colonial costume. The minuet was danced by pupils from the Senior class High School in costume. After the programme we had a Bazaar, thereby realizing a nice little sum.

The State Federated Music Clubs met in Cordele in March, the Cordele and Fort Early Chapters D. A. R., entertained at a lovely tea complimenting the distinguished guests, delegates and friends.

We have had presented to our Chapter a beautiful Insignia hand painted by one of our members, it now hangs on the walls of the Carnegie city library. We have paid all State and National dues. Also our quote to the National objects.

sage was sent President Harding from the Chapter, expressing our interest, to which he very promptly replied.

We co-operated with the City authorities and schools in observance of Educational week. We also assisted in securing from our High School a well equipped standard library.

Last summer we marked an old Spanish Cork Oak tree at Daphne, near Cordele. This tree was deeded by the owner to Fort Early Chapter. We had very appropriate exercises. Mrs. Land made a beautiful address and other prominent citizens took part.

We have given to the foreign born families in town a copy of the Manual of the United States. The American's Creed and flag code are taught in the schools.

We have a memorial fund of \$600 and our greatest ambition now is a beautiful club house with a memorial arch and drinking fountain at the entrance. Already plans are being made for same.

We have seven subscribers to the D. A. R. Magazine, and have added two members during the year.

SERGEANT NEWTON CHAPTER, COVINGTON.

Mrs. W. C. Clark, Regent.

There is no clairion call to ones' beloved country more potent or more pre-emptory than that of the work of the Daughters of the American Revolution of American, and we feel that in the years work of 1921-1922 Sergeant Newton Chapter has most ably responded to this call.

From May until September we do not have our active Chapter meetings, but last year we worked very hard during the summer on a fund for a memorial to our Newton County Boys who served in the World War. We begin our active work in September by the

celebration of LaFayette's birthday. On November the 11th we celebrated Armistice Day by an appropriate programme, and a lecture by Prof. Marvin Rast of Emory University, his subject being, "The Ideal American Citizen." In December our programme was replete with Revolutionary History bearing upon the epoch including the Boston Tea Party.

We planned to give a D. A. R. reward to the pupils in the public school excelling in American History studies. We also placed framed flag codes and American Creeds in all the schools in Newton County for the white pupils, and placed many of these in the schools for the negroes. We visited three schools, and assisted the teachers in training the pupils as to patriotic singing, and the uses of the creed and the code. We have a committee who works with the Parent Teachers Association in Child Welfare and Mothers' Needs.

We have made quite a number of transfers from our roll, but we have taken in many new members during the year.

Georgia Day is always observed by our Chapter, also Washington's birthday, Flag Day is also celebrated.

GOV. JOHN MILLEDGE CHAPTER, DALTON.

Mrs. H. L. Smith, Regent.

The new year that began with the close of the Conference in 1921 has been a very prosperous one for the Gov. John Milledge Chapter, much interest being taken in every department of endeavor.

The work of the year has been about evenly divided between the Educational and Welfare Committees, with some strenuous efforts on the part of the Finance committee to furnish the sinews of war.

For the Educational Committee the following record of things accomplished may be made:—a scholarship of \$65.00 to the Martha Berry School; \$30.00 to Powder Springs; 2 Scholarships to High School, 10 medals given for excellence in U. S. History, three of them gold becoming the property of the winners and seven of silver to be worn for one month by the child in the grammar school making the best record for the current month; \$15.00 given for clay modeling work for the primary school; 23 lineage books ordered and paid for; \$25.00 in addition to the same amount given last year (making a total of \$50.00) voted to the Athens Memorial scholarship. In addition to the work of the committee, the chapter voted to indorse the proposed bond issue for school improvement, which was successfully put through, the chapter members playing no small part in the success of the undertaking.

The activities of the Welfare Committee include the furnishing of a room at the Hamilton Memorial Hospital, at the cost of \$135.00,

two rooms at the public schools (where our own chapter members are teachers) redeccorated; the clothing of a child in the public school and furnishing of her books also, clothing supplied for a needy family of four. A special committee was appointed to visit the hospital, especially the D. A. R. room and carry books, magazines, flowers, etc. for the comfort of those therein.

The Historic Sites Committee reports a sign board placed on the public road to call attention of travellers to the historic Van House which was marked by the chapter some years ago, the securing of a certificate of service of John William Rollins, a Revolutionary soldier buried in an adjoining county, whose grave will be marked as soon as the official marker comes from Washington; and an attempt to join with the chapters in LaFayette and Chattanooga in marking the old Ross House near the state line in Rossville, Ga. This last has not gone far enough to make a formal report but is mentioned to show that the committee is not entirely idle.

In addition to these more or less local efforts, the chapter has paid its quota of the per capita tax levied by the N. S. D. A. R.; has contributed \$15.00 to the Georgia Bay at Valley Forge; \$3.00 to Meadow Garden; \$2.00 to the Memorial to Mrs. Benjamin Harrison; \$5.00 to the Wilson Foundation; has planted trees in honor of Dalton's most renowned son, Will N. Harben, to Robert Love-man, Dalton's poet, and to the Chapter's beloved adopted daughter, Mrs. M. E. Judd. Has celebrated all patriotic days, chief of which being Armistice Day which was observed with a program at the picture show on October 11th, and a special service at the Methodist Church.

The Chapter maintains and beautifies a small park in the heart of the business section and this park has been given attention and largely replanted during the past year. Six new memoers for the S. A. R. Chapter recently founded in Georgia have been secured by the efforts of a D. A. R. member; the usual wedding gifts and floral offerings in bereavements in families of members, have been sent and handsome year-books were prepared, the program including in each meeting some form of the work of the National Society. Two members have been transferred, three new members have been received, and three papers pending in Washington. We now have a membership of 45, only 32 being resident members, our total donations for the year amounts to \$486.50.

Mrs. Julia A. F. Surrency, Regent.

Altamaha Chapter D. A. R. sends greetings to our State Conference, and regrets that we can not be personally represented. Our Chapter is still small, and our few members are scattered from Virginia to Florida—that accounts for our very slim report.

On August 3, 1921, our Chapter held Memorial Services and unveiled a Government "Marker" to Charles Smith, a Revolutionary Soldier, at Gardi, Ga., in our County (Wayne). The Marker was unveiled by his great-grand-daughter, Miss Eleanor Stewart, and his great-great-grand-daughter, Mrs. Alexander W. Hurn. Mr. Ira W. Quite a beautiful reception was given the Chapter by Mrs. W. A. Enlos on Thanksgiving, and a splendid patriotic program rendered.

The members of the Chapter attended the laying of the corner stone of the elegant new academy, assisting with the program. In the corner stone we placed a list of the charter members of the William Marsh Chapter, a copy of the Memorial Paper issued by the Chapter several years ago, and other valuable papers.

Our pledge of \$10.00 to the University of Georgia Memorial to the boys who fell in the World War has been paid, and the Chapter has contributed to various local causes. All of our obligations have been met, and our financial condition is good.

Our Chapter gives each year two medals to the students of the seventh grade making the highest average in United States History.

Four new members this year.

The Chapter will in the early spring mark the old Ross House at Rossville, which is standing intact in Walker County. It gives the William Marsh Chapter pleasure to have the co-operation and assistance of the Gov. John Milledge Chapter of Dalton in the marking of this historic spot.

We have paid \$5.00 to the Meadow Garden Fund, and \$5.00 to Mrs. McCall for the Educational Fund. Besides this we have sent in \$6.15 to complete our per capita assessment of 60 cents for the Immigration Manual, Pilgrim Mothers' Memorial, and Memorial Painting Funds.

Our Chapter awarded a medal to the seventh grade pupil of our local public schools making the highest yearly average in American History.

We observed Georgia Day, LaFayette and Constitution Days by appropriate programs.

Our scrap-book committee is collecting valuable articles for preservation.

We begin our new year with renewed enthusiasm to secure a larger membership and to respond as far as possible to every worthy cause presented to us.

MARY HAMMOND WASHINGTON CHAPTER, MACON.

Miss Julia Sparks, Regent.

The Mary Hammond Washington Chapter held all of the regular meetings and the attendance has been unusually good.

We have gained 11 new members, added 3 by transfer, lost 1 by transfer to become a member at large and organize a new Chapter, have 7 papers pending in Washington and 10 being prepared. We lost two of our oldest and most faithful members by death—Miss Jessie Goodall and Mrs. Mary Codington.

We met in full all of our State and National obligations, having sent our quota for Americanization Fund, \$9.00 to Georgia Bay; and we stand pledged the \$81.00 necessary to complete our quota; \$50.00 to Memorial Scholarship and \$27.85 for State Dues. We have set aside \$50.00 as a nucleus for a fund for a place of meeting. Our Year-books cost \$30.00; Chapter expenses \$23.50; Entertaining \$21.38; and have in Treasury now \$111.19.

A rummage sale in the fall brought the Chapter \$93.00, sale of Year-books \$8.25. Plans have been made to give a benefit performance at one of the local picture shows next week—the proceeds to go to the Washington Memorial Library of our city. The Chapter has also co-operated with all of the civic bodies of the city in the Library work.

We have only one scholarship filled this year, the financial condition of the country making it impossible for some of the young people to repay their loans. This scholarship is filled by a young

woman who is a descendant of a revolutionary soldier. We have a four year gift scholarship obtained by State Chairman of Americanization from Mercer University and the Chapter has filled this with a most worthy young man.

Our study course for the year was "The Deeper Meaning of the D. A. R." A very fine paper on the "Origin, Objects, and Organization of the National Society D. A. R." written by one of our members has been sent to our Reciprocity Chairman.

We had one patriotic lecture. Dr. Montague gave the Chapter a lecture on "The Disarmament Conference" held in our Continental Hall.

The Chapter Regent and a Committee of seven planted and dedicated a tree on the Bibb County Road of Remembrance on Arbor Day. The tree was dedicated to the husband of one of our members who died in the World War.

The Mary Hammond Washington Chapter, together with other patriotic societies sponsored a concert when Mrs. Wheelless, daughter of our beloved former State Regent gave her beautiful voice to her home town for one evening. Our share of this fund was \$53.00 and will go toward the Sidney Lanier Alcove in the new Washington Memorial Library.

The Mary Hammond Washington Chapter had the pleasure of being hostess with Nathaniel Macon Chapter to the State Board in the Fall.

At an April meeting following last Conference, we adopted a Near East Orphan for one year (\$60.)

Mrs. T. C. Parker, Ex-Chapter Regent and Honorary State Regent, was the guest of honor at our May meeting, when an informal reception was held.

On this same occasion our D. A. R. prize for the best essay on the subject, "What America Means," was given to the successful contestant who read her essay before the Chapter.

Flag Day, June 14th, was observed, and at the same meeting our new officers were installed. For two years the Chapter has used the following ritual to open each meeting.

"America," Lord's Prayer, "Pledge to the Flag"—American's Creed.

On October 5th, the Regent had the pleasure and honor of representing Georgia at the Connecticut State Meeting, as the guest of Mrs. Buel, State Regent.

The following week the first Chapter meeting of the autumn was held on which occasion Mrs. Reynolds was unanimously endorsed as candidate for President General in 1923, and Mrs. John Laidlaw Buel for office of Vice-President General from Connecticut.

In November the State Executive Board met in Macon at the Hotel Dempsey, when the Chapter together with the Mary Hammond Washington Chapter entertained at luncheon.

This same month the Chapter Regent as State Chairman of the "Georgia Bay Fund" sent out her circular letter to each Chapter Regent. In December the Chapter voted to finance a second letter to all Chapter Regents, and also Mrs. Blackshear's personal appeal to each of the four thousand Daughters in the State. This circularization was completed in January. In addition to the \$100 contributed to the Georgia Bay last year, eleven dollars has been given this year by new members.

It has been the custom for four years for the Chapter to hold their December meeting with the Regent, and this year the meeting took the form of an informal reception to the new members.

Through the efforts of Mrs. Charles Akerman "The Nathaniel Macon Americanization Scholarship" at Wesleyan College, was granted. Miss Bernice Hurst is at present holding this Scholarship, and because of her excellent record will be granted it another year in which to complete her course.

Chapter gave 100 per cent quota for Manual, etc. last year. Regent has pledged \$5.40 for 60 cent per capita for the nine new members.

In order to raise money for Chapter work, and at the same time to stir up a more personal interest among the members, the Chapter this year was divided into Circles, ten members to a Circle with a Chairman for each, and the Vice Regent, Mrs. F. Roger Miller, appointed as Chairman-in-chief.

Circle 7 began activities with a large card party with which to raise their quota.

Circle 2 followed with an apron social quite unique and enjoyable. This Circle has assumed the obligation of the Near East Orphan adopted by the Chapter.

Circle 6 held a Christmas sale, and later held a concert. This Circle is the banner circle thus far, having completed their quota of \$50.00.

Circle 1 gave a card party at the home of the Regent in January, which realized about \$25.00. Each member of one circle decided to save twenty-five cents out of their housekeeping money each week for five months. At last reports \$40.00 had been obtained in this manner.

The largest gift of the Chapter this year was \$130.00 to Martha Berry School. To Meadow Garden was sent \$10.00. For Georgia Room in Continental Hall, \$25.00; and Regent given authority to add to this subscription at Conference. \$15.00 additional given individually to D. A. R. Memorial Scholarship. \$2.00 for portrait of Hon. Pres. Gen. Mrs. Scott. \$5.00 to Caroline Scott Harrison Memorial. A Chairman was appointed to collect contributions to the Woodrow Wilson Foundation. \$15.00 has been paid in for this purpose with additional pledges.

At our March meeting we heard our first address on "International Relations" by Judge Malcolm Jones.

The Chapter Regent was recently charmingly entertained with Mrs. Akerman, by the Nancy Hart Chapter of Milledgeville.

The Chapter has had eleven subscribers to D. A. R. Magazine the past year, and the Chairman is now working for new ones, and for renewals as well.

Last November the two Chapters, The Colonial Dames and U. D. C. of Macon sponsored a Concert for benefit of the Sidney Lanier Memorial Alcove in Washington Memorial Library. Our Chapters proceeds from this concert amounted to \$42.00, and is in the Savings Bank as our "Sidney Lanier Memorial Fund." The Chapter will add to this from time to time, and are now planning to take an active part in helping to equip and open the Washington Library.

Nine new members have been accepted by the National Board this year, five papers and one supplemental paper are pending, and one member has been dropped. Our Chapter now numbers seventy-three.

6. Good work has been done by our committee in the public schools under the general head of Americanization. A special report of this work has been sent in.

7. Only a small amount of money has been raised, but interest has accrued on a deposit set aside for a special purpose.

8. The membership of the Chapter has increased and, the work for the year has been done in a cheerful spirit in the face of rather difficult conditions.

9. In pursuance of our policy to aid other organizations of our City we are helping with the meeting of the Eighth District Federation of Clubs to be held here the last of May.

MATTHEW TALBOT CHAPTER, MONROE.

Mrs. Lena Felker Lewis, Regent.

In January of this year the Matthew Talbot Chapter celebrated its eighth birthday at the home of our Organizing Regent, Mrs. J. H. Walker. An unusually interesting program was presented, followed by a delightful social hour.

Our Chapter has stood the stress of war, of reconstruction, and, as one of our loyal members suggested, "will withstand the financial stress of the 'boll-weevil period'."

Since our organization in January, 1914, we have enrolled 68 names. Of these we have lost 10 by transfer and one by death. We have enrolled during the past year 4, and have the papers of 6 in preparation. These papers have only to be copied, as they have already been verified.

We have made the following contributions through our State Treasurer:—Martha Berry School, \$30.00; Georgia Bay and Americanization Funds, \$5.00; Paid our National and State dues.

Have in our Treasury a Liberty Bond to be used toward Jack's Creek Marker, and a fund to be used for World War Memorial.

During the past year we have celebrated Flag Day, Independence Day, LaFayette Day, Constitution Day, Armistice Day, Washington's birthday and Georgia Day.

At our public meeting just before the Conference for the Limitation of Arms, resolutions were introduced endorsing this Conference, and these resolutions were forwarded to Washington.

At our September meeting our Constitution and By-Laws were revised, committees appointed, and Year Books distributed. Our program this year has been of unusual interest, our subject being "Lest We Forget." At each meeting we present some subject pertaining to the history or policy of our country, thereby creating a spirit of loyalty and patriotism among our members. We have had a special "Martha Berry School" program, also one on "Meadow Garden, the Mount Vernon of Georgia." The American Creed,

Flag Code has been presented, through our newspapers, to the school children of our County.

Our Chapter has offered a prize to the pupil in the Monroe High School writing an essay on, "What is Meant by Americanism," (or some similar subject.)

Our Historian has gathered several articles of historical interest, and has secured several additional letters from soldiers of the recent war for our history.

Our Keeper of Records and Revolutionary Relics has made quite an addition to our collection this year. We have purchased several Lineage Books during the year just past.

Our Chapter has placed a Government Marker and enclosed with a concrete wall the grave of Brigadier-General, Robert M. Echols, of the Mexican War.

We will at an early date place a marker on the site of Jack's Creek Battle, fought in our County with the Indians, under the leadership of Capt. John Clarke. We have located several other places of historic interest and it is our purpose to mark these spots at some future date.

At our last meeting we voted to erect a beautiful fountain on the public square as a memorial to our soldiers of the recent World War.

Our Legislation, Patriotic Education, Child Welfare, Americanization, Patriotic Songs, Correct Use of Flag Committees have been very active.

Our Child Welfare Committee will co-operate with Committees from other organizations in our town in putting on a Nose and Throat Clinic in Monroe on April 14th, under the direction of the Child Welfare Department of the State Board of Health.

We celebrated Armistice Day by a splendid program, the observance of "The Silent Hour," and the planting of poppies at the schools of our little City.

ARCHIBALD-BULLOCK CHAPTER, MONTEZUMA.

Mrs. Oscar McKenzie, Regent.

We have had an active year, holding regular monthly meetings with interesting and educational programs. We made a study of our old stage roads, land marks and pioneer settlers of Macon County, and observed LaFayette and Thanksgiving Days.

Our monthly magazine was subscribed for and placed in Public Library.

Plans are being perfected to erect a boulder to Barnard, an Indian Chief of our County.

We ad a most interesting and delightful lecture from our State President of the Federation and have had other patriotic lectures.

SERGEANT JASPER CHAPTER, MONTICELLO.

Mrs. W. J. Phillips, Regent.

With a membership of 50, Sergeant Jasper has had a year of interesting endeavor. Monthly meetings have been held at the homes and all patriotic anniversaries have been observed, as follows:

In October, Columbus Day, LaFayette Day and Constitution Day were celebrated by the Chapter. In November, Armistice Day was well observed. Four hundred red poppies were made and given to high school pupils and citizens at the courthouse, where the pupils gave an appropriate program. Our December meeting was held on the sixteenth, in celebration of the historic Boston Tea Party. February the twenty-second, the birthday of Sergeant Jasper Chapter, as well as that of Washington was fittingly celebrated. Georgia Day was also observed. Flag Day furnished an interesting program for the June meeting. For the Fourth of July celebration we used through our Patriotic Lecture and Lantern Slide Committee, the two instructive pictures "Romantic and Historic Landing of the Pilgrims," and "Tillaloy."

On November the twelfth we had unveiling exercises of two Revolutionary soldiers' graves; in the forenoon the grave of Littleton Johnson, and in the afternoon that of Hartwell Ezell. Application has been made for markers for the graves of Sergeant Henry Slappey and John Davidson. The grave of another Revolutionary soldier, Rolin Smith, already marked, has been located.

We have offered the D. A. R. medal to the pupil making the highest average in American History. This will be presented at Commencement. At our request the County School Superintendent had every school in the county observe Armistice Day and Georgia Day. Our Committee on Patriotic Songs has been active in co-operating with the teachers to use patriotic songs in our schools.

The marking of Historic Spots in Jasper County is being taken up with interest. We are planning to mark the big boulder from which the celebrated Lorenzo Dow preached in the early history of Jasper County, and the old stage-coach line; also to place a marker at the birthplace of Benjamin Harvey Hill will be a future endeavor of the Chapter.

We have forwarded another year's support to our French War orphan, Leon Coisson.

We have contributed to the Martha Berry School, to Meadow Garden and aided our County School Superintendent in buying books for children whose parents were unable to buy them.

We have used with pleasure readings through the Literary and Historical Reciprocity Bureau, and have some original papers to be sent in.

We have been glad to have Miss Maud Penn, our Organizing Regent, and for ten years our Regent, assist in the organization of two new Chapters, the Elizabeth Marlow Chapter, at Monticello, and the Oliver Morton Chapter, at Gray.

ELIZABETH MARLOW CHAPTER, MONTICELLO.

Mrs. Monroe Phillips, Regent.

Although not the youngest Chapter of the Conference, Elizabeth Marlow is still in baby clothes, its organization on December 16, 1921 having been confirmed by the National Society on January 31, 1922.

The name, Elizabeth Marlow, was chosen in honor of the wife of Sergeant Jasper, the Revolutionary hero for whom our county is named.

We have 28 organizing members and a number of prospective members. Monthly meetings are being held in the homes of the members and there is an enthusiastic attendance.

The amount due our Treasury from the National Society not having been received, we have not as yet made any contributions

to State or National work, but we hope our next report a year hence will show a healthy growth and a lively interest in all lines of patriotic endeavor.

JOHN BENNING CHAPTER, MOULTRIE.

Mrs. J. T. McArthur, Regent.

The members have shown much interest in the work this year. Our study has been Citizenship from the Colonial period to the present.

We have regular monthly meetings, which were always followed by a social hour.

The most important thing to make money, the Chapter did, this year, was to serve a banquet to the National Watermelon Distributors Association. We co-operated in many ways with Community Service. We are also making plans to place a tablet in the County in honor of the boys who fought in the World War. We have \$116.00 and a \$50.00 Liberty Bond as a beginning. We also have \$45.00 to be used for a Business Girl's Scholarship. We have a complete list of Lineage Books to date, which were presented to our Chapter by Mrs. W. C. Vereen.

We have attractive Year Books, costing \$18.75, and a balance of \$25.00 in the bank.

THE OCONEE CHAPTER, McRAE.

Mrs. W. S. Mann, Regent.

From the banks of the Oconee

From Telfair County's sunny clime

Greetings to our state assembly

With apologies to rhyme.

First in the month of May

With our state officers in McRae,

Namely: Regent, Mrs. Land—

Patriotic beautiful, brilliant grand—

Our Vice-Regent, Mrs. Vereen—

The dearest lady we ever have seen,

Mrs. Durrett who writes letters for our state.

Came back home to help celebrate;

Our Registrar, Mrs. J. L. Walker—

A charming woman and excellent talker,

And our Mother Regent, Mrs. Howard McCall,

Failed to arrive on the scene at all.

First—tea then dinner—and reception that eve—

All had a grand time you may well believe.

Early in the morning of the following day,

We left in cars for twenty miles away,

Where we unveiled a monument to William Ryals,

A soldier of Revolutionary Trails.

To Lumber City we did next resort

To unveil a marker to an old fort—

A Trail which in 1812 was blazed
 By Gen. Blackshear who also the fort had raised.
 Luncheon was then served by the ladies of the town,
 Beneath the spreading oaks which there abound.
 That evening back in the town of McRae,
 A brilliant program closed the day.
 Next morning promptly at nine o'clock,
 All to the Cemetery did flock,
 To unveil a monument to Gen. John Coffee—
 An illustrious son of Georgia was he—
 His remains were reinterred in McRae,
 From his Plantation home twenty miles away.
 Next to Block House and old Jacksonville,
 Which a prominent part in County History did fill.
 With appropriate speeches we did there unveil
 A tablet for the Blackshear Fort and Trail,
 And two miles from the old church door,
 The first Court House and Trail were marked once more.
 Last scene of all was a barbecue,
 Supplemented with fish fry and other things too,
 The chapter adjourned until September,
 LaFayette and Constitution Day we did remember.
 October commemorated Columbus Day—
 December two dollars to the Walton Home did pay,
 Also ten dollars to the Martha Berry School—
 Thus obeying the Golden Rule.
 January to each school in the County
 A book of Patriotic Songs was our next bounty.
 February 12, 1922 we combined the two,
 As Patriotic Daughters may always do,
 Twenty-five dollars for Valley Forge was sent—
 A gift rather small, but our funds were spent.
 Twelve new members for the year submitted,
 Reported also two demitted—
 And six papers in Washington pending—
 With this I my report am ending.
 With very best wishes to all present here
 And hoping to see you again next year.

We gave an Operetta to make money for the Marker Fund.

GENERAL DANIEL STEWART CHAPTER, PERRY.

Mrs. Alva Davis, Regent.

It is with pleasure that I submit the following report of our Chapter's work. We have held regular meetings each month, and they have been largely attended. Our membership at present is 36 with several papers pending in Washington.

We have gained three new members this year and lost three.

We lost one by transfer, one by resignation, and one by death.

God called our beloved member, Mrs. Martha Killen Strother from our midst, and we will miss her so much. She was a sweet Christian character, and we loved her.

Our Chapter has observed LaFayette's birthday, Constitution Day, and Armistice Day. We celebrated our Chapter's eighth birth-

day with a beautiful party given at the home of Mrs. L. F. Carter, by Mrs. Carter, Mrs. Traylor, and Mrs. Andrew. It was our pleasure to have with us on this occasion our honored State Regent, Mrs. Max E. Land, our State Second Vice-Regent, Mrs. Charles Akerman, and our State Corresponding Secretary, Mrs. T. J. Durrett.

At that time our Chapter presented to Mrs. C. E. Gilbert, our beloved Organizing Regent, an Ex-Regent's bar, as a token of our love for her.

We have given a Scholarship in the Perry High School to Miss Lois Bennett, valued at \$16.63. We have given \$1.00 per member to the Georgia Bay, also to the Immigrant's Manuel, the Fountain at Plymouth, and the Painting of a Convoy of Troop Ships to the French Government. We have contributed \$1.00 to Meadow Garden.

Four of our members are subscribers to the D. A. R. Magazine. Our Chapter gave a play "The Comical Country Cousins," which brought into our Treasury \$67.50.

Our programs this year have been very interesting and in all we have spent a most profitable year, and my prayer is that we may go on to greater usefulness as the years go by.

HANNAH CLARKE CHAPTER, QUITMAN.

Mrs. John Lee Davidson, Regent.

The past year has been an active and interesting one for Hannah Clarke Chapter. A gain of six new members brings our enrollment to a total of sixty-four, fifteen of whom are non-resident, two having been lost by transfer, one dropped. Mrs. S. S. Gaulden and Miss Frances Mounger, two of our most loyal resident members have passed away. Several new applications are pending.

Very attractive year books were issued at a cost of \$27.50, the subject of study, "The South In Industry, Education, Literature, Music, Art, Science, and Her Problems." Splendid papers have been the result. Our meetings are opened with the Lord's Prayer, are well attended, and there is a rare spirit of loyalty and co-operation displayed by the entire membership.

Two home talent plays added substantial sums to our treasury, and with the proceeds from several candy sales, we have been prepared to meet State and National calls as well as respond generously to local appeals. An additional contribution of \$15.00 completed our quota to the three National objects; to Meadow Garden, \$3.00 was given; a second contribution of \$25.00 to Georgia Bay.

The outstanding accomplishment of the year has been our educational work. To American National Institute, \$2.50 was sent; to the book fund of the local library, \$25.00 was given; Our \$100.00 Scholarship at Martha Berry has been paid in full, besides a Christmas box of 30 pounds of pecans for the girls in Faith Cottage, and a number of personal gifts for Monica Henderson, our ward; \$4.00 was sent towards the building of Friendship Dormitory. We have on deposit \$100.00 set aside as a Loan Scholarship Fund for the benefit of worth graduates of the Quitman High School. We hope to add \$50.00 to this before September.

Last year the gold medal for the best average in America history was awarded Malcom Jones of the graduating class. Laura Gibson of Junior High won the silver medal. So great a stimulus was given the study of history we are again offering these medals. At a cost of \$10.00 a handsome flag has been purchased, and will be presented to the new High School as soon as a pole can be procured.

We have co-operated in every possible way with the county health officer. Towards the expense of a free clinic, \$10.00 was given. Numbers of garments were provided for destitute families. Complete outfits were furnished for two babies. Four of our members with the Regent as Chairman, constituted the committee to disburse the Empty Stocking Fund at Christmas, and the surplus is still being used for welfare work.

Three historical post cards were sent to the State Chairman. The grave of Clairborn Webb, a Revolutionary soldier, buried at Grove Level Church, three miles east of Maysville, Jackson County, Georgia, has been reported to the State Chairman, Mrs. Allen. The Revolutionary record of Lt. James Montgomery, buried in Jackson County, was furnished the James Pittman Chapter, Commerce. Assistance was given the Briar Creek Chapter, Sylvania in their efforts to locate Wm. Cone's grave, at Ivanhoe, Bulloch County, and their attention called to the graves of Wm. Young and his wife, Mary Henderson at Carman, Screven County.

LaFayette Day was observed by the Chapter with an appropriate program. Both schools and numbers of visitors joined in the celebration of Georgia Day.

Hon. S. M. Turner made an eloquent and comprehensive speech on the history of our State, particularly emphasizing the lives of our great men. The exercises closed with the planting of a cedar tree on the campus, and its dedication to Henry W. Grady.

Six Lineage Books have been purchased this year, making a total of thirty-six at the service of the public in the local library.

We have been made custodian of the county service flag, containing over nine hundred stars, a gift from the Chapter during the World War.

By request on February 28, our services were gladly given for the preparation and serving of a most enjoyable banquet at the Country Club to the Wilbur Oglesby Post of the American Legion.

To this Conference Hannah Clarke Chapter will present an interesting relic given by three of its members, Mrs. Stephen A. Wilson, Mrs. A. M. C. Russell of Brooksville, Fla., and the late Miss Frances Mounger of Quitman, all descendants of Elijah and Hannah Clarke. This is an original sheep skin deed, made in 1795, conveying 25,000 acres of land in Camden County, Ga., from Abner Mitchell, by his attorney, John Shellman of Augusta to David Allison, Esq., of Philadelphia, Pa., for five shillings. It is certified by Matthew Clarkson, Mayor of Philadelphia, which is in a fair state of preservation. This deed has been handsomely framed, which expense was borne by Mrs. Wilson. We trust it will prove an interesting and valuable contribution to the furnishing of the Georgia Room in Memorial Continental Hall.

JARED IRWIN CHAPTER, SANDERSVILLE.

Mrs. S. M. Hitchcock, Regent.

We have a membership of twenty-seven. We have held regular monthly meetings in the homes of the membership. Each meeting is opened with prayer, the members repeat the American Creed in concert and then we join enthusiastically in singing one of the patriotic songs. Beautiful year books with interesting programs have contributed much to the pleasure and profit of the members. Five minutes talks by a member on some International Relation at the December and January meetings have proven very instructive. Mrs. George Bangs of New York was our guest in January in her characteristic way she gave a wonderful description of a

trip made to Ellis Island by fifty members of the D. A. R. Chapter of which she is a member.

We have contributed to Meadow Garden, \$2.00; Georgia Bay, \$3.00; Berry School, \$5.00; Americanization, \$2.00; and are co-operating with the educational work by purchase of Immigration Manual for instruction of Chapter members and local public. We have observed Washington's birthday, Georgia Day, LaFayette Day, Constitution Day, and Flag Day. The Chapter co-operated with other organizations in town in celebrating Armistice Day. We have co-operated with other organizations in local work.

LACHLAN McINTOSH CHAPTER, SAVANNAH.

Mrs. Walter S. Wilson, Regent.

The Lachlan McIntosh Chapter sends greetings and submits the following report:

Our membershi is 91, 3 papers are pending and 1 member has been transferred.

Monthly meetings have been held, and all patriotic "Days" have been suitably observed.

Of special interest has been the papers on the Armament Conference under our committee on International Relations. Several of the members were appointed to trace the daily deliberations of the Conference relating to the country on which she was to report. These papers have been most intertaining and instructive and are on file for use by Boy and Girl Scouts, Children of the Republic and other like societies.

Under the committee on Americanization a Chapter of the Children of the Republic has been formed at the Juvenile Detention Home, and another Chapter pending at the Community House in Yamacraw. It is our plan to give only one fundamental thought at each meeting, thereby building by degrees an understanding of the principles upon which our government is founded.

The Wilson Foundation was launched at a time when our treasury was greatly depleted by unusual demands; however we were unwilling not to respond to a call which embodied the principles upon which our organization was established. Mr. Wilson proved that he was ready to sacrifice his life for the propagation of these doctrines, and so a gift of sacrifice on our part seemed a fitting way for us to express our allegiance to these principles. So we have decided that each of us will contribute a sum which will represent a sacrifice and be believe at our October meeting we will bear a gift which will evidence our loyalty.

Among our activities we have assisted the American Legion, the Salvation Army, the Jewish Relief, Y. W. C. A., Red Cross and Tuberculosis Association. We have contributed \$10.00 to the Berry School, \$5.00 to Meadow Garden, \$25.00 to Memorial Fund and \$5.00 for medal in schools. Under Forestry we have been greatly interested in the preservation of the water power of our National Parks and have sent our subscription for membership in the National Parks' Association. We have sent 5 books to our National Library at Continental Hall and have subscribed to the D. A. R. Magazine and Sunday Constitution for the use of the Chapter. Our Chapter Historian has the nucleus of some valuable original data which will supplement what has already been sent to Mrs. Bullock and Mrs. Walker. Since my report to Mrs. Bullock I have reason to believe that we have located five Revolutionary soldiers' graves still unmarked. We will immediately take steps to verify this and place markers.

During the year we have kept in touch with all bills before Con-

gress and sent appeals to our Senators and Congressmen urging their support upon measures bearing upon our interests.

The managers of our city moving picture theatres are being petitioned to make Saturday "Young Peoples' Day" by having scientific, educational, historical and suitable story films shown that day.

We have had some charming social affairs in connection with our work, and last November, with the Savannah Chapter, we entertained the Federation of Women's Clubs.

A splendid Vaudeville, some script dances and a card tournament, in conjunction with the Savannah Chapter, have been our principle methods of raising funds the past year.

It has been a very full and busy year and we hope in the coming months to accomplish greater things.

SAVANNAH CHAPTER, SAVANNAH.

Mrs. Horace A. Crane, Regent.

Savannah Chapter sends greetings and begs to submit the following report of work accomplished during the past year.

We have held regular meetings, with large and enthusiastic attendance.

JOHN HOUSTON CHAPTER, THOMASTON.

Mrs. J. B. Girardeau, Regent.

In May Mrs. J. F. Lewis was unanimously elected Honorary Regent and the following resolutions were adopted:

"Whereas, in 1911, Mrs. J. F. Lewis, then a member of "The Joseph Habersham" Chapter of Atlanta, organized in Thomaston a D. A. R. Chapter which was named "The John Houston," and which under her able management for ten years has grown in strength and numbers until it is one of the most flourishing in the state. Now, owing to the ill health of herself and some of her loved ones, she has notified the Chapter that she can no longer serve as Regent. Therefore be it resolved:

1. That we deeply deplore the cause that compels this noble woman, the daughter of a soldier, the wife of a soldier and the mother of soldiers, to give up this patriotic service which she loves so dearly.

2. That we do sincerely hope she will be able as a member to give us the benefit of her experience, enthusiasm and wise counsel for many years to come.

3. That these resolutions be spread upon our Minutes, be published in the Thomaston Times and a copy be furnished Mrs. Lewis. As a further evidence of love, respect and appreciation of her work for the Chapter we present her with an Ex-Regent's pin."

We have gained six new members during the year and a dozen or more papers pending.

In an educational way a memorial scholarship has been established at State Normal College, Athens, under the name of "The John Houston Memorial Scholarship," in memory of the Upson County boys who served in the World War, to be used by a worthy boy or girl of Upson County.

All patriotic days are observed. We are encouraging patriotic singing by using one or more patriotic songs at each monthly meeting.

Rev. M. S. Williams, the Methodist minister, at our October meeting, gave a most interesting talk on Americanization and John Houston for whom our Chapter is named.

The Department of Child Welfare, Women and Children have an excellent report at each meeting.

We have in addition to these ten papers in Washington and many are working on supplemental lines.

We have lost six members, three dropped for non-payment of dues and three transferred.

According to our custom we printed very attractive Year Books at a cost of \$30.00. We took National and State government as a course of study and it has proven very helpful to us as new citizens. The monthly programs were arranged by a Year Book Committee and without an exception each member has done the work assigned her. The Chapter has had an average attendance of thirty-four at the meetings; all patriotic days have been observed: on Georgia Day and Washington's birthday the programs were especially attractive.

Two prizes were offered this year for highest averages in American History. A Scholarship of \$125.00 is given a Lowndes County girl at the South Georgia State Normal College.

COL. JOHN DOOLY CHAPTER, VIENNA.

Miss Emily Woodward, Regent.

The Chapter has a membership of 13, with four other members in the making.

Stimulating patriotism in the schools has been one of the principal activities of the organization during the past year. In this work we have been fortunate to obtain the cordial co-operation of the teachers, who have assisted in the presentation of excellent programs in observation of all historic dates. Flag codes have been placed in every school in the County. In April the Chapter sponsored a very successful musical comedy given by home talent, which netted a very gratifying profit. We have also united with the other Woman's Organizations of the City in providing social entertainments for young and old.

The really high point in our Chapter's career during the past year was the visit of our beloved Regent, Mrs. Land, who brought to us enough inspiration in one short half hour to keep the fires of loyalty and patriotism burning brightly for a long time to come.

Washington's birthday was celebrated with a brilliant reception and splendid program. A study of the "Woman of Yesterday and of Today," the topic suggested by the National Order, provided a very interesting program for the March meeting.

Our members are also members of the Red Cross, and we work with that Order. We united with the Lyman Hall Chapter in giving a reception to the U. D. C. Convention of 300 guests, when Admiral and Mrs. Benson were present on the occasion of the presentation of a gold and jeweled sword to Admiral Benson, by the U. D. C. last October.

MEMORIAL RESOLUTIONS

Mrs. Herbert M. Franklin, Chairman.

Before us looms a great hill. A steep rugged pathway, now visible, now obscured leads to the top. Here, overhanging crags tower above; there yawning chasms await a slip of the foot.

Crowning the summit is the "City which is set on a hill, whose Maker and Builder is God." The towers gleam with light, and point out the way to those who are pressing the thorny path, and struggling to overcome the many obstacles of the journey.

Oftentimes wearied of the toils of the road, discouraged, we pause for rest, for—

"Heaven is not reached at single bound,
But we build the ladder by which we rise
From the lowly earth to the vaulted skies,
And we mount to its summit round by rounds
I count this to be grandly true:
That a noble deed is a step toward God—
Lifting the soul from the common sod,
To a purer air and a broader view."

As we climb higher the hill, which in the distance, looked so steep and inaccessible, gradually falls, and the ascent becomes easier as we journey ever upward.

There are those who clasped hands with us last year, who have climbed higher than we.

"Not dead, these friends—not dead,
But in the path we mortals tread,
Got some few trifling steps ahead,
And nearer to the end—
To that you, too, once past the bend,
Shall meet again, as face to face, this friend
You fancy dead.
Push gayly on, strong heart; the while
You travel forward mile by mile,
He loiters with a backward smile
Till you can overtake."

The influence of the lives of these friends shines like the light of the sun. The pathway is no longer in the shadow, as we "look toward the hills from whence cometh our help."

With the strong alpenstock of Christian faith, we pursue our journey ever looking to the light which radiates from the throne of God.

Our friends are enjoying the light of His presence as they gather about the throne, their faces are radiant as they sing of the beauty of the Heavenly City, the glories of their King!

"Now, what to them were the shadows?

They were ever just in flight!

The world a thought of Heaven in that beautiful dream of light!
And what of the thorns that reddened ever along the ways,
When they saw the later roses that come with the brighter days?
O, Light of Love! be with us when we reach the vales that seem
To cast a dreary shadow over Life's sweetest dream!

Sing to us a deathless dawn, of deep enduring Light!
Where the stars of morning sing to God,
And there is no more night!

Those who have passed away since last Conference are: Albany, Thronateeska Chapter, (Mrs. A. W.) Sallie Tucker Muse; Atlanta, Mrs. Elijah Williams (Cora Peck), Mrs. Orme Campbell (Harriet Wimberly), Mrs. Clem Harris; Mrs. Marshall Hall Lane; Marietta, Fielding Lewis Chapter, Mrs. W. A. Coursen; Eastman, Col. Wm. Few Chapter, Mrs. Eugenia Campbell Edwards; Quitman, Miss Frances Mounger, Mrs. S. F. RESOLUTIONS OF THANKS.

Mrs. Paul Trammell, Chairman.

When we begin to "count the blessings and name them one by one" the privileges and pleasures that have been accorded the Twenty-fourth Conference of the Georgia Chapters N. S. D. A. R., we find the task alluring, and it is with love and gratitude that we recount them.

As we think of Valdosta with its vast neighboring orchards and fields we are impressed that the dainty beauty and perfume which prevades the air of your city and surroundings in early spring, have indeed been rivalled for once, in the rich aroma of generous hospitality whose fragrance has greeted and delighted us, for the very atmosphere is laden with glad greetings. Nor does your Southern sun more beautifully ripen the rosy luscious fruit than it develops your men and women into characters of strength, value and attractiveness.

To your Mayor, Mr. W. D. Peeples, who has so heartily greeted us, we say "God bless you and your people." Generous welcomes from literary clubs, patriotic organizations, Normal college, W. C. T. U., the business men and the ministers of your city, have made us feel that you are letting us enter into your every interest of life. We thank you. We delight to honor and thank Mrs. Thomas Wood, Regent of the hostess Chapter, who so graciously welcomed us and who has throughout these meetings, so gracefully considered us and anticipated our every wish. May she fully enjoy the satisfactory consciousness of "duties, well performed," for this is the verdict of this conference.

To our distinguished guest, Mrs. Spencer, who comes from North Carolina as the representative of the D. A. R. of that state, in place of Mrs. Wm. N. Reynolds, V. P. Gen'l., N. S. D. A. R., who is ill, and has honored us indeed in attending and addressing our Conference. We appreciate the inspiration and information brought by them to us from broader fields.

We are justly proud of our own Mrs. J. L. Walker and Mrs. Walter D. Lamar, and their historical research. We are truly glad to be kept in touch with work of Indian Welfare and Protection.

Our own Regent, whose term of office has been successful in every detail, has crowned her efforts by bringing to this Conference so wonderful a combination of intellectual treats, inspiration for the year to come and business well disposed of. In fact throughout her regency she has at all times given us "the best of the Land."

To the musicians, one and all, who have charmed and delighted us with music and song, we declare that with Beethoven we recog-

nize "that music is the only art given from Heaven"— for have we not felt ourselves lifted out of things material and wafted onward and upward by the spell of their beautiful strains?"

To the pages, who have so merrily and cheerily tripped about to lighten and facilitate the workings of the Conference, we are greatly indebted. We appreciate your youth, beauty and ability. You have gladdened our eyes and delighted our souls.

The rich repasts which have made us to feel that we would gladly "Live to eat," have brought us in close touch, one with another, and indeed you have left nothing undone that would contribute to our welfare and pleasure. Then too, with the delightful luncheon, have come a "feast of reason and a flow of souls."

The Rotary Club, whose ideals of the "best in business" is doing much to keep the American financial basis high and pure, provided for us a rare treat in the "Outing at Ocean Pond" and we enjoyed it greatly.

With our sister patriotic organizations, who delighted with us in the Naval Holiday just declared, we join hands in greeting and fell and know that this great step forward is but the reflex action of past valor and patriotism, which we together so ardently champion.

Therefore, in view of all these pleasures, courtesies and entertainment, extended to us, be it resolved:

That we make this expression of appreciation and gratitude of this Conference to all those who so generously contributed to this success and large scope of these meetings and ask the people of Valdosta and our officers to appreciate them individually and collectively.

As the time for our departure approaches we ask our hosts and hostesses to please have in mind that we deeply appreciate your many courtesies and also please remember—

"That the heart feels most
When the lips move not
And the eyes speak a gentle good-bye."

Chapters of 50 and not exceeding 100 members may have one delegate in addition to the Regent; Chapters of more than 100, one delegate for each 100 members. "A member must have belonged to a Chapter at least one year before she is eligible to serve as a delegate or alternate from that Chapter." Hence a Chapter not a year old can not have a delegate in addition to its Regent. Alternates for delegates should be elected, not to exceed 10 from any Chapter; and vacancies in a delegation may be filled by the Regent of the Chapter from the duly elected alternates. (See Nat. By-Laws, Art. IX., Secs. 7, 8.)

The numbers given above, as to membership, relate only to members in good standing, whose dues for the year have been paid. (Nat. By-Laws, Art. V., Sec. 7.)

No member shall be entitled to more than one transfer in a year. Members at large uniting to form a chapter shall not be regarded as a transfer. The transfer card of a member at large to a chapter, or of a member of one chapter to another chapter, shall be presented by the member desiring to be transferred to the chapter with which she wishes to unite. If she is accepted by the chapter, the transfer shall become effective upon the receipt by the Treasurer General of a statement from the chapter receiving the member to that effect. A transfer of a member of a chapter to a member at large shall at once be reported by the chapter to the Treasurer General, and shall become effective upon its receipt.

Chapters are requested to hold their elections in May. It is desirable that their reports to the Conference shall be made by officers whose work covers at least the greater part of the year preceding the Conference.

ITEMS OF INFORMATION

STATE CONFERENCES.

The first State Conference was called by Mrs. S. B. C. Morgan, State Regent, and was held at the Atlanta Exposition of 1895. The annual Conference began in 1899. In that year a Conference for the purpose of effecting a State organization was called by Mrs. Robert Emory Park, State Regent, and was held in Atlanta, May 23-24. By-Laws were adopted and State officers elected. The succeeding Conferences were numbered from this Conference, until the Conference of 1909 adopted a motion, offered by Mrs. Mallory Taylor, "that the first State Conference in 1895 be recognized, and the next annual Conference, instead of being the twelfth, shall be the thirteenth." (Minutes, p. 21.) No Conference was held in 1911; the time of meeting having been changed from the fall to the first part of the year by the Conference of 1910, which adopted a recommendation of the Executive Board (named on the motion of Mrs. P. W. Godfrey), "that the State Conference be carried over from November, 1910, to 1912, prior to Congress in 1912;" amended by Miss Ray of Atlanta, "that we have Conference in the spring, not to interfere with Lent." (Minutes, p. 21.)

The dates and places of meeting and the numerical designation of the Conferences after the first annual Conference (1899) were as follows: (2) Atlanta, Nov. 27-28, 1900. GEORGIA DAY.

The first concerted effort to bring about the annual celebration of the date of the landing of Oglethorpe and his colonists (February 12, 1733), under the name of "Georgia Day," was made by the Joseph Habersham Chapter of Atlanta in 1901, and, with the co-operation of the State School Commissioner, soon resulted in its observance in many schools. Credit for these first efforts is due to Miss Nina Hornaday, Georgia Day Chairman of the Chapter, and Mrs. W. L. Peel, then Regent.

In 1904, Mrs. John M. Graham, then Regent of the Joseph Habersham Chapter, seeing that Mr. Calvin had introduced in the Legislature a bill providing for school celebration on certain other anniversaries, endeavored to have similar recognition given to Georgia Day, and in this was aided by Miss Hornaday. The result was that the Legislative Committee on Education reported a Georgia Day bill as a substitute for Mr. Calvin's bill, but it did not pass. At the next State Conference Mrs. Graham moved the appointment of a committee to procure legislation on the subject, and she was ap-

pointed chairman. A bill presented by her was introduced in the Legislature by Hon. Madison Bell, but failed to pass, and at her request was reintroduced in 1909 by Hon. John M. Slaton, then President of the Senate, and in that year became a law. It provides for observance of the day in the public schools by exercises consisting of written compositions, readings, recitations, addresses, or other exercises relating to this State, and its history and to the lives of distinguished Georgians. Many Chapters gave school prizes on that day.

INFORMATION FOR REGENTS.

Notice of death and resignation should be sent to the Registrar General. Notices of marriages, transfers, and dropped members should be sent to the Treasurer General. Notice of change of address should be sent to the Organizing Secretary General.

The Historian General requests "that to insure uniformity and convenience of filing, that all records shall be typewritten upon one side of paper, eight and one-half by eleven ($8\frac{1}{2} \times 11$) inches, with one inch margin on left side and bottom. One and one-half inches at top." One copy should be sent to the Historian General, one copy to the State Historian, and one copy retained in Chapter archives.

Chapter Year Books should be $5\frac{1}{2} \times 7$ inches, to conform to request from National Society, in order that the Librarian General can file copies as records. Copies should be sent to her. Year Books should be sent to State Regent and State Recording Secretary.

Chapter By-Laws must not conflict with the National and State By-Laws. Chapters are advised to incorporate their By-Laws in the Year Books.

FLAG CODE

Arranged by Mrs. Mallory Taylor and Adopted by the D. A. R. in State Conference, April, 1919.

"Every star in the flag represents a particular State, Georgia's star is in the top row, the fourth from the staff, and was placed there January 2, 1788. The three states that came before it were Delaware, Pennsylvania and New Jersey.

"The flag should never be used as a cover for a table, desk or box, unless a Bible, and nothing except a Bible is to be laid upon it. The colors must never touch the ground.

"For decoration, the national colors are more suitable, always placing the red at the top, but if the flag must be used, it should always be flat on the wall with the Union to the North or East, never draped or fastened. The flag of the free should fly free.

"It should never be placed below a person sitting. It cannot be used as an advertisement. It is a desecration to use it or a representation of it for pillow cases, table covers, napkins, handkerchiefs, neckwear, veils, blotters, food decorations, curtains or any part of a costume, as in some shows and circuses.

"The flag should be hoisted quickly at sunrise or thereafter, never before, and lowered at sunset. To place the flag at half mast, raise it first the entire height of the staff and then slowly drop it halfway down.

"When other flags fly from the same staff, our flag is always the highest. When used with other flags as a decoration or in parade, our flag must be on the right.

"When the flag passes in parade, the spectators of both sexes should stand and face it, men and boys holding their head coverings over the heart with the right hand. If covered, they should salute, with the right hand salute, as do the soldiers and sailors.

"A flag unfurled and hung in a room in which they are present should be saluted by them the first time they pass it, as do the soldiers and sailors, but not afterwards.

"When the flag is raised at a ceremony everyone present should stand, face the flag and uncover or salute as when it passes in parade.

"It is used for the honored dead as a cover, the starry Union being placed at the head.

"Old and wornout flags should not be used either for banners or for any secondary purpose. When a flag is in such condition that it is no longer a fitting emblem for display it should not be cast aside in any disrespectful way, but should be destroyed as a whole, privately, preferably by burning or any method lacking a suggestion of irreverence or disrespect due the emblem representing our Country.

"The army and navy regulations provide the Star Spangled Banner shall be designated as the national air of the United States of America. The listeners should stand, face the music and uncover or salute as for the flag as both represent the country."
