In Memoriam

DECEASED MEMBERS 1942-1948

God called them in, but left the door ajar,
And we who listen can hear them singing still.
They cannot be where God is not—
On any sea or shore;
Whate'er betides, Thy love abides,
Our God, forevermore.

GEORGIA STATE EXECUTIVE BOARD, REGULAR MEETING OCTOBER 20, 1942

The regular Fall meeting of the State Executive Board, Georgia Society D. A. R., was held in Dublin on October 20, 1942 by invitation of the John Laurens Chapter.

The State Regent, Mrs. Stewart Colley, opened the session with singing of the hymn "Faith of Our Fathers." In the absence of Mrs. James N. Brawner, the State Chaplain, Mrs. C. C. Crockett, Chaplain of the John Laurens Chapter, led the devotional, using Psalm Thirty-three, expressing assurance and courage in times of stress. She emphasized the verse, "Blessed be the nation whose God is the Lord." Mrs. Crockett closed with prayer.

The Pledge of Allegiance to the Flag led by Mrs. John M. Slaton was followed by singing of "America," led by Mrs. L. P. Longino. The roll call showed thirteen State officers, four honorary State regents, twenty-one chairmen and seven visitors present.

Mrs. E. Blount Freeman, Second Vice-Regent, brought greetings from the John Laurens Chapter. In welcoming the members of the Board to Dublin, Mrs. Freeman said it was peculiarly appropriate to hold the session at the First Baptist Church because of the part the ancestors of several Georgia Daughters had played in the establishment and development of this church.

The minutes of the Spring Board Meeting held in Macon and of the meeting of the Georgia Delegation in Chicago were read by Mrs. Quillian Garrett, State Recording Secretary. The following past officers and distinguished guests were introduced:

Mrs. John S. Adams, Honorary State Regent,

Mrs. Bun Wylie, Honorary State Regent,

Mrs. Thomas Coke Mell, Retiring State Regent,

Mrs. Julius Talmadge, Vice-President General from Georgia.

Mrs. Talmadge spoke on her plans for campaign for office of President-General in 1944. On motion of Mrs. Julius Talmadge seconded by Mrs. H. B. McMaster a message was sent Mrs. Howard McCall who was unable to be present.

The State Regent, Mrs. Colley, brought her first official message to the Board using as her text the words of St. Paul in his letter to the Corinthians: "Behold, now is the accepted time." Interpreting this text in the light of our grave national situation, Mrs. Colley in a most forceful way applied each of the words to the work of the Society and the responsibility of each Daughter individually. She urged that each member of the Society realize the necessity of doing now all possible to right the wrongs and heal the hurts of an anguished world. She urged the need of new recruits and the need of selling our organization to the many people who do not know of the aims of the Society. In closing, Mrs. Colley stated that she hoped each Daughter would contribute at least \$1.00 to Blood Plasma Fund. The Regent was given a rising vote of thanks in appreciation of her stirring and timely message.

Mrs. Ober D. Warthen, State First Vice-Regent, spoke on National Defense. She urged the regular purchase of bonds, work in the Red Cross, need for training in World Citizenship and also

that the National Defense News be read for real facts and placed in libraries and schools for information to counteract false reports.

Mrs. E. Blount Freeman, Second Vice-Regent and Chairman of a new committee, "Sons in Service," outlined plans in preparation for finding sons of all Daughters of American Revolution now serving in Georgia camps and bases.

On motion of Mrs. Bun Wylie, seconded by Mrs. T. J. Sappington, the Treasurer gave totals only in presenting her report. Mrs. Y. H. Yarbrough, State Librarian, reported the filming of census records and that a list of needed books would be sent to the Chapters.

Mrs. N. A. Jelks, Historian, reported that a list of Revolutionary soldiers' graves, showing names, birth, death, cemetery and record of service had been sent to the Smithsonian Institute at the request of the Reporter General.

Mrs. A. L. Sealy, State Consulting Registrar, reported she had sent letters to each chapter regent and registrar and that work would be continued to finish the work on the State Membership File.

The State Editor, Mrs. Robert Humphrey, called attention to both the May Philips Mims Trophy for sending in the best material for the D. A. R. column in "The Atlanta Constitution" and the State Editor's Award for sending the outstanding article from chapter for D. A. R. column. The Assistant Editor, Mrs. H. B. McMaster was introduced.

Officers introduced whose reports were not due were Mrs. Quilian Garrett, Recording Secretary; Mrs. Leonard Wallace, Corresponding Secretary; Mrs. Mark Smith, Consulting Organizing Secretary; Mrs. J. E. Key, Parliamentarian.

Mrs. Henry Reid, State President of the C. A. R., presented a well planned program which promised a splendid year.

At twelve noon the President's Prayer Minute was observed.

Miss Henrietta Louise Hughes, aunt of Mrs. Colley, and Mrs. V. G. Williams, Regent of the Arthur Fort Chapter of Grantville, were introduced.

Reports of State Chairmen of National Committees followed.

Mrs. L. P. Longino, Chairman of Advancement of American Music, urged the singing of the National Anthem at each Chapter meeting and the use of patriotic music, old and new.

Mrs. Hudson Malone reported on Americanism; Mrs. J. Harold Nicholson, on Conservation.

Miss Sue Reid Vason reported on Approved Schools. It was the consensus that the work of this committee this year should be concentrated on Kate Duncan Smith School.

Mrs. T. Earle Stribling, Chairman of the Good Citizenship Pilgrimage Committee, and Pilgrim's Club Committee, stated that the names of good citizens chosen from high school seniors should be sent to her by January 10, 1943.

R., Mrs. William Fraley, appointed to succeed Mrs. J. C. Bell who has recently accepted the Co-Chairmanship of the Correct Use of the Flag Committee. Mrs. J. Thomas Wood reported on Chapter Loan Funds; Mrs. Allen Daughtry on Collecting and Publishing History of Geor-

gia Revolutionary Soldiers; Mrs. I. Bashinski on the Helen McCall Bashinski Trophy; and Mrs. Speights Ballard on Family Bible and Tombstone Records. After giving her report Mrs. Y. H. Yarbrough asked that hereafter space be given in the Proceedings to detailed statements of Family Bible and Tombstone records. On motion by Mrs. Lucius McConnell, seconded by Mrs. Yarbrough, her recommendation was approved.

Mrs. Boyce Grier reported on County Histories; Mrs. Henry Mashburn, on Historical Programs; Mrs. L. O. Stone, on Meadow Garden. A telegram from Mrs. Guy Norris, Chairman of Medals and Prizes, expressed regret on being unable to attend. Miss Virginia Hardin reported on Legislation and Mrs. W. E. Vann, on the Marion Sibley Wylie Victory Fund.

Mrs. John Marshall Slaton of the Atlanta Chapter and Mrs. J. Thomas Wood of the Savannah Chapter reported impressive observance of the fiftieth anniversary of the organization of their respective chapters.

Following the conclusion of the business session members of the Board were invited to a luncheon at the home of Mrs. A. T. Coleman at Lake Lodge as guests of the John Laurens Chapter. The offer of Mr. G. T. Norris of Dublin to furnish transportation was accepted by a rising vote of thanks.

Mrs. J. B. Key closed the business session with the benediction.

The members of the Executive Board were delightfully entertained at the suburban home of Mrs. A. T. Coleman, Lake Lodge. The beautifully appointed luncheon table carried out D. A. R. colors. The gracious hospitality of Mrs. Coleman and Mrs. M. A. Shewmake, Regent of John Laurens Chapter will long be remembered by members of the Executive Board.

The State Chaplain, Mrs. James N. Brawner, brought the first of a series of the devotionals using Psalm Forty-six. She stressed the tenth verse "Be still and know that I am God." Her uplifting message on faith was in keeping with the Conference hymn "Faith of Our Fathers."

Mrs. Colley expressed her pleasure of the splendid representation at the Board Meeting. The minutes of the Dublin Board Meeting were read by Mrs. Quillian Garrett, Recording Secretary. With correction of initials the minutes were approved as read. Mrs. Frances Brown Chase, State Chairman of Real Daughters, suggested that a telegram be sent to our Real Daughter in view of the fact that the day of the opening of the 45th Conference falls on her 100th birthday. **MINUTES OF 45TH STATE CONFERENCE, GEORGIA SOCIETY,
D. A. R., MARCH 23, 1943—7:45 P. M., BILTMORE HOTEL.**

In view of the many restrictions of travel and food and the many calls for service in an out-and-out war effort, it was deemed advisable by leaders of the State Society to curtail both the social and business activities of the 45th session. Before the opening of the session a "war dinner" was served in the Pompeian Room of the Biltmore Hotel under the direction of Mrs. Henry H. Ware, Jr. and Mrs. Grady Poole. There was no rationing of Atlanta's hospitality or beautiful massed arrangements of flowers which with yellow tapers in silver candelabras carried out a lovely spring color scheme.

Mrs. Andrew S. Marshall played patriotic airs as a prelude to the official opening of the Conference. The stirring strains of "Hail Columbia" by Joseph Hopkinson, one of the earliest of American composers, heralded the entrance of the Pages who appeared in uniforms of the service they represent, including Red Cross, production workers, canteen members, doctors' aides, etc. Distinguished guests, ex-national officers, honorary state regents and the State Regent were escorted to the platform.

Mrs. Stewart Colley, State Regent, called the 45th State Conference to order. The invocation was given by the Reverend Vernon S. Broyles, Pastor of North Avenue Presbyterian Church. The Pledge of Allegiance to the Flag was led by Mrs. John M. Slaton; the American's Creed by Mrs. Ober D. Warthen, first vice regent. Mrs. William P. Dunn, hostess regent, brought greetings from the Joseph Habersham Chapter; Mrs. Mark Cooper Pope, Regent, from Atlanta Chapter. Mrs. Dunn expressed her appreciation of the assistance of the Baron DeKalb Chapter, Mrs. M. S. Franks, Regent. In the absence of Mayor Hartsfield, Mr. E. M. Brewer represented the City of Atlanta and extended greetings to the visiting Daughters. Mrs. Colley responded to the greeting and expressed pleasure of the members on being guests of the Atlanta Daughters.

In the absence of Governor Ellis Arnall whose illness prevented his addressing the Conference, Mr. M. E. Thompson, executive secretary, brought greetings from the Governor.

Mrs. Thomas A. Suttles sang "America The Beautiful" accompanied by Mrs. Andrew Marshall. The audience stood and joined in singing of the first stanza led by Mrs. Suttles.

Mrs. Colley introduced the speaker of the evening, Colonel Thomas E. Spencer of the United States Army. Colonel Spencer spoke on the "Development of the Present Military Policy of the United States." Beginning with the poorly equipped, unorganized (as we know it) army of General Washington, he traced the improvement in the military policy to the present period. The first step toward this policy came with the National Defense Act of 1916 and later the founding of the Infantry and Cavalry School at Fort Leavenworth, Kansas. This gave rise to the Army College in Washington and the General Staff, each a step forward. At the present time the national government has air bases, officers training classes for both men and women in all the various departments. The army of 10,000,000 men which is being recruited is being equipped with guns and tanks to win the war and lasting peace.

Mrs. T. Earle Stribling, State Chairman of Good Citizenship Pilgrimage, presented the State winner, Miss Evelyn Moreman of West Point, Georgia. She came to the platform and expressed her

appreciation of the honor and pledged to the Daughters the efforts of her generation to fight for freedom for all men. In lieu of the trip to Washington Evelyn was presented a \$100.00 Bond by Mrs. Stribling.

Miss Winifred Shackford of Atlanta, Georgia, gave the State report for the Children of the American Revolution. She stated that one of their members, Carter Baldwin III of Madison, Georgia, lost his life at Guadalcanal. The audience stood for a moment of silence in respect and the Rev. Mr. Broyles offered a prayer.

The State Regent introduced Mrs. Harrison Hightower, the beloved Vice-President General from Georgia, who brought greetings from the National Society. She referred to the organization as one which does not change policy in time of war and closed saying "The Daughters carry on."

Mrs. Julius Talmadge, ex-Recording Secretary General, now Georgia's candidate for the office of President General in 1944, introduced the following distinguished guests:

Mrs. Marshall Pinckney Orr, State Regent of South Carolina,

Mrs. Harrison Hightower, Vice-President General,

Mrs. H. Fay Gaffney, Ex-Vice President General,

Mrs. James A. Rounsaville, Honorary State Regent,

Mrs. Max Land, Honorary State Regent,

Mrs. Howard McCall, Ex-Vice President General,

Mrs. Bun Wylie, Honorary State Regent,

Mrs. John Adams, Honorary State Regent,

Mrs. Thomas C. Mell, Honorary State Regent.

Mrs. Colley introduced Mrs. Thomas E. Spencer, Mrs. J. A. Rollison, Mrs. Lawrence McCord, the State officers and her personal pages, Christina Rice and Sally Prescott.

The audience sang the National Anthem, the colors were retired and the benediction pronounced by Rev. Vernon S. Broyles.

The session recessed until 9:15 Wednesday Morning March 24th.

MINUTES OF THE MORNING SESSION, WEDNESDAY, MARCH 24, 1943, 9:15 A. M., BILTMORE HOTEL

Mrs. Andrew Marshall at the piano furnished a prelude to the morning session. Mrs. Stewart Colley, State Regent, was unable to open the session as she was making a radio address over WSB. Mrs. Ober D. Warthen presided in the absence of the regent. The Pledge to the Flag was led by Mrs. John M. Slaton. She called the attention of the assembly to the fact that by act of the Congress of the United States, the hand now remains at salute over the heart during the entire pledge instead of being extended as formerly.

The minutes of the evening session were read by Mrs. Quillian Garrett, Recording Secretary. They were accepted as read. Mrs. Colley returned to her place on the platform. The devotional was given by Mrs. James N. Brawner, State Chaplain. Continuing the theme of Faith as introduced in the first devotional, Mrs. Brawner spoke on "The Call For Light," giving a summary of the 16th chapter of Acts. She brought out the thought that in spite of chaotic world conditions, religious persecution, horrors of modern warfare, there is a Light that shineth even to the perfect day.

After hearing the Rules read by the Parliamentarian, Mrs. J. B. Key, a partial report of the Credential Committee was read by Mrs. William P. Dunn. On motion of Mrs. Howard McCall,

seconded by Mrs. Hightower, the chairman were given the privilege of the floor. The State Regent called for the reports of the officers: First Vice-Regent, Mrs. Ober D. Warthen; Second Vice-Regent, Mrs. E. Blount Freeman; Chaplain, Mrs. James N. Brawner; Recording Secretary, Mrs. Quillian Garrett; Corresponding Secretary, Mrs. Leonard Wallace; Treasurer, Mrs. James T. Nuckolls. At this time the privilege of the floor was given to Mrs. Charles F. Rice who stated that she wished to present \$10.00 to the McCall Genealogical Fund in honor of her friend, Mrs. Howard McCall. Mrs. McCall asked that the gift of Mrs. Rice be used toward the purchase of the Tennessee records.

Continuing the report of officers, the auditor, Mrs. W. E. Mann, read her report. Mrs. Warthen moved the adoption of the Treasurer's report, seconded by Miss Hardin and carried.

Mrs. Mark Smith, Consulting Organizing Secretary, past Recording Secretary, stated that the name of the Sergeant Jasper Chapter, was inadvertently omitted from the 1942 Proceedings. Mrs. Speights Ballard is the Regent.

Mrs. Y. H. Yarbrough reported as Librarian, Mrs. N. E. Jelks as Historian. After giving her report, Mrs. D. E. Morgan, Curator, presented the Sarah Morrow Trophy for the most valuable Revolutionary relics placed in Museums to the Atlanta Chapter. Mrs. Robert Humphrey, State Editor, presented the May Philips Mims Trophy for sending the best material for the D. A. R. Column in the Atlanta Constitution to the LaGrange Chapter, Mrs. A. E. Mallory, Regent. The State Editor's award of \$5.00 for the most outstanding article published in the D. A. R. Column went to the Elijah Clarke Chapter, Athens. Mrs. Boyce Grier, Regent. The assistant Editor, Mrs. H. B. McMaster, gave her report. Owing to the detailed information in the reports of the officers no attempt was made to condense them for the minutes as they will be published in the form read. The climax of the reports came with the message of the State Regent, Mrs. Stewart Colley. She stated that she deemed it a privilege to serve the Daughters of the American Revolution, an organization founded on the sound principles of our forefathers, men and women of great vision who had the courage to fight for their convictions. She gave the challenge to the men and women of today, the challenge that Paul gave to Timothy: "I give thee charge in the sight of God." In closing, Mrs. Colley urged that we not let hate or fear dominate our attitude in this world crisis but let personal sacrifice be the Keynote of our effort for a lasting peace. A rising vote of thanks was given Mrs. Colley in appreciation of her timely, thought provoking message.

Mrs. Frederic Rice, Chairman, was asked to introduce the pages. Miss Christina Rice, personal page, presented Mrs. Colley with a warstamp corsage.

Mrs. Wylie, President of the State Officers' Club, reported that \$25.00 was given from the Club Treasury to the Blood Plasma Fund and a \$25.00 War Bond was purchased to be given to the Marion Sibley Wylie Victory Fund at Tamassee. (Both of these gifts were given honoring Mrs. Wylie.)

The reports of the State Chairmen followed: National Defense Through Patriotic Education, Mrs. Ober D. Warthen; Correct Use of the Flag, Mrs. John Bell; D. A. R. Manual for Citizenship, Mrs. P. L. Hay; D. A. R. Good Citizenship Pilgrimage, Mrs. T. Earle Stribling; Girl Homemakers, Mrs. Boyce Grier. The award of the Jean LaFarge Trophy given for the best work of the Girl Homemakers was given to the Elijah Clarke Chapter.

Miss Sue Reid Vason reported on Approved Schools. The National Vice-Chairman of Approved Schools, Mrs. Harrison Hightower was introduced. She emphasized the fact that two of the D. A. R. Approved Schools are entirely dependent on the D. A. R. organization for support. She mentioned particularly the need of a dental clinic at Kate Duncan Smith and the need of furniture for the new Sarah Corbin Robert High School at Tamassee. She urged contributions to the Marion Sibley Wylie Victory Fund. Mrs. Hightower also stated that the one approved D. A. R. School in Georgia, the Martha Berry School, deserves the support of the Georgia Daughters.

Mrs. Marshall Pinckney Orr, Regent of South Carolina, was introduced. She extended an invitation to attend Founders Day at Tamassee.

Announcement was made that Mrs. Colley's son, Lt. Stewart Colley, Jr., special service officer of the Army Air Force, was en route to Georgia to speak to the conference on Thursday morning.

Mrs. Colley introduced Lt. Leona Gastringer, army corps nurse, a veteran of Bataan. She stated that nurses were so sorely needed that the recruiting of nurses was one of the necessities of the war effort. She referred to the work of the Red Cross and the value of blood plasma. She related experiences of a day in the jungle, a day of many casualties, a day when for lack of food and rest a doctor fainted over the operating table, a day when a Filipino stayed at his gun with half of his face shot off. She said the army needed planes, tanks and ammunition.

Mrs. R. L. Carter gave her report as Chairman of Red Cross. Mrs. W. F. Dykes gave her report of the D. A. R. Student Loan Funds. Mrs. John Adams told of her visit to Jacksonville and presentation of Mrs. Talmadge's candidacy for the office of President General in 1944.

The annual memorial service followed, conducted by Mrs. James N. Brawner, Chaplain. Forty-three members have passed on since last year. Included in the memorial service were the fathers, brothers, husbands and sons who had given their lives in the war. The audience stood to honor the men who had paid the supreme sacrifice for their country. The scripture reading was from John 4: "Let not your heart be troubled, neither let it be afraid." The traditional white cross, emblem of faith and immortality, held a light for each of the departed members. Mrs. Brawner was assisted by Mrs. C. Decker Tebo, Mrs. Luther Isbell, Miss Amis Humphreys and Miss Willie Fort Williams, all of whom were attired in the Gray Ladies uniform. The pages assisting were Mrs. Henry H. Bell, Jr., and Mrs. Oscar C. House. Mrs. T. Luther Bird, accompanied by Mrs. John Felder, sang "God Shall Wipe All Tears Away."

Three copies of this book were donated as follows: One copy to Mrs. Howard McCall for the McCall Genealogical Library, two copies to the State Regent to be placed in the National D. A. R. Library and the Traveling Genealogical Library of the Georgia Society D. A. R. The books were accepted with thanks.

MINUTES OF THE WEDNESDAY EVENING SESSION

The Chapter Regents' War Dinner was held in the Pompeian Room of the Biltmore Hotel under the direction of Mrs. Jule Felton and Mrs. Furman Smith of the Junior Committee of the Atlanta Chapter. Mrs. Andrew Marshall presented a short program of music preceding the opening of the evening session. The entranced of Pages with flags was followed by Chapter Regents, State Chaplain, Official Timekeeper, State Recording Secretary and State Regent, forming a very colorful processional for "Chapter Regents' Night." Because of the responsibility placed on the regent and the many qualifications necessary to develop a chapter, Regents' Night has a very special place at each Conference. Through the work of these faithful regents the work of the National Society is carried forward.

The soloist of the evening, Mr. Robert Guy, accompanied by Miss Elizabeth Tillman, sang "God of Our Fathers" and "The Trumpeter." These numbers were well received and Mr. Guy responded to an encore with the devotional hymn "Take My Life and Let It Be." Mrs. Colley expressed her appreciation to all the musicians who had contributed their talent during the conference.

Forty-five of the chapters had reports given either by the regent or the delegate. The Chapter roll was called as listed in the Proceedings with the towns beginning with A, etc. The following chapters gave reports: Mrs. James M. Barnett, delegate, Commodore Richard Dale Chapter, Albany; Mrs. J. W. Bush, delegate, Thronateeska Chapter, Albany; Mrs. Boyce Grier, Regent, Elijah Clarke Chapter, Ahens; Mrs. Mark Cooper Pope, Regent, Atlanta Chapter, Atlanta; Mrs. William P. Dunn, Regent, Joseph Habersham Chapter, Atlanta; Mrs. Charles Bowen, delegate, Augusta Chapter, Augusta; Mrs. John Cummings, delegate, Bainbridge Chapter, Bainbridge; Mrs. C. M. Dunn, Regent, Lamar-LaFayette Chapter, Barnesville; Mrs. D. N. McKinnon, delegate, Brunswick Chapter, Brunswick; Miss Frances Adair, Regent, Etowah Chapter, Cartersville. Miss Adair's report was the highlight of the conference. In an effort to secure funds for the Blood Plasma Drive, the movement gained such momentum that the sum of \$3,526.19 was realized. A Plasmobile will be purchased in honor of the Bartow County boys who are in the service. Mrs. Harrison, a member of the Etowah Chapter gave a detailed account of the methods used in securing the fund. A number of members of the Etowah Chapter came from Cartersville to be present at the time this report was given. Regents' reports continued: Mrs. B. I. Thornton, Regent Tomochichi Chapter, Clarksville; Mrs. C. T. McDonald, Regent, George Walton Chapter, Columbus; Mrs. J. D. Wadsworth, Regent, Oglethorpe Chapter, Columbus; Mrs. Roy Butler, delegate, Fort Early Chapter, Cordele; Mrs. R. D. Higgins,

MINUTES OF THE CLOSING SESSION OF THE FORTY-FIFTH CONFERENCE, D. A. R.

The closing session of the Forty-fifth Conference Georgia Society D. A. R. was called to order by the State Regent, Mrs. Stewart Colley, at 9:30 Thursday morning, March 25th. The Pledge to the Flag was led by Mrs. John Marshall Slaton. Mrs. James N. Brawner, State Chaplain, closed the series of devotionals with a most inspiring message of "Praise." She used the songs of praise as recorded in the Bible as a basis for her message. Mrs. Andrew Marshall, at the piano, assisted Mrs. Brawner.

The minutes of the Wednesday evening session were read by Mrs. Quillian Garrett, State Recording Secretary. At the suggestion of the State Regent, Mrs. Garrett read the list of Chapters reporting, and stated that the names of the regents or delegates reporting on the chapters would appear in the Proceedings.

The Parliamentarian, Mrs. J. B. Key, read the rules for endorsing a candidate for a national office. The name of Mrs. Thomas Coke Mell, honorary State Regent, was presented for the office of Vice-President General. The State Regent appointed Mrs. Boyce Grier, Mrs. R. L. Carter and Mrs. A. E. Mallory as a committee to distribute ballots and act as tellers. The endorsement of Mrs.

Thomas Coke Mell as candidate for the office of Vice-President General was unanimously reaffirmed by ballot.

A most fitting close to a splendid State Conference was the introduction of Lt. Charles Stewart Colley, Jr. by his mother, the State Regent of the Georgia Society. He gave a monologue "Dear Ma," supposed to have been written by a private on Guadalcanal and expressing what any American boy in the service might be thinking. Lt. Colley's dramatic training stood him in good stead as he interpreted the monologue as he had done for a recording. The audience followed him with the greatest interest and appreciation. Mrs. Harrison Hightower quoted most fittingly the lovely lines to "My Sons."

Mrs. Rounsaville expressed her appreciation of the quiet dignity and helpful assistance of Mrs. John Faver, Chairman of Processionals. She also expressed her appreciation of the work of Mrs. Colley, State Regent. The assembly rose in concurrence.

OFFICERS' REPORTS

ADDRESS TO THE GEORGIA DAUGHTERS

By Mrs. Stewart Colley, State Regent

This is not a report. You have done the work. I want you to tell about it. Thanks for your co-operation and for letting me be your regent. I have sought to represent you as best I could.

I want to talk tonight on the place of the D. A. R. in this world of ours today. You know—I know, that any organization today that does not justify its existence by concrete deed and sound principle ought not to exist. I think that D. A. R., as your reports indicate, does abundantly justify its existence by concrete deed. And I think it can and will continue to justify its existence by adherence to the sound principles laid down for us by the American Revolutionists from whom we are descended.

It is high time that we took stock—as an organization—of those aims and ideals for which our forefathers fought and died.

First of all, they fought for a common democratic American government to replace thirteen quarrelsome colonies tyrannized by a common enemy.

After this, they fought for the right of every man to participate in this common American government; in short, for the right of every man to vote.

In 1775 at the beginning of the Revolution, property qualifications for voting were abolished in Pennsylvania. Before the Revolution had run its course, every state had either dropped completely or lowered its qualifications for voting. A spontaneous movement to broaden the democratic foundations of the new American government had swept the colonies.

Our revolutionary forefathers fought for a democratic public education system. Our public school system today is a child of the revolution conceived in the fertile mind of that great democrat, Thomas Jefferson.

And our forefathers fought for freedom of religion. During the revolution the unholy union between the church and the state that had sprung up in Virginia and elsewhere was broken and religion was returned to its full independence.

And finally our forefathers fought for the practical realization of the essential equality of all men under God.

In 1783 the paradox between the declaration of Independence and slavery became so great that the latter was abolished in Vermont, Massachusetts, New Hampshire, Rhode Island, Connecticut, and New Jersey. Here in Georgia some of our forefathers succeeded in abolishing, not slavery itself, but the slave trade between Georgia and foreign countries.

Now, today, we Daughters of these brave revolutionists fight for the final fulfillment of these ideals which our fathers set as their goals.

We fight to make this common American government of ours still more democratic.

We, too, fight for the right of every man to vote. Especially do we believe in making the right and duty to vote concurrent with the right and duty to fight.

And we still fight for a democratic public education system. A Mr. Churchill says, we must have a system which gives to every man—no matter what his social or economic background—the opportunity of an education.

And we fight for freedom of religion—especially for the preservation of our religious principles and for the opportunity to make them live.

But this is not all. This is the 20th Century and our revolutionary forefathers fought and lived and died two centuries ago. In deference to the 20th century, we take the liberty of supplementing and extending the system of ideals which are our heritage.

Our forefathers fought for a common democratic American government.

We, their daughters, fight for a common democratic world government.

They fought for the opportunity to live and work as they chose.

We fight for the right to live and work as we choose—if the opportunity be denied us.

And we fight for the right of ourselves and our fellow Americans to security during sickness and old age and for the right to rest, recreation, and the opportunity to enjoy life and take part in an advancing civilization.

We fight against something too. We are against cheap appeals to racial, economic and national prejudices in all forms.

Yesterday our forefathers fought for an American revolution.

Today we, their daughters, fight for a world revolution—for a world revolution whose goals are world abundance, world peace, and world democracy.

In closing I want to leave with you a story which I received a few months ago from a chaplain who had been on Bataan.

He told of three Americans—sons of ours—who were huddled together in a foxhole when the order came to counter attack against the overwhelmingly superior numbers of the enemy. The soldiers crawled out and began to advance, but, before they had gone far, three bullets from a concealed enemy machine gun nest had found their marks and each man crumpled mortally wounded to the ground.

After the attack was over and the ground gained, the chaplain went on the field to minister to the dying. He found the three men lying together and heard the dying prayers from the lips of each.

The first soldier gasped: "O God, How I hate those yellow devils." And he died.

The second soldier cringed and breathed, "O God! Don't let them kill me. God, don't let me die!" But he died too.

The third soldier prayed a different prayer. He said: "O God, don't let me die for nothing. Make the battle worthwhile. Give those after me strength to make a better, freer, happier, more abundant world to live in—in order that we who die may not have died in vain."

These three soldiers express three basic philosophies toward the war:

The philosophy of hate.

The philosophy of fear.

And the philosophy of personal sacrifice for a better world to come.

We, as an organization, must reject hate and fear and work unceasingly in order that neither our sons nor their sons shall have

died in vain but better still that out of their sacrifice will live the America idealized by their forefathers.

STATE FIRST VICE-REGENT

Mrs. Ober D. Warthen

"They also serve who stand and wait." Your Vice-Regent's service this year, except for her committee work, has been mostly that of "standing by." Our capable regent has been on the job and has not had to call on anyone to serve for her.

I attended the excellent Board Meeting in Dublin but was unable to attend the National meeting in Chicago.

Many delightful invitations have had to be regretfully declined on account of wartime travel restrictions.

My so-called duties, though few, have been pleasant. I have tried to make our State Regent realize that I was interested, sympathetic, and ready to serve at her call.

I count it an honor and privilege to serve you and thank you for your friendship and loyalty.

STATE SECOND VICE REGENT

Mrs. E. Blount Freeman

The office of Second Vice Regent has been aptly compared to the fifth wheel of a car—seldom put into actual use, but always ready when needed. With so capable a State Regent and State First Vice Regent, the duties of this office are few, but it is always a pleasure to serve our State Regent and the Georgia Society D. A. R. in any way and at any time.

It was a happy privilege to extend a welcome to the members of the State Executive Board when they met in Dublin, as guests of the John Laurens Chapter, in October; it was also a pleasure to accept an invitation from the Governor David Emanuel Chapter, of Swainsboro, to be guest speaker for their January meeting.

REPORT OF STATE CHAPLAIN

Mrs. James N. Brawner

For the privilege of serving as your State Chaplain during the past year, I give grateful thanks. The work of this office has proven more of a blessing to the giver than to those who have received.

Each contact made with ill and sorrowing members over the State has established new bonds of friendship.

The admonition of our Savior: "Comfort ye my people," is a service of love that pays the most satisfying dividends.

It is with deep sorrow that I report the passing of forty-three Georgia Daughters since March 1942.

Your Chaplain has sent one hundred and sixty-six cards and written sixty-four letters during the year.

We acknowledge with sincere appreciation the assistance of the Chapter Regents and Chaplains in reporting the names of deceased members.

May the words of our Master comfort the hearts of all these be-

reaved families: "Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your hearts be troubled, neither let them be afraid."

REPORT OF THE RECORDING SECRETARY

Mrs. Quillian Garrett

The first official duty of this office was attendance at the regular Fall meeting of the Executive Board in Dublin.

A month before Conference, letters were mailed to State officers, members of the Executive Board and Chapter Regents giving detailed information concerning the reports for the 1943 Proceedings. The response was splendid and I am most grateful for the fine cooperation.

In order that the name of your regent may be included in the 1943 Proceedings let me urge you to hold elections as early as you can. Make three lists of your officers. Send one immediately upon election to the Organizing Secretary General, one to the State Regent and one to the State Recording Secretary. Give full Christian name, the husband's name or initials, name of chapter, the town and address of the Chapter Regent.

STATE CORRESPONDING SECRETARY

Mrs. Leonard Wallace

It has been a privilege to serve as Corresponding Secretary under the efficient guidance of our State Regent, Mrs. Stewart Colley. She has made my task a pleasant one.

During the year four hundred and eighteen notices and invitations have been mailed, one telegram and five letters of sympathy have been sent.

The many courtesies shown me by the chapters and the honor of serving you is deeply appreciated.

STATE AUDITOR

Mrs. W. E. Mann

The State Treasurer's Report has been examined by C. P. A. and found correct in every detail.

For her splendid and perfect records, I am sure the entire Conference appreciates the work of our State Treasurer.

I move the adoption of her report.

STATE CONSULTING ORGANIZING SECRETARY

Mrs. Mark Smith

There have been no new Chapters organized this year due to the fact, primarily, that everyone has been so intensely interested and occupied with vital war work. If the time seems to justify new Chapters this coming year every effort will be made toward that goal.

In this emergency, as in all others, the Georgia Daughters are giving unselfishly of their time and efforts to promote, to the best of their ability, every phase of the war program, in which it is possible for them to have a part.

STATE LIBRARIAN

Mrs. Young Harris Yarbrough

Although war work has been the outstanding aim of Georgia Daughters this year, we have also been striving to collect and preserve our records whenever and wherever possible.

Among the duties of your State Librarian is to bring to the attention of the Chapters, the list of books wanted for our National Library in Washington. Early in January I sent out a letter to all Chapter Librarians including a list of these books, hoping that some Chapters might find one that they could send. I suggested, if none could be found, that at least \$1.00 be given toward their purchase. I made an appeal for family histories, Court house, Bible and Church records and by all means, to send good books and magazines to the boys in our Camps and to U. S. O. Centers.

Through the facilities of the McCall Genealogical Fund, the following books were sent to our National Library:

1850 Federal Census of Atlanta, Georgia;

1850 Census of Meriwether Co., Georgia;

1818-1826-1830-1833-1853 Tax Digest of Twiggs Co., Georgia;

General James Jackson Chapter sent Head-Cox and Allied Families—1615-1942 by Mary Head Burton;

Mrs. Julia H. Boyd of Oothcaloga Chapter sent Boyd-Stocks Family Data by Martha A. S. Boyd;

Mrs. Delos Hill, Atlanta Chapter, sent George Parkhurst of Massachusetts & Allied Families by Etta T. McCall—1941;

Stephen Heard Chapter sent the gift of a copy (the only copy ever made) of Daniel Boone Petition to Congress recorded in 1810. This chapter also contributed original deeds, recorded in Elbert County in 1802-1803-1810-1811.

For the purchase of the books Elijah Clarke Chapter contributed \$2.50; Nancy Hart \$2.50; John Laurens \$2.00; George Walton, Lamar Lafayette, Button Gwinnett, Bonaventure, Matthew Talbot, Savannah, Col. William Few, Edmund Burke, Joseph Habersham, Atlanta, \$1.00 each.

It is imposible to give an accurate account of the number of books and magazines sent to Army Camps and U. S. O. Centers, but a conservative estimate places the number of magazines at 10,000. One Chapter alone (Fielding Lewis) sent between five and six thousand to troop trains passing through Atlanta.

Two hundred and twelve books and many more not counted were sent.

Many chapters reported shelves maintained in local libraries, while placing our own National Historical Magazine and National Defense News in Public Schools and Libraries. Magazines and books were also sent to jails and hospitals and training schools.

An outstanding contribution to Library work in Georgia this year was a collection of books, the gift of Mr. James Hyde Porter to Mary Hammond Washington Chapter, in memory of Mrs. Porter. These books, to be known as the Olive Swann Porter Collection, consisted of 86 volumes of rare Virginia, North and South Carolina records, and have been placed in the genealogical room of the Washington Memorial Library in Macon, where they will serve all Middle Georgia.

Many books containing valuable genealogical material are becoming scarce and out of print, therefore we need all of you to co-operate in saving these records of past generations for the use of future generations.

Your Librarian wishes to express her thanks and appreciation to those Chapters, who by their interest in the Library are helping to develop it into one of the best of its kind in the country.

STATE HISTORIAN

Mrs. N. Augustus Jelks

It is gratifying to know that our women have always been keenly history minded. The Chapters have continued the accustomed lines of endeavor as far as they were permitted and have responded splendidly to every suggestion.

Not since the Reconstruction days following the "War Between the States," have we faced such conditions as surround us today. The Members of the Daughters of the American Revolution, feel impelled to the call of Relief Work along all lines. Yet, the work of some of the Chapters in Historical Research, has been most gratifying.

At the request of the Reporter General to the Smithsonian Institute a list of graves of soldiers of the American Revolution with names, birth, death, cemetery and record of services given, was sent by your State Historian in October 1942.

Recording the Historical Research work made by the Chapters in answer to the questionnaire, sent by the National Chairman of Historical Research Committee. Your Historian commends the chapter historians who follow this plan, such as celebrating Patriotic Days, following programs outlined by State Chairman of Historical Programs, presenting medals, prizes and pins. Cooperating with all projects of a historical nature.

Plans for marking a number of historical spots were underway, when war was declared. As the Government banned the use of all metal, realizing our Country need came first, markers are being held up for the duration.

Four graves of Revolutionary Soldiers were marked this year. One by Tomochichi Chapter, Clarkesville; two by Nancy Hart Chapter, Milledgeville; one by Elijah Clarke Chapter, Athens.

Lamar La Fayette Chapter, Barnesville, reported marker placed in sight of "Lost Town." John Houston Chapter, Thomaston, reported three markers placed in Crawford County. Several tombstones have been repaired. Graves of 17 lay members have been marked. Ten dollars sent last Spring to Governor Treutlen Chapter, Fort Valley. One roadside marker placed by Colonel William Few Chapter, Eastman. Atlanta Chapter located the graves of five Revolutionary soldiers: Charles McCall, Everett Family Graveyard, Screven County, Georgia; William Fletcher, Concord Church Graveyard, Telfair County, Georgia, near McRae; Faddy Whittington, Seagrave Family burying ground, 4 1/2 miles from Griffin on old Macon Road; Drewry Allen, near Church of his plantation in Pike County, Georgia; Thomas Heard, family graveyard in Greene County, Georgia, seven miles north of Greensboro.

Edmund Burke Chapter reports locating the grave of Eliab Kingsman, Revolutionary Soldier, near Charleston, S. C.

James Pittman Chapter marked the grave of two Revolutionary Soldiers: Lt. Samuel Knox and Ansel Cunningham, both graves located in Thyatira Churchyard, Jackson County, between Commerce and Jefferson.

The award for the chapter locating the largest number of Revolutionary soldiers' graves goes to the Atlanta Chapter, Atlanta. Button Gwinett Chapter, Columbus, reported largest number of Bible records—32, William McIntosh Chapter, Jackson, came second—26.

The possibilities of the use of the radio, offers wonderful opportunities to keep the principles of Americanism and patriotism before the public. Twenty Chapters have sponsored Historical Broadcasts. Two chapters presented slides and films, three historical exhibits, window displays and seven chapters took part in parades, three presenting historical plays.

Twenty-five chapters report a chapter scrapbook is being kept, these books will form a treasure house of D. A. R. history in years to come. This is an important phase of the work of D. A. R. Chapters.

Eighteen Chapters have completed and filed chapter histories. George Walton Chapter, reports their history is being compiled.

All Chapters answering the questionnaire reported historical anniversaries celebrated.

Historical pilgrimages made during the years to Williamsburg, Yorktown, Jamestown, Meadow Garden, Pink House of Savannah, Old Fort Lamar and Old Walnut Cemetery, Jackson County.

Some of the Chapters have accomplished a great deal in the restoration of old houses and in the restoration of old graves, three cemeteries have been restored. A seat marking location of "Little Tavern" of Madison, was placed by the Henry Walton Chapter, Madison.

Reports show sixty-seven prizes and medals given, several chapters gave Defense Stamps as prizes, five silver cups given for excellency in American History. Money to the amount of \$71.50, was given for trophies. Four rare documents and original manuscripts were sent to the Archives Room. Several members paid own expenses for Historical Research work done in the interest of their chapters. Seven chapters purchased copies of Historic Restorations of the D. A. R.

The following Chapters are to be commended for special work along historical lines:

Nancy Hart Chapter, Milledgeville, Leola Selma Beeson, Chairman of Historical Research, and Miss Bland, Chapter Chairman.

Elijah Clarke Chapter, Athens, Miss Mary Hunnicut, Chairman. General David Blackshear Chapter, Rochelle, Mrs. Henry Mashburn, Chairman. Two Revolutionary soldiers graves have been marked by the Nancy Hart Chapter, Milledgeville.

I. The grave of William Kinney, buried near Albemarle, N. C. He came from Scotland to New York, and from New York to N. C. He was paid for military service in Salsbury Dist., Rowan Co., N. C., and had a grant of land made 1872.

II. The grave of Philip Tigner, at Farmington, Ga. He is classed as a Revolutionary soldier in some lists, but his service has not been found. He was a soldier in the war of 1812. The Government headstone reads "Philip Tigner, Capt. 5th Co. 2 BN, Ga. Mil., Greene Co."

III. A gift to the Historical Museum of the Georgia State College for Women, of an "Atlatl" weight found in the Furman Shoals burial mound of the Creek Indians, on the Oconee River. The "Atlatl" is a **throwing stick**, the precursor of the bow and arrow.

IV. The History of the Old Capitol Building at Milledgeville, written to be sealed in a new box to be placed in a niche in the wall of the new building in lieu of a niche in a connerstone, which the old Capitol, begun in 1805, did not have. This history was written by Mrs. J. L. Beeson, Mrs. David Ferguson, Miss Floride Allen and Miss Katherine Scott, Regent of the Nancy Hart Chapter, D. A. R. Each of the above named women was responsible for a certain period of history.

V. A book, "History Stories of Milledgeville, and Baldwin County," by Leola Selman Beeson. It will be a volume of 250 pages and is ready for the hands of the publisher. It will bear the date Jan. 1, 1943. It is dedicated to Miss Katherine Scott, Regent of the Nancy Hart Chapter, D. A. R., and to "The School Children of Baldwin County."

Elijah Clarke Chapter, Athens, placed and dedicated marker on grave of Revolutionary soldier, Jacob Eraselton, Sr., in old Walnut Church Cemetery, near Braselton, Georgia, May 8, 1942. The Chapter sponsored twelve historical talks over Station WGAU, Thirteen Historical Anniversaries were observed. These anniversaries were observed by twelve radio talks, one public celebration, four articles in local paper, and two musical programs over radio.

The Regent visited Meadow Garden and presented the Augusta Historical plate to the home of George Walton, two dollars, above Honor Roll Requirements given to Meadow Garden, two dollars above Honor Roll Requirements given Kenmore.

Chapter Historian made trips to old Fort Lamar in the interest of marking the site; State Board voted at March, 1942, meeting to give Chapter \$50.00 for marking Fort Lamar but due to travel restrictions Chapter has asked State Board to wait until travel problems are solved and then give the \$50.00 to the Chapter for that purpose. Chapter Historian is continuing to compile information on Fort Lamar and the site will be marked as soon as possible.

Chapter Regent visited the Pink House in Savannah. Chapter member had Athens Historical plate (including likeness of another Chapter member among other interests portrayed) prepared and plates may be bought at Capps' Jewelry Company.

Chapter Honor Roll has been compiled and copies sent to Special Honor Roll State Chairman and to State Historian. Valuable Historical data, "Why you have a Family Name," was compiled and sent to the office of Historian General.

Mrs. Henry Mashburn, Historian of General David Blackshear

Chapter, Rochelle, has compiled Volume III of Wilcox County Records. A historical pageant written by the chairman was given at the Baptist Church, which enacted the history of Rochelle Church life for the past fifty-five years.

A theme in High Schools on History of the "town" stimulated interest in local history among the youth.

A service scrapbook is kept, recording the history made today. In it are enrolled the boys names as they enlist for service, letters from the articles about them in daily newspaper. This book will provide informal historical data in the future. This chapter under the capable leadership of their historian has been quite busy, not only preserving history, but making history each day.

General James Jackson Chapter, Valdosta, reports the Lowndes County History published, placed copies of history in N. S. D. A. R. Library and the State Library. Sold 250 copies, gave away 25 copies. Our copy was sent to Mrs. McCall for Department of Archives. A member of this chapter compiled material of historical value concerning the Head and Cox families. This data was bound and a copy sent to N. S. D. A. R. library.

I offer my deepest thanks and earnest congratulations to the chapters who have so valiantly carried on the historical work of this splendid organization. It is comparatively easy for organizations to carry on successfully when the sun shines every day, but to march steadily forward when war clouds obscure the brightness and hearts are heavy, is another story.

STATE CONSULTING REGISTRAR

Mrs. A. L. Sealy

It was my privilege to contact each chapter registrar by letter last October, conveying to them valuable information, from the Registrar General, regarding the duties of their office.

The State Membership File lacks cards from only two chapters to make it complete. The Registrar appreciates the cooperation of Elizabeth Marlow Chapter, Monticello, in sending in its membership cards. A definite effort has been made to emphasize the importance of chapters reporting immediately any change in membership so the state file can be kept up to date. Many chapters have cooperated.

All information available from the library of this office has been sent to persons requesting assistance in completing lines. The list of books in the library is the same as last report, except for the addition of a beautifully bound copy of Proceedings of the Forty-Fourth Annual State Conference, and several chapter year books.

Your Membership Chairman submits the following report: From March 1, 1942 to March 1, 1943—Admitted 176; reinstated 26; resigned 107; dropped 25; deceased 44; net gain 26.

STATE CURATOR

Mrs. David Emmett Morgan

In September, a letter to Georgia Chapter Regents was published in the D. A. R. column of the Atlanta Constitution, asking cooperation in work for our Museums. Cards were sent to the Regents in January requesting them to list relics and cash contributions. A few exhibits were reported. Many groups visited the "Colonial

Kitchen" and "The Childhood in Early America" exhibit at the National D. A. R. Museum in Memorial Continental Hall.

Under the guidance of our Southeastern Division Vice-Chairman, Mrs. Foy, we completed a special project—Survey of Local Museums. Five Georgia Museums in which D. A. R.s are interested were listed.

Mrs. Edward S. Lewis, Atlanta Chapter Museum Chairman, reported two valuable gifts from her Chapter to the National D. A. R. Museum. Mrs. Thomas Henry Morgan, former regent of the Atlanta Chapter, gave a framed letter written by the Marquis de LaFayette when he was a Major-General in the American armed forces. It was written in 1781 to Major Overstreet. On the back of the same piece of paper is a letter from Lieutenant Colonel Richard Call telling Major Overstreet how to bring his troops past the enemy and join LaFayette. It is interesting because it is written by LaFayette and because it gives a small part of the movement of troops in Virginia when LaFayette was charged with the defense of Virginia. It also shows the lack of note paper when a Major General and a Lieutenant Colonel use the same sheet of paper to write two different notes. Another gift through the Atlanta Chapter was given by Mrs. James Osgood Wynn. It is a small portrait, 12 in. by 14 in., very beautifully done, framed in mahogany with a band of gold leaf next to the portrait. The portrait is of Mary Ann Page Ball of Massachusetts, painted when she was 19 years old, in 1836.

A copy of the will of John Watson, father of Drury Watson, Revolutionary Officer, was presented to Rhodes Memorial Hall. John Watson was born in 1710 and died in 1805.

Miss Virginia Crosby, Fielding Lewis Chapter, Marietta, reported the following gifts to Kennesaw Mountain Museum: Old photograph—Log cabin near Kennesaw Mountain; Old photo—Negro with steers and oxcart; Photograph of Jefferson Davis, from Brady negative, published by E. Anthony, Broadway, N. Y.; Unidentified photo of a general; Sword cane, typical of those used in the 1860's; On loan from Birney Memorial Association through Miss Crosby: Money belt used by mother of Alice McClellan Birney to carry gold through the Federal lines; small photograph of McClellan children, Alice and her little sister; Gift from D. A. R.: One 12-pound cannon ball; Gifts from Miss M. Towers: Uniform Coat worn by her father, Col. John Towers, 8th Georgia Regiment C. S. A.; Three paintings of Confederate soldiers, done by Reid in 1903, attractively framed; Col. Towers' roster; "The Kennesaw Bombardment" by Gov. Brown and 31 copies of "The Confederate Veteran" edited by B. L. B.

Six dollars was sent to the National D. A. R. Museum, \$1.00 from Elijah Clarke Chapter, Athens, \$2.00 from LaGrange Chapter, LaGrange. Mrs. D. E. Morgan sent \$3.00 to Mrs. Murray for National Historical Magazine cuts, as the Magazine's budget for cuts has been reduced. This contribution was made in honor of Mrs. Robert Hunt, past State Curator.

STATE EDITOR
Mrs. Robert Humphrey

As your State Editor, the year's work has been an enjoyable and interesting one. The office has been regular and exacting, but has afforded many delightful contacts and associations with officers and members all over the State.

Grateful appreciation is due The Atlanta Constitution for the generous space allowed for the D. A. R. column in each Sunday's edition, to Miss Annie Lou Hardy, Society Editor, to Miss Yolande Gwin, and the entire staff, for their cooperation in publishing the D. A. R. news, and for the splendid publicity given this conference.

Your Editor is deeply grateful to Mrs. R. M. McMaster, Assistant Editor, for her helpfulness and excellent work in editing the column for the first three months of this year.

Thirty chapters have sent in articles during the year for publication, but of this number only seven have sent in monthly reports, typed, double spaced, in duplicate, and eligible for the May Phillips Mims Trophy. Messages from twenty-six State Chairmen have been published, also messages from the State Regent and other State Officers.

It gives me great pleasure to announce that the LaGrange Chapter was the winner of the May Phillips Mims Trophy, Mrs. A. E. Mallory, Regent; Mrs. Neil Class, Editor. Your State Editor's award for the outstanding article sent in during the year, goes to the Elijah Clarke Chapter, Mrs. Boyce M. Grier, Regent, and Mrs. J. T. Dudley, Editor of the Chapter. Honorable mention goes to the following chapters: Savannah, Colonel William Few, Nancy Hart, Council of Safety, and John Houston, for the outstanding work they have done during the past year.

MRS. H. B. McMASTER
State Assistant Editor

As Assistant State Editor it has been my pleasure to work with the State Editor, Mrs. Robert Humprey, and to assist her with the D. A. R. Column for January, February and March. In so doing, I have endeavored to keep high the standard of our great organization in Freedom's Cause, Yesterday and Today.

In looking for words to express to you my appreciation of your most loyal cooperation, I am reminded of Dr. Wilfred Funk, the noted lexicographer and dictionary publisher, who maintains that in any language the most bitter word is Alone; the most revered, Mother; the most Tragic, Death; the most comforting, Faith; the most beautiful, Love; the saddest, Forgotten; the most cruel, Revenge; the most peaceful, Tranquility; the coldest, No; and the warmest, Friendship.

Love and Friendship are the Daughters of the American Revolution.

COMMITTEE REPORTS

NATIONAL COMMITTEES

ADVANCEMENT OF AMERICAN MUSIC

Mrs. Lovick P. Longino

A request was made at the Board meeting for all Chapters to learn and sing the National Anthem, and to follow as near as possible the program sent out by National and State Chairman.

Forty-five Chapters have responded. Seventeen Chapters reported learning and singing the National Anthem. Eleven Chapters reported some phase of American music at each meeting. Thirty Chapters reported American music at one or more meetings. Nineteen Chapters reported having entire program of Patriotic music. Five Chapters reported one program of D. A. R. composers. Five Chapters sang Christmas Carols. Three Chapters had programs on music for children. Four Chapters observed National Music Week with programs of American Music.

The Joseph Habersham, LaGrange, John Houston, George Walton, Benjamin Hawkins, Elijah Clark Chapters had outstanding programs for the Advancement of American Music.

SUB-COMMITTEE ON AMERICAN INDIANS

Mrs. J. Marvin Gillespie

The reports sent in by Chapters over the state show that great interest has been aroused in the earliest settlers of our country—the American Indians. Many sections of our state are rich in lore, much of which is unknown to the whites. It is my earnest desire, that through D. A. R., we can turn back the pages of time, and become acquainted with this Indian lore.

The following are reports of the Chapters:

The Elijah Clarke Chapter kept a scrapbook on Wartime Activities of American Indians, the Chairman, Miss Mary Lou Wier, gave a very interesting talk on American Indians and displayed the scrap book at a regular Chapter meeting. The 1941-42 scrapbook was placed in the Chapter Library, also Educational Service for Indians and the July, 1940, issue of Indians At Work, have been placed there. The Chapter gave \$2 over and above Honor Roll requirements for educational work among the American Indians. The Joseph Habersham Chapter reports that a number of interesting clippings were sent to the historian. A scrap book is being kept and a program on American Indians is to be presented soon. The Tomochichi Chapter has planned a very colorful Indian Tea for May, at which time a program on Indian history in North Georgia will be given. The George Walton Chapter reports helping with entertainment of Indians in connection with the U. S. O. The Col. William Few Chapter reports that a very interesting program was given by a young lady dressed as an Indian maiden. Chapter members brought a pound of beads to the meeting, these were sent to Bacone College, Bacone, Oklahoma. Pulaski Chapter will have a paper on The American Indians at their March meeting. The Henry Walton Chapter and John Clarke Chapter re-

port programs on the Indians. General David Blackshear Chapter reports that due to conditions, their work was centered among the Negroes rather than among the Indians. Edmund Burke Chapter reports that interesting articles on Indians have been brought to meetings by members of the Chapter.

The following Chapters have answered my request, but have no reports to make: Commodore Richard Dale Chapter; Nathaniel Macon Chapter; Governor Jared Irvin Chapter; Savannah Chapter and Sunbury Chapter.

The world today is faced with divided factors. Let us in America not be guilty of division, but let us make strong the bonds between our Indians and ourselves.

AMERICAN RED CROSS COMMITTEE

Mrs. R. L. Carter

The Georgia Chapters are to be commended for the enthusiasm and determination with which they have responded to the call of the American Red Cross. Fifty chapters have filed reports with the state chairman and almost without exception they have recorded 100 per cent membership in Red Cross and 100 per cent participation in Red Cross activity.

The reports, incomplete in many instances, show the following figures: 1,382 memberships; \$1,662.33 contributed to Red Cross; 84,582 hours contributed; 7,094 articles made; 720 kit bags; 86 teaching Red Cross classes; 568 receiving instruction in classes; 18 blood donors; 9 Nurse's Aides; \$3,912.55 contributed for blood plasma.

Burkhalter Chapter, Warrenton, reports the equipping of a Day Room at Camp Gordon, Augusta. George Walton Chapter, Columbus, furnished a similar room at Fort Benning.

Etowah Chapter, Cartersville, reports a house-to-house canvass for Blood Plasma which resulted in \$3,000.00 in contributions.

Many chapters report production room chairmen, surgical dressing room supervisors, executive secretaries, Junior Red Cross directors, and other Red Cross workers. Governor John Milledge Chapter, Dalton, reports a National Red Cross worker in foreign service.

Judging from the reports, it can be said that the Daughters of the American Revolution are answering the Red Cross call to duty in lines of service best suited to their interests and capabilities.

AMERICANISM

Mrs. Hudson Malone

A message was issued to the Georgia Daughters in the D. A. R. Column of the Atlanta Constitution in the Fall and reminders to committee chairmen were mailed the early part of February for a complete report of work accomplished to be sent in by March 1st.

The reports of Americanism Committee Chairmen from the following Chapters deserve special mention for their outstanding accomplishments:

Baron DeKalb Chapter.....	Decatur, Ga.
Sunbury Chapter.....	Winder, Ga.
George Walton Chapter.....	Columbus, Ga.
Savannah Chapter.....	Savannah, Ga.

Attendance at Naturalization Courts, distribution of "Definitions of Americanism" and "I am an American" are among the accomplishments. Copies of American's Creed were placed in many schools and also published in Georgia Education Bulletin and P.-T. A. Bulletin. National Defense News is read by many. The Per Capita Tax has been paid by many Chapters for Citizenship Manual, National Defense also Junior American Citizens.

Cooperation in National Book Drive, Visiting Government Hospitals and sponsoring U. S. O. Dances are some of the many activities entered into.

Realizing that Americanism must be stressed during these war times all phases of war work have been entered. Defense Bonds have been purchased by many Chapters, Defense Stamps have been given as prizes for essays, etc.

Addresses on Americanism, Programs on Americanism and American's Creed given at Chapter meetings.

Because of the many years of actual and successful contact the D. A. R. members have had with the foreign born it is felt that our obligation to the government has increased and each individual must double her effort that every foreigner be given the privilege of United States Citizenship Training.

APPROVED SCHOOLS

Miss Sue Reid Vason

As the fiscal year comes to a close, it ends a hectic year, fraught with anxiety and with action. The clouds of war have touched many of us personally as this year of history in the making has progressed. The flower of our land is defending our country, and fighting for our principles of democracy. We can not do too much in preparing our young people, and in giving them a chance now, which they may never have again, during these turbulent years, to obtain an education. In helping to educate them, we are sending wiser, more competent soldiers to the front, and are fitting them for the big post war task of reconstruction ahead, which will be theirs. I am sure that all chapter members have felt the urge to help our youth as never before, and this urge is reflected in the reports from state chapters, which I take pride in presenting:

30 chapters had Approved Schools programs.

6 chapters had speakers on Approved Schools.

1 chapter used motion picture films.

9 chapters sent boxes to Kate Duncan Smith.

5 chapters sent boxes to Tamassee.

1 chapter sent a box to Crossnore.

2 chapters sent contributions to Martha Berry, valued at \$35.85.

1 chapter sent contribution to Hillside valued at \$5.85.

3 chapters gave scholarships to Tamassee, total value \$500.00.

1 chapter gave \$100.00 to the dental clinic at Kate Duncan Smith.

An amount of \$34.00 was donated by chapters to Tamassee School Equipment.

An amount of \$25.00 was donated to Marion Sibley Wylie Victory Fund.

Including the amount for honor roll contributions, scholarships and cash contributions, a total amount in cash of \$1,010.15 was donated this year to Approved Schools. A total amount of \$300.00 was given by chapters to schools, other than Approved Schools. Value of boxes sent, \$525.00.

Three chapters have reported outstanding work. The John Houston Chapter, of Thomaston, gave two scholarships to Tamassee, totaling \$300.00; gave \$100.00 to the Dental Clinic at Kate Duncan Smith and \$30.00 to Martha Berry, and other contributions and boxes. Mrs. William Harrison Hightower of this chapter, together with Mrs. Dick of Maryland, personally presented to Tamassee for the new SCR High School, a lovely portrait of Mrs. Sara Corbin Roberts.

The Elijah Clarke Chapter of Athens, presented the annual Julius Y. Talmadge scholarship of \$100.00 to boys at Tamassee; gave a Home Economics Scholarship contribution of \$5.00 to Kate Duncan Smith; reference books and magazines to the Vocational School at Athens, and served free lunches as a project to underprivileged school children. The chapter regent visited Martha Berry, and the chapter had two guest speakers on Approved Schools.

The Baron DeKalb Chapter of Decatur gave a scholarship of \$100.00 to Tamassee.

Other interesting work in regard to health and welfare of schools, prizes and medals has been reported for the year.

CONSERVATION

Mrs. J. Harold Nicholson

"Conservation" is the watchword of America today. To conserve is not merely to save, but to preserve and to build. We must build a stronger body, stronger nation, stronger defense, higher morale and stronger character. The D. A. R. have long emphasized the preservation of Natural Resources, and the conservation of health and social orders, known as Human Conservation. And now, we stress the conservation of all materials which will aid in the war effort and our ultimate victory.

The work of our organization in conservation is most interesting. In reply to my two letters to each chapter regent, thirty-four chapters reported the following work accomplished during the year; Thirty chapters have conservation chairman, and have had programs on the subject. Six chapters have adopted "Becker Boys and Girls"; the John Houston chapter adopted six, whereby twelve students have been aided, supported, educated and helped in many ways. Chapters have given scholarships in other schools. Eighteen chapters have worked for Youth Betterment through Boy Scouts, Girl Homemakers, Four-H Clubs, Junior Groups and the C. A. R. Encouragement and assistance have been rendered in the way of money, the maintenance of lunch rooms, sponsoring of amusements, cooking and sewing lessons and the presentation of books to school libraries. Twenty-seven chapters have aided in civic and charitable work for Cancer Control, Polio Drive, Tuberculosis work and public clinics. Your State Chairman is County Chairman of the Tuberculosis Committee.

In conservation of Natural Resources, the D. A. R. Forest has been added to and cooperation given the Regional Forester. Assistance has been given in forest fire prevention by talks, letters and by working with the County Agent. Pine trees, fruit trees and grape vines have been planted. Chapters reported having Victory Gardens and beautifying highways, city parks, hospital grounds and caring for cemeteries. Rose bushes, shrubs and bulbs have been planted. Three chapters planted six memorial trees. Three chapters have engaged in raising quail and in soil conserva-

tion. Fruits and vegetables have been canned in large quantities. The work in conservation by chapters can not be estimated in dollars and cents; the future will show the wonderful results.

Your State chairman is a member of the Georgia Salvage Committee, which is part of the War Production Board. Georgia's eighty-three chapters have given support to the "All Out Salvage Drive." Tons of scrap iron, brass and old keys have been collected. Pounds of fat and Nylon hose given. Your Chairman has attended District meetings, distributed posters and published articles on the Salvage Drive. Each Daughter is a member of this committee. Our work is continuous and increasing for the duration.

It is inspiring to Americans to see just how much can be saved from so little, when everyone makes it her duty to waste nothing that can be used against the Axis. Remember the watch-word, "Conservation," which goes hand in hand with "Victory." Our men at the front are looking to us for help; we must not fail them.

CORRECT USE OF FLAG

Mrs. John M. Slaton

All State Chairmen of Correct Use of the Flag were notified by our National Chairman, Miss Elizabeth Barnes, in February that there would be no questionnaire furnished for chapters this year. We were instructed to ask each chapter to send information to your State Chairman, as to what you have done during the year to honor the National Emblem.

Mrs. John Bell, Co-State Chairman of this committee, sent postal cards asking for this information. Thirty-seven chapters have responded. As soon as I received instructions from National Vice Chairman Mrs. C. M. McGee of Kentucky to give pledge without extending right hand, keeping hand over the heart—following a law passed by Congress. I notified each chapter. A number of Chapters now reporting, write that they observed this ruling. They have notified schools and press of this change.

Chapter Regents and Flag Chairmen have been very active during the past year in inspiring the schools to give pledge daily, and to observe Flag etiquette. They have also been active in urging merchants to display clean flags on street front of business houses.

Flag Day, June 14th, was observed with special program by majority of chapters reporting, and the Star Spangled Banner sung and D. A. R. Ritual repeated. We urge each member to memorize the American Creed.

Four large Flags have been presented. Two given to schools. Majority of members own Flags. Two corrections have been made of incorrect use. Many codes have been distributed in city and county schools. Talks on Flag given by chapter chairmen, 9. Talks to chapters, 7. Original papers written, 2; Pageants, 1. Radio broadcasts, 4. Observance of Flag Day, 37. Observance of Golden Anniversary of Pledge Allegiance, 2. Talks before schools, 4. Five Flags presented to organizations; two of these to churches.

Work among foreign born for Americanization is done in all cities where foreigners are located. Manuals presented and visits are made to homes by special committees.

All chapters reporting give Pledge of Allegiance. Two-thirds sing National Anthem at meetings. Five report publicity on etiquette in local newspapers. Stories carried, 2. Chairmen on Correct Use, 15.

Will all chapters send a brief report next year to this important committee?

GOOD CITIZENSHIP PILGRIMAGE

Mrs. T. Earle Stribling

Letters were mailed to 452 Senior High Schools and 83 D. A. R. Chapters last October asking them to select, according to the enclosed instructions, a girl from their senior class as their Good Citizen, who excels in the following qualities of character: Service—Dependability—Leadership—Patriotism.

High School Principals sent me the names of 70 girls. Thirty-eight chapters responded with 60 names. While the total number of 130 girls falls short of last year by eight names, the number of chapters interested has been increased by six.

Miss Evelyn Moreman of West Point is the 1943 Georgia State Pilgrim.

The National Board of Management, Daughters of the American Revolution, voted on February 3rd to present each Pilgrim with a \$100.00 United States War Bond, Series E, in lieu of the Pilgrimage to the Continental Congress of 1943. Train travel, hotel accommodations, transportation in cities were so uncertain a substitute plan had to be made for this year.

This Bond and a Good Citizenship pin will be presented the Georgia Pilgrim at the state conference and Good Citizenship Certificates will be sent to all High School Pilgrims.

GOOD CITIZENSHIP PILGRIMS' CLUBS

Mrs. T. Earle Stribling

There has been some confusion this year regarding this committee and the Good Citizenship Pilgrimage Committee. I think that this has been largely due to the fact that both committees have the same chairman. While these two committees both work for and with the Good Citizenship Pilgrim their purpose and objective is different. The Pilgrimage Committee sees to the selection of the new Pilgrims each year, while the Pilgrims Club Committee is interested in the welfare and the whereabouts of the past Pilgrims and the forming of Clubs composed of these Pilgrims in sections where the number is sufficient for an active club. It is very difficult in small localities having just one Pilgrim a year, to have enough girls at home for a club but there is information about these girls that should be sent the state chairman. Due to this confusion I have not had the response that I needed for this report and I am sure that it is not as complete as it might have been.

Questionnaires were sent to the 1942 Pilgrims and 78 replies were received. Fifty-four are attending colleges and specialized schools. Seventeen are employed in various channels of work including new ones recently opened to women, machine shop and radio. Four are unemployed. Three are married. Thus 138 have been listed in the index card file which now contains names of 466 girls not including the present year. A list of girls attending college or employed in towns where there are D. A. R. Chapters was sent to the regents of those chapters asking them to contact these girls and invite them to join their clubs.

There are three active clubs in the state. Athens, Toccoa and Milledgeville. This is a decrease of one active club. These girls have been especially busy on the campus of Georgia State College for Women and The University of Georgia as well as in an Army Camp area, in almost every phase of war work. Red Cross, U. S. O., Civilian Defense, radio talks and skits on patriotic subjects being a few of such projects. They have 42 hours work in surgical

dressings. They have not forgotten the Daughters of the American Revolution for clothing has been sent to Tamassee School and they have appeared personally on D. A. R. Chapter programs.

A map of Georgia with the location of the clubs has been sent the National Chairman for her display at the Continental Congress and I hope next year that this map will show an increase in clubs, not a decrease.

D. A. R. MANUAL OF CITIZENSHIP

Mrs. P. L. Hay

Letters were sent to all Chapters in the State in September suggesting ways of using the Manuals of Citizenship and asking how many each could use and to contribute to the Manual on the honor roll.

Fifty-three Chapters contributed two hundred and twenty-five dollars and twenty cents (\$225.20). 1,198 Manuals have been distributed this year. They have been placed in the following places:

In the Libraries of U. S. O.'s, Soldier Centers in Cities where camps are located.

Federal Courts.

County Draft Boards, White and Colored.

Naturalization Courts.

Opportunity Schools where they are used as text books.

Army Schools, used as text books.

High Schools.

Public School Libraries.

Boy Scouts.

Citizenship Programs of Girl Poster Work.

District School project to teach correct use of the flag and flag etiquette.

Some given to Children in Mill Village schools to take home with them.

Red Cross Reading Rooms.

Teachers have placed some in homes that need them.

These chairmen have found people eager for them and they are being used. One center said they had requests of something of this kind from 150 applicants for citizenship. He was so glad to have them. There are many interesting stories with the placing of the D. A. R. Manual of Citizenship.

We have enjoyed the work.

Please allow us to thank the Georgia Daughters of the American Revolution for the splendid work you are doing in providing funds for worthy students to receive a college education. The D. A. R. Student Loan funds are of inestimable value to Georgia girls and boys. We are glad to co-operate with you at all times in carrying out your wishes."

ELLIS ISLAND

Mrs. C. H. Leavy

I want to thank all Chapter Regents and Chairmen for their co-operation, and especially do I appreciate the valuable information so graciously given me by the State Treasurer.

Fifty-seven Chapters paid per capita tax for the Ellis Island work, with a total of \$179.68. Nine reported, failing to state amount paid. Eighteen Chapters sent boxes, value \$151.50.

Four Chapters reported \$33.93 in excess of quota, including Elijah Clarke, \$2.00; George Walton, \$5.50; John Houston, \$11.43; and Oglethorpe, \$15.00, for warping a loom for one year. Thus, Oglethorpe Chapter excels again in Ellis Island work.

Twenty-one Chapters have chairmen, and five had special programs on Ellis Island.

No doubt others sent quota to the State Treasurer, who did not report to me.

Total amount \$365.11.

FILING AND LENDING BUREAU

Mrs. G. C. Barfield

Communications were mailed to all of the Chapters early last Fall.

Twenty-four splendid papers have been received by the Bureau.

Several Chapters have used outside speakers therefore, no papers could be sent from those Chapters.

In the local files of the state which was started last year there are—papers, which can be used by the Chapters in the state, at any time they wish by just writing to the Filing-Lending Bureau at the cost of 25 cents rental fee for the papers same as the National Bureau. I trust that this file will continue to grow so that the State will have many valuable papers available to her Chapters.

The Katherine Daniel Trophy offered for the greatest number of papers of permanent value has been awarded to the Elijah Clarke Chapter of Athens, of which Miss Ellen Bradbury is Chairman.

The pleasure and privilege of serving as chairman of this Committee I will always cherish. Thanking each Chairman for her splendid co-operation in making this fine report.

GENEALOGICAL RECORDS

Mrs. EH A. Thomas

In these days of strain and stress because our nation is engaged in a global war, when nearly every family has a son or daughter in some branch of war work, when every organization has an Honor Roll of War Service and every individual proudly wears his silver star, when all men and women are in some way contributing to the superlative effort of our country to win a victory by arms that will insure the continuance of the free and honorable mode of life left to us as an heritage by our ancestors; then we should be stimulated to a greater interest in these ancestors who fought and worked to create these United States of America.

The work of the national committee for collecting genealogical records is most important for through research the civil and military record, and family history of the founders of our country are found and preserved. This is one branch of our D. A. R. work that should be continued even in these days. Not enough chapters are at work.

Five chapters reported no work done because their time is given to war work.

Eleven chapters have made the following very creditable reports:

The Elijah Clarke Chapter of Athens sent in 300 marriage records taken from the Diary of the Rev. John Calvin Johnson of Watkinsville, Ga. (then the county-seat of Clarke County). The first of these marriages were performed in 1855. There is also a sketch of his life. \$3.40 was spent in work.

The Atlanta Chapter sent the deed and will of Benjamin Newton, Stafford Co., Virginia, 1699, 1732; inventory of estate of John Newton, Stafford Co., Va., 1700; will of Samuel Allen, Cumberland Co., Va., 1774; will of David Coleman, Cumberland Co., Va., 1763; deed James Cunningham, Sr., and Jr., and wives, to William Sanders, 1762; will of Martin Valentine, Cumberland Co., Va., 1758; will of Thomas Watkins of Cumberland Co., Va., 1760; Genealogical record of Herman Holleyman- family.

The Button Gwinett Chapter of Columbus reported 36 wills

from upper South Carolina sent to national chairman by Miss Mattie Lou Houston.

The Sergeant Newton Chapter of Covington sent a list of County Officers of Newton Co., Ga., from 1821-1925 by Mrs. A. L. Lloyd, historian.

The Col. William Few Chapter of Eastman sent seven genealogical charts, 18 marriage records, from Monroe County, 1824-1852, and will of William Kendrick, Bute Co., N. C., 1777.

The John Benson Chapter of Hartwell sent six wills through Laura Lee Satterfield as follows: Asbury Morgan Holland, Anderson, S. C., 1886; James W. Jones, Hart Co., Ga., 1877; Mary Patterson, Hart Co., 1863; James H. Strange, Hart Co., 1866; Middleton W. Hickman, Hart Co., 1855; Alexander Sherrard, Anderson, S. C., 1806, also 39 Hart Co. marriage records; 27 Franklin Co. marriage records; a bound volume of "Birth, Marriage and Death Notices from the newspaper, Hartwell Sun, 1881-1911," also History of Jones of North Carolina and Georgia, bound into a book.

The William McIntosh Chapter of Jackson sent five wills through Mrs. R. A. Rainer as follows: Jacob Albright, Madison Co., Ga., 1820; Leonard Greer, Monroe Co., Ga., 1866; Zecamiah Moore, Greene Co., Ga., 1882; David Thrasher, Newton Co., Ga., 1882; Thomas Watts, Greene Co., Ga., 1797.

The Gen. David Blachshear Chapter of Rochelle, Ga., reported one bound volume, the work of Mrs. Henry Mashburn, containing first census of Wilcox Co., Ga., 1860; Land Grants of Wilcox Co., family records; items from file of old county newspaper. This is Vol. 3, by Mrs. Mashburn.

The Nancy Hart Chapter of Milledgeville, sent 19 tombstone records from Laurel Grove Cemetery of Savannah, Ga.; Bible record of John Wesley Bonner, oldest date 1861; military record of John Freeman, born 1764, and 10 miscellaneous genealogical items.

One three-generation chart came from Mrs. Ruth Halsey Van Buren Tufts of Mitchell Co., Ga.

Mrs. E. Blount Freeman of John Laurens Chapter of Dublin has collected and typed for publication 36 family records. These have been bound into a book by the Lucy Cook Peel Memorial Committee.

To stimulate a greater interest in compiling the three-generation charts, your state chairman is offering a prize of \$5.00 to be given at the next state conference to the chapter sending in the largest number of family charts.

GIRL HOME MAKERS

Mrs. Boyce M. Grier

The present State Chairman of Girl Home Makers in Georgia takes no credit for the splendid work done by Georgia Chapters, 1942-1943, for girls in this state. Mrs. Charles Kreischer has laid the foundation for the work, and her resignation as State Chairman brought regret to all who had worked with her.

Questionnaires were sent to every Chapter Regent; seventeen chapters returned the questionnaires from which the following report was gathered:

- Ten Chapters have Chapter Chairmen;
- Five Chapters sponsor Girl Home Makers Clubs;
- Two Chapters sponsored the Cotton Dress Contest;
- One Chapter sponsored the National Recipe Contest; Eleven recipes were sent by this G. H. M. Club to the National Chairman of Girl Home Makers;

One Chapter sponsored a Bread Making Contest;
Fifty-nine Buddy Bags were made by Girl Home Makers;
Four cash prizes amounting to total of \$8.50 were awarded;
One silver thimble, two medals, cook books, and defense stamps
have been given to girls in Home Economics Departments
of High Schools;

Thirteen Chapters have encouraged Home Economics in the
schools;

One Chapter gave \$5.00 to be used for Home Economics at
Kate Duncan Smith School;

Five Chapters' G. H. M. activities have supported the National
Defense Program through 4-H Club work, cooperation
with the Red Cross, Victory Gardens, Scrap Drives, Cor-
rect Use of the Flag programs, and taking part in all
phases of Defense work;

Two Chapters had joint meetings with Girl Home Makers
groups;

One Chapter had winner of an award visit the Chapter meet-
ing and tell of her work;

One Chapter was entertained at regular meeting by Girl Home
Makers Club;

Two Chapters reported doing special work among the negroes
in the High Schools;

Six Chapters report having cooperated with Girl Scouts and
with 4-H Club Girls.

The Cotton Dress Contest was judged by members of the Home
Economics Department of The University of Georgia, and Miss
Elsie McCord of Norwood, sponsored by Burkhalter Chapter, won
the \$5.00 in Defense Stamps for the winning dress, which will be
entered in the National Contest.

Jean LaFarge Felton Trophy goes to Elijah Clarke Chapter, Mrs.
Sam W. Wood, Chairman, for best work done for Girl Home Mak-
ers. Outstanding work of four chapters was judged by members
of the Home Economics Department of The University of Georgia,
with the reports copied exactly as sent in by the Chapters except
no chapter names were given. Other Chapters doing excellent
work were LaGrange Chapter, Button Gwinnett, and Sunbury Chap-
ter.

HISTORICAL RESEARCH

HOSPITALITY FOR SONS IN SERVICE

Mrs. E. Blount Freeman

Hospitality for Sons in Service is, as its name implies, a new
department of work undertaken by the N. S. D. A. R. for the pur-
pose of securing special courtesies for service men in all branches
of the United States armed forces who are closely related to mem-
bers of this organization. The plan is being accorded widespread
interest and co-operation in this and other states.

In the early Fall, a request was sent to each chapter regent
in Georgia that she have a roster of all D. A. R. Sons in Service
compiled for her chapter and sent to me to be used in the Ser-
vice Roll of Honor for the Georgia Society D. A. R. Included in
this list are sons, grandsons, brothers, husbands, and nephews of

D. A. R. members; some chapters and states also include sons-in-law. Chapter reports received to date give the names of 610 Georgia D. A. R. Sons in Service, 116 of whom are serving overseas. Three chapters report chapter service flags honoring these men.

The names of all Georgia D. A. R. Sons in Service who are stationed in camps in this country have been classified as to the states in which they are located and their names sent to the hospitality chairmen of their respective states, with the request that the hospitality of D. A. R. homes be extended to these boys and other attentions shown them. Messages have been received that it has been impossible to locate certain of these men due to incompleteness of addresses furnished. In sending in names of service men all available data should be included: Name, rank, serial number (if known), branch of service, company, battery, battalion, regiment, camp where serving, etc.

The names of 96 Sons in Service from other states, who are stationed in army camps in Georgia, have been sent in by the state chairmen of their home states. These names have been forwarded to the chapter regent nearest each Georgia camp represented, with the request that she and her chapter members show these Sons in Service from sister states special courtesies and attentions.

Every effort is being put forth to make these soldiers' sojourn in our Georgia camps as pleasant as possible. Not only are these boys being invited to the homes of D. A. R. members but some chapters are equipping and maintaining lounges, reading rooms, rest rooms and even bedrooms, for their exclusive use. Cigarettes, Coca-Colas, writing material, Bibles and reading matter of all kinds are provided; radios and Victrolas furnish them with the latest news and music. Other chapters have committees to visit soldiers who are confined in hospitals and brighten their days with flowers, fruit and other gifts.

Thus we see that our Georgia D. A. R. are demonstrating in a fine way to the soldiers in our Georgia camps the true meaning of Southern hospitality; and I feel sure that our Georgia Sons in other states are being accorded the same courteous treatment.

JUNIOR AMERICAN CITIZENS

Mrs. Owen C. McConnell

As Georgia State Chairman for Junior American Citizens, I am happy to report that even with the press of war activities, our work has gone forward. Georgia has 126 J. A. C. Clubs with 4,282 members. Never before has the youth of our state been so much a part of their government. Every Junior American Citizens Club has had an active part in the Scrap Drive. Some clubs reported 250,000 pounds collected. Many have bought Defense Stamps and Bonds. The ten clubs sponsored by the Council of Safety Chapter reported over \$7,000.00 bought in Defense Stamps and Bonds since September.

Many of the clubs are 100 per cent for Junior Red Cross. The club sponsored by Barnard Trail Chapter made an afaghan for Junior Red Cross. The Colin Kelly Club sponsored by the General James Jackson Chapter gave a program over the radio, and presented to the Red Cross the Bond they purchased with their earned Defense Stamps. Some of our older Junior American Citizens have helped in Bond Drives and with Registration for Stamp Books II.

The wounded soldiers at Lawson General Hospital have been remembered with 4 joke books, 100 comic books, and 12 ash trays made by two of the four J. A. C. Clubs, sponsored by the Baron DeKalb Chapter. Out from the Atlanta Boys Club have gone nineteen boys into the armed forces, who have been at some time members of the George Washington J. A. C. Club, sponsored by the Atlanta Chapter. Two clubs reported Victory Gardens; one club cut and sent nearly 50,000 stamps for the hospital work in England.

All the clubs have observed the Patriotic Days—Love for our Flag has been stressed. One large club sponsored by the Elijah Clarke Chapter is striving to secure flags for individual homes to be displayed in fronts of residences. The J. A. C. Club, Director, of General James Jackson Chapter, with some of her Junior American Citizens, sold flags on the 4th of July, and from the proceeds made a fine gift of \$50 to the D. A. R. School at Tamassee.

Most of the clubs have presented patriotic plays, and programs. The Rev. Samuel Francis Smith Club presented a Columbus Day, and a Christmas program before the Atlanta Chapter, D. A. R. The two J. A. C. C. Sponsored by the Atlanta Chapter are among underprivileged children, 67 families have been helped, and food, clothing, medicine, valued \$300, given. Three chapters, Tomichi-chi, Sunbury, General David Emanuel, though they do not sponsor any clubs, reported paying the .02 per capita for the J. A. C. C. work.

The Elijah Clarke Chapter reports the greatest increase in number of clubs sponsored, an increase of 21; also 8 Good Citizenship medals given. The following chapters reported J. A. C. Clubs, Atlanta, Baron DeKalb, Barnard Trail, Council of Safety, Elijah Clarke, General James Jackson, Henry Walton, Pulaski, Thronateska.

This report is submitted with sincere appreciation for the fine work done by the Chapter Chairmen, who have made this report possible.

JUNIOR MEMBERSHIP

Mary L. Kinne

There is a membership of 385 Juniors in Georgia representing fifteen Committees. Although we have gained quite a few members; several of the Juniors over thirty-five have transferred to the Senior Chapter. The Sixth State Junior Assembly was held in Macon in connection with State Conference in March 1942. The Junior Committee of the Mary Hammond Washington Chapter, Macon, was hostess; entertaining with a luncheon. Six Committees were represented. We were honored with the presence of our President General Mrs. Wm. H. Pouch, Mrs. John Logan Marshall, Vice-President General from South Carolina, and Mrs. Thos. C. Mell, State Regent. Mrs. Pouch gave us a very inspiring talk followed by Mrs. Murray and Mrs. Marshall who explained their work in D. A. R.

Georgia Juniors have co-operated with the National Society in all its projects namely: The Foreign Body Detector Fund, Buddy Bags for men in Service, Blood Plasma Fund, Helen Pouch Memorial Scholarship Fund, Fund for National Assembly and the Schermerhorn Pillar Fund for Tamassee.

The Junior Committee of Atlanta Chapter made an outstanding report of 5,370 hours of volunteer service, 4,855 hours of Red Cross work, and 1,515 hours of Civilian Defense work. Groups reported working in all fields of Red Cross. Atlanta Juniors also reported

ten blood donors and \$51.00 donated to the Blood Plasma Fund, N. S. D. A. R. project. Thirteen Junior American Citizenship clubs have been sponsored and nine C. A. R. Societies have been assisted. Boxes have been sent to Kate Duncan Smith and Tamassees. Groups in cities where U. S. Army camps are located have given their time and energy in entertaining Service men in Service Centers and in their homes.

The Juniors of Elijah Clarke Chapter, Athens, made a splendid report. Their report reflected work in all phases of D. A. R. projects but outstanding was their report of gain in membership . . . 30.434 per cent which makes them winner of the Minnie Jossey Capps Trophy awarded to the Georgia Junior Group reporting largest percentage of gain from February 1, 1942, to February 1, 1943.

Georgia Juniors are looking forward to a brighter 1943-44 and are ready to serve their Country and Society when and where they best can.

MOTION PICTURE

Mrs. V. G. Williams

I am happy to report an increased interest throughout the State in the work of the Motion Picture Committee. It is gratifying to know that the public is becoming more keenly aware of the real value of Motion Pictures. Not only is the screen a source of wholesome entertainment during these days of great national stress, but it acts as a channel through which our Government has been able to instruct our people so that each one may have a better knowledge of how to help in the war effort.

All chapters keep in close touch with the local theatres. Some of them have monthly meetings to study pictures scheduled to be shown. They recommend the outstanding ones and ask for the removal of undesirable ones.

The majority of chapters use the Motion Picture Department, published in the National Historical Magazine, at their monthly meetings. They subscribe to Motion Picture reviews. They receive reviews from the Motion Picture Producers and Distributors of America, and the Fox West Coast Agency Corporation. These are discussed at meetings and are placed in High Schools and Libraries after consulting local theater managers about them.

Special programs are arranged for children once or twice weekly. Patriotic, Historical and Educational films have been shown by all theatres in the state. Many have discouraged the double feature programs and have encouraged the showing of pictures that depict the war effort.

Entertainment has been provided for our boys in the service, and in doing this Motion Pictures have played a major role.

NATIONAL DEFENSE THROUGH PATRIOTIC EDUCATION

Mrs. Ober D. Warthen

This report, as fine as it is, is not at all what it should be because only 38 of Georgia's 84 splendid chapters have reported. Among the 46 not reporting are some of the largest and most active chapters.

Reports of these 38 chapters show that \$1,489.92 was contributed to the Blood Plasma Fund. One hundred and twenty members gave blood—107 of them from the Fielding Lewis Chapter. The General David Blackshear Chapter, with only 26 members,

contributed \$315 to the Fund and the Oconee Chapter with 25 members gave \$136.

Chapters have bought \$4,850 worth of bonds. Brunswick leads with \$1,500, Savannah is second with \$1,000, and Col. William Few, third with \$700. Chapter members and their families reported having bought \$735,061, which I judge to be about 25 per cent of the real total. The John Benning Chapter sponsored sale of bonds and stamps in the Elementary Schools and sold \$12,019.85 worth.

All types of war work were engaged in but only a few chapters reported hours. They are as follows:

Civilian Defense	8,982
American Red Cross	211,468 $\frac{1}{4}$
American Women's Voluntary Services	2,948
United Service Organization	3,022
Miscellaneous	3,500

Husbands, fathers and sons, in the armed forces, 1,467. It was reported that 8 D. A. R. members were in the WAVES and 3 in the WAACs.

Most chapters gave citizenship awards and 83 Citizenship Medals were given. Chapters paid 10 cents per capita, observed National Holidays and presented 180 programs on National Defense.

NATIONAL HISTORICAL MAGAZINE

Mrs. John H. Williams

In September a letter was sent to each Chapter in the State, outlining plans for the year's work—and urging that they double their number of subscriptions to the Magazine.

Fifty-four of the eighty-three Chapters have sent in their reports—some of them incomplete—and twenty-nine have not reported. Thirty-two have a chapter chairman.

Many chapters have expressed appreciation of the magazine and the benefits derived therefrom. Several have articles from the magazine given at each meeting by the chairman to stimulate interest and keep the members informed of the work being done by the National Society. Subscriptions have been given to libraries and hospitals.

I am glad to announce that the advertisement given by the Nehi Corporation, which expired with the January issue, has been renewed for another year. This was secured through the Oglethorpe Chapter, Columbus, by Mrs. J. B. Key.

PRESS RELATIONS

Mrs. Oliver I. Snapp

As Press Relations Chairman, it has been my duty to send all news releases received from the National Chairman of Press Relations, including many phases of D. A. R. work, to the larger newspapers of the state for publication. This publicity has been the means of giving the general public a better understanding of the activities of the D. A. R.

It is some times difficult to get complete reports of publicity and to secure copies of clippings, and therefore considerably more publicity is given each year than that reported. However, more than 50 per cent of the chapters in the state reported approximately 5,000 inches of publicity given the D. A. R., including 32 cuts. Forty chapters report having Press Chairmen and many paid the per capita tax for the work. This represents a total monetary value of \$4,000 based on average advertising rates.

The Etowah Chapter in Cartersville sponsored a Blood Plasma Drive within Bartow County with the aid of the two local papers, and more than \$3,000 was raised for this worthy work. As usual, the General David Blackshear Chapter of Rochelle, with Mrs. Henry Mashburn as Press Chairman, has done outstanding work. They have a column with the D. A. R. Insignia in their county paper each week entitled "Dear Fellows." It is in the form of a letter written to the Wilcox County boys in the armed service of the United States.

I want to thank the chapters and their chairmen that reported and made this report possible. May we have more and better D. A. R. publicity for Georgia next year.

RADIO

Mrs. Reuben Garland

In spite of the fact that nearly all chapters were notified by the radio stations that they could not give time this year, Georgia has made a fine showing with 27 programs and a total of 7½ hours on the air. In the early fall I sent cards to every regent and many chapter chairmen giving suggestions, and asking that they try any way to get time. The response was wonderful.

The Savannah chapter had a series of three radio programs, entitled "D. A. R. Work Shop." The George Walton chapter gave a patriotic skit on the air. The Button-Gwinnett Chapter celebrated Columbus Day with a broadcast. Joseph Habersham Chapter presented their Regent in two addresses—one on Flag Day and one on Georgia Day. The Atlanta Chapter had seven programs, one each on American Women Since 1776, The D. A. R. Blood Plasma Fund, Americanism, Pledge to the Flag, Conservation, and an address on our First Thanksgiving, by our State Regent, this morning's program on Blood Plasma.

Elijah Clark Chapter, Athens, had 12 programs on the following patriotic subjects:

American Creed Day.
Thomas Jefferson.
The American Flag.
Independence Day.
LaFayette.
The Constitution and Magna Carter.
Founders Day.
Yorktown Day Observance.
Armistice Day.
Benjamin Franklin.
Was Georgia a Debtor Colony.
George Washington.

The subjects of Baron DeKalb Chapter's two programs were:

Humanity Through the Red Cross.
America and the Cause of Freedom.

Congratulations, chapter chairmen, on doing something that couldn't be done!

REAL DAUGHTERS

Mrs. Frances Brown Chase

Before giving this report, your Chairman would like to express to each chapter in the State appreciation for its loyal cooperation.

It seemed that instead of making a compilation of gifts, courtesies, etc., it is more fitting at this time (the anniversary of our centenarian Daughter) to give a little history of the Real Daughters Committee.

Originally, there were 757 Real Daughters. In 1906 "Real Daughters" were pensioned by the National Society, receiving Eight Dollars per month, which was augmented by funds from chapters of D. A. R. This amount has been increased gradually to \$25.00 per month.

At the Golden Anniversary Jubilee, during Continental Congress in Washington in 1940, a record of one of our Real Daughters was made which will always be treasured by D. A. R.

Until July 14, 1942, of this heritage to the D. A. R., only two "Real Daughters" were left: Mrs. Caroline P. Randall, of Clarendon, New Hampshire; and, Mrs. Annie Knight Gregory, of Williamsport, Pennsylvania. This year, in fancy we can only place a laurel wreath affectionately upon the brow of our revered Real Daughter, Mrs. Caroline P. Randall, who was called to her Reward July 14, 1942. Her soul, imprisoned in her frail body, was liberated and entered into Life Eternal. It is a coincidence that she should have been called Home July 14th, Bastille Day (now observed as French National Fete Day), which correspondingly typifies our July 4th.

The only surviving Real Daughter is Mrs. Annie Knight Gregory, almost a centenarian, her birthday anniversary being March 23, which, incidentally, is the date of the convening of our State Meeting.

Mrs. Caroline Phoebe Hassam Randall was a daughter of a Revolutionary soldier who later became a prosperous clockmaker. She was born in Charlestown, Massachusetts, in 1849. Her father saw the Battle of Bunker Hill from the steeple of the Old North Church, acted as a water boy to the American troops, and enlisted later. At the age of 77, he married a Vermont school teacher. Of five chil-

dren by that marriage, Mrs. Randall was the fourth. Mrs. Randall was a great aunt of the famous American artist, (1859-1935) Childe Hassam. Mrs. Randall's death leaves Mrs. Annie Knight Gregory of Williamsport, Pennsylvania, as the only surviving daughter of a Revolutionary Soldier.

Georgia had two "Real Daughters," "discovered" by Mrs. Yarbrough. In appreciation of what the D. A. R. had done for them, these two sisters, Mrs. Mary Pool Newsome and Miss Sarah Pool, left to the National Society a small amount of remaining funds. We are sure all Real Daughters have cherished in their hearts affectionate appreciation to the National Society.

Daughters, let's continue this work, not only as Daughters of the American Revolution but as Daughters of the King. Give thanks to God and live with a valorous faith in our D. A. R. endeavors.

A congratulatory letter was received from The White House, President Roosevelt, expressing felicitations on our only Real Daughter's One Hundredth Birthday Anniversary.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY

Mrs. Edwin W. Allen

The work of the American Merchant Marine Library Association becomes increasingly important as we realize that our troops on foreign duty are dependent upon the Merchant Marine for many of their supplies. The loss of crews and cargoes, including libraries, during the past year has been appalling. These seamen, who have no radios, no chaplains or recreational officers, and no U. S. O. value highly the libraries furnished them by the American Merchant Marine Library Association. These libraries have proven the greatest source of recreation, pleasure and information for the sailors manning the merchant ships.

Elijah Clarke Chapter, Athens, reports a program on the work of the American Merchant Marine Library Committee. They gave a subscription to Omnibook Magazine to National Headquarters and numbers of books and magazines to the Victory Book Drive and the U. S. O. The Atlanta Chapter reports seventy-five books, valued at \$100, sent to the American Merchant Marine Library Association. The Brunswick Chapter sent \$5 to the American Merchant Marine Library Association, and gave fifty books to the Coast Guard Station on St. Simons. The Oglethorpe Chapter, Columbus, contributed fifty-eight books and fifty-three magazines to the American Merchant Marine Library Association. They placed three hundred 327 magazines in the USO rooms. The George Walton Chapter, Columbus, sent 33 books to the New Orleans Dispatch Agent. The Colonel William Few Chapter, Eastman, contributed twelve books and seventy-five magazines to the American Merchant Marine Library Association. The Nancy Hart Chapter, Milledgeville, sent fourteen books and sixty-five magazines to New Orleans, in addition to hundreds of current magazines given to the local Service Center which is also used by the WAVES now in training at G. S. C. W. The Savannah Chapter reports one hundred and forty-two books contributed. The chairman gave an interesting program on the work of the American Merchant Marine Library Association and had several book teas. Governor David Emanuel Chapter, Swainsboro, sent a box of thirty-five books valued at \$50. The John Houston Chapter, Thomaston, reported a five-dollar contribution to the American Merchant Marine Library Association. The Sunbury Chapter, Winder, sent a box of books to Camp Toombs.

The committee wishes to express appreciation to those who have contributed to this splendid work and to urge that this effort be continued. Books should be sent to:

Mr. Herbert A. Graf, Dispatch Agent.
Dock Board Toole House, Poydras and River Streets.
New Orleans, Louisiana.

Cash contributions should be sent to:

Colonel Leonard Sullivan, Secretary,
American Merchant Marine Library Association,
45 Broadway,
New York City.

It has been said that there has never been any time in our history when there was a greater opportunity for lending support to the officers and men manning our merchant ships. Since the American Merchant Marine Library Association is making a great contribution to the morale and welfare of these men it should receive the liberal support of the Georgia Society Daughters of the American Revolution.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND C. A. R.

Mrs. Wm. L. Fraley

It has been a real pleasure to serve as chairman of this committee, and to report the fine spirit of cooperation that exists between our organization and that of the children of the American Revolution. For every D. A. R. Chapter there should be a C. A. R. Society for their importance to our organization increases.

The principles and ideals of our revered ancestors who founded our great nation should be instilled in the youth of today, with the love of country and the desire to create the happiness of its people through kindness, love and faith.

Daughters of the American Revolution Chapters sponsored Children of the American Revolution Societies. Regents met with and addressed C. A. R. Societies. Chapter Regents subscribe to C. A. R. Magazine to keep posted on C. A. R. work. Elijah Clark Chapter helped to sell Acorn Pins which the children made from the "tree that owns itself."

The Georgia Society of the Children of the American Revolution has sent gifts to our approved schools, patriotic programs have been carried out, money and many hours of work have been donated to the American Red Cross, and boys and girls worked enthusiastically with the scrap drive, sponsored by Senior members of the D. A. R. organization.

The members of the C. A. R. are trained in the tenets, standards and ideals for which the Daughters of the American Revolution stand. As these children grow old enough, they are invited to join the Daughters and Sons of the American Revolution.

COOPERATIVE RELATIONS BETWEEN D. A. R. AND S. A. R.

Mrs. Robt. H. Hunt

Owing to the all absorbing World War which we entered December 1941, it has been rather impossible for many of us to focus our minds on the Cooperative Relations Between D. A. R. and S. A. R. Needless to say, since practically all of the proud Sons and Daughters of the Revolution now have loved ones at the battle front fighting for those same principles for which our forebears fought, we will be drawn closer together when this war is over.

The Elijah Clarke Chapter with Mrs. Mildred V. Rhodes Chairman sends the following report: "Local S. A. R. Chapter almost stripped because of so many members have gone into service. At request of President S. A. R. the Regent of Elijah Clarke Chapter obtained the address of all S. A. R. members in service; the Chapter members have written to those men in the armed forces. S. A. R. and D. A. R. in Athens join with all other patriotic organizations in any patriotic and civic celebration held. The two organizations work harmoniously together and stand ready to help each other at all times.

COLLECTING AND PUBLISHING HISTORY OF GEORGIA REVOLUTIONARY SOLDIERS

Mrs. Allen W. Daughtry

In response to the letter to Chapter Regents requesting information for this Committee, a number of histories were received. We are delighted to report continued progress in collecting histories, and hope that these additional records soon may be published.

D. A. R. FOREST PARK

Mrs. F. A. Smith

Your former Chairman turned the key to the Nancy Hart Cabin and the Guest Log over to me in the fall of 1942. At that time no one had been living there for ten months. I have made every effort to secure a caretaker. At present, living conditions there are not desirable. I am asking the Executive Board for authority to have a well dug and to make the necessary sanitary improvements.

The Marker has been moved to the new highway.

It is your Park. When you are able to travel again, let me urge you to visit this beautiful, historical place.

GEORGIA BANQUET

April 18, 1943

The Georgia Banquet was held in the Continental Room of the Netherland Plaza Hotel, April 18, 1943, at 7:00 P. M.

In the absence of the State Chairman, Mrs. Sam Banks, Mrs. Y. Harris Yarbrough acted as chairman.

The companionship was splendid, the food delicious and the entertainment good.

Fifteen Georgians attended and we were honored by the presence of Mrs. William E. Becker of New Jersey, former President General of N. S. D. A. R.

Mrs. Wm. J. Vereen

Sold to Miss Juanita Chisholm, State Chairman Lucy Cook Peel Memorial, 50 Engraved Book Plates; also 50 to Mrs. M. G. Combs of the Dublin Chapter; making a total of 100 plates at \$1.50 per 100.

CHAPTER LOAN FUNDS
Mrs. J. Thomas Wood

I am not even trying to give a correct report on Chapter Loan Funds. The reports coming to your Chairman from the Chapters state that almost no applications have been received this year and the Loan Fund has been used to buy War Bonds.

This condition we know exists because many boys just out of High School have been called in the Service of our Country and many of the girls are working to take positions formerly held by men. We admire the courage of these young people, but we know that the youth of today, who will be the man of tomorrow, will face problems which have never before been given to any generation. Therefore, they will need trained minds, and that quality of citizenship that will be theirs when they have mastered those things which will give them soundness of judgment, clearness of vision and keenness of perception. Let's encourage these young people to take advantage of the opportunities that a Loan Fund offers them, for we can't even vision the power this body of young people will exert in providing wise leadership in guiding the Nation in the right path of freedom after this war is over and when we will need to get back to the ideas and ideals of the founders of our Country.

Fifty Chapters reported a total of Nine Thousand Dollars in loan funds and Four Thousand of this has been used to buy bonds. Fifteen young people are using the loans and paying back the loans regularly. Many Chapters report that no interest is charged in order that their payments may not be too difficult.

Your Chairman shall continue to encourage those Chapters having no Loan Fund to establish one and thereby help these citizens to become more efficient and be of greater service to our United Nation.

Let's hold up the ideals and standards of the Daughters of the American Revolution.

HELEN ROGERS FRANKLIN TROPHY
Mrs. Thos. J. Sappington

The task assigned to this committee, to make the General Excellence Award, is a hard one; but it has been a pleasure to serve in this capacity.

We wish to thank the chapter regents for their thoughtful cooperation, and especially for the splendid reports submitted. So much work had been done in various lines of D. A. R. activity, it was hard for the judges to decide which chapter came first.

After much study and deliberation on the part of the judges, the following report was rendered:

To Col. Wm. Few Chapter was given the General Excellence Award. The Elijah Clarke Chapter made second place; and the Nancy Hart Chapter and the Governor David Emanuel Chapter tied for third place.

HISTORIC MAP OF GEORGIA

Mrs. Robert J. Travis

A letter was sent to every chapter of the D. A. R. in the state asking that our D. A. R. Historic Maps of Georgia be framed and placed in schools, libraries and public places.

There is little use in giving a map unless it is framed, as it is soon dirty, torn and then thrown away. It would be especially fine to place maps where the visiting soldiers congregate, so that they would learn something of the history of our beloved state.

In Savannah this year, the Savannah Chapter placed a framed map in the Chamber of Commerce and the Bonaventure Chapter placed one in the De Soto Hotel. A framed map has been already placed in every white school in the county. The James Pittman Chapter of Commerce, Mrs. James E. Crouse of Macon and General Travis each bought a map.

This \$5 will be given to the May Erwin Talmadge Student Loan Fund. The D. A. R. of Columbus have 37 maps placed and the Athens Chapter D. A. R. have bought 15. Savannah has bought 17 maps. These are the outstanding chapters in this work.

HISTORICAL PROGRAMS

Mrs. Henry Mashburn

America being engaged in a desperate war to maintain the freedom won by the patriots in the American Revolution, it seemed appropriate that our programs this year be linked with current events.

The two wars afford interesting study for comparison and contrast. The chairman submitted to the State Regent an outline for

such a study in the Georgia Society Daughters of the American Revolution. She granted warm approval.

The programs were printed in full in the 1942 Proceedings and each Chapter Regent was provided with a mimeographed copy of the programs. Many cordial expressions from chapters and individual members indicate that the programs have been generously used. I am very appreciative of this generosity. It has been a pleasure to serve the state society in this way, and a delight to share the work with our State Regent.

LEGISLATION

Miss Virginia Hardin

As Chairman of the Committee on Legislation, I am pleased to report that the Georgia Daughters realize the importance of their responsibility and are active in working against subversive forces within our Country during this World War No. 2.

Many important bills were passed by the 1943 Legislature, the most important bill, restoring to our State Universities and high schools, their former high scholastic standards.

It was the duty and privilege of this Committee to support all Legislative measures approved by the Society.

LUCY COOK PEEL MEMORIAL COMMITTEE

Miss Juanita Chisholm

As the price of binding has advanced, the Lucy Cook Peel Memorial Committee has been most conservative. Our bindings in our own D. A. R. colors have been so much admired that others have wished to copy them, but the binders informed them and us, due to priorities on this particular kind of paper, that their entire stock had been placed in reserve for us.

We are happy to report we now have 447 books in the McCall D. A. R. Genealogical Library (in the two bookcases in the genealogical room) at the Georgia State Department of Archives and History.

This year we have added to our collection three census records—the compilation of the “Meriwether County 1850 Census,” the “Tax Digests of Twiggs County” (for five years), and the “1850 Census of Atlanta.” These have been secured by the McCall Genealogical Fund, bound by this Committee, one copy of each placed in the D. A. R. Library, and one of each sent to the State Librarian for the National Library in Washington.

Volume II of “Southern Genealogies,” compiled by Mrs. E. Blount Freeman, and Volume III “Wilson County History and Genealogies,” by Mrs. Henry Mashburn, have been bound, one copy of each also to be sent to the National Library.

Six volumes of the “Plantations in Georgia in Colonial Days” series have been added.

“The Keene Family,” compiled by the State Historian, Mrs. James E. Hays, and the “History of Lowndes County, Ga.,” compiled and published by the General James Jackson Chapter of Valdosta, are three valuable gifts to the Library. Historical D. A. R. Magazines, North Carolina Historical Magazines and the Proceedings of the Georgia D. A. R. Conferences, have been bound up to date. “Roster of Soldiers and Patriots of the American Revolution Buried in Indiana,” published by the Indiana D. A. R., has been acquired

in exchange for our own "Roster of Revolutionary Soldiers in Georgia," by Mrs. McCall.

Volumes II, III and IV of our "Georgia D. A. R. Historical Collections," presented to our Library by this Committee. None sold during the past year. Chapters who do not own a set should order theirs at once. Letters from those who have purchased these volumes speak in the highest praise of their value. At the reduced price of \$1.00 per volume (formerly \$5.00), every Chapter and every D. A. R. member should own a set.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. E. F. Chaffin

As Chairman of Marking Revolutionary Soldiers' graves, I submit the following report:

Atlanta Chapter located the graves of five Revolutionary Soldiers: Charles McCall, Everett Family Graveyard, Screven County, Georgia; William Fletcher, Concord Church Graveyard, Telfair County, Georgia, near McRae; Faddy Whittington, Seagrace family burying ground $4\frac{1}{2}$ miles from Griffin on old Macon road; Drewry Allen, near Church of his plantation in Pike County, Georgia; Thomas Heard, family graveyard in Greene County, Georgia, seven miles north of Greensboro.

Edmund Burke Chapter reports locating the grave of Eliab Kingman, Revolutionary Soldier, near Charleston, S. C.

James Pittman Chapter marked the graves of two Revolutionary Soldiers; Lieut. Samuel Knox and Ansel Cunningham, both graves located in Thyatira Churchyard, Jackson County, between Commerce and Jefferson.

MEADOW GARDEN

Mrs. Lester V. Stone

The report of Meadow Garden at this time will be quite different, for instead of our regular Wednesday afternoon openings we had a plea from all soldier organizations to open Sunday afternoons, as that is the only time the men could come to see and study the old house, and the methods of living of our forefathers. I wish it were the privilege of each one of you to act as hostess to these men, who are more intrigued than any group who has visited the place. How glad you would feel that you have had any part in preserving this old place, and how necessary that it must be kept up for our registry shows that men from all states and foreign lands come and study our museum. As our faithful old caretaker remarked, "If we collected twenty-five cents for each visitor now, we would make some money." But, of course, there is no charge for the uniform, though each time some civilians take advantage of the day, which enables us to carry on, with the fires and other general expenses.

We wish that each regent throughout the state would visit Meadow Garden during the year, as did Mrs. Boyce Grier, of the Elijah Clarke Chapter, of Athens, Georgia, who presented Meadow Garden with an Augusta Historic plate.

We are most grateful to the chapters in the state for their contributions of \$98.54 for the year 1942.

At this date expenses amount to \$132.00, with the premiums on insurance policies due in April totaling \$167.00.

THE McCALL D. A. R. GENEALOGICAL LIBRARY

The demand for authentic family data by genealogists was the inspiration for the Georgia Daughters of the American Revolution to appoint a State Chairman of Historic Research and Preservation of Records. Mrs. Eli A. Thomas, as Chairman, did most efficient work in collecting material with the cooperation of the Chapters.

The Society published Vol. IV of Historical Collections through the Lucy Cook Peel Memorial Committee, and the records published in this volume were certified copies of many of these records from family Bibles.

In addition there were many certified Bible, pension, tombstone, and family records collected. Through the courtesy of Miss Ruth Blair, then State Historian, these papers were placed for safe keeping at the Rhodes Memorial Hall, State Department of Archives and History, to be used later by the D. A. R. In 1938, Mrs. John S. Adams, State Regent, requested Mrs. Howard McCall to investigate and see if these records could be compiled and bound for the use of the Society. Mrs. McCall with Mrs. Hays, State Historian (and also a member of the Ga. D. A. R.) compiled 17 volumes of these certified records, which were indexed as a W. P. A. project under the authority of the Secretary of State, Mr. John B. Wilson, and bound in paper covering. These 17 volumes were placed at the Georgia State Department of Archives and History as the beginning of a D. A. R. Library. Permission was graciously given by the Secretary of the State, Mr. Wilson to the Georgia Society, D. A. R. to place this Library at the State Department of Archives and History.

Realizing how very necessary it was to have these books in a more permanent binding, all the records were rebound in the very attractive blue color of the D. A. R. by the Lucy Cook Peel Memorial Committee of the D. A. R. To make the Library more useful and valuable, and in return for the cooperation of Mrs. Hays who supervised the indexing of all unpublished records as a W. P. A. project, acting under the authority of the Secretary of State, Mr. John B. Wilson, this Committee, under Mrs. W. F. Dykes and Miss Juanita Chisholm, State Chairman, bound many volumes of unpublished Colonial and Indian records, and the State Executive Minutes compiled by the State Historian. (It is interesting to note that the Georgia State Department of Archives and History was established through a bill sponsored by the Ga. Society D. A. R.)

Many genealogical and Revolutionary books and census records have been purchased for the Library through the McCall Genealogical Fund of the D. A. R., also two book cases have been purchased by this Fund.

In 1940, the State Regent, Mrs. William Harrison Hightower, assisted by Mrs. W. F. Dykes, State Chairman Lucy Cook Peel Memorial Committee, formally presented "the McCall D. A. R. Genealogical Library" (named in honor of Mrs. Howard H. McCall, former State Regent) to be always placed at the Georgia State Department of Archives and History, to the Secretary of the State, Mr. John B. Wilson. Mrs. J. E. Hays, State Historian accepted for Mr. Wilson, who was unable to be present. (See picture of presentation in 1940 proceedings.)

Many valuable 1950 census records, tax digests, genealogical and historical books, magazines and family histories have been placed in the Library with Mrs. Thomas C. Mell and Mrs. Stewart Colley as State Regents 1940-1943.

The Georgia Society, Daughters of the American Revolution feel a pardonable pride in this Library, as it carries into effect one of the purposes for which the National Society was organized, the preservation and publication of genealogical and historical data.

It is the earnest desire of the Society that other books equally valuable will be added in the future.

"To business that we love, we rise betime and go to it with delight."

ROSTER OF REVOLUTIONARY SOLDIERS IN GEORGIA

(Golden Jubilee Project)

Miss Hazel Kirk

In offering as a Golden Jubilee Project "The Roster of Revolutionary Soldiers in Georgia," the Georgia Society D. A. R., presented a book of great value to historical and genealogical students.

The book contains the names of many Revolutionary Soldiers, with service, dates of birth and death, names of wives and children, and their residence in Georgia. Following the Revolutionary War, many soldiers settled in Georgia, coming from Virginia, Pennsylvania, the Carolinas, and many from the New England States.

The Roster was compiled and edited by Mrs. Howard H. McCall, former State Regent, and was presented by her as a loving gift to the Georgia Society. It was published by the Georgia D. A. R. with the hope that it would materially assist in increasing the membership not only in the Georgia Chapters but in the National Society as well.

One book has been given in exchange for the "Roster of Soldiers and Patriots of the American Revolution buried in Indiana," compiled and edited by the Indiana D. A. R. with Mrs. Roscoe C. O'Byrne, former State Regent, as chairman.

The sale of the book has been slow the past year, owing to the war work of the Chapters. There still remains many books to be sold and it is hoped that every Chapter and every officer of the Society will purchase a copy as soon as possible.

Financial Statement

Amount due State Fund, April 30, 1942		\$258.01
Sale of books	\$120.00	
Expenses (mailing)	5.00

As State Chairman, I wish to express my pelasure in serving the Society and ask the assistance of all State Officers, Board members, and Chapter Regents in the sale of the remaining copies of this splendid book.

SCRAP BOOK

Mrs. Jena C. Collier

It has been a pleasure to again serve as State Scrap Book chairman.

Many of the chapters reported the keeping of chapter scrap books. Savannah reported three—two in chapter and one in Junior group: George Walton, Col. William Few, Wm. McIntosh. Chapters displaying scrap books at conference were: Sergeant Newton, Oglethorpe, Joseph Habersham and Nancy Hart, this last, being dedicated "to our Sons in the Armed Forces of the United States." May I say that each of these scrap books was splendid.

The John Laurens chapter sent clippings for the State Scrap Book from the Dublin papers covering the State Board Meeting which was held in Dublin in October.

Included in our scrap book is the telegram of congratulations from State Conference to our only living Real Daughter, Mrs. Anna Knight Gregory of Pennsylvania on her 100th birthday, March 23, 1943. We are indebted to Mrs. Chase for this important item.

To Mrs. Snapp, Press Relations chairman, I thank her for much valuable material.

With grateful appreciation for your co-operation, I hope that for the coming year each chapter's outstanding activity will be recorded in the State Scrap Book.

STATE PRESIDENT C. A. R.

Mrs. Henry West

TEXT BOOKS

Miss Helen Estes

Your Chairman has had very little to do this year. Our minds have been on patriotic service, rather than text books.

Of course your Chairman has been on the alert for any suggestion of subversive influences, and several books have been reviewed.

More Chapters than usual report the distribution of Flag codes, "The Story of the Constitution," and patriotic literature.

The responsibility of correctly instructing the youth of America has never been so important as it is today.

TIME AND PLACE

Mrs. Oscar McKenzie

The Fall Board Meeting of the Georgia Society Daughters of American Revolution will be held in Macon, Georgia, at the Hotel Dempsey.

The Forty-sixth State Conference of the Georgia Society, Daughters of American Revolution will be held in Atlanta, Georgia, March 21, 22, 23, 1944 at the Atlanta Biltmore Hotel. Mrs. Mark Cooper Pope, Regent of Atlanta Chapter, will be the official hostess.

TRAVELING GENEALOGICAL LIBRARY

Mrs. Jesse Dixon Wadsworth

Because of so much extra war work, it was decided to let the books remain with the chapters three weeks, and consequently they have not reached as many as they might have.

Since March 1, 1942, Box No. 12 has been to 11 chapters; No. 13, to 5 chapters; No. 14, to 7 chapters; No. 15, to 6 chapters; No. 16, to 5 chapters, and No. 17, to 8 chapters.

There has been much unnecessary delay in reshipping the boxes because the chairman has not been notified when boxes were received, and when this is not done, she does not know what to tell the chapters, next in line to receive the books, about when to expect them. When they are not reshipped on time it also causes the boxes to overlap.

No new books have been bought because of lack of funds, but the following were donated at State Conference, 1942:

Callaway Baptist Preachers, 1789-1882, by The Rev. T. W. Callaway, 1921. (This copy typed by John Laurens Chapter member).

Southern Genealogies, compiled by Mrs. E. B. Freeman and bound by Lucy Cook Peel Memorial Committee.

Franklin Co., Ga. Census of 1850. Copied by the McCall Genealogical Fund.

Genealogical Records, Ga. D. A. R. 1942. Bound by L. C. P. Memorial Committee.

Marriage Licenses, Henry Co., Ga., 1822-37, by L. C. P. Memorial Committee.

Southern Line of the Heard Family, by Guy E. Wood. (12 pages, unbound).

These additions bring the number of books to 252 volumes, and several pamphlets and loose leaf binders of records, valued at over \$1,000.00

Overhead expenses from August 1941 to February 1943 for directing the 6 boxes were \$1.36 for postage, and this year's insurance \$19.59.

I am again asking the chapters to please notify me, promptly, when the boxes are received, and please answer my communications as soon as you possibly can! Thank you.

MARION SIBLEY WYLIE VICTORY FUND

Mrs. W. E. Vann

This, our youngest committee, being established in 1942, State Conference in Macon, honoring our beloved past State Regent, whose name it bears, has been the recipient of many contributions. Quite a number of donations were given at Conference. Many sent during the year. Still they come! These gifts have varied in amount, from \$1 to even a \$50 bond from one chapter—two gifts were given personally also. Our treasurer reports \$171.00 in this fund when her books were closed on February 28th. Since then they continue to come! These of course will be credited on next year's work. As State Chairman, I wish to thank each chapter and all friends who have contributed to this fund. Even though this is the "baby" committee, and realizing that "we must crawl before we can walk," yet with this fine beginning am looking forward to a fine scholarship fund; thus providing for the training of a "new" citizen tomorrow. Our youth are fighting for our country and it is only right that they be educated and trained to take their place in the making of our government. There can be no surer way for making for democracy than planting the seed in the heart of a child, for "The soul of education is the education of the soul."

CHAPTER REPORTS

OOTHCALOGA CHAPTER, ADAIRSVILLE

Mrs. Alice Butler Howard, Regent

The annual report of the Oothcaloga Chapter seems infinitesimal beside those from her larger sister chapters. However its seven resident members are responsible for raising \$137.97 for the Plasma Bank Fund which was turned over to the Etowah Chapter on the purchase of a Plasmobile.

Several of the members are busy in the Red Cross workroom and in "home-front" activities.

A History Medal and two Citizenship Medals are annual awards in the Adairsville schools.

Mrs. W. A. Blackwell of Atlanta will be welcomed as a new member of the Chapter at the May meeting.

COMMODORE RICHARD DALE CHAPTER, ALBANY

Mrs. John Wm. Crouch, Regent

Honor Roll

The Commodore Richard Dale Chapter has a membership of 38, six of whom are non-resident. The Chapter has regular monthly meetings in the homes of members. The programs as suggested by the State Chairman have been used. Fifty Year Books were printed.

The Chapter has been fortunate to have had as guest speakers Army Chaplains and W. A. A. C. Officers as well as other interesting speakers.

Two Bible Records were sent to the State Chairman by this Chapter.

A donation of over ten dollars was given to the Red Cross Chapter for "Buddy Bags." The Chapter members have given over eight hundred hours to the Red Cross.

Five dollars was contributed for the Blood Plasma Fund and five dollars was sent to Ellis Island.

American music has been stressed and each meeting is opened with the singing of a Patriotic Song. The Chapter Ritual is used and the Pledge to the Flag and American's Creed given.

There are four subscribers to the National Historical Magazine. One subscription is sent to the school library.

Seven Good Citizenship medals to girls in the Junior High School and \$5 to the Senior girl winner of the Essay Contest were awarded.

All Patriotic Days have been observed.

THRONEESKA CHAPTER, ALBANY

Mrs. Hudson Malone, Regent

Throneeska Chapter D. A. R. has 68 members; one member lost by death, one transfer; two members gained, one by transfer.

The 48th Birthday of our Chapter was celebrated on January 7th, 1943. Our Chapter has purchased one \$50 War Bond this

year and members have reported buying several thousand dollars worth. \$5 given to History Student in Senior Class selected for outstanding work accomplished. Seven books, "HISTORY AND REMINISCENCES OF DOUGHERTY COUNTY GEORGIA," were awarded to seventh grade pupils in Junior High School for excelling in their respective classes in this subject.

Mary Helen Sperry, outstanding Senior, was chosen as a result of the Good Citizen Pilgrimage Contest conducted at the Albany High School.

Thronateeska boasts of an outstanding Junior Group of about twenty members. Mrs. J. W. Bush is their leader. They presented our Chapter with a beautiful silk American Flag. Their meetings are held in the form of a luncheon at one of the local hotels and the idea has proved very popular because so many of our young members are working and this is the only meeting they can attend.

Our programs were based on the Theme sent out by the State Chairman, "In Freedom's Cause Yesterday and Today." Many splendid addresses have been given on suggested subjects.

Thronateeska Chapter is represented on the State Executive Board by its Regent, Mrs. Hudson Malone, who is State Chairman of Americanism; she attended the State Board meeting in Dublin, Ga., Oct. 20, 1942.

Richard Dale D. A. R. and Thronateeska D. A. R. will have as their guests in June our State Regent, Mrs. Stewart Colley, and our State Chairman on "Correct Use of the Flag," Mrs. John M. Slaton.

The American's Creed was presented to several schools and fifty Citizenship Manuals were distributed by Manual of Citizenship Chairman. We have active Junior American Citizen Clubs in the various schools.

Last September we had our first September meeting and it proved to be very interesting in the form of a "Mother-Daughter Tea;" many of our school and college Daughters were present with their Mothers.

A contribution of money was sent to Ellis Island. We have an active National Defense Chairman and outstanding work has been accomplished by her committee.

Since the Army Air Corps has two camps here, "Turner Field" and "Darr Aero Tech" much time is spent by our members at the Recreation Center entertaining the Soldiers and Cadets and acting as chaperones at their dances in town and at the fields.

A list of men in the service, connected with our Chapter, was compiled and sent to Mrs. E. Blount Freeman at her request.

I would estimate that our members are 100 per cent back of Red Cross and Defense activities. About 50 per cent of them helped with the registration and issuing of War Ration Book No. 2 the last week in February and are lined up to help with the Red Cross War Drive during the month of March; many have completed Red Cross courses in Nutrition, Canteen, Motor Corps, Staff Assistant, First Aid, Home Nursing and members work in the production and surgical dressing rooms.

COUNCIL OF SAFETY, AMERICUS

Mrs. Walker G. Carter, Regent

Council of Safety Chapter met all honor roll requirements with the exception of 10 per cent of membership subscribers to Historical Magazine.

Our activities for the year have been centered upon work in behalf of our country's war effort. Intensive Red Cross work has

been done, six thousand and twenty hours reported and members are now aiding in local Red Cross drive. Several members have finished their nurses' aid course and are serving efficiently in the Sumter County Hospital.

Fifteen dollars was donated by Chapter to Blood Plasma fund, \$7.50 sent to national fund and \$7.50 to be used by blood bank locally. Members have reported buying \$7,240 Defense Bonds and Stamps and the chapter bought one \$100 bond and one \$25 bond. Twenty-five dollars was given to Red Cross.

Council of Safety Chapter again sponsored the sale of Christmas seals for the Tuberculosis fund, sales totalling \$429.

Conservation of human and natural resources have been emphasized and patriotic education has been stressed by chapter in local schools and college. Good citizenship contests were conducted, and six medals awarded to boys and girls of the Americus Junior and Senior high schools and Georgia Southwestern College.

With the increased activities of our women they have been remarkably faithful in their attendance at chapter meetings. Our programs have been given as outlined by our State Chairman with guest speakers and music for added interest.

KNOX-CONWAY CHAPTER, ASHBURN

Mrs. Walter Huckabee, Regent

The Knox-Conway Chapter, Daughters of the American Revolution, has a membership of 21 with an increase during the year of two members.

The club has followed the State suggested outline for programs during the year. The hostesses contribute toward a war bond rather than having the social hour. Part of the meeting is spent in the Red Cross rooms rolling bandages.

The members are individually engaged in doing Red Cross work. All are buying bonds. We are taking our turn in being hostess to seeing our boys leave for service to their country.

\$790.95 has been spent on bonds and stamps by the school children, the drive being sponsored by the D. A. R.

Had guest speakers at some of the meetings.

Historian Chairman has put on contests in the schools, the subject being Georgia.

Members have supported the lunchrooms at Sycamore and Ashburn High Schools and have made contributions to both.

Shrubs, roses, pines have been planted by the members. Gardens have been planted.

ELIJAH CLARKE CHAPTER, ATHENS

Mrs. Boyce M. Grier, Regent

Marshall and Mrs. Harrison Hightower. Thirteen patriotic anniversaries were observed and twelve radio programs given.

A box of clothes was sent to Tamasssee and a subscription to OMNIBOOK was sent the American Merchant Marine Library. Eighteen Buddy Bags were made and filled for Men in Service. The Chapter's Honor Roll was compiled and sent to Mrs. Freeman and Mrs. Jelks.

Boxes of spring flowers were sent to the two Real Daughters. Nine papers were sent to the Filing and Lending Bureau. Four subscriptions to the National Historical Magazine and ten subscriptions to the National Defense News were given to public reading rooms and schools.

The Chapter sponsored the organization of Junior American Citizens Clubs in all grades of four elementary schools. Eight Citizenship medals were awarded. Sixty-four Manuals for Citizenship were placed in needed places. The Good Citizenship Pilgrim was chosen from the Athens High School, sponsored by the Chapter, and the Chapter's Good Citizenship Pilgrims Club on the University Campus has eleven members. Count D'Estaing Society, C. A. R., is sponsored by the Chapter. The Chapter's Girl Home Makers Club is very active and entertained the Chapter at one meeting.

The Junior Committee has taken an active part in all Chapter work, furnishing two officers and twelve Chapter Chairmen. The Juniors served as the Athens Housing Committee for locating homes for possible evacuees from other places in case of emergency.

Chapter members have taken active part in Red Cross, Civilian Defense, and all civic and charitable drives. In every possible way the Chapter has done its part during the present national emergency.

The grave of Jacob Braselton, Sr., Revolutionary Soldier, was marked on May 8, 1942. The marking of Old Fort Lamar was postponed until transportation problems are settled.

The Chapter has had a good year and has enjoyed having a part in all phases of work planned by the National Society.

JUNIOR COMMITTEE

Mrs. H. H. Ware, Jr.

The purpose of the Junior Committee during the past year has been two-fold: an all-out effort to cooperate with the government in winning the war, and to draw together in closer bonds of friend-

ship the active members remaining in the city who have not followed husbands in army or navy service to other towns.

Although we have lost some members through transfers and resignations, we have gained two by transfer, and welcomed three as new members. Our present active roll numbers forty-one, and there are six names pending.

Members of the Junior Committee and their husbands have bought War Bonds to the amount of \$40,655.40.

Five members have given over three hundred hours to Red Cross Service during the past year. Others work regularly every week in the following branches:

Six are Staff Assistants, ten are Supervisors in Production, three are Doctor's Aids and work in the Fulton County Medical Auxiliary Blood Typing Project; two are First Aid Instructors, and one is an Instructor in Water Safety and Life Saving.

Many garments have been knitted and sewed, including: Thirty-six sweaters, seventy-five squares, five scarves, helmets and other articles, three baby layettes, and seven children's garments, besides many other articles not itemized were sewed.

Two members have given blood twice each.

One member is a Day Air Raid Warden.

One member has given one hundred thirty-four hours to the Civilian Defense Filter Center.

One member gives nutrition demonstrations on the Canteen Corps. Health Clinic Committee.

Other members have taken courses in Nutrition, Home Nursing and Braille.

Because of this concentration on Red Cross work, participation in civic endeavors has been limited to the annual Forget-me-not Drive, and to the Red Cross Membership Drive. Seven members served in the Forget-me-not Drive, and collected \$36. The annual Red Cross Drive has not gotten into swing at the time this report goes in, but one member has agreed to act as a solicitor. There probably are others in the group serving in the same capacity.

In cooperation with the Senior Chapter our Junior Committee has formed close ties of friendship and affection. In July, four members attended the Senior Bridge Benefit and helped distribute prizes. One Senior member gave readings of poems as the program presentation at the Junior meeting. Three junior members hold offices in the Senior Chapter. Senior members are welcome guests at all Junior meetings. Eleven juniors attended the annual Kettle-drum, and one junior member was fortunate enough to win the \$50 prize. The annual Georgia Products dinner was attended by a representative of the juniors.

One new undertaking was initiated in the Junior Committee this year: We had a Year Book! Adopting the splendid program outlined by the State Chairman, we invited a list of eminent scholars and speakers to present these subjects to us, and these splendid programs have done much to keep the group intact against the disturbing influences of war, gas rationing and O. P. A. bans on driving.

Two members subscribed to Echoes.

Nine meetings will have been held.

Because of War conditions we have not had much newspaper publicity, but our group is active, and growing, and imbued with D. A. R. ideals.

We have ten chapter meetings, well attended, and our programs were as outlined by our State program chairman. Attractive year-books.

The Good Citizenship girl for this year is Leone Bankston.

Last and not least we have secured a beautiful marker for dead-town and plans perfected to have the unveiling of this marker in April. The dead-town is called Newnan for Mayor General Daniel Newnan, a Revolutionary soldier, who was a member of the 22d Congress 1831-1833. No trace is left of the town. The spot is in Pike County near Meansville, Ga. To point out this historic spot a marker bears the following inscription: In 1823 the Inferior Court Justice of Pike County selected the center lot in the county as site for the County seat. This lot was laid out into town lots and named Newnan for Major General Daniel Newnan, a Revolutionary soldier. Several stores, tavern, temporary courthouse and many dwellings were built. It was a place of considerable trade. Indians from beyond Flint River came to barter their furs.

In 1824 Upson County was cut from Pike, throwing the county seat too far from center. In 1825 a new site was selected and called Zebulon.

Among the distinguished guests at the unveiling will be several of our State Officers and an invitation is extended to members of our neighboring Chapters and others as guests of the Lamar-Lafayette chapter.

WILLIAM MARSH CHAPTER, LAFAYETTE

Mrs. W. A. Enloe, Regent

The William Marsh Chapter, D. A. R., has had a most interesting and useful year.

Our programs have been in line with those outlined by the National Society. We have observed all national holidays and those asked to be observed by National. In line with National Defense, we have included a great deal of this in our programs. In November, we were fortunate to have had with us two WAACs from Ft. Oglethorpe, who gave us much needed and valuable information as to their work in the war effort.

We met all honor roll requirements for the year and have contributed to a great many other causes. We gave \$35, \$1 per capita, to the blood plasma, we also gave \$5 toward the Marine Library Fund, also a small donation to the D. A. R. school in Alabama. We, at all times, cooperate in any local drives for funds, such as Red Cross, Library, charities, etc.

Our chapter also owns one \$100 War Bond and we expect to purchase another one this spring.

Each year, our chapter awards medals, both here and in Chicka-

mauga, Georgia, to those students who excel in history. These awards are made in the colored schools as well as in the white schools. We are also interested in the Good Citizenship Pilgrimage and support it in all of the ways prescribed by National D. A. R.

All of our members who are physically able are actively engaged in war work. Some of them have spent many hours in the Red Cross surgical dressings rooms, others have knitted many garments for members of the Armed Forces, while others have been engaged in sewing. Many of our members have volunteered their services on the ration boards and many help in the various war fund drives.

All of our committees are actively at work and we are trying to keep accurate reports as to the functions of each, according to the rules set down by the State and National Society.

By the end of the year we will have had nine chapter meetings, with a good average attendance and hope to end the year with an enviable record behind us and a determination to start the new one with more zeal and interest in our organization as well as our national welfare.

BONAVENTURE CHAPTER, SAVANNAH

Mrs. Clayton P. Miller, Regent

Bonaventure Chapter extends greetings to the Forty-fifth Annual State Conference and whole heartedly endorses Mrs. Thomas Coke Mell of the Atlanta Chapter as a candidate for the office of Vice-President General D. A. R. at the Fifty-second Continental Congress, 1943.

It has been a privilege and an honor to serve as regent of Bonaventure Chapter during one of the greatest crisis our Country has experienced. Five months after Pearl Harbor when the ideals which gave birth to the D. A. R. were threatened with the gravest perils since their inception I took office. Our members have given untiringly their hands and hearts for National Defense and the Red Cross.

The monthly meetings have been held in the homes of the members and all patriotic anniversaries have been observed with appropriate programs and commemoration booklets given to the members by the regent.

Year books were not issued this year—so that our chapter would be better financially to contribute to the war effort. Attractive booklets were gotten out containing the program as outlined by the State Chairman, Mrs. Henry Mashburn. We dedicated these programs to the memory of our boys who gallantly gave their lives at Bataan, Corregidor and Wake Island, for freedom's cause, that the ideals for which their forefathers fought might not perish from the earth.

Bonaventure Chapter was represented at the exercises commemorating the 200th Anniversary of General Nathaniel Greene; sponsored a party at the Salvation Army U. S. O. for the service men; Regent served six months as president of the Salvation Army U. S. O. Auxiliary—being a representative from our Chapter; participated in the exercises at the Naturalization Court. Regent made welcoming address because of the illness of our Chairman of Americanism. Books have been contributed to men in the armed forces. We have co-operated in all civic and national campaigns.

Our contributions have been to the U. S. O., Blood Plasma Bank, Meadow Garden, S. B. C. Morgan Fund, Kate Duncan Smith, D. A. R. School, Good Citizenship Pilgrimage. We have also purchased a War Bond and an historical map of Georgia has been presented the DeSoto Hotel.

Average attendance is 14 out of a membership of 36, six of whom are non-residents, nine or more who are unable to attend because of holding positions, or illness.

The fellowship and untiring efforts of these faithful members has enabled us to measure up to the ideals of the D. A. R.

We have striven relentlessly toward the preservation of the memory of its Revolutionary Patriots the study of history and education of our youth in patriotic ideals. Also to cooperate in the war effort.

We will continue to unite with all peoples in a kindred spirit to win the war and the peace.

We presented to them a copy of "I Am An American," and an address of welcome was made by the Regent.

VIDALIA CHAPTER, VIDALIA

Mrs. John C. Peterson, Regent

The Vidalia Chapter has 53 members on roll. Three papers are pending. We have added six new members since last conference. Eighteen are non-resident members. Our meetings are held the first Wednesday of each month, from October through May. The attendance has been splendid.

The Chapter has been most active in all phases of Red Cross and Defense work. Ninety per cent are members of Red Cross. Members have worked with other organizations of the city, knitting and sewing. The Chapter contributed \$25 to the Red Cross, and purchased a \$25 Defense Bond. Individual members have purchased the amount of \$6,000 for Defense Bonds. Contribution was made to the Blood Plasma Fund.

Patriotic days have been observed on the programs. The programs have been most interesting, following the outline made by the State Chairman. The December meeting was open to the public, and was held at the Presbyterian Church. A beautiful musical program was presented with Mrs. Frank Jenkins at the piano and Miss Eleanor Wilson at the organ. An address, "Faith of Our Fathers," was made by the Rev. Ewell Nelson.

The Chapter sponsored a Good Citizenship contest in the Vidalia, Lyons, Soperton, and Brewton-Parker High schools.

The regular meetings and also the Board meetings have received publicity in the Vidalia and Savannah newspapers.

We have four subscribers to the National Historical Magazine.

BURKHALTER CHAPTER, WARRENTON

Mrs. John C. Evans, Regent

Burkhalter Chapter has an enrollment of 32 members, 13 non-resident. One new member added during year; two lost by death and their graves marked by Chapter. Ten meetings have been held, and programs as outlined by the State followed. Activities of Chapter published monthly in county paper.

Year Books were distributed at first meeting. All patriotic days observed and flags of the town flown on these occasions.

One Defense Bond of \$18.75 purchased this year.

Two hundred Christmas cards were sent to soldiers from Warren County in camps and overseas. The outstanding work of the year has been the furnishing of one of the day-rooms at Camp Gordon, Augusta, Ga. Each member entered into this work and we secured furniture, rugs, games, piano, victrola, radio, etc., books magazines, and subscription to Readers' Digest, and other furnishings that would make the room as home-like as possible. The value of this room is estimated at \$450, but we feel the real value is the peace of mind and enjoyment the boys will find in this room, thus making better soldiers. When our Warren County boys in the armed service, who have seen actual combat, return home on leave, it has been and will continue to be the policy of our Chapter to show them some special recognition.

Christmas and birthday gifts sent to Real Daughter, and cards on other occasions.

Chapter has compiled an attractive Scrap Book that is a history of Chapter since its organization.

The following donations made by Chapter: Ellis Island \$1.65, Kate Duncan Smith \$2.50, Tamasee \$2.50, Meadow Garden \$1.50.

LYMAN HALL CHAPTER, WAYCROSS

Mrs. Mack Barnes, Regent

"Thou shalt be served thyself by every sense
Of service which thou renderest."

The service rendered by the members of the Lyman Hall Chapter has not only meant much to the community in which we live but much to the development of each member.

Early in the spring, hearing that discarded hose could be sterilized and sent to China to be used for the outside bandage on an arm or leg, we collected 88 pairs, and sent three old sheets, and 50 yards of homespun to be used in wrapping the piles of hose for sterilization.

In April Waycross, as many other cities faced the task of caring for soldiers. A temporary USO was established and the Lyman Hall Chapter staffed it from 9 a. m. to 10 p. m. for the entire month of June. Books and magazines were collected and sent to nearby Camp Stewart and soldiers have been entertained in our homes.

As Camp Stewart is located near a very small community, appeals were made to surrounding cities to assist in furnishing 100 day rooms. The Lyman Hall Chapter assumed the responsibility for one. The furniture, draperies and rugs were collected and bought at a valuation of over \$100 and the room opened in May.

Music Week was observed in a very special way and was under the general supervision of a member of our Chapter—Mrs. Q. L. Garrett.

The Conservation committee has been busy. The Chapter has a Becker girl, one whom we have cared for for three years and who is now in High School. The committee also assisted with sale of

Tuberculosis Seals, and most members of the Chapter have contributed in some way to the splendid work of the Red Cross. One member has been chairman of production for five years—another is chairman of knitting and still another of Volunteer Special Services and one of Staff Assistance and of Home Nursing. Several members are supervisors in the surgical dressings room.

In the fall the Chapter contributed to the fund for the making of Buddy Bags and many members assisted in making these. We gave a ceiling light for the new building at Tamasee and made a contribution to the fund for the Merchant Marine Library.

A card index is being made by the Historical committee of the names of sons, husbands, brothers and nephews in the service, and the names of several members have been certified as having given as much as 300 hours of service to the war effort.

As usual the Good Citizenship Pilgrim was chosen from each school in the county, and publicity and pictures appeared in the paper.

EDMUND BURKE CHAPTER, WAYNESBORO

Mrs. Chandler W. Wimberly, Regent

Edmund Burke Chapter held 10 interesting and well attended meetings this year. Our programs followed the challenging plan of the State Chairman and guest speakers and musicians were enjoyed. All meetings have been given splendid publicity.

Our usual delightful social hour was given up this year so that a special donation might be made to the Blood Plasma Fund.

The membership of 25 is the largest in several years and papers of three prospective members are being compiled.

The chapter recorded with sorrow the passing of Mrs. Irene Baxley Kilpatrick.

Findings from the Historian General state that there is no record of the grave of Eliab Kingman, Sergeant of Artillery, Massachusetts Line, so Edmund Burke Chapter claims recognition for locating this grave in Wentworth Street Lutheran Churchyard, in Charleston, S. C., and is to mark the grave.

Some Bible and tombstone records have been sent in.

Many phases of Red Cross activity have been entered into, First Aid and Nutrition classes, sewing, knitting and rolling bandages, as well as memberships and generous contributions. Members spent hours on the War Bond Drive last summer.

An award for excellence in history was given.

One-fifth of our members are subscribers to the National Historical Magazine.

We shall be represented at State Conference by our vice-regent.

SUNBURY CHAPTER, WINDER

Mrs. J. H. Pledger, Regent

Honor Roll

Sunbury, with 21 members, was the first Chapter in Georgia to comply with requisites for the honor roll.

Home Defense projects have superseded all types of work and every member has entered wholeheartedly into these activities. A survey reveals that every member has completed two or more courses in First Aid, Nutrition, Nursing, Motor Corps, sewing and knitting. The ex-Regent is Red Cross production chairman; one member is

Nurse's Aid; and the Regent and two members received certificates from the Office of Price Administration for services in United States Rationing War Registration Program. The Chapter and individuals have bought bonds, and contributed to the Red Cross, Community Chest, Polio Drive, Tuberculosis Seal Sale, Cancer Drive and Russian Relief.

All D. A. R. publications belonging to Sunbury have been loaned the County Library. The regent is serving as member of Library Board. Books were given for collection sent to Camp Toombs, a soldier center, and these were reported to be the best and largest selection received. The Traveling Genealogical Library was used.

Flag leaflets were given all schools in Barrow County. Copies of the Flag Pledge and American's Creed are posted on the bulletin board in city school. United States and Georgia flags are properly displayed on school grounds. The recent change in method of giving flag pledge was published in paper and is given accordingly by members of Chapter.

Four prizes have been offered for progress in sewing and cooking, and three for excellence in history. Defense Stamps were given to local Good Citizenship representative, who was named as alternate to Georgia's delegate.

A hand-painted service scroll of sons and brothers of Chapter members was presented at March meeting. A three-generation chart for each member is near completion.

The grave of William Whitehead has been located. A request has been made for marking the grave of the Chapter's only deceased member. A Christmas remembrance was sent the only Real Daughter.

Acknowledgement is made of the historical and educational value of many fine films shown at local theater.

"In Freedom's Cause, Yesterday and Today," was the theme of program for 10 months. A guest speaker was featured at each meeting, and two of the talks were sent to Filing and Lending Bureau. All patriotic days were emphasized in some manner, Georgia Day, which was celebrated jointly with the Legion Auxiliary and U. D. C., was the most outstanding. A substantial sum was realized from the sale of miniature Georgia flags.

The new C. A. R. clubhouse, a granite building given by Colonel James Dala Watson, will be shared by Sunbury Chapter and the S. A. R. of Winder. Landscaping the grounds and collecting furnishings for the new home will be a project for the ensuing year.

One hundred and six inches of space was used in local paper, reporting work of Chapter. A Scrap Book shows activities of Chapter since organization.

Mrs. Henry Mashburn, Chairman

FREEDOM ROUND THE WORLD

"Everywhere America is opening its eyes, its ears, its mind. So push back the limits of the world you live in, until it's as big as the whole planet spinning hopefully between the stars."

—Louise Redfield Peattie.

"Let me stand still upon the height of life
Much has been won, though much there is to win."

—Susan Coolidge.

"Man was not born of God to be a slave;
 Since Creation's dawn, when God's own breath
 Enflamed the lifeless clay, the light of freedom
 Was set aglow within the heart of man.
 That flame, quickened by the light from Bethlehem's star
 Became a hope immortal with the sunrise of Easter morn.

Throughout the ages, in all lands and climes
 Man has nurtured within his breast the light of freedom,
 Resisting tyranny's accursed bonds;
 And climbing, by tedious steps, to freedom's height.

Round the world today, in solid phalanx marching
 Nations East and West, and North and South
 Are knit in firm resolve to set upon the hearthstone of the World
 This light of freedom, the flame unquenchable."

—Nell Denton Mashburn.

"Sail, sail thy best, Ship of Democracy
 Of value is thy freight; 'tis not the Present only
 The Past is also stored in Thee.
 Thou holdest not the venture of thyself alone, not of the Western
 World alone,
 Earth's resume entire floats on thy keel, O Ship, is steadied by
 thy spars,
 Venerable priestly Asia sails this day with Thee
 And royal feudal Europe sails with Thee
 A freer, vast, electric World to be constructed here."

—Walt Whitman.

 ernment to the English-speaking people; of religious freedom won
 on many a bloody field." —Chauncey Depew.

The fourteenth annual meeting of the State Officers' Club, Georgia Society, D. A. Mrs. Bun Wylie, the president, served as toastmistress and presided at the business session.

Attractive spring flowers formed massed arrangements on the speaker's table and on the smaller round tables used throughout the dining hall. Place cards added a patriotic note to the tables. Larger cards bearing the American Flag in colors, with the Pledge of Allegiance, and the American's Creed added further patriotic features to the decorations.

The invocation was given by the Chaplain, Mrs. Frances Brown Chase.

She reported a total number of 40,623 garments made since January, 1943.

REPORT OF GEORGIA SOCIETY, CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Henry Reid, President

The Georgia Society, C. A. R., reports a year of active service. We have in Georgia at the present time seventeen societies with a paid up membership of 275.

Our local societies have met all C. A. R. obligations. Regular programs held, emphasis placed on flag etiquette and learning all

stanzas of The Star Spangled Banner. Contributions of money, clothing and gifts have been sent to Kate Duncan Smith and Tam-
assee. Outstanding in this work is a scholarship of \$100, augmented by shoes, money and a Christmas box given by Lady Elizabeth Oglethorpe Society to their adopted child at Tamassee.

The building fund at Kenmore has received support from us—the Lieutenant George Calvert Society's gift of \$24.00 being our largest contribution.

Our members have enthusiastically aided in National Defense work by helping in the purchase by our National C. A. R. society of a \$2,044 ambulance and a \$2,000 clubmobile to be sent to North Africa, General David Blackshear Society contributing \$25.00, the largest amount. We have done our part in salvage—(LaGrange Society having collected 18,000 pounds of scrap alone). We have collected magazines for the soldiers (Count d'Estaing Society having put 3,299 magazines on troop trains). We have gone over the top in the purchase of stamps and bonds; and have helped entertain service men at parties and dances.

Colonel Henry Lee Society has purchased a \$100 War Bond.

Lucy Spell Raiford deserves commendation for having equipped three Day rooms for the parachutists in the Alabama area with recreational facilities. One of these rooms is in honor of our junior state president, Mary Alice McDonald.

Red Cross work has been stressed by knitting, bandage rolling, collection of clothes for relief, and participation in first aid and nutrition classes.

Numerous other activities have had their part in our work—among them the building of a club house by the newly organized James Watson Society.

We have had two honors nationally. Ann Wallace of Benjamin Fitzpatrick Society has been made Junior National Membership Chairman, and little Mae Erwin Talmadge of Count d'Estaing Society, granddaughter of Mrs. Julius Talmadge, has been chosen to represent the National C. A. R. Society at the D. A. R. National Congress. She will present flowers to the President General.

Our greatest contribution is the enrollment of eight members in the armed forces of the United States, one of whom, Carter S. Baldwin, III., has given his life for his country. He died in action on Guadalcanal Sept 14, 1942, and we do honor to his memory.

LUCY SPELL RAIFORD SOCIETY, COLUMBUS

Mrs. Herbert Fay Gaffney, Senior President; Jean Murrah, Junior President

Another Glad Harvest Day has dawned and it is a pleasing reality to bring in the abundant sroe.

When the grand total of \$1,093 is declared it intimates an active year from the largest number of members claimed by another Georgia Society of the C. A. R. Lucy Spell Raiford has a working membership of 60 children. Red Cross work has claimed most of the activities and unusual services has been given by every member. Tin foil, knitted mufflers, and squares, scrap amounting to many hundred pounds, selling and buying war stamps, bonds, furnishing completely four Day Rooms for the Parachutists Area on the Alabama side of the flowing Chattahoochee, Christmas gifts, candies, parties, socials, decorating day rooms for the soldiers and hundreds of hours devoted to personal war work by members, their mothers and grandmothers have received constant attention.

One young gentleman who is now in the ranks is being transferred to the Georgia S. A. R. He is, so far, our only member entering the American armed forces.

Several of our older girls are winning their spurs at State Colleges and realizing the value of early training gained through membership in patriotic societies.

Our subscriptions to the C. A. R. Magazine stand out as a cooperative movement and the articles found in the publications are subjects for the various programs.

ROBERT SALETTE SOCIETY, DECATUR

Assistant President**

BENJAMIN HAWKINS SOCIETY, MACON

**Mrs. Joel Erling Pruett, Senior President; Mrs. Frank Comer,
Junior Advisor; Olive Anne Burns, Sr. Group President;
Ann Weaver, Junior Group President**

Sponsored by Mary Hammond Washington D. A. R., organized in the fall of 1930, there is an active membership of 38, the Society being divided into two groups. Girls of high school and college age are in the Senior Group, and the Junior Group is composed of grammar school girls. An increase of seven members, with five transfers to the D. A. R.

Each group has had regular monthly meetings, with business ses-

sions preceding each program meeting. The programs have been timely and appropriate, and beautifully given by the girls. There has been one meeting with the Sponsor Chapter, with the Senior group girls giving the program, and another joint meeting is being planned for April with the Junior group in charge. The Annual banquet will be held in May.

Contributions have been made to Tamasee, Kate Duncan Smith School, and Headquarters Building Fund.
