REPORTS OF STATE OFFICERS

STATE REGENT

Mrs. Mark Smith

Another year of D.A.R. work has come to a close, a new year faces us. The end of the year is significantly marked by the holding of State Conference, this year, Georgia's FIFTIETH!

Our debt to our Pioneers was described recently in this manner: In a cartoon, "Way Down Home," it portrayed a winter scene, with three boys trudging through the snow. The boys were walking single file, and the youngster bringing up the rear was commenting on the striking beauty of the countryside in its fresh blanket of newly fallen snow. The second boy was puffing slightly, but he did pause to comment, "It is sorta pretty, isn't it?" The boy in front, however, was preoccupied with breaking through the snow and it was no easy task. His comment was significant. The situation, he said, was just like the early days. Some hardy pioneer would go ahead of the rest and do all the rough, hard work, never having the time, or the opportunity to appreciate the beauty of the countryside, while those who came later followed in the paths he had made. "If you think this is so beautiful," he told the other two boys, "one of you get up front and break the snow for awhile."

All of which reminds us of the debt we owe our pioneers, who did all the really hard work in making our nation the greatest nation on earth today. And in like manner we may apply this illustration to those fine women who blazed the trail, and who made the first paths in the National Society Daughters of the American Revolution, and of the Georgia State Society, National Society Daughters of the American Revolution. We who enjoy the fruits of their labor, may fittingly pause to express our appreciation of the efforts of our members not only in the National Society but in our own State Society, as well; appreciation of those who in earlier years were courageous enough, and farsighted enough to "break the snow" that our path might be an easier one.

Strange, isn't it, that two years ago when I was installed as your State Regent there was a Railroad strike, and now another similar situation exists.

I read this story the other day, and I couldn't help but in my own mind compare myself with the little dog mentioned in the story, many times during the past two years. A farmer and his wife, every afternoon would go down to watch the four o'clock train pass by. They were always accompanied by their little dog, who each afternoon chased the train. The farmer's wife said, "I wonder why he chases that train every afternoon?" "That isn't what I wonder," said the farmer. "I just wonder what he would do with it, if he ever caught it." I, too, might not have known countless times what to do with certain questions and problems, if I had not had at all times the interest, loyalty and sympathetic understanding of each one of you.

Following close upon the end of State Conference last year was the meeting of the Proceedings Committee, held May 6th in Thomaston at the home of the Chairman, Mrs. William Harrison Hightower.

May 16th, 1947 your State Regent left for National Congress in Washington. It has been my pleasure to attend three National

Board meetings this year, and I expect to leave April the 15th, 1948 for National Congress.

The summer months were spent in planning and scheduling District Meetings. A complete record of these meetings will be found in the Proceedings. The interest and the large attendance at these meetings answered in the affirmative the question, Are District Meetings worthwhile?

August 26, 1947 I went to Milledgeville and the next day went with the State First Vice Regent, Mrs. Young Harris Yarbrough, to Athens to the dedication, by the Elijah Clarke Chapter, of Fort Lamar.

September the 23rd, in the car with Mrs. Yarbrough, Mrs. P. L. Hay and your State Regent left for the first of the District Meetings. Toccoa for the meeting on the 24th. We were joined by a number of others and then went on to Dalton for a meeting on the 25th. A meeting in Griffin on the 26th.

We spent the week-end at home, and started September the 29th at Milledgeville, a whole week of travel in the southern part of the State. This time going with Mrs. P. L. Hay, in her car, and accompanied by Mrs. Yarbrough, Mrs. T. Earle Stribling, and Mrs. William C. Robinson.

Swainsboro, September the 30th; Bainbridge, October 1st; Fitzgerald, October 2nd; Eastman, October 3rd; in every instance beautifully appointed luncheons were served, and entertainment by local members, other than the Chapter luncheons. Every consideration was given us, for our pleasure and comfort, by the members in the cities visited.

October the 8th, Mrs. P. L. Hay accompanied your State Regent to Fort Valley, where we were guests at the birthday celebration of the Governor Treutlen Chapter, Mrs. W. O. Garrett, Regent. Mrs. Ober D. Warthen, Vice President General from Georgia, and her charming mother were also honor guests.

October the 14th, left for Washington to attend National Board meeting. It has been a delightful experience to have been a member of the National Board. The President General, Mrs. O'Byrne, presides with ease and grace, and never fails to see the question from the viewpoint of a State Regent.

October 18th, your State Regent and State First Vice Regent accompanied by their husbands, spent the night at Lake Louise en route to Founders Day at Tamassee.

October the 23rd, the Executive Board met in Macon. The evening preceding Mr. and Mrs. P. L. Hay entertained informally the members of the Board who arrived the evening before the board meeting.

November the 5th, went to the luncheon meeting of the Fielding Lewis Chapter, at the Marietta Country Club.

November the 11th went to Thomaston and was the house guest of Mrs. William Harrison Hightower, and spoke November the 12th to the John Houston Chapter.

November the 13th motored with Mrs. Hightower to Albany, where at a joint meeting of the Commodore Richard Dale Chapter and the Thronateska Chapter we were guests. Mrs. Hightower accompanied me to Macon and on Friday, November the 14th, aided by Mrs. Yarbrough and Mrs. Roy Finch, we mailed out over three hundred (300) letters, carrying information of Georgia's desire to present the name of Mrs. Howard H. McCall, as a candidate for Honorary Vice President General NSDAR. Later formal announcement cards were mailed out.

November the 19th left at one o'clock in the morning for Brunswick. Was guest at luncheon of the Regent, Mrs. F. M. Scarlett, at

the Cloister, Sea Island, and attended the meeting that afternoon. Returned home that evening.

December the 2nd, went to Hogansville to the Organization Meeting of the Governor George M. Troup Chapter, Mrs. T. Jackson Lowe, Organizing Regent. That evening spoke to the Hogansville Kiwanis Club. Was delightfully entertained as the house guest of Mr. and Mrs. T. Jackson Lowe.

December the 5th, your State Regent was appointed Chairman of the Mayor's Committee for the Women of Bibb County on the Advisory and Planning Committee on the Freedom Train's visit to Macon.

December the 9th, Mrs. P. L. Hay accompanied your State Regent to Augusta, where we participated in the program of the Augusta Chapter.

December the 11th your State Regent and your State First Vice Regent went to Savannah for a two day planning meeting, with members from the three Savannah Chapters, for State Conference. While in Savannah we were entertained by Mrs. Gertrude McLaws Boone, at a luncheon in her home; Mrs. R. J. Travis assisted by the other chapters and their Regents had a tea at her home, Avalon, followed by a dinner party that evening, given by General and Mrs. Travis.

December 31st, the day of the Freedom Train Visit. I gave two radio talks that day, and served as hostess to the first visitors to the train.

1948, January the 6th entertained Mrs. Charles D. Ellis, of Savannah, General Chairman for State Conference, at luncheon in Macon completing plans for State Conference.

Sunday, January the 25th was Georgia State Sunday at Valley Forge Washington Memorial Chapel. The program was sponsored by the Georgia Society.

February the 1st, left for National Board Meeting in Washington.

February the 20th went with Mrs. Hamilton Holt, and her mother, Mrs. Carroll Clarke, to Americus, where we were guests at a tea, given by the Council of Safety Chapter. The proceeds from this tea to be given to Approved Schools.

Sunday, February 22nd, motored to Atlanta and gave a radio talk on George Washington—this program sponsored by the Baron DeKalb Chapter, Mrs. John Peteet, Radio Chairman. There we were met by Mrs. J. E. Carmack, Mrs. Minor Franks, Mrs. John F. Thigpen, and the State Regent's mother, Mrs. Clifford Moore Davis, of Atlanta. The following day the Decatur ladies, who sponsored the program, entertained your State Regent at a luncheon.

March the 3rd went to Spartanburg, South Carolina and enjoyed attending the South Carolina State Conference.

Plans to attend State Conference in Alabama and Florida had to be cancelled, due to illness of my husband.

Other dates listed for the remainder of this year, which I will attend as your State Regent, are the Children of the American Revolution Convention April the 10th in Atlanta, and National Congress in Washington. My plans are to leave April the 15th for Washington and return home April the 25th.

To try and express my feelings to you, as I bring you this my last report as your State Regent, would be no easy task. The riders in a race do not stop short when they reach their goal. The race may be over but the work is never done. I pledge you my continued interest and loyalty. It is my hope and my sincere intention to retire, and become again a working lay member, striving never to interfere in any manner with the incoming administration.

Maybe your State Regent had visions of what she had hoped to accomplish in these past two years; all men see visions, some follow them. Humanity must not forget those of us who dream, even though our dreams are never realized as we might wish them to be. Our vision of continued service and further growth will be just what we want it to be. It has been said that visions are the seedlings of realities. Columbus cherished a vision of another world beyond the great waters, and he discovered it; and, because of that discovery, which at first was merely a vision, there was founded our great Country, which now is a shining light to all the world. Judson had a vision of Christian missionaries going into heathen lands with the message of Christ, and he went; so today countless numbers of missionaries are carrying the gospel to foreign lands. Cherish your visions, cherish your ideals, cherish the music that stirs in your heart, and the poetry that fills your soul, the beauty that forms in your mind, for if we will be true to our visions our world will eventually be built of such material. We cannot travel within and stand still without. Our accomplishments will be too magnificent to recall if we but throw the weight of our great membership behind our already established worthwhile undertakings.

We do not all have the same visions; we do not all think the same way and it has never meant that we should. Your State Regent can only say to you, in all earnestness and in deep humility, and utter sincerity that at all times it has been my purpose to act, and to try to decide the question at hand, for the good of our beloved Organization, and to the harmonious execution of the whole.

"What we need is not champions of the past but apostles of the future."

For the privilege of having served you, I am deeply grateful.

For the cherished memories of your love, understanding and loyalty, I can only say "THANK YOU FROM THE BOTTOM OF MY HEART."

STATE FIRST VICE-REGENT

Mrs. Young Harris Yarbrough

The State First Vice Regent attended the eight District Meetings in September, presenting the work of the Approved Schools, as that was the State Committee assigned to the Vice Regent; was present at the unveiling exercises of old Fort Lamar by the Elijah Clarke Chapter, and a guest at the luncheon in the home of a member nearby; accompanied the State Regent to Savannah in December to make plans for the 1948 State Conference; attended nine Chapter meetings.

It has been such a privilege to work with the splendid women in our Society, and the association with our gracious and ever thoughtful State Regent will always be among my happiest and most cherished memories.

STATE SECOND VICE-REGENT

Mrs. Leonard Wallace

It has been a pleasure to serve as your State Second Vice Regent and to perform any tasks assigned by the State Regent. Mrs. Smith has made an excellent leader and has been most unselfish in sharing the joys of her office.

STATE CHAPLAIN

Mrs. John D. Faver

Two years as your State Chaplain have been completed. As I retire, I would much rather say "thank-you" from the bottom of my heart, than to give you the facts and figures which make up the usual report, for these two years have brought into my life deep satisfaction and many blessings.

The fine cooperation of Chapter Chaplains and Regents has been greatly appreciated, and from their reports I am sure that the work done has made the people of their various communities feel that theirs was a better place in which to live because of the presence of the Daughters in their midst.

Your State Chaplain has attended all state meetings, and visited five chapters, including the organizational meeting of our new chapter, the Gov. George M. Troup Chapter, Hogansville. She also attended, with other of your officers the state meeting of the Children of the American Revolution. It was regretted that other invitations could not be accepted. One hundred fifty-five letters and cards have been sent including notes to the bereaved families of our deceased.

Since the last conference, seventy (70) Georgia Daughters have gone from among us, but have left in our hearts a living memory, gratitude for the inspiration of their lives, and a prayer that we may ever grow more worthy of our heritage.

STATE RECORDING SECRETARY

Mrs. Boyce M. Grier

The State Recording Secretary attended District meetings in Toccoa, Griffin and Milledgeville; the State Board meeting in Macon on October 23, 1947; the State Board meeting and Annual Conference in Savannah March 30, 31, and April 1, 1947; and the Proceedings Committee meeting in Thomaston May 6, 1948. She has kept the minutes of all meetings and filed all reports and records sent to her; corresponded with many officers, chairmen, chapter regents and members; giving information available to all who requested it.

It was her pleasure to attend the Founder's Day Program at Tamassee, the Dedication of the Marker at Fort Lamar in Madison County, Georgia, and to appear on one chapter program. All courtesies extended and the Year Books sent to the State Recording Secretary are sincerely appreciated.

STATE CORRESPONDING SECRETARY

Mrs. Parks Lee Hay

It has been a distinct privilege to serve the Daughters of the American Revolution of Georgia as Corresponding Secretary and a very happy experience to work with our most efficient State Regent and other State Officers.

All routine work has been attended to. The messages of the State Regent to the Chapter Regents, Members of the Executive Board, and State Chairmen, Invitations, Credential Cards, and other letters have been mailed.

Notes and telegrams were sent in the name of the Georgia State Society to those in sickness and sorrow, and letters of appreciation have been received from those to whom these letters were sent.

Programs have been prepared and printed for the Fiftieth Annual State Conference, \$65.34 was spent for stamps.

On September 23, your State Regent and I joined Mrs. Y. Harris Yarbrough in Milledgeville, and in her car we went to Madison where Mrs. Leonard Wallace joined us for Toccoa. There Mrs. Harrison Hightower, Mrs. John D. Faver, Mrs. T. E. Nottingham, and Mrs. Thomas C. Mell joined us. On the 24th we held a meeting of the Northeastern District; on the 25th we held a meeting of the Northwestern District at Dalton; and on the 26th in Griffin. After each meeting a beautiful luncheon was served. The next week it was my pleasure to have Mrs. Smith, Mrs. Yarbrough, Mrs. Stribling and Mrs. Robinson in my car for our Southern trip. On the 29th we held a meeting in Milledgeville, on the 30th in Swainsboro, on October 1 in Bainbridge, on the 2nd in Fitzgerald, and on the 3rd in Eastman. Again after each meeting a beautiful luncheon was served. When we reached Fitzgerald on the evening before our meeting a lovely reception was given us. We really had a lovely trip and enjoyed it very much. We felt that the meetings had accomplished a great deal of good. On October 21, Mr. Hay and I had the pleasure of entertaining informally the State Officers, State Chairmen, and Chapter Regents on the evening preceding the State Board Meeting.

This consisted of more than 300 volumes which were listed and placed in our new book cases at Rhodes Memorial Hall. Three boxes were packed with books. These three to continue to travel, if and when requested by a Chapter. We were greatly impressed and pleased by the excellent and valuable collection of books in this Traveling Library. The State Chairman, Mrs. J. D. Wadsworth, has rendered a valuable service to our State Society. She has been faithful in her duties over a long period of years and it is evident that she displayed very remarkable judgment in selecting these valuable books for our State Society.

STATE HISTORIAN

Mrs. Henry Mashburn

Since the Daughters of the American Revolution is an organization dedicated to the task of preserving the history of our country, several events of 1947 held peculiar interest for us. The Freedom Train, which drew large crowds everywhere, displayed documents dear to all Americans, and the Georgia Train centered interest in the history of our own state. The pride of Georgians was further stirred by the exhibit of Georgiana at the Library of Congress, Washington, D. C.

Georgia Daughters have not been idle this year in promoting interest in things historical. Again Elijah Clarke Chapter submitted an excellent report. Their observance of fourteen patriotic occasions took permanent form in eighteen articles printed in local papers and copies sent to the Filing and Lending Library.

Sergeant Newton Chapter sent a printed booklet, "Old Oxford" by Dr. Goodrich C. White, and Nancy Hart Chapter supplied a printed "History of First Presbyterian Church, Milledgeville," by Mrs. J. L. Beeson.

Two historical sites were marked with impressive ceremonies. A granite marker was placed on the site of Fort Lamar, Georgia by Elijah Clarke Chapter; in hall County, Georgia, the grave of John Inzer, Revolutionary soldier, was marked by William Candler Chapter. The latter society submitted newspaper clippings describing the event, and a handsome photograph of the marker. Elijah Clarke has secured stones for the graves of William Turk and William Thomas south of Homer, Georgia. These will be placed at an early date.

Nancy Hart Chapter has located the graves of two Revolutionary soldiers. John Benson Chapter, Hartwell, submitted a roll of all

Revolutionary soldiers whose graves have been located in Hart County.

Contributions to Valley Forge Memorial by Georgia Daughters this year total \$293.00, including enrollment of Hawkinsville Chapter; enrollment of Mrs. R. A. Malone, Georgia Senior President of Children of the American Revolution, by the LaGrange Chapter; memorializing nine heroes honored by Dorothy Walton Chapter; two heroes memorialized by Sergeant Newton Chapter.

LaGrange Chapter enrolled one hero at National Tribute Forest and Elijah Clarke Chapter contributed \$11.00 to that project. Baron DeKalb Chapter sent in five additional service records.

Chapters reporting having copied records were: Sergeant Newton Chapter, two books of early marriage records and twenty cemetery records; William Candler Chapter, five pages of Bible records.

To promote interest in history among the youth Elijah Clarke Chapter has five subscriptions to the D.A.R. magazine placed in schools and the National Defense magazine in ten libraries. General David Blackshear Chapter has the D. A. R. magazine in Rochelle High School and gives an annual history award to the high school student excelling in the study of American History.

John Ball Chapter sponsored an essay contest on Historical Spots in Twiggs and Wilkinson Counties, giving two cash prizes of \$5.00 each.

Elijah Clarke Chapter promoted weekly radio broadcasts by school children dealing with patriotic themes.

General David Blackshear Chapter made a cash contribution of \$5.00 for Meadow Garden.

It has been a privilege to serve the State Society in this capacity and a real pleasure to work with our State Regent and the other Georgia Daughters.

STATE CONSULTING REGISTRAR

Mrs. Robert H. Humphrey

The importance of maintaining the State Membership drive has been kept before the chapters. Several chapters have sent in their cards for filing and cards have been made and filed for chapters not making reports. Chapter registrars can render a valuable service to the State Society by reporting at once any change in membership. To cooperate to the fullest with the policy of the National Society to stress increase in membership, a cash award of \$10.00 was offered to the chapter showing the highest percentage of net gain in membership for the year. This award went to the Dorothy Walton chapter of Dawson.

As state chairman of Membership the following report is submitted: Deceased, 68; Dropped, 5; Reinstated, 60; Resigned, 71; Admitted 345; net gain of 261. Total for Georgia membership, 5,216; at large, 25; grand total of 5,241.

STATE CURATOR

Mrs. James Nuckolls

It is with pride that your State Chairman submits this report.

It has been an interesting and exciting year, waiting to hear from the National Chairman and to know that all Articles submitted from this State were acceptable but one.

The first gift accepted was a beautiful old lace shawl, given by Mrs. D. M. Andrews through the LaGrange Chapter.

Elijah Clarke gave five pieces of Currency and Notes, with the dates 1775 to 1776. These were presented by Mrs. Julius Dudley.

Mrs. Thomas H. Morgan gave a Tinder Box and Candle Stick, also a Brass Call Bell, which once belonged to the first Governor of Maine.

Mrs. Reuben Garland presented the National Museum with three gifts, a piece of Handmade Lace, two books, Laws of Executors and First Laws of Georgia.

Mrs. Carter Harris Prather gave a piece of sheet music, "Swiftly Glides the Bonny Boat." These six gifts were made through the Atlanta Chapter.

Five chapters sent a total of Fourteen Dollars to the Museum Library Fund.

It is my pleasure and privilege to present to the Atlanta Chapter the Sara Morrow Trophy for the most Valuable Revolutionary gifts given to the National Museum.

STATE EDITOR

Mrs. R. L. Carter

The State Editor has conducted the department in the Atlanta Constitution devoted to the Daughters of the American Revolution since March 1, 1947, with the exception of the fall months when the State Assistant Editor, Mrs. J. H. Pledger, edited the column. The Constitution editors have given full cooperation and only a few columns have been omitted entirely. News from the National and State Societies has been sent to the Atlanta, Macon, LaGrange, Columbus, Savannah, Brunswick, Augusta, Valdosta, Waycross and Albany papers on several occasions.

Forty-nine chapters have contributed news for the column. Messages from the State Regent and other State Officers have been published, and reports and messages from fifteen State Chairmen have been used in the column.

Elijah Clarke Chapter has sent to the State Editor the most complete file of news for use in the column and is therefore the winner of the May Phillips Mims Trophy. LaGrange Chapter has contributed a file of interesting news and has submitted the best articles on chapter activities other than chapter meetings, thus winning the State Editor's Award of \$5.00.

STATE ASSISTANT EDITOR

Mrs. James Henry Pledger

As State Assistant Editor I conducted the official D.A.R. column in the Atlanta Constitution from September 1st, to January 1st.

Chapters throughout the state manifested increased interest during my tenure of office. Limited space for the official column would not permit publication of all the material received.

Mrs. Mark Smith, State Regent; Mrs. R. L. Carter, Editor; and Miss Yolande Gwin, of the Atlanta Constitution were always in readiness to give any needed assistance.

The duties of this office proved to be interesting and pleasant. Much more was gained than given in serving the Georgia Society, Daughters of the American Revolution.

COMMITTEE REPORTS

NATIONAL COMMITTEES

REPORT ON THE ADVANCEMENT OF AMERICAN MUSIC

Mrs. Hamilton Holt

It is gratifying to report to you that appreciation of our own American Music is being advanced each year.

Almost every Chapter in the State has reported progress, not only in the Chapter itself but through programs open to the public. The people generally have been given many opportunities to hear and thus appreciate the works of American composers. These public programs have been conducted in churches, schools, hospitals, and over radio.

I earnestly hope that each Chapter in the State will continue this important work. Patriotism of the right sort is very necessary in these perilous times and recognition and appreciation of American composers will make a definite contribution to this highly desirable end.

I am happy to present to the LaGrange Chapter my award of five dollars (\$5.00) for their outstanding work. Others with very good reports which deserve mention at this time are: The Joseph Habersham Chapter, Atlanta; Nancy Hart Chapter, Milledgeville; Nathaniel Abney Chapter, Fitzgerald; and David Blackshear Chapter of Rochelle.

AMERICANISM

Mrs. John Calhoun Peterson

In response to a questionnaire sent to all chapters by your Chairman of Americanism, 55 chapters responded. From these reports the following data were obtained. Twenty-four chapters reported giving cash awards to students excelling in history, totaling \$110.00. 30 chapters reported the presentation of the total of 64 medals to students for history prizes. 35 chapters reported the total of 84 Good Citizenship contests. 27 chapters presented the D.A.R. Magazine, The National Defense and other Patriotic literature to school libraries. Three chapters reported special work with foreigners and the attendance of members at Naturalization courts. Several chapters presented the D.A.R. Manual to city libraries, some in French, German, and Spanish languages. One chapter reported that recognition of 18 year old voters is made in a public program where certificates signed by the Governor are presented the voters. Many chapters reported cooperation with various youth organizations such as The Girl and Boy Scouts, and 4-H Clubs. Others gave interesting accounts of special programs of patriotic nature; four mentioned radio programs. Practically all chapters use The American's Creed and The Pledge of Allegiance in their meetings. 100 percent reported Red Cross enrollment. Several chapters reported contributions to C.A.R. Chapters. The reports were gratifying and I feel that the work in Americanism has been maintained and extended. I feel confident that most phases of the work have been carried on even in those chapters failing to make a report. The following chapters, because of their excellent reports, deserve special mention: LaGrange Chapter, LaGrange; Nancy

Hart Chapter, Milledgeville; Matthew Talbot Chapter, Monroe; Atlanta Chapter, Atlanta; Brunswick Chapter, Brunswick; Augusta Chapter, Augusta; Henry Walton Chapter, Madison; John Benson Chapter, Hartwell; Sunbury Chapter, Winder; Sergeant Newton Chapter, Covington; Pulaski Chapter, Griffin; Elijah Clarke Chapter, Athens; Sara Dickinson Chapter, Newnan; Geo. APPROVED SCHOOLS

Mrs. Young Harris Yarbrough

Again, it is my pleasant duty to come before you to report progress in the work of the Approved Schools. The response to my letter, sent out in September, has been most gratifying and the increasing interest in the welfare of the youth of our land is shown by the many fine reports received.

Your Chairman brought the work of our Approved Schools to Chapters, through attending the eight district meetings, held in widely separated sections in the State, and to nine Chapters at their regular monthly meetings. She also visited Tamasee on Founders Day.

Eighty-six programs were reported as given on Approved Schools.

CONSERVATION

Mrs. J. Harold Nicholson

My October letter urged each Georgia Daughter to join enthusiastically with me in the vital work of conservation of our great American resources, both human and natural. Forty chapters reported having chairmen and programs on conservation, including broadcasts.

HUMAN CONSERVATION—"The quality of our future depends on the quality of our children, custodians of that future." We must teach them fundamental American principles and D.A.R. ideals. Thirty chapters assisted in promoting the following constructive youth groups: Junior American Citizen Clubs, Girl and Boy Scouts, Campfire, 4-H Clubs, Girl Home Makers and recreational projects. Oglethorpe Chapter gave 60 hours to Juvenile Court. A boy was sent to summer camp and contributions made to Orphans and Old Ladies Homes by different chapters. Prizes were given to pupils in public schools for excellence in work. Chapters have members serving as Directors of Girl Scouts. Nancy Hart Chapter organized a Junior American Citizen Club at Georgia Boys Training School (Reformatory). Boxes were sent overseas. Mrs. John Faver, member of LaGrange Chapter, is serving on Parents Advisory Council of National Society of Crippled Children. Boxes were sent to Aidmore. Chapters reported 100 percent membership in Red Cross, cooperation with American Cancer Society, the fight against Poliomyelitis and tuberculosis. Contributions were made to Community Chests and members gave to Blood Banks; taught home nursing, nutrition and observation of traffic laws.

NATURAL RESOURCES—The Conservation Pledge is, "I give my pledge as an American to save and faithfully to defend from waste the natural resources of my country, its soils and minerals, its forests, water and wildlife."

The following activities were reported by chapters: Preservation of foods by freezing, canning and drying; cultivation of vegetable and flower gardens; beautification of Highways, and planting of trees, shrubs, and bulbs in City Parks; planting of a cork oak seedling on chapter grounds with ceremonies by Joseph Habersham; pictures and histories of trees mailed to National Chairman of Historic Trees by Nancy Hart, Elijah Clarke and Stephen Hopkins Chapters. Seed and money were sent to National Chairman of War Service Gardens Committee, amounting to \$25.00 by the following chapters: Joseph Habersham, LaGrange, George Walton, Gov. Treutlen, Gov. George M. Troup, Tomochichi, Henry Walton, Nathaniel Abney, Col. William Few, Etowah and Sergeant Newton. Dusting cloths were sent by five chapters to Constitution Hall.

National Tribute Grove will be a living memorial to service men and women of World War II. Names of each service man or woman honored will be listed in Golden Book of Memorials. Outstanding work was accomplished by Joseph Habersham, Nancy Hart, Elijah Clarke and LaGrange Chapters.

CORRECT USE OF THE FLAG

Mrs. John R. Bell

The purpose of this committee is not to make the laws but to teach the history of our Flag, and the correct use of our Flag. Each year more interest is displayed by the chapters, as is shown in the response from forty-three chapters replying to the questionnaires sent them. The condensed report is as follows:

Six large flags and 470 small flags were presented to organizations, clubs, and schools; 665 Flag Codes, 530 Copies of Flag Law 829 distributed; 13 corrections made; 29 talks given to chapters, 24 to schools, and 3 elsewhere; 31 guest speakers; radio broadcasts 9; articles published in local papers, 15 stories and 20 chapter programs on the Flag; essays written by 520 school children with 4 prize awards; 29 chapters observed Flag Day.

Other special Flag activities were: Helping Girl Scouts to own a Flag; display of the Flag in business districts on Patriotic Days; 6 Armistice Day programs presented; General Lee's Birthday Celebration in one school; a large framed picture of George Washington presented to new Boy's Club; all city and county schools checked to see if they had Flags; talks given to nine outside organizations on "The Flag a Symbol of Our Country"; 207 J.A.C. handbooks and guides distributed, also poems on the Flag; several chapters made plans for school children to visit Freedom Train.

Every chapter reported at each meeting Pledge of Allegiance given correctly with hand on heart and the National Anthem sung when piano available.

May we continue to be true patriots, not for reward or glory, but for genuine love of freedom, liberty, manhood, womanhood, principle and to revere the stars and stripes not merely as an idle sentiment, but with a glowing heart which impels right conduct.

D.A.R. GOOD CITIZENSHIP PILGRIMAGE

Mrs. Harold I. Tuthill

In October, I sent a letter to each chapter regent, stating the purpose of the committee, which is to bring to the minds of the young women the privileges and responsibilities of being a good citizen. I also outlined the method by which the citizens from each school should be selected; namely, senior students choose by vote three girls in their class who possess the following qualities to an outstanding degree—Dependability, Service, Leadership, Patriotism. From these three girls thus selected, the high school fac-

ulty selects one who becomes the good citizen of her school. I asked that her name be sent to the state chairman on or before January first.

Thirty-nine chapters cooperated in this project, fifty-four names of good citizens were sent to me, but only forty-two pins were ordered.

The selection was made on February 10, and Miss Joan Walthall of Albany was chosen as Georgia's good citizenship pilgrim; Miss Roxie Willette of Round Oak being first alternate; and Miss Mary Jim Williams of Griffin being second alternate.

I am hoping that next year all the chapters will participate.

DAUGHTERS OF THE AMERICAN REVOLUTION MAGAZINE

Mrs. Talbott B. Chandler

Reports returned to your Magazine Chairman have not been as fully filled in this year as they were last year. However, some of the Chapters reporting have shown substantial gains in many instances. The Georgia Chapters were asked to subscribe 10 percent of the membership, or 512 subscriptions. We have only 506 subscriptions reported. However, we feel sure that the twenty Chapters not reporting will more than make up the six needed subscriptions.

From our 86 Chapters 65 have reported. Of these 65 Chapters 52 report that 10 percent or better of their members are subscribers. Both the Perdue Loving Cup, given for the largest number of new subscriptions, and the Hightower award given for the largest number of subscribers per capita go to Georgia's "baby" Chapter, the Governor George M. Troup Chapter in Hogansville! This Chapter deserves much praise since 52 percent of the members subscribe to the magazine and 43 percent of these are new subscribers! The Tomochichi Chapter at Clarkesville comes second with a very good 35 percent and 29 percent. These two Chapters have shown us the "can do." Let us follow their example for a banner year in '49.

D.A.R. MANUALS FOR CITIZENSHIP

Mrs. D. M. Holsenbeck

This year 3,837 D.A.R. manuals for citizenship were distributed over the state by the various chapters, to Boys training schools, juvenile courts, Federal Courts, registration office for new voters, county and city high schools, universities, foreign war brides, libraries, girl and boy scout troops, Negro schools, settlement homes, naturalization courts, and citizenship classes.

In one school these manuals were presented to the students as supplementary texts for civics, and each child from the fourth grade to the high school had a course based on the manual. Another school placed the manuals in the American history classes. One county school had an essay contest on the Freedom Train and used the manual for material.

Talks were made to white and colored schools by the D.A.R. members on the U.S. Constitution. Many radio programs have been given and immigration laws have been studied.

People from thirteen different countries were naturalized. Some had their names changed. Some of these new citizens have participated on D.A.R. programs. The newspapers have given much publicity to these new citizens.

Sixty-seven chapters have sent \$187.32 for these manuals.

It has been a pleasure working with the Georgia chapters during the past two years. Their splendid cooperation has been greatly appreciated.

FILING AND LENDING BUREAU

Mrs. Annie K. Walker

Letters announcing plans for this Bureau were mailed to all Chapters last Fall. Forty Chapters responded.

I received forty-four papers from sixteen Chapters. Several Chapters sent only one copy of papers, these I returned asking for three copies of each paper as required by the National Bureau. Some complied, some did not.

One very outstanding paper on "Georgia," which will be of great value to the Bureau, was compiled by Mrs. Howard H. McCall, of Atlanta.

Chapters sending one paper each were: Button Gwinnett, Columbus; Colonel William Few, Eastman; Colonel William Candler, Gainesville; Governor George W. Towns, Talbotton; Toccoa, Toccoa. The Nancy Hart Chapter, Milledgeville, and the Savannah Chapter, Savannah, sent two papers each.

The John Benson Chapter, Hartwell, sent three papers.

The Lyman Hall Chapter, Waycross, sent three papers.

The LaGrange Chapter, LaGrange, sent nine papers.

The Elijah Clarke Chapter, Athens, sent nineteen papers and is again winner of the \$5.00 award I offered for the largest number of papers sent in by a chapter.

The National Chairman of the Filing and Lending Bureau asked me to send in all papers I had on hand by February 20th which I did. There were eleven papers from seven Chapters at this time and the Lyman Hall Chapter, Waycross, had three papers. I sent this Chapter \$5.00 for the largest number in this lot.

To serve as Chairman of this Bureau has been a very great pleasure, and I wish to thank each and everyone whose cooperation has made this report possible.

GIRL HOME MAKERS

Last year each chapter was mailed a Girl Home Maker Handbook of Instruction, also a mimeographed copy of Mrs. Frank C. Love's rules about the "Cotton Dress Contest."

The first of the year a questionnaire was mailed to each chapter asking that they answer questions and return to me by March 1, 1948. Seventy-two replies were received. From these answers, the following report was compiled:

Cash awards amounting to \$189.00 have been made; there are 38 chairmen of Girl Home Makers; one Chapter reported a Home Economics Scholarship of \$100.00; two sterling silver thimbles, one cook book, one medal, one bracelet and eight Home Maker pins were awarded; two Mother-Daughter Banquets were attended, two dinners were served and five teas given by the girls, also, refreshments prepared by them; three talks were made by members of D.A.R. to Girl Home Maker Clubs; chapters sponsored Girl Home Maker Clubs through 43 Home Economics groups, 27 4-H Clubs, 2 Camp Fire Groups and 26 Girl Scout Groups; nineteen National Defense programs were held and eighteen Girl Home Maker programs were given at D.A.R. meetings.

The "Lois Johnson Grier Trophy" was won by Matthew Talbot Chapter, Monroe, Georgia. Second place, Elijah Clarke Chapter; third place, Governor George M. Troup Chapter; fourth place, LaGrange Chapter.

JUNIOR AMERICAN CITIZENS

Mrs. William C. Robinson

In order that you might appreciate the value of these Junior American Citizens Clubs, I shall quote a few statements from reports that have come in. One Regent, who supervised the organization of a club in a Reformatory of Boys Training School wrote, "Several days in advance, the teachers had explained the purpose of the club and stressed the qualities which the officers should possess. The pupils elected the smartest boy in school for the President and you should have seen him take the chair and have the rest of the officers elected. Their eyes were shining with excitement as they nominated and elected their candidates. The clubs at Peabody went out and gave

a Washington's birthday program for these boys." A letter which I received from one of the girls in a 6th grade club said, "Dear Chairman. The Study Guide for J.A.C. clubs has been very helpful to our class club, for we have learned many good points given in the part called the building and preserving of our Republic. The articles on Historic Landmarks have been quite good for special historic subjects. We have had talks on the Independence Hall and Liberty Bell; Bunker Hill; Old Ironsides; George Washington and Mount Vernon. Two boys made the Great Seal of the United States, making both the Obverse and Reverse seals and talks were made about it. Members read to the club about the story of The American's Creed; The American Flag, Early History of the Flag and the Story of the Pledge of Allegiance. We all think a lot of the Guide Book and if borrowed from our reading table, we check carefully to see that it is put back on the table at dismissal time, for we do not want to get it lost.

"Once a week we have the Junior American Citizens Club Prayer and some one always reads the club's creed. Thanks for the Study Guide. Sincerely, Beverly Ann Thrash."

One club reports having a court, and the council (made up of the children) "sentences" any children who are not good citizens in school.

Several clubs set up certain standards for the members and require them to work up to these standards before receiving their J.A.C. membership pins. Several clubs have put on programs at chapter meetings.

A "Junior Town Meeting" made up of High School Students, holding meetings once a month, is organized into a J.A.C. Club.

Miss Dorothy Waldman has continued her manifold services for the welfare of under-privileged children. In this work 3 J.A.C. clubs with 300 members had a real part in combatting juvenile delinquency.

Our State has a decided increase over last year of both clubs and members. We have a total of 412 clubs with 14,314 members, an increase of 87 clubs and 2,920 members. 74 of these clubs with 2,608 members are in schools for Negro boys and girls. Perhaps the most significant increase we have is in the number of chapters sponsoring this work. We now have exactly twice as many chapters sponsoring the Junior American Citizens program as we had last year.

Your State Chairman set forth the plan and purpose of the J.A.C. committee in two radio programs. She explained the work and distributed Handbooks at seven district meetings and several chapter meetings. She has sent out more than 250 communications and 150 packages of material to our chapters.

The results have been gratifying and I shall list the number of clubs and members sponsored by chapters; beginning with the largest number:

Chapter	No. of Clubs	No. of Members
LaGrange	235	7,756
Baron DeKalb	69	2,412
Nancy Hart	35	1,190
Elijah Clarke	36	1,144
Governor George M. Troup	10	506
George Walton	10	400
John Houston	5	295
Arthur Fort	2	145
Oothcaloga	2	50
Button Gwinnett	1	50
Bonaventure	3	38
Barnard Trail	1	28

The following chapters reported receiving the J.A.C. material and sponsoring the work in schools or clubs. However, they sent in no numerical reports.

Savannah Chapter; George W. Towns; Hawkinsville; Benjamin Hawkins; Etowah; John Benson; Gen. James Jackson; Col. John McIntosh; Bainbridge; Tomochichi.

There are two \$5.00 awards offered by the State Chairman. One for the chapter sponsoring the largest number of J.A.C. Clubs. The other for the chapter having the largest increase over last year of J.A.C. members. Both of these have been won by the Junior Committee of the LaGrange chapter. Mrs. Arthur Mallory, Regent, Mrs. J. T. Taylor, Chairman of Junior Committee and J.A.C. Chairman. This chapter sponsored 235 clubs and 7,756 members. This gives them an increase over last year of 2,882 members.

JUNIOR MEMBERSHIP

Mrs. Robert Hanna

A big increase in membership has been the Georgia Juniors' main goal this year; that it is their great accomplishment as well, is shown by the fact that there are enough new members to make up for the loss of our "graduating" Juniors last year without counting all the papers that have been sent in to Washington but not passed on yet! The Minnie Jossey Capps Trophy, given each year to the Junior Committee making the highest percentage net gain in membership, goes to the George Walton Juniors, who have a net gain of 84.61 percent.

The members did fine work on all Junior projects. They have contributed \$187.00; 4 scholarships and a Christmas box to Tamasee; \$54.00, 6 boxes of clothing to Kate Duncan Smith; \$35.00, 1 box to Crossnore; \$50.00 to Berry Schools; \$25.00 to Maryville; \$9.00 to the Helen Pouch Memorial Scholarship Fund; \$1.00 to the Indian Loan Fund; books and magazines to the Merchant Marine Library; 26 packages of vegetable seed to Europe; and distributed D.A.R. Manuals for Citizenship in schools and to aliens.

The Fielding Lewis Juniors gave a \$100.00 scholarship to Tamasee and gave a tea to interest prospective new members. The Oglethorpe Juniors had a benefit bridge party and gave all the proceeds, \$215.00, to Approved Schools. The LaGrange Juniors have organized a total of 235 J.A.C. Clubs with 7,756 members, an increase over last year of 95 clubs and 2,272 members, winning a National prize for their splendid work. The Mary Hammond Washington Juniors gave a scholarship to Tamasee and toys to the Bibb County Nursery Schools and made a nice gain in membership. The Joseph Habersham Juniors have had a successful year with a greatly increased Junior Membership, donated an acre to Tamasee, and collected beads for the Indian School at Bacone, Oklahoma. The Elijah Clarke Juniors had a successful membership drive and cooperated with the S.A.R., most of them having husbands in the S.A.R. The Sunbury Juniors work with their C.A.R. The Benjamin Hawkins Juniors had as their project the Civic Club Room in the Carnegie Library, where they plan to meet, and they gave a Home Making award in the high school. The John Benson Juniors have three members serving as Chapter officers and chairmen, and one is a delegate to Savannah and Washington. The Atlanta Juniors have organized this year with sixteen members, and they plan to do J.A.C. work. The Etowah Juniors have sent in sixteen papers and are all set for next year. The Pulaski Juniors and their C.A.R. have begun a collection of Indian relics. The Bainbridge Juniors

have as their goal a better informed Junior Membership. The Nancy Hart Juniors meet with and aid their Chapter in all projects. The General James Jackson Juniors have also organized this year, and like all Junior Committees, are striving to secure more efficient young women for our National Society.

MOTION PICTURE REPORT

Mrs. Reuben Garland

The influence and prestige of the D.A.R. has been felt and heeded by the Motion Picture Association of America. From the recommendations of our National Committee the following resolutions have been added to the Motion Picture Code this year.

TITLE—The following shall not be used:

1. Titles which are salacious, indecent, obscene, profane, and vulgar.

2. Titles which suggest or are currently associated in the public mind with material, characters, or occupations unsuitable for the screen.

3. Titles which are otherwise objectional.

4. No picture shall be approved dealing with the life of a notorious criminal of current or recent times which uses the name, nickname or life of such notorious criminals in the film, nor shall pictures be approved as based upon the life of such notorious criminals unless the character in the film be punished for crimes shown in the film as committed by him.

Georgia has had an important part in this influence and in Atlanta.

Mrs. J. A. Beall of the Joseph Habersham Chapter served as President of Atlanta Better Films Committee and sixteen members of that chapter served on the committee as reviewers.

Mrs. Wade, the chairman of the Baron DeKalb Chapter, is a member of the Film Council of America. That committee has reviewed all pictures for Decatur and given four talks on motion pictures.

From the Atlanta Chapter Mrs. George Connell has met with unusual success in the Community Theaters establishing children's programs and Saturday Matinees, and has conducted an essay contest in grammar schools on motion pictures.

In Columbus the three chapters combined to form a committee to review all pictures that come to Columbus daily. This as you know is a tremendous undertaking.

The Social Circle Chapter held a special program for the discussion of pictures and their influence on the emotions and impulses of the audience.

All the chapters reporting have said they take the Motion Picture Guide and give them to schools and libraries.

Over thirty chapters have reported having programs at their chapter meetings on motion pictures.

Many have had addresses and programs in schools on better movies.

Over forty chapters have reported a close cooperation with the theater managers in helping to select the pictures to come to their

town; thus through another very important channel the Daughters of the American Revolution have made their voice felt and the great patriotic ideals for which we stand.

It has been a pleasure to serve as your State Chairman.

NATIONAL DEFENSE

Mrs. Leonard Wallace

Today America is sowing the seed for the future of the world. Upon us rests a grave responsibility and only through right thinking, right living and full realization of the effects of our policies can we hope to better the condition of all nations. National Defense Committees of N.S.D.A.R. through discussion of facts pertinent to life today exert untold influence on improving the minds of our people. "Knowledge is power" and through talks and writings of these men and women who study the bills brought before Congress and who sift the good from the bad, both adults and children are given a clearer understanding of what can be done to guard and preserve our precious freedom.

In Georgia National Defense work American ideals are stressed through education. History prizes and Citizenship medals encourage study of the United Nations Charter, Bill of Rights, Government, World Organization, the Marshall Plan, Economic Changes, Universal Military Training and Legislation. Through churches, patriotic groups, youth centers, schools, clubs, naturalization courts, press and radio, information is spread. National Defense News is distributed and studied. The under-privileged are helped materially and morally.

The Freedom Train created great enthusiasm. Brunswick, Georgia, was the smallest town in the United States to be visited.

Sixty-nine chapters paid the per capita quota with a total of \$634.15. Four chapters, Atlanta, Baron DeKalb, LaGrange and Nancy Hart sent in outstanding reports.

PRESS RELATIONS

Mrs. R. L. Carter

A total of 12,121 inches of publicity has been reported by 55 chapters to the State Chairman. These 55 reports show that more space has been secured and more pictures have been used than in the preceding year. More newspapers are carrying D.A.R. stories. Ninety-three papers in the state carried news from the 55 chapters reporting. Elijah Clarke Chapter reports the greatest amount of publicity, a total of 1,127 inches; Oglethorpe Chapter ranks second with 1,106 inches. Five chapters report more than 500 inches each.

The Daughters of the American Revolution Magazine has carried 8 articles from Georgia which measure 88 inches. Publicity in other periodicals measures 60 inches. Many chapters report the publishing of yearbooks, leaflets, etc.

The State Chairman, with the help of the Assistant Chairman, Mrs. J. H. Pledger, has edited the weekly column in the Atlanta Constitution. Advance news concerning State Conference was sent to 7 papers in different sections of the state. Important announcements from the National and State Societies have been sent to the leading state papers on several occasions.

RADIO COMMITTEE

Mrs. Hollis E. Morris

Suggested radio scripts, received from National, having been sent out last year, none were sent out this year, except to Chapters requesting such who had recently obtained broadcasting facilities.

Exact timing on programs reported by Chapters throughout the State, far exceeds the report of last year, which proves that our diligent efforts can and will put before the public, through radio, programs of high interest and educational value.

Our State Regent has been presented several times, time permitting. Local Regents have appeared at dedication of new broadcasting stations, and biographical sketches of Helen Boykin and Hugh Hodgson were written for and entered in a National C.A.R. American Music Contest for the "Best Biographical Sketches of Composers." This should be a definite inspiration for other Chapters having an available broadcasting station.

With the knowledge that we have "the best to be offered" let us not lessen our concerted efforts to so inform the public.

TRANSPORTATION

Mrs. John F. Thigpen

It is a pleasure for your state chairman to report that complete cooperation of the various railroad passenger agents in the State was received. They supplied information to the Chapter Regents regarding rates, schedules and general transportation details, and they assured your chairman that ample accommodations would be made available on their finest trains to Washington. Pamphlets were also mailed by the Railroads serving Savannah. A letter was also written to the Chapter Regents by your chairman requesting that early reservations be made and that the names of those wishing to make the Memorial Pilgrimage to Arlington and Mount Vernon be furnished promptly so that sufficient special buses could be provided by the National Transportation Council. Assistance was offered by the State Chairman in making railroad reservations for the Regents and their chapter members.

Mrs. Charles Harvey Ferrelle

CONFERENCE PROPERTIES

Mrs. James Nuckolls

After the D. A. R. Conference in Savannah, the D. A. R. Insignia were sent to Augusta.

They were received and stored by Mrs. L. V. Stone.

Two American Flags, one D.A.R. Flag, two flag poles, three holders for flag pole and light bulbs were turned over to Mrs. Talbott Chandler on April 17th, 1948, in Columbus, Georgia.

The Cross formerly used in the Memorial Services was discarded at the 1947 State Board Meeting.

COOPERATIVE RELATIONS BETWEEN D.A.R. AND S.A.R.

Mrs. Edwin W. Allen

There are now seven chapters in the Georgia Society, S.A.R., viz., the Athens Chapter; the Atlanta Chapter; the LaGrange Chapter; Button Gwinnett Chapter, Lawrenceville; John Milledge Chapter, Milledgeville; Winder Chapter; Edward Jackson Chapter, LaFayette; and another chapter in the process of organization at Hogansville according to recent correspondence.

The D.A.R. Chapters have cooperated with the S.A.R. at all times, and the S.A.R. has given assistance to the ladies. D.A.R. papers have been used in filling out new papers for S.A.R. applications. Young men who have come of age have transferred from the C.A.R. to the S.A.R. chapters during the past year. Joint meetings have been held by the D.A.R. and the S.A.R. in several places to exchange views on national and patriotic affairs.

We hope that this excellent work will continue to grow during the years to come. May we express appreciation to each of you for your splendid cooperation, and to the Elijah Clark Chapter, Athens, may we present the \$5.00 award for their outstanding work.

D. A. R. FOREST PARK

Mrs. Z. W. Copeland

The grounds surrounding the Nancy Hart Cabin and the spring have been thoroughly cleaned off and the water in the spring made sanitary for drinking purposes. Rotted sills under the front of the cabin have been removed and it has been underpinned with field stone. Wide planks were put across the joist in the ceiling of the cabin to keep out cold and dampness.

Several years ago a Committee was appointed to meet with the State authorities and offer the D.A.R. Forest Park to the State. Mr. Charlie Morgan, Director of the Department of State Parks, has written me as Chairman of the D.A.R. Forest Park, and accepted this historic spot for further development.

The date of the acceptance is March the eighth, 1948. The letter reads in part, "We will be delighted to accept the historic spot offered for development." Signed, "Charlie Morgan, Director."

GEORGIA D.A.R. BOOK PLATES

Mrs. Frances Brown Chase

Your chairman regrets very much that she cannot report increase in sales of book plates.

Appeal was publicized in D.A.R. official column and contacts made.

LaGrange Chapter has given books, value \$25.00, to the LaGrange High School, and has placed the D.A.R. book plate in each volume.

It has been my privilege to send to several Universities and school libraries the history of the "Real Daughters of D.A.R. and the Daughters of Revolutionary Soldiers," and have received appreciative acknowledgements.

These book plates are placed in all books in the D.A.R. Library at the State Department of Archives and History, and in the National D.A.R. Library in Washington.

It was a pleasure to serve as State Chairman of this Committee.

HELEN ROGERS FRANKLIN TROPHY GENERAL EXCELLENCE

Sue Reid Vason

It has given me real pleasure to serve as chairman of the Helen Rogers Franklin Excellency Award, for it was most stimulating to read over the very good works of the D.A.R. chapters, and it was an inspiration to realize the high goal toward which we are reaching in our work today.

Twenty chapters sent excellent reports as entries for the trophy, which showed a marked improvement, being an increase of ten entries over last year. This improvement indicates that the work of the National Society is being carried out, and that the State Society is becoming more interested and more conscious of a high standard of excellency to be reached.

Three unbiased judges, all members of the State Executive Board, gave their time and most conscientious efforts in judging these entries for awards. Their decision is as follows:

First place goes to LaGrange Chapter at LaGrange, with a close second to Elijah Clarke Chapter, Athens, and third place to Nancy Hart Chapter, Milledgeville. Honorable mention goes to a new chapter, the Gov. Geo. M. Troup Chapter at Hogansville. This is our baby chapter, and we are very proud of her maiden efforts, and as one of the judges wrote: "All of the reports were good, but if the four months old chapter at Hogansville keeps up the way the records read now, their regent will soon need a moving van to carry home all the Conference awards."

It is encouraging to know that a new chapter can be so inspired, and so inspiring, and that our old chapters keep pace in their enthusiasm for good work. It has been a real stimulus to me as an individual and as a Daughter, and I am sure it is to all chapters, to realize the high standard of work we have achieved, and the lofty goal toward which we strive, and which is encouraged by the Helen Rogers Franklin award.

Let me thank each and every one of you for your splendid efforts and most inspiring work.

HISTORICAL PROGRAMS

Mrs. Neil Glass

Copies of the Historical Program, "The American Spirit," were sent to the President-General; the National Chairman of the Filing and Lending Bureau; the State Regent, Mrs. Mark Smith; the State Editor, Mrs. R. L. Carter; the State Recording Secretary, Mrs. Boyce M. Grier; the State Chairman of the Proceedings Committee, Mrs. Harrison Hightower; and all Georgia Chapter Regents. Let me thank you sincerely for your responsiveness in the use of these outlines.

LUCY COOK PEEL MEMORIAL FUND

Mrs. W. F. Dykes

The Lucy Cook Peel Memorial Fund has had a rather quiet year; we have paid to State Treasurer \$172.93; we have \$625.00 in the bank. We have sold all but 92 books of "Membership Roll and Register of Ancestors of Georgia Chapters." We have sold all of Historical Collections Georgia Chapters, but 133, all Volume II (we had 1,000 of this volume printed, that is why we have a few left). If your chapter doesn't own this book, please buy it for \$1.00 plus postage and exchange; it sold for \$5.00. Buy one for your city library.

Four chapters have contributed their per capita requirements, Sunbury, James Pittman, Dorothy Walton and Lamar-LaFayette.

Please be interested in your Georgia records, go to the State Archives and History and see your splendid State D.A.R. Library.

This year we want to publish Volume V, Marriage Records. We have 172 pages in hand given by Mrs. E. T. Nottingham and she endorses this publication.

We are an organization alert to the need of our valuable records. The State Board in Savannah said they would lend us \$500.00 to help publish Volume V. Mrs. Howard McCall who has always helped me will be ready and willing again.

MARIAN SIBLEY WYLIE VICTORY FUND

Mrs. W. E. Gay

I am delighted to report that twenty of our chapters have made contributions through our State Treasurer to the Marian Sibley Wylie fund. This is encouraging since it is twice the number of last year. Governor Treutlen again wins the five dollar award, having given for the second consecutive year \$100.00 to this permanent Tamassee scholarship. John Houston and Governor David Emanuel each sent \$25.00 to the State Treasurer. Total amount sent to the State Treasurer this year was \$211.00. The Marian Sibley Wylie Fund now has a \$1,135.00 scholarship at Tamassee.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. Henry Mashburn

The grave of John Inzer, Revolutionary Soldier, was located in Hall County, Georgia, and marked by Colonel William Candler Chapter, with newspaper clippings describing the event and a handsome photograph of the marker submitted to the State Historian. Elijah Clarke Chapter has secured stones for the graves of William Turk and William Thomas, Revolutionary Soldiers buried south of Homer, Ga., which will be placed at an early date. Nancy Hart Chapter has located the graves of two Revolutionary Soldiers. John Benson Chapter submitted a roll of all Revolutionary Soldiers whose graves have been located in Hart County.

MEADOW GARDEN

Mrs. Lester V. Stone

Language is not suitable enough to express all that I feel in extending my gratitude to the Chapters in the State for all their contributions for the upkeep of Meadow Garden for this year, and also to our State Board.

I am delighted to report that much needed repairs are now being made, even to the extent of interior painting which was sorely needed and had not been done in forty years.

The money which we had saved for the work and the added \$500.00 from the year's contributions will improve the place so that you will appreciate more than ever, and more fully realize the gathered treasures of years of collecting. Our latest gift is an old picture of the first twelve presidents, George Washington in the center, presented by Mrs. R. G. Hunt of Griffin.

An itemized statement of expenses has been sent to our State Regent and State Recording Secretary by our local Treasurer, and is incorporated in the State Proceedings.

PARLIAMENTARIAN

Mrs. Ober D. Warthen

Your Parliamentarian has attended all meetings of the Executive Board and State Conference and given opinions on all matters referred to her. She wishes to thank those who sent Year Books and copies of By-Laws.

PROCEEDINGS

Mrs. William Harrison Hightower

The meeting of the Proceedings Committee was held on Tuesday, May 4, 1948 at the home of the Chairman in Thomaston, with Mrs. Mark Smith, Honorary State Regent and nine members of the Committee present.

The contract for publishing the 1948 Proceedings was awarded to the McGregor Company at a price of \$3.75 per page for five hundred copies. The State Officers Club and the Georgia Society C.A.R. will pay for the pages used by their respective organizations at this price.

It was voted by the Committee that this volume of the Proceedings be dedicated to Mrs. Howard H. McCall, newly elected Honorary Vice President General, N.S.D.A.R.

The minutes of the final session of the State Conference, Thursday morning, April first, and the minutes of the meeting of the State Board of Management on March 30th, were read and approved as directed by the State Conference.

Excerpts from the Constitution and By-laws of the National Society, as amended by the Fifty-seventh Continental Congress will be included, following the By-laws of the State Society, for the information of the chapters. Particular attention is called to Article V, Sect. 3 requiring that \$1.50 instead of \$1.00 as formerly, must be sent to the Treasurer General for each chapter member, and to the amendment stating that a Chapter Regent may not hold office for more than six consecutive years. Article IX, Section 4.

Three copies of the 1948 Proceedings will be sent to each Chapter; one for the use of the Chapter Regent, one for the Chapter Treasurer and one for the Program Chairman. On the mailing list, in addition to the Chapter Regents, shall be the members of the National Board of Management; the State Officers; the State Chairmen of National and State Standing Committees; the National Chairmen and National Vice Chairmen within the State; the Honorary State Regents; the members of the Proceedings Committee; the President of the State Officers Club—(avoiding all duplications); the National President C.A.R.; the Georgia State President C.A.R.; the Senior Presidents of the C.A.R. Societies in Georgia; the D.A.R. Library in Washington; the State Department of Archives and History; the State Library Commission; the National Headquarters of the S.A.R. The remaining copies of this addition will be allocated to the chapters with larger membership.

The names and addresses of the Honorary State Regents will continue to be listed following the list of State Chairmen.

A vote of thanks was given to the State Recording Secretary for her splendid work in compiling the 1947 Proceedings. She was instructed to edit all reports in the interest of conciseness and brevity, as well as correct D.A.R. terminology.

After the business session the members of the Committee were the guests of the Chairman at a seated luncheon.

PROCESSIONALS OF STATE CONFERENCE

Mrs. Alva McCrary

It has indeed been a pleasure and privilege to have served as State Chairman of Processionals this past year at State Conference, held at the Biltmore Hotel, Atlanta, on April 23rd thru 25th, 1947.

Am looking forward to the same sincere cooperation from the ladies when we meet again this year, in Savannah, on March 30th thru April 1st, 1948.

RESOLUTIONS

Mrs. Ober D. Warthen

A meeting of the Resolutions Committee was held on Thursday Morning, April 1, at seven-thirty o'clock in the Habersham Room of the DeSoto Hotel. Those present were: Mrs. Mark Smith, Mrs. Julius Y. Talmadge, Mrs. Howard H. McCall, Mrs. Harrison Hightower, Mrs. Mell Knox, Mrs. Bun Wylie, Mrs. Y. H. Yarbrough, Mrs. T. Earle Stribling, and Mrs. O. D. Warthen, Chairman.

All resolutions submitted were considered and will appear in the Proceedings of State Conference as part of the minutes.

SCRAP BOOK

Mrs. T. K. Kendrick

It has been a pleasure and a privilege to be your State Chairman of Scrap Book for the past two years. As a result of a letter sent to all the regents in the fall more than half of them reported that they have appointed a chairman and these chairmen were keeping a historical record. The many excellent books entered in the contest bespeaks of this interest.

The award of \$5.00 was given to the Elijah Clarke Chapter, Athens, and an award of \$4.00 to the LaGrange Chapter; recognition to the Pulaski Chapter, Griffin, and to the Conservation Committee of the Joseph Habersham Chapter, Atlanta, a special thanks for being the first committee group to enter into this work.

To each of you an award of deepest thanks for your efforts and untiring labor in compiling these wonderful records.

STATE PRESIDENT OF THE CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Rosser Adams Malone

The Georgia State Society Children of the American Revolution has 418 members, a gain of 49 new members since October 1947. Also a large number of applications are pending.

There are 17 active societies, one society is reorganizing, and one society in process of organization. Appointments of Senior Presidents have been made by the State President and these have been confirmed by the National Board.

Two aims in Georgia C.A.R. work have been achieved. First, increase in membership, and second, the gift of a piano to the KATE DUNCAN SMITH SCHOOL to be called the Blanche M. Gaffney Piano. This latter aim was made possible by generous contributions from D.A.R. Chapters and C.A.R. Societies.

Both Tamassée and Kate Duncan Smith D.A.R. Approved Schools have been generously remembered by money contributions and many boxes of clothing.

American music has been attractively featured on all programs of the societies, and patriotic days have been observed. Three members have entered the National American Music Contest. Programs have been given on American Indians in form of skits and plays.

The Georgia C.A.R. State Conference is planned for April 10 in Atlanta with Lady Elizabeth Oglethorpe Society, sponsored by Joseph Habersham Chapter D.A.R., as host. The guests of honor will be our National President, Mrs. Donald Bennett Adams, and Mrs. Herbert Fay Gaffney, National Vice-President Southeastern Division.

The Junior State Officers and Chairmen have been "busy as bees" sending out cards to the societies requesting reports of the various phases of work accomplished during the year. These splendid reports will be given by them at the State Conference.

TIME AND PLACE

Mrs. Wm. H. Hightower, Jr.

The State Board of Management of the Georgia State Society, National Society, Daughters of the American Revolution, met in Macon, Georgia, October 23, 1947, at the First Presbyterian Church with Mary Hammond Washington and Nathaniel Macon Chapters as hostesses. THE TRAVELING GENEALOGICAL LIBRARY

Mrs. Jesse Dixon Wadsworth

During 1947-1948 all of the books in the Traveling Genealogical Library of the Georgia State Society, D.A.R., were sent to Rhodes Memorial Hall, Atlanta, Ga. There they were put on the shelves by a committee consisting of Mrs. W. C. Robinson, Mrs. T. Earle Stribling, Mrs. Howard McCall and Mrs. Thigpen, to whom my thanks are due for their very efficient work.

A complete list of all books, with titles, publishers, and prices, was sent to Mrs. Robinson to be kept with the books, and the same was sent to the State Regent, to be given to each succeeding State Regent, as a record.

There are 287 books and pamphlets, and 4 loose leaf binders of personal lines and D.A.R. magazine pages, in the library, which are valued at much over \$1200.00 since many have increased in value since they were bought. There are 9 sheet metal boxes. (\$45.00).

One new book was received: "The House of Brewer," a gift from the author.

Expenses for the year were: Insurance, \$23.93; and \$5.80 for express on books to Rhodes Memorial Hall. This does not include express on 3 of the traveling boxes, from Fort Valley, Thomasville, and Ashburn, as these were not reported to me.

This report is incomplete, as to what was done at Rhodes, and Mrs. W. C. Robinson will report on that.

HISTORICAL PROGRAMS FOR 1948-1949

Mrs. Neil Glass, Chairman

Subject for the year: **Our Foreign-Born Americans: What They Have Contributed to Our Country.**

September: OUR IMMIGRATION SITUATION

Our organization has always been interested in helping immigrants become good Americans, having done particularly outstanding work at the immigration center at Ellis Island. Therefore it is appropriate for us to consider the relation of immigration to our national well being.

When France presented the Statue of Liberty to the United States in 1884, the lines of Emma Lazarus' poem on its base were true, for up to that time immigration had been practically unrestricted. The first immigrants came in a thin trickle, struggling against sickness and ocean storms, but the trickle slowly widened into a larger and larger stream which reached its highest point in the years just preceding World War I. Toward the end of the nineteenth century, however, we had gradually begun to realize that we could not continue indefinitely to accept all the "huddled masses yearning to be free." With the Act of 1875 excluding certain types of undesirable aliens a positive policy of Federal regulation began. Until 1890 European immigration to America had been more than 80 per cent from northern and western Europe, but then the trend shifted to southern and eastern Europe. Finally in 1917 Congress passed the nation's basic immigration law and in 1921 enacted the first immigration quota law, which was revised in 1924.

This Immigration Act of 1924, which governs most of the United States immigration policies today, is threatened with change, legislation being before Congress to permit large numbers of displaced persons and others to enter this country. Maintaining its consistent stand against weakening our immigration laws, on April 22, 1948, the 57th Continental Congress of the D.A.R., adopted a resolution opposing any change in existing quotas. We believe that in justice to ourselves and in fairness to our immigrants we need a restrictive, selective, and well-planned immigration policy. Throughout the years the United States has been enriched by new comers to our shores who have caught the best in the American spirit and who may well serve as examples of good citizenship. During this year we want to consider some of our many outstanding foreign-born citizens in varied fields, but in so doing we want to emphasize that there are also undesirables seeking to enter our country. We must be constantly on guard against the menace of foreign elements imbued with political ideologies wholly at variance with our constitutional system of government. Nor must we accept more immigrants than we can make into good Americans. And those we do allow to enter should be directed into areas where their talents can be most usefully employed. We must further remember that worthwhile people are needed in other countries also.

The speaker for this program should develop the material summarized above, explaining why restricted immigration as advocated by the D.A.R. is mutually beneficial and giving an introduction to the programs to follow, which will emphasize the type of immigrant we would like to encourage. Brown, Corsi, Hansen, and Wittke (See Bibliography) all include information useful in tracing the history of immigration. As indicated in the Note to Program Chairmen, current articles may be located by using Read-

er's Guide and by consulting your librarian. Stanley High, for example, succinctly summarizes the problem in his article, "Why We Must Modernize Our Immigration Policy" (Reader's Digest—August, 1947. 51:13-16). An excellent discussion also appears in The Congressional Digest for January, 1948 (27:11-32) where the Feature of the month is "The Controversy over Proposals to Bring 400,000 Displaced Persons to America," Part I of which is concerned with "America and Immigration."

October: OUR FOREIGN-BORN AMERICAN HUMANITARIANS AND PHILANTHROPISTS.

This field includes a varied group, such as: Felix Adler, philosopher, educator, and worker for tenement reform in New York City; Michael Anagnos, educator and humanitarian who did so much for his fellow Greeks and for the blind in Boston; Andrew Carnegie, industrialist and philanthropist; Stephen Girard, French-born humanitarian whose will provided for the establishment of the Girard school for orphan boys in Philadelphia; Dr. Peter Marshall, the inspiring and oft-quoted Scottish-born chaplain of our Senate; Angelo Patri, Italian-born educator in New York City; Abraham Mitrie Rihbany, Syrian-born religious leader; Jacob Riis, worker with the poor in New York slums; Anna Howard Shaw, pioneer leader in the woman suffrage movement; Edward A. Steiner, friend of the immigrant; Nathan Straus, "savior of babies"; and Dr. Stephen S. Wise, eloquent preacher and social welfare worker.

November: OUR FOREIGN-BORN AMERICANS IN PUBLIC SERVICE.

Immigrants who achieved outstanding careers in public service include: Henry Morgenthau, diplomat; William Knudsen, production director of the War Department during World War II; Carl Schurz, Secretary of the Interior who did much to better the conditions of the Indians; Senator Robert F. Wagner of New York; Felix Frankfurter, member of the Supreme Court; Franklin K. Lane, who became Secretary of the Interior; and James John Davis, who became Secretary of Labor. Davis, himself, advocated restricted immigration (See Beard, p. 128).

December: OUR FOREIGN-BORN AMERICANS IN THE FINE ARTS.

In the field of music we find Victor Herbert, Percy Grainger, Irving Berlin, Walter Damrosch, Ernestine Schumann-Heink, Theodore Thomas, and Hans Kindler. Karl Bitter, Attilio Piccirilli, and Augustus St. Gaudens are sculptors. John James Audubon, Boris Artzybasheff, Edgar Parin D'Aulaire, Constantin Alajalov, Willy Pogany, and Yasuo Kuniyoshi are painters and illustrators. Tony Sarg, another illustrator, is also internationally famous as the creator of marionettes. The foreign-born have contributed much to the theater and the motion picture industry, Joseph Pasternak being one of many outstanding directors and producers, and the list of actors and actresses being extensive.

January: OUR FOREIGN-BORN AMERICAN BUILDERS AND INDUSTRIALISTS.

Gustav Lindenthal built great bridges; James Jerome Hill, great railroads; George Washington Goethals, the Panama Canal; Samuel Gompers, a labor organization; and Alexander Turney Stewart, a great business based on commercial integrity.

February: OUR FOREIGN-BORN AMERICAN INVENTORS.

Beard's *Our Foreign-Born Citizens* contains biographical sketches of the following inventors: Alexander Graham Bell, Emile Berliner,

John Ericsson, John Philip Holland, Ottmar Mergenthaler, Michael Pupin, Charles Steinmetz, and Nikola Tesla. In the field of aviation we find Igor Sikorsky and Giuseppe Bellanca. Sketches of additional inventors appear in Orrin E. Dunlap's *Radio's 100 Men of Science* (Harper, 1944), which includes eighteen foreign-born American inventors.

March: OUR FOREIGN-BORN AMERICAN SCIENTISTS.

Louis Agassiz, John James Audubon, Niels Ebbesen Hansen, and John Muir are naturalists; and Albert Abraham Michelson and Albert Einstein, physicists. Ales Hrdlicka is an anthropologist; Alexis Carrel and Karl Landsteiner are outstanding for medical research; and Joseph Goldberger is noted for work with pellagra (see DeKruif's *Hunger Fighters*). Lu Gim Cong made many contributions in the field of agriculture, including the propagation of an orange that will stay on the tree for months. The U. S. Department of Agriculture honored him with a medal. Another Chinese-born scientist is Dr. K. K. Chen, for many years head of research at Lilly Laboratories.

April: OUR FOREIGN-BORN AMERICAN WRITERS AND PUBLISHERS.

Outstanding names in literature, journalism, and publishing include Louis Adamic, Mary Antin, James Gordon Bennett, Edward Bok, Boake Carter, Kahlil Gibran, Michael Heilprin, Lin Yutang, Samuel Sidney McClure, Joseph Pulitzer, and Hendrik Willem Van Loon.

May: OUR ORDINARY IMMIGRANTS.

We have been considering the outstanding immigrants who have made individual contributions of note to our country. A nation is made great, however, not only by its famous people, but by its millions of ordinary citizens, the "salt of the earth" variety. Most foreign-born citizens have become good ordinary solid Americans. Perhaps the most graphic method of describing them would be to give brief stories of individual immigrants. Adamic, Corsi, McLellan, Seabrook, and Wittke (See Bibliography) include such human interest sketches. In *the Shadow of Liberty* is the story of Ellis Island told by an immigrant American who later became Commissioner of Immigration at the Island. In considering our immigration group as a whole, the speaker should remind his audience of the undesirables mentioned in the September discussion, for we must guard against the infiltration of false ideologies.

NOTE TO PROGRAM CHAIRMEN AND SPEAKERS: Space permits the listing of only a small part of the excellent material on the subject of United States immigration and immigrants. At your public library you will find books covering the subject as a whole in addition to books on various phases of the subject; biographies, both individual and collective, of foreign-born Americans (Beard, listed in Bibliography, includes sketches of forty-seven); numerous periodical articles both on immigration and immigrants, which may be located through **Readers' Guide** by looking under such headings as "Immigrants in the United States," "Immigration and emigration—U.S." and the names of individual foreign-born Americans. Ask your librarian to help you locate what is available in your library and to request other books from the Georgia Library Commission. She will also help you find the pronunciation of names. On the programs from October through April, the speaker may prefer to discuss the group as a whole briefly and devote most of his time to one person. We have listed only a few names in each field and if you like, you may add others. The speaker should understand what the year's program covers so that he can fit his discussion into the whole.

The breakfast table was artistically arranged and decorated with beautiful flowers and fern. Dainty floral cards marked the places for the forty guests present.

The invocation, fittingly expressed, was given by Mrs. Eli Thomas, the Chaplain.

Mrs. Mell Knox, in well chosen words, extended greetings to the visitors and to the members of the club.

There being no opposing candidates, the election followed, Mrs. Thos. J. Sappington casting the ballot.

Mrs. Harrison Hightower and Mrs. Mell Knox were each elected as Honorary President of the Officers' Club.

At the suggestion of the nominating committee, Mrs. Mell Knox telephoned Mrs. John S. Adams of her election as President of the Officers' Club. REPORT OF THE GEORGIA SOCIETY CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Rosser Adams Malone, President

It is my pleasure to report that the Georgia Children of the American Revolution have enjoyed another banner year, 1947-1948. Since October, 1947 we have had a gain of 49 new members, making a total of 418 members. At this time also a large number of applications are pending at Washington.

We have 18 active societies. One society is reorganizing and the newest society is the McIntosh Trail Society at Hogansville with ten charter members. And we glow with pride that our two aims in Georgia C.A.R. work for this year were achieved. First, increase in membership, and second, our gift of a piano to the KATE DUNCAN SMITH D.A.R. Approved School. The piano is called the BLANCHE M. GAFFNEY PIANO in honor of our National Vice President, Mrs. Herbert Fay Gaffney, of Columbus, Ga. This gift was made possible by generous contributions from several thousand D.A.R. Chapters, and the C.A.R. Societies.

The societies generously remembered the D.A.R. Approved Schools, KATE DUNCAN SMITH and TAMASSEE, with money contributions and 13 boxes of clothing valued at \$530.00.

Another special interest for the year was American Music which was featured on all programs of the societies. Patriotic days have also been observed. Two members from Georgia have entered the National American Music contest. One member entered the National Essay contest.

Programs have been given on American Indians in the form of skits and plays.

The State President attended the State D.A.R. Conference at Savannah, Georgia, and gave a report on the activities and accomplishments of Georgia C.A.R.

The Ninth State Convention was held in Atlanta April 9th and 10th, with Lady Elizabeth Oglethorpe Society as host. Splendid reports were given by Senior and Junior State Officers and Junior State Chairmen. The Junior Presidents gave their societies' reports which showed that wonderful C.A.R. work has been accomplished. The convention was honored by the presence of our National President, Mrs. Donald Bennett Adams, and Mrs. Herbert Fay Gaffney, National Vice President of the southeastern division.

The Elisabeth MacPherson Speer trophy given in honor of her mother by the State President, Mrs. Rosser Adams Malone, was a tie between the Currahee Society at Toccoa and the General David Blackshear Society at Rochelle.

At the National Conference in Washington April 23-24-25 three National Prizes came to Georgia. Our news sheet, THE CHEROKEE ROSE, won third place. Ted Sammons of LaGrange Society won the \$15.00 National Essay Contest. Special Honorable Mention for American Music Program was awarded through the efforts of Martha Bond Cook and Billy Martin of LaGrange Society.

I have enjoyed serving the two years as State President and now turn over the gavel to Mrs. Frederick C. Rice, Senior President of Lady Elizabeth Oglethorpe Society, Atlanta, as your next State President.

GREETINGS

Greetings to the boys and girls of the Georgia Society Children of the American Revolution.

I have just returned from Washington, D. C., where I attended the Conference of the National Society, gaining knowledge and inspiration.
