Mrs. O'Byrne thanked the Georgia Daughters for their warm hospitality at this the first Conference on her tour, and stated she had received a great deal of inspiration and many ideas which she would carry on to other Conferences. Mrs. O'Byrne congratulated Mrs. Yarbrough on her first State Conference and expressed happiness over the resolutions, particularly the one concerning socialized medicine. Mrs. Julius Talmadge accompanied her as she left the platform.

The Time and Place report, extending an invitation to meet in Atlanta next year, was read by the State Regent who explained the Society's policy of not accepting individual chapter invitations for State Conferences since the Society pays its own way. She asked, "Is it your wish to meet in Atlanta next year?" Mrs. Howard McCall made the motion, which was duly seconded, and the Assembly voted to meet in Atlanta in 1950, the time to be designated later.

The State Regent announced that she had received an invitation from the Regent of John Benning Chapter, Moultrie, for an Executive Board Meeting to be held in that city in October. It was moved by Mrs. McCall that we accept this invitation. Mrs. Wallace seconded, and the motion was carried. The State Regent urged chapter regents to attend the Board Meeting, explaining that if a regent were unable to be present her vice regent may represent her. She also announced that Continental Congress would meet the week of April 19th and that Georgia has a candidate for Vice President General, Mrs. Mark Smith.

Mrs. J. C. Peteet was thanked for having served as chairman of Processionals in the absence of Mrs. Alva McCrary, who was ill.

Mrs. Ober D. Warthen, Parliamentarian, presented the amendments which were voted by the State Board of Management at their meeting at Columbus, November 4, 1948:

"I move that Article XIII be amended by striking out 'Proposed amendments shall be submitted' and substituting 'Provided proposed amendments shall have been submitted.' It will then read: 'Article XIII Amendments—The By-Laws of the Georgia State Society may be amended at any annual State Conference provided the proposed amendments shall have been submitted to the State Regent and to the Parliamentarian and the State Regent shall send a copy to each Chapter with her message carrying the Call of Conference.'

'Resolved: That Article IX be amended by substituting the words 'Five hundred dollars for Two Hundred fifty dollars'; the amendment will then read: 'Article IX - Expenses - Section I: Five hundred dollars shall be taken each year from the State Dues Fund, to be used by the State Regent in defraying her necessary traveling expenses.' This amendment is unanimously approved by the Resolutions Committee and will be voted on at the 1949 State Conference. If passed it will become effective immediately. Seconded by Mrs. Faver. Carried."

Mrs. Leonard Wallace seconded the motion amending Article XIII, the motion carried and the amendment was adopted. Mrs. Mark Smith seconded the motion amending Article IX and the motion carried and amendment was adopted.

The State Regent requested that the appointment of Mrs. Guy H. Wells as State Corresponding Secretary to fill the unexpired term of Mrs. Boyce M. Grier, resigned, be confirmed. Mrs. C. E. Pittman moved the ratification of this appointment, seconded by Mrs. Robert J. Travis, and the motion was carried.

Mrs. T. Jackson Lowe, State President of Cerebral Palsy Society, was permitted to make an announcement. She briefly outlined the purposes of the Society and requested that a delegation of D.A.R. members be sent to an all-day meeting to be held in Atlanta at the Georgian Terrace Hotel on March 16. Mrs. George S. Lombard, Chairman of Credentials Committee, handed to the acting secretary the following final report of registration: active National Officers 2; Honorary President General 1; Honorary Vice President General 1; Ex-Vice Presidents General 2; Honorary State Regents 7; State Officers 13; State Chairmen 20; Regents 47; Delegates 30; Alternates 21; guests 36. Total—173.

The assemblage sang "Blest Be the Tie That Binds." The colors were retired and the Fifty-first Annual State Conference was declared adjourned at 11:30 o'clock.

REPORTS OF STATE OFFICERS

STATE REGENT

Mrs. Young Harris Yarbrough

As your State Regent brings you the report of her many activities during the current year, it is with a feeling of deep appreciation to every member, whose loyalty and fine cooperation helped so much in carrying on the work of the National Society.

The first official duty of your State Regent was to call a meeting June 4, 1948, in accordance with Article V-Section V of our State By-Laws, to fill the vacancy of the State Corresponding Secretary, caused by the resignation of Mrs. Boyce M. Grier, who was moving her residence from the State. Mrs. Grier's resignation was accepted with regret, and Mrs. Guy Wells was named to fill this office until the next annual State Conference. Mrs. T. Earle Stribling was Hostess to members of the Tomochichi Chapter, State Officers and other guests at a luncheon at Plantation House on Stone Mountain Road, following the meeting, honoring the State Regent.

The first official visit to a Chapter was on May 4th when she was a guest of the Governor George M. Troup Chapter, Mrs. T. Jackson Lowe, Regent, at a luncheon, followed by the Chapter meeting at which time she spoke on the work of our Society.

On May 31st your Regent was present and gave a tribute at the unveiling exercises of a D.A.R. marker at the grave of Mrs. Heller, a former member of the Bonaventure Chapter. Following the exercises, which were conducted by the Nathaniel Macon Chapter, Miss Mary Lou Barton, Regent, there was a luncheon at the Lanier Hotel.

On June 2nd, accompanied by my Chapter Regent, Mrs. Homer Shy, attended a meeting of the John Laurens Chapter, Mrs. M. J. Claxton, Regent, at the home of Mrs. Guy Cochran, followed by a tea in her lovely garden.

On June 15th attended a joint meeting of the Nancy Hart Chapter and the Sukey Hart Society, C.A.R., Mrs. William Miller, Senior President, and extended greetings.

In August, a letter was sent out to all Chapter Regents, State Officers and State Chairmen, together with plans for eight District meetings to be held in September. These meetings were held for the purpose of bringing the work of our Society to all the members, believing that meetings such as these will accomplish much good by developing a greater interest in and better understanding of the fine work of our Society. They were attended by 486 members from 51 Chapters.

The fine cooperation and enthusiasm shown by the Chapters, sponsoring these District meetings, was a source of deep gratification to your State Regent and she feels sure the interest created will mean much toward better work and greater accomplishment for our Society.

On October 5th, your Regent was honor guest at the 32nd birthday party of John Laurens Chapter, Mrs. Albert Geeslin, Regent, at the home of Mrs. A. T. Coleman, when she was again privileged to talk on pertinent facts of our Society. She was presented at this time with a copy of the "History of Laurens County" by Mrs. E. B. Freeman, in behalf of the Chapter.

On October 15th, the Colonel William Few Chapter, Mrs. R. T. Ragan, Regent, was hostess to your Regent, together with Mrs.

Guy Wells, State Corresponding Secretary, and members of the Oconee and Hawkinsville Chapters.

Early in the summer, your Regent was advised of a proposed tour to our Southern Approved Schools by the National Board of Management, following their October meeting. She immediately wrote to the President of the Berry Schools at Mount Berry, Georgia and received in reply, a most cordial invitation through Mrs. Inez Henry, Assistant to the President, for the evening meal, to spend the night and as long as possible to visit the school. Mrs. James T. Anderson, Jr., Regent of the Fielding Lewis Chapter at Marietta, graciously accepted the responsibility of planning a luncheon for the pilgrims en route to the Berry Schools, with the understanding that they were to be the guests of the Georgia Society.

Your State Regent went to Washington for the National Board meeting on October 20th, following which the tour started from the Mayflower Hotel in Washington on two chartered buses, with several private cars, going via Skyline Drive to the Blue Ridge School at St. George, Va., where lunch was enjoyed there with the children; thence to Roanoke, we were guests of the Virginia Society, Mrs. Everett Repass, State Regent, at a dinner party at the Roanoke Hotel, where we spent the night.

After an early breakfast we left Roanoke via Blue Ridge Parkway to Blowing Rock for lunch at Wautauga Inn, as guests of the North Carolina Society, Miss Gertrude Carraway, State Regent, Official Hostess; arrived at Crossnore at 3:30 p.m. for dedications and supper, after which an entertainment was given by the students, of folk songs and dances of the mountain people, in their new auditorium.

We drove 7 miles to Linville where Easeola Inn, closed for the season, was opened for our occupancy for the night, returned to Crossnore for breakfast before going to Hendersonville, where we were again guests of the North Carolina Daughters at Echo Inn for a luncheon, thence to Brevard, North Carolina, for a lovely tea at the beautiful home of Mrs. J. S. Silversteen, a former State Regent and Ex-Vice President General.

We arrived at Tamassee for supper, after which we were permitted to attend the annual Board meeting of the school. Our Mrs. Hightower is a member of the Tamassee Board and gave an excellent talk on "Why Tamassee?" Following the Board meeting, a reception was given by the State Regent, Mrs. Henry Munerlyn, honoring the President General, Mrs. Roscoe C. O'Byrne.

On Sunday, early communion services, breakfast, Founder's Day Program, at which time dedications of Memorial Acres and Memorial Lights were made, lunch and an afternoon trip to Clemson for tea at the John C. Calhoun Mansion House, back to Tamassee for supper, followed by a moving picture of Tamassee in the auditorium and a midnight snack, at which Mrs. Marshall P. Orr, Vice President General from South Carolina and Mrs. T. J. Mauldin, Honorary Vice President General entertained, gave a full day and a most enjoyable one, long to be remembered.

After an early breakfast we were on our way to Georgia, where our State Patrol car met the tourists at the State line and led them through to the Marietta Country Club, where beautifully appointed tables, laid with their finest damask cloths and silver candle sticks, artistically decorated with white chrysanthemums, seated 162 guests. Our Honor Guest, Mrs. Roscoe C. O'Byrne, President General, was presented a box of nylon hose, Georgia made in Marietta, in behalf of the Georgia Daughters. Representatives from 32 states were your guests on this occasion.

The party arrived at Mount Berry at 4:30 p.m. and after being

assigned to their rooms for the night, were taken on a tour of the Campus, the largest in the world (about 32,000 acres) and then to dinner in the girls dining hall. Each guest found at her place a unique corsage, made of a full blown cotton boll with nandina leaves. The dinner was prepared and served by the students, who are taught and it is their motto that there is honor and dignity in work. We visited the weaving room and saw many beautiful articles made at the school, but regretted lack of time for purchasing, since had to hurry on to the auditorium, where a pageant was presented by the students, depicting the life of Miss Martha Berry, whose leadership and vision made possible the school and enriched our State.

Again an early breakfast and we were privileged to attend joint Chapel exercises, which were most impressive.

We left immediately for Grant, Alabama, via Gadsden and to our Kate Duncan Smith School on Gunter Mountain, arriving for their exercises at 11 a.m. with the State Regent, Mrs. Henry Grady Jacobs presiding. Many gifts were presented and dedicated at this time, including a piano, the gift of the Georgia Society, Children of the American Revolution. Picnic lunch was served in the Helen Pouch lunch room, after which the processional led the way to the spot, where ground was broken for the new class rooms, commemorating the 25th Anniversary of the School. Since our own State Board of Management was to meet in a few days, your State Regent could not continue to Maryville, but returned home.

On November 4th, by invitation of the three Columbus Chapters, Oglethorpe, Mrs. Mark Mote, Regent; Button Gwinnett, Mrs. S. W. Jackson, Regent; George Walton, Mrs. E. P. Cary, Regent, the State Board of Management met at the Woman's Club in that city, with a majority of the members present.

On November 10th, your Regent was guest speaker at the joint meeting of the Nathaniel Macon and the Mary Hammond Washington Chapters at the Idle Hour Country Club, with a lovely tea following.

On November 16th, my own Chapter, the Nancy Hart, honored me with a tea at the attractive home of Mrs. Walter Williams, when State Officers, and Georgia's Honorary Vice President General were present.

On November 18th, accompanied by Mrs. Mark Smith, went to Homerville for the organization meeting of the John Floyd Chapter and we were the house guests of Mrs. E. J. Smith, Organizing Regent. There were 39 organizing members of this new Chapter. Members from neighboring Chapters were present for this occasion and the beautiful luncheon which followed.

From Homerville, we motored to Moultrie, where we were house guests of Mrs. William J. Vereen, Regent of the John Benning Chapter, and were honored at a beautifully appointed luncheon, when Mrs. Vereen also entertained her Executive Board. The meeting in the afternoon, when your Regent spoke on the work of our Society, celebrated the 39th birthday of the Chapter. It was a festive occasion, with the candles burning brightly on the Birthday Cake. In the evening, a delightful buffet supper was enjoyed at the home of Mrs. James Benenson.

On December 1st, the Junior Committee of the Fielding Lewis Chapter, Mrs. Guy Wells, Jr., Chairman, honored the State Regent and the State Corresponding Secretary, Mrs. Guy Wells, Sr., at the country home of Mrs. James T. Anderson, Regent.

On December 8th, your Regent was a guest speaker at a meeting of the Pulaski Chapter, Mrs. Ben Brown, Regent. Prior to the meeting, Mrs. Robert Hunt entertained at a luncheon.

Your State Regent regretted that she was unable to attend the organization meeting of the Cherokee Chapter, Mrs. Ransom Burts, Organizing Regent, on December 23rd. The Chapter was confirmed as organized by the National Board of Management on February 3rd, 1949.

In January she met with the Oliver Morton Chapter at the home of Mrs. Calder Finney in Haddock, where Mrs. Guy Wells accompanied her.

On January 13th, accompanied by Mrs. T. Earle Stribling, Second Vice Regent, drove over to Augusta, where we met with Mrs. Lombard and Mrs. Stone to complete plans for the State Conference, and were their guests for lunch at the Country Club. In the afternoon we were entertained at tea by Mrs. Clifford Welton, who is serving as Chairman of Pages.

On January 20th went to Athens where your Regent shared honors with Mrs. Julius Y. Talmadge, Honorary President General at a beautifully appointed luncheon, given by the Elijah Clarke Chapter, Mrs. J. T. Dudley, Regent. The luncheon was followed by the Chapter meeting at the home of Mrs. Birchmore, when your Regent was a guest speaker.

On February 17th, your Regent and Mrs. Wells were guests of the John Clarke Chapter at the home of Mrs. Mell Knox, when the local U.D.C. Chapter joined the group for a buffet luncheon and their meeting.

Was the guest of the Junior Committee of the Mary Hammond Washington Chapter for their Ellis Island program, with moving pictures of patients at work, also exhibits of articles made in the Occupational Therapy Department.

The courtesies that have been extended to me as your State Regent have been manifold, and I wish to express my thanks to all of the D.A.R. friends, who have entertained me during the year in their homes, for the corsages, gifts, year books, luncheons and teas, my grateful appreciation.

STATE FIRST VICE-REGENT

Mrs. Leonard Wallace

It has been a privilege to serve the Georgia Society under the able leadership of our Regent, Mrs. Y. H. Yarbrough.

The State First Vice-Regent attended five District meetings, State Board meetings, State Conference, Proceedings Committee meeting and visited ten chapters.

STATE SECOND VICE-REGENT

Mrs. T. Earle Stribling

While the official duties of this office are few the honor and opportunity for service are numerous.

As your state second vice-regent I attended all eight district meetings presenting the National Defense program to the chapters. Whenever called on by the state regent I have responded to the best of my ability.

I wish to express to all chapters my deep appreciation for Year Books and all courtesies shown me. I look forward to serving you in the capacity of this office another year.

STATE CHAPLAIN

Mrs. R. L. Carter

During the past year the work of the State Chaplain has been a privilege rather than a duty. The splendid cooperation of Chapter Regents and Chaplains has been greatly appreciated. The privilege of sending messages of sympathy to those in sorrow has been a service of love.

Your State Chaplain has written, during the year, 211 letters and cards, including notes to bereaved families.

Since the last Conference fifty Daughters have gone from among us. They have left our earthly companionship but still they live in our hearts.

STATE RECORDING SECRETARY

Mrs. Lucius W. McConnell

Your State Recording Secretary reports with pleasure her activities. She attended the State Executive Committee meeting on June 4th, the Northwestern and Northeastern District meetings and the meeting of the Board of Management on November 4th. She mailed a letter to each State Officer, State Chairman, and Chapter Regent requesting that all reports be sent in on time.

She wishes to express her appreciation for the Year Books received, and the cooperation which has been given to her by her co-workers and by the State Regent.

STATE CORRESPONDING SECRETARY

Mrs. Guy Herbert Wells

The Corresponding Secretary of the Georgia Society, Daughters of the American Revolution, submits the following report, beginning June 4, 1948, to continue the unexpired term of Mrs. Boyce Grier who resigned.

The work of this office largely has been to help the State Regent send out letters, as follows:

The State Regent's "Fall Letter" containing information about district conferences	148
Invitations to join the Approved Schools tour	141
Notices of the State Board meeting in Columbus	148
The Calls to the State Conference in Augusta	148
Invitations to the State Conference	300
Other letters, social and business, written in the name of the Georgia Society	36
Total	921

The act was accomplished of selecting, ordering, and checking the purchase of 1054 badges and 30 page ribbons for this and next year's state conferences.

The activities of this office have not all been work. The first act after being appointed was to attend the enjoyable and hospitable luncheon given by Mrs. Earle Stribling near Stone Mountain honoring the State Regent. The State Regent has allowed the Corresponding Secretary to share some of the joys of the Regent's office. Together they have visited a number of chapters at luncheons, teas, and regular meetings. Those with whom they have met were the chapters of Eastman, Hawkinsville, Milledgeville, Gray, Athens, Social Circle, Marietta Junior Committee of the Fielding

Lewis Chapter in Marietta, the Junior Committee of the Mary Washington Chapter and the Nathaniel Macon Chapter. The Board meeting in Columbus was also attended.

In work as well as play it has been a pleasure to add a fraction of service to the many accomplishments of the Daughters of the American Revolution.

Atlanta, Georgia

Mesdames:

I have examined the treasurer's records of the Daughters of the American Revolution, Georgia Society for the period beginning with May 1, 1948 and ending with February 15, 1949, and I have reviewed the system employed, the accounting procedures followed and other supporting evidence by methods and to the extent I deemed appropriate. My examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which I considered necessary.

A summary of Cash Receipts and Disbursements follows.

Cash on hand May 1, 1948\$ 4,853.75

Receipts May 1, 1948 thru February 15, 1949 10,783.74

15,637.49

Disbursements May 1, 1948 thru February 15, 1949 10,056.74

Cash Balance on deposit—The Central Bank, Swains-

boro, Georgia, February 15, 1949\$ 5,580.75

In my opinion the accompanying Statement of Funds Balances, Cash Receipts and Cash Disbursements properly presents the position of the Treasury as at February 15, 1949 and the financial activities of the Society for the period under review.

Respectfully submitted,

STATE CONSULTING ORGANIZING SECRETARY

Mrs. T. K. Kendrick

The John Floyd Chapter, Homerville, Mrs. E. J. Smith, Organizing Regent, held the organization meeting on November 18th. The Cherokee Chapter, Brookhaven, with Mrs. Ransom Burts, Organizing Regent, held the organization meeting on December 21st.

Two other chapters are in the process of organizing: The Cedar-town Chapter with Dr. Elizabeth Barber Young as Organizing Regent and the Andrew Houser Chapter, Marietta, with Mrs. Hoyt S. Bryan as the Organizing Regent.

STATE LIBRARIAN

Mrs. John F. Thigpen

Considerable interest in our splendid library work, both State and National, has been shown by many of the chapters. 67 chapters report having a chapter librarian, an increase of 16. Many chapters report maintaining a shelf in the local library and placing

subscriptions to the D.A.R. Magazine and the National Defense News in school and other public libraries.

Although many of the 22 items on the list of "Requested Books" are out of print and difficult to locate, several of which are still in typewritten form and have never been published, your State Librarian is happy to report that all of the books which could be supplied by dealers were purchased and sent to the Librarian General. They are as follows:

Atlanta As It Is: Being a Brief Sketch of Its Early Settlers. John S. Wilson. 1871. Given by Joseph Habersham Chapter.

Thomas Stanton of Stonington, Conn. John D. Baldwin. 1882. Given by Joseph Habersham Chapter.

A Genealogical Record of the Descendants of Alexander Rollo of East Haddam, Conn. John H. Rollo. 1896. Given by Joseph Habersham Chapter.

Lieutenant Henry Timberlake's Memoirs 1756-1765. Samuel C. Williams. 1948. Given by Joseph Habersham Chapter.

Memoirs of the American Revolution from its Commencement to the Year 1775, inclusive, as relating to the state of South Carolina; and occasionally referring to North Carolina and Georgia. John Drayton. Charles, S. C., 1821. 2 vols. Price \$30. Donated as follows:

John Laurens Chapter in honor of Mrs. Maude Stubbs Pritchett, deceased, mother of the State Librarian; Baron DeKalb Chapter, National Defense Committee, in honor of Mrs. Alvena McDaniel, deceased, mother of Mrs. Carl Hudgins; Atlanta Chapter, Thronteaska Chapter, Benjamin Hawkins Chapter, Savannah Chapter, General David Blackshear Chapter, Elijah Clarke Chapter and Tomochichi Chapter.

A History of the Families of Bulloch, Stobo, Deveaux, and Other Families. Joseph G. Bulloch. Savannah, Ga., 1892. Given by Hancock Chapter.

Also sent to the National Library was the newly published book of the Reynolds Family, given by the Conservation Committee of the Joseph Habersham Chapter in honor of the State Librarian.

Compilation of Laws of the State of Georgia, 1801-1810, printed by Adams and Duyckinck, Augusta, 1813, was sent by the Stephen Heard Chapter.

Two copies of Proceedings of Georgia State Society, N.S.D.A.R., 1947-1948, were sent by the State Corresponding Secretary.

The following books and records have been sent to the Georgia D.A.R. Library in the State Department of Archives and History in Atlanta:

Records of the Revolutionary War Distinguished Officers. W. T. R. Saffell. 1858, New York City. Given by Mrs. W. F. Dykes of Joseph Habersham Chapter.

Dramatizing Democracy, a book of plays by Mildred Edmundson, presented by the author. Several chapters have purchased this booklet and placed it in high school libraries.

LaGrange Chapter sent miscellaneous pamphlets, receipts and promissory notes ranging in dates from 1852 to 1883, including Luther's Smaller Catechism translated from the Original and Union Questions on Select Portions of Scripture, Vol. III, 1834.

Hawkinsville Chapter donated \$5.00 to the M. E. Roden Memorial Library.

John Benson Chapter gave \$12 toward support of the Hart County Library.

Gov. Milledge Chapter gave \$50 for D.A.R. book shelves in the new Dalton Public Library.

General James Jackson Chapter placed on the D.A.R. shelf of

the Valdosta Carnegie Library the Holcombe Nation Builders, Henry Family Records, Lee Family Records and Taylor Family Records; also the Parrish Family History and the Georgia State Memorial Book of World War I. \$25 is spent annually on books through the Remer Young Scruggs, Jr., Memorial Fund.

General David Blackshear Chapter has established a chapter library containing 340 volumes valued at \$155.00.

Sergeant Newton Chapter spent \$4.50 for chapter library work.

Elijah Clarke Chapter spent \$12.15 for chapter library work, \$2.00 for State and \$2.00 for National. This chapter published in the Athens Banner-Herald the list of books requested by the Librarian General and placed subscriptions to the D.A.R. Magazine in libraries of Athens-Clarke County Regional, Athens High School, Vocational School and U. of Ga. Co-Ordinate Campus; also subscriptions to the National Defense News in 11 schools and public libraries.

Atlanta Chapter spent \$30 for chapter library work, \$5 for National, and sent books valued at \$25 to the State Library.

Nancy Hart Chapter contributed money for National Genealogical records. One of their members, Mrs. David Ferguson, has written and had published a pamphlet entitled "Milledgeville, My Town."

Mary Hammond Washington Chapter contributed \$2.00 to the Library Fund.

Lachlan McIntosh Chapter is sending the following duplicates of books: Restorations by D.A.R., Ebenezer Record Book and Roll and Legion of Georgia Hussars.

Peter Early Chapter reports due to lack of space in the local library, their books are kept in the home of an officer but are available to everyone. The D.A.R. Magazine and Motion Picture Guide are contributed to the local school library.

Augusta Chapter maintains its library at Meadow Garden and wishes to create interest throughout the State in sending County Histories to Meadow Garden. They need recent publications and any other books that the different chapters could and would give.

John Houston Chapter spent \$20 for library work, sending 1 book to the State Library and 1 book to the National Library. Among the books furnished the local library was 1 bound volume of early marriage records of Upson County, by Mrs. E. T. Nottingham.

May I express my appreciation to each of the chapters that made this report possible. It is now my pleasure to present to the Hancock Chapter the State Librarian's award of \$5 for the first book on the N.S.D.A.R. list of "Requested Books from Georgia" sent to the National Library.

I also am happy to present to my own regent of Joseph Habersham Chapter the State Librarian's second award of \$5 for the outstanding achievement of having sent to the National Library the largest number of books on the N.S.D.A.R. Request List, an aggregate expenditure of \$24.70.

STATE HISTORIAN

Mrs. Harold I. Tuthill

In September I wrote to each regent suggesting the work of the chapter historian, and in January, I sent to each historian a questionnaire asking that the work accomplished be sent to me by February 1st.

Forty-one of those chapters have responded. Of those, eight chapters reported the marking and preservation of seventeen historic spots; one the marking of Revolutionary soldiers' graves; and the graves of the thirteen D.A.R. members.

Eighteen reported the conducting of forty-one history contests in school; twenty-one presenting fifty-four medals; eight awarding a total of one hundred and fifteen dollars in prizes; nine having visited history classes in school; eleven having examined the history books used by the students in school.

The LaGrange and the John Ball Chapters are to be commended for their excellent work in the reviewing of the state adopted textbooks in the field of history. Two chapters reported having written nine historical manuscripts which were sent to the National Society; nine chapters reported pilgrimages to historic spots. The John Ball Chapter reported a pilgrimage of ninety persons to Fort Pulaski and other historic spots in Savannah, and the Fort Valley Chapter reported the greatest number of historic spots visited. Twenty-three chapters reported the observance of one hundred and thirty-one historic anniversaries.

Eight chapters contributed to the Washington Memorial Bell Tower at Valley Forge, making a total of ninety-three dollars, in addition to the Christmas cards purchased. The Dorothy Walton Chapter sent thirteen names of veterans of World War II, and the Barnard Trail Chapter honored the organizing Regent with a plaque.

Four chapters reported having written the history of their county, Etowah Chapter having prepared sixty-seven typewritten pages of Church history and thirty-four pages of genealogical data. The James Pittman Chapter reported contributing ten dollars to the National Society for a room in honor of Mrs. Yarbrough. The James Monroe Chapter reported the awarding of eleven dollars in a patriotic song contest; three chapters prepared a total of sixteen historical papers; four chapters reported the copying of seventy-one Bible records; and the James Monroe Chapter copied the marriage records of Monroe County from 1826-1870 for the Georgia Historical Society; and one chapter presented fifty dollars to Bessie Tift College for the purchase of a history of the South. The Elijah Clarke Chapter is to be commended for its work in preparing the greatest number of historical papers (14). It also had the largest number of historical observances. The Colonel William Candler Chapter copied 1401 marriage licenses, which at a later time will be placed on a plaque. The General James Jackson Chapter has completed the binding of 137 county histories. The Henry Walton Chapter has presented valuable histories to the Madison schools. The Thornateeska Chapter is doing splendid work in preparing scrapbooks for the school and library.

Please let me thank the regents and chapter historians for their interesting year books, historic papers, photographs of historic spots, newspaper clippings and first day issue of the Moina Michael Stamp. I wish that space and time permitted the mentioning of each chapter's splendid work. May I urge the regents to encourage the work of chapter historians so that next year I may be able to report a much larger number of chapters who have participated in this most important work.

STATE CONSULTING REGISTRAR

Mrs. John D. Faver

Before reporting the vital statistics so important to our State and National Societies, I want to say how much I have enjoyed as your Registrar the contacts and correspondence with the Chapter Registrars and Regents. The first of September a letter was sent them urging that application papers be as nearly perfect as possible before they are sent in, and explaining what was necessary in order to keep the membership files as you wish them. During the fall your Registrar attended five of the District meetings, and whenever possible your questions have been answered. Your response and cooperation have been greatly appreciated.

STATE CURATOR

Mrs. Talbott B. Chandler

This year our National Museum Chairman placed her emphasis on the Museum Fund in order that we be able to equip the additional space allotted to the Museum. The Georgia Chapters—fourteen of them—have responded by increasing their contributions more than four-fold to a total of sixty-two dollars. The Commodore Richard Dale Chapter gave twenty-five dollars of this amount.

Several articles have been submitted to the Museum.

The LaGrange Chapter, through the generosity of Mrs. Harry Spikes, has offered a Colonial currency note, dated 1776.

Mrs. I. C. Field of the Thronateeska Chapter, has given a very old and interesting cook book, and a silver plated candle snuffer.

It is with pleasure that I present the Sara Morrow Trophy for the most valuable Revolutionary gifts given to the National Museum, to the Thronateeska Chapter.

STATE EDITOR

Mrs. William C. Robinson

The State Editor has conducted the department in the Atlanta Constitution devoted to the Daughters of the American Revolution, with the exception of the months of July, August and September. During this time, the State Assistant Editor, Mrs. C. L. Hamilton edited the column. We regret that due to new editorial policies and shortage of space, there have been weeks when the column was delayed; sometimes cut and sometimes omitted entirely.

On numerous occasions, news from the State and National Society has been sent to twelve other papers in the State. Press releases from the National office have been used several times.

Chapter Regents and Press Relations chairmen have given splendid cooperation throughout the year. LaGrange Chapter has sent to the State Editor the most complete file of news to be used in the D.A.R. Column and is, therefore, the winner of the May Phillips Mims Trophy. Elijah Clarke Chapter sent the best report of chapter activities other than chapter meetings and is the winner of the State Editor's award of five dollars.

STATE ASSISTANT EDITOR

Mrs. C. L. Hamilton

A column, composed of news from Chapters of the Georgia Society and some special messages from the State Regent appeared in the Atlanta Constitution each week but one, during the summer months of 1948 under direction of the Assistant State Editor.

It was her duty and pleasure at this time to receive news and see that much of it was published.

COMMITTEE REPORTS

NATIONAL COMMITTEES

THE ADVANCEMENT OF AMERICAN MUSIC

Mrs. Herbert Fay Gaffney

We find the word ADVANCE to mean, "To elevate, to promote, to rise in value, to go forward" My report on this important work culled from the many chapter activities covers rather happily the definition.

At this time I do not deem it expedient to relate the high points contained in these reports but leave the pleasure of so doing to the chapters reporting, so listen to the ten out-standing ones and judge for yourself. However I am asking you to hear me in a brief outline of the General David Blackshear chapter of Rochelle, which to use a popular phrase "is out of this world." Bound in a lovely blue with ribbons of white, bearing the name of Chapter, first meets the eye.

Every program for each successive month is carefully planned, with appropriate scenes in attractive coloring introducing each subject. An accurate map of the State of Georgia shows a cut-out, with names of local composers. Then a charming mountain cabin done in a water scene indicates the Mountain music. Also an important looking donkey pictured in the dust-red shade of the Hills is there to introduce a touch of humor, and as a climax of classic art a year book of the Music Study Club with gems of poetical and musical references emphasizing certain selections. This report proudly goes to the National Chairman showing something else "The Daughters Do."

There are handicaps in our way, but the high purpose to study and deepen appreciation of patriotic music is keenly shown. I find that if people are sometimes listening to music, and sometimes taking part in it, we shall have better musicians, better listeners, and greater enjoyment in music.

I am yours for a SINGING America.

Are you listening?

Are you singing?

AMERICANISM

Mrs. John Calhoun Peterson

It is gratifying to report to you that the response received from the chapters to the questionnaire sent to them by your chairman of Americanism, indicated that the Georgia Daughters are actively engaged in perpetuating American traditions and American ideals. Over fifty chapters made reports along the lines of special patriotic endeavors, a majority of them were excellent. These reports reveal the following information: Many of our chapter members are keeping informed about pending legislation; letters have been written to Congressmen expressing their views in regards to various legislation. They are alert to subversive forces in our country. Many have familiarized themselves with the textbooks used in the schools of their respective communities. Almost every chapter reported programs on Americanism. 22 chapters reported the presentation of 37 medals to Good Citizenship Pilgrims. 26 Chapters reported the total of 67 Good Citizenship Contests. 26 chap-

ters presented the D.A.R. Magazine, the National Defense News and other patriotic literature to school libraries. 5 chapters reported special work with foreigners and the attendance of members at Naturalization courts. Several chapters recognized the eighteen year old voters in public programs. Almost four thousand manuals of citizenship have been distributed. One chapter reported the sponsoring of 228 essays written on the subject, "What America Means to Me." Many chapters reported cooperation with various youth organizations such as the Girl Scouts and Boy Scouts and Four-H Clubs. Several very interesting programs of a patriotic nature were sent to your chairman. Practically all chapters reported Red Cross enrollment, the use of The American's Creed and The Pledge of Allegiance in their meetings.

The following chapters should receive special mention for their splendid records: Nancy Hart Chapter, Milledgeville; Joseph Habersham Chapter, Atlanta; LaGrange Chapter, LaGrange; Gov. George M. Troup Chapter, Hogansville; Baron DeKalb Chapter, Decatur; Oliver Morton Chapter, Gray; Thomasville Chapter, Thomasville; Vidalia Chapter, Vidalia; and the Savannah Chapter, Savannah.

Let us remember that nothing is more important to every citizen of this republic than the guarding of those institutions which protect our lives, our liberty and our property. We must ever be mindful of the fact that we are inheritors of the traditions and opportunities of this greatest of all nations and upon us as citizens rests the responsibilities and duties of preserving American institutions, American traditions and American ideals.

APPROVED SCHOOLS

Mrs. Leonard Wallace

The important work of building through education of underprivileged children continues to focus attention on D.A.R. Approved Schools. As your state chairman I attended five of the District meetings, ten chapter meetings and had the pleasure of visiting Tamassee, Berry and Kate Duncan Smith with the Approved Schools tour.

Eighty chapters met the ten cents per capita requirement for Approved Schools. One hundred and twenty boxes of clothing valued at \$5,769 and many Christmas gifts were reported as sent to the children. Eighty-nine programs were presented.

Tamassee scholarships given were Arthur Fort Chapter, \$1000, John Houston, \$400, Baron De Kalb, \$150, Commodore Richard Dale, \$100, Elijah Clarke, \$100, Fielding Lewis, \$100. Total \$1850. Twenty chapters paid \$157 to Marion Sibley Wylie Victory Fund, ten paid \$203 to the May Erwin Talmadge Auditorium Gymnasium, two gave \$10 to the Grace Marshall Fund and \$2317.40 was paid to the Scholarship Fund making a total of \$2687.40 for Tamassee.

To Kate Duncan Smith Becker Hall Fund, John Houston gave \$100. Fielding Lewis contributed a \$75 scholarship and James Monroe a \$50 scholarship. Atlanta Chapter gave \$25 to the Helen Pouch Fund. With the Scholarship Fund the total reads \$602.05.

Forty-six chapters contributed \$243 to the Berry Schools; thirty four gave \$127 to Crossmore; thirty-one gave \$124.50 to Blue Ridge and twenty-seven contributed \$103.50 to Maryville. The total is \$4144.45 spent for Approved Schools by Georgia D.A.R.

Their names are listed under "Awards" in the Proceedings. Three chapters contributed to all fourteen of the Approved Schools and received extra awards from Mrs. Hightower. CONSERVATION

Mrs. J. Harold Nicholson

The National Tribute Grove of giant Sequoias in California consisting of five thousand acres is divided into sections. Parcel number nine, five hundred acres, has been set aside as the D.A.R. unit and will be dedicated as a memorial to men and women of both World Wars. A large D.A.R. marker will be erected and dedicated this summer. The total price of \$26,000.00 has been

contributed and of this amount Georgia Daughters gave \$568.75 during 1946-1949. The following fifteen chapters contributed a total of \$118.75 to the Grove this year: Bainbridge, Joseph Habersham, Button Gwinnett, Toccoa, Vidalia, Henry Walton, La-Grange, Peter Early, Elijah Clarke, Atlanta, Colonel William Few, James Pittman, John Milledge, Tomochichi and Stephen Hopkins. My sincere appreciation is due each Georgia Daughter for her help in completing this wonderful project.

HUMAN RESOURCES—A bill was sponsored by prominent Georgia D.A.R. for appropriating funds from the State to help and teach Georgia's four thousand cerebral palsy victims. The principal of these classes is a member of Henry Walton Chapter.

Chapters sponsored teaching citizenship in Negro Schools in several counties.

Of the thirty-five chapters replying to my fall letters and spring questionnaires the membership was 100% members of Red Cross. Time, money, and clothes were given to Youth and Community Centers, Hospitals, Boy and Girl Scouts, foreign children and Community Chest. Assistance was given to all Youth Movements and cooperation given to Public Safety Education. Bicycle riding and auto driving was taught in schools. Members served as Directors of Youth Groups and organized Cub Scout Troups for Boys and Girls.

NATURAL RESOURCES—The State Senator from Morgan County sponsored a bill which passed during the past session of the Georgia Legislature extending State wide Forest Fire Protection. This bill calls for appropriations of thousands of dollars and the extra funds are primarily for forest fire protection. The Henry Walton Chapter helped sponsor this bill. The Brunswick Chapter sponsored a bill in the Legislature to preserve the Marshes of Glynn.

The Conservation Pledge was taught at meetings and in schools. Food was preserved by freezing, canning and drying.

Highways were beautified; cemeteries were cared for and city parks and playgrounds were special projects for many chapters. Forest Fire Week was observed and thousands of pine seedlings were planted.

Pictures of three trees and their histories have been sent to the National Chairman of Historic Trees and seed and money amounting to thirty-five dollars from five chapters were sent to National Chairman of War Service Gardens.

Best reports were received from the following chapters—La-Grange, Governor George Troup, Joseph Habersham and Elijah Clarke.

Let us remember the words of our National Chairman, "America's future strength depends upon a wise conservation of our resources."

CORRECT USE OF THE FLAG

Mrs. Harry Talmadge

In August, a card was sent to each chapter chairman containing instructions. Twenty-nine chapters reported to the "Correct Use of the Flag" chairman.

Eight large flags have been presented to clubs, schools, and chapters. Twenty small flags were presented to schools, clubs, and other organizations.

Twenty-nine chapters reporting have had the Flag Code rules explained at chapter meetings. Twenty chapters have Flag Codes on file, and 543 Flag Codes have been distributed. Eighty-four

items of flag literature have been distributed, such as cards with Pledge of Allegiance and American Creed. Thirteen corrections have been made on display of the flag.

Twenty-seven talks were given by guests or members of the Daughters of the American Revolution, fifteen to chapters, twelve to schools and clubs. Eight chapters reported one entire meeting devoted to flag programs.

Two pageants were given and two flag histories given. Publicity items were published in local papers. Three radio programs were given. One flag quiz was held.

One chapter sponsored school essays, and fifty children wrote essays. Four prizes were awarded. Eight chapters held special flag day programs in their communities.

Twenty-nine chapters reported giving correct salute, Pledge of Allegiance, and American Creed also singing National Anthem at each meeting.

Ten chapters reported displaying the flag as directed in Code (Public Law 829). Two chapters reported displaying flags on national holidays.

Four chapters reported special activities in their communities and four having files of flag material.

D.A.R. GOOD CITIZENSHIP PILGRIMAGE

Mrs. William E. Gray

It is with pleasure that I report an increase of interest in this important phase of D.A.R. Work. It is especially encouraging, in view of the fact, that with the Pilgrimage in Washington discontinued, it was feared this would not be true.

Letters were sent in October to each chapter outlining the year's work and offering an award of \$5 to the chapter sending in the largest number of names. The work of this committee is not confined to the county in which the chapter is located and chapter chairmen were urged to contact schools in adjoining counties which had no D.A.R. organization. Every public high school is entitled to select a girl from the senior class as its good citizen, chosen on qualifications of Dependability, Leadership, Patriotism and Service. 52 chapters reported 91 names and ordered pins for 67. In comparison, last year 39 chapters sent 54 names and ordered pins for 42. Col. William Candler, Gainesville, Miss Allene Johnson, Regent, sent in eight names and won the award.

Miss Gwendolyn Adams of Abbeville was chosen State Pilgrim for 1949. Miss Mae Bridges of Damascus was first alternate, and Miss Sarah Brown of Grantville, second alternate. Gwendolyn was sponsored by the Gen. David Blackshear Chapter, Rochelle. Accompanied by the Regent of the Gen. David Blackshear Chapter, Mrs. W. J. Fitzgerald, she attended State Conference in Augusta, as guest of the Georgia Society and charmed the Daughters with her sweet graciousness and poise. She was presented to the Conference Opening Night and received the \$100 bond and Pilgrimage Pin. Pins and certificates for the other pilgrims have been delivered.

Your chairman has sent \$31 to the Treasurer General which amount represents gifts from ten chapters to the new Building fund in honor of Mrs. T. Earle Stribling, former State Chairman and now active National Vice Chairman of this committee. This contribution will be added to similar ones from the other states and designated D.A.R. Good Citizenship Pilgrimage Committee in our new building.

The 1949 Conference voted to give additional awards of \$5 each, beginning in 1950 to the first five alternates of the State Pilgrim.

With this added interest taken by our Georgia Society, surely it is not too much to expect 100 per cent cooperation from our chapters next year.

DAUGHTERS OF THE AMERICAN REVOLUTION MAGAZINE

Mrs. Sam Merritt

The statistical report of your State D.A.R. Magazine Chairman was compiled from answers to the questionnaire sent out early in January. If the chapter answers do not seem uniform, it is because the questions were not answered in full by some chapters. These questions were patterned after the ones asked your state chairman by the national chairman. Next year will you answer promptly and accurately?

Some chapters gave good reports, and some gave not so good ones, but in every instance there is much room for improvement. It is suggested that local chairmen work especially to get all the officers to take and read the magazine.

Cherokee Chapter gets the Perdue Loving Cup for the largest number of new subscriptions. Elijah Clarke and Baron De Kalb tied for the largest percentage of members taking the magazine, with Tomochichi second. Dorothy Walton Chapter reported that all its officers subscribe.

Though it is hard to believe, two chapters report that they have no subscriptions at all.

You are urged to work even harder on this important committee, and to answer the questionnaire so that this report may be complete next year.

Note: Total number of subscribers 579.

D.A.R. MANUAL FOR CITIZENSHIP

Mrs. D. M. Holsenbeck

This year more interest has centered around the foreign war brides than any other group. A large percent of naturalized citizens were foreign war brides. One chapter gave a dinner party to twenty-five foreign war brides and each was presented with a manual and several other chapters gave teas in their honor.

The D.A.R. manual for citizenship was given to the clerks of the naturalization courts to be used by the applicants in their instruction course.

Three schools use D.A.R. manuals for citizenship as a text for their civic course on citizenship. The teachers state that this manual is the most instructive small book they have ever seen and has more facts that are historic and interesting.

The Junior American Citizens Clubs use these manuals in getting up their club programs.

Forty-five hundred manuals have been distributed to high schools, libraries, hospitals, county prisons, vocational schools, for displaced persons who have recently come to make their home in Georgia, negro schools, mountain schools, juvenile courts, young lawyers, Red Cross, Warm Springs Foundation.

Orders for manuals were requested in eight foreign languages, twenty-nine in French, twenty-seven in German, twenty-nine in Greek, thirty-one Italian, two Russian, twenty-nine Spanish, five

Chinese and two Portuguese. Most of these were placed in the hands of students attending colleges and universities.

Many new citizens have participated on programs. The programs outlined on Our Foreign Born Americans have been carried out in most of the chapters.

The press has been generous with publicity and pictures of these new citizens. One picture in D.A.R. Magazine with chairman presenting manuals. Several radio programs.

The following chapters are to be congratulated on their outstanding work: Atlanta, Joseph Habersham, Baron DeKalb, Elijah Clarke, Governor George M. Troup, LaGrange, Nancy Hart, John Houston and General James Jackson.

I wish to express my appreciation and heartfelt gratitude to those Chapter Regents and Chapter Chairmen whose interest and fine cooperation have made this report possible.

ELLIS ISLAND

Mrs. Wyatt B. Childs

Many Chapters have not yet accustomed themselves to the change in our Society's method of financing the work of this committee. In the past each Chapter was assigned a quota of five cents per member. This has been discontinued and in lieu thereof the National Society has voted an appropriation to take care of bare essentials. This amount is many thousand dollars less than the total usually contributed. Last year's contribution included a great many special gifts, and it was very much desired and hoped that these gifts would continue upon an even larger scale.

Our work at Ellis Island has not yet reached its peak. The Veterans' Administration states the number of neuro-psychiatric patients can be expected to increase for some years yet. All donors may be sure their gifts will play a real part in helping to rehabilitate these men.

As your State Chairman, letters, information leaflets, program suggestions and questionnaires have been sent to 87 Chapters. I wish to express my sincere appreciation to those 47 Chapter Regents and Chapter Chairmen returning these reports.

Nineteen Chapters have Ellis Island Chairmen.

Twenty-three Chapters have had Ellis Island programs.

Four Chapters have shown films of patients at work.

Four Chapters have sponsored exhibits.

Five Chapters had a radio broadcast about their work.

Twenty-five Chapters reported voluntary contributions. Among those were Sergeant Jasper, John Clarke and Gov. George M. Troup \$1; John Ball, Barnard Trail and Sergeant Newton \$2; Oliver Morton \$2.50; Dorothy Walton and Toccoa \$3; Pulaski, Gov. John Milledge, Atlanta, Gov. David Emanuel, Col. William Few, Burkhalter, Arthur Fort, Joseph Habersham, Commodore Richard Dale, Lachlan McIntosh and Oglethorpe \$5; Gen. David Blackshear and Elijah Clarke \$10; Baron DeKalb \$13.77 and Mary Hammond Washington \$47.44.

It is with pleasure that I present my award of five dollars to Mrs. R. A. Bowen, Chairman of the Mary Hammond Washington Chapter and its Junior Committee, who sponsored a Morning Coffee, to which the Nathaniel Macon Chapter, interested friends and several State Officers were invited. An address was made on Occupational Therapy at the United States Marine Hospital at Ellis Island. A film was shown of patients at work at various activities. An exhibit of work by patients was sold and \$44 sent to them. Voluntary contributions amounted to \$47.44. A radio program was given in form of a quiz. News stories and pictures were in three newspapers.

Let our goal for 1950 be a Chairman—a program and a voluntary contribution in every Chapter.

FILING AND LENDING BUREAU

Mrs. G. Herbert Griffin

Letters were sent each Chapter chairman in September 1948 urging participation in this program—\$5.00 being offered to the Chapter sending in the greatest number of papers acceptable for use by the Filing and Lending Bureau.

LaGrange Chapter, LaGrange, Ga.	25	Papers
Elijah Clarke Chapter, Athens, Ga.	16	"
Benjamin Hawkins Chapter, Cuthbert, Ga.	3	"
Baron DeKalb Chapter, Decatur, Ga.	3	"
Stephen Heard Chapter, Elberton, Ga.	2	"
Hawkinsville Chapter, Hawkinsville, Ga.	2	"
Nancy Hart Chapter, Milledgeville, Ga.	2	"
Lyman Hall Chapter, Waycross, Ga.	2	"
Nathaniel Abney Chapter, Fitzgerald, Ga.	1	"
Chapter, Columbus, Ga.	1	"
Total	57	"

Your chairman feels, after careful study and consideration, the \$5.00 award should go to Elijah Clarke Chapter, Athens, Ga. for the greatest number of acceptable papers. These papers were

compiled with great care and each paper was in triplicate. They covered a diversity of subjects—commemoration of patriotic days, birthdays of American patriots, biographies of humanitarians and philanthropists, together with an inspirational and enlightening paper on the "American Spirit Today."

LaGrange most certainly deserves honorable mention—ten of their twenty-five papers were in triplicate, while the balance were in duplicate only and they also covered a wide range of subjects and these papers will be an addition to the Filing and Lending Bureau. I am also sending this chapter \$5.00 for a majority of papers and a year of work well done.

My thanks to these chapters for the past year's work and the hope that the coming year will bring a fuller realization of the value of preserving these important documents as a heritage for our sons and daughters.

Mrs. Henry W. Meaders

It is good to learn of the interest that is being shown in the Girl Home Makers Committees. What greater work could be done for our girls?

JUNIOR AMERICAN CITIZENS

Mrs. T. Jackson Lowe

The report of the Junior American Citizens Committee shows a year of much activity. Your chairman wrote to each regent in August, explaining the work of this committee, and requesting that a chairman be appointed in each chapter to carry out this work.

Unfortunately too few chapters saw the importance of this, so many did little or nothing about it. Twenty-three chapters went to work and did an excellent job. To these a vote of thanks goes from the state chairman, for by their endeavor, an outstanding report has been compiled.

There are 1161 clubs, a gain of 745 clubs, and 37,573 members, a gain of 23,126 members over last year.

Girls and boys of every race, creed, or color are eligible to membership in these clubs. The leaders do not have to be D.A.R. members, but may be teachers or anyone interested in citizenship. The location of the clubs may be in schools, settlement houses, orphanages, community centers, or reform schools. Wherever there are children gathered together, there, too, should be a J.A.C. club!

The clubs are free, the materials are free, so there is no expense either to the school or to the chapter.

Wholesome entertainment is provided by the clubs, and they have proved to be an excellent way to curb juvenile delinquency. They should be organized in every grade from kindergarten through high school, to help teach the ideals for which our nation stands, and to teach the children an understanding of the great privileges our country offers them. In so doing, each child will be trained to become a good American citizen.

Over 300 letters and cards have been written in regard to this work during the past year. Your chairman spoke at a District meeting and the Executive Board meeting in Columbus.

A meeting of school superintendents and principals was attended, and the aims and objects of the J.A.C. Clubs was outlined. These educators were very interested, and showed a willingness to have the clubs in their schools.

An article appeared in the Georgia Educational Journal about the clubs, so now that the school people over the state have been approached, it is up to the individual chapters to follow-up and see to it that next year every school in every D.A.R. community has J.A.C. Clubs.

One chapter chairman, Miss Waldman, wrote that she has served this committee for 11 years, and that she is "grateful that she could instill a love of country and respect for its laws into the minds of some 350 underprivileged children." These clubs mean much to them for they help to relieve a degree of the suffering, poverty, and general wretchedness with which these children are surrounded.

There are many negro clubs, and these children seem to enjoy and particularly appreciate the work. They have sponsored health and safety programs, and have given programs to which the grown-ups were invited.

One club repaired toys for the local Welfare Department for poor children at Christmas, and carried baskets to needy families at Thanksgiving and Christmas. Practically every club gave programs for assemblies on "Citizenship."

The Rosa Montgomery Walker Mayne award of five dollars, given by the state chairman in memory of her mother, who had a deep and abiding love for children, is given to the chapter having the largest increase over last year in J.A.C. members. The Mary Hammond Washington Chapter, Macon, through its Junior Committee, Mrs. John L. Evans, chairman, wins this award with an enrollment of 13,724.

The five dollar prize given by Mrs. William C. Robinson, Vice Chairman, Southeastern Division, J.A.C. Committee, to the Chapter having sponsored the largest number of J.A.C. Clubs also goes to the Mary Hammond Washington Chapter, Macon, with an enrollment of 395 clubs.

The \$2.50 award to the J.A.C. Club for the best Patriotic Play given before the public goes to the Southwest LaGrange J.A.C. Club for a radio program entitled "History Sings." This club is sponsored by the LaGrange Chapter, LaGrange, with Miss Alice Mallory, J.A.C. Chairman.

Chapters sponsoring J.A.C. Clubs are listed:

Name of Chapter	Clubs	Members
Mary Hammond Washington, Macon	395	13,724
LaGrange, LaGrange	174	6,201

Your Chairman hopes that each chapter will recognize its responsibility to the children in Georgia, and that 1949-50 will find each D.A.R. Chapter with a J.A.C. Chairman, and a report of J.A.C. club. Shall we overlook this opportunity to teach American Citizenship?

JUNIOR MEMBERSHIP

Mrs. Lewis A. Edge

The Georgia Juniors have been on the march this year. Many new members have been added to take the place of the Juniors lost on account of age. Almost every committee reports an increase in membership this year in spite of the loss of "graduating" members. Close relations with the Chapters have been stressed, and the Juniors have cooperated so well in this that their report is really combined with Chapter report in many cases. This is really the aim of Junior work—to bring young women into the Society who support the Chapter's every project—not to have a completely separate organization, even though its accomplishments may be fine.

The Minnie Jossey Capps Trophy, given each year to the Junior Committee making the highest percentage net gain in membership, goes to the Atlanta Juniors who have a net gain of 66.67 percent. The Fielding Lewis Juniors entertained their new members at a beautiful tea December 1st at the home of the Regent. The State Regent, the State Corresponding Secretary, and the State Chairman of Junior Membership were honored guests. Attractive corsages were presented to them, made of dollar bills. The money was later given to the Building Fund. There was much comment about the clever way the Fielding Lewis Juniors made the corsages. The LaGrange Juniors have continued their fine work with J.A.C. clubs. They have also assisted the Chapter with all its projects, provided programs for the Chapter, and contributed \$10 to the Building Fund. The Elijah Clarke Juniors have cooperated with all chapter work, and have contributed \$5 to the Helen Pouch Scholarship Fund, \$1 to Tamasee, and \$1 to Kate Duncan Smith.

The Joseph Habersham Juniors have sponsored J.A.C. groups and given 300 hours in Red Cross Motor Service work. They have also contributed \$8.50 to the Helen Pouch Scholarship Fund.

The Dorothy Walton Juniors of Dawson are one of our fine new groups. They made the float for the Armistice Day Parade. It was a replica of Meadow Garden. The George Walton Juniors are only a year old. They have had a big increase in membership again this year. Several have served as Chapter officers and chairman, and two of their Juniors plan to go to Washington in April. The Thronateeska Juniors serve on Chapter committees and cooperate with all Chapter projects.

Each Junior Committee writes about how many future candidates for the C.A.R. they are welcoming in their homes. They should certainly be congratulated for their accomplishments in this line too. The Atlanta Juniors sponsored a bridge party to benefit the Helen Pouch Scholarship Fund, and contributed \$25 to this fund. The Oglethorpe Juniors have cooperated with all Chapter projects and contributed \$50 to the Building Fund. These outstanding reports make it a pleasure to have served as your Chairman of Junior Membership.

MEMBERSHIP

Mrs. John D. Faver

The following report is made as your Membership Chairman: Admitted 306, re-instated 49, transferred into state 26, resigned 95, dropped 13, transferred from state 34, and deceased 58, making a net gain of 181 members. As of February 20, Chapter membership is 5,365, At Large 57, Grand total Georgia Membership 5,422.

MOTION PICTURES

Mrs. Charles D. Ellis

The Motion Picture Industry has now recognized the efforts of the Daughters of the American Revolution to have good, clean films shown, and are co-operating more and more. We are striving for the highest type of pictures possible. Many churches and Parent-Teachers Associations are interested in our forward movement for better films. The schools are using visual education these days; the theatre managers are having children's programs oftener and less double features. Chapters have reported subscribing to the D.A.R. motion picture guide, and some have placed it in the public libraries and school libraries.

Oglethorpe Chapter, in Columbus, encourages the Saturday matinee movies, sponsored by the Parent-Teachers Association and the Department of Recreation. They have a reviewing committee, which is assignd an average of seven pictures a week.

The Joseph Habersham Chapter has 15 members who belong to the Atlanta Better Films Committee. Mrs. John A. Beall, the President, is one of their members. They feature an educational motion picture each year, inviting their Junior Group and C.A.R. This is well attended.

LaGrange Chapter is using "movies" in their programs. Ellis Island, work of D.A.R. Pictures from T.R.A. State Forestry Department, U. S. Office of Agriculture.

Baron de Kalb reports their Committee meets once a month to discuss the pictures to be shown the next month. The theater manager is helpful; they have a strong city ordinance governing shows. Their committee is composed of a representative from

each local church, school, civic and patriotic organization. They have made 2 motion picture talks, one at their meeting and one at the High School.

Savannah has a children's program and Saturday matinees. They subscribe to the Motion Picture Guide, and have placed it in the High School and one of the private schools. The library subscribes to it. I have talked at the Chatham County Parent-Teachers Association, at the High School, and made talks before the Chapter meeting.

I would like very much this year to have a chairman appointed in each chapter, and their names sent on to me. I hope all chapters will subscribe to the D.A.R. Motion Picture Guide and that their chairmen will study it, and work to carry on the high ideals that the Daughters of the American Revolution stand for.

Only fifteen chapters have sent in reports on their work this year. I am hoping for better things this next year.

NATIONAL DEFENSE

Mrs. T. Earle Stribling

As Chairman I have sought loyally to carry out the National Defense Program of our National Society. I attended all eight district meetings and distributed program material. I have written many letters and visited chapters when asked to speak on National Defense. I have endeavored to make the Georgia Daughters conscious of the part they as individuals can play in preserving our American Way of Life and protecting our system of government. Eighty-two chapters have National Defense chairmen but it is to be regretted that all of these did not report the year's work.

The three top chapters in National Defense work are: 1, Baron de Kalb Chapter; 2, Joseph Habersham Chapter; 3, Gen. David Blackshear Chapter. I also wish to recognize those chapters doing outstanding work: Benjamin Hawkins, Col. Wm. Candler, Col. Wm. Few, Com. Richard Dale, Elijah Clarke, Gov. George Troup, John Houston, Matthew Talbott, Nancy Hart, Nathaniel Abney, Oliver Morton, Pulaski, Vidalia. Their regents' reports will tell of these achievements.

Good Citizenship medals and prizes have been awarded. National Defense News has been placed in the schools and libraries. Much cooperation has been shown with young people's groups and all church and civic movements for the betterment of the community. We realize that a better world has its birth in the individual communities which make up the nation. Many programs have been given through meetings, radio and the press. One chapter sponsors a weekly editorial in the local paper on "Our Fight for America." Text books have been checked and I am happy to report that not one undesirable book has been found in the Georgia Public School System.

It is difficult to determine which phase of the Committee has received most attention but I believe Educating our Youth for Good Citizenship rightfully takes first place. Unless we teach our boys and girls the American Way of Life there is little need for Legislation, Military Preparedness, Domestic or Foreign Policies.

PRESS RELATIONS

Mrs. William C. Robinson

A total of 11,290 inches of publicity has been listed with the State Chairman. Elijah Clarke Chapter reports the largest amount, giving a total of 1,365 1/4 inches and the publication of seven particularly outstanding articles.

Eighty-eight papers in the state carried D.A.R. news from the 49 chapters reporting. Many chapters are given regular space in local papers and a good number have had articles published in the D.A.R. magazine, the Press Digest, public school papers and bulletins and other such publications. A large number of chapters published year books, carrying much D.A.R. information.

The State Chairman, with the help of Mrs. C. L. Hamilton, assistant Editor, has edited the column in the Atlanta Constitution, using messages from State Officers, and chairmen, Chapter Regents, and Press Relations chairmen. News items from the D.A.R. Press Digest and Press Releases from the office of the National Society have also been used. From time to time, these news items have been sent to ten and twelve papers in different parts of the State. All press clippings sent in by the chapters have been used by the State Chairman to compile the Press Relations scrap book for Georgia.

RADIO

Mrs. Gertrude McLaws Boone

Only eighteen chapters have sent in reports, but we have reason to be proud of those eighteen. They have given programs totaling fifteen hours over the air and some of the original papers presented were so fine they were asked to be sent to Washington.

The chapters all report splendid co-operation with the radio stations so I feel sure we are on the way to doing big things another year. The chapters using spot announcements of time and place of meetings and nature of programs report their attendance has almost doubled. This alone shows what power the radio has and how we can reach the people. We have a challenge which must be met; we must make the nation conscious of all patriotic days and we must educate them to our American tradition and way of life. Our Georgia D.A.R. are going to meet this challenge I know.

I have written two letters to each chapter but that was not enough; the radio is so important I feel that contact with each chapter every few months is necessary. I offered two prizes of \$5.00 each. First to the chapter being on the air the greatest number of times goes to the Stone Castle Chapter of Dawson, fourteen times on the air. Second, the chapter having the greatest number of educational or historical programs—this goes to the LaGrange Chapter. Their report was splendid, twelve programs, three hours on the air.

I must also mention the fine work of the Vidalia Chapter, the John Benson Chapter of Hartwell and the Pulaski Chapter of Griffin.

TRANSPORTATION

Mrs. Lovick P. Longino

At the Board meeting in November your chairman requested each Regent, who had not already done so to appoint a chapter chairman, in this way to increase the attendance at each monthly meeting. I am happy to report most chapters have a chairman and a better attendance.

A letter was written to each Chapter Regent urging a full attendance at the State Conference in Augusta, Georgia and the National Congress in Washington, D. C., to make early reservations for both trips, and the names of those wishing to make the Memorial Pilgrimage to Arlington and Mount Vernon to be furnished promptly so that sufficient buses could be provided by the National Transportation Council. The various Railroads have promised to supply each Regent information on rates, schedules and general transportation and assured your chairman that ample accommodations would be available on all the trains to Washington, D. C.

STATE STANDING COMMITTEES

AMERICAN MERCHANT MARINE LIBRARY ASSOCIATION

Mrs. John H. Boston

It seems as yesterday, I accepted the Lantern of service to help brighten the life of our boys of the Merchant Marines, and today it comes as a great pleasure to report the wonderful cooperation we have received from the members of the D.A.R. for these men who live on ships, carrying food and supplies to our soldiers over the seas. In time of war they have been often the first to enter foreign ports, mid shot and shell, bloodshed and death.

The books you have sent give our soldiers a glimpse of home life and prove a solace and comfort in the days and nights when only the blue above and the ocean beneath are the interminable outlook for men who sometimes remain on the same ship fourteen months. Mrs. George Roosevelt of New York, National President of American Merchant Marine Library Association and President Truman, Honorary President, with General Dwight Eisenhower, Director, have sent copies of letters from the boys—and it is almost pathetic their eagerness for the books and their happiness when they arrive.

Again I wish to thank each Georgia Chapter for their generous help in sending hundreds and hundreds of books and magazines to our Merchant Marines, and may we realize the need of understanding in the so called "Little Things of Life," which often prove to be great deeds of kindness.

Mrs. G. S. Lombard

As chairman of collecting and publishing the histories of Revolutionary Soldiers of Georgia, I make this report: no histories have been received by me but I have copied eight hundred and ninety-eight marriage records of Washington County, Ga., dated from 1812 to 1851, which were compiled by a member of the Augusta Chapter, Mrs. John S. Plaxco.

CO-OPERATIVE RELATIONS BETWEEN D.A.R. AND S.A.R.

Mrs. Edwin Allen

During the past year the D.A.R. Chapters have cooperated with the S.A.R. Societies at all times, and the S.A.R. have been most helpful to D.A.R. Chapters. Papers have been filled out, programs sponsored jointly and social affairs enjoyed together. Boys from the C.A.R. have been assisted in making transfers to the S.A.R.

May we express appreciation to each of you for the excellent work you are doing, and present to the LaGrange Chapter, Miss Tommie Martin, Regent, the \$5.00 award for their outstanding accomplishments in the work of this committee in 1948-49.

GEORGIA D.A.R. BOOK PLATES

Mrs. Frances Brown Chase

It is a source of pride to have Georgia Book Plates to offer all D.A.R. members.

Books are acceptable in Washington to our Daughters of the American Revolutionary Library—Universities, Educational institutions, etc., elsewhere.

Use Book Plates with name of donor inscribed on same.

In order to stimulate interest, your Chairman offers an award of \$5.00 to Chapter showing the greatest interest through purchases of Book Plates.

Appreciation is expressed to all, for their loyal cooperation, and, May I ask Chapter Regents to stress Book Plates again?

It has been a privilege to serve as your State Chairman.

HELEN ROGERS FRANKLIN TROPHY

Mrs. E. Blount Freeman

As the reports of chapter rating came to me from the State Chairmen of the various phases of State D.A.R. work, it was a source of gratification and pride to note the large number of Georgia Chapters represented in these reports as having done excellent work.

This is the first year under the new plan of having the General Excellence Award presented to a chapter on the basis of work reported by the State Chairmen, and not by the Chapter Regents themselves, as heretofore.

As instructed by the State Regent, a postal card with reply card attached, was mailed to each State Chairman, on February 1, requesting her to send me the names of the three chapters which had done the best work for her particular committee, listing them in the order of their accomplishment. Twenty-five committee chairmen reported, with the LaGrange Chapter, of LaGrange, receiving the largest number of points; Elijah Clarke Chapter, of Athens, a close second; and Baron DeKalb Chapter, of Decatur, third. Thirty chapters were represented in these reports as holding first, second, or third place ratings in different lines of D.A.R. work.

Three unbiased judges, with many years experience in State D.A.R. work, examined and passed upon these reports, and the above vote was unanimous. Therefore, the Helen Rogers Franklin Trophy for general excellence is awarded to the LaGrange Chapter, LaGrange, with honorable mention to the Elijah Clarke, Athens, and the Baron DeKalb Chapter, Decatur.

I wish to express my thanks to the Georgia chapters for their excellent work, and to the State Chairmen for their fine co-operation which has made this report possible.

HISTORICAL PROGRAMS

Mrs. Neil Glass

Copies of the Historical Programs, "Georgia, Our Goodly Heritage" were ready and distributed at the State Conference in Augusta, March, 1948 and additional copies were also mailed out to the President General; the National Chairman of the Filing and Lending Bureau; the State Regent, Mrs. Young Harris Yarbrough; the State Editor; the State Recording Secretary; the Chairman of the Proceedings Committee; and all Georgia Chapter Regents. Let me thank you sincerely for your responsiveness in the use of these outlines.

LUCY COOK PEEL MEMORIAL FUND

Mrs. W. F. Dykes

Please help me to sell the books you still own. We have sold so few this year and we want to close them out. We have 126 copies Volume 2 "Historical Collections of Georgia Chapters," 89 of "Membership Roll and Register of Ancestors of Georgia Chapters." Daughters, buy one of these lovely state books and give it to a friend for a gift, \$1.00 plus postage and exchange. We want to publish Volume V. Four chapters have contributed their per capita, James Pittman, Commerce; John Clarke, Social Circle; Roanoke, Lumpkin and Savannah, Savannah. We have \$810.91 in the fund. We have so many requests for another book and we will publish it soon, with Mrs. McCall's and Mrs. Nottingham's help.

A friend gave me a most valuable book—"Records of the Revolutionary War," containing the Military and Financial Correspondence of Distinguished Officers and many other interesting items; also, Index to Saffell's list of Virginia Soldiers in the Revolution. The book was published in 1858. It had to be bound and we put it in blue and gold. I want to give it through the Lucy Cook Peel Memorial Committee to our Librarian, Mrs. John Thigpen, for our State D.A.R. Library.

MARION SIBLEY WYLIE VICTORY FUND

Mrs. John J. Cummings

It has been a pleasure to serve in this capacity and I wish to thank the chapters who have helped to make this report possible. I wrote each chapter and twenty-one reported they had sent donations to the State Treasurer, which are as follows:

Edmund Burke \$2.00; John Houston \$55.00; Thomasville \$5.00; Savannah \$1.00; Henry Walton \$1.00; Button Gwinnett \$15.00; Gov. David Emanuel \$15.00; Gov. George W. Towns \$3.00; La-Grange \$2.00; Col. John McIntosh \$5.00; Toccoa \$2.50; Bainbridge \$15.00; Atlanta \$25.00; Elijah Clarke \$2.50; Dorothy Walton \$5.00; Oothcaloga \$2.00; Briar Creek \$1.00; Barnard Trail \$3.00; and John Benson \$1.00.

The John Houston wins the five dollar award, having given \$55.00; Atlanta chapter follows with \$25.00; Button Gwinnett, Gov. David Emanuel and Bainbridge chapters each sent \$15.00.

Total amount sent to the State Treasurer this year was \$67.00. The Marion Sibley Wylie Victory Fund now has \$1,302.00 scholarship at Tamassee.

MARKING REVOLUTIONARY SOLDIERS' GRAVES

Mrs. Harold I. Tuthill

The Colonel William Candler Chapter marked the graves of five Revolutionary soldiers from Lumpkin County; the Governor George W. Towns Chapter marked the grave of George Menefee in Talbot County; and the Lyman Hall Chapter marked one soldier's grave, William Miller, in Kettle Creek Cemetery in Ware County.

McCALL GENEALOGICAL FUND

Mrs. Howard H. McCall, Sr.

Now and then someone says something of importance which lingers in the mind. Such a speech was made by our President General, Mrs. O'Byrne, at the recent dedication of our new Library in Memorial Continental Hall. I quote:

"Our new Library is something to be viewed with pride by every member of our National Society . . . To me, it is a symbol of the growth and the purpose of the Daughters of the American Revolution. This Library is a living thing, constantly changing, forever serving the families of America, descended from our pioneers and early settlers. We are trying to serve in many ways to aid our country and to promote a better and finer Americanism throughout our land. Our Library is an important part of this service."

Our Georgia Collection of Genealogical and Historical books, known as the Georgia D.A.R. Library, is part of that service.

For many years the Georgia Society, through the Chapters, collected Bible, Family, Revolutionary, and Cemetery records, and also Wills. These were bound and placed at the State Department of Archives and History. Many valuable genealogical books and histories have been added to this collection.

During the past two years the Chapters have contributed many "County Marriage" records and County Wills. These have been bound in the D.A.R. blue, placed in the collection, and are of untold value to the research workers. The work is not yet finished, although there are now nearly 1,000 books in this Library. Every Chapter has a part in this service, through contributions to the "McCall Genealogical Fund," which is used for the binding of the records sent in by the Chapters, and is also used to purchase revolutionary and genealogical books, State and County histories to supplement this valuable collection. Many new books have been purchased this year, the most important being 104 volumes of the Lineage books of the National Society. Two new book cases have been purchased. It is interesting to note that six books of original records have recently been bound, and will be presented through the Genealogical Committee, to the National Library.

It is a pleasure and a privilege to serve as chairman of this committee, and I wish to thank the Chapters for their interest and cooperation.

MEADOW GARDEN

Mrs. Lester V. Stone

A thrill permeates my whole being, now that you are here to view for yourselves the accomplishments of your contributions to our beloved shrine—Meadow Garden. The newly painted house, both in and out, and by the work of a most commendable committee, we realize the appearance is better than ever before.

Our newest venture: You will observe the beautiful plates, from the sale of which our local chairman, Mrs. David O. Hamby, has realized \$75.00; and we do not want any of you to leave without giving an order for one or more of these plates. Remember them for gifts.

On repairs we have spent \$691.96, and have a balance of \$294.74.

A detailed report from our local treasurer is included with this and trust that it will be in the proceedings as of 1948.

After my report was mailed in 1948, I learned of the generous gift of the Chapter in Griffin of \$75.00, which you will recall Mrs. Ralph Jones offered a prize to the Chapter, for the greatest accomplishment to Meadow Garden. Of course Griffin won, as that is the largest cash contribution of any Chapter in the State.

Just after the close of Conference of 1948, George Walton Chapter sent \$10.00 for curtains for Meadow Garden.

We appreciate the cooperation of Chapters in the State and the State Board, for their assistance in making this the best report ever submitted on Meadow Garden.

Please send your contributions to State Treasurer, that all information is included in report.

Mrs. Young Harris Yarbrough, State Regent, most graciously addressed the assembly, stressing many important objects of the Society, after which she conducted the installation of officers in a very impressive and inspiring manner.

Mrs. Mark Smith, Honorary Regent, in a charming manner, spoke of the first Thanksgiving, linking her subject with the work of the organization.

Mrs. J. L. Walker, beloved South Georgia Historian, gave the history of General John Floyd for whom our Chapter was named. He lived in Camden County. As a mere lad of only 12 or 14 years

he aided in the Revolutionary struggle, and in his after years became a noted leader and military figure of the state.

Col. Folks Huxford of Homerville, Genealogist and County Historian, compiled the genealogical data necessary for the applicants who entered into the formation of our chapter, and his work has been highly complimented by State and National Officers. He was invited to attend and speak, which he did, expressing his great pleasure at the organization of the local society, and telling of genealogical work in this section of the state.

John Floyd Chapter was constituted with thirty-nine organizing members, all new members except two. Two other members have been admitted since by the National Board at their meeting on February 1st, making forty-one members at present. Four papers are now pending in Washington, with ten more whose papers are now being prepared.

Plans are now being made by the Society to sponsor a Centennial celebration of Clinch County next year when the county will reach its 100th birthday. Many historical spots are on the Chapter's calendar to be marked, including the graves of two Revolutionary soldiers buried in this (Clinch) County.

The Chapter is well outlined according to the "Brochure" and Chairmen have been appointed for all departments of work, but really there is no report of activities due to the short time since the organization, no steps being taken until after confirmation of our Chapter. All State and National dues have been paid and four members have subscribed to the D.A.R. Magazine.

Five dollars has been contributed to the Richland Restoration League which is trying to restore and preserve Richland Church. Chapter accepted invitation of John Laurens Chapter, Dublin, to meet with them for State Regent's visit.

The credit for the year's achievement goes to the individual members who live scattered in two counties.

WILLIAM McINTOSH CHAPTER, JACKSON

Miss Ruth Middlebrooks, Regent

The William McIntosh Chapter has a membership of 46, thirty-one of whom are resident members. One member withdrew and one was removed by death. One member transferred from the Barnesville Chapter and six persons have been voted upon. The papers of two of these are in Washington but have not been approved.

Eight meetings have been held during the year. All meetings have been opened with the D.A.R. Ritual followed by the Pledge to the Flag, the American's Creed, and the singing of the National Anthem or America.

The programs have been very interesting and have followed the outline of the State Chairman.

All patriotic days have been observed and publicity has been given, in our local paper, to all of our meetings.

The D.A.R. Magazine has been placed in the High School Library; the Good Citizenship Pilgrimage has been sponsored by the Chapter in the local high school; and five dollars has been offered to the student making the highest average in American History. ALTAMAHA CHAPTER, JESUP

Mrs. John B. Pruitt, Regent

The Altamaha Chapter has an enrollment of twelve members, seven of whom are non-resident, making it almost impossible to hold regular meetings and carry on our most constructive work.

Our main object and desire now is to secure more resident members. Papers have been prepared for two prospective members, and others have papers in preparation.

Resident Chapter members cooperate with civic organizations, the Red Cross, all progressive movements and every worthy cause.

Our non-resident members, who are widely scattered, give us their loyal and whole hearted cooperation.

Much genealogical and historical work has been done by our Chapter Regent.

WILLIAM MARSH CHAPTER, LaFAYETTE

Mrs. A. S. Fortune, Regent

William Marsh Chapter has 39 members. This year we have added six members, two of the six are transferred. We have lost by death, two of our beloved charter members, Mrs. Mary Warthen Sparks and Miss Nannie Ruth Warthen. These two were sisters, and were descendants of William Marsh for whom the chap-

ter was named. Miss Warthen, before her invalidism was a regent and brilliant worker in our chapter. Appropriate memorial services have been held.

Donation was made to the Administration Building in Washington. We will contribute to the Valley Forge Memorial through the sale of Christmas cards and the D.A.R. cook books. Our chapter has 5 subscriptions to the National D. A. R. Magazine, one of these being to the Walker County Library. The Chapter donates \$5.00 monthly to the support of County Library. Cash donations for 1st, 2nd, and 3rd awards was made to 4-H Club, as an encouragement to the young home makers. Several good books were given to the new library for Negroes. Our excellent Chapter Chairman of National Defense, Mrs. Freeman McClure, has made several talks on the flag and its proper use and its history at various schools and clubs of the town. The Flag Code and other patriotic bulletins have been placed in the library and schools. We maintain a D.A.R. shelf at the library.

At our September meeting we had two distinguished guests, Mrs. Willard Steels, former Chaplain General and Mrs. Cyrus G. Martin, National Chairman of National Defense Committee. From them we were inspired to "sell America" as our major work of the year. Our members make regular visits to the schools—to the history and civic classes, and to chapel exercises, with this in view. We give short patriotic talks, encouraging the memorizing of the "American's Creed" and our National Anthem, in its entirety. We urge that chapel programs include, in addition to the Lord's Prayer, the Creed, the Pledge of Allegiance and the singing of patriotic songs. We were hostesses to the 4th, 5th, and 6th grades of our largest grammar school, at a picture show party as a reward when they learned to say the Pledge, the Creed, and to sing three verses of our National Anthem. It was thrilling to hear them. An attractive and valuable book "Watchwords of Liberty" compiled by Robert Lawson has been placed in our four schools. To the pupil in each school who first learns a stated number of quotations and becomes familiar with the Great American who uttered it and his story, we give cash awards.

Believing that Christian education is our best line of National Defense, and believing in the importance of the individual, we are establishing a loan fund for worthy high school graduates of our county—to be used in furtherance of their education. One of our members, Mrs. F. L. Rountree of Cedartown, Georgia, is establishing a separate loan fund as a memorial to her mother, Mrs. Lydia Roane Myers, who was a much loved member of the William Marsh Chapter. We are very proud of these two tangible manifestations of our "good works."

INFORMATION TO MEMBERS

The following resolution which applies to the nomination of a State Regent appears in the Proceedings of the Twentieth State Conference, 1918:

"Resolved, that it is the judgment of the Executive Board That nominations for State Regent should not be made . . . earlier than three months prior to the meeting of the Conference. When so made they shall be furnished to the State Editor for publication."

State Conferences

The first State Conference was called by Mrs. S. B. C. Morgan, State Regent, and was held at the Atlanta Exposition in 1895. The Annual Conference began in 1899. In that year a Conference for the purpose of effecting a State organization was called by Mrs. Robert Emory Park, State Regent, and was held in Atlanta, May 23-24. By-Laws were adopted and State Officers elected. The succeeding Conferences were numbered from this Conference, until the Conference of 1909 adopted a motion, offered by Mrs. Mallory Taylor, "that the first State Conference in 1895 be recognized, and the next Annual Conference, instead of being the twelfth, shall be the thirteenth." (Minutes, p. 21). No Conference was held in 1911; the time of meeting having been changed from the fall to the first part of the year by the Conference in 1910, which adopted a recommendation by the Executive Board (made on the motion of Mrs. P. W. Godfrey) "that the State Conference be carried over from November, 1910, to 1912, prior to Congress in 1912"; amended by Miss Ruby Felder Ray of Atlanta, "that we have Conferences in the spring, not to interfere with Lent." (Minutes, p. 21).

The dates and places of meeting and the numerical designation of the Conferences after the first Annual Conference (1899) were as follows: (2) Atlanta, November 27-28, 1900. (3) Augusta, November 21-22, 1901. (4) Savannah, November 13-14-15, 1902. (5) Atlanta, November 5-6-7, 1903. (6) Athens, November 9-10-11, 1904. (7) Macon, November 15-16-17, 1905. HISTORICAL PROGRAMS FOR 1949-1950

Mrs. Neil Glass, Chairman

Subject for the year: GEORGIA—OUR GODLY HERITAGE.

Even Oglethorpe could not foresee
That he would found with those few pioneers
A heritage so rich for you and me—
This Georgia that has flowered through the years.

"We Georgians have a triple birthright. Each of us bears proudly the rights, honors, and responsibilities that belong to Americans, Southerners, and Georgians."—Science Research Associates.

September: Georgia's Land and People (Background for Events).

In order to understand better the facts of Georgia history, we need to know something of its geography, for its location, size, climate, soil, topography, natural resources, and people all affect its history. Georgia, the largest state east of the Mississippi, produces mainly cotton, corn, peanuts, peaches, pecans, watermelons, lumber, turpentine, rosin, and woodpulp. The major manufactured articles are textiles, clay products, and soft drinks. The main mineral products are marble, granite, and clay. Georgia has a mild climate and may be divided into five physical regions, with soil erosion being the outstanding geographical problem. The population of Georgia is over three million, most of whom are native born. About two-thirds are white, almost all the others are Negroes. The first inhabitants were Indians and beginning in 1733, three main streams of settlers filled the state: one from Europe, one from the Carolinas and Virginia, and the third from Africa. The Cherokee rose is the state flower, the live oak the state tree, and the brown thrasher the state bird. It is interesting to note those things in which Georgia is "first." The speaker for this program should give the setting for the events described in the programs that follow. **References:** Coulter, p. 3-11; Johnson, p. 1-50; Science Research Associates, p. 19-81, 452-453; Writers' Program, Georgia, p. 1-34.

October: Colonial Georgia, 1733-1752

Georgia, which derived its name from King George II of Great Britain, was the last of the English colonies to be established in America. The motives for its founding were three-fold: philanthropic, military, and economic. James Edward Oglethorpe, the wise and able leader in the first settlement of Savannah in 1733, wanted to provide a refuge for worthy unfortunates. The British government approved his plan and granted a charter to a Board of Trustees because the English needed a bulwark for South Carolina against the French and Spaniards and because they also believed that the new colony would produce great quantities of silk, wine, and dyes, as well as enlarge the British empire. As a buffer settlement, the colony was successful, but as an economic experiment, it was a failure. The original English group was augmented also by Salzburgers, Moravians, Scotch Highlanders, and Jews. The Trustees set up elaborate rules, but their idealistic blueprints were not very practical. The colonists were therefore delighted when the Trustees gave up their charter in 1752 and the first royal governor took office in 1754. **References:** Coulter, p. 12-80; Johnson, p. 51-100; Science Research Associates, p. 84-121; Writers' Program, Georgia, p. 35-39.

November: Georgia As a Royal Province and During the Revolution, 1752-1783.

Georgia flourished as a crown colony under its three royal governors, and the people were led to revolt against the mother country more through sympathy with the other colonies than through any grievance of their own. Finally, however, British blunders and her unwise and tactless treatment drove even loyal, grateful Georgia to revolt. The war that followed was really a severe civil conflict, for the Loyalist and Revolutionary parties were almost equal in numbers. The British seized Savannah in 1778 and in 1779 they captured Augusta and Sunbury. After 1780, the Revolutionary forces were generally successful, but it was not until 1782 that the British gave up Savannah. On account of the war the seat of government was moved from Savannah to Augusta in 1778, then to Washington in 1780, and back to Savannah in 1782. In 1783 Cornwallis surrendered and England recognized the independence of the colonies. **References:** Coulter, p. 8-166; Johnson, p. 101-161; Science Research Associates, p. 122-153; Writers' Program, p. 39-42.

December: Georgia's Growth and Development as a State, 1783-1860.

This period of tremendous progress is often referred to as Georgia's Golden Age. Whitney's invention of the cotton gin in 1793 did much to make cotton king, and industrial progress was also helping to earn for Georgia the title of Empire State of the South. Transportation facilities were rapidly expanding. Georgia pioneered in the use of steam power, the "Savannah" in 1819 being the first steam-powered ship to cross the Atlantic. In 1842 Dr. Crawford W. Long discovered the effectiveness of ether in deadening pain. During these years the plantation system developed, with its traditions of southern hospitality, chivalry, and good living. Georgia's population rose rapidly, and a mark of its growth toward the west is the movement of its state capital. In 1786 it was moved from Savannah to Augusta, in 1795 on to Louisville, and in 1807 to Milledgeville, where it remained for the next sixty years. In the formation of the United States government Georgia's policy was strongly national, but a series of conflicts with the Federal government, such as the case of *Chisholm v. Georgia*, the Yazoo frauds, and various Indian policies, led to emphasis on states rights. The North and South were gradually drifting apart. **References:** Coulter, p. 167-302; Johnson, p. 162-442; Science Research Associates, p. 154-181; Writers' Program, Georgia, p. 43-47.

January: Georgia During the Civil War and Reconstruction, 1860-1900.

Many growing differences between the North and the South finally led to Georgia's secession from the Union on January 19, 1861. As in 1776, Georgia was slow to be aroused and had much love and respect for the nation of which it was a part, but once it joined the Confederacy, it was at the forefront of the war effort. Due to its location in the heart of the Confederacy, little fighting took place in Georgia until 1863 and it was not until May 5, 1864 that Sherman entered Georgia and on September 2 occupied Atlanta. His march to the Sea cut a sixty mile wide swath of destruction and ended with the capture of Savannah on December 22. In 1865 the end of the war found a broken and despairing Georgia, and hard and bitter years of grief and poverty followed, the chaos increased by military government and by carpetbaggers. In 1868 the capital was moved to Atlanta. Lincoln's assassination was a disaster to the South, for although President Johnson tried to carry out Lincoln's reconstruction policies, he was not as wise a statesman. However, industrious Georgians settled down to the tremendous job of rebuilding a civilization and inspired by such

men as Henry Grady, determined to build a New South. **References:** Coulter, p. 303-379; Johnson, p. 443-683; Science Research Associates, p. 182-233; Writers' Program, Georgia, p. 47-52.

February: Georgia During the Twentieth Century

Georgia's recent history, in spite of a depression and participation in two World Wars, has been one of social and economic progress. In 1900 Georgia was a farming state devoted largely to the growing of cotton. Today, diversification and scientific methods are being applied to agriculture, and industries are rapidly expanding, our two largest being textiles and forest products. Dr. Charles H. Herty did much to develop the paper industry. The twentieth century has seen outstanding educational development, constitutional revision, highway improvement, and penal reforms. In 1917, two Georgians, Senator Hoke Smith and Congressman Dudley Hughes, drafted the Smith-Hughes Act, which launched a great national program to provide vocational education. The discovery of atomic power makes it more evident than ever before that the future of Georgia is bound up with the future of the United States and with the future of the entire world. The days that lie ahead are indeed a challenge to all Georgians. **References:** Coulter, p. 380-455; Johnson, p. 684-1021; Science Research Associates, p. 233-257; Writers' Program, Georgia, p. 52-54.

March: Local History—County, Town and Chapter.

This program should cover the history of the community, both county and town, in which the individual D.A.R. Chapter is located, showing just how its history fits into the history of Georgia as a whole. The past of every locality has both people and places of historic importance. The origin of the names given the county, the town, and the chapter should also be explained, and if they are named for individuals, biographical sketches could be included. For example, the Nancy Hanks Chapter could have sketches of Nancy Hanks, John Milledge, and Abraham Baldwin. **References:** Consult the books listed in the bibliography below, especially the fourth, and also ask your local librarian for information about your community.

April: Georgia Literature (Past and Present).

Since the dawn of Georgia literature with the colonial diaries and journals, our state has made an outstanding contribution to American literature. In the 19th century Richard Henry Wilde wrote the graceful lyric, "My Life Is Like the Summer Rose," and Thomas Holley Chivers tried daringly new verse forms, which influenced Swinburne, Rossetti, and Poe. Augustus Baldwin Longstreet, William Tappan Thompson, and Charles H. Smith ("Bill Arp") were early humorists. Two popular 19th century novels were Francis Robert Goulding's "Young Marooners" and Augusta Evans Wilson's "St. Elmo." Joel Chandler Harris and his inimitable Uncle Remus stories hold a unique place in Georgia hearts. Sidney Lanier, our greatest poet, has been followed by numerous poets of note, the most popular Georgia poet at the turn of the century being the poet laureate, Frank L. Stanton. Conrad Aiken, Pulitzer Prize poet, was born in Savannah. Corra Harris and Harry Stillwell Edwards were columnists and story writers. Caroline Miller's "Lamb in His Bosom" won the Pulitzer Prize in 1934, and Margaret Mitchell's "Gone With the Wind" is world famous. These are only a few of the dozens of Georgia authors of fiction and poetry. Georgia is recognized as an outstanding literary center, especially in these two fields. Many eminent writers could also be listed in such fields as biography, drama, sociology, economics, science, and history. The chapter noted in the Writers' Program reference gives a comprehensive survey, including more than a hundred Georgia

authors. The program chairman might have a talk on Georgia literature, followed by brief selections and excerpts. Local writers could be invited to appear on the program. **References:** Coulter, p. 295-301, 427, 445-446; Johnson, p. 188-190, 433-442, 968-977; Science Research Associates, p. 436-439; Writers' Program, Georgia, p. 117-125.

May: Georgia Art, Music and Architecture (Past and Present).

Creative work in painting, sculpture, and music did not flourish in pioneer days in Georgia, but there was always an appreciation of the fine arts. The first artist of note was the 18th century Savannah miniature painter, Edward Green Malbone. Lowell Mason, the great 19th century hymn writer, began his musical career in Savannah, where he remained for fifteen years. The many beautiful homes and other buildings throughout Georgia are evidence of art expressed through architecture. In recent years more and more Georgians are participating in the fine arts, and much talent is being developed by the art and music departments of our colleges and universities and at such institutions as the High Museum of Art in Atlanta and Telfair Academy of Arts and Sciences in Savannah. At the University of Georgia, for example, Lamar Dodd and Hugh Hodgson not only do outstanding creative work themselves, but also encouraged its expression in others. Negroes have contributed richly to Georgia music both through their early spirituals and through such individuals as Roland Hayes, Hall Johnson, and others. Modern Georgia artists and composers are bringing distinction to the state. Local ones should be included on this program. The pages noted in the Writers' Program volume covered excellent chapters on Georgia art, music, and architecture. The speaker could discuss these fine arts, and selections by Georgia composers could be featured. This would fit in well with National Music Week, celebrated the first week in May. **References:** Science Research Associates, p. 439-441; Writers' Program, Georgia, p. 126-143.

REPORT OF THE GEORGIA SOCIETY CHILDREN OF THE AMERICAN REVOLUTION

Mrs. Frederic C. Rice, President

It gives me a great deal of pleasure to present the work accomplished by the Georgia Society, Children of the American Revolution.

There are twenty active societies. State and National dues have been paid. Lineage papers and instructions for organization have been sent to two societies which are now in the process of organization.

Two "Annual Letters" have been sent to each Society. Letters have also gone out urging Societies to present American Music and Motion Picture programs, and contributions have been made to approved schools, building fund and Red Cross, in compliance with National requirements.

The State Society is proud of the radio, records and cabinet for records presented to the Kate Duncan Smith Mountain School honoring our Past President, Mrs. R. A. Malone; also of nine State Promoters, Mrs. William M. Miller, Mrs. John F. Thigpen, Mrs. H. Benson Ford, Mrs. Jere N. Moore, Sr., Mrs. K. L. Griffin, Mrs. Eli A. Thomas, Mrs. Howard H. McCall, Mrs. A. E. Mallory, and Mrs. Henry Mashburn (a project stressed by our National President, Mrs. Donald Bennett Adams).

This year your State President is offering a loving cup to the Society fulfilling all State requirements and securing the largest increase in membership.

Special mention should be made of the splendid Year Book issued by the Curahnee Society of Toccoa and the News Sheet issued by the Dolly Madison Society of Atlanta, which won a National award, as well as the State news sheet—THE CHEROKEE ROSE, edited by Mrs. R. A. Malone.

Three delegates attended the C.A.R. Convention in Washington in April.

A donation of \$25.00 was made to the drinking fountain being installed in the new C.A.R. Headquarters in Washington, honoring our National President, Mrs. Adams. The amount of \$175.30 was collected for the radio which was presented to the Kate Duncan Smith School.

The Senior State President attended the annual convention of the Florida State Societies, C.A.R., held at Coral Gables in February, 1949.

Margaret Anne Ford, Junior President, Mrs. R. A. Malone and Mrs. Herbert Fay Gaffney, National Officers, were guests of the LaGrange Society in March.

The Senior and Junior Presidents and two State Promoters were guests of the Sukey Hart Society during the Annual Pilgrimage of Colonial Homes and Historic Sites in Milledgeville, in April.

In October, the Senior and Junior Presidents attended the National Board Meeting of the D.A.R. at Kate Duncan Smith School and presented the piano given by the C.A.R. of Georgia in honor of Mrs. Herbert Fay Gaffney.

In October, the Senior and Junior Presidents attended a meeting and breakfast given by the Dolly Madison Society of Atlanta.

Plans are being made for a State Convention to be held in June. One new society has been organized, the Ah-Yeh-Li-A-Lo-Hee Society, Hartwell, Ga., Mrs. Guy H. Norris, Senior President.

Our Fall program began with a general meeting on September 11 of our junior and senior branches at Craigie House, the home of the Atlanta Chapter, D.A.R. New officers for 1948-1950 were installed with Ada Healey Morris as the Junior President. A program on American music was given by two of the members, and Mrs.

Robert Blackburn, a member of long standing of the Atlanta Chapter, D.A.R. presented several of her own original readings on the life of plantation folk in the old South. After the program, Mrs. Reuben Garland, Regent of the Atlanta Chapter, D.A.R., was honored at tea by the members.

In October the junior members held a Hallowe'en program and weiner roast at North Fulton Park Grill. The little tots had a good time and enjoyed the outdoor frolic.

The Senior Girls met on October 30 at the Capital City Country Club for a patriotic program and brunch. We were delighted to have Mrs. Frederic C. Rice, State C.A.R. Senior President, and Margaret Anne Ford, State C.A.R. Junior President, as our special guests at this time.

In December our society was invited by the Atlanta Chapter, D.A.R., to take part in the program at the regular chapter meeting on December 15. Our Junior President, Ada Morris, told of the history of the C.A.R. and of the work done by our Society. At tea time our members along with the junior membership committee of the D.A.R. Chapter, served delightful refreshments for the D.A.R. Chapter members.

Also, in December the senior girls had the pleasure of attending a buffet supper at which they were entertained by Mrs. Garland and Mrs. Hollis Morris, at the home of Mrs. Garland. After supper the girls and their dates enjoyed a roundtable discussion of current national and local government problems. A program of Music by one of the members, Gail Greene, was also a highlight of the entertainment.

For the first time our society has published this year a monthly news sheet THE DOLLY MADISON NEWS. Copies are sent to all members each month and contain news of members and of meetings as well as articles on historical subjects and the lives of great Americans.
