AIR OFFENSE

WHEREAS, during the 1960s, pronouncements from national leaders assured the United States citizenry that a policy of detente and peaceful coexistence with the Soviet Union would promote world peace, while the Soviet Union reached parity with the United States in nuclear weaponry, and military surveillance and air defense communication control, and

WHEREAS, parity was reached in 1970 but the Soviet Union has continued to advance in sophisticated new weapon systems, reducing the United States to a second class power;

WHEREAS, the findings of the Armed Services Investigating Committee of the Committee on Armed Services, House of Representatives, dated January 3, 1972, pronounced the existing United States air defense virtually useless, and, because of the failure to maintain a viable

WHEREAS: the bills for the Parent Replacement Program, mainly the comprehensive Child Development, Day-Care, and Child Advocacy, usurp the parents' God-given rights, including their authority to control, educate and direct their children, and are therefore unconstitutional; and,

THEREFORE BE IT RESOLVED: That the Georgia State Society, NSDAR, reiterate its opposition to all Child Development/Child Advocacy Programs and urge its members to be alert to resist legislation that could lead to federal control of children.

Reports of State Officers

STATE REGENT

Miss Martha Ansley Cooper

The work of the 96 Georgia Chapter Regents and the 7,017 Georgia Daughters was outstanding during the past year. Your State Regent was very proud of the interest and accomplishments in the DAR activities. The complete report of the year's work will be found in the reports of the Chapter Regents, the State Officers, and the State Chairmen as published in this book.

Your State Regent represented you at the National Board of Management meeting in April, 1971, October, 1971, February, 1972, and April, 1972, as well as the 81st Continental Congress, the Atlanta Sons of the American Revolution meeting, Kate Duncan Smith DAR School, Tamassee DAR School, and at the State Conferences for Mississippi, Illinois, Michigan and Texas.

During the two years the State Regent was able to accept almost all of the 93 invitations received from the chapters; only six were declined because of previous engagements. Whenever the schedule permitted, the State Regent accepted invitations to chapters visited last year.

In answer to the request for more Georgia Daughters, the net increase in membership exceeded last year's increase, which was the largest increase in 15 years (as far back as the State Registrar researched). The membership count is the largest ever, over 7,000, or a total of 7,017.

In reading the reports you will see that Georgia contributed well to the national program work, had two gifts accepted by the DAR Museum, earned awards in JAC work and American History, but most important the number of chapters reporting increased greatly.

A new chapter was organized and another is ready for confirmation.

Figures will not be given on the miles traveled or the letters mailed. You may be assured that this year both were as numerous as last year. The monthly mailing of 207 letters containing DAR information continued this year.

Your State Regent wishes to thank each Georgia Daughter for the work accomplished and for the generous money contributions. The contributions not only continued national DAR work but also made possible the Martha Ansley Cooper classroom at KDS, an entrance road at Tamassee, a cabinet for the Martha Berry Museum. Your contributions made possible for Meadow Garden much-needed repair work, a new roof, outside painting, and the restoration of the second original room and the kitchen.

Your State Regent has enjoyed getting to know the Georgia Daughters and their families and it is hoped that many lifelong friendships were made during the past two years.

Your State Regent is grateful for the many courtesies extended her and for the loyalty of the Georgia Daughters. Again as last year she thanks you for the happy fellowship at the chapter meetings; the warm hospitality of the DAR homes, for meals, parties and as overnight guest; the corsages, the many gifts, both personal and through the chapters; and many other courtesies and pleasant memories too numerous to list in this space.

For the honor and privilege of serving as your State Regent I am deeply grateful to the Georgia Daughters. The past two years have been the happiest years of my life. I thank you.

STATE FIRST VICE REGENT

Mrs. Arthur H. Waite

During the past two years it has been a pleasure to serve as State First Vice Regent and State Chairman of National Defense, under the capable and inspiring leadership of our State Regent, Miss Martha Ansley Cooper.

I wish to express my thanks to Miss Cooper and all Georgia Daughters.

I have enjoyed attending one District meeting, Fall Board of Management, Executive Committee meetings, Georgia State Conference, Continental Congress, Kate Duncan Smith May Graduation, Tamassee

Founders Day and Kate Duncan Smith Dedication Day, all Meadow Garden Board meetings, the Organizational meeting of Kettle Creek Chapter; and as many chapter visits as I could schedule. Arrangements were made for the annual Georgia Dinner, April 18, 1972, at the Mayflower Hotel in Washington. One hundred thirty-three guests attended the dinner.

My sincerest thanks to you, Madam Regent, for giving me this opportunity to serve the National Society, the Georgia Society, and You—and to You, Georgia Daughters, my sincere thanks and gratitude for your many courtesies and your wonderful cooperation.

STATE SECOND VICE REGENT

Mrs. Luther L. Watson

It has been a pleasure serving as your Second Vice Regent and DAR Schools Chairman. I've attended two District meetings, Fall Board of Management meeting, attended State Conference in Macon, and Continental Congress. Making chapter visits was especially enjoyable as I had an opportunity to share school information, thoughts, hospitality, and enthusiasm with Georgia Daughters.

I wish to express my thanks to Miss Martha Cooper for giving me this opportunity to serve.

STATE CHAPLAIN

Mrs. Louis Joseph Bahin

It is an honor and a privilege to have served the Georgia State Society as its Chaplain for the past two years. Letters of instruction, forms for reporting deaths, and report blanks with a letter were sent to all chapters. Annual reports were received from 77 chapters. Of these, all opened meetings with scripture and prayer and/or the DAR Ritual. Notes to bereaved and ill numbered 624, with more not recorded, as well as 1,078 visits to same, and again many not recorded. Thirty-two chaplains installed chapter officers, 33 prepared and conducted memorial services, 44 members' graves were marked, and memorial gifts to DAR Schools, libraries and Meadow Garden were sent from 24 chapters, including one gift of \$100.00 to Tamassee. Three chaplains conducted services for marking Revolutionary Soldiers' graves, one gave the devotional at a community celebration for Washington's birthday, one was speaker at the dedication of a marker for a former State Regent, and one conducted a monthly devotional program on radio—a chapter presentation. Two memorial trees were planted, and one chapter wreath was placed honoring veterans of all wars. Twenty-eight Certificates of Honor were presented this year.

As State Chaplain I attended all State and three District meetings, leading the devotional service at each, visited 8 chapters, spoke at 4, read scripture and prayer at the annual Fourth of July Celebration of the Atlanta and Joseph Habersham chapters, installed new officers in three chapters and conducted the ritual service for reorganization of Kettle Creek Chapter. At State Conference it was my honor to prepare and conduct the Memorial Service for 123 beloved Georgia Daughters. Notes of sympathy on behalf of the Georgia State Society were written where occasion arose, and many thank-you notes received from the recipients. I wish to express sincere gratitude to the State Regent and Officers, the Chapter Chaplains and Regents, and to those who took part in the Memorial Service, for their devoted and untiring assistance.

STATE RECORDING SECRETARY

Mrs. John Inman Bell, Jr.

As State Recording Secretary, it has been my pleasure to attend the four Workshops, the October Executive Committee meeting, and the Fall Board of Management meeting, recording the minutes of each. Being unable to attend the 1972 State Conference, I prepared in advance a rough draft of minutes for each session to facilitate the duties of the recording secretary pro tem. This advance preparation was made possible through the courtesy and cooperation of the State Regent in providing me with a copy of the program and her agenda. I extend my sincere thanks to Mrs. Walter B. Evans for serving pro tem.

As part of my responsibilities, I compiled, proof read, and had printed the 1971 Proceedings of the Georgia State Society, and am now in the process of doing likewise for the 1972 issue. This work is performed under the supervision of the State Regent and the Proceedings Committee. I would like to express my grateful appreciation to those members of the Committee who assisted in the editing and proofing of the material to be sent to the printer. Also many thanks go to the state officers, state chairmen, and chapter regents who promptly submitted their reports to me.

Checks totaling \$30.00 have been sent to the State Treasurer. This amount represents the sum collected for the sale of extra copies of the State Proceedings.

It has been a privilege to serve the Georgia State Society under the leadership of our State Regent, Miss Martha A. Cooper.

STATE CORRESPONDING SECRETARY

Mrs. Walter Bowers Evans

Your State Regent has mailed monthly news letters and information to Honorary State Regents, State Officers and State Chairmen, 96 Credential Blanks for Conference, and 98 letters for the Chapter Regents. These I have prepared for mailing. In addition, I have sent two telegrams.

Your State Corresponding Secretary has attended the Continental Congress, the Fall Board of Management meeting, four District meetings, and five Chapter meetings.

It has been my pleasure to work with the State Regent, State Officers, State Chairmen and Chapter Regents.

STATE ORGANIZING SECRETARY

Mrs. E. Lee Stephenson

Kett'e Creek Chapter, Washington, Georgia, was re-organized on December 10, 1971, with fourteen members. Organizing Regent is Mrs. Charles Almand Wickersham, 219 East Robert Toombs Ave., Washington, Georgia 30673.

We were delighted to have our State Regent, Miss Martha Cooper, to install the officers, and give an inspiring message on WHAT IT MEANS TO BE A GEORGIA DAUGHTER. She presented a gavel as her gift to the Chapter. Your Organizing Secretary gave the \$5.00 award to start the new treasury, as promised each new chapter.

Mrs. Louis Joseph Bahin, State Chaplain, added a spiritual blessing to the occasion as she carried out the DAR Ritual Program provided by the National Office.

Other State Officers present were Mrs. Arthur H. Waite, First Vice Regent; Mrs. Henry W. Lively, Historian, and Miss Ethel Montgomery, Curator, who brought several beautiful posters of the Museum at National Headquarters.

Mrs. Hubert R. Martin, Immediate Past State Chaplain, was also a guest.

Eleven additional members' papers will go before the February Board, if verified.

We continue the work in the Dalton and Baxley areas, but have no date presently set for organizing.

It has been a great pleasure to assist you, Madam State Regent, in this most pleasant and worthwhile work in our beloved Society. My appreciation to the many who helped make my contacts with prospective members.

These two years have flown past; the greatest reward being the opportunity to know and work with so many new friends.

STATE REGISTRAR

Mrs. Leonard G. DeLamar

Letters of instruction were sent to each chapter in June. Most chapters have cooperated beautifully in sending in index cards for the files, and notifying me of any changes in their membership. Names and information concerning the 353 new members have been entered in the register as have all deaths, reinstatements and resignations. It is with regret that I must report that transfers taking place after November, 1970, have not been recorded, as this information has not been received from the National Society.

My association with the chapters through visits and much correspondence has been most enjoyable. It has been a privilege serving our Society under the capable leadership of our State Regent.

STATE HISTORIAN

Mrs. Henry W. Lively

Sixty-four chapters made History reports; 2 chapters contributed to the History Scholarship Fund; 34 documents were given to the Repository of Americana; 176 Historical programs were given by adults and 42 by children; 913 radio and 66 TV programs were given; 78 adults and 25 children made Historical Tours; 7 Revolutionary soldiers' graves were marked, 3 wives, 3 daughters and 44 members of DAR; 10 His-

torical Restorations were begun, 1 completed and 1 marked. A list of all Revolutionary Soldiers reported buried in Georgia has been obtained and hopefully will be published in booklet form by the State Society.

Your State Historian attended State Conference, Fall Board of Management, 1 district meeting and the re-organization of the Kettle Creek Chapter at Washington, Ga.

Speaking on "Our Historical Heritage," she visited the following chapters: Birdsville at Millen, Edmund Burke, Waynesboro, Brier Creek at Sylvania, Nathaniel Macon at Macon, Nancy Hart at Milledgeville, Baron DeKaleb at Decatur, Cherokee at Atlanta, John Floyd at Douglas. Also spoke to parents and students of Stapleton Academy, Stapleton, Georgia, and the Rotary Club of Sylvania, Georgia.

I shall always cherish the pleasant, informative and rewarding experience of serving the Georgia Daughters with Miss Cooper, State Regent, and the other lovely State Officers.

STATE LIBRARIAN

Mrs. Carl Wagner

An increasing amount of time and money was spent in DAR library work this year, especially on the local level, with 53 chapters reporting. One chapter reported 800 hours spent on indexing genealogical material and another spent \$392.72 on repairing and binding books and magazines. Another donated 102,812 pages valued at \$1,222.80. Total amount spent on all levels of library work this year was \$4,793.29, more than twice the amount of last year.

I wish each chapter could receive individual credit for the splendid work, but the combined figures are as follows: to the NSDAR Library, 15 books, 692 pages of manuscripts, 9 pamphlets, 47 subscriptions of genealogical magazines, totaling \$339.70; \$93.00 to the Rebinding Fund and \$35.50 to the Microfilm Fund, making a total of \$476.29.

The State Archives received 84 books, 653 pages of records and 3 pamphlets, valued at \$1,049.94; 9 microfilm reels and 4 microcopy rolls, valued at \$85.00; \$135.00 was given to the State Library Fund, making a total for State work of \$1,277.94.

Chapters presented to local and school libraries: 198 books, 2 new sets of encyclopedias to Tamasee and Kate Duncan Smith DAR Schools, 260 magazine subscriptions, 39 binders of historical figures, 13 pictures of historical scenes, 3 pamphlets, 8 reels of microfilm; 67 maps of Alabama counties, 686 magazines, large prints of Constitution to history and social science students in one school, small prints to other schools, totalling \$2,595.63; \$9.00, 156 paperback novels and 63 comic books given to Merchant Marine Library, 257 paperbacks and other magazines to VA Libraries.

A total of \$453.52 was spent on rebinding. Reported amount spent on local library work, \$3,249.65. A large number of the books given this year were from a member's private library, and the value was estimated with the help of Miss Carroll Hart, Director of the State Archives.

Many chapters reported work on indexing genealogical material in local libraries; one chapter copies and binds census records; one uses 10c per member plus donations for their library fund; one gives a memorial book in lieu of flowers. Space does not permit listing names of books given, but may be had on request from the Librarian.

This report was possible because of the splendid response of chapter librarians and members, and my deep appreciation goes to each one of them.

It has been a pleasure to serve under you, Madam Regent.

STATE CURATOR
Miss Ethel Montgomery

As State Curator, I have in my possession the following items: One large electric DAR insignia including the bulbs, one silk United States flag, one silk State of Georgia flag, one silk DAR flag, four aluminum flagpoles (each in two parts) contained in a blue cloth bag, one brass eagle finial, one brass spear-shaped finial, three aluminum spear-shaped finials, three gold cords, two round brass flag standards, two iron tripod flag standards, one time clock and bell, one blue suitcase (containing the flags, cords, finials and ribbons), one large white pottery urn, 252 Georgia State Delegation badges, 42 Georgia State Conference special guest badges, 14 small and 9 large Page ribbons, a full box of "Hello" name labels and permanent seat labels for platform seating.

At the State Conference last year, Mrs. L. J. Bahin, State Chaplain, gave to the State Society handsome brass tapers to be used at the Memorial Services. The Society is most appreciative of this gift.

A leather satchel for easier handling of the metal flag standards has been added to the Conference properties by the State Curator, and the rather worn cardboard case holding the electric insignia has been covered with dark blue fabric for greater protection.

This Curator has been the speaker at the following chapter meetings: Fielding Lewis Chapter and Mary Hammond Washington Chapter, the subject being the DAR Museum.

State Conference, Continental Congress, the Fall Board of Management meeting and all four District meetings have been attended.

It has been a distinct honor and pleasure to serve the Georgia State Society these past two years under the capable leadership of Miss Martha Cooper, State Regent; my grateful appreciation goes to her for having given me this privilege.

Committee Reports

National Committees

AMERICAN HERITAGE

Mrs. Jonathan W. Fox

Due to a different reporting date this year, only 23 chapters reported in time for the judging for my award. However, the enthusiasm shown in those reports was wonderful. As usual, American Heritage programs caught the fancy of many of our members. Programs on American Art and personal artifacts were two in the fine arts category. In crafts, Georgia silversmiths, porcelain, quilts, American glass, Village Fair and dolls were some of the outstanding programs reported. American composers, Christmas and religious music and a musical program at a VA hospital were noted in the musical field. Two skits were presented, one to the State Officers Club. A compilation of Colonial Cookery, writing the History of Stephens County and Tales of Ancestors have kept three chapters busy. We in Georgia are very proud of Briar Creek Chapter. They researched, wrote and presented a program on Dolls which has been accepted by the National Program Committee. As instructed by the State Society, Mrs. Arthur Waterman, State Program Chairman, and I purchased a slide program from Mr. J. J. McKay on "The Golden Isles of Georgia and The Marshes of Glynn." This consists of 101 color slides and narrative photographed and written by Mr. McKay. This program has also been sent to the National Program Committee for their consideration. Georgia will exhibit a coverlet belonging to Mrs. Talbot Chandler at a special pre-bicentennial celebration to be held during Continental Congress.

AMERICAN HISTORY MONTH

Mrs. Robert W. Harrison, Jr.

February, 1972, was proclaimed American History Month by Governor Jimmy Carter, and 78 letters were written to congressmen in behalf of legislation designed to permanently designate February as American History Month.

Committee letters relating to activities for observing February as American History Month were sent to all chapters in September.

Sixty-seven chapters reported their work with varied, informative and interesting programs.

The essay contest, "How My State Acquired Its Name," was sponsored in 103 schools, 32 participating for the first time, with 2,270 contestants. Awards presented for the essay contest included 102 bronze and 36 sterling silver medals, 157 certificates of award, 712 certificates of appreciation, 18 books on American History, 15 cash awards, and 6 copies of the Declaration of Independence.

Other school participation included 62 assembly programs, 53 newspaper articles, 138 class discussions and 49 sets of spot announcements. One chapter conducted an art contest in American History in which four schools participated.

Seventy-one chapter programs on American History were presented and four scripts were sent to the National Chairman; 79 American History Month displays were put in libraries, schools, stores and banks; 176 posters and 1,068 stickers were used; 87 medals, 34 certificates, 6 books and cash awards were given for excellence in American History.

There were 177 newspaper or magazine articles published and 96 pic-

tures with a total of 1,574 inches of publicity; 202 sets of spot announcements were used with 31 members appearing on radio with a total of 1,498 minutes; 26 spot announcements and 6 members appeared on television with a total of 429 minutes.

Madam Regent, thank you for letting me serve as American History Month Chairman under your leadership; it has been a pleasure.

AMERICAN INDIANS

Mrs. Barney W. Hendricks

It has been a most rewarding experience to serve as your American Indians Chairman and I am indebted to our State Regent for giving me this privilege. I want to thank her and the Chapters for their cooperation and the fine work they have done in promoting interest in the culture and welfare of these first Americans.

With 63 Chapters reporting, 51 showed contributions to St. Mary's amounting to \$525.50 and 18 boxes of clothing valued at \$1,731.39; to Bacone College \$563.00 was contributed and 12 boxes valued at more than \$933.15; one box was sent to S.C. Indian School; one Chapter sponsored a student at St. Mary's; one Chapter sent \$1.00 to Cheyenne and \$7.00 to St. Labre; private donations were sent to St. Labre and South West Indian Foundation. Contributions of \$221.00 were earmarked for the General Fund.

Outstanding programs were reported by 37 Chapters. They covered a wide range of historical subjects and were presented by such authorities as Dr. Joseph Mahon, anthropologist and curator of the Columbus Museum of Arts and Crafts; college professors and recognized historians; an Indian Chief; informed members who had visited Indian mounds, excavations and reservations. An author reviewed her soon-to-be-released book, "Revolutionary Indian Activities in Morgan and Green Counties." An original dialogue, "The American Indian," was mailed to the Program Reviewing Committee. Deep concern for the Indians was reflected in many programs. To mention a few, "American Indian Affairs: Deadline for Justice"; "America's Oldest Debt: Justice for the Indians"; "The Trail of Tears"; "The Mounds of Kolomoki"; "Those Amazing Cherokee Indians"; "Our First Inhabitants of the Golden Isles", and others.

One Chapter gave a program on the restoration of Chieftains, the home of John Ridge (Cherokee Chief) and later presented an American flag to Chieftain's Museum. A program on Indian Schools was given by a C.A.R. Society; in another, "The American Indian's Story of Tribes and Customs," was narrated and children dressed in costumes of various tribes assisted. Chapters cooperated in the celebration of The First American Week, an annual event held in Columbus when Indians from different tribes gather for a week of festivities, special programs and banquets. For one week Indians tell their story in a 90-minute program on WRBL-TV. Chapters gave their support by attending these activities as well as being on TV each morning during the week.

Chapters discussed St. Mary's and Bacone, their needs and their accomplishments. Slides, posters and artifacts gave added meaning to many programs.

AMERICANISM AND DAR MANUAL FOR CITIZENSHIP

Mrs. Marion F. Martin, Jr.

Sixty-two Chapters reported. Sixty repeated the American's Creed at meetings; 44 devoted one meeting to an Americanism program; 14 gave Americanism talks to other organizations; 17 presented Americanism programs on radio and TV; 40 placed patriotic literature in various places; 9 participated in special project—promotion of American's Creed; 787 DAR Manuals for Citizenship were given to applicants for

American citizenship; 18 were given to High Schools, and 2 to Libraries; 30 to Elementary Schools; 358 American flags were given to new citizens; 117 welcome cards and 714 patriotic pamphlets. Two Chapters sponsored receptions for new citizens; 13 members worked with Americanization classes; 13 Chapters attended Naturalization Courts; 2,458 hours of service were given to committees on social problems; 11 Chapters sponsored Americanism essays and poster contests in schools; 4 arranged for young people to attend Naturalization Ceremonies, and 3 promoted constructive projects among young persons. Joseph Habersham Chapter has papers being processed to present a DAR Americanism Medal, and Hawkinsville Chapter has papers being processed for two medals. Special mention and congratulations go to the following Chapters: Joseph Habersham, Hawkinsville, Fort Peachtree, Augusta, Baron DeKalb, Cherokee, and Stephen Heard. It has been a real pleasure to serve as Chairman of this Committee under our capable State Regent, Miss Cooper. I want to thank her for her gracious help and support at all times.

CHILDREN OF THE AMERICAN REVOLUTION

Mrs. C. M. Ward

Senior State President

The Georgia State Society, Children of the American Revolution, reports with pride two new Societies being organized. Papers were approved at the Feb. 4 National Board of Management meeting of 6 new members for the Ulchee Trail Society, Cochran, Ga., Mrs. Leo L. Phillips, Jr., Organizing President, and the Lucy Spell Railford Society in Columbus, Ga., with 15 new members, Mrs. William H. Askew, III, as the Organizing President.

Georgia has a total of 113 new members for 1971-1972.

The response has been wonderful in the planting of pine trees to commemorate the 200th anniversary of our country. The eight Societies who participated were: Altama, Brunswick, Fort Frederica, Winona, Meadow Garden, Colonel Henry Lee, Commodore Perry, and Benjamin Hawkins.

Georgia has become a Major Benefactor for the National Museum by contributing \$1,000.00 by Feb. 1, 1972. Contributions continue to be sent in for this state project.

Governor Carter signed a proclamation, proclaiming Patriotic Education Week, and a tour of the State Capitol was enjoyed by all who attended.

Jake Varn has published four issues of the CARgoes and they have been excellent, greater than ever before.

Georgia has 84 State Promoters, 23 National Promoters, and 8 Life Promoters.

Another bus to Washington even larger than last year is filled, Mr. Gera'd G. Fling says. This is a truly wonderful trip planned for April to the National Convention.

Georgia took several honors at the Southeastern Regional meeting in Charleston last summer. I hope even more Georgia C.A.R. members will attend the Southeastern Regional meeting in Birmingham July 7, 8, 1972.

We are proud of Robert Cork's yearbook and directory and appreciate Mr. G. G. Fling's generous contribution which helped make it possible.

This has been a busy year, filled with hours of hard work, but one with much satisfaction as I worked with fine Georgia young people for God, Home, and Country.

DAR GOOD CITIZENS

Mrs. Allen L. Brewer

Good Citizen Pins and Certificates were awarded to 185 girls by 64 chapters.

District winners with their sponsors were: Miss Kathy Rentschler, Warner Robins High School, Ocmulgee Chapter; Miss Susan Sewell, Lakeside High School, Baron DeKalb Chapter; Miss Deborah Sheriff, Stephens County High School, Toccoa Chapter; and Miss Marsha Young, Jenkins County High School, Birdsville Chapter. Each winner received a \$5.00 award from the Georgia State Society.

Miss Susan Sewell of Lakeside High School, Decatur, was chosen the State Good Citizen. She was sponsored by the Baron DeKalb Chapter, Mrs. A. C. Earl Shepherd, Regent. The State DAR Good Citizen Pin and a \$100.00 Savings Bond were presented to Miss Sewell at the Opening Banquet of State Conference in Columbus. She has been entered in the competition for National Good Citizen.

My sincere appreciation to the four District Vice Chairmen, Regents and Chapter Chairmen who have been so helpful and to our State Regent for allowing me the opportunity of serving as chairman of this committee. It has been an inspiration to serve with her.

DAR MAGAZINE

Mrs. Walter C. Gemperline

The State DAR Magazine Chairman is happy to announce an increase in magazine subscriptions again this year. Ninety-two chapters reported 2,001 subscriptions, and 76 of these chapters had 25 per cent or more of their members subscribing. Three chapters, Archibald Bulloch, John Ball and Toccoa, had 100 per cent of their members taking the magazine, and special mention should be made of our newest chapter, Kettle Creek, for their fine work in securing 11 subscriptions from their fourteen members.

However, an analysis shows only about 30 per cent of the state's members subscribing to this fine magazine, less than 1 out of 3. We hope that this can be increased greatly in the coming years.

Madam State Regent, it has been a joy and pleasure to work with you and your DAR Magazine Chairman and grateful thanks go to you for your patience and assistance.

DAR MAGAZINE ADVERTISING

Mrs. E. J. Smith

The report of Georgia DAR Magazine Advertising is very special this year. This Committee proudly sponsored a full page with a lovely picture of Miss Martha Cooper, our beloved State Regent. Miss Cooper is a candidate for the high office of Vice President General.

It has been a privilege to serve as State Chairman of DAR Magazine Advertising, and the fine report this year has been made possible by the chapters contributing the advertising.

Advertisements obtained by 61 of Georgia's DAR Chapters appeared in the March 1972 issue. Amount paid for mats, \$6.00; cuts, \$60.00; advertisements sent for this issue, \$4,070.00. Total amount for mats, cuts, and advertisements, \$4,136.00.

DAR MUSEUM

Dr. Jessie J. Mize

It has been a privilege to serve as DAR Museum Chairman for the past two years with our esteemed State Regent, Miss Martha A. Cooper. This year the John Ball Chapter donated two Betty Lamps, circa late seventeenth century; 23 chapters had full programs on the Museum; 75 chapters supported Museum work with contributions toward air conditioning the Museum Gallery. Nine chapters used the sets of colored slides showing the valuable items at the Museum. Twenty-four chapters made cash donations for purchasing nine books for the Museum Reference Library, with five of these books honoring our State Regent, Miss Cooper. One program was presented by Mrs. Hugh Peterson, Adviser to DAR Museum. Total contributions to all Museum funds amounted to \$530.50. The Chairman and representatives from 10 chapters made a tour of the Museum and period rooms during the 1971 Continental Congress, noting especially the space and locations of a room which might be requested for a Georgia State Period Room.

DAR SCHOOL

Mrs. Luther L. Watson

The total cash contributions to DAR Schools this year were \$12,-654.54; this was an increase of \$1,334.76. Eighty-one chapters reported to the State Chairman. Forty-one chapters earned the Hightower Award; thirty-two of these chapters exceeded the \$1.00 per capita requirement. The Martha Ansley Cooper Classroom contributions over the two-year period have been \$10,065.25. The distribution of DAR Schools monies is as follows:

DAR SERVICE FOR VETERAN-PATIENTS

Mrs. Ben F. Carr

It has been a pleasure to have had the privilege of serving under our capable State Regent on the Veteran-Patient Service Committee this past year. Although this is one of our newest committees, the

women throughout the state are finding many ways to show their gratitude to our veterans for the services they have rendered in our behalf.

Activities in the chapters have ranged from sending a subscription to the DAR Magazine to a hospital, making lap robes, visiting veterans in their hospitals, inviting them into their homes, sending gifts to the veterans and to the hospitals and giving them parties and entertainment. One chapter arranged to have an organ sent into a hospital so that there could be an afternoon of good music for the veterans and later regaled them with cookies and punch. Veterans participated in the entertainment and all patients in the hospital were able to enjoy the music through the hospital broadcasting system. Many hours of boredom were relieved for the patients by the donations of good reading material.

There was formerly a mistaken assumption that there were no services to be given unless the chapter was near a Veteran's Hospital. Daughters, not living near a Veteran's Hospital, may assist newly dismissed patients and newly discharged veterans from Vietnam to become adjusted to civilian life, and they will find this service most rewarding and appreciated.

Statistics (75 Chapters reporting):

In the Veteran's hospitals our members gave 483 hours of service; 10 parties; \$373.00 for canteen books; gave 768 gifts to patients at an estimated value of \$447.00; gave 902 gifts to hospitals at an estimated value of \$415.00; 6 programs were given; 263 personal visits were made—amounting to 458 hours; 21 commemorated Patriotic Days.

In military and naval hospitals there were 47 personal visits to members, amounting to 72 hours; \$73.00 was donated for canteen books; 390 gifts given, valued at \$82.50.

In private hospitals: Personal visits by 150 members, totaling 270 hours; 2 parties given; 29 gifts to patients, valued at \$45.00; 3 programs given.

In private homes (for shut-in veteran-patients): Personal visits by 148 members, totaling 117 hours; 1 party given; 71 gifts with values of \$62.00; 4 programs.

Public Relations: 21 talks were made by DAR members; 11 newsletters published; 1 news picture published; 1 television interview and 2 radio talks.

Sixty-four ounces of stamps were sent in.

To let our veterans know that we care should be the goal for all of our members for the coming year.

It has been a great experience working with Miss Martha Cooper, our State Regent. Chapters have cooperated beautifully with their reports. Of interest particularly was one which reported a member, 97 years of age, Mrs. T. J. Sappington, who gave her pin to the chapter for their use.

JUNIOR AMERICAN CITIZENS

Miss Judy Neville Ferguson

Georgia Daughters have been exceedingly active during the past year, both organizing JAC Clubs and working with clubs previously established. There is much organizational effort going on in Georgia now. Numerous chapters throughout the state have written of plans to organize JAC Clubs and of interest in learning more about JAC with the intent to organize JAC Clubs in the future. Georgia Chapters reported sponsoring over 2,000 JAC Clubs with membership exceeding 67,500; 78 new JAC Clubs were founded. Georgia chapters reported a number of contest entries; 57 were entered in National competition. Thatcher Pins and citations were awarded in National Competition. JAC buttons, pins and citations, banners, and flags were presented to the members and clubs.

Georgia was recipient of several National Awards at Continental Congress. These included a first place award for the chapter sponsoring the most JAC members. This award was presented to Georgia by the National Chairman of Junior American Citizens at Continental Congress.

The State Chairman presented a total of eleven awards on the state level at the State Convention in Macon. Two of these were SPECIAL MERIT AWARDS. These were large wooden plaques, hand engraved by woodburning, made by the State Chairman.

It has truly been a privilege and pleasure for me to serve as Junior American Citizens Committee State Chairman. I am grateful to the State Regent, Miss Martha A. Cooper, for giving me the opportunity to serve

under her and to serve the Georgia State Society as State Chairman of Junior American Citizens Committee.

JUNIOR MEMBERSHIP

Mrs. Giles Cadora

It is a pleasure to report to you that the Juniors of Georgia have had another active year. Reports from individual chapters show that the Juniors have been busy workers on all Chapter projects and committees as well as serving as officers. The Juniors have sponsored their own events raising money for the Helen Pouch Fund in addition to the sale of Junior items. They have assisted at District meetings and State meetings. Most importantly they have added to their ranks many outstanding young women. I'm sure that our State Regent is pleased that some 104 are among the new Daughters presented by the chapters. Total funds raised this year are \$351.50.

My thanks to all the Juniors and all the chapters for your support.

LINEAGE RESEARCH

Mrs. Robert N. Mann

Lineage Research reports were received from 68 chapters. Sixty-six chapters have a Lineage Research Chairman or the Regent or Registrar acting as chairman.

Twelve requests for assistance were received from Georgia Chapters; 4 requests from other State Chairmen; 2 requests were sent to Georgia chapters; and 8 requests were forwarded to the National Committee; 247 potential members were assisted; 75 potential members of the S.A.R., C.A.R. and S.R. were assisted. A list of the names and addresses of 70 eligible men for S.A.R. was compiled by the Brier Creek Chapter; 169 new members were acquired through the efforts of the Lineage Research Chairmen; 30 programs were given; 16 corrections were made to existing lineages.

The 159 Georgia counties were assigned to the then 95 chapters. A stamped self-addressed postcard enclosed with the State Chairman's October 1971 letter and Lineage Research material from the National Committee was mailed to each chapter. Names and addresses of volunteer researchers for DAR purposes have been received for 38 counties.

It has been a pleasure to serve as chairman of this committee and to work with our State Regent, Chapter Regents and Committee Chairmen, the State Vice Chairmen and the State Advisor.

MEMBERSHIP

Mrs. Leonard G. DeLamar

The total membership of the Georgia State Society as of February 1, 1972, was 7,017. This year we have had 353 new members of which 125 were Juniors, and 11 of these Juniors were transferred from C.A.R. Fifty members were dropped from our rolls. Fifty-seven chapters had a gain in membership, 22 a loss, while 16 remained the same. The prospective member blanks were given to all chapters and 9 of these blanks were sent to other states. It has been a pleasure working with the Membership Commission and seeing our membership grow in Georgia as it has never grown before with a net increase of 129 members. Much of our success is due to the enthusiasm and very capable leadership of our State Regent, Miss Martha Cooper.

MOTION PICTURE

Miss Leila Summerall

A release was mailed giving instructions as to the requirements for 1971-1972. A report blank was also mailed. Several Chapters returned the blanks, and it is believed that more Chapters are interested and are trying to assist in having better motion pictures. More complete reports were sent this year than were submitted last year.

My appreciation to the participating Chapters for their excellent work. I wish to thank the State Regent for her fine cooperation during the past two years. It has been a pleasure to serve with her.

NATIONAL DEFENSE

Mrs. Arthur H. Waite

National Defense reports were received from 59 of the 96 chapters in the State. Fifty-five chapters had at least one entire meeting devoted to National Defense with timely and significant subjects such as: The Constitution and Patriotism, Campus riots and unrest, the United States becoming a Second-Class Power, the United Nations, Drug Abuse, Voluntary Army, Communism, the War in Vietnam, Education and the schools situation, Busing, Lack of Respect for Law and Order, Ecology, Federal Control of Children.

Fifty-four chapters devoted at least 5 minutes at each meeting to National Defense, 32 chapters gave more time, 50 chapters studied the 1971 Resolutions, 54 chapters had National Defense material at Chapter meetings, and 53 chapters made National Defense material available to interested individuals. Subjects of material distributed: National Defense mailing each month, the National Defender, DAR Magazine articles, Flag Codes, and reprints from the DAR Magazine.

Chapters reported presenting a total of 300 Good Citizenship medals, 30 of these chapters presented the medals at school assemblies, nine chapters participated in the ROTC Medal Project, giving seven bronze medals and four gold medals. One chapter gave a \$50.00 Savings Bond in addition to the gold medal.

A total of \$654.00 was contributed by 33 chapters for Dollars for Defense, and 32 chapters made an effort to increase subscriptions to the National Defense mailing. Thirty-seven chapters reported that approximately 242 individuals wrote to members of Congress regarding pending legislation and pending treaties, but many of the chapters noted that the figure reported was inaccurate as many members wrote letters and failed to let the National Defense Chairman know.

Topics of great interest to chapters this year were: Drug Abuse, Conservation, Ecology, Schools and Busing, Day Care Centers, Russia's steady growth in power and materials, loss of prestige of the United States, Panama Canal Zone, War in Vietnam, Foreign policy, Disarmament, Child Development Program, Federal Control of Children; Pollution, Campus unrest, United Nations, Deficit financing and Monetary Policy, Welfare reform, Reorganization of State Government, and Reapportionment.

Although there was a decline in the number of chapters reporting, there were more varied topics of interest reported, and more individuals were involved. There was an increase in the number of individuals writing to their Congressman (from 191 to 242). There was an increase in the number of chapters increasing subscriptions to the National Defense mailing. There was a most gratifying increase in the Dollars for Defense from \$195.50 last year to \$564.00 this year. This all shows a great increase in the interest in the work of the National Defense Committee and the deep concern of members to be better informed Daughters and to enlighten public opinion with knowledgeable documented information. Recommendations which the chapters thought were pertinent were included in the report to the National Chairman.

PRESS BOOK

Miss Pauline Lewis

The State Chairman attended State Conference. An information letter was sent to the chapters. Forty-six chapters submitted a total of 15,752 inches of news items for the State Press Book. This is almost 1,200 inches more than submitted last year. The quality of the news items indicates the excellent work the Georgia Daughters are doing. My deep appreciation and sincere thanks to the chapters for their interest and support.

It is my hope that each chapter will have an active Press Book Chairman next year in order that the State Press Book may fully tell the story of what the Georgia Daughters are doing. My thanks to Mrs. William Stubbs and Mrs. Adam Andel of Perry who helped with this year's Press Book. It was a pleasure to serve under the leadership of our capable State Regent.

THE FLAG OF THE UNITED STATES OF AMERICA

Mrs. William E. Abernethy

Sixty-one chapters reported, and 61 repeated the Pledge of Allegiance at meetings; 430 flew their flags on holidays; 112 large flags were presented to local citizens, museums, hospitals, 4-H Clubs, Girl Scouts, libraries, academies, public schools, the deaf and school board building; 711 small flags were distributed at Naturalization Courts, widows of vets, classrooms, church groups of children, kindergartens, chapters and home use; 3,155 flag codes were presented to high schools, churches, chapters, Naturalization Courts, C.A.R., O.E.S. meeting and Girls' Clubs. Thirty-three corrections were made in improper use of flags on streets, in schools, churches, stores, libraries, county assembly of teachers and football games; 76 gave flag talks to other organizations; 166 articles were reported found in newspapers; 35 used the flag in window displays during Constitution Week; 31 chapters had a full program on the flag. Forty chapters reported radio and television broadcasts.

Special Activities listed: DAR chapter requested business firm play patriotic music on its chimes each legal holiday. A poem entitled "It's Our Flag," written by a 12-year-old girl, won the Daughters of the American Revolution poetry contest on the National level. At the presentation of a large flag to a hospital, our State Regent led the Pledge of Allegiance and was the dedication speaker. Two JAC essays were read and patriotic music played. For Veterans' Day, DAR chapters furnished 1,500 flag seals to be placed on front page of newspaper; 25 large flags were sold to homes and 50 car decals. Two thousand flag codes were distributed to each child in a school.

TRANSPORTATION

Mrs. Leo L. Phillips, Jr.

Twenty-six chapters reported 17 historical trips, 3 programs on traffic safety and 22 chapters felt that attendance was increased to meetings due to the efforts of their chairmen. A few chapters distributed literature on safety and Oglethorpe Chapter started a transportation safety program in their police department and educational program.

This committee has worked toward increased attendance at Continental Congress. Total cost of the 1971 Bus Trip was under \$90.00. Many reservations were made for other Daughters not taking the bus who were able to use the bus to go back and forth to the meetings in Washington.

Due to several factors, the trip showed a profit of \$320.91; \$220.91 of this amount went to the Martha Ansley Cooper Room and \$100 kept for operating expenses of the 1972 Bus Trip which will be turned over

to the State Treasurer at a later date.

A 1972 Trip is planned and 30 reservations have been received to date. Information concerning the trip and hotel has been sent to each chapter so that anyone can make their personal reservations if they did not want to go by bus.

Hopefully, Georgia can continue the bus trip and devote more time and effort to traffic safety in the coming years. It has been a pleasure working with the State Regent on this project. My thanks to Miss Martha A. Cooper and all Chapter Regents who have spread the word about the Bus Trip.

CONFERENCE COMMITTEE

Mrs. Thomas Knox Kendrick

The 74th State Conference was held March 23-25, 1972, at the Ralston Motor Hotel, Columbus, Georgia. Mrs. Raiferd L. Over 397 Daughters and guests were registered, including the President General, Mrs. Donald Spicer; five State Regents; and two National Chairmen.

The beautiful decorations for the banquets and luncheon were hand-made by members of the three Columbus Chapters under the guidance of Mrs. Saunders and Mrs. Robert L. Loffin. A reception was given each evening by the members of the three chapters honoring the distinguished guests and members.

The Conference Committee returned the \$100 advanced as per custom by the State Treasurer; paid from their funds for all meals, tips, and orchids given the visiting Daughters, the State Officers, and the

Honorary State Regents; for the flowers used for the Memorial Service, as well as all flowers used for the banquets and meetings; secured six copies each of all publicity for the President General and the State Regent; and the expense for displaying the lovely portrait of the President General in the lobby during the entire conference. A substantial sum will be given to the State Treasurer for the restoration work at Meadow Garden. All of this was possible through the hard work of the chapters and donations made to the fund by the local chapters and members.

1971-72 has been a year of more interest in cooperation of DAR with S.A.R. and S.R. Thirteen Chapters reported, with 11 submitting names of prospective S.A.R. members or gave assistance with application papers. There were 112 names sent to the Chairman or to the S.A.R. (Mr. T. G. DAR BOOKPLATES

Mrs. Wallace L. Harris

The sales of Bookplates have been unusually good. A total of 750 have been sold since last State Conference resulting in \$22.50 being sent to our State Treasurer. Left on hand are 140 Bookplates.

Madam State Regent, it has been a pleasure to be of service during these two years.

DAR ROOM, RHODES MEMORIAL HALL

Mrs. J. L. R. Boyd

During the past year much has been done in the DAR Room, Rhodes Memorial Hall. After much cleaning, beautiful draperies were hung; two State Certificates of Award, presented by the National Society, were placed on the walls; the Georgia State Society Scrapbook for the year 1968-1970, Mrs. R. Hugh Reid, State Regent, was placed in the room; and dishes and glassware were contributed by the Whitehall Inn Chapter. It was the desire of the chairman to place photographs of all of the former State Regents on the walls; she hopes this will be accomplished later. The room is for you to use.

Deep appreciation goes to Mrs. James J. Muldrow, Mrs. Herman M. Richardson and Mrs. A. C. Earl Shepherd for the interest and physical labor given toward making this room a reality.

It has been a happy privilege serving with the State Regent.

FINANCE

Mrs. Herman M. Richardson

The Finance Committee met October 28, 1971, in Athens, to consider the Budget for 1971-1972. At the October 29, 1971, Fall Board of Management Meeting in Athens, the Budget based on income from dues of 6,400 members for the year 1971-1972 was adopted without change from the previous year's Budget.

As adopted at the Georgia State Conference in Macon, March 19, 1971, funds in the Savings Accounts of the First National Bank of Atlanta were transferred June 1, 1971, from a regular Savings Account to Savings Certificates to provide the maximum interest rate for the Georgia State Society.

The Finance Committee recommended at the Fall Board of Management Meeting, October 29, 1971, that the charge per page of the Proceedings to the State Officers Club, The Chapter Regents Club, and the C.A.R. (first four pages exempted) be changed from \$5.15 per page to the current price per page for each year. Adopted.

It has been a privilege and a pleasure working with the State Regent and with the members of the Committee.

Mrs. Claude E. Fitts

Receipts from the sale of the Membership Roll and Register of Ancestors, published by the Georgia State Society, were \$3.50 for the 1956 edition, and \$95.00 for the 1966 edition. This leaves a balance of 54 copies of the 1966 edition. Books may be ordered from the chairman of this committee.

MARKING AND RESTORING HISTORICAL SPOTS

Mrs. W. M. Roberts

The Chairman for Marking and Restoring Historic Spots is co-operating with the Bicentennial Committee for the duration of its existence. It must be reported however that work is progressing on obtaining the land and the buildings for the Revolutionary Battle Park in Savannah. Within the year, in conjunction with the Savannah-Chatham County Historic Monuments and Sites Commission, funding of the buildings has now been assured.

Other reports of markers erected include that of the recent unveiling of the Waving Girl on the bank of the Savannah River. This statue, the work of Felix DeWeldon, was erected at the cost of over \$60,000 by the Altrusia Club of Savannah. Members of the Savannah Chapter supported this effort and \$100.00 was donated by the chapter to the fund. It must be told that the sculptor is the same that did the "Raising of the Stars and Stripes," the Marine Corps Memorial at Arlington, Virginia.

Nancy Hart Chapter replaced the marker for "Old Fort Wilkinson." It cost the chapter \$500.00. The Highway Dept., in cooperation with historical groups in Savannah, has completed the new Park for the Jasper Springs Monument that has been moved about 20 feet and now graces a drive-in Park on Highway 95.

Vandals continue to remove valuable markers in and around Savannah to the distress of its citizens.

MEADOW GARDEN BOARD MEETING

PERRY — JULY 27, 1971

A called meeting of the Meadow Garden Board was held July 27, 1971, at the home of Mrs. Allen C. Pritchett, Perry, Ga. Those present were Miss Martha Cooper, Mrs. Arthur H. Waite, Mrs. Leonard Wallace, Mrs. Frank Binford, Mrs. Clifford Welton, Mrs. Robert L. Smith, and Mrs. Allen C. Pritchett.

Miss Cooper opened the meeting with prayer, the minutes were read and approved, and all committees reported on progress of their work. Committee for the inventory appointed were Mrs. Henry Perkins, Custodial Chairman; Mrs. Clifford J. Welton, Maintenance Chairman; Mrs. C. G. Henry, Treasurer, and Mrs. H. H. Camp. The work on the Victorian Room will be postponed until funds are available. Meadow Garden will be opened on Wednesdays and Saturdays from 1:00 p.m. to 4:00 p.m. Mrs. W. W. Picard is the new caretaker, and the house may be opened at any time by appointment with Mrs. Picard. Mrs. Waite reported that the permanent records (one for the State Regent and one for the Secretary of the Meadow Garden Board) have been completed. This contains the Meadow Garden Resolutions and inventories.

A motion was made by Mrs. Robert L. Smith, seconded by Mrs. Leonard Wallace, that the Custodial Committee be given permission to place, temporarily, four Victorian straight chairs, some bric-a-brac and books in the restored room. This is to be done to minimize the bareness of the room for the present. Carried.

Mrs. H. H. Perkins is to review Budget and send to State Regent. If Budget should be increased, it will have to be presented to the Fall Board of Management for approval. The Custodial Committee was asked to send a monthly letter to the State Regent reporting activity and progress at Meadow Garden.

The State Regent called Mr. Ed Jones during the meeting concerning the mirror and other matters. Mrs. A. C. Pritchett moved that unless the mirror is delivered in the near future that Mr. Jones be asked to refund the \$2,000.00 paid for the mirror. Seconded by Mrs. Frank Binford. Carried. Mr. Jones is to be asked when the locks for the two doors in the restored rooms will be installed (these have been paid for), when the Certification Papers on the antique furniture placed in the restored room will be delivered to the State Regent, and also if the gift honoring Mrs. R. Hugh Reid has been located. (This is the gift

of silver given by the Board of Management in 1970 amounting to \$267.00.)

A motion was made by Mrs. Robert L. Smith, seconded by Mrs. Arthur H. Waite, that inasmuch as the 1970-1972 Meadow Garden Board has found the need of local supervision of work done at Meadow Garden, that the Board engage Mr. Edwin Wade to plan and supervise needed repairs and restoration. Carried.

When work is to start in the dining room, the Custodial Committee will be responsible for removing the furniture in the dining room and for placing the room back in order. This committee was asked to review the furniture arrangement in the two rooms in the basement; also to have debris removed from under the house, to insulate heating pipes, have house checked for termites, and fix floor in the back hall.

There being no further business, the meeting was adjourned.

PATRONS OF MEADOW GARDEN

Mrs. R. Hugh Reid

This state chairman is indeed grateful to the 61 of Georgia's 96 Chapters which reported on contributions to Patrons of Meadow Garden. The future restoration plans for this historic shrine, the home of George Walton, one of Georgia's signers of the Declaration of Independence, is determined to a great extent by the interest Georgia Daughters

show in getting Patrons for the Restoration. With 1976 a date in the near future, it is possible to see the restoration of Meadow Garden completed for the celebration of the United States of America Bicentennial if we continue to support this program of Patrons. The Georgia State Society owns this home in Augusta, and Georgia Daughters have a continuing responsibility for its restoration and maintenance.

An Honorary State Regent of Georgia and Past Vice President General, Mrs. Ober D. Warthen, has researched and painted the Wa-ton Coat of Arms for Meadow Garden. This gift from such a distinguished and talented Georgia Daughter is greatly appreciated, and is presented to the Georgia State Society and the Meadow Garden Board through the Vidalia Chapter.

Nine chapters became 1971-1972 Patrons of Meadow Garden with gifts of at least \$100.00 during the year. These Chapters are: Baron DeKalb, Cherokee, Earl of Camden, George Walton, John Houstoun, Joseph Habersham, Mary Hammond Washington, Nancy Hart, and Savannah.

Georgia Daughters, each of whom gave at least \$50.00 to Patrons of Meadow Garden, for 1971-1972 are: Mrs. C. B. Owens, Jr., Mrs. Joseph E. Chapman, Jr., Mrs. Frank G. Binford, Mrs. Charles G. Thompson, Mrs. Edward J. Derst, Jr., Mrs. Benjamin E. Harrison, Mrs. William R. Howard, Mrs. John B. Beatson, Mrs. W. C. Broadfoot, Mrs. William F. Ledford and Miss Martha Ansley Cooper. Baron DeKalb Chapter gave a gift for Patrons in memory of Mrs. J. W. Ester, a Past Chapter Regent.

Two non-DAR Patrons supported the program of restoration at Meadow Garden. One is Mr. Roy F. Russell of Vidalia. The second was a gift from Mr. Pete Brice, President of Brice Banking Company in Vidalia, whose gift was made in memory of his mother, Margaret Tanner Brice.

A special word of thanks is extended to Mrs. Frank G. Binford who has annually given to Patrons of Meadow Garden since 1968 and has been recognized with a certificate each of the past four years.

The Georgia State Society, Sons of the American Revolution, has offered much encouragement toward the restoration of Meadow Garden, and this year the State Society has become a Patron with a gift of \$100.00. Georgia Daughters are indeed grateful for their continued and loyal support.

PROPOSED GEORGIA ROOM, DAR MUSEUM

Mrs. Hugh Peterson

The Fund to establish a Period Room for Georgia in the DAR Museum continues to grow. Much interest is being shown by the Chapters, with many members making substantial contributions for this.

When a suitable space is available, Georgia should be well prepared to take over the responsibility of the establishment and maintenance of the room.

TEXTBOOK STUDY

Mrs. James E. Crouse

It has been a joy and a privilege to serve with Georgia State Society Regent, Miss Martha Cooper, who was always helpful and pleasant.

This Committee has studied textbooks and when an objectionable one was found, with documented facts we called it to the attention of the proper authorities and asked that it be removed from use in schools.

Our main concern is to promote use of books which help the student to appreciate his American heritage, gain an understanding of contemporary American society, recognize the requirements of responsible citizenship in a republican form of government, create an awareness and appreciation of American heroes, ideals, values and traditions, and to show the advantages of our form of government.

A slide and discussion program on the DAR Museum given by one of our members created tremendous interest. Dr. Carl Vipperman, Asst. Eighteen of our members spent a memorable day at Tamassee DAR School with lunch, a tour of the campus and our own May Talmadge Auditorium, and our meeting in the impressive conference room. Sixty-five chapter members and guests sat spellbound as former U.S. Secretary of State Dean Rusk spoke on National Defense. The State Board of Management meeting in Athens gave us an opportunity to display the historic Taylor-Grady House at a reception and to host the State Society at the Georgia Center for Continuing Education. Mrs. Mary Bondurant Warren, noted genealogist, lecturer and author of "Family Puzzlers," gave the chapter an illustrated map lecture on Northeast Georgia in 1776. State Honor Roll

National Gold Honor Roll****

The Fort Frederica Chapter has 111 members, a gain of 5 over last year. We were fortunate to have Mrs. Arthur Waite and Mrs. Herman Richardson visit us this year. We were represented at all State Meetings and at Continental Congress — where the daughter of a member served as a page. We have responded to all DAR projects; have had National Defense and the President General's message at each meeting; reviewed the National Resolutions, sent several ads to DAR Magazine, have kept an interesting scrapbook, and had excellent publicity coverage. This year was the 200th Anniversary of founding of the City of Brunswick, and "Jubilee 200" was quite a celebration, in which this Chapter took a very active part. One member wrote all the script on the Coastal Islands for the souvenir Historical Book. A member and her husband won the grand prize for best period costumes. The Chapter sponsored a member for Queen of the Festival and she placed second. The Regent received a Certificate of Award for Civic Achievement — which included civic areas beyond the Jubilee activities. We are very proud of our enthusiastic C.A.R. Society, and realize such success is largely attributed to its adult leaders, all of whom are members of Fort Frederica Chapter. These young people are catching patriotism and love of country, a respect for law and order, and a sense

of community responsibility. We can urge every DAR Chapter to give very special attention to their local young people — for they are the future of DAR!

State Honor Roll

National Gold Honor Roll**

George Walton Chapter has an enrollment at the present time of 84, however, we are anxiously awaiting action of the National Board, so that our number will be increased to 89. The highlight of this year's work, as far as the Regent is concerned, was representing George Walton Chapter at Continental Congress in April, 1971. It was an exciting experience and every DAR member in this great land of ours should attend at least one Congress. My alternate attended also, so George Walton had two representatives. Programs this year have been stimulating and inspirational to our membership, which resulted in an increase in chapter attendance. The National Defense program was outstanding due to "VOLAR", meaning Voluntary Army. An Army Major from Ft. Benning, Ga., spoke to us in regard with a question and answer period. Our American Heritage Committee delighted us with "Something New" for 4 meetings, a display of lovely antiques from our membership. The age of each article and the owner's name was placed on it. It has created much interest, and we are very proud of this committee for "Something New." We have cooperated with the other two Columbus chapters for Constitution Week, a joint meeting with the program "What the Daughters Do," and the presentation of 7 Good Citizen pins for senior high school girls, as well as American History Month in February. We are proud that a C.A.R. Society is being organized by the three chapters. All District, State and National meetings have had representatives. Two ROTC medals were presented to two of our high schools. This was a first for our chapter.

At our annual George Washington's Birthday Luncheon we honored the Good Citizen winners from Stephens and Franklin County High Schools, presenting medals and copies of "The DAR Story" to each winner. One of the highlights of the year was the marking of the grave of Revolutionary Soldier, Captain Moses Guest. An approved NSDAR bronze marker was used on the headstone. Relatives, friends, the Press, visitors from other chapters and members of the Toccoa Chapter were present for the impressive ceremony. Plans are under way to have all the Revolutionary Soldiers' graves in the county marked as the climax to our Bicentennial Celebration. Our C.A.R. Society was honored by having its State President at one of its meetings. The C.A.R. plays an important part in the promotion of patriotism in our area. We observed American History Month with appropriate programs and the presentation of four Silver medals, one Bronze medal, and three certificates. All of the programs of the Toccoa Chapter have followed the theme for the year and have met all requirements. This has been a good year!

Excellent programs and general public interest has stimulated our chapter to new heights this year. We have a membership of 109 with three Junior members. Attaining the goals of State Honor Roll, High-tower Awards and Gold National Honor Roll speak for our Chapter's efforts to carry on with all phases of DAR work. We were privileged to mark the grave of Revolutionary Soldier John Sharpe. This most inspiring experience was shared by a large gathering of DAR members, relatives and friends. A detachment of National Guard soldiers provided a military bearing and patriotic atmosphere which was so strongly felt at this service. Vidalia Chapter was represented at State Conference in Macon, Summer Workshop in Eastman and Fall Board of Management Meeting in Athens. We are proud to have a member of our Chapter, Mrs. R. Hugh Reid, serving as National Honor Roll Chairman.

State Honor Roll

Highlight for the year for William McIntosh Chapter, membership of 58, was a May luncheon with Miss Martha Cooper, State Regent, as guest speaker. Members with 25 or more years of service were recognized. Our DAR Good Citizen and American History Award winners were guests. A member, Vassie Mae Thrasher Rainer (Mrs. R. A.), is the author of the book, HENRY COUNTY - MOTHER OF COUNTIES, published this year. Our programs, all DAR-centered, under direction of our Vice-Regent, have been exceptional. The chaplain and National Defense chairman each carried their part of monthly programs with meaning and clarity. The local paper and radio station gave excellent cooperation. To keep out-of-town members informed 4 newsletters were mailed. Special days were observed with Boy Scout cooperation by flying flags on courthouse square. A book "SPIRIT OF '76" was placed in the high school library. American History Month and Constitution Week were observed with news publicity and radio spots. Clothes were sent to Kate Duncan Smith DAR School. Thirty per cent of members subscribe to DAR Magazine. The maintenance of our clubhouse for use by the community is our biggest service project. The kitchen was completely remodeled this year with paneling, lowered ceilings, new lighting, a 3-compartment stainless steel sink and storage cabinets added. Sixty folding chairs were also bought.

WILLIAM WITCHER CHAPTER, CEDARTOWN

Mrs. Sol Madden, Regent

William Witcher Chapter has a membership of 40 members and one transfer in process from Mary Little Deer Chapter, Moline, Ill. Seven meetings were held with good attendance and outstanding programs. All programs promoting the DAR objectives. Two American History medals and certificates were presented. Contributions to the following DAR Schools: Kate Duncan Smith, Tamassee, Berry and to both St. Mary's for Indian Girls and Bacon College. Clothing, etc., sent to Kate Duncan Smith. Radio spot announcements in observance of Con-

stitution Week and American History Month by local news media. We continue to have splendid news coverage in both the Cedartown and Rockmart local newspapers. We are most fortunate to have an excellent source for program material—NSDAR Program Committee. We have used both manuscripts and slides from this committee and have found all to be most informative and well presented. Xavier Chapter, Rome, graciously invited both the Oothcaloga Chapter and William Witcher Chapter to a joint luncheon meeting in May, 1971, at which our State Regent, Miss Martha A. Cooper, was honor guest and speaker. Our State Regent installed the officers of these chapters at this time—a most memorable occasion. Three officers attended the District Meeting in June at Krannert Center, Berry Campus. Prior to a regular meeting on November 18, 1971, the Chapter marked with proper ceremony the graves of five deceased members; their families were invited to attend the ceremonies and all families were well represented. Our chapter interest is very good—we have enjoyed and do deeply appreciate the tenure of service of our State Regent, Miss Martha A. Cooper.

XAVIER CHAPTER, ROME

Mrs. Jack Douglas Summerbell, Regent

State Honor Roll

National Gold Honor Roll

Nineteen seventy-one has been a year of achievement for the 97 members of Georgia's second oldest Chapter. The Regent and Treasurer represented the Chapter at State Conference. Mrs. Aubrey Matthews attended Continental Congress. The Chapter was actively interested in the restoration of "Chieftains," home of John Ridge. An overview of the restoration plan was given in March. Mr. Patrick Garrow, who supervised this restoration, furthered our understanding of the project. The flag which welcomes visitors at the Museum is a gift of Xavier Chapter. Members of Oothcaloga and William Witcher Chapters were guests at the annual May luncheon. Miss Martha Cooper, State Regent, was guest of honor and featured speaker. She installed the new officers of the three attending Chapters. Xavier was proud to host the Northwestern District Workshop at Berry College. November was a particularly gratifying month for our membership. The Regent laid a wreath on the tomb of the Known Soldier during Veterans' Day ceremonies. Also, she and Chapter members were present when the national officers of the UDC marked the grave of their sixth President General and the seventh State Regent of the Georgia State Society, NSDAR, Mrs. James A. Rounsaville, in Myrtle Hill Cemetery. A holly tree was planted near the City Clock Tower in memory of two deceased members. For the first time, a genealogical workshop was held for new members. Mrs. Mark A. Cooper, Sr., made a valuable contribution to Rome when she laminated and rebound the oldest cemetery records in memory of her aunt, Mrs. James A. Rounsaville. The Chapter voted to duplicate this record for Carnegie Library. **Descendants of Capt. James Jones**, published by Mrs. Joseph N. Franklin, was featured in a DAR Magazine ad, December, 1971.
