The 106th State Conference of the Georgia State Society, NSDAR, convened in the McIntosh Room, Wyndham Peachtree Hotel and Conference Center, Peachtree City, at 9:00 a.m., Saturday, March 27, 2004. The Processional included the advancement of the Colors, followed by the Pages, State Officers, visiting State Regents, National Officers and the State Regent.

Rose Elyea Bell, State Regent, called the Conference to order. The Scripture and Prayer was given by Laura Marcella Reid, State Chaplain. The Pledge of Allegiance to the Flag of the United States of America was led by Jean Fortson Kirby, Regent, Chestatee River Chapter. The American's Creed was led by C. Martelia Cunningham, Regent, Levi Sapp Chapter. The National Anthem was led by Marilyn Steger Frazar, Regent, Fayette-Starr's Mill Chapter. The Pledge to the Georgia Flag was led by Margie Lee Hall, Regent, Sweetwater Chapter. The Colors were posted and the Pages retired.

Mrs. Bell introduced Gloria F. Coker, PRP, who would serve as Parliamentarian for this meeting.

The State Regent called for the reports of the Meadow Garden Museum. Billie Gardner Hunter, Chairman, Meadow Garden Museum was unable to attend. Louise Lockhart Henry gave Mrs. Gardner's report. Other Meadow Garden State Chairmen reporting were: Margaret Poole Cagle, Meadow Garden Docents; Mrs. Cagle gave Chairman, Josephine Rhodes Agostas' report on Meadow Garden Landscaping; Mrs. Henry, Meadow Garden Furnishings; Mrs. Cagle gave Chairman, Tommie Elaine Perry Shattuck's report, Meadow Garden Shop; Alae Risse Barron Leitch, Meadow Garden Patrons.

Carolyn Grant Hanf moved that, "All consideration related to the proposed Heritage Education Building at Meadow Garden be delegated as responsibilities for the 2004 - 2006 administration." The motion was seconded. Mary Jon Giles Shubert moved that the vote be taken by ballot. There was a great deal discussion concerning: the feasibility study, cost of the building (20' x 35' size of building), amount of money in hand, maintenance funds and the deadline of construction of the building.

Mrs. Henry stated approval had been given by: Richmond County Variance Committee, Historic Preservation Board, Tree Commission, and the license for the building only a matter of picking up the license. Mrs. Henry stated the cost of the building would be only \$1,000.00 more or less than the stated price of, \$78,000.00. Ann Parker Parsons stated money accounts: Heritage Education Fund - \$16,731.59, in the checking account; Gate House Fund, \$20,956.37; Money Market #2 - \$39,460.71, a total of \$77,448.77, in hand. An additional \$6,100.00 has been pledged.

Printed copies of motions and statements beginning in 1989 and quoted from the minutes of the Georgia State Society and the Meadow Garden Board relating to the history of the demolition of the caretaker's cottage at Meadow Garden and the need for a gatehouse/reception area/office space/gift shop were distributed and with the use of an overhead projector, Miss Farrigan read the material to the assembly. Discussion followed. Mrs. Hanf called for the question, and seconded. Mrs. Shubert reminded the State Regent that she had moved for a ballot vote. Her motion was seconded and adopted. Mrs. Beall called for a standing vote for the ballot vote as non-voters may have voted. A standing vote was taken. There being a majority vote in the affirmative, the motion to have a ballot vote was adopted.

Mrs. Beall asked that a Credentials Report be given before the vote. Rena Morgan Setters, Chairman, Credentials Committee, gave the second reading of the Credentials report: State Officers, 12; National Officers, 2; Honorary State Regents, 9; Chapter Regents, 49; Chapter Delegates, 87. Total voting strength was 159. Also represented without duplication are: additional National Officers, 1; Visiting State Regents, 4; National Chairmen/Vice Chairmen, 7; State Chairmen/Vice Chairmen, 16; State Parliamentarian, 1; Alternates, 24; Members, 56; Guests, 20. The total attendance was 288. By direction of the Committee, Mrs. Setters moved the adoption of the Second Credentials Report. Mrs. Hanf asked how many voters were denied the right to vote due to late reports. Mrs. Setters stated 32 chapters were late sending the form or did not send the form to the Chairman, State Treasurer or State Regent. Ten of the 32 never submitted any Credentials Form. Of the chapters/persons attending the Conference, 13 potential delegates from four chapters were denied the right to represent their chapter as the chapter's dues were not paid in accordance with the State Bylaws. No delegate was denied a vote solely to late submission of the Credentials Form. The Credentials Report was adopted.

The voting was taken by ballot: total votes cast, 160; 99 no, 61 yes. Mrs. Beall questioned the vote based on the fact that the Credentials Report stated that the voting strength was 159 and total votes cast were 160. The Chair declared that since the discrepancy did not affect the outcome of the vote, the discrepancy was irrelevant. The motion to delegate the responsibilities of all consideration related to the proposed Heritage Education Building to the 2004-2006 administration failed. Betty

Brown Harrah, Chairman of Tellers, moved that the ballots be destroyed. Motion seconded and adopted.

Mrs. Bell requested the Platform be cleared for the Nominations for State Office. The State Parliamentarian read Bylaws, Article V, Nomination and Election of Officers, Section 1, (a) through (e). REPORTS

STATE OFFICERS

STATE REGENT

Rose Elyea Bell (Mrs. John I., Jr.)

On behalf of the Executive Committee, it is with gratitude that I thank the chapters and their members for their loyalty in supporting the leadership of this State Society, thus promoting the goals and work of DAR as presented through the programs of the various officers and chairmen.

To the ever faithful and generous friends of Meadow Garden, please accept my sincere appreciation for making possible the preservation and restoration of this special treasure and the ensuing heritage education through the tours available to both adults and children. Also, my sincere appreciation for capturing the vision of expanding this education opportunity by approving the long-talked-about Heritage Education Building in order that we might offer lectures, demonstrations, workshops, and summer camps for children, along with providing suitable storage space for the Society's ever-growing collection of records.

As I have said on many occasions, the most rewarding and enjoyable part of serving as State Regent is visiting with the chapters and getting to know so many more of the members. You have always extended such warm hospitality and been so gracious with your friendship and many kindnesses, for which I am forever grateful. Together we have achieved many accomplishments which have soared our State Society to new heights and we have won many awards for our efforts in furthering the objectives of our beloved Society, always working for the good of the members rather than for our own convenience. To all those who have given so much of themselves during this administration, I hope that you have enjoyed a more rewarding and meaningful experience in the life of your DAR membership. It has not always been easy, but you, the members, and promoting the work of the National Society are what it has all been about.

To summarize the accomplishments of this two-year administration - We were successful in having a Bill passed by the Georgia Legislature granting Georgia Sales Tax relief for the State Society and its chapters. This action has been a major cost savings for our State Society. We have a large increase in membership, the number of chapters have grown from 103 to 108 with two more to be confirmed at the April National Board meeting. We had a net gain in membership for 2003 of 96 which is the second year in succession that we have had a net gain, following 22 years of net losses. Ladies, we must have done something right. Last spring, Georgia hosted her first Field Genealogist Workshop, conducted by leaders from the National Society. All-Member Workshops at the Fall Board of Management meetings were made available. We increased the number of Districts to better serve our members by bringing the State leaders to the

members rather than requiring the chapter members to travel long distances in order to meet with the State leaders. Having more Districts also gave more opportunities for service on several State Committees. We have increased the visibility of the DAR for our Society members through our new Georgia Web Site and by publishing an all-member newsletter which was promised as part of the rationale for the dues increase two years ago. Also published for the first time was the very popular State Directory and calendars with month by month DAR instructions which were given to all Chapter Regents and Treasurers. Your State Proceedings has a new look and will stay open for ease in using and not be so prone to fall apart. We have assisted with program planning by publishing a Speakers Staff programs listing and a Georgia Roadmap to Membership for new members. All 108 Georgia chapters have web sites. We have successfully funded the "Georgia 74 Club" thereby making possible the addition to the NSDAR Library the 74 missing Volumes of Georgia Genealogical Records. Vast improvement was made in streamlining the Regents' Night program and we have even brought to you delicious Meadow Garden cookies.

Georgia Daughters, many of you have worked very hard to bring to fruition many new and progressive ideas. I am very proud of those of you who dared to move forward with boldness and courage and I am very proud of your many accomplishments.

And, thank you, Georgia Daughters, for the memories of these past two years and for the love and admiration I have for so many of you. Your cooperation and support have made it all worthwhile. Again, thank you, and God Bless.

STATE CURATOR

Louise Lockhart Henry (Mrs. John R.)

State Flags and the State Insignia (as needed) were in place at all State meetings - State Conference, six Workshops, and Fall Board. Flags were also displayed at Constitution Week meetings at the Ansley Park Club Luncheon, at Augusta's William Few Gravesite observance, and at the East Central District Luncheon at the Pinnacle Club following the Memorial Service. This officer presented 24 programs to DAR chapters and to seven non-DAR group meetings, including the Augusta Genealogy Society, Garden Clubs, and the McDuffie County Garden Council. Appeared once on TV and was featured in four newspaper articles. Attended Seminars for Grant Writing and a two-day Decorative Arts Seminar in Athens, marker dedications, Eagle Scout Honors program, and the Augusta Canal's Interpretative Center Dedication program. INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Georgia State Society of the National Society
of the Daughters of the American Revolution
Atlanta, Georgia

We have audited the accompanying combined statements of assets and fund balances - modified cash basis of Georgia State Society of the National Society of the Daughters of the American Revolution (a not-for-profit organization) as of April 30, 2004, and the related combined statements of revenue and expenditures and changes in fund balances and cash flows - modified cash basis for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of Georgia State Society of the National Society of the Daughters of the American Revolution as of April 30, 2004, and its revenue and expenditures and the changes in its fund balances and its cash flows for the year then ended on the basis of accounting described in Note 1.

As described in Note 1, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedules on pages 7 - 15 are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED APRIL 30, 2004**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Organization have been prepared on the modified cash basis of accounting. Accordingly, revenue is recorded when received rather than when earned and expenses are recorded when paid rather than when the obligation is incurred.

Basis of Presentation. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents. For purposes of the Statements of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Collections. Collection items acquired either through purchase or donation are not capitalized. Purchases of collection items are recorded as decreases in unrestricted net assets if purchased with unrestricted assets and as decreases in temporarily restricted or permanently restricted net assets if purchased with donor-restricted assets. Contributions of collection items are not recognized in the Statement of Activities. Proceeds from deaccessions or insurance recoveries are reflected on the statement of activities based on the absence or existence and nature of donor-imposed restrictions.

Donated Services. No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. No amounts have been reflected in the financial statements, as the fair value of those services is not susceptible to objective valuation or measurement.

Income Tax Status. The Organization is exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code. However, income from activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170 (b) (1) (A) and has been classified as an organization other than a private foundation under Section 509 (a) (2).

Nature of Activities. The Georgia State Society of the National Society of the Daughters of the American Revolution carries out programs designed for education, public awareness and preservation of the history and heritage of the United States of America.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED APRIL 30, 2004**

NOTE 1 - (cont'd)

Property and Equipment. The Society follows the policy of not capitalizing collections and historical treasures. Meadow Garden and its contents are historical treasures. The house and its contents are insured for approximately \$ 325,000. Office furniture and fixtures are insured for \$ 8,000. Major preservation or restoration projects are capitalized and depreciated over an estimated useful life of fifteen years. Additions and betterments of \$ 750 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

NOTE 2 - CERTIFICATES OF DEPOSIT

Certificates of deposit totaling \$ 337,146 are included in cash in the accompanying financial statements. The certificates bear interest ranging from 1.78% to 4.16% and have maturities ranging from three to sixteen months, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

NATIONAL SOCIETY OF THE

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2004**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Organization have been prepared on the modified cash basis of accounting. Accordingly, revenue is recorded when received rather than when earned and expenses are recorded when paid rather than when the obligation is incurred.

Basis of Presentation. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents. For purposes of the Statements of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Collections. Collection items acquired either through purchase or donation are not capitalized. Purchases of collection items are recorded as decreases in unrestricted net assets if purchased with unrestricted assets and as decreases in temporarily restricted or permanently restricted net assets if purchased with donor-restricted assets. Contributions of collection items are not recognized in the Statement of Activities. Proceeds from deaccessions or insurance recoveries are reflected on the statement of activities based on the absence or existence and nature of donor-imposed restrictions.

Donated Services. No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. No amounts have been reflected in the financial statements, as the fair value of those services is not susceptible to objective valuation or measurement.

Income Tax Status. The Organization is exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code. However, income from activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170 (b) (1) (A) and has been classified as an organization other than a private foundation under Section 509 (a) (2).

Nature of Activities. The Georgia State Society of the National Society of the Daughters of the American Revolution carries out programs designed for education, public awareness and preservation of the history and heritage of the United States of America.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2004**

NOTE 1 - (cont'd)

Property and Equipment. The Society follows the policy of not capitalizing collections and historical treasures. Meadow Garden and its contents are historical treasures. The house and its contents are insured for approximately \$ 325,000. Office furniture and fixtures are insured for \$ 8,000. Major preservation or restoration projects are capitalized and depreciated over an estimated useful life of fifteen years. Additions and betterments of \$ 750 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

NOTE 2 - CERTIFICATES OF DEPOSIT

Certificates of deposit totaling \$ 300,914 are included in cash in the accompanying financial statements. The certificates bear interest ranging from 1.78% to 4.16% and have maturities ranging from three to sixteen months, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

NOTE 3 - FINANCIAL INSTRUMENTS

Concentrations of Credit Risk Arising from Cash Deposits. The Organization maintains cash balances at several financial institutions located in Georgia. NATIONAL COMMITTEES

AMERICAN HERITAGE AND CONSERVATION

Linda Luke Stephens (Mrs. James D.), Chairman

100% participation. 69 programs or projects on Historic Preservation, 64 on Cultural Events and Traditions, 21 on Tree Planting. 40 chapters had programs or educational materials on Organ Donation, three presented Conservation Medals, two presented Historic Preservation Awards. Fifteen participated in the Arts, Crafts, Literature, and Music contests. Forty-nine assisted financially or physically with the preservation and restoration of homes, cemeteries, historical markers, or tours of historic places. One Confederate grave, seven Revolutionary graves, two World War I markers, and one Viet Nam marker. Seven programs on the history and preservation of quilting, nine on document restoration and preservation. Especially interesting program was preserving history through letter writing and daily journals. Unique project was use of turn-of-the-century postcards to produce magnets that were sold. Another project that stood out was "Georgia Rivers on My Mind". Sixty-four chapters participated in Cultural Events and Traditions, members brought family Christmas "Treasures from the attic" to share. Colonial-era music and instruments, and one on Revolutionary poetry. Twenty-one participated in the Tree Planting project, planting more than 100 trees. Forty participated in Conservation programs, many on water, river, tree conservation and wildlife conservation.

Certificates (3,791) and 104 bronze medals were given to these American History essayists. Christopher Columbus essay contest involved 32 schools and 178 high school students with certificates of award to 71. Certificates (130) and medals (44) for outstanding work in American History were presented. Chapter and state monetary awards were over \$2,000.00. Outstanding women in America were topics of 36 programs. Four chapters selected a member for the national project to identify American women of historical significance. Great appreciation to the competent committee district Vice Chairmen: Annette Johnson, Martha Wright, Constance Page, Denise Fritze, Dedra Shuman, and Donna King. Serving the Society under our dedicated State Regent has been an honor.

One chapter made a monetary gift to the first Native American female soldier to die in combat in Iraq to be used for education of her children. As a result of efforts given by Georgia Daughters, much was accomplished. I am proud to report that the Georgia Daughters have again met the challenge of support to Indian Youth Summer Camp. Madame State Regent, it has been a great honor to have served you and the Georgia State Society for the past two years.

CHAPTER ACHIEVEMENT AWARDS

Barbara Bolen Florence (Mrs. William B.), Chairman

For the third year in a row, Georgia has 100% reporting in Chapter Achievement. This is outstanding and the best part is there was an increase in chapters reaching Level 1. CHILDREN OF THE AMERICAN REVOLUTION

Frances Charlene Hall (Ms.), Chairman

2003-2004 has been an exemplary year for the Georgia State Society Children of the American Revolution. Recognizing the importance of the 225th Anniversary of the Battle of Kettle Creek, Georgia C.A.R. rallied behind State President, Meredith Baker, to raise over \$5,000.00 for bleachers to be placed at Monument Hill and the establishment of a state committee and funds for future projects at Kettle Creek. The reports from the Georgia DAR chapters revealed a burst of enthusiasm for C.A.R. Thirty-two chapters answered as actively promoting C.A.R. and/or making donations. Fifteen more chapters went the extra mile in including C.A.R. in their programs and meetings. William Marsh and Bonaventure Chapter provided leadership for the organization of two new C.A.R. societies and are well on their way to finalizing the papers for membership. Fort Frederica Chapter is actively trying to re-establish their C.A.R. society, and hosted a kayaking event to boost enthusiasm for C.A.R. Seven chapters excelled above all others as going above ordinary goals to promote C.A.R. Augustin Clayton, George Walton, Elijah Clarke, Philadelphia Winn, Sergeant Newton, Nancy Hart, and Sukey Hart encouraged local C.A.R. societies, helped obtain new members, actively involved their chapters in C.A.R. fund-raising, and provided needed leadership to the State Society. Special recognition must go to the Augustin Clayton Chapter for their outstanding partnership with the Button Gwinnett Society C.A.R. and the numerous joint meetings and activities completed during this past year. C.A.R. is contagious, and I hope all DAR chapters catch the fever. It has been a pleasure to serve the Georgia State Society.

COMMUNITY SERVICE AWARDS

Nancy Wesson Gaston (Mrs. James M., Jr.), Chairman

Eighteen chapters sent applications for the Community Service Award (four sent two each) which this chairman forwarded to the Southeastern Division National Vice Chairman for approval: Abraham Baldwin, Augustin Clayton, Benjamin Hawkins, Fielding Lewis, Fort Frederica, George Walton (2), Hightower Trail, Lt. James Monroe (2) John Benson, Knox-Conway, Mary Hammond Washington, Nancy Hart, Nathaniel Macon (2) Pulaski (2), Robert Loughridge, Vidalia, William McIntosh, and Xavier. A total of twenty-two entries were sent from Georgia.

CONSTITUTION WEEK AND OTHER COMMEMORATIVE EVENTS

LeAnna Evans Walton (Dr.), Chairman

Constitution Week was proclaimed in Georgia by Governor Sonny Perdue. Attending the proclamation signing were: Rose Elyea Bell, State Regent, Julia Ann Farrigan, State Second Vice Regent and LeAnna Evans Walton, Constitution Week Chairman. Copies of the Proclamation were included in the Summer Workshop packets at each District Meeting. Chapters had their local officials sign Proclamations. The State

Constitution Week Luncheon was held at Ansley Golf Club in Atlanta, Saturday, September 20, 2003. Brig. General John W. Gillette, President of GSSAR spoke. Colors were presented by the Color Guard of the Georgia Society Sons of the American Revolution, Dr. Revis Butler, Commander. Georgia Day and other commemorative events were celebrated by local chapters across the state.

The winners and the sponsoring chapters received much press recognition. All winners received the Good Citizen pin, certificate, and wallet card. Gifts of savings bonds, cash, and scholarships were awarded. The total value of awards given by chapters was \$7,399.65. The District winners and their sponsoring chapters are: NE, Henry Clay, Old Nicoi Trail; NW, Elizabeth Newton, Fort Peachtree; SE, Hope Hatcher, John Laurens; SW, Lisa Sweat, General Daniel Stewart; EC, Rizza Ibanez, Nancy Hart; WC, Matthew Peek, John Houstoun. Special thanks to all chapter chairmen of the Good Citizens Committee for their diligence in meeting deadlines and communicating with the schools in their area. Also special thanks to the six District Vice Chairmen: Betty Ann Campbell Russell, Ann Morris Carswell, Patricia Smith Lord, Willa Davis Johnson, Karan Berryman Pittman, and Violette Harris Denney. It has been a pleasure to serve the society as chairman of this committee.

VOLUNTEER GENEALOGISTS

Diane McCranie Redkevitch (Mrs. Zenon), Chairman

It has been a pleasure and joy to chair the Volunteer Genealogist Committee. In April Georgia's first Field Genealogy Workshop presented by two staff genealogists from Washington. Two day workshop was open to all DAR members. Response was excellent. Total attendance was 85 and a waiting list of 24. Attendees from: Alabama, Colorado, California, Virginia, South Carolina and Georgia. Trained 72 Georgia Daughters. Now 74 Field Genealogists in Georgia. This helps considerably with ensuring correct application and supplemental papers sent to Washington, minimizing turn around time. Daughters have traveled the state giving 20 workshops touching 150 daughters. If your chapter would like to sponsor a workshop, Field Genealogists are listed in the State Directory. Volunteer Genealogy Committee has undergone major changes in its operation. Annual Training session in Washington was discontinued. In its place will be the newly formed four day class called the DAR Genealogy Consultant. As part of this new program, New Volunteers will no longer verify supplemental papers unless they live in the DC area. They will learn how to do proper Application and Supplemental papers, how to work with headquarters, use the DAR Library from home and review the verification process. Thank you, Madam State Regent, for allowing me to serve in this capacity.

SOUTHWEST DISTRICT

Connie Glenn Ingram (Mrs. John Timothy), Director

Serving the Southwest District Daughters truly has been a privilege, and this District Director has felt fortunate to serve. The 105th State Conference in Atlanta was attended, and the new format for Regents Night was praised. Calls and letters encouraged all chapters to support the District Workshop in Albany, and 15 chapters were represented. Brenda Bush coordinated plans with the Thronateeska, Commodore Richard Dale, and Chehaw Chapters who worked extremely hard to have a successful and productive day. Southwest Georgia chapters entertained the State Regent at luncheons, teas, and impressive meetings. Barnard Trail Chapter, Regent, Alice Jones, even took Mrs. Bell to pick up pecans and observe cotton picking. A highlight of the district was the charter of a new chapter, Levi Sapp in Adel, with Regent Martelia Cunningham and 21 charter members. This director called, wrote notes, and answered questions about reports. Plans for State Conference are progressing. Coordinator of Districts, Julia Farrigan, has been a tremendous help with all my duties. The pleasure of serving as director has been an honor, and I thank the chapters for their cooperation. Thank you Madame State Regent for the opportunity to serve you and the Georgia State Society.

CREDENTIALS

Rena Morgan Setters (Mrs. John R.), Chairman

It is my honor to stand before each assembly and report your registration and credentials totals. But, I am only the face of this Committee; its heart and soul and helping hands are found in its Vice Chairmen. Please join me in expressing our gratitude to Bessie Ann Bretch, Truth Ashby Gamblin, Billie Gray Holt, Dorris Callahan Howell, and Ann Parker Parsons for their dedication and support of this Committee.

Having served with the Credentials Committee some eight years, it has been my pleasure to get to know nearly all of you. While I will certainly miss greeting you at each State function, it is time to move on. Madame State Regent, it has been a delight to serve in your administration, and an honor to serve the Georgia Daughters in this capacity.

DAR LITERATURE

Sandra May Keadle (Mrs. Steve C.), Chairman

Georgia Daughters are very fortunate that the Georgia State Society provides us the opportunity to view and acquire a wide array of DAR literature. These materials not only further educate our current members, but also provide excellent PR materials for prospective members. Reviewing the volume of sales, members' interest is certainly high. Georgia Daughters purchased a total of \$955.50 during the Summer Workshops and \$408.80 at Fall Board of Management for a total of \$1,364.30. In addition, Georgia Daughters were availed the opportunity to procure free DAR literature, J.E. Caldwell brochures/order forms, acid-free paper, and the *Proceedings of the Georgia State Society*. We continually encourage and

emphasize the importance of literature tables at chapter meetings and provide a sample list of materials to help them get started. In addition, Georgia Daughters are informed of the convenience of ordering via DAR Store On-line, mail, fax or phone for their literature needs. It has been a pleasure to help in educating Georgia Daughters about DAR literature and offering ideas on how to best use these materials. This chairman appreciates the support of Vice Chairmen Billie Jean Goodwin and Betty Keener Samaras. Thank you, Madam Regent, for the opportunity to serve the Georgia State Society.

FINANCE

Lanette Harr Reid (Mrs. R. Hugh), Chairman

The Finance Committee met on Friday, November 7, 2003 at the Holiday Inn Express and Suites, Griffin, Georgia, Lanette Haar Reid, Chairman, called the meeting to order at 4:00 p.m. Others attending were Shelby Alderman Whitson, Secretary, Ann Parker Parsons, Camille Redfern Baxter, Alae Risse Barron Leitch, Susan deCamp Conger, Jean Cole Manker, and Rose Elyea Bell, State Regent. Prayer was offered by Mrs. Whitson.

The Chairman welcomed the committee and thanked them for their attendance.

The Minutes of the March 27, 2003 meeting were approved for the *Proceedings* by a committee composed of Mrs. Reid, Mrs. Leitch and Mrs. Baxter and mailed to committee members.

Mrs. Parsons, State Treasurer, distributed copies of the Summary of Accounts for the Georgia State Society and Meadow Garden Museum Fund from May 1, 2003 - October 31, 2003. They were reviewed and filed. The Chairman commended the State Treasurer for her excellent record keeping.

Mrs. Bell reported she had been notified that the NSDAR Library is missing seventy-four (74) volumes in the Georgia Collection of Genealogical Records and would like to have the complete set. Being too expensive for the Georgia Archives to copy each book, the problem could be resolved with the Georgia Archives shipping the books, five at a time, to the NSDAR Library, where each book would be copied and returned to the Georgia Archives. The Georgia State Society would pay the cost of the shipping and the NSDAR Library would bear the cost of copying the books. Mrs. Bell stated the "74 Club" was formed to accept donations for the binding of the books.

Mrs. Whitson moved "that the Finance Committee recommend to the Executive Committee that an amount up to one-thousand dollars (\$1,000) be made available from the General Savings Money Market to be applied toward the cost of shipping books to and from the Georgia Archives and the NSDAR Library to permit the Library an opportunity to copy Georgia Records not presently available in the Georgia Collection at the NSDAR Library." The motion was seconded by Mrs. Manker and adopted.

The proposed budget for 2004-2005 was discussed briefly. The cost of the 2002-2003 *Proceedings* has to be known in order for this same cost to be included in this proposed budget for the 2003-2004 *Proceedings*. The Chairman requested the State Regent provide this figure by mid February in preparation for the Finance Meeting in March. The State Regent was also asked to share with the Finance Committee Chairman and in-coming State

Regent the name and address of the company holding the Fidelity Bond and also the name and address of holder of the spectrum policy and annual cost for the coverage.

Mrs. Reid stated the State Regent requested that guidelines for the Junior Membership Sales be implemented. Mrs. James H. Henry, State Chairman of Junior Membership was invited to join the meeting for this discussion. Mrs. Manker moved "that the recommended guidelines for the State Vice Chairman, Junior Membership, Junior Sales be adopted and presented to the State Chairman-Junior Membership for implementation." The motion was seconded by Mrs. Whitson and adopted.

Mrs. Whitson stated she had to give a five hundred dollar (\$500) deposit to the hotel to hold the dates for the 2005 State Conference. She asked if it would be appropriate for the Finance Committee to direct the State Treasurer to reimburse her from the hotel contingency fund when the contract was signed. Mrs. Baxter moved "that the State Treasurer reimburse Shelby Whitson for the 2005 State Conference deposit of \$500 when the contract is signed." The motion was seconded by Mrs. Leitch and adopted.

There being no further business the meeting was adjourned at 4:50 p.m.
Approved: March 25, 2004

Lanette Harr Reid, Chairman
Shelby Alderman Whitson, Secretary

The Finance Committee met on Thursday, March 25, 2004 at the Wyndham Peachtree Hotel and Conference Center, Peachtree City, Georgia. The invocation was offered by Mrs. Whitson.

The Chairman welcomed the committee and thanked them for their attendance.

The Minutes of the November 7, 2003 meeting were approved as mailed.

Mrs. Parsons, State Treasurer, distributed copies of the Summary of Accounts for the Georgia State Society and Meadow Garden Museum from May 1, 2003 - February 29, 2004. Questions were answered regarding the anticipated construction costs of the Meadow Garden Museum Heritage Education building (approximately \$78,000.00 with approximately \$74,000.00 in the account.) It was also noted that the architect's fees were paid from the Stribling Fund. Mrs. Manker moved "that the Treasurer's report be accepted." Seconded by Miss Conger and adopted.

In anticipation of the printing of the *1996-2006 Membership Roll and Register of Ancestors of the Georgia State Society*, Mrs. Whitson moved "the Lucy Cook Peel Fund be moved from the Certificate of Deposit to the Money Market Account at the time of maturity." Motion was seconded by Mrs. Baxter and adopted.

HISTORY OF THE GEORGIA STATE SOCIETY

Georgia Daughters have really worked hard this year, and seem to have succeeded in meeting their goals. Reading the reports this year has been very satisfying. Each year they have been a little less timid about letting this committee know just what their chapters have done. We look forward now to receiving reports from the chairmen of State and National committees. Madam State Regent, thank you for giving this chairman the opportunity to compile the History of the Georgia State Society.

LUCY COOK PEEL MEMORIAL

Montyne Davidson Thompkins (Mrs. Ralph P.), Chairman

The Georgia State Society established the Lucy Cook Peel Memorial in 1923 to honor Mrs. William Lawson Peel. She served the National Society as Vice President General 1912-1913. Funds donated by chapters, individuals, and from book sales are used for publications. Four books are for sale. *Membership Roll and Register of Ancestors of the Georgia State Society 1986* and *Membership Roll and Register of Ancestors of the Georgia State Society 1996*. A two-volume set is \$35.00. *History of the Georgia State Society 1891-1981* and *History of the Georgia State Society 1981-1991*, a two-volume set is \$40.00. Since 1946 a *Membership Roll and Register of Ancestors of the Georgia State Society* has been published every ten years. Indexed by ancestor, it is an invaluable tool for registrars, members and prospective members to locate proven patriots. The name of members, their National Number, ancestor plus supplementals approved by the National Society are listed alphabetically by Chapter. Since assuming

chairmanship of this committee, books have been sold at all workshops, Fall Board of Management, and State Conference for a total of \$1,725.00. Thank you Madam State Regent for the opportunity to meet many Georgia Daughters and to serve you and the Georgia State Society.

NEWSLETTER

Jean Cole Manker (Mrs. David S.), Chairman

This chairman thanks Phyllis Porter, State Registrar, who did a monumental job of updating the mailing addresses of our state membership, and printing the thousands of mailing labels for the Georgia Drummer. I want to also express my gratitude to Lynn Brackey, HODAR John I. Bell, Jr., and the Fort Peachtree Chapter volunteers who worked very hard to label the newsletters, sort them for mailing, and deliver them to the bulk mail station; to the very talented and industrious Sue Eichler Wilson, State Vice Chairman-VIS, Georgia Home Page and Drummer Update, who designed these web sites and kept them updated; to Rose Elyea Bell and HODAR David S. Manker, my reliable proofreaders; and to all who contributed the many good articles. Thank you, Madam State Regent, for giving me the opportunity to serve in this capacity.

PROCEEDINGS AND PROCEEDINGS PRODUCTION

Barbara Blakely Chastain (Mrs. Frank), Chairman

This chairman wishes to thank the Georgia Daughters for their kind words concerning the new look and format of our 2003-2004 Proceedings. The claw bound book has been well received and the 2004-2005 Proceedings will be the same format. 166 copies were mailed and all extra copies were turned over to the State Recording Secretary to be sold for \$10.00 per book. The final cost of printing was \$2,472.01 or \$8.24 per book based on 300 copies. Sincere thanks to the members of this committee for their guidance and support, and to Rena Morgan Setters and Faye Booth Dyess, members of the Proceedings Production Committee, for all the hard work and time spent at their computers. Madam State Regent, it has been a pleasure to serve you and our State Society during your administration.

May 25, 2004

The Proceedings Committee of the Georgia State Society, NSDAR, met May 25, 2004 at 10:30 in the home of Rose Elyea Bell, State Regent, with the Chairman, Barbara Blakely Chastain, presiding. Other members present were: Sally McGlaun Baldwin, Faye Booth Dyess, Rosemary Crow Hunter, and Shelby Alderman Whitson. Mrs. Whitson offered prayer. Each member was given a copy of the business session minutes of the 106th State Conference. Mrs. Baldwin read the minutes, which the committee edited and approved. The committee reviewed the list of reports still needed for the 2003-2004 *Proceedings*. Mrs. Hunter moved that the remaining copies of the 2002-2003 *Proceedings* be sent to the State Recording Secretary to be sold for \$10.00 each plus postage of \$2.50. There being no further business, the meeting was adjourned at 3:30 p.m.

PROTOCOL

Carolyn Grant Hanf (Mrs. Peter S.), Chairman

Serving on the Protocol Committee has provided this chairman the opportunity to work with chapters and the Seating and Processional Committee. In working with the members of this committee and the State Society, this chairman has observed first-hand the interest members have in following the proper protocol and traditions as expressed in their courtesy toward others. Serving the members in this capacity has been especially rewarding and it has been an honor to serve the Georgia State Society for the two years of this administration.

SCRAPBOOK

Francis Davis Moody (Mrs. Douglas Lee, Sr.), Chairman

Madam State Regent, this chairman received scrapbooks which contained the histories in picture and print from eighteen (18) Georgia chapters. Each book showed originality and creativity in its presentation. The membership of each of these chapters has a tool that will be useful in years to come when they prepare to celebrate special commemorative events related to chapter activities. This chairman encourages each of the chapters to maintain a scrapbook for future DAR members to use as reference tools. Madam State Regent, it has been an honor for this person to have been asked to serve your administration and the Georgia Society these past two years.

SEATING AND PROCESSIONAL

Mary Farthing Simonds (Mrs. James W.), Chairman

Throughout the past year this chairman and her committee have worked diligently to ensure that the planning, coordination and materials for business meetings and meal functions continue to meet and exceed our Society's needs. It had been our goal to help ensure each occasion is a well-organized and pleasant experience for everyone. Attention to detail has been our watchword for each occasion. We have assumed and performed an end-to-end responsibility which has included developing designs for all the materials, providing seating charts, coordinating processionals and ensuring proper placement of individual seat tags, tent cards and place cards for State Officers, Honorary State Regents, member participants and guests at six workshops, Fall Board of Management and at our State Conference. This State Conference itself has required coordination of five processionals, four business meetings, four meal functions and our Service of Remembrance. Whatever the challenge, having this unique opportunity to work closely with our State Regent, Conference Chairman, Protocol Chairman, and District Coordinator continues to be a most rewarding experience. Madam State Regent, on behalf of the entire Seating and Processional Committee and myself, we are grateful and honored in serving you and our State Society.

STATE HONOR ROLL

Susan Markley Lenaeus (Mrs. George E.), Chairman

This year there are 101 out of 108 chapters reporting for State Honor Roll. There are 53 chapters receiving State Honor Roll and 18 chapters receiving "Honorable Mention", leaving 29 chapters not achieving

this award, including, the three new Georgia chapters. They are Fayette-Star's Mill, Levi Sapp, and Sweetwater, which were not eligible for the award. Sadly there were seven chapters not responding for State Honor Roll. Certificates for State Honor Roll and Honorable Mention will be presented at the Chapter Regents' Banquet at State Conference on March 27, 2004. This Chairman attended four Summer Workshops, Fall Board of Management meeting, and State Conference. Madam State Regent, it is a pleasure to serve the Georgia State Society under your gracious leadership.

TELLERS

Betty Brown Harrah, Chairman

This Chairman and the Vice Chairmen, Lynabel Price Crowe and Mary Hodge Malone (pro tem) were given the task of distributing, collecting and counting ballots at business meetings for the members wearing a blue voter ribbon. Since this was an election year, we also were in charge of the State election process. We worked with Credentials Chairman, Rena Morgan Setters to insure only registered voters were voting. Ballots were handed to the voter, they proceeded into a room to a private podium, proceeded out to place their ballot in the ballot box and had their ribbon clipped. Since there were two candidates running for the same office of State First Vice Regent, present in the voting room were two personal tellers, Lynette Haar Reid for candidate Laura Marcella Reid, and Mary Jon Shubert for independent candidate Julia Ann Farrigan. These personal tellers observed the voting and counting of ballots only. The final results were announced at the end of the Regent's Night Banquet and Evening Program. All ballots have been destroyed. Madam State Regent, thank you for giving me the opportunity to serve you and the State Society in this capacity.

TRAVEL COORDINATOR

Sharen Robinson Hudson (Mrs. Thomas N.), Chairman

There were forty-one people aboard our 2003 Washington Bus Trip. Upon our arrival at the Doubletree Guest Suites in Foggy Bottom, we were greeted by Rose Elyea Bell, our State Regent, and the hotel management with our room keys and some tasty cookies. I'm told the only thing lacking in our attractively furnished suite were silk sheets and a masseuse. Our bus made two daily trips to Congress. On last evening, we went on the Sunset Dinner Cruise aboard the "Spirit of Washington" on the Potomac. The buffet style dinner was delicious and enjoyed by all. After dinner, nearly everyone visited on the deck and watched the magnificent sunset over the capitol. Many ladies have already signed up for the 2004 Bus Trip. This year promises to be an exciting trip, with many special events and celebrations, as the 113th Continental Congress will elect a new President General. A dinner and performance at the Kennedy Center are planned for the last evening. We are all looking forward to the trip and an opportunity to establish lasting relationships with our DAR sisters. Madam State Regent, it has been a pleasure to serve you and the Georgia State Society in this position.

Meadow Garden has been the heart and soul of this chapter since chapter members saved it from destruction in 1900. Strong support of the Heritage Education Center at Meadow Garden is indicated by contributions exceeding \$11,400. Several are working on corporate and private fund development for this treasure - the oldest house museum in Georgia. Eight members serve as hostesses, docents, or Board members. One 92 year-old member, while working on a donation of furniture owned by Octavia Walton LeVert, arranged for the loan of one piece during Bicentennial of the Death of George Walton event that was organized by chapter members on February 7. Members initiated the conversation with leaders at Augusta State University that resulted in the first archaeological dig at Meadow Garden. A "monster thrift pickup" for Tamassee was organized. Rudy drove the "big yellow truck" to Augusta and picked up nearly 3,000 pounds of thrift from four chapters including appliances, furniture, lamps, linens, clothing, shoes, jewelry, books, mattresses, televisions, and VCRs. Altogether, Augusta members donated 3,320 pounds of thrift. This past year has been one of excellent programs and work. We were fortunate to have one of our Junior members to report on her attendance at Continental Congress. She entertained us with enthusiasm and humor. General James Jackson in Early Georgia was another wonderful program and an especially enlightening program was by a young doctor who was one of the first group in Afghanistan. It revealed the tremendous efforts at winning the war and rebuilding the country which is not reported on by the media. He was well aware of this. A wonderful history of American music development illustrated on the harp and a report on Francis Marion, The Swamp Fox, broadened our understanding considerably. We are proud of our Good Citizens winner, our essay competition and winners, and the many jobs well done by a very fine membership, four of which are over 90 and still guiding lights.

MEADOW GARDEN LANDSCAPING

Josephine Rhodes Agostas (Mrs. William N.), Chairman

Meadow Garden, Augusta's oldest existing house museum, was the home of George Walton, one of Georgia's three signers of the Declaration of Independence. It is a Registered Historic Landmark and is now a national shrine, owned and maintained by the Georgia Society Daughters of the American Revolution. Meadow Garden is open to the public Monday through Friday, 10 AM - 4 PM. In 1900, the DAR purchased Meadow

Garden thereby saving it from destruction. The DAR opened the property to the public in 1901. We have maintained it for 103 years for posterity. For 212 years, Meadow Garden has been a physical structure, which connects us with our historic past. The Landscape Committee, composed of the Cherokee Rose (25 members) and the Pine Needle (39 members) Garden Clubs, maintains the grounds with 18 beds. They consist of seven new projects and eleven new phases of old projects. We are pleased to be a part of Augusta's Sacred Heart Cultural Center "Garden Festival" tour, March 19-21, 2004.

MEADOW GARDEN MUSEUM - BOARD MINUTES

July 18, 2003

The Meadow Garden Museum Board met on Friday, July 18, 2003 in the Board Room at Meadow Garden in Augusta, GA. State Regent and Chairman of the Board, Rose Elyea Bell, called the meeting to order at 10:30 a.m. Other members present were Shelby Alderman Whitson, Secretary; Billie Gardner Hunter, Susan deCamp Conger, Jean Everett Johnson, Margaret Poole Cagle, Louise Lockhart Henry, Josephine Rhodes Agostas, Alae Risse Barron Leitch, Ann Parker Parsons and Advisor, Edwina Hall Beall. Absent were Tommie Elaine Shattuck and ex-officio member, Julia Ann Farrigan.

Following the opening prayer given by Mrs. Leitch, Mrs. Bell welcomed the members and thanked them for coming to Augusta for the meeting.

Every member received a copy of the March meeting Minutes by mail which were approved in order to be included in the *Proceedings*. With no objection, the Minutes were not read although copies were available for members as well as the addition to the Patron Levels in the Standing Rules.

Mrs. Parsons, State Treasurer, distributed the Summary of Accounts, May 1, 2003 - June 30, 2003. Total assets are: Certificates of Deposits, \$305,567.47; Checking Account, \$19,997.33 and Money Market Account, \$55,816.59. The accounts were reviewed and filed for audit.

Mrs. Bell reviewed a letter received by each board member from the Joseph Habersham Chapter, redirecting their pledge of \$50,000 for the proposed dependency building and requesting that a C.D. be purchased designated as the "Alae Risse Barron Leitch Fund" for the maintenance of Meadow Garden. Since approval by the State Conference had been given to pay \$3,000 for architectural drawings for a proposed dependency, the Board had to determine from which account this was to be paid. Mrs. Johnson moved "that the bill from Cheatham, Fletcher, Scott and Sears for the architectural drawings for the Heritage Education Building be paid from the funds donated by the Joseph Habersham Chapter in May 2003 or from the Stribling, Fund if the Joseph Habersham Chapter does not approve this expenditure." Seconded by Mrs. Whitson and adopted.

With the change in funding of the proposed dependency, the Board discussed whether to proceed. Mrs. Henry presented pictures of dependencies at various Virginia Plantations. She also presented the educational use and income producing information from Kenmore at Fredericksburg, VA. The Board reviewed the architectural drawings with the design and specifications and discussed the overall design of the interior and exterior. Following discussion of reasons for building the building and possible uses, the consensus of the Board was to proceed. Mrs. Parsons moved "that the Heritage Education Building at Meadow Garden be built. Funding and financial support may begin now." Seconded by Mrs. Cagle and adopted.

Mrs. Bell read recommendations from an Ad Hoc Committee chaired by Julia Ann Farrigan. Other members of the committee were Judith Lillard Hughes, Josephine Rhodes Agostas, Susan deCamp Conger, Louise Lockhart Henry and Tommie Elaine Shattuck. Mrs. Bell also read an encouraging letter from DAR member, Bessie Anne Bretch. After much discussion and review of the architectural plans, Mrs. Whitson moved "we accept Location 2 for the placement of the dependency as recommended by Architects, Cheatham, Fletcher, Scott and Sears and Historic Augusta." Seconded by Mrs. Cagle and adopted.

Mrs. Bell stated the VIS Vice Chairman, Faye Booth Dyess and Susan deCamp Conger had been working on a new Web site to link Meadow Garden to the Convention and Visitors Bureau and to various Travel and Tourism Sites. By general consensus of the Board, there would be no opposition to this as long as the link would be free and maintained.

Mrs. Bell introduced Eunice Gillespie, member of the William Day Chapter, Duluth, GA who works with the Trusco Capital Management, Inc. as the business development officer. Ms. Gillespie presented Evan Melcher, investment officer with the firm and Melissa M. Cliett, Relationship Manager of SunTrust Bank. These three work with non-profit organizations in development, solicitation and marketing. Ms. Gillespie brought these co-workers to introduce them to Meadow Garden and to present to them the needs of Meadow Garden with no obligation or commitment from the Board.

The meeting was recessed for lunch prepared by Margaret Cagle and Louise Henry.

The meeting resumed with the reports of the chairmen.

Mrs. Cagle read the report of Museum Chairman, Mrs. Hunter. The fire extinguisher had been checked and approved, oval rug had been delivered from the cleaners and the air conditioner repaired. The termite inspection will be July 21. Notices were in newspapers regarding July 4th Open House. Pink brochures need to be reordered. "Welcome Augusta" would like to come to distribute bags to DAR members when they visit Meadow Garden. Letters were received from AAA about advertising in their Tour Book, a letter from Trademark, a U.S. Trademark Protection Agency and \$3.50 check from Yellow-Page to be applied toward an ad. Problems in plumbing will require a new sewer line sometime in the future at an approximate cost of \$2,290.

Mrs. Cagle, Docents Chairman, thanked the College Hill Chapter for their docent help for the July 4th Open House. Forty visitors came to the Open House. Five attended the May workshop and another workshop will

be held on September 9th. Twenty-six docents from six chapters worked a total of 640 hours as of June 30, 2003. Three non-DAR docents worked 15¼ hours. Fifty-seven lunches were served during April and May. In May, the Georgia Retired Teachers Tour brought 80 people from all over the state.

Susan Jackson, House Manager, submitted a written year to date report which states 607 tourists, 187 walk-ins for a combined income of \$1,334.50. Total sales from the Museum Shop for 2003 is \$1,046.50.

Furnishing Chairman, Mrs. Henry, reported six pictures commissioned by the National Parks Service to document Houses of Historical Significance had been ordered from the Library of Congress. These pictures are three elevations of Meadow Garden as it appeared in the mid 1930's and three pictures which include the mantle in the Best Room, the front door of the 1792 house and the mantle located in the front bedroom upstairs. The pictures will be framed by the husband of College Hill Chapter member Maxine Maloney. Mrs. Henry moved "that the Meadow Garden Board accept a donation of a 23" cast iron footed wash pot which was appraised at \$165.00." Seconded by Mrs. Parsons and adopted. This wash pot, used for washing clothes, was donated by State Organizing Secretary, Judith Lillard Hughes. It was appraised by Branon Antiques in Fayetteville, GA. Mrs. Henry also moved "that permission be granted to remove the 'Washington Family' portrait and taken to Ponsford, LJD Conservator, in Acworth, GA to give an estimate to remove "foxing". The phone estimate, \$500-750, if approved would be acceptable." Seconded by Mrs. Whitson and adopted. The restoration to remove "foxing" caused by acids is needed on the 24" x 27" picture. The frame has been restored. Mrs. Henry also stated she had attended the Georgia Humanities Grant Council Program and received helpful information and literature.

Mrs. Johnson stated the Augusta Room furniture was covered in a horsehair fabric. The subject was postponed for further investigation.

Mrs. Agostas, Landscaping Chairman, reported the replacement of lawn sprinkler heads is almost complete. The Meadow Garden grounds are well cared for weekly by the yard man. The Cherokee Rose and Pine Needle Garden Clubs come once a month to attend their beds. Lenten Roses and gifts of a shade garden have been donated by Genie Lehmon. Master Gardeners are offering a grant which has been applied for to put brick around the bell at the back door and to purchase two garden benches. Wisteria bushes have been donated and plans have been made to plant four miniature apple trees beside the walk to the outhouse. The fig bush and grape arbor are producing nice crops.

In the absence of the Museum Shop Chairman, Mrs. Shattuck, Mrs. Bell showed a book offered by Mardell Conger Shambach, featuring sketches of churches and antebellum homes by her father, Ledlie William Conger, with the text by Ruth Dunlop Conger. The book will sell for \$30 and Meadow Garden will receive \$15. The Byrd Cookies will be available at the August Workshops.

Mrs. Leitch, Patrons Chairman, reported the approval of the new levels of giving at the 2003 State Conference. These levels are listed in the Meadow Garden Museum Board Standing Rules in Article VII, Patrons.

These new levels are hoped to increase the number of donors and funds donated. Presently, there are two donors for 2003.

Mrs. Henry reported on the continued water seepage under the house on the kitchen level. Recommendations from Mr. Irvin Hart, soil engineer from the U.S. Dept. Of Agriculture included (1) a mixture of sand and clay soil be placed under the front porch and graded away from the house. Weep holes, an inch in diameter and lined with PCV pipe, need to be drilled through the brick at the low end of the porch, so that rain or sprinkler accumulation of water will have a means of escape into the French drain. Cost of soil and delivery charge is \$170 for two 8 yard loads plus labor to spread soil and drill weep holes - approved; (2) the drain under the back walk coming from the kitchen door toward the front walk is either clogged or collapsed and needs replacing. Craig Speer wants to accept this project as an "Eagle Scout" project which has been approved by his Scout Master after consultation with Mr. Hart. Mr. Speer will provide the materials and labor to replace the drainage pipe in its present location - approved; (3) re-grade or cover the ground around the flagpole to prevent the water which collects there from seeping under the house. Mr. Hart has approved extending the brick patio to cover the area which will allow the run-off from the patio to reach the yard which already slopes toward the street. Mr. Graham, who laid the patio and walk-way bricks has been contacted for this purpose for a uniform appearance. Mrs. Henry moved "that the patio be extended 12' x 15' to cover the ground which puddles from rain water, etc. at a cost of \$1,775 (materials, labor and clean-up) to Graham Bricklayers at the recommendation of Mr. Irvin Hart, U.S. D.A., moisture control." Seconded by Mrs. Agostas and adopted.

The next Meadow Garden Museum Board meeting will be Friday, November 7, 2003 at 1:00 p.m. at the Holiday Inn Express and Suites, Griffin, GA. There being no further business, the meeting was adjourned at 3:40 p.m.

Rose Elyea Bell, Chairman

Approved: November 7, 2003

Shelby Alderman Whitson, Secretary

November 7, 2003

The Meadow Garden Museum Board met on Friday, November 7, 2003 at the Holiday Inn Express and Suites in Griffin, Georgia. State Regent and Chairman of the Board, Rose Elyea Bell, called the meeting to order at 1:00 p.m. Other members present were Shelby Alderman Whitson, Secretary; Susan deCamp Conger, Jean Everett Johnson, Margaret Poole Cagle, Louise Lockhart Henry, Alae Risse Barron Leitch, Ann Parker Parsons and ex-officio member, Julia Ann Farrigan. Absent were Billie Gardner Hunter, Josephine Rhodes Agostas, Tommie Elaine Shattuck and Advisor, Edwina Hall Beall.

Following the opening prayer given by Mrs. Leitch, Mrs. Bell welcomed the members to the meeting and thanked them for coming.

Every member received a copy of the July 18, 2003 Minutes by mail and were approved as mailed. With no objection, the Minutes were not read.

Mrs. Parsons, State Treasurer, distributed the Summary of Accounts, May 1, 2003 - October 31, 2003. Total assets are: Certificates of Deposit,

\$289,648.66; Checking Account, \$19,564.02 and Money Market Account, \$70,936.66. The accounts were reviewed and filed for audit.

Mrs. Henry moved that "Six thousand dollars (\$6,000.00) be removed from Meadow Garden Museum Shop Account and transferred to the Maintenance Account." Seconded by Mrs. Cagle and adopted.

The Chairman read an email from Charlotte Christian, Regent of the Joseph Habersham Chapter, requesting information regarding the chapter's \$25,000.00 donation which they wished to be redirected from the Meadow Garden Dependency account to the Maintenance Account. Mrs. Bell stated she had conferred with a CPA, attorneys and the Comptroller of the National Society and understood the transfer would have to have the agreement of both parties. After discussion, Mrs. Bell read a "Statement of Policy" as follows: 'Once a donation has been made to Meadow Garden and it has been entered on the Treasurer's books, the donor may not request that it be refunded nor may the gift be redirected without the documented approval of the Meadow Garden Board.' This directive is in line with the policies of the National Society and of most, if not all, 501 (c)(3) organizations.

Mrs. Henry moved that "the Statement of Policy be accepted as written." Seconded by Mrs. Johnson and adopted.

The Board discussed a raise for the House Manager, Susan Jackson. Mrs. Leitch moved that "Susan Jackson's salary be increased to ten dollars (\$10) per hour, effective immediately. The Christmas gift of fifty dollars (\$50) be continued." Seconded by Mrs. Cagle and adopted.

The State Treasurer was directed to settle the account with Mardel Shambach for the books sold at \$30 per book with the Meadow Garden Museum receiving \$15 per book.

Mrs. Henry presented bids for construction of the Meadow Garden Dependency. She gave explanations of each bid and how the ones chosen were determined. The bids presented were in the \$75,000 range excluding the brick floor, kitchen and roof. Mrs. Henry moved that "the bids which have been presented be accepted for construction of the Meadow Garden Dependency for Education." Seconded by Mrs. Johnson and adopted.

An Insurance Report was given by Miss Farrigan. After a review of the liability insurance by agent, Jay Mercer of Strawn and Company, it was determined that the coverage for the museum was adequate and should not be changed. As for the Meadow Garden Dependency, construction insurance is available from the Zurich Company, which is a Builder's Risk Policy, up to \$85,000 for 12 months at a cost of \$350. After construction, the liability insurance for the building will be rolled into the current Hartford policy and will cost an additional \$270 for \$85,000 coverage - replacement costs and will follow the current liability with one million dollar coverage per event. The cost will raise the Hartford Policy from \$350 annually to \$620. This means the Georgia State Society would pay \$350 and Meadow Garden Museum would pay \$270 annually. It was stressed that nothing be changed with the Meadow Garden Travelers' Insurance Policy.

Meadow Garden note paper prepared by Lynn Wright will be further investigated.

Due to time, the following reports were filed with the secretary; Landscaping Chairman, Mrs. Agostas reported a patio has been added

around the bell, zoysia grass planted and the hedge cut to the ground. Application has been made for an Award - Historic Garden Project from The Principal Financial Group. Patrons Chairman, Mrs. Leitch reported as of October 8, 2003, a total of \$895 from 14 patrons has been donated to Maintenance, Furnishings, Landscaping and Heritage Education.
