GEORGIA STATE SOCIETY, NSDAR RESOLUTIONS ADOPTED - STATE CONFERENCE MARCH 6, 1993 - COLUMBUS, GEORGIA

SEX EDUCATION REVIEW COMMITTEE

Whereas, The Georgia Sex Education Review Committee, created by the Governor of Georgia in 1992, advocates immediate implementation of the Sex Education Review Committee Report; and Whereas, The Georgia State Board of Education met November 11 and 12, 1992 to receive the report of its Sex Education Review Committee, but public outrage prevented the Board from voting on the report and forced a series of public hearings; and

Whereas, The outcry forced the Board of Education to announce that public hearings will be held during the next few months by a subcommittee of four Board members; and

Whereas, Regardless of how sensitive the material is, boys and girls will not be separated; and Whereas, Many parents believe that more liberal, permissive and graphic sex education to younger students will be harmful rather than beneficial, and in the last decade teen pregnancy, venereal disease and AIDS have grown to epidemic proportions unheard of before graphic sexual instruction was presented to teens;

Resolved, That members of the National Society, Daughters of the American Revolution, in Georgia, as individuals, secure copies of the Sex Education Review Committee report; and Resolved, That the contact their representatives and senators in Georgia and urge them to vote against the recommendation of the Sex Education Review Committee.

KEEP THE BAN ON HOMOSEXUALS IN THE MILITARY

Whereas, Service in the Armed Forces is a unique calling and requires stringent standards of behavior; and

Whereas, The purpose of the Armed Forces is to defend this Country, not to serve as a social/political laboratory; and

Whereas, The Congress recognized the unique nature and purpose of the Armed Forces by exempting the military from the Americans with Disabilities Act; and

Whereas, Many groups whose presence would impair the efficiency of the Armed Forces are excluded from military service on such criteria as height, visual acuity, age, and handicaps; and

Whereas, Experienced military personnel are convinced that the official acceptance of homosexuals in the Armed Forces would adversely affect morale and discipline and the recruitment of non-homosexuals into the military, and would, thereby, impair the efficiency of the Armed Forces; and

Whereas, The homosexual male population is disproportionately afflicted with the HIV virus and with AIDS which would jeopardize other military personnel by their presence; and

Whereas, Official acceptance of homosexuals would have undesirable, logical consequences, such as base housing for homosexual couples, medical care and pension benefits for homosexual "spouses," and demands for proportional representation of homosexuals at all command levels of the Armed Forces; and

Whereas, The Uniform Code of Military Justice, Article 125, states ". . . SODOMY OF ALL KINDS - CONSENTUAL OR NOT, HOMOSEXUAL OR NOT - IS PUNISHABLE BY UP TO 20 YEARS HARD LABOR," and

Whereas, The military is the last government bastion of traditional morality;

Resolved, That the members of the National Society Daughters of the American Revolution, as individuals, inform themselves and urge Congress to stand firm in maintaining the ban on homosexuals in the military.

Reports of State Officers

State Regent
 Mrs. Jerido Ward

Since installation last April at the 101st Continental Congress this officer has had a busy, interesting and rewarding time. Visits with the members of 72 chapters have been a highlight. I wish to express my appreciation to each one for their gracious hospitality. In April, October, February and again this April, I attended the National Board meetings in Washington and C.A.R. workshop and State Conference were attended. Also attended were meetings of the Tamasee and KDS Board of Trustees, graduation and Founders Day at Tamasee and Dedication Day at KDS. It has been a privilege to represent the Georgia Daughters at 4 State Conferences. This officer presided at 4 district workshops, Fall Board of Management meeting and State Conference as well as 4 meetings of the executive committee (1 of these a special meeting) and 3 meetings of the Meadow Garden Board. Meetings of the Bylaws, Resolutions, Finance, Proceedings and Conference Committees have been attended. Three state letters were written and the consolidated report form and conference program prepared. It has been an honor for this officer to be a part of several special events: delivering the DAR dedication when Tomochichi Chapter marked the grave of Mrs. Thomas Earl Stribling, past Chaplain General, past Vice President General and Honorary State Regent; the presentation by John Benson Chapter of the Flag of the United States of America to the new Hartwell County Senior Citizen Center; grave marking of John Connell, Revolutionary War Soldier by Thomasville Chapter; presenting a 75 year pin and certificate to Georgia Adams Godwin of John Clarke Chapter; Oglethorpe Chapter's 100 anniversary celebration; and the marker dedication of Sarah Berrien Casey Morgan, Honorary State Regent and Organizing Regent of the Augusta Chapter by the Augusta Chapter. A special thanks to the Georgia Daughters for state projects at our schools; the Endowment Fund for maintaining the May Erwin Talmadge Auditorium/Gymnasium at Tamasee, the lunchroom fund at KDS and the furnishing of a two-room student townhouse at Berry College. This officer is indebted to the State Officers and Chairmen, to the Honorary State Regents, to the Chapter Regents and members for their support. STATE FIRST VICE REGENT - Mrs. Peter S. Hanf

This officer was installed in April at Continental Congress, following election at State Conference, marking the beginning of an exciting and fulfilling year of service to the Georgia State Society. The State First Vice Regent attended 4 District Workshops, co-leading sessions on "Patriotic Activities", and attended Fall Board of Management. She was present at all meetings of the Executive, Finance, Proceedings and Resolutions Committees and Meadow Garden Board (serving as Secretary and Trustee). Nine programs to chapters on National Defense were given, one on Resolutions and the installation of officers was conducted for three chapters. Anniversary

celebrations by two chapters were also attended. It was a privilege to attend a reception and tea honoring our State Regent and Corresponding Secretary and several luncheon meetings in her honor. The Memorial Service and Marker Dedication for Mrs. Thomas Earle Stribling was attended by this officer. It was a privilege to attend the April KDS dedication for the Foundation of the New Lunchroom - Phase I and graduation and awards exercises in May and October Dedication Day, Endowment Committee and Open Board Meetings; this officer also attended the Tamassee Advisory Board Meetings in May and October and Awards Program in May and October Dedication Day. Preparations are being made for the tea being co-hosted with Alabama and Florida at Congress. Serving the State Society under the capable leadership of our State Regent has been a privilege and pleasure.

STATE SECOND VICE REGENT - Mrs. Fred A. Miller, Jr.

It is an honor and privilege serving the Georgia State Society as Second Vice Regent and DAR School Chairman. In this capacity this officer attended Continental Congress where she attended the DAR School Workshop and the DAR School Supper. Graduation exercises, awards ceremonies and Advisory Board meetings were attended at Tamassee DAR School. Meetings of the Executive Committee, Meadow Garden Board, Finance Committee and Proceedings Committee have been attended as well as Fall Board of Management. This officer was unable to attend the District Workshops because her husband had emergency heart surgery. Mrs. James J. Muldrow, Honorary State Regent, graciously filled in and did an outstanding job. Reports submitted for the Hightower DAR School Award have been judged and preparations for the DAR School Luncheon at the 95th State Conference made. The highlight of the year has been telling the DAR School story. Thank you for the opportunity to serve you under the capable leadership of our lovely State Regent.

STATE CHAPLAIN - Mrs. W. Elton Corbitt

Your State Chaplain received reports from 100 Chapters. The overall reports were very good, but some things were worthy of special notice.

Four Chapters reported the various ways they observed National Bible Week in November. These included a display of old and interesting Bibles in Museums, Libraries, Banks, and Store Windows. Write-ups and pictures appeared in the newspapers and announcements were made from Church Pulpits and over television and radio.

Forty-six chapters sent in 115 names of members who are 90 or older to the Chaplain General and to me. Birthday cards were sent where possible. Memorial services for deceased members were held by 55 chapters and 29 chapters placed DAR Markers on the graves of 57 deceased members. Other chapters sent gifts to Tamassee and Kate Duncan Smith, or donated books to the DAR Library or local Libraries as memorials. Ninety-nine Chapters reported owning and following the Ritual at each meeting.

Your State Chaplain attended summer Workshop and Fall Board as well as all Executive Board meetings. She has sent letters of condolence to the next of kin of all the 174 deceased members reported to her where the address was available and the report was timely.

Serving the State Society as Chaplain has been a rewarding experience and she looks forward to another year's service under our capable State Regent and all the conscientious Chapter Chaplains in Georgia.

STATE RECORDING SECRETARY - Mrs. W. Franklin Chastain

This officer attended Continental Congress; has recorded minutes of the Executive Committee Meetings, 4 District Workshops, Fall Board of Management and 1993 State Conference. Assisted in the proofing of the 1991-1992 Proceedings. Compiling the 1992-1993 Proceedings; attended Tea honoring State Regent and State Corresponding Secretary; Installed new officers of two chapters; visited several chapters as guest; presented ROTC medal to Atlanta High School; and attended Advisory Board, Founders Day, Tamassee DAR School. Through the capable guidance of our State Regent, it has been a pleasure to continue the work of the Georgia State Society.

STATE CORRESPONDING SECRETARY - Elizabeth Stone

This Officer assisted in the mailing of 3 letters of information, compiling a roster of the Board of Management members, preparing labels for the 1992-1993 Proceedings, and compiling the program for the 1993 State Conference. Notes of regret have been sent to Honorary State Regents

unable to attend the Fall Board of Management meeting. The consolidated report form was distributed, cut apart and forwarded on to the appropriate State Officers and State Chairmen. It is a joy and an honor to serve the Georgia State Society as Corresponding Secretary under the capable leadership of our State Regent.

STATE TREASURER - Mrs. Shelby A. Whitson

The State Treasurer has kept the financial records of the Georgia State Society and prepared financial statements for the Fall Board of Management, Meadow Garden Board Meetings and State Conference. Monies and reports for National Funds were sent monthly to the Treasurer General's Office. State Officers and State Chairmen received reports where collected funds concerned their chairmanship. Chapter Treasurer report forms and State Honor Roll forms were prepared and distributed to all chapters. State Honor Roll Certificates were given to 65 chapters and 15 chapters received Honorable Mention by virtue of missing only 1 point on the State Honor Roll. This officer has attended Continental Congress, all District Workshops, Fall Board of Management, State Conference as well as Executive and Finance Committee meetings. It has been a tremendous learning experience and a privilege to serve our State Regent and the Georgia State Society in this capacity.

INDEPENDENT AUDITOR'S REPORT

I have audited the accompanying balance sheet of the Daughters of the American Revolution — Georgia Society as of April 30, 1993, and the related statement of Income and Expenditures and Changes in Fund Balance for the year then ended. These financial statements are the responsibility of the Society's management. My responsibility is to express an opinion on these financial statements based upon my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the above cited financial statements present fairly the assets and liabilities of the Daughters of the American Revolution — Georgia Society as of April 30, 1993, arising from cash transactions, and the revenues collected and expenditures made during the year then ended, on a basis consistent with that of the preceding year.

STATE ORGANIZING SECRETARY - Mrs. Paul F. Brenneman, Jr.

The Organizing Secretary has attended State Conference, four District Workshops, Fall Board of Management and Executive Board meetings. All correspondence has been answered with sincere concern for the growth and preservation of our existing chapters, and for future chapters. This officer has been in close contact with the Major General John Twiggs chapter and has offered assistance for the future of the chapter. Several members have shown interest in establishing a new chapter in the Northwest District. Follow-up contacts have been made. Serving the Georgia State Society in this office has been a challenging and rewarding experience. Thank you for the opportunity to serve our state and our capable State Regent.

STATE REGISTRAR - Mrs. Calvin C. Kammeyer

The February 1993 official membership count for Georgia is 7816. The state showed a net loss of 119 members. Georgia added 263 new members by application (60 of these were junior members); 46 members were reinstated; 54 transferred into the state while 99 transferred out; 147 resignations were accepted; 171 deaths reported and 65 members were dropped for non payment of dues. The National Report lists 226 members at large in Georgia. This officer assumed the duties of State Registrar after the untimely death of Mrs. J.C. Serrato, Jr. in August 1992. Sincere thanks are extended to the family of Mrs. Serrato and to Mrs. Thomas Knox Kendrick for the help given to this officer. All Registrar files were transferred quickly during this sad time. It was greatly appreciated. The State Registrar attended State Conference, Continental Congress, two District Workshops, National Board in October, Fall Board of Management, Founders Day at Tamassee, Graduation and Dedication Days at KDS and all Executive Board meetings required. Thanks are given to all Chapter Registrars who have sent changes in membership as they occur. It is a fun and challenging assignment to help all Chapters who call with questions! Serving the Georgia State Society DAR has been an honor. Working with the State Regent, Mrs. Ward, has been a pleasure.

STATE HISTORIAN - Miss Kay Yarbrough

Historians from 100 chapters reported work done for the state society this year. There were 142 history programs presented for adults and 64 for children. Georgia's Outstanding Teacher of American History was Miss Jane C. McKinzey, sponsor by the Baron DeKalb Chapter. Entries in this contest totaled 8. Restoration projects numbered 23 with 20 completed. Projects included restoration of homes, churches, cemeteries, graves, a fort, a chapter house and old newspaper articles. The grave of Revolutionary Soldier John Connell was marked by the Thomasville Chapter. The grave of Honorary State Regent and founding Regent of the Augusta Chapter, Mrs. S.B.C. Morgan was marked by that chapter. Honorary State Regent and former Chaplain General, Mrs. T. Earle Stribling was honored with a grave marking ceremony by the Tomochichi Chapter. Graves of 46 other DAR members were marked. The second volume of the History of the Georgia State Society, authored by Mrs. Leonard G. De Lamar was published and made available for sale in March. It has been a privilege to serve the Georgia State Society, NSDAR, under the leadership of Mrs. Jerido Ward, State Regent.

STATE LIBRARIAN - Mrs. B.W. Hunter

Georgia Daughters have been most generous in their contributions to Library work on the local, state and national levels. In addition to state and national meetings your State Librarian attended all Executive Board meetings, met with the Director of the Georgia Archives to offer cooperation from the State Society, wrote thank-you letters to chapters for book donations and answered all queries. Ninety-nine chapters reported, with 13 having programs on NSDAR Library or local libraries. Chapters donated books, Bibles, documents, pictures, tapes, videos, microfilm, a hydrometer/thermometer to local library, DAR magazine binders; 1,297 hours volunteered to Georgia Archives; 4,484 hours to local libraries, 20 hours to DAR Library; 166 subscriptions to genealogical/historical periodicals that values \$1,245; over 170 books to local libraries, using 116 Georgia bookplates. Fifty-three copies of *A CENTURY OF SERVICE: THE STORY OF THE DAR* given to libraries, speakers or Good Citizens. Chapters gave \$284 to State Library Fund; \$602 to Friends of Library; \$38 to Rebinding Fund; \$24 to Reference Cataloguing. Five chapters have members working toward bookworm pins. 344 Georgia bookplates were purchased. Forty-four books were confirmed accepted by the NSDAR Library. HONOR ROLL, Mrs. G. Don Allmond

For the seventh consecutive year, Georgia has had 100% reporting from chapters. Honor Roll recognition should be awarded to 79% of all chapters in Georgia. Pending confirmation from National, Georgia should receive 53 Gold, 22 Silver, and 10 Honorable Mention awards. State totals may change following Congress, as confirmation is not received until then. Georgia has been honored to have Mrs. James H. Elliott, Jr. serving as National Vice-Chairman of the Southeastern Division. This Chairman thanks the Chapter Regents, Honor Roll Chairmen, and Treasurers for their cooperation in reporting. Thank you Madam State Regent for the opportunity of serving the Georgia State Society as Honor Roll Chairman.

JUNIOR AMERICAN CITIZENS, Mrs. Robert H. Farrow

In 1993, sixty-eight NSDAR chapters reported some type of JAC activities or contributions. Contributions of \$317 to the JAC prize fund represented a 231% increase. Ten NSDAR chapters

had a total of 20 JAC clubs and 1944 members, with 1212 involved in contests. Highlights of chapters were: Thomasville with 700 membership and 768 in contests; Col. William Candler (650), Hightower Trail (274, Atlanta (110). Praiseworthy new membership was Hightower with 274 and Col. Daniel Appling with 75. Two Thatcher Awards were presented by Elijah Clarke Chapter. Savannah Chapter had the highest contribution, \$51, to the JAC Prize Fund. Children, our most important resource, need more patriotic experiences such as NSDAR's Junior American citizens. We nurture the young "by teaching loyalty to the United States of America, giving practical ideas for service to home, community, school and country," through responsibility and public-spirited activities in Junior American Citizens. Next year won't YOU sponsor a JAC program with your local school, scouts, YMCA, YWCA, or other youth groups. Your influence reaches further when you touch children by sponsoring a JAC program either through your NSDAR Chapter or individually. Thanks for a great year. Let's make next year a really notable one!

JUNIOR MEMBERSHIP, Mrs. William D. McCranie, II

A total of 77 chapters reported with 33 having a Junior serving as their committee chairman. Juniors continue to be a vital part of the State Society by serving as Chapter Regent, Officer, Chairman, State Chairman and Vice Chairman as well as Page. Sixty new Juniors have diligently served to Georgia's roster this year. Junior members have diligently served to fulfill the objectives of our Society and to "Continue the Commitment." They have supported the Helen Pouch Memorial Fund through the sales and stationary and the Junior Bazaar. Through their many efforts, \$12634.30 was earned. This year marks the 30th Anniversary of the State Outstanding Junior Contest. Georgia's Outstanding Junior for 1993 is Mrs. Jerry A. Davis of the Philadelphia Winn Chapter. This chairman would like to thank and recognize Mrs. Gary Stan Usery, Vice Chairman of Contest, and Mrs. Ronald D. Kent, of Sales. Madam Regent, it has been a pleasure to serve the Georgia State Society under your leadership.

LINEAGE RESEARCH, Mrs. Sterling P. Jones

Annual reports were received from seventy-two chapters. The Lineage Research Committee has assisted 250 potential members, and 108 members were acquired during the past year. Ten workshops were held, and one chapter started a genealogical society in their town. Forty chapters were interested in an audio tape of research ideas and procedures. Thanks to the Chapters for their reports and to the Vice Chairman of this committee for programs and research.

MEMBERSHIP, Mrs. Leonard M. Andrus

Annual reports were received from 99 chapters. 67 chapters reported giving DAR literature to encourage membership. At District Workshops each member was encouraged to continue to tell the DAR Story with enthusiasm to ladies who are potential new members. Members were encouraged to consider Life Memberships and Life Memberships Pending.

MOTION PICTURE, RADIO & TELEVISION, Mrs. Raiferd L. Drew

Only sixty chapters out of 108 reported on this committee. Many chapters do not have it and some took no action. One chapter sent \$25.00 to the Treasurer General. One chapter invited a T.V. host to a DAR luncheon and wrote an article thanking a T.V. station for its coverage of American History Month. 225 letters were written to the media. Twenty-two chapters said their communities had video tape legislation and 36 chapters felt rental stores were complying with the rating system. I believe younger members attend movies at theaters and older either rent videos or wait until movies come to television. As for television; news, documentaries and programs such as 60 Minutes, 20/20, 48 Hours, etc. received most votes from adults. It seems that the best programs for children air on PBS or pay cable channels; Discovery, Disney, Nickelodeon. Current movie voted best for children: Beauty and the Beast; for adults: A River Runs Through It. Current T.V. show voted best for children: Sesame Street; for adults: Murder She Wrote. Continue to express your views. The FCC is on our side. Its Commissioner, James Quello, says, "There has been . . . a public outcry against indecency and obscenity." But the FCC needs proof.

NATIONAL DEFENSE, Mrs. Peter S. Hanf

Annual reports were received from 102 chapters, with 100 chapters having 5 minutes of National Defense and 85 having a full program. 85 chapters furnished extra material at meetings and 31 provided material for schools and libraries. Good Citizenship medals were presented to 400 young people; 122 bronze medals were presented to cadets in high schools; and gold medals were presented to 15 students in colleges and universities. 52 chapters reported giving \$237.50 to the ROTC Award Program and 21 chapters contributed \$188.00 to Dollars for Defense. The 1992 National Resolutions adopted at Congress were discussed in 74 chapters. Chairmen in 96 chapters encouraged their members to vote in every election. Defense topics of greatest interest were: Women of Today's Army, National Defense In A Changing World, and the New World Order. Appreciation is expressed to the following chapters for their contributions of ROTC Medals to units in the Atlanta Public School System: Hawkinsville, Hightower Trail, John Clarke, John Floyd, Kettle Creek, Oothcaloga (2), Peter Early, Roswell King, Sergeant Newton (2), Tomochichi and Xavier.

PROGRAM, Mrs. James L. Brown

Georgia chapters submitted entries in 3 of 4 categories for the National Program contest. In the Patriotic category, winners are: 1st place: Elijah Clarke, 2nd place: John Laurens. First place in the Educational category goes to Oliver Morton. For the Commemorate Events category, 1st place goes to Xavier, with Tomochichi winning 2nd. Several chapters made use of the video programs available through this committee, with "Berry Works" being our most popular. The slide program on Meadow Garden also continues to be a favorite. This year, a history of the Washington Carillon was added to our video program collection. There were 29 entries in the State yearbook competition; 26 yearbooks and 3 supplements. Winners for best overall yearbook in each membership category are as follows: 50 and under is a tie between Burkhalter and Barnard Trail; 51 to 100, John Laurens Chapter; and over 100, Xavier Chapter. Winners for best overall supplement are: 51 to 100, John Benson; over 100, Elijah Clarke. The quality of the yearbooks was very high and judging was difficult. It has been a privilege and a pleasure serving the State Society under the leadership of our State Regent, Mrs. Jerido Ward.

PUBLIC RELATIONS, Mrs. Guy H. Miller, Jr.

Georgia Daughters did an outstanding job of sharing the DAR story this year. Through hard work and creativity, members communicated the DAR ideals by: joining in local community celebrations; participating in commemorative events with other patriotic organizations; making presentations to local civic groups; taking part in parades; presenting medals and awards for patriotic duty and good citizenship; holding contests and publishing essays; and conducting a number of events in celebration of Constitution Week and American History month. In addition, trees were planted; DAR magazines distributed; an Arbor Day Ceremony co-hosted; a flag pole raised; a Christmas tree decorated in red, white, and blue for veterans; scholarships given; gifts sent to lady veterans; genealogy books donated; booths set up at community events; and proclamations made by Mayors. Displays, posters, church bulletins, marquees, brochures, and school newspapers were also utilized in sharing the DAR story across Georgia. 96 chapters reporting - Newspaper: 1099 articles, 538 photographs, 14,073 inches; Radio: 6 programs, 1411 spots, 1678 total minutes; Television: 19 programs, 308 spots, 1240 total minutes, Headquarters bulletin board: 10 chapters contributing. It has been a privilege and an honor to serve under the capable leadership of our Madam State Regent.

SEIMES MICROFILM CENTER, Mrs. Albert H. Wren

There are approximately 2,000 rolls of film in this collection at \$23.00 each. Chapters were encouraged to donate at least one roll of film. Members flew flags, rang bells, spoke to civic clubs and served on committees for community observances. Fifteen members of the Fort Frederica Chapter served as guides on the Nina, the Pinta and the Santa Maria when these replicas of Columbus' ships visited Brunswick. Members of several chapters journeyed to see the ships. The Georgia State Society was saddened by the death on January 17, 1993 of Mrs. Erwin N. Kinne, Mary, Chairman of these committees. Cash awards she had offered could not be presented. Certificates of award were sent to John Laurens, Roswell King, John Houston and George Walton Chapters.

FRIENDS OF THE LIBRARY, Mrs. Alton Bruce

The Augusta Chapter won the overall award buying 53 pins and bars. Congratulations. This chairman attended four workshops, Fall Board of Management and State Conference, each time informing members on the Insignia available and the proper placement. We were pleased Mr. Johnson from J.E. Caldwell Co. could be with us at our State Conference.

LITERACY CHALLENGE, Mrs. Buxton L. Daniel

Seventeen chapters presented programs about literacy and Literacy Challenge. Twenty-two chapters were actively involved with a local literacy program and 36 have members who tutor. Georgia Daughters chair and serve on various local committees and advisory boards for adult literacy and tutoring programs. The Georgia Department Adult Literacy Chairman is a Georgia Daughter. Ten chapters have donated a total of \$300.00 to local literacy programs. Georgia chapters have encouraged members to participate, trained tutors, and tutored adults. It has been an honor and privilege serving the Georgia State Society.

NSDAR MUSEUM CORRESPONDENTS DOCENTS, Mrs. C.E. Hughes

As Chairman of Correspondents Docents for Georgia Society NSDAR I have enjoyed this DAR year. Becoming familiar with this job took time and study. All State Meetings have been attended, National Congress attended last year with plans to attend in April 1993. Also all correspondence

has been answered, slides sent when possible, information concerning slides available with a personal letter to chapter chairmen included in Regents packet. Edith Lavendar has become a Docent this year and Edwina Beall gave 25 programs in addition to the 12 she had to give to get the Docent's pin. This Chairman encourages all who are willing to become knowledgeable and have time to become Docents. Thanks to our state Regent and all members who have cooperated with me to make this a good DAR year.

PRESIDENT GENERAL'S PROJECT, Mrs. Wilbur K. Avera

President General Blair has chosen the renovation of Constitution Hall as her special project. The project is to be called "Continuing the Commitment." The Georgia State Society has 107 Chapters and of this number 40 have already contributed over \$100.00 each to the President General's project. All but 9 chapters participated this year. For the current year the total contributions are \$10,330.67. Sincere thanks to all chapters who have made the preservation and upkeep of our priceless buildings a priority within their membership.

State Standing Committee Reports

BYLAWS

Mrs. Jonathan W. Fox

The Bylaws Committee presented a one hour forum at each of the District Workshops in August 1992 at which time the current Bylaws were examined and suggestions made and discussed about possible revision of the Bylaws. The committee met again before the Fall Board of Management to compile the results of the questionnaire which had been given to each chapter regent concerning special areas of proposed changes in the Bylaws. Also, the bylaws of other states were studied. The committee was given a set of proposed changes to each article in the Bylaws for their further study. A revision of the current Bylaws will be made and proposed to the membership before the end of this administration. A proposed change in the amount of dues was received from the State Finance Committee; it passed with recommendation to adopt and forwarded to the State Regent for inclusion in her Call to Conference. Members of this committee are: Mrs. Arthur H. Waite and Mrs. James J. Muldrow, Honorary State Regents; NE District, Mrs. James L. Brown; NW District, Mrs. Albert H. Wren; SE District, Mrs. Buxton L. Daniel; SW District, Mrs. Charles H. Kezar.

In 1992 the members of the Georgia Society attended the following Workshops: August 11, NE District, Cornelia, Hostess: Tomochichi. August 12, NW District, Carrollton, Hostess: Abraham Baldwin. August 13, SW District, Fitzgerald, Hostess: Nathaniel Abney. August 14 SE District, Dublin, Hostess: John Laurens. My appreciation to the four District Directors for the wonderful accommodations for motel, lunch, meeting places and for assembling material for the Regent's packet. Many thanks to: Jesse Frady for the warm hospitality and lovely soloist; Dr. Mins for the ample space at West Georgia and the unique table decorations; Lois Eppes and Pauline Morris for the reception and tour of the museum; and Mavis Williams for the summer supper. Ladies, you made our trip outstanding. Fall Board of Management was held 23 October 1992 at Valdosta, hosted by the General James Jackson Chapter. The careful planning of Gloria Sorenson and Betty Samaras made this an excellent meeting and we did enjoy the wonderful tour of homes. My thanks to all four District Directors, Chapter Regents and Georgia Daughters for the cooperation in making 1992 a successful year.

NORTHEAST DISTRICT DIRECTOR,

Mrs. S. Douglas Beasley

After attending State Conference, this Director attended State Regent's Reception in Augusta, met with State Regent and Coordinator of Districts in April and January, attended grave-marking ceremonies at Clarksville in June and Augusta in January, spoke at Medal-of-Honor formal banquet at Athens in November, traveled to three different sites for Workshop selection and preparation, Flag presentation in June at Sr. Citizens' Center, Veterans' program in Hartwell and

gave oral report at Fall Board. Letters were written to the 25 NE Regents in June, August, December and February. In the beautiful mountains of Cornelia, the Tomochichi Chapter hosted 146 members at a very successful Workshop. State Packets were presented to 24 Chapters, 1 mailed. The State Regent was able to complete her Official Visits during her first year of tenure by a plan devised by this Director; whereby 5 Host Chapters invited the other 20 Chapters for combined luncheons, teas and coffees with the State Regent presenting programs on Flag Day, the Constitution and National Defense. Besides the Workshop attendance of 146, this Director was in the presence of 388 NE members and the State Regent at other NE events, where she was continually inspired by their DAR dedication and loyalty.

**NORTHWEST DISTRICT DIRECTOR,
Mrs. Larry Coleman**

The Northwest District Workshop was held in August at West Georgia in Carrollton with Abraham Baldwin Chapter serving as host. Letters were sent in June to all chapters encouraging

them to have representation. The host chapter treated early arrivals to a "poolside party" at the motel the evening before the workshop. Letters were sent to all chapters regarding the State Regents visits. This Director joined the State Regent in attending a meeting with the Atlanta Chapter, where she spoke on the DAR Schools, and a Tea held in Canton with 11 chapters represented, where she talked on the fun of being a Daughter. I attended planning sessions in April and January and Fall Board Meeting in Valdosta. Thank you for the opportunity of serving, Madam State Regent.

**SOUTHEAST DISTRICT DIRECTOR,
Mrs. Alex S. Boyer, Jr.**

An enthusiastic workshop in Dublin August 14 set the tone for the year's work. Meticulous planning by Mrs. Carl Williams, Regent, and members of John Laurens Chapter, attracted a record attendance. Mrs. George Clark, Vice Regent, entertained visitors with a delightful summer supper on the porch of her home. The highlight was traveling with our dedicated State Regent to visit chapters. A luncheon arranged by John Floyd Chapter included members from Lyman Hall, Commodore Oliver Bowen and Colonel Daniel Appling. A tea in Vidalia included Vidalia, General Josiah Tattnell, Metter, Brier Creek, Governor David Emanuel, Adam Brinson and Archibald Bulloch. Mrs. Ward was honor guest at a meeting of Fort Frederica Chapter followed by a reception in her honor. Chapters cooperating were Brunswick, Earl of Camden and St. Andrew's Parish. The tour ended with a delightful luncheon at the Dublin Country Club with John Laurens Chapter holding its regular meeting, Mrs. Ward as guest speaker, and Colonel William Few Chapter, Eastman, Mrs. William McCranie II, Regent, co-hostess. This officer also attended a joint Constitution Week luncheon of Savannah, Bonaventure and Lachlan McIntosh chapters, the Fitzgerald Workshop and Fall Board.

**SOUTHWEST DISTRICT DIRECTOR,
Mrs. Ronald H. Salter**

Many thanks to the Nathaniel Abney Chapter for hosting the Southwest District Workshop in their historic Blue and Gray City, Fitzgerald. We had 135 members from 26 chapters participating. Packets of yearly instructions were prepared and issued to all regents. Our state regent had 15 chapters receive her "Regent's Message". The Blackshear Chapter has an active CAR. The Peter Early Chapter is leading the way to accommodate the younger, working woman with Saturday meetings. Many chapters encouraged more flags displayed on their main streets. The Throneateska Chapter added to Albany's colorful "Avenue of Flags". Barnard Trail Chapter has led in recycling. In an effort to further history, excellent programs were given in Columbus, Costumes of the 1800's, The Constitution, and early handcrafts. A salute to the Council of Safety Chapter for personally preserving historic homes in the name of DAR. Most chapters honored Good Citizens and American History winners. Thomasville Chapter continues to lead the state and the southeastern division in JAC accomplishments. This director hosted Georgia State Regent, Mrs. Jerido Ward during her district visit. This proved to be an educational experience for both regent and director by having the opportunity of seeing first hand the activities and work of the chapters in the southwest district.

COOPERATION OF DAR WITH SAR AND S.R.,

Mrs. Robert B. Vance, Sr.

Georgia Daughters working together with the SAR have shared programs, and considerable assistance with membership increases. Ninety-nine DAR chapters reported a total of Fifty-eight new members for GASSAR. 181 SAR's attended functions with DAR. 8 SR's attended DAR functions. 293 DAR's attended functions with SAR. 162 DAR/SAR's attended the Constitution Week luncheon celebration at Ansley Club. 5 SAR chapters and 16 DAR chapters throughout the state were represented. Through the diligent work of Mrs. Mildred Wedencamp and members of the Altamaha Chapter DAR, a new chapter of SAR was chartered February 1992. Since February, Mrs. Wedencamp had 32 approved members for SAR, and was awarded the Medal of Appreciation with Certificate. 14 new members for SAR were sponsored by Marilyn Vance. A new SAR Chapter was chartered in Jackson with the help of DAR daughters, Edna Kirby and Kathleen Pinckney, of William McIntosh Chapter DAR. Mrs. Lorna Wilson of the General Daniel Newnan Chapter also increased the SAR by 4 new members. Proclamations by the Governor and many Mayors throughout the state were signed for Constitution Week, American History Month, The Bill of Rights and Bells Across America were joint DAR/SAR functions. DAR's and SAR's cooperation enjoy mutual benefits, close association, joint meetings, programs and assistance in a two-fold achievement. Through Georgia daughters efforts for new SAR members the Georgia Society DAR received another \$500.00 (total 3 years \$1500.00) from National Society, SAR and the money was donated to Tamassee DAR School, Talmadge Auditorium Endowment Fund.

DAR LITERATURE,

Mrs. Robert H. Gladney

The 1992 revised order form from the Corresponding Secretary General was available beginning at the District Workshops. It simplifies ordering materials for various projects, and the materials available offer much help in chapter activities. This committee has had representative displays of DAR Literature available for free distribution and for sale at the Workshops, the Fall Board and the State Conference. Vice Chairmen Mrs. Sumpter Blackmon, Mrs. Charles H. Waters, and Mrs. Dares E. Wirt join this chairman in expressing our pleasure in serving the Georgia State Society.

FINANCE COMMITTEE,

Mrs. James J. Muldrow

The finance committee of the Georgia State Society, NSDAR, met at the Ramada Inn in Carrollton on August 11, 1992. Seven members were present. (Attendance list attached.) Mrs. James J. Muldrow, chairman, called the meeting to order at 8:30 p.m. Mrs. Theodore C. Whitson opened the meeting with prayer. The chairman asked Mrs. Charles B. Watkins to act as secretary during the next two years. The chairman gave a special welcome to Mrs. Jerido Ward, State Regent, an ex officio member of the committee. Mrs. Leonard G. De Lamar was present at the invitation of the chairman. The chairman announced that several bylaw changes had been recommended. These changes were discussed but agreement was reached that they can wait until next year following the National Society's general revision. 1. Internal audit mid year of administration; CPA audit at close of administration. Even though desirable, this change would be unrealistic because an auditor probably would not accept an internal audit. 2. Require books to be in hands of auditor not later than 15 days following closing of books. This procedure is already in effect; however, the auditor is slow in performing the actual audit. Reemphasize with him the necessity of time limit. 3. Establish a standard method of keeping state books so that any person can understand the books. The bookkeeping system was originally set up by auditor. Discuss it with him again. However, a person must have some knowledge of bookkeeping in order to understand the books. A double entry system would cause the treasurer to spend an excessive amount of time on the books because of Meadow Garden business. Will it be necessary to change auditors? (Question not answered, but change unlikely because it would mean an increase in fees.) 4. Maintain a permanent bookkeeping file which would contain copies of sales tax records and withholding records with check attached, and this file will be passed from treasurer to treasurer. In case of audit records would be readily available. Decision was reached

that this change must be implemented immediately before any records are lost. Resolutions pertaining to the finance committee were distributed earlier to the committee members. (Complete copy attached.) Discussion of the resolutions resulted in the following decisions: MARCH 14, 1959 - ENDOWMENT SCHOLARSHIP FUND FOR TAMASSEE DAR SCHOOL Scholarship fund has been combined with other scholarship funds. Still active. MARCH 26, 1960 - GENERAL FUND Rescind. OCTOBER 26, 1966 - C.A.R. PAGES IN PROCEEDINGS Rescind. MARCH 22, 1969 - ACTING STATE TREASURER Motion by Mrs. Thomas Knox Kendrick, and second by Mrs. Dennis J.F. Beall that the resolution be considered by the bylaws committee. Motion passed. OCTOBER 30, 1970 - GEORGIA STATE SOCIETY SAVINGS ACCOUNT Still active. MARCH 15, 1979 - CAPITAL INVESTMENT FUND Rescind 2nd "resolve," "that, at the end of each administration, ...is accumulated in the Capital Investment Fund; and". 1st, 3rd and 4th "resolves" are still active. MARCH 13, 1980 EDNA DELAMAR KENDRICK ENDOWMENT SCHOLARSHIP AT BERRY Refer to the DAR School Chair man for action and a report in October. Report should include the following information: What criteria is used in selecting applicants? Who makes the selections? OCTOBER 28, 1981 - DATE FOR ANNUAL AUDIT Still active. OCTOBER 25, 1984 - DAR SCHOOLS, FOR TAMASSEE ONLY Already rescinded. OCTOBER 24, 1985 - GEORGIA HOSPITALITY FUND Still active. MARCH 15, 1986 - CAPITAL INVESTMENT FUND Rescind. OCTOBER 26, 1990 - MEADOW GARDEN Still active. Ask Meadow Garden Board to consider replacing words "Gate House and Gift Shop" with "Reception Area and Museum Shop." OCTOBER 25, 1991 - ENDOWMENT FUND FOR TAMASSEE Still active. MARCH 11, 1992 - MAY ERWIN TALMADGE ENDOWMENT FUND Still active. The last item of business concerned the publication of *History of the Georgia State Society, 1982-1992*. \$4,071.00 is available in the Money Market Account, however, the total cost will be approximately \$9,000.00. Motion by Mrs. Peter S. Hanf, and second by Mrs. Beall, that, in order to provide the additional funds, the treasurer be given permission to withdraw \$9,000.00 from the Lucy Cook Peel certificate of deposit and roll over the remaining amount into another certificate of deposit. Motion passed. Publication cost of each book will be approximately \$22.25. Motion by Mrs. Hanf, second by Mrs. Kendrick, that pre-publication selling price be \$32.50 plus \$3.00 handling and postage. After publication the price will be \$35.00 plus \$3.00 handling and postage. Motion passed. Meeting was adjourned at 10:30 p.m.

Mrs. James J. Muldrow, Chairman
Mrs. Charles B. Watkins, Secretary

The Finance Committee of the Georgia State Society, NSDAR, met at Best Western Motel in Valdosta on October 22, 1992. Eight members and the state parliamentarian were present. (Attendance list attached.) The chairman, Mrs. James J. Muldrow, called the meeting to order at 8:40 p.m. and welcomed all members including Mrs. Jerido Ward, state regent. Mrs. Leonard G. DeLamar, state parliamentarian, was present at the invitation of the chairman. The minutes were read by the secretary, Mrs. Charles B. Watkins, and were approved as read. Old business: The chairman stated that in response to the 9/21 memo, all committee members voted to recommend the increase in state dues and the increase in Meadow Garden per capita. The chairman mailed a letter containing the recommendation to the bylaws chairman on October 10, 1992. The bylaws committee met on the afternoon of October 22, prior to the finance committee meeting, and reported that the changes in state dues and Meadow Garden per capita will be brought up at state conference in March 1993. The chairman asked the secretary to read a letter from Mr. John Lipscomb of Berry School. (Copy of Mr. Lipscomb's letter attached.) The letter was in response to inquiry by Mrs. Fred Miller regarding compliance with Georgia State Society Resolution of March 13, 1980 Edna Lamar Kendrick Endowment Scholarship at Berry. It was determined by the committee that the criteria has not been followed. Motion by Mrs. Thomas Knox Kendrick, second by Mrs. Peter S. Hanf, that the criteria be changed to require that only the name and address of the prospective student be sent to the state regent. Motion passed. New business: The chairman stated that the 1992 audit does not show a breakout of Building Fund for Gate House & Gift Shop at Meadow Garden as provided in October 1990 fall board resolution. The fund was to be established in March 1991 from interest from Capital Investment Fund. Motion by Mrs. Dennis J.F. Beall, second by Mrs. Hanf, that as Capital Investment Fund

Certificates of Deposit containing funds designated for the Gate House/Gift Shop mature, the treasurer transfer these funds to a separate interest bearing account for the Gate House/Gift Shop. Motion passed. The proposed budget based on \$5.00 dues and 7,200 members was read and discussed. (Copy attached.) Motion by Mrs. Theodore C. Whitson, second by Mrs. Hanf, that the budget be submitted to the membership in the state regent's January letter and then read at state conference in March 1993. Motion passed. Motion by Mrs. Hanf, and second by Mrs. Beall, that a proposal be made to the bylaws committee that at the time of revision of the state bylaws, Article VIII, STATE DUES & CONFERENCE FEES, Section 3 and Section 4 be changed from \$3.00 for voting members to \$5.00 and non voting members from \$1.00 to \$3.00. Motion passed. Meeting adjourned at 10:10 p.m.

Mrs. James J. Muldrow, Chairman
Mrs. Charles B. Watkins, Secretary

The Finance Committee of the Georgia State Society, NSDAR, met on Wednesday, March 3, 1993, at the Columbus Hilton, Columbus, Georgia. Mrs. James J. Muldrow, chairman, called the meeting to order at 3:15 P.M. Mrs. Theodore C. Whitson opened the meeting with prayer. The Chairman welcomed State Regent, Mrs. Jerido Ward, and State Parliamentarian, Mrs. Leonard G. De Lamar. Other members in attendance were Mrs. Peter S. Hanf, Mrs. Fred A. Minutes of the October 22, 1992, meeting were read by the secretary and approved as corrected. The chairman asked the committee to consider the request from Meadow Garden Board: (1) that the resolution of October 26, 1990, setting aside the interest from the Capital Investment Fund for a Gate House and Gift Shop at Meadow Garden be rescinded because maintenance funds are not sufficient at the present time to designate this use of CIF interest; (2) a resolution to borrow not more than \$14,000.00 from the Capital Investment for painting Meadow Garden, necessary repairs prior to painting and reroofing. On motion of Mrs. Hanf it was moved and seconded that painting fund described as "interior painting" be changed to "painting." Motion passed. Recommendation be made to Resolutions Committee, moved and seconded, that not more than \$14,000.00 be taken from the general savings account to paint and reroof Meadow Garden. Motion passed. Mrs. Charles B. Watkins, Secretary

GEORGIA DAY, Mrs. Harry L. Dickey

Reports were received from 77 chapters. Of this number 40 chapters gave a program, or a partial program on Georgia. Five (5) chapters gave luncheons. One Chapter held a quiz session. The programs were on: Colonial Governors of Georgia, The Georgia Flag, The Georgia Port, Colonial Women, Peter Tondee's Tavern, Teachers of Georgia History, Changing Lives of Southern Women, Georgia newspaper projects, church bulletin announcements, TV spot announcements, wreaths placed at General Oglethorpe's monument, Tomochichi's Rock, and on the Oglethorpe Bench.

HISTORY OF THE GEORGIA STATE SOCIETY, Mrs. Leonard G. DeLamar

The History of the Georgia State Society 1982-1991 was given to W.H. Wolfe Associates in September 1992. Having every reason to believe it would be available by March 1st of this year Murphy's Law took over! A dedicated group of members was waiting to proofread the script, but when it arrived the original manuscript was there but no printed copy. The delay in receiving another copy is the reason our book is not available at this time as we had hoped. We have been promised the finished 400 copies by April 1st and those who have paid for their copy to be mailed should receive them shortly thereafter. This chairman appreciates the confidence placed in her by the State Regent, Mrs. Ward, but would be remiss if Mrs. Shepherd, Mrs. Murphy, Mrs. Leitch, Mrs. Muldrow and Mrs. Hankinson were not also thanked because compiling this volume

has been a very fulfilling privilege. Basking in the glory of YOUR many accomplishments has been a fantastic way to spend these past ten years.

**LUCY COOK PEEL MEMORIAL,
Miss Patricia A. Glenn**

A letter explaining the purpose and history of the Lucy Cook Peel Memorial Fund was included in each chapter regent's summer packet, along with detailed instructions for ordering the 1986 edition of the *Membership Roll and Register of Ancestors of the Georgia State Society NSDAR*. Books were available for purchase at all District Workshops and Fall Board of Management meeting. Thirty books have been sold since July 1992 and the money turned over to the State Treasurer. This chairman appreciates the assistance of the DAR Literature Committee who helped with book sales during the workshops and fall board meeting.

**MARKING REVOLUTIONARY SOLDIERS' GRAVES
AND RESTORING HISTORIC SPOTS,**

Mrs. Guy Davenport Sr.

Thank you for the opportunity to serve on this committee. Material was included in the Regent's packet which was self-explanatory. The chairman gave one program, showed pictures of headstone available from the VA and included the requirements for marker designations. The following chapters receive Certificates and Awards for their participation: Baron DeKalb, College Hill, Elijah Clarke, Etowah, Roanoke, William Marsh, William McIntosh, and Thomasville. I commend the Thomasville Chapter for the best report and publicity in marking the grave of John Connell in Hamilton Hill Cemetery, Mount Vernon, GA. I urge the chapters to go into detail on their activities covered by this committee. It has been a pleasure to serve the Georgia Society this year.

**MEADOW GARDEN,
Mrs. Bennett W. Burns, Jr.**

A few changes have been made at Meadow Garden this year. The caretaker's cottage has been removed; a french drain put in to take care of dampness which was causing damage to the kitchen area walls; the lower half of all walls in that area have been restored. A light switch has been put in the hall to Walton's bedroom. A dusk-to-dawn light has been installed at the base of the flagpole, so that the Flag will be illuminated at night and can be seen far and wide. The collapsed bannister to the back steps has been replaced; all electric wiring has been inspected; all fire extinguishers inspected, 2 replaced, 3 serviced. Tourism has been very good. Tourists from 7 foreign countries and 33 states visited Meadow Garden in 1992. Tour Guide Gloria Clark and her husband James are doing a great job for Meadow Garden. I consider it a pleasure and a privilege to serve as State Chairman of Meadow Garden under the guidance and leadership of Madam State Regent.

Standing Rules for Meadow Garden

(See 1985 Proceedings page 106)

MEADOW GARDEN BOARD

The Meadow Garden Board met Wednesday, June 17, 1992 at Meadow Garden with Mrs. Jerido Ward, State Regent, presiding as Chairman of the Board. The meeting was called to order at 5:35 p.m. The invocation was given by Mrs. Luther L. Watson, Patrons Chairman. Others present were: Mrs. Peter S. Hanf, Mrs. Bennett W. Burns, Jr., Mrs. Dallas E. Bahm, Mrs. Theodore P. deTreville, Mrs. Leonard G. de Lamar, Mrs. James H. Elliott, Jr., and Mrs. Fred A. Miller, Jr., ex-officio member. Mrs. Ward introduced Mr. Dennis Skelley and Mrs. Betty Meehan of Walton Rehabilitation Hospital. Mr. Skelley stated renovation will begin on the building on 13th Street in July, with parking area including the bus bays. Completion date is first of the year. A site plan was shown to members and discussed. A camera security and lighting system is to be installed throughout the area plus policing through the day, which will also be of benefit to Meadow Garden. Drainage to be corrected in the future. Copies of Standing Rules for Meadow Garden were passed out and Standing Rules Nos. 2, 4 and 5 were read by Mrs. Hanf. Reference was made

to Rule #7 stating that the First Vice Regent shall serve as Secretary of the Meadow Garden Board. In the absence of Mrs. Roy Cagle, Landscaping Chairman, Gloria Clark informed members of the dissatisfaction with the men, from Rehab, taking care of the grounds. She had talked with them and the service this week was much better. She reported the cleaning man was transferred again. This is a common occurrence, since the cleaning people are always being trained through a Government Training Program. Historic Augusta participates in the program and sends the cleaning people to Meadow Garden. They are adults eligible for Social Security. It was suggested Meadow Garden signs be placed at streets leading to Independence Drive since other directional signs are already placed. The Independence Drive sign needs to be relocated across from Walton Rehabilitation sign. Illuminating the Flag at night was discussed. An estimate will be obtained on lighting of the Flag. Meanwhile the Flag will be brought inside, after closing, each day. Charges to Meadow Garden will remain the same as in Standing Rules. Electrical wiring in the house needs to be checked out. The March 9 minutes were read. The minutes had previously been approved by the Proceedings Committee on May 30, 1992. The Meadow Garden Financial Statement was passed out.

minutes had previously been approved by the Proceedings Committee on May 30, 1992. The Meadow Garden Financial Statement was passed out. Mrs. Burns recommended Gloria do dusting and cleaning during free time since the cleaning people are not careful with the china, etc. Gloria's salary was discussed. Members were informed when she was hired minimum wage had just been increased and she was hired for \$4.00 and that amount increased to \$4.25, when minimum wage went up. Mrs. Burns moved and it was seconded that we pay Gloria Clark an extra \$5.00 per week to keep Meadow Garden and do so at her own discretion. Motion passed. Two estimates had been received for outside painting of the house. Estimates are: James F. Barnes - \$6,000.00. Mr. Barnes does all the painting. Baxley Painters - \$11,520.00 - 18 helpers employed, from which an adequate number would be available to paint. A recommendation was made to obtain several more estimates. Estimates for demolition of the cottage were received and are as follows: Barton & Barton - \$2,250.00; Thompson Building & Wrecking Co., Inc. - \$1,930.00. Two estimates were requested for kitchen wall repair with only one received. Barton & Barton's estimate was broken down in four phases. Phase 1: \$690.00; Phase 2: \$784.00; Phase 3: \$992.00 and Phase 4: \$1,187.00. Barton will do Phases 1 thru 4 for \$3,329.00. Another estimate will be requested. Barton & Barton quoted both jobs for \$5,579.00. Mrs. Burns will talk with Barton and Barton regarding doing demolition and kitchen repair for total price of \$5,000.00. Mrs. deLamar, Furnishings Chairman, remarked on the addition of the new sofa and how nicely it fitted into the setting of the Best Room. She mentioned that only Board Members were to rearrange furniture. The Augusta Chapter is responsible for their room. Mrs. Elliott returned the lace collar repaired by Harriette Neal that had also been reframed for a cost of \$197.00. She stated that Lava Fire had been purchased and added to the fireplace in the kitchen, which adds to the looks. On the outside of the Best Room door an items list will be placed to aid people looking into the room and to keep visitors from stepping down steps and falling. On the motion of Mrs. deLamar, it was moved and seconded that plexiglass be installed in doors of Best Room and Augusta Room. Motion passed. Mrs. Elliott, Gift Shop Chairman, reported a box of books had been received on *Georgia Signers of the Declaration of Independence* donated by Mrs. W. Frank Chastain and the Ft. Peachtree Chapter. Profit from the books will go to the Gift Shop. Suggested Price: \$5.00. The chairman was informed she had approval to spend up to \$500.00 for the Gift Shop before the Board had to approve. Several items that are low in stock will be reordered. Mrs. Watson, Patrons Chairman, had no report. Old Business: The Board felt it was in the best interest of Meadow Garden to continue maintaining Mr. Jay Sawilowsky, Attorney, in dealing with the Rehabilitation Hospital and the City. A motion to rescind the motion regarding becoming a Patriot of Walton Rehabilitation Hospital date July 9, 1990 was made by Mrs. Hanf and seconded. Motion passed. New Business: The Manager's Job Description will be updated by Mrs. Ward with copies being sent to Board members for approval. Summer hours for Meadow Garden will be: 10:00 - 4:00 - Monday - Friday. Board members were requested to send correction or acceptance to secretary. The State Honor Roll, Item 4, requests that a \$1.00 minimum from each Chapter for the Gatehouse. There being no further business the meeting adjourned at 7:45 p.m.

Mrs. Ward reported for Mrs. Burns, Meadow Garden Chairman, that the city had checked the wiring in the house and found it to be fine and there was no charge for this. The work being done by Barton & Barton is about one-half completed. The French drain has been installed and demolition of the cottage has been completed. Jean was at the house at 7:30 each morning, from Sept. 3 until the 30th, to unlock the gate. The bill for \$2,250.00 has been paid. The hand rail at the back steps collapsed and has been replaced and painted by Barton & Barton for \$100.00; the fire extinguishers have been inspected and recharged, two new ones purchased and installed with one new all hook for one we had for \$77.33 with Gloria knowing how to use them. The extinguishers should be checked yearly. It was brought to the Board's attention, the Augusta Room Chapter Chairman did not feel it necessary to have plexiglass in the door of their room. Since the Augusta Room is under our insurance policy, plexiglass will be placed at the door with Jean working with the Augusta Chapter. Jean has obtained the name of the previous installer. Estimates for adding receptacles and installing flood light at flag pole: G & R Electric Co.: 3 receptacles in house \$285.00; flood light \$910.00. Sig Cox: provide and install new conduit, wire and boxes for the branch circuits to supply the new fixtures. Provide and install new breaker in existing panels, provide and install new photo cells to control fixture on/off time. Labor and material for mounting new fixture at base of flag pole securely \$1,000.00. Additional receptacles (3) \$156.00; install switch for upstairs light \$57.00. Alrich: install 2 electric outlets in basement room and 2 high intensity, weatherproof lights for flag pole controlled by a photo-electric cell to activate during night hours \$750.00. This has been sidelined for the time being because of other expenses. Additions to the painting estimates are: Jackson's Painting Contractors, Inc.: \$10,560.00; Johnson & Associates: \$22,675.00. The Chairman informed the Board Mrs. Burns had spoken to John Lamar, former painter of Meadow Garden, who could not paint until the fall of 1993 and the cost should not be more than \$6,000.00. It was suggested the Patrons Chairman mention donations are needed for this project. Mrs. Bahm reported there have been 1,371 visitors since January 1 through October 15, 1992 representing 33 states and 7 foreign countries; total income \$1,446.89. Gift shop income \$771.63. Mrs. Elliott, Gift Shop Chairman, stated the crystal cobalt bluebirds are successfully selling for \$3.98 and promotional booklets are being reviewed for additional items to sell. Mrs. deLamar, Furnishings Chairman, had no report. Reporting for Mrs. Cagle, Landscaping Chairman, Mrs. deTreville, suggested perennials were needed for historical time frame of house. Also, lattice should be installed at front of house at porch to hide pipes, if it fits in to historical time frame. Mrs. Watson will look into historical time frame. Several members suggested using the grape arbor for future Gatehouse location. The Board was reminded this Administration is dedicated to getting the house and roof in shape before the Gatehouse is considered. A motion was made by Mrs. deTreville and seconded that Mrs. Cagle be authorized to spend funds for seeds or plants, not to exceed \$200.00. Motion passed. Mrs. Watson, Patrons Chairman, had no report. A suggestion was made to include the Gatehouse in future Meadow Garden Patron donations. Contributions for painting of house will be priority before this. Mrs. Ward gave an update of her June 25 letter. Gloria Clark's salary increased to \$5.00 an hour plus an additional \$20.00 a week for cleaning became effective August 20, 1992. Pay period is 20th to 20th. This was approved by the Board's mail-in vote. The Chairman stated a contract has been signed with Barton & Barton for demolition and drainage. Cost: \$5,000.00. Board approval given in mail-in vote. Barton & Barton purchased the air conditioner, hot water heater and refrigerator for \$210.00. There were no buyers for the furniture so it was donated to the Victory Baptist Tabernacle. A mail-in vote also was approved rescinding the motion of March 14, 1989 stating that the cottage should remain intact until a new building was completed. Mrs. Hanf read Section II Operations, Standing Rule 6 regarding distribution of sets of keys. The September 21, 1984 minutes state approval for the Docents Chairman to have a key; March 8, 1989 it was voted that Sizemore Security have a key; March 6, 1985 and June 11, 1987 it was

discussed that Georgia Power have a key. The Chairman, at that time, was to discuss with Georgia Power and come to an understanding of use of key. Members were asked if they knew what was decided. Georgia Power keeps key for use by the meter reader which is checked out for that purpose. Key distribution: Gate Only: Sizemore Security, Georgia Power Meter Reader, Walton Rehab mowing of yard. Gate & House: Dollye Ward, State Regent; Gloria Clark, Tour Guide; Virginia deTreville, Jean Burns and Margaret Cagle, Committee Chairmen. Since a tax must be charged on our tours, admission was changed to: Adults \$2.50; children under 12 \$1.00; groups of school children, scout troupes, etc. \$.50; and any adult group \$1.50. Quilts have been located in a chest of drawers upstairs and this will be checked on. Some roof shingles are rotten, several have been blown or washed off that seemed to be rotten and there are indications the roof leaks in places. Mrs. Watson stated some shingles may be in a cabinet at Meadow Garden. Southern Roofing is to inspect the roof and will report what needs to be done. Mrs. Burns will be requested to check on this. A motion was made by Mrs. Hanf and seconded that interest from a Capital Investment CD amounting to \$2,167.97 be transferred to the Maintenance Checking Account Fund to be repaid as soon as possible, without interest. Motion passed. It was mentioned the Tour Guide's job description does not make a reference to vacation time. The contract with Walton Rehab has been signed and returned to our attorney. It was recommended and agreed on to cancel Call Forwarding since it is no longer used. There was discussion about discontent with the canoe trip that has been stopping at Meadow Garden for several years. The consensus was since electricity and water is used during the day for this event it would be appropriate to ask for a cash donation. Mrs. Burns sent a recommendation for a motion that the annual Canal Cruise ending up on the grounds of Meadow Garden with a Barbeque, sponsored by WACG, be discontinued. Motion died for lack of second. Mrs. Elliott moved that we contact Chairman of Canal Cruise and inform him that the DAR needs a donation of \$100.00 to use the yard of Meadow Garden. Seconded and passed. No action was taken at this time on a recommendation sent by Mrs. Burns regarding moving the farm bell from the front gate to the northwest corner of the house. No action was taken on a grounds keeper. This will be looked into later. Mrs. deLamar recommended a ledger be kept of purchases for the Meadow Garden gift shop. The Board agreed it should be done. Street signs have been moved. A copy of the Financial Statement was filed. Mrs. Ward was thanked for selecting the luncheon plate which was enjoyed by all. There being no further business the meeting adjourned at 1:45 p.m.

Mrs. Peter S. Hanf, Secretary

MEADOW GARDEN BOARD The Meadow Garden Board met Wednesday, March 3, 1993 at the Columbus Hilton Hotel, Columbus, with Mrs. Jerido Ward, State Regent, presiding as Chairman of the Board. The meeting was called to order at 1:05 p.m. The invocation was given by Mrs. Luther L. Watson, Patrons Chairman. Others present were: Mrs. Peter S. Hanf, Mrs. Roy H. Cagle, Jr., Mrs. Leonard G. DeLamar, Mrs. James H. Elliott, Jr., and Mrs. Fred A. Miller, Jr., ex-officio member. The October minutes were read and approved with additions. Mrs. Ward reported, in the absence of Mrs. Burns, Meadow Garden Chairman, that the City of Augusta had given a \$1,000.00 grant for lighting of the flagpole. This grant was due to Mrs. Burns working with the Mayor. Plexiglass has been installed in the doorways of the Augusta Room and Best Room. The house needs painting on the outside and the dining room continues to peel possibly from dampness. The Board was reminded of Gloria's dedication to her job. The Board Chairman stated she had given permission for the purchase of a 6 ladder, which was needed, and a small vacuum to be bought in April. Mrs. Cagle stated she would be glad to give a "Dirt Devil" vacuum cleaner she has for use at Meadow Garden. Jean still feels the bell should be moved to the back of the house. Furnishings Chairman, Mrs. DeLamar, remarked the lighting fixture on the stair landing would possibly be changed and a cloth would be put over the kitchen table. Museum Shop Chairman, Mrs. Elliott, informed Board members everything was selling well. Additional items will be ordered. Gloria had sent items to sell at Conference. Landscaping Chairman, Mrs. Cagle, reported pansies had been planted and the probationers had been doing a good job cleaning the yard, especially around the fence. The grape vines were trimmed later than intended. Green Thumb on Central Avenue is to give an estimate on perennials to go in area where the former caretaker's cottage had been located. Information will be available for June meeting.

Bulbs along walkway are to be moved to a better location. Mrs. Watson mentioned a good location for the new gatehouse would be near back gate where the caretaker's house was. Patrons Chairman, Mrs. Watson, announced 12 chapters were Patrons and 25 members became Patrons. She will continue to encourage members to become Patrons and purchase the Meadow Garden pin. The Major General John Twiggs Chapter upon disbandment will give \$1,900.00 in memory of Mrs. J. Lanette O'Neal Faulk for maintenance and painting. The Financial Statement was passed out by the Chairman and the Members had no questions. Mrs. Ward will report to the Resolutions Committee the Board's agreement to rescind the Resolution of October, 1990 establishing the Gatehouse Fund from the interest of the Capital Investment Fund and to present another Resolution to put this interest into the Maintenance Fund. The vote was taken by a telephone poll and everyone was in agreement. Pictures were passed around showing underneath the front porch and how badly the lattice is needed. Mrs. Watson reported the lattice was historically correct and was used on the back of the house. Additional brochures on Meadow Garden are needed. Suggested fees: Children's: K-7, \$.50; 8-12, \$1.00 and adults \$2.50. Public relations work needs to be done to solicit business for Meadow Garden. Suggestion given was: Books on George Walton would be nice to have in the house. Marie DeLamar was requested and encouraged to do a book on Walton. The members were informed that on February 11, Dollye, Carolyn, Sue Eileen Muldrow, Finance Chairman; and Shelby Whitson, Treasurer, met with Sammy Fowler, Dollye's brother-in-law, an attorney, to get some advice about the Capital Investment Fund. Mr. Fowler suggested we leave the principal of \$220,000.00 alone and use the interest to maintain the house. Interest has not been used, since the fund was established. We have been operating with a deficit for about 3 years. The principal of \$220,000.00 is what will be left when the monies are pulled for the Gatehouse Fund. He also suggested that CD's be put into larger amounts and longer terms on a rotating basis in order to get more interest. The interest should be pulled monthly and put into the Maintenance account. A \$100,000.00 CD will stay at that amount and not conflict with original resolution. Board members were requested to review list of accounts and consider combining some of them and be ready to discuss in June. Roofing for the house was discussed and estimates presented from several contractors. Young's Roofing & Painting: Estimate includes removing shingles, installing base sheet felt (15 lb. base) on approximately 38 squares, and flashing around dog houses and 2 chimneys. To install 30 lb. felt in between each row of shingles. Sub-total: \$3,520.00. Cost of cedar wood shingles machine cut: \$6,270.00. Total costs: \$9,790.00. Bid attached. Commercial shingles have a 40 year guarantee and would cost \$4,660.00. Southern Roofing and Insulating Company: Same type of work as above for the sum of \$11,499.70. Bid attached. Marie DeLamar moved the estimate from Young's Roofing be accepted for cedar roof on Meadow Garden. Seconded. Motion approved. Young's Roofing & Painting Contractor submitted a bid to paint Meadow Garden for \$5,865.00. The proposal included pressure washing, scraping, cleaning and caulking all outside of house. Priming all woodwork on outside of house and finalizing with a finish coat. The brick work and cement block will be primed with a sealer and a finish coat of paint will be applied. A review of other bids received: Jackson's Painting Contractors, Inc. \$10,560.00; Johnson & Associates \$22,675.00; John Lamar not more than \$6,000.00; James F. Barnes \$6,000.00; and Baxley Painters \$11,520.00. Margaret Watson moved that painting be done by Young's Roofing Contractors to be scraped, primed and two coats of paint for \$5,865.00. Seconded. Motion approved. Margaret Cagle moved to install lattice work and carpentry work at about \$500.00 for lattice and \$1,100.00 for carpentry work. Seconded. Motion approved. Lattice is for front of Meadow Garden. Mary Gene Elliott moved that the Meadow Garden Board transfer \$18,000.00 from the Money Market General Savings for painting, re-roofing and carpentry to be done on Meadow Garden. Seconded. Motion approved. A Booklet entitled "Georgia At Its Best" by Jeanne and Harry Harman on Meadow Garden has mistake and letter has been written giving correct information. Brochure to be reordered after changes. A suggestion was made to have a post card with picture of Meadow Garden made. Dorothy McClain has volunteered to do picture. Quote was \$1,000.00 for approximately 3,000 cards. This will be considered when estimate comes in. Also mentioned was a Christmas ornament (24K gold dipped) with a picture of Meadow Garden including history on card and stand. Must purchase 1,000 at \$5.00 each. Sell for \$12.50 free with \$10.00 contribution. No decision at this time. Meadow Garden charms,
